No Serious Injuries

Three Accidents In City

Main Street, FM 168, has been the scene of three separate accidents since last Friday. Extensive damages were reported to the vehicles involved but most of the persons involved escaped serious injuries.

Friday afternoon at Main and 5th Street, the first accident occured with officer William Hammond the investigating officer.

Bobby Glenn Ivins was traveling north on Main. Cindy Walden stopped at the stop sign on 5th Street and, failing to see the approaching car, pulled into the side of the Ivins' car. Damages were reported at $1,000 to the Ivins' vehicle; $500 to the Walden car.

At 9:50 a.m. Tuesday, Chief of Police Don Hatley investigated a collision of two cars at Main and 9th Street.

Mrs. Walter Struve was driving west on 9th Street and, after stopping failed to see the approaching car driven by Cindy Gilcrease of Lubbock.

Damage to the 1973 Chevrolet driven by Mrs. Struve was estimated at $850. The 1966 Mustang, driven by the Lubbock woman, sustained damages approximating $1,250.

Tuesday afternoon's accident at Main and 6th Street sent two persons to hospitals although injuries were reported to be severe bruises and cuts.

Mrs. Katherine Sjogren of Kress was driving north of FM 168. H.L. Dennis, traveling south, made a left turn onto 6th Street after failing to see the approaching car.

Dennis was taken by ambulance to Methodist Hospital and returned home Thursday. He suffered bruises and $1,000 damages were reported to his car.

Mrs. Sjogren remained in Central Plains Hospital in Plainview Thursday. She received cuts and severe bruises and was still undergoing x-rays and observation. Her 1971 Dodge was "totaled."

Investigating officers were Hammond, Ruben Garcia and Elmer Hall.

Friendliest Employee Named

Mary (Mrs. Tom) Seawright was named "Olton's Friendliest Employee" at the quarterly membership breakfast meeting Tuesday morning of Olton Chamber of Commerce and Agriculture.

Selected by a committee from the Chamber, Mrs. Seawright was the "unanimous nominee" in response to an invitation to the public to submit suggestions for the recipient of the award.

Making the presentation, Chamber president Wendell Potts said, "She worked for one employee 22 years, outlasting that employer. She continued on with Don Martin when he purchased Olton Drug and is still there, always with a smiling face."

"Her former employer, when I asked about her, said, 'She's super excellent. In all the years she worked for us, we never once had a customer complain that she was not friendly or uncooperative'."

The "Friendliest Employee" was presented a plaque in recognition of the honor. A similar award will be presented at each quarterly breakfast in the future. Nominations may also be made for future recipients.

Breakfast and cash door prizes at Tuesday's meeting were courtesy of Frontier Savings and Loan Association. Attending as hosts and hostesses were Bill Kelley, Wanda Peters, Jerry Guthein, David Julian and Bonnie McClain.

Door prizes were contributed by Martin Pharmacy and Howell's Flowers.

Winners of door prizes were Wanda Peters, Don Peters, Bonnie McClain, Mary Seawright and Johnny Jennings.

Names of CCA members drawn for the cash door prizes were C.E. Bley for the $25 second prize. Mr. Bley was not present and the cash is carried over to the next meeting. Lester's Drive-In Cleaners was drawn for the $50 first prize and contributed back to the Chamber for project use or the first place drawing at the next meeting.

"BANAJA," Olton High School's FFA Talent Team composed of Bart Barnett, Naomi Lewis and Jay Harrell, presented the program. Miss Lewis accompanied herself in singing, "At Seventeen." The trio presented "Feelings."

Potts gave recognition to Mrs. Laura Maxey and art students for painting an attractive banner placed across one wall which read, "Thanks to Frontier Savings for the breakfast."

Chamber Manager Frances Redinger states that anyone wishing to contribute door prizes or sponsor breakfast for the next quarterly membership meeting is asked to contact the CCA office.

James Speer Dies In Houston

Last rites were conducted Monday in Memorial Oaks Cemetery in Houston for James M. Speer Sr. of Missouri City, former longtime resident.

Speer died April 1 in Sharpstown Memorial Hospital in Houston of a heart attack.

He was born Dec. 1, 1897 in Temple. He enlisted in the Army in World War I but contracted typhoid fever before he could be called up. After recuperating, he had scarcely been assigned to camp at Galveston when Armistice was signed.

He studied at Danforth School of Pharmacy in Little Rock, Ark. and in Fort Worth and received his license in 1921. He was still a licensed pharmacist at the time of his death although he had not practiced the profession since selling his drug store in Olton in 1956.

Speer was a licensed realtor and had been active in the real estate business for 21 years. He was honored in 1970 for 50 years membership in the Masonic Lodge.

He was married to the former Nina Couch Sept. 21, 1932 in Hollis, Okla. They moved to Olton in 1946 and to Missouri City, suburb of Houston, in August 1976.

Survivors include his wife, Nina; two sons, James M. Speer Jr. of El Paso and Robert Tazewell Speer of Houston; two daughters, Mrs. Sharon Rankin of Palatine, Ill. and Mrs. Dana McIntyre of Missouri City; seven grandchildren; three brothers, George Speer of Waco, Blake L. Speer and Dr. Wayne H. Speer, both of Houston; and two sisters, Eunice Speer of Rogers and Mrs. Mabel Rucker of El Paso.

Mrs. Speer lives at 2203 Turtle Creek, Missouri City, Tex. 77459.

District Title

One Act Play Wins

Olton High School's one-act play, scenes from Tennessee Williams' "The Glass Menagerie," took top honors in District UIL competition Thursday in Dimmitt. The cast of four also captured the acclaim of critic judge, Dr. George Sorenson of Texas Tech University Theatre faculty.

Tammy Green was named Best Actress in District 3-AA. She and other cast members, John Ben Jenkins, Kelly Cox and Tammy Williams were selected to the All-Star Cast. It is probably the first time an entire cast of an OHS one-act play has achieved such honors, definitely only time in recent years.

Other All-Star Cast members include Tobin Touchstone (Best Actor), Angela Ross and A'lann Truelock, all of Dimmitt; Bryan Johnston, John Carson and Jay Jarboe, all of Friona; and Ernie Vela and Brad Baker, both of Muleshoe.

Other winning play was Dimmitt's performance of "Merton of the Movies." Friona's "Major Bullshot Gorgeous" was alternate. Other schools and their plays were Muleshoe, "Servant of Two Masters," and Morton, "Gloria Mundi."

Area competition will be Thursday, April 14 in Harral Memorial Auditorium in Plainview. Olton's play will be fourth out of eight. Performance begins at approximately 4:15. Critic judge will be James Kemmerling, technical director of West Texas State University's drama department.

"The Glass Menagerie" is Williams' best work, that which soared him to success. Autobiographical, it is set in 1945.

Stage crew members are Marvin Tillman, Tanya Morris, Mark Blessing, Brack LaDuke and Kim Kinnison.

Olton's History May Be 'Bound'

A group of persons interested in preserving the history of Olton and the surrounding community gathered Monday evening in the community room of Olton State Bank.

Presiding at the meeting was Mrs. George Redinger, president of the group initially organized last year as Olton Historic Preservation Society. Wendell Potts, finance chairman-treasurer of the group, reported a net profit of $3,091.26 from the production of "Giants of the Great Plateau" last summer. Donations to the Society were reported at $2,077. All monies totaling $5,168.26 are in a savings account at Olton State Bank, Potts reported.

Lauis Hair was appointed to check into the action needed in incorporating the Society. Walter Struve and Bub Holt were named to check into possibility for obtaining a grant to aid in the purchase of a portion of the "square" to be made into a small memorial site.

Dave Turner of Craftsman Printers Incorporated of Lubbock met with the group to make a presentation of his company's printing of county and city histories.

A book with the history of the Olton community is being considered. It would include biographical sketches of families in the community with an emphasis on early pioneer families. Each family in the community would be invited to submit a family history.

Beautifully bound of quality materials, the book would also contain early day pictures, history of churches and schools and other historical information.

Persons who are interested in having a history of the Olton community printed are asked to contact Mrs. Redinger, Potts, Hair or Mozelle Trotter.

A meeting is scheduled for 7:30 p.m. Monday, Apr. 18 in the community room of Olton State Bank. All persons interested in being a part of the Historic Preservation Society or in the publishing of a history of Olton are asked to attend the meeting.

Dear Editor

Dear Editor:

I have some questions for the citizens of Texas.

Do you think homosexuality should be legalized? Prof. Paul Freund of Harvard Law School and others tell us that to deny homosexuals the right to marry and adopt children would become illegal if the Equal Rights Amendment (ERA) becomes part of the U.S. Constitution.

Do you want girls to be drafted and serve in combat? All authorities, both for and against the amendment agree this would happen under ERA if the draft is reactivated. Congress will be stripped of the power to exempt women as they have done for the past 200 years of our history.

Do you want the Federal government all power to pass laws and write guidelines in areas affecting the sexes? The states would lose all jurisdiction and the Federal government gain all power in areas including marriage, family support, divorce, alimony, child care, child custody, inheritance, abortion, protective legislation, etc. Section II of the amendment clearly states, "The Congress shall have the power to enforce by appropriate legislation the provisions of this article."

The ERA sounds all right on the surface when we read Section I: "Equality of rights under the law shall not be denied or abridged by the United States or by any state on account of sex." However, when you look below the surface you see the implications for great harm to our families, society, even our entire nation.

This amendment was passed by Congress on March 22, 1972 and the Texas Legislature ratified on March 30, 1972 with less than 10 minutes of discussion. (This should not be confused with the ERA to the Texas Constitution which was on the ballot in November, 1972). In the past 5 years the people have begun studying the consequences of the ERA and not liking what they find.

A bill to Recall Texas Ratification of the Federal ERA is now in committees in the Houe and Senate in Austin. The House Committe on Constitutional Amendments will hold a hearing Wednesday, April 13 at 4:00 in Austin. Let me urge you to write each member of this committee or send a mailgram. (Call Western Union, give 100 word message - including signatures - and $2.75 will be charged to your phone bill.) We must let these people know how we feel. Committee members are: Tim Von Dohlen, Luther Jones, John Bryant, Bill Clark, Bob Close, Bob Hendricks, Eddie Bernice Johnson (Ms.), Joe Robbins of Lubbock, Tom Schieffer, P.O. Box 2910 Austin, Tex. 78769. Call Mrs. Jim Brandom in Amarillo about a charter bus to Austin April 13. Phone 806-352-3342.

Sincerely,
Mrs. David Ebert

COW POKES — By Ace Reid

"Wal, we made nearly enough this year to pay the postage on this income tax return"!

Equal Rights Amendment

The Equal Rights Amendment (ERA) is the proposed amendment to our U.S. Constitution, which, if ratified, would give legal sanction and federal ENFORCEMENT to many of the goals of the Women's Liberation Movement.

The amendment contains only three sentences:

Section I - Equality of rights under the law shall not be denied or abridged by the United States or by any State on account of sex.

Section II - The Congress shall have the power to enforce by appropriate legislation the provisions of this article.

Section III - This amendment shall take effect two years after date of ratification.

Now let's take a close look at these three "SIMPLE" statements.

Equality of rights - ERA proponents cry, "We want equal pay for equal work." This is already guaranteed under the Civil Rights Act, the Equal Employment Opportunities Act, the Equal Pay Act and other Federal directives. That's kinda like our city ordinances . . . . they need only be enforced! The law is THERE!

Section II is the villian in this amendment! You know what Congress has shoved down our throats in the past. Our kids are no longer allowed to have prayer in school, they can't go to their neighborhood schools in large cities, HEW has them in P.E. classes together now and only time will tell (if this ERA amendment is passed) what they can come up with in the future out of this one section . . . . appropriate legislation to enforce the provisions.

One thing . . . . women would be subject to draft. There would be NO CHOICE . . . . because we couldn't be eliminated because it would be because of our sex that we would be eliminated and that's what this whole thing is all about! No sex discrimination.

If you, as a woman, want to remain as a woman with women's rights that we have, then you'd better get a pen and pencil and write to the persons on the committee. (They are named in the letter to the editor). Or you may call for $2.75 a mail-o-gram. (This is explained in the letter to the editor also or you may call 1-800-325-5400 for information).

We are for women getting equal pay for equal work but we are not for everything that could be read into this ERA thing!

Everything But The Kitchen Sink

BY MOZELLE TROTTER

Only a dyed-in-the-wool West Texan can appreciate the typical spring blow which brings particles of vitamin D(irt) seeping into our homes, our businesses, our cars not to mention eyes, ears, noses and every exposed pore of our bodies.

We may not like it, indeed we bemoan each as though it was the first such assault we'd endured. We may rant and rave and make all sorts of dire threats to find a "better place to live."

But there is no better place to live. Where but in wonderful West Texas can we be assailed by nature only to be greeted in just hours by the most beautiful weather that nature can provide?

Our land cries out for rain and the elements answer with molecules and bits and scraps of soil from far neighboring land. We complain and fret - - because we're human.

Yet there are hundreds today who would give all in their power to exchange with us the surging flood waters which have wiped out their homes and towns.

YOUTH MEETING

Young people of Springlake and Sunnyside Baptist Churches were entertained with an April Fool's Party in the fellowship hall of the Springlake church. A buffet dinner was served following a four course "fun" meal with orders filled from a menu written in code symbols.

WEDNESDAY GUESTS

Visiting Wednesday in the home of Mrs. H.A. Hysinger were Jim Hysinger and Mrs. Tracy Coker of Hereford; Renee Coker of Amarillo, Mrs. Kathleen Jones Norman of Lubbock and Curtis Wilkinson of Littlefield.

Can you imagine the heartache that comes when one looks about over a sea of ugly brown water, knowing it covers your material possessions?

We place much emphasis, of course, upon our material possessions. It is beyond my comprehension of what it must be like to know that my home, things of importance to me in this life, has been wiped away in the sudden force of something beyond our control.

But with this Easter season, we are reminded anew, that all this is as nothing. Our greatest possession was "purchased" long before our birth.

Canadian Lass Visits Olton

Miss Brenda Harron of St. Clements, Ont., Canada, has re-visited the home of Mr. and Mrs. Charles Ramage and children. She had been a guest in the home in 1975 as an exchange student.

Recently Miss Harron was out of school for one week. She flew to Dallas Mar. 18, with a two-hour stop over in New York City. She was met in Dallas by the Ramage family who brought her to the city. Various tours, including one to Clovis, N.M. and sessions of horseback riding made her trip so enjoyable that she extended it a second week.

Witnessing recent blowing dust, she said she was reminded of Canadian snow storms. She added that snow there this year had been heavier than usual.

The visitor expects to study nursing in Kitchener, near her home, with plans to pursue her nursing career in Canada. However she said if work was not available she might move to Florida.

Sounding Board

Have your say. Call 285-2631 and tell us what's on your mind. No names asked.

In regard to the letters written in the last two papers protesting about the banquets being held in Lubbock, I think it's high time that one of the kids directly involved is heard from.

The reason that we like to hold our banquet in Lubbock is that if we did have it in Olton, there would be nothing to do afterwards but either go home, or go riding around, because there is no place for the kids to go in Olton. We still do hold the Athletic Banquet in Olton, though.

As for everyone piling up to go in carloads; for one thing, it's more fun to be with your friends; and, we're saving gas, aren't we?

The person in last week's paper said that going that far in the kind of weather we had for the banquets was really dangerous. How were we to know that we would schedule our banquets on the worst two days of the year? The bad weather really kept everyone more conscientious and watchful, anyway.

I attended the Band Banquet Friday night, and there were some parents that were willing to take the time to take their kids to the banquet, if they couldn't drive, or their parents didn't feel that they couldn handle a car in Lubbock.

If there were parents that objected to their kids going to Lubbock, then where were they when their teenager was walking out the door; hiding behind the paper, or playing cards?

As for dumping the whole load on the school, isn't that just shifting your responsibilities? That's really setting a good example (for the teenagers this is all about) isn't it.

(Just sign me) Almost anyone from Olton High.

SUNDAY GUESTS

Sunday guests of Dolores Burch were her sister-in-law Mrs. Aleta Burch of Amarillo, and the hostess' uncle and aunt, Mr. and Mrs. Victor Imhoff of Plainview. Calling Sunday afternoon were Miss Burch's cousin-in-law and cousin, Mr. and Mrs. E.S. Huckabee.

ANNIVERSARY FETED

Mr. and Mrs. John W. Ratliff dined at the Hayloft in Lubbock Saturday evening. In observance of their twentieth wedding anniversary, guests of their daughter, Linda, who also presented her mother with an orchid corsage.

Tom C. Smiths Members Of South Pacific Tour

Mr. and Mrs. Tom C. Smith and Mr. and Mrs. Earl Allen of Plainview recently made a 25,000 mile tour sponsored by The Progressive Farmer publication.

The fifty eight members of the tour, representing twelve Southern states, assembled at the Hilton Hotel in San Francisco and started the four weeks tour aboard a 747 Quanta airline.

A stop for refueling was made at Honolulu. A day was gained when they crossed the International Date Line in the Fiju Islands. Nundi in this group of 300 islands is famed for being the most beautiful island in the Pacific.

Next stop was at Auckland on the north island of New Zealand where traveler's money was changed into that of New Zealand.

A tour was made of interesting places including the Auckland War Memorial Museum. The tourists were driven thirty miles into the hill country where they were entertained by a concert of songs and dances performed by native people known as the Maori. They served a meal cooked in hot steam under rock. Few doors and windows are screened in the hill country.

Near Christ Church, New Zealand, extremely large strawberries are grown. In a 50 mile raduis of Christ Church 120 million sheep are grown.

The plane landed at Melbourne, Australia and passengers were taken by special coach to a wildlife sanctuary near Healesville. They went to a sheep and cattle ranch where the owner demonstrated the shearing of sheep.

At Canberra, capitol of Australia, they toured the Australian War Memorials and Hall of Memories. Plan of Canberra was designed by Burly Griffin, an architect of Chicago.

Elsie Schreier Services Held

Funeral services for Elsie V. Schreier, 79, of Plainview were held Friday, Apr. 8, in Lemons Memorial Chapel, Plainview. The Rev. R.L. Kirk, pastor of First United Methodist Church, officiated.

Burial was in Plainview Cemetery under direction of Lemons Funeral Home.

Born in Waxahachie she moved at an early age with her family, Mr. and Mrs. D.C. Yauger, to Olton where the family became part of the pioneer life of the area.

Aug. 25, 1915 Miss Elsie Yauger married Fred Schreier in Olton. They later lived in California, Oregon and Albuquerque, N.M. before her return to Plainview 16 years ago. Mrs Schreier served in World War II as a member of the Women's Army Corps as a medical and surgical technician. She was a member of the Methodist Church.

She died at 12:30 p.m. Wednesday following a lingering illness.

Survivors include a brother, Blair Yauger, of El Toro, Calif., a sister, Mrs. Fleta Nix of Tulia.

Mrs. Schreier was aunt of James Cowart, Mrs. R.L. Hipp and Mrs. Fred Long; and sister-in-law to Mrs. Ethel Schreier and Mrs. Pearl Schreier.

Hollis Cains Tour In South

Mr. and Mrs. Hollis Cain, Cathy, Connie and Suzanne and Mr. and Mrs. Jim Winder and Ranae toured several southern states recently. They attended "The Grand Old Opera" in Nashville, Tenn. and saw "The Hermitage," home of Andrew Jackson, in Nashville.

In that city the local group was met by Cain's parents, Mr. and Mrs. H.H. Cain Sr., Hollis' uncle and aunt, Mr. and Mrs. Orville Cain, all of Birmingham, Ala. and a cousin and family, Mr. and Mrs. Jim Wright, Kevin and Karin of Huntsville, Ala.

In Belmont, Miss. they were guests of Hollis' grandmother, Mrs. L.K. Cain and his aunts and uncles.

The Texans were guests of Mr. and Mrs. H.H. Cain Sr. in Birmingham. There they toured the Japanese Gardens and the Botanical Gardens and saw the Vulcan, the largest metal statue in the world. This iron man is called the Vulcan in recognition of the character in Greek mythology who was blacksmith for the Greek Gods. Located on a high point over looking the city of Birmingham it holds a torch which is red if there has been a traffic fatality in the city within the recent twenty-four hour period. Otherwise the torch is green.

The party toured the Calloway Gardens and Pepperell Mills at West Point, Ga. and saw President Franklin D. Roosevelt's little white house at Warm Springs, Ga.

Points of interest at Vicksburg, Miss. were the Civil War battlegrounds, the cemetery and colonial homes.

CHURCH DINNER

Members of Springlake Church of Christ had a basket luncheon Sunday in the community building at Springlake. Guests of honor were Mr. and Mrs. Raymond Leonard of Lubbock. Leonard is minister of the Springlake church.
