Weary Senators Continue Fight On Atomic Control

Flank Project Scheduled In Fluvanna Area

Woodson Oil Co. of Fort Worth has filed application to drill the No. 1 L. M. Jones as a flanker to production in the Fluvanna-Strawn field of Northwest Scurry County.

Drillsite is 660 feet from south and west lines of section 666-97-H&TC, about four miles north of Fluvanna. Projected depth is 8,500 feet, with drilling to start soon.

KING WILDCAT

General Crude Oil of Abilene No. 5-B-I Swenson Development Co. is to be a 6,500-foot wildcat 13 miles northwest of Guthrie in Northwest King County.

Drillsite is 1,980 feet from north and west lines of section 5, Brooke & Burleson survey. That is about 14 miles northwest of the Bateman Ranch field.

DISCOVERY INDICATED

Five and one-half-inch casing has been cemented at Lone Star Production No. 1 Ruby Green, an indicated Caddo strike in Central Stonewall County.

The No. 1 Green is one location northwest of production in the Gloria Gay Bend Conglomerate field. A test of the Caddo from 6,042-116 feet recovered 10 feet of slightly oil and gas-cut mud with 153 feet of heavily oil and gas-cut mud and 10 gallons of oil. There was some gas in the top 1,500 feet of the drillpipe. The tool was open one hour and 40 minutes.

A two-hour test in the Conglomerate from 6,170-178 feet recovered 90 feet of gas-cut, brackish water and 480 feet of salt water.

Drillsite is 2,150 feet from north and 800 feet from east lines of section 138-D-H&TC, seven miles north of Aspermont.

MITCHELL COUNTY

Sun Oil Co. of Dallas has announced plans to drill the No. 1 J. F. McCabe in the McCabe-Pennsylvanian field 12 miles southeast of Colorado City.

Location has been set 660 feet from north and east lines of the northwest quarter of section 5-1A-H&TC. Elevation there is estimated at 2,138 feet. Rotary contract is to 6,250 feet.

In the Westbrook field seven miles north of Westbrook, Paul DeCleva of Fort Worth is to drill the No. 1-C E. T. Strain. Drillsite is 990 feet from south and 330 feet from west lines of the east half of the northeast quarter of block 28-tin-T&P. Cable tools are to be used to drill to 3,500 feet.

SCURRY COUNTY

Woodson Oil No. 1 B. Lanham, Northwest Scurry project, is running tubing for a completion test. A drillstem test was run from 8,356-

Set Drive On Overdue Fines

A campaign to collect delinquent parking violation fines is being made by the city police department and at least one violator has paid fines on an accumulation of more than 20 parking tickets, Johnny Claybrook, desk dispatcher, said.

Claybrook said that several violators have accumulated as many as a dozen tickets.

Under a new traffic ordinance the fine for over parking, if paid within one hour after the ticket is issued, is 25 cents.

A courtesy period of five days is allowed for payment of over parking tickets during which five days the fine charged is $1. After the five-day period the fine usually assessed is $2 per offense, but the ordinance provides that the fine imposed may be a maximum of $200.

The method being used to clear police department files of delinquent parking violation tickets is that a letter is mailed after the five-day courtesy period. If the letter does not get results, a warrant is issued for the arrest of the violator, Claybrook said.

CAMBODIA SIGNS ARMISTICE

Gen. Nhiek Tioulong, commander in chief of Cambodian forces, signs the Indochina armistice agreement at Geneva as Gen. Ta Quang Buu (right) signer for the Communist-led Vietminh, watches. Standing is Jean-Paul Boncour, secretary general of the Geneva conference. The Cambodian signature followed similar formal signings of the agreement on Viet Nam and Laos, the other two Indochina states.

Candidates Gathering Forces For Big Climax

By CLAYTON HICKERSON
Associated Press Staff Writer

Candidates gathered their forces Thursday for a final two-day assault to capture Saturday's primary votes.

Gov. Shivers was due in Conroe, Huntsville and Dallas Thursday and at Dallas, Victoria and on to his Woodville home Friday. His opponent, Ralph Yarborough of Austin, planned four statewide radio talks and two television appearances in two days.

Both candidates received endorsement of prominent Texans in the campaign's fading hours. Both attempted to inject new issues. Both hurled new charges.

An important sidelight to the campaign—selection of convention delegates and their strength—posed a problem for the State Supreme Court.

The court indicated Wednesday it might not rule at all in the intra-party Democratic controversy.

The question was: Shall all the votes cast for Shivers for governor in 1952 be used in computing convention strength, or just the Democratic votes?

Shivers, in Houston Wednesday, called Yarborough's utterance that funds were being collected to steal votes in East "wild, insulting and ridiculous."

Yarborough said Shivers helped put over what he called a "phony" natural gas tax law. Yarborough said at Athens Wednesday night:

"The Supreme Court held this natural gas law unconstitutional and according to the press, my opponent said....of the decision that it did not come as a surprise.

"In other words he helped put over a phony tax law and he made no effort to pass a substitute at a special session."

Shivers struck at Yarborough's "vote-stealing" statement in radio and television speeches.

"He has slandered all the people of East Texas," the governor said.

"He has insinuated that all of the county officials and the election judges in East Texas are dishonest. His absurd accusation is an insult to these people and he knows it is untrue."

"I was born and raised in East Texas, and I resent the charge," Shivers said.

Yarborough spoke at Athens to a cheering crowd estimated at 6,000 persons, one of the biggest of the campaign.

"I hold here in my hand," Yarborough shouted, "a list of 163 foreclosures in Hidalgo County on individuals and families who had put their life savings in this Texas gardens land at an average price of over $500 an acre, and these people lost their life savings to the $1,000 corporation which paid Mr. Shivers $450,000 for his 'option' on this identical same land. I ask you, East Texans, do you think that was 'honest money'?"

Yarborough implied that there was a relationship between what he called Shivers' "staggering" campaign fund and the natural gas companies.

"Where is the money coming from?" he asked.

The governor hit equally hard in his Denison and Houston speeches.

"This is my opponent's third unsuccessful campaign," he said. Yarborough was once defeated for attorney general and lost two years ago in his first attempt to unseat Shivers.

"The more he runs," said Shivers, "the more mud he slings. He is even slinging it now at the voters.

"In this instance, he is trying to cover his association with and his support by George Parr, the Duval tyrant...but he should not be allowed to do that at the expense of good East Texas men and women whose character and integrity are beyond question."

State Sen. Doyle Willis, Fort Worth, was one of the prominent Texans endorsing Yarborough during the day.

The senator said he sponsored amendments to raise pensions in the Legislature in 1949, 1951 and 1953. "I cannot remember Governor Shivers doing one single act to pass any of these amendments," Willis said.

State Rep. Grady Hogue of Martin's Mill also endorsed Yarborough.

MIDDLING SIZE VOTE EXPECTED SATURDAY

By The Associated Press

A vote of at least middling size appears to be shaping up for Saturday.

In two places, there are predictions of a larger vote even than in the record 1952 presidential election. In most places, the turnout is bound to be considerably smaller—but still not what you would call a "light" vote.

There is no chance of a total vote even approaching that of the 1952 general election, when 2,077,846 Texans cast ballots. Only 1,600,000 poll taxes have been paid.

"Not over a million is my wild guess," said Robert Johnson, head of the Texas Election Bureau, an unofficial vote-counting agency.

That could be described as a moderate turnout by normal Texas standards. Before the 1952 record, the high total was 1,356,000 votes, and these were cast in July when, as now, there was keen interest in the race for governor between Gov. Shivers and Ralph Yarborough.

One place where the vote is expected to exceed that cast in 1952 is Victoria in South Texas. Registration in Victoria County totals 9,246 compared to a previous high of 9,145 in 1952. County Democratic Chairman Gene Houchins predicts a turnout of 8,000 to 8,500. There were 7,441 votes cast in 1952. Eight local contests attract many voters.

Another county where local contests and interest in the governor's race are expected to bring a new record is Lamar in North Texas. The Paris News reported 12,000 persons could vote in the county and at least 11,000 probably will. The vote two years ago was 9,460.

At Fort Worth, County Clerk Mel Faulk said after the absentee balloting closed that 1,226 voters had appeared in person to mark their choices and 443 ballots had been received by mail. Two years ago, a total of 1,653 absentee ballots set the old record.

Absentee ballots cast at Waco also set a record for McLennan County. A total of 725 has been marked up, as compared to a final total of 698 in 1952.

Smith County and Tyler had marked up a primary election absentee record of 894 votes. The previous record was 749 in 1952.

A record 2,917 absentee ballots have been cast for the Democratic and Republican primaries in Harris County. W. D. Miller, county clerk, said at Houston 2,824 Democratic and 93 Republican ballots had been cast by the deadline.

Miller said he expected about 122,000 of the county's 220,000 eligible voters to cast ballots Saturday.

Two Polling Places Set

Arrangements have been made for voters of northeast Snyder, voting precinct 1, to poll at the sheriff's office in Saturday's election.

No exact polling place had previously been announced except that voting would be at the courthouse. The sheriff's office announced today that voters would poll there as a convenience to elderly persons who have difficulty climbing stairs. The sheriff's office is in the courthouse basement.

Voters of the Crowder community, box 19, will poll at the Rig Motel. No polling place had been announced for this box until today.

Other boxes and designations are 2. Cottonwood Flat, church; 3. Ennis Creek, school; 4. Dermott, school; 5. Fluvanna, mercantile; 6. Union, church; 7. Bison (Knapp), church; 8. China Grove, school; 9. Ira, school; 10. Dunn, gym; 11. Lone Wolf, school; 12. Inadale (Pyron), gin; 13. Hermleigh, school; 14. Camp Springs, Methodist church; 15. Canyon, church; 16. Lloyd Mountain, school; 17. northwest Snyder, Northwest Elementary School; 18. southwest Snyder, city hall; and 20. southeast Snyder, junior high school.

Polls open at 8 o'clock in the morning and close at 7 o'clock in the evening.

Absentee Ballot Total Still Edging Forward

Ten more absentee ballots were received by the county clerk from noon yesterday until noon today, making the total received so far for casting in Saturday's primary election 222.

Applications for ballots sent to voters totaled 304, of which most are expected to be returned by 1 o'clock Saturday afternoon, deadline for casting. Deadline for receiving ballots for voting was midnight Tuesday.

U. S. Officials Think Reds Will Try Again

By JOHN M. HIGHTOWER

WASHINGTON (AP) — Top U.S. officials believe the Kremlin will follow up the Indochina peace agreement with a reinforced drive to break the Western powers' anti-Communist alliance.

They expect an early and vigorous renewal of Soviet proposals made at Berlin early this year for an all-European defense treaty in which Russia would join. That plan was offered as an alternative to the European Defense Community treaty which the United States strongly urges as a means of permitting West German rearmament with French approval.

And there is considerable concern here that the Indochina agreement may throw European peoples off guard and thus make Soviet policies and propaganda aimed at a key point of the Western defense system more attractive.

Washington would like to see Western unity tightened and strengthened in the wake of the Geneva settlement. In fact, President Eisenhower and Secretary of State Dulles give every evidence of regarding this as essential if the security of the non-Communist world is to be held against relentless expansive pressure of the Communist world.

The State Department is understood to be seeking to speed up consultations with Britain, France and other friendly governments on the formation of a Southeast Asian alliance. However Britain is reported still to be taking a "go slow" line.

There is no fear here of a Communist renewal of open military aggression in Indochina. The fear is rather that the Reds will use political and economic pressures and subversive tactics to undermine South Viet Nam, Cambodia and Laos and eventually take them over. Authorities say the best way to counter this is to strengthen those states in every possible way, and primarily by creating a defensive alliance of Western and Asian nations for their protection.

Secretary Dulles was quoted as having told the House Foreign Affairs Committee at a closed session yesterday that this country had helped to obtain terms at Geneva "which would, to a degree, mitigate the effect of the military settlement upon the peoples of the Indochina area."

There was little comment in Congress, and no disposition to picture the settlement as anything but a gain for the Reds.

Senate Republican Leader Knowland (Calif) termed it "one of the greatest victories for the Communists in a decade." Sen. Robertson (D-Va) predicted Congress will be asked for two or three billion dollars more for defense. Sen. H. Alexander Smith (R-NJ) called the settlement "the best of a bad bargain." Sen. Symington (D-Mo) said "the position of the free world continues to deteriorate in Asia" while Russia, he said, is winning the hydrogen bomb race.

Government's Deficit Less Than Expected

WASHINGTON (AP)—President Eisenhower announced today the government "made a better showing than expected" in the fiscal year just ended by winding up $3,029,000,000 in the red on June 30.

That was a deficit of a quarter of a billion dollars less than Eisenhower had predicted for the fiscal year 1954 in his January budget message. It was $6,893,000,000 less than former President Truman forecast for the same year in his final budget.

And it was $6,411,000,000 below the $9,449,000,000 by which the government overspent its income the year before.

The presidential announcement, based on the Treasury's statement of the nation's finances on June 30, closing day of the fiscal year, was handed to reporters by presidential press secretary James Hagerty.

The 7½ per cent reduction from the deficit predicted in January—when the fiscal year was half done—was achieved, Eisenhower said, level.

The government's receipts in the 12 months ended June 30 ran 3 billion dollars lower than predicted, the President said, but the administration meanwhile whacked spending 3¼ billion dollars below what had been forecast.

That made the deficit a quarter of a billion dollars less than had been expected.

The Treasury's year-end figures showed that fiscal 1954 tax receipts from individual income taxes were a billion dollars less than previously estimated and that corporation tax receipts were down over 1¼ billion dollars. The bulk of the spending cut, about 2½ billion dollars of it, was in national security outlays of all kinds, with direct military outlays absorbing the biggest cut.

The reduction of the fiscal 1954 deficit to nearly three billion dollars, Eisenhower said, takes the administration "two-thirds of the way" toward balancing the budget. He was referring to the nearly 10 billion dollars deficit predicted for the year when the Eisenhower administration took over.

Bids In For Bull Creek Job

Cage Bros. Construction Company of San Antonio is apparent low bidder for lowering grade on the Bull Creek diversion channel.

The concern submitted a proposal of 42.4 cents per cubic yard for the project, said E. V. Spence, general manager for the Colorado River Municipal Water District. This gave a price of $27,189, but the total volume may be shaved slightly to bring the over-all cost within $25,000. Cage specified completion within 30 days.

The job was authorized in the spring after a flood on Bull Creek sent water almost around the emergency spillway of the diversion structure before the northern levee washed out in two places.

Spence said that plans call for lowering the grade on foot per 1,000 foot of channel south of the bridge which spans the channel on a lateral road. He estimated that the increased slope, together with straightening the channel on its lower end, would increase the rate of flow through the channel by two and a half times. This should result in handling all water down Bull Creek except under the most extraordinary flood conditions.

Other bidders on the project were W. D. Caldwell, Big Spring, 44.5 cents per cubic yard or $26,535 and 35 days to complete; and Dean Skinner, who constructed the diversion, 74 cents, $47,452, and 75 days.

Conference On Asia Due Soon

WASHINGTON (AP)—The United States, Britain and other friendly nations have agreed to call an international conference late next month to write a defensive alliance designed to protect the non-Communist lands of Southeast Asia against Communist conquest.

Highly placed diplomatic authorities said an announcement of the meeting is expected shortly.

The agreement was reached, these officials said, among Secretary of State Dulles, Undersecretary Walter Bedell Smith, British Foreign Secretary Eden and others at Geneva after it became certain that the fighting in Indochina would be ended by negotiated peace with the Communists.

Applications Slated

AUSTIN (AP)—Applications for jobs in the State Highway Patrol will be accepted until Aug. 25 from men 21 to 35 with at least a high school education, Homer Garrison Jr., director of the Department of Public Safety, said today.

Dawn Oney, a platinum blonde cover girl competing in the annual "Miss Universe" contest as "Miss Montana," holds the trophy she won as the public favorite for the world wide beauty crown at Long Beach. She got the most applause from the crowd which watched the beauties parade across the stage in preliminary judging. Judges will name a "Miss U.S.A." with the winner competing against foreign contestants for the world title.

Builder Says FHA Helped Plan Profits

WASHINGTON (AP)—A Los Angeles builder told investigating senators today that Federal Housing Administration officials taught builders exactly how to profit from a postwar government - backed housing program without putting up "any capital."

The witness, Arthur B. Weber, said he couldn't remember the name of the FHA man he said came from Washington to tell him and other builders how to make money from the government program.

Weber, testifying under oath, said that he cleared $387,543 on two projects and later sold his interest in them for an additional profit of $125,000.

Sen. Capehart (R-Ind), chairman of the Senate Banking Committee which is conducting the housing investigation, asked Weber: "Do you feel that you were promoted in this by the FHA?"

Weber replied: "There is no question about that. Frankly, I wish we had never seen them. We acted in good faith. Our hands were tied."

Earlier, Sen. Maybank (D-SC), senior Democrat on the committee, said FHA officials should act at once to "cut back on windfall profits and reduce the inflated rents of tenants who are paying for them."

"Everybody's made money in those housing project deals except the tenant," he said. "He's the guy who's been paying for it."

Newsmen Scheduled To Question Yarborough

AUSTIN (AP)—Four Texas newspaper men will question Ralph Yarborough about the gubernatorial campaign during a half-hour statewide television program at 6:30 tonight.

Yarborough's headquarters said the program will have questions asked by Clyde Johnson, the Corsicana Sun; Harry Blanding, editor, the Temple Telegram; Lyman Jones, the Austin American-Statesman; and Penn Jones, editor, the Midlothian Mirror.

Knowland Pledges Continuous Meet

WASHINGTON (AP)—Senate critics of the administration's atomic legislation fought on doggedly today though worn by an all-night session and beaten badly on a test vote which upheld President Eisenhower's order for a new private power plant in Arkansas.

Republican Leader Knowland (Calif) served notice he would keep the session—which began at 10 a.m. (EDT) yesterday— going right on into Sunday if necessary to pass the bill.

Knowland spoke of the long debate as a filibuster, but opponents denied they were trying to talk the measure to death.

They were plainly out, however, to dramatize the issue and build it up to importance in the election campaigns. Sen. Gore (D-Tenn) told newsmen he would stump the nation to call "the people's attention to the capture of the Eisenhower administration by the private power trust."

At 10 a.m. (EDT)—the 24-hour mark of the session—Sen. Morse (Ind-Ore) was in the midst of a speech he had begun at 5:10 a.m. Fewer than half a dozen senators were in their seats and one of the Senate's two women members, Sen. Bowring (R-Neb), was presiding.

Many senators had remained close by through the night, however, napping on cots set up in cloakrooms or on couches in their offices. And through the night, there were always a few spectators in the public galleries.

The big test vote, taken before midnight, defeated 55-36 an attempt to block Eisenhower's order for a new private power plant in Arkansas. A second vote, 56-35, then clinched it by giving affirmative approval for the plan.

There seemed scant prospect of any final vote before late in the day at the earliest. Sens. Gore and Hill (D-Ala) were definitely set to follow Morse with speeches. Others were expected also to want the floor.

Morse started with a 41-page prepared address which took him about three hours. When he finished with that, he referred to it as the "first part of this speech."

He was next going to "turn for a few hours," he said, to a provision of the bill which would specify the chairman is the "official spokesman" for the Atomic Energy Commission.

Administration supporters have said such a designation was needed for administrative purposes and did not mean the chairman, at present Lewis L. Strauss, would be granted undue powers.

This longest Senate session of the year, coming on top of other overtime meetings during the past week, frayed tempers. There were several sharp exchanges.

But Republican Leader Knowland of California called for an around-the-clock schedule, until the bill is passed, to break what he termed a filibuster against the Eisenhower legislative program. He is aiming for adjournment of Congress a week from Saturday.

What had been the main talking point on the bill to revise the Atomic Energy Act was disposed of last night, before the session had run more than 12 hours.

The Senate voted down 55-36 an amendment by Sen. Anderson (D-NM) which would have forbade the Atomic Energy Commission to contract for electric power unless it was to be used directly in AEC plants. This would have had the effect of blocking Eisenhower's directive to the AEC to enter into a contract with a private power combine for power to be delivered in the Memphis, Tenn., area over lines of the Tennessee Valley Authority.

This private power would replace energy TVA is supplying to the AEC's plant at Paducah, Ky. The private plant would replace a proposed TVA steam plant for which Congress thus far has refused to provide funds.

Lavenia Data Is Essential, Says Mundt

WASHINGTON (AP) — Sen. Mundt (R-SD) said today the Senate Investigations subcommittee is "trying for an elemental factor in American justice" in seeking an explanation for the denial of security clearance to Thomas W. Lavenia.

The Defense Department has refused to clear Lavenia, office manager and assistant counsel to the subcommittee, to handle secret documents. It has declined to say why on grounds that to do so would require disclosure of confidential information.

"Somebody's got to say this boy is guilty of something," Mundt said in an interview. He is ranking Republican member of the subcommittee headed by Sen. McCarthy (R-Wis).

McCarthy accused the Defense Department last night of having "improperly maligned" Lavenia. He made public letters demanding that representatives of the Defense and Justice Departments appear at a closed session tomorrow to explain the denial of clearance.

McCarthy said he had written Secretary of Defense Wilson:

"The department's refusal to supply us information in this case leaves a cloud upon both the department and Mr. Lavenia . . . To hide behind a technicality that the information is of a 'confidential nature' helps neither Mr. Lavenia nor your department in what appears to be much more than merely an unfortunate situation."

The New York Times reported in a Washington dispatch, meanwhile, that administration and congressional sources said they expected the "early resignation" of John G. Adams as counselor of the Army.

Heat Wave Continues Over Most Of State

By The Associated Press

Texas' deadly heat wave continued Thursday with its high temperatures cut some by cooling gulf breezes.

Dallas, where three of the states eight fatalities have occurred, burned into its 18th consecutive day of 100-degree temperatures. Four persons have died in Fort Worth and one in Denton.

At dawn skies were clear except for slight cloudiness in an area bounded by San Antonio, Palacios, Victoria, Alice and Del Rio. Temperatures ranged from a cool 64 at Marfa to 83 at Galveston and 81 at Dallas.

Wednesday's temperatures ranged from 109 at Presidio to a low maximum of 88 at Corpus Christi. The only rain was .02 of an inch at El Paso.

Usual Weather Fare

Snyder had its usual fare of clear, hot weather yesterday. The temperature was the usual 100 degrees, too, for the sixth day in a row. A low of 77 degrees was recorded before dawn today, with 99 degrees at 7:30 a.m., Mrs. D. P. Strayhorn, weather observer, said.

WEATHER

NORTH CENTRAL TEXAS: Generally fair and hot through tonight, Friday, partly cloudy with widely scattered thunderstorms and cooler in northwest in afternoon.

WEST TEXAS: Partly cloudy and warm with widely scattered thundershowers through Friday, except scattered thunderstorms and cooler in Panhandle tonight and in Panhandle and South Plains Friday.

EAST AND SOUTH CENTRAL TEXAS: Clear to partly cloudy and warm through Friday. Widely scattered thundershowers in northwest Friday. Fresh to locally strong southerly winds on the coast.

Final Approval Is Predicted For Huge Tax Overhaul Bill

By CHARLES F. BARRETT

WASHINGTON (AP) — Republican leaders today predicted final congressional approval, possibly next week, for the biggest tax overhaul program in 75 years.

A House-Senate conference committee late yesterday agreed on a compromise version of the big bill to cut taxes next year for millions of individuals and many business firms a total of about $1,363,000,000.

President Eisenhower has hailed the plan as the cornerstone of his entire domestic program, predicting it would encourage business growth, remove scores of inequities and lead to more and better jobs.

But Sen. Douglas (D-Ill) served notice today he would renew, when the measure returns to the Senate for final action, a running fight many Democrats have waged against one provision in the bill—a cut in income taxes on dividends received by corporation stockholders.

On this politically touchy issue, the conference committee agreed to permit taxpayers to deduct their first $50 of dividend income. In addition, they could subtract 4 per cent of their remaining dividends directly from the tax bill they otherwise would pay. A man with $10,000 income from dividends could get a tax cut of slightly more than $400.

This was a compromise between a more liberal House plan which would have allowed a deduction of $100 and a tax credit of 10 per cent on dividend income; and a more restricted Senate provision which would have permitted only the $50 exclusion. The compromise version is expected to cost the Treasury about 204 million dollars the first year and 363 millions annually when it takes full effect.

The bill, running almost 1,000 pages, revamps almost every tax law on the books, at least technically. However it does not change major rates.

It permits scores of new or bigger deductions for medical expenses, depreciation, retirement income, child-care expenses, dependents who make more than $600, sick benefits, soil conservation outlays, and other items.

Both Senate and House Republican leaders foresaw easy approval next week.

Mendes-France Is Back For Report

PARIS (AP) — Smiling and looking relaxed, Premier Pierre Mendes-France returned home from Geneva today to present to the French Assembly the Indochina cease-fire he promised a month ago to win from the Communists.

His DC3 military plane touched down at Le Coubley Airport and a few minutes later Mendes-France stepped out jauntily to greet about 150 persons, including members of his cabinet, his family and a corps of newsmen and photographers crowded about the ramp.

The Premier first kissed his attractive wife, then moved on to greet other members of his family and Finance Minister Edgar Faure acting Premier during his weeks of bargaining with the Communists in Geneva.

Mendes-France made no statement before pushing through the crowd to his car and heading for a Cabinet meeting.

The group about the plane had secluded, politely as he stepped down but there was no other demonstration.

Leaving Geneva earlier today, Mendes-France said he believed the results of the conference were "worth the efforts we had made."

"I have read," he said, "that yesterday was the first day of total peace in the world in many years."

Addressing himself to "the men and women of the United States, whose love of peace is well known to my country," Mendes-France voiced the hope that "the world is now entering a phase where the efforts of all governments will be more devoted every day to the reinforcement of this new and fragile peace and to the progress of mankind."

After he delivers his report on Indochina to the Assembly, Mendes-France must start the push for the rest of the three-point "Save France" program on which he won office.

Three Die In Fiery Crash

PITTSBURG, Tex. (AP)—Railroad workers were repairing today damage caused by the fiery collision of a freight train and gasoline truck in which three men were killed.

The victims were caught in the cab of the diesel engine and burned to death before they could jump.

Killed were engineer Joe Cain, 35, of Hughes Springs, fireman Billy Smith, 30, of Greenville, and O. W. Phillips, 30, of Hughes Springs, the head brakeman.

The truck driver, E. J. Hewitt of Houston, jumped after the collision and had only minor injuries. The truck was from the Ora Deer Oil Co. of Houston.

The Louisiana & Arkansas train was leaving Pittsburg to Daingerfield. The engine, tender and two coal gondolas were wrecked.

The three crewmen were burned beyond recognition. The fire continued for more than two hours after the 1:15 p.m. accident.

Girls Join In Suicide Pact; One Is Dead

NEW YORK (AP)—The family of 19-year-old Helene Jacobs kept a vigil today as the shapely brunette remained unconscious following a mystery suicide pact with another girl.

Her companion, Madeline Jean Sommer, also 19 and a beautiful blonde, was found dead yesterday in the East Side art gallery-apartment where the girls turned on gas after a night of wine drinking.

Both girls, clad only in scanty night clothes, left farewell notes.

Miss Jacobs still groaned when the building superintendent broke into the apartment. She was taken to Roosevelt Hospital where her condition appeared improving.

Her parents, Mr. and Mrs. Joseph Jacobs of Chicago; and an uncle, Philip Goodman, flew to New York late in the day after police notified them.

As Mrs. Jacobs, her eyes brimmed with tears, stepped off the plane, her first words were "is she dead?"

Meanwhile, police had questioned relatives of the dead girl, who had been missing for a week from her Bergenfield, N.J. home.

Two days ago the missing persons bureau here had been alerted to look for Madeline, who was described as having had "suicidal tendencies."

Mrs. Irene Sommer, her widowed mother; Miss Judy Sommer, a sister, and another relative, Frank J. Vagish, of Scarsdale, N.Y., were questioned by police.

Madeline did not explain why she wanted to kill herself. All she left was a terse note asking that her mother be notified.

Helene, however, left a lengthy letter, which said in part:

"Today I die. Not as casually as I should, but then I've always been spasmodically violent anyway. I died simply enough because I haven't enough life within me to nourish myself through long, long years. Be as kind to yourselves as you have ever been to me and be as kind to yourselves as I have been cruel. Love Mark and listen to him."

Mrs. Jacobs, who was given the note, explained tearfully that "Mark" was the girl's brother, who was in Chicago and "all right."

Helene had been attending summer classes at Columbia University. The combination art gallery apartment on East 6th Street off 5th Avenue was lent to her for the summer by the management of the Rose Fried Gallery. Miss Rose Fried, who operates it, now is vacationing in Europe. She is a friend of the Jacobs family.

Miss Jacobs' father is a prominent Chicago labor lawyer.

Two Persons Plead Guilty

Two persons pleaded guilty yesterday afternoon and this morning to misdemeanor charges in county court, and another person paid the remainder he owed on a fine previously assessed.

Joe Barrera, about 21, Snyder Latin-American, pleaded guilty this morning to a charge of swindling by worthless check and redeemed the $15.90 check given to Ygnacio Benitez.

Barrera was assessed $10 fine plus $23.50 court cost, neither of which had been paid by noon. The charge was filed July 6.

Hubert Ritchie of Lamesa, formerly of Abilene, paid $45.50 yesterday afternoon on an assessment total of $123.50. He was allowed credit for time served in jail in lieu of $78 of the fine. He pleaded guilty when the charge of driving while intoxicated was filed against him June 28.

Amos Bohannon of Midland paid a fine of $5 plus court cost of $33.50, including $10 mileage expense to the sheriff's department, on a charge of swindling by worthless check.

The fine for Bohannon was paid through a Snyder attorney, Pat Beene, at the request of Bohannon when Howard Gibbons, deputy sheriff, arrived at Midland to take custody of the defendant and return him here. The worthless check was given R. E. Patterson, druggist.

OIL

Continued from Page 1

366 feet yesterday, recovering 8,300 feet of oil in the drillpipe. A packer has been set at 8,300 feet.

Woodson Oil No. 3 Marley is at total depth of 7,952 feet and preparing to run tubing.

Bright & Schiff No. 1 Clawson is at total depth of 5,252 feet and fishing. Mayfield No. 2 Jordan is waiting for cement to cure on nine and five - eighth - inch casing cemented at 2,315 feet in lime.

Sunray Oil No. 1 Criswell is drilling in sand and shale below 5,660 feet. Progress Petroleum No. 1 Whatley in North-Central Scurry County is drilling below 6,140 feet in lime and shale.

DRILLING REPORT

Hanley Co. No. 1-A Beal, Borden exploration, is shut in and preparing to install flow lines. Hanley No. 1-B Beal is continuing to test. It reported a flow of 42 barrels of oil in two hours through a one-inch choke. The choke was cut back to one-half-inch and the project flowed 34 barrels of oil in two hours. Later, on a 24-64th-inch choke, the project flowed 56 barrels of oil in six hours.

Superior Oil No. 2-2 Reed in Northwest Kent County has perforated casing from 6,118-126 feet and is preparing to run tubing.

Seaboard Oil No. 1 Vaughn, indicated Pennsylvanian discovery in Southeast Dawson County, is trying for a drillstem test from 8,139-192 feet in the reef lime. Two previous tries were unsuccessful when the packer slipped.

In South Dawson County, Magnolia No. 1 Foster is attempting to regain circulation.

Honolulu Oil No. 1 Printz, Garza exploration, is coring below 3,803 feet. It cored from 3,750-781 feet, recovering 31 feet of dolomite with a slight show of oil. A three-hour drillstem test from 3,750-781 feet recovered 15 feet of drilling mud with no shows and no pressures.

Union Oil No. 2-74 Young in Nolan County is continuing tests. General Crude No. 1 Porter is drilling in lime below 4,580 feet.

More Tickets Sold For C of C Barbecue

About 72 tickets have been sold for the annual Chamber of Commerce membership barbecue.

The event will be held next Thursday night at Towle Memorial Park with R. E. (Prof.) Jackson as main speaker. Jackson, retired professor at Texas State College for Women, Denton, now devotes most of his time to humorous speaking. Entertainment, which will be furnished by Webb Air Force Base, Big Spring, will be made up of a state champion baton twirler from Massachusetts, a baritone, and a comedian.

Tickets, which cost $1.50 each, are available at the chamber office.

Lambert Will Head United Defense Fund

Hilton Lambert, now district American Legion commander, has been named chairman of this district of the Texas United Defense Fund.

The state-wide United Service Organization campaign is aiming at a goal of $775,000 this year. This district includes Scurry, Kent, Stonewall, and Fisher Counties.

J. M. Willson, Sr., of Floydada, regional chairman of the campaign, appealed for donations to the fund.

McCormick Is Named Director Of WTCC

Claude E. McCormick, local oil and gas dealer, was named this morning Snyder director of the West Texas Chamber of Commerce.

A committee made up of Lyle Deffebach, C. N. von Roeder, Herbert Feather, and H. W. Cargile chose McCormick for the position.

Two Firms Decrease Processing Of Crude

HOUSTON (AP)—Cuts in crude oil processing totaling 36,000 barrels per day were announced yesterday by two major oil companies here.

Gulf Oil Corp. ordered a 30,000 barrel per day cut through July and August.

Humble Oil added a 6,000 barrel per day cut to a 24,000 barrel cutback ordered earlier in the year.

Gulf officials spoke of oversupply in the industry.

Man Claiming To Be Slayer Is Questioned

SHREVEPORT, La. (AP)—Detective Capt. Wayne Bateman said last night a man who identified himself as the "Phantom Killer of Texarkana, Ark," surrendered to police because his conscience "was bothering" him.

Bateman identified the man as Robert Martin Chandler, 36, of Stamps, Ark.

The man's arms, Bateman said, were scarred from the finger tips to the shoulders. Chandler told officers he had punished himself for the crimes by burning his arms with cigarettes, Bateman explained.

Bateman said the crimes which Chandler said he committed involved the brutal beating of one couple, and the killing of five other persons. Another person, shot after her husband had been killed, recovered.

For weeks after a second double slaying in 1946, Texarkana blacked out and called a voluntary curfew which kept everyone off the streets at night.

Police Chief Max Tackett of Texarkana, Tex., who questioned Chandler, said the man's statements could be "nothing more than those of a crank, but we can't take any chances."

No charges were filed.

Texas Rangers have been working on the case continuously.

Miller County, Ark., Deputy Sheriff Tillman Johnson left Texarkana as soon as they were informed of the man's "confession."

Bateman said the suspect was a "weird-looking" giant weighing about 225 pounds and more than six feet tall.

BIRTHS

Mr. and Mrs. J. H. Rollins, Jr., Snyder, route 1, are parents of a baby girl born at 9:30 o'clock last night in Cogdell Memorial Hospital. The baby weighed seven pounds, eight and one-half ounces.

Big Boys Pushing Up Earning Reports

By SAM DAWSON

NEW YORK (AP) — Record earnings by some corporate giants are more than offsetting the more sober plight of half of the nation's business firms.

Early birds reporting on their second-quarter net income after taxes show today that more than half are running behind their 1953 figures. And 6 of the 349 to report so far operated in the red in the last three months — while only one did a year earlier.

But so rosy are the reports of some of the big boys that lumping the earnings of the 349 you get a net income total 7.34 per cent higher than the same companies chalked up in the April, May and June period of 1953 — a period which for the nation's business generally saw an earnings peak until that time.

Of the 349, there were 234 with rosier statements this year and 26 who did better the year before.

Good gains in profits this year are reported by Du Pont and General Electric, although each had lower volume than a year ago. The end of the excess profits tax gets a large share of the credit.

Operating costs too are down for a number of firms—reflecting the use of new and more efficient equipment, and management economies.

Continental Can and Container Corp. also shows good earnings increases. Others on the plus side include cement companies, utilities, food processors and building material firms.

The majority of banks whose earnings statements are now available also show earnings gains this year.

But six companies report their operations in red ink for the three months just ended. Five of them are in the depressed textile industry and one makes railroad equipment.

Considerable decline in profits from a year ago are reported by some companies making steel, brass and machinery. Slight drops in earnings are reported by others in the aluminum, business machine, rayon, air piping business, as well as some other steel concerns.

None need be taken as typical of its industry. This appears to be a year of wide divergence between industries and between company results within industries.

Financier Dies In Galvestion

GALVESTON (AP)—W. L. Moody Jr., 89, president of the Galveston News and Tribune and head of the $400 million dollar House of Moody Enterprises died yesterday.

Moody died of pneumonia after appearing in good health the day before at his office.

Funeral arrangements were awaiting arrival from Europe of a daughter-in-law and other relatives.

Moody conducted his vast operations until he became ill and was taken to John Sealy Hospital here where he died. He was in charge of newspaper, cotton, hotel and insurance enterprises, all on a large scale.

The American National Insurance Co., largest of his interests, has 2¼ billion dollars of insurance in force with assets of 365 million dollars. It is among the 20 largest insurance firms in the nation.

Runaway Crane Runs Down Street In City

TULSA, Okla. (AP)—A 20-ton crane rolled madly down 15th Street for seven blocks yesterday before it smashed into a car and then backed to a stop four feet inside of a drugstore.

The crane's operator, E. J. McKenzie, stayed with his vehicle. He said the brakes failed. He passed about 20 cars.

He maneuvered through traffic but couldn't avoid hitting a car owned by M. L. Stirling, who suffered a concussion and bruises.

The automobile was demolished.

Moscow Gets Abbreviated Guide Book

MOSCOW (AP) — They've issued the first guide book to Moscow since the war, but you do not find in it a lot of information you usually look for in a guide book.

For instance, it doesn't give the population of Moscow. Perhaps the guide book publishers don't know it.

Nor are there any maps—even of the subway system, although this is described extensively in word and picture. Russian publications do not frequently publish maps — of the Soviet Union.

The [illegible] hard-cover book is printed by a branch of the state publishing trust.

The guide book contains numerous pictures of museums, hospitals, parks, beaches and some skyscrapers, and also of the Kremlin.

There are no pictures of factories.

The Kremlin section is devoted chiefly to historical data.

As for population, best guesses are that prewar Moscow of four million has grown to some six millions.

The Russians classify the population of Moscow as a state secret. Maps of cities are also considered state secrets — classified documents for official use only. This is presumably why no map of Moscow is included in the guide book.

The reason the Soviet government took nearly 10 years to get around to publishing a new postwar guide book for Moscow apparently is that Soviet security authorities felt such guides might possibly be of use to the enemies of the U.S.S.R.

Only two years ago the Soviet government finally published a Moscow telephone directory.

New York's Problem Drivers Get 'Works'

NEW YORK (AP) — From now on, the city's problem drivers are going to get "the works" the scientific way.

Chief Magistrate John M. Murtagh said yesterday that all persistent traffic violators will be given a choice — six sessions of a night driving school and a sentence based on their performance there—or a heavy sentence on the spot.

Murtagh said the new school, scheduled to open Oct. 1, will give the drivers "everything," including psychiatric examinations, driving lessons and safety lectures.

The problem drivers, Murtagh explained, are "the ones who keep having accidents, who are chronic speeders, who keep running through red lights."

If the number of cricket chirps per minute is divided by four and added to 40, the resulting number will usually be the approximate temperature of the air in degrees, Fahrenheit.

Urge Mexicans To Come Back

WESLACO (AP)—Mexican wetbacks, deported from the Rio Grande Valley by the thousands each day, are being urged to come back to Texas as legal immigrants.

Governors of five Mexican states and Valley farmers joined in the appeal for legal workers today.

Some 2,425 illegal workers were sent by bus to El Paso yesterday for deportation to the interior of Mexico. Such shipments have gone on almost daily since the Border Patrol started rounding up the aliens last week.

Some 25,000 wetbacks returned voluntarily to Mexico when the roundup started.

President Eisenhower and Sen. Lyndon Johnson and Price Daniel of Texas took notice in Washington of the wetback problem.

The president said he hoped Congress will approve measures to help stop the wetback flow into this country.

Johnson and Daniel told the Rio Grande Valley Chamber of Commerce that a Senate Judiciary subcommittee would hold hearings soon on the situation.

In Midland, Rep. Ken Regan called the wetback buslift to El Paso "an inhumane solution to a difficult problem."

A noise of 150 decibles is enough to cause pain in a human ear.

Fish in the Columbia River are tested periodically for possible radioactivity which might be derived from the Hanford Atomic operation.

SOCIETY SCRIBBLINGS

Threefold Aims Are Basis For Sorority's Program

By JANE GILMORE

Snyder's chapter of Beta Sigma Phi is unique among local clubs.

Affiliated with an international organization, it combines some of the features of social clubs, study clubs and service organizations. Its ritual is secret.

The Lambda Kappa chapter of Beta Sigma Phi was organized in Snyder in the fall of 1950. Among members still active in the group, those attending the first meeting were Mrs. Ernest Donner, Mrs. Clois Henry, Mrs. Forrest Beavers, Mrs. Arel Faver and Mrs. Jack Sparks.

Locally, the chapter has worked with such civic projects as the March of Dimes and the Red Cross. The first summer after it was organized it won second place in the rodeo parade and last fall its float won third place in the Diamond Jubilee parade. The group also decorated a down-town store window as part of the anniversary celebration.

Much of the members' time and effort go to money-making projects for national programs. Beta Sigma Phi supports Girls Town and the cancer research fund. A state project is the Gonzales polio center.

During the past year the chapter collected clothing to be sent to Korea and donated money to buy two pairs of scales for Cogdell Memorial Hospital.

This spring the group sponsored a concert by the Hardin-Simmons String Musicians. In previous years, style shows were given, in which costumes from local stores were modeled.

An annual social event is the formal Founder's Day dinner, given on April 30. Another tradition is some kind of party at Christmas time, when husbands or friends are invited as guests.

Fall and spring rush weeks, when young women invited to join the sorority are honored, also involves a series of parties.

Study books, with suggested programs, are provided by the international headquarters. Courses emphasize study of the liberal arts, often as applied practically in the life of the modern young woman.

An award is given each year to the outstanding member. The award this spring went to Mrs. Carolyn Reon.

Officers who will be steering the chapter when its meetings begin in September are Mrs. Clois Henry, president; Miss Joann Lumpkin, vice president; Miss Elois McDow, recording secretary; Miss Sammie Marie Williams, corresponding secretary; and Miss Evelyn Levisay, treasurer.

Mumps hit the C. T. COUCH family, 2912 Avenue F, a hard blow recently. Both Mr. and Mrs. Couch took to their beds with swollen jaws. They took advantage of the recuperating period, however, to take a lazy fishing trip to Lake Whitney with daughter Donna.

Lorita Stirling Is Hostess For Meeting

Lorita Stirling was hostess for the Ira 4-H Club when it met Tuesday afternoon.

Mrs. J. C. Stirling gave a demonstration on two embroidery stitches, the French knot and the outline stitch. Barbara Martin showed the sewing of tucks and Peggy Brown demonstrated ball point paints. Eight club members, one adult leader and five visitors were present.

The club will meet next on August 13.

Sometimes you look for something new and different in the dessert line. Here's one that's easy, pretty to look at, and full of flavor.

First you take an Angel Food Cake. You could even buy one ready made, or you could use the old family recipe. This particular Orange Angel Sundae recipe suggests you use a cake mix. Bake the cake in two loaf pans. Top with vanilla ice cream and put on a rich orange Almond Sauce for a mouth watering treat.

ORANGE ANGEL SUNDAE

1 package angel food mix
1 cup light cane syrup
½ teaspoon grated orange rind
1/3 cup butter
½ cup slivered toasted almonds

Prepare angel food mix as directed on package. Pour batter into two ungreased 9 by 5 by 3 inch loaf pans. Bake in moderate oven (350 degrees) 30 to 35 minutes, or until cake springs back when pressed gently in center with finger.

Cool cakes by turning pans upside down at once, resting corners on edges of other pans, if necessary. Let stand until cold — one to two hours.

Combine syrup, rind and butter in saucepan and boil two to three minutes, stirring constantly. Add almonds.

Cut cake in generous slices. Top each with a ball of ice cream and serve with the warm sauce.

INTERNATIONAL DESIGNERS PATTERN

S-228

by Nancy Layton

Nancy Layton is a stylist who selects and adapts the most outstanding models from all the great houses in Europe for her chic American clientele who depend on her eye and her taste to make for them the clothes they love to wear. This dress is a two-piece model, cleverly camouflaged to look like one piece, but the back of the blouse tucks into the skirt, and the front buttons on to the outside of the skirt, an arrangement that makes for easy fitting as do the released folds in the back of the bodice. The skirt's side seams are pushed around to the back, giving an even more slender look at the sides. The original was in a menswear suiting with a foulard silk for the sleeve trim and scarf. The pattern is cut in Designer sizes, 12 to 20. Give bust, waist and hip measurements when ordering. Size 12 requires 4½ yards of 36-inch material for dress and ⅞ yard of 39-inch material for contrast. To order Pattern No. S-228, address International Designer's Patterns, P.O. Box 993, Sept. SX-13, G.P.O., New York 1, N.Y. Send $1.00. Add four cents for handling, if paid by check or money order. Air mail handling twenty-five cents extra.

14 Solons In State To Face Opposition

By The Associated Press

Election day contests face candidates for Congress in 14 of Texas' 21 districts.

U.S. Sen. Lyncon B. Johnson, Texas senior senator, also has opposition in the Democratic primary Saturday.

But seven congressmen—counting Congressman-at-Large Martin Dies of Lufkin—have no opponents.

In three of the 14 contested districts, the incumbents are retiring, so those races are among candidates seeking vacated jobs.

Heading the list of representatives seeking reelection is Rep. Sam Rayburn, 72, of Bonham, former Speaker of the House. Opposing Rayburn in his bid for his 22nd term as 4th District Representative is A. G. McRae, Bonham businessman.

Johnson is opposed for the Democratic nomination by State Rep. Dudley T. Dougherty, 30, Beeville rancher and oilman. Dougherty has done the campaigning, criticizing Johnson's policies, both foreign and domestic. Johnson has stayed in Washington most of the time, saying that's where he belongs when Congress is in session. The winner of their race will be opposed in the general election by Carlos Watson of Brownsville, an old-time conservative Republican who was a leader of the Texas forces unsuccessfully backing the late Sen. Robert Taft of Ohio for the presidential nomination. Watson supported Eisenhower after he was nominated.

Texas' only other statewide congressman who is up for reelection — Congressman-at-large Martin Dies of Lufkin—has no opposition.

Other unopposed Congressmen include Olin E. Teague of College Station, 6th District; Homer Thornberry of Austin, 10th District; W. R. Poage of Waco, 11th District; Frank Ikard of Wichita Falls, 13th District; Omar Burleson of Anson, 17th District; George Mahon of Lubbock and Colorado City, 19th District, and Paul Kilday of San Antonio, 20th District.

Rep. Albert Thomas of Houston has no Democratic opposition in the primary. He will be opposed in the general election by one of two Republicans up for the 8th District nomination. They are Jerry McAfee, Houston manufacturer, and William B. Butler, Houston Lawyer.

In the 1st Congressional District, 11 counties in extreme northeast Texas, Wright Patman of Texarkana is running for reelection. Patman, who has spent 26 years in Congress, has two opponents, Kenneth Simmons, 34, who resigned as mayor of Avinger to make the race, and Douglas E. Wright, Norris County farmer who once was a member of the Legislature.

Incumbent Jack B. Brooks, 31, a Beaumont lawyer, is seeking election to his second term as representative of the 2nd Congressional District. His only opponent is Jack Neil, 51, Beaumont radio station operator who ran third in a field of nine candidates when Brooks was elected two years ago.

Eight East Texas counties make up the 3rd Congressional District, which has seen one of the hardest fights. The incumbent is Brady Gentry, 58, of Tyler, bidding for his second term. Opposing him is former Congressman Lindley Beckworth, 40, who served from 1938 to 1952. Two years ago he gave up the post and made an unsuccessful race for the U.S. Senate against Price Daniel. Gentry is a conservative. Beckworth supported both the New Deal and Fair Deal programs.

The 5th Congressional District, Dallas County, has been the scene of another hotly contested race. Rep. J. Frank Wilson of Dallas is retiring this year. Five Democrats and one Republican want his job. The unopposed GOP candidate in the primary is Bruce Alger, 35, Dallas real estate man. The five Democratic candidates are Wallace Savage, 41, former Democratic state chairman; Dick Connally, 39, a nephew of former Sen. Tom Connally; Leslie Jackson, 57, an attorney, Leslie Hackler, 34, and Lamar Holley, 34, of Dallas, also attorneys.

John Dowdy, 42, of Athens is seeking his second term in the 7th Congressional District in East Texas. Dowdy, who won over five opponents two years ago, is opposed again this year by one of them, W. J. Robison, Frankston farmer.

In the 9th Congressional District's 45 counties stretching along the middle of the Texas coast, Rep. Clark W. Thompson is up for his seventh term. Trying to bounce him from the job is Clyde B. Kennelly, 37, former Rosenberg county attorney and former assistant state attorney general. Kennelly has conducted an extensive, person-to-person campaign. Thompson has based his campaign largely on seniority and experience and the fact he has known President Eisenhower since 1933.

Wingate Lucas, 46 - year - old Grapevine lawyer, is after his 4th term as representative of the 12th district. Lucas is a former assistant district attorney, assistant Tarrant County district attorney and special assistant to the U.S. Attorney General in the Department of Justice criminal section. Opposing him is Mayor Jim Wright of Weatherford.

There'll be a new congressman elected in the 14th District, made up of 19 counties in South Texas. Rep. John Lyle of Corpus Christi is stepping down. Four Democrats are running for nomination. They are State Sen. William B. Shireman, 46, of Corpus Christi; Roy A. Scott, 53, Corpus Christi attorney; State Sen. John J. Bell, 47, of Cuero, and State Rep. Gabe Garrett, 64, of Corpus Christi. In addition there is a Republican on the GOP primary ballot, Dewitt C. Dewitt of Yorktown, oilman and engineer.

Lloyd M. Bentsen Jr. of McAllen is not seeking reelection as the 15th Congressional District congressman for the 13 counties along the lower Rio Grande. Joseph M. Kilgore, 35, McAllen attorney, and Hubert R. Hudson, 26, Brownsville civic leader, are the candidates to replace him. Both have stressed water and defense problems in their campaigns.

The 16th District—made up of 19 counties from Midland west to El Paso—has a race between incumbent Ken Regan of Midland and State Sen. J. T. Rutherford of Odessa, 34. Regan, who won the office in a special election in 1947, is known as a conservative. Rutherford, an ex-marine, has campaigned for the veteran's vote and has concentrated on the El Paso area, where the district's biggest population is concentrated.

Rep. Walter Rogers of Pampa is running for a second term in the 18th, or Panhandle, District. He has two Democratic opponents, George W. Crawford of Channing and Michael Kemp of Cactus. The Republicans also have a primary candidate, Leroy (Pete) LaMaster, 35-year-old Perryton wheat farmer. LaMaster has run before, as a Democrat. Panhandle Republicans believe he has a good chance to defeat the Democratic nominee in the general election.

The 21st Congressional District, 27 counties sprawling in central West Texas, has a race between Rep. O. C. Fisher of San Angelo and Tom Connally of San Saba. Fisher has been the district's congressman since 1942.

DELICIOUS BLUEBERRY PIE IS ALWAYS GOOD
. . . prettiest garnished with berries

Tasty Fresh Fruit Pies Will Add Colorful Note To Menu

A galaxy of color brightens the grocery stores in the summer as fresh fruits and berries pour into market. Even though some are now somewhat of a luxury item, it is hard to resist the temptation to bring home baskets of these luscious fruits.

If extensive pie baking is included in the plans for this fruit, time and effort may be saved by mixing up enough dry ingredients for several pie crusts and sugar and thickening ahead of time and keeping it on hand. Then, if the family likes warm pie for dinner, it is a simple matter of adding the other ingredients and popping into the oven an hour or so before meal time.

Here is a recipe for pie filling mix which is good for fresh peach, blueberry and plum pies. It makes enough for four pies.

PIE FILLING MIX

12 tablespoons quick-cooking tapioca
2 cups granulated sugar
2 cups firmly packed brown sugar
1 teaspoon salt
½ teaspoon cinnamon

Combine all ingredients, mixing well. Place in covered container and store at room temperature. Makes enough for four nine-inch pies.

PASTRY MIX

9 cups sifted all-purpose flour
4 teaspoons salt
3 cups shortening

Sift flour once, measure and add salt. Cut in about three-fourths of the shortening very thoroughly, using light strokes of pastry blender. Mixture should first become fluffy and fine like meal, then start to clump together. Add remaining shortening in several pieces and chop in lightly just until divided into pieces the size of large peas. Place in covered container and store at room temperature. Makes enough for four two-crust pies, or 8 pie shells, or 4 dozen tart shells.

FRESH FRUIT PIES

4 cups fresh peaches or blueberries, or 3 cups fresh plums
1½ cups filling mix
1 to 2 tablespoons lemon juice (may be omitted from plum pie)
1 tablespoon butter
3 cups pastry mix
5 tablespoons cold water

Measure pastry mix into a bowl. Sprinkle in about five tablespoons cold water, a small amount at a time, and mix lightly with pastry blender or fork. When all particles are moistened, press pastry into a ball, cover with a damp cloth and let stand a few minutes.

Meanwhile, combine peaches, blueberries or plums, pie filling mix and lemon juice in a bowl. Roll half the pastry one-eighth inch thick. Line a nine inch pie pan and trim pastry at edge of rim. The top crust should also be one-eighth inch thick and may be cut into strips to make a lattice pie, or may be a plain solid crust. This can be dressed up as fancy as you choose with the slits letting out the steam made fancy or simple for a decorative touch. For a blueberry pie, sometimes called huckleberry, a few choice berries and a sprig of green leaves atop the crust enhance its beauty.

To seal, press top and bottom crusts together on rim. Then fold edge of top crust under bottom crust, and flute. Bake in hot oven (425 degrees F.) 55 minutes, or until syrup boils with heavy bubbles that do not burst.

No collection of fruit pie recipes is complete without a cherry pie recipe and here is one topped with a currant jelly glaze.

GLAZED CHERRY PIE

Pastry for nine inch pie
2/3 cup nuts
4 cups sour red cherries
1 cup sugar
⅛ teaspoon salt
4 tablespoons flour
1 tablespoon lemon juice
2 tablespoons butter or margarine
¾ cup of red curant jelly
Dash of cloves
Dash of cinnamon

Start your oven at 450 degrees and sprinkle a layer of finely chopped nuts over the bottom pastry. The nuts add flavor and prevent sogginess.

Now mix the pitted cherries with the sugar, salt, flour, lemon juice and spoon into the unbaked crust. Dot with butter or margarine and bake 10 minutes. Then reduce oven heat to 350 degrees F. or moderate and continue baking 30 minutes longer.

When pie is cool, sparkle it up with the glaze: Melt currant jelly in a saucepan, add cloves and cinnamon, then spoon over the cherries.

Fresh pineapple is one of the cheaper fruits this summer and is exceptionally good quality. Not as common as pineapple upside down cake but equally as good is this creamy fresh pineapple fruit pie.

PINEAPPLE PIE

1 fresh pineapple
¼ cup sugar
2 tablespoons lemon juice
½ cup sugar
3 tablespoons flour
⅛ teaspoon salt
½ cup pineapple juice
2 eggs, well beaten
2/3 cup milk
3 tablespoons butter
1 8-inch baked pie shell
½ cup cream, whipped

Cut pineapple into ½ inch cubes. Reserve ½ cup juice. Mix pineapple and lemon juice and one-quarter cup sugar together. Place in a pan, cover and bring to boiling point. Lower heat and cook 15 minutes. Cool. Mix one-half cup sugar, flour, and salt together. Add pineapple juice, eggs, and milk and cook in double boiler, stirring frequently, until thick. Add butter and cool. Fold pineapple into custard and turn into pie shell. Top with whipped cream.

Those who like the tart flavor of rhubarb will like this rhubarb pie.

1 pound rhubarb, cut in 1¼ inch pieces
1½ cups sugar
3 tablespoons flour
1 egg, slightly beaten
1 teaspoon vanilla

Sift flour, measure. Combine rhubarb and remaining ingredients. Place filling in unbaked pie shell. Roll out remaining pastry and cut into five equal triangular shaped pieces. Place over filling with points toward the center. Bake in a hot oven (450 degrees F). for 10 minutes, reduce temperature (350 degrees F) for 30 minutes.

Clip this recipe for grape pie for later in the summer when the concord grapes are in the stores. A bunch of grapes cut from the pastry makes for an intriguing topping. Leaves can be cut with a knife or cookie cutter and grapes with a thimble. However, a plain top or a crisscross is equally suitable.

GRAPE PIE

4 cups concord grapes
2½ tablespoons tapioca
1 cup sugar
¼ teaspoon salt
Pastry for two-crust pie
1 tablespoon butter

Slip skins from grapes and set aside. Heat pulp in saucepan three to four minutes. Then rub through a sieve to remove seeds. Combine pulp, skins, tapioca, sugar and salt.

Line a nine inch pie pan with half of the pastry rolled ⅛ inch thick, fluting rim with fingers. To make grape design on top of pie, roll remaining pastry one-eighth inch thick. Then cut out two grape leaves with a cookie cutter or use a cardboard pattern. Use a thimble to cut out little circles of pastry for the grapes. Fill pie shell with tapioca mixture and dot with butter. Arrange pastry leaves and grapes on filling to resemble a bunch of grapes. Use a small oblong piece of pastry for the stem. Bake in hot oven (425F.) 45 minutes, or until syrup boils with heavy bubbles that do not burst.

Fresh or frozen fruit alike may be used in berry pies. A delectable French creme strawberry pie is simple to make. Thickened sweetened berries are spread over a layer of softened cream cheese. This recipe calls for strawberry preserves for part of the sugar need, resulting in a wonderful blend of fruit flavors.

FRENCH STRAWBERRY PIE

1 quart fresh strawberries
2 tablespoons sugar
½ cup sugar
3 tablespoons cornstarch
Dash of salt
1 tablespoon lemon juice
½ cup strawberry preserves
1 3-ounce package cream cheese
1 baked and cooled nine inch pastry shell
1/3 cup heavy cream, whipped

If fresh strawberries are used, wash, drain and hull. Save half of the choice berries and sprinkle with two tablespoons sugar. Crush the remaining berries and measure. Add enough water to measure 1½ cups berry liquid. Blend ½ cup sugar, cornstarch and salt together in a saucepan. Stir in berry liquid. Cook over low heat until clear and thickened, stirring constantly, about 10 minutes. Remove from heat. Stir in lemon juice and strawberry preserves or jam. Add a little red food coloring if you wish. Cool.

Meanwhile work cream cheese with a fork until soft. Spread carefully over the bottom of pastry shell. Arrange the choice strawberries in the cream cheese, points upward. Pour the cooled strawberry mixture over the berries in the pastry shell. Chill three to four hours, or until firm. Spoon whipped cream around inside of pie.

One 16-ounce package of frozen strawberries may be substituted for the fresh berries. Then omit the two tablespoons of sugar.

New Road Opened

ARCATA, Calif. (AP) — Instead of cutting a ribbon, they sawed a big redwood log in two to open the first portion of the 6¼-million-dollar Burns Freeway.

The log rested on two trucks, one of which drove north and the other south yesterday to open 2.9 miles of highway here in the redwood country.

Maryland Scene Is Disturbed By Panther

HAGERSTOWN, Md. (AP) — Residents of the hilly, wooded area between Hancock, Md., and Needmore, Pa., have been seeing strange sights and hearing weird noises lately.

Farmers living along Pennsylvania 76, which runs along Cove Ridge, say they have seen what looks to them like a panther.

There are also those who say they have heard the creature scream at night. They are wild screams, resembling the screech of an hysterical woman, it is said.

The animal is described as about seven feet long, with a long flowing tail. Some say it is of a brownish hue; others say gray.

There are even some who claim to have shot at the beast, but no one claims a hit.

New Picket Style

ST. LOUIS (AP)—A new style in picketing appeared here yesterday.

Instead of carrying the usual lettered cardboard sign, 14 discharged employes of the Cobak Manufacturing Co. walked around twirling yo-yos and bouncing rubber balls.

DIXIE ENTRANT NAMED MISS UNITED STATES

By JAMES BACON

LONG BEACH, Calif. (AP)—Miss South Carolina, a Dixie coed who is all woman, today is the new Miss U.S.A.

Miriam Stevenson, 21-year-old college senior from Winnsboro, S. C., won last night over 46 other entrants for the title which will pit her against 32 foreign beauties for the Miss Universe crown.

Miss Stevenson's first words to newspapermen after she won were: "I can't believe it."

Asked if she knew she would have to lose her southern accent now that she has won a movie contract with Universal-International Studio, she answered: "Sho nuff."

Of voluptuous build, the wholesome-looking winner has perfect measurements: 36-inch bust and hips and 24-inch waist. Her 120 pounds are well distributed over a 5-foot-6 frame.

She had come here without luggage except for an evening gown which she had designed herself and a bathing suit which contest officials gave her. That was all she needed.

Her luggage, lost on an airliner that brought her here last week hasn't caught up with her yet.

She scored heavily in the bathing suit and evening gown competitions but it was her naturalness and humor in the poise and personality talk that won her the judges' nod.

Contestants were asked to give a brief speech on "the most important thing in my life." Miss South Carolina brought down the house when she told the big crowd at Municipal Auditorium that the most important thing in "mah life was to get mah luggage back."

Runners-up in the contest were in this order: Miss Virginia, Ellen Whitehead, an 18-year-old Chatham, Va., brunette; Miss New York State, Karin Huitman, 22, of Rochester; Miss New York City, Renee Roy, 23-year-old actress, and Miss Texas, 20-year-old Betty Lee of Austin, one of the tallest girls in the contest.

Miss Virginia, who gave the winner stiff competition, took her loss cheerfully and said, "it went to the prettier girl."

Miss South Carolina is a senior at Lander College in Greenwood, S. C. She is a major in home economics and can cook and sew. She wants to get married but says she wants to take a crack at a movie contract.

She also wins a new convertible, plus a number of other prizes.

Tonight she and the foreign beauties will go through preliminaries of the Miss Universe contest. Judging will last late into the night, with the finals tomorrow night.

Stock Market Opens With Fast Trading

NEW YORK (AP)—The stock market opened higher today. Trading was fast.

General Motors was up ⅛. International Telephone up ⅛, Bethlehem Steel unchanged, American Telephone up ⅜, General Electric up ⅜, American Tobacco up ⅛. Radio up ⅛, U.S. Steel up ¼, and Cities Service 1,000 up 1.

Among losers were Boeing and Standard Oil (NJ), off ⅜.

Dry Land Ducks Won't Take To Deadly Water

DENTON, Ga. (AP) — A pair of ducks that can't swim are living evidence of the drouth in this area.

When they had reached the age of eight weeks without ever seeing a puddle big enough to paddle in, their owner, Eddie Williams, 6, decided it was high time they got a chance to do what's supposed to come naturally to all ducks.

He filled a tub with water, tossed them in and stood by to watch. And a good thing he did, too. Eddie barely saved them from drowning.

Now they apparently consider water a death-trap for dryland ducks and won't go near the dangerous stuff.

SNYDER ALL-STARS

The Pony League all-stars, who have already won out in a tourney which eliminated Lubbock, Colorado City, and Sweetwater from playoffs, will go into district finals here tonight against Midland, which was winner of a tournament eliminating Big Spring, Crane, and McCamey. The two teams will play a two-out-of-three series, starting at 8 o'clock each night. Shown here, left to right, are Mickey McGrew, Roe Lashaway, A. L. Minica, Gary Vice, Dick Hayes, and Gale Courtney. Second row, Eddie Hight, manager, Roger Hensley, Ronnie Baker, Jimmy Allen, Bud Morgan, and Jeston Corbell, coach. Not shown are James Patterson, Maxey Carey, Earl Burleson, George Williams, and Neil Boyd. (Lee Watson photograph)

West Texas Pony Title Is At Stake; Play Begins Tonight

The championship of the major portion of West Texas in Pony League baseball is at stake here for the next three nights as Snyder and Midland all-star teams go into a district playoff.

The playoff will be made up of a best two-out-of-three series, played tonight, tomorrow night, and possibly Saturday. Game time each night will be 8:15 o'clock, with play on the Pony field in Towle Park.

Both teams have had to defeat two other all-star nines to get this far in the playoffs. The Snyder squad downed Colorado City 17-1 and Lubbock 6-1. Lubbock had downed Sweetwater 12-2 in preliminaries. Midland won 9-8 in finals of the other half of this district over Big Spring, the same team a Snyder all-star tryout squad had downed 5-4 in a practice game. In preliminaries Midland shut out Crane 8-0 while Big Spring was beating McCamey.

Also being held this week are playoffs in another district west of here, and champions of that district and this will meet in a bi-district playoff next week, with time and site to be determined later. Members of that district are Roswell, Clovis, Tucumcari, Lovington, and Hobbs in New Mexico and Pampa, Plainview, and Childress in Texas. East of here, an Abilene team was to meet the winner of a Paris-Garland series in a district final round. Abilene had won out in a tourney including Brady, Mineral Wells, and another Abilene team for its half of the district and Paris had won by default over Mount Pleasant while Garland was downing Bonham. The winner of that district will also go into a bi-district round next week. The following week, on Aug. 5-7, bi-district winners from Texas, New Mexico, Arkansas, Louisiana, and Oklahoma will go to Abilene for the regional tourney, which will declare a champion to send to the Pony League world series.

The Midland team is led by pitcher Don Kidwell, winning hurler in the squad's two playoff games. During this season, Kidwell has pitched three two-hitters, one one-hitter, and four shutout wins. At the top of Snyder's pitching roster is Ronnie Baker, who was winner for Snyder in its two tourney games. Against Lubbock in the sub-district finals, Baker struck out 14 and walked none. Baker had a 5-4 pitching record for the regular season. In slightly more than 58 innings, he allowed 28 hits and 28 walks while striking out 95. Dick Hayes, another top hurler in the league, has a 4-0 record and has allowed 38 hits, walked 20, and fanned 54.

Other Snyder pitchers include Bud Morgan (3-1), James Patterson (2-4), Jimmy Allen (0-1), Earl Burleson, Mickey McGrew, and Gale Courtney.

A. L. Minica has the top season batting average of the all-stars with .375, while Baker runs second with .371 and Allen third with .352. Allen, McGrew, Roger Hensley, and Maxey Carey lead home run hitters with two each. Allen has hit the only grand slam of the season.

Short Lawson and Gus Steiner, both of Abilene, will be officials in the games. They officiated in the earlier playoffs here.

The teams, their times at bat and batting averages for two playoff games:

Snyder — Earl Burleson, 8-3, .375; Gary Vice, 10-1, .100; A. L. Minica, 8-3, .375; Roger Hensley, 2-0, .000; Jimmy Allen, 7-3, .428; Ronnie Baker, 7-2, .285; Mickey McGrew, 7-6, .857; Roe Lashaway, 4-1, .250; Gale Courtney, 2-0, .000; Maxey Carey, 4-3, .750; Dick Hayes, 2-0, .000; Neil Boyd, 6-2, .333; George Williams, 2-0, .000; James Patterson, and Bud Morgan.

Midland — Robert Williams, 8-2, .250; Fred Hedges, 4-1, .250; Sammy Rosson, 7-3, .428; Elton Howard, 6-4, .666; Charles Danley, 5-0 .000; Yippy Rankin, 7-0, .000; Bill Brown, 5-3, .600; Lankard Barr, 2-1, .500; Don Kidwell, 2-1, .500; Gary Sanford, 3-0, .000; Don Driver, 2-0, .000; Manuel Munoz, 1-0, .000; Kent Sloan, Clay Stringer, and George Jackson.

Shawnee Gets Beat By Owls

By The Associated Press

An odd thing happened in the Sooner State League Wednesday night—the Shawnee Hawks lost and saw their league lead pared to 15 games.

The Gainesville Owls, now in second place, did the upsetting by scoring a 5-4 victory in their home park. The Owls counted the winning run on a double by shortstop Dave Hanrahan after two were out in the ninth. Hanrahan's blow scored Pitcher Rick Marrs from first.

McAlester's Rockets blasted the Ardmore Cardinals, 8-2, to move up to within one percentage point of the third-place Lawton Braves, who dropped a doubleheader to the Seminole Oilers 8-1 and 5-1.

The Ada Herefords kept in the thick of the battle for the first division by whomping the Pauls Valley Raiders, 18-2, on the strength of a 10-run fourth inning featured by shortstop Ken Hinton's grandslam home run.

The teams continue the current series in the same parks Thursday night.

McCommas, Winston Lead Junior Meet

SAN ANTONIO (AP)—Little Hal McCommas of Dallas and medalist Hal Winston of Laredo led the field into the third round of the State Junior Golf Tourney today.

Match play at Brackenridge against Jack Little of Corpus Christi and Winston against Midland's Bill Green.

Others still in the championship flight ranks include Johnny Proctor of Midland.

Extra-hole matches were a feature of yesterday's play.

Mickey King of San Antonio and John Trimble of Orange turned in the longest card, 22 holes before King took a 1-up victory.

Little went 21 holes to beat Ronnie Honeycutt of Abilene and Proctor took 20 holes to beat Joe Carmack of San Antonio.

Yanks Lose Again; Now Tied For Top

It was a surprise when the American Legion Yankees got beat once in the Little League, but now they have been tied.

That happened when they got beat the second time. The Rotary Cardinals last night defeated the Yankees 6-1, the night after the Yanks had fallen to the Holder Indians 8-5. That is two losses in 18 games.

Now both the Yanks and Indians have one game to go, the Indians playing the Lions Cubs tonight and the Yanks taking on the Quarterback Giants tomorrow night. Also playing tonight are the Cards and Braves. Game time both tonight and tomorrow night is 6 o'clock, since Pony League playoffs are being held both nights.

The two teams, Yanks and Indians, could come up tied in this half's standings at the end of the schedule. That could mean a playoff between the two teams to see who ends this half in first place. If the Yanks take this half, they will be champion of the league by being winner of both halves. If they lose, they will be forced into a playoff with the leader of this half for championship.

The Yanks took the first lead in last night's game. After a scoreless first inning, three up and three down for each team, and a similar top of the second for the Cards, the Yanks got two singles, a walk, and a flyout to take them around for two runs. The Cards struck back in the next inning, however, with four walks and three singles for five runs. Three more singles were good for one Card run in the fifth.

Foy Dennis, Card hurler, struck out 11 in the game, and his fielders allowed only seven to get onto base in the game. Two got past second base. Dennis walked only three and allowed only four hits. Norman Gladson took his second loss of the season last night to make his record 11-2. He pitched two and one-third innings to strike out three, walk three, and allow two hits. He was relieved by Richard Samuelson, who finished the game to give up six hits, walk none, and strike out two.

Gardner, Price Are Honored At Game

FORT WORTH (AP)—Two former top officials of the Texas League, Alvin Gardner and Milton Price, will be guests of honor at the All-Star game here tomorrow night.

Texas League President John Reeves said so yesterday.

Both Gardner, former president, and Price, former vice president and secretary, resigned in January. League directors voted then to dedicate the All-Star game to them.

Brad Rowland Goes Back To Pro Football

ABILENE (AP)—Brad Rowland, who brought McMurry College its greatest football fame, is returning to the game—and he'll be making something of a "comeback."

Rowland leaves tomorrow for the training camp of the Chicago pro Bears.

Brad, twice Little All-America at McMurry in 1949 and 1950, is going back to pro football after two years of military service.

Rowland, a versatile back, played one season with the Bears. That was in 1951, his first year out of college. He was a defensive player in every game and at mid-season, with the Bear roster riddled with injuries, Brad became a double-duty performer and played offensive fight halfback too.

Last Inning Thrillers In Texas League

By JOE BENHAM
Associated Press Staff Writer

The last-inning rally had its bits of glory in the Texas League Wednesday night, as two of the loop's four games were decided in the final frame.

A home run by George Lerchen in the last of the 12th was the most spectacular contribution of the evening, giving Houston an 8-7 victory over Dallas.

The other thriller — San Antonio's three-run surge in the bottom of the ninth that beat Fort Worth 6-5.

Tulsa rapped Shreveport 6-1 and Beaumont beat Oklahoma City 5-4 in other Wednesday night contests.

At Houston, the Buffs came through with three one-run rallies to outlast the Eagles. Bob Boyd's single in the bottom of the ninth sent the game into extra innings and Ken Boyer's 11th frame home run erased a one-run Dallas lead taken in the top of the inning.

Dallas had taken the lead in the sixth with a five-run surge built around Willie Brown's grand slam home run.

Ralph Butler of Fort Worth had a six-hitter going with one out in the ninth when the roof fell in at San Antonio. The Missions came through with four singles good for three runs and the ball game, whacking the blows off Butler and two successors.

Al Epperly, San Antonio relief artist, got the decision.

Tulsa's Don Fracchia got the aid of two home runs and four double plays as he hurled the Oilers past the league-leading Sports. Although men were on base for Shreveport in every inning, none went past second until the eighth, when Ev Joyner crossed with the Sports' only run.

Joe Macko's solo homer in the fourth and Ted Tappe's three-run smash in the fifth gave Fracchia most of his support at the plate.

Mike Clark of Beaumont stiffened during the late innings to preserve a Shipper lead and get the decision over Oklahoma City. He gave up 11 hits, but held the Indians scoreless after the fifth.

The Shippers did all their scoring in the first four innings, Jack Hollis batting in three runs with a single and a home run.

Thursday's schedule gives Oklahoma City and Beaumont the night off. Otherwise the slate is the same.

Dogfights For Series Money

By BEN PHLEGAR
Associated Press

By now only five teams have serious ideas about reaching the World Series this fall but a whole hatful of others in both leagues are still scrapping to see who will help cut up the swag.

Players on the first four teams in each league share in the World Series receipts.

It's generally conceded among all but the diehards that either the New York Giants or Brooklyn will be the National League representative against Cleveland, the New York Yankees, or the Chicago White Sox.

But a check of the standings shows dog fights in both circuits immediately below these private pennant races.

In the National League four teams are bunched a game and a half apart from third through sixth place. Philadelphia holds third by a percentage point over Cincinnati and Milwaukee with St. Louis still a big factor.

The American league is running with a five-team "second division." Fourth place Detroit is a fat 22 lengths out of the lead and 17½ behind the third place White Sox. But the Tigers hold only a single game edge over Boston and Washington and just eight games separate them from the tail-end Baltimore Orioles.

In the upper brackets yesterday Cleveland took a half game lead over New York when the Yanks crumbled before Chicago 15-3 while the Indians were playing their second straight tie in Boston. Rain halted the 7-7 contest in the top of the ninth inning.

The Giants maintained their seven game advantage over Brooklyn with a 2-1 triumph at Chicago.

The Dodgers tripped Cincinnati, 5-1.

St. Louis outscored Pittsburgh 13-12, Philadelphia defeated Milwaukee 6-1 and Washington shaded Baltimore 6-5 in other action.

Brooklyn's Carl Erskine turned in the outstanding pitching performance, retiring the last 23 Cincinnati batters in order after Bob Borkowski homered in the second inning. He got plenty of support for a change with Carl Furillo's five-hit splurge leading the 15 hit attack. Erskine gave up two hits and struck out 10.

A pinch single by Bill Taylor drove in the winning Giant run in the ninth inning at Chicago. He scored Hank Thompson who had singled and moved around on a sacrifice and an infield out. Sal Maglie checked the Cubs on four hits.

The White Sox scored early and often against the Yankees, opening with five runs in the first and closing out with five in the ninth. Minnie Minoso and Johnny Groth collected four hits each. Virgil Trucks stayed long enough to become the first American League pitcher to win 13 games but he wilted from the heat in the seventh and needed help from Morrie Martin and Harry Dorish.

Home runs by Jim Hegan, Al Rosen and Larry Doby lifted Cleveland from a 6-0 deficit into a 7-6 lead at Boston but the Red Sox pushed across the tying run in the sixth and kept it that way until rain intervened. The same two teams played a 17 inning tie Tuesday night.

Only five Milwaukee batters got on base against Robin Roberts and the only run off the Phils' ace was Eddie Mathews' 22nd home run, hit with two out and the bases empty in the ninth.

Pitchers wore out the grass between the bullpens and the mound in Busch Stadium during the Cards-Pirates' 31 hit duel. St. Louis used eight, equalling the National League record. Pittsburgh used five hurlers.

The Athletics' victory over Detroit broke a 10-game losing streak. Sonny Dixon tamed the Tigers and Joe DeMaestri, Lou Limmer and Jim Finegan hit home runs for the winners.

Demand Down For Cotton

WASHINGTON (AP)—The Census Bureau reported yesterday cotton consumption for the period of June averaged 31,909 bales for each working day.

This compared with an average 37,043 bales for the corresponding period a year ago, and with 32,294 for the May period this year.

The daily average consumption of linters was 4,112 bales compared with 4,478 a year ago and 3,959 for the May period this year.

Cotton consumption in June totaled 781,767 bales compared with 740,864 in June last year and 748,049 in May this year.

Consumption of lint for the 11-month period ending July 3 totaled 8,638,625 bales and of linters 1,222,082 bales. This compared with 8,681,812 and 1,255,401, respectively, in the corresponding period a year ago.

Cotton on hand July 3 included: In consuming establishments, 1,400,696 bales of lint compared with 1,655,318 a year ago.

In public storage and at compresses, 8,182,209 bales of lint compared with 4,040,557 a year ago.

Cotton spindles active on July 3 totaled 19,332,000 compared with 19,325,000 on May 29 this year and 19,883,000 on June 27 a year ago.

Lee Slates Test Of Foreign Aid Program

SALT LAKE CITY (AP)—Gov. J. Bracken Lee said yesterday he is going to test legality of the federal government's foreign aid program by bringing action before the U.S. Supreme Court.

He asked the Utah attorney general to find what legal steps a citizen or a public official must take to prove that "it is a violation of our U. S. Constitution when our government gives our hard-earned money to foreign nations."

Child Is Born As Hospital Light Fails

MIDDLETOWN, Ohio (AP) — A baby was born last night in the Middletown Hospital just as the lights went out in the operating room.

A storm had cut a power line. Emergency lights were switched on soon after the boy, son of Chardele and William Smith of Middletown, entered the world.

The hospital reported mother and child were doing fine.

Ship Fire Put Out

GREAT YARMOUTH, England (AP)—With 391 persons aboard, the 3,968-ton Danish ship Kronprinsesse Ingrid radioed last night she was on fire off Great Yarmouth, but two hours later she messaged the fire was out and "assistance is no longer required." Several trawlers had rushed to her aid.

The modern flamethrower was first used as a weapon of war by the Germans in the winter of 1914-15 during the World War I.

German FBI Head Missing

BONN, Germany (AP)—Dr. Otto John, director of West Germany's FBI, has disappeared in West Berlin and is believed to have been kidnaped by the Communists, the Federal Interior Ministry announced today.

John was last seen boarding a taxi in front of his hotel on the evening of July 20, the Ministry said, and "neither he nor the taxi has been seen since."

"All clues gathered to the present time," the ministry said, "indicate that Dr. John is the victim of an abduction into the Soviet zone."

John's official title is chief of the Federal Office for the Protection of the Constitution. The office is charged with guarding against treason, espionage and activities endangering the Democratic state, though its powers are more limited, it handles duties such as the Federal Bureau of Investigation does in the United States.

News of the 45-year-old executive's disappearance was met with consternation comparable to that which might arise in the United States.

John's office deals mainly with Communist and other anti-Democratic organizations in West Germany.

The missing official went to Berlin last week to attend the reelection of West German President Theodor Heuss and the 10th anniversary observance of the July 20 bomb plot against Hitler.

Father, Three Sons Drowned

ANCHORAGE, Alaska (AP)—Once there were five in the fishing Smith family.

Then in the early 1930s Mrs. Mary Smith's husband drowned at the family fishing site near Tyonek, 60 miles west of Anchorage. His body never was recovered.

The widow, with three sons to rear, continued to go annually to the fishing grounds, superintending operations during the season until the boys were able to take over.

Three years ago one of the sons, Roland, drowned at the same spot his father had perished.

Last year, another son, Byrne, drowned on a hunting trip on the Olympic Pennisula in the state of Washington.

Gerard, 26, the last of the sons, carried on. Monday, his dory, its bow stove in like it had struck a barge or scow, was found at the spot where father and brother had died. His body has not been recovered.

Now Mrs. Smith, almost totally blind, alone remains.

Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 60 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
