COTTON RAISING NIGHT SCHOOL

FOR PEOPLE INTERESTED IN
RAISING COTTON BY R. J.
COOK OF PERRYTON
SCHOOL

There are many people in this section who would like to raise cotton but feel that they do not know enough about the proper methods to pursue to risk the venture, even on a small scale. For the benefit of them and any other persons who are interested in the cotton business, a short night course will be held by the Perryton Independent School District. This school will be held at the Perryton school auditorium and will be under the supervision of Mr. R. J. Cook instructor of vocational agriculture who is an authority on the subject.

The school will open on Monday, April 5th at 8:00 p.m. It is as yet undecided as to how many nights out of each week the school will be held and this question will be determined by those present on the first night. This school should prove of much benefit to all cotton raisers and should be of special interest to those who are going to compete for the \$250.00 cash prize for the most cotton raised on ten acres. This prize is being given by the Chamber of Commerce of Perryton. Farmers living anywhere in this territory are invited to enroll for this school.

The schedule for the school will cover the following subjects so vital to the success of any crop: Preparation of land; Selection of Seed; Planting; Cultivation; Fertilizing; Picking and Marketing. Persons who desire to enroll are requested to see Mr. Cook at once. The course is being sponsored by the school and there will be no expense.

YEARY FOR COMMISSIONER IN PRECINCT TWO

We are this week authorized to announce the name of W. G. Yearly as a candidate for County Commissioner from Precinct 2, subject to the action of the voters at the Democratic primary to be held in this county on Saturday, July 24th. Precinct No. 2 is the northwest quarter of the county and for the past two terms has been represented by L. H. Lance who as we understand will not be a candidate for re-election.

Mr. Yearly is one of our most successful farmers and stockmen. He has been a resident of the county for the past twenty years, coming here from Dallas County. He is a native of Virginia and has lived in Texas for 35 years. Mr. Yearly has never held a public office and has never asked for one and it was only after numerous solicitations on the part of his many friends that he consented to make the race for this office. The office of County Commissioner is a very important one and Mr. Yearly should make a good commissioner. He is worthy of the consideration of every voter in Precinct No. 2.

CHRISTIAN CHURCH

Bible School...10:00 A. M.
Preaching Services...11:00 A. M.
Sermon Theme—"The Power of Hope."

Rev. Chas. G. Kelley, of Claude, who was pastor here for some time will fill the pulpit. Rev. Kelley, who was very popular among the members of his congregation, will be here but a few hours and he asks us to announce that he would like to meet all his friends at the services. Come and worship with us.

The Inspiration Oil Co. will spud in the fore part of next week on Section 4, Block M18 in Hutchinson County, which is owned by H. C. and M. R. Coffey of this city.

Food without mineral salts is food without nourishment.

That is why good soup that includes boiled vegetables is so important. The best part of vegetables is boiled out in many households and thrown away. In soup it is preserved.

SATURDAY "MOURNIN"

By A. B. CHAPIN

BOY SCOUTS ACTIVE HERE

THREE TROOPS NOW ORGANIZED IN PERRYTON AND SEVERAL IN OUTLYING RURAL COMMUNITIES

The Perryton Boy Scout work is progressing very nicely. More troops are being enrolled every day and Perryton is right now close to the top of the Scout list for the towns which are in the Panhandle district. Assistant Field Executives Harry E. James and F. D. Craft were here recently on a regular inspection tour and while in this city assisted in the lining up of two more troops.

Perryton now has three troops with Leroy Hartman at their head as Deputy Scout Commissioner. Mr. Hartman was recently promoted to this post from the office of Scoutmaster. Troop No. 1 with Ernest Records as Scoutmaster and Walton Wilson as Assistant has 32 Scouts. Troops 2 and 3 are in the process of organization. G. R. Wilson is head of No. 2 and Addison Cutter is his assistant while Troop No. 3 is under the direction of John A. Black.

Mr. Hartman is promoting the organization of troops at Huttoon, Wawaka, Farnsworth, Balko, Union, Blue Mound, Bethany and Fairview. A Father and Son banquet will be held on Monday, April 12th.

The Herald bunch wishes to extend its belated congratulations to Mr. and Mrs. Leonard Grigsby of Quay, Oklahoma, who were married on February 16th. Mrs. Grigsby was Miss Pauline Bengie of near Quay and her parents are prominent citizens of that community. Leonard, who is a son of Judge and Mrs. J. M. Grigsby of this city, is a former member of the Herald force. For the past two years he has been employed by the Magnolia Oil Co. and he now has a very lucrative position with that concern. He has many friends in this community where he has lived since boyhood and we are speaking for them all when we wish them a long, happy and prosperous married life.

Attorney Harry Gaskill of Liberal, Kansas was here on Tuesday this week looking after business interests.

Mr. and Mrs. Geo. Swayzee of Booker, Texas, were Perryton visitors on Tuesday of this week.

APPROVES ROCK ISLAND ROAD

RECOMMENDATION BY EXAMINER PROBABLY MEANS PERMIT WILL BE GRANTED

The proposed road of the Rock Island railroad from Liberal, Kansas to Amarillo, through the west part of Hansford county and the Hutchinson-Carson county oil field was approved last Friday by Examiner Mattingly of the Interstate Commerce Commission. This recommendation by the examiner practically means that the Commission will pass favorably on the application.

The new road which will 147 miles in length will be rushed to completion and the Rock Island are now making preparations for the immediate starting of work from both Amarillo and Liberal. A wooden bridge will be built across the Canadian river to handle the traffic until a steel structure can be built. Just as soon as the I. C. C. gives the word the actual construction of the road will start.

Mrs. Olive K. Dixon of Miami was here on Wednesday of this week as the guest of honor of the Sorosis Club. While here, Mrs. Dixon found time to call at the Herald office which we wish to acknowledge. It is always a pleasure to talk with Mrs. Dixon for she always has a message of interest. Much that is of record of the early history of the setting of the North Panhandle is the result of her untiring efforts. She has been tireless in her work of obtaining the correct data in regard to the Adobe Walls and Buffalo Wallow battles and marking of same. Her husband, the famous Billie Dixon took part in both of these engagements. Come again, Mrs. Dixon, and when the Herald can assist you, we are yours to command.

Rev. Chas. G. Kelley, recent pastor of the Christian Church in this city, will preach here next Sunday morning. Mr. Kelley and his son were the contractors for the church building which was completed last year. They are now located at Claude, Texas. His many friends will be pleased to again have the opportunity to hear him.

R. T. Shindler and Ed Morgan returned last Monday from a business trip to Wichita, Kansas.

DISTRICT COURT NEXT WEEK

CIVIL DOCKET IS LIGHTER THAN USUAL—WHEELER COUNTY CRIMINAL CASE TO BE TRIED HERE

On next Monday, March 29th, the regular spring term of the District Court will convene. The grand jury has been called to report on Monday morning and they will no doubt start their deliberations, investigations, etc., as per schedule. The panel for the first week's petit jury does not report until Tuesday morning.

The civil docket for this term of the court is very light and it is thought that it will not take long to dispose of this part of the docket. There are several bootlegging cases on the docket which are not set for trial but some of them may come up this time. The case which will attract the most interest at this term of the court is that of the State of Texas vs. J. P. Koons, charged with maiming, assault with intent to murder. This case comes here on change of venue from Wheeler county. It is set for trial on the 30th. There are more than 100 witnesses summoned for this one case.

ASKINS BUYS INTEREST IN DODGE AGENCY

W. R. Askins has purchased a one-half interest in the Dodge agency from K. K. Thomas and the headquarters for this business will now be located at the Askins Tire Shop where a line of parts and new cars will be carried. The Dodge has always been a very popular car in this locality and we feel sure that this new firm will sell many cars.

PURL RAHENKAMP

Purl, the little daughter of Mr. and Mrs. George Rahenkamp, died at the home of Mrs. Clara Odell in this city on last Saturday night. This is the second of the trip's born about two years ago, to die. The remains were taken to Hooker, Oklahoma, for burial.

Clyde Grigsby, of El Paso, Texas was here last week visiting in the home of his parents, Judge and Mrs. J. M. Grigsby.

Use "MADE - IN - PERRYTON" Rubber Stamps. Stewart Printing Co.

WATCH FOR LEASE HOUNDS

LEASE YOUR LAND TO MEN YOU KNOW WILL CARRY OUT THEIR CONTRACT

The Herald wants to speak a word of warning to the land owners of Ochiltree County. There is now several movements under way for the blocking up of different tracks of land in this and adjoining counties for the purpose of obtaining test wells. But this is strictly wildcat land as far as oil is concerned and the company that drills a well is going to demand a solid block of land.

There are men here and everywhere who are always trying to get oil leases. Some of these have no intention of ever putting down a well or of ever getting a block of leases assembled. Their game is to get the leases wherever they can and then when the time comes for a sure-fire test proposition, they are in a position to either block the deal entirely or demand an exorbitant sum for their lease.

Our advice to landowners is to deal with people whom they know to be reliable. There are several local parties interested in getting up blocks. Deal with them and you will get a square deal. The man who is getting up a block and who is shooting square will agree for the leases to be put up in escrow, conditional on the starting of a test in a given period. That is the kind of man to deal with. Don't be talked into giving a lease on your land to some fly-by-night grafter.

We wish to make a special appeal to the non-resident land owner to come in and co-operate in the completion of the various blocks which are under way. The failure of not obtaining a single tract in a block has many times prevented a well from being put down. If everyone will get together on this deal, Ochiltree County can probably get several test wells started in the near future.

ROBERT GAYLORD CHRISTOPHER

Robert Gaylord, the little son of Mr. and Mrs. W. D. Christopher of this city, passed away at Shattuck on Friday, March 19th at 8:00 P. M. The little fellow was born on October 29, 1924 and at the time of his death was one year, four months and twenty days of age. The cause of his death was flu-pneumonia from which he had been suffering for the past four weeks. Everything that loving care and medical skill could devise was done for him. He leaves besides the mother and father, three older brothers, Ray, Roy and Key.

Services, which were in charge of Rev. E. G. Pennington, Pastor of the Baptist Church, were held at the Methodist Church in this city at 9:30 a. m. last Sunday after which the body was taken to Miami where after a service at the Methodist Church by Rev. Ira Huckabee, it was laid to rest in the family lot in the Miami cemetery beside a sister who passed away about nineteen years ago at the age of two. The Herald extends its heartfelt sympathy to the loved ones who are left behind.

ALLIS-CHALMERS AGENCY IN LANDTROOP BUILDING

C. J. Osborne has leased the room in the Landtroop building formerly occupied by the Landtroop Cafe for an office and supply room for the Allis-Chalmers tractor agency. Mr. Osborne is making an intensive campaign for the sale of this popular tractor and he is opening this office and parts house in order to render better service to the owners.

E. D. Powell, who is editor and owner of a paper at Cleveland, Oklahoma, was here the latter part of last week visiting in the home of his sister, Mrs. L. T. Tucker.

Mr. and Mrs. O. E. Carter and Mr. and Mrs. J. O. Carter of this vicinity visited with relatives at Knowles, Oklahoma last week end.

SCHEDULE OF COUNTY INTERSCHOLASTIC MEET

The following schedule is only tentative but shall be carried out as far as practicable:

Friday, April 2d
8:00 P. M.—Declamations and Extemporaneous speaking, awarding ribbons to winners of above contests. Announcements.
Saturday, April 3d
8:00 A. M.—Spelling and essay writing, all divisions
9:00 A. M.—Volley ball, Arithmetic contest
10:00 A. M.—Junior Boys' Track; Debates
1:30 P. M.—Tennis, boys and girls, all divisions.
3:00 P. M.—Senior Boys' Track and Field events.
Tennis will be played on courts north of Perryton High School. All track and field events will be held west of school building. Volley ball will be played in gymnasium.

Declamations, debates and extemporaneous speaking will be in auditorium. Spelling, essay writing, and arithmetic contests will be held in class rooms of Perryton High School building.

Directors in Charge

The following named officers of Ochiltree County Interscholastic League will have charge of events as follows:

W. B. Irvin—Director General.
I. S. Bradshaw—Director of Debate and Extemporaneous Speaking.
Miss Pauline Shifflett—Director of Declamation.
Ernest Records—Director of Spelling.
Miss Virginia King—Director of Essay Writing.
R. D. Ford—Athletic Director (in charge of all athletic contests)
Roy B. Orrill—Director of Arithmetic.

The above teachers are requested to study closely the rules and instructions in the Constitution and Rules bulletin of the Interscholastic League in order that each contest may be properly conducted.

JUNIOR SOROSIS

Mrs. Melba Hooper entertained the Junior Sorosis girls and their friends at the home of Mrs. J. H. Shearer, her mother, on last Wednesday evening, with a St. Patrick's party. The evening was spent in playing cards and Forty-Two. A delicious salad course was served to the following guests: Misses Louise and Mary Garrett, Wava McLain, Myrtle Glasgow, Mabel Cutter, Celta Gardner, Mildred Bauman, Myrtle Rogers, Kathryn Shearer and Nora Richardson; Messrs. Sanford Dodson Addison Cutter, Earl Glasgow, Roy Beaver, Claude Murrell, Lester Bauman, Don Manning, Roland Shearer and D. B. Johns and Mr. and Mrs. Oris Brunner.

Ladies Silk Hose Sale continued until Saturday, March 20th. \$1.00 value Silk Hosiery for 69c. All the new shades. See our window display. RIFENBERG'S STORE 7-13p

ROSS HAYES DIES AT AMARILLO SANITARIUM

The news that Ross Hayes was dead caused much sorrow and regret among his many friends in Perryton and Ochiltree County. He died at the St. Anthony's Sanitarium at 6:00 o'clock on Thursday, March 11th. The funeral services were held in Spearman at the Union Church at 4:30 on last Friday afternoon, the body being laid to rest in the cemetery at old Hansford. Ross was well known here, he having played a number of games with the Perryton ball club last year. He was the owner of a fine farm near Spearman and was a successful farmer. The cause of his death was influenza which was followed by an attack of pneumonia.

CHURCH SALE AT PERRYTON MERCANTILE

On Saturday March 20, Saturday March 27th and April 3, the Perryton Mercantile Co. will give five per cent of all cash sales in their dry goods department to the Methodist, Christian and Baptist churches of Perryton, the amount to be divided equally among the three organizations. You can save yourself money and help the churches by trading at store.

MRS. G. C. DUKE

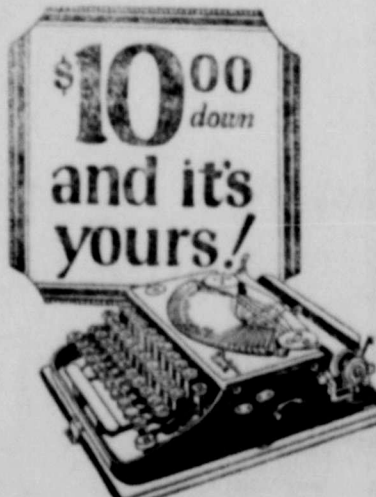

Mrs. G. C. Duke of Lipscomb County died at Canadian, Texas on March 4th. Mrs. Duke was one of the pioneer women of the west part of Lipscomb County. She was born in Cass County, Missouri on February 26, 1873. In 1877 she moved with her parents to Kansas where they lived until 1891 when they moved to the Panhandle where in 1892 she was married to Charles Duke, who died in 1905. Five sons were born to this union, four of whom are living Basil, Cruise, Kay and Joe. Govan, the other boy, died in 1923. In May 1912, the deceased was married at G. C. Duke, who with the four sons is left to mourn her departure. Mrs. Duke left a number of sisters and brothers. The remains were laid to rest in the Lipscomb cemetery.

Mr. and Mrs. R. H. Moore of the Alfalfa community were shopping here on Wednesday of this week.

J. H. Key, who underwent an operation for appendicitis on Wednesday of last week is reported to be getting along fine.

DID YOU EVER STOP TO THINK

By Edson R. Waite, Secretary, Shawnee, Okla., Board of Commerce
Elmer T. Peterson, editor of the Wichita (Kansas) Beacon, says:

THAT fifty per cent of the money spent for advertising is thrown away because the writers of the advertisements do not understand how to open the doors of the reader's mind.

THAT advertising, in spite of this fact, is the primary moving force in business today.

THAT salesmanship, service, quality, price, desirability are subdivisions of the general subject of advertising.

THAT the advertiser must create desire on the part of the prospective buyer. He cannot do so by repeating insane expressions like, "The Store of Quality," or "We Strive to Please," or "Service is Our Motto." The reading public is getting too sophisticated. It doesn't care about slogans or mottoes, but insists upon knowing what, why, how, when and where. It wants to know the price. The public is pretty intelligent and the advertiser must recognize that fact.

THAT too many advertisers try to feature too many things at once and only succeed in producing a blurred gray effect upon the reader's mind. One appealing fact in black type, thrown into sharp contrast with plenty of white space hits the mark better than a charge of birdshot scattered all over the place.

THAT first of all CREATE DEIRE. You can't do that by throwing platitudes. And remember that advertising is the biggest factor in business success. Wait a moment before you object to that sweeping statement—it also includes the business man's own ability, for the knowledge of that ability is a form of advertising in itself.

The Possibilities of advertising are only being scratched. The next 25 years will see a great change and amplification. Last motion will be cut out and the psychology of it will be more definitely analyzed. So don't advertise by turning your advertisement upside down or getting off jokes or attracting attention by some other freakish method. Always bear in mind the fact that you must create a desire for your product, and if you will do that you will find that advertising investment is the best of all your investments.

FIVE PER CENT OF SALES TO PERRYTON CHURCHES

The Perryton Mercantile Co. have agreed to give 5 % of their cash sales in the dry goods department on the next three Saturdays, March 20-27 and April 3d to the Methodist, Christian and Baptist churches of Perryton, the amount to be divided equally among the three organizations. You can save yourself money and help the churches by trading at that store.

NOTICE TO ALL EASTERN STAR MEMBERS

Mrs. Elzora Freeman, Assistant District Deputy Grand Matron, of Canadian, Texas, will visit our chapter on Friday evening, March 26th. It is to your advantage to be present.

Mrs. Alice Callaway, Sec.

CARD OF THANKS

Greetings to those who helped to make our community lectures and essay contest a real success. We want to render our sincere thanks for the co-operation and interest shown. We believe that if we all work along the lines started, we will have a better community, both socially and financially.

Perryton Equity Exchange

H. C. Eubanks left on Tuesday of this week for his home at Canjilon, New Mexico, after an extended visit with relatives and friends in this county and in Lipscomb county. Hank and his brother, Dee, are old timers in this country, having lived in the Wolf Creek country for many years, prior to moving to New Mexico about eight years ago. They are engaged in the cattle business on a large scale and have been very successful in a financial way. Their many friends in this section are always glad to see them.

J. T. Robinson, Commissioner of the General Land Office of the State of Texas, was an Ochiltree County visitor on last Wednesday. Mr. Robinson who was accompanied by his son, was here looking after some tracts of grazing land in the extreme south part of the county, upon which interest to the state was past due. Mr. Robinson has been at the head of the land office for the past 18 years and has been connected with the department for over 30 years.

ELECTION NOTICE

THE STATE OF TEXAS
COUNTY OF PERRYTON
COUNTY OF OCHILTREE
WHEREAS, on the 9th day of Feb.
1926, a petition was presented to me
by E. T. Correll, and 44 other persons
of the City of Perryton, Texas, pray-
ing that an election be ordered to be
held within said city for the purpose
of submitting to a vote of the quali-
fied voters therein the proposition
whether or not the Commission Form of
Government shall be adopted;
and
appearing that said petition is
signed by ten per cent of the quali-
fied voters of said city; and,
further appearing that on the
15th day of May, 1926, the said City
is duly and legally incorporated as
under the provisions of Chap-
ter 22, Revised Civil Statutes
Texas, of 1911, and being Chapter
23 of the Revised Civil Stat-
utes of 1925.

Therefore, I, F. P. Rogers in my
capacity as Mayor of the city of Per-
ryton, Texas, do hereby grant said
petition, and do hereby order that an
election be held at the Court House
in the said city of Perryton, Texas,
on the 6th day of April, 1926, for the
purpose of determining whether or
not the Commission Form of Gov-
ernment shall be adopted for said
city in accordance with the provi-
sions of Articles 1154 to 1164 inclu-
sive, of Chapter 12, Title 28' Revised
Civil Statutes of Texas, 1925. I here-
by appoint J. L. Dodson and J. M.
North, as clerks to assist in holding
said election.

Every person entitled to vote at
any general election under the laws
of the State of Texas, regulating
general elections and is a qualified
voter of said city, shall be allowed
to vote.

The ballots to be used in said elec-
tion shall have written or printed
thereon "For Commission" and
"Against Commission."

All voters favoring the adoption
of the Commission Form of Govern-
ment shall permit to remain on their
ballots the words: "For Commission"
And those opposed to the adoption
of the Commission Form a Govern-
ment shall permit to remain on their
ballot: "Against Commission."

The manner of holding said elec-
tion shall be governed by the gen-
eral laws of the State of Texas reg-
ulating general elections, except as
otherwise provided by the Statutes
hereinafter referred to.

And I do further hereby order that
at the same time and place designat-
ed for holding the above election, in
the same form and manner, and by
the same election officers, election
shall also be held for the purpose of
electing two commissioners for the
said city of Perryton, Texas, as pro-
vided for the election of such com-
missioners by Article 1158 of Chapter
12, Revised Civil Statutes of Texas,
1925.

A copy of this order shall be suffi-
cient notice of such election for
thirty days notice of the time and
place of holding the said election
shall be given by publishing such no-
tice in the Ochiltree County Herald,
a newspaper published in the city of
Perryton, and of general circulation,
having been regularly and continu-
ously published for more than one
year prior to this date, in six weekly
issues of said newspaper and the
date of first publication of said no-
tice shall be full thirty days prior to
the day of election.

Witness my hand, and the seal of
the city of Perryton, Texas, this the
15th day of February, 1926.

(Seal) F. P. Rogers, Mayor
City of Perryton, Texas
THE STATE OF TEXAS
COUNTY OF PERRYTON
COUNTY OF OCHILTREE

I, Abe Green, Secretary of the city
of Perryton, Texas, do hereby certi-
fy that the above and foregoing is a
true and correct copy of an election
order issued on the 15th day of Feb-
ruary, 1926, by the Mayor of said City
for the purpose of determining
whether or not the Commission Form
of Government shall be adopted for
said city, which order is of record
on page 189-190, Book One, minutes
of the city council.

Witness my hand and seal of office
at Perryton, Texas, this the 15th day
of February, 1926.

NOTICE OF ELECTION OF CITY OFFICERS OF THE CITY OF PERRYTON, TEXAS

Pursuant to law, notice is hereby
given that an election will be held on
Tuesday, the sixth day of April, 1926
at the court house in the city of Per-
ryton; at which polling place J. M.
North is presiding judge or officer
of election for the purpose of voting
for three alderman to fill the places
made vacant by the expiration of the
term of the office by the following
named officials, to-wit:

Ed Littleton, J. L. Donley and J.
N. Stump.

Polls will be open during the hours
designated by law, to-wit: from 8:00
A. M. to 7:00 P. M. o'clock.

Witness the hand and seal of said
City acting herein through and by its
Mayor, F. P. Rogers, this the 19th
day of February, 1926.

(SEAL) F. P. ROGERS
4-6tc Mayor.

FAIRVIEW ITEMS

Lela Woodren visited Ilene Wil-
liams Sunday.

Ethel Collins spent Saturday night
with Ruth Easdon.

John Williams is on the sick list
this week.

Ellen Davenport is back in school
after a few days absence on account
of sickness.

Mrs. M. South and Mrs. M. H.
Shotwell left Sunday evening for
Colorado Springs, Colorado. Mrs.
Shotwell has a son and daughter
there and they were called there on
account of the son, who is to under-
go an operation.

Harold Williams visited at W. L.
Collins home Sunday.

The Fairview folks are making
preparations to put on a play enti-
tled, "Mr. Bob." The characters have
all been chosen except one. However
we hope to be ready to put this play
on in a short time, and make it
worth while to everybody.

Pete Tomlin was a visitor in our
district last Thursday afternoon.

Mrs. Waldo Cook and Edith Mc-
Lain who have been on the sick list
are able to be up now.

Misses Venita and Ethel Collins
spent the week end at home so as
to be here for the surprise on their
brother, Tom, Saturday night, it be-
ing his twenty-first birthday. Quite
a number of his friends had a merry
time and left at a late hour, all
wishing Tom many happy returns of
the day.

Mr. and Mrs. Tindle of Perryton
and Morris Layton were Sunday
visitors in the Apple home.

Mrs. C. A. Williams and daughter,
Edna, visited Mrs. Waldo Cook
Thursday of last week.

Mrs. Effie Kettell spent the week
end in the Pruner Apple home.

Wayne Haley visited Tom Collins
last Thursday.

L. S. Hobbs and Jim Sims were
business callers in our community
last week.

Frank Easdon, after so long a
time, got the dynamite to fix his
wind mill, and he started work on it
Monday.

Mrs. Ruth Woodrun preached two
good sermons at Fairview school
house Sunday. The sermons were en-
joyed by the audience.

The second grade pupils are en-
joying their story telling and writ-
ing.

J. O. Smart visited in the Collins
home Sunday.

E. W. Taylor has been sick for the
past week or more and is not much
better at this time.

Discovers New Element

Dr. B. S. Hopkins, Professor of
Inorganic Chemistry at University
of Illinois is the first American to
discover a basic element. He finds
No. 61. Of the possible 92 ele-
ments, 87 have been discovered so
far.

for Economical Transportation

You will have reason to laugh if you buy a
CHEVROLET. Perfection of performance
under all conditions with an extremely low
upkeep cost makes this car the best buy of
the year.

Perryton Chevrolet Co.

J. L. Donley, Prop.

North Main St. at old Highway Garage

CHEVROLET

Chevrolet dealers in February de-
livered 32,504 cars, the largest num-
ber ever sold in that month in the
history of the company.

The quota set for the thirty sales
zones of the company was 22,002
cars, an estimate based on a conser-
vative examination of the prospec-
tive February demands. When the
total sales for the month were tabu-
lated it was found that the increase
in sales was 147.7 per cent of the
quota.

Despite decided increase made in
the quota set for February it was
found the zones had practically all
exceeded their allotments.

In January every sales zone ex-
ceeded its quota, ranging from 112.9
per cent in the Jacksonville zone to
275.4 per cent in the Omaha zone.

The Omaha zone, established only
three months ago, again led the zones
exceeding their February allot-
ments, with a percentage of 398.3.
Minneapolis zone was second with
304.9 per cent of its quota, reflect-
ing the unprecedented growth of the
Northwest's diversified industries.
Oklahoma City was third with 255.4
per cent of quota, Atlanta fourth,
with 249 per cent and Des Moines
fifth, with 243.8 per cent.

Of the six sales regions, Great
Lakes region led in February, with
Middle West, Southeastern, Flint,
Atlantic Coast and Pacific Coast re-
gions in the order named.
while the original factory pro-
duction for March was set at 54,553
cars, it has already been found nec-
essary to make three additional in-
creases in this schedule, bringing the
total number to be built this month
to 59,244 cars, not including the 4367
cars to be built in the Chevrolet
Canadian plant at Oshawa.

WOMEN EARN \$10.00 DAILY, ac-
cording to the "Medical Advisor." Unfolds
secrets of married happiness, often
revealed too late. 1008 pages, cloth-
bound book, illustrated, some color-
ed plates. Chapters on Mother and
Babe, Nursing, Accidents, First Aid,
What to do in Sickness. Retail for
\$1.00. Sales enormous. Enclose 40c.
for a copy (special agent's price).
Medical Press, 653 Washington St.,
Buffalo, N. Y. 6-3177

Mrs. Tom Carver and Miss Mil-
dred Myers of Canadian were here
last week, guests in the home of
Mrs. Carver's parents, Judge and
Mrs. J. M. Grigsby.

THE logical place to buy a
Used Ford car is from an
Authorized Ford Dealer.

All used cars sold with a guarantee by Author-
ized Ford Dealers have been subjected to rigid
inspection by Ford-trained mechanics, and
the necessary work done to put them in
good condition. You can buy one of these
cars with every assurance that you are
making a wise investment.

In addition to the guarantee he gives you, the
Authorized Ford Dealer knows Ford value,
and through contact with the previous own-
ers he is in a position to tell you the exact
history of cars he sells.

Only a small cash payment is required—the
balance can be taken care of in easy monthly
payments to suit your convenience.

See your nearest Ford dealer today. He will
gladly show you the guaranteed used cars he
has to offer. You will find the body type you
prefer at a price which represents Ford value.

PARENT-TEACHERS' ASSOCIATION MEETS NEXT MONDAY

The next regular meeting of the Perryton Parent-Teachers' Association is next Monday, March 29th, at 8:00 P. M. at the school auditorium. A full attendance of all members is requested as the annual election of officers will be held at this meeting. Following is the program:

Number from Mrs. Irvin's room
Essays from 5th, 6th and 7th grades.

Talk on Trees, Their Planting and Culture F. P. Rogers.
Solo by Mrs. Carl Ellis
Election of Officers

A marriage license was issued by County Clerk Dave Shanks on March 20th to Miss Hazel Littleton and Mr. A. M. Burns, both of Beaver County. Miss Littleton is a daughter of Claude Littleton.

The Plea Of A Tire

"IT'S NOT FAIR!"
SAYS THE POOR TIRE

"GIVE ME HALF A CHANCE AND I'LL DELIVER THE GOODS"

BUT—You hit me with a brick, You jam me against the curb You stick nails and pins into me, You make me run over glass, tin cans etc.,

You slide me, when I should roll, You let me run side-ways, You skid me 'till my face is skinned, I seldom have enough air in my lungs You kick me and say I'm "TIGHT", when I'm not, You hang me on your car in the hot sun until I'm stiff, then expect me to bend as of yore."

"Finally, when I 'BUST' from exhaustion, you give me a fling or burn me.

OH, SIR; if you would only take me to Dr. Askins of the ASKINS TIRE SHOP, Perryton, Texas, he understands me, can dress my wounds and fix me up so I can serve you the balance of my natural life."

SHAME SHAME SHAME
IT'S NOT FAIR

P.S. IF IT'S TOO LATE TO HELP ME, PLEASE TAKE MY SUCCESSIONS TO DR. ASKINS.

U. S. CIVIL SERVICE EXAMINATIONS

An open competitive examination under the rules of the U. S. Civil Service Commission is announced for the position of Clerk in the Post Office, Perryton, Texas. Receipt of applications will close April 7, 1926.

Applications for this examination must be made on the prescribed form, which with necessary instructions, may be obtained from the Commission's local representative John A. Black, Secretary, U. S. Service Board, at the Perryton Texas Post Office, or from the undersigned.

All persons wishing to take this examination should secure blanks and file their applications with the undersigned prior to the hour of closing business on the date above specified.

The date for assembling of competitors will be stated in the admission cards mailed applicants after the close of receipt of applications. Secretary, Tenth Civil Service District, Address, Customhouse, New Orleans, La.

Ben Etheridge, pharmacist at the Perryton Drug Co., was confined to his bed the latter part of last week with an attack of the flu and asthma.

Mrs. J. C. Reagan is here from Plemons at the bedside of her mother, Mrs. J. N. Conley.

Night Coughing Relieved At Once

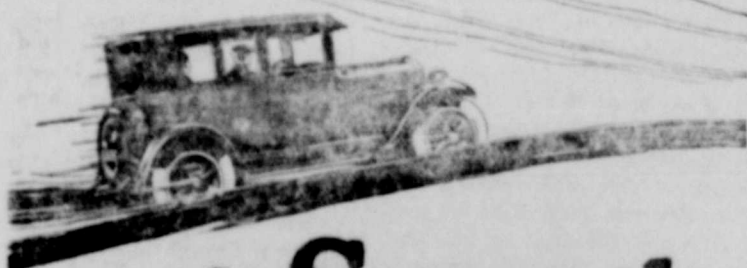

Why suffer continually from a persistent, weakening night cough when you can get almost instant relief, and usually break the cough completely in 24 hours by a new method based on the famous Dr. King's New Discovery?

Here is the method: You simply take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. It has a double action. It not only soothes and heals irritation, but also removes the phlegm and congestion which are the real cause of the coughing. As a result even the worst cough usually disappears quickly.

Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too—no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good druggists. Ask for

WAWAKA NEWS

The warm weather has been much appreciated by all and we hope it will continue.

Mrs. Ostrander and Miss Thistlewaite from Kansas started a meeting here which will continue over Sunday. These ladies will be with us all summer.

Mr. and Mrs. Jerry Burger and son, and Mr. and Mrs. Wallace Buckhaults were visitors in the J. L. Stump home Sunday.

I. N. Traylor and family, Messrs. Reuben Burger and Walter Elledge were dinner guests in the P. M. Berry home.

Mrs. Ed Hughes returned from Dalhart last week, where she has been visiting her daughter, Mrs. Hugh Robertson.

Hugh Robertson of Dalhart visited in the home of his sister, Mrs. B. L. Barnes.

Mrs. C. B. Barber and daughter, Miss Frances, visited with Mrs. C. J. Frantz Sunday.

Misses Clara McDougal and Pauline Shifflett were Perryton shoppers Saturday.

Mr. and Mrs. J. E. Wilson and children, Mr. and Mrs. J. P. Robertson, and Walter Penninger were visitors in the W. A. Robertson home Sunday.

Bill Reed returned last week from Miami, Texas.

Mrs. Charlie Patton is ill in her home this week.

Mr. and Mrs. H. N. Elledge and children and Mr. and Mrs. R. G. Burger visited Sunday in the W. A. Reed home.

Misses Clara McDougal and Pauline Shifflett, and Messrs. Reuben Berger and Oliver Stump attended the singing school at McMillen Friday night.

Mr. and Mrs. C. B. Barber and daughter, Nadine were Perryton shoppers Saturday.

Marcus Stowe and family visited in the J. H. Stowe home Monday.

BIG RABBIT DRIVE AT FULTON CREEK SCHOOL

Arrangements are now being made for a big rabbit drive in the vicinity of the Fulton Creek School on next Wednesday, March 31st. All persons wishing to participate will assemble at the schoolhouse by 9:00 a. m. A free lunch will be served at noon.

Besides being good, clean amusement, these drives rid the country of hundreds of pests which eat and destroy thousands of dollars worth of crops every year. Keep the good work up. Let's have a rabbit drive in some community every day.

Mr. and Mrs. R. C. Johnson, Leon Roembach and Ernest Allen left last Tuesday for a few days visit in Oklahoma City.

The Perryton Rebekah lodge will present the home talent play, "Clubbing a Husband," in the near future. Watch for the date in this paper.

GET THE HABIT. Use a Stylo Pen. Just like writing with a pencil. You can get them at Stewart Printing Co.

Miss Carrys Dodson was the week end guest of Mr. and Mrs. Ross Leatherman at Liberal, Kansas.

Mr. and Mrs. Ed Puls of Booker was shopping here on Monday of this week.

Mrs. John W. Hall of Oklahoma City is a guest in the home of Mr. and Mrs. J. B. Nash.

It's easy for you to own a New Remington Portable, the personal writing machine that everybody needs. Call in and let us explain our easy payment plan.

WILL BUILD NEW SKATING PAVILION

Messrs R. D. Ford and G. O. Cook are now making arrangements for the building of an open air skating rink here in Perryton. It will be 40x60 in size and will be located near the D & S Filling Station. The roller skating fad has recently come to life and youngsters, big and little and bigger are to be seen every day on their skates. Mr. Ford informs us that they expect to have their rink ready for operation on or about the first of April.

CARD OF THANKS

We wish to take this method of expressing our heartfelt thanks to all who so kindly helped us in our recent illness and for the beautiful floral offerings and kind words of sympathy and love extended to us in the dark hour of the death of our precious baby. Surely no one could cast their lot among a kinder or more sympathetic people.

We can never repay you but may God reward you is the prayer of his parents and brothers.

Mr. and Mrs. W. D. Christopher Roy, Ray and Key Christopher.

COMMISSIONERS' PROCEEDINGS

March 8, 1926

Be it remembered, that on this the 8th day of March, A. D. 1926, there was begun and holden at the Court House in the town of Perryton, the regular March term of the Honorable Commissioners' Court of Ochiltree County, Texas. Present and presiding, Honorable J. M. Grigsby, County Judge. Other members and officers of said court present and acting in their respective places were: E. O. Bremer, Comr. Prec. 1; L. H. Lance, Comr. Prec. 2; J. V. Stump, Comr. Prec. 3, and T. C. Lott, Comr. Prec. 4. Dave Shanks, Clerk and J. S. Talley, Sheriff. Court being opened in due form of law the following proceedings were had to-wit:

It is the order of this court that Ochiltree County lease two tracts to the State Highway Department for use on State Highway in Ochiltree County. All members of the court favored said order.

It is the order of this court that all claims be allowed as shown by the clerk's docket, as follows:

Rahenkamp, G., burning weeds \$4.00

Russell Grader Co., repairs	29.53

Truax, A. L., rabbit bounty	5.60
Sawatzky, J. B., bounty	2.40
Waide, Earl, bounty	7.36
Farnsworth, Wilbert T., bounty	1.50

It is the order of this court that \$1000.00 be transferred from the C. H. & J. Fund to the R. & B. Fund. Also that \$125.00 be transferred from the C. H. & J. Fund to the Special Warrant Fund. All members of the court favoring said order.

On this day came on to be considered the matter of extending the Ochiltree Grave Yard in size and in an easterly direction from where the original plat lies, and it being brought to the attention of this court that J. M. Blasingame is asserting a claim to the ownership of the land proposed to be annexed to said original plat of the grave yard and that he is refusing to let said addition be fenced as was ordered by this court at the last term, being the February term 1926. And it being made known to the court that said J. M. Blasingame is the owner and holder of a percent of the land in question by deeds of conveyance and that he has

the fee simple title therein, and that he is the owner and holder of the entire tract of land in question by virtue of having the same in his possession and under fence for more than five years. J. M. Blasingame offers to take \$350.00 cash for his right title and interest to this land. It is the opinion of the court that the public in general desires that such offer be accepted and that J. M. Blasingame be paid \$350.00 upon the execution and delivery by himself and wife of a quit claim deed to the land in question, which contains 91 acres of land, being all land now under fences for a cemetery and also all lands lying east of said fenced cemetery and west of the State Highway leading south from Perryton. It is therefore the order of this court that said land be purchased and that the consideration of \$350.00 cash be paid upon the delivery of a proper deed, but said amount must be paid upon the further order of this court. All members favor the order.

It is the order of this court that W. Y. Williams move fence out of the established highway along the east side of Section 46, Block R, Ochiltree County, Texas. It is the further order that the order of a similar nature entered at the last term of this court, but mentioning the north side of said section instead of the east side be, and the same is hereby repealed and held void. It is the further order of this court that W. Y. Williams be allowed the customary amount for moving fence. The clerk of this court is ordered to make a certified copy of this order and mail in the United States mails to W. Y. Williams, Spearman, Texas, with the postage paid. All members favor said order.

It is the order of this court that all funds now in the Court House and Jail Special fund be transferred to the Drouth Relief Fund. All members favor said order.

There being no further business to come before this court at this time, it is the order of the court that each commissioner and the judge be allowed \$5.00 for their day's services and that this court now stand adjourned, this the 8th day of March, 1926.

The foregoing minutes being read in open court and found in all things correct are in open court approved this the 8th day of March, 1926.

J. M. GRIGSBY, County Judge
Attest: Dave Shanks, Clerk.
(Seal)

First Call Session for March 1926

On this the 13th day of March, 1926, there was begun and holden the first call session of the Honorable Commissioners' Court of Ochiltree County, Texas. All members and officers present. Court being opened in due form of law the following proceedings were had to-wit:

It is the order of this court that J. M. Blasingame be and is hereby allowed \$350.00 in payment of his interest in 91 acres of land, more or less, in compliance with a former order of this court.

There being no further business to come before this court it is the order of this court that each commissioner and the judge be allowed \$5.00 for services rendered and this court stand adjourned this the 13th day of

March, 1926.

The foregoing minutes being read in open court and found in all things to be correct are in all things approved this day, March 13, 1926.

J. M. GRIGSBY, County Judge
Attest: Dave Shanks, County Clerk.
(Seal)

FORDSON AND POWER FARM MACHINERY DEMONSTRATION

Farmers of this vicinity have been invited to attend a special demonstration of Fordson tractor power which has been arranged for next Saturday March 27th.

The event is in observance of Fordson Day and will be staged by R. J. Johnson, local Ford dealer, in cooperation with distributors of farm implements adapted to Fordson Tractor power. The demonstration will be held at Perryton and will begin at 1:00 o'clock. An invitation has been extended to all farmers in this locality and a number of county officials also have been invited to attend the demonstration.

Included also will be a display of farm implements so that those attending the demonstration will have an opportunity of inspecting the latest equipment for use in agricultural pursuits.

Fordson Day, will be observed by Ford dealers throughout the United States, with demonstrations such as are to be held here. Coming as it does immediately following the opening of the spring season, it will give every farmer an opportunity of selecting power equipment for his year's work and enable him, if he so desires, to lower his production costs at the start, an advantage he will enjoy all the season.

Judging from the interest already manifest there will be a number of new Fordson owners in this vicinity this season, for farmers here as well as elsewhere throughout the country are realizing more and more the advantage of the Fordson on the farm, not only in reducing power costs but in materially lessening labor and giving more hours for pleasure.

Oldest Fiddler

A fiddling contest was held at Rome, New York and William Smith's, "Listen to the Mocking Bird," won him the county championship. "Billy" who has been winning the rosin bow for 75 years thinks he's the oldest fiddler in the country. Is he?

Miss Opal Pittman, daughter of Mr. and Mrs. T. O. Pittman, was operated on for appendicitis in this city last Sunday and at last reports was getting along very well.

Mr. and Mrs. W. H. Richardson returned home last Sunday from an extended visit at Mineral Wells, Texas. They were met at Canadian by their grandson, Frank Cheatham.

Mrs. M. South left last Sunday for a two weeks visit with her grandson, Malcom Moore, at Colorado Springs, Colorado.

Mr. and Mrs. Clyde Powell and children left last week for Higgins, where they will visit with Mr. Powell's father and mother, who have been sick.

The BULL'S EYE

Editor and General Manager
WILL ROGERS

You Can't Smoke History

A fellow from Carolina wants to know where I get the idea that "Bull" Durham and George Washington come from the same state. He says, "Why don't you write and give the people the real History of 'Bull' Durham in its native State, South Carolina, that people would appreciate that more than these Bull Legends of yours."

Now thanks, Sir, for your good-natured suggestion. If I knew History I wouldn't be able to write "Bull" Durham Ads. I would be a College Professor, get everything right, and get nothing for it. Everything you suggested me telling the public about when and where "Bull" Durham originated, has been told for 66 years by typical Advertising writers. That's the only thing the Company asked of me was "please don't tell again where it came from, or how." You see you didn't read their Ads, but you did read mine and remembered it, because it was wrong.

Writing Ads that will be remembered is a queer game. This is an Ad, not a History. I selected Ads over History on account of the pay. (American Tobacco Company's pay is as good as its tobacco.) Where "Bull" Durham comes from or where it goes to is left for the starving Historian.

Will Rogers

P.S. You notice I named in this article the WRONG Carolina. That's so North Carolina will get sore because I named South Carolina, and South Carolina will get sore because I didn't name North Carolina. A true Southerner never forgets.

P.P.S. There will be another piece in this paper soon. Watch for it.

"BULL" DURHAM

McCormick-Deering

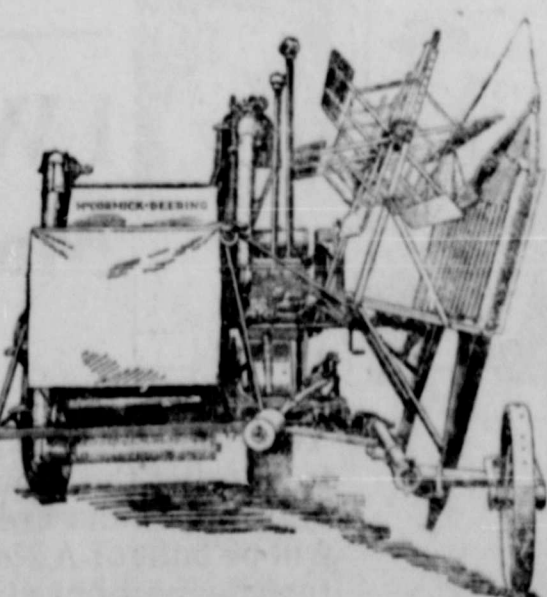

Harvester-Thresher

Improved and Up-to-the-Minute

The view below shows the easy-transport feature. The platform can be folded back and drawn up closed to the side of the thresher. In this position the machine measures only 12 feet 6 inches in width, narrow enough for any ordinary bridge or the average gate. The platform wheel swivels like a caster, so that it swings into line and follows when the machine moves ahead.

The McCormick-Deering follows the standard practice of stationary thresher manufacture in that 80 to 90 per cent of the separation of the grain takes place at the cylinder—a very important feature. Ball bearings on cylinder and roller bearings at many points make unusual lightness of draft and easy-running qualities. This is a two-man outfit of 12 or 16-foot cut.

We also have a 10-foot cut machine to be operated by power take-off from the 15-30 tractor. Doing away with the auxiliary engine makes for light weight. Both machines are highly perfected from every point of view—the most efficient harvesting method for 1926.

PLAINVIEW HARDWARE & FURNITURE COMPANY

Consider your life with grandma's as to ease, comfort and convenience. The urgent need of even a yard or two of calico entailed no end of trouble for her—whereas, you today—with a telephone in your home have available the greatest step-saver ever perfected by man.

Running a home—or a business—should be done in the most efficient and labor-saving manner. The telephone is essential. Either in the home or place of business you are cheating yourself if you fail to take advantage of the efficient methods a telephone makes possible. The cost is so small that it cannot be considered a luxury.

Have us install a telephone in your home or place of business for six months—and you wouldn't think of doing without it.

DID YOU EVER STOP TO THINK

By Edson R. Waite, Secretary, Shawnee, Okla., Board of Commerce.

THAT some cities are satisfied with just marking time.

THAT a city is only as progressive as its citizens.

THAT some cities seem to delegate to professional politicians the building and development of business for the home city.

THAT often the people also delegate to the politician the power of thinking and acting for the cities best business interests.

THAT it takes better business to build cities and it must be done by business men who should have the united support of all.

THAT every effort should be made to expand the trade territory of the home city.

THAT every dollar brought into the home city brings new money into local circulation. Co-operative effort will attract business to any city.

CITIZENS CAN ATTRACT FAVORABLE ATTENTION BY CONSTANT BOOSTING.

IF THE HOME FOLKS DON'T BOOST THE HOME CITY, NOBODY ELSE WILL DO IT FOR THEM.

EVERYBODY SHOULD BOOST THE HOME CITY, PRAISE IT, TALK WELL ABOUT IT, SPEAK WELL OF ITS CITIZENS AND ITS INDUSTRIES.

JUST A BOY'S DOG

Three young men in a roadster. A collie dog timidly crossing the street. As the auto neared him the driver deftly cut his front wheel toward the dog, it caught him, knocked him down and hundreds of pounds of resistance, crushing weight passed across the dog's body.

The young men laughed, and passed along swiftly. The dog in agony crawled out of the street and to the vestibule of the postoffice, because it was a place where many people were going in and out and he needed human sympathy.

The postmaster found the dying dog and carried him outside into the warm sunshine. Shortly afterwards passers by saw two small lads with the dog. One of them held the dog, whose eyes were beginning to glaze, cradled in his arms, while tears coursed down his cheeks. The other lad was softly patting the dog's broken and bruised body. He was just the other boy's friend, sharing with him the poignant grief of a lad whose pet had been wantonly and uselessly murdered.

This is the story of a thing that happened in Childress this week. Wanton cruelty to dumb animals is surely a sin for which a merciful God will hold men accountable. We believe it.—Childress Post.

WHAT'S DOING IN WEST TEXAS

West Texas Chamber of Commerce. BAIRD—Baird's new 12,000 egg mammoth type incubator was received today and construction of a building for the machine is under way. A company with a capital stock of \$2,500 has been organized and will be incorporated. The stockholders in this company are from all parts of the country, insuring full co-operation of every farmer in the country.

MIDLAND—A carload of hogs will be shipped into Midland County and sold to the farmers at absolute cost plus the expense of importing and feeding the swine until they are sold. Mr. E. A. Snider, County Agent has the details of this in hand for Midland County and the hogs are being shipped in by the Midland Cham-

ber of Commerce, the Midland National Bank and the First National Bank. These high grade gilts are being shipped from Sioux City, Iowa as a result of the joint Hog Importers Campaign of the Fort Worth Stockyards Company and the West Texas Chamber of Commerce.

ALBANY—The deep test drilled by Roeser & Pendleton on the Cook ranch, northwest of Albany, has unexpectedly turned into shallow producer of huge proportions. Oil was struck at 1242 feet and reliable report from the well are that it is making 1,000 barrels.

FLOYDADA—More than three hundred representative farmers heard R. Q. Lee, President of the West Texas Chamber of Commerce, speak on the benefits of "Diversified" farming. Mr. Lee advocated growing feeds as well as cotton. Col. C. C. French, Industrial Agent of the Fort Worth Stockyards spoke on the raising of hogs.

CANYON—The annual meeting and banquet of the Panhandle-Plains Historical Society recently held in this city was the most successful ever held. People were in attendance from Amarillo, Lubbock, Miami, Canadian Pampa, Claude, Memphis, Pomeroy and Tulsa. Judge O. H. Nelson of Romero, Hartley County, was elected president. The visitors viewed with much interest the exhibits now owned by the Society, same being valued at \$12,000.

GOREE—At a recent meeting of the Goree Chamber of Commerce \$700 was raised for prizes to be given away to the farmers of this trade territory as a means of encouraging a safe plan of farming. These prizes are to be given away in connection with the Community Fair which is to be held this fall. The business men are also encouraging the farmers to go after some of the prizes being offered at the Fort Worth Fat Stock Show in March.

SLATON—There is being arranged by Slaton's Commercial Club and the Diversified Farm Program Members a one-day Agricultural and Livestock Short Course between the dates of March 15th and 20th. Arrangements are being made for the very best and most practical men of the State to be present on this occasion to take up the following subjects: Dairying, hog development, poultry and marketing.

ROCHELLE—The Rochelle Chamber of Commerce has just recently been organized with O. E. Rice as President. At the organization meeting, Wm. D. Cargill, Secretary of the Brady Chamber of Commerce outlined the needs of a Chamber of Commerce. County Agent C. C. Johnson made a splendid talk on "Diversification." The wide-awake citizenship of Rochelle are planning to do great things during the coming year.

HEREFORD—Hereford has voted \$67,000 worth of bonds for the paving of some forty blocks in the re-

About Your Health

Things You Should Know

by John Joseph Gaines, M.D.

CIGARETTE SMOKING

The fumes of the lighted cigarette carry their entire influence to the user in response to suction, and are distributed by inhalation. All people who smoke, inhale. Some deny this, but they are mistaken. The smoke enters the mouth and attacks the sensitive nerves of the oral cavity instantly. The first effect is stimulation; longer and more frequent indulgence weakens—overpowers. Exhaustion takes place, due to over stimulation. The taste of the addict becomes less acute as time goes on, until he cannot appreciate the flavors of his food. Nothing tastes so good to him as the fumes of this burlesque of the tobaccoist. It is safe to say that the chewer of "the weed" suffers less damage than the absorber of the volatile chemical within the cigarette! The chewer escapes much of tobacco poisoning by his copious expectoration—but cigarette fumes absorb and stay until their entire effect is bestowed upon the victim.

Cigarette-smoking is distinctly a follow-up process, each one reaching farther along the nerve-fibers toward the brain than its predecessor advanced. Exhaled through the nostrils, the harm done is quadrupled; with wide nostrils, even this is intensified, until the sensitive mucous membranes become dry, the sense of smell diminished or lost, the breath fetid and unholly, the face expressionless, the hearing and eyesight less acute, and the poise of the brain disturbed until the fingers tremble under the slightest excitement. That this condition lessens courage and executive ability, is beyond question. Is the game worth the cost?

Next Week:—
INVISIBLE POISON

sidential section and the date for receiving bids will be set shortly. Every effort will be made to complete this paving by fall.

Ford

When You Trade Your Car—

Ford owners are continually being approached by automobile salesmen who wish to "accept" Fords as part payment on more expensive cars.

It is logical that automobile dealers should be eager to trade with Ford owners. No other used car is so easy to sell as a used Ford—because everyone has confidence in Ford quality. And it is not expensive to recondition, since Ford replacement parts are lowest in price.

Most automobiles carry greater discounts to dealers than the Ford—another reason why other dealers may offer the Ford owner a larger trade-in allowance.

But, bear these facts in mind:

The amount of the trade-in allowance you can get is not the most important thing for you to consider. The big thing is the difference you have to pay. And remember, that the higher priced car will not be so easy to dispose of when you come to trade it in.

If you wish to trade your Ford for a new automobile, stick to the car that you know to be dependable, useful and economical. Go to your Ford dealer!

He will give you a fair and liberal allowance for your present Ford and will gladly arrange payment of the balance to suit your convenience.

"22 YEARS OF LEADERSHIP AND STILL LEADING IN PRICE-DESIGN-QUALITY"

SUCCESSFUL RAISING OF POULTRY FROM A BABY CHICK TO AN ADULT BIRD

(Elizabeth Hurter, Huntoon School)
(Winner of first prize in contest)

During the past few years of crop failures the farmers have come to realize the importance of their dependence on the cow, sow and hen, especially the hen, and since the hen is at the beginning a baby chick we must begin our study of successful poultry raising with the baby chick. First, we must have good stock. By this I do not mean we must pay exorbitant prices for our birds but by culling and buying of thoroughbred cockerels, keep our flock bred up to a high perfection. Like begets like, so we cannot expect to get healthy, heavy birds from scrubby, diseased stock.

Second, It makes no difference whether we set the incubator or the hen. The main thing is to hatch the chickens early so we may have the flocks ready for the early market, as prices are higher then. In choosing the method of hatching we must consider the breed.

Third, The building should be large enough to allow from one third to one half square foot to each chick. Plenty of sunshine must be provided. Absolute cleanliness must be observed at all times. This does away with many diseases, such as, limberneck, roup, diarrhoea, also with mites and lice. We must remember that the healthy chick makes the best bird. The building should be made to exclude dampness and to control heat, because the primary causes of white diarrhoea are chilling and overheating. Roost should be placed in the chicken house when the chicks are six weeks old. In this way they learn to roost at an early age thereby eliminate smothering by crowding together.

Fourth, Nature has provided the baby chick with nourishment for forty eight hours. However, he may have plenty of fresh warm water and sand or charcoal. After the second day feed four or five times a day. I consider the baby chick starter the best food as it is a balanced food and contains all the food elements necessary for quick feathering, abundant vitality and early laying.

After the seventh day keep sour milk, grit, scratchfeed, chicken chowder, also green food in the form of sprouted oats before them at all times. From two to three months later the cockerels will be ready for the market and in the fall the culls and older hens may be sold and we are ready for our young hens to provide us with eggs for the winter market.

This brings us to my last point, which is marketing, we hear a great deal about cooperative marketing for grain and stock. Why not one for poultry, eggs, and other farm products? Since our primary object in raising poultry is to make money we should select the system which will give us the highest prices for our products. At present we are supporting fine produce houses at our nearest market. Why not do away

FAMOUS FORTS IN U. S. HISTORY

By ELMO SCOTT WATSON

The Key to Ownership of the Ohio Valley

It was the keen military mind of George Washington that first saw the strategic importance of the spot where the Monongahela and the Allegheny rivers join to form the Ohio, and it was at his recommendation that Governor Dinwiddie of Virginia in 1753 ordered a fort built there to hold the country west of the Appalachians for the English. Hardly had Dinwiddie's party begun to work on the fort when the French appeared, drove them away, demolished the crude stockade and built on its site Fort Duquesne, named for the governor of Canada.

Thus began the great struggle between the French and English, known as the French and Indian war in America and the Seven Years' war in Europe, and control of this outpost on the American frontier was destined to be the principal factor in deciding whether England or France was to control the Ohio valley, and with it North America. It was against Fort Duquesne that General Braddock set out in 1755 on the expedition which ended so disastrously almost within sight of the fort and three years later Major Grant and his Highlanders, the advance guard of General Forbes' army, met a similar disaster while reconnoitering before it. But Forbes, unlike Braddock, did not scorn the advice of George Washington, and he reached his goal.

When he arrived at Fort Duquesne on November 15, 1758, he found that the enemy had left it a smoking ruin. The next year Gen. John Stanwix rebuilt the post and named it Fort Pitt, in honor of the great English minister. It was soon needed, for in 1763 the storm of Pontiac's war broke over the western frontier, and when one British post after another went down before the scalping knife and torch of the savages, Fort Pitt alone, although besieged for several months, held back Pontiac's warriors from driving the English into the sea. It was to Fort Pitt's relief that Col. Henry Bouquet was marching when he won his brilliant victory over the Indians at the battle of Bushy Run, and this fort was the base for his later campaign, in which he smashed Pontiac's power.

During the Revolution Fort Pitt was held by the Americans and at the close of the war it became the starting point for thousands of settlers who poured into the Ohio country. Around it sprang up a little settlement, and today the great city of Pittsburgh, marks the site of Fort Pitt, the key to the Ohio valley.

(© 1924 Western Newspaper Union.)

with these, and form one farmers' produce, which will guarantee us the highest prices, best service and cash dividends?

ALFALFA ITEMS

Mr. and Mrs. Carl Freeman were in Perryton Wednesday.

Sam Handley was in Perryton Tuesday and Tuesday night.

Coy Merydith who has been in the Stickley hospital at Canadian has recovered sufficiently to be brought home.

Mr. and Mrs. Tipps, Mrs. B. J. Jackson and Mr. Brock attended the Blann sale Thursday.

Mr. and Mrs. Chas. Jackson made a trip to Canadian Friday.

Mrs. R. T. Correll and Mrs. Ross Thurman were visitors in the home of Mrs. B. J. Jackson last Friday.

Mr. Greenfield of Wichita was in the neighborhood last week on business connected with the oil leases.

Mr. Theodore Jackson of Wichita spent several days here last week, closing up the business of the oil leases. While here, Mr. Jackson visited in the home of his aunt, Mrs. B. J. Jackson. The oil leases were transferred to a company that signed up a drilling contract. They expect to commence drilling in fifty or sixty days.

W. E. Merydith, Dave Wright, R. H. Moore and Chas. Jackson went to Canadian on business last Tuesday.

Lawrence Dale visited Mr. Brock Tuesday evening.

Paul F. Stewart of Amarillo was here on Monday night of this week for an over night visit in the home of his brother. Paul moved from Kansas City to Amarillo about a month ago and is now associated with Alen M. Wilbanks, Jr. and other Perryton people in the oil lease business. He reports that Mr. Wilbanks is busy just now getting everything in readiness for the spudding in of a test on the Wilbanks place located a few miles west of Plemons. They expect to spud in before the first of April.

Newton Conley of Canadian has been here this week at the bedside of his mother, Mrs. J. N. Conley who has been very ill with an attack of the pneumonia. Mrs. Conley's many friends will be glad to hear that she is now much better.

Jay Walker to Blame for Half of the Deaths by Auto

MANY a motorist whose car has figured in a fatal accident will be able to present a clear sheet to Saint Peter when his time comes, when one considers all the contributing factors outside of the driver's own fault. A total of 1,390 auto fatalities on record with the Stewart-Warner Safety Council for the prevention of automobile accidents, covering a period of seven months, shows that in 727 cases the fault was clearly the pedestrian's and cannot be put down to the driver, the weather or unavoidable circumstances.

The careless pedestrian's footsteps lead him to the grave by six distinct routes, says the Safety Council, and the most travel-worn of these is jaywalking. Sixty-two per cent of the 727 auto fatalities just recorded were due to streaking across busy streets without using the proper means. Children's playing in the streets was responsible for 31 per cent and crossing for another 3 per cent. Confusion on the part of the pedestrian, for heading vehicles and turning back in his tracks, brought about 9 per cent of these 727 deaths, while physical disability and intoxication rate 3 and 2 per cent respectively.

Miss Margaret Maye Abramson and Mr. Water M. Hammack, both of Shattuck, Oklahoma, were united in marriage at Booker on March 15th by Rev. Norman. The groom is a son of Albert Hammack of the Huntoon community.

O. W. Brock, who lived southeast of Booker, died last Tuesday and was buried on Thursday at the Elmwood cemetery, the funeral being in charge of the Wilson Funeral Home of this city. The deceased was almost fifty years of age at the time of death.

—a message

TO THE WOMAN OF THIS COMMUNITY—

The "Lone Star" Banks of Texas — in which this bank is included — invite the confidence, friendship and bank accounts of every woman in their different sections and communities.

This bank wants the women of this community for regular depositors, and will be more than glad to advise you on any matter of banking you do not understand.

Feel free to come in and talk with us.

OFFICIAL HOME ECONOMICS REPORT

Following is the highly commend-ary report which the State Inspector of the Board of Vocational Education Miss Lillian Peek, made after a recent visit to the Home Economics Department of the Perryton High School. This department is under the direction of Miss Ruby Jane Simmons, who is a very efficient and instructor.

"Perryton has one of the most up-to-date and best equipped depart-ments in northwest Texas. Perryton can justly be proud of the achieve-ment and the good quality of work made possible by excellent equipment and an excellent teacher.

Lockers and wardrobes, a mirror, beautiful tables, a book rack, food cabinets and work tables all in hard-wood and beautiful cabinet work promise many years of service. A bed, two sewing machines, Nippon china, silver and numerous other things have been added at a cost of about \$1,500 to complete the equipment. The supervisor thinks it an excel-lent investment.

Affiliation

Credit is applied for Foods 2, home nursing home management and clothing 2. The material for Foods 2 and home management was exam-ined and approved for credit.

The clothing work examined was of such excellent quality that it will not be necessary to submit garments for Clothing 2. This is an exception rarely made. A list of the garments should be submitted with the writ-ten work. The notebooks should show the types of garments made with samples of material, students work plans, budget work, etc. and possibly a kodak picture of finished garments. Clothing and home man-agement notebooks and written work should be submitted.

Miss Simmons was ill and it was a great disappointment not to see her at work with the girls. A very good impression of her instructions was gained, however, through the gra-cious manner in which the supervi-sor was received by the girls. The brief period in which the club pres-ident took charge and called for home project reports was especially enjoyed. Real project work has been done and the supervisor was much gratified with the excellent and pos-itive results and the seriousness with which they were taken by the girls. Perryton homes should be happier places to live because of the home-making department in the high school."

CO-OPERATIVE MARKETING

(Marguerite Beardsley)

(Winner of first prize in contest) A general idea of the nature and purpose of co-operative marketing can be had by stating that co-opera-tive marketing means the working together for mutual benefit in solv-

ing marketing problems. When man produced most of his own supplies or got them from nearby farms or households, there was no need for an elaborate system of marketing. But today the situation is different. A man's supplies come from every corner of the earth and to get these things to him when he needs them requires the services of many peo-ple. By the time the local dealer, the railroad, the manufacturers, the wholesaler, the retailer, warehouse-men, bankers and the like have han-dled these goods the price paid by the consumer is so much greater than that received by the farmer that he is naturally impressed by the fact that there should be a more direct and economical way of distributing his products.

So the organization of co-operative marketing among the producers of farm products has been considered and is coming more and more into use. The farmers have found that they must have a market at all times and for all that is produced. The markets for farm products are now controlled by the Chicago Board of Trade and the organized grain deal-ers. These powerful organizations can regulate the price because they are so powerful and have such a deep hold on the farmers. They have only to cry 'surplus' long and loud enough until the people get in their heads that there is a surplus and down go prices.

But there is no such thing as over production of such a commodity that can be kept and stored like wheat and other grains. These grain deal-ers can get all the information they need about the amount of wheat raised, stored, and on the market, but the farmers can not get all this information. So he goes ahead and sells or holds grain whenever they say for him to, without knowing the real facts of the case. It is said that what we don't know won't hurt us, neither can what we don't get help us.

With the farmers organized under an efficient head information can be easily gotten and these mistakes will be avoided. When one man works alone he can accomplish very little, but with the twenty million farmers of the United States work-ing for the good of the farmers as a whole, they can do what they wish despite the opposition of the Chic-ago Board of Trade, which is an orga-nization of grain dealers, by grain dealers and for grain dealers. While the purpose of co-operative market-ing is to establish a market for all products at all times, and to fix a just price and to regulate this price to the best advantage for the farm-ers.

Now if one man would sell a por-tion of his grain every day during the year, he would find the average price paid. Statistics, experience and observations show that the price is considerable higher than when it is sold all at once in the fall. By co-operative marketing the association will buy all the grain and distribute

it as it is needed, thus getting the average price all the year around.

Since the farmer is the greatest producer there is and the world is dependent upon him for a food sup-ply he has the right to name his own price for his products. But since the regulation is today under the rule of speculators, he only hauls his grain to the market saying, "What will you give?" and takes the price they name. Then when he goes to buy supplies he says, "What will you take?" and pays it. Under co-opera-tive marketing with the farmer con-trolling things there will not be these prices for grain that are low in proportion to what other prices are. For the value of money is not

the amount itself, but how it will buy.

APPOINTED TO COUNTY BOARD OF EXAMINERS

Mr. and Mrs. J. M. Bull have been appointed by Judge J. M. Grigsby as members of the County Board of Examiners for applicants for school teacher's certificates. Any person who desires to take the examination should communicate with them at once. Mr. and Mrs. Bull are school teachers of many years experience and are well qualified for this important place.

CARD OF THANKS

We wish to express our thanks and appreciation for the help and kindness shown us during our recent illness. As for the beautiful floral offerings.

Mr. and Mrs. H. B. Lawrence

Mrs. W. C. Yoakley visited friends at Liberal last Saturday and Sunday

BLUE MOUND ITEMS

Brightly beamed old Mr. Sun as the Three B.B.B. schools gathered at Balko Friday, March 5, for their community day. As the bell rang, in marched the pupils and parents too for a day of school, and such a successful day as it was. The primary folks gave dramatizations and to stories, the older folks ciphered. At noon everyone partook of a most bountiful basket dinner. In the afternoon a program took part of the time, and various athletic contests finished the day. At four o'clock every one went home, tired but thoroughly satisfied with the day. We are going to have a day like this every year.

All teachers just naturally have a common sympathy for each other and a desire for social life. Due to this fact, the teachers of Bethany, and Blue Mound have formed a club which they called the Tri B. Club. They met Monday night, February 15th, at Balko and after playing various games, delicious refreshments were served. They met March 15th at Blue Mound.

The students of the high school were assigned a small plot in the school garden Monday. We will begin our planting soon.

Lina Organ visited school Monday Mr. and Mrs. Abboud and Miss Burns and Adair Smith were entertained at the Cayler home Saturday evening.

The annual school meeting will be held at the school house Tuesday, March 30.

Leland Shuler spent Sunday with Bradford.

Anna Cramer spent Sunday with Lina Organ.

Mr. and Mrs. J. W. Sherrill and family, Mr. and Mrs. Duncan and Lina Organ spent Saturday evening at the Bradford home.

W. F. Duncan and family, J. W. Sherrill and family, Margie and Rolla Truax, Harry McColough, Harry Mountcastle, Mr. and Mrs. Abboud, Miss Burns and Mr. Smith spent Friday evening at the Organ home.

Miss Burns was a week end visitor in the Cayler home.

Louis Noe, who has been at Perryton under the doctor's care for some time under went an operation Monday.

Mary Saunder, who has been ill the past two weeks is improving.

Mrs. C. F. Huguley, who has been on the sick list is improving.

Bessie Trosper is back in school after two weeks of absence.

O. G. Coombs spent Sunday at the Noe home.

Jessie Morris who was kicked by a horse Sunday is improving at this writing.

The mass meeting last Tuesday night was well attended and some very important discussion was brought out. The district as a whole seemed in favor of having a four year high school. The straw vote was 46 to 13 for improvement. 23 voted for a new building and 32 for an addition to the old one.

The Tri B Teachers Club spent a very enjoyable evening at Blue Mound Monday night. We will meet at Bethany Monday night, March 29th. All teachers of the surrounding districts are invited.

The Allen Brothers grocery have installed a new refrigerator meat display case and are now handling a full line of lunch meats. The case is finished in white enamel to keep in line with the other fixtures and shelving of this modern up-to-date grocery. This enterprising firm certainly keeps their store up to their slogan, "The Snow-White Store."

Mr. and Mrs. J. R. McMillen returned from Mineral Wells, Texas where they have been sojourning for the past five months. Their niece, Miss Mary Taylor of Murphy, Texas accompanied them home and will remain for an extended visit.

R. T. Shindler left Thursday for Da Hart, Texas where he will remain for a few days, assisting his father in closing out his stock of auto accessories.

C. R. Neson, Abe Green and Geo. Rupperecht made a trip to Amarillo and the oil fields the fore part of this week.

Mesdames W. D. Tenney and Marion Manwarren and Miss Ruth Spencer were Amarillo visitors the fore part of this week.

Miss Cecil Burgess left Monday for Plainview, Texas to see her mother, who is seriously ill with an attack of the influenza.

Misses Carmen and Grace Brewer were here from Friona, Texas, last Sunday visiting with their parents, Dr. and Mrs. W. J. Brewer.

P. H. S. BALL TEAM LOSES FIRST GAME

The Perryton High School baseball team went to Huntton last Friday and played their first game of the season. They played against the team which won so many games for Huntton last season, so the sting of defeat by one score by such a good team did not stunt their ambition or shatter their pride. The same teams will play at Lilly Park on Saturday, March 27th at 3:00 P. M. Come out, get behind the boys and help the national sport along.—Contributed

LEAGUE SOCIAL POSTPONED

The League social which was announced in last week's paper for Saturday evening, the 20th, will be given tomorrow night, the 27th. Let every one be on hand for a jolly good time.

Mr. and Mrs. M. M. Cudd and family are moving to Perryton from Greenville, New Mexico. They will make their home in the Cook residence in the south part of town. The Herald we comes these fine people back to Ochiltree county.

The many friends of Mrs. Sam Hergert will be glad to hear that she is now at home after being in the Liberal Hospital for the past five or six weeks. Mr. Hergert brought her home last Wednesday.

Mrs. M. R. Coffee and children and Miss Lolabelle Barbour motored to Mobetie, Texas last Saturday to visit Mrs. Coffee's mother, Mrs. J. J. Long, who is ill.

Mrs. O. P. Walker of Los Angeles, California is visiting in the home of her mother, Mrs. J. B. Nash.

RESOLUTIONS

Since it has been the will of the Great Scoutmaster to call taps for the small brother of one of our troop, we wish to express our sympathy and condolence to Key and the Christopher family. May we so live that when the great hike of life is ended, we shall all meet in the great Scout Camp of Heaven.

Auto Hosts One-Sixth as Great as U. S. Population

IT'S a far cry from the full skirts, wasp waists and leg o' mutton sleeves of twenty-five years ago, but we have traveled also a long way from the two-cylinder gas wagon of 1900 to the high-powered motors speeding over our highways today, declares the Stewart-Warner Safety Council.

A quarter of a century ago there was one automobile for every 3,500 people in the United States. Ten years ago there was one automobile for every 38 people, while today the motor population is one-sixth as large as the human population, or one car to every six people. This rapid growth has put the automobile as foremost among American industries, but it has also produced a fearful menace to the public, points out the Safety Council which has for its purpose the prevention of automobile accidents. A vigorous campaign of public education must be pushed if annual rate of automobile fatalities is to be reduced from 22,000.

FACULTY COMMENT

The equinox has come and gone and the only difference is, that the days are a little longer. If equinox would only bring better lessons in some cases, it would be more worth while.

It is some consolation to know that the High School "Detention Hall" is falling off in attendance here of late. So far, this hall has had to run every day set for it this year. Some of the students persist in getting demerits and, of course, the "Detention Hall" must be run to take care of such students. It would seem that a half dozen demerits should be plenty for the average student to get within one year. There is little or no excuse for any student to be continually on the demerit list. By being reasonably careful in his conduct the student can very well avoid getting demerits. Consequently he has no one to blame but himself if he gets them.

English 9 had a test in Business Letter writing last week. This class put in about three weeks studying the business letter and we believe that the results are well worth while. Some of them can handle this kind of work very well. Of course those who are deficient in English, spelling, vocabulary etc., are not able to do very much with it.

The Interscholastic League Meet is bringing its work upon us now as the time approaches. More practice is necessary and, besides, there are "extras" here and there. But we enjoy the work and believe it will re-

bound to the best interests of the school. We shall be disappointed if we do not bring home the bacon in several contests.

A little recent experience shows us that it would be a good thing to have a "girl's rest room" in the school building. This sort of room would come in mighty handy at times and give relief to those who sometimes need it for a temporary rest. Such room should not be a regular loafing place, but should be kept locked until needed. Some one might whisper this to the P.T.A. a little later on when they get other things out of the way and see how the matter strikes them. A good many schools have the rest room for young ladies and find it a good thing for emergencies. Naturally, of course, the school must do as much as possible for the comfort and convenience of the students and this would be a good starting point.

The examinations are on this week and, from all indications, they seem to be hitting a few "knock out blows." Here and there a paper will be found that is not worth grading. A grade of 25 or 35 does not look any too promising and does not look very nice on the record book. As usual, of course, the student who fails has an alibi—the teacher is al-

ways to blame.

The demerit system seems to be cutting a rather wide swath down in the grades. The "Detention Hall" in the seventh grade room on Tuesdays and Thursdays has a very thick population. The room is usually full and standing room at a premium. The main reason for most of the students being occupants of this "Detention Hall" is, that they do not hold their tongues quite enough during books. It's a good policy to think before you speak. When we stop to think about it, this talking in time of books is usually at the bottom of most all other troubles. It often makes for further mischief and idleness and even the worst sort of disorder. Teachers know this and that's why they think it advisable to muzzle the talking before it makes for further trouble. Students should try to see the point and appreciate the fact that "A stitch in time saves nine."

The high school "Annual" is being finished and is now ready for the printer. We feel sure it will look fine when it gets "all dressed up" in its new clothes. No doubt it will shine like new money.

RESOLUTION

Whereas, our Heavenly Father has

chosen to call the little brother of our classmate, Keye Christopher, we wish to extend to Keye and his family our heartfelt sympathy. When the final cad is given, may we each be as sure of our reward as the child that has just passed on.

Seventh Grade Class

The basket ball team went to Huntington Friday afternoon and played a good game. The Hanton team won by one point. The team thinks that if the game should be played over, they might stand a good chance of winning a victory.

The Vocational Agriculture Department is going to put out a spring crop on the ground which has been furnished them.

The Foods 1 class of the Home Economics Department served their first breakfast on Monday. This is much more interesting and complex than preparing individual dishes. This kind of practice teaches us how to plan, prepare and serve both informal and formal breakfasts.

Alwayne Conley, a Senior, has recovered from the flu, but is unable to return to school on account of the illness of her mother. We hope to see her mother improve and Alwayne soon return to school.

The Sub-Junior and Junior declaimers will declaim Friday night, March 26th, at 7:30 in the high school auditorium. The three winning ones in each division will try for the final honors at the regular meet on Friday night, April 2. Everyone is invited to attend both evenings.

Our annual, The Rangers, is progressing fine. It will be a volume that we shall be proud of. Much credit is due our efficient editor, Henry Hogland, for his untiring work to make it a success.

THE NEGRO MINSTREL

The Orchestra and Home Ec girls put on an old time negro minstrel, Friday night, the twelfth. They took in over a hundred dollars of which twenty percent goes to the Home Ec Club and eighty percent to the Orchestra to pay for an instrument recently purchased.

The girls made some money selling capsules, chances for candy which was given away.

A large crowd was present. The school extends thanks to the citizens for their hearty co-operation.

UNION 68

Fred Wilson won the prize the past week for getting the most words from the words 'Abraham Lincoln' and 'stick-to-itiveness'.

Evelyn Clark is the only one having perfect attendance for the sixth month.

Orville Gray won the prize in the second grade B class and Erva Gray on first prize and Ruth Garner second prize for getting the most words from the Equinoctial Storm.

Making posters has been the one attraction during our busy work hour, the past week.

Mr. Brown, the teacher of the advanced grades, is back at his place after a week's absence.

The sixth, seventh and eighth grade has been taking a test in arithmetic.

The English contest closed last week, the "Golds" being the winners by several points. They were entertained by the "Purples" last Wednesday night. After several games were played, refreshments were served.

The geometry class has worked out a proposition which will decide upon their year's grade, that is, if they get another one or two propositions.

The Liberal Lion's Club will give an entertainment at Union, April 20. Here's the Babe, in a rubber sweating himself into condition for the coming season.

a question from each. The European history contest ready for the contest to be held at Beaver is the most important men, events.

Jeanetta Brown is back again after a week's absence. The English 1 class is participating.

The high school students are very hard, preparing for play. 'Axin Her Fader', given next Friday night.

Union High school took the Sunday evening service at the Baptist church singing, March 21. That may just right but we venture that when school resumes their share of the duty for the spiritual training of the young the whipping post is abandoned. If mind or spirit material and is eternal stronger than a bludgeon, be the one big thing to proper appeal to the mind.

But to return to the church at Balke was and the service of song was thoroughly enjoyed by all by the students did not of the emotional stuff of the comes from the pulpit.

A rattle box attracts but does not appeal to. Why is not the above much as an appeal to combat hunt. That reminds us it is in the middle of a rabbit and the school is suffering sides because some parents but little more what it takes a good high school than to know how to run a subsonny must be petted how much it hinders the school. He must still the whole school stand while he catches up.

Ignorance of traffic law excuse anyone from death of a whole car load beings to the transgressor fender should seek advance traffic officers.

The first year Latin class some very interesting asking and answering Latin.
