County Fair Adds Street Square Dance To Program

Banquet Headliners

Two Texas Electric Service Company officials—C. C. Thompson of Colorado City and J. B. Thomas of Fort Worth—chat with Dr. Kenneth McFarland of Topeka, Kan., at the TESCO Quarter Century banquet here Friday night in Civic House. Thomas is president of TESCO and Thompson is a member of the company's board. McFarland, General Motors educational consultant, was principal speaker for the banquet program.

Opening Night Entertainment

A downtown square dance—in the street in front of Civic House—has been added as an entertainment feature for Mitchell County Fair here Oct. 17 and 18.

The street dance will be included in the fair's activity-packed Friday night program, Oct. 17.

It will follow the coronation of the 1958 Fair Queen and a special square dance demonstration—both on an outdoor stage under the lights in front of Civic House.

The dance feature was announced Thursday by Elmer Martin, Chamber of Commerce agriculture committee chairman, as far officials rushed preparation for the receiving of entries in more than 120 agriculture and women's crafts judging classes (both senior and junior shows).

* * *

DEADLINE FOR entries in the fair judging classes will be 10 a. m. Friday, Oct. 17. However, persons can begin delivering their entries to Civic House, the fair's headquarters, Thursday afternoon, Oct. 16.

The county fair will open at 12 noon Friday, Oct. 17, with all exhibits free to the public. Fair features will be both in Civic House and the National Guard Armory, in 100 block of E. First and adjacent to Civic House.

Selection and coronation of 1958 Fair Queen will be that night, Oct. 17, at 6:30 o'clock on the stage in front of Civic House. Out of town judges will be obtained for this event.

* * *

LIST OF QUEEN candidates increased to seven Thursday with the entry of Miss Vicki Adams, daughter of Mr. and Mrs. Jay Adams. The Colorado High students is being sponsored by Zetagathian Study Club.

Deadline for clubs and organizations to enter a candidate in the queen contest will be Wednesday, Oct. 15.

Special square dance demonstration is scheduled at 8:30 Friday night, Oct. 17, on the outdoor fair stage. Featured in the demonstration will be members of the Do-Si-Do Club.

* * *

THE BIG FREE street dance will follow the demonstration in front of Civic House. Square dance teams from over West Texas are invited to participate in the dance.

Music for the square dancing will be by Jim King and His Playboys from Sweetwater. Head caller will be the popular Jack Fomby of Sweetwater.

A dozen organizations have obtained space at the fair for special booths that will offer

County Keeps District Bond Sales Lead

Within almost 80 per cent of its 1958 goal, Mitchell County continues far ahead of all other District 14 counties in U. S. Savings Bond sales.

Through the first eight months of the year the county's bond sales amount to $211,190. That is 77.9 per cent of the $271,000 goal set for Mitchell for the entire year.

Sales here in August amounted to $29,997, according to J. C. Pritchett, executive vice president of City National Bank and Savings Bond chairman for the county.

Nearest to Mitchell in District 14 through the first eight months is Andrews with a total sale of $41,764—67.4 per cent of its $62,000 goal.

Sales records for other counties in the district are Borden, zero; Dawson, 64.9 per cent; Gaines, 62 per cent; Howard, 61.5 per cent; Martin, 53.8 per cent, and Scurry, 50.3 per cent.

Only seven counties in the entire El Paso Area, which includes 34 West Texas counties, leads Mitchell in percentage of sales. Those are Brewster, Pecos, Terrell, Regan, Schleicher Jeff Davis and Sutton.

FOR UNITED FUND

Special Gifts Starts Drive

Special gifts division goes into action Friday for Mitchell County United Fund.

Volunteer workers in the special gifts division will open their phase of the 1958 United Fund budget campaign at a 7 a. m. breakfast in Civic House.

Cards bearing the names of prospective donors in the special gifts division will be handed the volunteers by their chairman, Benny Franks.

From the breakfast, they will begin their march to raise between $3,500 and $4,000 for the United Fund budget that will provide finances for nine participating agencies in 1959.

Twenty-two volunteer workers are in Franks' special gifts division.

They include Lewis Williams, Jerold Riordan, O. A. Ruffin, Bob Pender, Bud Everett, Paul Boston, Paul Hunter, Gus Chesney, C. E. Cogswell, Frank Deregibus, Tom Glover, Arthur Kelley, Henry Lewis, H. E. Maniss, Leonard Morris, James E. Payne, Raymond Perdue, Mrs. Roy Dozier, James Boyd, A. L. McSpadden, Earl Brown and Gwan Strange.

Franks and his workers will be the second division to go into action for United Fund.

Already business and reporting fine results is the advence gifts division under Dr. Kenneth Cowan. Infact Cowan's division Thursday was reported "approaching" its goal of approximately $14,000.

The splendid progress of the advance gifts division is heartening news for the special gifts group going into action Friday, indicating a quick and ready response this fall from all the citizens for United Fund.

Assignment for Franks and his special gifts workers will be to contact approximately 200 firms and individuals in the "middle bracket" of Mitchell County United Fund finance campaign.

Those "middle bracket" firms and individuals are being asked to furnish 15 per cent of the total financing needed for United Fund's $27,885 budget in 1959.

Clarence Collins and his co-chairman, Bob Reily, have called a meeting Friday afternoon at 3 p. m. for captains in the general division.

The general solicitations are not scheduled to begin until next week, but the captains Friday will select their work teams in preparation for their campaign march.

Captains working under Collins will be Joe Boatright, Martin. Weaver, J. S. (Jay) Craddock Sr., Frank Wilson, Cal C. Wright, Sie Hamm, Arnel Smith, Francis Winn, Rev. C. C. Beck, W. E. Welter, J. C. Costin, George Womack, Mrs. George Witten and John T. Merritt.

Captains under Reily will be Ather Ellis, R. B. Baker, Jack Jordan, Jimmy Harrison, Mrs. Virgil Moser, Max Caddell, R.

GOLFING HIGHLIGHT

Club Schedules Pro-Am Tourney

A special pro - amateur tournament is scheduled Oct. 24 at Colorado Country Club.

Club Professional Ross Dixon Jr. Thursday announced plans for the invitational 18-hole event that will be preceded by a barbecue and calcutta pool event.

Invitations are being sent to 30 top golfers in the West Texas area.

Professional golfers will be shooting for $250 in cash prize money. Amateurs will seek $100 in prizes.

In addition, there will be a pitching contest for all golfers — whether entered in the tourney or not — as part of the special pre-tourney activities.

Dixon said some of the finest golfers in the state will be on hand for the one-day feature. The pros will be paired with amateurs for the 18-hole event with scores compiled on a low ball basis.

The pre-tournament barbecue will be scheduled the night of Oct. 23 just prior to the calcutta pool.

Inspector to Speak to Lions Friday

Colorado City Lions will observe Fire Prevention Week at the noon meeting Friday in Civic House.

A fire demonstration will be given by Lester Wilbanks, Base Fire Inspector of Webb Air Force Base in Big Spring.

The program will be in observance of Fire Prevention Week, October 5-11.

Willbanks has been fire inspector at the Webb Air Force base since it was established in 1952. The Webb Base is seventh of 27 bases in their rating in fire prevention. Last year's loss due to fire was only $289. He has been in the fire fighting business 26 years.

OIL PROGRESS WEEK

Luncheon, Plant Tour Scheduled

A luncheon talk by Cosden's Raymond L. Tollett and a tour of Sun's Jameson Natural Gasoline Plant will highlight Oil Progress Week observance here.

Both are scheduled the same day, Wednesday — the luncheon in Civic House, followed immediately by the plant tour at Silver.

The noon luncheon in Civic House will be a combined program for Lions, Junior Chamber of Commerce and Kiwanis. But the general public is invited to attend by making reservations in advance.

Tollett, president of Cosden Petroleum Corporation at Big Spring and Col-Tex Refining Company, will be featured speaker at the luncheon.

Business men and other citizens attending the luncheon will be invited to join a motorcade to Silver immediately at conclusion of the luncheon program.

Hosting the Colorado City group at the Sun Oil Company plant will be Johnny Shimer, superintendent of Sun's West Texas Gas Division. With him will be James Bradham, plant engineer; J. D. Gilbert, plant foreman, and Eddie Good, plant chemist.

The luncheon and talk by Tollett, who will be making his first major appearance here since Cosden's purchase of Col-Tex, and the Jameson Gasoline Plant tour are being arranged by the Chamber of Commerce oil development committee and Mitchell County Oil Information Committee.

Reservations for the Wednesday luncheon by persons outside the Lions, Jaycees and Kiwanis must be made prior to the luncheon date by phoning the Civic House, according to Paul Boston.

Three other projects are scheduled next week as part of Oil Progress Week. Two are exhibits that will be displayed at Mitchell County Fair, Oct. 17 and 18, the third will be the Record's Annual Oil Progress edition.

One exhibit will be a model drilling rig (six by 12 by 14 feet) in actual operation. The other will be a display of products derived from petroleum.

Mendoza Infant Dies After Brief Illness

Guadalupe Lydia Mendoza, 10-month-old infant daughter of Mr. and Mrs. Luciano Mendoza, died Wednesday afternoon in the local hospital following a short illness.

The baby was born in Colorado City Dec. 4, 1957.

Funeral services were conducted Thursday afternoon at 5 p. m. in St. Ann's Mission with Father Thomas Quinlivan officiating. Burial was in Mitchell County Cemetery.

Survivors are the parents, five brothers and five sisters, all of Colorado City.

BONFIRE OPENS FESTIVITIES

Homecoming, Community Fair To Begin Friday at Loraine

Homecoming and the community fair are on tap this weekend for Loraine.

Most of the festivities are scheduled Friday and Saturday, but activities of Loraine High ex-students will holdover through Sunday.

The school homecoming program will begin Friday evening with a bonfire and pep rally. Highlight of the annual reunion of exes will be the Loraine-Stanton football game Saturday night.

Exhibits for the fair will be in the Lions Club Building, the new Coon & Pratt warehouse and at the community barn southeast of First State Bank.

Additional entertainment will be at a carnival which will move into Loraine for the celebration.

The homecoming bonfire and pep rally are scheduled Friday at 6:30 p. m. Registration of exes will begin at 10 a. m. Saturday with a homecoming luncheon scheduled at the school at 12 noon.

Ray Preston, president of the Loraine Ex-Students Association, will emcee the special program at 1:30 p. m. Friday in the school auditorium for exes and students.

Principal speaker at the program will be Mrs. Fred Helt of San Antonio, the former Connie Baird and a member of the Loraine High Class of 1922. featured on the program will be the Freshmenettes — Tina White, Gloria Griffin, Gloria Richards, Janie Hutchins and their piano accompanist, Golda Gary.

Homecoming queen and Loraine sweetheart will be presented in halftime ceremonies at the Loraine-Stanton game.

Cash prizes of $15, $10 and $5 will be awarded to the best farm booths at the fair.

Judging in farm products will be in two divisions—dry land and irrigation, according to John B. Mahon, chairman of the agriculture committee.

Antiques at the fair will be displayed in closed show cases in the Lions building, according to Mrs. Doyle Hester, chairman.

Raymond Holt heads the livestock division, which will be shown in the barn southeast of the bank; Mrs. Jack Linam and Mrs. Floyd Griffin are chairmen of the vegetables and canned goods division.

Farm implement displays will be under the chairmanship of B. W. Tartt.

Handing Out A Good Turn

A representative group of Cub and Boy Scouts receive copies of the Handbook for Emergencies that will be distributed here Saturday by scouts under supervision of Mitchell County Boy Scout Safety Committee, chairmaned by A. C. Benson. From left to right are Roger Stewart, Roger Turner, Police Chief Leon Yeager, Jimmy Lewis, Billy Harlow, Cubmaster J. C. Garrett, Fireman J. A. Sadler, Jr. and Scoutmaster Dale Whatley. The distribution here will be part of the safety good turn by 12,000 scouts and scouters who will place Handbook for Emergencies in 50,000 homes in Buffalo Trail Council area.

COURT SET OCT. 20

Trio Charged in Indictments Here

Three indictments have been returned by Mitchell County grand jury against two men and a woman.

Named in an indictment alleging sodomy is Billy Joe Dossey.

Dossey, who is free on $5,000 bond, is charged with committing the sexual offense last Aug. 21 on Margaret Dossey, his wife.

Indicted on a charge of second offense, driving while intoxicated, is Howard Eugene Adams, former service station operator here.

The latest DWI charge against Adams is alleged to have taken place last Friday. First offense was in August 1952 in Sutton County.

District Attorney Eldon Mahon asked that the name of a third person, a woman charged with forgery, is being withheld until she can be apprehended by officers.

No-billed by the grand jury was Inez Butler, who was charged recently with assault with intent to murder in connection with the stabbing of Nolan Russell.

Two cases before the grand jury were passed for further investigation, according to Mahon. One is a check case and another alleges child desertion.

Criminal docket in the fall term of 32nd District Court is scheduled to begin here Monday, Oct. 20.

'Wolfettes' Elect Officers

Four girls were selected to head the newly organized pep squad, "Wolfettes," at Junior High School. They are, left to right, Lynda Kaye Carter, president; Mary Alice Bryant, secretary; Sue Ann Welter, treasurer; and Sandy Landau, vice president.

NEWLY ORGANIZED

CJH Pep Squad Named 'Wolfettes'

"Wolfettes" has been elected as the name of the newly organized pep squad of the Colorado Junior High School.

The brand new organization has 80 girls on their roll and was organized recently under the direction of Curtis Latimer, principal.

Mrs. J. M. New and Mrs. Janice Roberts are sponsors of the "Wolfettes."

Wolfette officers were elected recently to head the organization. Lynda Kaye Carter was elected as president of the pep squad, Sandy Landau, vice president; Mary Alice Bryant, secretary; and Sue Ann Welter, treasurer.

Two cheer leaders were elected from each class of Junior High School. Lynne Witten and Kay Feaster are the cheer leaders from the seventh grade, Jo Lynne Salter and Cecilia Lee, eighth grade; Judy McGuire and Gayle Hart, ninth grade.

Members of the Junior High pep squad will wear uniforms of black skirts, white blouses and red ties.

Roll will be called at all Junior High games and members of the pep squad will sit in a section together. Students do not leave stand, with the exception of half-time and at the end of the game.

Members of the pep squad will attend all games unless excused by parents. Unauthorized absences by members will be automatically dropped from the rolls of the organization.

All members of the organization must maintain not lower than a "B" average.

Attend Funeral

The Mitchell County Home Demonstration Council will meet Thursday afternoon at two o'clock in the county Courtroom of the Court-House.

1952 Class Has Reunion

Members of the graduating class of 1952 met Saturday evening at Colorado High School in a class reunion.

Last weekend was Homecoming at the local high school.

Class exes attending were Donal Gene Gilstrap of Fort Sill, Okla.; Harold Oliver of Ft. Bliss; Mrs. Melba Mikle of Big Spring; Doyle Harmon of Dollarhide; Tom Futlon of Snyder; Mrs. Lucy Oliver of Odessa; Colleen Soles of Snyder, Trevlyn Kelley and Mrs. M. W. Palmer of Colorado City.

Guests of the class were Mrs. Janice Harmon, Mrs. Eulyene Fulton, Bill Oliver, Jimmy Stewart, Mrs. Wanda Kelley and M. W. Palmer.

In Loraine School

The Mitchell County Lunchroom Association will meet in Loraine Monday night at seven o'clock in the lunchroom of Loraine School.

IN WESTBROOK CLUBROOM

Golden Age Club Hosts Couples Fete

Members of the Westbrook Golden Age Club entertained young married couples in Westbrook and surrounding communities recently.

Scene for the entertainment was the clubroom in Westbrook.

Games of "42" were played throughout the evening. Winning high score for the ladies was Mrs. Oren Moore. Rex McKenney won high score for the men. Mrs. Moore and McKenney were presented with hula hoops as prizes for their scores.

Refreshments of chicken salad, deviled eggs, potato chips, spiced crabapple, angel food cake and coffee were served to those present in individual souvenir plates representing the 49 states, Hawaii and England, Holland and Corregidor.

The plates were from a collection of Mrs. Margaret Powell, who has collected them for several years.

Napkins for the fete were given to the Club from Mrs. M. O. Boring Jr. of Odessa. They were white with the club name printed in gold letters.

Assisting the members in serving were Misses Bobby Parrish and Juanita Andrews.

The club would like to extend thanks to Superintendent Herman Parsons and N. W. Stokes for being in charge of the seating arrangement for the game period of the party.

The next regular meeting of the Golden Age Club will be Oct. 7.

Hostess Club Meets in Col-Tex Club

Mrs. Billy Hammond and Mrs. Jack Long were co-hostesses last Thursday for a meeting of the Hostess Club in the Col-Tex Club at Lake Colorado City.

Mrs. J. A. Sadler Jr. won the high score during the afternoon games of "42" and Mrs. Jerry Brooks, low score.

Mrs. Eelon Harrell won the traveling prize.

The hostesses served pecan pie topped with ice cream, candy, coffee and soft drinks to two guests, Mrs. Toby Preston and Mrs. Thomas Bob Long, and the following members: Mrs. Sadler, Mrs. Brooks, Mrs. Harrell, Mrs. Joe Ed Coldewey, Mrs. Roy Lee Beach, Mrs. G. MR. AND MRS. D. E. GUNN,
. . . honored on anniversary

D.E. Gunns Observe 65th Anniversary

Wedding anniversaries are celebrated every day in our community by couples observing their first, 15th, 25th and even a few their 50th . . . but it is a rare and vary special occasion when a couple observes their 65th wedding anniversary.

Mr. and Mrs. D. E. Gunn of Loraine celebrated their 65th Wednesday, Oct. 1, with friends calling at their home in the afternoon and the occasion ended with a surprise when the couple attended first services in the newly completed Loraine Church of Christ Wednesday night and were honored with a program. Max Leach, minister, presented the couple with gifts from the members.

Mr. and Mrs. Gunn, residents of Loraine for 52 years, are the only charter members of the church which was organized in 1907.

The Gunns were married Oct. 1, 1893, in Erath County and continued to farm there for 15 years moving to Mitchell County. Mr. Gunn farmed until 1923. They bought their present home in the west part of Loraine and have lived there since 1923.

Mrs. Gunn's hobby is collecting rocks. She has an assortment of several hundred and has one from every state with the exception of Utah. Her collection also includes rocks from Germany and Canada.

Mrs. Gunn, the former Janie Copeland, was born Nov. 15, 1872 in Bingen, Ark. and moved to Texas to Erath County in 1875 with her parent's, the late Mr. and Mrs. W. C. Copeland.

Mr. Gunn was born May 11, 1870 near Nashville, Ark. moving to Bell County in Texas in 1887 and one year later moving to Erath County.

They have four sons and one daughter. They are Mrs. J. A. Bodine of Weatherford, Chancil Gunn of Harper, Kan.; Bruce Gunn of Midland; Herbert Gunn of Colorado City, and Crafton Gunn of Texarkana, Ark. They also have four grandchildren and six great-grandchildren.

FOR 1921 STUDY CLUB

Administration Day, Guest Speaker Highlight Program

Program topic for the 1921 Study Club recently was — Official Administration Day — with the group meeting in the home of Mrs. M. J. Dawson. Mrs. H. B. Broaddus was program leader for the afternoon and was assisted in presenting the program by Mrs. Ed Jones, Mrs. O. E. (Oscar) Rhode and Mrs. W. W. Rhode.

Mrs. Jones directed a discussion of "Parliamentary Law," Mrs. O. E. (Oscar) Rhode, "Treasure's Report" and Mrs. W. W. Rhode "Club History."

Paul Boyd Hunter spoke to the club in behalf of the United Fund Drive and asked for the club's support in this drive.

During the business meeting the group discussed the Mitchell County Fair and voted to sponsor Susan Rhode, daughter of Dr. and Mrs. W. S. (Bill) Rhode, as an entry in the queen contest of the fair.

Mrs. Broaddus, federation counselor, reminded members to save their copies of Texas Club Woman for September for addresses and future references.

It was reported Mrs. Sam L. Majors Sr. had received an award for creative writing at the state meeting in Fort Worth.

Mrs. Lee Lavendera presented a report of the meeting of the planning committee for the federation's musical review. It was also reported the project was well attended and the club considered it a successful show.

Members attending the meeting in the Dawson home were Mrs. Broaddus, Mrs. Jess Craddock Sr., Mrs. E. L. Dorn, Mrs. W. L. (Bill) Doss, Mrs. A. O. Hickman, Mrs. Jones, Mrs. Lavendera, Mrs. P. K. Mackey, Mrs. W. R. Martin, of Loraine, Mrs. R. H. Ratliff, Mrs. O. E. (Oscar) Rhode, Mrs. W. W. Rhode, Mrs. C. L. Root and Mrs. V. R. Trulock.

The next meeting of the club will be a dinner Oct. 10 in the Parish House of the All Saints' Episcopal Church, when the club will honor incoming president, Mrs. Lavendera.

Garden Club Hosts 'Golden Age Tea'

A "Golden Age Tea" was the highlighted last Thursday afternoon of a meeting of the Colorado City Garden Club in City Recreation Center.

Hostesses for the fete, honoring senior citizens of the golden age, were Mmes. C. S. Martin, G. D. Foster and S. A. Palmer.

The afternoon program featured a duet, a play and the refreshment hour.

Mrs. J. W. Watson and Mrs. Lloyd Richards presented a vocal duet, "You Are My Sunshine."

"Fun Without Beautiful Flowers" was the name of the play presented by garden club members. Cast for the play included Mrs. H. Jene Steakley, Mrs. Ruth Airhart, Mrs. Richards, Mrs. Watson, Mrs. L. L. Comer, Mrs. L. J. Taylor, Mrs. E. M. Owen, Mrs. Lynn Halbert, Mrs. Roy Davis Coles, Mrs. Leon Jenkins, Mrs. Floyd Shepherd, Mrs. R. B. Baker, Mrs. W. H. Fulton and Mrs. Robert L. Fehrman.

Golden flowers decorated the party room and guests registered in a white book enhanced with a gold cover.

The refreshment table was laid in lace cloth over yellow and marked with silver appointments. Russian punch and cookies were served.

Guests attending were Miss Sallie Holtom, Miss Nellie Riordan, Miss Mary Richards, Mrs. Paul Byron, Mrs. A. A. Herrington, Mrs. W. W. Rhode, Mrs. O. F. Jones, Mrs. E. H. Winn, Mrs. Myrtle Reese, Mrs. Ben Elliot, Mrs. Maberry Willbanks, Mrs. C. H. Thomas, Mrs. B. D. Smith, Mrs. Arthur Barry, Mrs. J. E. Hale, Mrs. Pearl Durham, Mrs. Green DeLaney, Mrs. Lutie Wilson, Mrs. Jerold Riordan.

Also, Mrs. Clay Smith, Mrs. P. K. Mackey, Mrs. Sue Johnson, Mrs. W. E. Burkham, Mrs. O. L. Simpson, Mrs. Weldon Moore, Mrs. Floyd Shepherd Sr., Mrs. Floyd Shepherd Jr., Mrs. Martin, Mrs. Foster and Mrs. Palmer.

$140 Enables Jaycees to Buy Lights

Junior Chamber of Commerce has received another boost in building the Little League Park.

A contribution of $140 by the League Auxiliary will enable the Jaycees to purchase 13 light reflectors needed to complete the lighting system at the new field.

Joe Salter, chairman of the park construction, said the lights have been ordered and should arrive soon.

Jaycees recently erected the steel forms for the bleachers and completed construction on the outfield fence.

Work will begin soon on installation of the seats for the bleachers, in addition to digging the dugouts and laying concrete tile blocks for the dugouts interiors.

The field is located east of Ruddick Park adjacent to the old Rodeo grounds.

IN TRAFFIC ACCIDENT

Child, 2, Injured

A two-year-old girl remained in Root Memorial Hospital Thursday with injuries received in a car-pedestrian accident as she played in front of her home.

The child is Brenda Faye Jackson, who is recovering from a broken leg and other injuries.

Police reported the child ran into the side of a car across College St. in front of the residence of her parents, Mr. and Mrs. James Johnson.

Walter Alonzo Davis, 52, of 124 S. Dallas, reported that he was driving west on College when the accident happened.

The girl had been playing under mesquite trees near the street.

However, Davis reported he did not see the child until she ran from under the trees into the side of his car.

Photo Slides Of Near East Shown Lions

Dr. Seth Cowan showed and explained pictures of Turkey for the Friday meeting of the Colorado City Lions Club in Civic House.

The slides included pictures of the cities, market places, country side, and homes of the people. They were made by Cowan during his recent tour of duty at U. S. military hospital in Turkey.

During the question and answer period Cowan said that the Turks are orienting toward the Americans for whom they have high regard. "They are learning to speak English," he said, and they speak it with an American accent," the doctor reported.

He was introduced by Dr. R. D. Bridgford, program chairman for the month. Gwan Strange announced that a firefighting demonstration will be featured next week, which is Fire Prevention Week.

The Lions will meet with the Jaycees and Kiwanis on Wednesday, Oct. 15, rather than on the regular Friday meeting date, in observance o Oil Progress Week.

Parents Have Surprise Call From Hawaii

A ham radio operator in Wheeler made it possible last week for Mr. and Mrs. Charlie Hamilton and Mrs. Alfred Richey of Loraine to talk to their son and daughter in Hawaii.

J. R. Holt, in Wheeler, called the Hamiltons and told them he had contacted Master Sgt. and Mrs. H. C. Hamilton and daughter, Charla, in Hawaii.

Sgt. Hamilton and his family left the States in January for a three year assignment overseas. He was to stay in Hawaii but has recently been notified he will go to Japan for a period. Mrs. Hamilton and Charla plan to remain in Hawaii while he is in Japan.

Sgt. Hamilton is a veteran of more than 17 years in the Marine Corp.

Wolves Try For No. 2 Against Winters Friday

Colorado High Wolves football team will try to keep their one-game winning streak intact Friday night when they journey to Winters to battle the Class AA Blizzards.

Coach Homer Jefferson's Wolves will still be minus three starters for the 8 p. m. contest.

Starting fullback Dickie Richardson was added to the injured list this week after suffering a leg injury in the Wolves' 8-6 victory over Kermit last Friday.

Still out are starting guards Bob Caffey and Mike Wheeler with broken hands. They were working out this week with the team but will probably not see action.

If Richardson isn't able to go Friday, Jefferson will call on Bill Davis, 180-pound junior who did a yoeman job against Kermit after being injured all of September.

Jefferson hasn't put the finger on his starting quarterback but it is believed it will be junior Jay Shimer. Senior Don Welter will be available to spell Shimer.

* * *

Winters has a so-so 2-2 record this year. Coach W. T. Stapler's crew lost to Crane by a lopsided score in the season opener and were dropped by strong Brady in their loss.

The Blizzards have wins over Anson and Hamlin.

In contrast, the Wolves have dropped games to San Angelo, Ballinger and Monahans with a lone win over Kermit.

Wolves' start line will outweight Winters' forward wall, but the Blizzard backfield will sport more weight and more speed than the Wolves.

Heading the Winters' attack are Jimmy Largent, 174-pound letterman halfback, and Charles Curry, 163-pound letterman captain fullback.

Competing the split-T backfield are quarterback Jerry Dunnam, 153, and halfback Charles Awalt, 164-pound halfback.

A speedy performer, Joel Butts, will use his 142-pounds to advantage against the slower Wolf team.

While the Bilzzards are loaded with talent in the backfield, they have been shy of brains and brawn in the line.

Leading the forward wall is Co-Captain Jerry Kraatz, a 152-pound watchfob guard. This firy little performer is joined at the other guard by Gaston Ernst, also 152.

At center will be either Stanley Bolden, 154, or Sam Blalock, 192.

At tackles will be Rudolph Jackson, 172-pound steady performer, and Buddy Matches, 182, or David Burton, 156.

Ends will be James Williams, 184, and Rickey Grissom, 150.

* * *

Winters calls on Paul Tharp, a hefty 181-pounder, to play in the line on defense.

Leading the Wolves' offense, which has clicked for only two touchdowns in four games, will be Freddie Womack, speedy 140-pound senior halfback. Merket led the drive that whipped Kermit last week.

At the other half will be Lucky Merket, who has had difficulty in getting started this season.

At fullback will be either Davis or sophomore Jerry McKay, 140-pounder who is being used at both fullback and quarterback.

Mike Schoolcraft and James Shoemaker will hold the end positions they've held for the entire season, as will Kenny Simmons and Raymond Weaver at the tackles.

Jefferson will call on Red Lemons, 168, and Jim Smith, 160, to handle the guard positions in the absence of Caffey and Wheeler.

Only bright spot in the Wolves' statistics this year has been the punting with Richardson doing most of the booting chores.

With Richardson out, Merket will probably kick.

Trio of Wolf Centers

Wolves are using three performers at center this season. Left is Rumaldo Lujan, 180-pound junior, who has played majority of the season. Center is Joe Weaver, 180-pound sophomore and right, Rusty Whitaker, 165-pound sophomore from Silver. All three will be around next sea son.

28 Gridmen Pace Squad For Seventh

Colorado Junior High seventh garde football team took its first win of the season Thursday night at Winters, 12-8.

The seventh, coached by Jerry Reynolds, lost the season opener 20-0 to Snyder.

Following the Winters game, they will play Lamesa here on Oct. 9; Lake View there on Oct. 16; Snyder here on Oct. 23; Lamesa there on Nov. 6 and Lake View here on Nov. 13.

Leading Coach Reynolds team are Bill McGuire at center in the line and Billy Boren and Ronald Morris in the backfield.

The complete squad follows:

Ends — Perry Chastain, David Earl Taylor, O.D. Treadaway, Jimmy Mahon and Herman Ornelas.

Tackles — David Taylor, Leon Sweat, Gene Normand, Earl Robinett, Melvin Morgan and Robert Martin.

Guards — Jerry Hardegree, Ronnie Rothwell and Ronnie Lightfoot.

Centers — McGuire, Tommy Melton, Wayland Moore.

Quarterbacks — Denzil Pendergrass, Larry Blassingame and Jerry Davis.

Halfbacks and fullbacks — Joe Anderson, J. K. Connell, Dale Walker, Joe Ornelas, Buster Jernigan, Boren, Melvin Gale and Morris.

Managers are Winston Smith, Bill McDonald and Milton Kidd.

Johnson Home Scene for Club Meet

LORAINE — Game Club met Tuesday night with Dr. and Mrs. Bruce Johnson as hosts in their home.

Two tables of "42" were enjoyed by Mr. and Mrs. Floyd Coffee, Mr. and Mrs. K. L. Taylor, Mr. and Mrs. Clyde Smith, Mrs. Doris Martin and Mrs. Vanda Martin.

Ausgood pie topped with whipped cream, coffee and chocolate were served to those present.

* * *

Mrs Eugene Campbell of Fort Worth visited Mrs. J. G. Bruce last week.

* * *

Mr. and Mrs. J. A. Pickens of Looney Community returned home Saturday following a visit in Waco with their son and family, Mr. and Mrs. Sefton Pickens.

In Loraine Sunday to attend the funeral of D. Finch were Mr. and Mrs. Ben Wiggins, Mr. and Mrs. AudaVee Graham and children and Mr. and Mrs. Baylus Brown, from Ackerly.

A guest in the home of Mr. and Mrs. Bert Trammell in Sweetwater is Mrs. Hunter Looney.

Gridders Name Training Council

Colorado Junior High eighth grade team has started something new in football here.

The team, under Coach Don Wiggins, elected an athletic training council that will check on the other team members as to conditioning and training rules.

The seven players named by the boys are Don Free, Dickie Summers, David Lewis, Charles Houston, Lee Schafer, Joe Dean and Don Hairston.

The team also elected four boys as co-captains for its Thursday game here. They are Houston, Summers, Schafer and Benny Barkley.

BAYLOR-TECH TICKETS THIS WEEK

Iowa Man, County Agent Tie For First in Grid Guessing

Alton Sparks of Ames, Iowa and Jack Burkhalter, County Agent, tied for first place in last week's Record football contest.

Each picked 10 of 12 games correctly and each missed the key score only six points.

Since Sparks, who is teaching and studying at Iowa U., will be unable to use the four reserve seat tickets to the Wolves-Winters game, he was awarded the second prize of a one year subscription to the Record.

Burkhalter, who will receive the tickets, missed the Lake View upset of Ballinger and Levelland's win over Snyder and picked a key score of C-City 12, Kermit 8.

Sparks, an ex-Colorado Citian who evidently follows Texas football pretty close, missed Lamesa's win over Brownfield and Texas A&M's victory over Missouri, plus picking a key score of 13-7.

The only other person to pick 10 of 12 games was Frank Haprer of Colorado City, who wins two movie passes for third place.

Ony two persons picked 9 of 12 tilts in the week of upsets. They were Steve Smith and Jess Bolin Sr. with Smith winning fourth place on the exact key score of 8-6 for two movie passes.

First prize this week is a big one. It's two reserve seat tickets to the Texas Tech vs. Baylor game Oct. 18, 2 p. m. in Lubbock. This should be an evenly-matched contest.

Winning honorable mention in last week's contest with eight correct picks were J. V. Bolin Jr., Mrs. R. A. Moore Jr., Jerry Lady, Troy Gregory, Jeral Beard, Bob Reily, Mrs. J. H. Forrester, William E. Stone.

Mrs. John Russell, Earl D. Taylor, Carl Echols Jr., Allen V. Sheppard, Mrs. Pat Shields, Mrs. Al Byrd, Virgle Hendley and Bobby McNeese.

Key score game this week is Colorado vs. Winters. Top hig school game is Breckenridge at Snyder.

College games that might go either way are Hardin-Simmons at Arizona State, Rice at Arkansas, Texas Tech at T. C. U. and Texas U. vs. Oklahoma U. in Dallas.

Entries should be mailed prior to 8 p. m. Friday or left at the Record office by 5 p.m. Friday.

Guests in the home of Mr. and Mrs. J. F. Walker and Mr. and Mrs. Harold Martin were their daughter and son, Mr. and Mrs. Merrill Martin and children, of Midland.

Bears, 49ers Vie Sunday

Both the San Francisco 49-ers and the Chicago Bears will be looking for comeback victories in Sunday's CBS nationally televised professional football game.

The Bears suffered their first defeat of the season at the hands of an upstart Baltimore Colts club, 51 to 38, while the Los Angeles Rams were humilating the 49ers 33 to 3.

If the 49ers' veteran Y. A. Title is in top form, it could be the second upset in as many weeks for the Bears, who will probably alternate between Zeke Bratkowski and Ed Brown at the quarterback.

Southwesterners who will probably see action are Dickie Moegle of Rice and numerous rookies, including Charlie Kruger, A & M, Arkansas' Don Christian, and Willard Deuveall, SMU's star end.

About one-tenth of the land area of Boston is reclaimed swampland.

Eyes, Ears, Conscience of Community

National Newspaper Week is just passing on this year's calendar. And with it goes a time the American press, as a whole, joins together in a concentrated effort to explain the functions of a newspaper.

Just briefly, this role of the American press is to inform, interpret, to entertain. Its foundation is the First Amendment's guarantee of freedom of the press.

The American people possess many other freedoms, as set out in our Constitution, and a priceless one springing from them is the right to know and to be informed. Here the newspaper performs its greatest service. It is the eyes, ears and conscience of a community. It jealously guards the many rights of people while giving them the facts and information necessary to be good citizens. For only when we know the truth can we support what is good or condemn what is bad.

Wars have been fought to gain and preserve our independence. So, too, is battle waged by the newspapers of our country to defend and guard the freedoms and right of a free people. This is a never-ending fight, quiet at times, at other times loud—but always on behalf of the American people.

A newspaper informs its readers of what is going on within the community and the world. It deals with such diverse events as the fall of a foreign government or an accident at a country crossroads. It could be that the accident is of more interest to the average reader, but what is happening in our government affects us all. A good editor realizes this and balances the significant with the interesting.

A newspaper is a service organization whose prime responsibility is always to the reader. It performs a service when corruption in government is exposed. It performs just as important a job when the reader is informed of an outstanding accomplishment of a public official. It gives its subscribers an opportunity to voice their thoughts in its letter columns and provides accurate information upon which to form opinions.

Public opinion is reflected in the people's choice of elected leaders. To keep this country strong and free our leaders must be honest and wise. Therefore, sound thinking and a good foundation of knowledge are vital necessities to good government.

American newspapers are a strong link in the chain of defense of our way of life. The pages of a newspaper reflect the history of our times, the good along with the bad; and what thoughtful person could fail to choose our way of life after comparing news from behind the Iron Curtain with that of the free World?

Newspapers are a vital part of the American economy, purchasing many millions of dollars of materials each year and offering, through advertising, opportunities for businessmen to increase their revenue and for buyers to use their money to the best advantage.

Insurance for the future of America comes in the form of building character and integrity in our youth. Youngsters who deliver your newspaper are learning responsibility, dependability and the importance of service to one's community.

PHILOSOPHER SAYS

Ooops! Russians Like Money, Too

Editor's note: The Shinnery Flats Philosopher on his Johnson-grass farm on Bone Hollow Creek believes he has found out something new about Russia, his letter this week indicates.

* * *

Dear editor:

When it comes to Russia I don't know anymore about it than the foreign policy experts in Washington, but I was reading an article in a newspaper last night that has me stumped.

According to it, the Communist bosses in Russia have discovered that they get more production from individual workers when they give them a pay boost for extra work or for taking on more responsibilities.

"It is now maintained here that more and more problems can be settled with offers of cash rewards," Premier Krushchev announced.

This bowled me over, or would have if I hadn't been stretched out on a couch when I read it.

You mean to tell me that the Russian people are after all human? You mean to say they like money the same as us capitalistic Americans?

Up to now, I had been led to believe that the Russians worked strictly for the satisfaction of seeing a five-year plan completed, and as soon as they got one finished they were miserable until their bosses announced another one.

As I understood it, a Russian wasn't interested in getting his hands on any money of his own, all he wanted was a place to work, a picture of his dictator hanging on the shop wall, and a pallet to sleep on at night, where he could dream happily about how much bigger their satellite was than ours.

But if the Communists are finding out money talks in Russia like it does around here, this opens up a brand new field of speculation. You start letting people have money, and the first thing you know the women will be going to beauty shops and swapping gossip, families will be demanding bath tubs and hot water, boys will start playing football, girls will start getting style-conscious, men will start buying fishing tackle, and before long somebody will turn up in the neighborhood with an automobile and then the dam has busted.

If the Communists ever let the people get a taste of money and the advantages of getting ahead, the game is up. Scientific production is fine, but living is more fun.

And to tell you the truth, despite how hard the Russian farmers worked the state land, I've always suspected most Russian farmers would swap all the satellites Russia will ever launch for one piece of land they could call their own.

Yours faithfully,
JA

TEXAS AGRICULTURE

Sorghums Triggers Storage Increase

By JOHN C. WHITE
Agriculture Commissioner

The five-year boom in Texas grain sorghum production is reflected in new grain warehouse licenses and the upsurge in construction of additional grain storage facilities over the state.

A total of 961 warehouses have been licensed by the Texas Department of Agriculture in the first months of the current licensing year which began June 1.

This compares with only 589 licenses issued during the entire 1957-58 period and 200 licenses for the first year the Texas Grain Warehouse Law became effective in 1953.

* * *

STORAGE SPACE has always been scarce during harvest, resulting in millions of bushels of grain being poured on the ground at a great risk to owners. Licensed Texas warehouses to date have a capacity of 322,460,671 bushels and more space is needed for the coming season.

Preliminary estimates show a harvest of 427,906,400 bushels of grain this year, most of which will require storage for varying periods of time. To meet this demand, the number of licensed warehouses in the state will likely increase to about 775 before the year's end, upping our storage space to over 400 million bushels.

The big boom for grain sorghum crops was partly triggered by cotton acreage restrictions which drove farmers to find new ways to utilize their soil. In addition the high cost of cotton production has caused many farmers to switch to the less expensive and troublesome grains.

* * *

PROSPECTS FOR a continued increase in grain production in coming years have caused more than 300 Texas warehousemen to double their storage capacity in the past 12 months.

The Texas Grain Warehouse Law, which requires in part that warehouses be licensed by the Texas Department of Agriculture and be bonded to protect farmers against theft and other losses, was enacted following national scandals surrounding misappropriation of stored grain.

BIBLE COMMENT

Uplifting of All Was Jesus' Way

Many persons express surprise that a man of the cloth will always accompany a condemned man to his death, or that missionaries spend their lives working to uplift, educate and convert savages and derelicts to a finer way of life.

The question, "Are these people worth it?" is answered clearly in the Bible.

* * *

WE HAVE record that Christ was entertained in the home of Levi, where many publicans and sinners sat down to eat with Him. The narrow-minded Pharisees complained, "The man receiveth sinners and eateth with them."

The incident was an epochal contradiction to the shopworn adage, "A man is known by the company he keeps.

* * *

THE DEDICATED missionaries and others who administer to the backward, the condemned, the insane and the vagrant are doing more than meeting those unfortunates on their own level — they are seeking to emulate the efforts of Christ.

Those that they administer to must not be judged simply by their outward appearances. How many of the lost and backward have been uplifted to responsible places in civilized society may never be known.

But the inroads that the workers of Jesus make daily into ignorance, despair and misfortune must eventually contribute to a reshaped world — a finer society inspired by Christian Love.

Strictly Fresh

Those who tell you how wonderful things were "yesterday" haven't broken the ice on the water in the wash basin in many a year.

WATER SAFETY LAW DUE

State Supreme Court Back to Work on Important Decisions

State Capital NEWS

Into and out of the State Supreme Court flow many of the most controversial issues of the day. Public officials, large corporations and important persons often are involved in the cases, and the lives of many less-celebrated persons frequently are affected by the decisions.

After a two-months summer recess the high court reconvened this month and waded into a stack of disputes. Among interesting cases either decided or due to be decided are these:

* * *

WATER RIGHTS are involved in a case filed by Southern Canal Co. of Houston against the State Water Board. Southern Canal wanted a permit to take 280,110 acre feet of water per year from the Trinity River for industrial use in the Houston area. Water Board refused the request, and the company appealed to the courts.

Upstream cities such as Dallas and Fort Worth had opposed the Houston company's request when it was before the Board. Oral arguments were centered on whether the courts have the right to review Water Board decisions. Supreme Court's ruling will have implications for every person interested in the course of Texas' water development.

* * *

KEEPING ROOMERS and setting up a church in a residential area were the cause of contention in two cases from Houston. In both cases certain property owners in university neighborhoods argued that other property owners were violating deed restrictions.

Lower courts ruled in favor of the room renters and church builders. Supreme Court agreed to review the roomers' case and denied a motion to force the lower court judge to move the student religious center.

* * *

OFFICE-SEEKERS had their inning in the usual contests arising out of the year's elections. George Parr, a familiar figure in the courts, won the right to a new trial in his effort to be certified winner in a 1956 election for Duval County sheriff.

Laredo Attorney William Wright lost out in an attempt to force Sec'y of State Zollie Steakley to place his name on the general election ballot as a Constitution Party candidae for district judge. Steakley had refused on grounds Wright voted in the Democratic primary.

Myron Love, choice of Houston liberals, won out in a dispute over the legality of his selection as Democratic nominee for district judge. Harris County Executive Committee had ruled that no candidate filed in time for this office, and Love was nominated by the one-man District Executive Committee. Conservative forces had contested this method.

* * *

DAMAGE SUITS, labor-management controversy also commanded judicial attention. A gas explosion in the basement of Dallas' Baker Hotel, back in 1946, is the basis for one suit in which 83 petitioners ask some $1,000,000 for deaths and injuries. High court sent it back to district court for new trial.

In Houston 311 workers of the AFL-CIO Office Employes Union picketed a construction project to protest the firing of one man. A lower court granted an injunction against the picketers, and the Supreme Court refused to interfere.

* * *

BETTER TRAVELING—Holding promise of better traveling days ahead is the 1961-62 interstate advance planning program announced by the State Highway Commission.

Commission authorized the preliminary engineering studies for 285 miles of new interstate highways, consisting of 45 projects in 22 counties. Included in the advance planning will be completion of the gaps in the interstate highways between Dallas and Houston, Dallas and Texarkana and from Denton to Fort Worth to Hillsboro.

Cost of the program is foreseen at $36,500,000 for land purchases and $166,500,000 for construction.

* * *

WATER SAFETY LAW—Some 280,000 Texas boat owners will have to obtain licenses for their craft if a proposed Uniform Water Safety Act is enacted by the 1959 Legislature.

Representatives of sportsmen's organizations, trade associations and safety groups drafted the measure. It is to be introduced by Rep. Ben Atwell of Dallas.

State Highway Department would have responsibility for registering boats. Enforcement of safety regulations would be the job of the state's various peace officers and game wardens.

Zoning—the restriction of skiing, racing, fishing, etc., to various areas—was omitted from the bill.

* * *

REPUBLICANS JOCKEY Texas Republicans got no help from Secretary of State Steakley in their efforts to break into the first column on the general election ballot.

In the past the Secretary of State's Office has sent out the list of certified nominees, to counties, with the Democrats listed in the first column. GOP protested, demanded a drawing for position.

Steakley said he was not authorized to set up such a procedure. His office mailed out ballot forms this year, without comment. Democrats were in the first column on the forms.

* * *

SHORT SNORTS—An Austin district court ordered forfeiture of the charter of Walker-Texas Investment Corporation which had refused to allow the Attorney General's staff to inspect its records. Walker-Texas operates five loan firms in Houston. . . . Fall pickup in Texas business activity may gather momentum, develop into a "decisive break-through," says the University of Texas Bureau of Business Research. Optimists see complete recovery from the recession by the end of 1959; pessimists, later in 1960. . . .

LOCAL BUSINESS

Promotion Gives Public Service

By JOE ED BOATRIGHT
Record Advertising Mgr.

"Good advertising is an invitation to progress . . ."

This concept of the relationship between advertising and human progress was recently put forth by a university professor.

His theory holds that the desire for betterment is an inborn trait of humanity. People are naturally impelled to a constant search for improvement. In other words, the need for progress is as natural as the need to satisfy hunger.

* * *

THE DIRECTION of the instinct to improve may vary with individuals, according to background and accumulated knowledge. There may be a difference in emphasis according to sex. Men tend to see improvement in terms of order and physical things, while women are more likely to emphasize spiritual and esthetic progress.

The woman, then, who trades in a working refrigerator to buy a new and more beautiful machine, is not the victim of advertising black magic. Nor is she necessarily envious of her neighbor.

Basically, the purchase satisfies a natural urge to make her surroundings more attractive. And her husband who suppors the purchase does so because he sees progress in the increased efficiency and economy of the new product.

* * *

THIS THEORY provides a good basis upon which any advertising may be grounded—that is, an invitation to progress through the use of goods and services, which make life more comfortable and more spiritual satisfying.

The merchant who is conservices are capable of enriching the lives of potential consumers, is performing a public service when he advertises. For advertising is the menu which tells the individaul how he may satisfy fident that his goods and his hunger for progress.

LOLLIPOPS, BALLOONS TOO

Free Nylons at Station Opening Here Saturday

Formal opening — with free gifts for women and children — is scheduled Saturday for Ray Noble 66 Service, the city's newest business in the expanding Walnut St. shopping area.

The public observance is scheduled from 7 a. m. to 10 p. m., according to Noble, who is returning to the service station business after an absence of three years.

Located at 529 Walnut, the intersection of Walnut and W. Sixth St., the station features Phillips 66 motor fuels and service.

Marking the formal opening will be free lollipops and balloons plus free nylon hose for adults. The hose — 15 gauge 51 denier — will be given free with each tank fill-up of gasoline.

The newly completed station, which opened for business Wednesday, is located on a spacious quarter-block area.

Station building incorporates more than 1,350 feet has broad driveway entrances on both Walnut and W. Sixth. Two triple - width driveways approach from Walnut and one triple-width drive enters from W. Sixth.

The building is strikingly modern with combined use of cut stone. concrete block and inverted window walls. Decor is in the bright color scheme of Phillip 66 with easy-eye green interior.

Four gasoline pumps serve the driveway. Lubrication and washing compartments are enclosed on the building's south side.

Restrooms are on the north side, accessable by covered walk. Interiors of the restrooms feature green tiled walls and masonic tile floor. A built-in dressing table complete with basin and full-view mirror features the women's area.

Noble said the station will operate daytime and evenings with full Phillips 66 service — from motor fuels to automobile accessories.

Gasolines will be Flite Feul and Phillips 66. Featured motor oils will be Phillips 66's Trop Artic, Premium and Unique.

Phil Check lubrication—administered to cars and trucks with the latest overhead lubricating system — will be a feature of the wash and lubrication department.

Phillips 66 and Lee tires, plus the finest accessories, will be in stock.

All new equipment has been installed at the new station. This includes a "Tireman", tire repair device for better care of safety model tires and wheels.

IN STATION BUSINESS

Experience Makes Noble Trademark

Ray Noble brings nine years of top service station experience to his customers at the new Ray Noble 66 Service, corner Walnut and W. Sixth.

For seven years he operated the Ray Noble Humble Service Station on E. Second St.

And for approximately 18 months he was wholesale agent here for Col-Tex Refining Company, operating a Col-Tex station on W. Second.

Now, after three years of operating the Ray Noble Drilling Company, he is returning to the service station business in the city's newest business location.

Noble, who formerly was Jaycee president here with the additional honor as the community's most outstanding young man, will have a staff of three to assist him with the station operation.

Lewis Hill and Ned Nickson Jr. are attendants at the station. Tommie Davidson has the washing and lubrication assignment.

Noble is a member of First Presbyterian Church, where he has been a member of the board and prominent in lay activities.

He is a member of Chamber of Commerce, Masonic Lodge, Colorado Country Club and former Jaycee and Lion.

Caddell Sees Preview of New Boats

M. N. Caddell, Colorado City marine dealer, was among selected members of the trade who recently previewed a "new look" in boating at Grapevine Lake near Dallas.

On display for special guests from throughout the nation were Lone Star Boat Company's 40 new aluminum and fiberglass boats and seven new boat trailers of the 1959 Carefreedom line.

According to Caddell, the general public will get its first glimpse of these "Carefreedom" outboards and trailers Jan. 16 through 25 at the National Motor Boat Show in New York and February 6 through 15 at the Chicago National Boat Show.

The "new look," Caddell said, was a composite of tritone color stylings, sleek, classic lines in aluminum, and imaginatively fresh contouring in fiberglass.

Visiting in the home of Mr. and Mrs. Glen Coon this week were Mr. and Mrs. Gary Freeman and daughter, Vicki, of Groton, Conn.

Mr. and Mrs Vernon Spence and children of Abilene visited last week end with Mrs. Spence's parents, Mr. and Mrs. Clyde Smith.

WMU Installs Officers at Westbrook

WESTBROOK — Mrs. Willie Byrd was installed as president of the women's Missionary Union of First Baptist Church last Wednesday morning at the church.

Mrs. Roy Womble, associational president from Snyder, installed the new officers.

Officers installed to serve with Mrs. Byrd were Mrs. W. A. Bell, vice-president; Mrs. Betty Oglesby, recording secretary; Mrs. Ira Hamrick, treasurer.

Installed to chairman committees for the coming year were — Mrs. Altis Clemmer, mission; Mrs. A. G. Anderson, community missions; Mrs. Burl Taylor, prayer; Mrs. L. Hazlewood, stewardship; Mrs. Charley Parrish, program; Mrs. Charles Gressett, Bible study; Mrs. P. E. Clawson, social.

Opening prayer was spoken by Mrs. Byrd.

During the brief business session yearbooks for the new year were given to members.

Mrs. Clemmer said the closing prayer.

FOR NEW '59 LINE

Chevrolet Trucks Show Fuel Saving

Substantial fuel savings in the light-duty range, larger brakes on the half-ton series, a new optional power train for 14 heavy-duty models, and durability improvements from engines through axles are top developments in the expanded Chevrolet truck line for 1959.

Models of the new truck line are now on display at Jay Adams Chevrolet.

The model lineup is increased to 139 — three more than last year — one 22 different wheelbases. Gross vehicle weight ratings range from 4,000 to 36,000 pounds, with the sedan delivery increased to 49,000 pounds from 4,100.

The 1959 line includes 96 conventional, 22 low-cab-forward, 8 forward-control, 6 tandem-axle, and 5 school bus chassis models in addition to the sedan delivery and a new luxury pickup to be announced later.

Generally, the massive, functional styling of 1958 is retained, with a new two-tone pattern for Fleetside pickups. Cab interiors are restyled with a wider choice of brighter trim available.

Light-duty feature for 1959 is a six-cylinder engine of improved design which has shown substantially better gas mileage in on-the-job tests. Fuel savings, plus an increase in torque at low and medium speeds, comes from a camshaft design that reduces loss of fresh fuel mixture during the combustion cycle.

On the half-ton models even further fuel economy is attained from a special carburetor-rear axle combination, optional with the economy six.

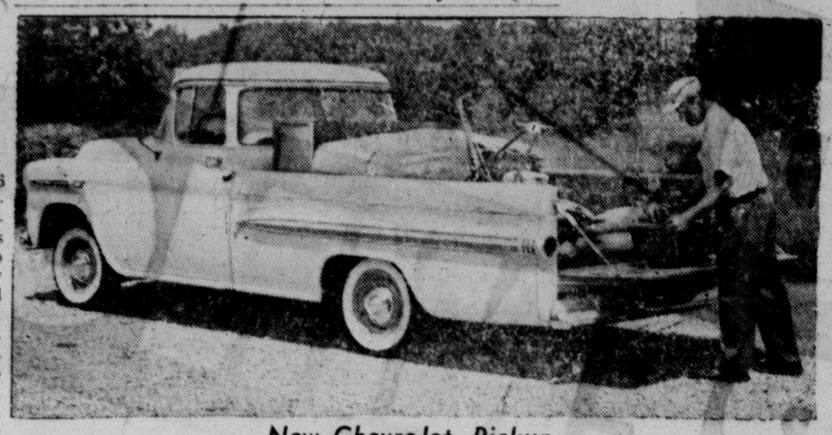

Rear brake shoes and linings are widened on 1959 half-ton units to provide 167½ square inches of braking surface — an increase of 10½ square inches. The new brake design also assures better cooling.

More load space is furnished on 3/4-ton stake models with a longer rack body which measures 98 inches on the inside or seven inches more than last year.

The new optional power train for 14 of the 70 and 80 Series 2½-ton trucks results in up to 12 greater pulling power and greater efficiency in up to 12 per cent greater pulling power and greater efficiency in a wide range of hauling operations. Teamed together are a 185-horsepower 348 cubic inch V8, heavier clutch, a close ratio five-speed or Powermatic transmission, and a 16,000-pound single or a 30,000-pound tandem rear suspension.

Added to Chevrolet optional offerings this year is a manual five-speed close ration transmission. Its closely stepped shift pattern gives top performance in highway hauling.

Including the economical six, Chevrolet truck power plants for 1959 total nine — three sixes and six V8s. In addition to the two new close-ratio five-speed units, there are seven other manual and automatic transmissions.

New Chevrolet Pickup

Better fuel economy, new two-toning and larger brakes are among improvements in the 1959 Chevrolet Fleetside pickup, one of the 139 truck models in the company's new line for 1959. New truck models are now on display at Jay Adams Chevrolet.

'Adam & Eve' Filmed in The Flesh

Filmed in the flesh and glorious Eastmas Color, "Adam and Eve," which opens Thursday at the Lone Wolf Drive In Theater, explodes on the motion picture screen in the first true and natural portrayal of man's creation.

Never before has the screen attempted to reveal the creation of man and woman, yet Producer-Director Albert Gout vividly portrays the Creation in his full-length color production.

You will experience with Adam the first awareness of Eve as a woman.

Artistically treated with love and intelligence, "Adam and Eve" visualizes the Creation of the world and its two first human beings. It dares to tell the story of their first living moments and what happens when they eat the forbidden fruit.

Christiane Martel, Miss Universe and Miss France of 1953, one of the world's most beautiful women, portrays the difficult role of Eve with a remarkable insight into a woman's passion, desire, and her need for fulfillment.

Starring as Adam is Carlos Baena, who gives an inspired portrayal of the first man and his growing awareness of the delights of nature and Eve.

"Adam and Eve" is an unusually frank and authentic portrayal of Creation as Producer-Director Gout captures the controversial subject on film without losing any of the beauty, naturalness or authenticity of the story.

Pontiac's New Style Look

The Catalina Vista is a progressive chan ge from Pontiac in 1959 with its contoured Vista-Panoramic windshield, wrap-around rear window and simplicity styling with twin "air scoop" grille housing dual headlamps and low, cleanly styled body, topped by slim-line roof.

AT HUNTER-MERKET

New, Larger Pontiac In Debut Here Friday

Pontiac's 1959 models—described its designers builders as the most progressive change in Pontiac's 51 - year history — debut here Friday at Hunter - Merket Motors, 901 E. First.

An all new body, a tread nearly five inches wider to increase handling ease and safety, a new high performance 389 cubic inch Tempest 420 V-8 engine, new and heavier true-contour brakes and a completely redesigned chassis frame are among the 65 brand new features.

All these new features can be viewed by the public during the premier Pontiac showing Friday and Saturday at Hunter-Merket, local dealers for Pontiac and Buick.

Front to rear, inside and out, the 1959 Pontiac presents a pleasing picture of artistry in modern design, with flat surfaces and intrigung angles of simplicity and beauty. The low, cleany styled body, topped by a slim-line roof, gives up to 37 per cent greater glass area.

Exemplifying departure from conventional design is Pontiac's twin "air scoop" grille, housing dual headlamps and capped by a low hood with a contoured "V" extending rearward from the grille and terminating at the cowl. Each features a long, sweeping side moulding that extends the full length of the car to end in a down swept curve behind the rear wheel opening.

Of outstanding significance among the many innovations engineered into Pontiac for 1959 is the wider tread, an exclusive feature with Pontiac this year. Wheel tread, the distance between right and left wheels, has been increased nearly five inches. In addition to creating a low, wide sihouette, the wider tread improves stability, riding comfort and road hugging ability.

With operation economy becoming increasingly important Pontiac now offers a new Tempest 420 - E V - 8 engine with 2.87:1 axle ratio for greater gas mileage. The customer who desires Pontiac V-8 performance with more economy can order any Hydra - Matic equipped Pontiac with this economical engine as a no additional cost option.

Pontiac offers 14 models in three series; four Bonnevilles, three Star Chiefs and seven in the New Catalina series. Brilliant and durable Magic-Mirror acrylic lacquer paint finishes, introduced by Pontiac as standard on some models in 1956, will be standard on all models.

Anise seeds, taken from a plant native to the Mediterranean area, are used extensively for seasonings and medicines.

Don't be a statistic!

According to highway safety authorities, most serious automobile accidents happen at night. Poor visibility is an important cause.

Now that the days are getting shorter, it's a good idea to make sure that your car's headlights are properly focused and bright enough, and that your taillights and turn indicators are functioning properly. Your Phillips 66 Dealer will be glad to help you keep the lighting equipment on your car in top condition. Also, he has the fuses and sealed-beam units to fit your car.

If you possibly can, try to arrange your trips so that night-driving is kept to a minimum. When driving is unavoidable, take it easy, and the *first time* your eyelids get heavy, pull over to the side and get some rest. The life you save may be your own!

Who in the world built this beauty...

the only car with wide-track wheels?

EXCLUSIVELY YOURS—*WIDE-TRACK* WHEELS

Wheels moved out 5 inches for the widest, steadiest stance in America—better cooling for engine and brakes—lower center of gravity for better grip on the road, safer cornering, smoother ride, easier handling. *You get the most beautiful roadability you've ever known—in America's Number (1) Road Car!*

PONTIAC! America's Number (1) Road Car!

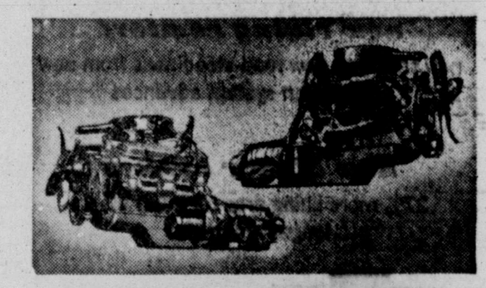

Those exclusive Wide-Track Wheels sparked a chain reaction of wonderful new ideas: You can see the trim, tailored new look . . . it's inches lower without sacrificing roominess or road clearance. The first time you drive it, you'll discover this beauty handles city corners and clings to country curves in a way the conventional narrow-gauge cars can't hope to imitate. And the ride . . . the miraculous freedom from sway, dive and bounce . . . this is an experience in buoyant travel that you won't believe—until you try it.

But there's still more to the new Pontiac to stamp it as the big change for '59:

Vista-lounge interiors with full 360-degree visibility . . . seats actually wider than a sofa . . . Air-Cooled True-Contour Brakes for smooth, effortless control, stop after stop after stop.

The industry's most advanced V-8, Pontiac's Tempest 420, gives you spectacular new responsiveness. *And there's a new companion power plant, the Tempest 420E, that delivers phenomenal extra mileage—and does it on regular octane gas!*

Come see why no other car can possibly be so new as the new Pontiac—three series: magnificent Bonneville, dramatic Star Chief and brilliant new Catalina.

2 Great New Engines

If you love action—you get the liveliest on wheels with the new *Tempest* 420 V-8, acclaimed by automotive experts as America's most advanced power plant.

If you want the accent on economy, choose Pontiac's new Tempest 420E. This new V-8 actually delivers better mileage than many smaller cars with so-called "economy engines" . . . and it uses *regular octane fuel.*

New Minister Assigned to Chapel Church

Rev. Robert C. D. Tieuel Jr., formerly of Albany, has been assigned to pastorate of the local Payne Methodist Chapel Church.

The minister is beginning his fifth week here as pastor since his assignment by Northwest Texas Conference.

Tieuel, who has been a minister for 18 years, is a native of Oklahoma. However he is a graduate of Texas College in Tyler with graduate study at Boston Theological Seminary.

Prior to his assignment with the local church, he was minister in Albany for two years. His other 16 years of ministry has been in West Texas and New Mexico cities.

Tieuel is secretary of his Northwest Texas Conference and editor of the conference's Christian Call, a magazine for youth.

His wife is a teacher in Hobbs, N. M., public school system and will remain in Hobbs through the school year.

Last week a revival at Payne Methodist Chapel Church was concluded under the leadership of Rev. J. W. Tieuel.

Pate Earns Honors in Navy ROTC

The grandson of Mr. and Mrs. Pat Bullock was one of the top midshipmen among 26 Naval ROTC units in summer training from colleges and universities across the nation.

He is University of Texas Midshipman Hugh P. Pate of Austin, son of Mr. and Mrs. R. B. Pate of Nuremburg, Germany.

Pate is residing with his grandparents, Mr. and Mrs. Bullock, at 5004 Crestway Dr. in Austin while attending the university.

The midshipman was selected regimental commander for the combined Naval ROTC units from 26 schools in training during the past summer at the Navy Amphibious Training Base, Va.

He and other University of Texas midshipmen were No. 1 in aptitude when judged with the 26 college and university units.

His grandfather, Pat Bullock, is a member of Board of Pardons and Paroles. The former state senator and Mrs. Bullock moved to Austin a year ago after long residency in Colorado City.

Bob Price Completes Training Program

Army Pvt. Robert S. Price, whose wife, Beth, lives at 405 W. Hamby, Midland, recently completed eight weeks of advanced armor training under the Reserve Forces Act program at Fort Knox, Ky.

Price entered the Army last May and received basic training at Fort Chaffee, Ark.

The 22-year-old soldier is a 1953 graduate of Loraine High School and attended McMurry College. He is the son of Mr. and Mrs. James E. Price, Route 1, Loraine.

Early Check Urged For Cars, Trucks

Mitchell County residents are urged to begin now with annual inspection of their motor vehicles.

The new inspection period for motor vehicles began last month. And it includes four millions owners across the state, according to Texas Department of Public Safety.

Inspections stations here in Colorado City have started the new inspection period that runs through April 15, 1959.

The local stations are part of more than 4,300 stations in the state which have been authorized to check automobiles and trucks.

Colonel Homer Garrison Jr., director of Texas Department of Public Safety, suggested that citizens have their trucks and automobiles inspected at the beginning of the period.

This, he emphasized, will save motorists considerable time and inconvenience annually accompanying long waiting lines at the inspection deadline.
