Hudspeth Hospital Unveils Cardiac and Pulmonary Rehabilitation

submitted

Lillian M. Hudspeth Memorial Hospital unveils the Cardiac and Pulmonary Rehabilitation Center in October. Cardiac Rehabilitation is a planned, medically supervised program of exercise and patient education that offers all phases of cardiac recuperation including outpatient care, maintenance programs, and preventive care. The program offers the patients the opportunity to return to normal activities following a major cardiac event, restore patient health and improve quality of life. Pulmonary Rehabilitation is designed for patients with chronic respiratory disease which includes Emphysema, Chronic Bronchitis and many other conditions. This program combines education, exercise and emotional support to assist patients to understand and cope with their disease and function more comfortably and independently.

Both programs offer twelve weeks of flexible education and exercise in a comfortable environment supervised by medical professionals including, Registered Nurses, a Physical Therapist and Dietician. All activities are performed under

the direction of your physician.

Mr. Keith L. Butler, CEO, stated, "We are excited about these two new services offered in Sonora." "It was found that fewer than 1% of patients who required bypass surgery, stent placement or angioplasty followed through with rehabilitation because of the distance between here and San Angelo." "Since our hospital must transfer patients to San Angelo to have those invasive procedures performed it is only logical to provide the very important cardiac rehabilitation component at home and ensure a full recovery."

Mr. Butler also added, "The large number of patients with chronic lung disease living in our community would greatly benefit from the same type of exercise and endurance training offered by Cardiac Rehabilitation, so with the addition of more educational programs, the Pulmonary Rehabilitation Center was opened as well."

For more information about the Cardiac or Pulmonary Rehabilitation Center, please call Mr. Keith L. Butler, CEO, Martha Alvarez, R.N., or Mrs. Diana Green, R.N., D.O.N. at (915) 387-2521 or visit the web

Sonora Ministerial Alliance Plan Annual Deer Distribution

The Sonora Ministerial Alliance is once again making plans to conduct a deer distribution program for residents of Sonora.

Representatives of the Ministerial Alliance will deliver a field-dressed deer to persons who request one. Deliveries will be made each week during the regular whitetail deer season, generally on Tuesday afternoons.

Persons who would like to receive a deer may call the office of Justice of the Peace, Adelita Alvarez at 387-3322 or the office of the Church of the Good Shepherd at 387-2616.

Hunters and landowners who would like to contribute deer to this program may leave their field dressed deer at Sonora Deer Processing, 708 Glasscock Ave.

Due to the uncertain nature of hunting, it may not be possible to provide a deer to everyone who requests one. But the Ministerial Alliance will do its best to share their harvest of Sutton County's God-given resource in as fair and timely manner as possible.

4-H Club Hosts Annual Awards Banquet

Landon Brockman, president of the Sutton County 4-H Club presided over the annual Sutton County 4-H Awards Banquet held Monday evening, October 21, 2002 at the Sutton County 4-H Civic Center. The opening ceremonies were led by Brea Hughes and Colton Moore. Landon Brockman presented the invocation.

Special guest speaker, Sonora High School Principal Doug Bawcom gave a motivational speech about 4-H and how it positively influenced his life. The inspirational speech received a standing ovation.

Cathy Ball, Sutton County 4-H club manager presented project completion certificates to a total of sixty four members who had completed one or more 4-H projects during the 2001-2002 4-H year.

The following Awards were presented:

Angora Goat Award Medals were presented this year by Junior 1st Vice-president, Steely Ingham to Mark Holman, Cash Jennings, Maria Vaquera, and Kelsey Watkins.

Junior Historian Mark Holman presented the Beef Award to Brea Hughes.

The Citizenship Awards was presented by Senior Secretary Hanna Allison to Emily Earwood and Colton Moore.

The Clothing and Textiles Awards were presented by Jena Teasley, Junior 3rd Vice-President to Marilyn Holman.

The Dairy Award, presented by Laura Martin, Junior Secretary, went to a recent winner at the State Fair of Texas,

Monica Traylor.

A Foods & Nutrition certificate was presented to Cadesman Pope by Junior Reporter Monica Traylor.

The award for the Judging category presented to a member who judges wool & mohair or Livestock, was presented to Sterling Love by Maria Vaquera, Senior Parliamentarian.

The largest number of 4-H club members involved in any one project, with the largest number of animals which are shown at the county show is the Meat Goat Project. The certificate winner for this project was Word Hudson. Brea Hughes, Senior 3rd Vice-President also presented medals to Tyler Edmondson, Bailey Joe Pennington, Laura Martin and Pecos Roberts.

Sheep Awards are presented to 4-H members with either market lambs or futurity ewes. The awards were presented this year by Meredith Earwood, Junior Parliamentarian to Chelsey Lou Campbell, Steely Ingham, Brandy Neff and Dustin Neff.

Shooting Sports is a very active project with a large number of participants at the District Rifle Contest. The winners of special certificates of recognition were Serena Allison, J.T. Downing, and Allison Freeman. Medals were presented for this project by Marilyn Holman, Senior 2nd Vice-President to David Cook, Senior winner; Mandy Brister, Lauren Schafer, Will Crittendon, Meredith Earwood and Ty Love.

One of the most exciting projects for local 4-H members is the Swine project. Winners of

medals in this program were presented by Mandy Brister, Junior 1st Vice-President to Colyer Dermody, John Duke Hudson, Sephani Morris, Jena Teasley and Kaija Valkonen.

4-H members who had completed overall 4-H project records were presented year pins recognizing their number of years in 4-H club work. The honorees are: Meredith Earwood - 2nd year; Steely Ingham - 3rd year; Laura Martin and Emily Earwood - 4th year; Marilyn Holman and Brea Hughes - 8th year and Landon Brockman - 9th year.

The Home Economics Award winner was Marilyn Holman, daughter of Jimmy and Sharon Holman. This is Marilyn's first year in the Clothing Project and she has really excelled in this area. She modeled her dress at the Winter meeting of the Texas Sheep & Goat Raisers Assn. in Sonora and also at the State meeting of the TS&GRA Women's Auxiliary. She assisted Kelly Thorp with a presentation on natural fibers to the Sixth grade class and represented Sutton County 4-H well at the District 10 Fashion Show.

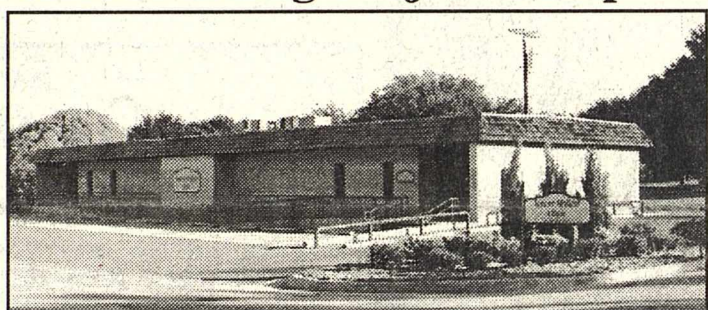

The special award presented to the outstanding junior age 4-H member (9-13 years of age) is known as the Edgar Glasscock award. The winner was Steely Ingham, daughter of Ben and Sherry Ingham. Steely was saluted for her outstanding participation in 4-H club activities. She is an officer in the club and has had a tremendously

Sonora Medical Clinic Parking Project Complete

submitted

The traffic cones have been removed, the surveyor tape is history and the heavy machinery has driven off into the sunset. Yes, the Sonora Medical Clinic parking project is now complete. Charles Howard Construction Company completed the Lillian M. Hudspeth Memorial Hospital capital improvement project in late September. The six-week project included the excavation and rebuilding of the parking area to include handicap accessible ramps and railing to both physician offices. The parking area was leveled and handicap van parking added. The project also included improved drainage,

landscaping and new signage for the building.

"The parking area is not only compliant with ADA standards, it is an improvement to the whole neighborhood," Keith L. Butler, CEO said. "The medical staff and employees of both the hospital and clinic are appreciative of our patients and their cooperation during this construction project."

The next stage of construction should begin in mid 2003 with the expansion and renovation of the clinic to accommodate the addition of a physician assistant and expanded outpatient services.

Tiger Cubs Visit Devil's River News

The Tiger Cubs of Cub Scout Pack 19 earned a Communication Bear for visiting the DRN office on October 16th and learning all about how a newspaper is put together. See more "visitors" page 7

City Council Approves Quarterly Reports

The Sonora City Council met on October 15, 2002 in regular session at the City Hall. Present for the meeting was: Mayor James Stephen, Councilmembers Vivian Mears, Gloria Lopez, Virgil Polocsek, and James Blackman; Beth Wallace, City Attorney; Brent Gesch, City Manager; and Becky Covington, City Secretary.

A name correction was made to prior meeting minutes and they were approved. Polocsek made a motion to certify the 2002 tax roll with a taxable value of \$78,136,643 and total tax levy of \$396,994. Blackman seconded and the motion carried.

Polocsek then made a motion to approve the performance bond and payment of \$125.00 for the Sutton County Appraisal District officials. A second was made by Lopez. Motion carried.

The quarterly investment report was presented by Becky Covington, City Secretary. She reported renewing one certificate of deposit for the quarter at a 2.50% interest rate, advising that the interest rates have dropped almost 50% from last year. The cash balances and securities were reviewed and Becky advised that the year-end financial report would be presented in December. With a motion by Polocsek, sec-

onded by Blackman, the report was approved as presented.

Chief Russell Green presented the following quarterly activity report for the Fire Department. Total Alarms - 19, Structure Fires - 4, Grass Fires - 4, Vehicle Fires - 2, Rescues - 4, False Alarms - 1, Other - 3, Total Man Hours - 167, County Man Hours - 112, County Fires - 12, City Man Hours - 54, City Fires - 6, Mutual Aid - 1, and Mutual Aid Calls - 1. Chief Green gave a report on the Hill Country Fire Convention that was held in Sonora on October 5, 2002. The report was approved as presented.

In Planning and Zoning Case No. 346, Elizabeth T. Flores, 307 Del Rio St., Block 42A, Lots 7-9, South Heights Addition, requested a variance to build an open carport 10' from Street. Blackman made a motion to approve the variance, as recommended by the Planning and Zoning Board. Polocsek made a second and the motion carried.

Planning and Zoning Case No. 347 was discussed next, with Heraldo F. Martinez, 602 Tayloe Ave., Block 26A, Lots 1 & 2, South Heights Addition, requesting a special use permit to operate a catering and take-out BBQ

Keep Voting Honest

by Storie Sharp

With elections just around the corner it is important for voters to remember that Voter Fraud is a serious offense. To vote is a privilege, one that should be taken seriously. Voters, campaigners, and all entities involved need to strive to keep it honest or pay the consequences.

After the recent Bond Election held in Sutton County two complaints of possible voter fraud were filed with the County Attorney. These complaints, that alleged an election judge was coercing voters to vote a certain way, were investigated thoroughly.

After a complete look into the matter by Sergeant Brooks Long of the Texas Rangers, Company "E", it was found that no wrong doings took place. It appears that the complainant misunderstood a situation where a voter was trying to vote in the

wrong precinct and was told to go vote in the correct precinct.

It is encouraging to know that voter fraud was not taking place in Sutton County and that concerned citizens are looking out for the good of our community. This investigation shows that law enforcement will do all that is necessary to avoid even the thought of coercing an election.

Any United States citizen residing in Texas who is: Legally registered to vote in Texas; At least 18 years old on Election Day; Not a convicted felon (unless sentence, probation and parole are completed); or is not declared mentally incompetent by a court of law may vote in the upcoming elections.

In order to be eligible to vote you must register. You can do so by several ways, including:

See Vote page 7

Hospital Board Holds Regular Meeting

The regular meeting of the Sutton County Hospital District, Board of Directors, was held on Monday, October 14, 2002 at 6:00 p.m. Directors present were: Lewis Allen, President; Sherrill Dannheim, Vice President; Lenora Pool, Maria Casrascos and Virginia Epps. Also present for the meeting were Ben Epps, Carolyn Lara, Sheila Richter, QA Coordinator, Keith Butler, Administrator, and Kathy Knight Board Secretary.

After Lewis Allen called the meeting to order, Sheila Richter gave the Quarter Quality Assurance report. Richter reported that 411 patients were treated in the Emergency Room for the quar-

ter (June, July & August). A discussion was also held regarding lab orders. Lenora Pool reported that she had attended the Medical Staff meeting on September 24, 2002. Pool advised that a discussion had been held regarding the documentation of the specific type of hypertension a patient has. She stated that Mr. Butler had given the Committee an update on the Health Fair plans and also the new services the Hospital will be offering in the near future.

Upon a motion by Sherrill Dannheim, seconded by Pool, the Board approved the September 9, 2002 minutes as written.

See Hospital Board page 7

Passage Of Senate Bill 1646 Aids Ports-to-Plains Coalition

submitted

Senate Bill 1646, which was passed Wednesday, designates the Ports-to-Plains route from Dumas to Denver, following US 287 in Oklahoma and Colorado then connecting to Denver via I-70, and US 87 in New Mexico, as a high priority corridor on the National Highway System. The route south from Dumas to the Mexican border was designated a high priority corridor earlier.

The corridor designation is expected to assist Ports-to-Plains with funding requests. As a federally designated corridor, the project is eligible for funds under the classification. Although, this designation does not ensure funds for the project, it goes a long way in demonstrating the need to develop the Western part of Texas.

The bill, which was sponsored by Senator Jeff Bingaman of New Mexico, was co-sponsored by Senators Wayne Allard and Ben Nighthorse Campbell of Colorado; Senator James M. Inhofe of Oklahoma, Senator Pete V. Domenici of New Mexico; and Senator Kay Bailey Hutchison of Texas.

Randy Neugebauer, Ports-to-Plains Chairman, said, "We continue to have a very positive and successful legislative agenda. Thanks, especially to all of our legislators working on our behalf along the route. All of the Coalition's legislators have done yeoman work on our behalf."

"But what is most pleasing is that we've gained new partners as Congressman Schaffer from Colorado was a big help with this legislation as well as Congressman Lucas from Oklahoma and Congressman Udall from New Mexico.

Leading the way in Texas, Chairman Larry Combest, along with Congressman Mac Thornberry, Congressman Charles Steinhilber, Congressman Lamar Smith and Congressman Henry Bonilla were all key to the passage of this legislation. The Senate actually introduced this legislation and we could not have succeeded without Senator Jeff Bingaman, Senator Kay Bailey Hutchison, Senator Pete Domenici, and Senators from Colorado and Oklahoma," Neugebauer said.

Next on the list for the Ports-to-Plains Coalition is to work on the routes North of Denver. In addition, and more importantly, the Coalition is working toward a \$3.1 million dollar appropriations request for a Corridor Management Plan. Last year the Coalition received \$1.7 million for the plan but needs the remaining balance of \$3.1 million.

The Corridor Management Plan will:

- Allow the coalition to identify critical segments, priority projects (bypass and inter-modal connections) to improve connectivity along the Corridor, develop a timeline and proactively identify long-term funding sources for those projects;

- Identify economic assets and needs along the route as well as identify potential economic development opportunities.

Completion of a corridor planning and management plan will also enable the Texas Department of Transportation and other state Departments of Transportation to acquire rights-of-way, complete environmental assessments and otherwise prepare for construction.

Birth Announcement

Barbara Stroud (formerly of Sonora) would like to announce the arrival of her first granddaughter, **Stevie Lynn Stroud**, born October 17, 2002 at 2:59 p.m. in Shreveport, Louisiana. She weighed 8 lbs. 6 ozs. Her mother, Jennifer Nicole Stroud, currently stationed at Barksdale AFB in Bossier City, LA is said to be doing very well. Barbara will be leaving for Louisiana on October 26, 2002 to visit and help care for her daughter and meet her new granddaughter. Stevie Lynn was named after her late Grandfather Steve Stroud along with sharing her great aunts middle name, Vicki "Lynn" Taylor.

Obituary

Maricela Martinez

Maricela Ramirez Martinez, 56, of Sonora passed away Friday, October 11, 2002 at Los Banos, California. Services were on Monday, October 21, 2002 with burial following in Sonora Cemetery. Arrangements were with Kerbow Funeral Home.

She is survived by a son, Gilbert Martinez, III of Los Banos, California; her mother Isidora Ramirez of Sonora, 2 brothers Esau Ramirez, Jr. of Arizona and Louis Ramirez of Sonora, and 3 sisters Rebecca Martinez, Linda Robles, and Jane Patino, all of Sonora.

Cards of Thanks

Thank you, Sonora!

30+ years in Sonora has passed so quickly! We've had the privilege of raising our family in this great community and have been blessed with much support and lengthy careers in Sutton County.

We leave this week for the cool mountains of Ruidoso. We look forward to a new adventure, but we'll miss our many special friends in Sonora. We promise to come back often for a visit.

To everyone who has touched our lives! Thank you and our best wishes!

Bill and Judy Webster

I, Jose Lujan, along with my Mom, Mario, and brother, Hugo would like to say "thank you" to everyone who stood by our side in our time of need. We cannot find the words to express our appreciation. Having family, friends, and neighbors close by made our loss easier to accept. We'd also like to thank everyone for all the food, plants, cards, and prayers. We would like to say special thanks to Ruben and Chava Castilleja for their time and beautiful songs, to Irene Dominguez for the rosaries, and to the Guadalupeñas for the luncheon. Of course, we could go on and on. Numerous friends offered their help throughout my beloved brother, Antonio Rosales, life's struggles. We would also like to thank the staff at Shannon Hospital, SCCI, Lillian Hudspeth Hospital, homecare nurses, and the Sutton County EMS team, whom both my mom and Antonio came to know very well and were always there for them.

May God Bless each and every one of you,
Jose, Maria and Hugo Lujan

The Sonora Chamber of Commerce would like to thank AEP West Texas Utilities for all they do. It seems there is always something going on that requires their assistance. Without the help of the local merchants in the chamber we would not be able to effectively serve the community. Thank you Bobby and Jimmy!

Thank you,

The Sonora Chamber of Commerce

Ask the Historical Society

Overnight In Sutton County Jail - January 1972

I had the opportunity to visit the Sutton County Museum August 21, 2002 and was very pleased to see that the old jail had been turned into a museum to preserve the history of the area.

A tour of the museum with JoAnn Palmer brought back a lot of memories of a trip I made to Sonora in 1972. At the time, I was employed with Florida Farm Bureau Insurance Company in Gainesville, FL and was also a reserve deputy with the Levy County Sheriff's Dept. We had received notice that a car we insured, a 1965 Buick Wildcat had been recovered and the persons who had stolen the car were in jail in Sonora, TX. Since I was involved in theft recovery and had law enforcement experience, I was selected to travel to Sonora to pick up the car which was located at the jail.

When I left Florida, the temperature was in the 80's but when arriving in San Angelo, it was below 20. Also the plane was late getting in and I missed the last run of the Oilfield Bus Line. Finally I was able to get a taxi to take me to Sonora. The roads were iced over and it took four hours to get there. I arrived around 12:00 midnight and was met at the door to the jail by Deputy Pryce Taylor. He laughed and said he had now lost two bets in a row. First of all he had bet no one from Florida would extradite the two fugitives he had arrested when they left the car and tried to run and second, he had bet no one would come to get the car.

The car was parked out in the yard at the jail and covered with snow. Although the doors were frozen and there was some doubt about the engine, the

deputy heated up a coffee pot full of water and poured it over the car thawing it out where we could get the doors open. A shot of starting fluid got the motor running. Deputy Taylor ask what my plans were and I said to drive on to Del Rio and stop. He advised me the roads were frozen and that he was the only law enforcement officer on patrol for 150 miles around and that if I slid off the road, I could possibly freeze. He then called a motel which was full and some other numbers he knew but there was no room. He then told me that if I did not mind spending the night in jail, he has a cell upstairs that was used for women prisoners and, while not much to look at, it was clean. This sure sounded good to me for it was around 2:00 a.m. by now.

Although I did not know any of the history of the jail at that time, it appears that the cell where I slept was where the outlaw Will Carver's body lay after being shot around the turn of the century according to the material you sent me after my visit there in August of 2002.

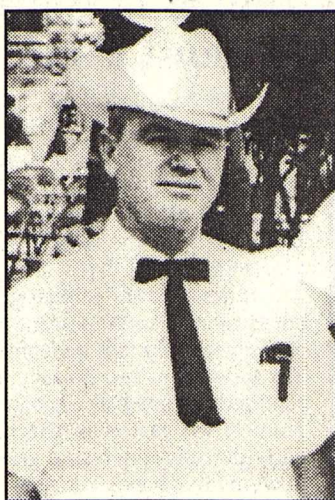

Deputy Taylor took me upstairs to show me around and I remember there was a saddle on a rack just outside the door and a lot of tack lying around. There was an old feather tic on the bed which was very warm and comfortable.

Deputy Taylor then told me that in the morning there would be a prisoner downstairs making coffee and breakfast for himself and the Border Patrol officers, but that I should have no fear of him even though he was in for murder. I asked if he was a trustee and he informed me that "Manuel" was a "respectee". That is neither of

them trusted the other but they both respected each other. I have used that term many times since then to describe persons that I have been involved with.

The next morning, it was just as had been explained to me. When I went down stairs, there was Manuel with the biggest coffee pot I think I ever saw. It must have held at least two gallons of coffee. The Border Patrol officers began to come in and of course wanted to know all about my presence there. After explaining the events of the previous night they began to tell all kinds of stories about Deputy Taylor and the Sheriff, Herman Moore. I believe the Sheriff was also the Tax Collector and some other office as well as owned the jail and rented space to the Border Patrol to keep prisoners they brought in. It almost seemed as if the pages of history had been turned back for a while as I listened to the stories. Deputy Taylor came in and we all talked and ate a fine meal together. As it was now getting on up in the morning, I thanked them all including Manuel for their hospitality and set out for Florida. I got about 2 miles out of town going south toward Del Rio when I lost control of the Buick and slid off the road. Fortunately, I was able to get back on the road with no damage. I could not help but remember what Deputy Taylor had said the night before and what might have happened if I had not spent the night in the Sutton County Jail.

The rest of my trip home was uneventful but I sure had some stories to tell when I got home. I sent a letter to Deputy Taylor thanking him for the hospitality and for years, kept a

Sheriff A.P. "Pryce" Taylor

copy of the letter, however I have looked in every place I can think of and can not find it. You had asked me to send a copy and if I ever do run across it, I will sure send a copy.

I really wish I could have returned sometime in the last 30 years while Pryce Taylor was still alive as it would have been fun to visit with him and see if he remembered my visit in January 1972. If you should see any of his relatives, I would sure like for them to read this. Also, if any other history is found, I would like to get on the mailing list for the Sutton County Historical Society.

Respectfully,
E. R. "HUGH" Ross

Sonora Merchants Prepare For Trick or Treat Fun

Young Trick or Treaters are invited to visit the participating businesses on Thursday, October 31, 2002 from 10:00 a.m. to 12:00 noon.

The Sonora Main Street program would like to thank everyone that participates, either by handing out candy or bringing the little ghosts and goblins to be a part of the fun.

None of this would be possible without the participating businesses which include: First National Bank, The Bank & Trust, City Hall, Elliott Law Office, Main Street Realty, Doyle Morgan Ins., Federal Land Bank, The Devil's River News, Sutton County Courthouse and Annex offices, Johnson Law Offices, image apparel, the Main Street Office, Devon Energy, Texas Land & Ranches, Sam Dillard Ins., Team Graphics, Tedford Jewelry, the Post Office, the Sutton County Sheriff's Office, Sutton County Library, Sutton County Probation Office, Farm Bureau Ins., Napa Auto Parts and the Chamber of Commerce.

Any and all are invited to be a part of this haunting-Halloween fun!

A Motel, RV Park and Racer's Paradise in One?

by Jeff Opalach

Off Interstate I-10 near Ozona, Texas truckers, travelers, racers and fans can find an oasis in the Circle Bar Motel and RV Park. One of the few fuel stops between San Antonio and El Paso.

Ozona, located in Crockett County Texas, is one of those true down-home places that are scattered across this great country. A town filled with a diverse culture of people and a Motel and RV Park that owns one of the most successful race teams in motorsports.

Visitors to this full service truck stop and motel are pleasantly surprised to find a glass encased museum of exotic automobiles dedicated to the years of motorsports that the Circle Bar Motel and RV Park have been a part of.

Circle Bar Racing has toured America's racing landscape for more than 25-years, with owner Tom Mitchell fielding cars at some of the countries most famous speedways, from the fabled bricks of Indianapolis to the storied high banks of Daytona.

Mr. Mitchell began his racing career in the late 1970's sponsoring a late model in College Station, Texas for Chet Fillip. In 1982 Mitchell's team made their first attempt at the Indianapolis 500 finishing 24th. By 1985 Mitchell had enough of his CART experience and sold his remaining Indy Car equipment to Al Unser Jr., who went on to win the CART Championship that year.

Having endured several seasons in CART, Mitchell was looking for more and in 1986 moved his team to the Winston Cup Series with Fillip as his driver. That tenure would be short lived as Mitchell went on to sell his operation to Fillip in 1987.

Having competed at the sports top levels, Mr. Mitchell took a step back from mainstream racing in the late eighties and began fielding cars once again on the short track circuit. In 1989 Mitchell began sponsoring a late model stock car for driver John Kelly. By 1991 the team had moved into the NASCAR All-Pro division with Kelly behind the wheel and that's where the story took a turn.

That year while racing at the Five Flags Speedway in Pensacola, Florida fate reared its head in a good way for Mitchell's team. That day they came into contact with driver Rick Crawford.

"We were racing at Five

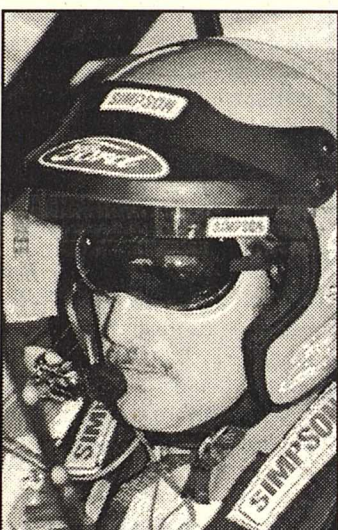

Flags and Mr. Mitchell's driver at the time was late," explained Crawford. "A couple of guys on his team asked if I would mind shaking down their car, so I jumped in. After only a couple of laps I knew that this car was one of the best short track cars I'd ever seen."

After that brief encounter Crawford began contacting Mitchell about buying the car he drove in Pensacola. After repeated attempts and lots of praise for Mitchell's equipment, Crawford could be found making the 18-hour trip from Mobile, Alabama to Ozona to purchase that car. "We pulled up to the truck stop in Ozona after driving all night and didn't know if we were in the right place," said Crawford. "I remember walking up to this man out by the shop and asking 'where I could find Mr. Mitchell,' before I could finish the phrase, he said you must be Rick."

That day in Ozona proved to be the start of a relationship that has blossomed into one of the longest owner/driver relationships in the sport, an affiliation that has lasted almost 12-years. The two continued to race in the NASCAR All-Pro winning six races before joining the NASCAR Craftsman Truck Series in 1997 where they have competed for six seasons.

"I remember in 1996 being in Phoenix with our All-Pro car, having the truck series guys pitted across from us. I remember saying 'I'll never get behind the wheel of a pickup truck,'" Crawford quoted. "But during that winter, Mr. Mitchell suggested building a truck to test, it has been the best decision we've ever made in racing."

To date the Circle Bar Racing has recorded the longest consecutive starting streak of any team in the series at 145, recording one victory, 30 top-five and 67 top-ten finishes, an impressive resume with the

Driver Rick Crawford concentrates on his race.

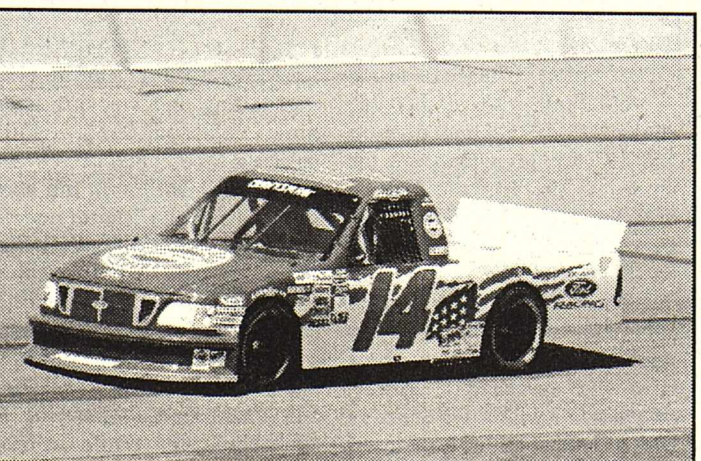

level of competition the series has seen.

2002 has proven to be the teams most competitive. Through 19 races the team has scored 10 top-fives, 13 top-tens and their first career pole in Dover. With only three races remaining Crawford finds himself second in the championship points chase, 85 points out of first.

"This season has been very successful for Circle Bar Racing," explained Crawford. "We've worked hard on every aspect of our program from the Ernie Elliott Engines under the hood to our guys on the pit crew. It's been a total team effort to become a championship caliber team and we're doing all we can to win."

Yes Sir, I guess you can say that truckers, travelers, racers and fans all have a spot they can call home in West Texas. Where else in America but the Circle Bar Motel and RV Park can you fill your tank and visit one of the greatest race car collections this land has to offer.

You never know, you might even catch a glimpse of Mr. Mitchell, cruising on his coveted Harley-Davidson.

They're Baackk!!

Bring your favorite ghouls to
Caverns of Sonora for haunted tours.
"The Lost Explorers of Mayfield's Cave"
tours will run October 26th, 27th and
Halloween Night.

Be ready for a truly
frightening experience!

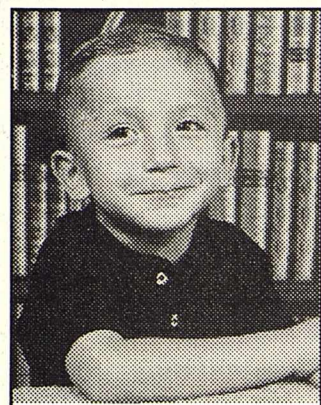

Let's go back a hundred years when Caverns of Sonora was known simply as a hole in the ground known as Mayfield's Cave, it's magic and beauty at this time, untold.

Mayfield's Cave was explored by many beginning with an unfortunate cowboy who followed his dog into the cave. The cowboy was neither seen nor heard from again. He is just one of the many who entered Mayfield's Cave never to emerge again.

Once a year these "lost souls" roam the cave looking for the way out. Tour with caution, if you dare!

Happy 4th Birthday Jacob

State and Private Agencies United In Battle Against Cancer

by Jeff Wentworth, State Senator, District 25

Early detection is a critical component in the successful treatment of any disease, but particularly in the treatment of breast cancer.

If detected early, breast cancer is more than 90 percent curable, yet only 57 percent of Texas women age 40 or older reported having had a mammogram in the past year. Because early detection increases greatly a woman's chance of survival, the American Cancer Society (ACS) annually declares October National Breast Cancer Awareness Month.

ACS provides resources, information and guidance about breast and other forms of cancers 24 hours a day, seven days a week at a toll-free number, 800-ACS-2345 or on its website at www.cancer.org.

Information and help also may be obtained through a number of state agencies, including the Texas Department of Health (TDH) which collaborates with ACS to offer breast examinations, mammograms and cervical screenings at no cost to women age 50-64 with limited incomes.

For more information about TDH's Breast and Cervical Cancer Control Program, you may call toll-free 800-422-2956 or access the TDH web site at www.tdh.state.tx.us.

While early detection is a critical component in curing breast cancer, adhering to a healthy lifestyle that includes good eating habits and regular exercise helps decrease the chance of developing breast and other forms of cancer. I am pleased that in August the Texas Cancer Council (TCC) voted to fund two cancer education and prevention initiatives in Senate District 25. In Bexar, Bander, Comal and Kendall counties, the "Team Health Program" is developing and presenting cancer risk reduction messages that will enable families to take responsibility for their health and lifestyle choices.

The Cancer Therapy and Research Center in San Antonio administers the project which includes the use of print and electronic media to educate children and their parents about the importance of good health habits. Information about "Team Health Program," which includes school pep rallies featuring Spurs Coyote, Shamu, H-E-Buddy and other healthy heroes, may be obtained by contacting project director Tess Zepeda at 210-949-7547.

In Hays County, which will be in Senate District 25 beginning in January, and in Travis County the "Youth Cancer Prevention Program" is developing an educational program to empower teenaged girls with the truth about smoking. Lung cancer annually claims the lives of more women than any other cancer.

Information about the program is available at 512-495-7165 or through TCC Executive Director Mickey Jacobs at 512-463-3190 or on the cancer council web site, www.texas-cancer-council.org.

By educating children and adolescents about the value of a healthy diet, exercise and regular health checkups, TCC is hoping to convince them of the importance of establishing good health habits that will last a lifetime.

Best Students Name Best Teachers

Austin - A select group of America's teachers are being honored by their toughest critics... their former students, in the seventh edition of Who's Who Among America's Teachers, 2002.

All of the approximately 114,000 teachers being honored were selected by their former students who themselves are currently listed in Who's Who Among American High School Students®, or the National Dean's List®, publications which recognize 5% of our nation's high school and college students respectively. Parke Davis, publisher of Who's Who Among America's Teachers said, "there is no greater honor teachers can receive than to be recognized by former students for their excellence and dedication. In this publication we clearly have the best teachers in America selected by the best students."

The students were request-

ed to nominate the one teacher from their entire academic career who "made a difference in their lives" by helping to shape their values, inspiring interest in a particular subject and/or challenging them to strive for excellence. Many of the students commented about the enthusiasm and knowledge their teachers demonstrated in the classroom, and many praised their teachers for the ability to relate to youngsters on a personal, as well as professional level. One student wrote about her teacher saying, "she made education something pleasurable, instead of a dreadful ordeal by letting me spread my wings and showing me the best way to fly."

Local educators honored in Who's Who Among American Teachers, 2002 include: **Sandra Brockman, Cody Eoff, Nancy Luz Gonzalez, Michael Kissire and Linda Wallace.**

Local Lady Golfers "Rally For A Cure"

Rally for A Cure with Golf For Women Magazine, the world's largest grassroots women's golf program, registered more than 2,500 clubs across the country in 2001 and gained the participation of some 130,000-plus golfers for this novel awareness and early detection campaign that benefits the Susan G. Komen Breast Cancer Foundation. Sonora Golf Course was an official site for the 2002 Rally For A Cure® initiative and this year marks the 4th time that the club has pledged its support and teed off against breast cancer.

Women golfers in all 50 states will join in this year's crusade to increase breast cancer awareness and will help raise important research funds for the Dallas based Komen Foundation. While the primary mission of the Rally For A Cure is to promote early detection, the program to date has generated more than \$5 million in its six year's existence. And, Rally For A Cure has earned four national awards, including the recent 2000-2001 ING (International Network of Golf) Industry Award for Best Public Relations/Event Campaign.

A total of 26 players partic-

ipated Sat. Oct. 19th, 2002 in the Rally at the Sonora Golf course. As part of the Rally For A Cure activities, a closest-to-the-pin contest was held at the #2 par 3 Rally hole. Titleist golf balls bearing the pink ribbon breast cancer awareness symbol were awarded to every player who hit the green and a pair of Lady Fairway Golf Shoes were given to Daisha Henson for the shot that landed nearest to the hole. Golfers received important early detection literature and an exclusive Rally pink ribbon golf pin to wear for the day, plus a full-year subscription to Golf For Women Magazine, the program's title sponsor.

Breast cancer is the leading cause of death for women ages 35-54, and the disease also accounts for more than 75% of all cancer deaths in women 55 years of age and older.

Rally For A Cure is organized and directed by two Connecticut companies, The Wrenfield Group and Norton Communications. For further information about hosting a Rally golf event to benefit the Susan G. Komen Breast Cancer Foundation call (800) 327-6811 or visit the website at www.rallyforacure.com.

Four Lady Tournament Followed "Rally" on Saturday

The Four Lady Golf Tournament, sponsored by the Ladies Golf Auxiliary, was held on October 19, 2002. Nine teams played in the beautiful weather.

Winners were as follows:

Longest Drive #6: Sherri Bowden

Closest to the Pin #9: Denise Nichols

Championship Flight - 1st place: Gidgit Tate, Sherri Bowden, Brenda Jackson, Randa Tucker
2nd place: Frances Tackel, Darla Lipham, Su Scott, Branda Gray

First Flight - 1st place: Sharon Green, Kim Whitaker, Ramo Jones, Denise Nichols

2nd place: Geneva McWhorter, Allamay Schafer, Mooky Cormach, Patti Bell

A special thanks to our sponsors for making the tournament a success: Main Street Realty, The Bank & Trust, First National Bank, Wanda Neville, Team Graphics, Mabel Freitag, Keith Trainer and Quick Bonds.

Happy Birthday

October 24 - Andrew Alvites, Diane Jacoby, Heath Prather, Terri Perez, Tim McAngus, Byerl Dillard, Jean Winn

October 25 - Mickey Schaefer, Betty Hernandez, Chase Wardlaw

October 26 - Connie M. Castillo, Sonia Reyes, Kimberly Gonzales

October 27 - Chelsey Lou Campbell, Dana Duhon, Leo Samaniego, Dora McAfee

October 28 - Vicky Wallace, Heather Gann, Kristi Barker, Jimmy Randolph, Bear Bryant, Royce Miears

October 29 - Jane Alexander, Stephanie Powers, Jacob Gonzales, Ray Smith

October 30 - Cade Krieg, George Hernandez

Thorps Laun-Dry - 387-2666 - 107 W Plum St.

News From The Neighbors

On Friday, November 1st, students from 32 school districts and 19 counties will board the busses to the Historic Fort in Fort Stockton, TX. When they step off the bus they will step back in time to the 1800's.

These students will participate in the annual living history celebration. The grounds come alive with re-enactors, historians, and musicians. Re-enactors will include soldiers, laundresses, civilians, native Americans and craftsmen. The children will learn the arts of soap mak-

ing, tanning and weaving, spinning, blacksmithing, gourd painting, medicinal herbs and more. They will learn the hardships of frontier life on and off this army post of the Indian Wars.

The first Friday in November is always designated as Education Day. The post will open only to students, teachers and chaperones. There is no admission fee. While in Fort Stockton, the students will also visit the Annie Riggs Museum and James Rooney Memorial

F.Y.I.

The Merchants Association will have a meeting to discuss the Shop at Home Christmas Promotion on Thursday, October 24th at the Sutton County Steakhouse. The meeting will begin at 12:00 PM or shortly after in the Ross Room. Please try to attend this very important meeting. If you have any questions, please call Ladonna Wardlaw at the Sonora Chamber of Commerce.

The Sutton Co. Game Dinner Assoc. will have a business meeting on Monday, Oct. 28th at 6:30 p.m. at the Sonora Fire Station. Everyone is welcome to attend.

The Girl Scouts are selling an assortment of nuts, peanut brittle and chocolate covered nuts. Your support will be greatly appreciated! The Nut sell ends on 10/25/02 and delivered on 11/14/02. If you would like to make a purchase, please feel free to contact our leaders as follows: Tammy Favila 387-3661; Amy Sykes 387-5019; Laurie Garza 387-2387; or Marrisra Faz 387-2041.

Brownie Troops 104, 297, & 296 will have a meeting on Oct. 30 at 5:00 p.m. at the Girl Scout Hut.

Sunday, Nov. 3 All Girl Scouts will have an Investiture Ceremony at 5:00 p.m. at the Sutton Co. 4-H Civic Center.

Sonora PTO will be hosting a pre-game dinner Friday, October 25, 2002 (before the Sonora/Wall football game) at the Sonora High School Commons Area. Tickets will be \$5.00 a plate. You may purchase your tickets from The Bank & Trust, First National Bank, Team Graphics, image, The Devil's River News, and Sonora Office Supply. The dinner will consist of Sausage, your choice of potato salad or coleslaw, beans, bread, dessert, and tea. Serving time will be from 5:00 p.m. to 7:00 p.m.

El consulado De México en Del Rio, Texas, Informa A La Comunidad Mexicana: Que estará ofreciendo sus servicios en la ciudad de San Angelo, Texas, el sábado 16 de noviembre de 2002.

Se expedirán pasaportes mexicanos, matriculas consulares, cartillas del servicio militar nacional, registros de nacimiento y declaraciones de nacionalidad a todos los mexicanos que cumplan los requisitos. Asimismo, se ofrecerá orientación en general. "Consulado Móvil" - Lugar: 508 West Concho Ave. San Angelo, TX 76903 - Día: Sábado 16 de noviembre de 2002 - Horario: De 9:30 a 15:00 hrs. Para solicitar información sobre requisitos: Teléfono gratuito 1-866-701-7777.

Early voting for General Elections by personal appearance at the County Clerk's Office Oct 21 - Nov 1 M-F 8:30 a.m. - 4:30 p.m.

Parent information classes are being offered weekly at the elementary auditorium. Classes are on Tuesday afternoon from 1:30 to 2:30 p.m. Area agencies along with school staff will be presenting information on a wide range of topics such as positive behavior support, building self-esteem in your children, nutrition, and much more. Anyone interested is encouraged to attend. Refreshments and childcare will be provided.

The Depot may be rented by calling the Sutton Co. Historical Society at 387-5084. Open Mondays, Tuesday until noon and Fridays.

Social and Health Resources Coalition Seminar, appropriate for nurses, social workers and child care providers. Thursday, Nov. 7. CEUs provided. San Angelo Convention Center, \$45.00. For registration, call Sherrill Dooley at 657-4214.

Sonora JV Broncos Out Duel Eldorado JV Eagles

by Nancy Glasscock

Last Thursday night, the JV Broncos turned in their finest performance since the 2000 undefeated JV team. Both the running and passing game worked. The first Bronco score came on a quarterback keeper by Clint Cearley. He had just completed a 30 yard completion to Anthony Longoria. Cameron Cox kicked the extra point making the score 7 to 0.

The Eagles scored their first touchdown, and with the two point conversion, took the lead 8 to 7 with 3:05 left in the first quarter.

On the next drive, the Cearley - Longoria combination worked again for a 25 yard gain. Stetson Perez got the touchdown on a five yard run. The two point conversion was a pass to Hilton Bloodworth that made the score Broncos 15 - Eagles 8.

Koda Lozan scored the next Eagle touchdown and they took the lead again with their successful two point conversion. With 3:24 left in the half, the Eagles led 16 to 15.

The young Bronco JV team drove the field again, and Cearley scored on a keeper. Stetson Perez ran the two point conversion and the Broncos went to the locker room leading 23 - 16 at halftime.

The Broncos took the second half kickoff, but a fumble gave the Eagles the ball. Lozano had a 30 yard run for the go ahead touchdown. They also made the two point conversion which would be their last time they would lead the game 24 to 23.

It only took two plays for the Broncos to answer. Cearley went to his favorite receiver Longoria who got behind the Eagle defenders for a 35 yard touchdown pass. The PAT failed as Cox was tackled for a loss.

The Eagles almost regained the lead as Tyrell Boysaw returned the kickoff to the Bronco 49 yard line. It looked like he could go all the way. From there, the Eagles made two first downs before the Bronco defense stiffened. The ball went over to the Broncos on downs at the 29 yard line.

Cox was the featured back this series. After two nice runs 6 and then one for 7, he broke into the open for a 35 yard gain. Facing 4th and one, the Broncos wisely changed the snap count and got the first down the easy way: Eagles offside.

With the Eagles expecting runs to run out the clock, Cearley once again went to the air. This time he found Nash Traylor open for a 15 yard gain to the 4 yard line. After a couple of Cox runs, Stetson Perez took the pitch and scored the clinching touchdown untouched. Cox kicked a line drive PAT for the final score of 36 to 24.

7th & 8th Colts Soar Above Eagles

by Danni Price

The 7th and 8th Grade Colts have done lots of traveling this season. Out of 7 games played, only 1 of these has been in front of a home crowd.

For this seventh game, the Colts only had to travel a short distance to Eldorado to take on the Eagles.

The 7th Grade Colts won by a score of 22-6. The 8th Grade Colts won by a score of 16-0.

The 7th Grade Colts now have a record of 4-2, and the 8th Grade Colts are sitting even at 3-3.

Both the 7th and 8th Grade Colts will play their second of three at-home games this week at Bronco Stadium. Game times are 5:00 pm 7th Grade, and 6:30 pm 8th Grade. The Colts would love to have you in the stands to support them as they take on the Hawks from Wall.

Good Luck Colts! BEAT WALL!!!!

Broncos Ground The Eagles

by Tryon Fields

After last weeks loss to the Reagan County Owls; Sonora needed to make a statement in last Friday's contest against Eldorado. Questions needed to be answered and this would be a pivotal game if the Broncos had any hopes of staying in the District 2-2A Championship race.

Sonora would make their statement on the opening possession of the football game. After receiving the opening kick-off, the Broncos would start their initial possession on their own thirty-three. Going predominately with their tail-back, Juan Rodriguez, the Red Hoss offense began to chew up the yardage. Rodriguez would gain 60 of his game high 150 rushing yards on this drive. After using nearly three and a half minutes of the first quarter game clock, Sonora would be faced with fourth and goal at the Eldorado two. Rodriguez being the work horse on this drive scored the Broncos first touchdown on a two yard plunge.

Zedekiah Snodgrass, the Bronco place-kicker, split the uprights on the PAT to give the Broncos a seven point lead. Sonora 7 - Eldorado 0.

The Bronco defense led by Jared Parks kept up the intensity that the Bronco offense began. The Red Hoss defense allowed one of the five total first downs on this drive. Excellent secondary coverage, and up front play by the Broncos, would force the Eagles to punt the ball. After the short punt, the Broncos would have good field position at their own twenty-seven. Two runs of twenty-two yards each by Rodriguez along with a pass reception by Dustin Martin, the Bronco Express would move quickly down the field to the Eagle three.

An uncontested three yard run by Juan Rodriguez would give the Broncos their second touchdown of the game. The PAT by Snodgrass would extend the Broncos lead to 14 to 0 over the Eldorado Eagles.

Both teams would be a victim of three and out on their next possessions. Sonora's fourth offensive possession would begin on their own thirty-three with less than thirty seconds showing on the first quarter game clock. Ball control was the name of the game for this Bronco Express possession. Mixing pass receptions; from Scottie Moore to Dustin Martin and Doug Yocham. With the running game of Juan Rodriguez and Chris Martin, the Broncos used nearly seven minutes on this fifteen play drive. On a third and goal at the Eagle

five, Scottie Moore would toss a scoring strike to Chris Martin for the Red Hosses third score of the game. The PAT by Snodgrass would increase the Bronco advantage to, twenty-one. Sonora 21 - Eldorado 0.

The defensive pressure by the Broncos continued to ground the Eagles.

One positive yard in three plays would force Eldorado to punt once again. With four minutes left in the half, the Broncos Express would be back in business at their own thirty-six. The Bronco offense using five running backs (Chris Martin, Dustin Martin, Diego Cardona, Scottie Moore, and Juan Rodriguez) would utilize three and a half minutes on this ten play drive. With thirty-five seconds showing on the game clock, Juan Rodriguez would score his third touchdown of the game on a fifteen yard run around the right side. The PAT by Zedekiah Snodgrass would be wide right leaving the score: Broncos 27 - Eagles 0. Eldorado would run the final seconds off of the second quarter clock and go to the locker room to regroup. Halftime: Sonora 27 - Eldorado 0.

A defensive struggle would ensue in the third quarter. Eldorado and Sonora would have three opportunities on offense in the third quarter. The Bronco defense would continue to be stingy giving up minimal yardage to the Eagles. Eldorado would give the ball up on downs, be forced to punt, and turned the ball over on an interception. Bronco defenseman, Dustin Martin, would intercept the Trey Chavez pass late in the third quarter to give the Broncos excellent field position. Two of the three possessions that the Bronco offense had in the third quarter ended with minimum yardage being gained and two punts. The third possession occurred after Dustin Martin intercepted the Chavez pass and returned it to

the Eagle fifteen yard line. Sonora's final possession of the third quarter came with five seconds left in the third quarter. It took the Broncos almost two and a half minutes to cross into the promised land; as the Eldorado defense continued to play well. Juan Rodriguez was the man of the hour as he scored his fourth touchdown of the night, as he dove over from the one. The PAT by Snodgrass would sail through the uprights and give the Broncos a commanding 34 to 0 lead over the Eagles.

The remaining nine and a half minutes of the game would revert back to being a defensive war. The only time that the Eagles threatened in the ball game occurred on the ensuing possession by the Eagles. A fifty yard bomb from Trey Chavez to Eagle wide receiver Bobby Phillips would get the Eagles to the Bronco twelve yard line. Thomas Bloodworth, Israel Arevalo, Chris Martin, Shaun Ramos, and Lance Roberts would lead the Bronco defense in forcing the Eagles to turn the ball over on downs at the Bronco half yard line. The remainder of the fourth quarter would see neither offense gaining an advantage, as neither team would cross the mid-field stripe. The Broncos would end the game in possession of the football to preserve the 34 to 0 win over the Eldorado Eagles.

This Friday's game against the Wall Hawks could possibly determine an early play-off spot. Both teams will enter Friday's contest with a 1 and 1 record in district play. This game also brings a revenge factor; as the Broncos still remember last years game in Wall. Game time is at 7:30 at Bronco Stadium, so make plans to attend and support the Broncos as they continue their quest for a District Championship.

GOOD LUCK BRONCOS!!!!!!
BEAT WALL!!!!

The Bronco Defense fights to bring down an Eldorado Eagle.

District Preview: Wall Hawks – A Must Win

by Nancy Glasscock

This Friday night at Bronco Stadium is the Broncos' game of the season. The Wall Hawks (3 - 4), under Coach Kevin Burns, come to Sonora with a 49 - 0 win last Friday at home over Grape Creek. In non-district play, the Hawks defeated 2A Coleman and 2A Coahoma. 3A Ballinger, 2A Jim Ned, and 2A Winters have defeated Wall. In their first game in district play, Ozona defeated the Hawks 20 - 15.

The Hawks are led by Wall's version of William Renfro, Jaron Haney (#40). He is the main threat at running the ball, and he is a real force at

middle linebacker. You can also expect him to catch the long pass from their senior quarterback, Sean Scribner (#12). Josh Holik, (#22) and Brian Rasberry (#11) are also threats to catch the ball for a score. Their offensive philosophy is to run right over you, around you, and then when you are not looking, throw deep.

On the defensive side of the ball, Trey Weishuhn's younger brother, Cody joins Haney, and Darrian Garcia as linebackers. The interior of their defensive line is HUGE. Billy Monpere weighs 275 and John Kemp weighs 245. They are also for-

tunate enough to have a defensive and an offensive line. You can expect them to be in the 4-3 defense.

District 2-2A standings:

Ozona	7 - 0	2 - 0
Reagan County	5 - 2	1 - 1
Sonora	4 - 3	1 - 1
Wall	3 - 4	1 - 1
Eldorado	3 - 4	1 - 1
Grape Creek	2 - 5	0 - 2

After the outcome of this week's games, we will cover the tie breaking possibilities. This week Eldorado plays Reagan County and Ozona plays Grape Creek.

Junction Stockyards

wishes to announce its next
**Special High-Dollar
Calf and Yearling Sale**
for this year on

Friday, November 1, at 11 a.m.

What makes our special sale different from others?

- (1) The buyers are our judges - the calves and yearlings bringing the most money are the winners.
- (2) Engraved plaques are given to first and second place winners in each group of 5, 10 and 20 head - 24 can be awarded.
- (3) Ribbons and CASH are given through fifth place in each group of 5, 10 and 20 - a total of 60 ribbons and \$3000 can be awarded at each sale. Examples of cash prizes:
First place pen of five - \$40.
First place pen of 10 - \$70.
First place pen of 20 - \$100.

At today's market these CASH prizes and lower commissions are two important factors to consider. Our commission has remained the same - 3% with a \$6.00 per head minimum - the lowest per head minimum in this area. Shop around then give us a call - we remain committed to SERVING YOU! You bring us the cattle - we guarantee you the buyers!

Farm Service Agency Seeks County Committee Candidates

The Sutton County Farm Service Agency (FSA) is seeking candidates for the locally led County Committee election for Local Administrative Area (LAA) #2 to be held this fall.

"It is crucial that every eligible agricultural producer take part in this election process because County Committees serve as a direct link between the agriculture community and the U.S. Department of Agriculture," says Jan Wanoreck, Schleicher/Sutton/Val Verde County Executive Director. The County Committee system needs everyone to get involved - from voters to committee candidates. Almost anyone eligible to participate in programs administered by FSA qualifies to be a candidate for the committee.

Nomination forms can be obtained from FSA County Offices. Completed nomination forms are due back to the FSA office by October 28, 2002. FSA will notify nominees and mail election ballots to eligible voters in mid-November. Completed ballots must be returned to FSA offices and postmarked by December 2nd. Elected members and alternates will take office January 1, 2003.

FSA County Committees

provide local guidance and make decisions on issues including: commodity price support loans and payments; establishment of allotments, yields and marketing quotas; farm loans; conservation programs; incentive, indemnity, and disaster payments for some commodities; and other disaster program assistance. County Committees have served as the eyes, ears and voice of farmers and ranchers nationwide for more than 60 years.

The County Committee plays an integral role in the delivery of Farm Service Agency services. We'd like the County Committee to reflect a diverse cross-section of the local agriculture community by including representation from non-traditional farming operations, small farmers or ranchers, specialty crop producers, minority producers, spouses or business partners - anyone who would be willing to add new or different perspectives to the County Committee.

For more information contact your local USDA Farm Service Agency office at 915/853-3535, ext. 2, or 915/387-3111, ext. 2.

Texas Cooperative Extension To Offer Fall Range Tour and Sheep & Goat Production Workshop

There will be a Fall Range Tour on Tuesday, October 29, 2002 at Bobby Helmers Ranch north of Eldorado on Hwy. 277 just before the countyline. This program is being sponsored by the Eldorado-Divide Soil and Water Conservation District and Texas Cooperative Extension.

The topics will focus on range management and brush control and there will be 5 CEU's available for those individuals with a Private Applicators License.

4-H Banquet from page 1

New officers were installed at the Awards Banquet.

well rounded 4-H career for a three year veteran. She completed an overall 4-H record this year for district competition in the Goat category and won a fourth place award. She has had a very successful career thus far, showing her meat goats, as she placed both in San Antonio and Houston in 2002. She lists as her projects, Goats, Sheep, Horse, Foods & Nutrition, Shooting Sports, Range Management, Citizenship and Judging. She is an accomplished horseman and qualified for the State 4-H Horse Show where she competed in Abilene this past year.

The special award presented to the outstanding Senior 4-H member (14-19 years of age) is known as the Fred T. Earwood Award. This year's winner is Brea Hughes, daughter of Brad and Chandra Hughes. Brea is an eight year 4-H member who specializes in two projects, Beef and Swine. She has exhibited steers at the San Antonio Livestock show for six years and placed her Polled Hereford steer fifth at that show in 2001. She is partial to swine also and last year rushed back from a basketball game to arrive just in time to show her gilt at the county show in the Championship Drive for Showmanship competition, in her basketball uniform! That is a

first.

Brea also participates in the sheep project where she has placed lambs at the San Antonio show for the last two years. She has also had projects in Clothing & Textiles, Foods & Nutrition and Citizenship. Brea serves as a club officer and has participated in District 10 Leadership Lab.

The success of any 4-H program is dependent upon the participation and support of quality adult leaders. Each year the Sutton county 4-H Club honors a man and woman for their contributions and support through volunteer leadership. Joining the list of distinguished former honorees in 2002 are Fran Pennington and Randy Knight.

The coveted "Gold Star" Award was presented by Kelly Thorp to Brea Hughes and Marilyn Holman.

Hanna Allison was chosen as the 2002 4-H Sweetheart.

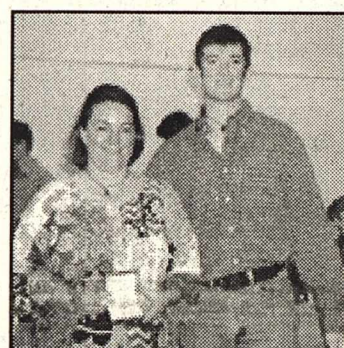

2003 Officers were installed by Charla Bading, District 10 4-H & Youth Specialist from Uvalde.

Senior officers are: President - Landon Brockman; 1st Vice-President - Mandy Brister; 2nd Vice-President - Marilyn Holman; 3rd Vice-President - Brea Hughes; Secretary - Hanna Allison and Parliamentarian - Maria Vaquera.

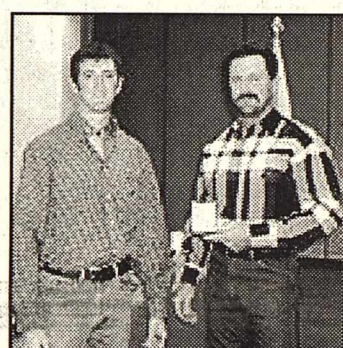

Junior Officers are: President - Colton Moore; 1st Vice-President - Steely Ingham; 2nd Vice-President - Emily Earwood; 3rd Vice-President - Jena Teasely; Secretary - Laura Martin; Reporter - Monica Traylor; Historian - Mark Holman and Parliamentarian - Meredith Earwood.

Sonora Kindergarten Classes Visit DRN Office

The Sonora Kindergarten Classes visited the Devil's River News office on Thursday, October 17, 2002 to learn about how a newspaper is put together. Most will agree that their favorite part of the lesson was getting to play with the wax that is used to secure the paper to the paste-up boards. Keeping our promise to put them all in the paper...here you are guys, you can tell Mom you told her so!

Mrs. Dutton's Class

Mrs. Meador's Class

Mrs. Perez's Class

Mrs. Wade's Class

Vote from page 1

* Register with the Department of Public Safety when applying for or making changes to a driver's license;

* Register in person at the county Voter Registrar's Office. (In most Texas counties, the Tax Assessor-Collector is also the Voter Registrar. In some counties, the County Clerk or Elections Administrator registers voters); or

* Register by mail. You may obtain an application from the county Voter Registrar's Office, the Secretary of State's Office, libraries, many post offices, high schools and on the web at www.sos.state.tx.us.

* Read the instructions on the form, fill it out and mail it, postage-free, to the Voter Registrar in your county; or take it to the Voter Registrar's Office in your county.

* You must be at least 17 years and 10 months of age on the date you apply.

* With your permission, your spouse, parent or child may fill out and sign an application for you if that person is a registered voter or has applied for voter registration. This person is known as your "agent."

* The application must be received in the voter registrar's office or postmarked 30 days before an election for you to be eligible to vote in that election.

Your residence is located in a specific "precinct," which is an area within the county. There are many precincts within a county. The place where you will vote on Election Day is located in your precinct. There may be combined precincts in order to accommodate joint local elections; therefore, in some elections you may vote outside your designated precinct. The County Clerk or Elections Administrator can give you the specific location of your polling place.

Commonly Asked Questions That Every Voter Should Know:

Q. Where do I vote?

A. Polling places are usually listed in your local newspapers in the weeks before the election. Call your County Clerk, County Elections Administrator, or political subdivision conducting the election in order to find your polling location.

Q. What is "early voting?"

A. "Early voting" is a way to cast your ballot before Election Day either in person or by mail.

* In person - Call your County Clerk or Elections Administrator for early voting dates, hours and places.

* By mail - If you will be:

(1) out of the county during early voting and on Election Day; (2) age 65 or older; (3) sick or disabled; or (4) confined to jail, call the Elections Administrator in charge of the particular election and ask him to send you an application for a ballot by mail. Or, you may request one from the Secretary of State's Office at 1.800.252.VOTE (8683), or on-line at www.sos.state.tx.us.

For more information, Contact:

* the Secretary of State's Office toll-free at 1.800.252.VOTE (8683)

* County Clerk

* County Elections Administrator

* Voter Registrar.

Hospital Board from page 1

There was no report from the Sutton County Appraisal District.

Pool made the motion to approve the tax roll for 2002, with a total tax levy being \$1,049,477.64. Virginia Epps seconded the motion and the motion carried.

Butler presented the three year capital budget for approval. Discussion was held regarding the Hospital relocation to the Annex with the work beginning in 2004. Upon a motion by Dannheim, seconded by Epps, the Board approved the 3 year capital budget as presented.

Butler also informed the Board that the Health Fair had been held in the Annex on October 1, 2002, and it was a huge success. He advised that approximately 1,000 people had attended. Butler stated that the Safe Kids Buckle Up, had been held on October 5th and they had given away 35 car seats and inspected 25 more that were in good shape. He went on to tell the Board that the Physician's parking area had been completed, except for the striping which will be done in 30 days and the electrical lighting for the front of the building.

Butler gave each of the

City Council from page 1

business in a residential zone. Poloczek made a motion to approve the special use permit, as recommended by the Planning and Zoning Board. Lopez seconded the motion, and having no opposition, the motion carried.

P & Z Case No. 348 followed, with Martin McGee, 1108 Savell St., Block 1, Lot 3, Southwest Addition, requesting a variance to build an open carport 9' from street. As recommended by the Planning and Zoning Board Mears made a motion to approve the variance. Poloczek made the second and the motion carried.

Blackman made a motion to approve the Sonora Industrial Development Corporation expending \$18,705.00 of 4B sales tax for George Thorp Water Well Service project and Poloczek made a second. Motion carried.

Poloczek then made a motion to approve the S.I.D.C. expending \$6,675.00 of 4B sales tax for Sonora Air Cooled Engines project. Lopez seconded the motion and it carried unanimously.

Mayor Stephen opened a public hearing at 2:12 p.m. to hear comments on expending \$25,000.00 of 4B sales tax for Eaton Hill Improvements. Poloczek advised that the safety fence was needed and that the community was utilizing the park. There being no further comments on the Project, Mayor Stephen closed the public meeting at 2:14 p.m. and resumed the regular meeting.

Miears made a motion to approve the quarterly hotel/motel tax financial report for the Friends of Historic Sonora, Inc. Lopez made a second and the motion was approved.

Mayor Stephen reported that Verizon had suspended their decision to charge a toll call to your landline phone when you make a call to a Cellular One customer in the wide area calling, as reported in an insert to Cellular One customers. Cellular One will continue to endure the expense of the wide area calling.

Ann Kay, Main Street Director, reported that the Sutton County Courthouse was one of three finalist in the 2002 Texas Downtown Association President's Awards for "Best Restoration Project 2002".

Kay also reported that the pre-school children would be "trick or treating" downtown on October 31, 2002.

Miears made a motion to appoint Bruce Kerbow to the Historic Preservation Commission/Main Street Advisory Board to replace the existing term of Nancy Davis. Lopez made a second to the motion and all members present voted in favor of the appointment.

Ladonna Wardlaw, Chamber of Commerce Manager, presented the quarterly hotel/motel tax financial report. Wardlaw advised that the payment of the audit to Armstrong, Backus Accounting Firm should have been made out of the General Fund instead of the Hotel/Motel Tax Fund, as per the city's contract. Poloczek made a motion to approve the report with the correction being made. Miears seconded the motion and

Directors the new Hospital brochures which now include the two new service being offered, Cardio and Pulmonary Rehab.

Butler presented a letter of support for Diana Green, RN, DON, to apply for funding to attend Physician's Assistant school in North Dakota in January. He advised that this will be an asset to the community, with more services being offered after the return of Green as a PA. With common consent, the Board signed the letter of support for Green.

Butler discussed the Accounts Receivable report and gave the financial report for August. August showed a net loss of \$15,001 with expenses still being under budget for the year.

The September expenditures were presented for approval. Upon a motion by Carrasco, the Board approved the expenditures for September as presented.

Having no comments from visitors or further business, a motion was made by Pool, seconded by Carrasco to adjourn at 7:00 p.m.

the report was approved as presented.

Chief House reported on a letter that was received from the Texas Department of Licensing and Regulation concerning the inspection and non-compliance with some of the architectural barriers in the new Police Department Building. Chief House advised that he has met with Abbott Construction Company concerning the items and he has assured the city that he would make the necessary repairs at his cost, however, there is an issue over the shower, which will cost approximately \$12,000.00 to meet ADA requirements. Chief House advised that the shower has never been used and the department could use the space for storage. Poloczek made a motion to have the contractor take out the shower, correct the other requirements as specified in the letter and reimburse the city for the license fee. Blackman made a second to the motion and the motion carried.

Chief House then introduced Eric Byrne as a new police officer in the department.

The council discussed the ordinances for drug free zones, pursuant to Section 481.134 of the Health and Safety Code, and Weapons Free Zones, pursuant to Section 46.11 of the Penal Code. Gesch advised that the certified map from the engineer showing the boundaries of the drug-free zones and weapon free zones would cost approximately \$10,000 to \$20,000. Gesch reminded the council that the city has plans to upgrade all maps with funding from the recent request for a planning grant that was submitted to the Texas Office of Rural and Community Affairs. Also, the council requested the city attorney visit with the District Attorney about the expense of the map and see if forfeited funds could be used. Mayor Stephen advised that the drug free zones and weapon free zones ordinance and map be reconsidered, pending further information from the city attorney.

Poloczek advised the council that he has had several contacts from local citizens regarding the leasing of the agriculture farm. Poloczek noted numerous repairs that need to be made to get the property back in good shape. Mayor Stephen appointed Councilmember Poloczek to examine the property and come with a list of specifications to get it into good shape for farming and report back to the council for further consideration to advertise for competitive bids.

A motion was made by Poloczek to trade a 1990 Ford Dump Truck (0828) to the Sutton County Road and Bridge Department for future paving and authorize Brent Gesch, City Manager to work with the County on the trade. A second was made by Blackman and the motion carried.

With the consensus of the council, Mayor Stephen scheduled a Long Range Planning Workshop for Monday, January 13, 2002 at 5:30 p.m. and the meeting was adjourned.

dish NETWORK

Offer ends 11/23/02. For new, first-time residential customers only. All prices, packages and programming subject to change without notice. Local and state sales taxes may apply. All DISH Network programming, and any other services that are provided, are subject to the terms and conditions of the Residential Customer Agreement, which is available upon request. Significant restrictions apply to DISH Network hardware and programming availability, and for all offers. See your DISH Network retailer, DISH Network product literature or the DISH Network website at www.dishnetwork.com for complete details and restrictions. All service marks and trademarks belong to their respective owners.

Good News for the Children of Sonora and Sutton County!

Shannon Medical Center is now a Children's Miracle Network® Hospital.

Just in the past year, children from Sutton County came to us more than 145 times! Now, Children's Miracle Network will bring additional financial support to our mission of keeping your children healthy. This is a tremendous benefit for all the children of the Concho Valley, considering the outstanding care Shannon Medical Center already offers children of all ages. For more information, please call Jo Vaughan at (915) 657-5769.

SHANNON MEDICAL CENTER
your Children's Miracle Network hospital

Children's Miracle Network

*Physicians treating you are employed by Shannon Clinic or maintain an independent practice.

120 East Harris Ave. • San Angelo, Tx 76903 • www.shannonhealth.com

PREMPRO™ According to clinical study results, women who used estrogen plus progestin (the active ingredients in Prempro™) in Hormone Replacement Therapy experienced higher rates of serious side effects compared to women taking a placebo. Serious side effects include:

- A 26 percent increase in breast cancer
- A 41 percent increase in strokes
- A 29 percent increase in heart attacks
- A 22 percent increase in total cardiovascular disease
- A doubling of rates of venous thromboembolism (blood clots)

If you or a loved one has suffered any of the serious side effects listed above while taking estrogen plus progestin (the active ingredients in Prempro™), call now to find out about your legal rights.

Public Notice

INVITATION FOR BIDS FOR FUEL FROM A DISPENSING CONTRACTOR FOR THE MUNICIPAL FLEET

NOTICE is hereby given that the City of Sonora will receive bids for fuel from a Dispensing Contractor for the Municipal Fleet that has a fuel security system operating within close vicinity of the city. Sealed and marked on the outside "FUEL BIDS" shall be received in the office of the City Secretary, City Hall, 201 E. Main, Sonora, Texas 76950 no later than 2:00 p.m. on November 12, 2002, at which time bids shall be opened publicly and read aloud. Bid specifications are available by calling the City Secretary's Office at (915) 387-2558. The City Council has the right to accept or reject any and/or all bids.

NOTICE TO CONTRACTORS OF PROPOSED TEXAS HIGHWAY IMPROVEMENT CONTRACTS

Sealed proposals for highway improvement contracts will be received by the Texas Department of Transportation (TxDOT) until the date(s) shown below, and then publicly read.

CONSTRUCTION/MAINTENANCE CONTRACT(S)

District: San Angelo
Contract 0069-03-051 for SEAL COAT AND PAVEMENT MARKINGS in STERLING County, etc will be opened on November 08, 2002 at 1:00 pm at the State Office.

Plans and specifications are available for inspection, along with bidding proposals, and applications for the TxDOT Prequalified Contractor's list, at the applicable State and/or District Offices listed below. Bidders must submit prequalification information to TxDOT at least 10 days prior to the bid date to be eligible to bid on a project. Prequalification materials may be requested from the State Office listed below. Plans for the above contract(s) are available from TxDOT's website at www.dot.state.tx.us and from reproduction companies at the expense of the contractor.
NPO: 7747

State Office

Construction Division
200 E. Riverside Dr.
Austin, Texas 78704
Phone: 512-416-2540

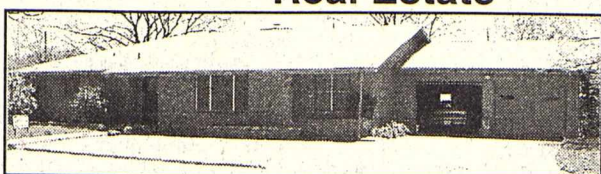

District Office(s)

San Angelo District
District Engineer
4502 Knickerbocker Rd
San Angelo, Texas 76904
Phone: 915-944-1501

Minimum wage rates are set out in bidding documents and the rates will be part of the contract. TxDOT ensures that bidders will not be discriminated against on the grounds of race, color, sex, or national origin.
