

Mrs. James Baggett Named President Of TS&GRA Auxiliary

Ozonan Elevated From V-President; Mrs. Friend Secretary

Fort Worth — Mrs. James Baggett of Ozona was elected president of the Ladies Auxiliary of the Texas Sheep & Goat Raisers Association at the annual meeting here Monday.

Mrs. Baggett, who had been first vice president, succeeds Mrs. Laura McMullan of Dallas, formerly of Big Lake, who resigned.

Other officers elected are Mrs. Alvie Cole of Sterling City, first vice president, and Mrs. R. L. Elbern of Gatesville, second vice president. Re-elected were Mrs. W. E. Friend of Ozona, secretary; Mrs. Joe Dobson of Talpa, treasurer; Mrs. Gail Dudley of Comanche, historian, and Mrs. Aubrey Delong of Mertzon, parliamentarian.

Mrs. Baggett is to select budget and other committees next month. The auxiliary exceeded its goal of \$1,000 for wool promotion work by about \$100, this goal having been set at the September meeting held in Abilene.

The auxiliary is to provide a committee that will arrange for the appearances of Miss Mohair for the year beginning August 1962.

This is a departure from previous practice since a change in timing in the Miss Mohair program is being undertaken.

The auxiliary closed its annual meeting at a luncheon at the Shady Oaks Country Club at noon Tuesday.

Ozona Girls Edged From Eldorado Meet By Two-Point Margin

By Ernie Boyd

Coach Roger Gotcher's Ozona High School girls basketball team bowed out of the Eldorado Invitational tourney Saturday when they dropped a 51 to 49 decision to the Mertzon girls on two free throws after the game was over.

The loss was the second of the year and the second to Mertzon and followed a Friday win over the Wall girls in a hard fought 47 to 43 game.

Beverly Alford and Jane Lara led the Ozona attack in both contests while Ozonas guards played particularly well in the Wall contest.

Monday night the Ozona girls traveled to Sterling City and after building up a good first quarter lead and seeing several of its first line players foul out, rallied sharply and crushed the Sterling City girls 51 to 34.

Jane Lara, one of the few first liners not to foul out, sparked the Ozona attack with 21 points and got good support from Pauline Maness and Jane Gilliam, who got her first chance to play.

In the B game, the Sterling City B team edged the Ozona team 37 to 36 as Jane Gilliam hit 24 free throws and five field goals for a total of 34 points.

Miss Gilliam hit 24 of 30 free throws in the contest, a rather remarkable shooting performance for anyone playing for Ozona, since Ozona players have long been noted for their inability to hit from the free throw line.

Postoffice To Be Open All Day Saturdays To Move Christmas Mail

Postmaster Floyd Hokit this week expressed gratitude at the response to his request for early mailing of Christmas cards and packages.

The postmaster announced that the office will remain open on Saturdays from 8 to 5 the next two Saturdays before Christmas, Dec. 16 and Dec. 23, the latter date if needed.

CHRISTMAS PONIES — Several Shetland Ponies reasonable prices. L. D. Kirby 2tc-38

Lions Suffer Let-Down After Big Lake Tourney Lose To Del Rio 40-34

By Ernie Boyd

The Ozona Lions, suffering a let down after the Rankin tourney, played their poorest game of the season at home Tuesday night when they dropped a 40 to 34 decision to the Del Rio Wildcats.

The Lions hit but 10 of 52 shots Tuesday night, many of them lay-ups, and dropped behind after the first quarter, never to catch up again.

Del Rio, boasting a considerable height advantage, displayed some good shooting but the Ozona defense did well in limiting the visitors to 40 points, only to see its offense falter badly.

Jerry Hilton, a smooth 6 foot 2 inch forward, led the Del Rio attack with 18 points followed by Al Best who had 8.

Carl Montgomery led the Ozona attack with 8 points while Van Miller, Hal Long and Phil Carnes each had 6.

In the B game the much larger and considerably rougher Del Rio reserves easily downed the Ozona reserves 35 to 18. Jack Chambers led the Del Rio attack with 15 points while Robert Cox tallied 8 points for Ozona.

The loss brought the Ozona record for the season to 5 wins and 2 losses with their next appearance slated here Saturday night against Bronte on the Lions home floor.

Winter Aims Solid Punch In First Round To Set New Record Low

Winter landed its best punch of the current season, a solid left and right the first of this week when a severe cold wave rolled in to push thermometers to a new low of 20 degrees Monday morning and another record of 18 degrees Tuesday morning.

Temperatures moderated somewhat Wednesday and climbed to just above freezing this morning. Heavy fog and drizzle the week-end preceded the bitter cold snap and cloudy skies had returned today as the weather remained cold.

Ozona Girl Nominated For 'Miss ACC' Title

Abilene — Gwynel Walker, daughter of Mr. and Mrs. C. O. Walker of Ozona, has been nominated for the title "Miss ACC" at Abilene Christian College. The identity of the winner of the honor will be kept secret until publication of the school yearbook next spring.

Miss Walker is a senior mathematics student at AC. She is president of GATA social club and is a member of the Inter-social Club Council. She was graduated from Ozona High School in 1958.

OZONA BOYS GOODWILL AMBASSADORS FOR TEXAS ON TRIP TO CHICAGO AS DELEGATES TO NATIONAL 4H CONGRESS

Two Ozona boys, Bill Jacoby and Frank Childress, have recently returned from Chicago where they attended the National 4-H Club of Congress as members of a Texas delegation 32 winners of trip awards because of their fine records in 4-H Club work.

Below is a somewhat condensed version of Bill Jacoby's descriptions of his trip as given in a talk to the Ozona Rotary Club Tuesday noon.

THE TIME OF MY LIFE By Bill Jacoby

I won my trip to the National 4-H Club Congress through competition in 4-H record books. My 4-H record book was entered in the Santa Fe Educational award of which there were twelve state winners in Texas. My record book included achievements and awards won over a ten year period of 4-H activity.

The Texas delegation numbered 32 members. Also accompanying us were four adult leaders, a representative of the Santa Fe Railroad and a farm and ranch reporter of the Fort Worth Star Telegram.

Major J. A. Peltó
U. S. Air Force Reserve

Peltó Liaison Officer For Air Force Academy In Five-County Area

J. A. Peltó, Ozona High School principal, and a Major in the Air Force, reserve, has been appointed Air Force Academy liaison officer for the five county area of Crockett, Sutton, Terrell, Menard and Schleicher.

As liaison officer for the Academy it will be Major Peltó's job to inform as well as aid persons, and particularly High School seniors, who are interested in the Air Force Academy.

In seeking to interest eligible young men in the Air Force Academy, Peltó will seek to visit each community in the five-county area some time during the year and will be available whenever his schedule permits for talks to civic groups on the Academy and the program it offers for young men. A native of Virginia, Minnesota, Peltó attended T. C. U. where he played basketball before entering the Air Force in 1943.

As a fighter pilot Peltó was a member of the 503 Fighter Squadron which was a part of the 404 Fighter Group in the European Theater in World War II. As a member of this group while flying P-47 Thunderbolts, Major Peltó earned the air medal with four clusters, the distinguished flying cross and the Belgian Fourragere as well as battle stars for the Ardennes, Central Europe and Rhineland campaigns.

Following service in the European theater, Major Peltó was sent to the Philippines before returning to T. C. U. to get his degree and coming to Ozona as basketball coach in 1948.

Peltó served as basketball coach for ten years before assuming duties as High School principal in which capacity he now serves.

Lions Cop Second Place In Big Lake Cage Tournament

Hal Long Outstanding Players; 3 Lions On All Star Team

By Ernie Boyd

The Ozona Lions dropped their first game of the season in Rankin Saturday night when they lost a 50 to 48 overtime decision to the Big Lake Owls in the tourney final.

The Lions played like champions until the final quarter when fatigue from the afternoon's hard game caught up with them and they fell from a 12 point lead and had to rally from 5 points behind to get the overtime.

The Lions worked their way into the finals with 46 to 33 and 48 to 22 wins over two of the tourney's top four teams and even though they won by comfortable margins each game was a tough one with the Crane game being a particularly rough contest physically.

Hal Long, who was chosen as the tourney's most outstanding player, led the Lions with 16 points in each of the first two games even though he got a rough going-over from the Crane team.

In the final game, Carl Montgomery, who was chosen on the all tourney team, along with Van Miller, led the Lion scorers with 11 points while brother Pete had 10 as did Phil Carnes. Miller had 8 and Long who was out most of the first half had only 3 for the night.

Inaccuracy from the free throw line could have been blamed for the Lions failure as they sank only 10 of 25 shots while the Owls cashed in on 14 of the 21 efforts. But it really wasn't that, as the Lions easily outscored the Owls until they began to lag in the final quarter.

The Lions had one final spurt left and it was almost enough. Leading 38 to 26, the Lions finally fell behind in the final period and then went down five points with just over a minute to go. Phil Carnes and Carl Montgomery both came through with field goals and with just 8 seconds to go Hal Long evaded his defender and was fouled as he got off a short jump shot. The ball went in and then number of the Lions shots in the came back out as did a goodly final quarter. Long missed his first shot but hit the second to tie the game and send it into overtime.

Phil Carnes hit the first shot of the overtime and the Lions regained possession without Big Lake scoring but then missed a layup and that did it. Finn Watkins, a fine shooter, hit two quick jump shots and that was the story.

In the McCamey contest the Lions and Badgers had a close first quarter but then with Long leading the way broke out in front with an 18 point second quarter while the Badgers were able to tally but 7. Reserves finished up the contest.

The Lions had a tougher time with Crane than the score would indicate as the Cranes broke in front 4 to 0 and the Lions had to catch up in a rough and tumble contest.

The Lion defense limited the Cranes to but 5 field goals in the contest as Long of Ozona made (Continued on Page Three)

Baptist Choir To Present New Cantata Here Sunday Evening

On Sunday evening, December 17, the Sanctuary Choir of First Baptist Church will present a Christmas Cantata, "Dawn of Redeeming Grace," at the regular evening worship service. Robert Graham, the composer of the cantata, was once a missionary to the Orient. Since 1952 he has been confined to a veteran's hospital in Arizona. He and his wife, Jeana, have collaborated in several compositions during this time. "Dawn of Redeeming Grace," was published in May of 1960, and premiered during last Christmas season.

Soloists include Mrs. Glenn Rasmus, soprano; Mrs. Brooks Dوزير, alto; Art Dodds, tenor; and Rev. Harry D. Trulove, narrator. Art Dodds, Minister of Music, is the director.

The service begins at 7:30 p. m. The public is extended a special invitation to attend.

6th Graders To Sing Carols Tuesday Night

Children of the Sixth grade in Ozona Junior High school will sing Christmas carols the night of Tuesday, Dec. 19, at designated neighborhoods in town.

Caroling will be between 7 and 8 o'clock, in the 500 block of Avenue E, the 100 block of 11th Street, the 1300 block of Avenue H and the 1200 block of Hereford street.

Annual Election To Fill Two Places On Crockett Water Board

Members of the board of directors of the Crockett Water Control and Improvement District No. 1 in meeting recently ordered the annual election to fill places on the board to be vacated by expiring terms of two members.

The annual election will be held January 9, with one voting place in the district, in the courthouse. Tommy Harris, Jr., will be the presiding judge, Mrs. Tommy Harris, Jr., and Mrs. Gene Lilly as clerks.

Board members whose terms expired are James Baggett and Lowell Littleton. Both will seek reelection. Other members of the board whose terms will not expire until next year are Sherman Taylor, president of the board, W. E. Friend, Jr., secretary and Gene Williams.

Southland Royalty To Re-Enter Crockett Test

Southland Royalty Co., et al. Midland, will re-enter and clean out to 8,200 feet for tests of the Strawn at a 8,958-foot Ellenburger failure in Crockett County, nine miles northwest of Ozona, and 7 1/2 miles northeast of the recent Strawn gas pay opener in the two-well Ozona, West (Clearfork oil) field. It is the No. 1-36-C University Oil Co. as the No. 1 31-36 University, it was plugged Dec. 7, 1953, on elevation of 2,305 feet.

While being drilled it recovered gas-cut mud on a test between 7,875-7,920 feet; and gas-cut mud plus one gallon of distillate, on a test between 7,898-7,945 feet, both of which were identified as Strawn. Tests of the Ellenburger yielded only sulphur water.

Location is 1,980 feet from the north and 660 feet from the west lines of 36-31-University.

Mrs. Bert Couch, Ozona Pioneer, Is Buried Here Sat.

Death Follows Complications From Accidental Burns

Mrs. Josephine Broome Couch, 76, member of a pioneer Crockett county family, and widow of Gilbert M. (Bert) Couch, also of a pioneer Crockett family, died Thursday morning in the Crockett County Hospital where she had been under treatment for burns suffered recently when her robe caught fire in her home.

Complications following the burns, which were in themselves not considered serious at the time, were responsible for Mrs. Couch's death.

Rosary for Mrs. Couch was held at 7:30 p. m. Friday at Robert Massie Funeral Chapel in San Angelo and mass was held at 10:30 a. m. Saturday at Our Lady of Perpetual Help Catholic church in Ozona. Burial followed in Cedar Hill Cemetery.

Active pallbearers were Lowell Littleton, Joe Bean, Carl Malone, Beall Barbee, Brock Jones, Kirby Moore, Joe Tom Davidson and Earl Malone. Honorary pallbearers were Max Schneemann, Paul Perner, Lee Childress, Floyd Henderson, Tom Harris, Will Baggett, Hugh Childress, Wilse Owens, Carl Lonon of San Angelo and Hershel Upton of San Angelo.

Mrs. Couch was born June 20, 1885, in Marlin, the daughter of Cyrus Broome who was Crockett county's third sheriff after its organization in 1891, and Mrs. Broome. The family moved to this county at about the turn of the century. Mrs. Couch is the last of a family of five boys and two girls. The late Mrs. W. E. Smith of Ozona was a sister of Mrs. Couch and Claude Broome, prominent San Angelo rancher, was a brother.

She married Bert Couch, son of the late Mr. and Mrs. S. E. Couch of Ozona, Jan. 15, 1904, in Ozona.

Survivors include one son, Joe Couch of Ozona; four daughters, Miss Jacque Couch and Mrs. Mahlon Robertson, both of Ozona, Mrs. R. M. James of Mount Vernon, Ark., and Mrs. Louis Pyatt of Bangkok, Thailand; four grandchildren and one great-grandchild. Mrs. Pyatt, the former Lois Couch, was unable to return to the United States for her mother's funeral. Her husband is employed by the U. S. Navy in construction work in Thailand.

Prolific Gasser Discovery On UT Land In Crockett

12.5 Million Feet Estimated For Well 26 Mi. West of Ozona

Crockett County gained a gas distillate discovery during the past week.

Drilling & Exploration Co., Midland No. 1-3 University Land Block 29, Crockett County Strawn reef discovery, 26 miles due west of Ozona and 3/4-mile southwest of the one-well Lancaster Hill (Devonian) field has been completed for a calculated, absolute open flow of 12.5 million cubic feet of gas per day, with gas-liquid ratio of 67,000-1. Gravity of the liquid was 60 degrees.

Production was through perforations between 6,933-973 feet in 5 1/2-inch casing set at 7,380 feet, on total depth of 8,322 feet. Derrick floor of elevation is 2,686 feet.

Location is 660 feet from the south and east lines of 3-29-University.

The Lancaster Hill (Devonian) opener, Phillips Petroleum Co. No. 1-L University Lands, was finished June 20, 1959, for a calculated absolute open flow of 1,780,000 cubic feet of gas daily through perforations between 7,045-7,070 feet.

Young Americans For Freedom, a nationwide conservative youth organization, has called upon President Kennedy "to order immediate resumption of nuclear testing — in the atmosphere as well as below ground — so as to keep our military arsenal second to none."

Declaring that we will have peace only if we are strong, it asks all Americans of all ages "to reject the counsels of cowardice and unreason and to revive the courage of free men."

The organization emphasizes, too, that the much publicized youthful "peace marchers" are "totally unrepresentative of American youth" — a fact to remember.

Armed With Standby Public Works Authority, President Kennedy promised the Labor bosses in Miami, another recession would see no "large pools of manpower standing around" where public improvements were needed. Which makes us wonder at the pools of manpower standing around today where there is work to do — and drawing public money for doing nothing. And why the violent opposition at Federal and state levels when a city official (at Newburgh, N. Y.) attempts to get labor in return?

Left off the AFL-CIO Presidential Escort Committee at Miami, Reuther was asked about the Meany snub. The UAW president replied: "My relationship with the President of the United States is very close and does not hinge on whether I am on an escort committee."

This, no doubt, puts President Meany in his place. But is also reminds us of Mr. Reuther's very considerable campaign assistance and suggests strongly that he doesn't intend to let President Kennedy forget it either.

Ozona Garden Club In Meeting Monday

The Ozona Garden Club met Monday at the country club with Mrs. John Childress and Mrs. Charles Williams, Jr., as co-hostesses.

Mrs. A. S. Lock, president, presided. The Liveoak Park fund was the project for the meeting. A Christmas decorations exhibit and subsequent sale of creations, produced additional funds for the park's maintenance.

Mrs. Joe Pierce was leader of the program. Mrs. Joe Clayton gave a talk on "Flowers Dried in Full Bloom". She illustrated her talk with flowers she had cured in special ways to retain their color.

There were 19 members present and Mrs. P. L. Childress, a guest.

Mrs. Glenn Sutton, chairman of the hospital decorating committee, announced a meeting of her committee Dec. 18 at the hospital.

Ozonans who wish to enter the Garden Club's home lighting contest were reminded to notify Mrs. Max Schneemann or Mrs. Clay Adams. Prize winners will be awarded plants and shrubs to be planted in their yards.

Big Crowd Attends Flower Shop Opening

Ozonans turned out in numbers last Sunday afternoon to attend the open house at Maxine's Flower Shop, Mrs. Maxine Saunders, owner, reported.

The open house was to show off the firm's new building and the big stock of Christmas flowers and arrangements and novel Christmas trees. Between 150 and 200 visitors called during the open house hours. Ladies were given orchid corsages as favors.

Mrs. Saunders expressed her appreciation for the splendid response.

Letters to Santa Claus

DEAR SANTA:

I want a real doggie. I want some roller skates.

Marla

DEAR SANTA:

I want a Ken Bardie Doll. And I want a Lionel train. And for Daddy bring him a Polaroid Camera. I want some roller skates. Bring mother some slacks. I have been a good girl. Bring Carey a truck. My sister broke her arm 3 months ago. We all have been good.

With Love
Lana and Carey

DEAR SANTA:

This is a list of things I would like to have for Christmas. You don't need to bring me everything, but this is just to give you some ideas.

Ann Glynn

Ice cream machine, Barbie doll and clothes, sewing machine, The Night Before Christmas book, doll carriage or bed and Marybell Doll. Ginger would like squaw boots, and autograph hound, some Barbie clothes and a record.

I love you. Merry Christmas.

Ann

DEAR SANTA

Santa, on Christmas there will be some cake, candy and milk for you out on either a table or night stand.

Santa, for Christmas I would like a little red spinning wheel and a deluxe doll beauty shop. My little brother, Brent, would like some toys to play with.

same number. The Lions did get a safe lead despite the fact of Crane scoring until late in the second period and the tallers forced the Lions to keep their top rebounders in the contest early all of the way. The second place finish was the best any Ozona team has made in the six year old tourney even though the Lions have been third several occasions. The selection of Carl Montgomery, Van Miller and Hal Long as the 10 man all-star team was a high for Ozona in the tourney in addition to which Long was voted most outstanding.

Castle Gap Girls Auxiliary Meets Here

More than 85 members of Girls' Auxiliary and their counselors gathered in Ozona at the First Baptist Church Saturday morning at 10 o'clock for fun and inspiration. These girls included representatives of Baptist churches in Big Lake, Iraan, Imperial, McCamey and Ozona, all of the Castle Gap Association.

Mrs. Lee Butler, of Iraan, Association GA leader led in the business meeting. A stewardship skit was presented and a group of Ozona GA's sang a Christmas song, after which Rev. Bill Perdue of Crane gave the morning message. The girls adjourned to the fellowship hall for lunch and to become better acquainted.

LADIES GOLF-BRIDGE ASSN.

In golf play last week low net on the club trophy was won by Mrs. Joe Pierce, Jr. She also won the blind bogey play. On the par 3 hole, Mrs. Dempster Jones won. High score in bridge went to Mrs. Byron Williams, second high to Mrs. Jake Short, low to Mrs. Joe Logan and cut to Mrs. W. T.

Bradbury. Bridge hostess was Mrs. Tommy Harris.

Others attending were Mrs. C. O. Walker, Mrs. Early Baggett, Mrs. P. C. Perner, Mrs. Lloyd Sherrill, Mrs. Evert White, Mrs. Hillery Phillips, Mrs. Carl North, Mrs. Marshall Montgomery, Mrs. Jack Baggett, Mrs. J. M. Baggett, Mrs. Coralie Meinecke, Mrs. Clay Adams, Mrs. Jimmy McMullan, Mrs. Jack Williams, Mrs. Byron Stuart, Mrs. Jess Marley, Mrs. Charlie Black and Mrs. J. S. Pierce III.

OZONA BOYS TO NATL. 4H CONGRESS

(Continued from Page One)

stant rolling. Later that day two pullman's containing the Oklahoma delegation were coupled to our train. Other state delegations were added as we made our way on to Chicago.

We arrived in the Windy City at 9 a. m. At first, I was not particularly impressed with Chicago, other than its tremendous size. But, in the following days, I became more and more fascinated with the city.

We went directly to the Conrad Hilton and assembled in the South Exhibition Hall where we were to wait for our room assignments. In the meantime we were given free-time to look over some of Chicago. Special instructions were given us as to the area that we could visit. A group of us had a very interesting tour through the Marshall Field department store and several other impressive establishments in the nearby locality.

Our group returned to the Conrad Hilton and by this time the entire delegation of some 1400 4-H members had arrived. Bill McReynolds, Farm and Ranch editor of WOAI, San Antonio was in Chicago and visited with the Texas delegation. He selected me and five other Texas 4-H boys to interview for a radio program.

At 7:30 we boarded buses and went to the Edgewater Beach Hotel for the Westinghouse Get-Acquainted party. I met 4-H members from every state and talked with the observer from Bolivia.

The 40th National 4-H Club Congress officially got underway Sunday afternoon at 2:00. A very good program followed with a speech on patriotism by noted speaker Dr. Kenneth Willis.

Our Sunday evening program began at 7:30 p. m. when we attended the Sunday Evening Club at Orchestra Hall. After returning to the hotel, the Texas delegation held its daily leadership meeting in our headquarters room. At these daily meetings, our chaperones discussed the daily happenings and went over plans for the following day activities.

My two room mates and I were up early Monday morning, eager to participate in the day's activities. The entire Congress were breakfast guests of the Firestone Tire and Rubber Company.

Following our breakfast program, all the boys attending Congress were taken on a tour of the International Harvester Company. I was very impressed with this huge plant and its operations. After the tour, the company was host for our luncheon at the hotel. Mr. Frank W. Jenks, president of International Harvester, expressed his greetings and congratulations during the luncheon.

Monday evening, we were guests of the Singer Sewing Machine Company at a Pop Concert at Orchestra Hall. There we heard the

45 Million Cars Later—

Chevrolet Celebrates 50th Birthday

CHEVROLET AND HIS CAR—Famous race driver, Louis Chevrolet, displays his experimental 1911 car which went into production in 1912. This was the beginning of one of the automotive industry's most fabulous success stories and one which is highlighted by the golden anniversary of Chevrolet starting November 2. In its first year of production Chevrolet built 2,999 cars.

Chicago Symphony Orchestra conducted by Arthur Fielder.

On Tuesday morning we were guests of Sear's Roebuck Foundation for our breakfast. Our welcome address was by Mr. James J. Griffin, president of the Foundation. Our entertainment was by the Collegiate Singers of Purdue University. After breakfast we attended the National 4-H Dress Revue at the Pick-Congress Hotel.

A 4H girl from Alaska drew much applause when she modeled a fur parka which she had made. The National Livestock Producers were our host for lunch attended by only men and boys at the Congress. Mr. John Fehsenfeld, president of the National Livestock Producers Association gave greetings and congratulations to the group.

Tuesday afternoon we were taken on an educational tour of the Chicago Museum of Natural History. I had to leave early to attend a special dinner in my honor. This dinner was honoring all the 4-H Santa Fe winners. The welcome address was by Mr. E. S. Marsh, president of the Santa Fe Railroads.

Wednesday morning called for us to find breakfast on our own and when I arrived at the coffee shop it was quite crowded. I ask permission of two elderly ladies to sit at their table and was graciously received. In our conversation I explained my reason for being in Chicago and something of what 4-H was and how young people participated in 4-H club work. I finished breakfast first and paid the bill for the table. These ladies only knew that I was a 4-H member from Texas. I doubt if they even remember my name but I do believe that I left with them a good impression of 4-H that they will long remember. It was part of our duty while in Chicago to be goodwill ambassadors for 4-H and Texas and I tried at all times to do just that.

Our Wednesday morning general assembly program stressed patriotism and individual leadership. The Ford Motor Company was our host for lunch. That afternoon we toured the International Livestock Exposition and I enjoyed seeing all the breeds of livestock and other exhibits.

That night we were guests of Wilson and Company in the International Arena and treated to a box supper. I enjoyed the horse show at the Exposition as it was quite different from anything I had ever seen before. Their horse show goes all out for class, style and gaited horses. Dress and horsemanship play a big part in judging of the classes — it is quite different from our quarter horse shows in the Southwest.

We put on a 4-H program at the Exposition that night. The arena lights were dimmed and all 1400 4-H members gave the 4-H club pledge with a small penlight in the right hand.

When Thursday morning arrived I realized that this was to be the last full day in Chicago. My, how the time had flown but I was ready to see and do as much as time would permit. After breakfast, we spent the morning touring the Museum of Science and Industry. Our luncheon was given by the General Motors Corporation.

That afternoon I spent my free time packing my belongings so that I would not be too rushed the next morning. That night before the banquet the Texas delegation met at our hotel suite. Each 4-H girl was presented a beautiful corsage, courtesy of the Texas boys.

The Texas delegation sat together at the annual banquet that night. Our farewell party that night was a good one and one that I enjoyed but it had its sad moments too as I said good-bye to the many friends I had met from other states.

We had breakfast early Friday morning and the Texas delegation left for the train station. After getting settled on the train I was sleepy and tired but forced myself to stay awake so as not to miss any of the trip home. Late that afternoon, ten of our group left us at Kansas City to ride another train to the western part of the state. It was a very sad parting as our group had been like a large close family on the trip and many of us had become very close friends in this one short week together. I tried to console myself by looking forward to the time that I might again meet some of these new-found friends at 4-H Round-up at Texas A&M next summer and at college next fall.

After arriving in Fort Worth Saturday morning, a number of our group left by bus on our final journey home. As I was on the bus I thought back over the wonderful experiences of the past week. I had never known a period of time to pass so quickly or enjoy more. I realized that my trip was about to end but that the memory of it would last forever.

What's that, Mom?

That's a stove, Son. Trying to think.

What's it trying to think about, Mom?

Where its next meal is coming from, Son.

Why, Mom?

Because some people have been saying the stove can almost cook by itself.

They shouldn't tell the poor stove that, Mom.

That's right, Son. Nor people either.

Economical, Too!

Since 1950, the average cost of a kilowatt hour of electricity to residential customers served by WTU has gone down 21%.

SCHOOL PROPERTY IS A POSSESSION TO BE CARED FOR

By Kathy Scrivner

School property. These two words are most important in any normal, functioning school.

What about our gyms? They are school property. They provide for us the privilege of showing our physical abilities, and they provide a pleasant place to work off excess energy in a wholesome manner. They provide a place for the community to gather in fellowships.

As you travel around to the different gyms of West Texas, you find evidence of many people who do not appreciate the fine facilities offered by the various schools.

You find some gym floors scuffed and marked, shower facilities chipped and not taken care of, and the front of the gyms are sometimes defaced and parts of it torn down or marred with paint.

Some of these damages are done by students, some are done by patrons, and some are done by ungrateful visitors.

The gyms of OHS have always been treated with respect and care. Keep this respect up and the gyms of OHS will always remain a credit to our school.

FRANK CHILDRESS ADDRESSES TS&GRA

Frank Childress, recently returned from the 4-H National Convention in Chicago, addressed the Texas Sheep and Goat Raisers' Convention at 9:30 a. m. Wednesday in Fort Worth.

Frank told them about his accomplishments that he has put into his record book.

The record book won first in the state in the program sponsored by the Texas Sheep and Goat Raisers Association. This entitled him to the trip to Chicago.

In Fort Worth, Frank reported on the things that interested him the most on the trip as well as on his record book.

He thanked the Association for sending him and asked that they continue sponsoring the trip for other boys to set their goals on for the future.

THE LINES MAKE THE COLUMN

Over the weekend nearly everyone was out of town. The girls went to the Eldorado basketball tournament for 2 days. Glenda Friend and Beverly Alford were on the all-tournament team. The boys went to the Rankin tournament where they won runner-up. Hal Long, Carl Montgomery, Van Miller were on the all-tournament team with Hal as outstanding player.

What's this going on over at ag? It seems there was a motion made to get someone a wig. What about this Mr. Barber?

Rankin were Janet North, Becky C., Jann., Nellie, Gracie, and Janet McAlister.

Nonie Conklin and Pierce Miller were among the exes seen home.

Over the weekend Herbie and Freida Kay went to their ranch and Glenda went to hers. Cheryl went to Dallas, Arlene went to San Angelo, then stopped in Eldorado to see the games. A few took to hunting. Tony Oehler, Bill Groesbeck, Doyle Lovell and Dudley Scrivner went to Fredricksburg to hunt.

Mr. Moody got a deer and Miss Powers killed a deer.

CHARLEY BINGHAM IS SENIOR OF THE WEEK

Charles Elmo Bingham was born in Uvalde on September 22, 1943. He is the son of Mr. and Mrs. G. E. Bingham. Charles attended school first in Eldorado through the third grade. He then moved to Ozona and has attended school here since.

While in high school he has lettered three years in football '59-'60, and '61, one year in track, '60. He was on the agriculture team in '58, '59 and '60.

After Charles graduates, he plans to enter some branch of the Armed forces, with the Army or Marine.

Charles likes to hunt and has a

hobby of building miniature sport cars. He says he hates to leave high school, mainly because of Mr. Pelto and he has enjoyed knowing all people and going to school here.

CALENDAR FOR TWO BUSY WEEKS

The week before Christmas holidays will be a crowded one. Even during the usually "hollow-days" there will be two basketball games. The complete schedule is as follows:

Dec. 14, 15, 16 — Rocksprings tourney, A girls, and B boys teams.
Dec. 15 — Christmas Dance
Dec. 16 — Boys, Bronte H
Dec. 19 — Boys, Iraan T
Dec. 19 — Girls, Del Rio, H
Dec. 20 — Christmas Assembly
Dec. 21 — Girls, Del Rio, T
Dec. 21 — Jan. 2, Holidays
Dec. 22 — Boys, Garden City, T

JUDY BLACK ACHIEVES MANY HONORS IN 4 YEARS

Judy Black is one of the Seniors of the week. Judy was born June 15, 1944, in San Angelo. She is the daughter of Mr. and Mrs. Charlie Black.

While in OHS she has received the following honors: Class favorite 48-59 and 59-60, FFA Sweetheart 60-61, Runner-up for Most Popular 60-61, Alternate cheerleader, 58-59, Cheerleader 59-60,

and head cheerleader 60-61 and 61-62.

She participated in the 1961 Junior play and has a part in the 1962 Jr.-Sr. play.

Judy has gone to school in Ozona all of her life. After graduation this spring she plans to attend Sullen's College in Virginia and major in elementary education.

She has one older brother, Bill, who ranches north of Ozona.

Her hobbies are growing plants and riding horses.

Judy said that she will be glad to graduate; but that she will miss all her friends in Ozona.

SHADOW BACK AT WORK

At 8:00 you were in your seat in the band hall ready to play because you knew Mr. Morgan liked for everyone to be ready to play at 8. When you did play, you discovered you liked it so much that you would just play through the rests. This was OK until Mr. Morgan discovered that you really weren't supposed to be playing a solo, so you had to stop playing during the rests.

Then you went to second period which was your first study hall for the day. You did not have anything to study so you decided to see who all you could talk to across the room. In order to get the attention of someone else you frantically waved your arms until not only the people you were trying to get the attention of, but the whole class was looking at you so you decided you would read a little of your library book until the bell rang.

Your third period was Civics. Even though you were sleepy you decided you had better take notes anyway. Coach Cleere gave you some terms, but you were too tired by this time to protest so you went ahead and did your homework. The bell rang finally, but you weren't in any hurry to get to your study hall because you already had one that morning so your boyfriend met you at your locker and you talked until the very last possible minute that you could until just before the bell rang, so you ran in and sat down for a 55 minute rest. Then an announcement came that a meeting would be held in the auditorium at 12:30 for the basketball girls. You ran in just as the meeting was over so someone had to tell you what was said. It seems that when you came back to school after dinner you discovered you didn't have one of your books so you rushed back home and it wasn't there. It wasn't in anyone's car so you remembered that in your rush to get out of the band hall that morning you left it there, but when you went back for it Mr. Morgan was a little reluctant to let you have it. Finally after you got it the meeting was already over.

Then came your fifth period Journalism class. You didn't have your article yet so you went out of the room to study your speech that you had to give next period. After a while you came back in hoping you knew it well enough to give it so that Mr. Leath would like it.

You then remembered that you would see your boyfriend again after this period and after all that

running around at noon you decided you would comb your hair and powder your face so you did. Then you sat quietly until the bell rang.

In your speech class nothing much happened and you were too tired to do anything anyway so you patiently listened to all the speeches waiting for the bell to ring. Then came the longest period of the day because it is the last. Your boyfriend was in study hall this period so you would once more have to listen and take notes. When the bell did ring after that long hard day you suddenly got enough energy to be the first, well, almost the first, one out the door.

Then to basketball practice. Then wait for your day to start all over again.

Did you guess it? Were you the shadow's victim this week?

ANNOUNCEMENT

The Lions Roar will be very brief next week due to the fact that the Journalism department will be getting out a mimeographed Christmas issue.

HOTTEST NOVEMBER IN FORD HISTORY!

And here's what started the heat wave!

Last month more Americans bought Fords than in any November in history. The blazing success of the long Ford line was end-to-end, all across the country and up and down it, too. ■ Everywhere the people flocked into their Ford Dealers and bought smart new Falcons, and the new Falcon Squire, the glittering swift Galaxies, the famous Ford Station Wagons and the hot Thunderbirds. And they poured in to see and buy up the brand-new Fairlanes just introduced. ■ There are four magic reasons why behind the smashing success of the long Ford line for 1962. First of all is utterly modern styling, the fresh crisp lines that are now being so widely copied by other car-makers, the smart look that dominates the industry. Second is absolute power in eleven kinds of engines, giving you anything you could want in engine

options. Third is total economy—every Ford model is priced directly at your pocketbook, and every Ford, large, medium or small, gives you gasoline mileage outstanding in its class. Fourth is the service-saving concept—every Ford car is built to cut down maintenance worries and problems, with service-saving features other cars may have some day. ■ Ford leadership from Falcons to Thunderbirds is founded on trend-setting innovations. . . The hot ideas come from Ford. And at the heart of Ford success is an almost revolutionary new concept of quality . . . most serious and direct concern with the actual part-by-part quality. For the hot trends in the hot cars, for a new experience in quality, and for the best buys on the American Road, see your Ford Dealer.

PRODUCTS OF  MOTOR COMPANY

NOW THERE ARE FOUR CLASSES OF CARS ...AND ONLY FORD HAS ALL FOUR!

COMPACT CLASS:

FORD FALCON

This class includes cars with 106- to 114-inch wheelbase. Most popular by far (a million happy owners!) is the Ford Falcon. Falcon is America's lowest-priced 6-passenger car, set a 25-year record for Sixes or Eights in last spring's Mobilgas Economy Run, gives you a choice of 13 models, including the Futura and new Falcon Squire wagon.

FULL-SIZE CLASS:

GALAXIE BY FORD

The class for families who want big car comfort, performance and prestige. Value leader is the Ford Galaxie—which has every essential feature of far costlier fine cars. With the optional Thunderbird 390 V-8 engine, a Galaxie will outperform America's most expensive luxury cars. Requires servicing only twice a year, or every 6,000 miles.

*Based on a comparison of manufacturers' suggested retail delivered prices, including dealer

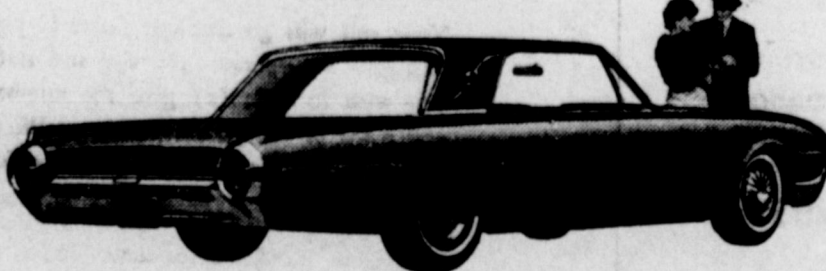

FAIRLANE CLASS:

FORD FAIRLANE

The Ford Fairlane is the first member of a new class which combines the advantages of both compact and big cars . . . you get big car room, ride and performance . . . compact savings and maneuverability. Priced below many compacts, Fairlane even rivals some in gas economy. Has twice-a-year maintenance introduced by the Galaxie.

LUXURY CLASS:

FORD THUNDERBIRD

The top class—cars for people who want the very finest. First of the trim-size luxury cars, the 4-passenger Thunderbird is the most distinctive car in this class. Its styling set the trend for an entire generation of cars and now finds a new elegance in the Landau. And Thunderbird's performance is just this side of flight.

Features of the future . . . now

45 Shearing School Graduates Now Members Of Regular Shearing Crews Under Plan Initiated In Crockett County; To Be Continued In 1962

Forty-five young Latin-Americans from 17 Southwest Texas counties recently launched into a new career that is proving profitable not only to them, but to ranchmen throughout the Southwest, says Tom Wallace, Executive Secretary, Texas Sheep and Goat Raisers Association. The young men, ranging in age from 18 to 24, are graduates of the Association's first shearer training program which was co-sponsored by county program building committees and county agricultural agents. The apprentice shearer program was developed under the leadership of Bill Childress, Ozona ranchman, to overcome a shortage of capable shearers. County agents working through local sheep and goat committees, surveyed shearing captains and potential candidates, then selected 48 trainees to participate in the program. Each trainee was provided a

shearing head, complete with necessary combs and cutters. Cost of the equipment was shared jointly by the Texas Sheep and Goat Raisers Association and local committees, but each trainee was required to sign a note for the value of his equipment. At the end of the season, however, the notes were cancelled and the issued equipment became the personal property of the successful trainees.

Now full fledged members of seasoned crews, many graduates are capable of shearing in excess of 100 head of sheep per day. "This represents an important service to sheep and goat raisers throughout Texas and the Southwest", Wallace said. "Our board of directors has voted to continue the apprentice shearer training through 1962. Young men interested in learning the shearing trade should ask the local county agent for complete details of the program."

Mrs. Cody Hostess For Annual Christmas Program Of W.S.C.S.

Woman's Society of Christian Service of the Methodist Church, met Wednesday morning with Mrs. Ken Cody in her home, for the annual Christmas program by the society.

The background of the program was centered around the lighted Christmas tree, with all the symbols of Christmas. Mrs. J. A. Fussell read the Christmas story from the Bible. The program theme was "Christmas In The Christian Family", under the direction of Mrs. W. O. Mills, who told the story of the Christ Child by Martin Luther, and of the different symbols used at this season.

Mrs. Buster Deaton, told of the ways we should share Christmas as a meaningful way to really enjoy the real Christmas, and how the eternal Word wants to shine in our world. Mrs. L. B. Cox, Jr., talked on how Christmas is commercialized, and quoted Dr. Edgar S. Brown, a Lutheran minister who said the church must reform Christmas.

A roundtable discussion was held following the program, on ways to celebrate the Christmas season. The WSCS will sponsor bring-

ustine 3-10; Leta Powell 3-10; Wanda Stuart 5-7; Nell Shackelford 3-10 and 5-10; Marge McMullan 1-5-10.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Dec. 13, 1932

Santa Claus is a busy man, but when he barged into town Monday afternoon, he took time out from visiting with the hundreds of other kids who flocked the downtown streets to give one of Ozona's most unfortunate youngsters the thrill of thrills — a visit from Santa Claus. Aelia Willis, daughter of Sheriff and Mrs. W. S. Willis, has been confined to her bed for four months, for weeks at the point of death, but is well on the road to recovery now. Santa slipped away for a few minutes Monday to say "hello" to Aelia.

— news reel —
One of the most severe cold waves of the present winter held this section in its grip the past several days. The mercury fell to a record low for the past two or three years during the record cold wave and a slow drizzle Tuesday resulted in a coating of ice over trees and fences throughout the area.

— news reel —
With the eyes of the oil world turned on Stanolind Oil & Gas Co., et al unit deep test on the J. S. Todd ranch, two more tests in the area spotted by Continental Oil Co. and leasing the most active in the county in years, Crockett county is experiencing a small boom in oil activity.

— news reel —
Rev. Forest E. Dudley, pastor of the First Methodist Church at Durant, Okla., and a former Ozonan, was kidnapped from his home Wednesday of last week and driven to Dallas, Texas, where he was released unharmed. Two men who engaged Rev. Dudley to perform a wedding ceremony drew a pistol on the minister and forced him to accompany them in his own car to Dallas. No attempt was made to rob him and Dallas officers were at a loss to explain the kidnapping.

— news reel —
One of the worst epidemics of cold and flu in several years, persisting here the past two weeks, seemed to be running its course this week and reports from public schools indicate that absences from sickness are getting fewer each day.

— news reel —
Mr. and Mrs. Fred Montgomery and infant daughter, LaVerne, are here from Fort Stockton.

— news reel —
Mrs. Frank McMullan, who has been ill the past two weeks, was taken to a San Angelo hospital Tuesday.

The 115.5 inch wheel base of Ford's new Fairlane line of automobiles places it between the Falcon (109.5") and the Galaxie (119"). With its Thunderbird-type roof and classic styling, the car is clearly a member of the Ford car family. All of the twice-a-year maintenance features introduced on the Galaxie are offered on the new Fairlane. The new Ford car line, which will be introduced in dealer showrooms on November 2, is available in two- and four-door models in both a Fairlane and Fairlane 500, which is shown above.

Ozona Woman's Club In Annual Christmas Program December 19

The Ozona Woman's Club will observe its annual Christmas program Tuesday, Dec. 19, at 3 p. m. in the home of Mrs. Ira Carson, with Mrs. Tom Clegg as assisting hostess.

Mrs. Lowell Littleton, a former club member, will tell the story of "Christmas at Monticello" by Helen Topping Miller, and Mrs. Joe Pierce, IV, a member of the Woman's League, will sing a group of Christmas songs, accompanied by Mrs. L. B. Cox, III, of the Woman's Forum.

Each member is asked to bring an offering for the General Federation CARE program for 1960-62. This program, endorsed by all

club women, lends self-aid to nine Latin American countries as "education through community development." Under this program, at El Banco, Columbia, a school for 284 orphan children and a night school for adult vocational training is conducted by trained local teachers. Self help tools and educational equipment for five Indian villages is provided in Costa Rica and educational equipment for 22 primary schools in Veraguas, Panama. Tools and equipment are provided to clear and cultivate land in Santa Domina, Ecuador and in Mexico it has equipped teams of trained community development workers to teach the villagers how to improve their living standards. Similar self help CARE projects are being sponsored in Chile, Guatemala, Haiti and Honduras.

Mrs. E. Lee Ozbirn, GFWC president, chose Latin-America as the area for major interest for her administration and it is through CARE that the GFWC is guiding

people of these countries to the goal of improved health, education and living standards as a means toward peace in the Western Hemisphere.

Mr. and Mrs. G. K. Mitchell had as guests for a brief visit this week Mr. and Mrs. N. M. Mitchell of Sanderson. Mr. and Mrs. Mitchell were on their way home after attending a meeting of the Polled Hereford Association in Muskogee, Okla.

CARD OF THANKS

We would like to take this opportunity to express our humble thanks for the many kindnesses shown us after our unfortunate accident.

There are not enough words to say what is in our hearts. We can only try by praying that God will bestow his richest blessings upon each of you and make us worthy of such friendships.

Monroe and Winnie Allen
