WOOL APPRAISERS HERE THURSDAY OF LAST WEEK

SHORT WOOL SELLS AT 37 TO 49 CENTS; 45,000 LBS. MOHAIR

Appraisers Guy Burton, R. L. Vaughan, Henry Maginot and Ewell Reese, for the Commodity Credit Corporation, were here Thursday of last week and appraised 650,000 pounds of fall short wool. Prices on the wool ranged from 37 cents to 49 cents, or an average of 41½ cents for the entire amount.

The wool will remain in storage here until it is disposed of to the mills by the Commodity Credit Corporation.

Johnny Williams, manager of the Sanderson Wool Commission Co., also stated that they shipped 45,000 pounds of mohair Tuesday. The wool was sold to Joe Hunter, representing Harold T. Lindsay, Boston, Mass., at 57 cents per pound for grown hair and 77 cents a pound for kid hair. Included in the shipment was the Bustin Cannon clip which brought a top price of 68 cents for grown hair, 70 cents for yearling hair, and 80 cents per pound for kid hair.

Mr. Williams stated that the next wool appraisers were to be here within the next two of three weeks and that this appraisal would wind up the fall clips.

Panther Caught On Madison Ranch South Sanderson

Thought To Be Last Of Family Of Five Depredators

A 117-pound panther caught in a trap on the Madison ranch, 50 miles south of Sanderson on the Rio Grande, Sunday, Oct. 10, was thought to be the last of a family of the killers which have preyed on that section of the country for the past two years or more.

The panther, which measured seven feet from tip to tip, was caught by Herman Schunke and Jim Haley. They had found where he had killed two goats, a big mutton and a kid, Friday night and had carried the kid away. Using a dog belonging to Mr. Haley they trailed the animal for about a third of a mile and found where he had buried the kid. They set traps around the spot and the next morning the huge animal caught.

Several months ago a trapper had been employed by Mr. Madison to catch the panther which were preying on both sheep and goats in that section. The trapper caught one animal, but failed to hold it when it chewed its front foot off to escape. The week before the animal was caught by Mr. Schunke and Mr. Haley Asa Jones, whose ranch holdings are nearby, took several employees and dogs and hunted down three kittens and the female. After the old panther had been shot it was discovered that she had one front foot missing, proof that she was the same animal that had been caught in the trap earlier. The kittens were already large enough to kill and damage done by the five animals had been extensive.

Supt. Tom Holley returned Sunday night from Houston where he has been with their daughter, Miss Joan, who underwent an operation for appendicitis there Monday of last week. Mrs. Holley left Friday of last week for Houston and will remain with her until she is able to return home, probably the latter part of this week.

Mr. and Mrs. D. M. Wells spent the past week-end in San Antonio on business.

JACK SMITH

SHEEP AND GOAT RAISERS TO MEET DECEMBER 7-8

To Discuss Problems Facing Ranchmen and Affecting Industry

Vestel Askew, Secretary of the Texas Sheep and Goat Raisers' Association, has announced that plans for the organization's Twenty-eighth Annual Convention are well under way. The meeting will be held in Fort Worth, Texas, December 7 and 8, with the Hotel Texas as Convention Headquarters.

Horace Fawcett, President of the Association, urges all Texas wool and mohair producers to attend. Fawcett stated: "Our industry is faced with numerous problems and although meetings are difficult to attend under present circumstances, we feel that since Texas leads the nation in producing lamb, chevron, wool and mohair, vital materials of war, it is essential for us to meet this year."

The annual session was recently voted a two instead of three day affair by the Association's Board, limiting the meeting to strictly business affairs. A limited number of speakers, well informed on the matter affecting the industry, will be invited to speak. Several dignitaries, including Texas Governor, Coke R. Stevenson, will probably attend.

A wool warehouseman's banquet and other entertainment will be held on the evening of December 6. The main meeting will commence at 9:30 A. M. December 7. Organization reports will be given during the morning session with several speakers scheduled in the afternoon. Additional speakers are scheduled to address the gathering on the morning of December 8, while the afternoon session will be open discussion business session by the membership, including the election of new officers.

The Association's new officers and Board of Directors, will hold its first session immediately following the close of the annual gathering.

Mrs. Mary Lou Kellar Hostess This Week To Tuesday Club

Entertaining at her home Mrs. Mary Lou Kellar was hostess to the Tuesday Bridge Club this week when two tables of members and guests were at play during the afternoon. Arrangements of chrysanthemums and queen's wreath decorated the entertaining rooms.

Receiving high score prize was Mrs. H. E. Fletcher, second high went to Mrs. James Caroline and consolation prize was awarded to Mrs. J. S. Nance.

The hostess served apple pie topped with whipped cream and coffee to the following: Mesdames Jack Deaton, Walter Grigsby, John Harrison, Lee McCue, Austin Nance, J. S. Nance, H. E. Fletcher, Roy Bogusch, Roger Rose, Herbert Buchanan, James Caroline and S. H. Underwood.

JACK C. SMITH REPORTED MISSING IN ACTION

HAS SERVED NAVY TEN YEARS, WIFE, BABY IN EL PASO

Information from the Navy Department, Washington, received by Mr. and Mrs. Chester Smith of Dryden informs them that their son, Jack Smith, chief radioman, is missing in action.

The telegram, received last week, reads:

"Mr. and Mrs. Chester Smith, Dryden, Texas
The Navy Department deeply regrets to inform you that your son, Jack Cleigh Smith, Chief Radioman, U. S. Navy, is missing following action in the performance of his duty and in the service of his country. The Department appreciates your great anxiety but details not now available and delay in receipt thereof must necessarily be expected. To prevent possible aid to our enemies please do not divulge the name of his ship or station."

Rear Admiral Randall Jacobs, Chief of Navy Personnel.

Jack Cleigh Smith, who would be 31 years of age December 15, was born in Brackettville in 1912. He graduated from the Sanderson high school in 1930, and in March of 1933 volunteered for service with the United States Navy, serving the submarine division. In March, 1938, he was married to Miss Rose Mary West of El Paso, and his wife and little daughter, Rita Jeaneane, aged four, are residing in El Paso for the duration.

Since he was reported as missing it is possible that he is being held a prisoner by the enemy, although no information has been received other than the telegram telling of his disappearance.

World Day of Prayer Meeting In Underwood Home

The home of Mrs. S. H. Underwood was the scene of the World Day of Prayer meeting Monday with the morning program beginning at 10:00 o'clock under the leadership of Mrs. A. B. Gates.

At noon a covered dish was served to guests, after which the afternoon program was led by Mrs. Ted Baker. All present took part in this program.

Those present for the meeting were Mesdames Baker, Gates, John Deaton, John Neal, Clyde Higgins, Jennie Freeman, Stirling Bell, W. W. Sudduth, A. J. Norris, Lowell Schwalbe, Pat Beaird, John Klassen, Conway Pickard, Ted Attaway, and Underwood. The Rev. and Mrs. W. H. Martin of Marfa, were present for the morning program and were luncheon guests.

DAUGHTER TO BROWNS

A daughter, Diane, was born Friday, October 22, in Austin hospital to Lt. and Mrs. Herbert A. Brown. She weighed seven and a half pounds and both mother and daughter are getting along fine. Paternal grandparents are Mr. and Mrs. A. D. Brown and maternal grandparents are Mr. and Mrs. Bustin Cannon. Mrs. Cannon has been visiting with them for the past several weeks.

DAUGHTER BORN

A daughter was born to Mr. and Mrs. Leonard Barksdale Wednesday in a Del Rio hospital. She weighed six pounds and twelve ounces and has been named Jerry Ann. Both mother and baby are getting along fine.

Mrs. Mary J. Wolff left Tuesday of last week for Del Rio where she was called because of the illness of her brother, A. A. Burdwell, and sister, Mrs. James Walden. She plans to return this week.

Texas War Chest Furnishes Prisoners With Supplies

Americans In Both Japanese and German Territories Aided

The United War Chest of Texas has received good news from Tokio. George A. Butler, president and campaign chairman, has announced, "Through the War Prisoners Aid committee of the YWCA, shipments of supplies have reached our prisoners of war in camps in Japan, Korea, Formosa and other Japanese occupied territory."

War Prisoners Aid has advised the United War Chest of Texas that a committee of Swiss and Swedes has announced that it has been successful in the distribution of books, musical instruments, indoor games, athletic equipment, garden seeds and tools and everything necessary for private devotion for worship services for Roman Catholics, Protestants and Jews in the Japanese concentration camps. Additional equipment has been purchased and is being forwarded to Japan on the S. S. Gripsholm.

"The work of this one of our agencies has been even more successful in Germany where workers within the camps are in regular contact with our boys in at least twenty-four different places. Recent pictures of American prisoners of war in Germany taken by representatives of War Prisoners Aid show our men apparently adequately clothed and well-fed, and there have been some indications that packages from home make it possible for many American prisoners of war in Germany to enjoy a better diet than German civilians," Mr. Butler said.

The pictures recently received in the United States were taken at Stalag III-B, a German prison camp southeast of Berlin where the largest group of captured Americans has been interned.

Stalag III-B is very big and located in a pine forest according to a report received by the National War Fund. The prison camp consists of huts and is like a little town, with long, straight concrete streets. Between the huts are so many open spaces that air and sunshine can reach all of them. The camp formerly was occupied by Serbian, Russian and French prisoners, some of whom may still be there.

"Not all prisoners of war camps would show conditions as favorable as those at Stalag III-B," Dr. Tracy Strong, world director of War Prisoners Aid, reports. "Conditions of prison camps vary according to their location, age, and the personnel in charge. In dealing with policy of the German Government to live up to the letter and spirit of the Geneva Convention relative to the humane treatment of prisoners of war."

Mrs. S. H. Underwood Is Hostess to Friday Club

Mrs. S. H. Underwood was hostess to the Friday Bridge Club in her home on Friday of last week. The Halloween theme was carried out in the decoration of the room. Queens wreath and Mexican Sunflowers were the flowers used.

After the games of bridge, Mrs. Hugh Rose was awarded high score prize, and Mrs. Roger Rose second high.

The hostess served a lovely salad plate with parker house rolls and coffee to Mesdames Ted Baker, Horace Fletcher, Prince Dishman, Jack Laughlin, Roger Rose, W. H. Buchanan, Hugh Rose, and Conway Pickard.

Mr. and Mrs. A. E. Creigh Jr. visited here Monday and Tuesday from Alpine.

TERRELL COUNTY SCRAP DRIVE TO START NOVEMBER 1

RANCHMEN ARE REQUESTED TO DO OWN HAULING

The second intensive scrap drive for Terrell County is scheduled to get under way November 1, according to announcement by R. E. Corder, chairman of the Terrell County Salvage Committee.

It has been pointed out by high officials that the scrap piles at the mills are running low and that additional scrap must be secured to keep production at its peak. S. D. Cavitt, with the Conservation Division of the War Production Board, Austin, who was here Saturday to help with starting the drive, stated that although many persons may feel that practically all scrap was gathered in the first drive, a number of counties, working in conjunction with their school and Scouts, had brought in as much scrap metal in the second drive as they had in the first.

Because of the tire and gasoline shortage, and because of regulations from the ODT, Terrell County commissioners have found that they will be unable to furnish trucks for hauling of scrap to town. In lieu of this, they are requesting those who have scrap metals to bring them to town and deposit them on the scrap pile located in the dirt reservoir in the northeast part of town. Many ranchmen make frequent trips to town in their pick-ups and if each time a small quantity of scrap metal is hauled to town, little effort will be required of the ranchmen or others, tires and gasoline will be conserved, and the scrap pile will grow constantly.

Chairman Corder states that Terrell County will be striving to meet a quota of 120,000 pounds, or approximately 40 pounds for each of the 3,000 residents. This is a small amount compared with the 100 pounds per person which was bettered in the last drive.

Third Anniversary Party for Local Girl Scouts Friday

The third anniversary party for the Sanderson Girl Scouts was held Friday night of last week in the Scout house with the program beginning at 8:00 o'clock. Parents of the Scouts were honor guests.

The Scout house was decorated in pink and blue and the flowers used were pink queens wreath.

The program was started with the group singing "The Eyes of Texas" and "God Bless America." A poem, "The Lily and the Rose," was given by Betty Faye Sullivan. Margaret Newton and Janie Louise Turner then gave the girl Scout law and motto. Mrs. Conway Pickard gave a brief history of the Sanderson Girl Scouts and presented membership cards. Games followed.

Presiding at the punch bowl were Betty Jo Beckett and Josie Klassen. The cake was served by Barbara Anderson and Betty Cooke.

Those present for the anniversary party were Barbara Anderson, Betty Jo Beckett, Joan Byrd, Josie Klassen, Margaret Newton, Jackie Lou Slover, Betty Faye Sullivan, Margaret Klassen, Carrie Marie Turner, Janie Louise Turner, Betty Cooke, and the parents, Mrs. John Byrd, the Rev. and Mrs. John Klassen, Mrs. Peggy Sullivan, Mrs. Terry Beckett, Mrs. John L. Newton, Mrs. Josie Morris, Mr. and Mrs. S. H. Underwood, and Mrs. Conway Pickard.

Miss Roberta Lochausen visited here from Friday until Sunday with her parents, Mr. and Mrs. J. H. Lochausen. She is attending school in El Paso.

FROM TEXAS TO TOKIO

Pfc. Earl R. McDonald, son of Mr. and Mrs. T. H. McDonald, has completed his training and has been graduated from the Army Air Forces Technical School at Chanute Field, Ill. While attending this school he received instruction in the special purpose motor vehicle course, and in various technical operations vital to the maintenance of the country's fighting planes.

Capt. and Mrs. Seth Davenport and baby daughter arrived Sunday from Fort Benning, Ga., where he has been attending school, for a visit with her parents, Mr. and Mrs. Joe D. Nichols, and other relatives. They left Monday for Phoenix, Ariz., where he will be stationed.

Word received here tells us that Warrant Officer (Jg) Ernest E. Farley was recently moved to Indio, Calif., for maneuvers. He is an instructor during the time. He stated that he recently saw Dick Sullivan in Los Angeles, Calif., and was certainly glad to see someone from home.

A letter from Aviation Cadet John Hardgrave, who is stationed at Ryan Field, Calif., to his parents, reads in part as follows: "I finally did it. I soloed that little airplane without any trouble. It sure is fun to be up there alone and really know that you can fly. That is just half of it—you also have to get it back down on the ground. Touching your wheels to the ground going 80 miles per hour is pretty fast, but it isn't so bad when you learn how. I dived in the other day and was going 110 when my wheels hit. It really is lots of fun though. . . . In another part of his letter he says, 'If the California rainy season sets in I will probably go to Texas for basic. I sure hope it rains.'"

R. H. Murrah, Jr., pharmacist mate second class, who gives his address as Norfolk, Virginia, seems to be having a tough time of settling down. He says in a letter to his parents, "I haven't written because I have been on the move since Monday (the letter is dated Wednesday). I have moved to three different places since Monday but I think we will stay here for a while. I was disappointed because I didn't get a ship. There are some big ships here in port. This outfit I am in belongs to the fleet, but I don't know much about it yet."

Pvt. H. Gamba writes from Scott Field, Ill., to Mr. and Mrs. C. E. Clymer that he was able to see the world series while in St. Louis. He said that it cost him \$15 to see both games, but it was worth it. He also stated that he had received his service ribbon for being in the army for more than a year and that he was proud to wear it.

Wednesday Club Is Entertained By Mrs. John Williams

Attractively arranged bouquets of autumn flowers decorated the John T. Williams home when Mrs. William entertained the Wednesday Bridge Club last week.

At the conclusion of the games prizes were awarded to Mrs. Mary Lee Kellar high score and to Mrs. Tol Murrah second high.

Refreshments of pumpkin pie and coffee were served to Mesdames John Harrison, Hugh Rose, Mary Lou Kellar, Bill Tisdale, Roger Rose, J. S. Nance, Robert Duncan, C. P. Peavy, James Caroline, James Kerr, Tol Murrah and R. S. Wilkinson.

Howard Johnson, formerly a ranchman of this section but now residing in San Saba, was a visitor here Thursday.

WILL THE PEOPLE LEARN?

In an article in the Reader's Digest for September, 1943, Hutton W. Summers, congressman from Texas, asks: "Why is it that . . . representative government is withering before our eyes?"

He shows that while our whole political system is based on the principle of local self government, the people themselves are destroying that system by their continual demands for Federal intervention in the problems of every community and class, and by the ever-growing practices of passing these problems to Washington. Congress, not being able to handle such an impossible burden, creates bureaus and bureaucracies.

The bureaucrats "issue what are called 'directives,' which actually have the force of law. One bureaucrat in the Securities and Exchange Commission said recently: 'We do make the law. This order supersedes any laws opposed to it.'

"By making the units of state government financially dependent on the Federal government, the power to control the units of state government. When this is fully consummated, the sovereignty of state governments will be liquidated.

"The men who are trying to drive us toward government by bureaucracy understand this.

recently abolished by Congress, prophesied crisply:

"Congress will surrender to the Administration the power to tax . . . Congress will appropriate huge sums of money, will surrender its power of directing when and how the money will be spent. Other extraordinary powers, such as to effect great social reforms, will be delegated to the Administration, which will retain most, if not all, of its wartime powers."

"The remedy — and only remedy — is to send these non-Federal functions back where they belong: to the state and local communities, where they can be handled upon a scale within the comprehension of the limited mind of man.

"National socialism may be described as government by bureaucracy. If we think Hitler's system is better than ours, we should have the honesty to say so instead of copying while we denounce it."

THE STOPPING PLACE

The following conversation is illustrative of the manner in which many public and private offices are conducted:

"What position did you hold in your last place?"

"I was a doer, sir!"

"A doer! What's that?"

"Well, sir, you see, when my employer wanted something done, he would tell the cashier; the cashier would tell the bookkeeper, the bookkeeper would tell the clerk, and the clerk would tell me."

"And what would happen then?"

"Well, sir, as I hadn't anyone else to tell it to, I'd do it." Exchange.

THE OLD JUDGE SAYS...

"Good morning, Doc. Your good wife tells me you're working night and day now that so many of the younger doctors are in the army."

"That's right, Judge, and I'm glad I'm still able to do it. Had a long letter from Harry... that bright young fellow I was breakin' in to take over my practice. He said the boys in the service are getting the best medical care of any armed force in our history. They really should with all those brilliant doctors and plenty of supplies to work with."

"Speaking of supplies, Doc, not many

people realize that a large part of the war-alcohol required to make the medical supplies that are being used right this minute to alleviate pain, combat infection and save human lives, is produced by the beverage distilling industry. This entire industry stopped making whiskey over a year ago and has been working night and day producing nothing but war-alcohol."

"Nobody knows better than I, Judge, what an important contribution to our war effort that really is."

Eliminate Colored Bulbs

Amber-orange and flament bulbs in round or flame shape give a mellow, amber lighting effect, but there is a considerable loss in light to obtain it. Replace them with inside-flame lamps of the same wattage and you'll get a lot more light from the same amount of current. It's a good idea, too, to use the bulbs are equipped with shades to prevent glare and to direct light where it is needed. We'll gladly help you in any way we can to make the most of your lighting.

OTHER WAYS TO CONSERVE LIGHT

1. Remove and clean lamp bulbs and lamp bowls regularly. Dry thoroughly before using again.
2. Keep shade linings light. Clean or brush regularly. Repaint or retine dark-colored paper or parchment shades.
3. Sit close enough to the lamp to get all the help it can give your eyes.
4. Avoid direct glare from lamps by using shades deep enough and wide enough.
5. Arrange furniture so one lamp can serve two people. But be sure lamp is not too far away from either person.
6. Turn off lamps not in use. Lamp bulbs use critical materials. Make them last longer.

seems that she and Doyce are
back together again. But some
one is hoping it won't last. Now
kids don't be a kill-joy.

A girl I know was wondering
the other day who Harvey Rog-
ers was dreaming about now.

Keep your eyes open, Harvey,
she may have possibilities.

Speaking of Harvey, a certain
Freshman girl is nuts about the
other Harvey. I bet you could
easily guess who.

Can you imagine Monte beat-
ing Glynn's time?

Some variety was added to
routine, Monday, in the person
of Beverly, the vivacious miss from
El Paso. My, weren't the kids
glad to see her again!

Clara was having a good time
in Del Rio Saturday, and I'll
bet you can guess why. An old
flame lives down that way now.

Doris Lee had a date with Al
the other night. Look out kids
we may have a new romance
here. They do make a cute
couple.

Seems that Johnnie was hav-
ing a swell time Saturday night
even if Clara was in Del Rio.

Say, girls, did you think the
holiday started on Thursday
afternoon?

Sid, why were you so worried
Thursday night?

Miss Kinkler is seen quite a lot

VOLLEY-BALL GAME

By Jeanette Cobb

Friday night was enjoyed by a
large group of people at the
volley-ball game in the gym. The
game was between the Faculty
and eighth grade parents. Each
side had five players. The faculty
players were: Mrs. Persch, Mrs.
Bradford, Mrs. Bradford, Mr.
Bradford, and Mr. Lovell. The
parents were: Bobby Sudduth,
Mr. Beckett, Mrs. Duncan, Mrs.
Tommy Williams, and Mrs. Duke.
The parents fought for
victory and won. After the
game, pies, a cake, and a box
of groceries were raffled off by
the juniors and tadpoles. Mrs.
Goode won a pie, Mrs. Chastain
won two pies, and Mrs. Buddy
Sudduth and Mrs. D. B. Herbert
won pies.

Then the tadpoles had a
guessing game. Beans were put
in a bottle and the people paid
to take a chance on how many
beans they thought were in the
bottle. Mrs. Coughran won first
place and received a cake. Nancy
Peavy guessed and won second
place. She received the jar of
beans. Then the juniors raffled
off the box of groceries they had
been selling chances on for the
past two weeks. Mrs. Babb won
the groceries. Thus ended the
cheerful volley-ball game.

JUNIORS SELL
SUBSCRIPTIONS

The Juniors are selling mag-
azine subscriptions to raise
money for the future expenses
of the year. All juniors have sub-
scription blanks and are anxious
to sell them. They are starting
early trying to raise money so
the seniors will get a really good
banquet, so come, seniors and
every body, help yourselves by
subscribing through the juniors.

They have subscriptions to
nearly all magazine and the
rates are real swell.

with a certain soldier. He's sure
cute, Kinkey.

It seems Yvonne is up to the
old trick again. Nice going kid
'cause M. G. is lots of fun.

Wilma did you have a good
time in Del Rio? It seems to be a
favorite place to go with a lot of
these students of dear ol' High.

Jack Thomas and Alda Faye
seemed to be having a grand
time in the study hall for a
while. Now why do teachers
have to ruin things?

Say, who did you have to
write a letter to, Miss Brieger?

It seems to me that these
columns need more variety.
Listen "chums", give ole snooper
more news. We can't be every-
where all the time.

Maurine F. looked as if she
was enjoying her self Saturday
night. We wonder if it could
have been because she was
with Bill C. again.

Maurine C. has taken over J.
D. Say weren't you with Bill C.
last week? Funny business.

Saturday night seemed to be
a big night for two couples.

Frank, where did ol' snooper
see you Saturday night? Well we
won't tell if you won't.

Betty Jo's house seemed to be
there center of pleasure Thurs-
day night. No kiddin', Betty, we
all had a swell time.

Mrs. B. sure did look relieved
after the votes were read Thurs-
day night.

Wonder why Mr. B. had to
wait till the last thing to read
the out come of the seniors. Why
I thought snooper would have to
bury some of the seniors.

Say, what's this we hear
about Jay Tom and Lauretta.
Well I've heard of some things,
but this beats it all!

CAKES

Cake is a very good subject.
Almost everyone is interested
in cakes. So were the Homa-
making II girls.

After adequate arguments it
was discovered who would cook
each type of cake. The next step
was mixing the cakes. Every
thing went superbly. What
smiles were spread over fem-
inine faces as they painstakingly
put the cakes in the ovens.

Just right! Little they knew
what was in store for them!

But they were not long in
waiting. Before the girls knew
what was going on, Helen's and
Betty's Gold Cake had risen up
and run all over the oven. Not
on the top of the oven, to be
sure. It had not that quality

LAMAR WARD HONOR ROLL

Below is listed the honor roll
for the first six weeks of the
1943-1944 school term. Begin-
ning with the next six weeks

appear on the honor list if his
department grade falls below
a B average.

SEVENTH GRADE—
Maria Pena, B plus; Ernestina

possessed by the fly, but was
more like some humans. It
sneaked over the edge of the
pan and—look out below. But
they were not alone in their
disappointment. Hardly was the
first excitement over when
smoke came bounding out of the
other oven. Now came a surprise
to Jean and Mary. It seems the
oven was a wee bit hot for their
Devil's Food Cake and it was the
cake growing black on top. Now
from what I have heard, the
place where the Devil lives is
very hot. That is why it is
screwy for the Devil's Food cake
to burn so at only 350 degrees F.

After this the main cause of
trouble was rushing. Doris and
Wilma thought their Butter
Cake (cake method) looked so
good that they cut it too quickly.
Earline and Doris Lee took their
Spice Cake out too soon. Con-
sequently gently descended in
the center, giving a very crush-
ed look. However not all the luck
was bad. Those three geniuses,
Betty Pearl, Marjorie, and Cath-
erine turned out a beautiful
Butter Cake (muffin method).
Oh, well some people always
were lucky!

The following Monday every-
thing went fine. The cup cakes
and the War cake came out of
the oven well done. And best of
all the cakes came out of the
pans Helen and Jean made a
lovely pink icing for all the cake.

Wish us luck for the future,
kids. We need it!

AT THE PRINCESS—
(Continued From Page Two)

SANDERS, CHAPMAN HAVE
"APPOINTMENT IN BERLIN"

A picture said to be the sensa-
tional story of one of the great-
est conspiracies of modern times,
is the "Appointment in Berlin,"
which comes to the Princess
Theatre on Sunday and Monday.

This new screen drama stars
Marguerite Chapman and the sup-
porting cast is headed by Gale
Sondergaard and Onslow Stevens.

The story of "Appointment in
Berlin" opens with Keith Wilson,
R. A. F. Commander—the role
played by George Sanders—
listening to the startling news
that Chamberlain has just con-
cluded a pact with Hitler. Out-
raged, Wilson goes on a tour of
the pubs with Smitty, a newsboy,
and they both voice bitter criti-
cism of the Prime Minister
wherever they go.

As result of his drunken spree,
Wilson is dishonorably dis-
charged from the service and
disowned by his father. However,
a family friend, who is a British

Intelligence official, believes in
Keith's basic loyalty to his
country and engages him for a
dangerous mission of counter-
espionage.

Advance word also indicates
that at this point in the story,
interest mounts as Wilson com-
mits "crimes" against his own
country in order to ingratiate
himself with the Germans. Even-
tually, in complete disgrace, he is
accepted wholeheartedly by a
ring of Nazi spies. He gets his
"Appointment in Berlin."

The last half of the story
strikes a note that will be fami-
liar to radio listeners and news-
paper readers, but it is entirely
new as the basis of a screen
drama. Wilson broadcasts regu-
larly from Germany, bitterly
denouncing the land of his birth,
just as several outstanding ex-
patriates are actually doing now.

Wilson's broadcasts, of course,
are coded messages that get
through to the British In-
telligence, despite the rigid Nazi
censorship.

Another unusual twist to this
story seems to be the romantic
angle. Wilson falls in love with
Ilse Preissing, (Marguerite Chap-
man) who runs the German
radio station with her Nazi
brother. As she returns his love,
and as the Nazi discover Wilson's
"two-timing" eventually, you can
look forward to a highly dra-
matic climax when you see this
new picture at the Princess
Theatre.

NEW JUVENILE FILM
STARS INTRODUCED IN
"HARRIGAN'S KID"

A new juvenile star is intro-
duced in "Harrigan's Kid," play-
ing at the Princess Theatre
Tuesday. He is Bobby Readick,
sensational of the Broadway
stage, who plays the title role in
this original screen story.

The story deals with the
career of a young jockey, played
by Readick. He is taught the
tricks of riding by a former star
jockey, played by William Gar-
gan. But Gargan is not only
teaching the cocky youngster to
ride. He teaches him all the
ways and means of throwing
races so that he and his un-
scrupulous partner, J. Carrol
Naish, will reap the profits of
crooked bookmaking.

But the "grand old man of the
turf," Frank Craven, meets the

youngster and sees through his
tough exterior. He buys his con-
tract and takes the youngster
under his wing, teaching him
the ideals of fair play and good
sportsmanship, until finally the
jockey rides a good, clean race
to win first place in the turf
classic.

Readick handles the difficult
role with sympathy and under-
standing. William Gargan is
first-rate as the "fallen" jockey
who finally redeems himself in
a stirring climax. J. Carrol Naish
is convincing as the shady book-
maker. As the veteran trainer,
Frank Craven contributes one
of the finest performances of
his long career.

☆ ☆
"PRESENTING LILLY MARS,"
LITING MUSICAL, STARS
JUDY GARLAND, HELFIN

Lilting melodies mingle with
comedy and a haunting love
story in "Presenting Lilly Mars,"
which brings Judy Garland to
the Princess Theatre, Wednes-
day and Thursday, where she is
appearing in one of the most in-
triguing roles of her career.

Judy is teamed not with another
singing star but with a polished
actor in the person of Van
Heflin.

The story is engaging. It deals
with a young girl who wants to
become a musical comedy star,
a producer who cannot see her
possibilities, and the various
complications that follow when
the very resolute young lady sets
out to show him the error of
his ways.

Judy "crashes" a party, insists
on acting Shakespeare for the
impresario, manages to get his
prima donna insanely jealous
but finally wins out, takes her
place in the spotlight—and wins
a husband.

Amid the fun and romance
are such hit numbers as "Mir-
age," executed by Bob Crosby
and his band, who figure pro-
minently in the picture; "Tom,
Tom, the Piper's Son," a hit for
Judy; "Kulebaika," exotic num-
ber sung by glamorous Marta
Eggerth, and others.

Helfin plays the producer who
finally yields to Judy's charms
and songs, and Miss Eggerth is
a glamorous figure as the fiery
prima donna. Richard Carlson is
convincing as a harried young
playwright.

Junior Woman's Club Is Entertained In Mrs. McKee Home

On Thursday, October 21, at 7:30 Misses Marion Brieger and Margaret Kinkler were co-hostesses to the Junior Woman's Club in the home of Mrs. J. W. McKee.

The Junior Woman's Club with the assistance of the Sanderson Culture Club and various other organizations of Sanderson, plan to have a recreation room for the soldiers as soon as a suitable building is secured.

An interesting program was lead by Armenta Ragsdale. This included "Paris Underground" by Etta Shiber, which was reviewed by Anna Lee Allen and Armenta Ragsdale gave "Abdul, The Egyptian, Learns Yankee Ways" by Frederic Sondern, Jr.

During the social hour, the hostesses served delicious sponge cake, coffee and tea to Misses Armenta Ragsdale, Margaret Lattimore, Anna Lee Allen, and Mesdames Bill Vaughn, Conway Pickard, Jack Hayre, Mrs. Woodrow Cox was a guest of the club.

The next club meeting will be held on Thursday, November 11, at 7:30 with Misses Margaret Lattimore and Armenta Ragsdale acting as hostesses.

Mr. and Mrs. Brownie Locke of Maywood, Calif., left Monday to return to their home after several days spent here attending to business matters.

Woman's Auxiliary Meets In Home Mrs. J. H. Lochausen

The Woman's Auxiliary of the Presbyterian Church met Monday, October 25 at 3 P. M. in the home of Mrs. J. H. Lochausen.

The meeting opened with the singing of "Light Up The World For Jesus" followed by a prayer led by Mrs. John Nichols. Sixteen members answered roll call with a Bible verse. The minutes were read and approved. November 1-7 will be the week of prayer and self denial. On Wednesday November 3 and Thursday, November 4 the group will meet at 10 A. M. in the home of Mrs. John Byrd for a prayer meeting. On Friday November 5 an all day meeting starting at 10 A. M. will be held in the home of Mrs. R. S. Wilkinson. At this time the book on Home Missions will be reviewed Mrs. J. F. Brown, Mrs. Lochausen, and Mrs. Lee McCue were appointed to plan the lunch for the all day meeting. Mrs. Byrd was instructed to buy another star for the church's service banner. The next auxiliary meeting will be Monday, November 8th in the home of Mrs. John Nichols.

The auxiliary members having birthdays in October were asked to stand. At this time a birthday greeting card from Mrs. J. W. McKee was read and "Happy Birthday" was sung by the group. There were six birthday members.

Mrs. Earl Pierson led the devotional on the 13th 14th, and 15th chapters of Acts. The topic being "The Church Expanding." Mrs. R. S. Wilkinson conducted the program "Facing the Future in Home Missions" at which time "A Change We Have To Keep" was sung.

Following the program a social hour was enjoyed at which time the hostess served delicious refreshments. Mrs. Keith Mitchell and Mrs. A. F. Gholson were visitors. At this time Mrs. Gholson joined the auxiliary.

Mrs. O. T. Schupbach Sr. visited here last week-end with her daughter, Mrs. W. E. Stavley and Mr. Stavley.

From where I sit . . .

by Joe Marsh

Ned Buxton was home on furlough last week. And you ought to see the fuss the town made over him. Seems like almost everybody wanted to give a party, or a testimonial dinner, or stage something special in the way of celebration.

Of course, Ned acted grateful. But he told me later, all he really wanted was to sit down with a few old friends, enjoy a glass of beer or two, and talk about old times again.

I guess that's how many soldiers feel. They don't want a lot of fuss made over them, with formal celebrating and such.

What they really like are the simple pleasures—one of Mom's home-cooked meals, visiting with friends over a glass of beer—enjoying things that mean home and comfort and security.

From where I sit, our biggest job, apart from helping win the war, is making sure those things are waiting for our men when they come back home for good.
