

Game Day

Friday, Nov. 1, will be the forthcoming Game Day.

A bake sale will be held in connection with the games and a door prize and numerous other prizes will be awarded to the lucky ones.

Each player will play with his own partner all day (in bridge) but other games are also included: Canasta, 42, Pinochle and others.

Make your plans to attend this gala affair which has become a favorite with so many people. It is a nice time to have guests as well as others for lunch or for the games or both.

10¢ EACH

THIS FIXED IT

AFTER THIS past week, it'll take more than an extra hour -- but the one we picked up Saturday night when we went back to Central Standard Time is appreciated... You did set your clock back didn't you?

COMES A most appreciative call from Jesse Clark of the Mobil Oil Corp. of Desdemona Saturday expressing much thanks and gratitude to the volunteer fire departments of Eastland, Ranger, Gorman, DeLeon and Stephenville for assistance "above and beyond" the call of duty at the dangerous fire at the Mobil loading dock Thursday, when a brand new Kenworth tractor and 8,000 gallon tank full of gasoline burned. Starting at 2 p.m., the blaze was extinguished at 11:30, so it was a long day and a lot of volunteers deserve and are getting heartfelt thanks.

MONDAY IS the designated day for remembering and especially appreciating this country's veterans. In this day of too casual notice of the sacrifices that were made by the truly good citizens, it's indeed time, as always, to remember that the majority did not choose to "bug out", but elected instead to serve as called, to the best of their ability, in spite of personal and family hardship. There might have been a better way, but not a more honorable way.

PHOTOGRAPHER LLOYD ARMSTRONG shows in vivid detail the work done by the City in immediately alleviating what had been considered by some to have been a serious sanitation problem. The temporary project was in operation Friday on the recommendation of the Texas Water Quality Board and the State Department of Health, after the matter had been called to these agencies attention by Justice of the Peace Appointee and Democratic Nominee Buddy Rowch.

The city's new sewer plant, now under construction, would have eliminated the problem, upon completion in the next few months. In spite of a sensational "expose" by an area paper, authorities were aware of the situation and had determined that no danger existed and that no more affluent was going into the lake than might otherwise go during ordinary highwater periods.

City workers began chlorinating sewage discharge into the North Fork of the Leon River and installing a pump and 300 feet of plastic pipe to transport the discharge to the sewage treatment plant.

Tom Bever, sanitarian with Region 4 of the State Department of Health in Abilene, and Don Wyrick with the Texas Water Quality Board (TWQB) in Waco, were in Eastland Wednesday and Thursday to investigate the discharge.

Bever stressed that both he and Wyrick were working in cooperation with the city.

"They're as interested in alleviating this problem as we are," Bever said.

The chlorination and pumping process are temporary remedies that should be satisfactory until the city's new sewage treatment plant is completed in July, Bever said. He added that the new treatment plant would eliminate the problem entirely.

City Manager Lewis Tiner said he submits two sewage reports to the Texas Water Quality Board each month.

The creek that the discharge flows into joins the South Fork of the Leon River and eventually flows into Lake Leon which is the water supply for Eastland and several other communities. But both Tiner and TWQB representative Wyrick said the water supply has not been affected by the discharge.

Wyrick said he will submit a report to the board on the condition of the water but he said that after the steps to alleviate the condition have been taken, "there should be no more problems."

Tiner said he submits a monthly report to the health department and a yearly report to the Texas Water Quality Board on the condition of the city water supply.

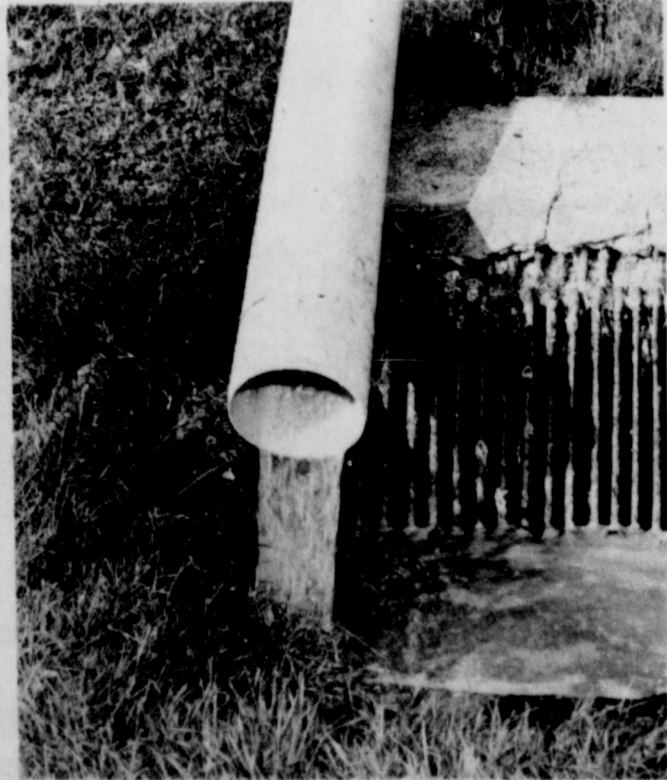

"I've been here 11 years and I've never seen one (an unsatisfactory report) come back," Tiner said. "There's no question about the purity of the water."

When the city's new treatment plant is completed it will handle 400,000 gallons of waste daily compared to the 55 - year - old facility now in use that handles 200,000 gallons daily.

In June of this year the Environmental protection Agency approved an additional \$70,950 grant to the city to be used to construct the plant.

City voters approved a \$92,000 bond issue in September, 1971, which at that time was to have been the city's share of an expected \$198,700 to build the plant.

But since that time construction costs have risen to an estimated \$351,481.

MORREN TO STAY

Police Chief John Morren at 4:45 p.m. Friday agreed to continue as head of the Eastland Police Department.

Misunderstandings and disagreements were worked out during a series of meetings with the Eastland City Commission Friday.

Chief Morren tendered his verbal resignation Tuesday, effective Sunday.

Morren became police chief when former chief Ray Laney retired in February, 1970. He had served as a city policeman under Laney for a short time after his retirement from the U.S. Air Force in February, 1967, as a chief master sergeant.

Born in Rule, Morren grew up in Eastland County and attended schools here. He joined the Army as an infantryman in World War II, and later joined the Air Force where he served 25 years.

In 1972 Morren received a public commendation from the Veterans of Foreign Wars National Headquarters in Kansas City.

He is married to the former Bounita Kinman. They have three children.

Services For Gary Mercer To Be Monday

Gary L. Arnold Mercer, 22, of Olden, died Friday morning in Dallas Veterans Administration Hospital, after a lengthy illness. Services will be 3 p.m. Monday at the Olden Baptist Church with Rev. Harold Meeker officiating. Burial will be in Eastland Cemetery.

Born July 15, 1952, in Ajo, Ariz., Mr. Mercer had served with the U.S. Navy.

Survivors include his parents, Mr. and Mrs. Gerald R. Mercer of Olden; three brothers, Robert Keith of Peru, Ind., Ronald Lee of Abilene and Gerald Wayne of Olden; grandparents, Mr. and Mrs. R.K. Mercer of Arlington and Mr. and Mrs. John Horn of Silva, Mo.

His grandparents, Mr. and Mrs. J.L. Holden, preceded him in death.

Services For David Harden To Be Sunday

David Franklin Harden, 88, of Eastland, passed away October 25, 1974, in Eastland Memorial Hospital where he had been a patient for five weeks.

Born Feb. 1, 1887, in Arkansas, he was a resident of Lockney, Texas, later. He was a retired, self-employed farmer. He moved to Eastland in 1957 and lived in the Norwood Addition.

He is survived by his wife, the former Mary Lee Bennett; two sons, William Earl (Bill) Harden of Dover, Ark., and Bobby Joe Harden of Lubbock; three daughters, Dena Dobbs of Eastland, Fannie Magdalene Christian of Camden, Ark., and Bessie Lee Dollar of Dover, Ark.; two sisters, Mrs. Vickie Roberts of Fort Smith, Ark., and Mrs. Eve Ford of Russellville, Ark.; 19 grandchildren and 32 great-grandchildren.

Services will be Sunday at 2:30 p.m. officiated by H.S. Lewis at the Arrington Funeral Home Chapel. Interment will be in the Eastland Cemetery.

Singing Sunday

Your friends of the N. Ostrom Church of Christ invites you to hear "A Reason To Sing", which will be voiced by a choir of the Farmers Branch Church of Christ, Dallas, Texas.

The program will be presented on Sunday, Oct. 27, at 5:00 p.m. at the North Ostrom Church of Christ.

Eastland's Extra Point Beats Cisco

BY STEVE HAINES

A classic game between old friends, the Cisco Lobos and the Eastland Mavericks, came

EMH Phase 1 Due For Public Show

Mr. Charles Freyschlag, President of Eastland Memorial Hospital, advised that at the October monthly meeting, the Directors decided to have an informal public showing of Phase I construction when completed.

A formal grand opening will be held when the entire project is complete.

A date has not been set for the public showing at this time. Mr. Freyschlag stated that Mrs. Helga Tiner, Administrator, will advise the date via the radio and news media just as soon as it can be determined.

The Directors and Administrator feel apologetic that only an informal showing can be conducted at this time, but after the Directors accept the new areas, the hospital has a time schedule to meet, in which they must move into this portion and vacate other portions so that Phase II construction can start.

Phase I construction is almost complete, at which time various inspections and testing of mechanical room equipment and systems must be accomplished by architectural firm, Killebrew, Rucker and Associates of Wichita Falls, before the general contractor, Miller and Holmes Construction Company, release the building the hospital for acceptance.

The Board of Directors and Administrator wish to express their sincere appreciation to the patients, their families and friends, employees, medical staff and public for the consideration and understanding extended throughout this difficult period when conditions have certainly been less than perfect for all.

Mr. Freyschlag said that the continued interest, loyalty and support, which the hospital receives from everyone is unequaled anywhere, for which Mrs. Tiner and the Directors are most grateful.

to a grueling but deciding end Friday night in Maverick stadium, when the Eastland Mavericks defeated the Lobos 13-12 in a game that few fans will forget in the years to come.

Both the Lobos and the Mavericks played tops Friday night, evenly matched. The closeness of the game could be felt even in the opening minutes, mainly in the way running efforts were handled.

The game opened with the Lobos electing to receive from the north end of the field. The drive on the first series of plays made Mav fans somewhat restless, as they moved down the field.

The remainder of the first quarter saw exchanges with some penalties occurring.

If there was one thing that stood out more than any other, it was the number of penalties sustained to both teams, but most of them seemed to be to the aid of the Mavericks, giving them yardage just when needed or setting the Lobos back just when needed.

The second quarter opened with the Mavs in control of the ball and in a punting situation, on the punt one of these penalties to the Lobos came which gave the Mavs a first that was desperately needed in order to get the first point on the board. The penalty gave the Mavs a first on their 44 yard line. From the 44 came one of the best scoring drives done by any team thus far this year, as Tommy Morren for the Mavs made short hauls around the left side of the center, where the Mavs had found the weak spot they had been looking for, to bring the ball down to the Lobo 15 yard line, where Eastland Quarterback Gary Wheat ran on the keeper play around left end to make the Mavs first score. Morren's extra point was good and proved to be the winning point later.

With less than a minute and a

JV Wins

The 7th and 8th grade football teams traveled to Comanche and lost both their games. The 7th graders lost 16-14 and the 8th graders 20-8.

Junior Varsity hosted Comanche and won their game 19 to 14.

half left in the first half, the Lobos wanted something on the visitor side of the board before adjourning. On the kick from Eastland, Cisco took the ball on their 17 yard line. From there the Lobos took via of short running plays to Kelly Kent, Jimmy Kanady and keepers by Ronnie Powelson. The Lobos carried the ball to the Eastland 4 yard line, where it took a pass from Powelson to 82, Pepper Puryear, for the Lobo touchdown in the last five seconds. But they didn't gain a tie of a lead with the extra point failing. At the end of the half Eastland 7, Cisco 6.

The half featured the talents of the Eastland Maverick Marching Band and the Lobo Marching Band, with both groups adding a big touch to the excitement of the evening.

Second half action started with the kick from Cisco to the Mavs. And as the following plays by the Mavs took place it looked as if there must have been some kind of pep talk in one side of the field house at Maverick Stadium. Eastland took possession of the ball at their 38 yard line after a run back by Mike Stutts, on the second down from scrimmage the Mavs lost the services of running back Morren for the night due to a twisted ankle. Even the loss of Morren didn't affect the fired up Mavs. They took the ball from the 38 and started rolling, with short runs by John Marshall, Stutts, to make four first downs that brought them deep into Lobo territory where Stutts went in.

SPAGHETTI SUPPER

The First Church of God WMS will serve a spaghetti supper at CAMP INSPIRATION, Main Street, West of Eastland city limits on Friday, Nov. 1 from 5:00 to 8:30 p.m.

Spaghetti with meat sauce, tossed salad, garlic toast, tea or coffee, and homemade pie or cake will be served for a donation of \$2.00 for adults and \$1.25 for children under 8 years of age.

Enjoy a spaghetti supper before attending the Breckenridge - Eastland game

Lee Elsesser and Jim Darnell of WBAP - TV, Channell 5, Fort Worth, spent the day in Eastland recently at the Victor Cornelius Menu plant, filming a segment for "Texas '74". It is scheduled for TV - viewing at 6:30 p.m., Tuesday, October 29, on Channel 5.

Maverick

for the touchdown from a handoff by Wheat, making the final score 13-6 over the Cisco Lobos.

For the rest of the third quarter and almost all of the fourth quarter only brief sessions of swapping out the football occurred, but with the Lobos threatening only once.

Closing seconds of the game was the nail biting time.

The Lobos had possession at the Eastland three yard line after moving it on a drive from the Mavs 21 yard line.

On the three yard line with some 25 seconds remaining in the ball game Powelson leaped in for the Cisco touchdown and put a big lump into the throats of the Maverick fans, for if the Lobos were to go for the kick they could tie the game, and if they made for the two point conversion, could have the game.

The Lobos elected to go for the two points.

The attempt was a pass from Powelson and was incomplete.

It ended: Eastland 13, Cisco 12.

Next week: Eastland at Breckenridge

OTHER SCORES:

Comanche 20, Breck. 14

Hamilton 18, Coleman 7

Pioneer Club Holds Luncheon

The Pioneer Club met for their monthly luncheon on Oct. 24, at the home of Mrs. Mary Logan at 700 West Moss Street.

The tables were beautifully decorated with linen cloths and fall flowers.

The thanks was offered by Sallie Garrett. After a bountiful meal Laverne Wingate, the president presided during the business meeting.

Minutes were read and approved and roll call was answered with Bible verses.

Happy Birthday was sung to Sallie Garrett.

Gertrude Richardson presented Lorine Crawford to give a talk on "Our American Bi-Centennial".

Public law number 93-179 established the period, official the Bi-Centennial Commemoration as between March 1975 and December 1, 1976.

Mrs. Crawford's talk revealed that the Bible tells us, "Where there is no vision, the people perish". Nowhere in history have we seen more dramatic proof of this than in the growth of the Republic of the United States.

The word "America" suggests varied and rich meanings. America is history--ours is a history of aspirations and adventures, hope and heartaches, sweat and sacrifice. It is a history of people personally dedicated to certain ideals profoundly related to a divine and human spirit. As we look to the Bi-Centennial year let us think that we are in a new era. The old methods and solutions

no longer suffice. We must have new thoughts, new ideas, new concepts, just as did our venerated forefathers when they faced a new world.

This country demands that its sons and daughters, whatever their race--however intense or diverse their religious connections--we are merely American citizens. Then we should as citizens of Eastland not say together "that the Bi-Centennial of the American Republic is a unique opportunity to give our nation a new birth of patriotism?"

DO WE HAVE A VISION?

Those in attendance for the meeting were Mesdames Sallie Garrett, Winnie Bassett, Nora Wilkinson, Pauline Lee, Gertrude Richardson, Fannie Lockhart, Fannie O'Brien, Laverne Wingate, Lorine Crawford and a guest Opal Clifton.

On Nov. 21, we will have our Thanksgiving luncheon at the home of Mrs. Nora Wilkinson of 709 West Commerce.

Sale Of Shares In IDS Fund

John M. McGuire, Cisco, area representative for Investors Diversified Services (IDS), has announced that the company has begun sale of shares in a new mutual fund, IDS Bond Fund.

Mr. McGuire said the investment objectives of the fund are to maintain a high level of current income over the longest period of time and to conserve the value of the investment. In seeking these objectives, IDS Bond Fund will invest primarily in marketable debt securities--Corporate Bonds, U.S. government securities and non-rated debt securities.

IDS Bond Fund is the eight in the Investors Group of Mutual funds, which have total assets of nearly \$4.5 billion and shareholder accounts totaling nearly one million.

"We also have a high-yield tax-exempt Bond Fund", Mr. McGuire said.

The Light Touch

By Clint Bray

Woman to toy store clerk: "It must interest an eight year old boy, and yet be simple enough for his father to play with."

You can tell when you hit middle age by the way it hits back.

Young people sow oats--older people grow sage.

At BRAY'S in Eastland and Ranger we're sage about our store full of goodies.

Morton Valley H.D. Holds Regular Meet

Seven members and one visitor were present Wednesday when the Morton Valley H.D. Club met for their regular scheduled meeting. Ora Roberts led us in our club's theme, creed and prayer.

Mae Hodge read John 17:1-4 for devotional. Emily Hartsell and Ora Roberts, our President and Vice President met with the Lake Cisco club Friday for a Pattern Demonstration.

Emily Hartsell and Mae Hodge turned in their birthday dollar to the treasury.

Beverly Nicholson of Texas Electric gave us a wonderful program on Electricity. She said there's more to it than turning on a switch. She showed slides of all the ways we could save on electricity and on the use of electricity.

Mrs. Ora Roberts led us in a period of recreation. Emily Hartsell, hostess for the day, served sandwiches, potato chips, pickles, punch and cookies to these ladies: Leta Brockman, Bertha Harrison, Mae Hodge, Josie K. Nix, Flora Kincaid, Ora Roberts, and our visitor Beverly Nicholson.

Our next meeting will be Nov. 13 with Ora Roberts giving the leaders program on quick breads.

Texas is full of surprises. Like coal.

In certain areas of Texas there are sizeable deposits of a soft coal called lignite.

Several years ago Texas Electric, along with two other companies, began acquiring rights to some of this lignite because we saw that new supplies of natural gas and oil, our basic fuels, could become increasingly expensive and difficult to obtain.

Today, Texas Electric is using this lignite to generate electricity in our Big Brown plant near Fairfield. Two more lignite plants are under construction.

Using this lignite will help reduce our dependence on natural gas and oil. And one other advantage of using lignite for the generation of electricity is that it isn't being used extensively any other way.

But plants that use lignite cost a lot more than gas/oil plants.

While this means electricity will have to cost more in the future, the cost won't be as much with lignite as it would be with natural gas and oil, even if we could get adequate new supplies.

At Texas Electric, we're continuing the orderly development of our power system so that you'll continue having the electricity you need.

Miss Judy Taylor Honored At Miscellaneous Bridal Shower

Miss Judy Carol Taylor, bride elect of James Rickey Harrell, was complimented with a miscellaneous bridal shower held at the Womans' Club Tuesday evening, Oct. 15, 1974, from 7:30 to 9:00 o'clock. Hostesses for the occasion were: Mesdames Gene C. Boney, William L. Bourdeau, Marene Johnson-Johnson, Bobby D. Mueller, Marcus S. O'Dell, and Bill Walters Jr.

The honoree was assisted in receiving guests by her mother, Mrs. C.W. Hoertsch; the prospective groom's mother, Mrs. Travis Harrell; Mrs. O'Dell and Mrs. Mueller.

The registration table was laid with yellow lace over satin cloth and bore a standing white satin heart centered with a miniature bride and groom. A silver bud vase containing a single yellow rose beside a single candle burning in a silver candelabra stood nearby. Miss Beverly Burns alternated with Miss Barbara Parker of Abilene in presiding over the Bride's Book, where guests registered with a white quill pen.

The bride-elect's chosen colors of blue and white were reflected in other decorations throughout the clubhouse, with the white wall lattice work sprinkled with white satin hearts edged in yellow lace nestling in climbing yellow roses and graceful ivy entwining the ledges in contrast. A focal point featured a miniature bride and groom "located Eastland" on a large white satin map of Texas, which was edged in yellow lace.

On the grande piano white cherub figurine candelabras graced either side of the lovely standing twin white satin hearts personalized with the names "Judy" and "Ricky" in silver letters. Single silver candelabras holding yellow tapers and arrangements of yellow roses decorated the small tables throughout the room.

The refreshment table was laid with a white embossed organdy cloth. Yellow gladioli arranged in a silver and crystal epergne, flanked on either side by three branch silver candelabras holding yellow tapers, formed the centerpiece. Mrs. Johnson presided over the silver tea service, and Mrs. Boney served the chilled desert squares, candied orange peel twists and nuts. A screen completely covered with white net and draped over the top and sides with pale green net dotted with tiny white satin hearts formed the background for the refreshment table.

The gift tables were covered with a floor length white net cloth accented with yellow satin bows and hearts. Mesdames

Walters and Bourdeau displayed the wide array of miscellaneous gifts.

The honoree was assisted in receiving guests by her mother, Mrs. C.W. Hoertsch; the prospective groom's mother, Mrs. Travis Harrell; Mrs. O'Dell and Mrs. Mueller.

Hunting Season Opens Soon

Archery season begins in Eastland County Nov. 1 for 31 days game warden Kenneth Payne reports.

No special permit is required for deer harvested during archery season, he said.

Regular Deer Season opens Nov. 16 thru Jan. 1, with a limit of two deer, either sex.

Special antlerless deer permit is required for killing antlerless deer during regular gun season. Permits are issued to the land owner and the hunter must pick them up from land owner, Mr. Payne explained.

Some 2,000 antlerless deer permits were issued at Eastland Courthouse on Oct. 15-16.

Quail Season opens Dec. 1 thru Feb. 16 with a limit of 12 per day.

Duck Season: Split Season--Nov. 9 thru Nov. 24 and Dec. 9 thru Jan. 19.

A guide to Texas Hunting can be obtained from local game warden or places where hunting and fishing licenses are sold.

There will be no open season on turkey in the county this year, he said.

Ballots Mailed Producers

Ballots will be mailed to all known wool and lamb producers in Eastland County to enable them to vote in an national referendum on a proposed new agreement for the advertising and promotion of wool according to David W. Martin, county executive director, Eastland County ASCS.

The mail referendum being held November 4 through 15 will enable producers to vote their approval or disapproval of a new agreement between USDA and the American sheep producers council (ASPC) which provides for the USDA to withhold a part of any wool payments that might be made to producers to finance advertising and sales promotion programs by ASPC for wool and lamb. The withheld funds would also be used by ASPC to develop and disseminate information on product quality, production management and marketing improvement for wool and sheep.

Wool and lamb producers will be mailed an explanatory statement about the proposed new agreement along with the ballot. The new agreement is similar to one approved by producers in 1971. If approval is voted, payment deductions of up to 1 1/2 cents a hundredweight on unshorn lambs would be made, the same as the maximum deduction rates for 1966-72 period. Since no wool payments were made for the 1973 marketings, there were no deductions for that year.

Wool and lamb producers will be mailed an explanatory statement about the proposed new agreement along with the ballot. The new agreement is similar to one approved by producers in 1971. If approval is voted, payment deductions of up to 1 1/2 cents a hundredweight on unshorn lambs would be made, the same as the maximum deduction rates for 1966-72 period. Since no wool payments were made for the 1973 marketings, there were no deductions for that year.

A combined Circle meeting will be in the home of Mrs. J.F. Frances at 9:30 a.m. on Tuesday, Oct. 29. All members are urged to be present.

**MRS. WORD
KINDERGARTEN**
Everyone enjoyed their holiday Monday but it was good to come back to school to be with our friends.

We have been working hard in Kindergarten. The boys and girls have been busy putting together a booklet about themselves. We have also been learning some new songs to sing, which everyone enjoys.

Ken Petty had a birthday on Monday, Oct. 14, and Codie Parkhill had a birthday on Saturday, Oct. 26. Everyone sang Happy Birthday to these boys on their special day.

We also have two new boys in our Kindergarten. They are Terry Thomas and Guy Duncan. Tony Carey and Chrissie Poppenhouse are the leaders this week.

**MRS. COOPER
FIRST GRADE**
This week we have really enjoyed watching the bats we

made fly around in our room. We are also excited because we took our first books home to "read" to our parents. We got a new girl in our room this week. Her name is Melissa Pitillo and she moved here from Arlington. Now that makes 12 girls and 12 boys.

**MRS. ALLMAND
FIRST GRADE**
Rain kept us inside today so we played musical chairs and seven-up. We also saw a film.

We are improving on our reading every day. Many of us know our vowel and consonant sounds and can read well. Some of us still need to work on our sounds.

We are working on subtraction and adding in math.

Bimbo Underwood had a birthday this week. We got our progress reports today so our parents will know how well we are doing and what we need to work on.

**MRS. COATS
SECOND GRADE**
Monday was a holiday so we had to work extra hard the rest of the week. We learned to use capital letters for titles, months, names of people and pets.

Our telephone manners are better too. We have been practicing with the two telephones we borrowed from the telephone company. We have learned about telephone courtesy and what to do in case of an emergency.

**MRS. ADAIR
FOURTH GRADE**
This Monday we did not have to go to school. Today we went to the new gym and when we got back some people got some awards and this is their names. Math-Kellar Nevill, Language-Shirley Housson, Spelling-Betsy Gailey, Social Studies-Rodney Reese, Health-Jimmy Cate, Reading-Bryan Littlejohn, P.E.-Chiere Rich and Kenneth Wilcoxon, Good Citizens-James Morton and Cheryl Stiles, Neat-kelly Anna Armstrong-Lunchroom awards this week go to Valerie Davidson and Jimmy Cate. Top Student-Becky Gailey.

Your friend
Laverne Washington

**MRS. GREEN
FOURTH GRADE**
We have been working on some booklets. And we have been working on table manners.

We've been finger painting a little at a time. We've been learning our times this week. Last week we learned our threes. This week we are learning our fours. Chico Underwood and Debra Maynard were voted as having the best table manners. We saw a good S.A.P. program today.

Rita Burkett
**MRS. WELCH
SIXTH GRADE**
6A

Thursday we went to a program on "physical fitness". We saw a film on the "Life in the Mediterranean Lands". We also had a dictionary drill on Wednesday. We were out of school Monday for teachers' commentation. We are now working on division in Math. We are making Halloween monsters to hang from the ceiling. We are also studying our senses in English.

Your friend
April Nevill

**MRS. LITTLE
SIXTH GRADE**
6B

Dear Friends
Saturday we had a Halloween Carnival. Mrs. Little and Mrs. Welch are nice teachers. Yesterday Jody Torres was sick. Mrs. Little is reading the Pink Motel. Jimmy Watson and Kathy Reed are sick. We had a pep rally Thursday

By
Joe Ben Grisham

We read in our Weekly Reader where plans are being made to re-do an 81 year old house where the Vice President of the U.S. will live.

Thursday, we made witches from paper egg cartons and we got our report cards too. Some of us need to work harder and make better grades.

Scotty Hurt pulled another tooth today.

**MRS. YOUNG
THIRD GRADE**
This has been a short week since we had a holiday on Monday. We have had several absent this week.

Our room is to fill the show case for November so we did Indian pictures today. We are going to make more things tomorrow.

We are all excited about our Halloween Carnival. It will be Saturday night.

Engineers

Discuss Lake

A public meeting will be held Nov. 1, 1974, in Brownwood, by the Fort Worth District, U.S. Army Corps of Engineers, to discuss the advanced engineering and design studies for the authorized Lake Brownwood Modification. The meeting will begin at 10 a.m. at the Riverside Motel.

Colonel Joe H. Sheard, Fort Worth District Engineer, will conduct the meeting. Accompanying Colonel Sheard will be several of his staff members. They are Lt. Colonel Charles Tracy, Deputy District Engineer; J.L. Johnson, Assistant Chief, Engineering Division; John Ball, Chief, Planning Branch; L.E. Horsman, Chief, Environmental Resources Branch; and Robert G. Craft, Chief, Public Affairs Office.

Friday: Hamurgers, potato chips, onions, pickles, lettuce, tomatoes, jello, milk

SUNDAY SCHOOL MENU
With the help of Mrs. Henry Harle and Mrs. I.D. Hogan at the Carbon School cafeteria we are beginning something new this week, which I hope will be of some service to our readers. The ladies are going to furnish us with a menu for the following week at the school lunch room. The menu for the week of Oct. 28 to Nov. 1 is as follows:

Monday: Meat and noodle casserole, green beans, lettuce and tomato salad, hot rolls, chocolate cake and milk

Tuesday: Beef roll ups, corn, carrots, orange juice, hot biscuits, brownies, milk

Wednesday: Minute steaks, gravy, mashed potatoes, English peas, hot rolls, chocolate oat meal cookies, milk

Thursday: Baked beans with weiners, spinach, rice, corn-bread

Friday: Hamurgers, potato chips, onions, pickles, lettuce, tomatoes, jello, milk

John Digby Crump Art Work At Eastland National Bank

The work of John Digby Crump of Anson is currently on display in the Community room of Eastland National Bank.

Mr. Crump is a native of Jones County and is co-owner and operator of the Station Studio and Gallery in Anson. He is a graduate of Baylor University and has done gra-

duate work in contemporary art at the University of Texas.

He is formerly a public school teacher beginning his career in Eastland in 1949-50. He became chairman of the Art Department of the Chicago Public Schools 1953-63. He was a student of Frederick Taubes of New York City from 1963-65 and a

co-teacher with Mr. Taubes 1965-70. He is now co-teacher with Jan Herring each summer in Cloudcroft, N.M. He has won numerous prizes and awards in Illinois, Texas, New York and New Mexico. One of his award-winning paintings may be seen in the current Big Country Art Association's Citation Show.

Mr. Crump is in demand for art instruction across a broad area of West Texas and he travels to many different towns. Currently he is teaching drawing and watercoloring each Wednesday afternoon in Eastland. He plans to have a full

scale watercolor class in January and February. He is a popular speaker for art demonstrations and will give one at Cisco Junior College the evening of Nov. 11.

Art lovers are invited to come in to view the paintings of John Digby Crump.

Four Nights For Spirit Growth

Do you feel low and depressed? Do you feel that your spiritual flame has died down to just a spark? Do you feel happy and optimistic? Do you feel that you are on the spiritual mountain top?

We've got good news for you! "Four Nights For Spiritual Growth" can help you. Everyone needs spiritual growth. We need to make our mountain tops higher so that our valleys will not be so low. We need to be better than we are. We need to live a life that matters.

"Four Nights For Spiritual Growth" will be at the First United Methodist Church in Eastland beginning Sunday night, Oct. 27, at 7:30 o'clock. It is four evangelistic services at which Don Johnson of Moody, Texas, will be preaching.

The Rev. Mr. Johnson is a native of Navarro County. He was a business man up until five years ago when he was called to the ministry. He attended Weatherford Junior College and Texas Wesleyan College to receive his Bachelor's Degree. At the same time he served as an associate minister at the Couts Memorial United Methodist Church in Weatherford and then as the pastor of the Bethel and Brock churches.

The pastor and congregation invite all our friends to come to First United Methodist Sunday through Wednesday nights at 7:30 o'clock to join us in spiritual growth and in hearing Rev. Don Johnson preach.

Mrs. Carl Johnson of Fort Worth was in Eastland last week visiting friends. She also visited her friend Mrs. Harry Hall in Carbon.

CARD OF THANKS

We want to send to our dear friends this special thank you for keeping us close in their thoughts and their prayers throughout my illness and surgery. For the kindnesses extended, the words of encouragement, the visits, the flowers, food and cards we thank you.

We are grateful to our doctors for their services, their interest and their concerns given during this trying time.

Mr. and Mrs. Robert Carroll
Mr. and Mrs. Bob Carroll
Mr. and Mrs. Ralph Frank
Hazel, Barbara & Larry Gourley

Dear Editor,

Is there any way that the citizens of Eastland can get the Olden Drive-in closed down?

The only kind of movies that are shown out there are X rated. They are nothing but filthy, perverted shows that nobody should see.

What is needed out there are more family movies, some that are decent for teenagers to go to see on a date.

Can't the city commissioners or citizens or somebody do something about it?

A Concerned Citizen

Centennial Memorial Library

The Centennial Memorial Library has many friends who present us with many and varied gifts. Memorial gifts honoring loved ones continue to come in as well as gifts of

books, both new and second hand, many gifts of pictures, maps, art work, hand made book casels, and the latest two hand polished file markers. This month we have received 25 new books and 14 second hand books. Presented to the Library Archives are many historical papers concerning early Eastland County by Mrs. James Horton.

Mr. Jake Sparr gave to the Library some old pictures of

Caution!

Mrs. Joseph M. Perkins Invited

Mrs. Joseph M. Perkins of Eastland, member of the National Board of the Medical College of Pennsylvania, has been invited to attend the Board's festive mid-year meeting and luncheon on Thursday, Nov. 7, at 11:15 a.m., in Washington, D.C. Hostesses for the occasion will be Mrs. John Logan who will open her

beautiful home, "Firenze House" to the meeting. Mrs. Oliver Remington Goldman (Urbana, Ill.), president, will preside. (The National Board is a group of 170 prominent women throughout the United States who serve as ambassadors of good will for the college.)

At the luncheon, Robert J. Slater, M.D., MCP president, will bring the members up-to-date on the College's programs. Nina Woodside, M.D., director of the College's Center for Women in Medicine, will make a report on the Center's activities.

Post Offices in Eastland, one about 1900, one when the Post Office was on the East Side of the square, and another of the employees in 1935. Also some historical data about early families. We appreciate the generosity of all our friends.
