Wolves Stomp Coahoma 33-0

Colorado City's Wolves put it all together Friday night and proved they could win the big game as they overcame pre-game favorite Coahoma 33-0 in a District 6-AA clash at Coahoma.

The win gives the Wolves the lead in District play as they are 3-0. However, trail-

ing close behind is Stamford at 2-0. Stamford was idle Friday night and faces the Wolves in the final game of the year at Wolf Stadium.

Also trailing close behind is Merkel with a 2-1 record as they came from behind to defeat Winters 19-12 Friday. Coahoma now has a 1-1 district record. Winters has a 0-2 record while Ballinger and Wylie both have a 0-2-1 record as they tied 0-0 Friday night.

The Wolves have an open date this Friday night and face Ballinger at Wolf Stadium Oct. 29.

Prior to Friday night's game, Coahoma had been ranked higher than the Wolves and most area newspapers had rated the game a toss-up, with Coahoma picked to win.

Coahoma was undefeated going into the contest, having allowed their opponents to score only 21 points in five games. The Wolves had won four games and lost two.

A large crowd of Colorado City fans braved the cold weather to witness the con-

test. In addition, there were a number of college scouts at the game looking at the large number of high quality seniors playing for both teams. It was reported that scouts watching the game were from Texas Tech, Baylor, Texas A&M and West Texas State.

They had to be more than impressed with the entire Wolves squad.

As Colorado High Coach Mike Farda said about his Wolves, nobody had a bad game. It was a complete team effort, he said, adding that he could not single out any individuals as everyone did such a good, complete job.

On offense, the Wolves were clearly dominate with the line opening gaping holes for the runners and the runners were picking up yardage with good running on their own once they cleared the line. The pass receivers were open and caught the ball on pass plays.

On defense, the men and linebackers rolled

the line of scrimmage and the secondary was just as stingy on giving up ground on passes.

It was another sensational night for Wolves Quarterback Ray Torrez whose leadership on offense controlled the game for the Wolves. The Wolves had the ball most of the night. On passing, Torrez completed four of seven passes for 60 yards and two touchdowns with only one interception, that one coming on a ball that was tipped by a defensive lineman.

Torrez also picked up 44 yards rushing. Leading rusher for the Wolves was Frank Sanchez with 71 yards and one touchdown who also was a standout on defense and on offense as he blocked for other runners. Sanchez also blocked a punt and recovered a fumble.

Fullback Gary Hulme gained 69 yards, despite playing on an injured knee. Fullback Dobie Williams gained 21 yards on three carries and Quarterback

The Ex-Students meeting will be followed by individual class reunions and then the Lorraine-Jayton game is planned Saturday night.

Lorraine Supt. L. R. Dunn said that the bonfire and pep rally will include most of the student body as the band will play, cheerleaders and twirlers will perform and some of the Bulldogs, along with the Bulldogs coaches, will speak.

Bulldogs Lose To Forsan

Lorraine's Bulldogs lost a second district game to Forsan Friday night as the Buffaloes stunned the Lorraine offense 28-0.

Holding the vaunted Forsan offense scoreless the first quarter, the Lorraine defense played a good game, hitting hard but giving up six points in the second quarter.

At the half, the score was 6-0 and it looked as if Lorraine had a chance to get something going but in the last part of the third period, Forsan again scored when a back broke loose on a 43-yard run for the TD. They were then successful on a two-point PAT.

Forsan iced the game away in the fourth quarter on a 60-yard run and then again with a 35-yard TD with only 1:43 left in the game. The two-point conversion was good for the first TD but failed on the second attempt in the final quarter.

The loss gives the Bulldogs a 2-0 District 3-B record and they are 2-2-1 for the season. Forsan still has had no points scored on them by opponents.

Town Talk

By MAC McKINNON

One man on national television has been much maligned in recent years.

That man, instead, deserves a lot of credit for what he has done for the ABC television network he works for. In addition to that, he deserves a lot of credit for the loads of information he hands out.

You know who I'm speaking of -- Howard Cosell.

When he spoke disparagingly of Cowboy Running Back Robert Newhouse, you would have thought he insulted motherhood, apple pie and the flag.

Cowboy fans were irate. However, what he said was his opinion and he's entitled to that. Personally, "I thought he was right. Newhouse is a good running back but he's not great when compared to the likes of Jim Brown, Jim Taylor, Paul Hornung, O. J. Simpson, Chuck Foreman and the many others who have carried the pigskin in the NFL. It's doubtful that Newhouse will ever make it into the Football Hall of Fame. That's not to berate Newhouse. It's a comparison to put things into perspective.

Cosell is many times blamed for not putting the Cowboys on the halftime highlights of Monday Night Football. It should be pointed out that Cosell has nothing to do with the selection of what games go into the highlights. He's the moderator only.

Cosell, to me, makes Monday Night Football more than just another football game. He can make a dull football game interesting, one of only a few announcers who can do so.

One of the things I admire about Cosell is the immense amount of homework he does before every event. That homework was never more evident than during the baseball play-offs. He gets to know the teams, the individuals, the history like no other announcer. That isn't easy to do. It takes a great deal of work, effort and planning.

Oh sure, Cosell says things at times that are aggravating but many of those times, it seems he makes ridiculous statements to get fellow announcers into the action and to keep listeners' attention.

I must say that the American League play-offs were more entertaining to watch than was the National League play-off, and that was because Cosell was doing the American League.

Think of the amount of work he had to do in preparation for the game. He announced the games Saturday and Sunday in Kansas City, flew to Los Angeles to do the Monday night game, then flew to New York for three more baseball games the next three nights. That's a lot of time on camera but that time on the camera is only a

Rate Increase Needed Says TESCO President

"We are going to need another rate increase" as part of the planning for 1977, Texas Electric Service Co. President W. G. (Bill) Marquardt told a large crowd of TESCO employees and guest Wednesday night.

The occasion was the annual Quarter Century Club Banquet honoring all TESCO employees who have worked for the company for 25 years or more.

The Banquet was held for the TESCO Sweetwater Division, which includes Colorado City Morgan Creek Power plant and Sweetwater, in the Scurry Coliseum in Snyder.

Six TESCO employees, including five from Colorado City, were inducted into the exclusive club. They are L. R. Dunn, Supt.; Carl Bell, Jr., Supt.; Eldon Horton Jr., Supt.; Carl Bell and Keven Jones, all of whom work at the Morgan Creek Power Plant. One other TESCO employee in the division, B. J. Sledge of Sweetwater, also was inducted into the club.

In his remarks to the TESCO employees, Marquardt said, "We have to look into the future more than any other industry, so let's look at 1977. So I'll tell you right now about our biggest challenge. We are going to need another rate increase.

"The facts haven't changed. Rates must increase to give us the financial strength to build power plants that will use lignite, uranium and coal.

"Our rates are fair, in fact they are the lowest in Texas. But the more of our customer's money we ask for, the more concerned they get.

"So it's up to us to explain why our rates must go up." Marquardt also had praise for TESCO employees saying, "Our plant, transmission and distribution people have compiled a record of service and reliability that can be matched by few, if any, anywhere.

"This has been important in the past and will be

important in the future. Whether your job is in the power system, or working directly with our customers, or working behind the scenes in an office your job is important, now more than ever before."

He later added that "these Quarter Century folks we're honoring tonight have seen a lot of changes in this business. But one thing has never changed and never will. And that's the need for loyal, dedicated people like you who have built TESCO into one of the best, as a matter of fact, the best electric company anywhere in the world."

A large contingent of Colorado City TESCO employees were on hand for the banquet as well as Lorraine Mayor Royce Mahon and Colorado City Mayor, Dr. Elton Berkman.

A story in Thursday's edition of the Record about the new 200-book Texana collection recently acquired by the Mitchell County Library contained an error in the name of the librarian. Librarian is Mrs. Boyd (Ruth) Dozier and not Mrs. Roy (Mayme) Dozier. The two Mrs. Doziers are sisters-in-law.

QUARTER CENTURY Club inductees were presented with gold watches in recognition of their 25 years of employment with Texas Electric Service Company during a banquet meeting in Snyder Wednesday night. Making the presentation was TESCO President W. G. Marquardt, left, to Keven Jones, L. R. Dunn, Carl Bell, Jr., and Carl Bell, right.

C-City Teams Play 4 Games

Colorado City's young Wolves played four games with Ballinger Thursday and came out losing overall as the Freshmen took their first loss of the year 6-20, the 8th Grade lost 6-12, 7th Grade tied 6-6 but the JV won a stunning 19-0 victory.

Reception Honors Mrs. Butler

Mrs. J. W. (Ruth) Butler, Lorraine postal employee for the past 32 years, serving the last six years as Post Mistress, was honored with an all-day reception last Thursday, Oct. 7, in honor of her retirement.

Friday, Oct. 8, was her last day as Post Mistress at the Lorraine Post Office.

As more than 200 guests registered, they were served coffee, punch and an assortment of home-baked cookies.

Co-workers Howard Tartt and Bobby Hamrick presented her with a gold locket engraved with her initials and the dates 1944-1976 to commemorate her 32 years of service. She was also presented with a corsage and the dried flower arrangement that was used to decorate the register table.

Hostesses for the occasion were Mr. and Mrs. Howard Tartt, Mr. and Mrs. Bobby Hamrick, Mrs. Elwood Graham, Mrs. Marshall McAdams and Mrs. C. R. Green.

Mrs. Butler said she is enjoying relaxing after working for the past 32 years and plans to spend most of her time working around her home in Lorraine.

Tartt, Postal clerk, is currently official in charge of the Lorraine Post Office and has been chosen as one of the three people in the region to be considered for the appointment as Postmaster. Hamrick is the rural mail carrier.

Mrs. Butler succeeded Jack Coffee as head of the Lorraine Post Office, serving as officer in charge from July 30 to April 1, 1970 when she received the appointment as Post Mistress.

Colorado City's Junior Varsity won a victory from Ballinger in Wolf Stadium Thursday night, skunking the Bearcat JV 19-0.

Coach Mike Easterwood said the JV defense played an outstanding game and the "bombing" JV offense stole the game away from Ballinger.

Ricky Sanchez took the opening kickoff to the 50-yard line and the offense threatened to score all during the first quarter but never crossed the goal line until a Ricky Sanchez to Jay Feaster pass went 40 yards for the TD in the second quarter. Ruben Garcia tackled on the extra point kick to make the score 7-0 at half.

In the second half, two bombs, one a 50-yard pass from Sanchez to Mike Womack, and again a Sanchez to Womack pass for 40 yards, scored for the Wolves

Survey Planned

Lorraine ISD Superintendent L. R. Dunn says that the school district is currently in Phase II of a self-evaluation through the Texas Education Agency and that his office has received a number of inquiries about the program.

"Phase II calls for a community survey and we are currently working on that but it will be about two weeks before we plan a door-to-door survey," Dunn said.

"Of course, we are planning more of a sampling of the community rather than a 100% response on our survey but if anyone is interested in filling out the form, it will be available in the administrative office at the school," Dunn explained. "Since it is designed to get the community's feelings about the school system and its programs we'd like to have as much response as possible."

Phase I, the planning part of the self-evaluation, has been completed; all part of the 'self-study' which will take about five years to complete in stages for the TEA accreditation.

Mrs. James Pardue

...the former Miss Connie Christon

Connie Christon, James Pardue Exchange Vows In Stanton

The formal marriage of Miss Connie Sue Christon and James William Pardue was held Saturday, October 16 at 8 p.m. in the First Baptist Church of Stanton.

Rev. Ralph Inman officiated before an altar arranged under a heart-shaped arch covered with greenery, and twin branched candelabras holding candlelight tapers.

Two spiral candelabras, also holding tapers and arranged with pink gladiolas and burgundy carnations, and two seven branched candelabras covered in greenery accented the scene.

Arrangements of driftwood and candles highlighted the windows and the pews were marked with burgundy and pink decor.

Mrs. Roy Koonce, organist, accompanied Mrs. Jane Ward, Vocalist, who sang "The Lord's Prayer" at the close of the ceremony.

The bride is the daughter of Mr. and Mrs. J. T. Christon of Stanton. Mr. and Mrs. H. W. Pardue are parents of the bridegroom.

Exquisitely dressed in a formal gown, the bride was presented in marriage by her father. The princess silhouette was fashioned in an ivory silk organza, cluney Viennese and Nottingham lace.

Ruffled cluney lace filled the stand-up neckline, created the cuff of the fitted lace sleeves, and outlined the deep oval laced yoke.

Bridal pearls outlined the laced design of the center yoke and the full length sleeves. The contoured princess lined panels fell into a bouffant fullness sweeping to the back in a graceful Chapel length train. The applique Viennese lace motif enhanced the flared skirt along the deep laced hemline flounce.

Her veil was made of a cap covered with Viennese lace, accented with pearls, and layers of candlelight tulle outlined with lace.

She carried a cascade of white cymbidium orchids, stephanotis, and baby's breath with strands of Bridal pearls and candlelight peek-a-ribbon, all on a white Bible carried by her mother, when she was married.

Miss Vickie Christon, sister of the bride, was the maid of honor. Miss Christie Christon, also sister of the bride, Miss Pandora Moor, Miss Rae Avery and Mrs. Becky Dickenson were the bridesmaids.

They wore full length pink gowns, accented with burgundy suede jackets and hoods. They carried cascades of cymbidium orchids, and feathered pink and burgundy carnations, with sprays of pink Sweetheart roses and baby's breath.

Lori Pardue served as flower girl, wearing a full length pink gown highlighted by a shoulder cape of burgundy suede. She carried a basket decorated with

pink Sweetheart roses and burgundy carnations.

David Brown served as best man to the groom. Rickey Mims, Danny Fred Wilson, Glenn Pardue, and Jody Yates were groomsmen. Tony Luxton served as ring bearer, carrying a pillow of candlelight satin and lace.

The ushers included Mark Greenhaw, Ronnie Mims, Jackie Romine, and Alan Douglas. Candlelighters were Johnny Christon, brother of the bride, and Art Mansell. All wore burgundy tuxedos with pink shirts and pink feathered carnation boutonnières.

The groom was attired in a champagne brocade tuxedo and wore a boutonniere of stephanotis and baby's breath.

The reception was held at the Cap Rock Auditorium in Stanton. The bride's table was draped in pink organza, centering a nine branch candelabra with candlelight tapers and entwined with smilex and orchids.

The bridegroom's table, covered in burgundy, held a German chocolate cake and gold tea set, accented with a five branch candelabra arranged in burgundy and brown.

Centered between the two was a round table, draped in candlelight organza with embroidered white roses. It featured a three tier cake with flowing fountain, topped with burgundy carnations, pink Sweetheart roses, and satin wedding bells.

Those serving at the bride's table were Joanna Haggard, Jo Mims, and Raye Jones. Serving at the groom's table were Nanette Pierce, sister of the bridegroom, Gail Pardue and Jeannie Pardue, the bridegroom's sisters-in-law. The bride's cake was served by Brenda Mims and Tana Yates.

Darla Pardue registered the guests. Serving as rice girls at the reception, were Janie Pierce and Julie Pardue. The entire reception party wore the bride's

At a regular Local Circle meeting of United Methodist Women of Loraine held at the church Wednesday morning, Mrs. J. M. Templeton and Mrs. Roy Wells were presented life membership pins.

The meeting opened with prayer by Mrs. Templeton. Mrs. Raymond Wheeler talked on the topic "Methodist Women and Their Work," before presenting the pins to Mrs. Templeton and Mrs. Wells.

Mrs. Jim Johnson read two original poems and Mrs. C. H. Martin gave a report on "The Holy Spirit Conference" she had attended in Dallas recently.

Mrs. Wheeler closed the program with prayer and directed a short business session. Mrs. Jack Linam read minutes of the last meeting and Mrs. K. L. Taylor and Mrs. Frank Crownover gave treasurer's reports.

Mrs. Alva Bennett and Mrs. James Bennett, hostesses for the meeting, served refreshments to Mmes. Pearl Bruce, Wells, Johnson, Taylor, J. E. Price, S. E. Meadows, Martin, Crownover, Templeton, J. D. Norman, Wheeler, Martin Dobbs and Linam.

Crime Program Tuesday

The Loraine Athenaeum Study Club will sponsor the new "Hands Up" crime prevention program at the Loraine Lions Club Tuesday evening at 7:30.

The "Hands Up" program is a National volunteer effort to halt crime. We feel that no project which deals with crime could be more appropriate for the coordinated effort of all GFWC clubs than this program, a club members said.

Cost of crime-prevention programs exceed \$24 billion per year. Losses from burglaries totaled \$856 million in 1973. FBI estimated 3,400,000 crimes in 1960, but this figure had increased by 10,000,000 in 1974.

This program to be presented at the Lions Club will be brought by Sgt. Harold Emerson of the Abilene Police Department, and it deals primarily with crimes committed against women, but the general public is invited to attend and see the film and hear his lecture.

*"I Can Do
All Things
Through Christ"*

Rev. John Ford

Pastor

Central Baptist
Church

I can do all things through Christ which strengtheneth me. (Phil. 4:13)

Notice what this verse has in it for a child of God. No one else could claim a scripture like this. If for no other reason, the two words in boldface would be enough--through Christ. Without him, we can do nothing and we are nothing, but with him we can do all things.

It would not be for one who is lost, other than through Christ he or she can be saved, then the whole verse would apply, in all things.

Be not deceived. God is not mocked. Whatsoever a man soweth, that shall he also reap.

One must be born again to claim the promises of God. In John Chapter 3, Jesus told Nicodemus, "Ye must be born again, and in that same chapter we find that old favorite verse, John 3:16, For God so loved the world that He gave His only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

We also find in that same chapter many verses such as 17, 18 and 19, speaking of condemnation, and verse 36, we find that one must believe.

We will be paid for how we believe or not believe.

Paul said in Romans 6:23, For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.

Remember the text "I can do all things through Christ"? So you see, there is a starting place for you, if you are willing to believe, then Paul tells us in Romans 10:13, For whosoever shall call upon the name of the Lord shall be saved. This is only the beginning of a great new life. Behold, old things are passed away and all things are become new. Life is no longer the same. When the blood of Christ is applied to our heart, we learn to love, to forgive, to study to show ourselves approved unto God. Claim the promises of God.

And they that be wise shall shine as the brightness of the firmament: and they that turn many to righteousness as the stars forever and ever. (Daniel 12:3).

It is the duty of every child of God to shine, to turn many to righteousness.

I want you who are children of the King, to claim "I can do all things through Christ," but first, be sure you have Christ.

The Collect of the B&PW Club

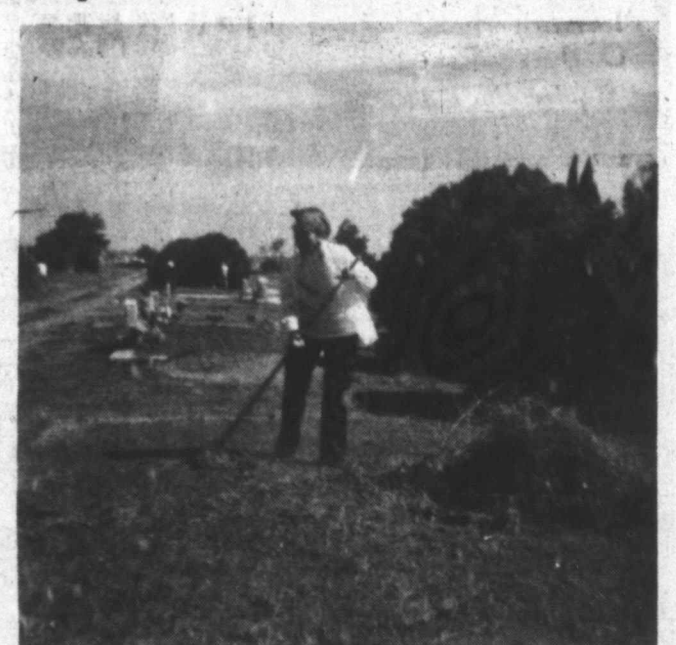

Keep us, oh God, from pettiness: let us be large in thought, in word in deed. Let us be done with fault-finding and leave off self-seeking. May we put away all pretense and meet each other face to face, without prejudice. May we never be hasty in judgement and always be generous. Let us take time for all things, make us to grow calm, serene, gentle. Teach us to put into action our better impulses, straight-forward and unafraid. Grant that we may realize it is the little things that create differences, that in the big things of life we are at one. And may we strive to touch and to know the great common heart of us all. And, oh, Lord God, let us not forget to be kind. Amen.

Craig Carter picked up three yards on one carry.

Wayne McKee gained 40 yards on two pass receptions and Pete Parham had one catch for seven yards and a touchdown and Benny Arispe had one catch for 13 yards and a touchdown. McKee's kicking also was a factor again as he had two punts for an average of 39 yards but one covered 56 yards and got the Wolves out of a deep hole.

For the night, the Wolves had a total of 208 yards rushing and 60 yards passing. The offensive line consisting of Pete Parham, Jackie Ellis, Jim Jordan, Kevin Herm, Ruben Ornelas, Santos Reyes and Ray Ritchey was effective all night.

On defense, the Wolves allowed Coahoma only a total of 69 yards for the night. Leading the charge on defense were linemen Steve Belvin, playing on an injured knee, Jackie Ellis, Pete Parham, Scott Neff, linebackers Ruben Ornelas, Blake Hammond, David Ornelas, Frank Sanchez and Dobie Williams. Halfbacks Wayne McKee and Kevin Geiger and Safety Craig Carter.

At split end on offense as pass receivers, downfield blockers and bringing in plays from the sideline were Bill Jordan and Benny Arispe. At wingback was Wayne McKee.

All the Wolves saw action in the game with the exception of Manuel Arellano who was suited up but couldn't play because of an injured knee. It is hoped he will be back in action by the Balling game.

Several teachers at Colorado High described the spirit at school all day Friday as tremendous. Coach Farida said the pep rally Friday morning was one of the best.

The Wolves had that same feeling in the field Friday night as they made big play after big play, completely intimidating the Coahoma squad with their strength and spirit.

The game started with a strong cold crosswind blow-

ing. Coahoma won the toss and chose to have the wind to their back. The Wolves chose to receive.

The Coahoma tactic to kick-off, hold the Wolves and have them kick into the wind backfired as the Wolves took the ball on their own 36 and 20 plays, almost 10 minutes on the clock and two five yard penalties later, Fullback Gary Hulme plunged over from the one to give the Wolves a 6-0 lead. The try for extra point failed.

Five times on that drive, the Wolves had to make good a third or fourth down play. All five plays were successful with the touchdown coming on a fourth down play.

The Wolves had to cover 64 yards on the field for the score but actually went 74 yards because of the penalties, one of which came on a play when Hulme went over the goal line and he had to do it again three plays later.

Then it looked like it

Report On Democrat Convention

Unity and harmony were the themes of the State Democratic Convention held Sept. 17 & 18 in Fort Worth, according to the chairman of the Mitchell County delegation, Rep. Elmer Martin of Colorado City.

Attending from the county as delegates were Martin, Warren Anderson, Woody Anderson and Mr. and Mrs. T. P. Fowler. Mrs. Martin also accompanied Martin to the Fort Worth convention.

State Democratic Chairman Calvin Guest of Bryan was re-elected over Henry Tatum of Lufkin and both Charles Stenholm of Stamford and Mrs. Marguerite Snyder of Baird were re-elected as chairmen of the 30th District which includes Mitchell County.

Martin said that the overall feeling at the convention was that Texas Democrats have united behind Jimmy Carter's campaign for the presidency.

might be a scoring contest as Coahoma took the kick-off and ran it back to the Wolves 41. Then they drove to the Wolves nine before a Bulldog runner coughed up the ball on a hard hit and the Wolves Frank Sanchez was there to give the Wolves possession. It was the Bulldogs only serious scoring threat of the night.

Colorado City was unable to move the ball and McKee came in to boot a 56 yard punt with Gerald Smith quickly downfield to make a hard tackle on the punt receiver.

The Wolves got the ball back on a punt on their own 33 and moved downfield and looked as if they might score again. However, on the Coahoma 19, on first down the Wolves were called for holding and moved back to the 35. They quickly came back and moved to the 20 again but on third down a pass intended for a wide open Sanchez was tipped by a Coahoma lineman and intercepted on a leaping catch by a Bulldog secondary man at the 11.

That ended the first half with the Wolves leading 6-0.

The Wolves took the wind to open the second half and Coahoma chose to receive and got the ball on their own 27. However, on the first play, the Bulldog quarterback was sacked for a big loss and Coahoma kicked the ball three plays later, giving the Wolves good field position at Coahoma's 41.

Denies, Approves Requests

A short agenda faced Mitchell County commissioners for their Monday afternoon regular monthly meeting and they granted and turned down requests previously made to the court.

During last month's meeting, Game Warden Ronnie Aston had requested use of the county Ag Barn at the Fairgrounds by Mitchell County Gun Club as a place to meet and hold target practice during inclement weather.

The commissioners had delayed action on the request, stating their intention to talk to insurance representatives about the matter.

Mitchell County Judge B. L. Carter said that Bob Ratliff appeared in person to talk to the commissioners. Ratliff Insurance is the representative of Home Insurance Co., the insuring company for the Ag Barn.

Ratliff informed the court that he had talked to company headquarters about the matter and they had informed him that the insurance coverage would be cancelled if the club were to hold target practice there.

Judge Carter said that Aston was not present but the commissioners decided not to grant the request and that Aston would be informed.

Also during last month's meeting, court reporter Charles Walker had requested additional storage space for court records and transcripts.

Judge Carter said that, after talking it over with 32nd District Judge Weldon Kirk, the commissioners agreed to let Walker have the Jury Room for storage at a cost of \$865 for shelves and a locked cabinet.

"One of the problems is that, especially in criminal cases, the transcripts have to be available even after ten years. Of course, this creates a storage problem but it's one that has to be worked out and the commissioners decided to use the Jury Room because it is seldom used and after talking with Judge Kirk, we decided that was the way to provide the needed storage," Judge Carter said.

A group from Loraine who are interested in remodeling the Ag Barn there for use as a community center did not come before the court this month but informed Loraine Precinct 4 Commissioner Robert Bruce that they are still working on their plans and will possibly request an appearance with commissioners next month.

The Wolves marched down the field, were set back by one penalty but recovered from that and went on in to score with Torrez passing seven yards to Pete Parham in the end zone. The try for two points failed, making the score 12-0 with 7:11 to go in the third quarter.

A booming kick-off by Belvin gave Coahoma the ball on their own 20 and they moved out to their own 49 but were stopped on a fourth down and inches to go play.

Again the Wolves marched downfield but again were set back on a holding penalty. However, this time, on third down Torrez rolled out, eluding two would-be tacklers who both at one time had Torrez in their grasp and threw the ball downfield. On the receiving end was McKee who gathered in the ball on a leaping catch after it was slightly deflected by a defender. This gave the ball to the Wolves at the Coahoma one.

Torrez ran a quarterback sneak and it appeared he was over but the officials said no. Then Dobie Williams lunged over but the officials said he didn't make it. On third down, Hulme was dropped at the one by penetrating defensive line.

Homecoming Planned October 29

The Student Council at Colorado High School is currently making plans for the October 29 Homecoming at CHS, including tentative plans for a bonfire, crowning a Homecoming Queen and also having a Homecoming Parade.

The Wolves will play Ballinger in a 7:30 p.m. game in Wolf Stadium and the Homecoming Queen will be crowned during halftime ceremonies.

Candidates will be elected in about two weeks by the CHS student body.

Theme for the Homecoming Parade through downtown Colorado City has been set—"Magic Time Machine." Organizations and classes planning to build floats to enter in the contest are planning to use the Ag Barn at the Fairgrounds as a place to house the floats while they are being built. Entry fee is \$15 each float.

If a bonfire is to be held, it must be approved by the Fire Department. Mr. and Miss Flame will be chosen during the bonfire and Pep Rally, probably on the Thursday night before the game.

Students are also planning a Homecoming Dance after the game in Colorado Middle School Gym from 10:30 p.m. to 1 a.m. The Council decided that everyone will be invited to the dance, but Middle School students must bring dates. Price will be \$2 for stags and \$3 for couples.

Loraine Team Wins

Loraine Junior High ran their winning string to 3 with only one loss as they defeated Robert Lee Thursday by the score of 12-0.

The win was sweet victory for the Loraine team as Robert Lee had handed them their only loss of 0-16 earlier in the season.

Tony Williams ran around end for about 12 yards and the TD early in the first quarter. Try for a run for extra points failed.

Then, again in the first quarter, a Jimmy Clinton pass to Bobby Sanchez connected for about 20 yards and a TD. PAT attempt to run again failed and that ended the scoring for the night.

Coach Ken Lightfoot said the whole team played in the game and singled out defensive efforts of David McAdams, Wayne Rose and Nicholas Leija.

The coach said that the entire offensive line and backs did an excellent job of moving the ball.

men. On fourth down, Torrez made a quick toss to Sanchez who raced into the end zone, carrying three defensive men with him for the final two yards in a crushing run.

Sanchez ran for two extra points but the play was called back on a penalty. Then Torrez ran for the two extra points from seven yards out, making the score 20-0 with 55 seconds to go in the third period.

Another booming kick-off by Belvin again gave Coahoma the ball on their own 20. With the change of quarters, the Bulldogs got the wind to their back and the ball went into the air. Coahoma completed one pass, but on the next three plays the quarterback was sacked for big losses. On fourth down, Sanchez came in to block the punt and Blake Hammond picked it up on a bounce and ran 26 yards to score. The try for extra point failed making the score 26-0 with 6:25 left in the final quarter.

On the kick-off, Coahoma got to their 41 and again tried to pass. Again the quarterback was sacked for big losses and it was fourth down and time to punt. However, the ball was centered over the punter's head and the punter recovered the ball on his own nine where the Wolves took over.

Three plays later, Torrez passed to Arispe in the end zone for the score and Belvin added the extra point, making the score 33-0.

However, the Wolves defense wasn't through. On Coahoma's next possession, they passed and ran into Wolves territory but Colorado City's Kevin Geiger came up with an interception and returned it to the

Wolves 34 from where the Wolves ran out the clock.

The Wolves got out of the game without any serious injuries with Sanchez suffering a slight thigh bruise and Ellis had a jammed knuckle.

Garden Club Meets For Landscape Program

A large group of 18 women was present for the Wednesday regular meeting of Colorado City Garden Club which began at 3 p.m. in the Charles C. Thompson meeting room of City National Bank annex.

Presiding in the absence of the president, Mrs. Helen Chambers, club secretary Mrs. Anne Halbert called the meeting to order. Minutes were read by Mrs. Bernice Hilliard and Mrs. Walter Gayler gave the treasurer's report.

Plans were discussed for the upcoming District VIII meeting in Ozone November 4, with a number of club members making reservations to attend the all-day meeting. However, none of the members present is planning to attend the state meeting in El Paso Oct. 26-28.

Project Chairman Mrs. E. M. Owen displayed two items, a plastic rain bonnet and a casserole carrier, which the club might make as a fund-raising project along with the Bake Sale set for Nov. 19, the Friday before Thanksgiving, in the Thompson Room.

Club members are asked to bring baked goods, white elephants and dried arrangements to sell during the day of the Bake Sale.

Following the "business session, Program Leader Clara Shoemaker introduced

the speaker, Mrs. Dorothy Johnson, a 15-year member of the club who is only one Symposium away from earning the Master Judge designation.

Topic of Mrs. Johnson's talk was "Planning the Home Landscape" which she introduced in a mock-classroom manner. She said that many factors enter into planning but after considering the drain on budget, time and maintenance, a family should have landscaping which enhances the family's manner of living.

Three areas should be planned for: approach to the house, the living area and the storage area. Physical features such as topography, native trees or shrubs, slope, size, view, type of neighborhood, privacy, etc. should all be taken into consideration in landscaping, she said, but stressed that the plantings should not hide the house but frame and enhance it.

"Beauty, simplicity and harmony, the three things which should prevail in any painting, arrangement, or other artistic endeavor, should also be used in planning the home landscape," Mrs. Johnson said. "Work areas should be adjacent to the storage, garbage or play area and the beauty spots should be accessible and visible from the living area."

Present for the meeting were the following: Mrs. John Bell, Mrs. Katie Jackson, Mrs. Floyd Shepherd, Mrs. Don Stewart, Mrs. John Brown, Mrs. W. S. Edge, Mrs. T. W. Lyle, Mrs. Robert Garner, Mrs. L. J. Taylor, Mrs. Ben Elliot, Mrs. S. A. Palmer, Miss Shoemaker, Mrs. Halbert, Mrs. Hilliard, Mrs. Gayler, Mrs. Coles, Mrs. Owen and Mrs. Johnson.

CITATION BY
PUBLICATION

THE STATE OF TEXAS:
TO: The Unknown Successor Trustee to R. F. Townsend, Trustee, and the Unknown Beneficiaries of the Unknown Trusts, of which R. F. Townsend, and his Unknown Successor, was Trustee, Defendants in the Cause Numbered and Styled Hereunder.

You are hereby COMMANDED to appear before the Honorable District court, 32nd Judicial District of Mitchell County, Texas, at the courthouse in Colorado City, Texas, at or before 10:00 a.m., of the first Monday after the expiration of forty-two (42) days from October 10, 1976, the date of issuance of this citation, by filing a written answer to plaintiff's petition that was filed in said court on June 24, 1976, numbered 9360 on the docket of said court, and styled "R. S. Brennan, Jr., plaintiff, vs. Jessie Townsend, et al, defendants."

A brief statement of the nature of this suit is as follows:

Plaintiff seeks cancellation of an oil, gas and mineral lease covering the following described land situated in Mitchell County, Texas, to-wit: the East one-half (E/2) of the Northeast quarter (NE/4) of Section 3, Block 26, H&TC Ry. Co. Survey, Mitchell County, Texas. Defendants' interest in said property grows out of an instrument dated December 30, 1946, recorded Volume 120, page 67, Deed Records of Mitchell County, Texas, by which O. B. Price assigned and conveyed to R. F. Townsend, Trustee, all of his right, title and interest in and to an oil, gas and mineral lease covering the above described property, down to and including, but not below, a depth of 4,200 feet beneath the surface thereof.

Plaintiff has made a diligent but unsuccessful effort to locate all of the defendants. The nature of the suit is more fully shown by plaintiff's petition which is on file.

If this citation is not served within ninety (90) days after the day of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve it and make due return thereof according to requirements of law, and of mandates hereof.

ISSUED UNDER MY
HAND AND SEAL OF SAID COURT at Colorado City Texas, on the 6th day of October, 1976.

B. H. Erwin
District Clerk, 32nd Judicial District Court, Mitchell County, Texas.

The Ballinger team is big and speedy but Coach Rick Robinson said the CMS team held them pretty good and didn't allow long sustained drives. The Ballinger team scored in the second quarter and again in the fourth.

Ballinger drew first blood in the second quarter and then on the ensuing kickoff, Doug Johnson took the ball and ran it back about 70 yards into the end zone and try to kick the PAT was blocked, making the score 6-6.

"We made a lot of contact and the boys are sore, but we just couldn't keep them from scoring again," Robinson said. "They never stopped trying and were hitting real hard and that's what we wanted them to do."

He cited Sam Houston, Frank Norris, Mark Piliand, Trey Womack, Mark Carter and Yancy Spivey for good defensive hitting. On offense he named the offensive line blocking of Norris, Piliand, Robert Godina, Tommy Romero, Houston, Joe Stinson and Weldon Walker. Spivey and Johnson ran behind their good blocking, he said.

★ Games From Page 1

JV. Kicks for PAT failed both times.

Offensively, the coach named Sanchez, Joe Franco and Johnny Garcia, running the ball; receivers Feaster and Womack, and blocking by Sammy Gomez and Jimmy Shoemaker.

The defense gave up only six first downs and most of those in the final quarter as about 15 players saw action on the defensive squad. Standouts mentioned include Ruben Garcia, Joe Franco, Avery Simmons and Willie Vanderpool, with Ricky Sanchez making an interception.

"We were real proud of the defensive effort," Eastwood said. "We play Coahoma here this week. We won 26-6 the first time we played them but we understand that they have about 10 players back who didn't play during that first game and we expect them to be real tough this time."

The game is set for 8 p.m. Thursday in Wolf Stadium. The win gives the JV a record of 4 wins, a loss to Sweetwater and a tie with Lorraine.

The Freshmen suffered their first loss of the season to Ballinger Thursday night as they went down 20-6 in Wolf Stadium.

Coach Mike Hart said the team, kicked off, held Ballinger, then made a good effort to score which was stopped. Then on their second possession, a scoring drive was stopped by two penalties and Hart said the team got down after failing to score and couldn't seem to get back up.

Midway in the second quarter, Ruben Garcia broke through for a 35-yd. scoring run and pass try for extra points went incomplete. Ballinger scored just before the first half ended on a 40-yd. pass that set up the score and they tried to kick but failed and the score was 6-6 at half.

Hart said a Ballinger sweep was successful most of the second half, that when the Freshmen would stop the sweep then the secondary would break down and the CHS offense just couldn't get untracked. They made a final scoring effort just before the game ended but couldn't make it and the final score was 20-6.

The Freshmen are idle this week and will play three more games: Oct. 28 in Ballinger, Nov. 4 Big Spring here and Nov. 11 in Stamford.

The Colorado Middle School 8th Grade team suffered another loss Thursday night, a 12-6 defeat by Ballinger in a game played there.

The Ballinger team is big and speedy but Coach Rick Robinson said the CMS team held them pretty good and didn't allow long sustained drives. The Ballinger team scored in the second quarter and again in the fourth.

Ballinger drew first blood in the second quarter and then on the ensuing kickoff, Doug Johnson took the ball and ran it back about 70 yards into the end zone and try to kick the PAT was blocked, making the score 6-6.

"We made a lot of contact and the boys are sore, but we just couldn't keep them from scoring again," Robinson said. "They never stopped trying and were hitting real hard and that's what we wanted them to do."

He cited Sam Houston, Frank Norris, Mark Piliand, Trey Womack, Mark Carter and Yancy Spivey for good defensive hitting. On offense he named the offensive line blocking of Norris, Piliand, Robert Godina, Tommy Romero, Houston, Joe Stinson and Weldon Walker. Spivey and Johnson ran behind their good blocking, he said.

Manuel Molina and Mike Smith came in at defensive tackle and did good jobs, he said, and Weldon Walker recovered a dropped punt.

They play Coahoma again Thursday in a 6:30 p.m. game in Wolf Stadium. The first time they played Coahoma they were defeated 6-0 but are going to try to get revenge this second game, the coach said.

A pass play from Quarterback Fidel Silva to Victor Jackson that went 55 yards for a touchdown in the second quarter was the only scoring done by the CMS 7th graders in a game with Ballinger Thursday. A pass try for extra points failed.

The young Wolves lone TD seemed enough to take the victory from the young Bearcats until 17 seconds to go in the game when an 80-yd. pass play was successful for the Ballinger team on their home field and the game ended in a tie, 6-6.

Coach Steve Van Hoozer said that defender Victor Jackson went for the interception on the Ballinger pass but fell down and was then unable to make the tackle. The 7th grade defense kept the Ballinger team bottled up most of the night, allowing only about 20 plays for the Bearcat offense. The CMS team ran 45 offensive plays for 126 yards but penalties kept them from scoring.

On offense, the coach named fine running by Jackson and Jeff Hammond, also mentioning that Jackson did a good job passing, and Silva doing a good job punting. Michael Scott caught a 25-yd. pass that was called back on a penalty.

Defensively, he named Todd Neff as leading tackler with 5, Ricky Luera and Dane Powell, 4 each, and David Luera recovered 2 fumbles.

The tie gives the young team a 3-0 record playing as a complete team. They play two more games this season: Coahoma Oct. 21 and Ballinger Oct. 28, both in Wolf Stadium.

The Slaton game results last week were reversed when they came over the wire service and many newspapers printed the score showing the Tigers lost to Lubbock Roosevelt 19-12. However, Slaton won 19-12 and is still rated as one of the top teams in the state. ...

It is unfortunate that the vice presidential debate was scheduled on a football night (this past Friday). I was hoping to see it but was not able to do so because of the big showdown between the Wolves and Coahoma.
