SHORT CUTS IN LIFE

The little Boy Scout who looked at the map for hours to see whether he could go the short way around where there weren't any hills to climb is very much like some people in our world today. The little boy's Scoutmaster told him that he could go the easy way, but he would miss all the scenery. This is so true of every day of our lives. Our scenery in life is fruitful living, helping others, and learning something every day we live, so that it will be easier to handle any

situation that may confront us.

Many people, especially young people about to finish high school, are so very eager to get away from school that they almost live in the future. They feel as if every day they are just spinning their wheels and not getting anywhere or being of any use to others. This is one of the first big hills that we have to climb. The name of this hill is "waiting." The art of waiting is one that is very hard to develop, but one that must be, in order to become a well rounded personality. One great poet has said, "Trust no future however pleasant, let the dead past bury its dead. Act, act in the living present . . ." This is so very true. Every day of our lives is one day less we are going to live in the future. If we could only realize that "Life is only a vapour which passeth away." I think we would truly "live every day of our lives."

Everyone is a different personality. There are no two people alike in the world; therefore, it is up to you and me to decide which road we will take. The easy road that is wide and smooth or the narrow, twisting, turning road, full of hills, bumps, and jolts. You are what you make of yourself. No one can do it for you. If you have talents, you should develop them to the best of your ability, and you will never learn so much that you can't learn more. Help other people! Whether you believe it or not, there is a greater satisfaction in this than any other thing in the world. There are lots of jolts you take by other people saying things about you, but we must consider this as part of life and try harder not to hurt anyone else.

Now let us consider the drifter. The person who lives for self and self alone. The person who thinks only of himself and bemoans other people for the good they try to do seems to be taking the easy, smooth path, doesn't he? Without effort and hard work, nothing worthwhile can be achieved. These people that drift are usually disliked more than they are liked. In school they want assignments easy; at home they

never want to help with the work; in their religion they say it is too much trouble to go to church. They feel as if the world owes them a living. It doesn't! You can make the world a better place to live in by contributing of yourself to the world instead of always being cynical about all the good that other people try to do. Life isn't easy. You find that out when you are very young. We should start now to climb all the hills of life and take the long bumpy way. If we do the best in everything that we undertake, we will, as the Scoutmaster said, "see all the scenery."—by Janis Crowell.

EASTER LADY OR APRIL FOOL?

Two holidays will be celebrated this Sunday—Easter and April Fool's day. Follow these simple fashion cues in order that you might be the "grandest lady in the Easter parade" instead of the "April fool."

Take heed from your Far Eastern neighbors and follow the popular Oriental trend. With their mandarin collars, sari-prints, and slitted sheaths and dusters, their colorful costumes have certainly taken their place in the Easter parade. The new sheath and duster ensemble is undoubtedly the most popular combination this spring.

Easter bonnets are much more flowery and feminine. Designers are returning to the picture hats of old. Lovely creations draped with tulle and net, sprinkled with flowers, frame a true picture of feminine grace.

Yellow is the season's color. Not only accessories but also entire ensembles may often be dominated by this popular new shade. While choosing your new Easter outfit, be bold but not brassy. The huge bags and ornate jewelry are beautiful when accenting a simple dress, but don't try it with frills.

SPEAKS AT ASSEMBLY

A treat enjoyed by the students last week was a program

presented by Dr. Carl Allen, who was conducting a revival at the First Baptist Church.

The topic of Dr. Allen's discussion was "Short Cuts in Life." He pointed out the ways young people are prone to take short cuts in preparing for the future. This proved to be one of our most enjoyable and informative programs. The student body seemed unanimous in their appreciation of Dr. Allen.

MIDWESTERN CHOIR ENTERTAINS SCHOOL AND ITS PATRONS

When the CHS curtains were opened Thursday night, there appeared an attractive, colorful group, the Midwestern Choir. The robes worn by the choir were a beautiful maroon. The girls wore yellow capes which brightly decorated their robes. Following the opening of the curtain, the group presented classical songs, various religious songs, and a few lighter selections.

We are very grateful to the people who so willingly helped make this a success and to the ones who kept students in their homes. We're sure that the students as well as the people who kept them, have gained new friends, learned more about new things, and in some instances learned about different countries. We are very appreciative of your help because it has helped make our senior trip possible.

SURPRISE BIRTHDAY BREAKFAST

To honor Francine Coffey on her eighteenth birthday, several Home-making III students prepared a breakfast of delicious waffles and bacon and served it to the class Monday morning. Francine was presented with a gift from all the class. Hostesses for the occasion were Peggy Long, Sandra Choate, and Maxine Reynolds.

PRUITT, SENIOR OF WEEK

This week's senior, Joe Pruitt, is a true Texan. He likes western clothes and fried chicken. He betrays his love of horses when he

says, "The sport I like to see best is a good horse race on TV." A loyal FFA member, Joe has served on the judging team for two years. Since Joe lives at the country club, it's only natural that he likes to play golf. Joe wants his movies to star James Stewart and his songs to be sung by Webb Pierce or Bob Wills. Hunting and fishing are this senior's hobbies. His plans for the future include two years with the Army.

VOLLEYBALL TOURNEY TO BE HELD HERE APRIL 10

During the last four weeks our volleyball girls have been working in order to place in the District Volleyball tournament that is to be held in Crowell on April 10. For one hour every day during third period the girls work hard. For every serve that they miss in this practice, they are made to run five laps.

Coach "Tiny" Taylor, when asked about it, said, "Most of our team are freshmen; therefore, they are young and inexperienced. We have no returning 'regulars' from last year's team. We lost our 'first seven' girls. There is only one senior on the team this year."

The A string is: Zonell Eddy, Ginger Rasberry, Maxine Reynolds, Gayle Taylor, Pat Prosser, Judy Vaughn, Betty Linda Knox, Joanne Shultz, Barbara Borchardt, Sandra Simmons, Joyce Howard and Janet Rasberry.

PLACES IN LAND JUDGING

The V. A. soil judging team, composed of Nelson Abston, Karl Bell, J. W. Golden and Jerry Cates, attended the land judging contest at Quanah Tuesday, Mar. 20.

Nelson Abston placed second high individual and Jerry Cates placed third high individual with the entire team placing second.

SPANISH CLUB

The Spanish Club — Los Pi-caros de Enrique — held its monthly meeting at the home of Mr. and Mrs. Marion Crowell on

Monday evening, March 27.

The students were entertained by Eddie Rickard's Dance Band which played Spanish numbers. At the conclusion of the program, an enchilada dinner was served to the regular members and to eight guests.

Mrs. Crowell was assisted by Mrs. J. T. Brooks and Mrs. Foster Davis.

CLUB NEWS

The Sub-Junior Columbian Club met in the home of Gayle Taylor March 21 for its regular meeting.

Business was discussed, and the club decided to give plate favors of decorated Easter eggs to the hospital patients.

Reports about the future were given by Doris Cates and Arleta Teague.

The meeting was adjourned until March 28 when the members will meet in the home of their sponsor, Jean Halbert.

The members enjoyed delicious refreshments served by the hostesses, Judy Vaughn and Gayle Taylor.

CROWELL PLAY TAKES SECOND PLACE

Friday morning the one-act play cast, along with Mrs. Elmo Todd, the director, her husband, and several of the mothers, journeyed to Archer City to compete in the district one-act play contest. Schools, besides Crowell, presenting plays were Holliday, Chillicothe, Paducah, and Archer City.

Archer City won first place on "Shadow of a Dream." Crowell's "The Crucible" received second place. Third place was given to "Joint Owners in Spain," presented by Holliday.

Crowell had the only play with more than one person on the all-star cast. Aldon Garrett was named first actor, and Roma Jan Spikes second actress.

Crowell's stage crew consisted of Ray Gibson, Glenn Carroll, Patricia Prosser and Roberta Hough. Characters of "The Crucible" were Aldon Garrett, C. T. McDaniel, Ray Thomson, Charles Todd, George Morgan, Roma Jan Spikes, De Anna Ferguson, Francine Coffey, Janis Crowell and Shirley Fox.

JOTTINGS BY JAN AND MARKINGS BY MARKETTA

Well — we are at a loss for something to write. — Amusement Column — Humph!

The Plug Department — Every ticket bought for the Midwestern Choir program was greatly appreciated by the seniors. The money raised will be used for the senior trip in May. To those parents and patrons who kept members of the Midwestern Choir in their homes, we say a big "thank you."

Congratulations — to the FFA judging teams who took honors at the Wichita Falls judging contest. To Aldon for winning first on the district all star cast, and to Roma Jan for winning second.

Something to Consider — "Sixteen thousand teenagers are addicted narcotics users and will never be cured," said the executive secretary of Narcotics, Inc. Without exception the teenage addicts first smoke marijuana which led to addiction to other and more serious drugs. He also states that drug addiction was found among the children from the best homes as well as the lower or broken homes.

Consolation — To the members of the one act play. We think we had a good play even though it didn't win first.

The issuing of the caps and gowns to the seniors brought their goal closer than ever. They

realize that they will soon be CHSites.

Expectations — These expectations probably have already opened when this goes to press but right now we are looking forward to seeing Quanah's production of "Bread" which is second in the district contest. Seymour and will get to go North Texas. We think that anyone enjoys the exchange plays between Quanah and Crowell, and it helps to build good will between the schools.

We are also looking forward to the volleyball and tennis tournaments.

Exit—See you next week.

TRACK ENTRANTS IN INTERSCHOLASTIC LEAGUE

Three track teams from Crowell invaded Paducah Wednesday for the Interscholastic League meet. The three divisions of high school, junior high, and grade school. The names of high school participants and events are as follows: 880 yard dash, Edward Howard and Parkhill; 100 yard dash, Washburn, Ray Gibson, Washburn, Primitives Gidney, and Don Daniel; 200 yard dash, Melvin Washburn, Payne and Billy Everson; 400 yard dash, broad jump, Louis Rettig; broad jump, Thaxton and Melvin Washburn; shot, C. T. McDaniel; Ray Gibson; 440 yd. relay, Thaxton, Gidney, Washburn and son.

The junior high division participants are Gerald Brad, Larry Hord, David Carpenter, Karl Bell.

The grade school participants are Ivan Cates, Don Tole, Ford, Dale Henry, Fred Taylor and Bill Graves.

KNOTHOLE NEWS

That's the way to go kids. Scandal locker was full this week. What did Gayle, Pat and Frances do that made them climb the nearest tree? Bad girls.

Say, LaVoy, where did you get the name Ace? The kids know.

Somebody hurry up and another dance. Everybody is to be itching for one. David, did you have fun at Wichita Falls Saturday? The knothole heard you. Ocie Tarver and Linda Henson seem to be making good. De Ann, what is wrong with you and J. D.? Was he with (Continued on Page 1)

It isn't the low price that makes Chevrolet the most popular car going. It's the looks and quality—the ride and roadability—the championship power and performance.

Sure Chevrolet's low price is important. It saves you plenty, when you consider what most other cars cost.

But even more important to you are the qualities you get in a new Chevrolet. Like its record-breaking performance (up to 225 h.p.) and nailed-down stability.

These are just two of the things that go to make driving more satisfying—and safer—in a Chevy. Driven one yet? We'll be happy to arrange it.

In The News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, April 2, 1926:

Veteran wheat farmers of this county say wheat prospects were never better. A little anxiety was felt about the crop after Monday night's snow and sleet followed by a temperature of 25 degrees, but it is thought the crop was not damaged.

A contract was let last week to Roy Irick by the City of Crowell to build the dam across Raggedy Creek. The contract was for \$27,992.

County Agent Fred Rennels says that there are some farmers in the county who will practice diversification this year more than ever before.

Miss Jessie Cates, secretary of the West Texas Utilities Co. of this district, attended the executive meeting of the company at Cisco March 19, and also the formal opening of the Cisco office.

At a regular meeting of the Crowell school board, R. B. Underwood was elected superintendent for another year.

An oil showing was encountered in Navarro Oil Co. test on the McAdams ranch, 20 miles west of Crowell, at a depth of 2,775 feet.

About three thousand people attended the polo game on the Mimick Ranch south of Wichita River last Sunday.

The new building for the ice plant and offices of the West Texas Utilities Co. is almost completed.

Foard County's cotton yield for 1924 was 18,191 bales and for 1925, it was 17,895, 296 bales less than the previous year.

Mrs. H. W. Cotner of Oklahoma City is here visiting her parents, Mr. and Mrs. J. C. Thompson.

Born to Mr. and Mrs. Clyde Cobb on Monday of this week a baby girl.

Mr. and Mrs. Frank Moore of Burkburnett were here a few days this week.

Mr. and Mrs. Charlie Smith were here last week from their farm near Floydada visiting relatives.

Miss Gertrude Culp of Pueblo, Colo., a former Crowell milliner, is a new subscriber to the News.

Floyd Borchardt Seeks Office of Commissioner

Floyd (Doc) Borchardt has authorized the News to announce his candidacy for the office of Commissioner of Precinct No. 3, subject to action of the Democratic primary in July.

Mr. Borchardt served as commissioner of this precinct for one term, 1953-1954.

In making his announcement he released the following statement:

"I sincerely solicit the support of the voters of this precinct and, if elected, in view of my past experience, I feel capable of attending to the duties of the office in a fair and impartial manner that will be satisfactory to all concerned."

"I expect to make a thorough campaign and contact every voter in the precinct. Your support and influence will be appreciated."

Miss Hays' Fifth Grade Visits Donald Norris' Chicken Farm

On Tuesday, March 20, the fifth grade from Room 30 of the Crowell Grammar School rode a school bus to Donald Norris' farm west of town. They were accompanied by Miss Marilyn Hays and Edward Daniel.

Mr. and Mrs. Norris showed the young people through the laying house of their chicken farm.

Mr. Norris' hens are two years old. They consist of two breeds: Hybrid, Dekalb (No. 101) and Trueline, Colonial (No. 365.) The latter breed is a group of young pullets.

The 168 laying hens eat a special type of all-mash feed. They are housed in wire cages, which are built three feet above the ground inside a well-ventilated building. The cages are sloped in such a way that the eggs move slowly down into the wire racks

where they can be easily gathered. For proper egg production, a pullet should be six months old. The average laying period is 12 months. Before putting the hens into the cages fifteen days ago, the daily egg production was 60 eggs from 168 hens. Now the production is 97 eggs daily from the same number of hens.

In order to replace all the caged hens in one year, every four months, one-third of the cages should be changed; therefore, the operator is never without cages. The oldest layers are completely shifted to one side of the building.

His system used for marking each layer is a clothespin attached to each individual cage. If the hen is a good layer, the clothespin is moved up a notch at a time.

It seems that the Norris' have a money-making proposition. When asked if he thought he would ever become rich, Mr. Norris replied, "It is an interesting hobby and a good sideline for the farmer of today." But, of course, he makes a small profit, too.

Soil Conservation News of District

Lower Pecos River Soil Conservation District, Lower Pecos River District Board: W. C. Howard, Grand Marshal, O. T. Holmes, O. H. Brandon, H. L. Ayers.

Terraces Completed

With spring planting season fast approaching, a number of farmers have recently finished or are now completing terrace systems. Soil conservation personnel assisting the district have been notified by Rod Howard, E. R. Hammond, Mrs. Maye Boyles and Bill Moore that their systems have been built and are ready for final checking. District cooperators who have terraces completed should furnish Soil Conservation Service personnel with measured lengths and notify them when the system is ready to be checked.

Austin, Tex.—Texans are going to have their say, if candidates have their way.

Most candidates seem to be falling into the same pattern. They want letters from the "folks"—telling them to run for office.

Some want 10,000 letters—some 25,000. Some just want letters.

It's a new way to solve the postal deficit.

Sen. Price Daniel said he received, within a week, more than 25,000 letters.

Another "letter man," W. Lee (Pappy) O'Daniel, says he's been getting them by the basketful.

Ralph W. Yarborough reports

that he has received unsolicited letters urging him to run.

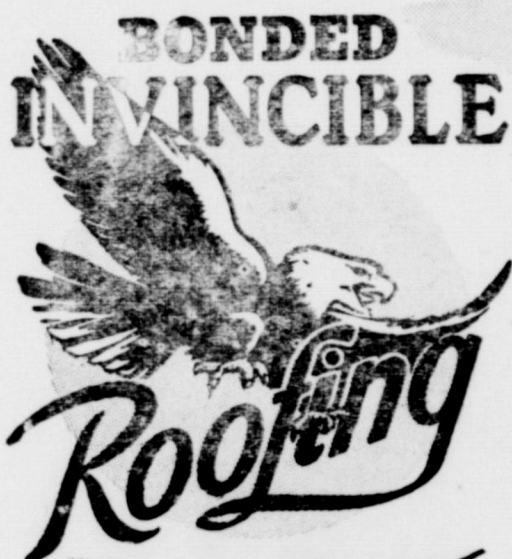

Another gubernatorial date, J. Evetts Haley, is to say, "I didn't have to single soul—much less 25,000—ple—if I could run."

Johnson Challenged
In a fiery verbal battle, Press Association president sell W. Bryant of Italy to sell more than 100 newspapersmen and a North and East Press convention in Tyler.

C. T. Johnson of Austin is glib to become a candidate Lt. Governor.

Bryant distributed copies deposition taken in the district Court at Austin on 1955, in which Johnson's under oath that he spent \$125 in traveling the large breadth of Texas while campaigning for Lt. Governor in 1954.

According to Bryant, testified he had driven 15,000 miles and that in traveling expenses for the campaign period, as reported him to the Secretary of amounted to \$125—for gas, oil, tires, repairs, batteries and meals.

ANNUAL MEMBERSHIP MEETING

The annual membership meeting of the Farmers Co-Operative Gin will be held in the District Court Room in Crowell, Saturday, March 31, 1956, at 2:00 p. m. The purpose of this meeting is to receive the annual reports and the election of four directors, and any other business that may come before the meeting.

We urge you to attend this meeting.

FARMERS CO-OPERATIVE GIN,
Lester Patton, President.

I FEEL YOUNG AGAIN, DOCTOR!

Give that old set of yours new life. It has probably taken a beating in recent years and you may not realize how run-down and weak it is.

Our service restores youth and vigor to old sets. We'll test and overhaul and replace any run-down tubes with new TUNG-SOL tubes.

Crowell Radio and T. V.

we recommend TUNG-SOL Radio and TV Tubes

TELEVISION NEWS

An interesting thing happened last week out around Foard City. Jack Welch called us, saying some sort of interference had ruined his radio reception completely and—most of the time—it was impossible to watch TV. A trip to Foard City by your writer disclosed that all radios were "wiped out" for many miles around. Also that Jack Welch's TV was the only one affected enough to necessitate turning the set off completely.

Back east of Jack, E. R. Roland's TV had a few streaks through it, but reception—as a whole—was excellent. Joe Rader, who lives about two miles almost due east of Jack, had a few more streaks than Roland, but not enough to really bother. Grady Halbert, who lives a mile or so west of Welch, also had a few streaks, but he could still TV in comfort. So Jack Welch, having thus localized the trouble as being definitely near his home, called REA. Next afternoon, they cleared the trouble—something at the transformer of the adjoining house on the north. Now Jack Welch is "back in business" with his TV set, and the entire Foard City community is now again happy with their radio reception!

Are your pictures dark? If they are, it may mean that your picture tube is "conking out" . . . but then, on the other hand it may NOT. FIVE TUBES have to do with whether brightness is good on a TV set, and several of them might just be bad. And even if your picture tube is actually at fault, we at Crowell Radio and Television have a picture tube rejuvenator that might help immensely. IF WE CAN CATCH YOUR PICTURE TUBE SOON ENOUGH, usually we can "shoot" it with this device and restore its original brightness. In some instances we've lengthened the life of picture tubes a full year. In other cases—where the owner waited too long to call us—nothing could be done—it was past helping. So any time that picture is dark, don't wait. Let us know pronto!

Sincerely,

Marion Crowell.

THE WILDCAT

(Continued from page 2)
Saturday and Sunday?
Bettie Linda, who is that sophomore you seem to be making eyes at now?
Jimmy Weaver, give those freshmen a chance.
Seems like Bettie called it quits with J. D. How about this, Bettie? Seen at the drive-in Saturday night were Peggy, Glenn, Joyce, Jimmy Dean.
DeAnna and Charles seemed to be having fun Sunday afternoon.
Boys, why don't one of you ask Gayle Taylor for a date?
It seems as tho a girl named Thelma Henry has her eyes on Louis.
Butch, what were you blushing about Sunday night when Marilyn went to sing? It couldn't have been because of that little baby, could it?
All the boys are after David. Now Dianne wants a chance.
Zonell, did you have fun at the Sport. Saturday night?
It seems as tho a certain boy is making eyes at Gayle Johnston.

MRS. C. H. WOOD

Those who visited Ed Self of Walnut, Calif., in the home of his mother over the week end were Mr. and Mrs. Dalton Thompson of Crowell, Mr. and Mrs. L. S. Mason, Mrs. Isa Belle Thompson and Floyd Carlton of Vernon.

Mrs. Joley Jones and granddaughter, Janie, visited Mrs. Maggie Capps Sunday.

Rev. and Mrs. C. C. Lamb returned home Monday from the Plains where he conducted a revival last week.

Mr. and Mrs. Bill Moore and Mrs. C. H. Wood were Wichita Falls visitors last Friday.

Mr. and Mrs. Oran Ford were recent Hereford visitors. They were en route to Springfield, Colo., to visit his sister, Mrs. W. E. Higgins, and family.

Mr. and Mrs. Lee Sims of Wichita Falls spent the week end in their home here.

Mr. and Mrs. Duane Capps and children have moved to McLean where he will take up his duties as a highway patrolman.

Mr. and Mrs. Donno Day and daughters of Abilene were Sunday guests in the home of her mother, Mrs. M. H. Jones.

Mrs. Guy Todd of Crowell recently visited Mrs. Oran Ford.

The W. A. Johnsons have been attending the bedside of their grandson, Terry Johnson, in the Crowell hospital.

Bud Hammonds spent the week end with his sister, Mrs. Joe Reid Jones, and family at Floydola.

Mrs. Lee Sims of Wichita Falls and Mrs. G. W. Seales visited Mrs. W. A. Caldwell and Mrs. M. E. Moore last Sunday.

Mr. and Mrs. W. R. Pearson of Childress visited their daughter, Mrs. Sim W. Gamble, and family Monday night of last week.

Mrs. Billy Johnson visited her sister, Miss Nettie Black, who submitted to surgery in the Crowell hospital Monday of last week.

Mr. and Mrs. Albert Jones of Crowell spent Sunday with his mother.

It appears that not even Bettie Linda can keep Larry and Jana apart.

One of the cutest couples anywhere — Peggy and Gerald Bradford.

Pat, what were you and Louis doing stuck in the mud Saturday night?

Eddie Ketchersid and his roommate were home over the week end. All girls lay off his roommate!

Say, Weaver, what was that we heard you did Saturday night? We heard the car was packed.

Double dating in Vernon Saturday night was the steady, Ray-Roxy, with Patty - Sonny. Say, what happened to the car anyway? And it was locked too!

Say, C. T., who was Francine with Saturday night? Couldn't have been Charles Wishon, could it?

Say, what did Sherman do to a bunch of kids riding on a pickup Friday night. You didn't mind him.

Ray, what did you and C. T. have to go back to Archer City for Monday?

Zody, what happened that you aren't wearing a Q town football jacket now?

What's this, Barbara and Layton? Could you kids be getting up a case. They were seen together both Saturday and Sunday.

What did Thomson, Davis, Page, Youree, Sellers and Calvin do in Vernon Sunday?

The Phantom struck again in Vernon Saturday night. What about it, David, Twyla, Bettie Linda, Gayle, Lowell and Joe?

Seen with Billy Don Sunday afternoon and night was Gayle Taylor. Something new.

GAYLON'S GIGGLES

Visiting New York for the first time, Charlie got in an elevator in the Empire State building with his father. The elevator shot up, and as it whizzed past the 50th floor, he looked up at his father. "Daddy," he asked, "does God know we're coming?"

A lady engaged in washing her upstairs windows leaned out too far and fell, landing squarely in a garbage can. A passing Chinese gentleman looked, shrugged, and said, "Americans really wasteful. Woman good for ten years yet."

A spy who was being executed complained about having to walk three miles out onto the desert before being shot. "You're lucky," one of the guards remarked, "we have to walk back."

Time to Plant and in Some Areas Plant Summer Pastures

Summer temporary pastures should form a very important part of the year-round grazing or pasture program on the farms and ranches of Foard County. Joe Burkett, County Agent, says good summer temporary pastures just don't happen. They must be planned well in advance and the same care given to seedbed preparation, seeding the right plants and fertilization as is used in connection with other cash crops.

Such pastures will permit a resting period for permanent pastures, provide grazing when permanent pastures are on the decline, and provide a means for building up feed reserves.

Sudangrass, says Burkett, is the best bet in Foard County. It can be planted anytime after the danger of frost is past and until the supply of moisture becomes short in the summer. From one to two acres should be planted for each animal unit. Row plantings are best for grazing but broadcast or close drilled plantings will produce the most hay if it is to be cut only once, says Burkett.

Row plantings should be made at the rate of 7 to 10 pounds of seed an acre while 20-25 pounds is recommended for broadcast or close drilled plantings. Staggered plantings made at intervals of two to four weeks may extend the grazing season until late fall. The different plantings should be fenced separately in order to get maximum production, advises Burkett.

Two varieties of this old favorite are generally available in the county: common and sweet. During years of plentiful rainfall, the sweet may outyield the common.

Burkett recommends rotation grazing for getting the most from summer pastures but this should be planned for now. Production can be increased and quality of the forage kept high by rotation grazing. Old stems should be moved after grazing to keep new growth coming. Growth not utilized by grazing should be used for hay or silage.

and Mrs. Lee Shultz Friday.

Mr. and Mrs. Eudale Oliver and Leon visited the Loyd Shultzes in Porell, Okla., last week.

Mrs. W. G. Chapman visited her sister, Mrs. S. J. Boman, in Vernon Friday.

Roy Martin Shultz spent Sunday and Monday with Billy Doyle Shultz in Riverside.

Bobbie Powers, David Carpenter, Roy Martin Shultz, Phil Johnson and Alton McCurley accompanied by Dee Powers attended the Scout jamboree at Shepperd AFB last Friday and Saturday.

The Carl Eleys of Vernon were guests in the Roy Shultz home Sunday.

Mr. and Mrs. Lee Sims of Wichita Falls were Sunday dinner guests in the home of Mr. and Mrs. G. W. Seales.

Mr. and Mrs. Albert Jones of Crowell visited his mother, Mrs. M. H. Jones, Sunday.

C. C. Lindsey was taken to the Vernon hospital Monday where he had his leg removed Tuesday.

Mrs. W. F. Bradford and daughter, Jo Nell, of Margaret visited her aunt, Mrs. W. G. Chapman, last Thursday.

Home Demonstration Notes

MRS. MARY D. BROWN

In April I will meet with the Home Demonstration Clubs as follows:

Riverside, April 3; Gamberville, April 6; West Side, April 10; Vivian, April 12; Margaret, April 13; Thalia, April 19; Foard City, April 20.

I realize there are some changes there in our regular schedule, but I have 8 days out of the county for other meetings and that makes a big difference. Sometimes it is not too convenient for you to change your meeting dates, I know, but I am sure you realize that only by attending these meetings can I learn and keep up with all the new phases of our work which we are interested in.

Don't forget next Thursday, April 5, we have our THDA District meeting at Childress. It will be held at the Methodist Church which is two blocks south and one block east of the east side of the court house. I hope as many of you as possible will plan to attend this meeting. You will learn a great deal about your THDA work. I'm not sure, but I believe the meeting starts at 9:30 a. m., so we will need to leave from the west side of the square by 8:15 a. m. in order to have plenty of time to register.

THALIA W. S. C. S.

The Thalia W. S. C. S. met in the home of Mrs. Pearl Gray with 8 members present.

Meeting was called in worship by the leader, Mrs. Robert Hammonds, with prayer by Mrs. Chapman and scripture from John 8: 25-32, read by the leader, Mrs. Hammonds. A song, Till I Become like Thee, was sung and dialogue of discipleship was given by Mrs. Milton Adkins and Mrs. Les Hammonds.

A discussion on "We would be true Disciples" was given by Mrs. Robert Hammonds, Mrs. C. H. Wood and Mrs. Leotis Roberts.

Meeting was adjourned by a prayer by the leader, Mrs. Hammonds. Ice cream and cake were enjoyed by all.

Those present were Mesdames L. H. Hammonds, W. G. Chapman, Robert Hammonds, Ed Huskey, Robert Long and daughter, Mary Bob, C. H. Wood, M. C. Adkins, Leotis Roberts and the hostess, Mrs. Pearl Gray.

Aerial Application of Chemical Will Control Mesquite

Research and practical on the ranch use of chemicals for controlling mesquite has proved the value of this practice. Joe Burkett, County Agent, says the job can be done more cheaply because less chemicals are needed for the aerial spraying job. Too, in Foard County, ASC will share the cost with the producer.

The agent lists five points which make for a successful control job. Use the proper chemical at the right time and amount. Secure qualified personnel with experience to do the flying job. Use chemicals with caution. They are non-poisonous but drift can cause damage to susceptible crops. Rest the treated area after spraying and do not expect a miracle. This is a control program, points out Burkett, and retreatment may be required but it will pay dividends if properly done.

He recommends that mesquite be sprayed 50-80 days after the first leaves appear. By this time they should be a dark green color. Apply a third of a pound of low volatile ester of 2,4,5-T or silver with a half gallon of diesel oil and enough water to make three gallons of spray solution per acre. This can be applied in 60 foot swaths and should cost about \$2.30 an acre, a fourth less than last year. A root kill of from 25 to 35 per cent may be expected, says Burkett, and retreatment should be done in from five to seven years.

Gypsum, when heated and reduced to powder, becomes Plaster of Paris.

P. T. A. Honors Thalia Teachers March 20

The Thalia P. T. A. honored the Thalia School teachers with a banquet Tuesday night, March 20, in the school cafeteria. The table of honor was laid with a pink cloth with black place cards. Centering the table was a lovely arrangement of pear blossoms flanked by crystal candle holders.

Mrs. John W. Wright, PTA president, introduced Judge Jesse Owens, a former teacher in the Thalia schools, who delivered an inspiring address on the importance of the home, the community and the church cooperating with the school. He also stressed the importance of team work among parents and teachers in order to have a better understanding of mutual problems.

Each teacher was presented a gift and certificate in appreciation of their untiring efforts in training the children to better meet the future.

The teachers are Mrs. Howard Bursey, principal; Charles Bursey, Mrs. Ira Tole, Mrs. G. A. Shultz and Mrs. Gus Neill, music teacher.

ADELPHIAN CLUB

On Wednesday, March 21, the Adelpian Club met at the club house, using as its topic, "Building Through Heritage."

Participants on the program were Miss Marilyn Hays, leader, who spoke on "Mother to a Region," Mrs. C. G. Graves read

VIVIAN H. D. CLUB

Mrs. Leslie McAdams discussed "cuttings" at the Vivian Home Demonstration Club which met with Mrs. Allen Fish Thursday afternoon, March 22.

She said cuttings should be put in sand to root. She displayed a sprig of pfitzer juniper which she had put in a cup of roatone two weeks before and it had already taken root. Roatone is a wonder hormone powder that makes quick germination and sturdier plants. Seeds sprinkled with it germinate and have deeper roots than when planted in ordinary soil.

The club voted to pay \$3.00 toward prizes for the 4H girls. It was also decided that Wednesday, May 2, will be the time for working at the Vivian Cemetery, beginning about 9 o'clock with picnic lunch at the noon hour. All interested in the upkeep of the cemetery are invited to attend this week. It is the community project and also the observance of National Home Demonstration Week.

Eight members and two visitors, Mrs. J. A. Marr and Mrs. Carl Shultz, were present.

The next meeting will be with Mrs. Clyde Bowley Thursday, April 11, at 2 o'clock. Mrs. Mary D.

THALIA IDLE HOUR CLUB

A delightful two hours was spent in the home of Mrs. C. H. Wood Thursday, March 22, with 12 members present. Mrs. G. W. Scales led the group in several games. Old business was taken up by the president and further plans were discussed for the homecoming in July. Meeting was adjourned and will meet in the home of Mrs. Eudale Oliver April 12.

Refreshments of cake, ice cream and punch were enjoyed by the following members: Mesdames H. W. Banister, Eudale Oliver, Raymond Grimm, B. A. Whitman, W. J. Long, T. H. Matthews, John Wright, T. R. Cates Sr., Bill Moore, Leotis Roberts, G. W. Scales and the hostess, Mrs. C. H. Wood.

CO-LABORERS' CLASS

The social meeting of the Co-Laborers' Class of the Methodist Sunday School was held in the home of Mrs. C. W. Thompson Thursday afternoon of last week with Mrs. Sam Mills and Mrs. Charlie Bryson as co-hostesses.

The meeting was opened by the singing of several songs by Brown will discuss "A Place for Records."

the group, "Blessed Be the Name." "Oh, How I Love Jesus." "Isn't Jesus Wonderful." "What a Friend." Mrs. Paul Shirley played piano accompaniment and Mrs. Allen Sanders led. Mrs. Sanders, president of the class, conducted a business session, during which the officers and committee chairmen made reports. Plans were made for future activities.

Mrs. Fred Wehba led a beautiful devotional, in which the Easter theme was stressed. Mrs. Clint White showed a series of films, "Jesus' Entry into Jerusalem," "The Last Supper," "Jesus in Gethsemane," "The Crucifixion and Burial of Jesus" and "The Resurrection."

The hostesses served a delicious refreshment plate to twenty-six ladies, which included two guests, Mrs. J. H. Minnick and Mrs. Sam Crews.

RIVERSIDE H. D. CLUB

Mrs. Sam Kuehn was hostess to the Riverside Home Demonstration Club when it met Thursday afternoon, March 22. Mrs. Monroe Karcher read a poem for the opening exercises.

The program, which was in charge of Mrs. Sam Kuehn on "how to make cuttings," and "how to grow cuttings," was very

interesting. The spray method should be used on plants since they should be kept moist while rooting, stated Mrs. Kuehn, and "you should always leave a few leaves since they help to root the plant. Drainage and air space are very important in having good pot plants."

Bottled drinks and cookies were served to thirteen members. The next meeting will be with Mrs. Grover Moore on April 3.

MARRIED MARCH 16

Miss Patsy Black and Bob Tyree Jr. exchanged marriage vows before a Justice of the Peace in Vernon March 16th at 4:30 p. m.

The bride wore a white linen dress with pink accessories. The bridesmaid, Miss Mary Lou Den-

ton, wore white with tan accessories.

The bride is the daughter of Mr. and Mrs. S. Black of Crowell and attended Crowell High School until a few months before marriage.

Mr. Tyree is the son of Mr. Mrs. Bob Tyree of Lytle, Va., and is now a cadet in the Air Force at Sheppard Air Base.

The couple will reside in ita Falls.

A baby daughter, Mrs. Louise, was born to A-G-C E. and Mrs. Briscoe at Bas Field, Texas. Mr. Briscoe is son of Mr. and Mrs. Corda co.
