Giants Cinch Pennant

Red Sox Win Pee Wee League

(By Bob Scott)
(For Week Ending July 6)
The Red Sox and Giants take their league championships again. Both teams were champions last year. The Giants won their pennant with a win over the Astros Friday night and the Red Sox took the title Tuesday when they beat the Indians. This makes three consecutive years that Coach Bobby Cuevas has led the Giants to the tournament. His team is unbeaten so far this year with two more games to go. The Astros gave the Giants a scare Friday as they started the game red hot. They scored four runs in the first two innings but the Giants came into the bottom of the second to tie it up and go on for the 8 to 4 win. The Dodgers played the Giants their tightest game of the season Tuesday as they held the Giants to a 3 to 1 game.

The Cards took two more wins this week making their record 6 to 3. All the teams have really come on in the last two weeks. There is a lot of good ball playing material in the league and Coach Cuevas will be allowed to pick players to go to the tournament with the Giants.

The Ponies were rained out of their game on Monday. Coach Martin protested one game and was given the game. This makes their record 1 and 7.

The Red Sox coaches Porky Tammel and Jackie Waters reported that they had picked up Danny Bell and Kevin Gregory from the White Sox and Roddy Shipman from the Indians to go to the tournament with the Champion Red Sox. Tournament sites and dates will be given in a later issue of the Review.

COMMUNITY ACTION PROGRAM

After a period of three months of seeming inactivity, the Abernathy Community Action Program has become a reality. As one phase of the Federal Government's War on Poverty, the Community Action Program is designed to aid the local community to solve its own problems with the help of government aid in setting up programs. As of last week the government has given its stamp of approval to Abernathy's bid for such a program. We and Hale Center will be included under the Plainview Central Plains Community Action Program.

At a board meeting held at City Hall on Sunday, July 7 and on Monday, July 8, locations for the community center and a person to be the neighborhood aide were discussed. The board first elected Robert Sokoll to replace the vacancy created by Max Garza's moving. Mr. Sokoll will now be the Secretary-treasurer of the program. Other board action included the approval of the rental of the Holland building, located two doors north of the bank.

This building will be used as the neighborhood center through all programs that will be coordinated. If anyone has some office furniture such as desks, chairs, tables or filing cabinets that he would like to donate to the Community Action Program, please contact Mr. Sokoll at City Manager's office.

The board also decided to place an article in the newspaper in order to advertise the position of neighborhood aide. Anyone interested in the position should submit a letter to Mr. Sokoll or Mrs. Olean Mathis, the Vice-President before July 19. The board also set the salary at \$300 a month and the job would begin sometime after July 22 of this year.

If anyone has suggestions for a person to fill this position, furniture to donate, programs that they would like to see implemented in the community are asked to contact Mr. Sokoll.

Respectfully submitted,
Glenn Rosendale, President.

POSITION AVAILABLE

With the approval of the Abernathy Community Action Program by the Federal Government, the local board is now able to open up application for the position of neighborhood aide. This person's job will be to promote involvement in community action projects. Necessarily, this person must be very able to work with all ethnic groups. The job is open to either a man or a woman, regardless of race, religion or national origin. If you are interested, please write a letter of your own qualifications, work experience and so forth and send it to either Mr. Robert Sokoll or Mrs. Olean Mathis before July 19.

The various groups that participated in the parade deserve a big "Thank You", and last but not least the moving speech delivered by David Pinson deserved a warm expression of thanks. Sorghum Loan Rate Is Set

The price-support loan and purchase rate for 1968-crop grain sorghum in Hale County will be \$1.63 per hundredweight. Joseph Stokes, chairman of Agricultural Stabilization and Conservation County Committee, has announced.

This compares with the county loan rate of \$1.59 for the 1967 crop. The rate schedule is for grain sorghum grading No. 2 or better, except mixed grain sorghum.

The national average loan rate is unchanged from the 1967 level of \$1.61 per hundredweight, but extensive changes in export rail freight rates throughout the major grain sorghum-producing area have required widespread changes in terminal and county loan rates. The effect of these freight changes is to reduce terminal rates by four cents per hundredweight.

For Participating Farmers: Stokes reminded growers that price support on the 1968 crop will be available to those grain sorghum producers who participate in the 1968 feed grain program. Total support for 1968-crop grain sorghum includes the loan rate and a price-support payment of 53 cents per hundredweight.

Nationally, this total support weight for the 1968 crop, the same as for last year. The loan rate varies by terminals and counties; the price-support payment is the same for all participating farms -- it applies to the projected yield of the acreage planted to the crop up to 50 per cent of the total feed grain base acreage.

Reflects Loan Rate For major producing areas, as in the past, the county loan rates reflect terminal loan rates less the freight and handling charges needed to get grain sorghum to terminal markets. To determine rates for individual producers, rates will be adjusted by discounts for class, grade, and quality. The discount schedule is unchanged from that in effect for the 1967 program.

As in previous years, price through loans on farm- and warehouse-stored grain sorghum and by purchases. Loans will be available from time of harvest until May 31, 1969. Loans mature on June 30, 1969.

BASEBALL NEWS
(From Last Week)
(By Robert Scott)

The Red Sox clinched the Pee Wee League pennant last week (June 24-29) with a win over the Indians, and they also fell from the unbeaten list by losing to the White Sox. The White Sox with Danny Bell on the mound stunned the Red Sox to the tune of 10 to 2. Later in the week the Indians started what they thought might have been another loss for the Red Sox, but strong batting by the Red Sox and a couple of errors by the Indians broke up the tight score and ended the game at 9 to 3. The Indians started with two game winner Ricky Rains who was relieved by Roddy Shipman in the second inning. Roddy, a fast ball pitcher, threw a fine ballgame except for one inning where six runs were scored on error by the Indians. The White Sox had a good week. They beat the league leaders and also took the Yankees to the cleaners by 22 to 8. The Yankees are still winless but have a never say die attitude as they take on the Pee Wee champs for their last game of the season.

The Cardinals failed in their attempt to knock off the unbeaten league leaders in a red hot game Thursday night. The league leading Giants managed to hold on to an early lead and beat down a rally by the Cards in the sixth inning. Speedy Faith, the Cardinal ace, pitched the game for the challengers and Darrell "Bigfoot" Blevins threw for the Giants. Both teams went three up and three down for the first inning. In the bottom of the second Blevins got a triple and Dwayne Wolf sacrificed to score Blevins, then Artis Betts walked and Auther Betencourt hit a triple and scored Betts and then Betencourt stole home on an over throw at the mound. The Cards came back in the top of the third to tie it up with McMasters and Argo getting singles and Gary Payne getting a triple and then stealing on a pass ball. The Giants scored three more in the bottom of the third when Luis Ortiz walked and Blevins drew an intentional walk then Wolf got a triple and came home on the throw in. The Cards scored one in the fourth and the Giant scored three in the fourth and one in the fifth. The Cards started a rally in the sixth and scored four runs on three hits by Faith, Argo and Payne and a walk by Don Davis. The

Ralph Wayne Appointed To Tax Committee

Representative Ralph Wayne of Plainview was appointed to the five-member House conference Committee to work out differences in the final version of the proposed tax bill.

The bill, raising the state's retail sales tax to three per cent (3%) and raising the franchise tax, was passed Thursday by the Senate by a vote of 18 to 13.

The House voted Friday morning to send the \$169 million revenue measure to conference committee Monday morning.

Speaker Ben Barnes has asked all conferees to stay in Austin over the weekend to work on the differences in the two bills.

While no one likes increased taxes it is hoped that we can come up with an equitable bill that will provide adequate financing for the next fiscal year," said Representative Wayne.

Wayne, a member of the Legislature for four years, is Chairman of the House Administration Committee and a member of Banks and Banking, Labor, Rules and State Affairs Committees.
