Hedley plans 47th Cotton Festival

The community of Hedley will celebrate its 47th Annual Cotton Festival on October 9 and 10.

The event was originated by the Hedley Lions Club and has been used as its yearly fundraiser for community projects. The Lions Club voted this summer to no longer sponsor the Cotton Festival and passed the "torch" to the Hedley Homemakers Club.

The celebration will be conducted much the same as in years passed. The weekend will be launched Friday evening with the Lioness Club Chili Supper and street entertainment. Saturday begins with the Junior Class sponsoring the official "Kick-Off" Breakfast in the Senior Citizens Center.

The Junior Class will also serve the annual barbecue lunch in the Senior Citizens Center. The Senior Class will be conducting the Bingo and their food booth in the Lions Den. They will also be hosting the Midnight Breakfast on Saturday night after the dance sponsored by the Hedley Volunteer Fire Department.

The Sophomores and Freshmen will be running various carnival-type booths throughout the day including a dunking booth and moon jumper.

New additions to the Cotton Festival include an arts & crafts booth area on main street and an antique tractor show sponsored by the Hedley Volunteer Fire Department. The Grand Parade is scheduled for 2:00 p.m. and the Kiddie Parade at 1:00.

The major change in the Cotton Festival this year is the Queen contest. Each high school class selected a queen and king candidate and is sponsoring that couple. The class sells raffle tickets on the bale of cotton to be given away on Saturday, October 10, at the Queen Coronation. Each class also furnishes the couple running for king and queen a float or decorated vehicle to ride in the Grand Parade at 2:00 PM on Saturday.

The candidates are: Penney Longan and Jason Conatser for the Senior Class.
Continued on page two.

Hedley Lionesses set fund-raiser supper

The Hedley Lioness Club will hold their annual fund-raiser supper October 9, 1998, beginning at 5:00 p.m. at the Lioness Hall in conjunction with the 47th annual Hedley Cotton Festival.

They will be serving chili or stew with cornbread, drink, and a dessert. Cost is \$5.00 per person. Everyone is invited to enjoy the meal and to come out to the Cotton Festival.

Enterprise wins TxDOT award

THE CLARENDON ENTERPRISE is the recipient of the Fourth Estate Award from the Texas Department of Transportation.

The award was presented to ENTERPRISE publisher Roger Estlack during last week's Clarendon Board of Aldermen meeting by Danny Brown and David Castille from the Childress office of TxDOT.

The Fourth Estate Award is presented annually by TxDOT to recognize excellence in journalism. THE ENTERPRISE won because of the coverage given to the recent rehabilitation of US Hwy 287 through Clarendon.

The newspaper ran weekly updates on the construction for 42 consecutive weeks and also published special reports before and during the job. TxDOT also praised the originality of the "My-Gosh-They-Tore-Up-The-Highway! Contest," also known as Slow Down & Win, which called attention to traffic safety in a fun manner.

THE ENTERPRISE is one of only two newspapers to win this statewide award.

Power failure turns out lights downtown

Downtown Clarendon was in the dark last Thursday morning when a blackout hit the central business district and other parts of the city.

The cause of the blackout was a failed transformer at the main substation, according to Steve Teichelman, Service Distribution Supervisor for West Texas Utilities. Approximately

600 electric utility customers were affected.

The power failure began about 3 a.m. and lasted nearly nine hours with customers experiencing first low voltage, then no voltage at all. Businesses relying on computers were stalled, and some found their offices too dark to even perform simple filing tasks.

Some beauty salon customers could be even seen sitting in chairs on the Kearney Street sidewalk "air" drying their hair.

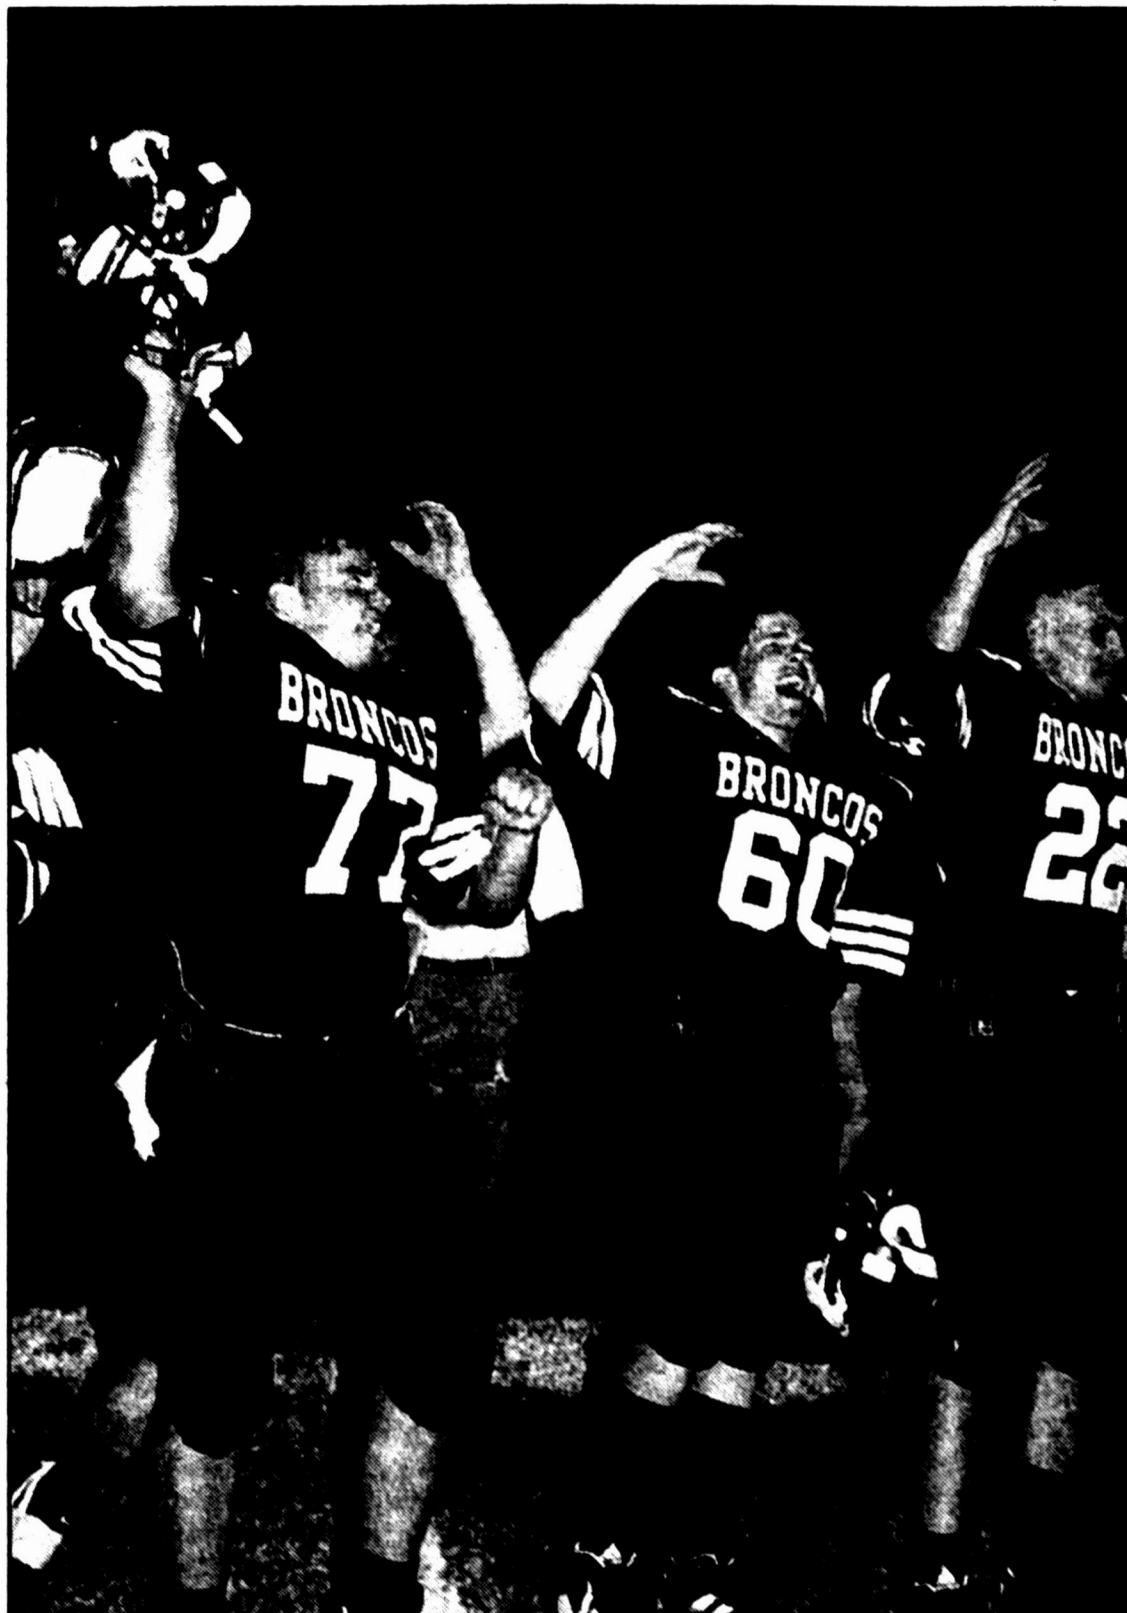

Service crews finally found the cause of the problem - a blown fuse in the 4KV transformer feeder - and power was restored at 11:45 a.m. WTU is not sure why the

transformer's fuse blew, Teichelman said. One possible cause is that lightning may have gotten into it. These transformers usually last 40 or 50 years, and this one appears to be working fine now that the fuse has been replaced.

WTU performs routine maintenance every three to four years on the

transformers at the substation. This particular transformer has been in service for about 30 years.

Teichelman said a substation crew from Abilene will be here some time this week to run some tests to see if something inside the transformer itself may have caused the fuse to blow.

Homecoming Victory

Broncos defeat Memphis, 23-18

The Broncos' homecoming game and first win of the season had more twists and turns than a rollercoaster at Six Flags. But what a ride it was!

With the game coming down to the last 10 seconds, the Broncos held on to defeat former district rival Memphis in a 23 - 18 shoving match.

"I was real proud of the kids' effort from start to finish. I think what helped us win the game as much as anything is that we kept our poise and we were disciplined especially in the fourth quarter," said Head Coach Mark Howard.

The scoring battle started on a Memphis 68 yard run by Anthony Salinas. The Cyclone PAT failed.

"I am disappointed in the fact that we always have to start behind. We seem to always spot the other team at least one score in the first couple of minutes. Then we have to play catch up after that," said Howard.

The Broncos did catch up on a 18-yard touchdown run by quarterback Colt Floyd. The extra point was converted by Jeff Powell to put the Broncos up 7 - 6.

The Cyclones were able to score two other touchdowns before the half. Each of their extra point attempts failed.

The Broncos' second TD came in the second quarter on another Colt Floyd run from 17 yards out. Jeff Powell again kicked the extra point to bring the half-time score to 14 - 18 Memphis.

Although the referee's yellow flag kept showing up throughout the evening and the Cyclones kept driving, the second half belonged to Clarendon. Especially the defense, which held the Cyclones on two key drives in the fourth quarter.

"We reminded (the defense) at half-time of the technique and the game plan that we already had in place. We didn't execute in

the first half. The difference was made on three plays. I think having D.J. Edwards back really made a difference. The defensive ends and line backers really came through in the second half," said defensive coordinator Roger Hoeltzel.

The Cyclones were able to keep the Cyclones deep in their own territory early in the fourth quarter forcing them to punt. On the ensuing snap, the Memphis center hiked the ball out of the end zone giving the Broncos a safety.

Clarendon's Colt Floyd continued his domination over Memphis by scoring the Broncos' final touchdown on a 15 yard scamper. The PAT was converted by Jeff Powell.

"(Colt) showed some things once he got outside that were probably more innate than at any other time he has handled the ball this year. But I don't want to single Colt out because obviously the offensive line was blocking well for him to do the things he did. Our backs did a good job of blocking when they weren't carrying the ball," said Coach Howard.

Memphis would not give up until the very end. On their final drive the Bronco defense had some penalties and broke down just a little to give the Cyclones some momentum. Memphis was able to march down to the Bronco 15-yard line before the defense tightened their grip.

"We knew they were going to pass. We didn't have a pass rush in place because we were more conscious of the run. So our kids really stepped up. Exhaustion was taking its toll on both sides of the ball, and our kids rose to the occasion to shut them down. (Memphis) had opportunities. They had people open. When Cael Shields knocked down (Memphis') final pass with ten seconds left, that cinched the game for us," said Coach

Continued on page seven.

Hail, all hail we sing!

Hunter Spier, Nathan Floyd, and Wes Ritchie raise their voices in singing the Alma Mater after last Friday's Homecoming victory over Memphis.

McLean wagon wins annual cookoff

The Darsey Wagon from McLean was declared the Champion of the fourth annual Col. Charles Goodnight Chuckwagon Cookoff held here last Saturday.

Twelve wagons competed in this year's cookoff, and about 1,000 people came and enjoyed the authentic frontier cooking. A total of \$2,800 was awarded to the winning wagons.

The Saints' Roost Museum hosts the annual fund-raising event, and museum chairman Helen Parker says the museum is gaining quite a reputation for holding a first-class cookoff.

"I've spoken with all the wagon people who participated," she said Monday. "And they all say the same thing - that our cookoff is the best they've attended and that they all had a great time."

Attendance this year was down from previous cookoffs due to the event coinciding with the Tri-State Fair.

The Clarendon VFW kicked off the event with a cowboy breakfast cooked out of the back of the RO Wagon, which was

provided courtesy of the Lewis Family. The VFW also provided a concession stand all day.

Relatives of the legendary Panhandle Pioneer, Col. Charles Goodnight, also attended Saturday's cookoff for their annual family reunion.

The Clarendon High School Junior Historians were dressed in period costumes and provided guided tours of the museum facilities.

Special exhibits were provided by the Texas Department of Parks and Wildlife - "The History of the Goodnight Buffalo Herd" and by photographer Brian Hume - "The Cowboys of Donley County."

The chuckwagon meal was served at 1 p.m., and the stage show followed at 5 p.m. Entertainment for the evening was provided by Red Steagall along with Duke Davis and the Steagall Riders. Cowboy poet Jeremiah Johnson also performed.

The Most Enthusiastic Wagon title was awarded to the Grubelink Wagon, Dale Grubelink of Raton, NM, and the Most Authentic Wagon and Camp was

declared to be the Darsey Wagon, Les Darsey of McLean.

Other official results are as follows: 1st place meat - Double Diamond Ranch, owned by Jimmy Burson of Silverton; 2nd place meat - Uh Oh Ranch, owned by August Hesse III of Canyon; and honorable mention - Grubelink Wagon. 1st place beans - Grubelink Wagon; 2nd place beans - Mule Creek Trading, owned by Kern Mattei of Capitan, NM; and honorable mention - Rushing Wagon, owned by Trammell Rushing of Bethany, OK. 1st place bread - Darsey Wagon; 2nd place bread - Double Diamond Ranch; and honorable mention - Oren Wagon, owned by Charlie Oren of Texola, OK. 1st place potatoes - Slaton Wagon, owned by Jerry Slaton of Afton, and honorable mention - Bass Wagon, owned by Dr. Anthony Bass of Amarillo. 1st place dessert - McFall Wagon, owned by Billy Joe McFall of Pampa; 2nd place dessert - Darsey Wagon; and honorable mention - Rushing Wagon.

Jason Hesse of the UH OH Ranch near Canyon cooks up some delicious chicken fried steak during the cookoff.

Clarendon Aldermen renew contract with sheriff

The Clarendon Board of Aldermen met in regular session and held a Public Hearing on Sept. 22, 1998, at 7 p.m. in the Board Room of City Hall. Danny Brown, Area Engineer for the Texas Department of Transportation, presented an award to Roger

Estlack, editor of THE CLARENDON ENTERPRISE.

Donley County Commissioner C.W. Cornell presented the contract between the city and the sheriff's department for the upcoming year. The sheriff's department will continue to

provide police protection for the City of Clarendon at a cost of \$100,000 for the year. The board approved the contract.

In other city business, Ernie Johnston reported that the downtown fire siren needs repair.

OPINION PAGE

Reader tells Clarendon to 'wake up'

Dear Editor,
Wake up, Clarendon! Clarendon has one of the best ambulance services in the Texas Panhandle. We are also very blessed to have the top Paramedic in the Panhandle, Phillip Vargas. Ask the doctors from Childress to Amarillo, and they will agree.

We lost Phillip a few years ago, but the citizens of Donley County got up a petition to get him back. It seems a few people want him gone and will go to any length to get it done. We have lost one of our ambulances because of this conflict.

We have three classes of people here. 1.) The ones when a call goes out that say, "I didn't answer because I was fixing to have lunch or dinner, fixing to take a shower, etc." All kinds of excuses. 2.) Then we have this little group that is not interested in the Donley County people but want to gripe, back stab, and stir up trouble

for the ones that are trying. 3.) Then we have the ones that are very dedicated to their work, the ones that put people first. And above all, the ones who give 110% and are there for all of us 24 hours a day, seven days a week.

I ask you which one of these groups do you want to be working on you or your loved ones?

I say if you're interested in being an EMT, great, get in there and pull with group three so Donley County can be a safer place to live. But if you're not interested in doing that, please, quit all this bickering.

A few people say Phillip has too much power. I say he doesn't have enough power. You would be surprised if you knew all the responsibility Phillip has. So let's all work for the good of the county and stop this fighting. Let's not lose Phillip again.

Laqueta Cox

Plan sets aside 90% of surplus to Social Security, 10% to tax cuts

For the first time since 1969, America will run a budget surplus this year. That's something we should all be proud of. It's also something we don't want to waste.

That's why it's important that we keep the surplus from being spent on new programs in Washington. The money belongs to you, and it should be returned to you. The House of Representatives passed a plan this past weekend that would do that.

Issue Update

with Mac Thornberry

Called the "90-10" plan, it would set aside 90 percent of the budget surplus to strengthening Social Security and the remaining 10 percent to help lower people's taxes. In all, the plan would set aside nearly \$1.5 trillion dollars to shore up the Social Security Trust Fund over the next five years. It's critical that we keep Social Security strong and viable for those who have invested in the system. This plan will do that.

At the same time, it will also provide people with some well-deserved tax relief today. When measured as part of our Gross National Product, federal taxes are at their highest level since World War II. We need to let people keep more of what they earn.

The "90-10" plan will do that in several ways. It will eliminate the marriage tax penalty on over three million couples in Texas, saving them an average of \$243 dollars per return. It will make it easier on farmers, ranchers and other business owners by increasing their exemption from inheritance taxes to a million dollars immediately.

It will also save money for seniors who want to work by raising the Social Security earnings limit to \$30,000 on January 1st. And it will simplify the tax code in ways that will save people money — and time.

In short, this plan will put the surplus to work for you by making sure part of it is left in your pocket and not left for Washington to spend.

The candidates for Hedley Cotton Festival Queen are Penney Longan for the Senior Class, Ashley Hill Junior Class, Lana Wallendorf for the Sophomore Class, and Lora Llewellyn for the Freshman Class.

Transfer students cost school district \$254,477

By Phil Barefield, Superintendent

Clarendon CISD provides a tremendous education to the students of our district as demonstrated by the "Exemplary" accreditation rating from the Texas Education Agency. The community has expressed its appreciation of this fact through their personal efforts and their financial resources. The district has been very fortunate in this regard. The district maintains a favorable financial position at this time. However, as the state continues to pass on state mandated costs to local districts, it will become more and more difficult to maintain a relative low tax rate without cutting school programs or increasing local taxes.

As we review the educational and financial strengths of the district, it is interesting to note the number of transfer students out of the district. While I do not know all of the reasons for parents

transferring their children out of the district, I do know that it takes a very heavy financial toll on the district. Clarendon CISD currently has a large imbalance of students transferring out of the district as illustrated in the following chart:

SUMMARY OF TRANSFER STUDENTS		
School District	Transferred From CCISD	Transferred To CCISD
Hedley ISD	35	3
Claude ISD	13	0
McLean ISD	1	0
Total	49	3

As the chart reveals, Clarendon CISD realizes a net loss of 46 students as transfers out of the district. This number translates into lost state funding which is based on the number of students attending classes within the district. Clarendon

CISD lost an estimated \$254,477 in state funding in the 1997-98 school year due to students transferring out of the district. These lost state dollars have to be made up through local funding. This amount of revenue represents approximately \$0.278 of local tax rate. It also represents a loss of over \$1,000,000 in state funding every four years. Now we are getting into some serious money.

Again, I do not know all of the reasons that a parent would transfer their children out of our district. However, I do know the serious financial implications that it holds for our district. It just makes sense for each taxpayer and citizen to encourage their neighbors and friends to support our district by educating their children in our local schools. The quality of activities and education is great and their support would just make it even better.

Selective Service registration can now be verified on-line

For the first time, the Internet can be used to find out if a man is registered with the Selective Service System (SSS).

"This will make registration verification easier for men in millions of computer households," says Gil Coronado, Director of the Selective Service System in Arlington, Va., the government agency responsible for conducting a draft in a national emergency. "It will also make it easy for officials dispensing federal and state benefits or privileges linked to registration to check and see if a young man is registered before he is deemed eligible for the benefit," Coronado said,

noting that the Selective Service System celebrates its 58th anniversary during September. The Agency was formally created on Sept. 16, 1940.

There are many federal and state benefits linked to the registration requirement. These include federal student assistance (Pell grants and college loans), job training under the Job Training Partnership Act (JTPA), and eligibility for jobs in the Executive Branch of government, including jobs with the U.S. Postal Service. Eligibility for citizenship may also be affected if a young man was required to register, but failed to do so. Additionally, half of all the states have legislation

supporting Selective Service. Several states deny enrollment in state colleges and universities to young men who are required to register, but have not done so. Many states refuse state employment to those young men not registered with Selective Service.

Anyone using a computer connected to the Internet can go to the Selective Service web site at <http://www.sss.gov>, and they will find a link to "Check a Registration." By entering a man's last name, social security number, and date of birth, the SSS computer will research the data base and display on the screen the man's Selective Service number and effective date of registration.

"This new verification service will be enormously helpful to men who must provide their Selective Service numbers to obtain student loans or federal jobs," notes Coronado.

Young men must register within 30 days of turning 18 in accordance with federal law. More than 38 million men have registered since 1980, however none has been drafted. The last draft ended in 1973. By having the names and addresses of men ages 18 through 25 on file in the Selective Service System data base, America remains ready to face any future threat.

Cotton Festival: Continued from page one

Class, Ashley Hill and Russell King for the Junior Class, Lana Wallendorf and Rhett Holland for the Sophomore Class, and Lora Llewellyn and Josh Collins for the Freshman Class.

The Hedley Cotton Princess contest remains unchanged. Girls from kindergarten up to grade 3 collect votes at a penny per vote.

The candidates this year are:

Jasie Sargent, Samantha Parker, Christina Head, Lindsey Glover, Kaylee Shields, and Haley Chambliss.

This year's cotton royalty will be crowned at the annual Queen Coronation at 7:00 in the Hedley School Gymnasium. Entertainment will be the Hedley High School and Junior School choirs.

Money 2000+ Tip Of The Week - Auto Insurance

By Sue Church, County FCS agent

Want to be two thousand dollars better off by the end of the year 2000? Here's this week's Money 2000 Plus tip: You can save several hundred dollars a year by purchasing auto insurance from a low-price, licensed insurer. Call the state insurance department for a publication showing typical prices. Then contact at least four of the lowest-price, licensed insurers to compare costs. Remember

the money you save will continue to earn you money if it's in a savings account. To enroll in the Money 2000 Plus program, contact the Donley County Extension Office at 874-2141.

The Money 2000 Plus program is an educational opportunity for participants to receive free quarterly newsletters with tips on saving money and reducing debt. Additionally, enrollees will be notified of upcoming financial management events.

Girl Scout's Camp Kiwanis celebrating 70th birthday this year

Girls Scout Camp Kiwanis turns 70 years old, and they are looking for former campers, camp staff, and leaders to help celebrate.

Festivities will be held on Saturday, October 24, beginning at 3:00 p.m. with a trip down memory lane. Archival items will be on display in Great Hall, and visitors are

encouraged to bring their own photos and memories to share. A catered barbecue dinner will be served at 5:00 p.m. "Miller's Crossing" will be dedicated to the memory of Ray and Pat Miller (longtime camp ranger and council bookkeeper who died in 1996) at 6:30 p.m. A good old-fashioned campfire is also being planned for

7:00 p.m. Invitations are being mailed to all currently registered girls and adults, alumni, and former camp staff. If you aren't sure that they have current addresses for you or someone you know was a former camper, staff member, or leader, please call and give them an updated address.

Do you want to be a camp host that day, helping with serving refreshments, displaying the archival items, or taking visitors on camp tours? Call Natalie at the Program Center at 356-0096 or 1-800-687-4475.

TEXAS PRESS ASSOCIATION

Elam named county director of Spelling Bee

AMARILLO - The Amarillo Globe-News and West Texas A&M University will once again sponsor the National Spelling Bee for students in the area, grades eight and below.

Directors are being named in the various counties. The director for Donley County is Marvin Elam, principal at Clarendon Junior High.

The contest is open to students in public, private, and parochial schools. A contestant cannot be higher than the eighth grade or older than 16 by the date of the national finals, May 30, 1999.

The deadline for naming county champions to Jean Bartlett, Spelling Bee Editor, Amarillo Globe-News, will be March 27.

The two levels of competition in the AGN-WTAMU bee are junior (for students in grades six and below) and senior (for grades eight and below). Any director has the option for combining the two levels if he/she so chooses. However, each county can have only one representative in the senior bee, to be held on April 10 on the WTAMU campus. Each county is free to select a junior winner in addition to the senior champion, but the elementary student will not compete in regional unless he/she should win the county event.

The county champions will be guests at a luncheon preceding the regional bee.

The top prize for the 1999 district winner will

be an all-expense paid trip to Washington, DC, on May 30 to represent the area in the 1999 national bee. The trip, provided by the newspaper, includes expenses for one parent.

The study booklet "Paideia" has been redesigned and words are now listed in 29 categories at three difficulty levels - beginning, intermediate, and advanced. The booklet, priced at \$1.00 each, is available from the personnel department of the Amarillo Globe-News.

Amy Porus, instructor, division of education, WTAMU, serves as bee coordinator for the Amarillo Globe-News.

These relatives of Col. Charles Goodnight gathered for a family reunion during the Chuckwagon Cookoff at the museum last Saturday. Enterprise Photo.

Clarendon fifth graders go worldwide with video conferencing

Clarendon Elementary fifth grade students will be joining students from across the nation, Bermuda, the United Kingdom, and Mexico to be an active part of the JASON Project. This project will be done in the video conferencing room.

Dr. Robert Ballard, the discover of the wreck of the *Titanic*, will visit with students on October 9. Dr. Ballard founded the JASON Project, a year-round scientific expedition designed to excite and engage students in science and technology and to motivate and provide professional development for teachers.

Dr. Ballard will be discussing and showing video from his *Titanic* expedition on October 9. After this date, students will meet and do research here in Clarendon and also with students through the video conferencing link-up. As a part of the curriculum, students will perform field investigations using the same scientific methods used by scientists at expedition sites.

Another integrated part of the JASON Project is the online system. The online system allows students and teachers access to news and discussion groups to communicate with one another regarding the JASON Project. Clarendon students will be able to post results from their local field investigations online, to initiate electronic collaborations with students around the world, and to compare and

contrast research findings to help them develop hypotheses. All this information will be put on the highly commended JASON Project website (www.jasonproject.org) which provides graphics, video and round clips, and interactive exercises dealing with the project.

Clarendon fifth grade students will be participating in the JASON Project X: Rainforests, A Wet and Wild Adventure. This JASON Project will be focusing on temperate, tropical, and fossil rainforests. Students will study sites from Colorado, the Pacific Northwest, and

from the tropical rainforests of Peru. Dr. Ballard will be leading the team of researchers, students, and teachers in this project. Fifth grade students will be able to be a part of the JASON Project because of the District's Video Conference and Internet technology capabilities.

College needs help with fall production

The Clarendon College Fine Arts Department is asking for your help with its fall production - "Fiddler On The Roof."

The college is in need of overcoats, white shirts, dark pants, and men's hats in order to properly costume the actors in the November production.

If you would like to donate any of these items, please call Jim Stewart at Clarendon College at 874-3571 or Ruby Jewell Hardin at 874-3710.

ASK ABOUT OUR SENIOR CITIZEN DISCOUNT!

Donley County Senior Citizens to hold Catfish Supper

By Sandra Minatrea

The public is invited to a Catfish Supper on October 8, from 5:30 to 7:00 p.m. We will be serving catfish fillets, French fries, coleslaw, homemade pies, and coffee or tea. Cost is \$5.00 per meal. Carryouts will be available.

The election for the Donley County Senior Citizens 1999 Board of Directors will be held November 10, 1998. Absentee voting will start on October 19. All members of the Donley County Senior Citizens may vote absentee. Board members with terms expiring December 1998 are: Bill Hodges, board president; Bob Kidd, vice president; Onita Thomas, secretary; and Tommie Saye. Tommie Saye has declined to run for an additional term.

Candidates for this year's election are: Bill Hodges, Bob Kidd, Onita Thomas, Jim Aveni, Helen Land, and Jean McAnear. We will elect four board members for this group of candidates. Their terms will run from

Jan. 1999 until Dec. 2001. Board member snow serving terms from Jan. 1998 until Dec. 2000 are Billy Powell, Patsy Hill, Nelson Christie, and Charles Deyhle, Sr.

Candidates for the 1999 DCSC Board of Directors listed in alphabetical order:

Jim Aveni had lived in Donley County for 10 years. He works the Clarendon Mental Health Center, covering Armstrong, Hall, Donley, and Collingsworth counties. Jim lists his interests and activities as the Clarendon Fire Department and St. John Baptist Episcopal Church.

Bill Hodges has lived in Donley County 6 years. He retired from the City of Amarillo as a construction inspector. Bill is a member of and volunteers for the DCSC. He has been on the board for six years and has been board president for the last four years. Bill lists his interests and activities as reading, RSVP volunteering, VFW, and church.

Bob Kidd has lived in Donley County all of his life. He retired from Kidd's Texaco Service Station. Bob is a member of and volunteers for the DCSC. He volunteers for the DCSC Center and has served as vice president of the board for 6 years. Bob lists his interests and activities as camping, fishing, sports, grandkids, and just plain living.

Helen Land has lived in Donley County

all her life. She retired from Clarendon Public Schools. Helen is a member of the DCSC Center and volunteer for the Center. Helen lists her interests and activities as church, Senior Citizens, the home delivery program, gardening, sewing, reading, and grandchildren's school activities.

Jean McAnear has lived in Donley County for 20 years. She retired from the Medical Center Nursing Home. She is a member of and volunteers for the DCSC Center. Jean lists her interests and activities as crafts, First United Methodist Church Emmaus and Kairos, the after school project Something More, and travel.

Onita Thomas has lived in Donley County nearly all of her life. She works at the Donley County Rural Health Clinic. She is a member of the Donley County Senior Citizens Center and has been a board member for 12 years and served as board secretary for 10 years. Onita lists her interests and activities as working with people, both children and older "children," reading, crocheting, and sewing. Onita is a member of the Hospital District Board, the Associated Ambulance Authority Board, and a member of the Board of Directors for the local American Cancer Society. Onita stated that most importantly she is interested in keeping an active Senior Citizens organization.

The annual Retired and Senior Volunteer Recognition Banquet will

be 12:30 p.m. Saturday, October 10, at the Civic Center Grand Plaza in Amarillo. This year RSVP will be celebrating their 25th anniversary. This year's event will combine both the Amarillo and Borger area RSVP volunteers. All RSVP volunteers are encouraged to attend.

Reminders: Mon., Oct. 5, 12, 19, and 26: Senior Citizens Dance Club, 7-9 p.m.

Thurs., Oct. 1: Blood Pressure Clinic provided by Medical Center Nursing Home, 10:30-noon.

Thurs., Oct. 8: Catfish Supper, serving 5:30 until 7:00 p.m.

Thurs., Oct. 15: Blood Pressure and Blood Sugar Clinic, provided by Casha Health Services, 10:30-noon and Golden Spread Hearing Aid Clinic, 10 a.m.

Tues., Oct. 27: Birthday/Anniversary Supper, 6 p.m.

Mon., Oct. 19: Absentee voting begins for DCSC election.

Tues., Nov. 10: Election for Board of Directors.

The children of
U.G. and Eva Lee Swinney
invite you to join them in
honor of their parents
50th Wedding Anniversary,
Sunday, Oct. 4, 2:00 until 4:00 p.m.
at the First Christian Church.

Medical Center News

The birthday party on Friday, September 18, 1998, was very nice. Everyone enjoyed cake, ice cream, and punch. They appreciate all the cakes furnished by the residents family members. They celebrated all residents with birthdays in the month of September. Katie Phillips, who was the guest of honor, turned 100 years old the 28th of September.

October will be busy as the previous months. Our monthly birthday party will be October 16, 1998, at 3 p.m.

Family Night with Trick or Treat with the residents of the Medical Center Nursing Home will be October 31. Children of the community are invited to dress up and trick or treat

with our residents. Hot dogs and drinks will be provided for the kids. Stop by and have fun with us.

Medical Center appreciates all those who stopped by the first aide tent at the Saints' Roost Museum Cookoff. The winner of the bean guessing jar was Delbert Robertson. His prize was two tickets to "Sam Hill" Pit BBQ. The donations received at the tent will be put towards the purchase of special equipment for the care of our residents.

Those who volunteered to work at the tent were Peggy Cockerham, Debbie Hollan, Whitney Berry, Kathy Holland, Penny Murphy, Etta Milhoan, and Mr. Alan Graham. They all worked and had fun too.

Girl Scout Mobile Shop comes to Clarendon

The Texas Plains Girl Scout Council will bring its Mobile Shop to Clarendon on Monday, October 5, 1998, to make it easier for Clarendon Girl Scouts to obtain official Girl Scout items.

The Mobile Shop will be open from 3:30-6:00 p.m. at the Clarendon Library.

Items available include uniform components, handbooks, T-shirts, camping equipment, and accessories.

Girl Scouts may use their "Cookie Currency" they earned from selling cookies earlier this year to purchase items. "Cookie Currency," which is spent just like regular money, must be used by November 25, 1998.

The council's Mobile Shop is a service providing Clarendon Girl Scouts an opportunity to buy Girl Scout items without having to go to Amarillo.

For more information, call Linda Cotter, council shop manager, at 356-0096 or 1-800-687-4475.

Extension Service Update

by Leon J. Church, CEA-AG and
Sue P. Church, CEA-FCS

For the second year in a row, the Donley County 4-H beef project group received the Hersdman Award at the Tri-State Fair. This award is given to the group with the best and cleanest display.

4-H members and their families responsible for this award are Haley McClellan, Hadley Mann, Shannon Cooper, Mark Howard and Trisha Church.

All the youth did an excellent job with their project, Mark Howard placed third with his exotic cross steer. Haley, Hadley, Shannon, and Trisha all placed in the top ten in each of their respective classes. Congratulations on

a job well done.

Plans are underway to celebrate National 4-H Week, October 4-10. It is going to be kicked off this year with the annual Recognition Banquet, which will be held Monday, October 5, at 7:00 p.m. at the Bairfield Activity Center.

Window displays around town will feature National 4-H Week promotions. To wrap up the weeklong activities, 4-Her's will take part in the Adopt-a-Highway cleanup Saturday, October 10. To be a part of the National 4-H Week activities, individuals can contact the Donley County Extension Office at 874-2141.

Broncos: CHS posts Homecoming victory over Cyclones

Continued from page one

Hoeltzel. "I think our kids were more emotionally involved in this game since it was Memphis. We were also more emotionally involved on the sidelines as well as on the field. And that's what it takes (to win a game). Our sidelines have been pretty dead for the previous three games," said Coach Howard.

"Probably more than anything else, (winning) has given us a big confidence boost. The kids know that if we execute the game plan, that we can move the ball and stop other people too. I think our intensity was a lot more evident when we were on defense. It helped having D.J. back in

the line up. And Nathan Floyd did an admirable job for giving up 90 - 100 pounds to the guy he was blocking against. So we had some kids really step up and perform well," said the Head Coach.

Clarendon will travel to Sunray this Friday evening, October 2.

"Sunray runs a wishbone offense so it's an option offense similar to what we run just in different formations. Defensively they run close to what we run also. They don't have a lot of speed and have a lot of injuries, just like us," said Howard.

"We need to work on our penalties. We had almost 100 yards in penalties against Memphis. Fortunately

we were good enough and played well enough to overcome our mistakes. But that's not going to be the case against a really good team.

"The buzz word is still consistency. Especially as we get closer to the district schedule."

JV Broncos to play Panhandle Thursday night

The JV Broncos were dealt a big surprise on Thursday morning when Claude called and canceled their game for that evening. But rather than not play, the Broncos traveled to Pampa and faced a tough 4A JV team. The Harvesters handed the Broncos their second loss of the season, 32 - 6.

"We would rather play someone bigger even if it means we might be out matched than not play," said

Coach Mike Ray.

After a slow first half, the Broncos finally marched down the field on a 58-yard drive following a 35-yard kickoff return by Ben Wilson. Shannon Martin scored the lone Bronco touchdown. The extra point attempt failed.

"I was real proud of the kids' effort. We had to play Pampa's actual JV team. And it's not just a bunch of

Sophomores. I think the kids were a little intimidated at the size of the facilities and the number of kids that (Pampa) had on the sidelines. But after a couple of series on defense the kids locked in and executed. They found out that (Pampa) wasn't any more physical than anyone else we have played," said Ray.

The JV Broncos will host the Panhandle Panthers this Thursday.

Hedley Cross Country teams compete at Allison meet

The Hedley Owls high school and junior high cross-country teams competed in the Allison meet last weekend.

In the junior high girls division, Lauren Hill won first with a time of 13:07. Hailey Bennett finished in seventh place and Treva Rowland in 18th. In the junior high boys division, Lisle Rowland finished in fourth place with a time of 13:07.

In the high school boys division, Creed Stephens placed 12th while Lowell Ellerbrook finished 13th.

Two weekends ago, the junior high cross-country team traveled to White Deer to compete. Hailey Bennett finished seventh. Lauren Hill and Treva Rowland also competed. In the junior high boys, Lisle Rowland finished first with a time of 13:45.

Youth Football

League teams remain undefeated

The Clarendon Youth Football League third and fourth graders went to Shamrock last Saturday and brought home a 14-6 win.

Shye Downer scored two touchdowns, and Brad Sell ran for the extra points. Clint Watson came through with a nice fumble recovery.

The fifth and sixth grade team traveled to Hollis, Oklahoma, where they managed a 14-12 victory. Michael Butler score two touchdowns, and Tim Sanchez ran in for the extra points. The first touchdown for Michael was on a kick-off return, and later in the game he had a run back on the kick off but was stopped short of another touchdown at the five-yard line.

Also carrying the ball for the Broncos were Tim Sanchez, Will Betts, Chase Thornberry, and Stephen Ford. The offensive line consisting of Brent Hix, Branson Carter, Ty White, and Brett Carter did an outstanding job.

They had some fine defensive play by Kayla Martindale, Cody Scrivner, Tim Sanchez, Tim Sears, Brandon Moody, Wes Shields, Brandon Herndon, and Louis Castro. Michael Bruce came up with a fumble recovery, and Matt McCabe once again did a great job at center.

They would like to encourage the community to come out and support these teams. The next three games will be at home on Saturday, October 3, 10, and 17. Kickoffs will be at 4:00 and 6:00 p.m. There is no admission to the game, and there will be a great concession stand featuring all of the usual items plus sausage on a stick. Please come out and support our future Colts and Broncos.

Just like in the past, the league is selling chances to win cash. They will be giving away five \$50.00 prizes and a grand prize of \$1,000, for a total of \$1,250.00 during the last home Broncho football game on November 6, 1998. The chances are \$25 each. If you are approached, please help support the league by purchasing a chance or if you have not been asked and would like to purchase a chance, please call Renee Betts at 874-3913 or Judy Thornberry at 874-2022.

Locals compete at Dimmitt Golf tourney

The Country Club at Dimmitt held their Senior Dandies and Darlins golf tournament September 19-20, 1998. Two couples from Clarendon placed in that tournament. Joe and Betty McCutchen took second place in the First Flight with a total score of 145. Dean and Wanda Nazworth took first place in the Second Flight with a total score of 154.

Hedley wins second game

The Hedley Owls varsity football team traveled to Patton Springs last Friday night for a non-district ballgame. The Owls came out with a 51-6 victory over Patton Springs, improving their record to 2-1.

The Owls took the lead in the first quarter and kept it for the rest of the game.

Russell King led all rushing with 53 yards, while Dustin Monroe added 50 yards, and Jeremy Wells added 45 yards. Also Samuel Howard rushed for 16 yards and Art Tiffen for 8 yards.

As for receiving, Dustin Monroe led all with 125 yards, while Jeremy Wells had 50 yards, and Lowell Ellerbrook had 7 yards.

Dustin Monroe led the defense with 15 tackles, Jeremy Wells, and Jason Conatser were the second leading tacklers, both with 7. Art Tiffen had 6 tackles, and Jason Myers had 3. Lowell Ellerbrook and Russell King both had 2 tackles, and Justin Alexander and Tim Tunnell finished with 1 tackle each.

Jeremy Wells kicked one field goal, but it fell short.

Jeremy Wells scored 4 touchdowns, and Dustin Monroe scored 3 touchdowns and 1 safety. Jeremy Wells kicked 4 PAT's.

This week the Owls are celebrating homecoming with events during the week and the game against Benjamin on Friday at 5:00 p.m. The Homecoming Queen's Ceremony will be held at half time of the football game, and afterwards a dance will be held in the HHS cafeteria.

1998 CHS Homecoming Queen

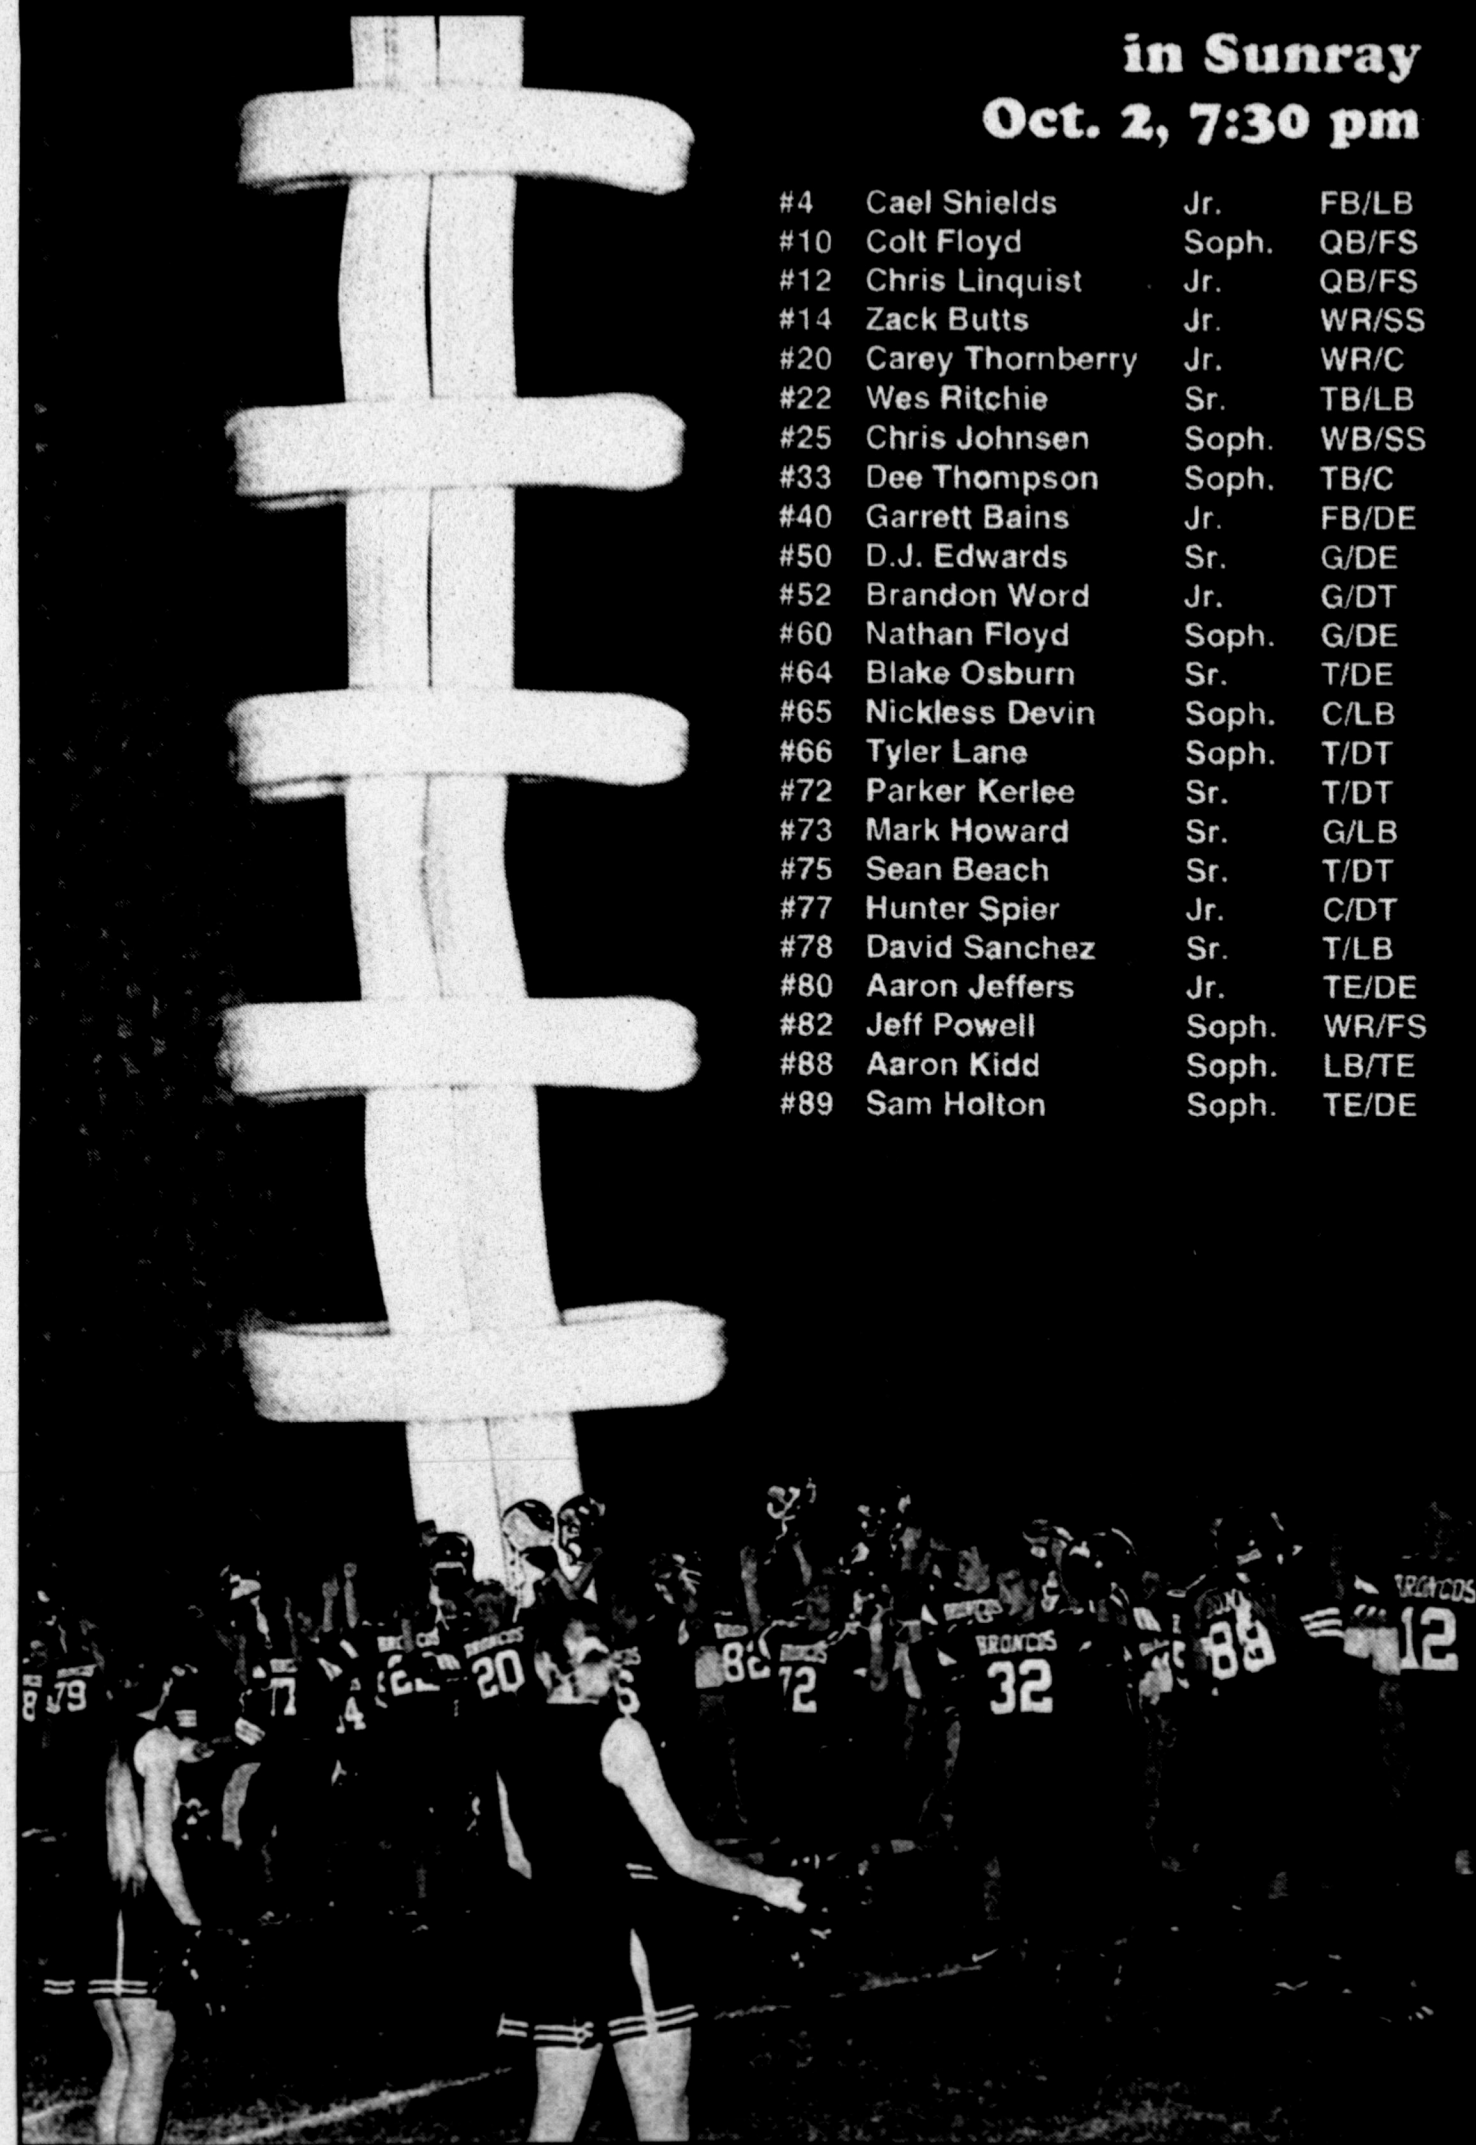

Johnnie Sparks was crowned the 1998 Homecoming Queen by her father Tony during halftime ceremonies Friday night in Bronco Stadium. Members of the Queen's Court are Tiffanie Hollan, Jessica McCabe, and America Santos.

Cross Country teams continue to improving

Beautiful blue skies and cooler temperatures welcomed the Clarendon Cross Country teams to this year's Amarillo Invitational on Saturday morning.

"We had good overall efforts by the kids. It was a really nice morning to run. The Amarillo course is always a tough challenge. Our times weren't that great, but we had some bright spots," said Head Coach Steve Schmidt.

One of those was the lone male of the group, Junior Rodriguez. Junior finished his race in a time of 20:32 and placed 15th. "This was Junior's first time to medal in a race. He has shown good, gradual improvement each week. He was very excited to get that first medal. This is his first season to run," said Schmidt.

The Amarillo Invitational places the Junior High girls in with the JV girls for their race. This can be a little intimidating for some so young. But the CJH Lady Colts were up to the task.

"Christine Holden kept her streak going with a tough eighth place fin-

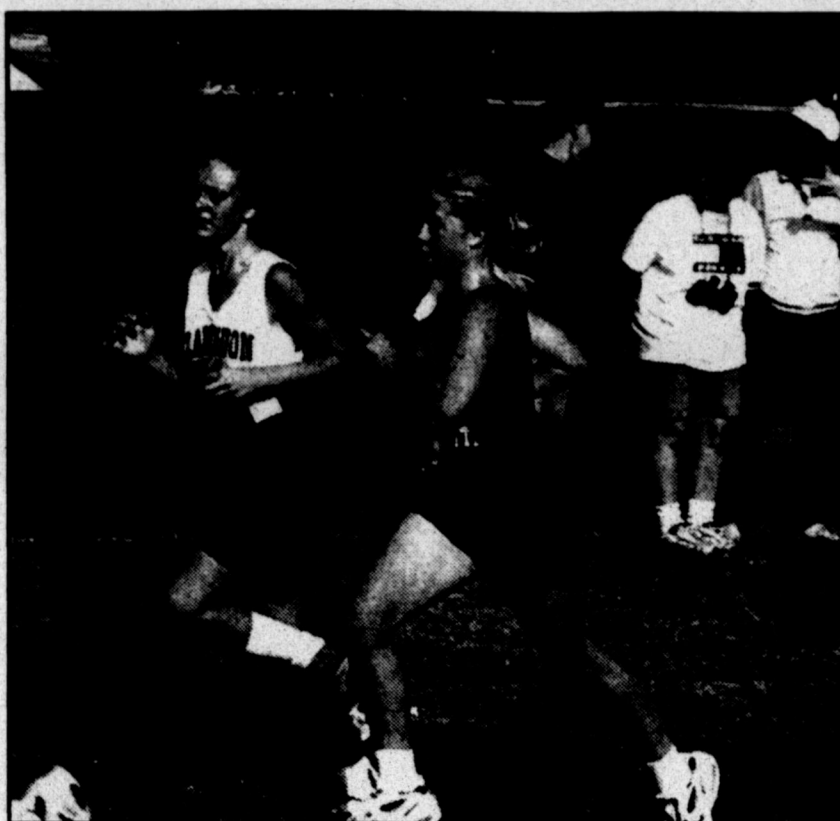

ish. She has medaled in all three of her meets this year. She is having a heck of a season," said Coach Schmidt.

Competing in this week's race were: Christine Holden, 8th - 15:26; Lacey Eads, 25th - 16:29; Lydia Hartman, 29th - 16:36; Ronna Edwards, 35th - 17:19; Brittney Hall, 36th - 17:18; Brandi Betts, 46th - 17:29; and Brandi Martindale, 47th - 17:38.

The varsity girls participants were: April Bryley, 15:11; Jame Sawyer, 15:12; Danielle Holden, 15:49; Lindy Helms, 18:09; and Amanda McCabe, 19:56. Individuals places were not available at press time.

"Compared with last year's times on this same course, most of the runners who competed this year and last year showed improvement," said Schmidt.

The teams will compete this Saturday, October 3, in Wheeler. The race schedule is as follows: Junior High girls - 9 a.m.; JV girls - 9:30 a.m.; Varsity girls - 10:00 a.m.; and Varsity Boys - 11:00 a.m.

Jamie Sawyer (left) passes a runner from Perryton during the cross country meet held in Amarillo's Thompson Park last Saturday.

Junior high Colts shut out Claude, 28-0

Clarendon's 7th and 8th grade Colts combined their teams to beat Claude 28 - 0 last Thursday.

The Colts' first drive started on their own 12-yard line. It only took three plays for Jacob Mondragon to break loose on a 72 yard run for the first touchdown. The two-point conversion failed.

Defensively, the Colts were tenacious. In the second quarter, Mondragon, Todd Hoeltzel, and James Williams formed a wall to block a Mustang punt. The ball was recovered in the end zone by Taylor Shelton to put the Colts up 12 - 0.

Three plays later Judge Smith intercepted a Claude pass to go 45 yards for the Colts' third touchdown. The two-point conversion was good on a pass from Todd Hoeltzel to Chuck Taylor.

The final score of the game came on a 48-yard pass from Zach Howard to Todd Hoeltzel. The two-point conversion was good.

"Our defense played very aggressively this week. The offense also executed well. We are very pleased with the effort that the kids are giving," said Coach Roger Hoeltzel.

The Lion's Tale

By Allen Estlack

The Clarendon Lions Club held their weekly noon meeting on September 29, 1998, at the Lions Den. Boss Lion Jimmy Blackerby conducted the meeting. We had Clayton Ferris on the piano and the music was fine. We had 16 members for today's meeting.

The October 9 Pancake Supper was discussed and tickets will be available from the Lions and at the door. Lion Blackerby entertained with a couple of stories.

There being no further business, the meeting was adjourned.

CHS Junior Historians helping with tour at the museum Saturday were Michael McFarland and Bryan Turvallie.

Check It Out

By Mary Beth Nelson

Elementary and secondary teachers: Burton Memorial Library has just received an outstanding resource book, *What Do You Stand For? A Kid's Guide to Building Character*, by Barbara A. Lewis.

In her writings, Lewis teaches kids how to think and solve real problems. The book is designed to help them understand themselves better and envision who they want to become. Instead of telling young people what to believe, it teaches them to recognize a situation or choice, weigh the options, think it through, and make a decision that is right for them and those around them.

The author speaks directly to young people in a challenging and reassuring manner. The fact is made clear that they are "unique and wonderful individuals with many strong positive character traits." At the same time, Lewis declares the normality of negative character traits which, like bad habits, can be changed. She mentions that "weaknesses might actually be sleeping strengths."

"Getting to Know You," the first chapter, begins with Paula P. Brownlee's thought provoking comment, "To do good things in the world, first you must know who you are and what gives meaning in your life." Appropriately included in this section are various inventories encouraging self-knowledge, self-awareness, self-acceptance, self-esteem, and self-actualization.

Wise words from people past and present introduce each of the following 27 chapters focusing on individual character traits such as integrity, respect, responsibility, caring, forgiveness, courage, attitude, peacefulness, loyalty, family and friend relationships, among numerous others.

The chapter, "Endurance," begins with an Anne Broadstreet quotation, "If we had no winter, the spring would not be so pleasant; if we do not sometimes taste of adversity, prosperity would not be so welcome."

The "Courage" chapter inspires interest with Mary Tyler Moore's remark, "You can't be brave if you've only had wonderful things happen to you."

Abraham Lincoln challenges readers' thought toward increased responsibility with "You can't escape the responsibility of tomorrow by evading it today."

Individual chapters are chock full of enticing activities to experience and strengthen positive character traits at home, school, with family, and in community.

Dilemmas to challenge character trait thinking, assist in problem solving, and sharpen decision-making skills are presented throughout the book.

"Check It Out" sections provide information concerning character building organizations, books, audios, videos, and web sites to increase greatly needed resources for youth in today's society.

A high point of each chapter is a true story profiling real kids who serve as examples of character in action and with whom young people can identify.

What a goldmine, not only for classroom teachers, but for church and civic leaders of various teen groups, parents, and young people, themselves, as they strive to make accountable choices to carry them, positively, through their lives.

Why not check it out?

THANK YOU

We would like to say thank you for all the kind and thoughtful things you all did for me while I was in the hospital and since coming home. For the cards, phone calls, visits, and delicious food that was brought in for Pick and I. But most of all for all the prayers. We will be ever grateful for them. My prayer is that God will bless each of you as you have been a blessing to us.

Pick and LaQueta

Thank you to all who helped make the Band Boosters Mexican pile-on dinner a success. We appreciate those who worked a shift, brought desserts, bought hamburger, donated items, and especially all that bought a ticket and ate with us.

Thanks again.
Band Boosters

To say thank you is such a small gesture, but we say thank you and God bless to each and everyone of you. Your prayers, cards, flowers, visits, and food meant so much to our family at our time of need. A special thanks to Bryan Knowles for his words of comfort and Derwin Comer whose beautiful voice was also a comfort. Thanks goes to the First Baptist Church for allowing us the use of their facilities and to the women of the Martin Baptist Church for all the wonderful food prepared by them.

The family of Nola B. Hill

LEGAL NOTICES

NOTICE

Donley County is taking proposals for fully insured group life and health insurance with prescriptions. Tentatively to be opened on November 9 at 1:00 p.m. The sealed proposals are to be opened on November 9th at 1:00 p.m. on Monday, November 9th in the Commissioners' Courtroom in the Donley County Annex, 300 S. Sully, Clarendon, Texas. Proposals will then be tabled for study by County of Donley. The County of Donley reserves the right to reject any and all proposals in whole, or in part, to waive any technicality, and to accept the proposal which in its judgement is in the best interest of the county and its employees. Any proposal with rates that are not guaranteed for at least 12 months will be rejected. Send proposals to County Judge Jack Hall, 300 S. Sully, PO Box 909, Clarendon, TX 79226. 40-2tc

NOTICE OF INSURANCE BID FOR YEAR 1998-1999

Donley County Commissioners' Court will accept bids for insurance on all county building, vehicles, law enforcement liability, road equipment, public official bonds, public official errors and omissions, steam boiler, and radio-television. Workers' Compensation can be a separate bid.

Bids should be in the County Judge's office by 1 p.m. October 12, 1998. To be opened at regular session of Commissioners' Court on October 12, 1998, at 1 p.m. Contact Judge Jack Hall, 874-3625 for spec information.

Donley County reserves the right to accept or reject any or all bids and to waive technicalities. 39-2tc
