Waal, yas; I'm kind o'cranky 'bout it maybe,
But that thar paper means a heap to me.
You see, the time we lost our little baby
An' me an' ma wus heart broke ez could be—
Why, when that editor comes out an' praises
His little blameless life, his cunning way
An' speaks of him ez "sleepin' 'neath the daisies,"
It somewhatt helped to take the sting away.
I reckon that thar's lots of folks would rather
Some sprigh ly city daily from afar.
But in the hull wide world thar ain't no other
Can take our weekly's place with me an' ma!

AN EXTENSION

The Star Mill & Elevator Co., of
Amarillo, was represented in Plain-
view Thursday by Mr. F. A. Beech
He informs us that they are build-
ing a line of ten elevators to be sit-
uated as follows:

Hereford,
Canyon City,
Claude,
Panhandle City,
Pampa,
Dalhart,
Higgins,
Channing,
Plainview

Their elevators are steel clad.
Good storage houses in connection.
They are fully aquipped with mod-
ern machinery for a general grain
bussiness. An opportunity will be
given the citizens of Hale county to
take stock in the Enterprise. This
is one of the best things that has
been offered to Plainview. We
hope our people will take advan-
tage of it. If the farmer wants to
find a market right at home for all
the wheat, oats, corn, maize and
Kaffair corn he can raise, now is
the time to help to get it. All who
wish to take stock may do so by
calling at the First National bank.

An Editor's Snap.

Every once and a while some
cheerful individual remarks to us
"Well now that the paper is out
you can take it easy for three or
four days." Yes how delightful
it is that a country editor has
nothing to do between press days.
Business runs along automatically
when bills come due money drops
off the trees with which to pay them
Subscribers vie with each other to
see who can pay the farthest in ad-
vance, Advertisers beg for addition-
al space. And the way news hunts
up the editor is something pleasant
to contemplate. There is something
peculiar about the way news items
act. When the paper is out the Ed.
goes to his desk and leans back in

SUESINE SILK.

Every time you decide to have a new silk
gown, you can have **TWO** instead of one
—if you make it of SUESINE SILK.

This is how you do it:—Suesine Silk costs less
than half as much as China silk. So, for the price
of a single gown you can get two. And in addition,
each gown of Suesine Silk will wear far longer
than if China silk had been used. China silk is a
delicate fabric and will not withstand much wear.
In order to make Suesine silk strong and durable a
few strands of soft, firm Egyptian cotton are woven
into it, giving it a durability three or four times as
great as China silk. Thus the money you spend
for Suesine Silk secures not only two dresses in
place of one, but they also have far superior wear-
ing qualities.

The price of
Suesine Silk **50c per Yard.**

his easy chair and looks wise and
waits for next week's press day.

The day before press day the
people line up in front of the of-
fice door and then file past the desk
and tell him all the news of the
week. He writes it up in fifteen
minutes takes it and hangs it on the
hooks. The compositor takes the
copy shakes it over the type cases,
says a few mystic words, the type
flies into the places and after a few
passes by the foreman the forms
are ready for the press again. And
the editor goes down and deposits
some more money in the bank. It's

the greatest snap in the catalogue.
Now if the editor could do away
with the press day his joy would be
complete.-- Ex.

Entered as second-class matter July 10, 1905, at the post office at Tahoka, Texas, under the Act of Congress of March 3, 1879.

FRIDAY, FEB. 8, 1907.

Have you signed one those railroad contracts? If not, you had better get busy.

Do you want six dollar coal? If so, get out and chase signers for railroad contracts.

Quit raising sand about high prices and freight rates, and go to raising the bonus for the railroad.

What you chewing the rag for? When you can chew on the BONE-us, that won't give you lint on the lungs.

If you have to be any kind of a beat, dont be a dead beat, but beat the other fellow signing up on the bouns.

If you don't like to haul your cotton eighty miles to market, get to work and haul the market to your cotton-- donate to the bonus.

Say you farmers, you will gain as much by having a road as the merchants. So put your shoulder to the wheel and help raise the bonus.

When a company offers a town a railroad proposition it don't pay to put up any "keep off the grass" notices. Let them put the road where ever they want to.

Every body help raise the bonus, all that cant push can pull, if you are not going to do either, don't kick and hinder the other fellow. A man who kicks is worse than a horse that balks, the man knows better and the horse don't.

Get into the band wagon of progress, and toot for the railroad for all you are worth, it will mean prosperity and growth, for Tahoka and Lynn county in particular and the Plains in general. If you can't get a great big horn, borrow a Jews harp from some body and get busy.

How about your horse. is hethreatened with blindstagers? If so, you had better hurry over to the Tahoka Drug Store and get some International Stock Food, better get some anyway.

When the railroad committie comes back and says what have you done Tahoka? We don't want to be like the old darkey who said, "Well sah when I ketches dis one whats biten, and ten more, dat makes leben." We want to be like the other old darkey who had "cotch all dey is in de crick and I's scraping de bottom fur sum mo."

International Stock Food for sale at the Tahoka Drug Store.

Mr. W. C. Cowan happened to quite a painful accident last Sunday. While on the way to his farm south of town he was thrown from his horse and had his arm broken at the wrist. The horse was a pet and Mr. Cowan thought it perfectly safe. The wound is doing nicely at present.

I have just installed a new feed crusher and will keep chrushed feed on hand at the yard all the time.—C. H. Peters.

Walter Robison and family left Thursday for their new home sixteen miles east of town. They have been living in town for the past year.

Sewing, Cleaning and pressing done at John Thomas's, by Mrs. Thomas and Mrs. Jessie Brown, at reasonable prices. Give us a trial.

J. H. Conway and wife left Tahoka Wednesday afternoon for their new home near San Angelo, where they have taken up eight sections of land. They will be missed greatly as they have lived in Lynn County ever since it was organized.

Bring your feed to the chrusher and do your grinding with your own team.—C. H. Peters, southwest corner square.

Mr. Whipp has moved to the Porterfield house in the south side of town.

The red flag in front of the News office dont mean that we have anything "ketchin" that is George Curtis' telephone flag and means that the Lynn Co. News is going to have a phone same as anybody.

We quote the following extract from a letter recieved from H. C. Randolph of Plainview.

I note that you have built a new house, and am indeed glad that the editorial head is sheltered from the rude blast of winter, and that while you cannot say that you recline under your own vine and fig tree, yet the plains breezes are kept away from you and life made more pieasant by owning your own dugout.—Much obliged for your kind wishes friend Randolph. We certainly appreciate being in our own dugout. We don't hope to ever have a fig tree, but we are going to have a vine next summer that wilt make your head swim, if it is nothing but a pumpkin vine.

HOW TO DEAL WITH THE BUTCHER.

It is quite as true that wisdom is money as that time is money, and never so true as when dealing with the butcher. To know how to buy a piece of beef that will cost only twenty cents but when cooked al- right will be as delicious and as nourishing as one which cost forty cents means money to the house- wife. Many housewives, however, do not even know one cut of beef from another except as the butcher labels it. Along these lines a series of articles in the New Idea Woman's Magazine is giving information. Miss Elizabeth Morrison, the well known writer on food topics, talks of "The Hind Quarter of Beef" in the February number, of good recipes, such as pot roast and beef- steak rolls. The future numbers will take up veal and lamb in the same way.

RISE FROM THE GRAVE.

A prominent manufacture, Wm. A. Fort- well, of Lucama, N. C., relates a most remarkable experience. He says: "After taking less than three bottles of Electric Bitters, I feel like one rising from the grave. My trouble is Bright's disease, in the Diabetes stage. I fully believe Elec- tric Bitters will cure me permanently, for it has already stopped the liver and blad- der complications which have trouble me for years." Guaranteed at the Tahoka Druggist, Price only 50c.

Mr. Hunter of Fort Worth is in town completing arrangements for a home here he expects to settle among us. We are glad to wel- come him to our town and hope he will be a permanent citizen.

HUNTING FOR TROUBLE.

"I've lived in California 20 years, and am still hunting for trouble in the way of burns, sores, wounds, boils, cuts, sprains, or a case of piles that Bucklen's Arnica Salve won't quickly cure," writes Charles Walters, of Alleghany, Sierra Co. No use hunting, Mr. Walters; it cures every case Guaranteed at the Tahoka Druggist, price 25c.

An Apron Party.

An apron party at Mrs. Swan in honor of Miss Trixy Swan was the social event of the week. The apron hemming being the chief feature of the evening the boys selected the aprons they wished to hem and were promptly set to work. After a great deal of hard work and mistakes by the gentlemen and lots of advice and encouragement from the ladies and the task was finished and Mr. Swan and Otis Shook as judges, awarded the prize a box of handsome stationery to Joe Stokes for the neatest work.

The remainder of the evening was spent in games and conversation. Mrs. Swan is a model hostess and all who were present voted the evening one of the most pleasant of the season. The personal of those present were:

Misses, Ethel Franklin, Lula and Dela Gilmore, Linnie Bigham, Mary Whipp, Lula and Annie Cowan, Manday Leedy.

Messers Joe Elliott, Geo. Foly, Cecil Whipp, Dr. S. H. Windham, Otis and Cloyd Shook, Chas. Kelley, Robt. Terrey, Joe Stokes, Thos. Eaton, Hy Bossitt, Winston Joplin.

Happy Jack.

DENTIST.

Dr. W. G. Hay of Lubbock will be at the Tahoka Drug Store Monday Feb. 11. If there is any thing the matter with your teeth come and have them pulled, filled or rebuilt just as your case may need.

Mrs. Peters and children are visiting relatives at Colorado.

The song of the "saw and hammer" still makes sweet music in Tahoka. Some folks said last summer that the building boom would drop off when winter set in but we can't see much difference. House building is the most engrossing occupation of the times and carpenters are the most popular men in town.

The More Facts.

A cow is an animal with four legs on the underside. The tail is longer than the legs, but it is not use to stand on. The cow kills flies with her tail. The cow has big ears that wiggle on hinges; so does the tail. A cow is bigger than a calf but not so big as an elephant. She is made small so she can go into a barn when no one is looking. Some cows are black some hook. A dog was hooked once. She tossed the dog that worried the cat that caught the rat that caught the maul that lay in the house that Jack built. Black cows give white milk; so do other cows. Milkmen sell milk, to buy their little girls dresses, which they put water and chalk in. Cows chew ends and each cow find her chew. This is all there is about cows.—Western Publisher

Did you know every man in the county has an Auto? Well any way he's got an oughto sign a bonus.

The stockman who has registered stock can not do better than help along any plan to get a railroad near him. If you are to get the top of the market your stuff must get there in tip top shape.

It can't do that and walk a hundred miles to a shipping point.

There is considerable sickness in Tahoka caused by Grippe and severe colds.

Real estate is at a premium since the last railroad meeting.

E. L. Sewald of Borden Co. brought a load of house hold goods for his son-in-law Drew Wilson this week. Mr. Wilson is a former resident of Tahoka and will follow his trade with Mr. J. C. Nevill.

Mr. C. G. Alford believes in spreading the good "News" and Mr. M. B. Walters of Joshua Texas will be made happier by reading the Lynn County News for one year.
