

DAWSON COUNTY COURIER

Volume 7

Lamesa, Dawson County, Texas, Thursday, November 18, 1937

Number 44

Bargain Rates Bring In Many New Subscribers

Residents of Territory Becoming "Courier Conscious"

Since the Dawson County Courier bargain rate of 50 cents per year began two weeks ago, large numbers of Dawson and adjacent county residents have been in to take advantage of this opportunity to save, and are now enrolled as regular members of the Courier readers.

More and more people every week are becoming Courier conscious and are learning to save money by "Shopping The Courier Way." They shop with Courier advertisers, in other words, and save money on every purchase. They tell their friends of the many bargains offered in the columns of the Courier and their friends are coming in, subscribing to the Courier, and becoming as much a Courier booster as any one else.

It is the aim of the Courier to print the best newspaper possible and it is the aim of the Courier advertisers to give the best bargains and the greatest savings to the residents of this territory. This combination is making the entire territory "Courier Conscious" and the results are being shown by the large numbers who are coming in to take advantage of the 50c bargain price.

The Courier employs no solicitors and salesmen to sell or beg for subscriptions. They believe that the low price and the merits of being one of the best newspapers on the South Plains is sales talk enough. Come in today and subscribe while the saving may be had. Remember the price of the Courier is only FIFTY CENTS a year, no more, no less, in Dawson and adjacent counties.

STOLEN CAR IS RECOVERED IN OKLAHOMA

It is not known, but the friends of Cleve Austin are betting that the next time he borrows a new car to go to lunch in that he locks all the doors in it as well as the ignition.

On Monday, November 15, Mr. Austin borrowed the car of Mrs. Lila Cason, a co-worker at the Lamesa postoffice, to go to lunch. He had no more than gone in his home when he heard the car start up. Rushing out he was just in time to see a thief put the car in gear and start down the road. As the car moved off the thief looked back and saw Clyde standing on the curb, and proceeded to give him what is commonly known as the "horse laugh," which made Cleve more unhappy than ever.

Cleve then hurriedly called the sheriff who endeavored to locate the car but by the time the search got under way, the trail was cold and the car and its occupant had disappeared.

Mr. Austin breathed freely again for the first time Wednesday afternoon when he was notified that the automobile had been located in El Reno, Oklahoma, and that as far as could be told was undamaged. The thief was apprehended and will be held for Federal authorities for violation of the Dyer Act, transporting stolen property from one state to another.

Representative Of Veterans To Be Here Nov. 26th

Floyd L. Sloan, field representative of the Veterans Compensation Bureau has notified officials of the local post of the American Legion, that he will be in Lamesa Friday, November 26. Mr. Sloan will make his headquarters for the day in the office of the county judge at the court house, and requests that all veterans or dependents of veterans needing assistance with their claims or wishing to file new claims to see him at that place.

WARNING

This is to notify the residents of the Lamesa territory that the Dawson County Courier has NO solicitors, agents, or peddlers authorized to accept or take subscriptions there, and that the only two places where the Courier subscriptions may be obtained are at the Courier office and at the Courier booth in front of the M. C. Lindsey office on Saturdays.

To give a subscription to any person except those at the two designated places is to do so at the subscriber's risk. The Courier will not be responsible for any such subscriptions.

SPECIAL TRAIN MAY RUN TO LITTLEFIELD THANKSGIVING DAY

Low Rate of \$1.65 Being Offered To Those Desiring to Go

Although no formal action has been taken, talk is being heard that a special train will run from Lamesa to Littlefield on Thursday, November 25, Thanksgiving Day, for the championship football game between the Lamesa and Littlefield high schools.

Santa Fe Railway Company officials have authorized a rate of \$1.65 per person, with a minimum of 200 persons if the special is desired. There are to be no half-fare rates for children all rates being the same excepting for tiny tots.

All persons wishing to go to Littlefield by train are urged to communicate with the local school authorities on or before Monday, November 22, as arrangements must be completed on that day in order to insure getting adequate railway equipment needed to make up the train.

SCHOOLS TO CLOSE ONE DAY THANKSGIVING

According to an announcement this week by V. Z. Rogers, superintendent of the Lamesa Public Schools, local schools will close only one day this year for the Thanksgiving season, instead of the customary two. School will be dismissed for Thursday, November 25, and take up again for regular sessions on Friday morning.

School is usually dismissed two days at this time in order to allow the teachers to attend the meeting of the State Teachers Association but as the meeting is to be held this year in Houston only a few of the teachers are expected to attend, and it was deemed advisable to dismiss for the one day only.

NEW GIN IS BEING BUILT IN LAMESA

Floyd Hollinger and Lester Freeman of Coleman, Texas, are erecting a new gin for Lamesa on the property on the east side of the highway just below the CCC Camp, to be known as the Hollinger-Freeman Gin.

Mr. Guy Hipspear is in charge of construction and states that it will be five 30-saw stand gin, and that the machinery is to be the latest Continental equipment, and that plans are for the gin to be equipped to gin approximately five bales of cotton an hour.

Hollinger and Freeman own a number of gins in central Texas and this is their first to be located on the South Plains. Mr. Hollinger is to be the local manager for the company.

This will make the ninth gin for Lamesa, and makes Lamesa one of the largest gin centers of the entire South Plains.

State Commission Promises Early Completion Of Highway 15 From Roby To New Mex. Line

Delegation Asks Survey Of Brownfield Road

Highway No. 15, running east and west through Dawson county, and west Texas has been placed on the Federal Aid system, according to reports from A. G. Bearden, J. E. Barron, and County Judge W. M. Yates, who attended a meeting of the State Highway Commission at Austin on Monday of this week.

A committee composed of Mr. Bearden, Mr. Barron, Judge Yates, of Lamesa, County Judge W. G. Gibbs, Commissioner J. E. Stanley, Gaines county, County Judge Chas. Nunnally, and E. D. Howard, of Borden county,

Courier to Publish Early Next Week

Due to the fact that Thanksgiving Day falls on Thursday, November 26, regular publication day, The Dawson County Courier will appear one day early next week, and will be put in the mails on Wednesday, November 24. It is requested that all persons having news items and advertising keep this in mind and arrange their plans accordingly.

MERCHANTS ARE TO OFFICIALLY OPEN THE CHRISTMAS SEASON

Big Program Being Planned For Dec. 3rd

Sponsors of the event are planning that the official opening of the Christmas season in Lamesa on Friday, December 3, be the biggest days of its kind ever to be held in Lamesa.

The official program for the day is scheduled to start at five o'clock in the afternoon with a parade of specially decorated floats and new cars, led by the Lamesa band. Many clubs and business firms are to prepare floats of every kind and description, all carrying out the Christmas theme, to enter in the parade.

Old Santa Claus is to be present in all his glory with gifts of candy for the children, and it is expected that all the kiddies in the territory will be gathered for a word with the old gentleman.

Simultaneous with the beginning of the program, merchants of the city will unveil specially decorated show windows, all carrying out the Christmas idea.

After the parade the Lamesa band is to give a concert at the bandstand on the court house square, the weather permitting.

Christmas lights are to be installed around the square and will be turned on for the first time this season during the program. The lights are to burn for the rest of the Christmas season.

Methodist Ministers, Laymen Attending Annual Conference

Rev. M. M. Beavers, pastor of the First Methodist church, Rev. J. A. Wheeler, circuit preacher and lay delegates, J. H. Pearce and Joe Peterson, and a number of other Methodist ministers and laymen left Tuesday of this week for Quanah, where they will attend the annual meeting of the Northwest Texas Conference, which will be conducted there from Wednesday through Sunday.

Assignment of pastors will be read at the concluding session of the conference. Delegates will also be elected to the general conference which convenes in Alabama later in the year.

Mrs. J. L. Clements To Have Farm Sale

Attention of Courier readers is called to the advertisement on another page announcing a farm auction sale to be held by Mrs. J. L. Clements at her place 1 1/2 miles west of Klondike. The sale is to start at 10 a. m. H. H. Barron is to be auctioneer and E. E. Barron, clerk.

DAWSON COTTON CROP IS RAPIDLY BEING HARVESTED

With two or three more weeks of pretty weather it is expected that the Dawson county cotton crop for 1937 will be practically harvested. According to an unofficial survey Tuesday afternoon, the gins of Lamesa had ginned a total of approximately 32,483 bales of this year's crop, as compared to 28,546 at the same time last week, and the rural gins had run approximately 36,006 bales, as compared with 32,069 for last week. This gives the entire county a grand total of 68,489 bales of cotton from the year's crop.

It is estimated that the crop is three-fourths or two-thirds harvested and that a few more weeks will find the most of it harvested. Many pickers are leaving for whiter fields to the north or returning home to various places in South and Central Texas.

KEISLING-McBRIDE BUILDING 5 COTTON WAREHOUSES IN CO.

One For Each of Their Gins In County Is Plan

Contracts have been let and work has been started by the Keisling-McBride Gin Company on the construction of five large cotton warehouses situated in Sparenberg, Patricia, Higginbotham, Midway and Klondike to care for the cotton storage problems for their gins located in these communities. The large cotton seed house located on the railroad just west of the compress has been leased to care for their sixth gin in the county, that at Arvana.

In a statement given out this week, Mr. W. C. McBride, a member of the gin firm stated that they were building the warehouses primarily to care for the needs of their customers in the securing of bonded storage space necessary for the securing of the Federal cotton loans.

The warehouses are of steel and concrete construction, and have a capacity of between fifteen and sixteen hundred bales each. The approximate cost of each building is around \$2,000.

The building of the bonded warehouses by Keisling-McBride will go a long way towards relieving of the congested condition at the Lamesa Compress and will enable the farmers to get better and quicker service on their government loans.

Due to the extra large cotton crop and the haste with which it has been gathered and ginned all available storage space at the compress has been filled, and they have accepted cotton only when cotton has been shipped out giving a little room. As a result farmers have had to wait an unusually long time to get their cotton in the loan, which has in many cases worked a hardship on the producer. The building of the extra bonded warehouses over the county where the cotton can be stored and then transferred to the compress later on will be a great boon to Dawson county producers as they can get their loans without further delay.

NYA youths working under the supervision of the State Highway Department in Bowie county during the last three months have built 13 ditch retards and landscaped highway entrances to three towns, H. Ray Roberts, district supervisor, has reported to J. C. Kellam, state youth director.

Tornadoes To Play Last Home Game Fri. Night

CORNER STONE OF NEW FEDERAL BLDG. TO BE LAID SATURDAY

Judge Louis B. Reed to Make Principle Address

An appropriate ceremony, one that will do full justice to the occasion, is being planned by postal officials for the laying of the corner stone at the new Lamesa Federal building at the corner of North First and Houston Street, on Saturday afternoon November 20, at five o'clock.

District Judge Louis B. Reed will make the principle address for the occasion. Others scheduled to make talks are the Hon. Carl Rountree, local lawyer, Mayor W. L. Marr, of the city of Lamesa, and a Federal Postal Inspector of Fort Worth, Postmaster Owen Taylor, is to introduce the speakers and assistant postmaster, Cleve Austin will officiate at the placing of the stone in the mortar.

The Lamesa band will furnish the music for the event, and a large crowd of local citizens are expected to be present to witness the ceremonies. It will be remembered that Lamesa secured the new building only after a long and difficult fight, and it is thought that it would only be fitting and proper that such an occasion as the laying of the corner stone, be the proper time for the celebration of finally seeing the work under way and progressed to such an extent that it will be only a matter of time before the building is completed.

A loud speaker system is to be installed so that all might hear the addresses and talks.

RED CROSS ROLL CALL TO START MONDAY

The annual Red Cross roll call drive will start in Lamesa on this coming Monday morning, November 22, when a corps of local workers will canvas the city for memberships, stated Mayor W. L. Marr, chairman of the local chapter.

A drive for membership was started in the different communities of the county on Monday morning this week, with county superintendent, Pauline Bulsterbaum in charge working through the teachers of the rural schools. No report has been received on the number of members received.

Mr. Marr states that the county's enrollment quota has been raised to 355 memberships this year, 250 for the city of Lamesa and 105 for the rural communities. Last year's quota was only 152 members.

A meeting will be held at the city hall on Monday morning at 9 o'clock for the local workers, at which time the town will be divided into districts and workers assigned.

Local women who will work in this membership drive are: Mesdames M. Q. Martin, C. Baldwin, Clyde Branon, C. E. Cameron, W. G. White, E. R. Yates, Elzie Burselson, L. E. Standifer, W. G. Weekes, Arminde Yates, W. T. Webb, Jack McLaughlin, and Mr. Jeff Dean.

District Race Narrows Down to Lamesa And Brownfield

In their last home game of the regular scheduled season the Lamesa High School Golden Tornadoes meet the Crosbyton High School Chieftains here Friday night at McCollum Field, the game to begin at 7:45.

The Crosby County lads have had an indifferent season in the number of games won and lost, but all their opponents have had to put forth the utmost effort in defeating them and they are preparing to give the Tornadoes as much trouble as possible, and if any way can upset the highly favored Tornadoes will do their best.

The Lamesa squad has had plenty of rest since playing their last game on November 5 when they defeated the Tahoka Bulldogs 21-0, and are mentally and physically in the peak of condition. With only the Crosbyton and Littlefield games standing in the way of a district championship, the Tornadoes are determined to go through undefeated, and win the first title for Lamesa in three years.

The district race narrowed down to a two-team affair since the games of last week, Lamesa leading the pack with six victories and no defeats and Brownfield resting in second place with six victories and one defeat, Littlefield was eliminated from further consideration last Thursday when the Lovelland Lobes handed them their second setback of the year, 26 to 18. If Lamesa can get by their last two games with no worse than one victory and one tie the game they will win the title. However, should Lamesa lose one of their remaining games and Brownfield win the rest of theirs, the two teams will windup in a deadlock.

Standings of the teams in the district are as follows:

Team	W.	L.	Pct.
Lamesa	6	0	1.000
Brownfield	6	1	.859
Lovelland	6	2	.750
Littlefield	5	2	.715
Tahoka	3	4	.429
Slaton	2	3	.400
Oilton	3	6	.333
Crosbyton	2	5	.285
Post	0	6	.000

MAIL POUCH WITH \$28,950 IS LOST

Postal inspectors disclosed the first of this week for the first time of the disappearance from a railway mail car of a registered mail pouch containing \$28,950 in coin and currency on November 4 or 5, at some point between Dallas and O'Donnell.

P. M. Juvenal, inspector stationed at Abilene, said Tuesday that no clues or theories toward solution of the loss had been developed.

The money was reported to have been mailed by the Federal Reserve Bank of Dallas to the First National Bank of O'Donnell.

Contents of the pouch included \$5,000 in \$10 bills; \$10,000 in \$20 bills; \$2,000 in \$50 bills; \$6,000 in \$1 bills; \$5,000 in \$5 bills; \$200 in 25 cent pieces; \$400 in 50 cent pieces, the inspector said.

BOBBY JO SHIPP
The charming little lady above is Bobby Jo Shipp, 3-year-old daughter of Mr. and Mrs. H. A. Shipp, of the Key Community. Bobby Jo has beautiful blonde curly hair and blue eyes.

State Health Officer Gives Warning of Scarlet Fever

Austin, Tex. Nov. 15.—Dr. Geo. W. ... state health officer, has just issued a warning in regard to scarlet fever, as the number of cases reported in Texas are increasing rapidly. Last year nearly three thousand cases were reported—the majority occurring from November through February.

15 years are most likely to have it if exposed. It is especially dangerous for children under five years, and for babies. Do not let your children take any chances with scarlet fever. Call the doctor as soon as the symptoms appear.

If your child is going to have scarlet fever, the first signs you may notice are that he seems tired, restless and out of sorts. Usually, there is a sore throat, chill, vomiting, or convulsion. The child has fever. His skin is dry and hot. His tongue is furred, and under this white covering, it is red and swollen. In ordinary cases, these early signs are followed in a day or two by a rash. Little flat red points, close

together appear first on the neck and chest. Soon the rash is over most of the body and brilliant in color.

The doctor is required by law to report the case to the local health officer. Do your part by following carefully the quarantine instructions which the health officer will give you. Children who have had scarlet fever, or who have been exposed, must not return to school until permission is given by the health officer and physician. A severe or fatal case of scarlet fever may develop from contact with some one who has only a light attack.

eight dollars and sixty two cents for gas and cotton seed. I worked my cotton three times and on July 21 got about one-inch of rain, then I plowed the fourth and last time. My exhibit of twenty open bolls of cotton at the County Fair placed first. So did the individual stalk win first place, the premiums were five dollars on both. On October 25th I picked two bales of cotton as follows: (1) 1570 pounds of seed cotton which ginned out 592 pounds of lint. (2) 1350 pounds of seed cotton which ginned out 550 pounds of lint. From the two bales I saved forty bushel of seed. I received nine cents per pound for the cotton placed in government loan, I have been offered one dollar and twenty-five cents per bushel for the seed that I produce. I have two more bales of cotton to pick using the method as used by Mr. E. A. Miller, extension service agronomist in making the estimate of the yield.

only part-time and most of them really want to devote their spare time to preparing themselves for a job in private employment.

Work projects approved by the NYA have been selected in part for the type and extent of training and work experience the project afforded to the youths. In addition, NYA youths have been encouraged to attend Emergency Education classes and evening schools, while youths from projects who desire to return to regular educational institutions have been eligible to receive regular student aid jobs.

during their spare time received agricultural instruction.

"The training made available to the youths should lead to one of two objectives, if not both. It should either point toward a vocation or should serve as a leisuretime guide," Mr. Kellam told the NYA representatives.

Mr. and Mrs. W. B. Collins has as their guest during the week end Mr. and Mrs. D. E. Collins and Mr. and Mrs. Joe Slover and son, John David, of Sulphur, Oklahoma. S. C. Boswell and Ott Reeves of Ada, Oklahoma.

Story of My Winning State Cotton Contest

After discussion of a cotton contest that was to be conducted for 4-H club boys by the club members in March, the contest was announced early in April. The club boys in districts one, two and six of the Extension Service districts as divided by the State office were competing against each other. The prize to be awarded to the highest ranking boy in three districts being a free trip to Chicago with expenses paid, such trip sponsored by Anderson-Clayton Cotton Company of Houston. The club boys of Dawson county voted to take part in the contest, the Dawson County Cotton Oil Mill and Lamesa Compress Co. along with the winners of the county agreed to pay fifteen premiums to the best club boys in the county such premiums amounting to one hundred thirty dollars being offered by the above progressive people of the county.

Expenses for the crop: Seed and cultivation, \$8.62; ginning, \$11.80; picking, \$39.65; Total \$59.65, rent \$75.97. Grand total expense \$135.62.

Receipts on crop: Cotton seed 97 1-3 bushels at \$1.25 is \$121.66; Lint cotton at 9c, 2025 pounds is \$182.25, total returns from crop \$303.91. Total expense with rent \$135.62, total net profit \$168.29.

Recently arrangements were completed in a number of towns for operation of training classes in homemaking for NYA girls cooperation of the Homemaking Division of the State Department of Education. Vocational training classes are also being planned in communities in which a sufficient number of youths interested in receiving this type of training are available.

Mr. Kellam also announced that more resident work and training projects similar to those operated last summer for youths interested in agriculture will be conducted. On the projects last summer youths were assigned to part-time employment and

Mrs. J. E. Barron and daughter, Lenora spent the week end in Abilene visiting Miss Elmerine Barron a student at Hardin-Simmons.

Mr. and Mrs. J. M. Barrett spent last Thursday visiting relatives in Falls.

THE ANTI-FREEZE UNDERWEAR FOR MEN AND BOYS

THIS IS THE UNDERWEAR WE RECOMMEND FOR MEN AND BOYS

COLLINS DRY GOODS CO.

The Farmers' Cooperative Gin of Lamesa let the club boys have cotton seed with which to plant their crops. The seed used by the boys was Texas Special, at cut price of the seed, to the gin. There was a special committee set up for the contest. J. M. Peterson, C. M. Burton, A. W. Matthews and W. J. Beckham all farmers living in the county. Texas Special and Lankart were the cotton varieties agreed upon by the committee, due to the shortage of seed the committee agreed to let the boys substitute any other variety of cotton provided it met the requirements of the committee.

The contest was announced in both local newspapers, at 4-H club meetings and in letters sent out to 4-H club members and other boys of club age in the county. The result was forty-one boys entered the contest and approximately twenty-five are completing their records and demonstrations. Several of the boys crops were destroyed by sand and floods and were unable to replant to pure bred seed.

FREE! with **QUAKER OATS** TRADEMARKS

Wonderful Book of MAGIC TRICKS

Tells you how to perform 62 different, puzzling feats of magic... lots of fun.

FARMERS ARE REPAYING FSA LOANS GLADLY

In New Mexico and parts of Texas, Oklahoma, Kansas and Colorado served by Region Twelve of the Farm Security Administration, 151 farmers made settlements of their debts in the past six weeks, according to L. M. Hutter, regional director of this federal agency.

A report shows that arrangements have been made to repay 71 per cent or more than two-thirds of the amount owed. Debt reduction amounted to \$194,354, or 29 per cent of the original indebtedness.

"The Farm Security Administration cannot be considered a refinancing agency or a credit agency," Hutter said, "because the purpose of the program is farm and family rehabilitation, involving such things as correct farming practices, technical supervision, account keeping, home and farm budgets and farm debt adjustment."

In developing sound farm plans for borrowers it is often found that their debt structure is too high to ever permit repayment. It was pointed out that is where the work of local farm debt adjustment committees come in. Creditors, farmer debtors and a committee of public spirited citizens work together

to bring about a settlement suitable to all. Hutter called attention to the fact that this farm adjustment service is available to all farmers, even though they are not working with this federal agency. "Our committees gladly consider other farm cases and all services are given without cost," he added.

Farmers desiring complete information about this service are urged to contact B. P. Collins, county supervisor, at Lamesa, Texas, or write directly to William Klien, chief of the section, Farm Security Administration, Amarillo, Texas.

The local farm debt adjustment committee is composed of the following men: M. C. Lindsey, A. W. Matthews and R. E. Echols.

Texas Cotton Grade Higher Report Shows

Grades of cotton to date this season for Texas continue somewhat higher than those of last season for the similar period. Smaller proportions are reported this year over last year for staple lengths 15-16 and 31-32 inch and for those 1-inch and longer. The proportion is also less this season than last for staples shorter. The proportion is also less this season than last for staples shorter than 7-8 inch, whereas the only staples representing larger proportions are 7-8 and 25-32 inch.

White middling and higher grades constitute 57 per cent of all cotton classed so far this season against 49 per cent last season. Strict low middling and lower white grades represent smaller proportions this season to date than last season; however, the proportion of all spotted grades is slightly larger this season.

A larger proportion of the crop is tenderable this season than that of last season, the percentage being 83 and 77, respectively.

J. D. Dyer Talks To Luncheon Club On Red Cross Work

The regular meeting of the Business Men's Luncheon club was held Tuesday afternoon at the Plaza, with J. D. Dyer as principal speaker for the occasion. Mr. Dyer spoke to the club members on Red Cross work, giving an interesting historical account of the origin and development of the Red Cross. He explained its functions in taking care of relief situations. He stated that altogether over \$900.00 was raised by the Dawson County Chapter last year, this included about \$700 donated for the flood relief.

A. G. Bearden, secretary of the Lamesa Chamber of Commerce, explained details for this year's annual Red Cross drive, which is to start on Monday, November 22.

County Judge W. M. Yates gave an interesting account of the East-West Highway Association members meeting with the State Highway Commission at Austin on Monday. President O. B. Norman announced to the members that a special Thanksgiving program would be held at next Tuesday's meeting, and urged all business men to be present.

Lions Club Hears Good Program By Boys Chorus

Members of the local Lions club were entertained at their weekly meeting on Wednesday by Mrs. Weldon Lindsey and her boys chorus from the local elementary school. Mrs. Jeff Dyer gave two readings, which were highly enjoyed by the club. The attendance was lighter than usual due to a number of the members being away on deer hunts.

Mr. Matthews announced at the meeting that R. B. Wilkerson a 4-H club boy of Dawson county had won a free trip to Chicago, through the 4-H Cotton Improvement contest, sponsored by Anderson & Clayton Cotton Company of Houston.

Rotarians Attend Meeting In Tahoka

Fifteen Rotarians and two Rotary Anns attended the inter-city meeting at Tahoka last Monday evening, culminating the attendance contest which had been in progress for the past two months. According to terms of the agreement, Tahoka furnished the meal and Lamesa furnished the program.

Both features of the meeting were successful. The ladies of Tahoka prepared a meal fit for any group of people and the manner in which Rotarians from both places disposed of it was sufficient proof of its goodness. Mesdames Carl Rountree and W. J. Beckham brought the house down with their vocal renditions and Mrs. Beckham gave a good account of her talent on the accordion. S. L. Forrest talked to the group on "What Rotary Can Do For A Man," and it was well worth traveling a much greater distance to hear. Clyde Branon brought forth some of his best gags which resulted in a heartful laugh. Perhaps the most enjoyable part of the program was the free-for-all following the regular program and in which many members from both places participated.

Those attending from Lamesa were: W. D. Annett, Cleve Austin, W. J. Beckham, Clyde Branon, Vernon Bryant, W. B. Collins, S. L. Forrest, C. A. Hollingsworth, Swanson Hurt, V. O. Key, J. H. Pierce, N. H. Price, G. M. Roberts, V. Z. Rogers, Carl Rountree, Mrs. Rountree and Mrs. Beckham.

Third Sunday Singing To Be Held At Woody

Regular third Sunday singing will start again in the Woody community this coming Sunday, November 21, the singing to start at 2:30 p. m.

It is requested that all the Woody citizens be present as well as all others who might be interested. A number of visitors have already promised to be present, including Mr. Sprawls and wife.

Come and bring your "Starlit Crown" song books and enjoy a profitable afternoon of song.

Work On Federal Building Is Now Progressing Rapidly

Work on the new Lamesa Federal building is progressing at a rapid rate and this week preliminary brick and stone work has been completed and preparations for the final laying of brick started.

Since the work began on this project no delay has been had due to bad weather or lack of material and all indications are that the work will be completed many days ahead of the specified contract limit of 221 working days. Work has progressed so far that a person can get an idea as to what the building will be like when completed and many remarks are being heard that it will indeed be the prettiest building in the city.

MRS. J. M. GALLARDO PASSED AWAY NOV. 11

Funeral services were held on Friday November 12, for Mrs. J. M. Gallardo 48, who passed away on Thursday at a local hospital. Mrs. Gallardo had made her home in this county for only three weeks, residing at the E. M. Ross farm. Survivors are her husband and the following children, John, Janie, Louis, Ben and Earnest Gallardo.

KLONDIKE HOME DEMONSTRATION CLUB

"Most housewives spend more time in the kitchen than in any other room therefore try to make your kitchen an attractive place as well as convenient," said Mrs. G. F. Thorp, at the Achievement meeting, November 9. With the aid of the Farm and Ranch gas, Mrs. Thorp has made her kitchen modern as well as convenient.

Six ladies were present at the meeting. The next meeting of the club will be on November 23, at the home of Mrs. Duff. New officers will be elected. Everyone be present.—Reporter.

U. S. Army Accepting New Enlistments Now

The U. S. Army Recruiting station, Sweetwater, Texas, has recently been authorized to accept enlistments for cavalry, veterinary, ordnance, and field artillery at Fort Bliss, Texas; and for medical department at William Beaumont General Hospital, El Paso, Texas. Generally speaking, in order to obtain enlistment in the Regular Army, applicants must meet the following requirements:

They must be between the ages of 18 and 35 for original enlistment, and those under 21 must have the written consent of parents or guardians; they must be at least 5 feet 4 inches in height and weigh not less than 115 pounds; they must be of good character as evidenced by written testimonials from reputable citizens of their communities; they must be in good health and free from incapacitating deformities. They must be citizens of the United States by birth or naturalization at the time of enlistment, they must be able to pass the intelligence and literacy tests as prescribed in regulations governing recruiting for the Regular Army.

The advantage that may be secured through a three-year enlistment are many. The Army offers splendid opportunities for advancement, and the recruit can improve himself mentally, physically, and financially.

Father of Mrs. Tom Woods Dies At Post Monday

Funeral services were conducted Wednesday morning in Post for J. M. Boren, 67, pioneer cattleman of Garza county, and father of Mrs. Tom Woods of this city.

Mr. Boren developed pneumonia last Thursday, was apparently in no immediate danger, when death came unexpectedly Monday from a heart attack.

He was the first county judge of Garza county, going there in 1893 and began working for A. J. and F. M. Long, former owners of the OS ranch. In 1901, when Garza county was organized, he became its first judge and since had served in that capacity 18 years.

Survivors are his widow, three children, Walter Boren of Crane, Mrs. Tom Woods, Lamesa and Mrs. Vachel Anderson of Post.

Mike Key made a business trip to Dallas the first of this week.

LOCALS

Mr. and Mrs. Earnest Gambill had as their guests here Sunday, Mr. and Mrs. B. K. Gambill, Mrs. Marie Jones of San Angelo, Mr. and Mrs. Walter Gambill of Stamford, and Miss Vella Foster of Lubbock.

Mr. and Mrs. Manuel Medley of Santa Rosa, N. M., spent the week end here with Mrs. Medley's sister, Mrs. Jimmy Cotten and Mr. Cotten.

Mrs. Earline Hillman returned to her home in Vernon last Wednesday after spending several days here at the bedside of her mother, Mrs. A. J. Horn, who was injured in an automobile accident.

Mr. and Mrs. J. L. Carroll and Rev. and Mrs. J. C. Foster, went to Carlsbad, Thursday, where they went through the Cavern on Friday.

Misses Katie Lee Clements, Minnie Cope, and Mrs. Pauline Vaughn and children Wanda Jean and Wayne spent Sunday in Lubbock visiting with Mrs. Maude Ship.

Miss Myrtle Biggerstaff of Lubbock spent last Thursday here visiting Miss Lois Thorp.

Mr. and Mrs. J. D. McClure of the

Munger community are the proud parents of a baby boy, born November 11. The young man weighed 9 pounds.

J. A. Wheeler, Jr., Cowger Andrews and Joe Morris spent last Thursday in Big Spring and Coahoma.

Mr. and Mrs. J. D. Worley of Plainview spent the weekend here with her parents, Mr. and Mrs. C. E. Cameron.

Mr. and Mrs. O. C. Norris of Roscoe are here visiting their son, Bill Norris and family.

Mr. and Mrs. Henry Norris spent last Thursday in Lubbock attending the football game.

Mr. and Mrs. J. F. Henderson and daughter, Myrtle and Betty Bratcher visited relatives in Vernon during the weekend.

bers of the State Highway Commission and myself in dedicating the new structure. It was not hard to visualize the ceremonies as a prelude to the steady stream of traffic which some day will travel over the magnificent steel structure down Highway 21.

Traffic experts of the nation agree to America's Number One Problem. It is agreed—and proved in 13 states—that by militantly and intelligently carrying out the three "E's" of traffic safety—engineering, education and enforcement—that a reduction in traffic accidents can be accomplished.

Last spring in an effort to mobilize the forces that might best put into action the safety "E" of education, I appointed the Governor's Traffic Safety Committee, composed of outstanding safety laymen and officials over the state.

Under the leadership of Dr. Bradford Knapp, president of Texas Tech, and member of the statewide committee, a six weeks course was given on traffic safety to teachers attending the last summer session.

The governor's traffic safety committee recently published a traffic manual "Creating Safer Communities," designed to aid cities and towns in their efforts to combat accidents.

The "E" of enforcement in the state program is carried out by the Public Safety Department whose highway patrol correlates its duties with local agencies charged with the enforcement of the law.

The highway department has charge of the engineering phase of traffic safety and under the capable direction of its new highway engineer, Julian Montgomery, there will be no effort spared to insure safety on the highways of Texas.

Let's Talk About Clothes

TEXAS STATE COLLEGE WOMEN (C.A.)

Denton, Nov. 15.—"It's in the bag!" But who carries what's in the bag so long as the bag itself can stand the pull?

And spotlight is a mild word for the attention that is being given to purses and handbags this year. There being only two definite directions that designs for bags can go—from large to small and from envelope to pouch—the greatest excitement in bagmania naturally comes on the upswing or downswing of one of these movements.

Whether you like it or not pouches and handles (the kind you swing) are in today's picture. You can be safely stylish with anything from a postman's satchel or a big bag with a shoulder strap, ala amateur camera fiend, to a vanity box affair with a gold chain.

Crocodile has captured the whims of Texas State College for Women girls for sport purses. Its attractive liveliness plus its durability makes their choice a good one.

You'll find the merchants have anticipated your need for something to catch the spirit of those ornate jewels and shinky dresses fashion dictates for late hours. These bags are bedecked with rubies, crystals and are so constructed that all the necessities can be tucked into them without overlooking.

Many Farmers On South Plains Building Silos

College Station, Nov. 15.—"They build 'em big in Northwest Texas," E. R. Bradley, dairyman of the Extension Service division of the Texas A. and M. College, and Texas' No. 1 trench silo disciple, says about the trenches that farmers and ranchmen of that section are filling.

A good grain sorghum crop in the Panhandle and South Plains is resulting in a big increase not only in the total number of trench silos there, but in the tonnage stored. "The number trench silos in Dallas county has increased from 13 in 1936 to 30 this year, but the total amount of feed

put down as silage has more than tripled," County Agricultural Agent Frank M. Stubbs, Jr., recently reported to Eudaly.

Evidence of the increasing popularity of trench silos can be seen in many instances. In Dallam county, Cecil C. Jones, farmer-stockman of Texline, put down a 200 ton trench in 1933, the first in the county. Jones this year has 2,200 tons of silage. R. C. Johnson of Dalhart is filling six trenches, each of approximately 500 ton capacity.

"The 65 counties in Northwest Texas last year filled 1,360 trench silos," Eudaly recently said. "The district agents who serve this area estimate that the 1937 total will be between 3,000 and 3,500."

"The cost of digging and filling these trenches is very small as compared to the cost of building upright or pit silos," Eudaly has commented. "When I conducted a demonstration on the Joe Englebrecht place in Sherman county in October, Mr. Englebrecht told me that the cost of digging his 80 ton trench silo was only \$7.65."

"Feed stored in a trench silo cannot be damaged by wind, rain, fire, insects, or rodents," Eudaly pointed out in the course of a meeting last October on the D. U. Hardin farm in the Gem community of Hemphill county. He brought out the fact that feed from one acre when fed as silage, usually yielded that from two acres fed as burland. "The feed in this 400 ton trench will be as good 10 years from now as it is today," he concluded.

The farmer with a few animals finds the trench silo as practical as does the ranchman with hundreds of cattle, according to Eudaly, who pointed to the success of a one ton trench that was filled at the Plainview fair grounds last year. In Gaines county, 50 farmers recently attended a demonstration at Seminole, staged by the county agricultural agent, at which a two ton trench was filled. This will be opened next year during the county fair, Eudaly said.

H. D. Council Elects New Officers

Mrs. Furman Thorpe, chairman of the council, Mrs. Temple, vice-president and Mrs. C. W. Shafer, treasurer, were re-elected by acclamation, when the Home Demonstration Council elected officers in the office of Miss Mattie Phenix, November 13.

Mrs. Middleton was elected secretary and will take the place of Miss Clyde Edmonson. Mrs. Edmonson having served two years is not eligible to serve longer.

Gifts were given to the following as reward for work they have done: Mrs.

R. S. Staffield, best reporter; Mrs. Clyde Edmonson, best girl reporter; Mesdames Tweed and Woodul, best co-operators in dress contest held in July.

Eight clubs were represented at the council meeting.

Personal

Mrs. Louise Winner and Miss Irene Wright of Midland spent the week end here with relatives.

Mrs. W. P. Avriett

Mrs. W. P. Avriett Returns From State Meeting

Mrs. W. P. Avriett, first vice-president of the Texas Federation of Women's clubs, has returned from the annual state meeting, which convened in Austin last week.

Mrs. Avriett was presiding officer for the program on Monday evening honoring the state president, Mrs. Turrentine of Denton, also the past presidents of the State Federation and life members. As state membership chairman, Mrs. Avriett, also presided at the session of new club presentations on Tuesday.

Sixty-one new clubs were admitted into the Federation during the past twelve months. Awards were presented to the districts forming the largest number of new clubs, the new eighth district winning the first prize, with the seventh and third districts winning second honors.

Mrs. Blaine Wiggins Honors Husband On Birthday

Mrs. Blaine Wiggins entertained on Tuesday evening at her home on North Third Street at which time she honored her husband on his birthday.

A very enjoyable evening was spent with the guests playing games of table tennis, shuffle board and 42. At the conclusion of the games a delicious refreshment plate consisting of toasted sandwiches, olives, stuffed celery and coffee was served to the following: Messrs. and Mesdames Iex Prock, Leonard Scott, Kenneth Cox, Jeff Dean, Misses Della Dean, Eds. Merrick, Messrs. Roy Powell and Red Gresham.

Miss Nettie Moreland Becomes Bride of D. O. Joplin

Miss Nettie Moreland became the bride of Mr. D. O. Joplin in a ceremony performed last Thursday morning by Justice of Peace D. M. Campbell. Mrs. Joplin is the daughter of Mr. and Mrs. G. F. Moreland, and has been a student in the local schools.

Mr. Joplin, an enrollee of the CCC Camp is formerly of Meadow.

After a short wedding trip to Meadow and Lubbock the couple returned here to make their home.

Mary Bowen Missionary Society Met Monday

Members of the Mary Bowen Missionary Society of the Methodist church met on Monday afternoon with Mrs. Irvin Clayer at her home on North Sixth Street.

Mrs. Todd was in charge of the program, which was on World Peace. A delicious refreshment plate was served at the conclusion.

Mrs. Geo. Norman Hostess To Happy Dozen Club

Mrs. George Norman was hostess to members of the Happy Dozen club last Tuesday afternoon at her home on South First Street.

After an enjoyable afternoon spent playing 42, the guests were served a delicious refreshment plate consisting of mince pie, with cheese, salted nuts and coffee.

Those attending were Mesdames, Russell Clark, V. O. Key, Clyde Brivitt, E. B. Tinsley, A. E. Jacobs, Arthur Hull Hoskinson, S. L. Forrest, W. T. Webb, W. K. Crawley, A. G. Waugh and V. Z. Rogers.

Delphian Club Has Program Featuring Japan

The Lamesa Delphian club met in regular session on Tuesday evening, November 16, at the club house with twenty-seven members in attendance. The following program was carried out:

Roll Call—Japanese Custom: Leader—Miss Leona Gelin; Topic—The Lure of Japan and Japanese Girls and women; Book Review—"Meet the Japanese," by Henry Albert Phillips—Mrs. J. L. Morris; Patsy Jo Rountree, attired in Japanese costume entertained the club with a Japanese reading and dance, accompanied at the piano by her mother, Mrs. Carl Rountree, directed by Mrs. L. M. Pratt.

Mrs. W. P. Avriett, first vice-president of Texas Federated Clubs gave a report on the 40th annual convention held in Austin, November 8 to 11.

The club will meet at seven o'clock in the evening hereafter instead of 7:30.

Thursday 42 Club Met With Mrs. A. M. Bennett

Members and guests of the Thursday Afternoon 42 club met with Mrs. A. M. Bennett on last Thursday afternoon.

At the close of the games a delicious refreshment plate of toasted sandwiches, congealed fruit salad, pie and coffee were served to Mesdames R. E. Simpson, Rose Simpson, A. H. Smith, Walter Jones, O. Lambeth, Lee Billingsley, David Murray, Ray Williams, M. E. Boren, C. Baldwin, Bonnie King and W. V. P. Baker.

Mrs. Jesse Paulk Entertains Sewing Club

Members of the 1931 Sewing club met with Mrs. Jesse Paulk last Friday afternoon at her home on South 5th Street.

The afternoon was spent sewing and talking with delicious refreshments being served at the conclusion.

Those attending were: Mesdames A. S. Alsbrook, Marvin Morris, T. A. Harris, and Mrs. Bradford.

W. M. U. Members Hear Book Review

Members of the Womens Missionary Society of the First Baptist church met Monday afternoon at 3 o'clock at the church. Mrs. J. W. McDonald was in charge of the program, at which time she gave a review of the book, "Saved To Serve."

At this meeting the members packed a box which they sent to Buckners Orphan's Home.

Mrs. Dixie Kilgore Hostess to Pioneer Club

Mrs. Dixie Kilgore was hostess to members of the Pioneer club, on Tuesday afternoon at her home. Games of 84 were enjoyed throughout the afternoon, with a delicious refreshment plate of salad, fruit cake, snacks and coffee being served at the conclusion.

Those attending were Mesdames Joe Barron, W. V. P. Baker, D. S. Day, W. H. Bennett, Guy Wilmon, S. R. Simpson and R. E. Simpson.

Girl Scouts In Weekly Meeting

At a regular meeting of Troop One, Lamesa Girl Scouts, held at the club house last Wednesday evening, an interesting program on Astronomy was presented. Stars and their positions were discussed, and the use of the compass in finding directions was demonstrated. This program emphasized one of the aims of scouting; name-

HOWARD BOOT & SHOE SHOP

THESPIANS TO PRESENT PLAY NOVEMBER 23

"Heart Trouble," a three-act comedy, by Howard Chenery, will be presented by National Thespians of Lamesa high school on next Tuesday evening, November 23. This comedy of domestic life has won popular favor throughout the nation. The play will make you laugh and think.

The cast is made up of members of the newly organized National Thespians Society of which the people of Lamesa should be proud. The play is under the direction of the sponsor, W. K. Compton.

The cast consists of high school actors and actresses who won recognition in last year's play productions. Those taking part are: Mary Ellen Lambeth, Inez Sharp, Lois McBride, Iva Lee McKay, Iva Spencer, James McBride, Buddy Glover, R. B. Snell, Arthur Olson and Joyce Travis.

Admission prices for all students is 15 cents, adults 25 cents.

Music Department To Present Pageant

The Music Department of the elementary school will present a pageant, entitled "America The Beautiful" at the high school auditorium on Monday night, November 22, beginning at 7:30. Mrs. Weldon Lindsey, music instructor at the elementary school is in charge.

There will be no admission charge. The public is cordially invited to attend.

Five Mile School To Have Thanksgiving Program Thursday

For the wonderful harvest, health, good school and years happiness the Five Mile people have set aside Thursday, November 25, as a day of "get-together," and to offer thanks.

Beginning Thursday morning at 10 o'clock the following program will be given:

A Song of Welcome—School Children.
America—Audience.
America The Beautiful—Audience.
Invocation—Bro. Gentry.
Proclamation—C. L. Sharp.
Mother Goose, Up-to-Date—Bobby Pettaway, Richardson Barron and Ross Peterson.
The Thankful Class—Third, Fourth and Fifth Grades.
Song, Harvest Yield—School children.

ly, the understanding and enjoyment of outdoor life.

This troop, under the direction of their Captain, Mrs. T. B. Pulkerson, sponsored a candy sale last Saturday; the proceeds to be used for the purchase of a bugle and camping equipment.

Troop Two and Three, under the direction of their captain, Mrs. Dan Davis, conducted a rummage sale Saturday, from which they realized \$14.75. This money is to be used for working material for the coming year. The older girls are to study folk dancing and the younger ones play production. In this work is being sought the following scout objective: to develop each individual according to her own ability and to give her practice in community service.

Packed with Thanks—Allen Harwell and Hal Barron.
Play, Come Back Mr. Turkey—High School Pupils.
Reading—Jeanette Sharp.
Song, A Child's Thanksgiving—Primary Pupils.
Reading, Thanks But—Milton Earnest.
Benediction—J. T. West.
Address—Rev. E. F. Cole.
After the program a Thanksgiving dinner will be served. In the afternoon several ball games, basketball and ground ball will be played. Lots of fun is expected.

Returns From Inspection of New Ford Cars

W. E. Boyd, manager of the Lamesa Auto Company returned the first of this week from Dallas where he attended a pre-views showing of the new 1938 line of Ford automobiles.

Mr. Boyd states that although he was able to secure a new 1938 Ford pickup which he now has on display at the Lamesa Auto Co., and that a shipment of trucks will be received the latter part of this week, it will be sometime next week before the new Ford passenger cars will arrive in Lamesa.

Yates Is Building Warehouse Addition

Work was started this week on the enlarging of the E. R. Yates implement warehouse on South First Street, across from the ice plant. Plans are such that when the work is completed the building will cover the entire lot and will be 50 feet wide by 140 feet long. The building at present is 50x100. The enlargement was necessary due to the receipt of five carloads of Farmall tractors and one carload of Farmall implements.

Pink Boll Worm Still a Threat to Cotton of Territory

Recently three pink boll worms were found at one of the Lamesa gins. The first reaction to that statement will be to wonder what harm three little worms can do. The danger lies in damage which can start from one or more such little worms as those. The damage can quickly become as serious as that witnessed by D. L. Adcock when he made a trip to Presidio a few days ago. Adcock returned with several jars of bolls and worms which he gathered while there from fields which should have yielded in excess of one and one-half bales per acre and which will yield practically nothing.

Dawson county is still in the Pink Boll worm control quarantine area and all cotton producers are cautioned against hauling seed cotton to points east for ginning. The roads are being patrolled by Federal Inspectors and violators will be prosecuted.

CARD OF THANKS
We wish to sincerely thank our friends for their many words of sympathy and deeds of kindness shown us during the illness and death of our father, W. G. Woerner. May God's richest blessings be yours in our prayer.

Mr. and Mrs. Henry McQueen, and family.

Organ To Be Heard At First Baptist Church Sunday

Members and friends of the First Baptist church will be privileged to hear Marvin C. Luke play the latest Hammond organ, at both the morning and evening services Sunday. This fine organ is to be heard as a compliment of the Jenkins Music Company of Amarillo. Deagan Chimes will be heard as part of the organ equipment.

Mr. Luke, a minister's son, having played organs both large and small ever since he was fifteen, and a member of the Organist Guild, will present several selections during the morning worship, and at the evening service a thirty-minute recital will be given, including organ classics and well known hymns. He will bring out the different tone colors of the organ, such as clarinet, oboe, d'pason, string, flute, harp, chimes, bassoon, etc., displaying the old favorite hymns in all their splendor.

Mrs. Thelma Greer of Dallas has accepted a position at the J. C. Lovell hospital as day superintendent, taking the place of Miss Florence Thompson, who has returned to her home in Dallas.

**Dawson 4-H Club
Boy State Cotton
Contest Winner**

Announcement was received Monday by the county agent that R. B. Wilkerson 4-H club boy of Ballard community was the Chicago trip winner from this area. The State Cotton Contest is sponsored by Anderson, Clayton and Company of Houston, Texas, who are giving four trips to Chicago with all expenses paid. The winning club contestant from the county in each of the four districts which conducted the best county cotton contest will receive the trips. The Dawson county contest, sponsored by the girls, the cotton oil mill and the compress was judged the best in this area. This area includes the eighty Texas counties in Extension Districts 1, 2 and 6. Among those having contestants entered in the state contest were Lubbock, Floyd, Garza, Fisher and Mitchell counties.

It was necessary to submit incomplete records of the Dawson contestants for judging in the state contest since the cotton is not all harvested. The fact that R. B. Wilkerson has been declared a state winner does not close the county contest for the county prizes will not be awarded until early in December after all the contestants records are complete. The \$130.00 in prizes offered by the county contest sponsors will be awarded on basis of the complete records.

R. B. has been an outstanding 4-H club member for three years. During his first year in club work he carried on a swine and feed crop demonstration. His second year demonstrations were swine, poultry and feed crop. Early this year he was elected president of the county boys' 4-H club organization which office he now holds. This year he is carrying out swine, poultry and cotton crop demonstrations.

**Government Cotton
Report Gives Dawson
45,904 Bales Nov. 1**

Official Bureau of Census reports in the 1937 cotton ginnings shows that Dawson county had ginned 45,904 bales of cotton from the 1937 crop as of November 1, 1937 as compared with 24,187 bales ginned on November 1, 1936.

It will be remembered that the Courier had estimated the number of bales ginned on November 3, at approximately 50,000 bales.

**Boy Scouts Well
Informed After
Inspection Trips**

Boy Scouts and Leaders are better informed now than they were a month ago as to what they can do to raise the standards of their troops. The last two weeks have been set aside for Troop Inspection Round-ups and almost every troop in the council has been visited by the district and neighborhood commissioners.

As a result of the inspection report of a number of new Scouts were enrolled and plans made with the committee for purchasing Camping equipment, record books, reading material and other things necessary for the successful operation of a Boy Scout Troop.

Another inspection will be made in February or March. Each Troop will receive a certificate at the Council-Wide Court of Honor on December 3, in recognition of their rating determined by the inspection.

**Public Library
Adds Seven New
Books to Shelves**

Mrs. Nellie Carter, librarian at the Dawson County Library reports that seven new books have been added this past week to the library shelves. The new books are: "When Autumn's Here"; "Dangerous Cargo"; "Dark Valley"; "Six Golden Angels"; "Angels May Weep"; "Hill Reprints"; and "The Red Signal".

The library is open to the public from 12 to 5 p. m. on week days and from 10 a. m. to 5 p. m. on Saturdays and is located on the second floor of the city hall.

**Boy Scout To
Have Court of
Honor in Lubbock**

Approximately 1500 Boy Scouts, Cubs and Leaders from twenty South Plains Counties will participate in one of the greatest demonstrations of scouting ever held in the South Plains Council on December 3, at the Lubbock high school auditorium, when they come together for a mammoth Court of Honor, according to Geo. W. Dupree, Lubbock, Council Court of Honor Chairman.

Nine Districts, with a total of 62 Scout Troops and 11 Cub Packs from 40 towns will participate. Each district court of honor chairman will have a part on the program in the presentation of the awards.

A tableaux depicting various activities of the Scouts and Cubs will be dramatized along with impressive and entertaining ceremonies connected with the recognitions for achievement.

**To Attend Golden
Wedding Anniversary**

Supt. and Mrs. V. Z. Rogers and family plan to attend the golden wedding anniversary of Mr. Rogers' parents Mr. and Mrs. J. H. Rogers, at Melissa, in Collins county on Sunday, Mr. Rogers' brothers, Woodville J. H. H. Frank and Claude, and his brother-in-law, M. P. Graves, also intend to be present for the event.

Jim Bridgeman made a business trip to Big Spring Sunday.

**Junior Class To
Present Play Dec. 16**

The American youth of today is sound, wholesome, and following in the best traditions is the opinion of Miss Hilda Manning, author of the Junior Class Play, "Life Begins at Sixteen," a comedy of youth in three acts.

"Each generation is prone to think," says Miss Manning, "that initiative, righteousness, and moral well-being are peculiar prerogatives of its own times and that the generation immediately following it is headed straight for the bow-bows."

In "Life Begins at Sixteen," Miss Manning has pictured a group of young people of sixteen as they really are, with all their hopes and ambitions, their trials, tribulations, and petty tragedies; the picture of Young America today. The Junior Class of the Lamesa high school considers itself fortunate to have been able to secure the local rights to this sparkling comedy success so soon after its national release. It will be presented on December 16, in the high school auditorium.

**Recreation Department
To Present 4 Plays**

The Lamesa Recreation Department will present four one-act plays, on Thursday evening, November 25, beginning at 8 p. m. at the high school auditorium. A small charge of ten and fifteen cents for admission will be made, the proceeds of which will be used in presenting a free Christmas Tree program about December 20, for all children belonging to the Athletic club.

The Thanksgiving plays and cast are:

"Not Quite Such a Goose," with Roberta Thurman as Mrs. Bell; Wanda Jean Womack as Sylvia; Dorothy Kennedy as Hazel; Paul Homer as Philip, the part of Albert has not as yet been cast.

"The Man Who Came Back," Thomas Woody as Thomas Chester; the other two parts of Lillian, Chester and Mummy Jimmie, have not yet been filled.

"A Bargain's a Bargain," Dorothy Inman as Grace Brown; Muriel Fenley as Clara Smith; Bruce Taggart as Monte Brown; Elvin Vestal as Alec Smith; Dorothy Skinner as Anne Howe; Dale Forrest as Fred Howe.

The cast for "A Bawky Courtship" has not been selected.

Musical numbers and recitations will be presented between plays.

Children from the Athletic club will begin selling tickets, Thursday, November 18. A free ticket will be given to every boy and girl selling as many as a dollars worth of tickets and a prize will be awarded the one selling the most tickets.

**New Service Station
On South Dallas St.**

Jack Green is having erected a new service station at the corner of South Fifth and South Dallas Streets on the highway east of the city hall. The station is of stucco construction, has automatic pumps, and all other things necessary for a first class station. When completed it will be one of the nicest stations on South Dallas street.

**Remodeling of Garland
Bldg. Started Tuesday**

Pedestrians are having to side-track this week in front of the old Garland building on North First street, as workmen are busy tearing out the old front and replacing it with a new and modern one. Burley Morris and Sol Cleveland recently purchased this building, and as soon as they have completely remodeled and reconditioned it will make it the new home of the Morris-Cleveland Drug.

W. B. Luna, postmaster at Dallas and Mr. Sims, president of Sears Roebuck and Company were business visitors in Lamesa last Wednesday.

**Eiland Farm Machine
Co. Moves Across St.**

The C. A. Eiland Farm Machine Co., local dealers for J. I. Case tractors and farm implements have recently moved across the street from their old location at the rear of Thornton Motor Company to the building formerly occupied by the Snyder Transfer and Storage Company.

**New Credit Manager
At Lamesa Auto Co.**

Allen Hunt, formerly of Lubbock has this week been employed as the new credit manager for the Lamesa Auto Company, and has assumed his duties at that place. Mr. Hunt will move his wife and baby to Lamesa as soon as suitable living quarters can be found.

**MISS MERRICK TO
BROADCAST NOV. 21**

Miss Ruth Merrick, of Lamesa, will be one of a group of music students at Mary-Hardin Baylor, Belton, to appear in the first of a Sunday series of radio broadcasts which will be made by the college. The first broadcast will be November 21, from 3:30 until 4 o'clock over KTEM, Temple. Miss Merrick will sing with the Chapel Choir. She is the daughter of Mr. and Mrs. A. H. Merrick.

**PIE AND BOX SUPPER
SOCIAL AT KEY**

There will be a box supper and pie social at Key school on Friday night, November 19. This will be an old-fashioned box supper, but an ultra-modern one. There will be an amateur contest for your entertainment, musicians and readers come prepared to entertain. A prize will be given to the winners.

The public is cordially invited to attend.

PERSONALS

Mrs. John Allen, Mrs. George Norman and daughter, were Lubbock visitors last Wednesday.

Mrs. E. R. Tinsley, Mrs. Arthur Hull, and Mrs. A. E. Jacobs spent last Wednesday in Lubbock.

Mrs. A. E. Jacobs and Mrs. Arthur Hull visited in Big Spring last Friday.

METHODIST NOTES

(Welch Charge)
Pastor leaving for conference with a full report. The people have wrought well, Welch being made a Mission Station a year ago the Stewarts had to raise assessment for the pastors salary; but it has been easier to pay this year than last. Our people are learning that its really religious to pay.

The church quilt was sold Saturday evening. We were pleased with the sale of it. It brought \$15.50. We had already received \$44.50 from names being worked on it, so all told the quilt brought \$60.00. This amount is in the hands of the building committee to be used on church. The ladies cleared \$22 on their food sale Saturday. We owe about \$300 on our new church which is valued at \$2,500, but have over one hundred in cash to apply on debt.

We are expecting to pay off the debt before the gathering season is over. We thank every one who has contributed in any way and invite you to come and worship with us.

You may have a new pastor another year, and you may have to put up with the old one. You will not hear from us next week, but will as soon as we are settled for another year. May the Lord bless every reader.—J. G. Walker, P. C.

FIRST BAPTIST CHURCH

The Sunday school attendance last Sunday was 505, a nice increase over the previous Sunday. Every department is working to keep the total attendance well above the 500 mark this fall. Comparatively, the Cradle Roll Department, with 23 present, was ahead for last Sunday.

The B. T. U. attendance was also over the previous Sunday, with the Primary union having the best attendance with 23. Their "Mothers' Night" program was very fine with a number of Mothers present. Mrs. Hattie Butcher is the leader.

Curtis Stafford and Miss Ludell Harp, Nov. 11.

Santiago Webber and Anita Cerna, Nov. 11.

Bentura E. Chebarria and Eusibia Garrisla, Nov. 12.

Dorothea Bidwell, Chevrolet master town sedan.

Clyde Edwards, Ford club coupe sedan.

A committee to suggest a 1938 budget for the church may be appointed next Sunday. The every member canvass will be conducted early in January.

In the adult department assembly last Sunday, C. I. Darling, educational director who is now in charge of adult work, spoke briefly on "Some Adult Department Needs." Miss Virginia Lindsey gave a very beautiful musical reading, entitled "My Prayer." Special music will feature the adult program next Sunday.

Personals: Mr. and Mrs. Marlon Mosely announce the arrival of a fine baby girl. Owen C. Taylor made a business trip to Dallas early this week. There were 78 Intermediates present Sunday morning. Mrs. M. C. Snell, primary superintendent, was absent last Sunday morning. The men's chorus met Monday night at the church and will sing a special next Sunday morning in the adult assembly.

"Saved to Serve" was the title of a book reviewed by Mrs. J. W. McDonald last Monday at the church. There were twenty women present. Next Monday at the regular business session, Mrs. McDonald will complete this fire review.

John Arnett of Colorado visited Mr. and Mrs. W. D. Arnett here Sunday.

UNION GRAMMAR SCHOOL NEWS

Last week was a very busy week after having been dismissed for one month. We had 10 new pupils to start in the grades from 1 to 6.

The school celebrated Armistice Day with the following program rendered at 11 o'clock after one minute of silent prayer.

Peace, and what is should mean to us T. C. Martin; America, The Beautiful School; America for Me, Harley Moore; Our Flag, second grade; Star Spangle Banner, School; Liberty Day, Bettie Lee Boreland; America, School; Pledge to the Flag, School; Lord's Prayer, School.

The second and third grades elected Mrs. L. W. Boreland as their room mother.

Mr. H. K. Humes, our superintendent, was a very welcome visitor last Friday

bringing us primary chairs, new curtains and shovels.

The honor roll for the first six weeks is as follows: To make the honor roll as pupil must make an average of 80 and be 100 per cent in attendance.

Second grade, Adell Crumpler; third grade, J. D. Boreland; sixth grade, Bettie Lee Boreland, Orthelina Hall, Melba Kinard, Elton Bankhead and Eugene Cook.

History of Agriculture Available Now In Printed Form

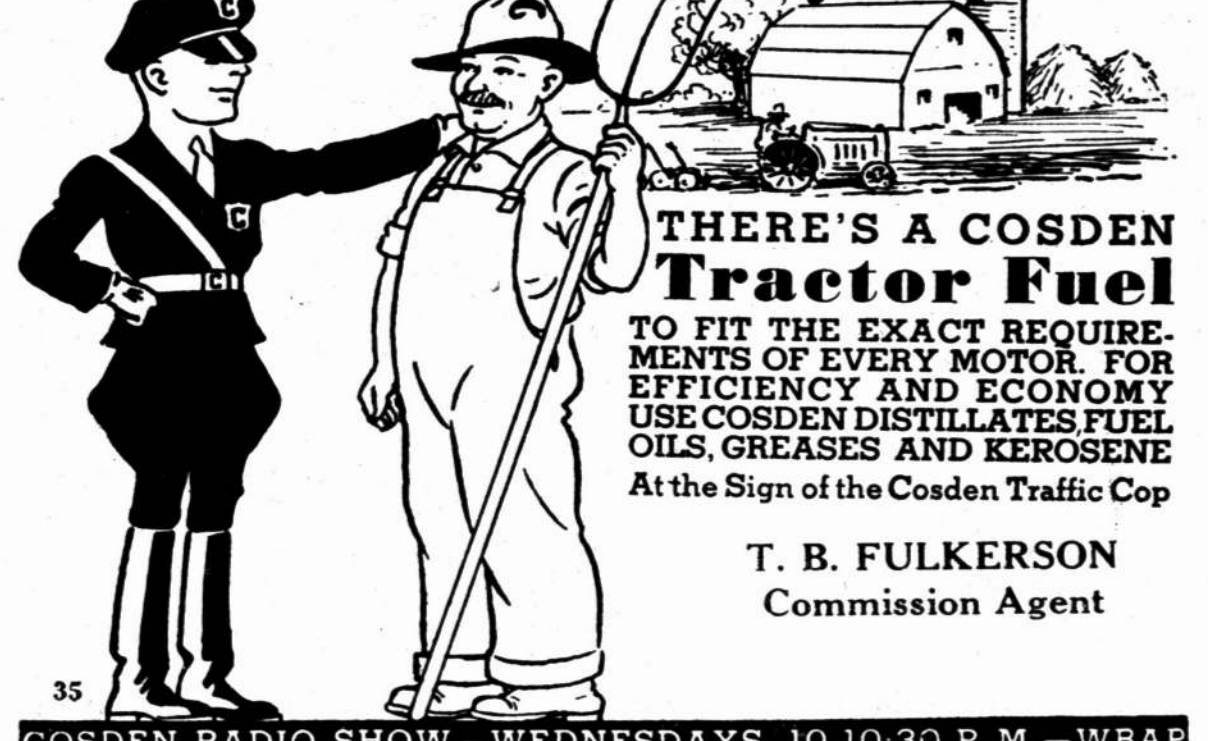

College Station, Nov. 15.—The story of the rise and development of the U. S. Department of Agriculture is now available in printed form on the oc- casion of its 75th anniversary, which is being observed this month. H. H. Williamson director of the Extension Service division of the Texas A. and M. College, has announced.

The publication, which was written by Arthur P. Crew, deals with the his- tory of the institution, which is an integral part of American agriculture. The Department of Agriculture, which was created when President Lincoln signed the bill on May 15, 1862, and the Land-Grant College System, of which Texas A. and M. College is a member and which was created on July 2, 1862, had practically simulta- neous births. The two institutions are intimately related in operation and are complimentary in function.

Turning back to the time when the acts were signed, the author says "Agriculture was at a crisis then, a crisis in which the principal need was more production. It is at a crisis now though of different kind. The modern difficulty, which still includes the need to increase the productivity of

The PEOPLE'S RED CROSS

PERMANENT INJURY AVOIDED—Demonstration at one of 1,600 Red Cross highway stations; here trained first aiders help to reduce accident death toll.

HAPPY HOME AGAIN—Dairy stock replaced by Red Cross on flooded farm; one of 250,000 families aided to self-support after flood destroyed all resources.

SALVAGE FROM THE FLOOD—Boy and dog view the family's worldly goods piled on river bank where Red Cross found them, provided shelter and care.

REFUGEE—The terrors of the flood linger with this infant, rescued by Red Cross.

EPIDEMIC HALTED—In this Red Cross field hospital, typical of 281 in flood area, a meningitis epidemic was averted by Red Cross doctors and nurses.

WORLD FRIENDSHIP—Chairman Cary T. Grayson of Red Cross with children of foreign ministries in Washington, representing Junior Red Cross all around the world. Eight million U. S. children are members.

A Year of Record Service

More than a million persons, flooded out of homes and livelihood by nation's greatest flood catastrophe in Ohio-Mississippi Valleys, rescued, fed, housed, clothed, and given medical care.

A quarter million families rehabilitated in homes, farms and small businesses in flood zone.

Relief fund of \$25,000,000 contributed by the public, expended for flood-stricken families.

Relief given in 115 additional disasters, 90 in the United States, 20 in insular possessions and 6 in foreign nations.

Red Cross public health nurses made 1,000,000 visits to the sick; 35,000 persons taught Home Hygiene and Care of the Sick.

220,000 persons taught First Aid; 80,000 persons taught Life Saving; 50,000 C.C.C. enrollees taught both courses.

1,600 Emergency First Aid stations established on highways to cut motor accident toll. Mobile First Aid units put into operation.

7,000,000 homes and farms self-checked for accident hazards.

8,000,000 school boys and girls enrolled in Junior Red Cross.

Aid given disabled veterans, their dependents and men now in active service. Civilian Relief given by Red Cross Chapters in 725 communities.

Service given by half million volunteers in flood, making garments, transcribing braille books for the blind, motor corps and canteen services.

The Red Cross operates through 3,700 Chapters and their 9,000 Branches. Every one who joins through the local Chapter supports these services to the public.

WHAT IS YOUR PROBLEM?—War veterans, their dependents, and service men, in hospital or out, are aided by Red Cross in solving their difficulties.

SWIM WITH SAFETY—Eighty thousand taught annually Red Cross methods of rescue and resuscitation of drowning. Pensacola visitors demonstrate carry poles.
