Collett Trading Post Damaged In Sun. Morning Fire

Camp Stove Fuel Can Explodes As Owner Fills Tank

Damage in excess of $10,000 to stock and considerable additional damage to the building resulted from a fire in Collett's Trading Post in downtown Ozona Sunday morning.

The flash fire started from an explosion of a can of fuel for a camp stove which Mr. Collett was cleaning and filling preparatory to leaving on a week-end of fishing.

Mr. Collett, who was alone in the store, had filled the small camp stove and had lighted it for a test when the flame leaped to the open gallon fuel can nearby. Mr. Collett attempted to smother the fire with a rag he had in his hand and in doing so overturned the can, spilling the highly flamable fuel and causing an explosion of the fumes in the air and igniting nearby articles in the store.

Running to the Hurst Meinecke store, Mr. Collett asked that the fire department be notified and when he got back the flame had spread rapidly until the entire rear half of the interior was ablaze.

But for quick and efficient work of the fire department, the building would have been gutted. The flames although still in the rear half of the building, had created such intense heat that plastic articles in the front of the store were melted and rifles and pistols removed from the front window of the sporting goodsstore were almost too hot to handle. Firemen doused a quantity of ammunition in the front area of the store before it could explode.

The loss to the sporting goods stock is partly covered by insurance, Mr. Collett said. As soon as a settlement is reached and damaged stock cleaned up and made ready, a sale of fire and water damaged articles may be held later, Mr. Collett said. It will be some time before the store is again open for business. Meantime, he still has fishing licenses for sale. Mr. Collett said.

Mr. Collett had high praise for the work of the Ozona Volunteer Fire Department in controlling the blaze and expressed his deep gratitude to the fire fighters. He also asked that his thanks be publicly extended to those who assisted him in taking inventory of stock in the fire ravaged store. These included Mrs. H. C. Noelke, Buddy Russell, Armond Hoover, Jr., Bobby Halydier, Dick Kirby and J. G. Hufstedler.

Mr. Collett said that more specific announcement of his plans would be made at a future date.

Mr. and Mrs. Clarence Rasberry and Darrell in memory of Mr. Ted Doggett, Mr. Joe Pierce, Jr., Mr. Joe T. Davidson and Dr. H. B. Tandy.

22-Degree Temperature Discouraging To Trees, Shrubs Trying To Bud

If you thought, just because the buds are swelling, fruit trees are blooming, grass and weeds are green and the sunshine has been warm, that all these things indicated winter is over and spring is here, you had a rude shock this morning.

From somewhere, probably to the north, came below — way below — freezing temperature in the Ozona environs early Thursday morning. The temperature sagged to 22 degrees in the early morning hours, with only a slight breeze from the northwest and barely enough moisture to make a thin coating of frost on metal objects.

Temperatures for the past week have been mild, reaching the high seventies in the daytime. This morning's low temperature was the tailend of a cold front which swept in with high winds and dust Tuesday.

Jo Lynn Shoppe To Open Saturday In Shopping Center

Mrs. A. T. Wilhite of Monahans, owner, has announced opening of the Jo Lynn Shoppe No. 2 in Ozona next Saturday, March 11, from 9 a. m. to 6 p. m.

Mrs. Wilhite owns a similar ladies ready to wear store in Monahans where she has been in business for a number of years. Mrs. Frances Parmelee, who has already moved to Ozona, will be the store manager and Mrs. Sam Beasley of Ozona will be a sales lady in the new store.

The Jo Lynn Shoppe is located in the Village Shopping Center. The public is cordially invited to visit the new store on its opening and to see the new Spring merchandise on display.

3 Ozona Players Named To All-Dist. Basketball Teams

Carnes On First Team, Long And Miller On Second Team

By Ernie Boyd

Three Ozona Lions were named to the All-District basketball squad named by district 8-A coaches, according to word from district headquarters located in Sonora this year.

Phillip Carnes, fiery Ozona guard and play maker as well as the Lions second scorer in district play, was named to the first team while Hal Long, the Lion's leading point maker, and Van Miller, co-captain of the Lions, were both named to the second squad.

Each team in the district placed one player on the first team with Big Lake and Ozona each placing two on the second squad.

Named to the first team were, Gene West of Sonora, Greer Kothman of Junction, Bobby Hubbard of Big Lake and Jim Runge of Eldorado, with Carnes filling out the team.

The second squad was composed of Primo Gonzales of Sonora, Hal Long of Ozona, Van Miller of Ozona, Fin Watkins of Big Lake, and James Mann of Big Lake.

Long led the Lions in scoring in district play but started district play slowly, not really playing very good basketball until the secdon round. Miller led the Lions in pre-season play but fell off in his scoring when district began.

Even though not a smooth performer, Carnes averaged almost 11 point per contest and distinguished himself on defense and with his hustle and desire to win.

All three Lions named to the squad are juniors. Carnes was the only non-senior on the first team while one of the second team was a senior.

Long led the Lions scorers with 117 points in eight games for a 14.5 average. Long played well on defense and rebounded strongly in the second half of play but did neither very well in the first half.

Red Cross Fund Drive Kick-Off Set For March 20

City Clubs Cooperate In Solicitation For 1961 Budget

Ozona Red Cross Chapter's 1961 Fund Drive will be kicked off Monday morning, March 20, following a coffee meeting of workers at the Hi-Way Cafe, Roy Thompson, 1961 Fund Drive chairman, announced this week.

As in other years, the drive chairman said, he is depending on volunteer solicitors recruited from among members of the various organizations of the city. With such volunteer helpers in sufficent number, it is hoped to complete the annual fund drive in a one-day campaign.

The Ozona chapter this year has been assinged a quota of $1250, which includes the local chapter budget for the coming year's atnicipated expenditures and the National organization's quota assigned the local chapter. The American Red Cross national organization operates on an annual budget of approximately 84 million dollars, the money financing such important functions of the mercy organization as services to armed forces, blood bank collection, disaster relief, first aid and water safety training and the many other functions of the Red Cross.

County Judge Houston Smith returned this week from Galveston where he recently underwent major surgery. Judge Smith is spending some time at his office each day while he recuperates from the operation.

Burglars Get $90 In Raid On Ranch Feed And Supply Co. Office

Burglars sometime Saturday night entered through a broken back window and gathered up some $90 in cash and change from the office of the Ranch Feed & Supply Co. and Crockett Wool & Mohair Co.

The safe is left unlocked with a sign advising prospective yeggs of the fact. A small amountof change in the safe and from the cash registered constituted the haul. The intruders did, however, stock up on cigarettes from a cigarette machine in the office. Unable to get the the cash in the machine, the burglar was satisfied with a few packs of cigarettes for his trouble in breaking into the machine.

Fleet Coates, one of Crockett county's pioneer ranchers, was hospitalized this week suffering from a heatr condition. He was reported doing well this morning.

MISS GENELLE CHILDRESS

Wedding Plans Of Miss Genelle Childress And Ronald Lewis Berry Told At Dinner Party

At a family dinner party in their home Saturday night, Mr. and Mrs. Pleas Leasel Childress, Jr., of Ozona announced the engagement and approaching marriage of their daughter, Genelle, to Ronald Lewis Berry, son of Mr. and Mrs. W. J. Berry of Grand Prairie.

Miss Childress is a graduate of Ozona High School and Pine Manor Junior College in Wellesley, Mass. While at Pine Manor, she was named May Queen and received one of six awards for outstanding students.

She now is a junior English major at the University of Texas where she is a member of Kappa Alpha Theta sorority.

Mr. Berry attended Grand Prairie High School where he was valedictorian of his graduating class.

He is an honor graduate of Massachusetts Institue of Tech nology, Carbridge, Mass., where he received a bachelor of science degree in aeronautics and astronautics. Presently, he is engaged in graduate study and research in aero-space engineering at the University of Texas.

A summer wedding is planned.

ATHLETES FROM 22 AREA SCHOOLS ACCEPT INVITATIONS TO COMPETE IN OZONA'S 9TH ANNUAL RELAYS

W. T. Bradbury New Owner of Men's Store In Shopping Center

The former Esquire Shop, established two years ago in the shopping center by Mrs. W. T. Goodson, this week becomes Bradbury's, a men's clothing store now owned and operated by W. T. (Bill) Bradbury.

Mr. Bradbury is an experienced men's clothing store operator, having owned and operated such a store in Lubbock for many years. His home was originally in Cleburne and he and Mrs. Bradbury had been making their home in Cleburne for the past couple of years since he disposed of his holdings in Lubbock.

Mr. Bradbury has announced that he is in the process of restocking the local store and will delay his formal opening under new management until a later date when new merchandise is on the shelves.

Wildcat Location, Two Outposts Spotted In West Crockett Area

Crockett County gained location for a wildcat and two outposts during the past week.

Plymouth Oil Co., Midland, will drill the No. 13-00 Noelke Livestock Co. as a 2,000-foot wildcat in the Olson multipay field of Crockett County, 16 miles southeast of Iraan.

Location is 1,595.45 feet from the south and 990 feet from the east lines of 10-GG-T&NO.

The Olson field produces from the San Andres and Grayburg between 1,860-2,040 feet.

The field has one Wolfcamp well producing from 5,381 feet. Canyon production is depleted.

Gulf Oil Corp. has field application to complete as a two-mile southeast extension to the Farmer (San Andres) field of Crockett County, its No. 1-IS State, former 2,800-foot stratigraphuc test, 13½ miles southeast if Big Lake.

Location is 2,310 feet from the north and west lines of 22-47-University.

Gulf Oil Corp. will drill the No. ST-1-IW, a 2,800-foot stratigraphic test in Crockett County, 15 miles southeast of Big Lake and 15⅝ miles south-southeast of the Farmer (San Andres) field.

Location is 2,310 feet from the south and 1,650 feet from the east lines of 5-46-University.

El Cinco Production Co., Ltd., Midland, No. 1 C. D. Johns, in 24-31-H&TC, Crockett County wildcat, five miles southwest of McCamey and 1⅜ miles southeast of the Crossett, South (Devonian) field, recovered 250 feet of heavily gas-cut and slightly water-cut mud on a drillstem test in the Devonian.

Tool was open 1½ hours on the test taken between 5,236 - 5,405 feet. Flowing pressure was 70-150 pounds; 30-minute shit-in pressure, 2,285-1,470 pounds.

The project, slated for 6,000 feet, was preparing to drill ahead.

A son, Thomas Stanley, was born Friday March 3, in the Crockett County Hospital to Mr. and James W. Carpenter of Ozona.

West Texas Track And Field Talent To Assemble Saturday

By Ernie Boyd

The largest field of entries in the history of the Ozona relays is expected on hand Saturday as twenty-two teams vie for the title in the ninth running of the Ozona Invitational relays.

Meet Director Chick Womack revealed this week that of the twenty-five invitations extended twenty-two had been returned indicating they would be on hand.

Fred Sallings of Miles will once again be the starter for the meet with members of the Ozona Public School faculty and volunteer help from among the Ozona track carrying out the many duties connected with running off a meet.

The Ozona Lions, who are defending the title won for the past two years, will be in for some stiff competition this year as the big field moves into Ozona.

The Lions hopes in the 440 relay were struck a blow in the Ft. Stockton meet when newcomer Freddy Dobbs, who had been showing well in drills, pulled a muscle and may be out for a month or more.

Replacing Dobbs will be two new squad members from the basketball squad, brothers, Carl and Pete Montgomery. The Montgomery brothers will join the veterans Tony Parker and Jim Doran to give the Ozona team a lineup that is expected to hold at least until Dobbs is ready again.

The Lions have considerable strength in the hurdles where Phil Carnes, the Lions lone winner in Ft. Stockton, leads a group of able hurdlers, some of whom may not be ready this early in the season but are expected to be strong contenders by district meet time.

The Lions are expected to be strong in the 880 relay, the dashes and the broad and high jumps. Coach Womack said Tuesday that he felt that they could win the critical points needed from other district schools but could not guess how other competition would affect the expected points that Eldorado and Junction stand to make in district.

Challenging Ozona with strong squads will be Eldorado, Junction, Sanderson, Mason, and Eden with Sonora being a good chance of being a big point winner.

Teams indicating that they would be present are; Eldorado, Sonora, Big Lake, Junction, Sanderson, Rankin, Iraan, Bronte, Robert Lee, Bandera, Rock Springs, Barnhart, Christoval, Ackerly, Mason, Miles, Grand Falls, Menard, Garden City, Melvin, and Eden in addition to host Ozona.

As best as can be determined this early in the season, the records now established in the Ozona meet do not seem to be in any great danger, but Sanderson has a great half miler and Bandera is reported to have a good vaulter.

Most of the teams entered in the Ozona meet will be in action for the first time this season, however, making it difficult to predict just where the great performances will be coming from.

A norther which blew into Ozona Tuesday gave some hope that the weather, which has a way of being had at this meet, might be good for a change.

—oOo—

Ozona Woman's Club To Meet Tuesday

The Ozona Woman's Club will meet Tuesday afternoon, March 14, for a program entitled "A Dedicated Look at Our Texas State Parks."

Mrs. J. B. Miller will lead the the program and Mrs. O. D. West will show colored slides on state parks, with Mrs. R. H. Knox as narrator. Mrs. Stephen Perner will read the poem, "Ballad of the Big Bend" by Byrd Friend (Mrs. Frank) and Miss Jan Pridemore will play a piano solo. Mrs. N. W. Graham will give the benediction.

THURSDAY, MARCH 9, 1961

Notes From The County Agent's Office

By Pete W. Jacoby

The revised inventory estimates will have a favorable effect on stocker prices of cattle, according to Lloyd Bergsma, livestock marketing specialist with the Extension Service at Texas A&M College. It is not likely that this favorable effect will more than offset the effect of expected lower slaughter cattle prices this fall. As usual light stocker cattle wil be in strong demand this spring. Producers with stocker and feeder cattle for sale should take advantage of any price bulge, suggests Mr. Bergsma.

Texas cattle numbers are up as total numbers increased three percent during 1960. The January 1, 1961, cattle inventory of 9.4 million head is the largest cattle population in Texas since 1891.

Sheep and lamb numbers increased four percent in Texas during 1960 to reach an estimated total of 6.2 million head.

The increase in sheep numbers in Texas was contrary to the National trend. Sheep and numbers in the U. S. declined one percent during 1960.

A six percent increase in goat and kid numbers in Texas during 1960 places the total inventory at 3.5 million head.

Certified seed growers in the state have produced their first crop of premier, a new variety of sideoats grama, and reports indicate they are very pleased with the results. The Texas Agricultural Experiment Station, developers of Premier, took a survey of growers and found that most thought the new strain was as good or better in every way than Coronado, Uvalde, Vaughn or El Paso.

All the growers surveyed said they would recommend Premier to their friends because of its outstanding qualities.

One of Premier's greatest advantages over other commercial varieties is its ability to grow under limited moisture conditions. Another is its tendency to retain its spikes after maturity, thus allowing more time for harvesting.

Forage production is another of Premier's strongpoints. The seed germinate readily, and the seedling develop into mature plants in approximately 120 days. This, coupled with the plant's ability to produce long, broad leaves, makes for a bountiful forage production in a relatively short time.

Premier is recommended for the area bounded by Lubbock, Sonora, Stephenville and Marfa. It should be planted in sandy loam, loam and clay loam soils at the rate of one pound of pure live seed per acre. Seeding should be done in early spring, and competitive plants should be controlled by spraying or mowing.

Seed should be available from commercial seed producers for spring planting.

IN THE COUNTY COURT OF CROCKETT COUNTY, TEXAS
IN RE: Guardianship of the Estate of Helen Henderson, a minor:

NO. 199

NOTICE

To all persons interested in the Estate of Helen Henderson, a minor

You are notified that I have on the 8th day of March, 1961, filed with the County Clerk of Crockett County, Texas, a written application asking for authority to lease property of the above estate for mineral exploration and development, such property being described as follows:

All of the interest of said minor in all oil, gas and other minerals on, in and under all of Survey 2, Block P, Abstract 4545, Certificate 7, T. P. Brown Grantee, containing 638.3 acres of land, more or less, Crockett County, Texas which interest is believed to be an undivided 1-16th fully participating interest.

All of the interest of said minor in all oil, gas and other minerals on, in and under all of Survey 20 ¾, Block GP, Abstract 5118, Certificate SF7920, Lee Henderson Grantee, containing 110 acres of land, more or less, in Crockett County, Texas, which interest is believed to be an undivided ⅛th fully participating interest.

You are further notified that the Judge of the County Court of Crockett County, Texas, did on the 8th day of March, 1961, enter an order designating Monday, the 20th day of March, 1961, at 10 o'clock a. m., in the County Court Room of the County Court House of Crockett County, Texas, as the time and place of the hearing of such application.

Dated this the 9th day of March, 1961.

Lucille Henderson Russell,
Guardian of the Estate of
Helen Henderson, a minor tfc

Continental To Spend 10 Million In Texas For 1961 Activities

Houston, Texas — Continental Oil Company will invest approximately $10,000,000 in exploration, production, manufacturing and marketing activities in Texas during 1961, it was announced Saturday by L. F. McCollum, president.

Mr. McCollum added that the $10,000,000 investment does not include the annual company payroll of $15,500,000 for some 2,000 company employees in Texas, nor maintenance and other normal operating expenditures.

Conoco plans to drill 64 exploratory and development wells in Texas during the year at a cost of approximately $6,000,000 he stated. The company's wells in Texas are currently producing at the daily rate of over 41,000 barrels of oil. The remaining $4,000,000 will be invested primarily in miscellaneous production equipment, new service station outlets, and natural gas facilities.

IT IS TIME TO TAKE NOTICE

Public School Week was observed this week by the schools of Ozona. This was an opportunity for the Parents and students to be more conscious of the education and activities offered in our school system.

Do you as parents take enough interest in your child's education and his activities? At the end of a six-weeks, why don't you do more than just flip the report card to the back and sign it without even caring to look ta the grades? Have you even paid enough attention to the grades which were averaged to make up that A, B, C, or F on that report card? Then your son brings home a big red F in English, have you noticed him studying very hard throughout the six weeks period? There is always a good reason for that grade, and something should be done about it.

This duty falls mainly into the hands of the students. No matter how much influence and training they have, some could not care less what their grades might be. Students, don't you think you owe it to your parents as well as yourself to make the best of this education? Think of the time, money, and effort your folks have spent on you ir order that you might have a top-notch education.

The levels and fields of knowledge are open to high degrees, and there is no reason why you can't reach the top.

—oOo—

JUNIORS AND SENIORS CELEBRATE TOGETHER

Once again the annual confusion of the Junior-Senior Banquet rose and fell. The juniors worked weeks ahead to prepare the festivities.

The program began with the welcoming by Junior Class President Carl Montgomery and the invocation was given by Phillip Carnes.

The Sophomore girls dressed as Hawaiian maidens, served the meal.

Mr. Taylor with help from Mr. Leath entertained.

The future of the Seniors was given by Vicki Carroll and Jan Pridemore, with the reading of the prophecy. The seniors had to leave some small memories behind which were included in the will read by Saundra Whitaker and Roberta Johnigan. Bobby Tabb then gave the benediction and the banquet came to an end for another year.

The remains of the banquet were then removed and the dance got under way. Pinky Meredith and his group supplied the sounds for the all-school-prom that followed.

NORTH TEXAS BAND DIRECTOR HOLDS CLINIC

Maurice McAdow, director of the North Texas State College, band will direct a band clinic for the Ozona High School band next Wednesday, March 15th. He will return March 28th with his N. T. S. C. band and present a concert for the public.

A director of bands and associate professor of music, McAdow has built the N. T. S. C. band program into one of national repute since joining the faculty in 1945.

He is a graduate of Illinois Wesleyan University with a Bachelor of Music degree and has studied at the American Conservatory of Music in Chicago, where he received the masters' degree. He was a conducting pupil of Nicolai Malko.

Mr. Allen Morgan, Ozona band director, graduated from North Texas State College and was a member of the band under McAdow.

OFFICERS CHOSEN FOR STUDENT COUNCIL IN WEDNESDAY ELECTION

The election for the officers of Student Council for 1961-62 were held Wednesday at the noon hour.

Running for the office of president were Johnny Childress and Bobby Tabb. The results were 60 votes for Johnny and 52 for Bobby.

Brent Moore and Penn Baggett ran for the office of vice-president. Penn received 86 votes and Brent had 26.

Janet North and Nellie Carnes ran for the office of Secretary-treasurer. Janet had 88 votes and Nellie had 24.

LIONS PROWL

Ozona High School track meet will be held Saturday March 11. Deeney Holden, Tony Parker and Jim Doran were recently elected track captains.

The Junior class entertained the seniors with a banquet Saturday night. The entire high school was invited to the dance which followed The theme of the banquet and prom was Hawaii.

Friday will be enjoyed by most students of Ozona due to the fact that they will receive a holiday because of the teacher's meeting in Brownwood.

Various townpeople spoke to the high school classes during Public School Week which was Monday through Friday.

—oOo—

JOURNALISM CLASS TOURS STOCKMAN

Monday the jorunalism class were guided through a 40-minute tour of the Stockman.

Possibly one of the most interesting machine is the Linotype machine which does every thing except print, buy and read the paper for you. The demonstration was interesting with Richard, Mike and Mark daring each other to stick his fingers into a bucket of melted lead. Judy Black was running around the room trying to get into the ink, but all in all it was very educational.

The class was probably most interested in the printing press. Though they also showed a great deal of interest in the zinc coated plates which form a picture.

Mr. White did a good job of directing the tour and besides getting out of school for 45 minutes, it was very interestnig.

—oOo—

1961-62 STUDENT COUNCIL REPRESENTATIVES AND OFFICERS ELECTED WED.

The Student Council will hold elections for Representatives and Officers for next years' terms Wednesday of this week and Wednesday of next weke.

Last Thursday the students in the 8th, 9th, 10th, and 11th grades nominated 2 girls and 2 boys from each class who will run against each other in the election. There will be a girl and boy elected to represent their class.

Student Council Student nominated for seniors representatives for 1961-62 are: Johnny Childress, Bobby Tabb, Janet North, Don Nell Carnes.

Students nominated for junior representatives for 1961-62 are : Arlene Gotcher, Gracie Chandler, Penn Baggett, Brent Moore.

Students nominated for sophomore representatives for 1961-62 are: Janet McAlister, Ramona Powers, Scott Mahon, Paul Perner.

Students nominated for freshman representatives for 1961-61 are: Rick Hagelstein, Jad Huff, Vicki Applewhite, Yvonne Martinez.

From the four nominees of each class the student council drew up a ballot with two candidates for President, Vice-President, and Secretary.

The two candidates for President Johnny Childress, Bobby Tabb,.

The candidates for Vice-President — Penn Baggett, Brent Moore.

The candidates for Secretary — Treasury: Janet North and Don Nell Carnes.

30 JUNIORS TAKE NATIONAL MERIT SCHOLARSHIP TEST

Thirty students at the Ozona High School took the National Merit Scholarship Qualifying Test J. A. Pelto Principal, announced. The test was at the High School at 9:00 a. m. Tuesday March 7. All students who wish to be considered for Merit Scholarships to be awarded in 1962 took the test at that time.

The qualifying test was a three-hour examination of educational development. The test is the first step in the seventh annual competition for four-year Merit Scholarships provided by the National Merit Scholraship Corporation and by sponsoring corporations, foundation associations, and individuals.

The number of scholarships awarded in any year depends upon the extent of sponsor participation. In 1960, 831 scholarships were awarded; 514 were provided by 115 sponsons and 317 by the Merit Corporation. There are 3,132 Merit Scholars attending 391 colleges in the current academic year.

The scores of students who took the test on March 7 will be reported to their schools before the end of the spring semester in time for use by class advisers. The scores are used in many high schools to help students make edicisions about college attendance and field of study. Many students who do not expect to win a scholarship take the test in order to learn more about their individual strengths and weaknesses in the areas measured by the test.

—oOo—

SENIORS TO TAKE KUDER TESTS MARCH 13

The senior will take the Kuder Preference Tests March 13, at 8:30 a. m.

San Angelo Junior College students will give these tests which will be given to test the students' aptitudes for jobs.

LOCAL BUSINESS MEN CONTRIBUTED TO PUBLIC SCHOOL WEEK

This week, beginning Monday March 6, all schools in Texas observed Public School Week.

In Ozona High School, local business men and women talked to different classes about job opportunities open in thos fields. They also told the students of future possibilities in college and gave, to a certain degree, technical information on the subject.

Bill Aker of Continental Oil Co. spoke to the chemistry and physics classes. He told these classes that regardless of what field a person is in, he must know how to communicate with others, either by speaking or writing.

T. J. Bailey of West Texas Utilities Co. spoke to the General science classes. The Texas history class, guided by Mrs. R. A. Harrell, tourned the local museum. Dixon Mahon, local attorney, was the speaker in the civics class. Roger

(Continued on Page 5)

TOMORROW IS THE TENTH!

The merchants in our town are interested in you – their customer – and in your welfare. They have provided for you a great privilege – that of credit buying.

They realize that business goes where it is invited and stays where it is well treated. You can be assured of this courtesy treatment if you, in turn, show your appreciation by paying promptly by the 10th of each month.

Each time you make a credit purchase you have, in fact, formed a contract, which is no less binding, even though you may not have signed a formal paper or note. The merchant fulfills his part of the contract when he allows you to take the merchandise from his store – you fulfill your part when you pay as agreed.

Have you been careless in your part of fulfillment – have you "defaulted" on your contract by allowing your bill to become delinquent by your neglect to pay on time? Think seriously of this contract that you have made-so that you may still continue to enjoy this privilege of "credit purchasing."

Your Retail Merchants Association faithfully keeps the credit record that you are making. Remember we only KEEP the record, we do not MAKE the record.

League Women Voters Baffled By Swarm Of Candidates For Senate

The number of candidates who have filed in the race for the special election to fill the U. S. Senate seat has caused the League of Women Voters of Texas to cancel its plan for a Voters Guide for the election..

The League has long made it a practice to issue a non-partisan Guide for every statewide election, giving the qualifications of each candidate and his views on important issues.

"Although a race as important as this one should be covered, with so many seeking the ofice, we feel we cannot possibly publish a Guide that would be useful and readable", said Mrs. George C. Boller, President of the League. "We regret that this step has become necessary but we feel that we would be unable to give the public the kind of service it has come to expect fro mthe League."

The candidates who had already responded to the League questionnaire are being notified of the League's action.

THANK YOU!

We want to say a big thank you to all our customers for their patronage during the time we operated the Esquire Shop.

Mr. Bill Bradbury has purchased the business and we are back in the Cafe business at M&M.

We hope you will continue your patronage at Bradbury's and we invite you to come dine with us at the M&M.

Your RIGHT TO VOTE

MR. AND MRS. VOTER, do you feel that you should have an opportunity to vote on legalizing Parimutuel Horse Race Betting?

A constitutional amendment (H.J.R. #4) is being considered whereby Texans will be given an opportunity to legalize horse race betting in Dallas, Tarrant, Harris, Galveston, Bexar, Midland, Hidalgo, Cameron and Webb Counties, subject to approval by LOCAL OPTION.

H.J.R. #4 provides for distribution, ANNUALLY, among all counties that do not have race tracks, one-half of the STATE TAX REVENUE obtained from horse racing. Each county would receive approximately $1.00 per capita population the first year. Counties where the tracks are located would receive 2% of parimutuel handle. The state's tax income from horse racing alone would run close to $12,000,000 the very first year—possibly more—besides all the income tourists would bring to Texas—which would amount to millions of dollars, plus a great ad valorem tax on race tracks, breeding farms and many valuable race horses.

Please express your opinion by checking ☒ the appropriate box below. You do not have to sign your name unless you like, but we would prefer it.

----------POLL----------

☐ YES: I feel that the people should have an opportunity to vote on horse race parimutuel betting.

☐ NO: I am not in favor of letting the people vote on the subject.

Announcing

Bradbury's

Successors to the ESQUIRE SHOP In The Village Shopping Center

We are p r o u d to announce our purchase of the men's wear store formerly known as the Esquire Shop from Mrs. Goodson. We hope you, her customers, will continue to look to this store for your clothing needs.

Many things entered into our decision to go into business in Ozona. Not the least of these was the friendly attitude, the progressive look and the proud contentment of this city. It will be our aim to fit in and to bring you the kind of store of which you can be proud.

We will carry a full stock of the kind of merchandise you want. We invite you to come by and let's get acquainted.

W. T. (Bill) BRADBURY

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Mar. 10, 1932

With fitting words of praise for the building itself, for the school board that supervised its construction, for the architect who designed it, for the contractor who built it and for the people of Crockett county whose foresight and progressiveness made it apsible, Ozona's new $170,000 high school building was dedicated at appropriate exercise held in the new auditorium Friday evening.

—news reel—

The annual Easter Egg hunt staged by the Ozona Lions Club will be held again on Easter Sunday.

Settlement of the suit of Frank White of San Angelo attacking disposition of the Shannon millions as directed in the will of Mrs. Margarat A. Shannon, widow of J. M. Shannon, was reported to have been settled in San Angelo, trustees of the estate agreeing to pay Mr. White $125,000 in addition to property left him in the will.

—news reel—

T. A. Kincaid, president, and E. B. Baggett, Jr., secretary, of the Sheep & Goat Raisers Association of Texas, are in Kerrville today attending a meeting of the executive committee of the association.

—news reel—

All officers and directors of the Hotel Ozona Corporation were reelected at the annual meeting of the concern Saturday. Jones Miller is president of the company.

—news reel—

Negotiations with sewer companies for installation of a system here having so far failed, a movement was under way this week for the circulation of a petition asking for a bond issue election for the purpose.

—news reel—

Mrs. J. C. Landon of San Angelo presented two interesting lectures to school children, members of the Ozona Woman's Club and others Tuesday at the new high school building in connection with an attractive exhibit of paintings by prominent Texas artists.

—news reel—

The Ozona Music Club will be entertained at the ranch home of Mrs. R. A. Harrell on March 17, with Mrs. B. B. Ingham and Mrs. J. M. Dudley as assisting hostesses. The program will be on American opera with Mrs. Royce Smith as leader.

———oOo———

A report by Dr. John J. Theobald, New York School Superintendent, at the end of the 1960 school year noted that 53,683 children had left the city's elementary schools in the past three years for private and parochial schools; that from 1950 to 1958, 835,000 alien immigrants, Puerto Ricans and southern Negroes (almost 60 percent Puerto Rican and Negro) had moved into the city; 1,285,000, mostly white, moved out.

There would appear in these statistics at least a hint that the reputedly illegal urge for segregation is not limited entirely to Dixieland.

CROCKETT HOSPITAL NEWS

We try Mister — we sure try!

Yes, Mister—the answer is Yes! You see, we are an investor-owned company, so one of our aims is to make money for our investors—the people who own us (after we pay our taxes, bills, and employees)... you know we are owned by many thousands of individual investors.

We don't have any special privileges from the government, to borrow money or to be excused from any taxes. We operate just like any other "free enterprise" business. We manufacture and distribute electric energy and we must make a profit to stay in business. So again, Mister—the answer is Yes—we sure try to make a profit.

West Texas Utilities Company — an investor-owned company
