BOY IS BITTEN Judge Directs Dog Removal

A young boy being attacked by four dogs here in Slaton Tuesday afternoon, Judge Legate directed the city to remove the dogs. The owner of the dogs, a Corporation, was revealed in a hearing held by Judge W.H. Legate Tuesday afternoon. The hearing was held concerning the attack on the boy, who was injured after being attacked by four dogs on 6th Street last Monday night. The dogs were owned by Mickey, and the hearing was held to determine if the dogs were dangerous. The judge directed the city to remove the dogs, and the city will remove the dogs on or before the first day of June.

Police Capture Fugitive Here

Jerry Ray James, termed by police as a dangerous fugitive from Travis County who escaped to keep from going to trial, was arrested at a local motel early Friday morning. City police received a call from Lubbock that he and possibly another fugitive were headed this way and were probably armed with a shotgun and considered dangerous. After spotting his car at a motel here, two city policemen, one Texas Ranger, two highway patrol men and one Lynn County officer entered the motel room and arrested the suspect and a woman who was with him. The woman, Joan Davis Taylor, was booked on a vagrancy charge, and James was taken to Lubbock by the Texas Ranger and charges were filed on him. Another report on the police files for the past week shows

Wilson Pioneer Dies Sunday

Funeral services for Anton Ahrens, 82, Rt. 2, Wilson, were held at 11 a.m. Tuesday at St. John's Lutheran Church in Wilson with the Rev. John Onda officiating. Burial was in Englewood Cemetery under direction of Williams Funeral Home. Ahrens, a Wilson area resident since 1915, died early Sunday at Mercy Hospital. He was a charter member of St. John's Lutheran Church in Wilson. Survivors include his wife, Hulda; three daughters, Mrs. Natlia Mimmeyer, Winters, Mrs. Gladys McLane, Crane, and Mrs. Lavern Gardner, Olton; four sons, Edgar, Wilson, Emmet, Grand Prairie, Henry, Cotton Center, and Wildon, Lubbock; a sister, Mrs. E.E. Albrecht, Yoakum; 15 grandchildren and three great-grandchildren.

MEMORIAL DAY SERVICE TO BE HELD IN CEMETERY

Memorial Day will not go unnoticed in Slaton this year, as the VFW Post 7621 and the American Legion Post 438 and their auxiliaries join together to participate in Memorial Day Services Sunday. The service will begin at 7 a.m. in Englewood Cemetery. The public is urged to attend the service, and the posts have asked that any citizen who would like a certain veteran's grave staffed with a flag, should call Commander Bo Becker at VA8-3951 or Commander Ellis Schmid at VA8-4955 before Saturday night. All the known or veteran-marked graves will be marked. The service will begin with the uniformed color detail with guards and color bearers, chaplain, bugler sounding taps, and a firing squad present to perform. The VFW Auxiliary will place emblematic auxiliary flags and grave markers with a brief ceremony on the two deceased member's graves buried in Englewood. The two graves are Mrs. Evelyn Wicker who died in 1963 and Mrs. Hazel Boyles who died in 1960. The auxiliary will then proceed to Tahoka where an auxiliary marker and flag will be placed on the grave of Mrs. Eulalia Richardson, deceased member of the Slaton Auxiliary and Richardson, deceased member of the Slaton Auxiliary and president of District 7 at the time of her death in October of 1964. The VFW and American Legion Posts will especially revere the graves of the two deceased members who died in 1964, Henry Jarman (American Legion) who died August 11, 1964, and W.T. Wright (VFW) who died March 25, 1965.

FOUNDATION OKAYS LAWS

Articles of incorporation have been approved for Slaton Industrial Foundation, and four committee members will fly to Austin today to make application with the Secretary of State, it was announced Wednesday by M.G. Davis, chairman of the organizing directors. The Foundation, being formed here to promote industrial development for the city, was initiated by a Chamber of Commerce steering committee headed by Tommy Wallace, going to Austin today will be Davis, Wallace, Dr. Lee Vardy and Atty. George Lemmon. Davis said the group would also contact the State Securities and Exchange Commission concerning registration of stock for Slaton Industrial Foundation. Also included in the busy one-day trip will be a visit with the State Industrial Commission to notify them of the Foundation's existence.

1-INCH RAIN SOAKS SLATON VICINITY Rain, Hail Pelt Area

Turbulent weather unleashed moderate to heavy rain and some hail all around the Slaton area Tuesday night, with moisture recorded from .75 of an inch to 1.4 inches in the immediate Slaton vicinity Tuesday night. The rainfall came at a time when many farmers had planted, or were planting, their cotton. The heavier rain and hail might have caused crop damage in some areas around Slaton. Towering clouds, accompanied by lightning and thunder, moved over the city about 10:30 p.m. Tuesday with the rainfall lasting about an hour. High winds and rain buffeted the Wilson area Tuesday night, and hail was reported along with a hard rain in the Union community west of Slaton. A slight amount of marble-size hail fell in Slaton, but larger hail was reported in some areas to the west. The rainfall in Slaton was preceded by high winds, but the wind calmed down prior to the thunderstorm over the city. The turbulent weather moved in a circle around the area, encompassing Lubbock, Tahoka, Wilson, Slaton, Ralls, Dalou and Crosbyton. Afternoon rain and hail hit Crosbyton, Post, Matador and an area near Lamesa. Crosbyton was hardest hit by the hail. Post was pelted by hail shortly after 4 p.m. Tuesday, and a 15-minute hailstorm caused considerable damage in Crosbyton around 5 p.m. Two widely separated twisters were reported at Roaring Springs and in southeast Mitchell County. A possibility of more turbulent weather was forecast Wednesday.

City Seeks Dog Catcher

Slaton City Commission voted Monday night to employ a full-time animal warden, discussed a clean up of old car bodies and appliances, authorized the city attorney to draw up a proposed ordinance on condemnation of old buildings, discussed a zoning issue, discussed a city hall sign and additional lighting and tabled a discussion on the appointment of a water superintendent. The decision to hire a full-time animal warden came after Rudy Dominguez, part-time warden, tendered his resignation at the Monday night session. Dominguez, who uses his own pickup, said the condition of his vehicle was a major factor in his decision to resign. He also stated that he thought a full-time man was needed. The commission decided to provide a vehicle for the animal warden. Salary was tabbed at \$300 per month. No applications were on file for the position Monday. Mrs. O.B. Allen and three other ladies from the east side of town appeared before the commission to request help in removing old car bodies and discarded ice boxes from that part of town. City Administrator Wayne Baker indicated that the city did not have the necessary equipment for picking up and removing the car bodies. He pointed out that the city had the authority under ordinance, to assess fines if unightly objects or those which caused a "public nuisance" were not removed upon request. The commission decided to issue warnings to violators and follow up on the matters if action was not taken. It was during this discussion that commissioners also asked the city attorney to prepare a proposed ordinance concerning the condemnation of old, deserted buildings. Two persons appeared at the meeting to protest a building project which they claimed did not follow the zoning regulations in a number of respects. Baker agreed that one regulation was definitely in violation and the party is to be so notified. Mayor Jonas Cain suggested that the commission consider putting up a city hall sign and some type of lights to illuminate the municipal building at night. The matter is to be considered. Baker recommended the appointment of a water superintendent, with a slight raise in salary. However, Commissioner Robert Banks Jr. opposed the salary increase on the grounds that other employees had been told no increase was provided in the budget this year. Baker pointed out that a promotion was involved, not just a raise in salary. Banks also remarked that he thought an additional patrolman was needed in the police department. After a short discussion, the commission decided to table the matter until next session. In other action, the commission approved a new street light at Lubbock and 19th St., on the corner by the church, and authorized an expenditure of \$25 to complete painting of a solar screen installed on the south side of City Hall by the Garden Club. The final bill on Division Street work was approved, and the commission okayed a holiday for city employees Monday, since Memorial Day falls on Sunday.

7 GRADS GET AWARDS

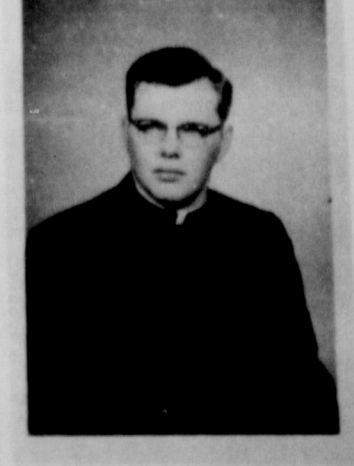

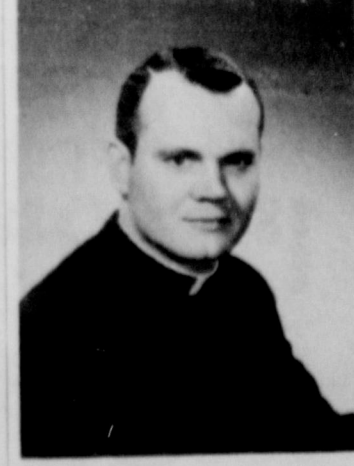

At Slaton High School's commencement exercises Monday night, seven scholarship awards were presented to graduates. Kathy Gass, valedictorian, and Belinda Becker, salutatorian, received scholarships for their honor of being named the highest ranking in the class. Mike Hall received an academic scholarship for being the highest ranking boy in the class with an average of 92.0. The scholarship can be used at a number of church supported schools. Belinda Becker intends to use her \$650 scholarship at Texas Lutheran College in Seguin. The American Legion Awards were presented to Diane Shafer and Ray Ayers by Ellis Schmid, Post Commander of Luther Powers Post #438. Jan Scott was recipient of the scholarship given by the Methodist Church. The A.C. Strickland Scholarship Award given by the Classroom Teachers was presented to two girls, each receiving \$100 scholarships, Belinda Becker and Barbara McCook were the proud recipients.

Printing Firm Has New Owner

Operation and management of the commercial printing shop in The Slatonite office has been assumed by Arvin Stafford, formerly of Morton, it was announced this week by G.G. Niemman, Slatonite publisher. Stafford, 28, and a brother-in-law purchased the job printing shop, and Stafford took over operation of the business Monday. It will be known as Slaton Co. Printing. The printing firm, specializing in all types of printing jobs, will continue to be located in The Slatonite office building on the west side of the square. Stafford, who has 10 years experience in the printing field, was foreman of the commercial printing shop at Morton before coming here. The shop serviced both Morton and Denver City patrons. A native of Arkansas, Stafford lived in Portales and Roswell, N.M., before moving to Brownfield. After living in Brownfield six years, he resided at Morton for about two years. Stafford has already moved his family here, residing at 330 E. Crosby. They also moved church membership here to the Church of Christ. He and wife, Mary Ann, have four children: Scott 7, Sharon 5, Debbie 2, and Denise, 5 months.

FIRST ORDINATION EVER IN CITY Priesthood Due 2 Slaton Men

In the first ordination of a Roman Catholic priest ever to take place in Slaton, two men will be ordained to the Roman Catholic priesthood Sunday at 4 p.m. Rev. Clarence Roland Buxkemper, son of Mr. and Mrs. Clarence Otto Buxkemper of St. Joseph's Catholic Church, and Rev. Timothy Schwertner, son of Mrs. R. Schwertner, also of St. Joseph's Catholic Church will receive the order conferred by the Most Reverend Lawrence M. DeFalco, D.D., J.C.L., Bishop of Amarillo, during a Pontifical Low Mass in St. Joseph's Parish Church here. Rev. Buxkemper and Schwertner attended St. Joseph's grammar school. They spent four years in study and training for the priesthood at St. John's Minor Seminary in San Antonio, and eight years at Assumption Major Seminary, also in San Antonio. Each will celebrate his First Solemn Mass Monday in St. Joseph's Church here. At 9 a.m. Buxkemper will celebrate his mass, followed by Schwertner's at 11 a.m. Assisting Rev. Buxkemper will be Rt. Rev. Msgr. Peter Morsch, pastor of St. Joseph's, as Archpriest; Rev. Bernard Gully will be Deacon; Rev. Curtis Halfmann will be Subdeacon. The Very Rev. Msgr. Leroy T. Matthiesen, M.A. will give the sermon. Mr. Thomas Irlbeck of Canyon and Mr. Danney Hlavaty of Slaton will also

Mrs. Don Crow Host To Club

Mrs. Don Crow was hostess to the Daughters of Pioneer Study Club when it met for a salad supper on the backyard patio at the Crow home May 19.

New officers for the coming year were installed by Mrs. Bob Ayers. Taking office were Mrs. Leroy Holt, president; Mrs. Don Crow, vice-president; Mrs. Bing Bingham, secretary; and Mrs. M. M. Schlueter, treasurer.

A silver tray was presented to Mrs. Jack Nowlin who had served as president for the club the past two years.

Fifteen members were present for the occasion.

Not my will, but thine, be done—(Luke 22:42).

We should relax. We should let go. We should let God's will be done in us, through us and for us. If there is a need for peace in our mind we relax. We should let God's peace come flooding in upon us. We know that God's will is good, and God's good is ours if we seek it out.

Editorial

The Slatonite urges whole-hearted support to the Veterans of Foreign Wars Buddy Poppy Campaign which will be held Saturday in Slaton.

The wonderful things that the V.F.W. is doing with the proceeds from the annual Buddy Poppy Sale more than warrant a generous contribution from each member of this community. The prompt help given to our disabled and needy veterans, the magnificent care given the orphans and widows of our honored war dead, the fostering of true Americanism—these are some of the highly commendable things being done by the VFW through our unselfish support of the Buddy Poppy Sale.

When we buy our Buddy Poppies, we may give heartfelt thanks that in this small but important way, we are able to acknowledge that everlasting debt of gratitude we owe those courageous men who were ready to give their lives at a time when our nation could not survive without them.

Hundreds of thousands of them did give their lives, and those men we cannot forget!

Shower Honors Miss Pettigrew

Miss Patsy Pettigrew, bride-elect of John S. Tanner of Dallas, was honored with a bridal luncheon in the home of Mrs. J.S. Edwards Saturday.

A gift of silver was presented to the honoree from hostesses: Mmes. Bob Ayers, Cecil Scott, J.W. Henry, Rush Wheeler, V.G. Browning, Max Arrants, and Edwards.

The home was decorated with roses.

Guests attending the luncheon were Mmes. Ronnie Foster, Dale Edmunds, Eddie Nelson, Butch Dodson, Jimmy Sikes, Hern Pettigrew, mother of the bride-elect, Miss Pam Henry and the honoree.

Past Matrons Hold Meeting

The Past Matrons Club met May 17 in the home of Mrs. Jack Cook with Mrs. W.P. Layne bringing the devotional.

Each member answered roll call with scripture. Mrs. J.M. Elliott, president, conducted the business meeting.

The club voted to buy a 30 cup perculator for the Eastern Star Hall.

Refreshments were served to Mmes. J.D. Barry, E.R. Burns, F.A. Drewry, Vertner Merrill, Fannie Patterson, R.L. Smith, Douglas Wilson, H.E. Woods, Layne, Elliott and Cook.

HD Agent On Club Program

The program for the Slaton Home Demonstration Club May 19 was presented by Mrs. Mildred Patterson, home demonstration agent. The program was "Design For You". She told of the four general principles of design which are proportion, balance, rhythm, and emphasis. She went into detail of what each is composed of.

The club met in the clubhouse with roll call being answered by telling each member's middle name.

Mrs. Alton Meeks led the group in two games, Battleship and Letter Scramble.

Refreshments were served by Mrs. Spencer Brewer and Mrs. E.E. Bishop to Mmes. Joe Baher, Earl Stahl, Milt Ardrey, Riley Eaton, Ralph Thorp, Meeks, and visitors, Mmes. Patterson, Julie Sanders, John Thornberry and a new member, Mrs. J.M. Breland.

The next meeting will be June 2 at 2 p.m. in the clubhouse. The program will be "Harmless Poisons That Kill". Visitors are welcome.

Mr. and Mrs. C.A. Maeker of Richardson visited with her parents in Slaton last week. Mr. and Mrs. M.E. Morris

Bridal Shower Held Sunday

Miss Marilyn Gilmore, bride-elect of Frank E. Chapple III, was honored with a bridal shower on Sunday from 3 to 4:30 p.m. in the Slaton club house.

The serving table, covered with a white linen cutwork cloth was centered with an arrangement of white stock and daisies in a silver bowl. The table appointments were silver and crystal.

The hostess gift was an array of lovely linens.

Hostesses for the occasion were Mmes. L.N. Foster, C.F. Bradford, F.C. Boyd, J.S. Edwards, Jr., Byron Johnston, August Kitten, W.T. Davis, Sr., Luther Gregory, Henry Adamek, Jay McSweeney and R.J. Hurst.

Louis Melcher, Charles Dickson, Leland Scott, C.C. Hunter, M.D. Barry, C.E. Hogue, L.B. Wooten, J.H. Dodson, E.C. Kroll and Miss Judy Kroll.

Mr. and Mrs. Bob Milliken and family enjoyed a day of boating at Buffalo Lakes Saturday with his two brothers, Mr. and Mrs. R.A. Milliken and family of Lubbock and Troy Milliken of Pleasanton, Mrs. R.B. Milliken, mother of the Milliken boys, and Troy were guests in the Milliken home here Saturday night for dinner, and they returned to the lake Sunday for another outing.

Ladies Auxiliary To Continue House-Numbering Project Here

The Ladies Auxiliary to the VFW Post 6721 met Monday night in regular session with 18 members and one guest in attendance. Guest at the meeting was Mrs. Louise Weehunt of Lubbock and a member of Auxiliary 2466 in Lubbock.

Mrs. Bo Becker, president, conducted the business meeting and reported an appeal from the Catholic Daughters for help on the Cancer Drive. The group voted to help by working at one of the booths set up for the drive.

Several committee reports were given at the meeting. Mrs. Becker reported on the transportation committee. She reported that a word of thanks had been given to the auxiliary from the Public Health Nurse on the transporting of mothers and babies to the well-child clinic each month, and especially on the house numbering project the auxiliary recently undertook.

She said it had been a great help to her and all the people she has to contact but at the same time she appealed for any help anyone could give on the street sign problem. Mrs. Jasper Moyers and Mrs. Corena Johnston were accepted as volunteers for the transportation committee on May 27.

Mrs. Billie Clements gave a report on the house-numbering project. She reported that the project had been completed, but asked the auxiliary to consider going further west and north and make the project a continuing one. She reported that the health nurse knew of many more unnumbered houses in these vicinities and expressed the hope that the auxiliary would continue and complete the whole city.

The auxiliary voted to put house numbers on all homes in Slaton, and expressed their hope that the public will cooperate with their volunteer workers who will come around.

The women will be glad to provide numbers and installation of them if the people will call Mrs. Clements and express their desire for them regardless of whether they are indigent or not.

Mrs. Hunter Tucker gave a report on the banquet committee. This committee was in charge of serving the Volunteer Firemen during their convention May 15. She reported the banquet as a big success. Proceeds from the banquet will go to works of charity and community work the auxiliary will do during the year.

Mrs. Pete Jaycon and Mrs. Travis Mann, Poppy Day chairmen, reported the plans and progress on the annual poppy sale which will be held Saturday. The proceeds will be put into a relief fund and used for disabled veterans, widows, and orphans. The two women appealed to all members to take part in the Poppy Day sales by bringing their children to help sell poppies.

Mrs. Becker reviewed plans on the Memorial Day Services which the VFW, American Legion and their auxiliaries will hold jointly Sunday. The aux-

iliary will mark three deceased members graves with auxiliary flags and bronze grave markers. They will also assist the posts in staffing all the veterans graves with flags.

Plans for hospital night were discussed and members were asked to have pillows, lap robes and hand books gathered and made for the VA Hospital in Big Spring, and deliver them to a member who plans to go. Hospital day will be on June 24.

A report was given on the District 7 convention held recently in Lubbock. Auxiliary members were asked to finish their handmade items for the Cancer Booth at the Department Convention to be held in El Paso June 25 to 27.

The group was asked to help the district raise money for its fund by having a salad supper on July 18 at which time the posts and auxiliaries will have their first meeting for the new year. The salad supper will be held at the Slaton 6721 Post home and all the towns of the district will attend.

Election of delegates to attend the state convention in El Paso was held. These elected

were: Mmes. Billie Jasper Moyers, Hunter Tucker, and J.T. McClure. Becker will attend.

There will be a book sale on July 18 and all trustees and members will be present with the 27 auxiliary members present for the meeting.

Going-Away Party Given

Mrs. Don Mann gave a surprise party Thursday night to Mrs. John Smith, hostess duties. Refreshments were served by Miss Gay Joy, Bingham, Beryl Bingham, R.G. Sparkman, R.G. Lacey, Dewey Jackson, and Dean Jackson. The group presented a group honor to a hostess.

It's a woman's WHIRL

BY LAVON NIEMAN

Will your family look back on this year's vacation trip as "the best yet" or "the worst ever"? When your friends gather to compare vacation notes, will you smilingly show snapshots and slides with the best of them—or glumly explain that Junior's poison ivy and your second-degree sunburn didn't look too good on film?

Some vacation mishaps, of course, are beyond anyone's control—just as some of your happiest vacation moments may result from pure blind luck. But you can tell whether your vacation forecast is "sunny or cloudy"—just by your answers to some pertinent questions:

Can you leave your "hard-driving" self at home? Don't drive yourself and your family to the point of exhaustion; limit your daily motoring to 300 miles and be off the road by 5 p.m.

Are you against taking "pot luck" or the road? That cute restaurant with the eye-catching sign may turn out to have poor food, sky-high prices—or both. But that nice-looking motel with the spacious pool may quickly become a mirage when you spot a "no vacancy" sign. And so may the next one and the next one—till you are forced to settle for a night's lodging in a tourist trap.

Don't take chances. Phone or wire ahead for accommodations. Choose your eating and lodging places on the recommendation of a nationally-known rating service.

Will you pack first aid into your luggage? The difference between a vacation trip and a vacation trap may well depend on the contents of your "survival kit." Mycetragin, an antibiotic ointment for the cuts and scrapes that hikers, campers and picnickers seem to attract, is especially useful because it contains three antibiotics that combat almost all types of germs that infect skin wounds. It won't injure tissues the way iodine or harsh antiseptics may and, best of all, it won't sting or stain clothing. And be sure not to forget the aspirin, adhesive bandages and sunburn ointment.

Will you avoid doing anything rash? Specifically, will you avoid rash neglect of the poison ivy problem? Scientists have found that eight out of ten Americans are susceptible—and that susceptibility may increase with repeated exposures! Don't plunk down your picnic blanket in that woody grove before examining the surrounding foliage. "Leaves of three, let it be" is still your best guide.

Do you know when not to "let yourself go"? Sure it's your vacation and you want a good time. So why not forget your diet and eat to your heart's content? Why not bask in the sun all day? Why not stay up till all hours? Why not? Because the day of reckoning will surely arrive—perhaps in time to spoil your vacation.

To avoid winding up your trip in the red, practice sun sense. Schedule your first sunbath of the vacation before 11 a.m. or after 3 p.m. Remember that nose, lips, ears, knees are thinner-skinned than the rest of the body, and need extra protection. Reapply suntan lotion every two hours, and after every dip. Take along sunglasses, a broad-brimmed hat and a cotton "cover-up" for each member of the family.

Go easy on exotic foods for at least the first few days. Disrupt normal meal schedules as little as possible. Changes in food, drinking water and eating habits have been known to have both old and young travelers reaching for the Kaopectate in short order.

People who have a sense of vacation fun are usually those who are liberally endowed with common sense. And if you can answer all these questions in the affirmative, there's little question that you're slated for a happy time.

The foregoing suggestions were not originals of mine, though I thought they were quite good. Many families will be leaving on vacations now that school is out, and we hope each of you will let us know when you get back, so we can have an item on it in the Slatonite.

Looks like I found about all the answers on how to enjoy a

Mayor Attends Canadian River Meet In Lubbock

Mayor Jonas Cain was among leaders from seven South Plains cities who participated in a groundbreaking ceremony Tuesday in Lubbock for the \$3.6 million treatment plant for Canadian River water.

Mayors from Lubbock, Levelland, Brownfield, Slaton, Tahoka and Lamesa were present, along with a representative from O'Donnell. Mayor Max Tidmore of Lubbock presented each with a souvenir silver shovel in honor of the event.

The ceremony was at the plant site east of Lubbock Municipal Airport, where workmen have already started excavations. A luncheon at Lubbock Country Club opened the ceremony.

The plan calls for each city to pay its share of the fixed cost of the plant in the same proportion that its allocation of Canadian River water is to the total allocation for the seven cities.

Slaton's part of the estimated total cost is 3.38 percent and \$121,680. Lubbock's part, of course, is the highest at 79.66 percent and \$2,867,760. O'Donnell has the smallest cost at .59 percent and \$21,240.

Lubbock City Mgr. Bill Pitstick discussed a proposal with the group on reducing the hard-

(Continued from Page 1)

night that Swinburn has since given away all his dogs but one to someone out of Slaton, and he will see to it that the one dog will be kept fenced in his yard.

Two car accidents were reported during the week. Saturday morning about 3:30 a.m., the car in which Donald Franklin Brown was driving overturned when he hit loose gravel and the car went in the ditch. Brown resides in Lubbock.

B.R. Underwood of 1150 S. 13th and Mrs. J.W. Arnett of 355 W. Scurry reported an accident they had when their cars collided at the bank drive-in entrance. No investigation was made since the vehicles had been moved before reporting the incident.

A complaint of theft was reported by J.T. Kendrick of 915 S. 16th St. A tan briefcase was reportedly taken from his car parked in front of his home. Value of the briefcase was \$25.

During the week, Slaton police made five jail arrests, two juveniles for shoplifting, one for vagrancy, one for drunk in car and traffic ticket and one for disturbance.

ness of the water. All cities but Slaton indicated at the meeting they would go along with Lubbock's proposal. A decision on the softening process must be made within two weeks.

ENGAGEMENT ANNOUNCED--Mr. and Mrs. Q.N. Perkins of Lubbock announce the engagement and approaching marriage of their daughter, Susan, to Bob Sokoll, son of Mr. and Mrs. H. H. Sokoll of Slaton. Wedding date is July 10 at St. Elizabeth's Catholic Church in Lubbock. Miss Perkins attended West Texas State and the bridegroom is a graduate of Texas Tech, former city secretary and now city manager at Abilene.

vacation, but our problem is how to get one. I can remember just a year or two ago how a fishing trip sounded boring to me, but now after nine months at the Slatonite, just give me a quiet fishing bank, and a fishing pole, and that sounds plenty good to me.

My face won't be seen around the Slatonite as much this summer. But Yours Truly will still be writing the society news—just in a different place. Anytime you have a news item, feel free to call me at home, phone VA8-4190, if you don't catch me at the office.

If you haven't seen the Poppy Day display in the Slatonite window, you have missed something. Our appreciation to the VFW Auxiliary for this lovely display—and we wish you luck on the Poppy Day sales Saturday.

Marilyn Payton spent Friday night with her grandparents, Gene and Grace Evans. Levi Lincicum is in West Texas Hospital in Lubbock and is reported as improved.

MAYOR JONAS CAIN had the honor of being the first citizen of the community to buy a Buddy Poppy. Saturday the local VFW Post and its Auxiliary will be asking citizens to wear a Buddy Poppy, and we at CSB hope the response will be generous to this appeal.

There can be a lot of satisfaction in wearing a Buddy Poppy. Saturday the local VFW Post and its Auxiliary will be asking citizens to wear a Buddy Poppy, and we at CSB hope the response will be generous to this appeal.

Proceeds from the Buddy Poppy Sale go to disabled veterans, their widows and orphans. It can be heartwarming to wear a Poppy when you think of the good it accomplishes.

We at CSB salute the dedicated members of our local VFW Post and its Auxiliary for conducting such a worthwhile campaign as this.

The Slaton Slatonite

O. G. (Speedy) NIEMAN, Publisher

Entered as Second Class Matter at the Post Office at Slaton, Texas, under the act of March 3, 1897.

SLATON TIMES PURCHASED JANUARY 20, 1927.

Notice to the Public: Any erroneous reflection upon the reputation of standing of any individual, firm, or corporation that may appear in the columns of the Slatonite will gladly be corrected when called to our attention.

SUBSCRIPTIONS: Payable in advance, LUBBOCK, LYNN, GARZA, and CROSBY counties--\$3 per year. Outside these counties--\$5 per year. Member of West Texas Press Association.

Proclamation

WHEREAS: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States, an organization chartered by the Congress, has been officially recognized and endorsed by the President of the United States and the Veterans Administration; and

WHEREAS: The proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans; and

WHEREAS: The basic purpose of the annual sale of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor The Dead by Helping The Living"; therefore,

I, Jonas Cain, Mayor of the City of Slaton, do hereby recognize the patriotic merits of this cause by urging the citizens of this community to contribute generously to its support through the purchase of Buddy Poppies, on the day set aside for the distribution of these symbols of loyalty in this city. I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

Signed Jonas Cain
Mayor

WT Press Group Names Winner Of Scholarship

OLTON--An 18-year-old Big Spring girl has been named winner of the West Texas Press Association's \$600 journalism scholarship.

The winner is Brenda Greene, a Big Spring High School senior who plans to major in journalism at Texas Tech.

Announcement of the selection was made by Bill Turner, publisher of the Olton Enterprise, chairman of the WTFA scholarship committee.

Brenda was selected from a field of 21 applicants from throughout West Texas.

Three alternates were named by the committee, including Terry Dane Utsinger, Odessa, first alternate, Curtis Burton, Paducah, second alternate, and Vicki Inman, Hereford, third alternate.

The WTFA scholarship winner will be awarded \$150 annually, \$75 per semester, during her four years in college, providing normal progress toward a degree is maintained.

This year's award is the eighth annual by the West Texas Press Association. Three students currently are enrolled in area colleges and universities using these scholarships and several have graduated.

Among qualifications for applicants are a standing in the top 25 percent of the graduating class, a demonstrated ability in newspaper journalism and a desire for a newspaper career.

Brenda served as editor of her school newspaper, The Coral, this year and has attended various journalism workshops the past two summers.

A member of the National Honor Society at Big Spring High, she is among the top 10 students of the 1965 graduating class there.

Well-Child Clinic Slated Here Today

Public Health Nurse, Mrs. Jan Moore, announced that the Well Child Conference and Immunization Clinic will be held today in Slaton.

The conference will be at East Geneva and South Johnson Streets this morning and is by invitation only. The immunization will be this afternoon from 1:30 to 3 p.m. and is for those not under the care of a physician. There is no charge.

DAY CAMP IS FUN--Fifty-three Slaton Girl Scouts are enjoying a week of day camp this week in the city park. Troop 454 is shown in the picture above making scratch pads while troop leaders Mrs. Coy Biggs, Mrs. Dan Southerland, and camp director, Mrs. Dick Hartman look on. (SLATONITE PHOTO).

Hospital Is Recipient Of 2 U.S. Flags

Mercy Hospital was recently honored with two US flags to be used to fly on the new flag pole in front of the hospital.

The flag now waving over the hospital was donated by Bo Becker, VFW Post Commander. The flag was used to drape the casket of his father, Mr. Ben Becker, Sr., veteran of World War I.

Another flag received is from Mrs. W.H. Eanes. It had been used to drape the casket of her late husband, veteran of World War II. Mrs. Eanes expressed her feelings that she had rather see the flag flying on high rather than keeping it boxed up for sentimental reasons.

The staff at Mercy Hospital said it was very proud to have the honor of flying these flags which belonged to two noble Americans.

How long the giant Galapagos tortoise lives is uncertain, but scientists estimate from growth rings around the plates on their backs that some are over 150 years of age.

REV. ROBERT H. HARPER

THE AGED

THE ADVANCES of science and modern medicine have combined to increase "life expectancy" considerably in our lifetime. Today, we not only have more young people than a generation ago; we also have many elderly men and women with many years of living yet ahead of them.

The care of the aged among us has been given attention by the Government and by many institutions. We have learned more and more that an individual's useful years are not ended merely because that person reaches the age of "retirement" or becomes old enough to qualify for social security.

Centuries ago, the Psalmist wrote that he had been young and was grown old, yet had he not seen the righteous forsaken nor his seek begging bread. Today, as a nation and as individuals, we should cooperate to make the Psalmist's words the expression of the aged among us.

Let us acknowledge the right of the elderly to be useful and let a sense of obligation and responsibility lead us to cherish with love and needed care the aged and the infirm.

GOVERNOR IS SPEAKER

9 Slaton Students Due Tech Degrees

Nine Slaton students are among the 1,300 students at Texas Tech who have applied for degrees at commencement exercises scheduled for Saturday.

Gov. John Connally will give the principal address at the 8 p.m. exercises in Lubbock Municipal Coliseum.

Those from Slaton who will be graduating are: James William Cole, son of Mr. and Mrs. James Cole, in the School of Agriculture with a Bachelor of Science degree in agricultural economics; Jerry James Kitten, son of Mr. and Mrs. Nestor Kitten, in the school of Agriculture with a Bachelor of Science degree in agricultural economics.

Joe Amos Melcher, son of Mr. and Mrs. Louie Melcher, in the School of Arts & Sciences with a Bachelor of Arts degree in speech; Rev. Jerry Lynn Burnaman, pastor of the 21st Street Baptist Church, in the School of Arts & Sciences with a Bachelor of Arts degree in education.

And, Judy Ann... of Mr. and Mrs. L... a Bachelor of Arts & Design degree.

LETTERS TO THE EDITOR

The Slaton Volunteer Fire Department wishes to express their most sincere thanks to you for the support which you furnished them during their hosting of the 62nd, Panhandle Firemen's Association Convention.

Many compliments were paid the City of Slaton, its citizens, merchants and individuals for the all out support which you contributed.

We believe that the friendliness expressed by you to these visiting firemen created an image of Slaton that will be remembered by all.

Again, please accept our deepest thanks for your help.

Yours very truly,
Slaton Volunteer Fire Department

TO THE SENIOR CLASS OF 1965

Orchids to you, kids, on your achievement!

May you profit each day, from time so well spent, in learning all these rules in school events.

Apply it now to your own betterment, this time to you may have been long; it was only 12 short years of the school bell's song.

Everyday to you was not a song, but each one urged you on with a prong.

Those lines of Macbeth that to be said, to you, I'm sure they seemed rather a dread. Hold on to such, you were very well led; Our mind really grows when on such it's fed.

In school you've learned to live with man; now prove to the whole world that you really can;

Be proud of your country a wonderful land
Keep Old Glory on high and above the bright golden sand.
Time has really flown, for us mom's and Dad's
From short pants and pinafores, it's been a quick hop;
Don't let us down now, don't be a "flop". We are still behind you, to the very top.

Remember God, and His fine dead Son
Bad, evil, and sin they would have us to shun.
In the Bible He prayed, Thy will be done
That all men alike would worship as one.
Put God and His church first in your life,
You will never be sorry; twill save lots of strife.

Don't be like the Apostle, and deny him thrice;
Church worship is for both husband and wife.
Rear your Children according to God's plan,
To enlarge his kingdom was left up to man;
If we can't do much, let's do what we can;
In swelling the Chorus, of God's Holy Land.

From now on life will not be the same, But don't be discouraged it's still like a game;
If you play it fair and don't grow lame you will find honors prestige, and fame. Age does not seem bad when like us today, you stand before your own and truthfully say,
"We're glad you are ours, we hope and pray you won't forget us or neglect us some day."

We can't find enough words with which to say
The love in our heart for you on this day. Is there any other or a better way than, "God bless you, and God keep you, we pray."

To the loving teachers, thank you so much for all your kind-

Dr. Vardy Is A&M Speaker

COLLEGE STATION--Dr. P. L. Vardy, superintendent of Slaton Public Schools, will be a discussion leader at the annual conference for school administrators and supervisors at Texas A&M University June 7-9.

Dr. Vardy's topic, "Effective Use of the Counselor" is scheduled for June 8.

"Education for the Space Age" is the conference theme and the program will feature several persons from the National Aeronautics and Space Administration Manned Spacecraft Center.

One of the purposes of the 1965 conference is to provide a concentrated orientation of education's role in space exploration and utilization, Dr. Paul R. Hensarling said. He is general chairman of the conference and heads A&M's Department of Education and Psychology.

Approximately 500 school administrators and supervisors are expected to attend the state conference at A&M.

My Neighbors

"But Alice, when will we ever have an opportunity to wear them back in Menominee Falls, Wisconsin?"

ness, your guidance, and such; May the seniors be worthy, as an Uncle Dutch

To grasp your hand in a scholar's last clutch.
Now hear the words of a wonderful song; if you heed them closely, you can't go wrong;

Your life here, you know, might not be long;
It could be your last nite for God's final song.
Swiftly we're turning life's daily pages;
Swiftly the hours are changing to years;

How are we using God's golden moments? Shall we reap glory? Shall we reap tears? Into our hands the Gospel is given; Into our hands is given the light; Haste, let us carry God's precious message Guiding the erring back to the right.

Lovingly
Mrs. Othel -B-Chambers

Posey Items

by ANNA B. GENTRY

Dr. and Mrs. Roy German and daughter Janet of Corpus Christi are spending part of this week with her parents, Mr. and Mrs. Ed Maeker They plan to visit next in Kansas and from there to Indiana for a reunion, and then return here for a few days.

Quite a few of the farmers have most of their cotton up, and some are still planting. We hope the wind will stop as it is hard on young cotton.

Mrs. M. P. Gentry visited Mrs. P. W. Houston of Slaton Monday morning. Mrs. Houston's husband is in the Santa Fe Hospital in Santa Fe, N.M. She also visited Mrs. Eva Smith who is recovering from a fall and broken thigh. She had been transferred to Mercy Hospital from St. Mary's Hospital in Lubbock.

The Mert Gentrys received a letter from Rev. and Mrs. Albert Bates of Waxahachie. He is a minister of the Assembly of God and has been preaching for 50 years, and has many friends in Posey and Slaton. Mrs. Gentry has known him since 1908.

He said he would like to hold a revival one more time in or near Slaton. They also received a letter from Rev. and Mrs. Joe Gooden from Japan about their missionary work there, and that whole family was doing the missionary work for 30 years. They have three daughters, Janice, Joanne, and Jaye who help in the missionary work. They plan to remain there until the Reverend's retirement. Many souls have been saved during his ministry. Some of his first preaching was started at Posey in the old school house. A lot of folks will remember him. He asked the prayers of all his friends in his work.

Miss Carolyn Harper returned home this week for summer vacation from Wayland College at Plainview.

Lyndell Willis spent the weekend with her parents, Mr. and Mrs. Calvin Willis. He is employed by White's Electric Co. of Lubbock, but at present their company is doing some special work in Abilene and he returned to Abilene to work there this week.

Mrs. James Kitten has been ill all week with the flu.

Mr. and Mrs. P.C. Kitchen had as their company over the weekend, her daughter, Dorothy and husband, Eddie Morton from Plainview. They came down for Dale Kitchens eighth grade graduation.

My company this week were Mr. and Mrs. Bobby Swann, Pam and Gary and another grand daughter, Brenda Johnson from Lubbock. Then Mrs. Bill Karon and Mike also visited.

I guess everyone is like me, has Spring fever, no one seems to have much news. Not much going on around Posey.

SLATON PIONEER ENJOYS PAINTING--Mrs. C.F. Anderson is shown with one of her favorite paintings. She has titled the picture "Oak Trees and Bluebonnets." (SLATONITE PHOTO)

Painting Excursion Proves Eventful For Local Artist

"I love a tree, For it refreshes me/ If it can hold its head up high and look the storms straight in the eye/ By the help of God, so can I," Philipians 4:13.

The above scripture came to Mrs. C.F. Anderson's mind as she painted "Oak Trees and Bluebonnets", and it seems very fitting.

Mrs. Anderson loves to paint. Sometimes she travels to find the setting for her next endeavor. On a recent trip she made to the hill country, she accidentally found an ex-Slatonite, Mrs. Anderson stopped in the Bluebonnet Gift Shop and School of Ceramics on Highway 1431 in Kingsland to look around and once again met Mrs. Glenn Smith.

Mrs. Smith is the daughter of the late Mr. and Mrs. John Adams, oldtime pioneer residents of Slaton. She is the former Jewel Adams.

Mrs. Smith is now the owner of the shop and is a world-famous muralist. It was discovered at an early age that she could paint. When she was only four years old, her parents found her in the backyard one day trying to make her pet dog sit still so she could draw it. She has been painting ever since.

She spent three months at the New York World Fair last

PRIESTHOOD ---

(Continued from Page 1)

assist as minor ministers. The sacred music will be rendered by the St. Joseph's parish choir, under the direction of Mrs. O.F. Kitten.

Msgr. Morsch will also assist Rev. Schwertner as archpriest; Rev. James Fitzgerald as deacon; Rev. James Comiskey as subdeacon; Rev. Curtis Halfmann as preacher; Thomas Irlbeck as master of ceremonies; and Danny Hlavaty as Thurifer.

The music for his mass will be rendered by the choir with Miss Laverne Schwertner and Miss Rosanna Kitten accompanying on the organ.

Rev. Buxkemper will give his first Priestly Blessing after the Mass and again at the Benediction. Rev. Schwertner will give his first Priestly Blessing after the benediction and at the reception.

Rev. Schwertner will have benediction of the Blessed Sacrament at 3:30 p.m. Monday. Rev. Buxkemper will also have Benediction of the Blessed Sacrament at 7:30 p.m. Monday. He will be assisted by Rev. Leonard Buxkemper as deacon and Rev. Curtis Halfmann as subdeacon.

A reception for both will follow at 8 p.m. in St. Joseph's Parish Hall. All friends in Slaton and this area are invited to the reception.

Rev. Buxkemper and Schwertner have completed extensive courses in philosophy and theology during their studies at Assumption Seminary. After two years of Liberal Arts and advanced courses in Latin, they spent two years in the department of Philosophy. They spent the last four years studying in the department of Theology, dividing their studies into four major phases; the teachings of Catholic belief, the moral teachings of Catholic belief, divinity and Church Law, and the study of Sacred Scripture.

Both priests will be assigned to a parish as an assistant pastor in the late part of June in the diocese of Amarillo. They will work under the direction of the Most Rev. Lawrence M. DeFalco D.D., J.C. L., bishop of Amarillo.

Three limestone blocks 63x13x10 feet in the Temple of Jupiter--built in A.D. 150 at Baalbek near Damascus--are the largest ever used in building.

Athletes To Work On Farms

BROWNFIELD-- The farm labor shortage in surrounding Terry County and the Brownfield High School football team should both get a small boost this year thanks to an idea of Coach Douglas Cox.

Cox believes farm work can be a good physical conditioner for boys, so this spring he is serving as a job locator for boys willing to work on farms.

According to County Agent James Foy, farm hands are in short supply in Terry County because of the elimination of the Bracero labor program. The biggest shortage is in irrigation pipe movers, he said.

The County Agent thinks the coaches idea will benefit the boys.

"Besides helping farmers," Foy said, "it will give boys a chance to make a little money while they build up their physical condition. They'll be doing something useful to occupy their time."

So far, Coach Cox has placed five boys. He has the names of 10 more who want farm jobs and thinks there will be plenty of work for each of them--if they are really willing to work.

SPRING CLEANING TIPS

When washing walls, always start from the top so dirty water won't dribble down, streaking the part you've already cleaned.

When polishing furniture, place a discarded sock on each hand. Apply self-polishing wax with one, wipe with the other. Saves time.

Save energy by sitting down on the job--dusting books, vacuuming furniture, sorting magazines, etc. A study revealed you'll save 1/3 of the energy you use performing a task standing.

Heavy-traffic carpets need shampooing twice a year to prevent color change from imbedded dirt. If not wall-to-wall, switch them around to give more even wear.

Don't forget to clean out medicine chest. Throw away unused prescriptions, they could be dangerous. Good time to stock up on new first aid supplies.

What Can We Say?

What words do you use to express an emotion which defies description? Frankly, we don't know, but we feel compelled to try.

Slaton and its people have been good to us, and even though we have closed our business, we feel a certain affinity for the community and its people that makes us want to remain a part of its activities.

Thanks for many years of pleasant and profitable merchandising. Thanks for letting us be part of you. Thanks for so many things that we can't list them all, but most of all thanks for just being you.

FREE AIR

At Martindale's

People will believe anything, if you whisper it.

"How much did you pay for that monstrosity?" growled the husband, as he watched his wife try on her new hat.

"It was on sale, and I got it for a song," the wife replied.

"Well, if I hadn't heard you sing, I'd swear you'd been robbed," remarked the brute.

Many of us don't know what poor losers we are until we try dieting.

"Daddy how is it that just enough happens every day to fill a newspaper?"

Rites Held For Wilson Farmer

Granville Shankles, 47, of route 2, Wilson died at his home at 11:30 a.m. May 19. He had been a resident of Lynn county about 18 months.

Born May 3, 1918 at Chavies, Ala., he came to Lynn county from Lake Charles, La. and was employed by Edmund Maeker.

Mr. Shankles was married to Christine Freeman on Nov. 8, 1950 in Rossville, Ga.

A veteran of World War II, he saw a great deal of action during the war and received a number of decorations.

Funeral services were held at 3 p.m. last Thursday in White Funeral Home Chapel with Rev. Jack Clack, pastor of Wilson Baptist Church officiating. Burial was in Green Memorial Park in Wilson.

Survivors include his wife; two daughters, Naomi Bridget and Melody Hope, both of the home; four sons, Kyle David, Steven Granville, Anthony Wade and Wesley Phillip, all of the home.

Slaton Girls Win Trip To State Meet

Joyce Kitten, daughter of Mr. and Mrs. O.F. Kitten of Rt. 1, Slaton, and Cindy Steffens, daughter of Mr. and Mrs. A.W. Steffens, also of Rt. 1, will represent the 4-H Clubs of Area II at Texas A&M State Round-up with their Cooperative Demonstration entitled "The Revenues and Expenses of an Electric Cooperative".

They received this honor by winning first place in the District II Elimination Contest at Texas Tech recently.

The two 4-H girls are members of the Slaton Community 4-H Club. This is their second consecutive year to go to state with their demonstration. They have been in the 4-H club for four years.

The State Round-Up will be held June 1-3.

Other members placing in district competition were Mike Melcher, Lloyd Kitten, and Floyd Kitten, who placed first in dairy cattle judging, junior division; Doris Kitten and Carla Nesbitt who placed third in safety in senior division; and Oleta Bednarz who placed third in public speaking in the senior division.

Cool Weather Brings Seedling Disease Damage

LUBBOCK--Seedling disease damage caused by cool, wet weather is being reported by farmers on the South Plains.

What can farmers do about it?

Extension Plant Pathologist Dr. Robert Berry says about all you can do after cotton is planted is worry.

He thinks it is better at this point to wait a few days rather than rush into replanting right away.

Rotary hoeing can help some, Berry said. The hoeing will help dry out the top of wet soils and open the ground so it will warm up more rapidly.

Cotton will not be susceptible to seedling disease after it gets 6 to 8 inches tall, he says.

"A little hot, open weather will help fight the disease", he said.

Berry figures that cotton planted by early June will still be early enough to give good yields.

By replanting a field right away, Berry believes you might run into more cool, damp weather and have the seedling problem over again.

Check Your SS Records

The Social Security Administration needs your help in keeping an accurate lifetime record of your earnings and the more than 100 million other Americans covered by the program.

Future benefits are based on these records. Unless an error in reporting is brought to light within about 3 years, after the year in which it occurs, correction may not be possible.

Because of this, it is a good idea to check your record occasionally. There is no charge.

Your social security office, located at 3428 Avenue H, Lubbock, can furnish you with a postcard Form OAR-7004 to do this, or you may request the information by letter, being sure to clearly show your social security account number, date of birth, and name.

A representative of the Social Security Administration will be at the Slaton Corporate Courtroom, City Hall, at 1:30 p.m. on June 16.

PROUD OF FIRST PLACE RIBBONS--Joyce Kitten and Cindy Steffens won first place ribbons recently at Texas Tech in the District II Elimination Contest for the 4-H cooperative demonstration they entered.

Soil Stewardship Week Is Observed

"Challenges of Growth" is the theme for Soil Stewardship Week being observed in Texas and throughout the nation May 23-30.

"The primary purpose of Soil Stewardship Week," says John L. Griffiths, chairman of the Lubbock County Soil Conservation District board, "is to remind everyone, urban and rural resident alike, of his obligation unto God as a steward of the soil".

"Everyone depends on the soil for most of his food and clothing, and much of the material used to build his home," Griffiths continued.

The Soil Stewardship Week observance will include special sermons in the churches, special newspaper articles, radio and television programs to emphasize soil conservation on the land.

Griffiths explained that local soil and water conservation districts sponsor the observance of Soil Stewardship Week in coordination with the National Association of Soil and Water Conservation Districts.

In plans for the observance and in developing the material, the Association has the help of a Soil Stewardship Advisory Committee composed of representatives of the National Lutheran Council; the National Catholic Rural Life Conference; the Southern Baptist Convention; and the National Council of the Churches of Christ in the U.S.A., Griffiths said.

ITEM: One unit per outlet is a good rule to follow when using electrical appliances in your home, say safety experts. Use of a double socket is cheating. You might get by with it for small items like lamps or clocks but before you know it, you'll be attaching bigger appliances. Then look out -- you've got a fire hazard.

ITEM: When applying contrasting trim to draperies, match the top thread to the trim, the bobbin to the drapery. Use a fairly loose tension because thread shrinks slightly.

ITEM: Slips and falls often occur in dark hallways. For maximum safety, as well as beauty, these areas should be painted in light colors and kept well lighted.

Neighbors Join To Plant Cotton Crop

Friends and neighbors of the Robert Schneider Jr. family expressed their sympathy in traditional West Texas farm fashion last Saturday when they joined together to plant a cotton crop for the deceased man's family.

Twenty-nine men began work early Saturday morning, and they planted about 300 acres of cotton in seven hours. Part of the men planted cotton while others did knifing work. About 19 tractors were used in the one day operation.

The Schneider farm is located about 7 miles west of Slaton

in the Woodrow area. Mr. Schneider died May 18 after a lengthy illness, and funeral services were conducted May 20 here in the Grace Lutheran Church. He was 48.

Farmers helping in the work Saturday came from the area around the Schneider farm, all the way to Southland. Several women prepared lunch for the men. They included Helen Becker, Betty Mote, Lorena Riney, Carolyn Zieschang, Mrs. Frank Kerecka and Mrs. Chris Gindorf III.

Men who helped put in the cotton crop were: Wilbur Leamons, Bill Reidy, Harvey Griffith, Andy Vasquez, Larry Schneider, C.L. Schaffner, T.L. Mote, H.G. Burkett, Pete Ramon, Silviano Adams, LeRoy Zieschang, Santos Vidales, Paul Buxkemper.

Joe L. Kitten, Buster Boyd, B. Vardeman, Edmund Wilke, James Riney, Johnny Melcher, E.C. Stabeno, H.C. O'Neal, Dallas Cooper, Mack Arrant, Joe Schramm, Louis Droeber, Alvin Becker, Manuel Vidales, Norman Williamson, Glen Barrett.

Mr. Schneider's survivors include his wife and a son, both of the home; a daughter, Mrs. Chris Gindorf III of Lubbock; and his parents, Mr. and Mrs. Robert Schneider Sr.

Farm Exports
The United States is the world's largest exporter of farm products. In 1962 when the U.S. supplied one-fifth of the total world imports, an average of 12 shiploads of farm commodities were shipped from this country every day.

Pan Care
Never use steel wool or other abrasives on an enameled pan. To loosen food on an enameled pan, add two teaspoons of soda to one quart of water and boil. This will loosen the food so you can easily remove it with a rubber scraper or a cloth dipped in more soda.

Farm Business Center Urged For All Records

AMARILLO--Get the equipment first and go to work later.

That is what a farm management specialist here suggests for farmers and ranchers who want to keep better records.

Extension farm management specialist Jim Murphy says setting up a farm business center can help a man develop the record keeping habit just as a special study area often helps a student get better grades.

The farm business center will give a man a comfortable, convenient place to do one of the most important jobs on the farm, Murphy said.

It should include a desk, files for records and technical data, and possibly an adding machine and typewriter.

However, an old desk can do for a start, Murphy said. The point is to have a special place to do office work and to store farm information.

Another benefit: Heating, lighting and maintaining the business area are all tax deductible, Murphy said.

"Even the best farmers and ranchers have a tendency to overlook record keeping," Murphy said. "They prefer working outside to worrying about records, but records are vitally important. The business center can instigate better records just as a posthole digger helps a man have better fences."

Save Room
If there's no more room in your vegetable crisper, buy poly-packed produce. It doesn't need the added protection of a crisper to stay fresh. But be sure the plastic bag or wrapper is ventilated before storing the produce in the refrigerator.

POST MEETS 2nd and 4th MONDAYS

Spray new Caparol
after cotton is 6 inches high
to control weeds.

Control most annual broadleaf weeds and grasses in cotton with new Caparol* herbicide. Simply apply as a directed spray to the base of your cotton when it is six inches or higher.

You'll get good knockdown of weeds and grasses that are less than two inches high... plus some killing action through the roots of later-germinating weeds.

The cost of this treatment, when Caparol is applied in a 10 inch band, can be as little as 85 cents per acre. Compare this with the \$2-3 per acre it would cost you for hoe hands.

Later on in the season, you can go in and make a layby application

of new Caparol to control weeds until the cotton is high enough to shade them out.

With new Caparol, you'll have no reason to worry about soil residue carryover to harm next year's spring-seeded crops.

Ask your supplier for new Caparol.

CAPAROL is a trademark of the Geigy Chemical Corporation for its brand of PROMETRYNE herbicide.

Geigy Agricultural Chemicals, Division of Geigy Chemical Corporation, Ardsley, New York.

Geigy Caparol

Plant These High Capacity LINDSEY SORGHUMS for this area

LINDSEY 744
Earliest Grain Sorghum

Capable of surpassing yields of later hybrids under same conditions. Does better under adverse conditions than other hybrids. Has found its greatest use in this area under limited moisture.

LINDSEY 101F
Silage Sorghum

High Capacity ensilage hybrid in field and feedlot. Maximum tonnage producer. High in grain and protein content. Highly palatable to livestock. Good standability.

LINDSEY 77F
Sorghum-Sudan grass Hybrid

Graze it all summer... Cut the extra for hay! Lindsey 77F is a special sorghum-Sudan grass hybrid--higher yielding, regrows faster--higher in energy and protein--more palatable to livestock... more drought resistant. Use it also for green chop, haylage, bundle feed, silage and standing hay.

Available Now at your Local Lindsey-Funk's-G Dealer

NO MUSTY ODORS

If you repack your cooler with

RP Coolpad

EVAPORATIVE COOLER MEDIA

Coolpad media is chemically treated to inhibit growth of fungi that cause odors and pad deterioration. And, it's stronger, more uniform, won't sag or shed particles. Easily cut to right size for perfect fit. Better cooling all ways with Coolpad media.

RANDALL CHOATE

Junior High Pupils Honored At Exercise

At the Slaton Junior High School graduation exercises Friday night, Dr. P.L. Vardy, superintendent of schools, gave the address.

Laura Childers, daughter of Mr. and Mrs. Willard Childers, received the honor of being valedictorian with an average of 97.84.

Kathy Green, daughter of Mr. and Mrs. Joe Green was salutatorian with an average of 96.55.

Donna Carpenter, daughter of Mr. and Mrs. Don Carpenter, and Randall Choate, son of Mr. and Mrs. Robert E. Choate, were presented American Legion Awards by Ellis P. Schmid, Commander of American Legion Post No. 438. This award is based on scholarship, citizenship and honesty.

Mrs. W.H. Legate was presented a plaque from Dr. Lee Vardy in recognition of 22 years service as a school teacher.

Honor graduates for the class were: Karlene Eastman, Jimmie Boyd, Deborah Ricker, Donna Carpenter, Mike West, Molly Mitchell, Karen Siekman, Janet Williams, Elbert Dee Walston, Miles Beard, Neill Carter, Hoby Chapple, Jesse Magallanes, and Becky Hartman.

Mail Carriers To Distribute Survey Cards

Postmaster Rush Wheeler reminds rural patrons of the Slaton Post Office to be on the lookout for June Livestock Survey cards. Next week, mail carriers will leave survey cards in a sample of boxes along their routes.

"USDA bases livestock and poultry estimates on replies to this survey," Wheeler explains. "It is important for everyone who gets a card to fill it out and return it to the carrier. This way, USDA gets a representative sample of the area's livestock and poultry holdings."

Carriers assisting with the survey are: Jack Clark, Route 1, and Paul Mosser, Route 2.

Survey cards will be forwarded to Cary D. Palmer, state agricultural statistician, in Austin. After adding and analyzing these cards, USDA statisticians are able to estimate the State's milk production, calf and pig crops, lamb and wool crops, and the number of hens and pullets.

Information from this survey will guide livestock and poultry producers in making important business decisions," Wheeler concludes.

Africa Circle Hosts Luncheon

The Woman's Society of Christian Service of the First Methodist Church met Monday in Fellowship Hall for a covered dish luncheon with the Africa Circle as hosts.

Mrs. R.T. Farley presided over a short business meeting. The opening prayer was given by Mrs. Nan Tudor.

Mrs. R.H. Todd Sr. led the program, "Pledge Service", she used the scripture, Exodus 4:2.

A playlet was presented by Mmes. H.T. Scurlock, R.C. Hall, Jr., J.D. Barry, Nan Tudor, T.H. Baker, and J.S. Edwards. Mrs. Phil Brewer sang a solo and Mrs. Todd gave the benediction.

Slaton Man's Father Dies

Burial service for W.B. Sexton, a longtime resident of Fisher County was held at Sylvester Methodist Church May 15.

He was the father of F.B. Sexton, and grandfather of D.B. Kiser, both of Slaton. Mr. Sexton was almost 92 years old. He is survived by three sons, four daughters, 10 grandchildren, 21 great-grandchildren and 18 great-great-grandchildren.

Graham Film At Local Church

A Billy Graham film presented by World Wide Pictures will be shown at the Westview Baptist Church Tuesday night at 8 p.m. The title of the picture is "World Fair Encounter". All residents are welcome to see the film.

The story climax takes place in the Billy Graham Pavilion where the wide-screen motion picture, "Man in the 5th Dimension", makes its impact on the film's principals. This film has been playing to capacity audiences that visit the Pavilion throughout the day.

"World's Fair Encounter" is based on the story of two young people who actually visited the Fair during the first season of its operation. The encounter of these two young people and their growing friendship during a day at the Fair, is the vehicle through which film viewers are at once entertained, informed and inspired.

Vacation Bible School Slated

The First Assembly of God Church, 14th and Jean Sts., will begin its vacation Bible school Monday. The school will be conducted by Mrs. Eddie Morton of Plainview. Mrs. Morton has been quite prominent in the children's work for several years, reported pastor Nola Stout.

The school will begin each day at 9 a.m., and continue through June 4.

Pastor Nola Stout invites the public to attend. Theme for the school will be "Living for Christ in the Space Age".

SS Class Has Final Meeting

The Susannah Wesley Class of the First Methodist Church met in Fellowship Hall May 19 for its final meeting of this church year. Twelve members were present.

Hostesses for the covered dish luncheon were Mmes. Rose Turner, Carrie Barry, Bertha Hancock, and Forney Henry. Bonnie Barron, class president, conducted the business meeting which followed the noon meal.

Church Women Meet Monday

Federated Church Women will meet Monday at the First Presbyterian Church. The program will be "Women of the Bible", given by Mrs. J.D. Barry and Mrs. J.A. Elliott. Mrs. Tom Turner will bring the devotion.

Preparation Day Slated At Church

Preparation Day for Vacation Bible School at the First Baptist Church at Southland will be conducted Saturday at 10 a.m., followed by a picnic.

Bible school classes will begin Monday and continue through Friday. Time for the classes will be from 9 a.m. to 11:30 a.m.

Mrs. Howard Monk will be Bible school principal. Rev. H.W. Hill is pastor.

Westview Baptist Church has scheduled its Vacation Bible School for June 7-12.

Baptist VBS Starts Monday

Vacation Bible School for the First Baptist Church has been set for May 31 continuing through June 4, starting at 9 a.m. each morning until 11 a.m.

The Bible school is for children from age 3 to 16. Bro. Tad Corbet, will present a Bible ventriloquist act each morning before the different age groups go to their individual classes.

Intermediate and Young People of the Church will leave for the Youth Retreat at Plains Assembly near Floydada at 2 p.m. Friday and return home about 9 p.m. Saturday. Women of the church are asked to take brownies, cookies and cakes to the church by 2 p.m. Friday for the group to take with them.

Adults going with the youth group will be Miss Beverly Kercheval, Mr. and Mrs. William Jones, Bro. Tad Corbett, Mmes. Floyd Guelker, George Harlan, Harley Martin, and possibly others.

Members of the First Baptist Church voted at prayer meeting on May 19, to purchase the house at 1520 W. Crosby for the church parsonage.

Filling the pulpit at the church Sunday was Bro. Dick Roehr, a senior Bible student at Wayland College. His family made the trip with him. Back in the pulpit this Sunday will be Bro. Tad Corbet, evangelist from Lubbock.

Visiting in the home of Mr. and Mrs. A.J. Hoover last week were their two sons and families. Visiting were Rev. and Mrs. Bob L. Hoover and two children of Lubbock, and Dr. and Mrs. Arlie J. Hoover of Los Angeles, Calif. and their daughter Mrs. George T. Brown and her husband and three sons from Smyer.

Physicist award went to Katherine Nolte, a junior and daughter of Mr. and Mrs. F.R. Nolte, Rt. 1, Wilson. Bookkeeping award went to Larry Dean Hutcheson, senior and son of Mr. and Mrs. D.J. Hutcheson of Wilson.

Forgiving

"For it is better to suffer for doing right, if that should be God's will, than for doing wrong. — 1 Peter 3:17"

How often have we heard the expression, "I'll forgive you, but I won't forget it." Is this true forgiveness? It cannot be. It is more like saying, "It's done — but my turn will come sometime."

Forgiving is not always easy. It is extremely difficult when we know that we have been "wronged" unjustly and that "truth" is on our side.

Still, we cannot forgive on a conditional or a "maybe" basis. We must forgive — and forget. There is one great example — the life and death of Jesus Christ. In the painful moment of death, Christ asked forgiveness for those who had unjustly accused and unjustly committed Him to a miserable death.

HE FACES THE FUTURE

This engineer for the South Plains Electric Cooperative is helping plan your future. He knows that six years from now you will need twice as much electricity as you are using today and his job is to see that larger lines . . . stouter poles . . . bigger transformers and more power are available when you need them. His advance planning ten years ago provided the additional power you are using today. This advance planning together with up-to-date methods and first class service is the daily duty of the South Plains Electric Cooperative that is helping Texas grow through electrification.

ROOSEVELT NEWS

BY DORIS THOMAS

Did you ever see such wind for this time of year as we had Sunday, Monday and Tuesday? Well I am ready for it to stop. Of course we haven't had too much sand yet, but if it keeps on blowing we will have.

The seniors are in Colorado and I am sure they are all having a ball.

Mr. and Mrs. Rufus Lusk and Linda came out for awhile Sunday night and we enjoyed a few games of "42". I am not saying who lost but Ruth and I haven't had too much practice lately.

Mr. and Mrs. Allen Wallace are in El Paso spending a few days with Mrs. Wallace's sister.

Mrs. Virgie Crossland had Sunday dinner for Mr. and Mrs. Carl Crossland, Marty and Richy, Mr. and Mrs. Gerald Beauchamp, Janice, Edward and Leslie, Mr. and Mrs. Lynn Crossland, and Mr. and Mrs. Buster Crossland and Tracy of Seminole.

All high school girls who are interested in taking summer homemaking, are ask to be at the homemaking department on June 1 at 9 a.m. to decide on your project.

ATTENTION ALL drivers, stay on the lookout for the Roosevelt drivers education side, there are about 35 new drivers who have gotten or will be getting their drivers license in the next couple of weeks. All kidding aside, these students have had a good teacher Gene Mimms, and if they had not been good drivers he would not have given them certificates to get their licenses. Remember, drivers, and this applies to the older as well as the young, when you are behind the wheel driving down any road, you are in control of the most deadly weapon in the country; treat it as a toy or something to have fun and excitement with and you are doing the same as you would if you were a waving a loaded gun around in a crowd of people.

Mr. and Mrs. G.A. Oats had as their guests Mr. and Mrs. W.S. Oats of Odessa and W.D. Oats of Honeygrove. They were here to attend the funeral of their uncle, T.J. McGuyer of Lubbock.

The Marvin Haralsons are the proud grandparents of a grandson, Scott Edward, born last Tuesday in St. Paul Minn. to Mr. and Mrs. EdAune. Little Scott weighed in at 6 lb. 5 oz.

Norma Thornton was a weekend guest of Phyllis Thomas. Norma's parents Mr. and Mrs. Jimmy Thornton, David, Steve and John went on a camping trip to Carlsbad to try out the new camper they just purchased.

Cecil Range is not feeling too well, due to an inner ear

infection. Keep your chin up Mr. Range, it may take a while to completely get over that dizzy head, but those fish won't all be caught before you can go fishing again.

J.W. Huff, Jimmy Lou (Range) husband, is doing fine after having surgery, J.W., which is cheaper, buying a cord of wood or cutting one?

Joyce and Randy Thomas had a party last Saturday night in Joyce's home. Those enjoying homemade icecream and cookies and music by the VIPS were Vicky Davis, Sherry McAllister, Shirley Dickey, Ava Wooten, Dean Morris, Tommy Martin, Tony Park, Roy Copland, the Vips, Roy Max Barnett, Bobby Park, Barry Blankenship, Donald Hopkins and the host and hostess.

With vacation time here I just may decide to take one (wonderful thought any way) so if you don't see this column for a week or two just think that I am resting. I hope???

Early Claims For SS Benefits Urged Here

Slaton and area residents 65 or over who have not yet applied for Social Security benefits are advised to file a claim regardless of whether or not they are planning to retire in the near future. John G. Hutton, Lubbock Social Security district manager, explained that it may be to the benefit of an applicant to file when reaching age 65 to protect his Social Security rights.

"A number of people who applied last year found that they had lost some benefits by not applying earlier," he said. "We have found that the best way for a person to protect his Social Security benefit rights is to apply at 65 whether or not he intends to go on working. Even if benefits are not payable right away, there's an advantage in having your claim already approved when you actually retire."

TAX MAN SAM SEZ:

There seems to be a lot of people who don't understand the requirements on filing a tax return on household employees. Generally speaking, if you have a maid one day a week, you are required to file a quarterly return.

It is not up to you or the maid to decide whether or not you want to pay social security tax--the law requires it. If you haven't been paying your maid tax you better get a Circular H from Internal Revenue. In case you owe, you also better ff.

LETTERS TO THE EDITOR

Dear Editor:

For a long time I have heard stories and rumors about the things that went on out at the Babe Ruth League Park in Slaton during baseball season. Since we have graduated out to that park this season, we have already seen and heard enough to write a long, long story. There is far more going on behind the stands out in the gravel piles, out in the road and behind the bowling alley than there could ever be on the field.

The teachers tell me it is the job of the League commission to straighten things out. The League men tell me they have never been strong enough. They have asked the police for help several times, but have received very little help on this matter.

You are not safe to view a ball game either in the stands or in your car. I dare say that by now there is not a rock or a piece of gravel that was put there for a good purpose that has not been hurled through the air at least one time, in a paper cup, in a cap, or just by the hand full.

There are children of all ages turned scott free to do just as they please; and this is certainly not to watch the game. I cannot but wonder what the mothers of some of the little girls who go out there alone would think if they drove up some night and got a good view of what she was doing.

Do you really not care about your children going out where all of the foul language of the season is being used; a fight going on all the time; A knife appearing on a few occasions. On one occasion this year, the bricks were flying through the air so thickly that the people had to get up and go home.

There is no wonder the men quit ball when they get out of Little League. No doubt they feel like the battle is to big. But what becomes of our boys who need and want to play ball? Certainly if enough of the people tried hard enough, we could get most of the rough stuff smoothed out. And I know for sure that there will be more interest in all aspects of the Babe Ruth League in general.

The parents of Latin American and colored children do you know that our children are doing things out there that could lead to racial discrimination right here in our own little town of Slaton. And I am sure you will agree with me that we don't want that.

So as a mother and a sports fan let's get behind this thing and clean up our ball parks so they will be safe for all our children.

"We have comfort and convenience in our TOTAL ELECTRIC HOME!"

Say Mr. and Mrs. A. M. Wilson
907 Sherwood Lane
Bovina, Texas

The Wilson family enjoys everything about their TOTAL ELECTRIC GOLD MEDALLION HOME including electric air conditioning and baseboard electric heating with electronic air filter and humidifier. "It's a healthy way to condition the air--the girls haven't missed a day of school since we moved in," says Mrs. Wilson.

"Individual room control is one of the many features of our electric heating that we enjoy," says Mr. Wilson.

Suzanne, age 12, is already an accomplished cook. Here she shows her mother a cake she baked in their electric oven.
