

French Admit New German Advances

ALLIES TO RECEIVE U. S. PLANES SOON

WASHINGTON, May 18 (AP).—President Roosevelt was said authoritatively today to have decided to put the administration's force behind efforts to speed deliveries of American-made warplanes to the hard-pressed allies.

Informed airmen said means to hasten completion of 4,000 planes which Britain and France have ordered since the war started would figure prominently in a conference of industrial leaders with governmental officials Monday.

Working with rare speed, the senate appropriations sub-committee approved the \$1,827,491,724 army supply bill carrying the army's share of the special defense fund proposed by the president earlier in the week.

Many senate members predicted the senate would approve a huge fund and send the bill back to the house for acceptance by mid-week.

Word spread that the president might ask for several more millions for armaments later.

The mightiest peacetime preparedness drive in American history got the right-of-way on all fronts today, and the titular leaders of the republican party put their weight behind it to give it momentum.

"Action—and action now" was the unphrased slogan as congress cut through many legislative preliminaries toward the objective of having the extraordinary \$1,827,491,724 defense program ready for senate and house approval next week.

A senate subcommittee set the pace, voting quickly in favor of \$847,648,994 in extra army appropriations recommended in President Roosevelt's defense message and then adding an additional, unrequested \$50,000,000 for more regular troops.

Plans were being simultaneously drafted elsewhere to cover the whole sphere of military effort—from large-scale expansion of aircraft and munitions industries to the training of pilots.

Led by former President Herbert Hoover and Alfred M. Landon, 1936 presidential nominee, key republican figures backed the administration in putting defense needs foremost.

There was a conjecture in some quarters as to whether a bi-partisan defense coalition might be in the offing. This speculation was spurred by an invitation to Landon to lunch with President Roosevelt at the White House Wednesday.

Senators Taft (D-Ohio) and Thomas E. Dewey, New York prosecutor, two aspirants to the republican presidential nomination, also endorsed adequate preparedness.

Two More Cases Of Smallpox Found; Vaccination Urged

Two new cases of smallpox have been found in Midland, one on them in the West End district, Dr. C. G. Yarbrough announced Saturday. He urged that all Midland citizens who have not been vaccinated in the last five years be vaccinated at once, as this is the only test showing whether a person is immune to the disease.

Cases of the disease discovered here a few weeks ago led to an appeal by the director of the city-county health unit to the citizens of the town to protect themselves against possible spread of the smallpox. Hundreds of citizens were vaccinated in response to the appeal but Dr. Yarbrough urges that those who have neglected to do so take this precaution at once.

Summer Bands Will Start Rehearsals Next Wednesday

In answer to many requests for summer bands, the different instrumental groups will begin rehearsals next Wednesday, May 22. Registration will be held all day Tuesday anytime the student wishes to do so.

For beginners who do not wish to invest in the standard instrument, a Tonette band will be organized. The Tonette is a small instrument that can be played in only one scale. The music and exercises used are similar to that of a Junior Band but the instrument is so easy to master that most of the learning is the music itself. The instrument is difficult enough to use in teaching the student to get his mind and fingers to work together. The more beautifully colored instruments made of bakelite with the instruction book can be purchased for \$1.35 while others are cheaper. This instrument may be used to advantage during the entire summer.

Other beginners may already have some knowledge of music and a Beginner's Band will be organized for those who wish to start on the standard instruments. However, anyone may start in this band.

Classes for Intermediates will also be held. These students may be able to play in the Junior Band. A Junior Band will be maintained and promotion will be made at the end of the summer to the High School Band of those who reach the regular standard.

High School Band will be held three times weekly. This band is to be composed of students who are able to play a high class of music. Ensembles composed of the best students will soon be organized.

There has been a marked increase in the popularity of school bands the last few years and it is hoped that Midland musical groups will be among the best. Many students recognize the many benefits of playing in such organizations and parents are urging their children to play some instrument. There is no better time than the long summer to make valuable use of the time and become better acquainted with the most popular of all the arts, music, band director, M. A. Armstrong declared.

Public concerts will be given as soon as preparation can be made.

Tuesday is the day to register, or have someone to register for you, at the band office in the High School Gymnasium building. Mr. Armstrong is in charge.

All pastors of the city are to make "citizenship" a part of their sermons to congregations at services this morning and tonight.

Mayor Ulmer has urged citizens of Midland to realize the seriousness of Citizenship Day by paying thanks for living in one of the few nations in the world that is not engaged in warfare.

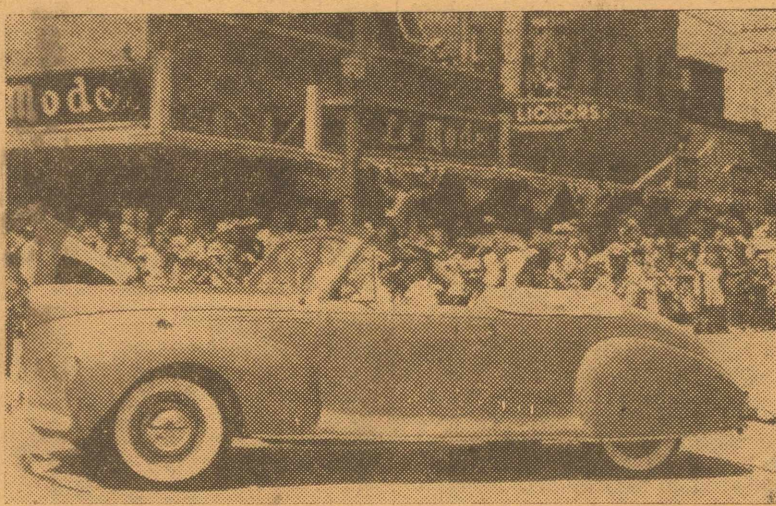

AFRICAN PORTS MINED.

BERLIN, May 18 (AP).—German naval units have mined South African ports, the high command announced today.

Scenes From WTCC Parade at Big Spring

Typical scenes from Friday's gigantic street parade at the West Texas Chamber of Commerce convention at Big Spring are shown here, as taken by a Reporter-Telegram staff photographer. Upper left shows the Sweetwater high school band, directed by Russell E. Shrader, formerly of Midland, which was the official parade band. Shrader is shown leading the band. Upper right shows the official car of Governor W. Lee O'Daniel, with the chief executive and Mrs. O'Daniel

in the rear seat. Lower left shows the familiar trio of majorettes leading the Midland high school band, Misses Louise McClain, Lucille McHargue and Marilyn Moore. Lower right shows Midland boy scouts of troop 54 carrying United States flags. In the front row, left to right, are John Casselman Jr., Clifton Patrick, Billy Holcomb and Charles Barron. Also in the parade were chamber of commerce officials of Midland, and Miss Edna Erle Lineberry, who was Miss Midland.

Mineral Wells Is Named Site of WTCC Convention

BIG SPRING, May 18 (AP).—Joe Bridwell, Wichita Falls, was named president of the West Texas chamber of commerce today. He succeeds E. K. Fawcett, Del Rio.

Other new officers: Thomas Davis, Stephenville, first vice-president; George Jones, Marfa, second vice-president. Re-elected: M. M. Meeks, Abilene, treasurer; D. A. Bandeen, manager.

Service awards included: Jerry Debenport, Odessa, most valuable local chamber of commerce secretary.

Mineral Wells was chosen the next convention city.

PENTECOSTAL SERVICE.

At the Pentecostal Tabernacle today and tonight, two sermons will be preached on the signs of the time. Texts will be "What will be the sign of your coming and the end of the world?" Rev. O. W. Roberts, pastor, will preach. The public is invited.

PATIENTS DISCHARGED.

Mrs. H. M. Davis was dismissed from a Midland hospital Saturday. Mrs. J. H. Burris and son were also discharged from a hospital yesterday.

Eyewitness Tells of German Air Raid on Belgian Village

By H. TAYLOR HENRY.

WITH THE FRENCH ARMY, SOMEWHERE IN BELGIUM, MAY 18 (AP).—Standing in front of a village church, I saw a squadron of some 30 German planes carry out a raid today.

In a nearby field, a farmer continued his ploughing.

About 10 miles away, the Germans started dropping their bombs. French and Belgian anti-aircraft guns opened up, adding puffs of smoke from their bursts to wisps of clouds.

Out from the west a French and British fighter squadron suddenly appeared, scattering the German planes. One plane dived toward our group, and we jumped to a stone wall for protection against the machine-gun bullets which we expected to spatter against us.

The plane pulled out of the dive, however, and returned to the combat, which was now split up.

Death for One.

One of the aerial fights ended in death for an unidentified British pilot—but not before he had downed one of the three German planes attacking him from the front, rear and above.

P. D. Moore Chosen Head of Town Hall Club for 1940-41

P. D. Moore, Midland oil man, has been elected president of Midland Town Hall for the 1940-41 season, it was announced following recent elections. Vice president will be Cary P. Butcher. Mrs. E. H. Barron will be secretary and treasurer.

Concluding the second year of its lecture series, Town Hall experienced a successful year in 1939-40, officers declared, basing their praise both on the speakers provided and the support given by members. The roster for the year was 269 members, an increase of 54 over the preceding year.

The new officers are actively at work on next year's program and in order that they may know the budget available for speakers, citizens are urged to let the officers know whether they are to be members next year. Present members will be continued on the rolls with membership fee expected next fall unless resignation is presented.

Names of those desiring membership but not now in the organization should be submitted officers of the club.

Lecturers heard here the past season included: Clarence Sorensen, Major Lester, Raymond Clapper, Don Blanding and Dr. Wendt, ranging in profession from deep sea diver to poet, scientist, and explorer.

WPA Projects to Hold Open House This Week in National Observance

Opening Monday and continuing through next Saturday, WPA projects will be on display here as part of the national observance of "This Work Pays Your Community Week."

Two projects, the sewing room and the recreation work, will hold open house for citizens during the week. Their project in Midland is that of WPA assistance in the library.

Work will be carried on in the project as nearly under normal conditions as possible during the week, sponsors said. All citizens are urged to visit the projects.

A special program Monday evening will open the observance, one feature of the program to be the national broadcast at 7 o'clock Central Standard Time, at which hour Mrs. Eleanor Roosevelt and other notables will initiate the week's celebration with appropriate radio addresses.

The sewing room at 319 E. Texas will be open Monday, Tuesday, Wednesday and Friday from 7 o'clock in the morning until 12 noon and from 12:30 o'clock until 2:30 o'clock in the afternoon. On Thursday it will be open from 7 o'clock until 11 o'clock in the morning and from 6 o'clock until 9 o'clock in the evening. On Saturday it will be open from 7 o'clock in the morning until 12 noon.

The recreation project reports that the Midland unit with 12

Germany Denounced For Aggression by 20 American Nations

MONTEVIDEO, May 18 (AP).—The United States and 20 other American republics have gone on record with an official denunciation of Germany's invasions of neutral countries.

Uruguay drafted the resolution and it was sent to all other republics and last night Chile and Nicaragua sent in unreserved approvals to make it unanimous.

Boy Scouts Fail to Win at Big Spring

Although Midland Boy Scouts failed to take any honors in the Buffalo Trails Council held in Big Spring over the week-end, they were highly complimented by officials for their scouting and camping knowledge, it was reported Saturday.

The local scouts participated with 700 others in the annual event and marched in the 10-mile parade held on the streets of Big Spring Friday afternoon.

Friday night, the scouts were addressed by O. H. Benson, New York, rural scouting director.

Riley Parr, district committeeman, and Ray Upham, district chairman, accompanied the Midland scouts to the Round-Up.

Rites Held Friday For J. L. Veazy At Fort Davis

Funeral services were held Friday afternoon at 3 o'clock at Fort Davis for J. L. (Joe) Veazy, 68, former Midland resident, who died suddenly there Thursday morning. He was found dead in his bed by neighbors and a coroner's verdict said he died of natural causes.

He was buried with Masonic honors, having been an active figure in Masonic circles since young manhood. He left Midland about fifteen years ago, having operated a ranch southeast of Midland for 25 years, and located at Fort Davis, establishing an apple orchard near the town.

Survivors are a sister, Mrs. John M. King of Midland, and a brother in South America. He was born at Gay Hill, Washington county, Texas, in 1871.

Members of the John M. King family and friends from a wide area went to Fort Davis for the funeral Friday.

Americans Advised To Leave Turkey

ANKARA, May 18 (AP).—The United States embassy today advised American to leave Turkey as soon as possible for the United States.

SITUATION SAID TO BE "GRAVE"

By ASSOCIATED PRESS.

The French admitted widening of the German-held portion of France and Premier Reynaud told the nation the situation was "grave" early today (Sunday).

Munitions plants went on a 24-hour work schedule. German planes bombed railway stations and highways in the Paris region but were driven away from the city itself with a fourth of their 16 bombers shot down.

The British announced bombing of German oil supplies with heavy damage in Bremen and Hamburg.

Some inkling that perhaps Germans were preparing to draw on their second wind was given in a German report that "pacification" of the Netherlands would release another 800,000 troops for the surge into France.

The Italian press was openly joyous in detailing German successes.

Antwerp, anchor of the allies' northern flank, was claimed today (Saturday) by the Germans as Adolf Hitler's vanguards were reported to have carried the battlefield to within 60 miles of Paris.

The official German news agency reported Nazi forces had captured Belgium's chief port and commercial city after a lightning stab through its fortifications, rated among the strongest in Europe.

German tanks, armored cars and warplanes blasted deeper inroads into northern France but the allies indicated they were beginning to check the Nazi thrusts.

The situation on the western front was "very serious but certainly no worse and possibly a little better" than yesterday, a British spokesman asserted.

Pounding into stiffening French ranks, the Nazis were gaining only at the expense of tremendous casualties, the French declared.

Around 3,000 German tanks were believed to have been assembled in French Picket. At some places French artillery was shelling them point blank.

Belgians at Namur were still holding out, Havas, French news agency, reported.

The German high command announced 108 allied planes had been shot down in the past 24 hours with the Germans losing 26.

The German news agency reported 29 civilians killed in an air raid at Hamburg Friday night.

The British reported hits on oil tanks at Hamburg and Bremen.

Shut Down in Grain Futures Trading Is Asked by Wallace

WASHINGTON, May 18 (AP).—Secretary of Agriculture Wallace today asked grain futures markets to prohibit until future notice all trading in grain futures below closing prices today.

CHICAGO, May 18 (AP).—Wheat prices closed 5 1/2 to 7 3/4 cents a bushel lower today. At the start of trading a break of 10 cents was recorded. Many contracts closed at 79 cents.

NEW YORK, May 18 (AP).—Cotton prices were \$1.35 to \$1.55 lower here today. At New Orleans, they were \$1.65 to \$2.00 lower. Pivotal issues in the stock market were down \$1 to \$4.

Congratulations to:

Mr. and Mrs. J. P. Carson on the birth of a 7-pound 4-ounce son in a Midland hospital Saturday morning. The boy has been named Jerry Norton.

Mr. and Mrs. T. E. Steele on the birth of a son, in a Midland hospital Saturday. The boy, which has been named Thomas Adam, weighed 8 pounds 3 ounces.

Overproduction in Oil Industry Told Of by Commission

AUSTIN, May 18 (AP).—Excessive stocks and a proposed 15-day state-wide production shutdown today suggested a five-Sunday closure for June and a 90-day production order will perhaps produce debate in the statewide proration hearing Monday.

Railroad commissioners agreed there is overproduction. Thompson proposed five days closing next month as against one in May.

A Layman Shoots at Today's War "Straight From the Shoulder"

Today's bulletin of the First Methodist Church of Midland has for its front page a "From the Shoulder" statement from James G. Stahlman, publisher of the Nashville Banner, who is a layman, not a preacher. Applied to today's struggle by world powers, the clipping merits the consideration of all peoples:

The Spring of 1940 is the most momentous period in the history of the world.
Never have so many uncertainties beset the peoples of the whole earth.
Never has WAR so threatened the complete destruction of nations
And peoples
And Ideals.
Never has MAN appeared so determined to exterminate the rest of MAN.
Never has MAN been so far removed from
And so apparently unconscious of
The simple teaching of HIM who is the author of all life—
LOVE THY NEIGHBOR.

Until that spirit permeates the hearts and minds of the peoples of this earth,
Goodwill ambassadors
Ministers without portfolio
And emissaries without number may pay their calls of state,
But the world will be no better,
And the wills of small, but mighty men
Will dominate the lives
And destinies
Of hundreds of millions of souls
Who are the helpless victims of the gods
Of Greed
Of Hate
Of War.

Only the God of Love,
The God of Peace,
Can prevent the holocaust.
Until MAN embraces Him,
MAN will continue to murder MAN.
MAN will continue to destroy LIFE.
MAN will continue to be MAN'S worst enemy.
That's the law and the gospel.
And I'm no preacher.

The Town Quack

not be tolerated.

Mary had a little dress,
So nice and fresh and airy.
And not a wrinkle did it show,
But it certainly did show Mary.

Love is like an onion;
We bite it with delight.
And when it's gone we wonder
whatever made us bite.

There's nothing, I guess, more
expressive of pain,
Than the downcast look of a
jilted swain.
Unless it's the look on the face
of the rotter—
Who stole the lady and regrets
that he got her.

Boss: "What do you mean talking
to that customer in that manner?
Don't you know that the customer
is always right?"
Employee: "Yes, but he insisted
that he was wrong."

Breathes there a man
With soul so dead
Who never has turned his head
And said—
'Himmmmm, Not bad!'

Lamesa Rodeo Dates Set for June 19-20

LAMESA, May 18.—Lamesa Rodeo Association, Inc., with Bill Boyd as newly-elected president, announces dates for the annual rodeo as June 19-20, at the Dawson county fair grounds. Plans call for awarding of \$650 per day cash, plus saddles, spurs, boots and other attractive articles for top daily average performance records. Officials announce there will be shows both afternoon and night of both days.
An added feature of the two-day event will be the girl sponsors' show in which beauties from Lamesa and surrounding cities will be invited to participate. Girls who have already won first place in other shows twice or more will be ineligible to compete. A saddle will be given first winner in this event.

Music will be furnished during the performances by the Dixie cowboy band, a famous musical unit, sponsored by a manufacturing concern that makes cowboy clothing.
Other officials are Guy Weekes, vice-president; Bub McDonald, secretary-treasurer; Jap Baldwin, assistant secretary. Directors are Elmo Smith, Jack Phinizy, Dick Jones and Dr. J. M. Harrington.

Old Mexico Is Theme of Story Hour Saturday

Approximately 37 children in addition to 12 adults were present for the picture show at the Story Hour in the children's library Saturday morning.
Two reels of pictures from Old Mexico, ranging from views of government buildings to scenes of pottery making and horse-drawn street cars, were shown.
Mrs. J. Howard Hodge, who conducted the Story Hour in the absence of Mrs. W. Bryant, told stories of the people and the land of Mexico.

Reds Ask for Pact With the Yugoslavs

STOCKHOLM, May 18 (AP).—The Stockholm newspaper Tidningen reported today from Moscow that it is rumored there that the Russian government had made representations to Berlin in the interests of preserving Yugoslavian neutrality.
The rumor was that the Yugoslav representative paid a visit yesterday to the office of Premier-Foreign Commissar Vyacheslav Molotov.
The Moscow government also was reported to have dispatched another note to Berlin, the subject of which was not specified in the Tidningen dispatch.

Hunter Trains Coyote To Point Pheasants

BLACKFOOT, Ida. (UP).—Claims of extraordinary hunting ability are made by Arthur Nelson of Springfield for his favorite hunting companion—a full-blooded coyote.

The animal was taken from a litter of five coyotes. It has been raised like a dog. Nelson says the coyote has no peer at pointing pheasants. His natural speed also makes the coyote a natural rabbit hunter, he said.

Program of 4-H Club Work in County Gains Impetus As County Agent Young Organizes Youth in Projects

Planning a substantial program of 4-H club work for Midland county boys, County Agricultural Agent V. Z. Young has contacted rural and city schools and has visited homes throughout the county, presenting details of the program.

Approximately 36 boys have enrolled in the 4-H work, as follows: ten with pigs, two with brood sows, nine with beef calves, one with dairy calf, five with poultry, two with maize, one with sheep, one with jersey, three with cotton, one with garden, two with popcorn, one with pinto beans and one with corn.

In a statement to parents of 4-H club members, Agent Young has issued the following information:

"As you probably know, 4-H Club work is a part of the National Agricultural Extension Service System. Through it boys are taught good agricultural and home-making practices.

"The boy may have one or more demonstrations on any of the following: Beef Cattle, Swine, Dairy Calf, Poultry, and Feed Crops. I will furnish the boy record books for the demonstration and will appreciate your assistance and encouragement in keeping the records up to date.

"The agent will be glad to assist you and your boy in giving information on proven methods of production and management concerning the demonstration. In the work with the boys we encourage good health habits, clean sports, honesty and cooperation. In our work we believe in the theory of doing small jobs well, which prepares the boy for doing better jobs in the future.

"There are many advantages in the club work: It develops self-reliance and ambition. It fosters individual ownership. 4-H Club work develops leadership, community pride and spirit. The boys learn to conduct meetings, judge crops, livestock and poultry.

"Our 4-H Club program's success depends largely on you mothers and fathers lending your encouragement and assistance. Let the boys acquire property or use the income from the demonstration for their own good. We need adult club leaders in the club to keep in touch with the boys and help them with the program. Please read this over and counsel with your boy concerning our program."

WHAT EVERY 4-H CLUB BOY SHOULD KNOW

The 4-H Club is a national organization and operates from the United States Department of Agriculture, Washington, D. C., through the Extension Service, the State 4-H club agent, county agricultural agents, and demonstrators.

THE CLUB MOTTO

"To Make the Best Better."

THE CLUB CREED

"I believe in the training of my HEAD for the power it will give

me to think, to plan, and to reason. I believe in the training of my HEART for the nobleness it will give me to be kind, sympathetic, and true. I believe in the training of my HANDS for the dignity it will give me to be helpful, useful, and skillful. I believe in the training of my MOUTH for the strength it will give me to enjoy life, to resist disease, and to work efficiently."

THE CLUB EMBLEM

The four-leaf clover with the letter "H" on each leaflet, and it stands for the four points of the pledge.

THE CLUB PLEDGE

I Pledge:
My HEAD to clearer thinking,
My HANDS to greater service,
My HEART to truer loyalty and finer sympathy,
My HEALTH to more efficient living, in service to my home, my community, my country, and my God. Amen.

DEMONSTRATIONS TO BE USED AS 1940 PROJECTS

Feeding pigs, raising pigs, care and feeding of brood sow, feeding beef calves, feeding and care of dairy calves, feeding and care of dairy cows, feeding sheep, raising baby chicks (poultry), care of laying flock (poultry), raising turkeys (poultry), cotton production, grain sorghum production, corn production, pop corn production, pinto bean production, potato production, gardening.

THINGS TO REMEMBER

When you have finished a demonstration always complete your record book, write a story, and turn it in to your county agricultural agent.

Keep one or more demonstrations going throughout the year.

Make preparations in advance so that you will have something to exhibit at every county show and many district shows.

Be saving with the money derived from sale of your 4-H Club products.

Make a good investment when you make a purchase.

Remember that there is always a demand for quality products, so produce quality products.

HOW TO BECOME SUCCESSFUL

1. Find useful things to do.
2. Give the best that is in you to the task at hand.

3. Consult with your parents, your leaders and the representatives of your agricultural college.

4. Explore as many club projects as you can and discover what you like to do best.

5. Accept offices of responsibility.

6. Do your tasks cheerfully.

7. Do more than your leaders and

Jollitee Bridge Club Closes Season At Afternoon Party

Entertaining the Jollitee Bridge club in its final meeting before adjourning for the summer months, Mrs. C. E. Fitch was hostess at her home at the Magnolia Tank Farm Thursday afternoon.

A dessert course initiated the afternoon's program, after which two tables of bridge were played. Tallies in Mexican designs and colors lent a gay note to the games in which Mrs. Homer Ingham, held high score.

Roses and larkspur were party flowers.

Present were: Mmes. D. E. Baker, C. M. Floyd, J. Alfred Tom, J. C. Ellis, Ingham, Flin Gaston, Miss Dorothy Ellis, and the hostess.

The club will hold only special meetings this summer at times convenient for the members.

There's One you can't pass by!

They're rolling out fast...
and your Buick dealer
keeps them rolling
by making swell deals!

ENTICING are the offerings flagging your eye from behind the plate glass along Automobile Row—how in the world can a poor mortal pick the best of the bunch?

You can't try them all, it's plain. But there's one thing you can do that makes a lot of sense.

Just give yourself a yardstick to start with.

Take the car that all the talk's about. Give yourself something to go on by trying a Buick first.

Of course, it may be tough on the next fellow once you've sampled Buick's swift and thrifty Dynaflex straight-eight—no other engine made is balanced after assembly to slick-as-watch-works smoothness.

And stout, soft coil springs all around, especially when combined with ride-steadying torque-tube drive, may spoil you entirely for any other kind of ride.

Again, there are things like recoil-mounted Knee-Action, pressure-sealed cooling systems, Two-Way Direction Signals with automatic cut-off and so on that you simply can't find elsewhere.

Buick prices begin at

\$895*

for Business Coupe

(Illustrated)

But it isn't only Buick's six-dozen new features that make this the car you can't pass by—it's also the price.

Current prices† start at \$895 ★for the business coupe, delivered at Flint, Mich. — transportation based on rail rates, state and local taxes (if any), and optional equipment and accessories extra.

That adds up to delivered prices that will open your eyes wide—so why not ask your Buick dealer for the whole story and a free demonstration?

Child Study Club Closes Year With Luncheon Friday

Child Study club closed its year with a luncheon in the Blue Room of Hotel Scharbauer Friday at one o'clock.

Roses and columbine centered the luncheon table and corsages were presented to Mrs. O. J. Hubbard, president for the year just closing, and to Mrs. R. W. Patterson, who was in charge of the club's toy loan library.

Mrs. S. P. Hazlip presided as toastmistress. She paid tribute to Mrs. Hubbard for her work as president and to Mrs. Patterson for her work with the toy library. Responses were given by both.

Mrs. Overton Black presented the treasurer's report.

A standing treasury committee to function during the summer was appointed with Mrs. J. L. Burns chairman and Mrs. Hub and Mrs. Black as assisting members.

The toy library has been presented to the Midland recreational center for use under direction of Louise Cure, recreational director.

A three-course luncheon was served to: Mmes. Black, W. L. Brown, Burns, B. K. Buffington, W. L. Haseltine, Hazlip, H. A. Hemp-hill, Hubbard, J. S. Meriwether, Patterson and two guests who were former members, Mrs. P. A. Nelson and Mrs. J. H. McClure.

Mrs. Elliott Is Hostess to Friday Needle Club

Mrs. Raleigh Elliott was hostess to the Friday Needle club at the home on S. Marienfeld street Friday afternoon.

Needlework of various kinds formed the activity for the afternoon, with a refreshment plate being served at tea time.

Present were: Mmes. Raymond Hines, D. Davis, Paul Jackson, A. G. Bohannon, J. L. Sumrall, S. A. Debnam, Edwards, John Elliott, and Miss Joy Elliott, and the hostess.

Honor Paid Former Midland Man at WTCC Convention, Also to Odessan

BIG SPRING, May 18.—Annual service awards were presented by the West Texas Chamber of Commerce at the closing session of its 22nd annual convention here today.

These awards were presented to individuals and cities on the basis of service rendered to West Texas. This year's awards are as follows:

B. Port Bludworth, Brownwood, most valuable WTCC director. Jerry Debenport, Odessa, most valuable local Chamber of Commerce secretary.

Ralls, P. B. Ralls, WTCC director, best membership town.

Mr. Bludworth is president of Brownwood Chamber of Commerce at present and also held that post in 1934. He is also president of Brownwood Rotary Club and has been active in community affairs for many years.

Mr. Bludworth was a leader in the highly successful outdoor advertising campaign conducted by the WTCC a few months ago in which 200 poster panels were placed in the area for four months.

Mr. Debenport, manager of the Odessa Chamber of Commerce since last September, is vice-president of the Chamber of Commerce Managers Association of West Texas.

Before going to Odessa, he was manager of the Childress Chamber of Commerce from 1922 to 1939.

He is past president of the Texas Association of Fairs, Membership in Odessa Chamber of Commerce has raised from 198 to 771 since Mr. Debenport began his work there.

He has cooperated 100 per cent in WTCC activities during the past year, WTCC officials said.

Ralls received the "best membership" award because the town has met its WTCC membership quota every year for the last 22 years and has oversubscribed its quota for the last three years, WTCC officials pointed out.

P. B. Ralls, WTCC director for Ralls, has been a director in the regional organization since it was formed. He has been president of the Ralls Chamber of Commerce, is president of the South Plains Highway Association and has been a well known West Texas leader for many years.

Port Bludworth, voted most valuable WTCC director, formerly lived at Midland, leaving here about fif-

Miss Oppenheimer To Present Review in Big Spring Monday

Presented by the Temple Israel Sisterhood, Miss Evelyn Oppenheimer will review "Native Son" by Richard Wright at 4 o'clock Monday at the Settles hotel in Big Spring.

The book which is by a negro and about negro life has been acclaimed by reviewers and critics. "As near as anything can be, it is the 'Grapes of Wrath of 1940,' according to the New York Herald Tribune critic.

Others have compared Wright to Steinbeck, Dreiser and Dostoevski for his forceful writing.

The public is invited to attend the review.

Purchase of J. E. Payne Barber Shop at 108 East Wall street has been announced by Ed Dozier and Harry Roberts, connected with the barber trade here for fifteen years. The new owners have assumed operation of the shop which adjoins the Silver Grill cafe.

"White Elephant Luncheon" Planned By Women Golfers

Plans for a "white elephant luncheon" next Friday at the Country Club were made by members of the Women's Golf Association in regular session Friday. All members of the Country Club are invited to bring to the luncheon anything from their homes that they wish to be rid of and that may be used to advantage in the clubhouse, such as pictures, end tables, ash trays or other articles.

Hostesses will be Mrs. W. P. Thurmon, Mrs. Prentice Brown, and Mrs. S. P. Hazlip.

Golf was played Friday morning with Mrs. C. A. Mix winning the prize for the least number of putts in the putting contest and Mrs. R. W. Hamilton winning the "blind bogey" contest.

Hostesses for the day were Mrs. G. E. Hall, Mrs. H. S. Forgeson, Mrs. R. P. Coats, and Mrs. John Ward.

Present were: Mmes. Prentice F. Brown, C. C. Cool (guest), J. M. Kenderline, A. P. Loskamp, W. B. Harkrider, Hamilton, W. G. Henderson, Mix, J. H. Dongabaugh, Hall, J. P. Buckman, Walter Smith, W. P. Thurmon, Bill Van Huss, Bill Pilzer, Forgeson, Ward, W. C. Fritz, Jack Brown, H. J. Kemler, J. A. Mascho (guest), Barney Greathouse, J. L. Rush, Jarrett (guest), Jimmie Smith.

Five tables of bridge were played in the afternoon with Mrs. A. P. Loskamp holding the lucky draw.

Mrs. Harold Huffman Is Complimented at Bridge-Shower

Honoring Mrs. Harold Huffman, Mrs. Wyatt Webb and Mrs. Fred Vanderburg entertained at the home of Mrs. J. O. Vance, 302 South I street, Saturday afternoon with a bridge-shower.

Pink and white were stressed in party appointments with pink and white larkspur and roses as house flowers.

Theme of the party was revealed in the guestbook with the figure of a bassinet for the cover design, and on the gift-table where the figure of a stork centered the display of shower packages.

Four tables of bridge were played during the earlier afternoon, with award for high score going to Mrs. Bill Hogsett of Crane, for consolation to Mrs. Bob White, and for low score to Miss Ginger Kirby. Winners presented the prizes to the honoree.

At tea-time the chosen colors were carried out in the pink-and-white sandwiches and cakes and the pink drink, while the nursery theme was emphasized in plate favors of little white jackets with pink rosebuds and novel containers filled with pink mints.

Present were: The honoree, Mesdames Fad Kidwell, M. D. Johnson Jr., Bill Hogsett Jr., of Crane, C. A. Roark, Kenneth Webb, J. H. Doran, Lige Midkiff, Edwin Ferrell, Jimmy Walker, Bob White, Allen Dorsey, Joe Hewitt, A. W. Wyatt, Misses Ginger Kirby, Jane Doran, Mrs. Jack Johnson, Mrs. Vance, and the hostess.

Sending gifts were: Mmes. G. E. Galbrith, J. M. White, A. F. McKee, Merwin Haag, and Miss Vera Webb.

Needlecraft Club Meets at Home of Mrs. A. W. Wyatt

Needlecraft club was entertained by Mrs. A. W. Wyatt at her home, 515 Holmes street, Thursday afternoon for its regular weekly sewing session.

Sewing, knitting, or whatever handwork the individuals preferred occupied the afternoon along with conversation.

At the tea hour refreshments were served to: Guests, Mrs. Addison Wadley, Mrs. Clinton Dunagan, Mrs. Cella Shaler; members, Mmes. John Dunagan, J. K. Wright, Wallace M. Ford, Geo. Phillips, H. H. Watson, B. C. Girdley, J. O. Vance, and the hostess; and two tea guests, Mrs. Bob White and Mrs. A. B. Cole Jr. Spring flowers were used in the party rooms.

The club will meet on Thursday of this week with Mrs. Wright at the home of her daughter, Mrs. Robert T. Cox, 1907 W. Texas.

With the 4-H Club Girls

Cloverdale Club.

Miss Alpha Lynn, county home demonstration agent, gave a demonstration on refinishing furniture at the meeting of the Cloverdale club at the home of Mrs. Troy Eiland, Saturday morning.

The piece of furniture used in the demonstration was a small bedside table. The paint was removed from the table and it is to be finished by Lois Dee Eiland.

Present for the demonstration were: Mrs. J. E. Wallace, club sponsor, Peggy, Laurence, and Virginia Lane; Lois Dee and Eileen Eiland, and Marie Meisner, and Lynn and Mary Livingston, who were visitors from the County Wide club.

TO BROTHER'S BEDSIDE

W. W. Lackey, superintendent of the Midland public schools, was called Friday to Dallas to the bedside of his brother, C. S. Lackey, who is seriously ill.

Episcopalians Have Parish Picnic at Cloverdale Park

Last of a series of church socials, a parish picnic for members of the Episcopal church was held at Cloverdale Park Friday afternoon.

The group gathered at 5:30 o'clock and food brought by the various families was spread for the picnic supper.

The occasion was an informal get-together and no program was presented.

MEN OF MILITARY AGE

If the UNITED STATES ENTERS WAR

Life insurance companies will insert the "war clause" in life insurance policies, which will void life insurance coverage while in military service on policies issued with this clause as a part of the policy. This will be done if it is apparent that the United States will be drawn into the conflict.

If you do not have ample coverage now or if you have insurance through the company for which you work that will terminate in event you are called for military service, secure additional life insurance NOW before the war clause is made a part of policies.

Teams Will Meet In Doubleheader This Afternoon

PAMPA, May 18 (Special).—The Pampa Oilers took the opening game of the series with the Midland Cowboys here tonight when they capitalized on five errors by the visitors.

In the third inning, left fielder Naranjo singled to send pitcher Rankin Johnson home with the first Midland run, and duplicated the situation in the fifth to put the Cowboys out two runs ahead.

Pitcher Vannoy of the Oilers had the only Pampa hit until the seventh inning and he got the second Oiler hit to score Summers with the first Pampa run. In the eighth, Seitz opened with a double, moved up on a sacrifice and scored on a single by Summers.

The Oilers sewed up the game in the ninth. Jerry Jordan singled, went to second when Ward, Cowboy right fielder, erred, then scored when Rowden threw wild on Potter's bunt.

The two teams play two games Sunday.

Hobbyist Hews Copies Of Weapons With Past

SHAFTER, Cal. (UP).—Ralph Short's spare-time hobby is carving copies of famous weapons. He borrows the originals from his friends to be used as models.

His collection now includes reproductions of a knife used for dueling in Haiti; a Chinese dagger; a machete issued to the U. S. Marines in 1912; a gun used by John Wesley Hardin, infamous bandit; a .45 caliber revolver carried by Wild Bill Hickok; an English-made pistol; a cap and ball derringer that once belonged to a prisoner captured by Judge Roy Bean, prominent figure in the law west of the Pecos, as well as models of the Colt in the early 1850s.

Gala Opening Planned for Softball League Here Next Monday Night

A gala opening has been planned for Monday night at the softball park when the 1940 season is officially opened.

Workmen have been laboring on the field for the past week, erecting lights and leveling off the field and it will be complete and ready for play by Monday night.

With the new lights and other improvements, the field will rate as one of the best in this area. New wire has been stretched behind the home plate and down each foul line as far as first and third bases. The improvements on the field were made possible mainly through co-operation of city officials.

Curt Inman, president of the Junior chamber of commerce, sponsor of the league, Saturday expressed thanks of the organization for the work done, to city officials.

The first game to be played Monday night will find the Jno. P. Howe team and the Independents, girls' teams competing. In the second game, Jeffs club will meet the strong Goldsmith team in a game that may turn out to be as good as any that will be played this year.

There are eight teams in the Industrial League and three girls' teams in the league they have organized. Efforts are being made to land a fourth team to make the girls' league complete. Anyone desiring to sponsor a team is urged to call Louie Cure at telephone number 301.

A schedule for the next three weeks appears elsewhere on this page.

First games will be started each night at 7:30 and the second games at nine o'clock except on Wednesdays, when three games are scheduled. On those days, the first game will start at six.

Deadline to Enter Tennis Tournament Set for Wednesday

With approximately 20 entries already filed, officials of the Midland city tennis club Saturday announced that all entries must be filed by Wednesday night to merit consideration.

Pairings will be made Wednesday night and seeded players will be announced the next day.

Because of lack of interest, it has definitely been decided not to stage a tournament for women along with that for the men.

The tournament will officially open Friday afternoon and will continue through two week-ends.

Following is an entry blank that may be signed by anyone desiring to enter the tournament:

Odessa and Crane Baseball Teams Will Play Today

ODESSA, May 18. (Special).—The Odessa and Crane baseball teams will meet here Sunday afternoon at 3:30 at City Park in the third of a three-game series. The second game was played last night in Crane.

The first game was played last Sunday afternoon with the Odessa team copping a 2-1 decision in 11 innings. Bill "Windmill" Brown, with the Midland Cowboys last year, pitched all the way for Odessa.

Odessa has several other players who were in the West Texas-New Mexico League last year, including Paul Reeves, Bailey White, "Lefty" Shelton and Bob Archibald. Reeves, White and Archibald were with Lamona.

Brown is slated to hurl again in the Sunday game.

More Books Provided For Low-Income Homes

SEATTLE, Wash. (UP).—Through the efforts of the state department of education and civic groups, literature is entering homes which otherwise could not afford books.

Superintendent of Education Stanley F. Atwood said fraternal and civic bodies are collecting books which had outlived their usefulness. These are given to schools which, in turn, give them outright to pupils.

This distribution, he said, is confined very largely to rural communities.

Beard Is Pension Protest.

BOISE, Ida. (UP).—Edward Everett Earle, 64-year-old World War veteran, is conducting a beard growing strike. He has notified pension authorities he will not cut his beard until he gets his pension. The beard is now 8 inches long and still no pension in sight.

In central Gaines' Seminole pool, Magnolia Petroleum Company and Atlantic No. 4-195 H&J, was completed naturally at 5,233 feet for daily potential of 680.88 barrels of 33.8-gravity oil and gas-oil ratio of 773-1. Pay line was topped at 5,115 feet.

Terry County.
George P. Livermore, Inc. No. 1 M. E. Jacobson et al, first producer in the county and south extension well to the Slaughter pool of southwestern Hockley, set potential of 828 barrels a day when gauged late in the week. It topped pay line at 4,992 feet and reached total depth of 5,035, where it was acidized with 2,500 and 6,000 gallons in successive stages.

Ward County.
Gulf No. 5 Wristen Brothers, a southeastern Ward Ordovician test, is drilling below 7,129 feet.

Kenneth Slack of Pecos and Mertry Brothers & Perini of Abilene No. 1 Bird S. Hayes, western Ward Delaware sand gasser, still was drilling plug from 7-inch casing. Total depth is 5,083 feet in sand, where it gauged 10,500,000 cubic feet of sweet gas daily, with slight spray of distillate, before pipe was cemented.

Atlantic No. 1 Wickett-University, two and a quarter miles west of the Monahans pool, flowed 445 barrels of oil and 1,487 barrels of water on 24-hour test through 2-inch choke on 2 1/2-inch tubing set at 2,915 feet, five feet off bottom. It will be plugged back in an attempt to shut off water.

Winkler County.
Gulf No. 1-A Scarborough, a mile north of the Keystone pool, is fishing for tools at 3,800 feet in lime. The same firm's No. 136 G. W. O'Brien et al, south of the Halley pool, had drilled to 556 feet in red rock.

Medical Care Made Available for Families Under Farm Security Administration Program

Medical attention was made more readily available to 3,865 rural families in the five-state area served by Region XII of the Farm Security Administration through a medical care program sponsored by this agency in the last six months of 1939, according to Wilson Cowen, regional director.

This information was received yesterday by Clifton W. Cole, FSA rehabilitation supervisor in Midland county.

A survey, covering the period between July 1 and December 31, showed that by states the program made this service available to 5,535 low-income rural people in West Texas, 7,584 in New Mexico; 590 in Southeast Colorado and 6,409 in Western Kansas, at a cost within their ability to pay.

The Farm Security Administration, it was pointed out, does not assume any responsibility for the operation or administration of the medical care program except in making funds available to the low-income borrower-families for participation in the plan.

Borrower-families pool their own funds and put them in charge of a bonded trustee. For services rendered the physicians submit monthly statements to the trustee. Bills are then reviewed by a committee from the local medical society. If the monthly funds are sufficient, the bills are paid in full; if a balance remains, it is carried forward to the next month or the end of the period, and then used to complete paying bills for months in which funds were inadequate.

Wasson field, established natural potential of 357.36 barrels of 34-gravity oil per day from pay line between 4880 and bottom of 5,085 feet. Gas-oil ratio figured 598-1.

Also in the Wasson, Shell Oil Company, Inc. No. 10-D George Baumgart responded to acidizing with 10,000 gallons by flowing at the rate of 1,133.20 barrels a day, bottomed at 5,176 feet. Oil tests 33-gravity and gas-oil ratio 621-1. First oil was encountered at 4,880 feet.

Operation of the plan and all administrative functions as to its operation is handled by members of the medical profession.

Each family is given free choice in selecting its doctors from among the participating physicians and each physician is given the same privilege of accepting an individual case or family as is his usual custom.

The medical care program, Cowen explained, was started to meet a definite need in rural areas.

"We discovered that many of our borrower-families were in the needy group of rural people because of financial distress resulting from some past illness in the family," Cowen continued. "Their progress was retarded by ill-health and their reluctance to ask for medical attention for which they could not pay."

A. A. Glenn, regional FSA health service specialist, observed that the families owing bills to their physicians, who are participants in the plan are less embarrassed in requesting medical attention.

Doctors report that families do not go to their physicians more often under this plan, but that they do go more quickly, which aids the physician in treating the patient.

The medical care program usually includes hospitalization in cases of emergency, and many hospitals report that because of the financial status of these patients, most cases would have been on a charity basis had it not been for the inclusion of hospitalization as part of the service.
