Jones Is Closest Cotton Guesser

Harvey Jones was presented with an award Tuesday morning for having the closest guess in the Mitchell County Bale Count Guess Contest, with guesses taken at the Annual Farm Tour in the fall.

The actual number of bales harvested in Mitchell County for the 1981-82 year was 57,688 and his guess was 57,726.

Jones, unlike some of those guessing, stated he used a very logical method of reaching his guess. He said, "after they announced how many acres in the county that was planted, I figured approximately three-fourths of a bale to an acre."

Presenting the award to Jones was Mitchell County Extension Agent Bob Benson and Chamber of Commerce President and member of the Agriculture Committee Van Mills.

Others giving it their best shot and coming pretty close were Ray Ritchey, 57,363; Arnel Smith, 57,750; Travis Turner, 56,666; Willie Davila, 57,751; Ray Anne Carlock, 55,886; Jimmie Sorrells, 57,980; Joe Rutilley, 55,606; Earnest Walker, 58,250 and Bob Benson, 58,444.

Taylor-Pennell wed in Loraine

The First Baptist Church of Loraine was the setting for the double ring marriage ceremony read Saturday evening, April 24, at 7:30 to unite Miss Linda Taylor and Barry Pennell.

Rev. Glenn Roenfeldt, pastor of the First Baptist Church of Colorado City, performed the ceremony. The bride is the daughter of Mr. and Mrs. Willis Taylor. The bridegroom is the son of Mrs. Jonnie Pennell of Tuscola and Tommy Pennell of Amarillo.

Greenery and large white bows draped the archway and two nine-tapered candlelabrum with greenery and pink, blue and white pom poms stood at each side. Baskets of white gladiolus, white, pink and blue pom poms accented the foot of the altar on each side. A memory candle was centered in the archway and was lit by the couple to close the ceremony.

Pews were marked by large white bows, pink and blue rosebuds.

Organist was Mrs. Alta Miles with Almaz Webb and Rev. David McNary presenting vocal selections, "Twelfth of Never," "Sunrise, Sunset" and "The Lord's Prayer."

The traditional processional and recessional wedding marches were used and a medley of contemporary love songs were played softly as guests were seated.

Presented in marriage by her father, the bride wore a formal length gown of antique satin and embroidered venise lace designed with a Victorian neckline and fitted empire waist. The long tapered wedding skirt was styled in a semi-A-line silhouette that flowed into a chapel length train. Inserts of lace enhanced the neckline, bodice, long sleeves and the skirt of the wedding gown. Seed pearls accented the bodice and waist.

She wore a hat of embroidered Venise lace accented with white flowers on one side of the brim. A finger tip length veil of soft silk illusion flowed from the back of the hat.

The bride carried a cascade arrangement of white carnations, rosebuds, baby's breath and fern accented with white streamers which were tied with love knots and lily-of-the-valley.

Attendants of the bride wore identical pastel blue floor length gowns of blue lace lined with taffeta and a V-neckline and double ruffled sleeves. The skirt flounce attached at the back waist forming a cascade of ruffles. They wore matching picture hats accented with satin ribbon and streamers and carried bouquets of pink and blue pom poms.

Attending the bride were her cousin, Miss Katie Lee of Odessa as maid of honor and Miss Tomya Pennell of Tuscola, sister of the groom, as bridesmaid.

The groom's niece, Miss Shasta Morgan of Arlington, served as flower girl. She wore an ankle length gown of blue organza with ruffles at the hemline and neckline. She carried a basket of pink and blue flower petals.

The bridegroom wore a white tuxedo with white ruffled shirt and a boutonniere of white roses.

The bridegroom's attendants wore pastel blue tuxedos with white ruffled shirts and had white carnation boutonnieres.

Best man was Arvin Adkisson of Tuscola. Groomsman was Mark Cary of Tuscola.

Ushers were Rodney Taylor and Stan Taylor, brothers of the bride. Candlelighter was Brandon Morgan, nephew of the groom.

Mrs. Thresa Harrell of Amarillo registered guests and distributed wedding scrolls.

Mothers of the couple had white gardenia corsages for the occasion. The bride's mother wore a floor length gown of pink lace over taffeta with a high neckline, long full sleeves and a softly gathered skirt. The bridegroom's mother chose a floor length gown with a white chiffon bodice and long sleeves. The skirt was pink, softly gathered at the waist.

Following the wedding, a reception was held in the fellowship hall of the church. The bride's table was laid with a white silk cloth and chiffon drape. A three tiered wedding cake with blue flowing fountain was topped with a nosegay of pink, blue and white pom poms accented with baby's breath. The bride's bouquet centered the table between white candles. Punch, mints and cake were served. Crystal appointments were used.

The groom's table was laid in a blue and white checked tablecloth with a single blue candle centering the table. A two tiered German chocolate cake along with nuts and coffee were served. Silver appointments complimented the table.

Serving at the bride's table were Mrs. Tim Taylor of Odessa, sister-in-law of the bride and Thresa Harrell of Amarillo.

Serving at the groom's table was Mrs. Trudy Morgan of Arlington, sister of the groom.

For the wedding trip, the bride wore a blue dress with white collar and cuffs. On return from their trip, the couple will make their home in Abilene.

The bride is a graduate of Loraine and the groom is a graduate of Jim Ned.

A rehearsal dinner was hosted by the bridegroom's parents for the wedding party on Friday evening at Cross Tie Restaurant in Sweetwater.

Fat is important to nutrition

Fat is not all bad. It contains certain components which are important to human nutrition, says a good and nutrition specialist with the Texas Agricultural Extension Service, Texas AA&M University System. Linoleic acid comes from fat and is essential for certain body functions. Meat, dairy and fish products contain some linoleic acid, but vegetable oils are the best sources.

Land Board to Hold Bid

Land Commissioner Bob Armstrong announced this week that the Texas Veterans Land Board will hold a sealed-bid of 96 forfeited veterans tracts on June 8. Minimum bids will be required.

The land parcels are all 10 or more acres and are located in 49 different counties. Only veterans will be allowed to bid on 84 of the tracts and the board will finance 95 percent of the successful bidding price at seven percent interest for 40 years. The other 12 tracts will be available to veterans at the seven percent rate and to non-veterans at eight and one-half percent interest for 40 years.

Armstrong, who sits as chairman of the board, said this was the first forfeited land sale the board has held in almost five years.

"Considering that we have almost 43,000 tracts under contract at any given time, I am quite impressed with how few tracts have been forfeited and I think we can all be extremely proud of the responsibility with which our Texas veterans have managed their land program loans," Armstrong said.

Details of how to bid on the tracts and where they are located may be obtained by writing to Armstrong in care of the Veterans' Land Board, 1700 North Congress Avenue, Austin, Texas 78701.

Ready Class Met in Loraine Home

Mrs. Gus Armstrong and Mrs. Loyd Wiggins were co-hostesses for the May meeting of the Ready Sunday School Class of First Baptist Church in Loraine. The party was held Monday night in the Armstrong home.

The meeting opened with group singing the song, "Ready" and prayer by Mrs. Doris Henderson.

Mrs. Hubert Thomas brought a very inspirational devotional beginning her talk with the poem "The Garden." The poem opened with let's plan a garden for spring, and included how to plant three rows of peas, perserverance, patience and prayer. Plant three rows of squash, squash gossip, selfishness, indifference and plant two rows of lettuce, let us be loyal, let us be truthful and let us love one another and other garden hints. She concluded her talk with giving "Everyone who wants to sing can find a song to sing." Mrs. Wiggins read the poem, "Mothers Love" and Mrs. Tony Snyder led the closing prayer.

In the business, the class voted to purchase new sugar bowls for the church dining room.

The hostesses served a refreshment plate of banana slush, vegetable dips, cookies, nuts, mints and cheese crispies to Mmes. Inez Thomas, Gladys Hart, Juanice Butler, Mable Graham, Margaret Brame, Wanza Graham, Herbert Mearse, Billie Schroeder, Estelle Lee, Alta Miles, Billie Ruth Tartt, Domingo Galvan, Estelle Merritt, Geraldine Parnell, Doris Henderson, Rosie Hamrick, Ruby Lee Small and Bertha Fay Snyder.

Loraine Baptist Women Met Monday Afternoon

Loraine Baptist Women met at the church at 2:30 p.m., Monday for their general meeting.

Mrs. T. L. Holman, president, presided. Meeting opened with prayer by Mrs. Holman.

Mrs. Lora Taylor brought the Prayer Calendar and led in prayer for the missionaries whose birthdays were on this day.

In the short business meeting, it was voted to send $25 to the Rehab Center for the May Mission Action project and also all signed a card to send to Royce Beights.

In giving the program on Home: Time and Place for Missions, Mrs, Holman gave the introduction. Others assisting in the discussion were Mmes. Frances Porter, Taylor and Pauline Smiley.

To open the discussin the question was asked "How does a family with people of different ages and interests manage to find time to do things together? How does the busy family find time for mission activities which includes everyone? If families have little time for even eating together, what can be done?" The answer one woman gave was a woman can lead her family first to clarify its values. The story of how several families solved this problem by taking their vacations in places where they can do mission work in that area. After winning them to Chris, keep in touch and see that they have Bibles and Christian literature to help them grow, etc.

Mrs. Bernice Hallmark will host the Bible-Mission meeting on May 19th at 9:30 a.m.

There were eight members present.

Save energy with high-efficiency a/c and get a bonus from Texas Electric

TEXAS ELECTRIC SERVICE COMPANY

PAY TO THE ORDER OF John Doe — 1982 — $ 240.00

Two hundred forty and no/100

The amount shown is for a 3-ton central electric air conditioner with an SEER of 8.5.

If you replace your central electric air conditioner with one that's more efficient, Texas Electric will pay you a bonus of $80 per ton.

Not only that, you'll save on your electric bill as well. For example, a high-efficiency 3-ton unit will save you about $160 a year.

This equipment costs more initially, but the bonus from Texas Electric plus the savings on your electric bill will make up the difference in just a few years.

If enough people buy high-efficiency equipment, summer peak load growth will be slowed—and so will the need to build new generating plants. In the long run, this will help hold down *everyone's* electric bill.

Before you replace your old air conditioner, ask your dealer about central air conditioners, heat pumps, and window units that qualify for this program.

Lawn and Garden Questions

Q. I have been unable to control the crabgrass and other weeds in my lawn with regular maintenance, and they have taken over a goodly portion of it. What do I do?

A. Most weeds can be controlled in the spring with a spray program. Annuals such as crabgrass, dropseed, foxtail, and goosegrass are, according to the National Sprayer and Duster Association, most successfully controlled with a pre-emergence herbicide which should be applied prior to seed germination.

See your garden supply retailer or county agent for assistance in choosing the right weed control material for your lawn. Always follow label instructions carefully.

Q. Could you give me some tips on the technique and equipment to use for lawn weed control?

A. Spray application to a lawn may involve total coverage or spot application. The National Sprayer and Duster Association suggests a compressed air sprayer with a tank capacity of one to four gallons for lawn weed control.

If your lawn area is large, you may want to consider a small power sprayer with a tank capacity of about 10 gallons. It will cover large areas fast, especially when equipped with a multinozzle boom or a single broad-spray nozzle.

NSDA specialists advise spraying with course droplets 18 inches or less from the grass. This distributes the spray evenly and minimizes drifting onto and harming non-target plants.

It's best to select one sprayer for weed control, mark it plainly, and use it only for that purpose. Weed killers are hard to clean out of sprayers, and even a small residue could cause problems if the same sprayer were later used on vegetables, flowering plants or ornamentals.

Medicare is a federal insurance program which provides institutional and outpatient care for persons 65 years of age and older. The program is divided into two parts. One part helps to pay for medically necessary in–hospital and post–hospital care. The second part pays reasonable charges for doctors' care and other medical services which are considered medically necessary.

Although Medicare pays a large part of the health care expenses, it does not pay them all. Low income citizens may be eligible for another federal insurance program called Medicaid, which covers any remaining medical costs. However, persons who are not fully covered by both programs may want to consider buying private insurance to supplement Medicare.

The federal government in conjunction with a private insurance association has published a pamphlet entitled "Guide to Health Insurance for People with Medicare." This booklet has been distributed throughout the United States. It instructs people who want information on private insurance to supplement Medicare to "check with your State Insurance Department or State Consumer Protection Agency."

The Texas Attorney General's office is charged with state enforcement of the Texas Deceptive Trade Practices and Consumer Protection Act. A number of citizens have contacted the Attorney General's office asking for advice on the purchase of a private insurance policy. The public should be informed that the Attorney General of Texas has no authority to give such help or guidance. In fact, state law in Texas specifically prohibits the Attorney General from giving legal advice or professional counseling to private citizens.

It is unfortunate that many citizens, in relying on this ill-advised circular, have been frustrated by our inability to provide the assistance the pamphlet has directed them to seek. We have asked the Department of Health and Human Services and the Social Security Administration to correct this unauthorized direction at their earliest convenience.

In the meantime, citizens who desire counseling on the purchase of private health insurance to supplement Medicare should contact their local, regional or national Social Security Administration office.

Slo-Pitch Tourney

The Colorado City A's Slo-Pitch Softball Tournament is scheduled for May 21-23.

The entry fee is $90 for the first twenty teams and the entry deadline is May 19th.

For more information contact Raymond Molina, 728-5808; Boone Campos, 728-5131 or David Silvas, 728-5042.

ELMER TRAUGOTT, RAY MEACHAM, Harris Hamilton and George Moore took first place honors in the recent "Spring Fling" held Saturday and Sunday at the Colorado City Country Club.

'Spring Fling' Fund Raiser Termed Huge Success

A huge crowd turned out Saturday for the annual gala event, the "Spring Fling," at the Colorado City Country Club to help raise funds for the Men's Golf Association.

The day of festivities began as nine teams, made up mostly of local men, teed off in the two-day scramble golf tourney.

GEORGE MOORE helps a fellow golfer line up a shot during Saturday's "Spring Fling" Tournament at the Country Club.

Taking the first place honors with a two-day score of 125, which is 15 under part was Ray Meacham, Elmer Traugott and George Moore of San Angelo and Harris Hamilton of Loraine, who shot 65 their first day and 60 on Sunday.

A local team comprised of Hobie Bolin of Hermleigh, Randy Erwin, Carl Guelker and Wayne Hulme, all of Colorado City, bagged the second place title with their winning score of 127. They had a total of 65 Saturday and 63 on Sunday.

Two Colorado City teams tied for third place and had to compete in a play-off round. One team was comprised of Bob Benson, Roland Powell, Bill Hudson and David Finley and the other team members were George Lay Powell, Luther Coffman, Jack Hollis and Clyde Jay of Roscoe.

The Benson, Powell, Hudson and Finley team shot a two-day total of 129; 65 on Saturday and 64 on Sunday. The other team also shot 129; 66 on Saturday and 63 on Sunday.

In the play-off round, the team of Powell, Coffman, Hollis and Jay took the win giving them the third place honors.

Those attending the fete enjoyed steak and all the trimmings following the tourney Saturday evening. Winding up the evening Saturday, Shady Mitchell's "Whiskey Tears Band," entertained those present.

Brad Beene, president of the Men's Golf Association, stated that he thought it was a huge success and felt everyone had an enjoyable weekend.
