Chicago 'All-Out' For Mac

Second Largest City Of Nation Presents Tremendous Ovation

CHICAGO, April 26. (AP) General MacArthur and his party arrived at Chicago's Midway Airport at 12:20 p. m. CST.

The general's big plane, from New York, was guided through an 1,100 foot overcast by radio.

CHICAGO, April 26. (AP)—Today was Gen. MacArthur Day in Chicago and the nation's second largest city was ready to greet the five-star general with a huge demonstration.

The city's millions and thousands from nearby cities were expected to join in the 10-hour civic tribute to the general. The celebration was expected to draw some 3 million spectators.

Chicago was in a holiday spirit. The city was decked out in flags and bunting.

All public buildings will be closed —and most of the Loop stores will be closed during the parade. The White Sox Baseball team made today an open date by playing a double header Wednesday.

It will be a double-barreled celebration — the formal parade down Michigan Avenue and State Street this afternoon and pageantry, fireworks and a talk by Gen. MacArthur in Soldier Field tonight.

But the Merchandise Mart, the world's largest commercial building, had the biggest greeting for the general. Across the front of the huge building in letters 20 feet high was the salutation, "Hi, Mac." A big American flag will be flown from each letter.

It will be Gen. MacArthur's first visit to the Midwest since his return to the United States.

The general was to be greeted by a booming of guns when his plane, the "Bataan," arrived at Midway Airport from New York shortly after noon. He will be accompanied by Mrs. MacArthur and their son, Arthur, 13.

A motorcade will travel from the airport to the Loop — about 23 miles. It will be joined by dozens of marching units for the formal parade through the downtown district.

The general and his party will leave Chicago early Friday by automobile for Milwaukee.

Just Another Withdrawal in Korea

UN armored personnel carriers, packed with troops, roll down a road northeast of Seoul withdrawing to better positions after the Chinese Communists launched their expected spring offensive. (AP Wirephoto via radio from Tokyo).

Chinese Seize Munsan, Drive On For Seoul

TOKYO, Friday, April 27. (AP)—United Nations troops on the West-Central Korean front withdrew again Thursday before Chinese Red masses. This extended their pullback in that sector to 27 miles in five days.

TOKYO, April 26. (AP) — Allied troops today abandoned their last foothold north of the 38th parallel in western Korea. They were "fighting a magnificent delaying action" against 300,000 Chinese pressing towards Seoul. The Reds were 20 miles or less from the South Korean capital.

Munsan fell to Chinese driving down a main highway from the Northwest. The town, 21 miles from the war-battered capital, was the site of an American paratroop landing last month.

Fifteen miles to the east, Red masses surged across the 38th and the Yonchon-Uijongbu road leading to Seoul. Allies pulled back south of Changgo, four miles below the border and 15 miles north of Uijongbu.

SIX MILES LOST

Chinese tried to knife down an undefended strip between this highway and Munsan. Heavy artillery fire ripped them throughout Thursday.

The UN withdrawal toward Uijongbu yielded about six miles to the Reds — their biggest gain of the day. It almost wiped out the western side of the Kapyong bulge in the center of the 100-mile front.

Slow withdrawals were made in the bulge, about 30 miles northeast of Seoul. One UN counterattacked, but was ordered to fall back to a new defense line.

A slow withdrawal also was begun to the northeast in the Hwachon-Yanggu salient. This sector in Red Korea had held steady since the Communist spring offensive opened up Sunday night. Yanggu, on the eastern end of the 30-mile salient, was still in allied hands.

MOVE IN DAYLIGHT

Most withdrawals were made in the daylight after Allied forces had held steady against Red night-time probing attacks.

Eighth Army divisions in the west were generally falling back well ahead of the Chinese masses. The terrific fire power of American artillery and Allied planes protected the rear of withdrawing columns.

But one unit surrounded by onrushing Chinese was caught in a trap northwest of Yangui. There was no word from this unit late Thursday.

Field reports said it was cut off by at least three Chinese divisions. An armored task force broke through and rescued at least 100 men. It was feared the unit's losess might be high.

Other previously encircled units —Turkish, Belgian and Australian — had hacked their way out with relatively light casualties.

REDS LOSE 30,000

Red losses were placed at close to 30,000 in unofficial estimates. Heavy smoke and haze shrouding the battle area cut the aerial toll. Nevertheless, Marine and Fifth Air Force pilots reported they accounted for at least 550 Reds Thursday. This is about half their normal count.

Behind the screen of aerial and artillery fire, dusty columns of UN troops rolled toward Seoul.

Three-way indications indefensible Seoul would be given up to the Reds for the third time.

UN officers in the west said they had the power to check the Reds, just as they halted the Communists in the center after a big breakthrough early in the offensive.

Communist night attacks were broken almost before they were started. Huge searchlights turned night into day, exposing the Reds.

Democrats Go Into a Huddle On MacArthur

WASHINGTON, April 26. (AP) — Senator Russell (D-Ga) rallied Democrats today against a Republican demand for televised public hearings into the policy clash behind the ouster of Gen. Douglas MacArthur.

From another quarter, Senator Fulbright (D-Ark) defended President Truman's strategy of limiting the war in Korea, although he attributed to Mr. Truman "misguided loyalty to unworthy friends," whom he did not name.

Fulbright, who heads a Senate Banking Subcommittee which has looked into alleged influence of White House aides on government loans, said in a speech prepared for the Senate that MacArthur's proposals to carry the war to Red China might "set strongly against us nearly the whole free world."

Observing that Mr. Truman "often has thought me wrong and unspeakable, while I sometimes have thought him wrong and incomprehensible," Fulbright said he believes the President was right in firing MacArthur as Pacific commander.

This evidence of support came as Russell met a GOP drive for an MacArthur case. Any such inquiry all-out, open-door inquiry into the method would risk the security of fighting men in Korea, Russell said.

Chairman Taft of Ohio announced the Republican Policy Committee will fight for public appearances by MacArthur and others. He said questions involving military security could be reserved for subsequent private sessions.

MacArthur made it known Wednesday through an adviser he has no objection to the televising of his scheduled May 3 appearance before the Senate Armed Services and Foreign Relations Committees.

Russell, who heads the combined groups, said he will force a showdown vote at a meeting early next week.

A major party battle — in which the Republicans might cry "whitewash" if they are overruled by a partisan majority — thus shaped up even before the inquiry could get under way.

Republicans seemed likely to line up almost solidly for public hearings and Democrats against, although some of the latter are on record for open-door sessions.

Baseball Here Out On Limb; Sponsor Balks

Snyder baseball found itself out on a limb today before the official season had even opened.

League sponsors have found that they have taken on a bigger job than they can handle. All parties concerned are making efforts to see that other arrangements are made and that the season gets started without a hitch.

Wichita Engineering Co., the sponsor has withdrawn its offer to sponsor the Snyder Baseball League, but will carry on with its plans until the opening game so that there will be no delay in getting the season underway.

Ray Prier, manager of Wichita Engineering Co., said that their sponsorship of the league was going to take more time than they could devote to it, and that they would rather not sponsor the league than do a poor job of it.

START ON TIME

"However, we are going to carry out our plans until the opening game so the season can start on time and as scheduled," Prier said.

The league itself has accepted the responsibility of sponsorship Eddie Hight, president, said.

An entrance fee of $25 per team will be charged. Hight said that would amount to $300 and would probably cover all the expenses of the league for a time.

Admission charges will probably cover the remaining expenses of the league's operation, Hight said.

Admission has been set at 9-cents per person.

In addition to that income, the league will have a small amount of income from concession stands. Operation of the stands has been turned over to the Boy Scouts of Snyder, but profits will be split on a percentage basis—providing income for both the league and the Scouts, Hight said.

TREASURER ELECTED

Charles Duran, an employee of the West Texas State Bank, was elected treasurer of the league at last night's meeting, Hight said.

Bob Roemisch of Hermleigh has agreed to help with keeping the grounds and ball park in good consition, Hight said.

Prier said that his company would have been glad to continue with their plans to sponsor the league, but that they were forced to withdraw their offer, because it had become apparent that they could not devote as much time to the league as would be require.

"We would rather step out of the sponsoring role now than do a poor job later because of limited time to devote to it," Prier said.

Opening game of the league is scheduled at 7:30 next Monday night, and will be played according to schedule, Hight said.

House Probers All Alert For 'Hollywood 10'

WASHINGTON, April 26. (AP) — The House Un-American Activities Committee looked today for others of the "Hollywood Ten" to break their silence on Communism in the movies.

One of the ten, Film Director Edward Dmytryk, Wednesday gave the committee a chapter-and-verse account of Communist efforts to gain control over the movie industry and recruit its workers.

Dmytryk, 42, with nine other screen figures, was jailed for contempt of Congress for refusal to talk in the committee's 1947 investigation. Dmytryk completed a six-months contempt sentence last November.

With an unprecedented unanimity, committee members praised Dmytryk's crisp account—in which he named two dozen or more Hollywood figures as one-time Communists.

Dmytryk said he got into the party in the spring of 1944, and quit in the fall of 1945 when he refused to accept party dictates over his movie making.

He testified the party's principal objectives in Hollywood were money, prestige and control over the content of motion pictures.

The most important of these, he said, was control over the industry's movie-making through control of the guilds and unions.

Borden Wildcat To Drill Plug At 7,760 Feet

The Vickers Petroleum Co. Inc., No. 1 J. D. McKnight, Northeast Borden County wildcat, which is reported by unofficial sources to have unloaded a large amount of oil after a drillstem test in the Pennsylvanian lime, is preparing to drill plug in casing which had been set earlier in the week on bottom at 7,760 feet.

This wildcat, located 13 miles east and north of Gail and at the center of the northwest quarter of the northeast quarter of section 367, block 97, H&TC survey, is credited with having topped the reef at 7,660 feet. Elevation is 2,469 feet.

The drillstem test in which the propsector made its oil was at 7,735-60 feet. There was some water in the bottom stand of the drillpipe after the test on that

Guilty Pleas To Be Heard In Court First

Only cases with pleas of guilty will be heard in a special hearing of the 132nd District Court here tomorrow, Bob Davie, district attorney, said today.

As many cases will be handled as witnesses and defendants can be assembled for, Davie said.

Davie asked for the special court hearing so that some of the heavy criminal docket could be cleared as soon as possible.

The court will convene at 10 o'clock, he said.

Madhouse? No, Just the Room For 'The Girls'

AUSTIN, April 26. (AP) — That madhouse to the left of the lobby of the House of Representative is the reception room.

Somebody called it the "recreation room."

"Well, if this is it, I haven't discovered it," Mrs. Edith Thomson remarked aside.

She's in charge of what practically every representative will admit is the hardest-working bunch in the State Capitol — the telephone girls.

5,000 CALLS DAILY

They handle approximately 5,000 calls a day coming and going.

Coming and going is right. They answer a telephone in one of the 15 booths in the reception room. They go find the representative wanted — whether he's at his desk, in a committee room or visiting around on the floor.

Maybe somebody stops them on the way asking that a call be made. They go place the call and run tell the representative when the connection is made.

They keep up that brisk pace all day and never seem tired.

"As long as you're going, you don't notice it," one girl flung back as she bounded up those four steps leading to the House.

16 PHONE GIRLS

There are 16 telephone girls in the Capitol. Four of them sit at the switchboard in a corner off the rotunda on the seeod floor. They merely answer "Legislature" when the light flashes.

They route the calls either to the House or Senate, but the House gets practically all the calls since senators have their own private offices and private telephones. House members don't.

The Senate has two girls handling five telephone booths in its reception room.

Ten girls work in the house.

Truman Says War 'Strictly Up to Russia'

WASHINGTON, April 26. (AP) — President Truman said today it is up to Russia whether the war in Korea spreads.

He told a news conference the American foreign policy was outlined in his radio speech April 11.

Mr. Truman said, too, he is very well satisfied with Secretary of State Acheson.

Mr. Truman's April 11 speech was the one in which he gave the reasons why he said he felt impelled to remove Gen. MacArthur from his Far Eastern commands.

REDS HAVE CHOICE

The President said then MacArthur wanted to spread the war beyond Korea, but that the Truman administration policy is to seek to confine it there and avoid a great war.

Mr. Truman also said "The Communist side must now choose its course of action."

Similarly, Mr. Truman said today the Communists may act to spread the conflict, but that they have the choice of a peaceful settlement.

Mr. Truman's expression of satisfaction with Secretary Acheson—the chief architect of American policy in Korea — came when he was asked whether he was considering naming Paul Hoffman, former ECA administrator, to replace Acheson.

He said he was not — that he had a secretary of state and was well satisfied with him.

The question was prompted by published reports that Mr. Truman was sounding out Hoffman.

Scour New Sector For Lost Plane

AMARILLO, April 26. (AP) Searchers for a plane missing since last Sunday are looking in the Las Vegas-Albuquerque area today.

Residents of the New Mexico area Wednesday reported seeing a plane flying west Sunday which fitted the description of the plane flown by O. B. Calame, 53. He was last reported over Amarillo on a flight from Kansas City to Tucumcari, N. M.

Truman Demands Tax Hike

WASHINGTON, April 26. (AP)—President Truman, saying inflationary pressures "have not yet reached their peak," asked Congress today for higher taxes, tighter credit controls and "fair ceilings" on farm and other products. In a special message to the lawmakers, Mr. Truman urged speedy action. He said: "The world situation could explode at any time, and we must make every day count."

Hold Breath! Showers Due!

(By The Associated Press)

Scattered showers splattered East Texas Wednesday and weather officials predicted more of the same today.

The entire state was overcast this morning, and light drizzle was oozing down at Dalhart in the Panhandle and at Del Rio in the Rio Grande Valley.

Temperatures were mild.

The forecast called for partly cloudy skies in East Texas Friday. More scattered showers were seen for the north and central portions today and tonight.

Temperatures were expected to rise in the Panhandle and South Plains today and tonight and scattered thundershowers were predicted for the Panhandle tonight or Friday.

A freakish drencher hit Trinidad near Palestine Wednesday and left 3.60 inches of water. Tyler had 1.10; Austin .26; San Antonio .30; Waco .61; Fort Worth .64; Palestine .57; Galveston .02; Texarkana 1.01; Lufkin .02; Bryan .11; Corsicana .67 and Bonham had 1.80.

The temperature jumped to 98 degrees at Presidio.

PHILIP MURRAY BETTER

PITTSBURGH, April 26. (AP) — Philip Murray, president of the CIO and the CIO United Steelworkers, is reported "slightly improved" from a serious illness.

A spokesman at Mercy Hospital said Murray "spent a restful night and is somewhat better."

Navy's Divers Recover More Crash Bodies

KEY WEST, Fla., April 26. (AP) — Navy divers recovered additional mangled bodies today from the shattered sections of a Cuban airliner and a Navy trainer plane which collided and killed 43 persons.

At mid-morning 23 bodies had been brought to the surface, and taken to morgues in this southernmost city in the United States. Nineteen were located Wednesday.

Divers worked in relays, two at a time, over the smashed pieces of th four-engine transport, scattered over a wide area on the sandy bottom 20 feet below the surface.

The Navy trainer plane was located about two miles away.

Navy Diver James A. Atkinson, of Jacksonville, Fla., said the transport plane "looks like a junk pile on the bottom. You can walk all over the wreckage except for part of a wing which sticks straight up 15 feet from the bottom."

HUNDREDS SEE CRASH

The four-engined transport, carrying 34 passengers and five crewmen from Miami to Havana, and the Navy plane, a twin-motored Beechcraft with four aboard, collided with a noise like a bomb blast over Key West shortly before noon Wednesday.

Then, in full view of hundreds of shocked sunbathers and residents of the city, the airliner power-dived into the ocean at a speed estimated by witnesses at 600 miles an hour. It landed a half-mile offshore, not far from President Truman's "Little White House."

The Navy craft, disintegranting as it fell, crashed two miles west.

Marine Pfc. Arthur Calogero of Jersey City, N. J., saw the planes come down with engines roaring and notified authorities at the Navy Submarine Base here. So quickly did Navy craft go into action that the first body from the Navy plane was discovered in 10 minutes and the first from the airliner in 15 minutes.

PROBE OPENS

Later, the transport engines were hoisted to the surface. Shreds of human flesh could be seen on them.

A Naval Board of Inquiry was set up in an effort to determine why the planes collided in perfect flying weather, with unlimited visibility.

The Navy plane may have been engaged in "blind flying" practice, but in such cases "one of the pilots has clear visual observation at all times."

But Nobody Can Really 'Fade Away' Like an Old Soldier, New York Finds

BY SAUL PETT

(For Hal Boyle)

NEW YORK, (AP) — New York reporters learned this week that nobody can really "fade away" like an old soldier named Douglas MacArthur.

For five days, the general faded away from all physical contact with press or public. In that time, he continued to make the front pages every day, but no newsman saw or talked to him.

From last Friday and his official reception here until he left today for Chicago, the press corps got nowhere near the general.

The general remained secluded in the 37th floor presidential suit of the Waldorf Astoria Hotel. The newsmen, radio and television reporters who maintained an almost round the clock vigil were in a second-floor press room, 500 feet below.

One hardened police reporter talked his way up the elevator to the 37th floor. There he was immediately turned around by two big, armed military policemen.

ONE PHOTO ALLOWED

One photographer made it to the 21st floor. He was there only to take pictures of the general's mail. And he was there only by a "pool" arrangement — that is, one photographer to represent the entire press corps.

All the press' questions about the deposed commander were handled by intermediaries.

I visited the second floor press room Wednesday and never saw a more frustrated group of reporters. Every time they phoned the 37th floor, they said, they got a "no answer."

The only one in the room who knew how to reach the general's New York headquarters was Paul Stewart, the hotel's publicity director. He did it in secret, by asking the switchboard for a secret operator.

NO DIRECT CONTACT

Stewart didn't talk directly with the general. He talked with his chief aide, Maj. Gen. Courtney Whitney. Sometimes, he only got a sergeant.

At 1226, Gen. Whitney entered the room. A balding man with a ruddy face, he announced immediately, "I have nothing at all, unless you have some questions."

There were many questions, from what did Gen. MacArthur think about the new U. S. mission to Formosa, to how much does the general read the newspapers

This last produced the response that Gen. MacArthur reads only the official communiques on Korea in the newspapers.

"Doesn't he even read our stories about him" a reporter asked.

"No," said Gen. Whitney.

Paris, Texas, Hails France

PARIS, France, April 26. (AP) — The City of Paris (Texas) wished the city of Paris (France) a happy 2,000th birthday today.

Mrs. Mary Cook Ellis, of the Texas Paris, brought the greetings from her native city to officials of the French Paris. Mayor Pierre DeGaulle was out of town so three municipal councellors received Mrs. Ellis, and her sister, Mrs. Alvin G. Gordon.

Mrs. Ellis presented a parchment letter from the mayor of the Texas city, and also a small gift. In return City Councellor Edmund Champetier De Ribes gave her a booklet on Paris, and an etching of a scene in Paris' famed Montmartre District.

After the greetings and gifts were exchanged, the representatives of Paris — both Texas and France — toasted each other in champagne.

Jail-Breaker Returned By Sheriff Yesterday

Virgil C. Muse, 29, one of the five prisoners who recently escaped from the county jail, and apprehended over the week end at Oklahoma City, was returned to Snyder last night by Lloyd Merritt, sheriff.

Muse was being held on a robbery charge when he and Duwell Turner, 28; Horace Edward Lyday, 21; Charles Gardner, 18, and Fred Paul Moore, 30, dug their way out of the county jail on the night of March 26. Turner and Moore were arrested at Memphis, Tenn., and Lyday and Gardner are still at liberty.

Milder Yesterday

The weather in Snyder yesterday was mild compared to that of the previous day. The maximum temperature reached only 80 degrees, with a minimum of 64 degrees before dawn today. the reading at 7:30 this morning was 66 degrees.

Weather

WEST TEXAS — Partly cloudy. Warmer Panhandle and South Plains this afternoon and tonight. A few scattered thundershowers Panhandle tonight or Friday.

EAST TEXAS — Mostly cloudy. A few scattered showers north and central portions this afternoon and tonight. A little warmer northwest and extreme north portions tonight. Friday partly cloudy.

Mayor Sears Cites Needs Of City In Speech To Kiwanians

"Snyder is a good town and good place to live, but it is the responsibility of its men to help build the town for a better community," Forest Sears, mayor, told members of the Kiwanis Club at its luncheon yesterday in the Manhattan Hotel.

The mayor, in a review of the various city projects now under way, pointed out that it is not the duty of the city councilmen alone to carry out the work, but that it was the problem for everyone in this city to co-operate.

The need for a better post ofice for Snyder is an urgent one, but with the war emergency on, this project must necessarily wait, Sears said.

WATER SUPPLY

The mayor told of the progress being made for the future water supply for Snyder, saying that this program is taking shape with the construction of the dam, and that within 18 months an unlimited supply of water can be assured the city for the future.

Very little trouble is being encountered with property owners in connection with the city-wide paving projects, the mayor said. Of course, there are some who don't care, and some that don't understand what paving of the city streets mean to the city, he added.

"Snyder has inadequate fire protection, but improvements are being made with the limited funds, which include the construction of a branch fire station in the east part of the city, and enlargement of the central fire station to handling three instead of the present two trucks," Sears said.

He told the Kiwanians the need for added fire protection in the northern and western sections of the city, where much property is exposed to dangerous fires.

HONORS FIREMEN

The mayor paid a tribute to the volunteer firemen, but added that more paid firemen are needed to man the fire equipment.

Sears was intrdouced by H. W. Cargile, club president, who presided.

Frank Stephenson, who has been a patient in the Veterans hospital at McKinney, spoke briefly.

Renfro Service This Afternoon

Funeral services for Ben Renfro, a resident of Snyder for 19 years, were to be held at 2:30 this afternoon in the Dennis Funeral Home chapel. The Rev. Richard Turner, pastor of the First Baptist Church in Tahoka, was to officiate.

Mr. Renfro, 77 years of age, died at his home at 2509 Avenue Y early Wednesday morning. He had been in ill health for several years. He was a retired farmer, and had been a resident of West Texas for the past 40 years.

He is survived by his wife, Mrs. Ada Beulah Renfro; two sons, Clyde Renfro of Tahoka and Floyd Renfro of Seminole; three daughters, Mrs. Josie Smith and Mrs. Eula Green of Calimesa, Calif., and Mrs. Vera Sheller of Bowie; a brother, Bob Renfro of Uvalde; three sisters, Mrs. Mary Stroud of Stanton, Mrs. Effie Hill of Portales, N.M. and Mrs. Annie Duncan of Carlsbad, N. M.

Burial is to be in Snyder cemetery.

Flare Motel Changes Hands; Sold To Walter Light Of St. Louis

Mr. and Mrs. Carl DeBord have announced the sale of the Flare Motel, East Highway, to Walter Light of St. Louis, Mo. Light is to assume management Monday.

Mr. and Mrs. DeBord have operated the motel since it was completed in August. They have lived here since July. They plan to leave Monday for El Paso, where they will attend to other business matters, and later will go to East Texas and Florida.

Light will be assisted in the management of the motel by his son, Walter Light, Jr., who is expected to come here within the next month.

Snyder Scouts To Big Spring Meet Tonight

About 100 boys from three Boy Scout troops here will attend the Twenty - fifth Annual Roundup which begins at Big Spring this afternoon, according to Bob Eastus, field executive here.

Scouts from all parts of the Buffalo Trail Council will attend the roundup and participate tomorrow and Saturday in nine contest events for speed, skill and knowledge, Eastus said.

The events are water boiling, a contest for speed in building a fire with flint and steel and then bringing water to a boil; signaling, "pony express," which is a test of skill and efficiency in transporting an injured boy; locating points by compass; scout law relay; knot tying; target achery; chariot racing; and string burning, a contest with fire by the bow drill.

Ribbons will be presented to the winners, Eastus said, and the Big Spring Chamber of Commerce will give a barbecue for all.

Campfire programs will be held at 8:30 o'clock tonight and tomorrow night, at which visitors are welcome, he stated. Indian dances are featured at the campfire Troop No. 27 of the First Methodist Church, led by Scoutmaster B. J. Bartells; and Troop No. 38 of the First Baptist Church, will attend. Dr. Billy Jack Weaver, scoutmaster for Troop No. 38, will not be able to go, Eastus said, and the troop will go with Troop No. 35.

Military Personnel Get Life Insurance

WASHINGTON, April 26. (AP) — All U. S. military personnel in service since the start of the Korean war are to receive free $10,000 in life insurance.

Families of those killed in the conflict will receive benefits payable for 120 months at $92.90 per month.

A bill providing the new insurance was signed into law Wednesday by President Truman.

Arthur MacArthur Now Batting 1,000

NEW YORK, April 26. (AP) — Thirteen-year-old Arthur MacArthur probably will bat 1,000 with every baseball-minded kid in America — he's been hobnobbing in the dressing room of the World Champion New York Yankees.

The son of the general went to Yankee Stadium Wednesday. Dan Topping, president of the Bronx Bombers, gave Arthur a Yankee cap and took him into the dressing room to meet the players before the Yankee-Athletics game.

Plan Bombing Of Manchuria

LAKE SUCCESS, N. Y., April 26. (AP) — The United States has proposed the bombing of enemy bases in Manchuria, if the Communists launch heavy air attacks on United Nations forces in Korea.

A U. S. spokesman said the recommendation had been outlined to 13 other countries with military forces fighting for the U.N. in Korea and that no objections had been raised.

The spokesman said the proposal was advanced during recent talks in Washington, but added that no agreement has been reached on the timing and conditions of the proposed counter-raids in Manchuria.

There have been reports in the past month that a formal agreement on the matter had been made in Washington. None of these reports has been confirmed.

Congress Set To Get Foods, Price Program

WASHINGTON, April 26. (AP) — President Truman's program for tightening food price controls, broadening rent curbs and cracking down generally on violators of mobilization orders may go to Congress today.

Charles E. Wilson, the defense mobilizer, said the lawmakers will receive Mr. Truman's recommendations in a special message by Friday at the latest.

Opposition already was forming at the Capitol to parts of the President's program for revision and extension of the Defense Production Act. The present law, which includes wage-price control authority, expires June 30.

LEADERS CALLED IN

Mr. Truman called Senator Maybank (D-SC) and Rep. Spence (D-Ky) to the White House late Wednesday for a preview of the proposed changes in the law. Maybank heads the Senate Banking Committee and Spence the House Banking Group. Those committees will handle the legislation.

The session also was attended by Wilson, Stabilization Director Eric Johnston and Price Controller Michael DiSalle. When it was over, Maybank told reporters that barring last-minute changes Mr. Truman would ask for:

1. A one-year "freeze" of farm parity in a move to control food prices more effectively. (Wilson said "there is no freeze of farm parity" in the bill. His difference with Maybank on that point apparently was a matter of interpretation).

RENT CURBS SLATED

2. A general tightening and broadening of the rent control program covering homes. Also, control of rents for stores and other commercial places for the first time.

3. As Maybank put it, "very much stronger" enforcement and penalty provisions covering wage-price controls and hoarding of scarce essential commodities.

4. Payment of government subsidies on some imported agricultural commodities to hold down retail prices for the end product. Maybank said the bill lists no specific items. He said the administration might have in mind such things as coffee and cotton.

5. Authority for the government to construct defense plants in cases where 100 per cent of the output would go to the armed forces, and where private industry was unable to do the job.

Poker Game Broken Up By County Officers In Raid Last Night

A raid staged by members of the sheriff's office netted 14 persons who were either participating in a poker game or loitering in the place in the Negro section late last night, according to Lloyd Merritt, sheriff.

Those arrested included both white and Negroes, with a lone white woman.

Hailed before Judge W. C. Davidson, justice of the peace, each were fined $1 and costs or a total of $14 each.

Three decks of cards and about $20 in cash were confiscated by Homer Whisnand, and Charles Youngblood, deputies, and W. E. Green, highway patrolman, who assisted the sheriff's department.

The seized jackpot of $20 will be turned over to the Salvation Army for its welfare fund, according to the court.

Completion Reported In Diamond M-Canyon

Sun Oil Co. has reported completion of the No. 3-B G. H. Arledge in the Diamond M-Canyon field. It was gauged for 282.01 barrels of 43.3 gravity oil with 5.81 per cent water on a 24-hour flow.

Gas - oil ratio on the test was 971-1. Top of the pay was at 6,595 feet, with production from open hole at 6,608-6,658 feet.

Location is in a lease in section 94, block 97, H&TC survey.

TALK OF THE TOWN

MISS FAYE NELL SPEARS, who now lives with her parents, Mr. and Mrs. John Spears, 2212 Thirtieth Street, is going into a conference with Mr. Roy Harrison of the Times Printing Co., preparing for their big fiftieth wedding anniversary party to be thrown on Sunday, May 20. The invitations will be dusted with gold to commemorate the grand affair for the long-time Snyder residents, and many friends will be asked to help them celebrate at the home.

* * *

My small sons accompanied neighbors to a movie, and when I asked them what movie they attended they said, "Ma Kerley's". Her name has by now become quite familiar with the kiddies.... Tonight and tomorrow night she offers something new...Ray (Smoky) Whitley in person, who will sing, skillfully sling a lariat, and render some of the many songs he has composed for his fans. Seem he started as a cow puncher on a ranch near Van Horn, helped build the Empire State Building in New York, and now is a well-paid movie star of westerns.

* * *

Evidences of Snyder's spring fever pop out all over...there are each year seemingly more different shades of green. Nature runs the glorious spectrum of color when she stirs her paint pots of green, and there is nothing more soothing to tired optics than these cool, spruce greens, notwithstanding sandstorms slinging tumbleweeds. The new paving is long-awaited but, human as we are, it is difficult to restrain gripes about torn up roads and intersections closed off so you are taken blocks out of your way going home. Sometimes the workmen forget to erect signs "Road Blocked"...and, as this morning, I and my Henry Jay trembled in the middle of the road when we met, head-on, a bulldozer that would make 40 of us. It bore down on us with seeming malice, then just as I raised my eyes for a last look at the sky, the operator jammed on his brakes (if a bulldozer has anything so simple as a brake) and yelled, "Back up lady!" We backed.

Wednesday Bridge Club Entertained By Mrs. Rodgers

Mrs. N. N. Rodgers, 2811 Avenue T, was the hostess for the Wednesday Bridge Club and luncheon at the Country Club.

Mrs. P. W. Cloud won the high prize, Mrs. Herman Doak won low, Mrs. Wayne Boren won bingo, and Mrs. Weldon Johnson received the traveling prize.

The Country Club was decorated with Spring flowers.

Mrs. Weldon Johnson was the guests.

Other members present were Mrs. B. L. McKinley, J., Mrs. N R Clements, Mrs. G B Clark, Jr, Mrs Billy Boren, Mrs Garrett Harrell, and Mrs. J. D. Scott.

The next meeting will be May 9 at the Country Club with Mrs. J. D. Scott, Warren Crest, as the hostess.

HOSPITAL GROUP

SAN ANTONIO, April 26. (AP) — Mrs. Ruby B. Gilbert, administrator of King's Daughters Hospital in Temple, took over today as president of the Texas Hospital Association.

At the close of the association convention Wednesday, C. H. McCrary, administrator of the Medical and Surgical Clinic Hospital in Tyler, was named president elect.

Truman Mute Over Dawson

WASHINGTON, April 26. (AP) — President Truman declined to say today whether Donald S. Dawson, his administrative assistant, will heed a request from a Senate subcommittee that he testify in its investigation of the RFC.

The President told a news conference that he (the President) will answer that question when it comes to him.

He said it was not up to him yet. Presumably, the President is awaiting Dawson's own reply to a strong request from Chairman Fulbright (D-Ark) for his testimony.

Fulbright's group is investigating reports that favortism and influence have figured in RFC lending.

In a report to the Senate last February, it said some RFC directors have yielded to influence and named Dawson as one of those who had wielded influence on the directors.

At that time, Mr. Truman denounced the report as asinine.

He also said he would not direct Dawson to testify.

The Senators have said there is some question whether they have a right to force testimony from Dawson in view of the constitutional divisions of authority between the executive and legislative branches of the government.

During the hearings, there was testimony that Dawson and his family had spent cost-free vacations at a plushy Miami Beach, Fla., hotel which was an RFC borrower.

Mr. and Mrs. W. D. Harral, 2900 Avenue U, spent the week end visiting their son, Max Wayne Harral, at College Station Mr. and Mrs. Harral also attended the open house for the new Memorial Students Center while in College Station.

Country Club Women Sell Supper Tickets

Plans for a spaghetti supper are well underway by the Womans Golf Association of the Country Club.

Proceeds from the supper, to be held from 7 until 8 o'clock the night of May 1, will go to build a barbeque pit on the club grounds.

Tickets have now gone on sale, and may be purchased from Mrs. R. C. Miller, Mrs. Weldon Johnson, Mrs. Novia Rodgers, Mrs. Charles Coo[illegible] Scott, Mrs John Blum, Mrs. R. E. Patterson, Mrs. L. D Odom, Mrs N. R Clements, Mrs B L McKinley, and Mrs Lee Stinson.

Mrs. J. C. Doward, 1908 Thirtieth Street, has as a guest her sister Mrs. Ruth Hyden of Amarillo.

J. O. Dodson and son A. D. Dodson, 3105 Avenue S, spent the day Tuesday in San Angelo on business.

Mr. and Mrs. A. C. Kincaid, 3108 Avenue T, recently returned from visiting relatives in El Reno, Okla., Plainview, and Lubbock.

Mr. and Mrs. A. C. Alexander, 2906 Avenue U, attended the South Plains Bankers Association in Lubbock Saturday.

Hollywood

By BOB THOMAS

HOLLYWOOD, April 26. (AP) — Take it fr[illegible]ddy Baer, it's no fun be[illegible]-man gang.

The [illegible]oxer is six feet, six and a [illegible] inches, with 272 pounds of beef. While pint-sized men may look at him with envy, Buddy sighs:

"There's only one time when being this big has an advantage. When you're watching a parade."

At all other times, he added, it's a bore, a bother and an expense.

All his clothes must be specially made. His shirt collar is 18½, the sleeve 40 inches. His shoes are miniature gunboats—15 double E's. As for his suit size, he doesn't know; the numbers don't run that high.

Buddy's size has paid off in Hollywood, despite his wailings. He has landed a number of films and is now starting a good role in "Flame of Araby." He and Lon Chaney play villainous brothers. The studio managed to find an Arabian steed big enough to support Buddy, but it was quite a search.

"I'd like to do more pictures," the ex-boxer remarked. "I think I can handle the roles that Laird Cregar used to do."

Reunion Planned For Wayland College Ex's

PLAINVIEW, April 26 —Ex-students of Wayland College will hold their annual meeting at the college Tuesday night, Vernon Shaw of Lubbock, association president, has announced.

Miss Ruby Bruton, who was formerly secretary of the First Baptist Church here, is acting secretary of the association.

PETAIN IMPROVING

ILE D'YEU, France, April 26. (AP) —Marshal Henri Philippe Petain's condition continues to improve, an official medical bulletin said today.

Petain, 95, chief of state of France during the German occupation, is serving a life sentence for treason.

Air pressure which is 2.116 pound per square foot at sea level is only 280 pounds per square foot at 30,000 feet.

Use Common Sense to Take Off That Ugly Fat

Overweight can be a menace to health, but common sense should be the watchword to get rid of the extra poundage. A rigid diet over a protracted period of time, can also do harm. It is advisable that you seek your physician's advice before trying to take off weight via the diet route.

Possibly one bulgy person in 100 has some glandular disturbance and that is truly a case for the physician. But for the other 99 per cent, judgment should be used in deciding the "plan" decided on to reduce.

Overeating is one of the main contributing causes of excess fat. You may say you do not overeat—that you only eat enough to satisfy your hunger. But your intake of food may be greater than necessary for the energy you spend. Thus, the excess food turns into fat. You can eat all you want—enough to satisfy your hunger—enough to maintain bodily requirements and still eat LESS. Sounds like double talk, but it isn't.

A recent survey among Texas druggists has shown that there is one outstanding reducing aid on the market that definitely curbs the appetite. At the same time it dehydrates and eliminates. This product contains no harmful drugs. On the other hand it does contain ingredients to make you feel better—more alive, active and peppy. Nearly four million bottles of this preparation have been sold in Texas in the past eight years.

This reducing aid is called Barcentrate. You can get a four ounce bottle of Barcentrate from your druggist. Pour this into a pint bottle and add 12 ounces of canned grapefruit juice. Then just take 2 tablespoonsful twice a day. If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back.

Texas Tech's Training Ends

LUBBOCK, April 26. (AP) — Plenty of talent — six All-Americans, in fact — will be exhibited as Texas Tech winds up spring football training with an extra-squad game Friday night.

Coach Dewitt Weaver won't be able to use any of the all-stars, except indirectly, when he makes his Border Conferenee debut next fall. This is the lineup of All-Americans:

Backs — Army's Glen Davis, Texas Christian's Sammy Baugh, Oklahoma's Jack Mitchell, and Tecas' Bobby Layne; Tackle —Oklahoma's Wade Walker; End — Texas' Mal Kutner.

Mitchell and Walker are Tech assistants. Davis, Layne, and Kutner live in Lubbock when not playing professional football, and Baugh, also a pro, ranches at nearby Rotan during the off-season.

Mr. and Mrs. B. E. Liné, 2505 Avenue J, are the parents of a daughter born Wednesday night at Snyder Hospital. The baby weighed eight pounds, six ounces at birth.

Capture Pin Test

SAN ANTONIO, April 26. (AP) — Red River Arsenal's team from Texarkana won the men's team competition in the Fourth Army Bowling Tournament here Wednesday night.

Pitcher Plans Day in Court

NEW YORK, April 26. (AP) — Jim Prendergast, erstwhile Syracuse pitcher, plans to call baseball into the courts again.

The 33-year-old righthander, traded to Beaumont of the Texas League, plans to sue Syracuse of the International League for $150,000 damages. He will charge baseball's reserve clause is monopolistic and violates the anti-trust laws.

Prendergast has hired Frederic Johnson, once Danny Gardella's lawyer in a similar suit, to represent him. Johnson will file a complaint in a Utica, N. Y., court "within a few days."

Prendergast received notice Wednesday night of his transfer to Beaumont. It is understood he will not report.

The exact claims of Prendergast will not be known until the complaint is filed.

Spudders Lose To Texarkana

(By The Associated Press)

The Wichita Falls Spudders lost to the Texarkana Bears Wednesday night and dropped into a three-way tie for first place in the Big State League.

Texarkana overpowered the Spudders 15-7 while Gainesville was trimming Sherman-Denison, 8-3. Temple at Tyler and Austin at Waco were rained out.

The victory by Gainesville and the loss by Wichita Falls moved the Owls into a first place tie. Waco got in through the back door, slipping into the tie also while remaining idle.

The Bears did just about everything for themselves and in addition got a lot of help from the Spudders as they collected 18 hits, stole three bases, were handed nine walks and got an additional boost from six big Spudder errors.

Joe Niedson hammered a home run for Wichita Falls in the sixth with the bases empty.

Bob Clodfelter scattered six hits in pitching Gainesville to its second straight win. The Owls made nine hits off three twin pitchers, single and walk.

Cards on Top, Giants in Pit, What's Cause?

By JACK HAND
(Associated Press Staff)

What's wrong with this picture? Tom Poholsky pitches St. Louis Cards into first place — New York Giants sink into cellar with seventh straight loss.

This is the year the weary old Cards were supposed to fade away. Wasn't their fifth string flop of last year the tipoff? With Manager Marty Marion on the sick list, they were sure to be left in the starting gate.

Pennant talk flooded the Giants training camp at St. Petersburg. Leo Durocher had each of his pitchers go the route in two practice games to get ready for a fast start.

ACE HURLER LOSES

But nothing is sure in baseball as Giant fans sadly are discovering. Nothing Durocher does works. The hitters don't hit, the fielders don't field. Even his ace, Larry Jansen, has lost his last two starts.

And St. Louis reflects enthusiasm for the complete game pitching of Poholsky, Max Lanier and Harry Brecheen who have allowed the enemy a total of two runs in the last 27 innings.

Marion was sure about Poholsky in Florida. As sure as a freshman manager can be about a rookie. He pitched him opening day, passing over the big names on his staff. Poholsky lost the opener but vindicated Marion's judgment Wednesday night with his two-hit 4-0 shutout of Pittsburgh.

Solly Hemus, Marion's shortstop replacement, drove home the first run and scored the second. Enos Slaughter nicked Cliff Chambers for his first homer in the sixth.

PHILS EDGE GIANTS

Ken Heintzelman snuffed out Giants in the pinches to pitch Philadelphia past New York, 2-1.

Although Jansen gave up only five hits, the Phils took full advantage of them. Richie Ashburn's single following Eddie Waitkus' leadoff double in the first brought a run. Hamner's double drove in Del Ennis who singled in the fourth.

The old home run ball, a Brooklyn Dodger hoodoo for years, rose up again to cost them a ball game. Boston's Sam Jethroe hit one into the seats with one on and two out in the ninth for a 6-5 edge over Reliefer Clyde King. Vern Bickford was the winner.

HOMER HELPS REDS

Ted Kluszewski, deep in an early spring slump, snapped out of it with a two-run homer in the eighth for Cincinnati's 4-3 edge over the Chicago Cubs.

Ewell Blackwell, working on relief, picked up win No. 1 at Paul Minner's expense.

Spec Shea, New York Yankee star of 1947, was the big news in the American League with a four-hit, 4-0 shutout of Philadelphia.

Billy Johnson had a hand in all four Yank runs with a double, single and walk.

Missions Just Roll Along

By HAROLD V. RATLIFF
(Associated Press Staff)

San Antonio's Missions roll along at the head of the Texas League because they are the boys who strike lige lightning when the chips are down — with long hits that break up ball games in a flash.

Wednesday night was a good example. The Missions were behind 3-1 with Beaumont when Austin Knickerbocker, bought during the winter from Baltimore with the idea of adding power to the attack, parked one to tie the score. Then in the ninth Darrell Johnson followed suit with two out and there was the game.

San Antonio won 3-2 with only five hits but three of them were for extra bases.

Tommy Fine of San Antonio and Harry Schaeffer of the Roughnecks due.

Houston also won by one run but had to go fourteen innings to do it. Pete Lewis' long fly which scored Ben Steiner from third decided the issue as the Buffs nosed out Shreveport 5-4. Steiner was running for Les Fusselman, who had doubled to open the inning, and Jerry Witte sacrificed Ben into scoring position.

Fort Worth whipped Oklahoma City 7-5 by shoving over five runs in the fifth. Glenn Mickens notched his third pitching triumph of the year but got into serious trouble in the eighth, when Oklahoma City scored two runs and had to be relieved by Rene Solis.

Rain washed out the second game of the series between Dallas and Tulsa at Dallas. The Clubs play a double-header tonight.

State High Tourney Schedules 2 Rounds

DALLAS, April 26. (AP) — Two rounds were scheduld today in the State High School Invitation Golf Tournament here.

Two more rounds are set Friday, the semi-finals Saturday morning, and the finals Saturday afternoon.

Jimmy Powell of Sunset (Dallas), the 1949 champion, won medalist honors Wednesday with a one-under-par 71.

Highland Park (Dallas) took the four-man team title with a total score of 309.

Golfers in the championship flight include Arlyn Scott, Odessa, and John Cochran of Bonham.

Walker Cup Golfers Play Practice Round

NEW YORK, April 26. (AP) — Members of the Walker Cup golf team, scheduled to sail for England Friday, played a practice round today at Knowlwood C. C. at White Plains, N. Y.

Power Shown By Harlingen

(By The Associated Press)

Harlingen's Capitols are following the pattern set by the New York Yankees in building up their lead in the Gulf Coast League. They used fence-rattling power to subdue the opposition.

The Caps Wednesday night overpowered Texas City 9-3 to increase their margin to two full games. Corpus Christi fell into third place as the result of a 6-5 loss to Port Arthur.

In other games, Galveston defeated Lake Charles 9-2 to move into second while Laredo beat Brownsville 9-4.

Home runs were plentiful throughout the league with the Laredo-Brownsville game setting the pace. Five round trippers were collected in this contest, three by Laredo and two by Brownsville.

Harlingen scored three runs in each the third and eighth innings. A home run by Herbert Nauert in the fourth inning was the big blow.

Port Arthur rallied for two runs in the bottom of the ninth to gain a sweep of the three-game series. Lefty Quintin Altizer was the losing pitcher.

Galveston used a neat seven-hit pitching job by Ramon Roger to likewise sweep a three-game match. It was the sixth straight loss for Lake Charles.

Laredo pounded out 17 hits off five Brownsville hurlers. Agapito Mayor struck out 17 men.

Two Great Hounds For Waterloo Stake

ABILENE, Kans., April 26. (AP) Two great Texas greyhounds meet today in the second round for the $8,000 Waterloo Stake in the National Coursing Meet.

They are Swanky Boy, for whom Dr. Jack Woodward of Denton paid $5,000 last summer, and Foggy Weather.

C. V. Floca of Temple, Tex., raised Foggy Weather and sold him recently to Clyde Lemon of Portis, Kans.

Midland Group May Buy Team

MIDLAND, April 26. (AP) — Businessmen and sports fans of Midland are considering an offer to buy the Midland Indians baseball club of the Class C Longhorn League.

Harold Webb and H. W. Donahoo, present owners, made the offer Wednesday. They said the proposed purchase was an attempt to interest more Midland residents in the actual operation of the club and to assure continuance of professional baseball here.

The Indians have won three and lost two this season. They won the pennant in 1948 and finished second in 1949.

Betsy Rawls Smashes Babe

SACRAMENTO, April 26. (AP) — Betsy Rawls, in only her third tourney as a pro, smashed Babe Didrikson Zaharias' virtual monopoly of the women's golf tour.

Miss Rawls, 22-year-old San Antonio, Tex., ex-amateur star, raced home in 34 strokes Wednesday to take top money of $225 in the Sacramento Women's Invitational Tourney. She was out in 38 for a 72.

The Babe, who had won five of seven women's tourneys this year, shared second place with 17-year-old Marlene Bauer of Midland, Tex. Each counted 74 for a $137.50 pickup.

Other pro scores:

76 and $116.66—Betty Jameson, San Antonio; Alice Bauer, Midland, and Louise Suggs, Carrolton, Ga.

79 and $87.50 — Marilyn Smith, Wichita, Kas., and Betty MacKinnon, Dallas.

Miss Ann Rodesky, superintendent of nurses at Snyder Hospital, has resigned her position and will leave Monday for Houston. She plans to return to her home in Canada.

Clovis Comes From Floor

(By The Associated Press)

The Clovis Pioneers, losers of their first four West Texas-New Mexico League games this season, fought their way off the floor to smack the Lamesa Lobos, 5-3, in the first game of a double header Wednesday night. But they fell right back into their old ways in the second game to lose, 15-6.

In other games Pampa scored in the last of the ninth inning to beat Amarillo, 7-6 and retain their half game lead in the pennant race; Abilene beat Borger, 8-4, and Albuquerque defeated Lubbock 8-6.

Abilene's victory kept them just a half game off the pace while Lubbock, tied with the Blue Sox, dropped all the way to fourth behind Albuquerque.

Albuquerque battered three Lubbock pitchers for the win.

Clovis scored three runs in the fifth and two in the seventh inning in the first game to register its first victory of the 1951 season. But they paraded five hurlers to the mound in the second game in an effort to stop the rampaging Lobos —all to no avail.

Catcher Bill Whitehorn smashed a line drive single off the body of Third Baseman Pinky Higgins in the ninth inning and Dick Woldt raced home from second to give Pampa its victory.

Sweetwater Lake At Lowest Point Ever

SWEETWATER, April 26 —Lake Sweetwater has reached the lowest water level since the lake was first filled, and is 7.32 feet lower than a year ago.

City commissioners are now studying plans to curb water consumption, although Henry Nabers, city manager, said there is still probably seven months water supply at the lake with the aid of the Roscoe wells of Gulf Oil Co. Several conservation practices have already been asked by the commissioners, covering both home and business uses.

Kincaid to Dunlap's

A. C. Kincaid, former manager of J. M. McDonald Co. and Bryant-Link Department Store, has accepted the managership of the men's department at Dunlap's department store on the south side of the square.

Former Snyder Youth Killed In Car Wreck

PECOS, April 26 —Robert Malett, 15, son of Mr. and Mrs. Earl Malett, was killed Monday night when the car in which he was riding rolled over him after he fell from the vehicle. Another passenger in the car, Tomie Riley of Barstow, was seriously injured.

Robert was a freshman in Pecos high school. He moved from Snyder to Pecos with his parents about three years ago.

Attlee Spikes Guns of Rebel Rebellion Bid

By DeWITT MacKENZIE
(Associated Press Staff)

Britain's Prime Minister Attlee has spiked, at least temporarily, the guns of the "left-wing rebellion in his Socialist party led by Aneurin Be[illegible] against the nation's armament program as agreed to with Washington.

The Socialist high command — the national executive — Wednesday overruled Bevan's objections and declared firm support for Mr. Attlee's policies.

A short time later Foreign Secretary Herbert Morrison pledged that Britain would cut its standard of living before slashing the rearmament program.

This revolt of left wingers under Bevan was—as explained in a previous column—really part and parcel of a campaign to swing the Socialist party as a whole further left. Bevan, powerful labor leader, resigned his important cabinet position as Minister of Labor in protest against the rearmament program.

Bevan and his followers charged that Britain couldn't rearm as quickly as America wanted her to. They contended also that the U.S.A. was using so many raw materials for her own rearmament that Britain couldn't get what she needed to avoid economic chaos.

Bevan declared heatedly that this program was detrimental to the Socialist welfare state. One of his main grievances was that the government proposed to charge the public in part for false teeth and glasses, whereas these things have been free.

This money raising expedient was among the provisions of the new budget which is now before the House of Commons. Bevan made much of it in his sensational resignation, which was followed by that of Harold Wilson, president of the Board of Trade, and John Freeman, financial secretary at the War Office.

What Bevan's next step will be is a question of international interest. It can hardly be expected that he will abandon his fight because of this initial setback, since his ultimate objective goes far beyond the argument over rearmament.

Truman Won't 'Pull Strings' On MacArthur

WASHINGTON, April 26. (AP) — President Truman said today he will not "pul the strings" on Gen. Douglas MacArthur but will let him say what he pleases, when he pleases and where he pleases.

The President held a news conference that under legislation setting up the rank of five star general and admiral, he could pull the strings on MacArthur, but that he does not propose to do so.

In response to a reporter's question, the President said that MacArthur may go where he pleases and say what he likes to say, now that he is back in this country.

New Fire Equipment Arrives In Snyder

Water hose arrived yesterday for the city's new fire truck to be delivered next month, W. J. Ramsey, city superintendent, said.

The 1,500-feet of two and one-half inch hose is in 50 feet joints.

Expected delivery date for the new fire truck is May 15, but that date has not been made definite, and actual delivery might be a few days off either way, Ramsey indicated.

Work is underway on an annex to the present fire station to provide facilities for housing the new fire equipment. A fire sub-station is also being built in East Snyder.

Greenland is as large as the part of the United States which is east of the Mississippi River.

Drug Traffic Goal of New Crime Probe

By JOHN CHADWICK

WASHINGTON, April 25. (AP) The narcotics traffic looked today like a prime target of Senate crime investigators armed with $100,000 and four more months to pry into underworld activities.

In eclipse recently as it worked quietly on legislative proposals, the Crime Committee headed back into the limelight Tuesday with this turn of events:

1. Senator Kefauver (D-Tenn), the committee chairman, yielded to the demands of party leaders not only that the crime probe be extended but also that he stick with it. At his own request, however, he will hand over the chairmanship to Senator O'Conor (D-MD).

2. Democratic members of the Crime Committee quickly compromised their differences with the Republican members, who had been calling for continuation of the investiation, and an extension resolution was whipped through the Senate without objection.

The resolution provided for continuing the committee until Sept. 1, and gave it $100,000 on top of the $265,000 it already has received. It was to have expired Monday.

After Sept. 1, its records are to be turned over to the Senate's regular Commerce Committee. That group then will have authority to keep underworld operations under scrutiny and use any of the $100,000 not spent by the Crime Committee.

The Crime Committee submits its findings and its legislative recommendations to the Senate Monday.

O'Conor said it was impossible for him to say yet what course the investigation will take in the next four months. He said in a Senate speech only two days ago, however, that the sale and distribution of narcotics required thorough investigation.

National Advertisers Invested $499,019,000

NEW YORK, April 26. (AP) — National advertisers invested an all-time high of $499,019,000 in newspaper space in 1950.

The total represented a 12.1 per cent dollar gain over 1949.

The grocery industry again topped the list with an expenditure of $123,354,000.

The figures were reported Wednesday by the Bureau of Advertising of the American Newspaper Publishers Association, holdings its annual convention.

Rites Told In Abilene

Mr. and Mrs. C. S. Wilson, Sweetwater, have announced the marriage Friday, April 13, of their daughter, Miss Lovelle Wilson, to Eldon Rosson, also of Sweetwater.

Mr. Rosson is known in Snyder, having graduated from Snyder high school. He is the son of Mr. and Mrs. O. C. Rosson, who lived here for several years.

The Rev James L. Sullivan performed the double - ring ceremony at his home in Abilene.

The bride wore a traditional white wedding gown of floor-length etched nylon with full skirt and shirred bodice. The long sleeves were pointed at her wrist. Her headdress was fashioned of white carnations, and her white Bible was adorned with carnations and an orchid.

Mrs. Rosson, who graduated from Moselle high school, has been employed with the International Harvester Co. in Sweetwater. Mr. Rosson, after finishing high school here, attended Texas Technological College in Lubbock and is a veteran of World War II. He is now associated with his father in Hereford breeding and general farming near Sweetwater.

Out-of-town guests at the wedding were Mr. and Mrs. C. R. Holland, Mrs. Holland a sister of the bride and Miss Allie Beth Rosson, the bridegroom's sister.

The couple left for a wedding trip immediately following the ceremony.

OPS RULES

LOWEST MARK-UP

LOWEST CEILING

Lowest Prices

GROUP 4 Retail stores (independent or voluntary) with annual sales volume of $375,000 or more. (This group is allowed the lowest mark-up over cost, resulting in lowest consumer prices.)

GROUP 3 Retail stores (other than independent) with annual sales volume of less than $375,000 but not less than $175,000.

GROUP 2 Retail stores with annual sales volume of less than $175,000 but not less than $75,000.

GROUP 1 Retail stores with annual sales volume of less than $75,000.

This COULD be complicated, but we'll keep it simple! The number of stores we operate, and their volume of business qualify D & H SUPER MARKETS for Group 4 under regulations of the Office of Price Stabilization. This group is permitted the lowest mark-up and has the lowest ceilings of any group. All this means one BIG thing you . . . comparatively LOWER PRICES on EVERYTHING AT D & H SUPER MARKETS!
