THIRTY-FOURTH WEEK

STATE SOIL CONSERVATION BOARD OF TEXAS

NOTICE OF HEARING UPON ORGANIZATION OF PROPOSED EDWARDS PLATEAU SOIL CONSERVATION DISTRICT, EMBRACING LAND LYING IN SUTTON AND EDWARDS COUNTIES, TEXAS

WHEREAS, on the 3rd day of June, 1946 there was duly filed in the office of the State Soil Conservation Board, at Temple, Texas, a petition signed by fifty or a majority of land owners pursuant to the provisions of the State Soil Conservation Law, as enacted by the 47th Legislature, known as House Bill No. 444, requesting the establishment of Edwards Plateau Soil Conservation District; and

WHEREAS, the lands described by said petition, and other lands which will be considered for inclusion in said district, are located in Sutton and Edwards Counties, described substantially as follows:

All of Sutton County and part of Edwards, as follows: In Northern Edwards County, Blocks A & B, C&M RR Co. survey, Blocks B & D, GC&SF RR Co. survey, the CCSD & RGNG RR Co. survey the HE & WT RR Co., survey, Block K of the TC RR Co. survey.

Now, therefore, notice is hereby given that a public hearing will be held pursuant to the said petition, on the question of the desirability and necessity of the creation of such district; on the question of boundaries to be assigned to such district; upon the propriety of the petition, and of proceedings taken under the said Act. The said public hearing will be held by the State Soil Conservation Board on the 18 day of June, 1946, beginning at 2:30 o'clock p. m., at Sonora (Court House) in the county of Sutton.

All interested parties are invited to attend and will be given opportunity to be heard at the time and place hereinbefore specified.

STATE SOIL CONSERVATION BOARD
V. C. Marshall,
Executive Director

(SEAL)
Dated this the 3rd day of June, 1946.

CHUBBY T NAMED CHAMP OVER CALIFORNIA HORSE

Sutton County, long known for champion sheep and goats and top grade wool and mohair, this week added a new champion to the list when Chubby T, already a champion once this year, was named World Champion Quarter Horse at the Second Annual Pacific Coast Quarter Horse Show and Sale at Santa Barbara last Sunday.

Only two weeks before, the now-famous son of Old Man had been named champion quarter horse at the Fourth Annual Colt Show in San Angelo. At that time, the Santa Barbara show had offered \$500 expense money for the champion stallion and mare to come to Santa Barbara to compete.

Several Sonorans and West Texans besides the horse's owners, Mr. and Mrs. Jack Turney, were present at the meet. They included Thomas Espy, Mr. and Mrs. Dusty Rhoades of Odessa, Dee Harrison of Del Rio, and Mr. and Mrs. Jim Meek.

Chubby T was sired by Old Man, a stallion which B. E. Brooks, San Angelo, purchased from Volney Hildreth, Alamo ranchman and Quarter Horse greeder last winter. Old Man, sired by Old Sorrel, is now being used by Stanley Mayfield, Sonora ranchman.

Champion Quarter Horse mare of the world is Sugar, owned by Mr. and Mrs. W. F. Fisher, Visalia, Calif. Sugar won over Becca, gray Quarter Horse mare owned by Rhoades Bros., Odessa.

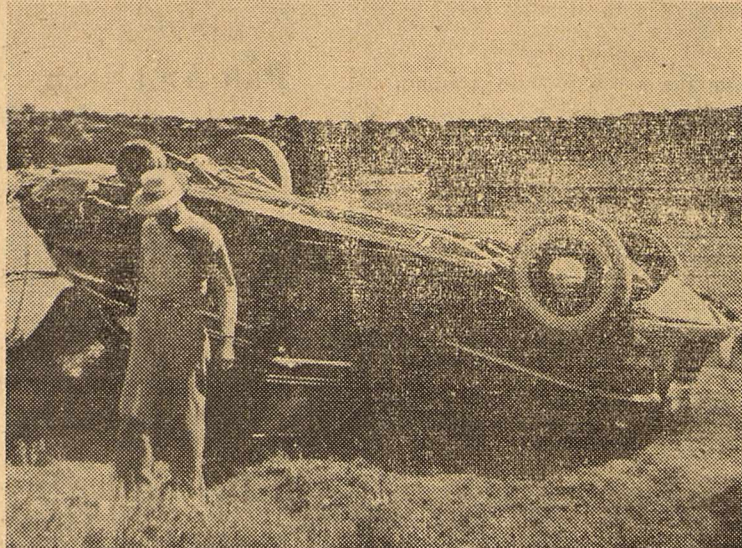

Runnerup to Chubby T was Joe Barrett, owned by Grafe-Callahan, Santa Paula, Calif.

Woodchuck, a fine mare with colt, sired by Brown Bob, at side, was top priced animal in the auction in which 45 horses were sold for an average of \$897. Woodchuck was bred back to Tony and sold for \$4,000. She was consigned by Channing Peake, Lompoc, Calif., and Allen Michaels, Marysville, Calif., was the buyer.

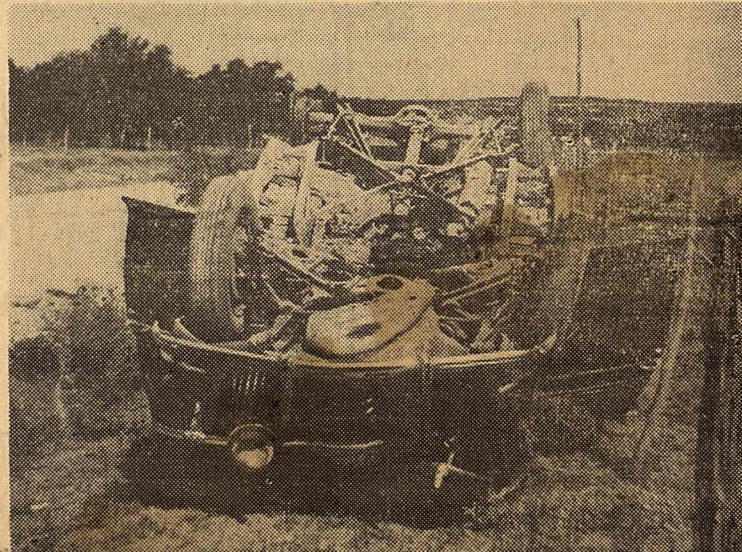

Top selling stallion was Aboline, consigned by John Lilley, Los Angeles who went to Robert Allen, on a bid of \$2,800.

The Pacific Quarter Horse Association hopes to make these

Where Two Narrowly Escaped Death

Shown above and below are two views of the wrecked auto in which two Sonora girls, Billie Jo Barker and Jane Neill, overturned Tuesday night on the Golf Course road. Neither of the girls was injured.

CAR GOES OUT OF CONTROL TUESDAY NIGHT

Billie Jo Barker and Jane Neill narrowly escaped serious injury Tuesday night when the car in which they were riding went out of control on the Golf Course Road and overturned. Although the car was demolished, neither of the girls suffered more than a few scratches and bruises.

At the time of the accident, about 11 o'clock Tuesday night, Miss Barker was driving the sedan belonging to her father, Raymond Barker, toward Sonora on the Golf Course road. As she approached a dip about a mile and a half from the city limits, the car swerved about three feet off the left side of the road, then cut diagonally across to the right where it overturned.

championship awards annually," said Lisle Sheldon, Los Angeles, secretary of the association. "We want all the Quarter Horse champions of the various Texas and Southwestern horse shows to come out here and compete each June. Our association has plans under way to enlarge both the show and sale next year. We have the facilities and the people along the coast will attend the shows and sale.

"Our attendance during the three days was 8,500.

"Our purses and premium lists in the future will make it attractive for Quarter Horse breeders to come for the competition."

Sheldon said the point system of judging will be improved although it worked out very well this year.

Judges of the show were King Merritt, Federal, Wyo., and Orville Burtis, Manhattan, Kan., who, Sheldon said, did a grand job.

"Both judges were very much impressed with the show and the quality of horses exhibited," Sheldon said.

Merritt, former world's champion steer roper, gave a steer roping exhibition, in roping two steers.

Dan Casment, Manhattan, Kan., "granddaddy of the Quarter Horse," was out for the show and also was impressed with the horses. He was quoted as saying it was the best show and sale he ever attended.

Bill Welsh, a member of the board of directors of the Rocky Mountain Quarter Horse Association from Colorado, flew out for the three-day program. He was impressed by the good showing of horses.

There were 278 horses on the grounds shown by 121 exhibitors. They came from Oregon, Utah, Arizona, New Mexico, Texas, Nevada, Idaho, and California.

One inch of rain was received Monday afternoon at Mrs. Mary Luckie's ranch, according to H. E. Adams, who was in town on business Wednesday.

Schleicher County Wildcat Said Best Discovery East of Permian

WELL RATED AT NEARLY 2400 BARRELS DAILY

Hopes of those interested in West Texas oil development rose this week as the Schleicher County wildcat, brought in early last Sunday morning, was termed by prominent oil men "the most promising oil discovery east of the Permian Basin in years."

On a 45-minute test early Monday the well rated 40 barrels hourly the first 15 minutes, 50 barrels hourly the next 15 minutes and 60 barrels hourly the third quarter hour. Production was through six perforations to the foot from 5-520 to 5-570 in 7-inch casing cemented on bottom at 5,780 feet following treatment of the Strawn lime of the Pennsylvania with 3,000 gallons of acid.

No. 1-A Koy assured production early Sunday when it began flowing without swabbing through open two inch tubing and casing perforations between 5,605-40 feet after acidizing with 3,000 gallons. On a gauge from 9 until 11 a. m., witnessed by J. W. Scheuber of the District 7-C office of the oil and gas division of the Railroad Commission, the well placed 90.75 barrels in storage.

The oil was cut 6.6 per cent by water believed by the operator to be acid water. Its gravity was estimated at 42. Gas at the start of the flow at 3 a. m. was estimated at one million cubic feet daily and about one-half that volume at the end of the official two-hour gauge.

Cooper No. 1-A Koy is in the center of the northwest quarter of the southeast quarter of section 38, block L, GH&SA Ry. Co. survey, on a farmout from Shell Oil Co., Inc. It is the highest structurally in the area, having entered the Strawn at 5,200 feet. Derrick floor elevation is 2,317 feet. Cooper No. 1-D Bert Page, previously the highest well structurally and a gasser, is 3,300 feet south and 660 feet east of Cooper No. 1-A Koy.

The new oil well is three miles north-northwest of Cooper No. 1-C Bert Page, heretofore the only oil producer in the field, which flows only 25 barrels of oil daily and has recovered a total of about 10,000 barrels from the Strawn.

The oil bearing zone in No. 1-A Koy, from 5,605-40 feet, is deeper in the Strawn than the section from which five Cooper Gas Co. wells have yielded approximately 14 billion cubic feet of gas. About six million cubic feet of gas from these wells currently is piped by the Lone Star Gas Co. through a 48 mile, 8-inch line to the West Texas Utilities Co.'s water pumping and electric generating station at San Angelo. Gas has been coming through the line since May 1, 1941.

Cooper No. 1-A Koy is one mile south and three-quarters of a mile west of Cardinal Oil Co. No. 1-A Koy and three-quarters of a mile south and three-quarters of a mile east of Cardinal No. 1-B Koy. Both these tests showed oil and gas in the Strawn—No. 1-A's showing being the better—but water also was encountered and both were

Soil Conservation Hearing To Be Held Tuesday

WILL DECIDE WHETHER TO CALL ELECTION

The hearing which will decide whether Sutton County and parts of Edwards County may call an election which will decide whether a Soil Conservation District will be formed, will be held Tuesday afternoon June 18, at 2:30 o'clock. At this time representatives from the State Conservation Board will be present to hear local ranchmen's opinions on the desirability of such a district.

Sutton County is one of the few in Texas with no soil conservation program, but at the meeting held here three weeks ago, the reaction to a Soil Conservation District was so favorable that over fifty land owners filed a petition asking that a hearing be held.

If the results of the hearing are favorable, an election will be called among landowners, 66 2-3 per cent of whom must be in favor of the measure before it is put into effect.

Even after the district is formed, said Ray Shaver and E. B. Keng, the program is still strictly on a voluntary basis. Anyone participating may quit the program anytime he so desires.

Shaver said that this was in his opinion the most important meeting of all in the formation of the district. He asked that all ranchmen, whether landowners or not, be present.

If a Soil Conservation District is formed here, a scientific program will be started to put the range land back in the shape it was fifty years ago. This will take several years, but according to experts it can be done.

Mr. and Mrs. Bill Freeman had as their guests last week their daughter and son-in-law, Mr. and Mrs. Ralph L. Miller of Norman, Oklahoma.

Dr. O. G. Babcock is here from Dallas for a short visit with his family. Dr. Glasscock is with the Bureau of Entomology and Plant Quarantine, USDA.

The Sonora Grocery has installed a new freezing unit, the first of the new models to appear in Sonora.

abandoned dry.

The only major production yet developed from the Pennsylvanian in West Texas is in the Todd Deep field in western Crockett County, from the crinoidal.

George D. Morgan is president, Claude E. Aikman is vice-president and James V. Schilling is secretary-treasurer of the Cooper Gas Co., all residing in San Angelo. They held the same offices in the Cardinal Oil Co., all the outstanding stock in which was sold early in 1945 to Helmerich & Payne, Inc. of Tulsa.

Plans Completed For Show, Sale Next Week

LUMBER FOR PANELS RECEIVED TUESDAY

Final preparations for the Ninth Annual Wool and Mohair Show and Auction Sale to be held next Wednesday and Thursday were nounced that the work of their week as committee chairmen rapidly nearing completion this groups was about finished.

D. L. Locklin, chairman of the soliciting committee, said Wednesday that a last-minute reminder would be sent out Monday to all ranchmen asking that they not forget to bring their stock in Wednesday afternoon and Thursday morning.

Fears that there might not be enough lumber for panels were eased Tuesday afternoon when Herman Smith, chairman of the panel committee announced that a carload of lumber had been received and that there would be plenty of panels. S. M. Kerbow is working with Smith on this committee.

George D. Chalk, general chairman of the show and sale, announced that next Tuesday the entire Lions Club meeting would be turned over to reports by committee chairmen on last-minute developments. All Lions are urgently requested to be present at this meeting.

An orchestra from San Angelo has been secured for the dance Thursday night at the wool house.

Dr. Logan To Open Dentistry Practice With Dr. White

Announcement was made this week that Dr. Joe B. Logan and Dr. Tom White have become associated in the practice of dentistry with joint offices on the second floor of the First National Bank Building. Dr. Logan will occupy the office formerly used by the Gravity Meter Exploration Company, and the present reception room will be remodeled for use by both offices.

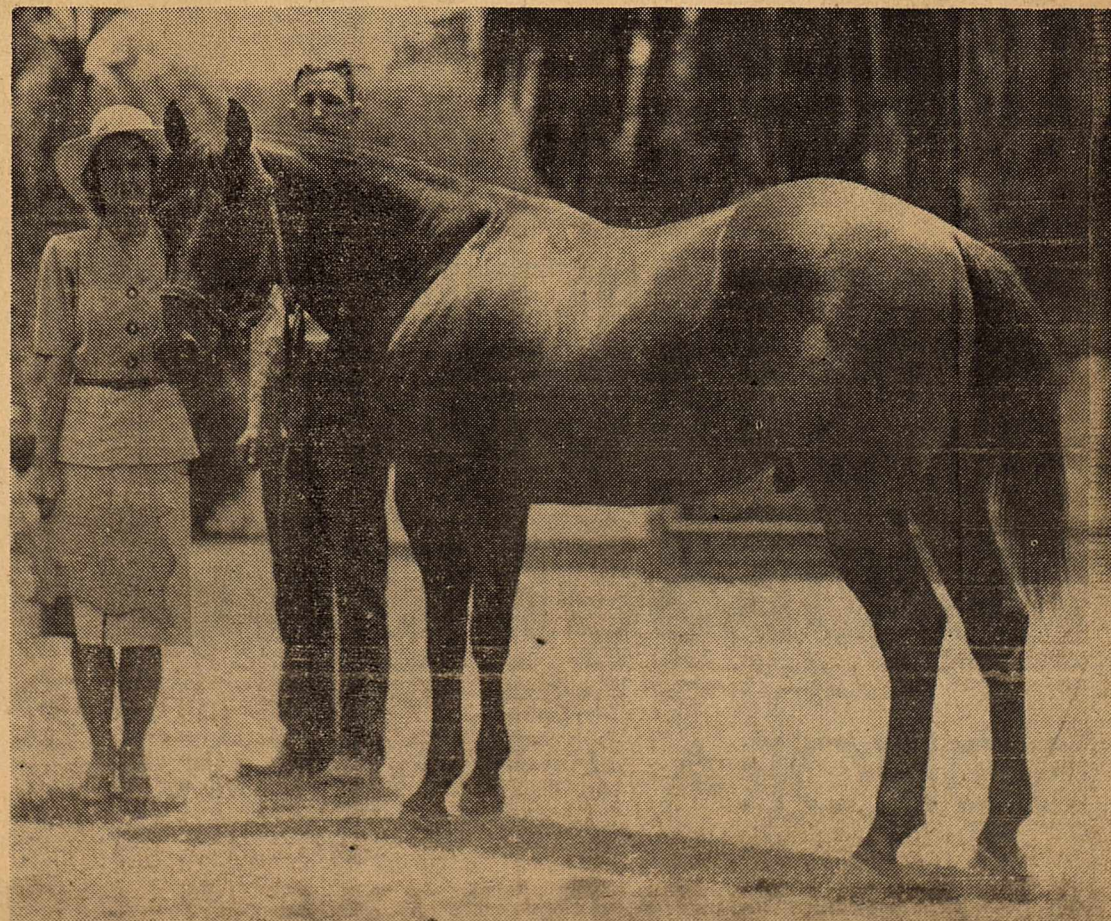

Dr. Logan, son of Mr. and Mrs. Joe F. Logan, has recently been discharged from the Navy, where he served as a Lt. (jg) in the medical department. He was graduated from the Baylor University School of Dentistry in March, 1944. After graduation he received his commission in the Navy and reported to Farragut, Idaho for duty. Dr. Logan later served overseas on the USS Hamlin in Tokyo Bay.

Dr. Logan expects to begin his practice within the next few days.

First Lt. H. C. Saunders Jr. has been visiting his parents, Mr. and Mrs. H. C. Saunders Sr. for the past two weeks. Lt. Saunders, who has been stationed at Dover, Delaware, will report to Greenboro, North Carolina.

First Lt. A. W. Saunders has also been home for a week. He will return to Stockton Field where he has been stationed.

CHOSEN WORLD'S CHAMPION QUARTER HORSE

Here's the latest picture of Show and Sale at Santa Barbara. "Chubby T", chosen World Champ-Pictured with the famous son of Old Man, chosen last Sunday at "Old Man", another Sonora horse, the Pacific Coast Quarter Horse are his owners, Mr. and Mrs. Jack

Turney of Sonora. The shot was made last Sunday by Tommy Thompson of San Angelo.

Partners? Sure, Bill and Pat are partners! They've been partners since that very first day at the hospital, when little Pat smiled up from his crib at his big, broad-shouldered dad—and wiggled his baby toes. Right then was when Bill promised himself that he'd see to it that *his* son got the very best chance in life that Bill could provide.

And Bill has kept that promise. Regardless of the future, Pat will get to go through high school—and college, too. More than that—little Pat has a "nest-egg" to start in business, or to enter the profession of his choice. And Bill has seen to it that nothing can alter those plans for Pat, because he's built them all through Southwestern Life Insurance.

What Bill has done for little Pat, you can do for your son... or for your daughter... through Southwestern Life Insurance. It's the safe, sound, thrifty way to assure them a chance in the world of tomorrow. Get an outline of the plan today. Its flexibility will please you.

It Seems Like Yesterday

It seems like yesterday that Nancy was playing with dolls. Now she's pushing her own baby carriage. Yes, there've been a lot of changes in the last fifteen years—most of them so gradual we hardly noticed them at all.

Nancy didn't grow up all at once. A tooth at a time—a curl at a time—an inch at a time—and suddenly a little kid sister was Mrs. Joe Jones, mother of Joe, Junior.

Like Nancy, the use of electricity has grown a lot in the last fifteen years. But the price of electricity has been going down steadily. You may not have noticed it because your bill may be about the same—but how many appliances have you added to your home since 1931? Actually, you're getting twice as much electricity for your money now as then.

Keeping electric service plentiful and cheap through years of rising costs was not easy. That today's electricity is at its very lowest price in history is a tribute to the hard work and experience of the men and women in the industry, and to its sound business management.

Land Transfers Show Increase

The following land sales were reported up through the thirty-first of May.

A. C. Elliott sold to C. W. West a 75 foot lot across the North end of Tract 4.

Roy Hudspeth sold to Melquida Rodriguez, Lot 8 on Block 5 at Loma Alta.

C. E. Stites and Mrs. Dona Stites sold to Vernon Marion and Mrs. Sal Karnes Marion, Lots 4 and 5 of Block M and 5 feet off Northeast side of Lot 6 Block M.

These lots have a 65 foot frontage and are 100 feet deep.

Mrs. Odessa L. Baggett sold to Ed Tipton Jr. the Southwest 50 feet of Lot 1, Block U, and 50 feet on Plum Street and 200 feet deep into Elm Street.

Mrs. Florence Weaver of Albuquerque, New Mexico sold to W. D. Valliant and Perry Valliant 3,200 acres of ranch land in Sutton County.

Mrs. Helen Gould King sold to Dr. J. F. Howell the lot where the Craddock building was formerly located.

The Wm. Cameron Lumber Co. bought Lot 3 on Block 42-A south heights addition of Walter E. Whitehead estate.

Mr. and Mrs. Wirt Stephenson and daughter from Shreveport, are visiting Mrs. W. T. Seals and family.

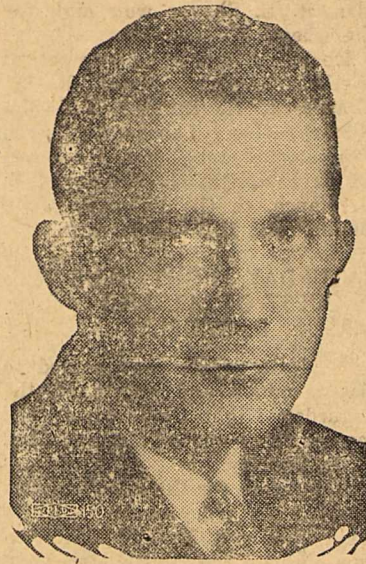

Miss Elsie Ann Gayer is visiting in the home of Mr. and Mrs. W. W. Wendt this summer.

Miss Doris Lowery is spending a few days with her grandparents, Mr. and Mrs. J. D. Lowery.

Auxiliary Names Officers For 1946

The American Legion Auxiliary met Monday night in the Masonic Hall basement for a business meeting.

The Auxiliary decided to send two delegations to the Legion Hospital. Mrs. Ralph Traine is in charge of this committee.

Mrs. W. D. Kring and Mrs. Ella Archer were appointed to complete the book on services mens' records.

The nominating committee appointed the following new officers for the next year: president, Mrs.

W. D. Kring; first vice-president, Mrs. A. W. Awalt; second vice-president, Mrs. A. R. Montgomery; secretary and treasurer, Mrs. Raymond Morgan; historian, Mrs. Lillian Hamby; chaplain, Mrs. Lawrence Nichols, sergeant-at-arms, Mrs. Ella Archer.

Mr. and Mrs. Keith James of Hamilton announce the birth of a baby boy, Cecil Dow James, on Sunday, June 9 at Hamilton. The baby weighed six pounds, six ounces.

Mrs. James will be remembered here as Miss Katherine Henderson, who taught at the Sonora High School in 1943-44.

THURSDAY BRIDGE CLUB IS ENTERTAINED BY MRS. B. C. MCGILVARY

The Thursday Bridge Club was entertained last Thursday in the home of Mrs. B. C. McGilvary. Spring flowers were used as decorations.

High score for members was won by Mrs. R. G. Nance while Mrs. R. E. Shaver won high for the guest.

Ice cream and cake was served to the following: Mmes. R. E. Shaver, J. H. Brasher, Bill McGilvary, Lee Labenske, Laura Trainer, Robert Reese, Joe Berger, Lee Patrick, H. V. Norris, R. G. Nance, O. G. Babcock, John Bunnell and B. C. McGilvary.

SATURDAY NIGHT CLUB IS GUEST OF MR. AND MRS. E. D. SHURLEY

A picnic supper was served to the members and guests of the Saturday Night Club, when they met at the home of Mr. and Mrs. E. D. Shurley.

High score for the members was won by Mr. and Mrs. H. C. Kirby while Mr. and Mrs. H. E. Itten won high for the guests. Mrs. Itten won the duce prize and Collier Shurley the bingo prize.

Those present were: Mr. and Mrs. H. C. Kirby, Mr. and Mrs. A. E. Prugel, Mr. and Mrs. Rip Ward, Mr. and Mrs. Edwin Sawyer, Mr. and Mrs. A. E. Wells, Mr. and Mrs. H. E. Itten, Mr. and Mrs. Dub Stokes, Mr. and Mrs. Collier Shurley and Mr. and Mrs. E. D. Shurley.

COKE PARTY GIVEN FOR MISS DORIS LOWERY

Miss Doris Lowery was honored with a coke party by her aunt Mrs. R. C. Vicars Tuesday morning. Miss Lowery is visiting Mr. and Mrs. J. D. Lowery.

Those attending were: Tina Ann Taylor, Raymie Jo McClelland, Jane Neill, Maxine Chalk, Billie Jo Barker, Joyce Johnson, Carolyn Johnson, Nina Smith, Helen Martin, Ada Ruth Martin, Sue Frenzel, Elsie Ann Gayer and Francis Jane Drennan.

TEEN CANTEEN

Battles raged as teen agers fought often for their respective rungs in the tournament ladders at the Teen Canteen Tuesday night at the High School Gym.

Holding the top positions at present are Sue Frenzel, table tennis champ; Al Boughton, checker king; David Shurley, badminton singles title holder; and Frankie Bond and David Shurley, badminton doubles partners. Challenges begin each Tuesday and Saturday night when the doors of the canteen swing open at 7:30 o'clock and continue until Mr. Wendt, director, blinks the lights at 11:30 or thereafter.

Many activities are proving very entertaining for the hosts of young people who throng to this recreation center. Included in the program are table games such as dominoes, bingo, Chinese checkers, cards, and a newly installed craft table headed by Mrs. Wendt, worker in the canteen; dart games have proved as popular games and a juke-box with the latest records.

Refreshments are sold in the Teen Town Bar, including cold drinks, candy and sandwiches which are provided by the mothers. Seen around the Canteen were Jo McClelland, drooling over Bobby Chalk; Charlie Cusenbary, chasing Sue Frenzel from one ping pong table to the next as she plays for her title; and dreamy eyed Nina Smith with Cassey Bond.

Lost—One dark curly-haired swoon man—what attraction does the ranch hold for him?
Lost—One Oldsmobile—wrecker needed to carry away parts.

Lost—One gold basketball. Finder please return to Dickie Street. Found but untouchable—One tall dark life guard.

Stags and hags around town Tuesday night were: Tina Ann Taylor, Sue Frenzel, Evelyn Newman, Gilbert Teagarden, Norbert McIntyre, Al Boughton, Jane Neill, Billie Jo Barker, Clayton Hamilton, Charlie Cusenbary, Elsie Ann Gayer, Mildren Yancey, Dickie Street, Max Murray, Joe Neil Smith, Royce Regeon, Norris Loeffler and host of others.

Will see you around at the Teen Canteen next Saturday night. So long.

WMU MEETS WITH MRS. BRASHER WEDNESDAY

The Woman's Missionary Union met Wednesday afternoon in the home of Mrs. Katie Brasher for royal service. Theme for the year is "Let Us Now Prepare to Build". Topic for the month is "Living Up to Our Moral Standard". Mrs. Eldridge was leader for the program, and Mrs. Grady White gave the opening prayer.

Talks given on the program included "A Nation's Morals", by Mrs. Eldridge; "Conditions That Alarm", by Mrs. Bob Odum; "Alcoholic Drinks", by Mrs. Lawrence Nichols; "Delinquency", by Mrs. Eldridge. The group was dismissed with a prayer by Mrs. W. K. Regeon.

Those present were: Mrs. Katie Brasher, Mrs. Grady White, Mrs.

ART CLUB HAS BUSINESS MEETING AND PICNIC SUPPER THURSDAY

The Sonora Art Club met in the home of Mrs. Dorothy Norris last Thursday for a short business meeting. The club voted to meet the first and third Thursdays of every month this summer.

After the business session the members of the club hiked out into the country for a picnic supper and sketching.

Those present at the meeting were: Mmes. James Wilson, Howard Kirby, A. E. Prugel, Edward Tipton, Floyd McMullen and Dorothy Norris.

J. E. Eldridge, Mrs. W. K. Regeon, Mrs. Lawrence Nichols and Mrs. Bob Odum.

Sunday will be "Father's Day" and we want to celebrate it in the good old way. Surely there is no better way than to go to church. Set a good example for those who are watching our lives and seeking to follow in our steps. So, fathers, go to the church of your choice next Sunday—but go to church. Our sermon subject for 10:50 o'clock "He Did Something About It."

Our Men's Bible Class is growing in interest and in numbers and meets at 9:45 o'clock, so why not come in time for the Bible Class and stay for the service? "The Friendly Church for Friendly Folk".

Miss Edith Babcock Named Lass-O Business Manager

Denton, Texas, June 13—Miss Edith Babcock, daughter of Dr. and Mrs. O. G. Babcock, Sonora, has been appointed summer business manager of the Lass-O, weekly student publication at Texas State College for Women where she is a senior journalism major.

Other members of the staff appointed by Dr. F. L. McDonald, director of the Department of Journalism at TSCW, are Misses Marcelyn Gates, Brownwood, editor, and Lorena Brooks, Big Springs, society editor.

Miss Babcock has been active on the Lass-O staff for the past two years. This year she was a beauty nominee from the junior class.

GLENN AND O.L. RICHARDSON RECEIVE DISCHARGES

Glenn Richardson returned home Sunday night after receiving his discharge at Camp Wallace Saturday. Richardson had been in the Navy two years when discharged and held the rate of Aviation Ordnance Mate, first class.

Also returning home Sunday was O. L. Richardson Jr. who received his discharge Sunday afternoon at Fort Sam Houston. He had been in the Army for three and one-half years and held the rate of First Lieutenant when discharged. He is authorized to wear the Purple Heart, ETO ribbon with one battle star, American Theatre ribbon and Victory ribbon. Glenn Richardson holds the American Theatre, Philippine Liberation, Asiatic-Pacific and Victory ribbons.

WCS MEETS WITH MRS. JOHNSON WEDNESDAY

The Women's Society of Christian Service met in the home of Mrs. L. E. Johnson Wednesday night and the topic of the program was "The Crusade of Evangelism".

The devotional was given by Mrs. A. W. Awalt. Mrs. C. R.

Brewster was in charge of the program. Those helping with the program were: Mrs. Lloyd McMullen, Mrs. Autry Bridges, Mrs. S. M. Loeffler and Mrs. Edwin Sawyer.

A covered dish supper was served in the backyard to the twenty-two ladies who attended.

JUNE 30

A BIG DATE FOR ARMY MEN!

If you have been discharged from the Army—if you held a grade and wish to retain it—if you have dependents—then act now. . . . June 30, 1946, is the last day on which you can enlist in the Regular Army and still take advantage of two important benefits . . . retention of your old grade and family allowances.

Family allowances for your dependents will be continued throughout your enlistment only if you enter the Regular Army before July 1, 1946.

If you have been discharged from the Army and wish to re-enlist at your old grade, you must enlist within 90 days after your discharge. And before July 1, 1946. Think it over. Act now.

ENLIST NOW AT YOUR NEAREST U. S. ARMY RECRUITING STATION

WASHINGTON NEWS LETTER

By Congressman O. C. Fisher
After a siege of three months in the hospital and a convalescent period, I am at last able to spend full time on the job. The injuries sustained in an automobile accident on a slick pavement in January continue to improve and I shall eventually have complete recovery.

To my friends everywhere I express my deep appreciation for their expressions of interest in my recovery and for the many flowers and sympathy cards and the many

visits. A total of 66 men contributed blood to replace plasma that was used and for transfusions. For all these kind deeds and expressions I am and shall ever be profoundly grateful.

LABOR LEGISLATION

Those of us who have been active during recent years in attempting to secure the passage of much-needed legislation to put curbs on the dictatorial and dangerous powers of labor leaders and protect the Nation against unjustified strikes, were encouraged in recent days by the passage of two bills by overwhelming votes. The House has in the past passed a number of bills on this subject, only to see them pigeonholed in the Senate Committee on Labor and never heard of again.

But the so-called Case bill, which originated in the House Committee on Labor, of which I am a member, was taken up in the Senate the other day and passed the measure last February, and has just adopted the Senate amendments to it by a vote of 230 to 106. The bill, at the time of this writing, is on the President's desk where he will either approve or veto it.

The Case bill, bitterly opposed by labor leaders for reasons they never explain, will do no harm whatever to legitimate activities of organized labor. It will not solve all the labor-management problems, but is a step in the right direction. It will, if permitted to become law, be helpful in curbing the now unbridled power of labor leaders. As it now is, some of these men have more control over the nation's economy and are more powerful than the President of the United States. Too many of them abuse that power, become power-drunk and flout and defy the public interest in order to gratify their own vanity and egotism.

Many additional changes and improvements are needed, but is better to have half a loaf than no loaf at all. I hope the President will not veto the bill.

Texas county agricultural agents have been advised that for the present, the only treatment recommended by the Texas A. and M. College Extension Service for the control of horn flies, lice and mosquitoes on livestock is wettable DDT powder.

DDT for this purpose is now on the market in two very different forms, (1) dry, in wettable powder and (2) liquid, in oil or xylene solutions or emulsions. Both forms may be diluted with water for use as a spray or dip.

The decision to recommend only DDT in wettable powder form for use on livestock was made by a committee of entomologists and animal husbandmen who checked all known sources of information. The group will make further recommendations as research on DDT goes on.

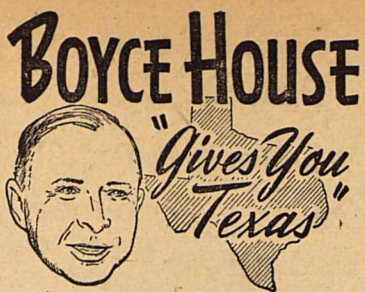

The committee pointed out that DDT in wettable powder goes into suspension when diluted with water for use as a spray or dip. There was no evidence that it was harmful to animals even if used at strength somewhat greater than that recommended by the manufacturer.

It was further reported that "DDT in oil solution or emulsion form does not remain in suspension but goes into a true solution. When applied to animals in this form it can be absorbed through the animal's skin. If the solution is used as a spray or dip at less than the manufacturer's recommended strength, it may not give effective or lasting control. If it is used at more than the recommended strength and if the precautions listed by the manufacturer are not exactly followed, it may have toxic results."

(1x?—;3!z&?x)

Texas now has 403 frozen food locker plants in operation in comparison with 268 eleven months ago, a recent survey by the Texas Division of Agricultural Statistics shows. Fifty of this number are co-operatives, including 26 REA co-ops. Five of the number are branch plants serviced by central systems.

Roy Snyder, Extension meat specialist who also supervises a frozen food locker for the Texas A. and M. College, observes several other trends in the locker business besides a rapid expansion in numbers. For one thing, a large number of locker systems have been installing their own small killing plants or abattoirs.

BOYCE HOUSE
"Gives You Texas"

It's an old one but I've always liked the story of the intoxicated man who was shoved out the front door of a club and he announced to a bystander, "I'm gonna go back in there an' throw 'em all out. You stand here an' count 'em." So he made his wobbly way back up the steps and back into the building. In a little while the door flew open and out sailed a form. The man on the street said, "One." The figure on the sidewalk slowly rose and said, "Don't start counting yet; this is just me comin' out again."

For the first breakfast in their home, the bride cooked some biscuits. Her husband said, "Darling, cook biscuits anymore; you are too light for such heavy work."

Here's a little poem whose author is unknown, entitled "Give Them the Flowers Now":
Closed eyes can't see white roses,
Cold hands can't hold them, you know;
Breath that it stilled can not gather
The odors that sweet from them blow.

Death, with a peace beyond dreaming,
Its children of earth doth endow;
Life is the time we can help them,
So give them the flowers now.

Here are the struggles and striving,
Here are the cares and the tears;
Now is the time to be smoothing
The frowns and the furrows and fears.

What, to closed ears, are kind sayings?
What, to hushed heart, is deep vow?
Naught can avail after parting,
So give them the flowers now.

Just a kind word or a greeting,
Just a warm clasp or a smile—
These are the flowers that will lighten
The burdens for many a mile.

After the journey is over,
What is the use of them? How
Can they carry them, who must be carried,
Oh, give them the flowers now.

Blooms from the happy heart's garden,

Plucked that are earthly reflections

Of flowers that blossom above—
Words can not tell what a measure
Of blessing such gifts may allow
To dwell in the lives of many;
So give them the flowers now.

Termites and Sad Sacks Triumph In Softball Tussles

The High School Broncos suffered their second defeat in a row at the hands of the Foxworth-Galbraith Termites, 17-5, last Thursday night in the first game of a double header. The Termites got 17 runs off 7 hits and 4 errors while the Broncos got 5 runs off 4 hits and 8 errors.

The two cellar teams battled it out in the second game with the American Legion Sad Sacks crushing the Woolhouse Woolworms 14-10. The Sad Sacks got 14 runs off 13 hits and 2 errors while the Woolworms got 10 runs off 12 hits and 4 errors. Puckett tallied three times for the Sacks, one of the scores being a home run.

TELEPHONE SERVICE

A SHORT WAIT FOR TELEPHONES

Yes, there's still a wait for telephone service. We are still short of necessary equipment. And, in addition, there is still a shortage of trained men to install what equipment we do have.

However, we are taking care of our waiting list in reasonably quick order. If you would like a telephone but are not yet on our waiting list, apply today. You will not have too long to wait.
