Austin. —Governor-elect Dolph Briscoe is moving to assemble his new gubernatorial staff and organize his initial recommendations to the legislature.

Three top aides to Briscoe were announced recently. They are administrative assistants George Lowrance of San Antonio and Ken Capp of Killean and legislative liaison man Roy Coffee Jr. of Dallas.

Briscoe also is working on his "position papers" with aid of advisors.

High on the list of recommendations to the legislature after Briscoe takes office January 16 will be these:

Programs to curb crime, aid constitutional revision, control drug abuse, promote water conservation, set up a mass transit system and improve and expand vocational education.

Briscoe indicated earlier his "new team" would be selected by mid-December.

While the incoming governor made no early promises to keep any staff members of Gov. Preston Smith on the job, indications are that he will retain the bulk of clerical and secretarial employees and technical personnel who want to stay.

Coffee announced Briscoe will begin early meetings with legislators.

Lowrance has been Briscoe's man-in-residence at the governor's office, gathering information for the next governor on staff organization and functions.

John Brunson, Houston attorney who has been close to Briscoe, has figured in speculation on who will be the next Texas Secretary of State.

NEW LICENSE PLATE TIME —Renewal applications for 1973 auto license plates will be in the mail soon from the Texas Highway Department's Motor Vehicle Division.

The entire application may be returned by mail to the tax assessor-collector in counties of registration with an added \$1 fee for handling and mailing.

Highway Department representatives caution:

• Leave the three-part form intact. Don't separate the three cards.

• Mail it to the resident county office.

• Include money for the amount of the registration fee, plus the mail-handling fee.

Applications may be put in the mail any time after January 1, but no license plates will be sent out before February 1. About 30 days should be allowed for return of the plates after the application is received.

April 1 is deadline for displaying the 1973 plates. In-person registration starts at county tax offices and special substations February 1.

COURTS SPEAK—Third Court of Civil Appeals here held 500 Texas reform school inmates who had no attorney when they were

committed must be released.

The same Court also handed down these recent decisions:

• City of Austin could not validly sell park land to the Austin school district without voter approval.

• A district court ruling banning a cookware promotion in which Florida dealer Glenn Turner was involved should be upheld.

Court of Criminal Appeals reversed and remanded for reconsideration a San Antonio court revocation of probation for a woman who had been convicted for possession of heroin.

BILLBOARD DEADLINE EXTENDED — License and permit deadline for signboards along interstate and primary highways has been extended by the Texas Highway Commission from December 31 to June 30, 1973.

The extension was granted on request of advertising industry and individual sign owners because the previous time was insufficient to comply with the Highway Beautification Act.

The law requires a permit for each sign, and those putting up signs within 660 feet of the major highways must get a license to engage in outdoor advertising.

No further extension of the deadline is contemplated, the Highway Department said. The license fee is \$25. Sign owners must post \$2,500 bond in each county where they have signs. Maximum bonds of \$10,000 are required of owners with signs in more than three counties.

COMMITTEE DISAGREES — A House of Representatives committee disagreed on specific recommendations for a new method of financing public school education in the wake of court decisions.

The interim School Finance Committee adopted a proposal urging support of a new panel to study findings of 10 separate groups studying the same problem and offer suggestions to a special legislative session.

Committee chairman, 111th Congress, San Antonio aid use state should assure equal education to all districts by a broad-based tax for reapportionment to the districts.

Another member, Rep. Billy Williamson of Tyler, said Texas Education Agency should be allowed to collect a statewide ad valorem tax based on full property value.

MEDICAL LIMITS URGED — Another House study committee chairman proposed limits on hospitalization and number of visits to doctors under the Medicaid program for the needy.

Rep. Lean Cobb of Dumas said the current system is "open-ended and under-controlled" and "exceeds the state's financial resources." Cobb said doctors got \$49.9 million and hospitals \$61.8 million during the 1972 fiscal year. He said the average welfare recipient saw his doctor 9.3 times during the year.

TASTE-TINGLING PUNCH

After a day of skiing or skating, a tart, tangy, spicy hot cranberry punch is a taste treat that is sure to be the hit of the party.

Home economists at the Corning Glass Works test kitchens suggest this non-alcoholic recipe for cranberry punch—ideal for holiday entertaining. It should be served from heat-resistant glass punch bowls that can be warmed in the oven—a Pyrex ware sculptured toddy bowl being appropriate. The ingredients are:

- 1/2 cup brown sugar, firmly packed
- 1 cup water
- 1/2 teaspoon salt
- 1/2 teaspoon ground nutmeg
- 1/2 teaspoon ground allspice
- 1/2 teaspoon ground cinnamon
- 1/2 teaspoon ground cloves
- 1 46-ounce can unsweetened pineapple juice
- 1 1/2-quart bottle cranberry juice
- 4 cinnamon sticks
- butter

In a five-quart saucepot, mix sugar, salt, spices (except cinnamon sticks) and cranberry juice. Bring to a boil. Add pineapple juice to the hot spiced syrup and heat again to boiling. Pour into a warmed Pyrex four-quart toddy bowl. Serve in Creative Glass sippers. Dot with butter; use cinnamon sticks for stirrers. The recipe makes 3 1/4 quarts or about 20 five-ounce servings.

The gals in the Corning test kitchens say that even though their punch recipe is non-alcoholic, "it tingles all the way down to your toes."

Turn into well greased and floured 2-quart ring mold. Cover top with foil, pressing around outer edge of pan to seal. Bake below oven center in moderately-slow oven (325 degrees F.) 1 hour 40 minutes, or until pick inserted in center of pudding comes out clean. Remove from oven, let stand 10 minutes, then turn out onto serving plate. Serve warm, with Creamy Brandy Sauce.
