Water Well For City Completed

Tom Shults, city water superintendent, reported to the city council Tuesday night that the new water well has been completed and that it is a good well. Although it has not been thoroughly tested, it will pump at least 40 gallons a minutes, he estimated.

The well will be tied into the ground tank this week, Shults said, and with the heavy usage of water during the past few weeks, he is glad to know that water from the new well will soon be available.

The well was drilled to a depth of 137 feet with pump set at 84 feet. Six inch casing was used. Cost of the well will be about $1,200.

The council approved the purchase of a new Jeep pick-up truck. The secretary was authorized to make payment of $990 for the truck in addition to trade-in of the city Chevrolet pick-up.

The council also authorized payment of $50 to the fire department to reimburse them for the cost of sending a man to the Firemen's Training School which is being conducted at A & M this week.

The city will be entitled to a 3 percent insurance reduction on the key rate as a result of this man attending the school, the council was informed.

Three Teachers Named To School Faculty

Supt. J. F. Harbin announced today that the faculty for the Aransas County Independent School District is nearing completion for the 1950-51 school term.

Miss Dorothy Jean Isacks, 1950 graduate of A & I College at Kingsville, will teach home economics in the high school and supervise the school cafeteria. Miss Isacks holds a Smith-Hughes vocational certificate. Her home is in Gregory.

Miss Lois Blount, presently employed as instructor in the physical education department at S.W.T.T.C. at San Marcos, will teach English in the junior high school department and junior girls physical education.

Miss Helen McLennon, graduate of the University of Texas, has been hired to teach the first and second grades in the Fulton grade school. Miss McLennon comes to Rockport with five years experience. She taught in the San Marcos elementary school last year.

Instructors for third and fourth grades remain to be hired, Supt Harbin said.

PORPOISE LEAPS ON PURPOSE—This purposeful porpoise will leap 12 feet into the air whenever keeper Clifford Ambrose holds a fish tidbit aloft. Two other porpoises, both as cute as buttons, also take to the air when Ambrose sounds chow call at this Theatre-by-the-Sea in Plantation, Fla.

IN THE WAKE OF A TWISTER—A death-dealing tornado struck Rhinelander, Wis., killing two and injuring 50. In the wake of the violent wind storm, which caused untold damage, lay shambled barns and homes grim reminders of nature's fury.

Texas To Supply 1,005 For Draft

Austin. July 11.—Texas today was ordered to supply 1,005 men under the present draft call.

A telegram from Maj. Gen. Lewis B. Hershey, national director of selective service, advised the state selective service headquarters here of the Texas quota.

The call asked that the men be delivered "as soon as possible and not later than Sept. 30."

Quota To Be Apportioned

Several days will be required for the quota to be apportioned among local draft boards, state selective service headquarters spokesman said. The apportionment was to be made on the basis of registrations currently on file with the local boards.

The quota is Texas' share in the national draft call for 20,000 men requested yesterday by the Department of Defense for induction "at the earliest possible date."

Brig. Gen. Paul L. Wakefield state director of selective service, said that two members of his staff would go to Fort Sam Houston tomorrow to confer with Fourth Army officials regarding induction station locations and other arrangements.

Men 19 through 25 are eligible for induction but the first called are expected to be single men nearing their 26th birthdays. Deferments are automatic for men with dependents, and may be granted by local boards to persons holding essential jobs, or to students.

Nearly all veterans of World War II are exempt.

Officals estimated the local boards will have to screen up to 160,000 men to meet the initial call. A total of 1,466,629 are tentatively classified 1-A.

Each state's quota is based on the ratio of the number of its 1-As to the national total.

Using the same system, state directors will set local draft board quotas in each community.

The Army has announced the first draftees will be trained at Fort Ord, Calif.; Fort Dix, N. J.; Fort Riley Kan.; and Fort Knox, Ky.

The small initial call was believed aimed primarily at stimulating voluntary enlistments. Unless there is a continued sharp upswing in recruiting, however, further calls are expected.

Ford Economy Run Starts This Week

This week the Ford Motor Company and Ford Dealers of America are launching the nationwide Ford Truck Economy Run, a comprehensive truck operating study that will cover a six-month period ending December 31, 1950, according to W. E. Boehnke, president of the Commercial Motor Company in Aransas Pass.

The Ford Economy Run, Boehnke stated, will include thousands of Ford Truck owners all over America who will keep complete day-to-day records of their actual truck operations, including every mile traveled, every load hauled, every gallon of gas and oil consumed and total repairs and maintenance.

Cue M. Tate, of Tate's Drive-In Produce will be the Aransas Pass and Rockport entrant in the Ford Economy Run, Boehnke announced. Mr. Tate's truck, a Ford F-1 stake model, can be identified by the orange and black shields which are mounted on all trucks throughout the nation that are participating in the Run.

Holy Name Society Schedules Bingo Games At School Grounds Sun.

The Holy Name Society of the Catholic Church will sponsor a bingo game at the Sacred Heart school grounds Sunday, July 16, beginning at 8 p.m. Leonard LeBlanc was put in charge of arrangements.

Travis Johnson was named president of the Society at the Monday meeting. He succeeds Roy Rogero. The office of vice-president was created and Dick Simpson, Jr., was elected to fill this office. Fred Bracht was re-elected treasurer and Urban Hemmi as secretary.

Details regarding the proposed new church were discussed.

Hot tamales will be sold on the grounds as well as soft drinks. The affair is scheduled to get underway at 7:30 p.m.

Rockport Boys Enter Stock Car Races

John Albert Ratliff and Tim Haynes have gone together and built a 1934 model Ford which they enter in the stock car races at the Corpus Christi Speedway each Tuesday night.

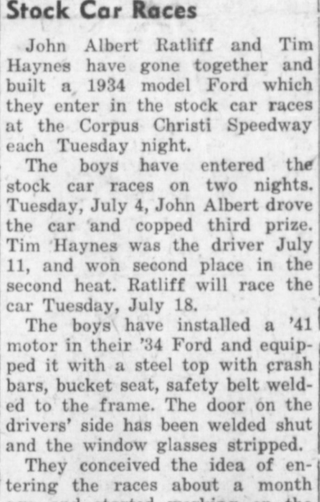
The boys have entered the stock car races on two nights. Tuesday, July 4, John Albert drove the car and copped third prize. Tim Haynes was the driver July 11, and won second place in the second heat. Ratliff will race the car Tuesday, July 18.

The boys have installed a '41 motor in their '34 Ford and equipped it with a steel top with crash bars, bucket seat, safety belt welded to the frame. The door on the drivers' side has been welded shut and the window glasses stripped.

They conceived the idea of entering the races about a month ago and started working on the car. They are sponsored by the Auto Service Company.

In the stock races the cars are strictly stocked as they come out of the factory. If the motor is changed, rules require that the new motor be the same make as the car.

If a driver entering the races is convicted of a traffic violation he is taken before a board composed of other drivers and where the violation warrants it, the driver is barred permanently from the races.



TRAPPED FARMER—Buried neck-deep in dirt by a well cave-in, farmer Henry Randall of Elkhart, Ind., was saved from smothering to death by quick-witted rescuers who slipped a bottomless ashcan over his head to prevent sifting soil from completely covering him up. A tractor and slip-scraper freed Randall before he was forced to use a garden hose as a breathing tube.

Dance At Civic Building Saturday

The Collegians Orchestra will play for a dance to be held at the Woman's Club building Saturday night, July 15. The dance will be strictly informal and a special invitation has been extended to tourists to come out in their shirt sleeves and enjoy the affair. Admission to the dance, which is sponsored by the Woman's Club will be 75 cents per person.

Mrs. Weldon Cabaniss was named chairman of a committee to arrange for a sign to be placed outside the community building, at the Tuesday afternoon meeting of the Woman's Club.

Following the business meeting a social hour was held to welcome new members into the club. New members are Mrs. Chester Johnson, Mrs. N. C. Vandagriff, Mrs. Travis Bailey, Mrs. Thomas Yarrell, Jr., Mrs. E. R. Blaylock, Mrs. Jack Hagar, Mrs. Jack Sparks, Mrs. Malcolm Bocquet, Mrs. Alice DeForest, Mrs. Eleanor Reiber, Miss Jewel Fulton, Mrs. John Cox, Mrs. A. S. Maier, Mrs. H. S. Koehler, Mrs. J. K. Gibson, Mrs. Clark Wren, Mrs. J. L. Baughman, Mrs. Herbert Mills and Mrs. W. G. Terry.

Mrs. Chas Roe, Sr., social chairman, was in charge of arrangements. Thirty-five persons attended the meeting.

Local Fireman Attends Training School

A. Peschke, fireman with the Fulton Fire Dept., is at A. & M. College this week attending the Texas Firemen Training School, which is being conducted over a four day period.

Peschke will receive instruction in all phases of fire fighting. The course is offered annually at the college.

Aransas County is fortunate that a man is able to attend the course as it will enable a three percent reduction in the key fire insurance rate.

The city council at their Tuesday night meeting voted to pay the expenses incurred by the representative, which were estimated at $50.

Peschke went to A & M with the fire chief and another representative from the Aransas Pass Fire Department.

Girls Team Schedules Four Games For Week

After two weeks with no games, the Liquefied Girls softball team has scheduled four games for the coming week.

Friday night, July 14, they will meet the Port Lavaca team on the local field. Ingleside will come to Rockport Monday night to play the Liquefied team. Wednesday night the Rockport team will journey to Taft for a game there. Next Friday night, July 21, the girls will meet the Clasco team from Corpus Christi here.

The following week the Girls Softball Tournament is scheduled to be played here. Ten teams have been invited to participate in the tourney, July 26 to 29.

A doubleheader will be played each night with the championship game to be played on Saturday.

A drawing will be held July 20, to schedule the series for the four day period. Entry fee for each team is $10 and the deadline for entries is July 15. Dr. R. S. Blackburn is manager.

State Agency Okays 775 New Shrimp Boats; New Quota Effective Now

The State Game, Fish and Oyster Commission Friday cleared the way for 775 more commercial boats to join the shrimp hunt in Texas coastal waters.

The board voted unanimously to increase the boat license quota from the present 1,500 to 2,325, effective immediately. The new quota would continue through August 31, 1951.

Before the additional boats can begin operations legally, however, their applications for a license must be screened and a license issued.

Commission Executive Secretary Howard Dodgen said 450 applications are already waiting. He told the commission that a 13 million pound increase in shrimp landings at Texas ports this year would justify the increase in the license quota.

Licensed boat operators battled against the quota increase. Thursday not only the fishermen but business men and officials along the Texas coast sent about 500 telegrams to Governor Shivers asking that he intervene by voicing a protest to any increase in the boat license quota.

Ted Little, newly elected president of the Fishermen's Association, argued that the Texas shrimp supply is declining and would become "critically short" in future years unless something was done about it.

"Fishermen disagreed with the biological report, as presented by Dodgen, which quoted marine biologists as saying that the supply of shrimp would not be endangered by overshrimping," Little said. Back in Rockport this week, Little said "the biological report cannot be considered practical, from an economic standpoint at any rate, when the fact is taken into consideration, that fishermen from other states, from North Carolina to Louisiana, are fishing illegally in Texas waters because the shrimp supply has been so exhausted in their own waters that it is no longer economically possible to continue shrimping there."

"Texas fishing grounds are considered the last frontier and the result is that all boats from depleted areas are coming here to fish," he said.

"The production figures as presented by Dodgen at the meeting, are correct as they stand," he said, "but there was no breakdown to show the source of the increases. The amount of shrimp brought to U. S. ports from Mexico waters was not detailed," he said, "nor the amount which was produced in Texas waters by fishing boats operating in violation of the laws of Texas."

License seekers took issue and claimed, "It's simply a matter of not wanting to have competition in a growing business. If the present quota continues, those with licenses will soon have a monoply in a tremendous industry. Mr. Dodgen's study shows that the quota can be increased in line with conservation and it should be increased."

A dozen others joined in pro and con, the argument heating as it progressed.

Commission Chairman W. Scott Schreiner of Kerrville interrupted. "The commission was created for only one purpose—conservation," he said. "We can concern ourselves only with whether the increase will affect supply of shrimp 20 or 25 years from now."

The commission was empowered by a law passed by the Legislature to set the annual quota on boat licenses for commercial fishing as a conservation measure.

The Fishermen's Association delegation at the meeting included Ted Little, W. D. McMillan, Ass'n. business manager, Cyrus Farley, Mr. Cook, Mr. Sachtleben, president of the Aransas Pass local.

Gene Smith Awarded A & M Scholarship

Gene Smith, son of Mr. and Mrs. Austin Smith, is one of 53 Texas high school graduates who have been named winners of four-year opportunity award scholarships at Texas A and M College.

This Year's Salutatorian

He was was one of those chosen by the faculty committee on scholarships from 312 candidates who entered the 1950 state-wide competition for a chance at a college education.

Smith is a graduate of Rockport high school with the class of '50 and was named Salutatorian of his class. His grade average for the four year period was 93.57.

He also had a long list of activities to his credit.

He was active in sports, with four years in football, three years in basketball and one year in baseball. Popular among the students, he was named secretary of the freshman class and served as president of the sophomore, junior and senior class. He also served as president of the Lettermen's Association. The honor student was a member of the junior play cast and during his senior year was voted the most likely to succeed as well as the best all-around boy.

Scouts Return From National Jamboree

Mr. and Mrs. W. Hiett and Mr. and Mrs. J. L. Baughman went to Corpus Christi Wednesday morning to meet the Southern Pacific train at 8 a.m. which brought their sons, William Hiett and Port Baughman, home from the National Scout Jamboree which was held at Valley Forge, Pa.

A crowd of about 250 parents and relatives was on hand to greet the train, after waiting nearly three hours for its arrival. The train, scheduled to arrive at 5:15 a.m., pulled into the station at 8 o'clock.

This morning the boys were still in the process of unpacking their baggage and busy reciting events of the trip.

Eight Scouts Leave For Camp Sunday

Boy Scout Troop 49 will send eight boys to summer camp this year, Scoutmaster R. A. Roberts said this week. The boys will check in at the camp afternoon on July 16 and return home after the noon meal on July 22. It will be necessary for each boy to bring his own bedding and personal gear; tents, food and other equipment will be furnished by the camp.

Camp Karankawa, named after the South Texas Indian tribe, is one of the finest Scout Camps in this area and will be in operation for eight or more weeks this summer with 150 boys each week.

Located on Lake Corpus Christi near Mathis, the camp offers a full program of aquatic activities, all under the supervision of specially trained water front directors. Some of the program highlights will be: daily swim periods, with instruction in swimming and life-saving; rowing with instruction both in rowing and boat safety; canoeing, with instruction and safety training, campfire programs, nature study, compass trails, axe and hatchet instruction, ropes and knots and how to use them of course, plenty of good food prepared by professional cooks and plenty of good sleep and rest. The camp fee is $10 per boy for the six day period.

Boys who will attend are John Teegerstrom, Phillip Hiett, Shorty Hiett, Harry Lee Mills, Jimmy Mills, Cully Roberts, Burke Cabaniss, J. D. Spencer and Rudy Gwynn. Capt. Gilroy of Aransas Pass will accompany the Rockport and Aransas Pass boys.

Mrs. Arley Shivers and children and Mrs. Mary Adolphus are visiting this week at the home of Mrs. C. C. Shivers in Woodville, Texas.

"LIKE ONE OF THE FAMILY"

The Bundys and their many relatives in Topeka find their telephones indispensable in keeping the family circle tightly knit.

Mrs. Bundy says: "We'd be lost without our telephone. It's like one of the family. And best of all—from a recent five-day record of our calls, we found that it costs only about 2¢ for each call made and received. What a bargain!"

Yes, Mrs. Bundy, a *real* bargain—increasing in value each year as more telephones are added. Southwestern Bell Telephone Company.

One of the many calls listed in our 5-day record was from my MOTHER-IN-LAW. She wondered what our little Larry would like for his birthday. He'll be five next week.

GRANDMA WELLS called, invited us to dinner. Has some vegetables for us—saves on grocery bill. Grandma lives alone, three miles from us, but she's seconds away by telephone.

What else gives so much for so little?

Game Commission Recommends 45 Day Waterfowl Shooting Season

Austin.—The Texas Game, Fish and Oyster Commission recommended a straight 45-day waterfowl shooting season beginning November 10. An earlier request for a zoning season to benefit Panhandle counties has been placed before the Federal Fish and Wildlife Service as has also a proposed bag limit of eight ducks per day and eight in possession instead of the four ducks per day and four in posession allowed last fall.

The Commission authorized a nine-day antelope season west of the Pecos to be patterned after the 1948 special season in which 702 permits were issued to bag male antelope. The number of 1950 permits to be issued has not yet been determined.

Game and fish seasons for the newly created regulatory authority in the new twenty-eight county Panhandle area also were approved. They call for a deer and turkey season from November 17 to November 26 for all Panhandle counties excepting Armstrong, Randall and Briscoe. The limit will be one buck deer and two turkey gobblers for each hunter. The three counties were exempted because of recent restocking activities by the Game Department.

The Commission approved a whitewing dove season for September 15, 17, and 19 beginning at 4 p.m. and lasting until sunset with a limit of ten birds a day and ten in possession. The Commissioners voted for a statewide dove season of 45 days, beginning October 20 and lasting until December 3 in the south zone and beginning September 1 and running through October 15 in the north zone, with a daily bag limit of ten and a possession limit of ten.

The Panhandle area was granted a quail season from December 1 to January 16, which are the same dates as the general state law, but the bag limits for the new regulatory area were cut from 12 per day to 10 per day and the possession at any one time. The Commission abandoned plans for open season on antelope, prairie chicken and pheasants in the Panhandle because of insufficient data and a policy of "playing it safe," until more information on these species could be obtained.

For the regulatory area west of the Pecos, the Commission authorized a deer season and quail season similar to 1949. In this area, El Paso and Terrell counties were eliminated from the antelope shooting regulations.

The statewide deer and turkey season as well as the quail season are set by law and are not affected by the latest commission action. Deer and turkey seasons for the state at large run from November 16 through December 31, inclusive, with a limit per hunter of 2 buck deer and 3 gobblers. The quail season if from December 1 to January 16, inclusive, with a bag limit of 12 per day and a possession limit of 36 per week.

The Commission, after a lengthy hearing, authorized an increase in the quota of commercial fishing boat licenses from 1550 to 2325. It also approved experimental studies in connection with authorizing issuance of licenses for 14 additional menhaden seines, to be used until September 1.

Other action concerning the new Panhandle regulatory area include squirrel season, May 1 to July 1 and from October 1 to December 31, with a bag limit of 5 per day and a possession limit of 5; trapping season on furbearing animals December 1 through January 31, except muskrat, which will be December 1 to December 28; limiting crappie bag to 15 per day and 30 in possession and similar provisions for channel cat, with black bass limited to 6 per day and 12 in possession, and no bag limits for sunfish, perch, bream, blue cats and mud cats; restricting each fisherman to one trotline of not more than 20 hooks and an aggregate of not more than 20 hooks of all kinds for each fisherman; limiting a fisherman to possession of 200 minnows and putting a 20-foot limit on minnow seines.

The Panhandle regulatory district comprises these counties: Randall, Potter, Oldham, Gray, Roberts, Hemphill, Motley, Cottle, Dallam, Hartley, Childress, Hollingsworth, Sherman, Hansford, Moore, Wheeler, Donley, Hall, Hutchinson, Carson, Deaf Smith, Armstrong, Palmer, Castro, Swisher, Briscoe, Lipscomb, and Ochiltree.

Miss Rosa Faye Hamblin is visiting in Corpus Christi this week at the home of Mr. and Mrs. Howard Kinsey and Mr. and Mrs. Robert Steele.

PEEPING TOM CATS — Two cowardly Kings of the Jungle peeked around a corner of the Brookfield Zoo cave in Chicago, fearful of a photographer sighting in on them with a loaded camera. Their caution was to no avail for, with deadly accuracy, the cameraman tripped his shutter, bagging two more trophies for his picture album.

Aransas Pass Youth Group Attends Meet Here

The senior group of the Presbyterian Youth Fellowship entertained members of the Aransas Pass group here last Wednesday night.

A program. "What's the Connection", was presented by the local group. Miss Rosa Faye Hamblin was program chairman. She was assisted by Jim Hayden, Jim Morrison, Kathryn Torres and Pat Smith. Bob Little gave an account of the Synod Presbytery camp at Mo-Ranch which he attended this summer.

Following the recreation hour watermelon was served by Mrs. Floyd Smith. She was assisted by Jim Hayden and Bob Little.

Sponsors of the local group are Mr. and Mrs. Floyd Smith. Mrs. Perkins, sponsor of the Aransas Pass group, also attended the affair.

Dates for Hunting Doves Are Changed For South Texas

Washington, July 10. — Secretary of the Interior Chapman announced today proposed hunting regulations for next fall for migratory game birds other than waterfowl.

Chapman said the waterfowl regulations will not be issued until August 26, about a month later than usual.

He said this will give the Fish and Wildlife Service more time to analyze the latest information from its biologists on the northern breeding grounds.

Wakefield Warns 18-Year-Olds To Register For Draft

Washington, June 30.—A warning that the new draft act extension approved this week by Congress requires the registration of all young men within five days after their 18th birthday was sounded Friday by Brig. Gen. Paul L. Wakefield, Texas' director of selective service.

Wakefield who has been attending a four-day meeting of selective service directors of all states here, said registration requires only a few minutes, and that failure to register can result in severe penalties.

Wakefield said word reaching him from his Austin office is that the Korean crisis has precipitated a rush on Texas local draft boards by young men wanting information as to their probable status.

"This," said Wakefield, "would be a normal reaction in Texas, inasmuch as Texans take more than a casual interest in wars where a people's freedom is involved."

Shortage of money has necessitated rigid economy in selective service, Wakefield said, and many local draft boards are open only one day a week or less in different areas of Texas.

The place of registration and the time the office is open "may easily be learned by inquiry at the courthouse, city hall, post office, Wakefield said.

Wakefield emphasized that while registration is required at 18, there is no liability for military service under the present law until the registrant reaches 19.

(Pol. Adv.—Paid for by Chairman Ralph W. Yarborough, Travis Co. Griffin for Supreme Court Supporters.)

To the Voters of Aransas County:

The income of Aransas County has grown tremendously in the past few years. It is important that the citizens of this county elect a County Treasurer that is qualified to handle this important office. For over 40 years David Rockport Scrivner held this office. His work was done so efficiently and without fanfare, that few people realized the importance of the office of County Treasurer.

Ettoil (Duck) Harrist Eller has efficiently handled the affairs of the County Treasurer's office after being appointed as Deputy Treasurer on May 27, 1949, a position she resigned to campaign for the office of County Treasurer.

A copy of Mrs. Eller's resignation, which is recorded in the minutes of the Commissioners Court, and a letter of recommendation from James F. Houlihan, Special County Auditor, follows:

TO THE COMMISSIONERS COURT OR ARANSAS COUNTY, TEXAS

April 28, 1950

As you will recall, acting upon the advise of the County Auditor of Aransas County, you appointed me Deputy Treasurer of Aransas County on May 27, 1949, to fill the remaining term of C. K. Tatum, incumbent. I accepted such appointment and have been serving since June 1, 1949, but I now find that it is best that I resign from such position, and since my appointment was from you, it is to you that I present my resignation. My reasons for resigning are the following:

I am now a candidate for the office of County Treasurer of Aransas County, Texas, for the coming term. At the time of accepting your appointment as Deputy Treasurer and at the time of my announcing my candidacy, I was under the understanding from reliabe sources that Mr. Tatum would not run for re-election on account of his inability to do the work of the office. Since Mr. Tatum has now announced for re-election, it is embarrassing for me to continue doing the work of the office of County Tresurer. I have been doing all the work of the office of County Treasurer since June 1, 1949, at a salary less than one-third of the salary of the County Treasurer.

I wish to make it clear that since my appointment came from you and not from Mr. Tatum that I do not consider myself in any manner disloyal to Mr. Tatum by my entering the race for County Treasurer for the coming term. My employment with you has been very pleasant indeed, and I want to thank each of you for the many courtesies extended me.

July 5th, 1950

Mrs. Ettoil Eller,
Rockport, Texas.
Dear Mrs. Eller:

We wish to compliment you on the manner in which you brought order out of confusion in the records of the County Treasurer during the period you served as his deputy.

When you took charge of the books after your appointment as Deputy County Treasurer it was hard to make head or tail out of the financial transactions of the County as they had been recorded in this office since January 1st. 1949.

You carried on in a conscientious and efficient manner and soon brought order out of chaos. When you left that office everything was in first class shape.

We were sorry to learn that you had resigned as Deputy and it is our opinion that the citizens and taxpayers of Aransas County will miss your efficent services in the office of the County Treasurer.

Sincerely yours,
HOULIHAN AUDIT SERVICE,
By James F. Houlihan.

Aransas Pass Civic Leader Buried Wed.

Funeral services were held in Aransas Pass Wednesday afternoon for Mrs. Lillian Snyder, 65, Aransas Pass business woman and civic leader who died in a Temple hospital Tuesday morning. Rabbi Schur from Houston officiated. Burial was in the Prairie View Cemetery.

Co-owner of Snyder-Clark Motor Co., Mrs. Snyder was a member of the Aransas Pass School Board. She belonged to Eastern Star and the Business and Professional Women's Club. As a civic worker, she had participated in a beautification program at Aransas Pass.

Survivors include a son, Bill Synder, Jr., of Aransas Pass, and a sister Mrs. William Goldhammer of Los Angeles.

Eager Beavers to Play Portland Here Saturday

The Eager Beavers softball team won from Portland in a tight game Saturday and will meet them again on the local field this Saturday night, July 15.

The leading hitter for Rockport was Don Hander. Starting for Rockport were Gary Smith, catcher; Tommy Cron, pitcher; Arden Hander, first base; Charles Smith, second base; Charles Garrett, third base; Don Hander, shortstop; Lee Ingersoll, left field; Cloyce Hayden, centerfield; Johnny Atwood, right field.

Will Wilson Campaigns Vigorously For Supreme Court

Austin.—Texas has seen much of Will Wilson of late. The Dallas County District Attorney, who is candidate for the Supreme Court, has campaigned vigorously in West and South Texas since he

announced his candidacy in Austin the latter part of May. His plans include visits to East Texas and other sections of the state during his campaign tour.

"Justice is the only thing that a candidate for the Texas Supreme Court can promise voters," Wilson stated in addressing the Army and Navy Association in San Antonio Thursday. "I pledge, if elected, to add my efforts to those of the present court, toward this end."

Wilson, the only veteran in the race, returned from World War II service in the Southwest Pacific with a desire to enter public life. He was elected Dallas County District Attorney in a five-man race in 1946, and re-elected two years later by an overwhelming majority.

His drive in Dallas against organized crime has attracted national attention. Formerly president of the District and County Attorney's Association of Texas, Wilson is now chairman of the Texas Bar Association's steering committee to modernize the State Penal Code.

Wilson attended the Dallas public schools, and then earned a science degree from Oklahoma University and a law degree from Southern Methodist, working as a roughneck in the oil fields to finance his education.

During the war he saw active combat on Biak and Luzon. As commanding officer of the 465th Field Artillery Batalion on Northern Luzon, he accepted the surrender of the forces of General Yamashita, infamous Japanese military leader. During his service with the army, he earned a bronze star for voluntary patrol behind Japanese lines.

Before the war, Wilson was trial lawyer for a large Dallas civil law firm, later resigning to become Assistant Attorney General under Gerald Mann and Grover Sellers. He specialized in trial work for the state, successfully prosecuting cases involving millions of dollars of endowment funds for the public schools.

"To the Supreme Court, I will bring the vigor of my middle years and the experience of a court room attorney, fresh from the trial of contested lawsuits for the people of Texas," says Wilson. "I hope to carry on the tradition of fine public service to which Judge Taylor has devoted his life." It is retiring-Judge W. M. Taylor's place on the Supreme Court bench which Wilson seeks.

Announcement

Weldon Cabaniss, president of the Chamber of Commerce, has called a director's meeting to be held at the fire hall Monday night at 7:30, July 17.

James H. Hodge underwent a major operation at the Rockport hosptal during the past week.

Game Molesters Hike June Fines

Austin. — Fishermen comprised one-third of game and fish law offenders during June but the largest fines were paid by illegal deer hunters and stream polluters.

Total of fines and court costs was $4,450.65 for 202 cases compared to $3,988.30 for 133 cases for June, 1949 and $4,024.85 for 182 cases for May, the preceding month this year.

Seventy persons were charged under the fishing license code, with 62 Texans drawing fines for having no license. The other eight were non-residents.

The alertness of wardens in checking angler's bait under the new law which permits persons to fish without licenses in counties adjoining their home counties, providing they do not use live or artificial bait was reflected in two cases. One San Antonio man and one Adkins man assured the investigating wardens they were using worms. When officials checked further, they found they were using minnows. The strategy back fired so badly that both men paid fines and lost their fishing rights for one year.

The largest individual sum paid during the month was $219.75 in fines and costs levied against a Corpus Christi man for operating two unlicensed commercial fishing boats in coastal waters. The pollution assessments included two Rockport cases that produced $342 in fines and costs.

Three Freer men paid $61 each for a headlighting foray that netted them a doe and spike buck. In another case, a Freer man paid a total of $111 when caught hunting at night. A Sour Lake man got off with $21 levy for killing deer out of season. Two Sabinal men paid $113 each for killing deer at night. One was a bartender. Wardens said that after he shut off the spigots at closing time, he rallied the customers for outlaw raids on wild game.

Mr. and Mrs. W. O. Anderson and children of Weslaco were guests this week at the J. P. Hanway home.

WSCS TO ENTERTAIN ARANSAS PASS SOCIETY TEUSDAY

The Methodist W.S.C.S. will be hostess to the Aransas Pass Society Tuesday afternoon, July 18, at a meeting to be held at the home of Mrs. O. B. Thompson. Mrs. Harold Teegerstrom will be the program leader.

Arrangements for this meeting were made at the regular monthly business meeting which was held at the church last Thursday.

It was announced that a new gas range had been purchased for the annex and the membership voted to install cabinets in the annex kitchen.

Mrs. John Haynes led the devotional at the Thursday meeting. Vocal selections were given by Miss Rosa Faye Hamblin.

CHURCH GROUP MEETS MONDAY

The Evening Circle of the Presbyterian Church met at the church Monday night for their monthly meeting. Mrs. Mary Juergens was hostess to the group.

Mrs. J. B. Jackson presented her Cause on Christian Relations and gave an article, "The church can prevent divorce." Mrs. Hugh Morrison gave the Bible study "David's Prayers."

Refreshments were served to nine ladies.

Mrs. Tracy Williams of Frederick, Okla., is visiting at the Joe Smith home this week.

MR. AND MRS. CHAS. CLEVELAND AT HOME IN ROCKPORT

Mr. and Mrs. Chas. Cleveland returned to their home in Rockport Monday following an extended trip through Arkansas, Tennessee, Louisiana and Texas.

Mr. and Mrs. Cleveland were united in marriage June 20, at the home of the bride's parents, Mr. and Mrs. E. Z. McKinney, in Hugo, Oklahoma.

Mrs. Cleveland was the former Mrs. Velma Sachse of Aransas Pass, where she was employed at the Naylor Furniture Co. for the past five years.

SWIM PARTY-PICNIC FOR TEEN-AGERS

Mr. and Mrs. Floyd Smith entertained a group of young people at a swim party and weiner roast Sunday night. They were assisted by Mrs. Tracy Williams of Frederick, Okla.

The Teen-Agers enjoyed swimming at the Oleander Court and then held a weiner roast and watermelon supper at the Goose Island State Park.

Guests were Pat Smith, Gene Smith, Gary Smith, Jim Sparks, Bob Little, Zade Jones, Jim Morrison, Bob Morrison, Ann Torres, Kathryn Torres, Judy Albin, Sharon Rice and Shirley Cox.

PIONEER GROUP ENJOYS PICNIC

The Pioneers of the Presbyterian Youth Fellowship enjoyed a swim party and picnic at the Oleander Court last Wednesday night. Following the picnic supper, the evening was spent playing games.

About 19 youngsters attended the affair. Sponsors were C. C. Hayden, Miss Patti Ballou, Miss Bonnie Cron and Mrs. Chas. Cron.

CONGRATULATIONS

Mr. and Mrs. Barney Hobbs are the proud parents of a son born at Memorial hospital in Corpus Christi Saturday, July 8. The infant weighed 6 pounds 8½ ounces at birth and has been named Larry James.

TV "V"-LINE—The television controversy over low necklines prompted a Chicago designer to whip up this low-necked chartreuse jersey dress with forest green bow and detachable bib. The bib may be worn when TV censors frown on frontal exposure, and removed after the show to conform to the dictates of fashion.

MISS "UNTITLED MISS"—Nowadays, when there's a title born every minute for bestowal upon some shapely beach blonde, it seems downright impossible that lovely Betty Tunell of Miami, Fla., hasn't been singled out as "Queen of the Headless Lettuce Growers' Convention," or "Miss Mesopotamia of 1950." And so to her goes our vote for "The Untitled Miss We'd Like Most to Title."

Winners Named For Photography Contest

Mrs. Clyde Townsend announced this week that Sharon Lynn Court, infant daughter of Mr. and Mrs. Alfred Court, had been awarded first prize for pictures taken by the Rembrandt Studio of Texas City at the Townsend Dress Shop in May.

Second prize was awarded Jo-Ann Silberisen, daughter of Mr. and Mrs. J. H. Silberisen, for pictures made.

Raymond Frederick Owens, son of Mr. and Mrs. Raymond Owens, received third prize.

The prize winning pictures are now on display at the dress shop, Mrs. Townsend said.

SWIM PARTY AT WELLS COURT TUES.

Joan McCabe entertained a group of young people at her home at Wells Court Tuesday night. Following a swim party the group enjoyed a picnic.

Guests were Helen Elkins of Texarkana, Ada Jo Bruer of Austin, Tommy Cron, Billy Joe Rowe, Johnny Atwood, Cloyce Hayden, Charles Hammond Smith, Jim Ben Cloberdants, Frances Lee Deason, Lola Jean Ballou and Joan Smith.

Miss Joyce Concanti and Miss Joan Grayson of San Antonio.

CONGRATULATIONS

Mr. and Mrs. Frank Lockhart of Corpus Christi are the parents of a son, Joe Franklin, who was born in a Corpus Christi hospital Wednesday morning. Mrs. Lockhart will be remembered in Rockport as the former Joan Collins.

Naval Reservists Desired for Active Duty

NEW ORLEANS—Since Naval Reservists, both Organized and Volunteers, are desired for active duty, Rear Admiral W. K. Phillips, USN, Commandant of the Eighth Naval District has announced that the machinery has been set up throughout Texas, Oklahoma, Louisiana, Arkansas and New Mexico for processing applications of those who volunteer.

"The Navy needs additional male officers and enlisted men," the Admiral said. "Primarily it needs them for afloat and overseas duty."

The Navy requires a minimum of six months active duty from those who volunteer. Twelve months of active duty will be guaranteed to those who desire it.

Male officers should submit their requests for active duty directly to the Bureau of Personnel (Section Pers. B11), Navy Department, Washington 25, D. C. The Bureau of Personnel will issue all orders to officers. Aviation officers should include flight time and types of plane flown during the past year in their applications.

Enlisted men are to volunteer at their nearest naval recruiting station. There are 51 naval recruiting stations in these five states, 45 of these are sub- stations.

Those who volunteer at recruiting sub-stations will be transported to Main Recruiting Stations for final determination of eligibility for active duty. All those finally accepted will be given active duty orders immediately and sent on to receiving stations for further assignment.

All enlisted applicants must be physically qualified for unlimited active duty and have at least one year remaining in their current naval reserve enlistment.

Applications are not desired at this time from Chief Petty Officers, except in the ratings of sonarmen, radarmen, fire-controlmen, fire-control technicians, air controlmen, minemen, communications technicians, yeomen and photographer's mates.

No volunteers are desired at this time from enlisted personnel in the recruit and apprentice grades.

Enlisted organized naval reservists, who intend to volunteer for active duty should contact their local naval reserve Inspector-Instructors prior to reporting to recruiting station.

The Navy's need for officers applies to those ranks of Lieutenant Commander and below in the cases of unrestricted line, both aviation and non-aviation, and also Supply, Dental and Civil Engineers Corps. Officers of the rank of commander and below are needed in Medical, Electronics, Intelligence and Communications branches.

David Herring left Tuesday with Dick Cushman and Parker Woods, both of Houston, for Fairbanks, Alaska, where they expect to find employment.

Fagan Dickson Candidate For State Supreme Court

More than seven years of fighting the people's battles against monoply, waste of natural resources and public school fund raiders as a key member of the State Attorney General's Office have earned him a promotion, says Fagan Dickson of Austin and San Antonio, candidate for the State Supreme Court, Place One.

"My opponent has bought all the billboards," said Dickson. "I can only offer my services on the basis of my qualifications. My 21 years experience as a trial lawyer, representing small, independent clients and the state in Texas civil courts, I believe have fitted me for service on the highest civil court."

Three attorneys general appointed Dickson to head departments. Jerry Mann made him chief of the land division. Grover Sellers made him head of the oil and gas division. Price Daniel made him First Assistant Attorney General.

"As first assistant, I issued more than 100 opinions to state departments, none of which has ever been overruled," said Dickson. "This is identical with the work done by judges on the Supreme Court. I urge you to compare the qualifications of all candidates, and have confidence in your judgment."

Dickson resigned as Attorney General Price Daniel's first assistant last year in order to make the race on his own time. He asked the people to get the facts about whether other candidates have been as fair with the taxpayers.

The former president of the San Antonio Bar Association is 46, a deacon in the Christian Church, is married, and has a family of three.

Judge Burkett Against Parr Political Methods

Joe Burkett, former county and district judge, and candidate for Associate Justice, Court of Civil

Appeals, when asked recently whether he has the support of George Parr, political big wig in Duval county and vicinity, stated:

"I do not have the support of Judge Parr. I have not asked his support and shall not do so. I don't like his political methods.

"I shall be an independent judge or no judge at all. I shall be elected as an independent or not at all. The office I am seeking is not an office of political patronage, and I shall not make it one."

Nelson Seeks Place On Criminal Court

Former State Senator G. H. (Hobert) Nelson of Lubbock County is spending the last days before the July 22 primary campaigning in his native North East Texas for Judge of the Court of Criminal Appeals.

Nelson, who has been honored by the people of West Texas as

county attorney, district attorney and state senator, was reared in Cass county. He is the son of Mr. and Mrs. Henry D. Nelson of Linden, Texas. He was educated in public schools of Cass County, East Texas State College at Commerce and the University of Texas law school. He married the former Miss Aileen Hackney, daughter of Mr. and Mrs. J. P. Hackney of Pickton, Hopkins County.

Nelson has received editorial support for the judgeship of the Court of Criminal Appeals from newspapers large and small in various sections of Texas, including San Antonio Express and the Victoria Advocate.

Senator and Mrs. Nelson have four children, the oldest of whom, Mrs. Roland Nabors and her family, reside in El Paso where her husband, Roland Nabors, is football coach at Texas Western.

Mr. and Mrs. Fred Mueller, frequent visitors here from Fort Worth, left for New York Thursday where Mrs. Mueller and her daughter will board an ocean liner for a vacation in Bermuda.

State Health Officer Deplores Attitude Of Hysteria Polio Creates

Austin.—State Health Officer Geo. W. Cox has turned the bright light of optimism on the heretofore dark picture of polio in Texas.

Observing that the state's 1,000 cases of polio since the year's beginning has occurred among a population of 7½ million people, the health official Thursday deplored "the attitude of hysteria that polio creates in a community."

That didn't mean people should not be concerned, the doctor commented, for a case of illness in any form is good reason for great concern.

"I'm talking about the fear that keeps a person or a whole community from thinking straight. Of course each case of polio is an individual tragedy for the family involved, but wholesale public panic simply is not justified.

He doesn't want to encourage complacency either, the state health officer said, adding:

"Every clear-thinking effort must be made to keep every home every community, every vacation camp consistently clean and sanitary. Briefly, elimination of fly and insect breeding places, personal cleanliness, and getting milk, water and food from safe, approved sources will aid in preventing a number of communicable diseases."

National statistics, Dr. Cox asserted, show good reason for optimism in most cases of polio. According to the figures, from 40 to 60 per cent of all victims recover completely and can do anything they choose.

From 25 to 40 per cent recover with only minor disability, and can within very wide limits, lead perfectly normal lives. From 15 to 20 per cent are more severely handicapped, and 5 to 10 per cent terminate fatally.

"It all goes to show that polio is actually a minor cause of illness, and an even less significant cause of death, when compared to certain other communicable diseases," the health officer concluded.

Mrs. D. L. East underwent a major operation at the Rockport hospital during the past week.

From where I sit ... by Joe Marsh

There it Was—
Right in The Middle!

Easy Roberts mowed his lawn early last Saturday. Then he sat on the porch, and watched Handy Peterson cutting *his* grass.

The Roberts' property and the Peterson's border each other—with no hedge or fence between them. So, when Easy notices Handy had left about a four-foot strip unmowed along the boundary, he walks over and asks why.

"That's *your* land," says Handy. "Mine ends here. See, it lines up with that oak tree across the road!" Easy didn't think so, so they went up and down looking for the surveyor's marker. Where did they find it? Right in the middle of their "no man's land!"

Well, they both grin and take turns finishing the job and then retreat to Easy's for a friendly glass of beer together. From where I sit, a little searching around for the truth of the matter often shows that the other fellow is as much right as you are—at which point the whole thing doesn't seem as important anyway.

Rotarians Told Shark Skins Make Good Leather

Dave Tandy, Tandy Leather Co. of Fort Worth, displayed and discussed the various hides used in leather at the Rotary luncheon.

Tandy said that the newest thing in leather is made of tuna fish and salmon skins. This leather, the appearance of which is like snake hide, is very serviceable.

Anothr leather which Tandy described as a healthy leather, is that produced from shark skins. He said this leather is very tough. He also reported that there is a shortage of them on the market, many more could be used. The only tannery is in Newark, New Jersey, he said, and the problem of transporting the hides to market is no doubt a factor causing the shortage.

Tandy detailed the value and uses of various other hides.

Mr. and Mrs. Tandy are vacationing at Palm Village.

Other guests at the Rotary meeting were Mr. Maynard of Cuero, Cliff Mays of Chickasha, Okla., and Alec McDonald of Lubbock.

Resolutions of Respect

Rockport O. E. S. Chapter 479, Rockport, Texas

We, your committee appointed to draft resolutions for our beloved sister, Gertrude M. Moore, do hereby offer the following:

Whereas her passing into that beautiful beyond where there is no more pain and sorrow, has cast a shadow over our chapter and left a vacancy that cannot be filled. In the measureless realm of time, how brief is our earthly life; yet how momentous and eternal its issues! Today prosperity or the presence of loved ones fils our cup with joy; tomorrow adversity or sore bereavement casts us into the valley of sorrow.

Therefore, be it resolved: That we humbly bow to the will of God: that we extend our heartfelt sympathy to her family and friends in this hour of bereave ment.

Resolved: That a copy of these resolutions be spread on the minutes of the chapter, a copy sent to the family and a copy sent to the Rockport Pilot.

"One by one we miss the voices
That we loved so well to hear,
One by one their kindly faces
Into the unknown disappear,
No one hears the door that opens
Through which they pass beyond recall
Soft as loosened leaves of roses
One by one our loved ones fall."
