VOL. 11, NO. 34 THE HANSFORD PLAINSMAN, SPEARMAN, TEXAS 79081 SUNDAY, JUNE 14, 1981

Four Named To Boards

At the regular meeting, Tuesday night, members of the Spearman city council zipped through the first six items before them in six minutes--and this without neglect since the agenda was not that burdened.

The first three action items had to do with appointments to four of the city's regulating agencies.

Mary Lou Wysong and Jim Nicholson were appointed to the Zoning Board of Adjustments.

Joyce Crum was appointed to the Housing Board.

R.L. Uptergrove was named to the Electrical Board.

The panel accepted the recommendations of the Mayor and the City Manager regarding the appointment of a certified public accountant for the fiscal year 1980-'81 and ratified the employment of the firm of Mason and Henton. The firm has previously served the city and as City Manager Jim Murray pointed out, they were familiar with the city's accounting methods and too, their work had been very satisfactory is previous services.

The status report on the effort of the council to interest a developer or developers in a quality mobile home subdivision indicated little progress to date but did note that fact that interest was still running high on the part of two developers.

Under the press of present economic conditions, a mobile home is the only housing many people can afford and the Mayor and members of the council have recognized this in a concerned manner hoping for a development that is more than the rand-and-file location of such homes on land.

Said land is presently the key to progress in the effort. Two or three locations are under study and inverstigation as to availability. Of course, cost of lots in such a development would depend greatly on initial outlay of the land but in previous such status reports, an unofficial figure of $7,000 has been mentioned--that complete with services ready to locate a mobile home.

The remainer of the scheduled session was occupied with the study and subsequent approval of police, fire, ambulance and animal control reports plus bills payable.

Swim Team Competes At Perryton

The Spearman Swim Team traveled to Perryton on Saturday, June 6, 1981 to compete with teams from Guymon, Pampa, Perryton and Ulysses. The team showed possibilities, since it had been in the water only once this season. It also has grown in size this year with 35 members. Results are as follows:

The Girls 11-12 Free Relay team won 2nd, and the Boys 11-12 Free Relay team also won 2nd Place. The Girls 15-18 Free Relay Team won 1st Place! Haley Shieldknight and Kyla Nelson both competed in the 8 & under 50 Free and did very well at that--Haley finished 2nd and Kyla finished 5th. Chris Strawn competed in the Boys 8 and under 50 Free and placed 6th. Carly Shieldknight placed 3rd in the Girls 9-10 50 Free. The 6th place winner in the Boys 11-12 50 Free was Brett Davis. Kim Elbert and Heather McRee competed in the Girls 13-14 50 Free--Kim winning 2nd Place and Heather winning 6th Place. As far as the Boys 13-14 50 Free, Nick Wirsdorfer won 3rd in that event.

The next events were in the 100 Free. In the Girls 15-18 100 Free event, Stacey Thomas won 3rd, Robbie Heinrich won 5th Place, and Teresa Miesner won 6th Place. Gary Thomas competed in the Boys 15-18 100 Free and won 2nd. In the Girls 9-10 100 Free, 3 girls competed and did a Fantastic job! Carley Shieldknight won the event, Andi Speck came in 2nd, and J.J. Schaffer was in 4th Place. Jane Wirsdorfer competed in the 11-12 100 Free and placed 5th.

Haley Shieldknight competed in the 8 & under Backstroke and won 2nd Place. Kenny Bullard won 3rd Place in the Boys 13-14 Backstroke. In the Boys 15-18 Backstroke, Gary Thomas placed 4th.

Teresa Miesner placed 4th in the Girls 15-18 Butterfly.

The Breaststroke competition followed. Haley Sheildknight placed 3rd in the 8 & under Breaststroke. Placing 4th in the Girls 9-10 Breastroke was Carly Shieldknight. Jane Wirsdorfer won 6th Place in the Girls 11-12 Breaststroke. Nick Wirsdorfer, who competed in the Boys 13-14 Breaststroke did such a GREAT job that he won the Event!! Two girls placed in the 15-18 Breaststroke. Stacey Thomas placed 3rd and Marietta Davis was in 6th.

The most competitive event had to have been the 200 Free. Kim Elbert did her best in the 13-14 200 Free and placed 3rd in the event. Stacey Thomas won the Girls 15-18 200 Free by doing a GREAT JOB!! In 5th Place was Robbie Heinrich--also in the Girls 15-18 200 Free, and Teresa Miesner finished in 6th in the Girls 15-18 200 Free. Gary Thomas did a FANTASTIC job in the Boys 15-18 200 Free, but came up short, and took home 2nd Place.

The Girls 15-18 Medley Relay did a SUPERB job and won the Event!!

The team is practicing twice daily this week. The next meet will be in Ulysses, Kansas Saturday, June 13.

NEW METHODIST MINISTER -- The Rev. Albert Lindley and his family are already settled in the parsonage on Lynn Drive and into the community of Spearman. Standing beside the new pastor is daughter, Phyllis. Seated is wife, Peggy.

4th of July Fun Run Planned

A 4th of July YMCA Fun Run is being planned.

Starting time is 8 a.m. with registration beginning at 7:15 a.m.

Contestants will start at Thriftway Grocery.

Entry Fee is $5.00. Proceeds will go to the YMCA.

There will be a 6.0 mile run and a 3.2 mile run.

The divisions for men and women may vary, according to the number of entrants in each division.

Divisions for men in the 6 mile run and the 3.2 mile run are 0-20, 21-30, 31-40, 41-50, and 50 up.

The divisions for women in the 3.2 mile run are 0-20, 21-30, 31-40, 41-50, and 50 up.

The women 6.0 mile run will be open.

Entry Blank for the Fun Run:

Name _____ Age _____

Address _____

Circle one:

Men	Women
3.2 Run	3.2 Run
6.0 Run	6.0 Run

Send your registration form, along with your $5.00 entry fee to Stephanie Brock, 206 Main, Spearman, Texas 79081.

All-School Reunion

Plans are almost complete for the all-school reunion July 3rd and 4th. A list of the activities planned so far is enclosed.

For those of you who will need rooms here are the address of the hotel and motels available:

Baker Hotel, 420 Davis, Telephone No. 659-3446

Patton Motel, Highway 207, Telephone No. 659-2227

Nursanickel Motel, Highway 207, Telephone No. 659-3737

If you need additional help in finding rooms contact Nell Patterson, Rt. 1, Box 41, Spearman, Telephone No. 659-2144.

If you will need baby-sitting on Saturday, please contact Cindy Schneider, 715 S. Steele, Spearman, Telephone No., 659-3025. Plans are being made to keep the children at the "Y" if there is a need to justify this, so let Cindy know as soon as possible, please.

Tickets to the noon barbeque on the 4th will be $4.00. You do not need to purchase your tickets now but in order to know how many to plan for, please contact Mary Schumann, Rt. 1, Box 20A, Spearman, Telephone No., 659-2178 and tell her how many in your family plan to attend.

The dance Saturday night will be at B&B Farm Industries Building, 703 Collard. Tickets will be $10.00 per couple and will be purchased at the door.

The High School Library and the Home Making Rooms will be open all day Saturday for relaxing and visiting if your class has no other activities planned.

See you at the reunion!!!!!

Swimming Pool Hours

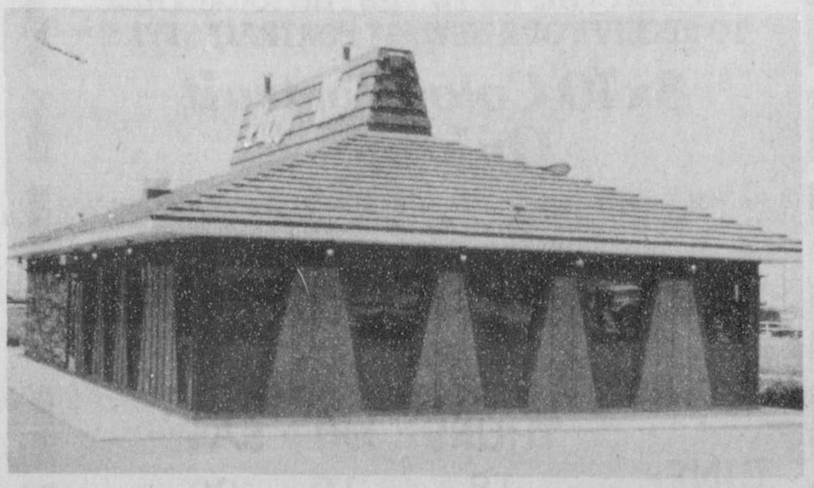

The swimming pool hours are as follows:

Recreational Swims: Monday-Saturday 1:00-5:00 p.m.; **Recreational Swims:** Sundays 1:30-5:30 p.m.; **Family Swims;** Mondays from 6:00-7:30 p.m.; **Teen Swims:** Wednesdays from 9:00-11:00 p.m.; **Ladies Swims:** Monday-Saturday 11:00 a.m. 1:00 p.m.; **Water Exercise Classes:** Monday-Wednesday-Friday 11:00 a.m. - 1:00 p.m.; **Water Exercise Classes:** Tuesday & Thursday 6:00-7:00 p.m. **POOL RENTALS OTHER HOURS WEEKDAYS AND WEEKENDS AT $25.00 PER HOUR!!**

Football-Soccer Rematch

This coming Sunday, June 12, will be another day for Football-Soccer. The game will begin at 10 a.m. and will be at Borger against the Borger Barcelon.

The Spearman Pumas will be traveling to Borger to face the Barcelon, now as y'all recall, the Pumas had beaten the Barcelon by a score of 5-2. Go to the Borger field and check out the action. Maybe the Borger Barcelon believe that they have a better chance in the morning than they did in the afternoon.

Linda Gross on the left, assistant manager of the Pizza Hut, and Yovonne Brown on the right, manager invite everyone to come out to the Pizza Hut in Spearman, and help celebrate pizza Huts birthday. They will be giving away a free salad with each large pizza, June 15th through June 19th only! All of us in Spearman, wish them a Happy Birthday!

There is a new voice from the rostrum of First United Church Spearman. . . a new figure making the pastoral rounds--and rapidly making friends in all circles that is the communtiy of Spearman.

He is the Rev. Albert F. Lindley.

The new minister, his wife, Peggy and their 16-year old daughter, Phyllis are already at home in the parsonage on Lynn Drive. Phyllis is a junior in high school.

There are two older children in the family. A daughter, Pamela, is a teacher in the Amarillo school system. A son, Paul, is a student at West Texas State University, Canyon.

Rev. Lindley did his undergraduate work at McMurry College, Abilene. He studied at the seminary level in the Perkins School of Theology at Southern Methodist University.

He has served churches at Vernon, Friona, Aspermont and Petersburg before coming here from Forrest Heights United Methodist Church Lubbock.

Peggy will be a third grade teacher in the fall at Spearman Elementary School.

Singles Set Get-Together

"Area Singles, let's have a 'get-together.'"

That's the invitation from both the leaders and the nucleous of a three-county group of unmarrieds to another meeting in a series designed to establish a regular social fellowship.

The "Get-Together" is set for 7:30 p.m., Wednesday (June 17) in Perryton's Leatherman Park on the north side of the parking lot.

"There are only three qualifications for becoming a part of this group social life." said one of the young ladies instrumental in bringing the group to its present stage. "You must be unmarried, have a sincere desire to become acquainted with other single people...and be sober.

"We just have not planned for any inebriates." She emphasized. "There are already opportunities for social drinkers to get acquainted in that frame of reference.

"We are not organizing a sanctimonious society. We already have group interest in dancing, cards, dominoes and other games, picnicking and other 'together' activities."

The group is small being an effort of only a few weeks but those already involved are enthusiastic and look forward to enlarging this social circle.

Faye's Daze

Look's like the good ole summertime is upon us. I have been hoping that it would not be as hot this summer as it was last summer but since the 100+ weather we have had this week, I'm afraid that hope has gone down the drain.

***

Following are some statistics concerning the cost of traffic accidents. The statistics are from the Texas Department of Public Safety, and I guess that following the two car accidents that killed two of our residents last week and injured two, I decided to give them to you, although it is a very grim story.

From 1775-1980, 1,186,654 Americans died in all the U.S. Wars: Revolutionary War, 4,435; War of 1812, 2,260; Mexican War, 13,283; Civil War, 529,332; Spanish American War, 2,446; World War I, 116,563; World War II, 407,332; Korea, 54,246; and Viet Nam 56,261. In contract to these deaths, from the period 1900-1980, 2,345,865 American died in U.S. Highway Accidents, not to mention the many who have been disabled for life.

The statistics go on to list the cost of traffic accidents:

"The playing area of a football field measures 300 feet by 160 feet.

"United States currency measures about 2 5/8 inches by 6/18 inches.

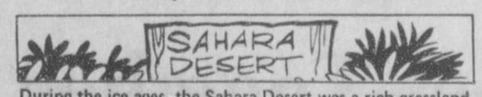

"If a football field was completely covered with one dollar bills, then a layer of two dollar bills, then a layer of five dollar bills, then a layer of ten dollar bills, then a layer of five hundred dollar bills, then a layer of one thousand dollar bills--THEN completely covered again with three more layers of one dollar bills, three more layers of one hundred dollar bills, three more layers of five hundred dollar bills, three more layers of one thousand dollar bills--THEN on top of these thirty six layers of money, place twelve more layers of twenty dollar bills--the money on that football field would still not represent the economic loss suffered from traffic accidents in Texas for the year 1980.

"The $4,010,000,000 estimated loss for this one year would buy: 10,000 homes at $80,000 each; 10,000 refrigerators at $700 each; 10,000 electric ranges at $600 each; 10,000 TV sets at $700 each; 10,000 dishwashers at $500 each; 10,000 automobiles at $10,000 each; 10,000 central air conditioning units at $2,500 each and furnish the head of each of the 10,000 households with a bank account of $206,000."

Mind boggling, isn't it. The economical figures are staggering, and the suffering involved by those in accidents and by their loved ones cannot be counted.

The American's love of the automobile has not only brought on these deaths, but is probably the principal cause of the inflation that we now have.

Maybe we need to go back to the horse and buggy days, bicycles, or something not quite so fast and deadly as an automobile.

During the ice ages, the Sahara Desert was a rich grassland.

Gardening News

PROTECT LEAVES FOR TOP VEGETABLES

Plant leaves provide a source of food used in the development of fruit. Thus it's important to protect foliage from diseases.

Plant foliage is subject to attack from bacteria and fungi. Fungicides to control diseases caused by fungi include: captan, folpet, zineb, sulfur, copper, maneb and other maneb combinations.

Bactericides are used to control bacterial diseases. Those most effective contain some form of copper or an antibiotic (streptomycin sulfate).

Combination products or those listed as general purpose materials, should be examined closely to make sure they contain a fungicide, if one is needed. Often general use products contain only an insecticide and thus would have no effect on any disease problems.

The secret of good disease control with either of the pesticide formulations is early detection of the disease, thorough pesticide coverage, and continual applications as long as weather conditions favor disease development. When using dusts, apply them in the evening to get better distribution of the pecticide over the leaf. Dusting when leaves are wet with dew can result in an uneven distribution since dust will be attracted to water droplets. Sprays can be applied at any time.

For a pesticide to be effective against a disease, it has to be on the leaf during the time when the pest is present and developing. For most disease, that is during and immediately after rainfall or heavy dews.

The secret to disease control is to use the proper pesticide, apply it at the proper time, and continue applications as long as the weather favors disease development.

Next week I'll deal with the most enjoyable part of gardening--harvesting all those mouth-watering vegetables.

Bullock Representative Here June 17

AUSTIN, Tex.--A representative of State Comptroller Bob Bullock will be in Spearman, on June 17, 1981, to assist area taxpayers and answer tax questions.

According to Claudia Stravato, manager of the Comptroller's Amarillo Office, John Lindsey, Enforcement Officer will meet with Spearman taxpayers at Hansford County Court House from 10:00 - 12:00 a.m.

Questions about taxes, the filing of tax returns or assistance on returns can be answered quickly and efficiently in these face-to-face meetings, Bullock said.

Taxpayers who are not able to meet with the Comptroller's representative on June 17, 1981, can still get their tax questions answered quickly by calling, from anywhere in Texas toll-free 1-800-252-5555.

A group of the SHS Choir will be having a Car Wash Saturday, June 20th at 9:00 a.m. at the Cates Car Wash. They will charge $10.00 to wash outside and vaccuum inside. Call Denice Blackburn, 659-2719 or Darren Goodheart, 659-3978.

YOUR GARDEN

Eye On Safety

Few Americans realize it, but each year over 5,000 eye injuries are caused by mishaps in the yard and garden. Pruning a bush can send flying clippings into the eye. A lawn mower can

hurl a stone into your eye or someone else's. Chemicals in pesticides, herbicides and fertilizers can severely burn your eyes. Here, from the National Society to Prevent Blindness, are some precautions you can take:

- Read thoroughly all package labels and instruction sheets that go with gardening tools and chemicals.
- Keep others away when you're mowing the lawn.
- Wear goggles or safety glasses when you're doing yard work.

For more information, contact your state Society to Prevent Blindness or the National Society to Prevent Blindness, 79 Madison Avenue, New York, N.Y. 10016.

Kirk's Honored On Golden Anniversary

On Sunday afternoon, June 7, 1981, the B&B Farm Industries Hospitality Room was the scene of a reception honoring the Golden Wedding Anniversary of Mr. and Mrs. Herbert T. Kirk. Their children, Nancy Ann Martin, Mr. and Mrs. Richard Kirk and the grandchildren were hosts.

Mr. Kirk is a Pioneer of Hutchinson county. He was born and now lives on land that was homesteaded in 1900 by his parents, the late Mr. and Mrs. D.B. Kirk.

Mrs. Kirk lived in Hillsboro, Texas unitl moving to Lubbock in 1928 with her parents when her father was appointed as the first County Auditor of Lubbock County.

The couple wed in 1929 when Mr. Kirk was a student at then, Texas Technological College, where he graduated in 1932. They made their home in Lubbock until moving to the Holt community, south of Spearman in 1957.

Mr. Kirk is active in Farm Bureau and a member of Knights of Pythias Lodge in Lubbock. He is actively engaged in farming and ranching with his son, Richard.

The Kirks have three grandchildren, Mrs. Jamey (Kandy) Gressett of Amarillo, Kevin Kirk of Stinnett, Kyle Kirk of Pasadena.

At the reception the table was laid with a lace cloth, accented with a centerpiece of carnations and spider mums, sent by friends in Boise, Idaho. Also a tiered cake.

Mrs. Owen Pendergraft registered guests and other members of the houseparty were Mrs. Raymond Kirk, Mrs. Randy Kirk, Mrs. Maxine Parker, Larry Shipman and Kevin Kirk.

Out of town guests included from Lubbock Mr. and Mrs. Joe Y. Boyd, Mildred Boone, Mrs. Evelyn Pope, Mr. and Mrs. Dan Maxson, Mary M. Baker; from Amarillo, Kandy and Jamey Gressett, Mr. and Mrs. Gene Webb, Mr. and Mrs. Roy Thompson, Mr. and Mrs. Cyril V. Way; from Pampa, Mr. and Mrs. J. Kirk Duncan, Mrs. Ivy Duncan, Mrs. Faye Stowell; from Borger, Mr. and Mrs. Buster Kirk, John Pafford, Mrs. Maxine Parker; Larry Shipman from Austin and Mrs. Palmera Burris from San Antonio, Texas.

Mr. and Mrs. Herbert T. Kirk

MEAN GREEN MAY BE ON TELEVISION

If the baseball strike goes through, Coach Ooley and his "Mean Green" team may replace the Cubs game on VrT TV this week. Coach Ooley will field his team Tuesday night, at the Old Football field. The public is invited to attend. Starting pitcher for the big game (TV) Tuesday night will be Martin, with Yogi Jackson catching!

This schedule is the OFFICIAL SOFTBALL SCHEDULE FOR THE WOMEN FOR 1981.

Peliculas Mexicanas

'El Siete Vidas'

La Pelicula Mexicana para este Domingo es "El Siete Vidas". Esta Pelicula va ser una buena Pelicula.

Los actores y actoras que van a salir son: Andres Garcia, Alicia Juarez, "La presentacion estelar de la hermosa, Carmen Del Valle, Victor Alcocer van a salir con Guillermo Rivas--El Borras, Marcela Rubiales, Alberto Rojas--El Caballo, Pedro Weber--Chatanuga, Tere Alvarez, Sergio Barrios, y Humberto Eli Zondo.

El triato se abre a la una-y-media y la Pelicula se comienca a las dos de la tarde. Los Gran-Adultos--los que tiene 100 anos hasta los que tienen 65--pagan $2.50, los Adultos--los que tienen 64 anos hasta los que tienen 13 anos--pagan $3.50, y los jovenes--los que tienen 12 anos hasta los que tienen 6 anos--pagan $2.00 cada uno. Hay dos dias de especial--estos son Lunes y Martes, todos pagan $2.00--los que tienen 100 hasta los que tienen 6! Los otros dias son regulares--los Gran-Adultos pagan $2.50, los Adultos pagan $3.50 y los jovenes pagan $2.00--estos dias son Miercoles, Jueves, Viernes, Sabado, y Domingo.

En cada Miercoles, salen Peliculas Mexicanas tambien. El Miercoles que viene--el 17 de Junio--va ser "Majado Power". Esta Pelicula va ser muy buena.

Si quieren saber mas de la Pelicula prendan su radio a el canal de Spearman FM--oygan el Progama Mexicano con Juan y Maria Avila. La Senora Avila le dice a toda la jente de que se trata la Pelicula del Domingo y del Miercoles. O si quieren garen un papel de Spearman en el Domingo y debo de tener cosas de la Pelicula en ese papel o en el papel del Miercoles.

Si quieren a llevar sus ninos para una Pelicula muy Curiosa--Americana--vallan a ver "Earthbound"--esta Pelicula va ser de una familia del otro mundo que no se pueden llir para el mundo de ellos. Va ser muy curiosa y todos los ninos les **encantan** Peliculas como esta. Si quieren a llevar toda la familia, vallan en un Lunes o Martes, porque nomas pagan $2.00 por cada uno. Hay mucha jente que van para el cine en esos dos dias.

Si les gusta llir en su auto y quedarse en el--llir para el auto-cine, y les gusta Peliculas Romanticas, vallan a ver "Heaven's Gate". El Auto-Cine de Peliculas Americanas no mas esta abierto el Viernes, Sabado y Domingo, el otro dia es los Miercoles cuando salen las Peliculas Mexicanas. El Auto-cine oficina--donde pagan--se abre a las ocho de la noche, la Pelicula se comienca cuando el sol se abeje.

Pumas Van a Jugar en Borger

Este Domingo, el 14 de Junio va ser otro dia de Futbol-soccer. Esta ves los Pumas de Spearman van a llir para Borger a jugarles a los Barcelons de Borger.

La otra ves que estos dos jugaron, aqui en Spearman, las Pumas ganaron 5 a 2--el juego era a las 4 de la tarde, el juego de este Domingo va ser a las 10 de la manana--yo creo que los Barcelons crean que pueden a jugar mas bien en la manana, vamos a ver, verdad ?! El equipo, las Pumas, son muy buenos y si hay jente que les griten para que ganan, van a ganar. Por eso vallan a Borger y les pueden alludar a las Pumas si gritan mucho!!

Mexico agreement

AUSTIN, Texas (Spl.)—A University of Texas unit that produces training aids for the petroleum industry has embarked on a joint venture with an institute in Mexico to develop instructional materials for personnel working in the oil industries of Mexico and other Latin American countries.

The agreement is between UT's Petroleum Extension Service (PETEX) and the Mexican Petroleum Institute (IMP).

Under the agreement on jointly produced materials, the IMP will review for style and technical content the various PETEX publications that are being adapted to meet the needs of the Latin American petroleum industry.

The Truth About 55 mph

AS TOLD BY A TEXAS STATE TROOPER

There's been a lot said about the 55 mph speed limit. But I'd like to add something based on my 23 years on the road as a Texas State Trooper.

The law was passed to save gasoline, and it has done just that. But we discovered another benefit--the lower speed **saves lives.**

Why, in 1975, 16 per cent fewer people were killed because Texans were trying to slow down. But since then, we have started driving faster again on our freeways and state highways. In 1980, 4,424 people were killed. That's an all-time record.

Now I'm not trying to scare you. But I've learned that a person's chances for getting killed increase with higher speed, and driving too fast is one of our leading highway killers.

Why gamble by driving a little faster to get where you're going? Slower speed gives you more time to react...precious time to avoid danger and stop your car or truck. In fact, compared with 55 mph, your chance of being killed in a crash at 70 mph is more than **doubled!**

I hope you'll remember what I've said the next time you drive. I don't want to have to tell your family that you have been killed in a traffic accident.

Thank you

Trooper Taylor

(a message from this newspaper and the Texas Department of Public Safety)

Texas Sheep & Lambs On Feedlots Up 59%

AUSTIN--Texas sheep and lambs on feed have increased 59 percent, Agriculture Commissioner Reagan V. Brown has reported.

According to the March 1 survey by the Texas Crop and Livestock Reporting Service, 99,000 of the 175,000 sheep and lambs on feed were placed in drylot operations. Placements in both drylots and pastures during January and February totaled 135,000, up 50 percent from that period in 1980.

Brown said that marketings of fed sheep and lambs during January and February totaled 170,000, 31 percent above a year earlier.

"There has been some improvement in the early lamb crop with 660,000 head reported as of March," Brown said. Last year's total was 20,000 less.

"In the seven major producing states, the story is much the same, with a national increase of 11 percent on feed for a total of 664,000 head," Brown said.

Wayland Now A University

It is a far cry from the modest sign that hung in an earlier, more unhurried Plainview: "Dr. Wayland, upstairs" but the sign out on the "hill" reads "Wayland Baptist University"--as of June 1.

It is most doubtful that Dr. Wayland, the consecrated physician and Baptist layman for hom the seat of learning is named, would be surprised at the goings-on. After all, he insisted the school be located "a fur piece" from town--and as late as 1940, the girls' dorm faced the wide open spaces of the South Plains sans houses, sans streets, sans trees.

Back to that "cowpasture campus" a few memories further on but right now...the new University.

To paraphrase an old phrase, a college is a college is a college...A certain curriculum is established and classes taught. A university is composed of a number of colleges. The new Wayland Baptist University is comprised of three: the college of Arts and Sciences, the college of Applied Arts and Sciences and the college of Christian leadership.

Two of the colleges are not as redundant as they may sound. The Arts and Sciences consist of literature, mathmatics, sciences and social sciences. Applied Arts and Sciences deal with the realm of a business division, education, health, physical educatioin and recreation.

The College of Christian Leadership consists of Christian studies, Christian communications arts and Christian ministries.

--Nor does this mean that, in times past, the college student was short-changed academically. It was just that, in those days, a student had to take the castor oil (in our case, math.) to get the cracker. Today, a student can pursue a cracker career without the pergative prerequisite, thanks to the university concept.

In the beginning, it was simply Wayland Junior College honoring the small-town physician who was the guiding force that help bring it into existance. For a great span of years there was the period when it was just "Wayland College" though it was still a two-year institution. Then came the move to add "Baptist."

One of the earliest presidents, Dr. E.B. Atwood, was asked by parents enrolling their pride-and-joy if this WAS a Baptist school. To which Dr. Atwood is said to have replied:

"What else? Only Baptists would cloak learning with the wind and sand that sweep these plains. Other denominations use the more comfortable sackcloth and ashes!"

Dr. Atwood is also credited with a comment regarding the name change when a Wayland supporter suggested "WC" might be chided as meaning water closet. Involved just then in a money drive to modernize a bit, Dr. Atwood exclaimed:

"Never! Everyone knows we have none of those!"

There have been presidential favorites with each generation of students and parents among the impressive men who have held Wayland's helm but there are some universally acclaimed stand-outs.

Dr. E.B. Atwood established a warm, personal spiritual atmosphere. Dr. G.W. McDonald brought an academic serenity to those hallowed halls that refused to let an individual student stand alone against a tough learning problem. A. Hope Owen gave the college an academic dignity, Dr. McClung gave it a youthful vigor and all of them continued the golden threads patterned in by others.

Now, the new president, Dr. David Jester, enters the executive office over a different threshold where the welcome mat carries a challenge:

"University!"

Perhaps a partial vision of the future lies in a look at the past from whence Wayland Baptist University has sprung.

The academic season of 1939-'40 was the last for the cowpasture campus in all its glory. There were some colored leaves on the trees that Fall of 1939 when the street from town up the hill ended at the horseshoe drive around the administration building-cum-classrooms-cum-boys dorm. It passed the rear of the girls dorm then the gym with some ag buildings in the distance between those two.

Will the presidential office ever entertain a hay-and-water-starved heifer glutted over a Hallowe'en Night with much mash and water until she swelled beyond exit portal size?

Will the old columns ever wear an intricate, lacey design wrought in utilitarian tissue to celebrate the same occasion&

Will a demure coed ever make a post-curfew climb up a three-story three entering the only window giving access to it and paying the room resident an admission fee therefor?

Will a towering, matriarchal girls dorm mother ever rush out again to investigate a strange noise late in the night and be spotlighted wearing only a sheer nightie and a single action "thumbuster" pistol by every unit the Plainview Fire Department called because of sparks on the dorm roof&

Will it ever be possible for students to ride the city bus from supper until curfew for 15-cents a couple?

Probably not...but none from those days resent the growth nor the university concept. Most will probably cling to one affectation, though. Instead a Wayland U. it will always be... Wayland, you...!

New President; Emblem

DR. DAVID JESTER

This is the revised emblem or "logotype" for Wayland as it becomes a university. The flame atop the cross represents the flame of truth, learning and the Holy Spirit. The cross proclaims the Christ-centered goal of the university. The triangle symbolizes the steeple of a church, the school's church relationship and unity in the triune God served by both.

The left "arm" of the "W" represents the College of Arts and Sciences; the right, the College of Applied Arts and Sciences and the strong vortex at the center of the letter, the College of Christian Leadership.

The "B" denotes the religious denomination that shelters the school and the rich Christian heritage of Baptists.

The "U" is the new...making known the fact that Wayland is a multi-purpose religious arts and sciences and vocational-technical university with the central campus located at Plainview.

WBU also maintains centers at Amarillo, Borger, Pampa, Reese Air Force Base, Sheppard Air Force Base, Taos, N. Mex. and in Hawaii.

Rancher's Roundup Set

The largest, most comprehensive conference ever organized in the Southwest for ranching industry--the International Rancher's Roundup--will be held August 10-14 at the Del Rio Civic Center. Hundreds of ranchers from across the country are expected to attend.

Thus far, 110 speakers have been confirmed, representing seven agricultural universities in five states, eight state and Federal agencies, six producer concerns, two international organizations, plus two dozen ranches and numerous commerical firms.

Specialists with the Texas Agricultural Extension Service, organizers of the event, say several speakers have not yet confirmed. Included among that group are U.S. Department of Agriculture Secretary John Block, Texas Governor Bill Clements, and U.S. Congressman E. "Kika" de la Garza.

However, Texas Agriculture Commissioner Reagan Brown will be keynote speaker during one of the evening banquets.

The Roundup consists of two day-long tours (Monday and Friday) and three days of intensified educational sessions. A general session will be held each of the three days along with concurrent sessions in beef cattle, sheep and goat production, ranch business, ranch horse management, animal nutrition, managing range resources, wildlife management and mineral lease agreements.

Agricultural representatives from Mexico, Australia, New Zealand and South Africa will be present to discuss their respective nation's ranching situation and what they need from American producers. U.S.-Mexican Agricultural interdependence and foreign market development will be highlighted along with government influences on the ranching industry.

Pre-registration deadline for the Roundup is June 30. Individuals will be assessed $125 and couples, $150, if received by the deadline. After that date all registration fees increase by $50. Cost of the two tours is $50 each per person, most of which is absorbed by transportation, meals and entertainment enroute. Three evening meals, including entertainment, will be $10 each per person. Registration fees in most cases are tax deductible and a large bound copy of all presentations will be available to each person who registers.

Interested persons can write to IRR, P.O. Drawer 1849, Uvalde, Texas 78801 for their pre-registration packet. For more information contact Dr. J.F. Cadenhead, III, Area Range and Brush Control Specialist, Texas Agricultural Extension Service, Box 2159, Vernon, Texas 76384-Telephone 817/552-9941.

"Total abstinence is easier than perfect moderation."

Texas Red Meat Production Up 5% From 1980

AUSTIN--"Texas has produced over 10 percent of the nation's total meat supply so far this year, with an output of 1.01 billion pounds through the end of March," Agriculture Commissioner Reagan V. Brown has reported.

"This year's production was up 5 percent from 1980, and was boosted by a 15-percent increase in March."

Brown noted that Texas livestock slaughter statistics are compiled by the Texas Crop and Livestock Reporting Service, a cooperative effort of the Texas and U. S. Departments of Agriculture.

For the first quarter of 1981, cattle slaughter was up 7 percent in Texas, while slaughter of calves showed a 37-percent rise. Slaughter of hogs, sheep and lambs was down 3 percent.

Nationwide, commercial red meat production for the year stands at 9.81 billion pounds, a 3-percent jump from the first three months of 1980. Beef production was up 6 percent; veal, up 10 percent; pork, down 1 percent; and lamb and mutton, up 5 percent.

These statistics include slaughter which is under federal inspection, as well as other commercial slaughter. It does not, however, take into account on-farm slaughter.

"To lengthen thy life, lessen thy meals." Ben Franklin

Softball - Tee Ball Games

There is going to be a lot of action around the YMCA Softball, Tee Ball Leagues this Monday, Tuesdays, Thursdays and Fridays.

We will begin with the Girls Tee Ball. This Monday, June 15, Judy Tindell's team will be going up against Linda Butt's team. The game will begin at 6:30 and will be played at the Little League Park. These kids do alot better when they know that so-and-so is cheering them on, so go on out and cheer on you child, grand-child, neice, or even your sister--it will do alot for their morale!!

On Monday, June 15, the Women Softball Players will be at it once again. The 7:00 game will have First State Bank Red Hots going up against the Speartex Grain Bottoms Up. At 8:30 or immediately following the first game will be A&L Printing going up against Busters Dusters. The Jr. Lusby Cats will have the night off, but supposedly some of the Lusby Cats will want to watch the action and "scout" the four teams playing! The women usually have very exciting games and have lots of "stars" on all the teams--so go on out to the field, East of the Y, and cheer on for the Babe Ruth, Lou Gehri, Willie Stargell, Roberto Clemente.

In the Men's League there are always two games being played at the same time. How? Well, one game is played at the Babe Ruth Field and the other game is played at the field East of the Y. There is a complication for this Tuesday's games, so there will be 3 games played at the field located East of the Y and only one game played at the Babe Ruth Field. This only happens when the Jr. and Sr. Babe Ruth teams have a home game and they get "first priority" on their field. The 7:00 game will be between the Union Church and North Plains, this game being played at the East of Y field. Super Service will try and defeat the John Deere team at 8:30--this game will also be played East of the Y. At 10:00 Agco will battle against Tico, this game also taking place East of the Y. Then the other game, Hi Plains against Spearman Auto, will be played at 10:00 at the Babe Ruth Field. The Men also play on Thursday nights. The first game(s) is(are) as follows. Crawford Implement will battle against John Deere team at 7:00 p.m. at the Babe Ruth. While that game is going on, Hi Plains will go up against Tico at 7:00--this game being played East of the Y. The 8:30 games consist of the Union Church against Super Service at the Babe Ruth Field, and the other 8:30 game will be between Agco and North Plains at the field East of the Y.

As far as the Girls Softball, they play very exciting games. The game this Friday, June 19, will have the Stars, coached by Kathy Beck and Sharon Swan going up against the Pink Panthers, coached by Donna Yarbrough. Ray Thomas' team will travel to go up against the Gruver Angels.

Now, as everyone can see, "it's going to be another busy week!!

We say "Good Luck" to all the teams!!

Stars Not Angels!

In Thursday's paper--June 11--I had the story of the YMCA Girls Baseball Program, well, in that story I put in the wrong name of a team, but the right coaches--so 1 out of 2 isn't BAD!! All in all, the team of Kathy Beck and Sharon Swan are known as the Stars, the way they play, they should have put the "Super Stars".

I do apologize to the STARS coached by Kathy Beck and Sharon Swan. The softball and tee ball teams do an excellent job, no matter what the name of the team is so cheer on all your favorites of your kin-folks!!

A group of the SHS Choir will be having a Car Wash Saturday, June 20th at 9:00 a.m. at the Cates Car Wash. They will charge $10.00 to wash outside and vaccuum inside. Call Denice Blackburn, 659-2719 or Darren Goodheart, 659-3978.

FCIC Seeks Comment On Barley Crop Insurance Rules

The Federal Crop Insurance Corporation (FCIC) of the Department of Agriculture is seeking public comment on a proposed amendment to regulations for insuring barley in Hansford County, effective with the 1982 crop year.

The current regulations include cancellation and termination dates for spring-seeded barley only. This amendment would benefit barley growers by changing these dates to permit the insuring of fall-seeded barley also.

Information on the proposed amendment to the barley regulations may be obtained from the FCIC office, 1416 West 8th, Amarillo, Texas 79101, telephone 806/376-2268.

The deadline for submitting written comments on the proposed amendment is July 6, 1981. All written comments must be sent to: Office of the Manager, Federal Crop Insurance Corporation, U.S. Department of Agriculture, Washington, D.C., 20250.

Wheat Harvest Starts-Stops

Wheat harvest was just getting underway in our area when the rain came Thursday evening. Equity manager George Cook said they had had about 6 loads delivered, some of it dryland and some with limited watering. He also stated that the grain was of good quality.

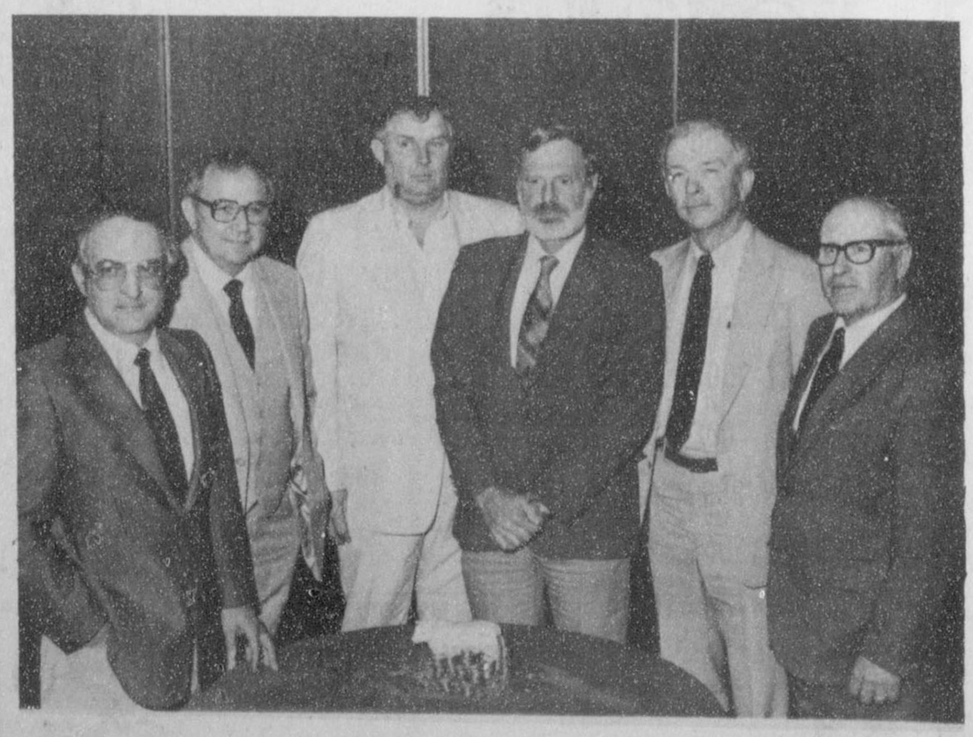

Holt Equity reports that they have had some loads of dryland brought in and a few irrigated but that after the rain it will be sometime next week before farmers can get back in the fields to cut.

Spearman received 1 inch of moisture in thunderstorms Thursday evening with more rain expected for the area Friday.

Reports from other elevators were not available at press time.

So far, our longest-lived president was John Adams, who lived to be nearly 91 years old.

HISTORIC MEETING--The presidents of five Texas agricultural organizations and a representative from the National Live Stock and Meat Board met recently to give final approval of plans for implementing a voluntary 25-cent-per-head beef promotion program in Texas, beginning July 1. The leaders (left to right) are Joe Hathoot of Texarkana, Livestock Marketing Association of Texas; R.L. Bliss of Tulia, Texas Cattle Feeders Association; Roy Wheeler of Pleasanton, Independent Cattlemen of Texas; James Mullins of Corwith, Iowa, chairman of the beef Industry Council of the Meat Board; John Cargile of San Angelo, Texas and Southwestern Cattle Raisers; and Carrol Chaloupka of Dalhart [illegible] Farm Bureau.

Forecast:

Dependable weed control in corn with Banvel® herbicide

Whenever pigweed and other problem broadleaf weeds appear, ask for Banvel*® herbicide.

Banvel gives effective, economical broadleaf weed control in nearly every stage of the corn growing cycle. Banvel tackles your toughest broadleaf weed problems: pigweed...smartweed... cocklebur...and many more.

Pre-emergence or early post: Banvel, applied at rates up to one pint immediately after planting or until corn is five inches tall provides effective control of many tough annual broadleaf weeds.

Post: Or apply Banvel at the 1/2 pint rate anytime after weeds appear but before corn is 36 inches tall.

For most effective, economical control, apply Banvel **early!** Applying Banvel when weeds are small—less than 3 inches tall—stops the weeds when they are most easily controlled and also lessens chances of damaging sensitive crops nearby.

Ask for the herbicide strong enough to control the tough to control broadleaf weeds—Banvel herbicide.

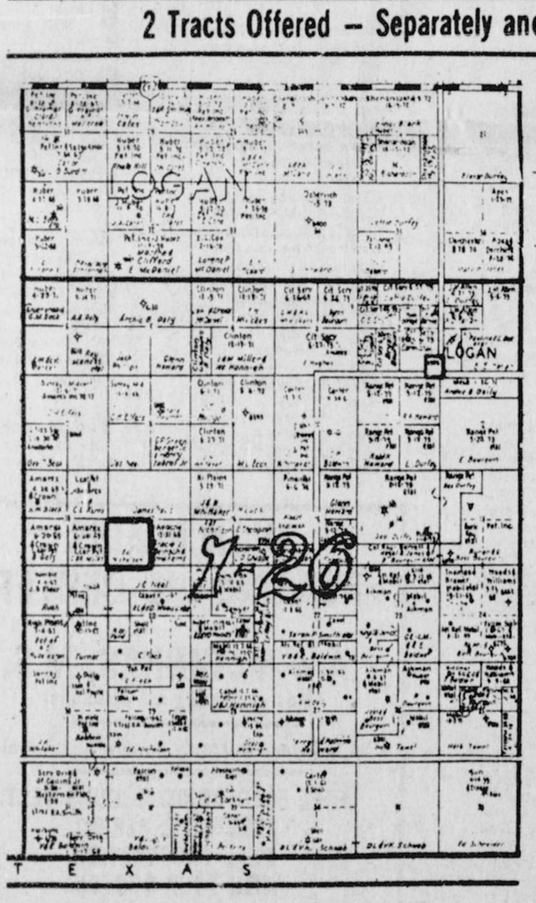

VELSICOL.
Velsicol Chemical Corporation
World Headquarters • 341 East Ohio Street
Chicago, Illinois 60611
Velsicol is an operating company of Northwest Industries, Inc.

Velsicol reminds you before using any pesticide, read the label.
*Banvel is Velsicol's brand name for dicamba herbicide.

160 Acres Beaver County, Oklahoma
