ANSWERLINE

Q. I think my vehicle has a safety defect that may be common to all vehicles like mine. Do you have a number to call to report a suspected auto safety defect?

A. The National Highway Traffic Safety Administration has a toll free number for you - call 1-800-424-9393 to report your suspicions.

BRIEFLY

ASCS Deadlines

Producers have until Friday, Sept. 17 to file crop disaster claims on 1990-92 losses according to Don Stewart of the ASCS office. The deadline for 1993 crop losses is March 4, 1994.

Mitchell County UGSA will have a called meeting on Tuesday, Sept. 21 at 7:30 p.m. at the C.C. Thompson room to have a show of support to get girls' softball in the school system.

Wolves Booster Club

Will meet every Thursday at noon at the Ft. Wood Cafe in the private dining room for a dutch treat buffet. Coach Howeth will present a short program each week and players, coaches, cheerleaders and other students will be on the program. Everyone is invited to come out for this one hour meeting each week.

Alcoholics Anonymous Meets at the All Saints Episcopal Church, 3rd and Locust, at 8 p.m. on Tuesday and Thursday and 7 p.m. on Saturday.

Trip For Two

Tumbleweed Lioness Club will be sponsoring a trip for two with airfare and accommodations at the Showboat Hotel in Las Vegas. Tickets are \$1 for 1, \$5 for 6 tickets and \$10 will get you 12 tickets. Winner will be drawn Oct. 9. See a club member or call Shirley Grimes at 728-2215, Connie Simpson at 728-8610 or Inez Howell at 728-3653.

Medical Accounts

Have been established at both local banks for Ron Grant to help defray medical expenses caused by a dysfunctional liver. Ron is the son-in-law of Pint Richards and has now been placed on the waiting list for a transplant at the University of Texas Medical Center in Galveston.

Medical Fund

A medical fund has been set up at City National Bank and the First National Bank to defray medical costs for Colton McCright.

Mitchell County Hospital Auxiliary

Gift Shop is open Monday through Friday 10-noon and 2-5 p.m. and Saturday and Sunday, 2-5 p.m.

Explorer Post

The Mitchell Co. Law Enforcement Explorer Post will begin meeting on the first and third Mondays at the Sheriff's Office at 6:30 p.m. All residents, male or female, ages 14-20 are invited.

Community Bible Study

Will be held on Mondays only. The meeting is from 9:30 to 11:15 a.m. in the Mitchell County Library.

Congratulations to PENNY and MATT SALMON on the birth of ROSS WADE. Happy Birthday to SUSIE MOLINA...Happy Birthday to ROBIN MOUNTS. BILL MUNCRIEF celebrates another birthday as does LUCILLE BLASSINGAME

It's Homecoming at Colorado High

Homecoming activities for Colorado High will get underway Thursday evening with the annual bonfire set to be lit around 8:30 p.m. Thursday night with weather permitting.

Fans are asked to gather in the CHS parking lot before 8 p.m. to organize a car caravan to ride to the site of the bonfire at the Rodeo Grounds on Highway 80 West.

The always spirited Homecoming Pep Rally will be held at the CHS gym at noon on Friday and everyone is invited to the high school for this activity.

The Homecoming Parade will get underway at 4:30 p.m. and will leave from the First Baptist Church. Those wishing to

participate need to be at the church by 3:45 to get in line. The parade will travel south on Chestnut St. then head west on Second and stop at the Mitchell County Courthouse.

The football game between Slaton and Colorado City will kickoff at 8 p.m. and the homecoming queen and her court will be presented at the half. Candidates include Jodi Cade, Sylvia Flores, Leah Watson, Lorie Ortiz and Veronica Moreno. Following the game, the annual Homecoming Dance will be held at the Kelley Elementary Cafeteria from 10:30 until 12:30 a.m. The dance is for high school students and their dates and the cost is \$3 for singles and \$5 a couple.

BONFIRE THURSDAY 8:30 PM RODEO GROUNDS	PARADE FRIDAY 4:30 PM DOWNTOWN	DANCE FRIDAY 10:30-12:30 KELLY ELEMENTARY
---	---	--

HOMECOMING QUEEN CANDIDATES: These five Colorado High School students will be presented at halftime of the Colorado City-Slaton game Friday night during homecoming festivities. One of the young ladies will be named as Homecoming Queen as a result of a vote of the student body at Colorado High School. Shown (left to right) are Jodi Cade, Sylvia Flores, Leah Watson, Lorie Ortiz and Veronica Moreno.

Wolves to host Slaton Tigers Friday

If you plan to be travelling north of Colorado City on Highway 208 about 5 p.m. Friday and you begin to hear a faint purr that slowly grows into a growl - don't stop to look for a tiger in your tank as the old Exxon advertisements spoke of.

The growl will be coming from the Slaton team bus bringing in a bunch of Cats that Wolves coach Mark Howeth describes as "a real good football team that has a lot of experience."

"They're about the same bunch

of kids who defeated us in Slaton last year as they return a tremendous amount of players to the skill positions," said Howeth.

Leading the way for the Tigers will be an All-South Plains selection from last year - Oscar Solis. Solis, a runningback that weighs in at 155 pounds and stands 5'8" - rushed for over 1500 yards last year in nine games. He is well within that pace this year as he has recorded 357 yards on 58 carries as Slaton has won one game and tied one. They defeated Post last week

and was tied by Shallowater in the first game of the season.

Their entire offensive line is back from last season and it is anchored by another All-South Plains selection - Cedric Thomas, a 5'10", 281-pound tackle. Quarterback Chris Hammons was also a starter for the Tigers last season.

Solis and Hammons are also only juniors.

Tiger coach Steve Culwell said he expects a tough game Friday night despite his abundance of

talent.

"Colorado City always plays us tough down there," said Culwell. "and I don't think this year will be any different."

"They are fast and quick," said Howeth, "and we will have to play our best to contain them."

Slaton also shows the defense a lot of different formations offensively as they have displayed 63 different sets already this year said the Wolves coach.

"It will be a learning experience for us but we feel our

kids can adjust to what they throw at us," said Howeth. "A problem we had against Stanton is that they just ran some things at our young players that they had never seen before."

The Wolves will be without two starters who have seen action both ways in first two games.

Ashley Walthall and Daniel Silva will miss the game for disciplinary reasons.

Kickoff is at 8 p.m.

Old-Timers Reunion gets underway Saturday with "Ranch Breakfast"

A real "Ranch Style" breakfast will set the pace for the annual Mitchell County Old-Timers Reunion to be held this Saturday, Sept. 18.

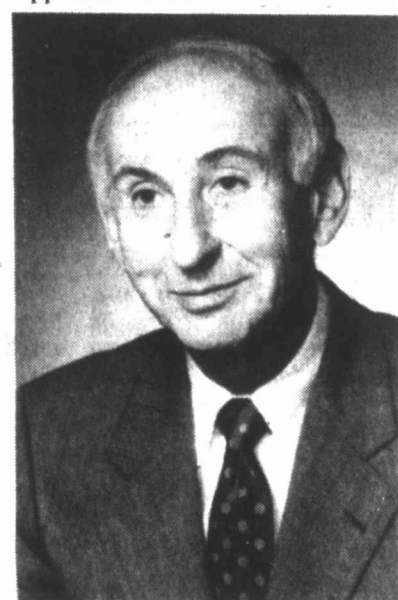

The breakfast will be served at the downtown Kiwanis Park from 7:30 until 9:30 a.m. and the cost is \$3.50 per plate.

The Reunion will be getting underway at 9:30 a.m. at the Civic Center with visiting and refreshments available until a special noon meal is served. Early Jewish settlers and business people will be honored and especially those who were in business in Colorado City from the 1920's until the mid-1960's.

Harold Berman, a son of Alice and R. I. Berman who settled here in 1924, will be the speaker for the lunch.

Berman graduated from Colorado High School, the University of Texas and Harvard Law School. He is now an attorney in Dallas.

His family and other Jewish families operated several different types of businesses here including grocery, clothing, variety and appliance stores.

HAROLD BERMAN

The Colorado High School class of 1943 will have its 50th reunion over the weekend and the 55th reunion of the class of 1938 will also be celebrated.

Court hears of unique approach to work program

Donna Starr spoke to the Commissioners' Court on Monday about a new, unique program her office is undertaking that could eventually relieve some of the housing shortage in the county.

The work program for probationers, administered through the Community Corrections and Supervision office, has received a grant to purchase a machine - an Earth Press - to make adobe-like bricks that can be used to construct homes and other buildings.

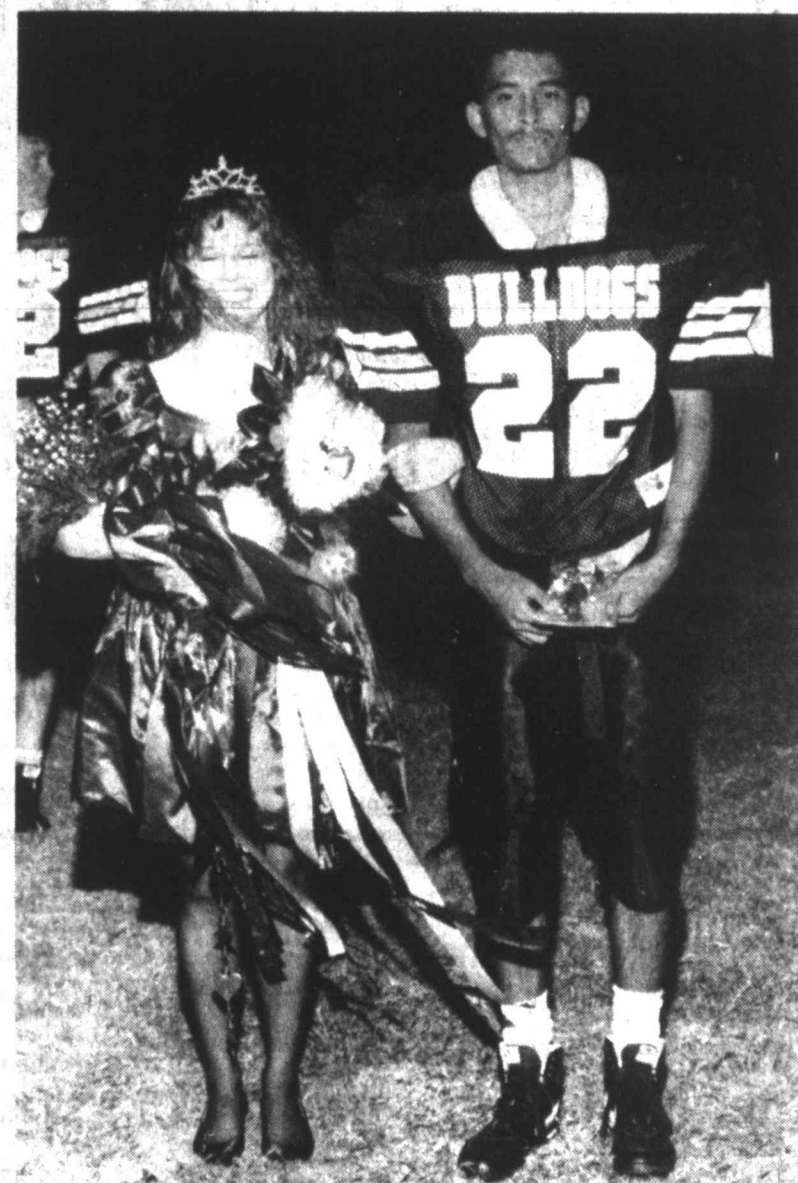

The grant will purchase the \$16,000 machine and participants in the work program will learn to operate it and use the bricks for building.

"Our plans are to teach everyone all phases of building with the bricks so that they can eventually contract out for building for the public," said Starr.

A building using this process will soon be started near the Department of Public Safety building on county land.

In other business, the court agreed on another one-year contract with the Texas Commission on Alcohol and Drug Abuse for the county's DARE Program, approved the specifications and agreed to advertise for bids for a motor grader for Precinct Two and approved sheriff's and constable fees for another year.

The court also voted to set up a clearing account for tax money with Tex-Pool and had a one-hour executive session discussing pending litigation.

LORAIN HOMECOMING ROYALTY: Seniors Amber Chavez and James Lopez were honored as Homecoming Queen and King during halftime at Saturday night's game.

City sets new tax rate

The city council set the tax rate for the coming year at \$0.3763 per \$100 valuation - a figure that will help alleviate a planned deficit in the budget of some \$90,000. Councilman Sammy Contreas made the motion for the approval and the vote was unanimous.

The issue of reopening up Hertenberger Field for softball was discussed and city resident Joe R. Johnson and other citizens strongly

voiced their objections to such action.

Johnson, who had filed a \$5000 suit against the city last August over noise and trash thrown on his property by those attending the games, said the distance from home plate to his fence was "only 200 feet" and he was tired of having his property used as a "dumping

See CITY, Page 3

Trustees accept gas, paper bids

The Colorado ISD awarded bids to Sam's Wholesale for the majority of their paper purchases for the coming year as the company bid \$17.19 per case on 535 cases of 8 1/2 x 11 paper. The company also was awarded the bid on 9 1/2 x 11 computer paper for \$14.49 per case.

Gasoline and diesel bids were awarded to the Col-Tex consignee as they bid five-cents per gallon over their cost while Matlock's bid was eight-cents over their cost per gallon for the fuel.

The trustees also discussed the use of tobacco at Wolf Stadium and

decided to keep the ban on smoking on a voluntary basis at the present time. Supt. Don Nimmo told the board that he had received several favorable comments on the policy and those at the game had complied with the request of smoking only on the walkways at the top of the stadium.

The board also approved the report to the Texas Education Agency answering discrimination charges that were levied at the district back in May. Minutes of previous meetings were approved as was the financial statement and the payment of bills.

OBITUARIES

Edith G. Clay

1907-1993

Services for Edith G. Clay, 85, of Colorado City were held at 2 p.m. Monday at Kiker-Seale Funeral Home Chapel with Dr. Ted Spear officiating.

Burial was in Colorado City Cemetery. Mrs. Clay died September 11, 1993 at Rolling Plains Memorial Hospital in Sweetwater. She was born December 18, 1907 in Bartlett, Texas. She married Paul William Clay January 19, 1948 in Pecos, Texas. He died January 20, 1966.

Mrs. Clay was a veteran of WWII as a member of the Womens Army Corp. She was a homemaker and a member of the First Baptist Church.

Survivors include one son Bobby Clay of Victoria, one daughter Carolyn Clay of Carrollton, one sister Jewel McKinney of Colorado City, two grandchildren, three nieces.

Almus Ernest Word, Sr.

1920-1993

Services for Almus Ernest Word, Sr., 73, of Colorado City were held at 10 a.m. Wednesday at Kiker-Seale Funeral Home Chapel with Rev. James Pixler officiating. Burial was in Sweetwater Cemetery. Mr. Word, Sr., died Sept. 12, 1993 at Hendrick Medical Center in Abilene. He was born June 3, 1920 in Kimbrell County, Texas. He married Irene Regan August 1, 1946 in Menard.

Mr. Word was a retired oilfield driller. He was a veteran of the US Army during WWII and a member of the Free Jesus Name Pentecostal Church.

Survivors include his wife Irene Word of Colorado City, one son Sonny Word of Sweetwater, three daughters Edith Womack of Colorado City, Berta Poe of Zavalla, Melba Thornhill of Van Alstyne, her mother Allie Victoria Word of San Angelo, four brothers Clayton Word of Merton, Houghson Word of San Angelo, Durward Word of San Angelo, Melton Word of Austin, one sister Joy Keigler of LaFayette, LA, twelve grandchildren, twenty-five great grandchildren.

Geneva Beeman Rice

1930-1993

Geneva Beeman Rice passed away Friday night, September 10, in her home in Dallas. She was born May 24, 1930 in Colorado City. Funeral services were Tuesday in Dallas.

She is survived by her husband, David Rice of the home, two sons Bill and Richard, two daughters Cindy and Katherine all of Dallas. She is also survived by three grandchildren, her mother Mrs. Paul (Fannie) Beeman of Colorado City and one brother Paul William Beeman, Jr. of Houston.

Geneva sang in the choir at Colorado High School, her church choir (Colorado City and in Dallas), at Hardin Simmons University. She was a music and voice major at Hardin Simmons University. She was a homemaker and a Baptist.

Oma Faye Sams

1916-1993

Services for Oma Faye Sams, 76, of Lockney were held on Wednesday at 10:30 a.m. at the Main Street Church of Christ in Lockney with Larry Golden and Ed Hall officiating. Burial was in Lockney Cemetery. She died Monday September 13, 1993 at Kristi Lee Manor in Colorado City. She was born December 24, 1916 in Lockney. She married Garland H. Sams Sr., August 18, 1935. He died March 27, 1990. She was also preceded in death by a son Jerry W. Sams, May 10, 1975.

Mrs. Sams was a homemaker and a Non Representative for thirty years. She was a member of the Main Street Church of Christ in Lockney.

Survivors are a daughter Bettie May Boedeker of Colorado City, two sons Garland Sams, Jr. of San Angelo, Kenneth Sams of Florence, Colorado, two sisters Bea Tomlinson of Canyon and Maye Belt, a twin sister of Lockney, two brothers Tom Golden of Grand Junction, Colorado, Oscar Golden of Lockney, five grandchildren, three great grandchildren.

Mr. & Mrs. Frank Joseph Schuler

Grammer, Schuler wed

The July 31st wedding of Gena Benea Grammer and Frank Joseph Schuler was celebrated at Eastview Christian Church in Bloomington, Illinois.

The bride is the daughter of Bob and Carolyn Grammer of Bloomington, Illinois and the granddaughter of Frances Cooper of Colorado City and Pauline Martin of Trenton, Texas. The groom's parents are Frank and Maria Schuler of Bloomington, Illinois.

The bride was given in marriage by her father who also performed the ceremony. She wore a formal dress designed and made by her mother and Kay Sheets, a friend of the bride. The dress had a lace bodice with long sleeves and a "V" neckline. The skirt was made of tulle lace extended to a chapel length train. The dress was trimmed with hand stitched lace and pearls. The bride's veil, made by her mother, was chapel length and was attached to a small hat covered with lace from her dress and accented with pearls. The veil was trimmed with lace and pearls, complementing the dress.

For something old the bride wore the wedding rings of her grandparents, Frances Cooper and the late E.E. Cooper. The rings were tied to something blue, her garter made by Betty Shawn. She also wore her mother's blue garter which was made by Betty Shawn for her wedding.

The bride carried a bouquet of burgundy roses, with white gardenias, stephanotis and babies breath.

The bride's attendants wore dresses made by Pat Neuber, sister of the groom. They were made of black lace and tulle and were fashioned after the bride's dress. The dresses were trimmed at the neckline, waist, and sleeves with white lace. They carried bouquets of silk burgundy roses and white gardenias. They were made by the mother of the bride.

Those attending the bride were the Matron of Honor Tangie Sheets, Maid of Honor Carrie Barrow, bridesmaids Laurie Lowrance of Colorado City, Chris Hileman, sister of the groom and Mary Schuler, sister of the groom.

The flower girl was Kristen Neuber, niece of the groom. She wore a dress of white satin and tulle, made by Pat Neuber.

The groom wore a white tuxedo complemented by the grooms men and usher's black tuxedos with white lapels.

Attending the groom was his father, Frank Schuler, Sr. as best man. His groomsmen were Donny Conant, Richard Brennan, Oscar Hurtado and Tom Neuber, brother-in-law of the groom. The ushers were Nick Striegel, Wil Knott, Chris Thomann, and Brian Eggleston.

The ring bearer was Austin Weinberg, nephew of the groom. He wore a white satin knicker ensemble.

MITCHELL COUNTY 4-H'ER CAPTURES TOP FASHION TITLES: Hayley Smith, daughter of Donald and Peggy Smith of Colorado City participated in the recent District 7 4-H Fashion Show held in San Angelo. Hayley was Grand Champion Winner in the Intermediate Sportswear Division and Top District Winner in the Intermediate Cotton Division of the 1993 4-H Natural Fiber Competition. Hayley is pictured in the outfit she designed for the District 7 4-H Fashion Show. Hayley's design featured walking shorts of 100% natural brown cotton and an appliqued top of 100% cotton knit. Fibers for both fabrics were grown, ginned and woven here in the West Texas area.

CITY

ground and as a rest room".
"You told me last year that the field was going to be closed permanently," said Johnson, "and now you are considering opening it. The only peace I have had in 20 years out there is the time the field has been closed."

The council took no action on the status of the field but did hear some good news about the possibility of building a softball complex at the Lake Colorado City State Park.

Santos Reyes told the council that the state could donate the land but it would be up to the city or others to see that the field was built. The council took no action on it but did convene in a scheduled executive session at 9:35 p.m. to discuss land purchases that may have had ties to locating a softball field before next season in Colorado City.

In other action, the council heard from local resident Frances Perales about paving the 1300 and 1400 blocks of Cypress Street. The city is to look into the costs of the project and it is to be on the agenda in October.

Wayne Oliver also addressed

the council about fencing off an area behind the Civic Center for a play area for children to be used when the Center is being used for reunions or other functions. It is also to be reported on in a future meeting as the Oliver family said they were interested in donating a portion of the costs involved.

Bambi Hill was granted permission to keep four pet rabbits at her home and the council took no action on the possibility of the city being a pay station for Lone Star Gas beginning Dec. 1.

The proposal did not meet with immediate favor with city hall employees and City Secretary Glenna Garrett said she was definitely against the plan due to the small amount of income it would provide for the city.

Representatives of the Strongheart Motorcycle Club were also on hand to express their appreciation with the city's cooperation during their rally in July and a ban on jet skis at Lake Champion was discussed but it was felt the present ordinance banning skiing at the lake would probably be sufficient.

Blassingame, Allen united August 14th

Julie Catherine Blassingame and James Graham Allen were united in marriage Saturday, August 14 at 4:00 p.m. in First Baptist Church, Colorado City. Rev. Glenn Roenfeldt, chaplain for Baptist Memorial Center in San Angelo, officiated the double ring ceremony.

Parents of the couple are Larry and Jeanna Blassingame of Colorado City and James and Nancy Allen of San Angelo. Grandparents of the bride are Ina Scott of Olney, and the late H.L. Scott and Lodena Blassingame of Colorado City and the late J.W. Blassingame. The groom's grandparents are Mr. and Mrs. Johnny Horan of Cantuillo, and Mr. and Mrs. Paul Woods of Del Rio.

Guests were registered in the foyer of the church by Angela Turner of Colorado City. The lace covered table held childhood pictures and mementos and the couple's engagement picture.

The church was decorated with garden flowers, daisies, and ferns in pots draped with ivory osnaberg. Quilt candle holders lined the altar. An antique double wedding ring quilt top, handstitched by the brides maternal great grandmother, covered the table holding the unity candle.

Given in marriage by her father, the bride wore a 1926 design ivory gown of chiffon over satin. The empire bodice and full cuffed sleeves with beaded daisy lace appliques and edged with daisy lace. Lace motifs framed the portrait neckline and were repeated on the hem of the chiffon over satin skirt and the chapel train. A Juliet cap of lace caught the daisy lace edged chapel veil. She carried an arm bouquet of gerber daisies, roses, enchanted lilies, and greenery wrapped in antique ivory lace. A locket belonging to her paternal grandmother was pinned to the bouquet and served as something borrowed, the wedding dress was something old, something new was a pearl drop necklace given to her by her parents, and something blue her garter made by Betty Shawn.

Maid of honor was Tanna Opdyke of Abilene and Nikki Smith of Lubbock was bridesmaid. They wore matching tea-length dresses of ivory cotton with ivory lace across the shoulders and tied in front. They carried arm bouquets wrapped in ivory eyelet lace.

Glyn, Sydney, and Jordan Wright, all of Colorado City were flower girls. They wore matching rose print on ivory dresses with ivory pantaloons. They each carried small grapevine baskets lined with antique handkerchiefs.

James M. Allen served his son as bestman. Mike McMillen of Alpine was groomsman. Ushers were Jason Blassingame of Colorado City, brother of the bride and Sam Shimwell of Alpine. Steven Cox of Olney, cousin of the bride, was ring bearer.

The groom, best man, groomsman and ushers wore black tuxedo jackets, white shirt, black western tie, black jeans and boots. The ring bearer wore black jeans, white shirt, black western tie, black vest and boots and carried a patchwork quilt pillow.

Wedding music was provided by Sharon Conard of Sweetwater who played a selection of hymns and old love songs. As the parents entered together to light their family candles an ensemble sang "Sunrise, Sunset". The members of the ensemble were Mary Ann Wright, Anna Staats, Katharine Morris, Tina Piland and Connie Waldrup all of Colorado City.

Soloist Sonja Lawson sang "In This Very Room" and was joined by Golda Redwine in a duet "Whiter Thou Goest" as the unity candle was lit by the bride and groom.

The reception was hosted by the parents of the bride in the church activities building. Hand made ivory lace cloths covered tables including the brides table which was centered with an arrangement of ivory tapers in crystal candle holders on a mirrored base. Other crystal and silver appointments completed the table. Forming a background for the table was a quilt belonging to the brides paternal great grandmother, the late Maude Feaster. The three tiered cake was topped with the ornament from the brides' parents wedding cake.

Those serving were Francesca Helm, Andrea Helm and Cretia Caye Carpenter all of Colorado City. Other members of the houseparty included Loretta Johnson, Betty Shawn, Mary Ann Wright, Christy Dockrey and Carolyn McElvaney all of Colorado City.

The couple lives in Lubbock where the groom works as an Adult Probation Officer for Lubbock County and the bride is a student.

Clawson reunion held Labor Day weekend

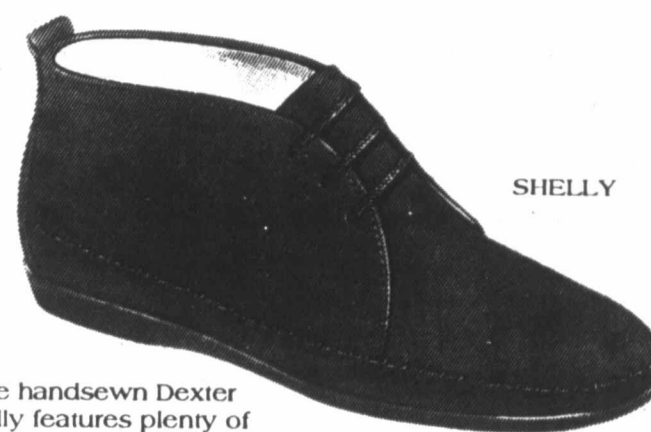

The Clawson reunion was held over the Labor Day weekend. Those attending were: Ethel Clawson, Dru Board and Lillian Sullivan from Westbrook, C.E. and Cooper Clawson and Dacia and Shelen Parker, Calvin and LaRue Findeisen, Cynthia Motal of Corpus Christi, Sybil Sparks of Wills Point, Kathleen Dolby of Arlington, Laverne Sullivan, David Sullivan, Terry Bryant and Tyrone Johnson of Odessa.

Also attending were Eddie Bizzell of Odessa, Dwayne and Lou Clawson of Coahoma, Jack Jarnagin of Coahoma, Larry and Mona Clawson, Suzanne and Amanda of Midland, Lencar Manahan of Kerrville, Winston and Kathleen Skeen and Amanda of Bandera, Mike and Lillian Findeisen of Austin, Dean and Ricky Richter of Coahoma, Helen Oglesby of Westbrook, Don and Jo Ann Clawson of Taft, Ralph and Wanda Bryant of Odessa.

CHIEF LONE WOLF

BY JIM BAUM

It was early in World War II, say about 1941 or '42. You're 12, maybe 13 years old, you've grabbed your Dad's pickup truck and you and a buddy head to a nearby bombing range to look for bombs which didn't detonate. Unfortunately, you get ol Pop's truck stuck and you can't get it out.

Then, AT-11's, twin engine trainer bombers, suddenly appear and begin low level practice missions. It's bombs away and look out below!! That happened and it was right here in Mitchell County.

Dean Fisher, who grew up in Cuthbert, remembers the tense occasion all too well. "During World War II, the Army Air Corps had a bombing range located one and a half miles northwest of Fairview and one and a half miles northeast of Cuthbert. There was another range 5 miles west of Cuthbert where they trained students bombardiers from the Big Spring and Midland bases."

Fisher says not all of the bombs would detonate and boys would extract the five pounds of black granular powder to make "pipe bombs, cannons and other noise makers."

It was on a Saturday afternoon when young Fisher and his boyhood pal Ross Strain drove out to the Fairview range to look for duds.

"The range was just north of the river in deep shinary sand and I got my Dad's (E.M. "Shorty" Fisher) pickup stuck in the outer ring of the bulls-eye target," Fisher remembers. "Ross walked back to their farm to get a tractor to pull us out."

And that's when the AT-11's arrived and started their low level bombing. "I didn't know what to do. I knew if I got my father's pickup bombed he would just about kill me, so I decided to take a chance the planes would not bomb me if I sat on top of the pick up."

Fisher says he made no attempt to wave off the bombers. "I just sat there scared." Few citizens have had such a ringside seat to Uncle Sam's air power. Before long, Ross had made the six mile round trip and returned with a tractor to save the day.

How did Dad Fisher react to the news that his pickup truck almost became a war casualty without even leaving Mitchell County?

"I don't think I ever told him," answered Fisher. Retrieving those bombs, which Fisher says were 95 pounds of gravel and five pounds of black granular powder, was a fairly common practice.

"Nearly everybody out in that area had an old ashtray made out of the bomb fins. A lot of them hit outside of the target areas and people got them," Fisher said.

However, the prized souvenir which Fisher really wanted was flare parachute. He says they were surprisingly large and one morning he awakened early after a night of bombing missions and hustled out to the range to see what he could find, and guess what he found, caught on a fence. Right, a parachute!

"When I got home, Daddy saw it and asked, 'Where did you get that?' When I told him, he made me go take it back."

There was one other incident Fisher recalled about his childhood days near the bombing range. It happened one night during a church social at the Cuthbert Methodist Church.

"A lot of young people were there having an ice cream supper and the church house was all lighted up and the bombing area was lighted up too." In the distance could be heard the roar of the bombers motors.

The air corps had electric lights set out in the bombing range to resemble a city.

"The bombardier made a mistake," Fisher recalls, "and thought the lighted up church area was the lighted night target at the range and he dropped a bomb that hit about 150 yards from the church." The explosive landed midway between the church and the Cuthbert store!

Later that night, after the Fishers had gone to bed in their living quarters in the rear of the Cuthbert store, there was a knock at the door. It was the bombardier who was concerned that someone had been hurt by his error.

"He said that he realized his mistake just after he hit the bomb release button," Fisher told us.

Fisher is now 64 years old, a resident of Archer City and retired, after thirty-three years in the teaching profession. He looks back on that night at the Cuthbert church and says no one was overly concerned when the bombs started falling.

"Now, they thought it was funny. They knew those student bombers couldn't hit anything, anyway."

Fortunately for Dean, that included Shorty Fisher's pickup truck.

Craddocks participate in cancer conference

Jay and Marian Craddock participated in the "Living Fully with Cancer" Conference held at the Hotel Sofitel in Houston on Sept. 10 and 11. Nine hundred people from across the United States attended the fifth annual conference sponsored by M.D. Anderson Cancer Center Network.

Nationally known physician and author, Dr. Bernie Siegel was one of several keynote speakers. Others were Susan Ford Bales, daughter of former president Gerald Ford and Betty Ford. She was a member of the panel on "In Sickness and in Health." She shared her feelings as a 17 year old living in the White House for just six weeks when her mother was diagnosed with breast cancer. She now serves as a National Spokesperson for National Breast Cancer Awareness Month. Fred and Janet Kusch were other panel members. He is director of Human Resource Development at Lutheran Hospital in LaCrosse, Wisconsin. He told of the impact of his wife's cancer on him as the spouse, while his wife, Janet, a nurse and a cancer survivor related her feelings of fear for her husband and small children.

The latest update on cancer research and clinical trials was presented by Dr. James Bowen of M.D. Anderson.

Breakout Sessions were part of each day and participants could choose four from among thirty to attend. These subjects ranged from

dealing with the financial aspects of cancer to doctor - patient communication.

The Greater Houston Chorus performed Friday evening followed by educator - therapist - comedienne Joyce Saltman who said, "We are all terminally ill. No one has gotten out of this life alive yet."

Suzanne Lawrence, Miss Texas 1990 and third runner-up to Miss America is a cancer survivor and entertained Saturday with her singing and story of her walk with cancer prior to the Miss Texas contest.

The conference closed Saturday evening with a Birthday Party and drawings for fifty door prizes.

The Texas Natural Resource Conservation Commission (formerly the Texas Water Commission) invites you to a Community Meeting to provide an update on the status of the removal project at the Col-Tex Refinery Site.

WHEN: Thursday, September 30, 1993, 7:00 p.m.

WHERE: The City National Bank Bldg., C.C. Thompson Room, 228 Elm Street, Colorado City, Texas

For more information, you may call Barbara Ferguson, Pollution Cleanup Division, Community Relations Coordinator, at 1-800-633-9363.

Important information about paying your September electric bill.

It was a long, hot August.

Day after day, you saw temperatures over 100 degrees, with your home's air conditioner running full blast.

All that energy use is showing up on your September electric bill, along with a rate increase.

If all this puts a strain on your household budget, we understand. And we'd like to offer our residential customers some relief.

If you prefer not to pay all your bill at once, you can pay half or more now and the balance with the following month's payment.

No interest charge, of course.

You don't even need to call us to take advantage of this special offer. Just pay at least half now and we'll take care of all the details.

Look for the special insert in your September electric bill.

FOOTBALL GUESSING CONTEST

1st Place..... \$30⁰⁰

2nd Place.... \$20⁰⁰

RULES FOR THE GAME

Several Mitchell County merchants are again sponsoring a FOOTBALL GUESSING CONTEST with cash prizes totaling \$50.00, \$30.00 for first place and \$20.00 for second place. The \$50.00 will be in football bucks, which are redeemable at any participating merchant.

All you need to do is check each merchant's listing on this page for one of the contest games and its number. Print your choice of the winner of each game in the blank next to the corresponding number of each game on the official entry below. Be sure you select a winner for each game.

On the OFFICIAL ENTRY BLANK, print your guess for the exact score of the Tie-Breaker Game (to be used in case of ties.) Be sure to print your full name and address. Persons under six years of age are not eligible to enter. Each entry must be delivered to The Colorado City Record, or postmarked, if mailed, before 5 p.m. each Friday.

CLIP AND MAIL BLANK TO:

LORAIN PERSONALS

BY LOIS PHILLIPS

We had a busy week last week-end getting ready for homecoming but it was well worth every effort our school, parents and all who helped in anyway.

On Friday night we had a pep rally in the gym and later, on campus the bonfire was enjoyed. The kids finished their pep rally out there, then the fire boys put out the fire and a large crowd left for home to rest for the next day, except lots of students and parents stayed to finish some things for Saturday.

On Saturday morning we had a very nice parade starting at the park downtown while part of the parade went by the nursing home and then those who stayed in town had another pep rally then we all went back to the high school where we registered and visited etc. At 12:00 we had a real good meal of turkey, dressing and the trimmings prepared by Betty and her crew, thanks ladies it was delicious.

Thanks to Rick and Gloria Lucas for a great homecoming. They were president and secretary and were re-elected for next year. Helen Gomez was parade chairman. Thanks to you Mary Helen and all your helpers. Also to all the school for a wonderful day. Karen Hackfeld and her cheerleaders, the band and everyone worked hard. I am trying my best not to leave anyone out. Also the P.T.O. and Sportsclub also helped alot and all school

personnel, helped also many parents and other interested citizens.

The 50 year class was honored along with others. A bunch of those people I did not know but a lot of them I did. It was suggested that I list all visitors for homecoming and another wanted to publish all the exes who attended the ballgame and I'd like to do that but there were too many to ask anyone to publish them.

Ruth Browning Kelly of Robert Lee was crowned coming home queen at halftime at the ballgame. She was a member of the 30 year class. She is the daughter of Mrs. Ann Browning.

Crowned homecoming queen, a senior and daughter of Mr. and Mrs. Ralph Chavez, is Amber Chavez. The king is also a senior and son of Mr. and Mrs. Jimmie Lopez. He is James Lopez.

The junior candidate for queen was Lydia Lopez and king candidate was Craig Finley. Sophomore candidates were Kelly Burn and King candidate was Ty Henderson and Freshman queen candidate was Tanna Henderson and King candidate was Grant Buckingham. Tashia Atkins is football sweetheart. Also thanks to the student council for all their work in handling the registration.

Our football team didn't do as well as they would have liked to but they had several injuries. Also Sands is a very good team and always have been. They have more to choose from but we don't mean to make excuses, we'll win yet. You just watch when everyone gets in the harness.

Mrs. Parnell's sister, Mildred, has been here visiting the Parnell's and the rest of the Herm family. It was real good to see her after a few years.

Dorothy Phillips was in town visiting her relatives. They are her mother Jenny Hallmark, her aunt Mattie Neely, Mary Coffee, Hazel Pratt and Nannie Hallmark also

Doyle and Liz Mayes.

Saw Neysa Beights with her grandchildren in town Saturday. Her daughter Tracy was also with them.

We have built a new sidewalk at the post office and when the work man had it ready our own Ivy Armstrong was the first person to walk on it. Now Iva has a first all her own.

I have not heard from Ruth Holman or Kay Maynard this week. Ruth has been sick and Kay got burned with a pan of grease. Hope they are both better.

Sandy Nowell called to say her mother's birthday is Saturday. She will be eighty three years old. Her children are giving her a party from 3:00 p.m. till 5:30 p.m. If you have not been invited you may now consider you are invited. They would like her friends to come by if you can, everyone who would like to come they will be happy for you to come at Mrs. Hallmarks home.

Our rain was real nice for yards, flowers etc., but I am sure it was too late for the cotton. The wheat and other grain that has been sowed will benefit from the rain I am sure. It seems we can't get all our eggs in the basket at the same time, but maybe we will have a better harvest than we think.

The P.T.O. Club met last night and set a date for open house, it is September 28th at 7:30. They are urging all parents, grandparents and all interested citizens to attend and meet all the new teachers. Parents may want to confer with your child's teachers for one reason or another.

The Fall Festival has been set for October 23 at 6 till 9:30 p.m. It will be in the school building this year. They are asking that high school classes decide by October 1st what their project will be for their booth, junior high and grade school will set theirs by October 15 as that is cutoff day for the booth projects.

The new project for the P.T.O. this year is to be a new sign for the front of the school so they can announce to the public special dates and other things to all who pass in front of the school. The next P.T.O. meeting will be October 11th. A film on "Stranger Danger's" will be shown. All parents should see this film.

The class of 1968 met at Danny Butlers after the ballgame Saturday night. Coach Don Bryan was a guest as he was a coach in Loraine at that time and is now superintendent at Sands. Some 30 or more attended this affair and had a real good time. Everyone brought snacks and nick-nacks so they ate their fill of all this good food. A special cake was made and decorated in honor of the 1968 class. Special awards were given and will bring them to you later. This class plans to have another reunion in 5 years. They will be the 30 year class and "get" to have the program.

McConal, Hargrove to wed September 24

D.J. and Eula Jean McConal of Seminole are pleased to announce the engagement and approaching marriage of their daughter Natasha Kay, to Mr. Robert Eric Hargrove of Sweetwater.

The bride-elect is a 1985 graduate of Seminole High School and a 1989 graduate of Abilene Christian University. She is a graduate student at Tarleton State University.

The prospective bridegroom is the son of Robert and Quida Hargrove of Sweetwater. Grandparents are Ross and Mamie Hargrove of Colorado City. He is a 1984 graduate of Sweetwater High School and a 1989 graduate of Tarleton State University. He is the owner and operator of E-Z Feed.

The couple is planning a Sept. 24 wedding at the Westside Church of Christ in Stephenville. Following their marriage, they will make their home in Stephenville.

THE ACCOMPANYING TAX NOTICE IS MISLEADING!

STATE LAW REQUIRES the Loraine Independent School District to publish the NOTICE OF PUBLIC HEARING ON TAX INCREASE. The notice is misleading.

RECENT STATE LAW OMITTED A PROVISION which would allow Loraine Independent School District to include revenue collected from the County Education District (CED) in the calculation of taxes for the 1992-93 school year. THE EFFECT IS TO UNDERSTATE THE 1992-93 ACTUAL SCHOOL TAX RATE. THE RESULT IS AN INACCURATE COMPARISON OF THE 1992-93 TAX RATE TO THE PROPOSED TAX RATE FOR 1993-94.

CEDs have been abolished. IN ORDER TO ACCURATELY COMPARE school tax rates from last year to this year, IT IS NECESSARY TO COMPARE THE 1992-93 COMBINED CED AND SCHOOL TAX RATES TO THE PROPOSED SCHOOL TAX RATE FOR 1993-94.

AN ACCURATE COMPARISON OF THE TAX RATES FOLLOWS:

1992-93 County Education District Tax Rate:	.9420
1992-93 Loraine Independent School District Tax Rate:	.67
COMBINED SCHOOL TAX RATE FOR 1992-93	1.6120
1993-94 PROPOSED School Tax Rate:	1.6120
PERCENTAGE CHANGE:	0

This notice is required by the Texas Legislature

* The percentage increase shown in the first paragraph below may appear unusually high because it does not reflect 1992 taxes levied by the now-abolished county education district (CED). In 1992, the CED levied a portion of the taxes used for school purposes, and the school district levied the remainder of school taxes. In 1993, school districts will levy all school taxes. For an explanation of the increase, attend the public hearing scheduled below or call your school district.

Notice of Public Hearing on Tax Increase

The Loraine ISD will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1993 by 139* percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property. The public hearing will be held on September 28, 1993 at 7:00 p.m. in the LISD Boardroom.

FOR the proposal: R. Finley, F. Garcia, D. Butler, M. Gomez, G. Martin
AGAINST the proposal: None
PRESENT and not voting: None
ABSENT: M. Gage

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on September 9, 1993. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	(Optional) Last Year County Education District	Last Year School District	This Year School District
Average home value	\$14,549.70	\$14,549.70	\$14,655.77
General exemptions available (Amount available on the average home, not including senior citizens' or disabled persons' exemptions)	\$10,000.00	\$ 5,000.00	\$ 5,000.00
Average taxable value	\$ 4,549.70	\$ 9,549.70	\$ 9,655.77
Tax rate	\$.9420	\$.67/\$100	\$ 1.6120/\$100
Tax rate	\$ 42.86	\$ 63.98	\$ 155.65
(Optional) Total 1992 School Taxes	\$ 106.84	(Optional) Total 1992 School Taxes	\$ 155.65

(School districts publishing optional information must publish the following):
This paragraph compares last year's CED and school district taxes with this year's proposed school district taxes:

Under this proposal taxes on the average home would increase by \$0 or 0 percent compared with last year's total school taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$0 per \$100 of taxable value or 0 percent compared to last year's total school tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

(All school districts must publish the following):
This paragraph compares last year's school district tax with this year's proposed school district taxes:

Under this proposal taxes on the average home would increase by \$91.67 or 143 percent compared with last year's school district taxes. Comparing tax rates without adjusting for changes in property value, the school district tax rate would increase by \$.9420 per \$100 of taxable value or 141 percent compared to last year's school district tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

Bulldogs fall to 0-2

By: Cliff Vlasin

The Lorraine Bulldogs saw their early record fall to 0-2 Saturday night. The Sands Mustangs brought their state ranking to town and rained on the Bulldogs Homecoming festivities 56-6.

The Mustangs talented senior tailback, Heath Gillespie, was the Bulldogs' nemesis, piling up 258 yards on 21 carries and scoring six of the Mustangs' eight touchdowns.

Oddly enough, the game appeared that it would be much closer than that, especially in the early going. Sands clung to an 8-0

advantage after one quarter, extending it to 16-0 early in the second quarter when the Bulldogs looked as if they would make it interesting.

With just over five minutes left in the first half, Lorraine junior Duane Starling dropped back for an apparent punt. The center snap bounced in, and when Starling found the handle, he appeared to be trapped for a loss. He avoided the two onrushing Mustangs however, and looked up to find senior Kyle Baumann standing all alone downfield.

Baumann then gathered in Starling's pass and outran the Mustangs for a 54-yard scoring play to draw Lorraine to within striking distance at 16-6.

From that point, things would get ugly for the throng of visiting ex Bulldogs, though. Sands came roaring back to score twice in the final four minutes of the first half, and coasted to their second win.

During halftime festivities, senior Amber Chavez and James Lopez were honored as Homecoming Queen and King for 1993.

BREAKING A TACKLE. Lorraine's Duane Starling (Center) takes a handoff from James Lopez (22) and cuts behind a block by Ben Wilkinson (82).

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION NOVEMBER 2, 1993

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 9 proposes a constitutional amendment that would authorize the Texas Legislature to provide for the issuance of bonds for the state financing of start-up costs for historically underutilized businesses. The amendment provides that the legislature by law may establish a Texas historically underutilized business capital growth and start-up fund. The money in the fund may be used without further appropriation and only for a program established by the legislature to aid in the start-up costs of a historically underutilized business, as defined by the legislature. To carry out the program, the legislature may issue up to \$50 million of general obligation bonds to provide funding. The legislature may require review and approval of the issuance of bonds, the use of the bond proceeds, or of the rules adopted by an agency to govern use of the bond proceeds. Bonds authorized by the amendment constitute a general obligation of the state.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide for the issuance of \$50 million of general obligation bonds for the recovery and further development of the state's economy and for increasing job opportunities and other benefits for Texas residents through state financing of the start-up costs of historically underutilized businesses."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 86 proposes a constitutional amendment authorizing the legislature, by general law, to exempt from ad valorem taxation all or part of real and personal property used, constructed, acquired, or installed wholly or partly to meet or exceed rules or regulations adopted by any environmental protection agency of the United States, Texas, or a political subdivision of this state for the prevention, monitoring, control, or reduction of air, water, or land pollution. The amendment applies to real and personal property used as a facility, device, or method for the control of air, water, or land pollution that would otherwise be taxable for the first time on or after January 1, 1994. The amendment does not authorize the exemption from ad valorem taxation of real or personal property that was subject to a tax abatement agreement executed before January 1, 1994.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to promote the reduction of pollution and to encourage the preservation of jobs by authorizing the exemption from ad valorem taxation of real and personal property used for the control of air, water, or land pollution."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 3 proposes a constitutional amendment to clear land titles in which the State of Texas relinquishes and releases any claim of sovereign ownership or title to an undivided one-third interest in and to the lands and minerals within the Shelby, Frazier, and McCormick League (now located in Fort Bend and Austin counties) arising out of the interest in that league originally granted under the Mexican Colonization Law of 1823 to John McCormick on or about July 24, 1824, and subsequently voided by the governing body of Austin's Original Colony on or about December 15, 1830. Title to such interest in the lands and minerals is confirmed to the owners of the remaining interests in such lands and minerals.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the clearing of land titles by the release of a state claim in a fractional interest, arising out of the voiding of an interest under a Mexican land grant, to the owners of certain property in Fort Bend and Austin counties."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 49 proposes a constitutional amendment that would prohibit a state personal income tax without voter approval and would dedicate the proceeds of any income tax, if enacted, to property tax relief and education. The amendment provides that a general law enacted by the legislature that imposes a tax on the net incomes of natural persons, including a person's share of partnership and unincorporated association income, must provide that the portion of the law imposing the tax not take effect until approved by a majority of the registered voters voting in a statewide referendum held on the question of imposing the tax. The referendum must specify the rate of the tax that will apply to taxable income.

The amendment also provides that a general law enacted by the legislature that increases the rate of the tax, or changes the tax in a manner that results in an increase in the combined income tax liability of all persons subject to the tax, may not take effect until approved by a majority of the registered voters voting in a statewide referendum held on the question of increasing the income tax. The referendum must specify the manner in which the proposed law would increase the combined tax liability of all persons subject to the tax. The legislature may repeal, or amend without increasing, a tax approved by the voters without submitting the amendment or the repeal to the voters. If the legislature repeals a tax approved by the voters, the legislature may only reenact the tax without voter approval if the effective date of the reenactment of the tax is within one year of the effective date of the repeal of the tax.

The amendment also provides that, in the first year in which an income tax is imposed, and during the first year of any increase in the tax, not less than two-thirds of all net revenues from the tax shall be used to reduce the rate of ad valorem maintenance and operation taxes levied for the support of primary and secondary education. In subsequent years, not less than two-thirds of all net revenues of the tax shall be used to continue such ad valorem tax relief. The net revenues of the tax remaining after the deduction of money for reduction of ad valorem maintenance and operation taxes shall be used for support of education. The maximum rate at which a school district may impose ad valorem maintenance and operation taxes is reduced by an amount equal to one cent per \$100 valuation for each one cent per \$100 valuation that the school district's ad valorem maintenance and operation tax is reduced by the minimum amount of money dedicated under the amendment, provided that a school district may subsequently increase the maximum ad valorem maintenance and operation tax rate if the increased maximum rate is approved by a majority of the voters of the school district voting at an election called and held for that purpose. The portions of the amendment relating to dedicating tax revenues to reduce the rate of ad valorem maintenance and operation taxes apply on or after the first January 1 after the date on which an income tax takes effect, except that if the income tax begins to apply on a January 1, the amendment applies to ad valorem maintenance and operation taxes levied on or after that date.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment prohibiting a personal income tax without voter approval and, if an income tax is enacted, dedicating the revenue to education and limiting the rate of local school taxes."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 18 proposes a constitutional amendment that would authorize the legislature to prescribe the qualifications of sheriffs. Currently, the constitution authorizes the legislature to prescribe the duties, perquisites, and fees of office, but not the qualifications for the office of sheriff.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to prescribe the qualifications of sheriffs."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 21 proposes a constitutional amendment that would abolish the office of county surveyor in Jackson County. The amendment also provides for the powers, duties, and functions of the county surveyor to be transferred to the county officer designated by the commissioners court.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment abolishing the office of county surveyor in Jackson County."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 57 proposes a constitutional amendment that repeals article XII, section 6, of the Texas Constitution, which currently provides that no corporation shall issue stock or bonds except for money paid, labor done, or property actually received, and that all fictitious increase of stock or indebtedness shall be void.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment repealing certain restrictions on the ability of corporations to raise capital."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment that would authorize the commissioners court of McLennan County to call an election to abolish the office of county surveyor. The office of county surveyor will be abolished if a majority of the qualified voters of McLennan County voting on the question favor the abolition. If the office of county surveyor is abolished, the amendment requires the maps, field notes, and other records in the custody of the county surveyor to be transferred to the county clerk of McLennan County. After abolition, the amendment also grants the commissioners court of McLennan County the authority to employ or contract with a qualified person to perform any of the functions that would have been performed by the county surveyor if the office had not been abolished.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county surveyor in McLennan County."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 19 proposes an amendment to article VIII, section 13 of the Texas Constitution that would modify the provisions for the redemption of real property sold at a tax sale. The amendment deletes current language in article VIII, section 13 that allows the legislature to provide for the sale of property without trial to pay for delinquent taxes. It also states that the deed to the new owner vests a good and perfect title subject only to redemption as set out in this amendment or impeachment for fraud. Language is added limiting application of the current two-year redemption period to former owners of residence homesteads and land designated for agricultural use sold for unpaid taxes. When property is sold as the result of a suit to enforce collection of unpaid taxes, the amendment would allow the legislature to limit redemption to property used as a residence homestead or designated for agricultural use at the time the suit was filed. The amendment creates a second type of redemption for former owners of real property when property is neither a residence homestead, nor designated for agricultural use. These owners would have a six-month period in which to redeem their property by paying the amount of money paid for the property, including the Tax Deed Recording Fee, all taxes, penalties, interest, and costs paid plus an amount not exceeding 25 percent of the aggregate total. The amendment applies to redemption of properties sold at a tax sale for which the purchaser's deed is filed on or after January 1, 1994. For redemption of properties sold at a tax sale for which the purchaser's deed was filed before January 1, 1994, the former law is applicable and remains in effect.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to modify the provisions for the redemption of real property sold at a tax sale."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment that adds a

new section 49-b-2 to article III of the Texas Constitution. This new section provides that, in addition to the general obligation bonds authorized to be issued and sold by the Veterans' Land Board (the "Board") by sections 49-b (\$960 million) and 49-b-1 (\$1.3 billion) of article III, the board may provide for, issue, and sell general obligation bonds of the state in an amount not to exceed \$750 million to provide financing to Texas veterans. \$250 million of the bonds authorized by this new section shall be used to augment the Veterans' Land Fund (the "Land Fund"). The Land Fund shall be used by the Board to purchase lands situated in Texas owned by the United States government, an agency of the United States government, the State of Texas, a political subdivision or agency of the State of Texas, or a person, firm, or corporation. The lands shall be sold to veterans in quantities, on terms, at prices, and at fixed, variable, floating, or other rates of interest determined by the Board. Lands in the Land Fund that are offered for sale to veterans and that are not sold may be sold or resold to the purchasers in quantities, terms, prices, and rates of interest determined by the Board.

New section 49-b-2 creates the Veterans' Housing Assistance Fund II (the "Housing Fund II"), and \$500 million of the general obligation bonds authorized by the section shall be used for the Housing Fund II. The Housing Fund II is a separate and distinct fund from the Veterans' Housing Assistance Fund (the "Housing Fund") established under section 49-b-1 of article III. Money in the Housing Fund II shall be administered by the Board and shall be used to make home mortgage loans to veterans for housing within this state in quantities, on terms, at fixed, variable, floating, or other rates of interest determined by the Board. The principal of, and interest on, the general obligation bonds authorized by this section for the benefit of the Housing Fund II shall be paid out of the money of the Housing Fund II. The principal of, and interest on, the general obligation bonds authorized by section 49-b-1 of article III for the benefit of the Housing Fund shall be paid out of money in the Housing Fund. If there is not enough money in the Land Fund, the Housing Fund, or the Housing Fund II, as the case may be, available to pay the principal of, and interest on, the general obligation bonds authorized by this section or by sections 49-b or 49-b-1 of article III, there is appropriated out of the first money coming into the treasury in each fiscal year an amount that is sufficient to pay the principal of, and interest on, the general obligation bonds that mature or become due during that fiscal year.

If the Board determines that assets from the Land Fund, the Housing Fund, or the Housing Fund II are not required for purposes of the fund, the Board may transfer the assets to another of those funds or use the assets to secure revenue bonds issued by the Board. The revenue bonds shall be special obligations of the Board and payable only from and secured by receipts of the funds, assets transferred from the funds, and other revenues as determined by the Board and shall not constitute indebtedness of the State of Texas or the Board. The Board may issue revenue bonds from time to time, which bonds may not exceed an aggregate principal amount that the Board determines can be fully retired from the receipts of the funds. The revenue bonds shall be sold in forms, denominations, and in installments, and bear a rate or rates of interest as the Board determines.

The general obligation bonds authorized to be issued by the Board by this section or by sections 49-b and 49-b-1 of article III shall be issued and sold in forms and denominations, on terms, at times, in the manner, at places, in installments, and shall bear a rate or rates of interest the Board determines. The bonds shall be incontestable after execution by the Board, approval by the Attorney General of Texas, and delivery to the purchaser.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing issuance of \$750 million in general obligation bonds to augment the Veterans' Land Fund and the Veterans' Housing Assistance Fund and to fund the Veterans' Housing Assistance Fund II."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 31 proposes a constitutional amendment relating to the duties of trustees of local retirement systems which provide retirement and related disability and death benefits for public officers and employees and that do not belong to a statewide retirement system. The amendment provides that the

board of trustees of such a system shall (1) administer the system of benefits; (2) hold the assets of the system for the exclusive purposes of providing benefits to participants and their beneficiaries and defraying reasonable expenses of administering the system; and (3) select legal counsel and an actuary and adopt sound actuarial assumptions to be used by the system.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing that the trustees of a local public pension system must administer the system for the benefit of the system's participants and beneficiaries."

PROPOSITION NO. 12 ON THE BALLOT

House Joint Resolution 23 proposes a constitutional amendment providing that any person accused of a violent or sexual offense committed while under the supervision of a criminal justice agency of this state or a political subdivision of this state for a prior felony may, after a hearing and evidence substantially showing the guilt of the accused, be denied bail pending trial. If the accused is not, however, accorded a trial within 60 days from the time of his incarceration upon the accusation or indictment, the order denying bail shall be set aside unless a continuance is obtained upon the request of the accused. In the amendment, the term "violent offense" means murder, aggravated assault (if a deadly weapon was used or exhibited during the commission of the assault), aggravated kidnapping, or aggravated robbery. The term "sexual offense" means aggravated sexual assault, sexual assault, or indecency with a child.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting the denial of bail to certain persons charged with certain violent or sexual offenses committed while under the supervision of a criminal justice agency of the state or a political subdivision of the state."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that amends article VII, section 17(a), of the Texas Constitution to provide that, of the \$100 million currently appropriated by that section for the use of public institutions of higher education during each fiscal year, those institutions may also utilize this money to pay for acquiring, constructing, or equipping or for major repair or rehabilitation of buildings, facilities, other permanent improvements, or capital equipment used jointly for educational and general activities and for auxiliary enterprises to the extent of their use for educational and general activities. For the five-year period beginning on September 1, 2000, and for each five-year period thereafter, the legislature, during a regular session that is nearest, but preceding, a five-year period may, by a two-thirds vote of the membership of each house, increase the amount of the \$100 million constitutional appropriation for the five-year period. The amendment also reflects name changes that have been made to some of the institutions of higher education for which such funding is available. The amendment adds the Texas State Technical College System to those institutions eligible to receive such funding, but limits its allocation of the annual appropriation to 2.2 percent of the total appropriation each fiscal year. The amendment also provides that each governing board authorized to participate in the distribution of money under article III, section 17, may also issue bonds and notes for the purposes of refunding bonds or notes issued under that section or prior law for the purposes of acquiring capital equipment, library books and library materials, paying for acquiring, constructing, or equipping or for major repair or rehabilitation of buildings, facilities, other permanent improvements, or capital equipment used jointly for educational and general activities and for auxiliary enterprises to the extent of their use for educational and general activities. The amendment deletes language in article III, section 17, which authorizes the legislature to designate a single agency to issue such bonds or notes in lieu of the governing bodies, and to transfer to that agency the authority to collect and pledge money to the payment of such bonds and notes as directed by the governing body of each eligible institution. Funds appropriated under article III, section 17, may not be used for the purpose of constructing, equipping, repairing, or rehabilitating buildings or other permanent im-

provements that are to be used only for student housing, intercollegiate athletics, or auxiliary enterprises.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to the amount and expenditure of certain constitutionally dedicated funding for public institutions of higher education."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 45 proposes a constitutional amendment that adds a new subsection (e) to article III, section 49-h, of the Texas Constitution. The new subsection provides that, in addition to the amounts authorized by subsections (a) (\$500 million), (c) (\$400 million), and (d) (\$1.1 billion) of section 49-h, the legislature may authorize the issuance of up to \$1 billion in general obligation bonds and may use the proceeds of the bonds for acquiring, constructing, or equipping new corrections institutions, including youth corrections institutions, and mental health and mental retardation institutions and for major repair or renovation of existing facilities of those corrections and mental health and mental retardation facilities. The amendment also provides that the provisions of subsection (a) of section 49-h, relating to the review and approval of bonds, and the provisions of subsection (b) of section 49-h, relating to the status of the bonds as a general obligation of the state and to the manner in which the principal and interest on the bonds are paid, apply to bonds authorized by this amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of up to \$1 billion in general obligation bonds payable from the general revenues of the state for projects relating to facilities of corrections and mental health and mental retardation institutions."

PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 37 proposes a constitutional amendment that would authorize the county commissioners court of a county to call an election to abolish the office of county surveyor. The office of county surveyor is abolished if a majority of voters of the county voting in the election approve the measure. If the office of county surveyor is abolished, the maps, field notes, and other records of the county surveyor are transferred to the county officer or employee designated by the commissioners court.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to permit the voters of a county to decide, at an election called by the commissioners court, whether to abolish the office of county surveyor in the county."

PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 44 proposes an amendment to article III, section 49-(b) of the Texas Constitution, which currently limits the principal amount of bonds outstanding at one time for the Texas agricultural fund to \$25 million and for the rural microenterprise development fund to \$5 million. The amendment would raise the principal amount limit for the Texas agricultural fund to \$100 million. The amendment would also make the principal amount limit for each fund apply to the total principal amounts of both bonds and notes issued or sold rather than just the principal amounts of bonds outstanding at one time.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing up to a total of \$100 million in bonds and notes to be issued or sold to finance the Texas agricultural fund for providing financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced primarily in this state by agricultural businesses domiciled in the state."

Este es el informe explicatorio sobre la enmienda propuesta a la constitución que aparecerá en la boleta el día 2 de noviembre de 1993. Si usted no ha recibido una copia del informe en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711

Brown captures 1st

Roger Brown captured the \$30 in "Record Football Bucks" in the contest's second week which saw six entries tie for second place.

A tie-breaker score is used to determine a winner in case of a tie and Minnie Regalado ends up in second place with \$20 in "Record

Football Bucks". Others who tied for second included Doug Koch, Danny Torrez, Dawson McGuffin, Randy Anderson and Kyla McGuffin. The third week of the Football Contest can be found on page 5 in today's Record.

Lady Wolves varsity lose to Water Valley

The varsity volleyball girls lost to Water Valley on Saturday in two very close games, 15-13 and 15-12.

Christine Mendoza scored 12 points in the two games while Bethany Bridgford added 4 and Krissy Crawford had 5. Jeanette Ceballos had 3 points while Robin Walls had 1. Coach Sharon Graves said Marie Rivera, Jennifer Ornelas and Robin Walls all played well on the back line in the match against

the visitors. Jeanette Ceballos had 4 assists while Bethany Bridgford added 1. Krissy Crawford added 4 kills and five blocks while Veronica Moreno had one kill.

Coach Graves said they led Water Valley in both games, but "we let them come back and beat us. We played well physically but we weren't intense enough and did not take control and win as we should have."

OUTDOORS

BY RANDY BULLARD

Strange things occur in the month of September. For some unknown mysterious reason, some dove hunters tend to lose their memories. Most hunters are intelligent and educated, but sometimes forget how to count...or how to count to twelve.

The first week of dove season is always the most interesting and this year was no exception. In less than a week I've been lied to, ran from, hidden from, had guns and birds slashed away from me and heard about every story and excuse imaginable. It's amusing what some hunters will do, and by the same token it is also amusing what some Game Wardens will do. Here in his own words is fellow game warden J.C. Romines account of his opening morning...

First you must visualize the scene; it is opening morning of the dove season early, my beautiful wife has sent me forth well-fed, neat and crisp and fresh in a clean uniform. I am sure I must have looked very professional. The anticipation of the first catch is coursing through my veins.

Following my pre-planned route, the first field I approached has some hunters riding around in the back of a pickup. Instantly I am alert! Unfortunately they spot me as soon as I spot them. Undaunted by the fact that I have been deprived of catching them shooting from the vehicle, I approach my first hunters of the hunting season.

I instigate a very professional and thorough check of their license and guns, and search of their vehicle and receptacles. In the back of the vehicle is an ice chest containing only ice and cups. Also there is one of those igloo water containers, the type with the big top and tray inside and the little spout on the bottom. Removing the top I observe that the tray has a small amount of bloody water in it. Removing the tray I see that the whole container is full of bloody looking water. I plunged my hand and arm in up to the elbow feeling around for their ill-gotten game, fully expecting to find breasted dove, dressed quail, or even a drawn duck. Finding nothing I masked my disappointment and withdrew my immersed arm. As I was replacing the tray, one of the hunters said very dryly "You just stuck you arm in 3 gallons of iced tea."

CARD OF THANKS

Card of Thanks....

We would like to say "A great big Thank You," to each and every one of you who showed us such love during Howard's surgery. The calls, cards, flowers, food and visits are so appreciated. Each kind word of encouragement strengthened us during the surgery. The flowers and cards brighten our days during his recovery and remind us daily of our friends. We appreciate all of you! Thank you!

Howard and Marilyn Tartt

LEGAL

NOTICE OF BUDGET HEARING

Colorado Independent School District

The President of the Board of Trustees of the Colorado Independent School District, pursuant to Section 23.45 of the Texas Education Code and Article 29e, V.A.T.S. has called a meeting of the Board of Trustees for the purpose of adopting official budget revenues for the 1993-94 fiscal year of the District, and adopt a tax rate. The meeting will be held on September 28, 1993 at 7:00 PM, 534 East 11th Street, Colorado City, Texas. Any taxpayer of the District may be present and participate in the hearing. Hermleigh Fall Festival set

For the past several months, members of Hermleigh United Methodist Church have been busy planning and working on items for their annual Fall Festival. This year's festival will be held on Saturday, October 2 from 8 a.m. to 3 p.m. at the Hermleigh Community Center.

Arts and crafts including quilts, wreaths, old-fashioned Santa Clauses, other Christmas items, quilt jackets, woodwork, and other items will be for sale. Also, a big flea market with everything from antiques to new and used items will be available for purchase.

A Farmer's Market will contain canned goods from the garden and produce. As usually, cooks of the church will have available cakes, pies and other baked goods for sale. Throughout the day drawings will be held for door prizes such as gift certificates and donations from local merchants, tools, coffemaker, glassware, art work, and needlepoint work.

A Bar B Q lunch will be served beginning at 11:00 featuring brisket and sausage with all the trimmings. The Richburg Band will be playing during lunch and through the afternoon for your entertainment. During the lunch hour we will be auctioning off antiques and collectibles.

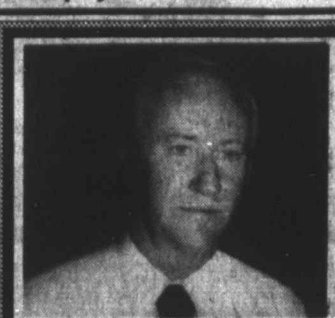

A Chinese Auction will be held throughout the day for donated artwork. This promises to add a good deal of excitement to the festivities.

Concluding the day's activities at 3 p.m., there will be a drawing for the following prizes: A VCR, Framed art work, Hand-made Quilt (Dresden Plate Pattern).

To reach the Hermleigh Community Center turn left at the caution light located on Highway 84 by Allsup's, go one block east then turn left and go one block.

The Hermleigh Fall Festival

will be held on October 2 at the Hermleigh Community Center. Everyone is invited to attend. Proceeds will go to fund various church projects.

Bullock to head Committee

Lt. Gov. Bob Bullock named Sen. Bill Sims to San Angelo Monday to a six-member legislative committee to oversee implementation of the new Edwards Aquifer legislation.

"Bill Sims is knowledgeable and vitally interested in the well-being of the Aquifer and the millions of Texans it serves," Bullock said. "He has proven himself sensitive to the needs of homeowners, industry, agriculture and recreation alike."

The oversight committee was set up in Senate Bill 1477 which created the Edwards Aquifer Authority, a board of nine members appointed by the cities, counties and water districts in the eight counties covering the aquifer.

The legislation charges the Authority with managing the aquifer through pumping limits, protecting water quality and endangered species, implementing conservation programs, developing alternative water sources for the region and long-range planning.
