

Fun Farewell Tuesday for Jack King

A special fun farewell to Jack King has been set next Tuesday, October 7, 7:30 p.m. at the Post Community Center, open to the public free of charge. Sponsored by friends of Jack King, the event is designed similar to a "Roast" with a wide variety of comments from King's friends on his accomplishments and contri-

butions to the community. King, president of the First National Bank, is moving to Borger. "We want everyone to come and join the fun," Patty Kirkpatrick emphasizes, "and we promise a good time and a chance to express our thanks to Jack." Refreshments will be served.

Garza County News Briefs

Grassland Reunion

The annual Grassland Reunion will be held at the Grassland Community Center Sunday, October 26. The noon meal will be catered by Jackson's of Post.

The charge is \$5 per plate and tickets must be reserved no later than October 10 by contacting C.W. Roberts in Tahoka.

In conjunction with the reunion the Grassland Community Nazarene Church is having a special service Sunday morning at 10 a.m. to 11:15 a.m.

Anyone having old pictures and news of Grassland is asked to bring them for the history book of Grassland.

Lions Club Helps

The Post Lions Club will be helping the Texas Boys Ranch with their 12th Annual Telethon which will be held Saturday, October 4, from 7 p.m. until midnight on Channel 28, KAMC.

The five-hour program will give West Texans a prime opportunity to call and make tax deductible contributions to Texas Boys Ranch, an organization which provides 26 boys with a stable home environment.

Residents of Garza County will be able to call in their donations to 495-2831 or 495-3924.

The Boys Ranch have a goal of \$75,000 to be raised this year.

Tax Statements

Residents of Post will not be receiving a tax statement from the Post ISD since the tax rate has not been set at this date.

Jean Westfall, of the Garza County Appraisal office said that all other tax statements have been prepared to be mailed and residents should be receiving them sometime this week.

Bill Craig Art

Featured at Algerita

A special exhibit featuring the art works of Tahoka's Bill Craig will be on display at the Algerita Arts Center during the month of October.

The center is open Thursday and Friday afternoons from 1-5 p.m. and will be open Saturday, October 4 from 9 a.m. to 5 p.m.

Craig's latest work, a 192 square foot mural in the Tahoka museum, depicts the Tahoka Lake area before the arrival of western civilization.

A self-taught artist, Craig began his career by painting on his mother's old

sheets and drawing on almost everything.

His gallery in south Tahoka, features his work and houses his foundry, where he fires his own bronzes.

Craig's sculptures of windmills, pumpjacks and ranch scenes are widely distributed throughout this area.

He was raised in the Garnolia Community and attended school in Post.

Craig's wife, Margie Roberts, was raised in the Grassland Community and attended school in Tahoka. She is employed at the First National Bank of Tahoka.

Post Antelope Boosters Line Up Friday on Avenue S for Team

Post Antelope Booster Club president Clyde Cash is urging fans to line Avenue S Friday afternoon to show support to the football team as it departs for Roosevelt.

"Bring a sign if you can, if not, just come out and park along the street and help us cheer the team..."

Cash emphasizes.

Team busses are scheduled to leave the field house at approximately 4:45 p.m. and fans should be on Avenue S by 4:30.

"This is an important game and the players need to see us and hear from us," Cash adds.

County Quizzes Chief Probation Officer

The Garza County Commissioners met in regular session Monday, September 29, with Wilbur Ray, Chief Probation Officer for Dawson, Gaines, Garza and Lynn counties.

Ray was before the commissioners to explain why the secretary for the Garza County Probation Officer had her hours and salary cut.

The question was raised because the county agreed to pay one month's salary for this position and then was not informed of the reduction until it happened.

"We're second in probation fees and you cut our people," Judge Giles Dalby stated.

"We want an explanation if anything," Dalby continued.

Ray explained that the state had made every probation department meet a 60-40 split, that being 60 percent probation officers and 40 percent support staff.

"I don't like it but I can't help it," stated Ray in explaining the reduction of time and salary in all but Dawson county.

The commissioners agreed to sign the "Memorandum of Agreement" presented by Post Chamber

of Commerce Manager Lewis Earl.

"With the down turn in oil and agriculture we are competing with other communities for industry to come to us," Earl stated.

Earl emphasized that this was not a financial obligation, but just an outline of responsibility in conjunction with the city, Chamber of Commerce and PEDC.

County Extension Agent Colleen England presented the commissioners with monthly reports.

The county agreed to pay the rent for the 4-H Achievement Banquet to be held October 11.

England also informed the court of County Agent Syd Connor's farm tour that will be October 7 beginning at 9 a.m.

The commissioners considered a petition signed by voters from precinct four to have a special ballot for bingo in the November 4 election.

The commissioners voted to do so.

The only bid for a radio to be put in the Sheriff's department came from Motorola.

The radio is an eight-channel Control Console Model T1617-M at a cost of \$5,885.50.

The commissioners agreed to purchase a sign displaying a directory of services for Garza County Mental Health and Mental Retardation.

A letter was shown to the commissioners telling of

Dee Justice and Sheila Melton completing a 20 hour course in duties of the Justice of the Peace.

Attending the meeting were Dalby and commissioners Herbert Walls, Tommy Young, Ted Aten and T.D. Craft.

Post Notes

by Wes Burnett

Monday evening I saw what I think was a tornado off to the northwest in the cloud that was reported to be near Southland.

It was the first time in my life that I have actually seen a tornado in real life...and with the flash of lightning I saw the wicked hook dangling down from the low "wall" cloud.

The stormy weather was a reminder that we live in an exciting and volatile climatological area.

Fortunately, none of the spotted tornadoes did any damage...although there were numerous reports of flooding and hail.

It is that time of the year...when the seasons are beginning to change.

For years I have been fascinated with the tremendous power of these tornadic conditions...I re-

member in the early 1950s when a hurricane was due to strike the coast of south Texas...I looked skyward anticipating the tornadoes that were reported coming out of the storm.

Hurricanes are different than our thunderstorms here...spending 15 years of my growing up days in Brownsville, I came to understand "Hurricane Tracking" and the nervous excitement that goes with that.

But until coming to West Texas, I never really understood the fear that tornadoes can bring.

They pop in and out, unannounced, dangerous and especially at night when a lot of folks are sleeping.

Hurricanes are watched for days...lots of advance warning...they too are dangerous...but at least people have enough warning to get out of the way...

With tornadoes, you don't know whether to find a basement, or when...you see the little warning on the t.v. screen and sit with an uncertain feeling about what to do...

Many of us wander outside and check out the clouds.

But still the doubt remains...even after seeing the tornado dip from the cloud...miles and miles away...I didn't feel threatened...perhaps I haven't been in West Texas long enough to learn this fear.

I did at one time...when stationed at Reese AFB in 1966, the warning came that a tornado was on the ground three miles northwest and headed for the base.

The sirens blared, the security police raced through the housing area announcing on their public address speakers to take cover immediately.

It was late evening...first we opened all the windows in the duplex apartment...that was what we were told to do.

Then we pulled two mattresses off the beds, took our two little boys and

(Continued on Page 9)

ASCS Extends Comment Period

Victor Ashley, Director of the Garza County Agricultural Stabilization and Conservation Service, reports that the comment period

for interim rules on highly erodible land and wetland conservation ends October 25.

The comment period was

extended beyond August 26, the previous closing date, because of complexities in implementing the new conservation provisions of the Food Security Act of 1985.

"The regulations disqualify farmers for certain

USDA program benefits if they produce crops on highly erodible land without following a locally approved conservation plan, or if they produce crops on

converted wetland," Ashley said.

He said, to allow farmers to produce crops on these acres and also be eligible for various farm program

(Continued on Page 2)

1987 Goal Established

The 1987 Garza County United Way campaign goal has been set by the board of directors at \$14,750 and will kick off with a residential door-to-door drive Thursday, October 9.

Spearheaded by Theresa Harp, the neighborhood canvassing is designed to give individual contributors a convenient way to participate in the campaign.

Those interested in helping with the door-to-door drive should contact Mrs Harp at 495-2467 or Carol Peppers at 495-3191.

The board approved budget requests as follows:

Boy Scouts - \$3,000;
Red Cross - \$500;

Girl Scouts - \$3,500;
Salvation Army - \$1,000;
Babe Ruth Baseball - \$2,100;
Little and Minor League Baseball - \$3,000;
Garza Mental Health and Mental Retardation - \$1,000;
Texas United Way - \$50;
Garza County United Way - \$100 (supplies);
Garza County Child Welfare - \$500.

Debbie Macy will serve as campaign coordinator for farm and ranch.

Serving on the board are Jack Alexander, Carol Peppers, Debbie Macy, Kathy Rankin, Janie Davis, Glenda Shobe, Joe Duran and Wes Burnett.

GARZA County united way board of directors Joe Duran (left to right) Glenda Shobe, Debbie Macy, Carol Peppers and Jack Alexander review the budget for the 1987 United Way Campaign.

Justices of the Peace Dee C. Justice and Sheila Melton.

Justices of the Peace Attend Training Seminar

Dee C. Justice (JP4) and Sheila Melton (JP1) were among 75 justices of the peace from Region 10 attending a 20-hour seminar September 9-12 in Amarillo conducted by the Texas Justice Court Training Center headquartered at Southwest Texas State University in San Marcos. The seminars are held in compliance with Article 5972, Section B, of the

Texas Revised Civil Statutes.

Topics covered include justice court venue, defensive driving, forcible entry and detainer statutes, license and weight laws and new game and fish laws.

New legislation relating to the justice court that was passed by the 69th State Legislature was also reviewed.

Reserve Program

(Continued from Page 1) appeared to be eroding at greater than 3.5 times the tolerance level at sign-up time is automatically accepted.

Land that appeared to be eroding between 2.5 to 3.5 times the tolerance level was declared questionable; Soil Conservation Service personnel will determine final estimated erosion rates on a field by field visit to this land.

Any questionable land that is determined to be eroding at an estimated rate of more than three times the tolerance level with an acceptable bid will be placed in the reserve.

In determining estimated erosion, SCS personnel use the Universal Soil Loss Equation for water erosion and the Wind Erosion Equation for wind erosion.

SCS conservationists are now in the process of preparing conservation plans on land accepted in

CRP.

Cropland will be planted to grasses and legumes, wildlife plantings, windbreaks, or trees.

For land accepted into CRP, farmers will receive their per acre bid annually for ten years.

They will also receive 50 percent cost-share assistance for establishing permanent vegetation or trees.

Museum Needs Brands

Be sure to bring your branding iron to the museum on Saturday, for the branding of the wall in the hallway.

This is another fund raising project, and your help is greatly appreciated.

THANK YOU

Post FFA would like to thank everyone who helped make this years Homecoming Bar-B-Que a Big Success.

A special thanks to Palmer's Well Service for cooking the brisket.

We have two pound packages of Bar-B-Que available at Jackson's Meat Locker at \$4 per pound.

Official Court Records

106th District Court
Judge George Hansard, presiding
August 7 - Geronimo Perez, order to employer to withhold income for child support.

August 19 - Bill Criswell vs Norris Brent Moore - Ralph Moore to recover from Criswell and third party Ruben Gonzales amount of \$200 and that Southern Farm Bureau Casualty Insurance Co. recover from Criswell and Gonzales \$5,000.

August 25 - Antonio Gomez, order to employer to withhold income for child support.

Garza County Court
Judge Giles Dalby, presiding
August 20 - Paul Rodriguez, illegal parking, \$95.

Grover Allen Pearson, revoking probation for violations.

Grover Allen Pearson - DWI, \$510.

Joe Angle Guerrero - driving while license suspended, \$235.

Eddie Price Richardson Jr - DWI, 24 month probation, \$435.

Jessie Tijerina Rodriguez - DWI, 24 month probation, \$535.

Robert Ortiz - DWI, 24 month probation, \$385.

Roger Dale Martinez - DWI, 24 month probation, \$585.

ASCS Comments

(Continued from Page 1)

benefits, would encourage increased soil erosion and loss of wetlands.

"This situation has, in the past, contributed to commodity surpluses and depressed farm prices."

Under the regulations, farmers who have highly erodible land have three options:

(1) Produce agricultural commodities on the highly erodible land without using an approved conservation plan, and lose their eligibility for covered USDA programs;

(2) Apply conservation plans developed by the soil conservation service that will reduce excessive eros-

ion on highly erodible cropland, and retain their eligibility for covered USDA programs;

(3) Apply to enroll their highly erodible land in the conservation reserve program if they meet the criteria for the program.

Farmers who produce agricultural commodities on newly converted wetland lose their eligibility for USDA benefits.

Farmers and other persons interested in commenting on highly erodible land and wetland conservation provisions should write to the Director, Cotton, Grains and Rice Division, USDA-ASCS, P.O. Box 2415, Washington, D.C. 20013.

Carla Odom, Chris Harmel Announce Wedding Plans

Mr and Mrs Marvin D. Odom are proud to announce the engagement of their daughter, Carla Michelle, to Christopher William Harmel, of Lubbock.

The couple plan a December 6 wedding.

The bride-elect is a 1985 graduate of Post High School and is employed by

Pro-Nursing in Lubbock.

The groom-to-be is a graduate of Monterey High School and South Plains College with an associates degree in Electronic Technology and is continuing his education at Texas Tech towards a bachelors degree in Electronic Engineering Technology.

Post 4-H Club Elects Officers

by Gina Basquez

The Post 4-H Club held their first 4-H meeting on September 22, 1986 at the Post 4-H barn.

Officers were elected at this meeting with the following: President - Jimmy Holleman, Vice-President - Robert Gill, Secretary - Brandon Bird, and Reporter - Gina

Basquez.

Council delegates elected were Shawn Bevers and Gina Basquez.

We also elected our sweetheart who is Melanie Reece.

We encourage all of you to join 4-H.

Our next meeting is October 13, 1986 at 7:30 p.m.

Happy 22 Richard 2

Love Mom, Dad and Tim

McClellan Has Shower

Roxanne McClellan was honored with a bridal shower September 23, 1986 at the First National Bank Community Room.

Patti Wuensche registered approximately 70 guests. The table was decorated in pink with silver appointments.

Jayta Ticer served punch to the guests.

Hostesses for the occasion were Mary Stone,

Debbie Macy, Jean Morris, Wanda Morris, Jane Terry, Judy Bush;

Jane George, Marianne Hart, Johnnie Norman, Kay Hays, Joy Greer, Kathy Fluitt, Yvonne Kennedy;

Margie Pennell, Alma Williams, Lola Ledbetter, Delores Redman, Jennie Cowdrey, Laveta Norman, Bonnie Tyler and Billie Redman.

'Pioneer Ladies' Honored By Woman's Culture Club

by Doll Haire

The Woman's Culture Club met September 24 in the First Christian Church, with Estelle Davis and Katherine Cathcart serving as hostesses, assisted by Carol Williams.

Maxine Earl, president, welcomed the members and guests.

Patty Kirkpatrick, president of the Post Chamber of Commerce, was introduced. She expressed her disappointment in not being able to have the parade with the Wagon Train as planned, but the old fashioned "Camp Meeting" went on as scheduled.

For the most active or involved Pioneer Woman contest, Patty introduced and presented each one with a certificate of recognition, with her appreciation for their participation.

Each lady was asked to tell an event that was special to her. Ruby Kirkpatrick told of her experience working with a group of women at the mill, known as the Union Aid.

It consisted of studying the bible and giving aid to the needy and unfortunate. This was most rewarding.

Lucy Callis told of her experience as a young girl teaching school in a one

room house. She taught in several school in Garza County, helping to mold the lives of those young students was most gratifying.

PeeWee Pierce was always interested in young people, urging them to read and study and suggesting ways to help them achieve their goals.

Penny Rains told of her life as a rancher's wife, working by his side, doing anything that needed to be done including feeding cowboys or helping a neighbor. She says it was a good life for her.

Lillian Potts expressed her joy in teaching under privileged students and later seeing them and learning what they had achieved a successful career. Knowing she had a part in their accomplishments was most rewarding.

Lois Cook concluded the program with a resume of the life of Hannah Burton.

Those present at the meeting were Mmrs Earl, Davis, Cathcart, Cook, Potts, Ruby Kirkpatrick, Joyce Strubhart, Peggy Ellis, Danielle Chapman, Doris Wilson, Ada Buchannan, Cora Fleming, Doll Haire and guests Patty Kirkpatrick, Lucy Callis, PeeWee Pierce, Penny Rains and Williams.

Graham 4-H Club Elects Officers and Sweetheart

by Tina Brumbalow

The Graham 4-H met September 22 with the following members:

Salli Bush, Trevah Bush, Traci Bush, Lorrye Ledbetter, Traci Tannehill, Keitha White, Tina Brumbalow, Clay Cowdrey, Krista Kemp;

Cheryl Thompson, Delynn Wood, Darren Wood, Ron Graves, Angela Graves, Blair Didway, Maggie Flanigan, Doug Flanigan, Shelly Haney and Amber Crenshaw.

Adult leaders are Linda Wood, Rebecca Haney, Orabeth White, Diane Graves and Debbie Ledbetter.

We met to elect club officers president Blair Didway, vice president Angela Graves, secretary

Cheryl Thompson, reporter Tina Brumbalow, council delegates Bart Mason and Trevah Bush, alternates Darren Wood and Traci Bush and club sweetheart Angela Graves.

Curtis Honored For Academic Achievement

Mrs Melba Curtis has been honored at South Plains College for academic achievement on the Dean's List.

She is the daughter of Mrs Ernestine Wynne and the late Alphenus Wynne of Post.

Now... through the holidays we'll be your hosts for as many Trim-A-Tree cards as you care to fill. Pick up your playing cards in-store. Free!

Then with each purchase of \$15.00 you'll get a "coin sticker" to put on your tree.

With each tree you fill, you'll be 600 extra stamps closer to the easiest, no-cash, no-shopping Christmas gifts—ever! Partially filled cards are worth 1 Hi D-10 stamp per sticker.

Redeem Early!

You'll get the best selection of beautiful gifts. You'll save time. And save yourself a bundle to boot!

So, trim all the trees you can!

Pick up your playing card today
and pick up extra gifts—for Christmas!

When you fill your card we'll give you
a special Trim-A-Tree certificate good for
600 S&H Green Stamps.

Brownfield Feels Pinch as 'Lopes Win 51-22

by Wes Burnett
Post Antelope senior quarterback Jay McCook threw four touchdown passes and carried the ball into the end zone twice to lead the team to a 51-22 rout of the Brownfield Cubs in the district opener here last Friday.

Three of McCook's touchdown passes went to fleet-footed split end Marvin Lee and one to tight end Steve Price.

Tailback Mike Bartlett put on a 77 yard show for the fans and fullback Randy Lewis ripped off a 54 yard scoring jaunt.

The Cubs kept the game interesting, taking advantage of six Antelope turnovers, five of them fumbles and one short kick off which Brownfield recovered late in the game.

The Antelope defense had its hands full with Brownfield's Gaylon Reed and a heavy passing attack by Rusty Blankenship.

The 'Lopes scored first with 6:48 left in the first quarter as they took possession following a Brownfield punt at the Post 47 yard line.

Mixing up running by Lewis, wingback Ben Kirkpatrick and Bartlett, on third down from the Brownfield 26, McCook rolled to his left and lofted the ball downfield to Lee who had outpaced the Cub defender.

Brownfield came back and marched to the two yard line before the 'Lope defense popped the ball loose from Blankenship and Greg Windham pounced on it at the four.

Going into the second quarter, the 'Lopes ran out of gas at the 13 and were forced to punt on fourth down.

Brownfield's Randy Perkins took the punt at the 50 and returned it to the 45, as two flags hit the ground.

Officials huddled at midfield, then moved the ball back to the line of scrimmage...marking off five against the 'Lopes to the eight, then 10 against the Cubs for clipping to the 18, and a first down for the 'Lopes.

McCook went to work, with Bartlett carrying twice to the 42 where Brownfield picked up a

personal foul penalty for a late hit out of bounds, putting the ball at the Brownfield 44.

Lewis went over left guard to the 40 and then on second down McCook rolled to his left and threw the ball deep into the end zone behind the Cub defender into the hands of Lee for the second touchdown.

On the two point conversion McCook rolled left and found Kirkpatrick in the corner.

The Cubs muffed the kickoff, setting up a first down at their own four...Reed went to the 11 and then on second down he was hit hard at the line and lost the football, again with Windham getting the recovery for the 'Lopes.

Starting at the nine, Bartlett went to the seven and on second down McCook played the option left, skirting toward the end zone flag for the touchdown.

Leading 20-0, the defense, with pressure by Clay Cowdrey, Windham and Anthony Perez, held and gave the 'Lopes another shot.

The drive was stopped after three plays as Bartlett fumbled on the Brownfield 45.

Again the defense showed its stuff, with Blair Didway, Kirkpatrick, Lee, Tony Angerer and Michael Ayala handling the pass defense.

Getting the ball back after a fourth down at the Post 32, it took only six plays to hit paydirt, coming on a wild scramble by McCook on second down from the Brownfield 11.

The big play of the series was a screen pass to Kirkpatrick on second down, who blasted down the left side to the Brownfield 39.

Bartlett ran hard over right end to the 22 and then Lewis ripped off 11 more to the 11.

McCook rolled to his right, couldn't find a receiver open, looked like he was hemmed in on the sideline, broke loose from a would-be tackler, came back to his left, avoided another tackler and picking up a key block from Greg Benham, headed for the left

end zone corner...putting the 'Lopes out front 26-0 at the half.

Second Half Action
Brownfield came out in the third quarter determined to make a game of it, scoring on its first possession, with the big play coming on a long pass to the six yard line.

Blankenship took it into the end zone from the two, and pass made it 26-8.

The Antelopes got the ball back, and on second down Bartlett fumbled again, giving the Cubs a shot from the Post 29.

Five plays later the game got more interesting as the Cubs trailed 26-14 after Reed caught a pass on the 10 and slipped into the end zone.

The touchdown may have served to fire up the 'Lopes, as they came out smoking...following the kickoff, on first down McCook handed the ball to Bartlett, who got excellent blocking at the line and left Cubs on the ground as he cut left, then right and headed for the goal line.

The 77 yard scamper opened the flood gates for the Antelopes.

Defenses ruled into the fourth quarter, forcing Brownfield to punt from their own 20 to the Post 46.

It took 10 seconds for Lewis to put another six on the score board as he went over right tackle and took off past the secondary defenders to the end zone for a 54 yard run.

Brownfield kept the 'Lope defense busy on a nine play drive getting to the Antelope 28 before running out of steam.

Richard Curtis, Perez, Tyge Payne, Lee and Brian Gibbs highlighted the defensive effort.

Post got the ball and on first down fumbled, giving Brownfield a first down at the 30.

One play later Perez intercepted a Blankenship pass at the five yard line...setting up another 'Lope touchdown.

Bartlett carried four time in the drive, Perez once and McCook threw to Price for a first down

and kept the ball on an option over right tackle for a first down at the Brownfield 48.

On first down McCook dropped back and hit Lee coming across from the left to the middle at about the 35 yard line, and the speedy receiver slipped through two defenders and to the end zone.

With 4:32 left in the game, the 'Lopes led 44-14.

Brownfield couldn't move the ball and turned it over on fourth down at the Post 44...where on first down quarterback Eric Reece handed the ball to Perez, who dropped it on the ground.

Brownfield tried again and got into the end zone as Reed took a pass at the 20 and broke two tackles for the score.

The two point conversion made it 44-22.

A squib kick bounced high above the front line on the kick off team, and Brownfield got the ball at the Post 47.

With 1:08 remaining in the contest, the 'Lope defense was

called on again...a penalty set the ball at the Brownfield 42 and on second down Angerer chased down Blankenship, sacking him at the 35.

Brownfield's Santos Morales was ejected from the game by the officials following the play, apparently for comments made to an official. The penalty set up second down at the Cub 20 with 45 seconds left in the game.

The 'Lope defense stopped the attack with Didway cutting off a pass and Eddie Moat and Ayala keeping Reed in tow.

The 'Lopes called time out with 15 seconds left and the Cubs facing fourth down.

The desperation pass went deep and was intercepted by Perez at the Cub 45, and returned it down the left side to the 13.

With three seconds left in the contest, McCook rolled to his right and found Price alone in the end zone for the final touchdown.

Derrick Dunn added the extra point.

Anthony Perez steps in front of Brownfield's receiver for a pass interception during second half action last Friday here

Richard Curtis (on the ground) slows down Brownfield's Gaylon Reed as Greg Windham (87), Ben Kirkpatrick (30) and Marvin Lee (80) close in.

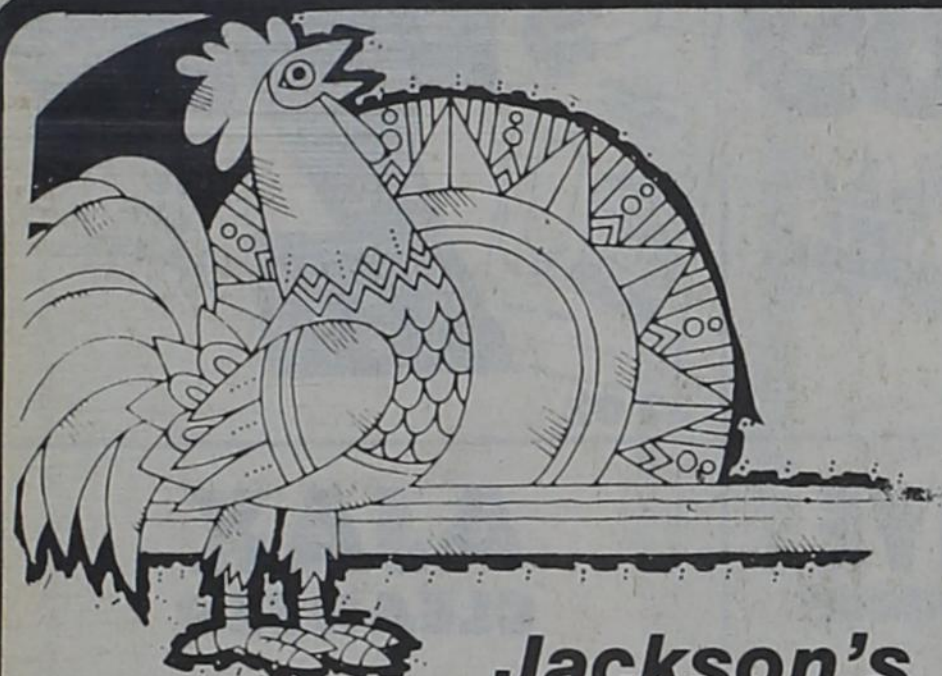

Ben Kirkpatrick scampers for a first down on a screen pass play.

Eagles Will be Tough

The Roosevelt Eagles are big and aggressive, and are ranked number one in area AAA teams on defense.

"We're really going to have to play good to win this one," Post Antelope coach David Thompson comments about this Friday's contest at Roosevelt.

"One thing, we can't afford to turn the football over five times like we did against Brownfield," he added.

Thompson says that he was pleased at times with the defense, but the team showed weakness in spots.

He particularly emphasized the need to improve on the kicking game and "we need to be more intense and play full out on every play."

Thompson also emphasized the importance of strong fan support for the team, particularly at Roosevelt.

"We really can't stress enough how important it is to the team to have the fans out in big numbers and making lots of noise for us," the coach adds.

The Eagles, undefeated this season, took out highly touted Idalou 27-7 last week.

They opened with a 38-12 win over Dimmitt, beat Floydada 26-7 and Canadian 14-12.

The Eagles favor a fullback

oriented running game with 181 pound senior Mike Damron (44) carrying the load.

The Eagles also mix up the running with speedy tailback Greg Sheppard (9), a 152 pound junior.

"He is fast and likes to get outside...we'll have to stop him to win," Thompson adds.

Quarterback Kent Thomas, a 123 pound senior with good speed, likes to throw the football to 6'4" 170 pound senior quick end Rick Willis (88).

Other Eagle starters are 179 pound senior strong end Frank Galindo (81), 205 pound senior strong tackle Bill Terry (77), 156 pound senior strong guard James Michael (67);

Senior Elijah Vasquez (55), a 214 pound junior center; 185 pound senior quick guard Curtis Rojas (66), 195 pound junior quick tackle Ernest Macias (70), 140 pound junior tailback Felix Arroyo (3) and 165 pound senior wingback Eddie Adkins (21).

Defensively the Eagles are noted for hard-hitting, aggressive tackling, led by 220 pound senior tackle Ed Gomez (71).

Listed as the best linebacker is 187 pound senior Vance Schuffe (33) who also plays at the nose guard position.

Kickoff time at Roosevelt is 7:30 p.m.

Blair Didway (22) stops Brownfield runner as Tony Angerer (76) comes in on the play.

8th Grade Wins 36-6

The Post 8th grade football team put another victory on its record last Thursday with a 36-6 win over visiting Brownfield.

Bobby Curtis stunned Brownfield on the opening kickoff with an 80 yard touchdown run and Tony Patterson took the ball into the end zone for the two point conversion.

On the next possession, the young 'Lopes struck again on first down as Darren Brown broke through the secondary on a 75 yard touchdown scamper.

In the second quarter Patterson scored again on a 20 yard run on the first play of that drive and Dustin Massey got the two pointer.

In the third quarter Brown scored again from five yards out following an 11 play, 67 yard drive.

Patterson capped the scoring on a 24 yard run in the fourth

quarter at the end of a six play, 43 yard drive. Floyd Slay got the ball in for the two point conversion.

Jr Gonzales played well defensively as did Slay, Joe Garcia, Patterson, Russell Benham, Eli Quinones, Ruben Morales, Massey, Joey Quintana and Daniel Freeman.

"Lance Bland played well and intercepted a pass in the fourth quarter, returning it 20 yards," coach Darrell Radle comments.

Offensively, the coach compliments Garcia, Morales, Freeman, Mike Brogden, Chris Redman, Jamie Pewitt, B.J. Funk, Damien Hampton and Gonzales.

"Quarterbacks Mike Radle and Matt McCook played well as did backs Brown, Slay, Patterson, Massey, Curtis, Jay Whitehead and Quintana," the coach adds.

7th Grade Edges B'fld

It was a defensive struggle throughout as the Post 7th grade edged visiting Brownfield 8-0 last Thursday.

Shane Horton scored on a four yard run off tackle and David Dean ran in the two point conversion.

"The entire defense played well against a much bigger team," coach Chili Black comments.

Getting praise were defensive ends Horton and Vernon Quintana, tackles Brandon Bird, Richard Sanchez and Cecil Martinez, linebackers Shannon Scott, John Fields, Aaron Davis and Trey Payne;

Secondary defenders David Dean, Chip Flemmer, Tommy Ammons, Jay Mitchell and Michael Self.

The coach also praised the offensive line play of Michael Harper and Vernon Quintana at ends, Marlon Valdez and Bobby Brumley at tackles, Orlando Villa and Trey Payne at guards and Davis at center.

Playing well in the backfield were tailback Horton, Dean, fullback Bird, wingbacks Flemmer and Ammons and quarterbacks Mitchell and Self.

The team travels to Roosevelt tomorrow.

Southland Demolishes Cotton Center 61-12

The Southland Eagles demolished visiting Cotton Center last Friday in a 62-12 rout as Gilbert Armendariz carried 12 times for 261 yards and six touchdowns.

David Martinez returned a kickoff for a 66 yard score.

Corley Turley led the Eagle defense with nine unassisted and seven assisted tackles.

The Eagles scored four times in the first half and four times in the second half.

The team collected 315 yards on 21 rushes, 91 yards passing on five

attempts and held Cotton Center to 119 yards rushing and 19 yards passing.

The Eagles travel to Amherst this Friday.

Jay McCook scores on one of six touchdowns, the most touchdowns by a quarterback among all high schools in Texas last Friday night, according to the Associated Press. McCook threw four touchdown passes and ran for two.

Freshmen Win 31-26

The Post Antelope freshmen football team outscored Brownfield there last Thursday 36-26, with Lanny Lee opening up the scoring on a 70 yard kickoff return.

Quarterback Rance Thompson threw a pass to Jimmy Holleman for the two point conversion.

Later in the first quarter Lee scored on a 45 yard run and in the second quarter Jamie Perez hit paydirt on a five yard run.

Lee scored again in the second quarter on a 20 yard run and Thompson ran in for the two pointer.

In the fourth quarter Perez capped the scoring with a two yard run and the two point conversion.

The young 'Lopes collected 253 yards on 37 carries, completing three passes for 58 yards.

They travel to Slaton Thursday at 5 p.m.

J.V. Loses to B'fld

"We did not play very well," coach Lane Tannehill comments about the 22-0 Post junior varsity loss at Brownfield last Thursday.

"The offense had two drives in the first half, but mistakes stopped both of them," he continues.

"The defense sputtered, playing good at times but not really getting into the game. We made a lot of mistakes," he adds.

"We will have to correct these mistakes if we are to be a good football team," Tannehill says.

The team hosts Roosevelt Thursday with a 6 p.m. kickoff.

(Continued from Page 9)

It's particularly important that babies drink whole milk, since the fat provides essential fatty acids and calories, in addition to the calcium, vitamin D and phosphorous found in all milk.

A parent who is concerned about a child's weight may wish to restrict ice cream and other highly

Oil Drilling

A pair of new developmental wells are scheduled for spudding in Garza County's Dorward Field by Exxon Corp., about four miles southeast of Justiceburg.

The wells include the No. 5 A.K. Turner and the No. 52 Exxon Fee "G". They carry permit for 2,900 and 2,700-ft. maximum drilling depth, respectively.

The Turner well is in an 80-acre lease in the H&GN Survey A-849, while the Exxon Fee well is in a 1,480-acre lease in the same survey and abstract.

Shallow production has been achieved in two re-entry operations in Garza County's Barron Ranch Field about 19 miles northeast of Post.

BTA Oil Producers successfully recompleting the No. 6 and No. 26 wells in the JV-P Swenson leases.

The No. 26 pumped 18 barrels of oil with 25,000 CF gas and 14 barrels of water daily from Strawn perforations at 7,244 to 7,251 feet into the hole. It originally was completed in 1977, producing 112 BOPD from Ellenburger perforations at about 7,750 feet.

BTA plugged the No. 26 back to 7,265 feet from its original 7,762-ft. bottom.

The No. 6 showed ability to pump six BOPD plus a minor volume of gas and 14 barrels of water per day. Production will be from new perforations in the Strawn Formation, 7,223 to 7,226 feet into the hole. Original production was from the Ellenburger Formation, 7,781 to 7,796 feet into the wellbore. Original potential was set at 29 barrels BOPD.

BTA plugged the No. 6 back to 7,247 feet from original TD of 7,796.

Pumping 21 barrels of 38-gravity oil per day along with 181 barrels of waste water, the No. 1 Montgomery-Post "A" has been completed in the Northwest Post Field by West Texas Petroleum Inc.

Location is about seven miles northeast of Post.

The well was taken to total depth of 3,543 feet and will produce from a set of Glorieta Formation perforations at 3,326 to 3,467 feet into the hole.

Colleen's Comments

sugared or high fat dairy treats as snacks, but should not serve skim milk to a child under two.

Snacks are also important for babies and toddlers because their stomachs are small and they may not get enough nutrients by eating only at meals.

Research studies show that nutritious snacks provide up to 20 percent of a child's food energy.

They also supply much of the vitamin C-rich foods

and liquids in the form of fruits, juices and drinks.

Rather than deny young children snacks, parents should make sure the snacks are nutritious.

Fruits, fruit juices, fresh vegetable pieces, cheese and crackers, egg custard are all examples of nutritious snacks.

Sugary snack foods, including soda, candy, sweetened fruit drinks, cakes, pies and sugared cereals contain many calo-

ries but very few nutrients. So parents can justifiably limit these snacks.

Children need basic nutrients in adequate amounts from a balanced diet. They are not miniature adults and are too young to diet.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

Hilton Graduates

Marine Pfc. Charles E. Hilton, son of John E. and Sallie M. Hilton of Route 3, Jayton, Tx, has completed recruit training at Marine Corps Recruit Depot, San Diego.

A 1985 graduate of Jayton High School, he joined the Marine Corps in January 1986.

Eric Reece Gets Honor

Eric Reece, son of Mr. and Mrs. George Reece, was recently selected to be a member of the District XVI Honor Choir.

Eric was one of more than 300 competing for 70 chairs in the choir.

Eric is a Junior at Post High School.

This is his first step toward All State Choir.

J.M. Jones, Choir Director, judged during the

competition Saturday at Coronado High School. He was very pleased with Eric's performance.

Espinoza

Wins First

Joe Espinoza won first place in last week's Dispatch football contest, correctly picking all but four of the games.

Coming in second with five misses was Harold Gordon.

Deadline for submitting entries for the contest is 4 p.m. Fridays.

Basic Trauma Seminar Held in Post

A Basic Trauma Seminar was held in Post on September 20, 1986.

The Seminar was held at the Post City-County EMT Room.

The 8-hour course taught how to quickly extricate patients from vehicles, the proper way to remove a football or motorcycle helmet, and how to do a 15-second assessment of a patient to locate any injuries or signs of an illness.

The course was taught by Bonnie Jackson, THSCU, EMT-P; Alvin Chapman, Lubbock Paramedic; Joan Yearwood, Lubbock Para-

medic; and Melinda Fore, Lubbock Paramedic.

Those attending from Post were John Redman, Paramedic; Ronny Ammons, Paramedic; LaVena Palmer, EMT; Jackie Gonzales, EMT; Becky Warren, EMT; and Betty Posey, EMT.

Also attending were members of the current EMT class that is being held in Post, Janie Ammons, Monique Binford, Betty Boren and Debbie Reiter, all of Post, and Christy Peasley and Billy Flores, both of Tahoka.
