Olton Area History To Be Compiled In Book

How important are "roots?" The Olton Historic Preservation Society thinks they are very important. And that's why they are in the process of compiling the Olton Area History Book.

Recently throughout America there has been a growing emphasis placed on tracing your roots. Questions such as why does my family live here? What was life like for my grandparents and great-grandparents? What were the struggles and preoccupations of my ancestors? are frequently heard.

To help you answer these questions and others, the Olton Historic Preservation Society wants to encourage you to take an active role in preserving history by writing your own personal biography to be included in the book.

This is not a selfish endeavor. For not only can you benefit from the satisfaction and enjoyment of documenting the events of your life, but you can provide a legacy of interesting information and memories for future generations.

Write about your family in 500 words or less. If possible, type the final version on plain white paper, double spacing to make it more convenient for those who must work with the completed copy. Please mark the number of words in your story in the bottom corner of the final page.

Deadline for submitting the stories is Jan. 31, 1978. Stories may be mailed to the Historic Preservation Society, P.O. Box 487, Olton, Tex. 79064.

Make sure your copy will be reserved. The book is available on a pre-sale basis. Price of the limited edition is $23 plus sales tax ($1.15; for a total of $24.15. If the copy is to be mailed, an additional $1.95 is needed for postage and handling.

All money will be held in escrow in Olton State Bank until the book is published.

Roots ARE important. Won't you share yours?

REV. JOHN E. LEWIS

'Lewis Day' In Olton To Honor Local Minister

By Felicia Duncan

Sunday, Dec. 18, will be Lewis Day in Olton.

Inevitably it will be a bittersweet experience for a pastor and his people but a momentous day when members of the First Baptist Church and the Olton Community will honor the Rev. John E. Lewis and his wife Cathryn for 22 years of service.

That date will mark the end of Brother Lewis' tenure as pastor of the First Baptist Church of Olton, a call he answered in November of 1955.

Having informed his congregation several months ago of his forthcoming retirement, he recently made formal announcement of his resignation effective the end of this year, setting Dec. 18 as his final day to speak from his pulpit as pastor.

Following the morning worship service next Sunday, a covered dish luncheon at the school cafeteria will begin the afternoon's festivities. It is anticipated that the Olton community will be well represented on this occasion as the Lewises have been involved in church, school and civic activities for over two decades.

Those who are unable to attend the noon meal are invited to come at their convenience to participate in the afternoon fellowship and program. Invitations have been extended to former residents and persons in church circles throughout the area.

Brother Lewis is the dean of ministers in the Baptist Staked Plains Association, having served one church longer than any of the pastors of the 36 associational churches and missions.

Prior to moving to Olton, the Rev. Lewis had pastored churches at Henrietta, Seymour, Oglesby and Rogers, the latter two while attending Southwestern Theological Seminary in Fort Worth.

Son of a Baptist minister, he graduated from Quanah High School. Both he and Mrs. Lewis are Baylor University graduates, as are two of their children.

Mrs. Lewis was a member of the Olton Junior High School faculty for 21 years, having retired at the end of the 1976-77 school year.

Waco, home of their alma mater, will be the Lewis's destination when they move from Olton. They have purchased a home at "Jerusalem on the Brazos" as Brother Lewis smilingly refers to that Central Texas city. Though retiring from the pastorate, the term is in reality a misnomer as he plans to continue preaching in revivals, evangelistic crusades, and in churches as a guest pastor.

On "Lewis Day" two decades plus of memories will be savored, memory lane will be revisited and the future will be anticipated. It will be a time of bidding farewell and of paying homage to a respected and loved family.

Sharing the spotlight with their parents will be the three Lewis children and their families. They are Sunya and Johnny Lewis Jr. and Trent; Elaine and Gary Holliman, Cathryn, Julie and Leslie, all of Houston; Joanna and Ralph Gassiott, Kyle and Karri, of Midland.

Girls will play for consolation at 1 p.m. Saturday; boys, 2:30 p.m. Third place will be determined in games slated for 4 and 5:30 p.m. with championships decided at 7 and 8:30 p.m. Saturday.

All basketball fans are invited to attend the games and boost their favorite teams in additon to supporting the Fillies and Mustangs.

The Fillies won third place last weekend in the Roosevelt Tournament. They beat Cooper 45 to 32 before falling to the host team, 51-57. Whipping Petersburg 64 to 27 gave them the third place trophy.

Coach Larry Ledbetter said "The tournament as a whole was fairly successful. Roosevelt had a fine team and we just didn't play consistent enough to win."

Against Petersburg, Dusty Kinnison led the scoring with 18. Melanie Witten picked up 17 points; Nancy Britton, 12 and Jan Spain, 11.

Sherri Hutson got six rebounds with Janet Huguley, Carla Averyhart and Sharla Nicholas getting three each. Misses Hutson, Huguley and Nicholas had one steal each.

The consolation trophy was brought home by the Mustangs who came back after two losses with what Coach Don Ledbetter described as "one of our finest offensive games. We hit 50 percent of our shots from the field for our highest average of the year. It was a fine win and we're all proud of our trophy."

At the end of the first quarter it was OHS 12-8. Score at halftime was 37-28. The Mustans kept the clock unchanged for Petersburg in the third period but added another 12 to their own score. Final score was 57-44.

Kelly Cox paced the Mustangs with 18 points, getting 11 rebounds. Brad Allcorn scored 14 and with six rebounds. Mike Landrum picked up 12; Jeff Neinast, seven and Mike Sifuentes, six. Sifuentes had 10 rebounds; Neinast, seven.

Tuesday proved a bad dream for the Fillies. Leading Floydada 14 points going into the fourth quarter, the OHS fems let down in the final five minutes and found the Floydada misses in a tie at the end of regulation play. Floydada won in overtime with the final score 53-55.

Melanie Witten scored 26 and Dusty Kinnison, 21, in the heartbreaker. Nancy Britton picked up six.

Janet Huguley had seven rebounds with Sharla Nicholas and Carla Averyhart getting three rebounds and three steals each.

Picking up their second consecutive victory, the Mustangs stopped the Whirlwinds 53-48.

Coach Ledbetter said, "This was our second good offensive game in a row. If we can keep up the momentum, we have going now and our confidence continues to grow, then I feel we have 'a chance of gaining some respect from our opponents.

Cox led the scoring with 25 and picked up 16 rebounds. Allcorn scored 11; Neinast, 10. Sifuentes got 10 rebounds.

Lessons From The Bible

By Don Jones

The Gospel of John was given to cause faith in Jesus. John only records seven miracles that were performed by Jesus, but he concludes that his presentation of these miracles was sufficient to prove Jesus as God's Son and our Savior (John 20:30-31). John's evidence has never really met any serious opposition until the last few years. Now there are some who are going to great lengths to deny the claims of Jesus.

A book has been written, "The Passover Plot", which deals with Jesus's death, burial and resurrection. This of course is the very heart of Christianity. In this book the author tries to discredit Jesus and show he and his disciples merely plotted the crucifiction. Now it has been made into a movie.

Another movie is being made to show Jesus as a homosexual. The title is "The Many Faces of Jesus". This movie will cost $15,000,000 to produce. If it is successful then no doubt many movies will be made to destroy faith in Jesus. We cannot let this be successful at the box office. Please do not support these movies.

If Jesus is not all he claimed to be then he is a fraud and we cannot trust anything he says, but examine all the evidence and see Jesus as God's only begotten Son of God and our Savior. Jesus is all he claimed to be.

Lighthouse Electric Prints New Cookbook

Lighthouse Electric Cooperative has printed a new cookbook. Three cookbooks have been in the past but it has been 17 years since the last one was first printed. Because of popular demand it was decided to print a new book this year.

A request for recipes was sent out to the people in the Lighthouse service area and response was overwhelming.

The 336 page book is a collection of recipes that are family favorites, including recipes sent in by Rosalynn Carter, Joan Mondale, Mrs. Lyndon B. Johnson, Janey Briscoe and others.

Artwork in the book is interesting and a little unusual for a cookbook. Over 20 local artists submitted artwork to be used throughout the book.

The books may be purchased at the office in Floydada for only $5 each or by sending $5.50 for each book to Lighthouse Electric Cooperative, Box 580, Floydada, Tex. 79235.

COW POKES By Ace Reid

Letter To The Editor

Dear Editor,

I have heard that a petition has been passed around in Olton, calling for a liquor vote, and that it has the required number of signatures. There will be an election in Olton on this matter in the near future. If this is true I hope that the people of Olton will listen to the Bible as it speaks very clear on the matter of drinking alcoholic beverages.

Proverbs 20:1 Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise.

Proverbs 23:29-32 Who hath woe? Who hath sorrow? Who hath contentions? Who hath babbling? Who hath wounds without cause? Who hath redness of eyes? They that tarry long at the wine; they that go to seek mixed wine. Look not thou upon the wine when it is red, when it giveth his colour in the cup, when it moveth itself aright. At the last it biteth like a serpent, and stingeth like an adder.

Proverbs 31:6 Give strong drink unto him that is ready to perish, and wine to those that be of heavy hearts.

Habakkuk 2:15 Woe unto him that giveth his neighbor drink, that puttest thy bottle to him and makest him drunken also, that thou mayest look on their nakedness.

I Corinthians 5:11 But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolater, or a railer, or a drunkard, or an extortioner; with such an one no not to eat.

I Corinthians 6:9-10 Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolators, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.

Matt. 24:48-51 But and if that evil servant shall say in his heart, My lord delayeth his coming; And shall begin to smite his fellow servants, and to eat and drink and to be drunken; The lord of that servant shall come in a day when he looketh not for him, and in an hour that he is not aware of, And shall cut him asunder, and appoint him his portion with the hypocrites: there shall be weeping and gnashing of teeth.

There are many other scriptures that deal on this subject, and they tell us God is against such practices. Therefore let us stand with God and defeat this practice when the election comes.

I also have heard that consideration is being given to opening a private club in our city. At this writing I do not know how to defeat this proposal but I will find out and let our public know.

Thank you.

Don Jones

Everything But The Kitchen Sink

By Mozelle Trotter

I believe in Christmas!

Hustle, bustle, jingle of cash registers and complaints of "It's too commercial," can't rob this season of its wonderment and glory. They can't if you won't allow them.

Don't wail about the commercialization of Christmas to me! Because it's You and Yours Truly who have brought that on. It's our fault if we don't keep the real meaning in Christmas for it's there - waiting for us to glow in it, to savor each precious moment.

What's wrong with gift giving? Ah, yes, everything is wrong if we do it because of "duty" or because we feel we must reciprocate when Sara Jane or John Henry give us a present.

Gift giving should be prompted by nothing but love and the desire to express that love in a special way at this extra special season.

We don't even have to spend money to give good gifts at Christmas. I've harped on this before - and failed to practice what I preach, too!

Can you think of a more wonderful gift than to give yourself in a sincere, loving gesture? Have an elderly neighbor who's shut in? Know how grateful they'd be for an hour's visit ever so often?

How about the young mother who's tied down (though wonderfully) with small children? Think she wouldn't like a free baby sitter some afternoon so she could have a few hours just to do what she'd like?

Get tired of "the same old thing?" Wouldn't that widow or widower enjoy some dish you prepared - a treat from the routine of eating their own cooking day after day?

And the little child. Ever think how much Johnny or Jenny down the street might feel if you asked them in for a "tea party" some day and played a game remembered from your childhood?

When did you last write that loved one across the state or country? Like to get letters yourself? They just might, too.

My toes are crushed from my own feet on this one. How hard do you try to keep Christmas in your heart and on your face in the moment by minute by hour routine of home? That's where I fail the most.

Card Of Thanks

We wish to express sincere appreciation to friends for the many acts of kindness and words of consolation, both written and spoken, during our recent loss. We are grateful for the lovely flowers, thoughtful memorials and the kindly help in hospital rooms during this time.

God bless each one of you.

The family of Claude Carothers

We thank you so much for your expressions of love and concern at the loss of our loved one. We appreciate your prayers, the cards, calls and flowers.

Artist Realizing Long Desire

An early morning phone call one Sunday morning was the initial steps in the meeting of a young radio announcer and member of the police department. Their acquaintance developed into friendship and love and the former Glennys Anderson, radio announcer, became the wife of Gayle Morgan, member of the Littlefield Police Department.

Glennys smilingly recalls her employers had played matchmakers, advising Gayle to get acqainted with the KZZN radio girl. Answering her phone that morning, she remembers Gayle responding with "This is Officer Morgan of the Police Department," and her instant apprehension, "What have I done that the police would call me?"

As a high school student, Glennys got the idea of radio work. Completing high school, she studied by correspondence through a school in Pennsylvania. After finishing that course she went to Dallas to take exams to receive a Third Class radio-telegrapher's license and passed her tests.

With license earned, she returned home to Whitharral and applied for work at the Littlefield radio station. She still works there weekends.

The Morgans moved to Olton the fourth of July. Gayle served for a time as night officer and was recently named Chief of Police. A miniature poodle, Tika, completes the Morgan household and is "spoiled rotten," her mistress says.

After 5 p.m. Glennys helps her husband with the police dispatch radio.

Glennys says she has always had an interest in trying to paint but did not try until a few months ago. She loves the new-found hobby and is taking lessons from Jean Green. Right now she is busy with paintings for gifts to special persons on her Christmas list.

Sewing and reading are also favorite pastimes for Glennys.

The Morgans are Baptists.

Glennys shares a recipe for hot rolls which belonged to her mother, saying, "I was raised on those." The Corn Pone Pie is one that never fails to win compliments and the vegetable salad gets better when it's left over, she says.

VEGETABLE SALAD
Dressing:

Mix the following in a sauce pan:
¾ c vinegar
1 c sugar
½ c oil
1 t salt

Let boil for one minute. Set aside to cool.
1 c chopped celery
1 can young sweet peas, drained
1 c chopped bell pepper
1 can whole kernel corn, drained
1 can green beans, drained
8 green onions and tops, chopped

Toss salad and add dressing. This salad is best when refrigerated several hours before serving.

QUICK YEAST ROLLS
2½ c warm water
½ c sugar
½ c shortening
1 pkg dry yeast
sifted flour

Dissolve sugar and shortening in warm water. Add yeast and dissolve. Add enough sifted flour to make a very sticky dough.

Let rise one hour or until double in size then add:
½ t baking soda
½ t baking powder
1 T salt
sifted flour

Mix in baking soda, baking powder and salt, then add enough flour to your dough to make it manageable. Knead dough very well. Refrigerate dough in a large covered bowl until needed. Take out of refrigerator approximately 30 minutes before making out rolls. Place rolls in a greased pan and let rise one hour or until double in size. Bake in a preheated oven at 350° until brown. Butter tops of rolls upon removal from oven.

Dough may be refrigerated for up to one week.

CORN PONE PIE
1 lb ground beef
⅓ c chopped onions
1 T shortening
2 t chili powder
¾ t salt
1 t Worcestershire sauce
1 c canned tomatoes or juice
1 c cooked pinto beans
1 c cornbread batter

Brown meat and onions in shortening. Drain off grease. Add seasoning and tomatoes or juice. Cover and simmer for 15 min., then add pinto beans. Pour mixture into a baking dish and cover with cornbread batter. Bake at 450° until brown.

The heat pump
"THE ELECTRIC SAVINGS MACHINE"

energy used is energy ....saved

Since the heat pump pulls much of its heat right out of thin air, it actually saves energy as it works. In fact, the heat pump delivers as much as two units of heat for every one heat unit of electricity it uses. That's an efficiency story that no other system can equal. And the heat pump does it all in your own home without flame or water. Just electricity — pure and simple.

Taxes. Water. Energy. Business.
Farming. Ranching. Education.
Senior Citizens.

Bob Price has a program for the Texas South Plains!

In the runoff election for State Senator, one man has had the experience and the background to step forward with a bold new program for the Texas Panhandle.

That man is Bob Price of Pampa.

TAXES A fiscal conservative. Bob Price has called for an immediate tax cut for all Texas citizens, followed by a decrease in unnecessary State spending.

BUSINESS AND JOBS A successful small businessman, Bob Price has called for positive steps to maintain a sound business environment in the Panhandle, assuring more jobs, more job opportunities and better wages for workers.

FARMING AND RANCHING A Panhandle rancher and farmer, Bob Price stands for 100% of parity, and for special programs to assure adequate supply—at reasonable rates—of oil and natural gas for irrigation and other farm and ranch needs.

SENIOR CITIZENS Bob Price has strongly urged an increase in Homestead Exemptions for our Senior Citizens, thus decreasing the tax burden they face on fixed incomes.

EDUCATION Bob Price thinks it's time to return control of *our* schools to *our* hands—and get the Federal Government out of the local school business.

Bob Price of Pampa. For eight years, he fought for our needs as our United States Congressman. Now, he's ready to serve us in Austin. Bob Price—the *proven* voice of the Texas Panhandle who will speak with authority, with experience, as our State Senator!

Price is right for Texas.
