Mobley Hotel Restoration Preparations Underway

The old Mobley Hotel building at Hilton Avenue and 4th Street has been literally "gutted" and preparations are underway for a heavily reinforced concrete floor to be poured within a week or ten days, President Eris Ritchie of the Conrad N. Hilton Memorial Park and Community Center told his board of directors at a meeting last Tuesday.

Plumbing and electrical contractors were due to begin putting in copper lines and electrical wiring circuits prior to pouring concrete, Mr. Ritchie said. After the floor cement sets, work will begin on framing for a new roof and walls, he added.

Architects visit the site regularly to confer with the contractors and see that the project progress is on schedule, Mr. Ritchie said.

Craig Knebel, architect who is doing post graduate work at the University of Texas in Austin, has prepared a pen and ink drawing of the old Mobley for use by the Cisco board in a campaign to raise endowment funds for the project, Mr. Ritchie said.

The board approved a sketch submitted by the artist, who is well known for his work. The picture will be an impressionistic view of the Mobley and portray the late hotel magnet's dreams for his hotel empire. The finished product will be reproduced by offset printing on fine paper some 12x18 inches in size and suitable for framing.

A water color picture also suitable for framing will also be made available by the Mobley board.

The two works will be offered as a bonus to contributors to the endowment fund, Mr. Ritchie said. A brochure advertising the pictures and inviting contributions will go out to Hilton hotels around the world and to others.

Mr. Ritchie said the board hopes to have an endowment fund large enough to provide maintenance funds for the old Mobley for many years.

The board also accepted the gift of the original sign that formerly stood atop the Mobley Hotel. It was outlined in lights and visible for several blocks. The sign was taken down years ago and was acquired by the late George Fee as a souvenir. The sign was donated to the Mobley group by Mrs. George Fee.

"We are very pleased with the gift of the sign," Mr. Ritchie said. "Our board continues to be excited about the Mobley Hotel and its potential," Mr. Ritchie continued. "We believe that it will be a source of real pride for Cisco residents."

UNDER RESTORATION—The Mobley Hotel is shown in the above photo as it looked this past week. The interior of the building has been gutted, and trenches are being dug inside along the

dirt foundation. The roof has also been removed.

(Staff Photo.)

CJC Playing Here Oct. 5

The conference season will continue for the Cisco Junior College Wranglers as they meet Henderson County JC in a Texas JC Athletic Conference football game at 7:30 p.m. Saturday at Chesley Field in Cisco.

The Wranglers, who were given a national rating of 13 in polls published in mid-week, have a 4-0 season record, while Henderson County has 1-1-1 record in three outings. The Henderson team is the defending conference champion.

Coach Rick Frazier reported that his Cisco team would be a top strength. Defensive Tackle Lineall Overshawn, who suffered a knee injury last week, has responded to treatment and will be in the starting lineup, the coach said.

The passing game and general polishing work for the offensive weapon were emphasized in workouts this week. The Wrangler defense has been outstanding in the four games to date.

Probable starters for Cisco were listed as follows: Offensive—Mark Pilling quarterback; David Smith and Randy Roe, running backs; Daryl Grant and Phillip Walton, split ends; Bob Beauchamp, tight end; Mark Lazon and William Abernathy, tackles; Jeff Copeland and Tim Weisenfels, guards; and Mat McBride, center.

Defense: Mike Johnson and Lineall Overshawn, tackles; David West and John Buesing, ends; John Matthews, Troy Edwards and Jim Wilson, linebackers; John Booty and Kenneth Pryor, corner backs; Clayton Patton and Wayne Hutchinson, safeties.

Kingdom Kids I & II Will Hold First Meet Oct. 8

Kingdom Kids I and II, and interdenominational effort to lead the boys and girls of the Cisco are into a growing relationship with Jesus Christ, will resume sessions on Tuesday, October 8, 1985.

Attendance at Kingdom Kids involves singing, Bible stories with application, group discussion, snack and recreation time, crafts and special features such as films and guest speakers.

Location for Kingdom Kids I will be First United Methodist Church, with children from four years through third grade. School-age children will be picked up at school by a church van, with the sessions running from 2:30 until 4:00 p.m. on Tuesdays, following the same pattern for holidays as the public schools. Parents of Kingdom Kids I are asked to come inside the building to pick up children at the close of the sessions.

Location for Kingdom Kids II will be Calvary Baptist Church, involving boys and girls from fourth through sixth grades. A church bus will pick up the students at school at 3:30 with sessions continuing until 5:00 p.m.

Parents of both KK I and II are requested to provide transportation from the churches for their children at the close of the sessions. Prompt pickup at the close is encouraged.

All interested children of the Cisco area are extended a hearty welcome to attend.

A registration slip for children interested is printed elsewhere in this edition. Additional copies of permission slips may be secured at The Cisco Press or Songs and Psalms Bible Book Store.

The winner will be introduced at half-time Friday night, Oct. 11, at the Cisco-Albany football game at Chesley Field, according to a report by Principal Jim Puryear.

Homecoming Fish Fry Is Set

The annual Homecoming Fish Fry will be held by the Cisco Lions Club from 5 to 8 p.m. Friday, Oct. 11, as part of the program activities for the football game between Cisco and Albany High Schools.

The fish fry will be held at the high school cafeteria and tickets (\$3.50 advance - \$4.00 at the door) are being sold by members of the Lions Club and at the Chamber of Commerce and The Press offices.

Lion Ivan Webb was in charge of arrangements for the event.

Seven Cisco High School coeds have been nominated for Homecoming Queen and Two Men Are Given Prison Sentences Thurs.

Two men were given prison sentences Thursday in 91st District Court after entering guilty pleas to burglar charges filed against them in Cisco. They were Gary Don Walker, 24, of Cisco and Charles Ray Northcutt, 19, of Rising Star.

Walker was sentenced to serve five years in the state prison while Northcutt received a three-year sentence.

The two men were charged with burglarizing the offices of Dr. Gary Harris, Cisco dental surgeon, last June 13. A small amount of money and drugs were taken in the burglary. Testimony showed that Walker entered the building while Northcutt remained outside as a lookout.

HALL OF REMARKS

BY HERREL HALLMARK

THE HALLOWEEN Carnival, planned annually by the Cisco Service Club, looks promising again this year. It will be held at the Cisco High School gymnasium on Saturday, October 26, from 6:30 to 9:00 p.m.

The Christian Athletic Association, in conjunction with the Service Club, will be in charge of the Spook House which offers a "scary" tour through a number of different scenes.

A costume parade will be held in the auditorium prior to the opening of the carnival, at 6 p.m. Children are encouraged to wear a costume and enter the parade.

Make plans now to attend this event.

COOL AND windy weather blew into Cisco early Friday morning as another cold front moved through the area. It was expected to be pretty well out of our area by Sunday and temperatures were expected to start warming back up.

The cooler weather made sweaters and coats popular at the Cisco-Ranger high school football game in

Ranger Friday night. Temperatures were expected to be in the 50s or 60s during the game time.

Long sleeves, sweaters, and jackets were also popular at the Cisco Junior College football game played Saturday night at Chesley Field in Cisco. If you are a Wrangler fan, then you have probably been enjoying attending all the games played by CJC so far this year.

THE MUD Daubers club meeting planned for Saturday night in Ranger had to be cancelled due to conflicts in a number of the members' schedules. The county-wide 4x4 club will be meeting at a time to be announced soon and anyone who may have planned on attending the meeting in Ranger is encouraged to contact any of the club members for more information.

A number of the club members had their vehicles in the Eastland County Fair Parade held in Eastland Saturday morning. A short club meeting was held following the parade.

Anyone interested in the club is encouraged to contact me (Herrel Hallmark), at 442-2757 or 442-2244.

REBECCA WALKER

Walker continued studying and attended workshops in Houston, Austin, San Antonio, and Blanco. She also does china painting.

Mrs. Walker is a member of the Eastland County Art Association and the E.L. Graham Memorial Hospital Auxiliary and the First Baptist Church. The Walkers are the parents of two daughters and have two granddaughters.

The First National Bank has been honoring a local artist each month for several months.

At San Marcos, Mrs. Walker began painting 20 years ago and studied with Billie Barnes, well known Texas artist, at Houston. She was in regular attendance at Houston Conservatory Arts Club lectures and workshops and showed and sold paintings in Houston shopping malls. Her paintings are part of numerous private collections throughout the USA and England.

The collections include seascapes, landscapes, and still life.

Mrs. Walker and her husband, Emmett, reside at 1401 West 14th Street. She was born in Marlow, Okla., and grew up at Memphis, Texas. They lived at San Marcos and Houston for some 20 years before moving to Cisco three years ago.

Jr. High Teams Win Over Ranger

Cisco Junior High School's seventh and eighth grade football teams defeated a team from Ranger here Thursday night by the score of 28-0, in a combination game. Cisco's team was made up of players from each of the two grades, since Ranger does not have enough players for two junior high squads.

The eighth grade players started the game for Cisco. In the second quarter, Cisco coaches started substituting in some seventh graders and all of the players got to play during the night.

Cisco scored its first touchdown on a 35-yard run by Lance Moore with 6:30 left in the first quarter. The try for extra points was no good, giving Cisco a 6-0 lead.

Matt Goosen scored Cisco's second touchdown on a one-yard run. The extra point run by David Zell was good, making the score 14-0 with 3:30 left in the first quarter.

In the second quarter, Zell

scored on a six-yard run. The try for extra points was no good for a 20-0 score.

Terry Raspberry, a seventh grader, scored Cisco's final points when he caught a pass for a 14-yard touchdown. Michael Knight carried the ball over for the two extra points making the half-time score 28-0, with 2:07 left in the half.

During most of second

half, Cisco played a lot of seventh graders, according to Coach Jerry Reeves. He said Cisco was playing a lot of kids, but all of them got to play and they performed well.

Defensively, Cisco's David Zell was credited with a blocked punt, Brandon Honea recovered a fumble, and Terry Raspberry recovered a fumble.

CJC Basketball Has Five Lettermen

Coach Dan Montgomery welcomed back five lettermen, including one starter, as the Cisco Junior College Wranglers began workouts on September 23, in preparation for the 1985-86 basketball season.

The Wranglers will be one of the most inexperienced teams in the Northern Texas Conference but could be a contender for one of the conference's four playoff spots if several of the top recruits perform as expected.

Cedric Ellis, a 6-0 guard from Shreveport, Louisiana, is the only starter returning, although Rodney Murray, a 6-2 guard from Victoria, did start a couple of games at season's end. Ellis averaged 11.5 points and 3.8 assists for the Wranglers in '84-'85, and should be one of the top guards in the conference this year. Murray averaged 3.7 points and 1.4 rebounds in a backup role last year.

Other returning lettermen are: Steve Howard, a 6-0 guard from Zephyr; Jack McCrimmon, a 6-5 forward from Alexandria, La.; and Steve Martin, a 6-0 guard from Galveston. Both McCrimmon and Martin were out for at least half the season in '84-'85 because of injuries. James Griffin, a 6-5, 220 pound forward from Lindale, will be playing his first season at CJC after transferring from Kilgore Junior College in January.

Coach Montgomery feels that he signed a quality freshman class even though he was unable to come up with a dominant big man. Presently, there are 13 freshmen seeking spots on the roster. They are: Clint Booker, a 6-5 forward from Gilmer; Anthony Brown, 6-6 forward from Talco; Kirk Chambers, 6-5 forward from New Orleans, La.; Brenden Downing, 6-6 forward from Hahnville, La.; Dondi Harris, 5-11 guard from Gilmer; Tracy Harris, 6-4 guard from Plain Dealing, Louisiana; Eric Kelly, 6-4 forward from Baton Rouge, Louisiana; Mike Knorr, 6-5 forward from Killeen; Donald Lemon, 6-4 forward from Sweeny; George Westbrook, 6-4 guard from Fort Lauderdale, Florida; Johnny Hudson, 6-10 guard from Clint; Otha Hayes, 6-3 guard from Houston; and Robert Parker, 6-4 forward from Killeen.

Jr. Class Is

Selling Cushions

The Cisco High School Junior Class, in conjunction with the Cisco Evening Lions Club, will be selling Lobo stadium cushions at the Lobo Varsity and Junior Varsity games.

These cushions will be sold for \$5.00 and any support will be greatly appreciated.

Jr. Varsity Loboes Even District Record With Ranger Victory

The Junior Varsity Loboes of Cisco High School evened up their district record at 1-1 Thursday night in Ranger when they defeated the Bulldogs JV by the score of 29-6.

JV Head Coach Jerry Reeves said Cisco "got its act together" and performed well as a team. The running backs and offensive line worked together and concentrated on what they were supposed to be doing.

Cisco gained a total of 288 yards offense while allowing Ranger 106 total yards.

Coach Reeves said the JV got off to a sluggish start in the first quarter, but after

Ranger tied up the game at 6-6, Cisco realized they "better get to work." The Loboes gained momentum throughout the remaining quarters and by the final one they pretty well dominated the game, according to Coach Reeves.

Cisco scored first on an eight-yard run by Larry Fields in the first quarter. The extra point attempt was no good, for a score of 6-0.

Ranger came back and tied the score with a touchdown of their own. Cisco's Mark McGinness blocked the extra point attempt, to leave the score at 6-6.

Joe Flores put Cisco back

in the lead with a 34-yard touchdown run. He also carried the ball into the end zone for two extra points to make the score 14-6 at half-time.

In the third quarter, Hugh Baggett scored on 24-yard pass reception from quarterback Doug Witt. The extra point run by Kody Wallace was good for a 22-6 score.

Wallace put Cisco's final touchdown on the scoreboard in the fourth quarter on a 60-yard run. The extra point kick by Mark McGinness was good for a final score of 29-6.

Cisco had three fumble recoveries with Kody Wallace, Hugh Baggett, and Larry Fields coming up with

one each. Doug Witt made two interceptions and Billy Hines made one for a total of three interceptions. Fields also blocked a punt and McGinness blocked the extra point attempt.

Joe Flores led Cisco rushers with 71 yards. He was followed by Kody Wallace with 68 yards, Doug Witt with 61 yards, and Larry Fields with 39 yards.

Davin Hohertz had 10 yards gained on Cisco receptions. Hugh Baggett had 24 yards and Teddy Patton had 15 yards.

Defensively, Cisco played a good game and "pretty well controlled the line of scrimmage," according to

Coach Reeves. Linebackers Larry Fields and Kody Wallace were named as outstanding on defense. Wallace was credited with creating two fumbles, of which he recovered one of them.

Doug Witt was named as outstanding player of the game by Coach Reeves. Witt plays quarterback and defensive safety. "He had an outstanding game and made things happen," stated Coach Reeves.

"We are looking forward to the Albany game next week and hope we can continue with our display of unity and concentration," he said.

Four-Week Attendance Is Very Important

Cisco Public School officials are always concerned that pupils have good attendance, but the four week period beginning October 7th and ending November 1st is a critical period.

If a student is absent during this four-week period, it will cost the school district money. School attendance for the entire year is based on those four weeks unless the count during the second semester is higher. Usually the fall attendance is higher than the spring attendance.

It will be very important that the students in all grades be present at the beginning of second period at which time the attendance count will be recorded. Parents should schedule doctor and dentist appointments around this time period as the attendance rule from the Texas Education Agency states: "If the pupil is on the campus at the time the attendance count is taken, the pupil is to be counted present for the Foundation School Program funding purposes." The Cisco Public School asks for everyone's support during this critical attendance count period.

CJC's Winning Coaches

LIONS BOWL TROPHY-- Cisco Junior College Wrangler football coaches were proud to show off the trophy won by the Wranglers last Saturday night, September 28, in Breckenridge. The CJC team defeated the Ranger Junior College Rangers by the score of 17-7 in the an-

nual Lions Club Benefit Bowl. This year was Cisco's first win since 1980 in the benefit bowl. CJC coaches are: Head Coach Rick Frazier (sitting), and (standing, left to right) Rick Hoffman, Chuck Lawrence, and David Johnson.

(Staff Photo.)

KINGDOM KIDS REGISTRATION

Kingdom Kids I & II, an interdenominational effort to lead the boys and girls of the Cisco area into a growing relationship with Jesus Christ, will resume sessions on Tuesday, Oct. 8, 1985.

Attendance at Kingdom Kids involves singing, Bible stories with application, group discussion, snack and recreation time, crafts and special features such as films and guest speakers.

Location for Kingdom Kids I will be First United Methodist Church, with children from 4 years through third grade. School-age children will be picked up at school by a church van, with the sessions running from 2:30 until 4:00 P.M. on Tuesdays, following the same pattern for holidays as the public schools. Parents of Kingdom Kids I are asked to come inside the building to pick up children at the close of the sessions.

Location for Kingdom Kids II will be Calvary Baptist Church, involving boys and girls from fourth through sixth grades. A church bus will pick up the students at school at 3:30 with sessions continuing until 5 P.M. Parents of both KK I & II are requested to provide transportation from the churches for their children at the close of the sessions. Prompt pickup at the close is encouraged.

Please fill out the permission slip and enrollment information that is requested below and have your child bring to the first session.

NAME & ADDRESS OF CHILD: _____
AGE & GRADE LEVEL _____
PARENT OR GUARDIAN _____
TELEPHONE NUMBER _____ HOME _____ WORK _____

I hereby give permission for my child _____ to attend Kingdom Kids, understanding that reasonable caution will be exercised in the transportation by church van and bus and during my child's presence at KK's. I will not hold drivers, teachers, assistants or sponsoring churches responsible for any accident which might occur.

DeMarquis Gordon

If you have a lawn now is the time to take steps to get it in shape for next spring. Weed, disease and insect control along with fall fertilization can help get lawns off to a fast start next spring.

Fall fertilization is considered by many experts to be the key to prolonging fall color and promoting early spring recovery of bermuda and St. Augustine lawns. It helps to produce a dense turf which resists winter weed invasion. Later this fall when cool weather gets here, the grass plant will be in the process of storing food reserves so that it can live through the long months of winter dormancy. Fall fertilization assures the plant of the nutrients it needs for that purpose.

Research has indicated that fertilizer with a nutrient ratio of 3-1-2 will do the best job for fall fertilization. Examples of fertilizers with 3-1-2 ratios are 15-5-10, 18-6-12 or 12-4-8. If you use a 15-5-10, the application rate is 5 1/2 lbs. per 1000 sq. ft. Avoid applying fertilizer to a wet lawn and it's always a good idea to water the fertilizer into the soil.

Grasses fertilized in the fall with nitrogen and potassium have shown greater survival during winter months and faster spring recovery than

grasses fertilized with high phosphorus materials in the fall. Nitrogen and potassium are the first and last numbers on the bag and phosphorus is the middle number.

If winter weeds have been a problem in past years, apply a preemergence herbicide for additional protection against weeds. They kill the weed seed as it germinates and are very effective if properly applied. These chemicals will kill all seeds as they germinate so don't use them if you are seeding tall fescue. Examples of these materials are Balan, Betasan and Dacthal. One of these materials should be applied as soon as possible. Apply them according to their label rates.

Pecans are hulling a little early in Eastland County. It looks like this will be a bumper pecan crop here as well as across the State of Texas. This year's Texas crop is estimated at 61 million pounds, up 44 percent from 1984. Despite the projected large crop, prices should hold near last year's prices due to a small increase nationwide and low carry over stocks. Our pecans should be average in quality and should be much better in quality than Georgia's crop, the nation's leading producer.

Eastland County

Cancer Society Met

The Eastland County Unit of American Cancer Society met in the Eastland Bank Room Tuesday night. Becky Biggs, President, asked Ann Justice to open the meeting with prayer.

Two new officers were introduced: Joanna Blair, (and her little daughter, Jayce). Joanna is the new Public Education Chairperson; and Loretta White will be the Crusade Chairperson for 1985 and 1986 year.

Sharene Richardson has accepted the District 16 Campaign chairperson responsibility. She is also Memorial chairperson for Eastland Co. Unit. Danelida Gevara is Treasurer; Shirley Gentry, Secretary; and Maryln Brashier, Rehab.

Pat Frosch of Abilene showed new material, one titled "Fry Now-Pay Later" warning danger of too much sunbathing.

Golfers, you are invited to play in a Benefit Game for American Cancer and have fun too. Lake Proctor, Oct. 19th. Call Roy Gevara for more information 629-1575.

Sharene Richardson reported the Memorial Fund has reached \$1,224, total gifts from the county 19,543. Memorials in memory of a loved one or friend also in honor of some one may be mailed to Eastland National Bank, P.O. Box 788, 76448. Plans are being made for The Great American Smokeout coming up November 21st. Roger Staubach is honorary chairman this year.

Pat Frosch showed a short film titled "The Best People" with John Forsythe. The research began not many years ago with the study of lung cancer - determining much lung cancer was caused from smoking. Another study was made and women were taught to do "self breast examination" preventing many deaths by finding problems early. John

Memories Of An Old Hotel -

Last Days Of The Mobley

By Viola Payne

Attention has been focused on the Mobley-Hilton Hotel in Cisco for several years now. But few local people probably know the Hotel as well as Ted Rogers, Production Supervisor of the Eastland County Newspapers. For Ted Rogers lived there, both before and shortly after World War II.

Right now the building is undergoing renovation, as can be seen by all who pass by. Plans call for the project to be finished by October, 1986. It will house a theatre, several rooms holding period furniture, a Chamber of Commerce office, and other things. The garden around the building will be restored.

Rogers first moved into the Hilton around 1940, when

he was hired as a printer for The Cisco Press for \$50 a month. The former Press building now houses Southwestern Enterprises.

A handier place to live couldn't have been found, he says, for it was right across the street from his work. Room and board was \$30 per month, and he recalls that the building was always full.

"A lot of salesmen stayed at the Hotel," he recalls. "It was right near the Depot, and some people would come right to it from the train."

Good meals were served in the Hotel, so Rogers didn't even have to walk downtown to eat. Sometimes people stood outside in line for those 50 cent meals.

Arther Lyles, who Rogers calls the perfect hotel manager, managed the establishment at the time,

and he saw that the place was kept clean. There was durable antique furniture in the rooms, Rogers says, with comfortable beds. He remembers two really fine old rockers in the lobby on the south side.

He also recalls that the old Hotel was surrounded by large trees, whose thick shade kept the rooms from getting hot in the summer. There was no air conditioning, only the breeze through those trees. Rogers had a room, with no fan, on the west side of the building, but he doesn't remember it as being particularly uncomfortable.

In 1940, he says, a hard freeze killed a number of the sad trees. It wasn't long after that when World War II began, and Ted Rogers joined the Navy. This took him far away from Cisco and his work at The Press.

It seemed a long time before he got back to Cisco and Ave. D, but he finally made it home. By this time Jerry Sitton was the owner of The Cisco Press, but Ted's old job was waiting for him. So was a room at the Hilton, although things were not in quite as good a shape there.

Arther Lyles died, and his sister Mrs. Shepherd took the Hotel over. Later Rosemary, Mr. Lyles's daughter, assumed management of the place.

Rosemary apparently had little aptitude for hotel work, for various things began to

go wrong. The dining room closed, and the building began to run-down.

Finally utility companies turned off the gas and then the electricity. But Rogers still liked the place so well that he stuck with his room. For a month or six weeks he used candles for light. All those empty rooms got a bit "spooky" however.

Rosemary Lyles went back to Louisiana, and some other people took over the Hotel. They wanted someone to stay in the building as a sort of watchman, so Ted remained. About a month later, however the city cut the water off. That's when Rogers decided he would have to move. You might make it without heat and lights, but going without water in West Texas was a little too much, he decided.

When Rogers left, the building was closed, and it never really opened as a Hotel again. Over the years it changed owners several times, and finally fell into disrepair.

Rogers continued to be associated with newspapers, eventually working at the headquarters of the Eastland County Newspapers in Eastland.

As a resident of Cisco, however, he hopes that the old Hilton Mobley will be restored to its former appearance. After all, it was once a part of his own life.

EASTLAND
629-2636
BRINGS YOU
THESE
IMPORTANT
TIPS...
**YOU
AUTO
KNOW**

Two seconds' distance between cars may not be enough to avoid accidents, a German study found. It takes as much as another 2/3 of a second or more to react when you're behind the wheel.

Never use leaded fuel in a car designed for unleaded fuel only. That's likely to ruin your catalytic converter.

If your air conditioner isn't putting out the cold you need, the problem's likely to be a refrigerant leak, most probably at fittings where lines are joined or where they meet another component.

Check tire pressure periodically. Too-low pressure increases rolling resistance, with two bad results: tread wear is increased, and gas mileage is decreased.

It's smart to have windshield wiper blades changed every 6 to 12 months. Don't wait for streaks that interfere with vision.

New-Used Cars

It's smart to choose a smooth-riding new (or late-model used) car at Jim Caldwell Motors, 314 W. Main, Eastland, Texas 76448. 629-2636. You'll get a good deal on a super car.

Auto Repairs

It's smart to have your car serviced where the expert mechanics are: at Jim Caldwell Motors, 314 W. Main, Eastland, Texas 76448. 629-2636.

Body Shops

It's smart to schedule auto body work with the experts at Jim Caldwell Motors, 314 W. Main, Eastland, Texas 76448. 629-2636. Just ask your insurance agent about our work.

CAMPUS CLIPS

by Julia Worthy

'Sunken' Treasure' At Siebert Elementary

Cindy Foster exands on instruction for some of her younger treasure hunters in Siebert's physical education program.

Siebert Elementary students (grades 1-5) were busy Friday, September 27, searching for sunken treasure during physical education classes. Cindy Foster, who instructs the elementary physical education program, developed the sunken treasure hunt to help spark interest in the program as well as to incorporate some skills not often used in physical education classes.

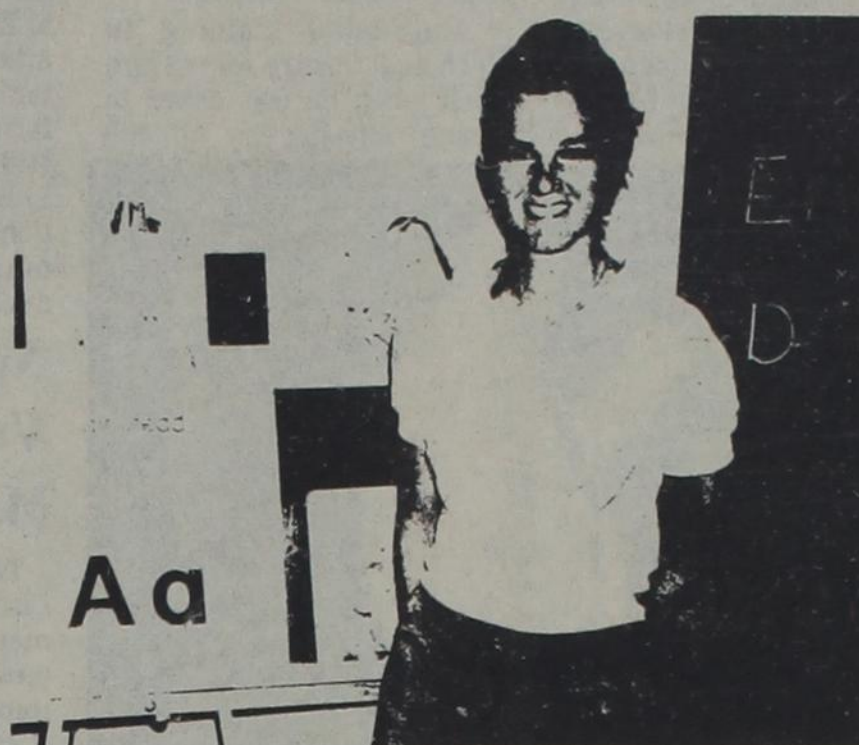

Students were responsible for reading and interpreting a treasure map to reach their goal. Upper grades were expected to read such signs as: Log Roll Canyon, Coney Island, Chain Link Alley, Jungle Jeep Raceway, Monkey Bar Gulch, Double Door Dungeon and Leaning Barrell Corner. These signs were placed strategically throughout the course to label specific landmarks. Grades 1 and 2 were re-

quired to discriminate between right and left and grades 3 through 5 needed to determine and apply North, South, East and West concepts. Math was included in their treasure hunt using numbers of paces, frog leaps and crab walks to arrive at specific locations. Jumping rope, running, sliding, carrying, tiptoeing, swinging, leaping, hopping and crawling were a few of the physical motions required to successfully complete the task.

Upon arriving at their final destination, students were instructed to "dig" in Bush Alley to find the sunken treasure (Rolos in gold paper)! All the students participating seemed to enjoy the unusual break from regular physical education classes.

By Cindy Foster

Teacher's Features

Twyla Felty, Ranger's newest kindergarten teacher with some of her instructional aids.

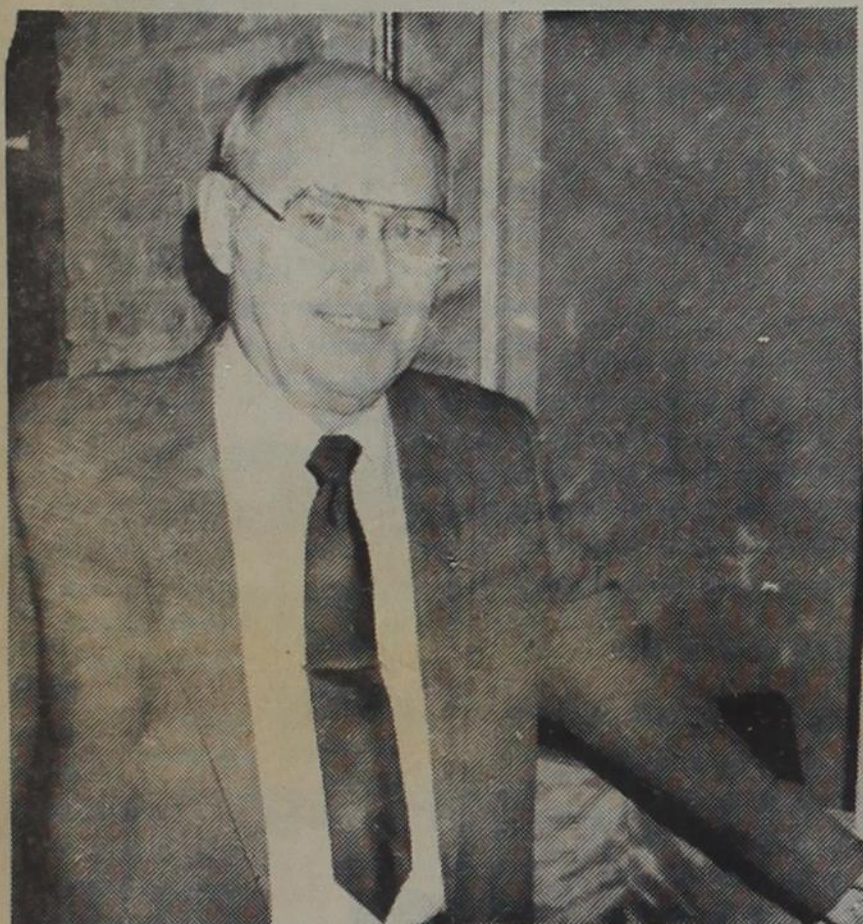

Twyla Felty, kindergarten teacher, is new to the faculty of Ranger Elementary School this year.

Twyla graduated Texas Tech with an elementary education major and a science (biology and botany) minor. She holds certification in computers as well as in kindergarten.

Ceramics and plasters lead the list of her hobbies. Reading and aerobics are included, and she is an animal lover.

Twyla's husband is director of bands for the RISD, and she teaches "flags" for him.

SPOTLIGHTING...

Paul Olinger, Ranger Elementary School principal -

Attendance Drive Is Statewide

Bob Lindsey, Cisco Intermediate principal, explains motivation for perfect attendance drive.

If the proper enthusiasm has been ignited in your children's minds, the next few weeks will see a great improvement in attendance in schoolrooms all across Texas.

Four four weeks, which begin October 7, the child who has not missed a day of school week in Cisco gets a Friday surprise. If s/he does not miss any of the twenty days involved, a greater reward will be forthcoming. Rumor mentions T-Shirts are in the offing. Eastland and Ranger schools are also offering extra motivation.

Hopefully, the four weeks

will "set" an attendance habit that will help in finances for each school as state monies are based on average daily attendance.

More to the point for concern for the individual is that being in the classroom every day should result in better grades. "Make-up" work never gets quite the same results that class participation does.

Student reactions range from Arnold-ish, "Whutchev Tawkin' about?" to "I love surprises," to a response inspired by the contest-like flavor of the project: "I'm going to win!"

Fred Mullinax Will Portray Dowd In Local Theatre

On the road to being a playwright Fred Mullinax has been a rabbi, a moneylender, a hillbilly father, and a psychiatrist. He also has been a stage manager, a technical director and a speech teacher, and in his spare time he raises goats, ducks,

chickens, fruit trees and flowers. A far cry from writing plays, but Mullinax is "happy and satisfied with his choice of lifestyle." Now beginning his 20th year of teaching at Cisco Junior College, Mullinax claims he never wanted to go on stage. He viewed his

theatrical training at Midwestern University in Wichita Falls as a method of gaining a solid perspective of the whole theatre picture. After serving as stage manager for several productions, he finally auditioned, and the rest was history. From there he became a

master of comic roles, all of which became useful in his preparation of Elwood P. Dowd for CJC's upcoming production of *Harvey*, to be seen October 21-26, 1985. Mullinax's training in technical theatre served him well when he was asked to teach introduction to the

technical theatre in addition to his duties as instructor of speech. He also directed numerous productions, but cataract surgery prompted a move from technical theatre to English and his theatrical attachments traversed to actor and box office manager for the summer theatre. He still has a dream to design *Ivan of the Hills*, a traditional Icelandic play with many opportunities for developing set and lighting

effects. Although Mullinax claims his time is occupied by his teaching and his "livestock", he did remember one instance when he actively chose to write full-time - which may explain why he set writing aside.

"Having decided to write in a concentrated manner, I rented a summer place in Oklahoma, 'way out in the country'. I spent so much time repairing the house just to make it liveable and fighting off the rats that suddenly the summer was nearly over, and I hadn't gotten to writing."

However, anyone who has ever gone to the Cisco Junior

College Employee Christmas dinners has seen the fruits of Mullinax's writing skills in the shows presented for the children. The most notable was "The Cisco Kidlet and the Great Santa Claus Robbery", a parody of a happening in Cisco's past.

Those who work with Mullinax can attest to his kindness and gentleness of manner. While cast members immediately see a resemblance between Mullinax and Dowd, Mullinax himself cites several differences. "Elwood is very outgoing. I'm a watcher while Elwood is a talker. Friends 'happen' to me; Elwood goes out and

makes them." Dowd, who befriends a 6-foot tall invisible rabbit, has a sense about fellow characters who share a kindred spirit about life much like Mullinax. His favorite line from *Harvey* with which he identifies is: "In this life, you must be oh so smart and oh so pleasant. Having tried both, I choose pleasant."

Fred Mullinax, no matter how he may demur, has chosen "smart" in a most pleasant way. Anyone interested in seeing Mullinax make his "interesting approach to life" a reality should see him in *Harvey*, October 21-26 at the Roof Garden Theatre of the Laguna Hotel.

INTRODUCTION- Dowd (Fred Mullinax, right to left) introduces Harvey to his Aunt Ethel (Jana Meyer) while Veta (Lou Jane Qualls) and Myrtle (Joan Fariello) look on in

horror. "Harvey says he'd recognize you anywhere."

Nursing Center Volunteers Will Meet Monday

The Volunteer Council of Cisco Nursing Center will meet Monday, October 7, at 7 p.m. in the office of the Administrator.

All members and interested persons are urged to attend.

Program Set On Importance Of Merchandising

Tuesday, October 8, at 7 p.m., in the White Elephant Motel Conference Room, Dr. Fred Cross, community development specialist with Texas A&M Extension Service, will be the guest speaker, presenting a program on importance of visual merchandising and the impact it has on the volume of business done.

If profits have dropped during this period of depressed economy, plan to attend and see what can be done to improve situations. Every business person in Cisco is invited to attend. There will be no charge.

The program is sponsored by the Cisco Chamber of Commerce Retail Trade Committee with Linda Cozart, chairman.

PERFECTION- Dr. Chumley (Jim Means, right) tells Elwood Dowd (Fred Mullinax, left) of his dreams for a perfect day. "I would go to Akron and lie under a grove of maple trees."

(Staff Photo.)

CJC Basketball Coach Endorses Bill Calling For 'No Pass, No Play' Rules

The Texas Education Agency's requirement that students make passing grades in all subjects before being permitted to participate in extra curricular activities has the endorsement of Coach Dan Montgomery of the Cisco Junior College basketball team.

Mr. Montgomery applauded HB-72 that brought the new regulation to the state's school systems in a talk last Wednesday noon at the weekly luncheon of the Cisco Lions Club at the Colony Restaurant.

Noting that athletics play an important part in the school program at Cisco Junior College as well as most schools, Mr. Montgomery told Lions that he always tells his players that they are in college for an education and to learn more about being good citizens.

The coach added that he checks the grades of all of his squad members every five weeks and that in two years at CJC he has had only

one student fail a course. He had some 22 students enrolled in the basketball program.

Mr. Montgomery said that Cisco as a small town has every reason to be proud of its junior college, which represents the community's largest payroll. He complimented Lions on their support of the school and suggested that there could be a closer relationship between the college and the town.

"The college's dinner theater is really unique and a very real plus for the community," Mr. Montgomery said. "It is a 'class operation' worthy of the fine support that it receives."

The coach reported that a good number of athletes recruited for basketball here come from Louisiana where there are no junior colleges. Recruiting in Texas, he added, is difficult because the

state has some 40 junior colleges that play basketball plus the senior institutions.

Two players, Rodney Murray of Victoria and Steve Howard of Zephyr, accompanied the coach. Murray has a 3.7 grade average while Howard's is 3.2 on the 4.0 scale, the coach said. Both are sophomores.

The coach said that his team began workouts in early September and have played several scrimmage

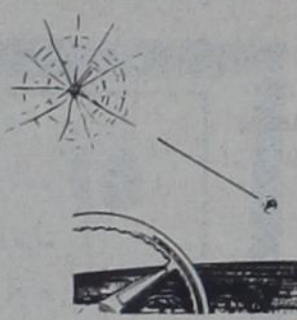

games with area colleges. The CJC squad will scrimmage against three Abilene teams this weekend, he said.

Lion Eddie McMillan was the program chairman and introduced the coach, who is a veteran of some 25 years in the profession.

REPAIR YOUR DAMAGED WINDSHIELD FOR A FRACTION OF REPLACEMENT COST.

Most windshield breaks are repairable, and the cost is far lower than windshield replacement. The patented, proven Novus method can restore and repair windshields both structurally and optically, leaving damaged areas almost invisible. But act now! If crack damage spreads too far, it may become necessary to replace the entire windshield.

National 4-H Week Will Be October 6-12

October 6-12 is National 4-H Week. 4-H is a youth development program to help youth gain a positive self-concept, national social behavior knowledge and problem solving capabilities. The four H's in the 4-H pledge represent the four directions of 4-H Club work: heart, head, hands and health.

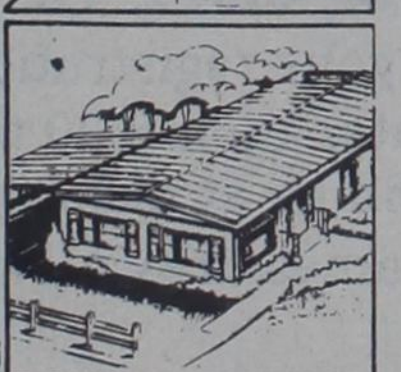

4-H projects are chosen by the 4-H'er. Some projects require very little investment while others require a substantial amount. There are no membership dues or initiation fees for 4-H members. Boys and girls from grade three through 19 years of age may participate. Local 4-H members, parents, and volunteer 4-H leaders determine objectives and goals for the club.

Plans for projects in animals-large and small, food and nutrition, shooting sports, photography, bicycles and exploring 4-H are underway. There are many other projects to follow. One of the county sponsored projects, horse and pony, is in full swing.

Kountry Kids, local 4-H Club, met on September 23, after school in the Intermediate School Cafeteria, with County leaders outlining 4-H activities. At present, 80 members are enrolled. Anyone desiring membership may contact Jerry Choate, 442-3145, or Louanne Gerhardt, 442-3042. Next Kountry Kids 4-H Club meeting is scheduled for October 28 at Intermediate School Cafeteria.

MISS WENDY WESTER, pictured above, was introduced Wednesday as the new sweetheart of the Cisco Lions Club at their noon luncheon meeting. She is the daughter of Mr. and Mrs. Dan Wester and is a freshman student at Cisco High School. Her dad is a member of the club.

INSTALLED MOBILE HOME ROOFERS

Insulated aluminum system helps keep you warmer in winter, cooler in summer. Helps stop leaks, roof-drumming, recasting.

FRIDAY
Breakfast-- Sausage, biscuit, apple juice, milk.
Lunch-- Pork chops, gravy, whipped potatoes, green beans, roll, mixed fruit, milk.

Senior Citizens Nutrition Menu

Last week we discussed the matter of what you need to know, and what you can do about it, if you have high blood pressure. This week we would like to mention a few known facts about high blood pressure.

High blood pressure, also called hypertension, is a condition to which blood is exerting too much pressure on the walls of the blood vessels.

Hypertension is not the same as nervous tension. Calm, quiet people can have high blood pressure just as nervous people can.

If you have high blood pressure, you probably have no symptoms whatsoever. You cannot tell what your blood pressure is by how you feel. The only way to find out is to have it measured.

Another known fact is: Although high blood pressure cannot be cured, it can be controlled very well by following treatment.

Next week we will continue in the discussion of known facts about high blood pressure. In the meantime, why not call 442-1557 and tell the senior citizen registrar that you will be attending the luncheons on Monday, Wednesday, and Friday.

Programs for the week: The Senior Citizen Choir with Billie Wood at the piano; the Senior Citizen Band performed with Gerald Parks accompanying on the piano; birthdays and anniversaries for September were honored; special exercise led by Winnie Pippen; dinner music by Ima Thompson, Lois Holder, and Bob Bevers band.

Menus for the coming week:
Monday-- Cheese meat loaf, corn, blackeyed peas, tapioca pudding, tossed salad/carrots, bread, butter, and milk.

Wednesday-- Stewed chicken and dumplings, peas and carrots, raw vegetable salad, banana pudding/topping, bread, butter, and milk.

Friday-- Fish/tartar sauce, mixed vegetables, french fries, chocolate cake, bread, butter and milk.

Senior Adult II Dept. Meets For Luncheon

The women of the Senior Adult II Department of the First Baptist Church met for a salad luncheon Tuesday, September 24. A large group was in attendance.

Following the luncheon, the ladies went to their respective class groups and elected officers and made plans for the coming church year's work which begins in October.

NURSING CENTER-- The Agape Sunday School class of Calvary Baptist Church hosted the birthday party at the Cisco Nursing Center for September.

News From The Center

By Mae Green

The Cisco Nursing home annual bake sale was held at the First National Bank, September 19. The bake sale netted \$205.25. Proceeds will be used toward the purchase of a movie projector for the center. The bake sale was hosted by the volunteer council, family members, staff and friends.

We thank the directors of the bake sale, Vena Hart, Mildred Geist and Marge King also the First National Bank for the use of the Community Room. We appreciate your support.

Several ladies were treated to permanents at the center this week. Thanks to Brenda Willingham and Maudie Husband. You really made the ladies happy.

The monthly birthday party was hosted by the Agape Sunday School Class of Calvary Baptist Church. Home baked cookies and punch were served to everyone. Birthday honorees were Bessie Sublett, Alene Carter, Annie Parks, Blanche Hounshell, and Lucille Harrelson.

We welcome our new residents to the Center. They are, Lucille Harrelson, and Marvin Jack Cozart. I know they will be looking for their friends to come by for a visit as often as possible. We will be happy to see you too.

Pastor scheduled for visitation during September were Randy Housh, Word of Life, Ronnie Shackelford, Calvary Baptist; Kenneth Breeze, First Christian; Otto Urban, Redeemer Lutheran; Benny Hagan, Corinth; and Church of Christ.

Thank all of you for your consideration for the Nursing Home and its residents.

Key Verse of the month: Verily, I say unto you, whosoever shall not receive the Kingdom of God as a little child, he shall not enter therein. St. Mark 10:15.

Meeting notices

Notice is hereby given that a regular meeting of the governing body of the City of Cisco will be held on the 8th day of October, 1985, at 7:00 p.m. in the Council Chambers at which time the following subjects will be discussed, to wit:

Call to Order
Invocation
Minutes
Item I: Regular Meeting of September 24, 1985.

Reports:
Item I: Quarterly Report of Municipal Court Judge.

Proclamation: Declaring Saturday, Oct. 26, 1985, as "Trick or Treating" Night in the City of Cisco.

Old Business:
Item I: Consider approval of the annual budget of the Eastland County Cooperative Dispatch for fiscal year 1985-86.

Item II: Final Status Report on Water Distribution Improvements.

Item III: Discuss and Consider Re-painting the lettering on elevated water tank.

Item IV: Discuss and consider general liability insurance for City.

Item V: Discussion of refurbishing City Hall.

New Business:
Item I: Discuss refurbishing downtown Christmas decorations.

Citizen-Council discussion I, the undersigned authority, do hereby certify that the above Notice of Meeting of the governing body of the City of Cisco is a true and correct copy of said Notice and that I posted said Notice on the bulletin board in the City Hall of Cisco, and said Notice was posted on October 4, 1985, at 10:00 a.m. o'clock and remained so posted continuously for at least three days immediately preceding the date of said meeting.

Dated this, the 4th day of October, 1985.

City of Cisco
By Ginger Johnson
City Secretary

Letters to the editor

Dear Editor,
I am writing this letter in regards to the recent death of Willis Parker. As most of you know, Willis was a well-respected man in the community of Cisco. He was a father, active member in his church, civic leader, peanut farmer, rancher, and school board member.

As a school board member, Willis was the exception. He supported teachers and administrators. If there were any questions concerning the faculty or the administration, Willis would listen, but never pass judgment until all the facts were presented. Willis made numerous contributions to the Cisco school system. He was instrumental in helping Cisco teachers obtain several fringe benefits including salary supplements for teachers and partial funding for reduced individual and family hospitalization premiums for all school employees. These benefits were before the enactment of House Bill 72, 246, and the significant decline of the school district's tax base.

Willis was also a friend to the school districts employees. He not only had the personal qualities that people liked, but also was a solid board member who understood his role as a school board member. I hope future board members that I work with have the foresight and understanding that made Willis Parker an exceptional person and an outstanding board member.

In closing, as a former high school principal in Cisco, I especially appreciated people like Willis Parker. I am glad I had the opportunity to tell him so before he passed away.

My deepest sympathy goes out to the Willis Parker family and especially to his wife, Vallie.

Sincerely
Mike Turner
Principal
Stinnett Elementary/Jr. High
Stinnett, Texas

Firemen Will Be In Cisco For Meeting

Approximately 100 members of the North Central Texas Firemen's Association will be in Cisco for a meeting Saturday, Oct. 12, according to a report by local firemen.

The group will gather at the fire station at 6 p.m. to take part in pumper races. This will be followed by a business meeting and barbecue at the Cisco Country Club.

AMERICAN CANCER SOCIETY

MR. and MRS. COY L. MILLER
Mr. & Mrs. Coy Miller Celebrate Anniversary

Mr. and Mrs. Coy L. Miller celebrated their 40th wedding anniversary Sunday, October 6, in Amarillo with a party given by their children.

Coy L. Miller married Peggy Lou Nix on October 2, 1945, in Cisco, Texas.

The couple formerly lived in Cisco, Memphis, and Guyton, Oklahoma, and now reside at Lake Brownwood.

He is a sales representative with Lone Star Gas Company in the Brownwood area. Mrs. Miller is employed with General Telephone in Brownwood.

They have five children: Coy Wayne Miller of Frisco, Darlene Pirtle of Frisco, Kathy Byrd of Claude, Jodie Krivanek of Mustang, Oklahoma and Rick Miller of Dumas. They have nine grandchildren.

church services

REDEEMER LUTHERAN CHURCH
Our Worship Service begins at 10:30 a.m. Pastor Urban's message is entitled, "All To God's Glory," based on Matthew 25:31-40. Sunday School and Bible Class begins at 9:30 a.m.

"The Lord God says that cheating does not pay," says Dr. Oswald Hoffmann on The Lutheran Hour. Actually, it pays back the cheater by zapping him with his own weapon. People who cheat wind up cheating themselves, losing the greatest quality anyone can possess -- his own integrity. Hear more on the Lutheran Hour message, "Cheating Yourself" next Sunday on radio station KCLW (900) at 8 a.m. and one KWFT (620) at 12:35 p.m.

Today, AAL has their election and dinner for policy holders at noon. Voters assembly is at 2:30 p.m. LYF meets at 4:30 p.m.

Tuesday, Sunday School staff meets at 8 p.m.

Wednesday, Care Center worships at 10 a.m. with Communion. Confirmation Class is at 3:45 p.m. Adult Instruction is at 7:30 p.m. Choir practices at 7:30 p.m. also.

Thursday, Jesus' Friends meets at 9:30 a.m. and at 2:30 p.m. Christian Fellowship is at 7:30 p.m.

LONG BRANCH

People n Things

BACK HOME after three months in the Gaza country of Israel are Mrs. Faye Stephenson and Miss Betty Haight of Cisco. They flew in Monday and report that their stay there was interesting and rewarding. They went to work as clinical instructors in a big hospital while the regular RNs took their first vacation in over a year.

The city of Gaza has some 250,000 people and no traffic control, Mrs. FS reports. Donkey carts have the right-of-way over bikes and cars and people walking, and traffic gets hairy, she added. Both Ciscoans hope to go again to do relief work as Baptist missionaries. They will be on the program at First Baptist Church to report on their work during the evening service October 13th.

THERE WILL be news soon about the Cisco Historical Associations' plans for the new downtown Historical Park on ground recently donated by Cisco Junior College just south of the old Mobley Hotel, reports Mrs. Ayres Cermin of the CHA board.

Plans call for moving the old Red Gap Post Office building there along with an early day cabin and the old Word School building, which was one of the first in the area. Mr. Vernon Honea of the house moving company has donated his services, reports Mrs. AC.

Funds will be needed to provide foundations for the buildings and fencing for the property. Let's all get ready to do our part.

MR. R.D. Childers, local auto mechanic, recently became a garage owner at 1401 Hilton. He purchased the former Shirley Garage building and moved down the street from Harold Reich's building across from Thornton Feed Mill.

Mr. RDC reports that he plans extensive remodeling and redecorating but business has been too good.

One of our scouts took his car to Mr. RDC the other day. The car was running rough. In a little while, Mr. RDC called.

"I have some good news and some bad news," our scout was told. "The bad news is your engine had a spark plug wire come loose. And the good news is that I put it back on."

And that was good news, huh?

POLICE CHIEF Billy Rains and Policemen Frank Thumsden and Larry Jerigan went to Austin Thursday to bring two police cars that the city purchased from the DPS back home... Cisco Lions are hoping to enter a CHS student in the district Lions Speech Contest. Mrs. Don Shepard of the faculty is helping select a student... Picture slides made during their recent missionary trip to Honduras will be shown by Calvary Baptist folks at the Sunday night service at First Methodist Church.

THE WATER LEVEL at Lake Cisco is down only about a foot from this time last year, reports folks living on the north shore. Rains this year have kept the level pretty constant... The Harold Adlings went over to Oklahoma a few days ago to attend the 50th anniversary reunion of his old high school class... The Eddie McMillans planned to spend this Saturday at Denton to attend the NTSU homecoming and reunion of his old

football squad along with other Exes, including Mean Joe Green and Ray Renfro of pro football fame... Mr. David Ray, who works for Tri-Tex Propane Co., reports that their sales really jumped the past week as nighttime temperatures dropped into the low 40s.

A REPORT HAS come in about an observer passing by the football office out at Cisco Junior College the other day. The observer didn't see anybody but she heard a group singing the birthday song and they concluded thusly: "Happy Birthday, Coach Rambo, Happy Birthday to You!"

What do you think?

THE ROY WESTFALLS are planning a travel trailer trip one day soon down to Fredericksburg and Lady Bird Johnson Park. Their son, David, and family will drive over from Austin for a visit with them. David works for an automotive firm out of Austin these days... Workmen are busy with an extensive improvement program at Mr. Stanley Pirtle's Stanson Oil Company down at 1400 Hilton these days... Mrs. Patsy Hogan and Mrs. Betty Alford of the local Olney Savings branch went to Cross Plains last Thursday afternoon to help with an open house at the new OS branch there.

SALES LADIES of the E.L. Graham Memorial Hospital Auxiliary sold some 25 of the "Please Call Police" banners at Olney Savings on Thursday. They sold 30 at the First National Bank one day last week... See by the signboard out front (and an ad in The Press) that Mr. Harvey Henson is giving away some tickets to see the play "Harvey" that the CJC Theater will present October 21-26. Drop by Harvey's Appliance Store and register...

Over 100 reservations for tickets are in out at CJC for the opera Carmen and tickets haven't been placed on sale yet. It will be presented Nov. 15th.

Singing At Fleas Paradise Is Cancelled

The singing at Fleas Paradise which was scheduled for Saturday, October 5, has been cancelled due to the Fiddlers Contest to be held in Eastland.

Cisco Gun Club Will Meet Mon.

The Cisco Gun Club will meet Monday, October 7, at 7:00 p.m. in the Bank Community Room. The club members are urged to attend this meeting to learn of new developments pertaining to the gun clubs financial situation.

Non-members are invited to attend also.

FEMC Women Will Hear Guest Speaker

Celcia Shackelford will be a guest speaker at the Evangelical Methodist Church Ladies Meeting on Monday, October 7, 1985, at 7:00 p.m. in the church fellowship hall located on Hwy. 80 East. Mrs. Shackelford recently returned from Honduras on a missionary trip with several other Ciscoans.

There will also be a salad supper. All area women are invited to attend this meeting.

Commodities Due October 15

Food commodities will be distributed in Cisco on Tuesday, October 15, from 8 a.m. to 1 p.m., at the Gaslight Apartments on Conrad Hilton Avenue. Cheese and butter will be available.

Supreme Court Overturns Ciscoan's Guilty Sentence

The Texas Supreme Court overturned a guilty sentence given a Cisco man in the shooting death of his mother in a decision handed down in Austin last Wednesday, according to press reports out of Austin.

The man, Jeffery Hull, now 28, had been sentenced to serve 12 years in the state prison in the Oct. 20, 1977, death of his mother, Urma Ruth Hull, 44, in Cisco. He had been free under an appeal bond since his trial on Jan. 22, 1980.

The press report under an Austin dateline read as follows:

The murder conviction of a Cisco man found guilty of shooting his mother to death was overturned Wednesday by the Texas Court of Criminal Appeals because a district judge improperly delayed the trial.

"The judge handling the case simply did not set it for trial, despite the repeated urgings of the state and (defendant)," Judge W.C. Davis said in the appeals court's majority opinion.

In addition to reversing the conviction, the court ordered the case dismissed.

"While I was sitting on the

C&W Music Set

In Scranton

There will be a Country and Western Musical at Scranton Community Center Saturday, October 5, at 7:00 p.m.

Everyone is invited, especially area musicians. There will be a concession stand.

Judge Bailey Declares October 6 - 12 As "Fire Prevention Week"

PROCLAMATION
BY THE
COUNTY JUDGE OF
EASTLAND COUNTY
TO ALL TO WHOM THESE
PRESENTS SHALL COME:
I, Scott Bailey, County
Judge of Eastland County,
do hereby declare the week
of October 6-12, 1985 as FIRE
PREVENTION WEEK in
Eastland County, for the
following reasons.
WHEREAS, according to
the National Fire Protection
Association, the 1983 fire loss
totals are as follows: United
States - 6,026 deaths; from

2,326,500 total fires; total
property lost \$6,598,000,000;
and
WHEREAS, "FIRE
DRILLS SAVE LIVES!" is
the theme for the 1985 nation-
wide observance. As always,
Fire Prevention Week is the
full week - Sunday through
Saturday - to include the
date of October 9, the an-
niversary of the "Great
Chicago Fire" in 1871. The
Fire Marshal's Association
of North America proclaimed
the first Fire Prevention

Day in 1911 and NFPA has
sponsored a Fire Prevention
Week since 1922; and
WHEREAS, FIRE
DRILLS are for every one -
young and old - and should be
practiced at home, at school,
at work - everywhere. Everyone
needs E.D.I.T.H., an Exit Drill
In The Home. Sketch a floor plan
to be sure that everyone knows
two ways out of every room in
your home. Have a meeting
place outside so that you can
account for everyone's safe

exit. As you develop your
plan, remember that small
children and disabled family
members will need special
assistance in their escape.
Older family members may
also need special assistance.
Anyone needing special
assistance should sleep on
the first floor or near an exit.
Small children's bedrooms
should be near an able-
bodied adult.
•Each member of the
family should be able to
recognize the sound of the
smoke detector or other fire
alarm signal.
•Conduct a fire drill
periodically.
•Family members should
escape using the exit plan
and immediately go outside

to the prearranged meeting
place.
•Check to make sure that
everyone has evacuated
safely.
•Everyone should reenter
the home and discuss any
problems or questions that
occurred during the drill;
and
WHEREAS you can "learn
not to burn" by remember-

ing to: "Stop, drop and roll"
to smother the flames if your
clothes catch fire. Crawl low
on your hands and knees to
exit the building if you are
caught in a smoke-filled
room or building.
Remember...FIRE DRILLS
SAVE LIVES!

Signed Scott Bailey
County Judge

Texas Water Act Affects Farmers, Homeowners

COLLEGE STATION--Farmers and ranchers as well as homeowners have a direct stake in the 1985 Texas Water Act and the upcoming constitutional amendments.

The two amendments on water resources will be placed before Texas voters at the Nov. 5 general election.

"The 1985 Texas Water Act focuses on water conservation in cities and in agriculture, water supply development, protection of bays and estuaries, flood control and the creation of ground water districts," points out Dr. John Sweeten with the Texas Agricultural Extension Service, The Texas A&M University System.

Sweeten, an agricultural engineer in waste management and chairman of the Extension Service's major program committee on water utilization and conservation, notes that Article 1 of the Act calls for cities that apply for state water development funds to

establish water conservation programs that can include education, drought contingency plans, lawn watering restrictions and plumbing codes. Municipal education and technical assistance programs would be provided by the Texas Water Development Board as well as other local and state agencies.

Article 2 outlines financial assistance programs and expands the existing water loan assistance program to allow expenditures for water conservation, flood control, drainage, subsidence control, chloride control and desalinization in addition to water development and to allow direct appropriations as well as revenue bonds. State loans administered by the Texas Water Development Board could be used to guarantee local water bonds

or pay the local share of federal cost-sharing projects.

According to Sweeten, Article 3 of the Act creates \$10 million Agricultural Soil and Water Conservation Trust Fund. Half of the interest on the principal is to be appropriated among various state agencies for agricultural water conservation programs, including technical assistance, education, demonstration, equipment, grants to underground water conservation districts, research, desalinization and weather modification. A pilot farm loan program (\$5 million for two years) will be used for improved irrigation systems that conserve water.

If voters approve Proposition 1 on Nov. 5, the state of Texas could issue an addi-

tional \$980 million of Texas Water Development Bonds. Approval Proposition 2 would mean that the state could issue \$200 million of Texas agricultural water conservation bonds for low interest loans to farmers subject to legislative review of the \$5 million pilot loan program and approved by two-thirds vote of both houses of the legislature.

Technology for improving irrigation water use efficiency from 60 percent on the average up to 80 to 95 percent is available to farmers, but capital costs generally present an economic obstacle to its adoption, say the agricultural engineer.

"The passage of the 1985 Texas Water Act would provide for a statewide commitment to water conservation

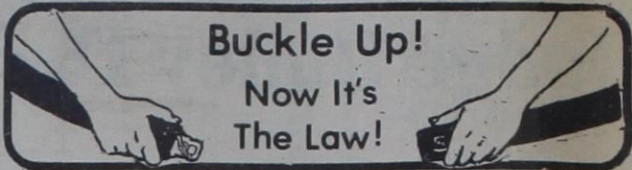

and development programs that would have far-reaching effects on farmers and ranchers as well as homeowners," Sweeten points out. "It would open the door for more concentrated educational and research projects aimed at more effective municipal and agricultural use of the state's present limited water resources as well as the development of additional resources. Also, the current statutory limitations on interbasin transfer of water

are maintained.

"Water problems have plagued many areas of the state in recent years due to drought conditions, population growth and increased per capita consumption,"

notes the engineer. "A year ago, towns and cities with two million Texans had to impose either voluntary or

mandatory water use restriction. Thus the need for a workable statewide water plan is paramount."

Eastland County Declares "WAR ON DRUGS"

The war on illegal drugs in Eastland County is marshalling its allies and with the help of concerned citizens, plans to send the word loud and clear: don't do drugs here!

Many elements are coming together to focus on the problems and working together to help curtail illegal drug traffic.

Over 50 people gathered Tuesday morning to learn how bad the problem is and to close ranks in stopping it. The volunteers came from throughout the county and they represented a cross-section of people, men and women, young and old and all dedicated to "doing what they can" to help.

A People Against Dangerous Drugs spokesman told of that organization's efforts in establishing a hot-line, through which tips may be given anonymously; the encouragement of the drug dog programs in the schools; encouraging the young people to stand up and together to help their weaker peers say "no" to drugs; and work toward getting the sheriff's department more budget for their work. "We're seeing more arrests now than we did three years ago when we started," the spokesman said, "and we're keeping up with prosecution of these cases."

Sheriff Don Underwood spoke briefly saying that there is a major drug problem here and that the manufacturers are moving from the big cities to the suburbs and establishing labs here. He pointed out that in the first nine months of this

year there were 170 persons booked into the county jail on narcotic-related charges and that 40 of these were for delivery of drugs. The same nine months a year ago showed 85 booked on narcotic-related charges.

He also told of the recent attempts on the lives of a police chief's wife and on a deputy sheriff, showing that the drug traffic is serious. The sheriff asked for support and help from citizens.

District Attorney Emory Walton joined the sheriff in pointing out that labs can move in, set up and be in production in very short order.

"You can help us with your support," the sheriff said, "with dollars and information. We buy our information off the streets."

County Extension Homemakers, who have taken Court-Watching as a state-wide project, told of information that they had been given at a state meet in Longview recently, and explained that they had learned that Court-Watching is easy: it's just a matter of being present, being attentive, and keeping simple records which are turned in for total evaluation of the judicial process.

The citizens indicate they want to get involved.

The Special Guest Marilyn Golightly, a pioneer in the war on drugs efforts in Texas, explained the Court-Watching methods used and told of the material she had available to assist.

"It's easy and it's worthwhile," she explained. The more people we can get educated about what's going

on, or not going on, in our courtrooms the better, she said. "We need to look for the positive and negative aspects — and don't be afraid to ask questions if you don't understand."

"We're not witch-hunting," she emphasized. "We're just seeing that laws are enforced and justice done. For the last several years, she said, the Gallup poll has shown that numbers one, two and three problems cited by teenagers are: alcohol, drugs and unemployment. "They're crying for our help," she said.

Volunteers stepped forward to co-chair the organization and development of the Court-Watchers program, and are welcoming others who may write CourtWatchers, Box 29, Eastland, TX 76448.

The meeting concluded that all present need to also emphasize the importance of jury service when called.

It is our privilege and our obligation it was pointed out.

Guest Slot

Remember, a mechanically safe car can be man's second best friend.

The following poem was written by Donna Darovich, Director of University of Texas at Arlington News Service.

ODE TO THE SEAT BELT
I've buckled up for safety;
I'm complying with the law
Though my blouses are all wrinkled
And my neck has been rubbed raw.

Got a strap across my belly
But what sticks inside my craw
Is the one across my chest
That fights like a too-tight bra.

I can't even reach the glove box
To retrieve a simple map
Without filling up my mouth
With a lousy two-inch strap.

When I try to order Big Macs
This is how it goes:
I have to fight the best
'Cause it's cutting off my nose.

I feel like I'm a chauffeur
Cause friends hate the belts,

you see
And when we go to lunch
They won't ride up front with me.

But what really makes me mad,
Are the grins and all the stares
From the bozos watchin' me
Who, by gum, ain't wearin' theirs!

Some say they never will
Wear that vinyl sash
But they can blame themselves
When their face lies on the dash.

Too bad we have to legislate
What's just for our own good
But I'd rather have a wrinkled shirt
Than go through the window to the hood.

EASTLAND

All roads lead to Courthouse Square for the big Eastland County Fair Saturday, Oct. 5. The fun begins at 8 a.m., when the Eastland Kiwanis will begin the 10K Fun Run. At 10 a.m. the Chamber of Commerce Parade will begin at the far west end of Main Street, and will run to the intersection of Main and Halbur. There are 133 entries ready for the Parade, including the Hardin-Simmons Cowboy Band and the famous Six White Horses. The rest of the morning and afternoon will be filled with entertainment. Booths, art work and various displays will brighten the Square. At 7 p.m. the Fiddler's Contest will begin, together with musical entertainment by Roy Thackeron, Al Anderson, Davis Jones, Tim Webb, Marvin Payne and Sharlett Bailey. At 10 p.m. Roy Underwood will perform for a Street Dance.

The First Baptist Church will begin its 1985 series of organ recitals Sunday, Oct. 6, at 3 p.m. Monte Maxwell, a native of San Angelo and a senior organ major at Texas Christian University, is guest artist. His program will include organ classics as well as music based on familiar hymns. "Maxwell is one of the most talented musicians I have ever known," says Wyley Peebles, First Baptist's Minister of Music. The recital is open to the public, and there will be no admission charge.

The first meeting 1985-86 of the Eastland County Farm Bureau Directors will be Monday, Oct. 7, at the Eastland County Farm Bureau office. Directors were elected at the annual County Convention, which was held Sept. 30. Incumbents who were reelected were J.C. Clearman, John Kidd, Grant Lewis, Cecil Self, and D.B. Warren. New Directors are Billy Walton and Leo Williams. Eastland County has more than 1800 Farm Bureau members, and expects to pass the 1900 mark by Jan. 1, 1986. Earnest Reich of Cisco is County President.

CISCO

There will be a Slow Pitch Softball Invitational Tournament held Saturday and Sunday, Oct. 12 and 13, at the Pony League Baseball Park in Cisco. It will be sponsored by the Silver Bullet Softball Team. Ranger, Eastland, Coleman and Mineral Wells teams have signed to play, and around 20 teams are expected to enter. For more information call Bob Prickett, 442-3142. The public is invited to come out and watch the Tournament.

Trustees of the Cisco Public Schools will open bids at 7 p.m. Thursday, Oct. 31, for a contract to construct a large addition to the Intermediate School building. Superintendent Ray Saunders of the school system expects to have copies of the plans and specifications for issuance to interested building contractors within a few days. Plans call for a combination auditorium and cafeteria, 12 classrooms, a library, restrooms, and utility rooms. The building will take care of classes now using the primary school.

The Cisco Gun Club will meet Monday, Oct. 7, at 7 p.m. in the Bank Community Room. Club members are urged to attend, and non-members are invited also. New developments pertaining to the Club's financial situation will be discussed.

Nimrod Baptist Church will hold a revival Oct. 6-12 at the church southwest of Cisco. Dwayne Clower, pastor of Mangum Baptist Church, will be in charge of services. Richard and Lois Robinson will be in charge of music. Sunday services will begin at 10 a.m., and dinner will be on the grounds at noon. Services Monday through Saturday will begin at 7 p.m. The public is invited to attend.

BAIRD

Michelle Self, 16 year old daughter of Mr. and Mrs. Billy Self, was one of the top 15 State Finalists in the Texas Miss Teen Pageant. The Pageant was held recently in the Loews Anatole Hotel in Dallas, and 130 on scholastic achievement, volunteer service, appearance, poise, personality, personal interview, speech or talent and formal presentation. Michelle was sponsored by a number of Callahan County businesses.

The Baird American Legion presented Fish Fry Cooks Art Blakeney and Alvis Dill with certificates for their efforts during the Fish Fry Sept. 27, and presented Mrs. Archie (Maureen) Nichols an engraved plaque commemorating her

devoted work in the restoration project of the Texas and Pacific Railroad Depot. The Fish Fry raised \$710 for the Depot in one night. The Woodmen of the World Lodge also presented \$200 to the "Save Our Depot" Fund, so the account is growing.

The Cisco Senior Citizens Rhythm Band will be at the Baird Nursing Home Oct. 15, at 2 p.m. to present a program. The public is invited to come out and enjoy the music. Last week the Star Brite Band of Rising Star brought an enjoyable concert to the home. These people are really appreciated.

RISEING STAR

"Relive the Past - Renew Friendships - Revive School Spirit" is the theme for the 29th Homecoming of Rising Star High School on Saturday, Oct. 12, 1985. Activities will begin at 8 a.m. with a coffee, registration and visitation, followed by a meeting of the Ex-Students association at 9 a.m. Guest speaker will be Doyle Edmiston, a 1985 graduate. The Class of 1935 will be honor guests. Dinner will be served in the school cafeteria. Other activities will include class parties, a homecoming parade, and the Homecoming game with Blanket at 8 p.m.

The Blake (Hog Valley) Cemetery Association has erected a new building on the property, and it will be dedicated next May. The beautiful old rock Baptist Church on the premises will be left standing as a memorial to the people who have worshiped there. Members of the Blake Cemetery Association invite the public to make plans to join them for special dedication services on May 18, 1986. There will be a covered dish meal under the nearby tabernacle.

The 4-H Horse Project group is having a Trail Ride and hamburger cookout Sunday, Oct. 6. Anyone interested in joining them may come to Jan and Benji Clark's place, and plan to hit the trail at 2 p.m. Each family or group needs to bring enough hamburger fixing for themselves. Grills will be furnished.

RANGER

Excitement is building for "Roaring Ranger Days" on Oct. 12. The numerous events in downtown Ranger are expected to draw a large crowd from the area. There will be an outstanding Art Show in connection with the event, and this will be held in the lobby of the Gholson Hotel. It will be open to the public, beginning at 11 a.m. Oct. 12. Several prominent local artists as well as some from the Metroplex are expected to show. This event is sponsored by the Creative Art Club, with Camilla Adams as Chairman.

Don't forget to pick up your copy of the "Roaring Ranger" Cookbook during the "Roaring Ranger" celebration. Anita Walton will be in charge of the sales of this book, which can be seen at a booth in downtown Ranger. It's a bright and at-

Commodities

Cheese and butter distribution will continue for another year in Eastland County. However due to a conflict of interest for Central Texas Opportunities, for the month of October only the distribution dates have been set up a week. Places of distribution remain the same but the dates and times have been changed. Eastland, Gorman and Carbon should take special notice of these changes.

Tuesday, October 15, Cisco 8 a.m. to 1 p.m. and Rising Star 3-4 p.m. Wednesday, October 16, Eastland, 8:30 to 12 and Gorman 3 to 4 p.m. Thursday, October 17, Ranger 8 a.m. to 12 a.m. and Carbon 9 to 10 a.m. and Desdemona 11:30 to 12 a.m.

New guidelines have been set for another year

tractive volume, with art work by Jeanne Mackey. Many good recipes from cooks all over the area are compiled on 145 pages. The book has been selling fast, with 300 copies going to people all over Texas. It makes an attractive gift for any occasion.

Sue Gill, noted artist, will be present at Ranger Savings during business hours Oct. 7-11, to demonstrate different painting techniques. The public is invited to come out and watch this artist at work.

Johnny Wells and Joe S. Scott of Ranger haven't just been fishing - they've been alligator hunting! They caught some, too, during a weekend at Angleton. Furthermore, they brought the proof back to Ranger, loaded in the back of a pickup.

GORMAN

The Gorman High School Annual Homecoming is slated for Friday and Saturday, Oct. 25 and 26. All Gorman Exes and families are urged to make plans to be present at this gala event. An excellent program is being planned. Don't miss it!

Charlie Garrett, Instructor for the 55 Alive Driver Improvement Program, announces a class for Oct. 10 and 11. The class will be conducted in the Senior Center from 8 a.m. to 12 noon. The course is open to anyone who is 55 years of age or older, and the cost will be \$7. to get credit for the Course you must attend all sessions. Upon completion you will receive a 10 percent discount on your auto insurance (except comprehensive) for a period of three years. Call 734-2573 or sign up at the Center.

RYDER RENT ONE WAY LOCAL

Whether it's personal or business hauling, you can't rent a better truck than Ryder.

Before it was manufactured, it was carefully specified by Ryder to be built tough and dependable. Since then, it's been cared for in a strict, regular maintenance program that is the standard of the industry, world wide. Regular inspections are made by Ryder trained and certified mechanics. It's as dependable as a truck can be.

Whenever you or your business needs a truck, remember Ryder. The best truck money can rent.

Obituary

Arthur Ted Underwood

GORMAN - Arthur Ted Underwood, 47, of Gorman died at 8 a.m. Wednesday at Blackwell Hospital in Gorman. Services were at 2:30 p.m. Thursday at Higginbotham Funeral Home in Gorman.

Richard Watson, pastor of New Hope Baptist Church near Gorman, officiated. Burial was at Oakland Cemetery near Gorman.

Born Sept. 2, 1938, in Eastland County, he married Ruth Raspberry, Oct. 4, 1958, in Carbon. He served in the Navy from 1957 to 1961.

He was a member of New Hope Baptist Church and a member of the VFW Post, No. 4136. He was a welder.

Survivors include his wife; a son, Arthur Ted Underwood, Jr. of Gorman; a daughter, Angela Teresa Lindaman of Lewisville; a brother, Troyat Underwood of Gorman; two sisters, Bess Barlau of Odessa and Gay Nell Morgan of Abilene; his mother, Evelyn Underwood of Eastland; and two grandsons.

Pallbearers were Tommy Roberts, Ocia Pond, Guy Jones, Tom Broom, Lloyd Hyles and Arnold Butler.

The family requests remembrances be made to the American Cancer Society.

4-H NEWS

By

Faith Ballard & Paul Brown

The Jr. Leaders Assoc. sponsored the Petting Zoo during the County Fair. Jr. Leaders coordinated and planned the zoo, plus provided the animals for petting. The zoo hours 10:00 a.m. - 7:00 p.m. The zoo is a wonderful experience for young and old.

Friday, October 4th Amy McDonand of Ranger attended the State Honor Award Banquet. Amy first arrived in Dallas at the Hilton to a reception sponsored by Texas Tech. Then later that evening was the banquet. Following the banquet was a country-western dance for all 4-H, FFA and FHA honorees, agents and parents. Also attending the banquet with Amy was myself, Faith Ballard. The

next morning began early with two seminars: "How To Motivate Yourself And Others" and "Leadership Skills." Following the seminars it was off to the State Fair for a fun filled day.

Next week is National 4-H Week! 4-H Sunday is October 6th, all 4-H'ers are uniting and attending church. Then its 4-H promotions all week. Tuesday, October 8th is the County Awards Program at Gorman. The program will begin at 7:30 p.m. in the gym. All Eastland County 4-H'ers and Adults are welcome to attend and the general public. It is free of charge and refreshments will be served following the program.

Eastland County 4-H Program for 1984-85 enrollment for youth was 314. Jr. Leaders Association had 28, adult leaders for the county was 84.

4-H is a fantastic experience for youth, adult and individuals interested in our youth of today. For more information about the 4-H program in Eastland County contact Faith Ballard or Paul Brown at 629-2222 or 629-1093. The County Extension office is located in the County Courthouse Basement.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

Petra To Play At Six Flags

Arlington-The Christian rock group Petra is scheduled to perform at Six Flags Over Texas Saturday, October 12.

Without the benefit of mass exposure, Petra has carved their own niche in the music industry. They have sold over a million albums, been named by Billboard Magazine as the largest selling gospel group of 1984, and have been nominated for a Grammy in 1985.

Petra's latest album release, "Beat The System," is also their first entry in the secular music market.

Petra's Six Flags concert is scheduled for 6 p.m. in the theme park's Festival Center Area.

Concert-goers are encouraged to bring their own cushions or blankets. Seating will be on a first-come-first-served basis.

There will be an additional \$3 concert fee for the Petra performance over the standard ticket price. Children age 5 and under will not be charged the concert fee.

Did You Know?

DID YOU KNOW?

•Teenage drug problems appear in 6 to 12 months; in adults in 3 to 4 yrs.

•In up to 90 percent of child abuse cases, alcohol is a significant factor.

•Children of alcoholics are four times as likely to develop substance abuse problems.

•Bottom line on cocaine. Everyday 5,000 more Americans try cocaine for the first time. 25 million are users. American Medical Association found that coke, when used regularly, maybe more lethal than heroin. Our government data reports that the number of cocaine deaths in '79-'80 were 120 to 456 in '83-'84. 16 percent of high school seniors are reported using cocaine.

•Dr. D.I. McDonald said that those who have never used marijuana, only 2 percent use cocaine, but of those using marijuana 75 percent use cocaine.

•Through the end of July, Texas D.P.S. had seized 43 methamphetamine labs (compared to 58 during all of '84 and 31 in '83), including one in which wire tap was used, resulting in seizure of \$45 million in drugs and marijuana materials. Texas leads the nation in clandestine labs.

•D.P.S. have also destroyed almost half a million marijuana plants in Texas with an estimated value of \$246 million in 25 counties.

•Check libraries-Federal grants have been made available for substance abuse materials. Provide your community with updated, accurate resource list.

•Beer Ads Here's your opportunity! If you feel inappropriate messages are being sent out by the brewers - write: Peter Bartlebaugh, 6401 N. 54th St., Tampa, Florida 33610. Give specifics on youth oriented messages.

•Mail order parapher-

nalia. A direct response to the closing of the local head shops has been the mail order business. We must insure that Americans everywhere receive a clear message from the federal government. Senator Pete Wilson of California has introduced S. 713, the Mail Order Drug Paraphernalia Control Act. This bill makes it unlawful for any person to make use of the service of the Postal Service as part a scheme to sell any drug paraphernalia. The concept is one we must all support. The U.S. Government tells us that drug Paraphernalia and its "do drugs" message are illegal. ACTION - Write your representatives and tell them that your support federal legislation banning mail order paraphernalia.

•Synthetic THC Pills The F.D.A. approved commercial marketing of a drug containing synthetic THC, to be sold under the trade mark of Marinol. Make certain your community understands the difference between synthetic THC and marijuana. THC represents only one of the over 400 chemicals in marijuana. Marinol is manufactured and has no bearing on the street drug marijuana.

Lights From The Christian World

Arthur Blessitt, in his book, "Arthur, A Pilgrim," relates how he carried a large cross around the world. His travels took him to the Arch of Constantine and then to the Roman Forum. From there he carried the cross into the huge, historic, Roman Coliseum. This coliseum still stands in its splendor. He stood looking at the huge pillars and the large arena.

He thought of the believers who were fed to the lions. Here every effort was made to rid Rome of the followers of Christ. Yet, in the arena where the Emperor had stood was a cross. It was mounted in the coliseum overlooking the arena.

Arthur Blessitt carried his cross to where the larger cross was erected and then knelt to pray. His tears drip-

ped onto the ground. The blood of others had wet this place. He cried, "Oh, thank you, Jesus, for the faithful, unwavering, and the committed who died as a witness to that which they knew to be true. Jesus is alive!"

Friend, the cross remains standing in the heart of His followers to remind us that we are more than conquerors through Him. If you believe it is the hand of Jesus that has sustained you until now, then you must believe that he is meaning to continue to help you yet more and to keep you in the way that you should go. Christ Jesus' cry on the cross was, "It is finished." It is His cry of salvation and compassion for the whole world. So trust and be not afraid.
