HomeComing Features Tahoka-Post Contest

Tahoka Bulldogs open the 1953 5-AA Conference season here tonight with the Post Antelopes in a game which usually furnishes football fans a lot of excitement.

Tahoka will be defending its district title won in 1951 and again in 1952, during both of which seasons the Bulldogs were undefeated in district play. The Antelopes, down in football for the past two years, and loser last week to Abernathy, will be seeking to get back in the conference race.

Though the Bulldogs are favored to win tonight, there have been many upsets between the two teams. In fact Coaches Bill Haralson and Bill Sharpley frankly state they are worried.

Tahoka has a slightly better record this season, but will be outwighed and out-manned in reserve strength.

Tahoka opened the season by upsetting the Denver City Mustangs 20 to 14, took O'Donnell 44 to 7 and Seagraves 40 to 12, then lost a close one to Seminole 13 to 13, and last week defeated Tulsa 33 to 0. Especially, in the latter game, the Bulldogs looked like anything but a championship team.

Post has won four and lost two games, losing its conference opener last week to Abernathy 32 to 7, but four of five Abernathy touchdowns were set up by recovery of Post fumbles. Post also lost to Sundown 52 to 0 in a game in which everything the Antelopes tried to do went wrong. Post has defeated Rotan 37 to 14, Crosbyton 22 to 0, Ralls 13 to 6, and O'Donnell 19 to 13.

Tahoka will be playing without the services of Center Bobby Williams, 172 pound mainstay in the line, who received a dislocated elbow in the Tulsa game.

New Activity In Lynn 4-H Clubs

Organization of Lynn County 4-H Clubs is continuing this month with the New Home and O'Donnell clubs having been set up within the past week.

County Agent Bill Griffin and Home Demonstration Agent Wanda Roach are supervisors of the clubs.

O'Donnell has elected officers for four clubs, a junior and senior boys, club, and junior and senior girls clubs.

President of the senior boys 4-H group is Jerald Barton; Rodney Harris is vice president; Jerry Gass, secretary; and Charles Gass, reporter.

Sammy Anderson is president of the junior boys; Gary Bowles, vice president; Joe Pat Gary, secretary; and Billy Russ, reporter.

The O'Donnell senior girls will be led by Donna Vestal, president; Sue Lott, vice president; Ruthell Jackson, secretary; and Jackie Williams, reporter.

Karen Morris is president of the junior girls; Mary Alice Prather, vice president; Jo Anne Lacy, secretary; and Patty Robertson, reporter.

The New Home 4-H club boys will have as president Joe Wayne Roper; Dwayne Goad, vice president; Wesley Dean, secretary; and Walter Gasper, reporter.

Gas Company To Refund Deposits

West Teas Gas Company late this week will mail checks totaling nearly \$9,000.00 to customers of the Tahoka and Wilson areas of Lynn county as a refund of security deposits.

Tahoka customers will receive a total of \$7,900.00 in refunds, and Wilson customers will receive \$1,100.00 in refunds, according to A. V. Barnes, local manager.

Most customers deposits amount to \$10.00, however some are \$25.00, some \$50.00, and some as high as \$100.00. Interest due on the deposits will be included on the checks.

Customers of the company are asked to watch the mails for such checks and to deposit them promptly. In some cases in other towns, customers, on receiving the checks, have thrown them away thinking the envelope contained a bill.

Boy Scouts Sell Light Bulbs Here

Tahoka Boy Scouts are busy working towards merit badges to be presented at a Court of Honor to be held in November, states H. B. McCord, Jr., scoutmaster.

At the Monday night meeting, the Scouts learned to whip the ends of ropes, and those already acquainted with the trick taught the new Scouts the two ways of whipping ropes.

A total of \$37.00 was made in the recent Bonus Bag light bulb sale conducted by the troop. Gerald Huffaker and Carlos Barnes each sold 35 packages of bulbs and will each receive a prize valued at \$7.50. The profits made from the campaign will be used to buy merit badges, equipment, and to help pay expenses of next summer's Scout trip.

The Scouts will soon sell tickets for Christmas trees, the sale of which the troop is also sponsoring.

The Panther Patrol will be in charge of the program at the next meeting on Monday night at the WOW hall.

Lions' President Reviews History

The history and meaning of Lionism was the subject of a talk by John Sanders, Lions Club president, at the meeting of the club Tuesday night.

He reviewed the past activities of the local club, some of which include the purchase of a machine for testing eyes of local school children, the building of benches and fence at the local football field, and the repairing and repainting of the scoreboard. The group has a regular program for providing glasses for those needy children whose vision is deficient. The men also sponsor the Explorer Patrol of the Boy Scout Troop 21.

A film of the Tahoka-Seminole football game was shown the group; with Jack Robinson and Pat Patterson in charge of that part of the program.

Club members are continuing to bring sack lunches to their meetings at the Legion Hall. The meeting time has been changed to 7:00 p. m.

Mr. and Mrs. Jack Fenton visited from Saturday until Monday in Dallas with their daughter, Mary Louise, who is a student in Southern Methodist University. Saturday they saw the SMU-Rice game in which SMU staged a sensational come-back to upset the Owls.

Today is Home-coming Day for ex-students of the Tahoka schools, and some special events have been scheduled for the occasion, climaxed by the annual meeting tonight at 8:00 of the Bulldogs and the Post Antelopes in football at Kelley Field.

Highlighting the day's activities will be the crowning of the 1953-54 football queen in ceremonies beginning at 7:45, just before the kick-off.

The identity of the queen will remain in secrecy until the coronation, as will the names of the two runners-up who will serve as attendants. Chosen by the football team, the queen will be crowned by Bobby Williams, captain of this week's game. Another squad member will present her with a spray of flowers.

The squad and the Tahoka High School band will form a "heart" in which the ceremony will take place, with the band providing the music.

Registration for the ex-students will be held at 1:30 until 2:00 p. m. in the high school building. A program and pep rally honoring the exes will be presented at 2:00 o'clock in the auditorium, sponsored by the Student Council. A welcome address will be made by Billy Tong, president of the Council. Response will be by Miss Barbara McNeely.

Rev. George Maurice Small, a Methodist minister of Plainview, will deliver the address.

Exes will be introduced by Garland Huddleston, vice president of the Council. The invocation will be by Ray Adams.

Lester Adams is the Council sponsor.

Free tickets for the football game will be given the ex-student that is the oldest and the one who has come the greatest distance for the event.

Following the program, exes will meet for the purpose of electing officers of the Ex-Student Association.

The Bulldog Mothers Club will serve coffee and doughnuts at the school cafeteria from 6:30 to 8:00 p. m. to ex-lettermen of the Tahoka schools. Those ex-lettermen who register with the Bulldog Mothers at this time will receive free tickets to the game. Seats will be provided for them along the sidelines.

The current football team will be served a dinner in the cafeteria by the Mothers organization following the game.

Sunday Methodist Layman's Day

Layman's Day will be observed at the First Methodist Church Sunday at the 11 o'clock service. Mitchell Williams is in charge of the service.

Robert Lewis of Brownfield, district lay leader, will be the speaker for the occasion.

Also on the program will be songs by an all-male choir.

Fruit Trees Are In Bloom In October

Paul McDonald is wondering if Spring is staging a come-back.

Foiled by the time of year, his plum and cherry trees are in full bloom here in the month of October. The same trees produced a small crop of fruit this last summer.

Teacher Meeting At New Home

Lynn County Teachers Association will meet at New Home school Monday night, Oct. 26, at 7:30 p. m., for the first meeting of the new year.

Mrs. Pearl Davidson of Wilson, president of the organization, urges all teachers to attend this important meeting.

School Officials Will Meet Here

County school superintendents of 43 West Texas counties will meet in Tahoka all day Thursday of next week for study of "a proposed State plan for the accreditation of elementary and secondary schools," sponsored by the Texas Educational Agency, according to Mrs. Lenore M. Tunnell, local county superintendent.

Mrs. Tunnell, Roy Boyd of Lubbock, and John Bean of El Paso are in charge of the meeting, and Willie Merle Halthcock of Plainview will be the recorder.

Consultants for the session will be Paul Kantz and Rogers Barton of the Texas Educational Agency and Vernon Armstrong of the Cooperative Program of Educational Administration.

The educators will open their program at 9:30 a. m., have dinner at the Tahoka school cafeteria at noon, and close their afternoon session at 3:30 p. m.

Representatives will be here from the area along the T-P from Big Spring to El Paso, east of the New Mexico line to Paducah and Spur, and north to Tulsa and Chidress.

Other such meetings are being held in Amarillo, Houston, San Antonio, Haskell, Paris, Brownwood, Alice, Waco, and Dallas.

Naturally, Mrs. Tunnell feels Tahoka has been honored in being selected as the site for the meeting in this 43 county area.

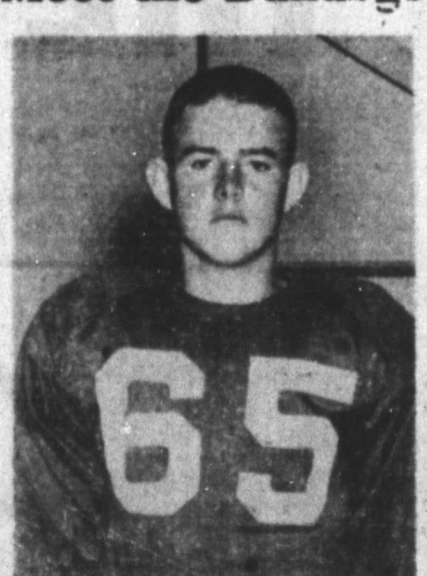

Robert Adamson Scores Highest In GI Rifle Contest

Pvt. Robert D. Adamson, who was recently inducted into the Army Anti-Aircraft Artillery and who is now in training at Fort Bliss, El Paso, writes his mother, Mrs. D. R. Adamson, that he has recently qualified as an expert rifleman.

Last week, Robert's battery of 200 men went to the rifle range for practice with the M1-30 caliber rifle, firing at targets 100, 200, and 300 yards away. Robert made the highest score of any man in his battery, 218 out of a possible 250 points.

He was in his fifth week of basic training in which basic army tactics and use of basic weapons are taught.

Rain Helps, But Hail Hurts Area In North Part Of Lynn

John F. Hickman, Lakeview, Dies

John Franklin Hickman, 74, a citizen of Lynn county for many years, died Tuesday at his home in the Lakeview community after an illness of about two years.

Funeral services were held at 4:00 p. m. Wednesday in the Rix Funeral Chapel in Lubbock, with Rev. Floyd Dawson, pastor of the First Foursquare Gospel Church of Lubbock officiating, and burial followed in Tech Memorial Cemetery.

Mr. Hickman was born and reared in Tennessee. He married in that state in 1901 and he and his family moved to Farmersville, Texas, in 1913. They came out to Spur in about 1927, and then came to Lynn county in 1931. He farmed in the New Home, West Point, and old South Ward communities before acquiring the farm home where he died a mile and a half north of Lakeview.

Survivors include his wife; two daughters, Miss Ruby Ellen Hickman of the home, and Mrs. E. H. (Amy) West of Tahoka, Rt. 4; two sons, Robert of Meadow, Rt. 1, and M. E. of Ralls; two sisters, Miss Hauie Hickman and Mrs. Ella Byrd, both of Lawrenceburg, Tenn.; 10 grand children and two great grandchildren.

Mrs. Middleton Is Taken By Death

Mrs. J. T. Middleton Sr., 68, wife of a prominent O'Donnell landowner, died at her home in that city at 11:45 a. m. Friday following a long illness.

Mrs. Middleton, whose maiden name was Marguerite Howard was born in Dayton, Tenn., Sept. 29, 1885. She was married to Mr. Middleton in Sweetwater, Texas, Dec. 14, 1908. They moved to Lynn county from Haskell county in 1919.

Funeral services were held in the First Baptist Church of O'Donnell Monday at 4 p. m. with the pastor, Rev. W. G. Holliday, officiating. Burial followed in O'Donnell cemetery under direction of Stanley-Jones Funeral Home.

Survivors include the husband; one son, J. T. Jr. of O'Donnell; four daughters, Mrs. Maurice Trimpp of Houston, Mrs. June Thomas of Lamesa, Mrs. Jessie Tatrof of Truth or Consequences, N. M., and Mrs. Betty Jewett of Ankara Turkey; two brothers, five sisters and eight grandchildren.

Mrs. Dwain Jones' Father Is Buried

Frank Lattion, 76, of Sundown, father of Mrs. Dwain Jones of Tahoka, who died at 4:30 Oct. 12 at Phillips-Dupre Hospital at Levelland, was buried at Hagerman, south of Roswell, N. M.

Mr. Lattion was born in Berne, Switzerland, and came to the United States at the age of 19. He had been in the hospital for three days.

Survivors include one son, Raymond Lattion of Andrews; six daughters, Mrs. Vernon Walker and Mrs. Chas. Walker of Dell City, Mrs. A. L. Shambrook of Amarillo, Mrs. James Derrick of Mayhill, N. M., Mrs. Barrett Ingram of Dadeville, Ala., and Mrs. Jones; and three sisters, Mrs. Philip Ramez of Artesia, N. M., Mrs. Julius DeLease of Clarksville, and Mrs. Angeline Mackey of Edmonton, Canada.

Mr. and Mrs. Pete Dorman were up over the week end from Pecos, where they are in charge of a bunch of "wetbacks." They expect to return home by the first of the year.

Cotton Classing Reforms Sought

V. L. Botkin of Tahoka has been named as one of a committee of 16 South Plains farmers and ginners who will work with the Lubbock Cotton Classing Office, PMA, U. S. Dept. of Agriculture.

Purpose of the committee is to hear complaints and criticism of the office operation with a view to improving its service.

Therefore, anyone in this section having complaints as to the manner in which cotton is classed, or similar problems, is asked to report the same to Mr. Botkin.

First meeting of the committee was held Wednesday at 2:30 p. m. in Lubbock.

Last year, many complaints were registered on operation of the Lubbock office and this is an attempt to improve the service.

W. R. Baker, 69, Is Buried Here

W. R. Baker, 69, ill for five months following a stroke, died Wednesday of last week in a Lamesa Hospital.

Funeral services were at 3 p. m. Saturday in the First Baptist Church with Rev. Bill Scantling, pastor of Sweet Street Baptist Church, officiating, assisted by Rev. W. T. Teal of Lamesa. Burial followed in Tahoka Cemetery under direction of Stanley-Jones Funeral Home.

Willie Ruff Baker was born March 5, 1884, at Nacogdoches. He was first married Sept. 14, 1904, and this wife died Aug. 3, 1942, shortly after they moved to Tahoka. He was married a second time on Dec. 6, 1944, to Mrs. Georgia Finch.

Survivors include his wife; a son, Aubrey of Tahoka; three daughters, Mrs. Dan Nails, of Jayton, Mrs. Essie Boykin of Lamesa, and Mrs. Adell Rodgers of Peacock; a sister, Mrs. L. B. Thompson of Baytown; a brother, J. D. of Nacogdoches; a stepson, Raymond Clark of Tahoka; 16 grandchildren, and four great grandchildren.

Legion Will Begin Membership Drive

Legion members of the Marion G. Bradley Post 250 met Tuesday night at the Legion Hall in a combination business and social meeting. Fifteen members were present for the meeting.

Bobby Carroll, commander of the local post, led a discussion of the forthcoming membership drive. He announced that the dues have been reduced to \$3.00 per year due to present drought conditions. Any eligible veteran wishing to pay his dues may mail them to A. C. Verner, adjutant, or may pay them at "Red" Brown's office, the Farmers Coop. gin, or the Clint Walker Agency.

The regular monthly meeting night of the Legion has been changed to the fourth Monday night in each month, and all Lynn county veterans are invited to attend.

Good Response To Old Ice Box Plea

Mayor E. R. Edwards states fine response has been had to the City's request that abandoned ice boxes over the town be destroyed. Many of these boxes have been hauled away or put in some place inaccessible to children.

Anyone else knowing of such boxes should call the City Hall. Many children over the nation have died the last few months in these "death traps" while playing.

Hail and heavy rains falling Thursday morning over the northwestern and northern parts of Lynn county greatly damaged many acres of fine irrigated crops. Rainfall over most of the county, however, was very light, with Tahoka receiving only .03 of an inch.

However, intermittent showers were continuing to fall shortly after noon in Tahoka, the skies were overcast, and prospects for rain seemed good.

So far as The News could determine up until noon Thursday, principal damage was north of New Home and north of Wilson about the Lubbock county line.

The damage at New Home was reported to have amounted to a tremendous amount, and estimates were that many farmers had as much as fifty percent damage to their cotton. Most of this irrigated cotton was still in the fields, due to the shortage of hands, and would have produced a bale or more per acre.

Among those receiving damage were Lewis Allsup, E. M. Rudd, E. R. Blakney, Dick Turner, Clarence Eades, C. A. Crabtree, and possibly others.

Other hail was reported on the Mrs. Lenore Tunnell place near Slide, also north of Wilson near Union, Lubbock county. There may have been other hail in between.

Heaviest part of the rain had covered the north one-fourth of Lynn county.

Two and three inches were reported from New Home west and north extending east to Slaton.

The rain began getting heavy northward from Tahoka at the Guisen/Cobb farm, seven miles north of town. Wilson reported from a half to an inch.

Haralson Talks At Brotherhood

Coach Bill Haralson was the principal speaker, and 30 Tahoka football squad members were the honored guests at the monthly meeting of the Brotherhood of the First Baptist Church held in the church dining room Monday night.

A total of 89 men were present for the meeting.

Haralson presented an interesting and inspiring talk on "The Value of Athletics in Our American Way of Life," laying special emphasis on football as a builder of citizenship.

He explained how the game teaches a boy to discipline himself, to control his emotions, to work with others as a team and to work individually, to think and think fast, to absorb the hard knocks of life and to fight for something better when one course of action fails, and to respect competition. He believes football is a great factor in building better men.

The coach also explained some of the changes that football has undergone in the last ten years.

The speaker was introduced by Urban Brown, program vice president of the Brotherhood.

W. A. (Dub) Fulford, head of the Brotherhood, presided at the meeting. The invocation was by Rev. Jim Sharp, local Methodist pastor, and the benediction was by Dr. K. R. Durham.

Proceeding the program, a delicious steak dinner was served under the direction of Ed Hamilton and Al Smith.

Eleven fathers of football players were among those attending.

C. L. Davis, 84, retired pioneer O'Donnell business man, suffered a stroke Friday of last week, and is reported "doing as well as can be expected" at his home there. Mr. Davis recently underwent major surgery.

Watching ceremony sponsored by Community Fund in Chicago recently proved too much for Bettie and Barbara Robertson, 11-month-old twins, and their downtown trip ended in dreamland. In Chicago, Community Fund includes United Defense Fund which finances USO, American Relief for Korea and four other agencies giving defense-related services.

Shall We Preach Doctrine?

Doyle Keicy
Some say that doctrine should not be preached, that doctrine makes no difference anyway, and some are offended at what they call doctrinal sermons. We are told that it makes no difference what doctrine we teach so long as our hearts are right. Consequently, we are more and more confronted with a watered-down, compromising, social gospel. I do not believe a person's heart can be right who willfully teaches a doctrine contrary to the doctrine of Jesus Christ.

If people can believe and teach any doctrine other than the doctrine of Christ and be safe in doing so, then there can be no such thing as a false teacher for there would be no doctrine for him to teach. But Jesus frequently warned his disciples against false doctrine. If doctrine made no difference, Jesus would not have given such warnings.

Yet, when a preacher is bold enough to warn people against false doctrine of our day, people

charge him with not having the spirit of Christ. Paul said to Titus: "But speak thou the things which become sound doctrine. . . . In all things shewing thyself a pattern of good works: in doctrine shewing uncorruptness, gravity, sincerity." (Titus 2:1, 7).

Paul told the brethren at Rome that they had been made free from sin by obeying a form of doctrine, and that they thus had become the servants of righteousness. (Rom. 6:17, 18).

Paul said to Timothy: "Till I come, give attendance to reading, to exhortation, to doctrine. . . . Take heed unto thyself, and unto the doctrine; continue in them; for in doing this thou shalt both save thyself, and them that hear thee." (II Tim. 4:13, 16). No more emphasis could be placed on sound doctrine than Paul placed on it in these words to Timothy. He was told that by attending to doctrine and by continuing in reading, exhortation and doctrine, he would save himself and those who heard the doctrine he preached. Apparently, doctrine was important to Paul.

Paul and the other apostles were not afraid nor ashamed to teach and uphold the doctrine of Christ, although they suffered persecution in many ways for so doing. They were not afraid to speak plainly against false doctrines wherever they came in contact with them. In the face of these facts, how could anyone make the statement that doctrine isn't important or that it makes no difference what doctrine a person believes?

Football Notes

With five games behind, four won and one lost, Tahoka is half-way through its football schedule.

Today, the Bulldogs open conference play, meeting Post, Abernathy, Floydada, and Spur on successive Fridays. Only the Abernathy and Spur games are away from home.

The game tonight has been designated as Homecoming for Tahoka ex-students, who will hold an afternoon meeting in the school auditorium with a program in their honor at 2 p. m., following by a meeting for ex-students only.

Games with Post almost invariably are hard-fought, and a record crowd is in prospect. Some special stunts will be presented a half-time by the two bands.

By its season record, Post is the underdog, but every Tahoka player should realize that the Antelopes can not be underrated. With Backs like Tommy Malouf and Moody Graham and linemen like Nolan Williams, Dickey Beggs and Royce Josey, Post is liable to stage an upset. Post has a team that can score, having scored in five of its six games played, the exception being the 52-0 rout by Sundown, and having won four of its six games played. The Antelopes have scored a total of 98 points.

Post had a lot of hard luck against Abernathy Friday night, with the visitors covering seven Post fumbles. Abernathy scored three times in the first quarter, each TD being set up on fumble recovery. Post played the visitors on even terms in the second period, and dominated play in the third, when they scored their lone touchdown. The other two Abernathy scores came in the fourth period, with Post worn down, but one of these was also set up by a fumble recovery.

The 5-AA ball game of the week was at Floydada, where the Whirlwinds nosed out the Slaton Tigers 19-18 in the first conference game for both teams. Don Barber kicked the all-important victory point. Slaton outplayed the Whirlwinds, rolling up 16 first downs to Floydada's 5, gaining 232 yards to 142 rushing, and passing for 105 yards to the winners' none. But, Floydada took advantage of the breaks.

Spur Bulldogs again had rough going but managed to win over Hamlin 20 to 19 in a non-conference affair, scoring all their points in the first half. Hamlin came near tying the score or winning on a second half rally. Curtis Blair scored twice for Spur, one on an 80 yard gallop, and Tommy Hightower scored the third on a 22 yard run.

A lot of fans got a big kick out of the 95 yard run Friday night by Garland Huddleston, guard, who also drops back on occasion as a linebacker. It's not often that a guard gets to score. Garland made a great run, with the help of several good blocks.

Ables was again the big ground-gainer for Tahoka. The big fullback ran 11 times for 137 yards, or over 12 yards average a try, scored three TDs, and intercepted a pass. He had hard luck on his punting.

Jerry Williams again came in for a lot of yardage carrying 8 times for 68 yards, scoring one touchdown, intercepting two passes, catching two passes, one for 63 yards and one for 24, and being a keg of dynamite on defense.

Many old fans and players are watching the football career of "Buddy" Hill, formerly of Lubbock High and now the popular Freshman quarterback for the Raiders. He started his football career in Tahoka when his Dad bought him a football outfit in 1942. The daddy, Volney "Satch" Hill, was coach of the Tahoka Bulldogs that year. Tahoka won the district championship under Hill, and lost a heart-breaker in the bi-district game played here to Levelland 7 to 6. The game ended with Tahoka in possession and with a first down inside Levelland's one yard line. Hill, an early day great backfield ace at Texas Tech, died of a heart attack a few years ago and did not realize his fondest dream of seeing Buddy become a football star. Incidentally, Buddy had the asthma as a child, and Volney feared the boy would never be able to follow in his footsteps.

The tough Bulldogs of 1942 ended the season with 13 men,

Short, ends; Bill Ramsey and Noble Rumblo, substitutes. W. T. Hines and Eual Akin were with the team, but missed the last few games because of broken arms. Jesse Ray Adams was the manager.

Beginning today, the chips are down for Tahoka. The Bulldogs might have a chance to make it three championships in a row if they can get back to playing together every minute of five games. Fans, let's back them with our presence and encouragement.

Where they play this Friday: Post at Tahoka. Ropes at Wilson. Cotton Center at New Home. O'Donnell at Morton. Floydada at Abernathy. Spur at Slaton.

Wilson Boy Scouts Plan Campaign

The annual Boy Scout Financial Campaign will begin this week in the Wilson community with Elmer Blankenship as campaign chairman.

Wilson Boy Scout Troop No. 116, sponsored by St. John's Lutheran Brotherhood, has been carrying on an active troop since July of 1952 with Edmund Maeker as Scout Master and D. F. Haynes as Explorer Advisor. Even during the first year, the troop won honors at the Camporee at Camp Post. The troop, which is open to boys of all faiths, has had almost 30 boys in its ranks continuously. It has endeavored to train all boys for better service to God and Country by character building and citizenship training.

The Wilson Troop receives its help and supervision from the South Plains Council. In order to provide these services to all troops, Wilson, together with each community having a troop, is asked to share in the financial responsibility of bringing this worthwhile Boy Scout work.

"I hope that there will be many in our community who will be anxious to sponsor the Boy Scout work for one boy", stated the chairman, Elmer Blankenship. All contributions, large or small, may be given to the chairman or any of the following troop committees: Erwin Sander, R. F. Try The Classified Ads

Stegemoeller, Rev. C. C. Ehler, or Walter Maeker. If it is inconvenient to see any of these, the contribution may be mailed to: Boy Scout Troop No. 116, Wilson, Texas.

People are drinking more milk. This upward trend started before World War II and is common in most of the important milk producing countries.

The only thing that makes children disobedient is telling them what not to do.

Texas this year ranks 8th among the states in the number of eggs produced but 36th in prices received by the producers. Only 64 percent as many chickens were produced in 1953 as during the 10 year period from 1942-51. Greatest opportunities for commercial egg producers in Texas seems to be locations near the state's heavy population centers.

There are people in every community who judge others by the size of their bank account; that gives us a pretty low rating.

Wilson Juniors End Season With Perfect Football Record

Wilson junior football team defeated Cooper Juniors 14 to 7 in the final game of the year for the Wilson boys Tuesday at the Lynn county town.

L. G. Fuller, grade school principal and coach of the Juniors, says his boys won six games and lost none.

Wilson scored first in the second quarter when Jimmy Blankenship went over left tackle for 19 yards. Kenneth Ethridge ran over the extra point.

In the third quarter, Cooper's Ernest Gonzales went five yards around his left end to score, and Ashby ran over the extra point to tie the score.

Wilson went ahead again in the fourth when Quarterback Kenneth Hanes went three yards on a keeper play to score, and Ethridge again ran over the conversion.

Laston Eakin, right tackle, and Paul Henderson, guard, were the outstanding Wilson stars on the defensive.

HOME FROM ENGLAND

Mr. and Mrs. Lynn Huff have recently returned to the States from England, where they have been about two and a half years while he was construction supervisor with the Army building an air base.

Mrs. Huff is a daughter of Mrs. M. C. Ratliff of this city and a sister of Mrs. Terry Thompson of Lubbock.

National Honor Society Meets

The National Honor Society of Tahoka High School held its regular meeting Tuesday night in the home of Sue Williams.

Mrs. Melvin Brookshire presented a review of the book, "Little Boy Lost" by Marguerite Laski.

Sue Williams and Margie Curry rendered a saxophone duet, accompanied at the piano by Jerrie LeMond.

Yearbooks for the society were presented to the members by Rose Marie Vandell, Jane Shepherd, Bobby Draper, and JoAnn Fenton.

Sponsor of the organization is Mrs. Fernon Chapman, junior and senior English teacher.

FOUR GENERATIONS AT REUNION OF KELLEYS

Four generations were together here recently in a reunion at the Vernon Kelley home.

The occasion was in celebration of Mr. Kelley's birthday. Other than the honored was his father William R. Kelley of Gustine; his son, William Ray Kelley of Oil Center, N. M.; and his grandson, William Lynn, also of Oil Center.

Also attending were his mother, of Gustine; Mr. and Mrs. Truett Schneider, Wilson; Mr. and Mrs. Jimmie Tuttle, O'Donnell; Mr. and Mrs. Norman Morgan, Hobbs, N. M.; Mr. and Mrs. Cliff Ingle, Billy Gene and Joetta of Baileyboro; Miss Ruth Seale, Muleshoe; and Mrs. Billy Ray Kelley of Oil Center.

SHIELD EXPERT HERE
H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Hilton Hotel in Lubbock Tuesday and Wednesday only, Oct. 27 and 28, 9 a. m. to 4 p. m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation. Strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicine or medical treatments.

Mr. Shevnan will be glad to demonstrate without charges.

Bernice Fillingim Honored At Shower

Miss Bernice Fillingim, bride-elect of Clifton Clem, was the honoree at a bridal shower in the home of Mrs. R. H. Beleu Monday, Oct. 12. A color scheme of rose and pink was used.

A humorous skit depicting the courtship of Bernice and Clifton was given.

Mrs. Wayman Smith and Mrs. Adrian Evans served spiced tea and dainty cookies from a lace-covered table centered by a miniature bride and groom to about seventy guests.

Mrs. Orvel Ray Phifer registered the guests. Others assisting were Mesdames L. R. McCormick, Aubrey Smith, J. B. Edwards, Will Harris, O. R. Phifer, and Bill Balch.

Out of town guests were registered from Brownfield and Tahoka.

Many beautiful and useful gifts were presented the honoree.

Kitchen Shower For Bride-Elect

A kitchen shower was given for Miss Bernice Fillingim, bride-elect of Clifton Clem, Thursday, Oct. 8, in the home of Mrs. Wayland Walton at New Home.

Sue Cowan read the "Bride's Prayer," and Sylvia Edwards sang "Always."

Each guest painted a cup towel with an original design. These were presented to the bride-elect. Many useful gifts were presented to her.

Guests were: Misses Mary Bess Eades, Adriana Evans, Sue Cowan, Sylvia Edwards, Yvonna Clem; Mesdames Willie Neiman, Billy Ray Smith, O. R. Phifer, Joe Robert Fillingim, U. A. Clem, the bride-elect, and the hostess.

A yellow and green color scheme was used in decorations. Cookies and drinks were served.

WILL ENTER SERVICE

Weldon Brice, son of Mr. and Mrs. J. T. Brice of Tahoka, is scheduled for induction in the Armed Forces at Lubbock on next Monday according to the Selective service office in that city.

Mexican Mission Plans Revival

Rev. Pat Gloria, pastor of the Mexican Baptist Mission here, announces that revival services are to begin at the Mission on Sunday morning and are to continue throughout the coming week, closing on the following Sunday night.

He will conduct the services and do the preaching at both services Sunday but Rev. G. C. Rodriguez, D. D., pastor of the Mexican Baptist Mission in Lubbock, will be here Monday morning to conduct the services thereafter.

The local Mexican Mission is sponsored by the First Baptist Church of Tahoka, and both the Mexican pastor here and the Lubbock Mission pastor have the full backing and the support of Rev. Lee Ramsour and his Church.

Rev. Rodriguez, is a well-educated man, holding a Doctor of Divinity degree and has had much experience as a pastor and evangelist. For years he has served as a Missionary under the Southern Baptist Home Board.

Pastor Pat Gloria kindly requests and hopes that all persons in town and country employing Mexicans will make it possible for them to attend the services. If any of them need transportation to the services, he requests that they contact him and he will do his best to provide it.

Services will begin at 10:00 a. m. and 7:00 p. m. each day. All Mexicans and other friends of the work are cordially invited.

DON COWAN HOME

Don D. Cowan arrived home last week with his discharge after serving two years in the U. S. Marines. He was given his release at San Diego, Calif. His wife, who has also been in California, returned with him. He expects to re-enter Tech after Christmas.

Greater Profits For Egg Producers

College Station, Oct.—Increased prices for eggs awaits Texas producers who locate larger commercial laying flocks near the state's heavily populated areas. This type operation, says John G. McHaney, assistant extension economist, benefits both producers and consumers.

Texas this year ranks 8th among states in the number of eggs produced in the United States, but 36th in prices received by producers, according to the Bureau of Agricultural Economics. The BAE also reports the state is producing only 64 percent as many chickens in 1953 as compared to the ten year average, 1942-1951.

Only two states show a greater drop than Texas while other states are enjoying a 1 to 40 percent increase in the number of chickens on farms for the corresponding period.

An analysis of these figures, McHaney says, indicates producers will receive higher prices for eggs when production is on a larger commercial basis. It seems furthermore, he says that states which are producing eggs through larger flocks near metropolitan centers are in the most favorable positions to get the highest price for their product.

Also typical of other top-ranking states several areas in Texas have well established and smoothly operated egg graded programs. Local county agents have played a leading role in this development. These grading programs enable egg producers to market their product faster and more efficiently, and means higher quality eggs for the consumer, McHaney adds.

Today's typical railroad tank car can carry about 8,500 gallons, although some may carry up to 16,000 gallons.

Rainbow Girls Initiate Members

Tahoka Assembly of Rainbow Girls met for their regular meeting Monday night in the Masonic Hall.

Initiation services were held for two members of the group, Jeanell Martin, Worthy Advisor, conducted the services for Jan

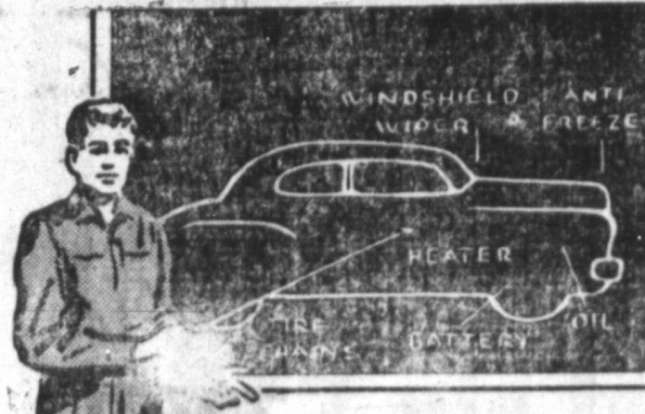

McElroy and Linda Milliken.

A large number of guests attended the meeting, according to Mrs. Emil Prohl, Mother Advisor, all of them being Eastern Star members and Masons of Tahoka.

The guests and 21 members of the local Assembly were served refreshments.

"I LIKE Everything ABOUT
MY 'ELECTRIC RANGE'"
says MRS. C. A. GORDON
OF 1923 HARRISON, AMARILLO, TEXAS

"It's so nice to be able to put a meal in the oven, go out and then return to find it all cooked and ready to eat," Mrs. Gordon says. "Another thing that always amuses my guests—I use the warmer drawer of my electric range to hold the plates and the home freezer top to hold the food. This gives me a regular serving center for buffet meals. At first some of my friends just couldn't believe that a kitchen could be clean enough to

serve buffet luncheons. But when I explained about my clean-cooking electric range, they saw the point."

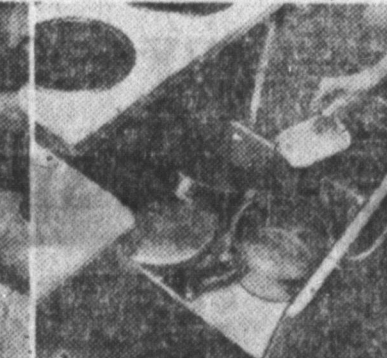

For cooking or broiling or cake baking, you can't beat an electric range. Like Mrs. Gordon says, "Everything I bake, roast or broil always turns out so good." Your roast, cakes or broiled steaks would turn out the same way if you were cooking electrically.

Mrs. Gordon uses her built-in electric range. One thing she emphasizes, "My vegetables never have that wilted look when I cook them in the built-in electric range. Because so little water (just half a cup) is needed when cooking vegetables the electric way, you're sure of retaining vitamins, too."

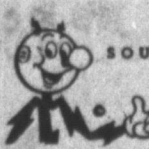

Cake baking is one of Mrs. Gordon's pastimes. She likes to bake cakes. Since cakes should have rising, Mrs. Gordon particularly likes the fact that her electric range requires no double boiler for 7-minute rising. The constant, controlled even heat makes the difference.

There's just nothing to it, it's so easy, the modern electric cooking. And it's easy because it's so clean. Just look at Mrs. Gordon's kitchen. The built-in electric range is the cleanest of all cooking ranges.

Wilson FHA Girls At District Meeting

The Wilson F. H. A. will attend the District 3, F. H. A. meeting at Lamesa, October 17. A group of forty girls from Wilson will attend the meeting. A skit by a group of girls will be presented at the meeting. Sylvia Montgomery is the chapter's candidate for Vice-president, and Myrna Kaatz is nominee for Area Recording Secretary.

Plans for the National F. H. A. week have been completed. The program is as follows: Sunday: Each member will go to the church of her choice. The pastors have been asked to offer special prayer for the F. H. A. Monday: Each girl will wear the National F. H. A. colors of red and white. Tuesday: The Chapter will serve a breakfast to the faculty. Wednesday: The Chapter will present a program on "Startime" over Station KDUB. TV in Lubbock. Thursday: A tea honoring the eighth grade will be given. Friday: A half time performance at the football game will be presented by the F. H. A. Saturday: This day has been designated as "Good Deed Day."

Jimmy Schneider was elected as the Wilson's F. H. A. Sweetheart. Schneider was chosen because of his winning personality, his ambition, and his willingness to take part in all activities.

The Wilson club was well represented in the Panhandle South Plains Fair. Joyce Verkamp placed second in the Youth Division, having the second greatest number of points in that division.

Miss Frances Henderson, John Shepherd Take Marriage Vows In Church Ceremony

Miss Frances Henderson of Lubbock, formerly of Tahoka, and John L. Shepherd of Lubbock, formerly of Grassland, were united in marriage in a double ring ceremony read Thursday of last week in the First Baptist Church at Wilson.

The vows were taken at a candle-light altar of white pom-pom chrysanthemums with the Rev. John A. Martin, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Frank Henderson of Wilson, and the bridegroom's parents are Mr. and Mrs. A. L. Shepherd of Grassland.

Miss Jane Shepherd offered a piano medley of traditional wedding music and accompanied Mrs. Ferman Chapman who sang "I Love You Truly" and "Because." "Indian Love Call" was played, luring the vows.

The bride, given in marriage by her father, wore a gown of white imported lace and nylon net over satin. The strapless bodice was complemented by a lace bolero with roll collar and long sleeves. The net ballerina-length skirt was accented by points of lace extending below the hipline.

A silk illusion veil was held by a Juliet cap outlined with pleated net ruffles and seed pearls. She carried a white orchid atop a white prayer book.

Mrs. Earl Bartley of Levelland attended her sister as matron of honor. Miss Ann Armontrout of Lubbock was bridesmaid. Attend ants wore pink ballerina-length dresses of net over taffeta with net stoles. They carried colonial

bouquets of pink carnations. Candles were lighted by Martha and Louis Hargis, Lubbock.

Dale Willhoit of Tahoka served the bridegroom as best man. The ushers were Wendell Moore of Tahoka and Edwin Garnett of Lamesa. Bland Draper of Tahoka was groomsmen.

At a reception held in the church parlors, the bride's table was decorated in pink and white. In the house party were Mmes. C. W. Conway, Bill Morrison, Bill Kelley, and Miss Jane Adair.

For a wedding trip to Ruidoso, N. M., the bride chose a light blue wool suit with black accessories. The couple will make their home at 3320 30th St. in Lubbock, where the bridegroom is attending Texas Tech.

Both are graduates of Tahoka High School. The bride is employed in Lubbock by Southwest ern Bell Telephone Co.

W.S.C.S. Continues Study of Jeremiah

The Woman's Society of Christian Service of the Methodist Church met in regular session Monday, Oct. 19, for the study and discussion of their current study being taught by Mrs. Jim Sharp.

The program for the afternoon was opened with the rousp sing-

ing "Have Thine Own Way, Lord." followed by a prayer by Mrs. A. M. Bray.

Mrs. R. M. Stewart prepared the worship center and conducted the devotional based on "Sincerity of Prayer."

Mmes. Calloway Huffaker and Roy Edwards dramatized a scene revealing a conversation between two biblical characters just previous to the destruction of Jerusalem during the period of Nebuchadnezzar's reign.

Mrs. G. M. Stewart, assisted by Mrs. Skiles Thomas, gave a Scriptural review of the great sermons of the Bible, including Jeremiah's Temple Sermon.

Mrs. Sharp then brought the study and concluded the meeting with a roundtable discussion on prayer.

"Week of Prayer and Self-Denial" is to be observed by our society next week. It will be opened and conducted by Mrs. V. F. Jones.

We will meet on Monday in Fellowship Hall at 4 p. m. It is hoped that all who possibly can will come and take part in the observance. It is our spiritual duty and our privilege to do so.—Reporter

You'll get more than you expect

In feature after feature, Ford matches the finest . . .

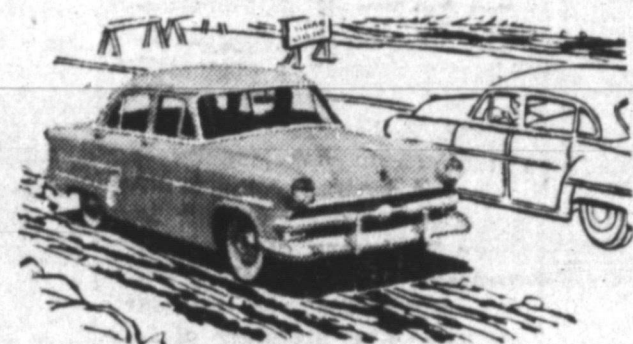

with fine car ride . . . fine-car build . . . and fine-car V-8 GO!

Check these fine car features that are yours when you buy a Ford, the one fine car in the low-price field. You get glass area galore . . . the most in Ford's field. You get more usable inside space than in any other low-priced car. Seats are foam-rubber-cushioned both front and rear. You get such Ford advances as convenient Center-Fill Fueling and suspended clutch and brake pedals. But here are the big reasons why Ford is worth more when you buy it and when you sell it, too!

V-8 or Six power

Only Ford in its field offers you a fine-car high-compression V-8 engine . . . the result of Ford's experience building more V-8's than all other makers combined. And Ford's high-compression, low-friction Six is the most modern Six in the industry. Both engines have Ford's exclusive Automatic Power Pilot which squeezes the last drop of power out of every drop of gasoline.

Up to 80% less road shock

Ford has reduced front end road shock (the kind you notice most) up to 80%. And by a perfect teaming-up of rear springs, diagonally-mounted rear shock absorbers and tailored-to-weight front springs, Ford has proved that a car can ride smooth as silk without gas-eating extra weight.

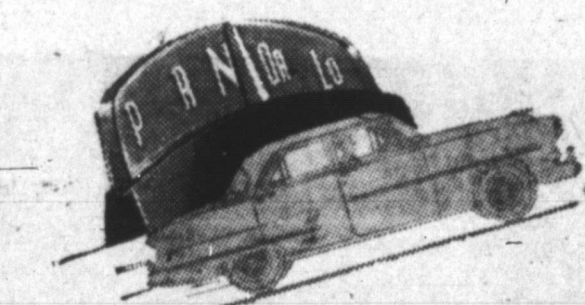

Master-Guide power steering

Ford Master-Guide is the last word in power steering. It does up to 75% of the steering work for you when you need it . . . yet it leaves you with a natural feel of steering on the straight-away. And it helps you control the car on rough, rutted roads. Available on all V-8 models.

Built like the finest

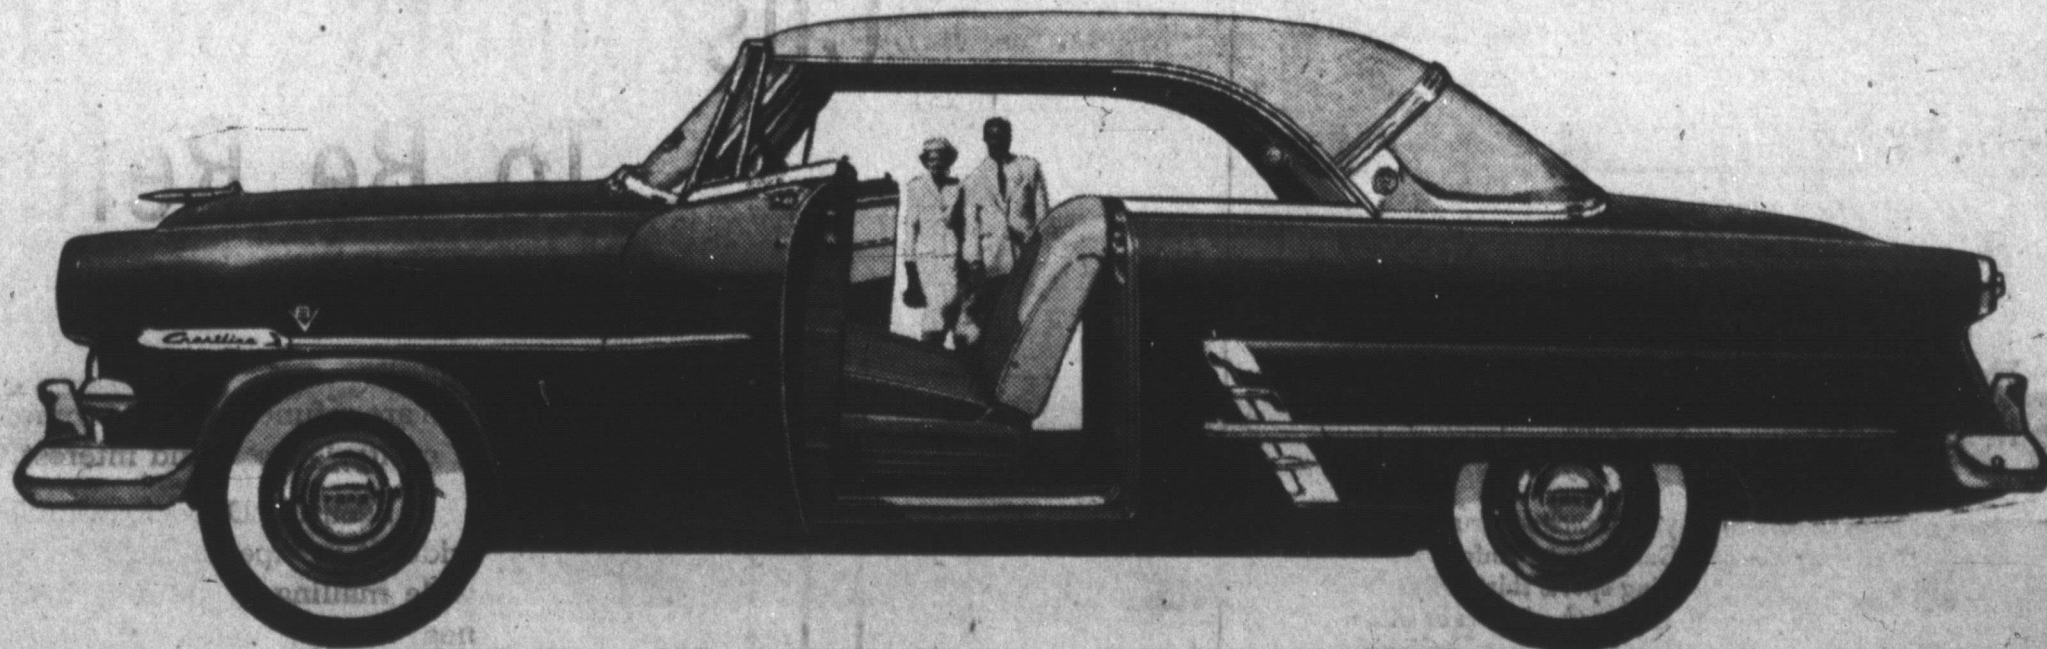

Ford's hull-tight body is sealed against water, dust and draft. Body panels are made of steel of the same quality and thickness as that used in the costliest cars. Ford's rugged box-section frame has five strong cross members including a special K-bar member which adds extra twist resistance . . . gives longer car life.

Fordomatic Drive

It's the finest, most versatile of all automatic drives . . . combines the smoothness of a fluid torque converter and the "Go" of automatic mechanical gears. Ford also offers you Overdrive and Conventional drive.

Wilson Pep Squad Elects Leaders

Sixty girls have organized the Wilson High School Pep Squad with Miss Dorothy Knipping as sponsor. Cheer leaders for the year are Barbara Montgomery, head cheer leader; Myrna Kaatz; Mary Alice Hanes; Janette Schneider; and Shirley Hewlett. The majorettes selected are Helen and Marion Steinhauser, Yonita Stone, and Dean Ward.

The uniforms for the pep squad are royal blue denim skirts and sweaters with white blouses. The leaders uniforms are white skirts and sweaters with blue letters attached to the sweaters.

A Pep Squad Sweetheart, Dan Tom Stoker, was chosen at one of the weekly meetings. He was recognized at a pep rally. Pep rallies are held each Friday at 3:30 p. m.

W. P. Jones, principal of Wilson High School, has announced the Wilson High School honor roll for the first six-week period. It is as follows:

Seventh grade: Willie Pat Baxley; Shirley Gray; Frances Moczygomba; Jeanette Schneider.

Eighth Grade: Kenneth Hanes, Joyce Church, Neta Hewlett, Marcia Standerfer, Jerene Wuensch.

Freshmen: Kay Bohall, Eunice Buckemper, Dixie Hewlett, Mary Lou Lichey, Ida Pearl Mason, Lucille Umlang.

Sophomores: None.
Juniors: Verlene Ehlers, Don Evelyn Joines, Eileen Maeker, Marcena Reisdorff; Judson Hewlett.

Seniors: Gerald Coleman; Delbert Sanders; Barbara Montgomery.

Pythian Sisters Honor Past Chiefs

Past Chiefs were honored and one new member initiated Tuesday night at the meeting of the Pythian Sisters of Lynn Temple.

Honored were Mmes. Elnora Curry, Mildred Sherrill, Thelma Oliver, Nina Short, Pauline Warren, Helen Ellis, Fannie Lee Server, Myrl Mathis, and Hattie Short.

Mrs. Frances E. Dumanag was initiated with services conducted by the officers of the Temple.

A welcome was given Mrs. Hattie Short, charter member of the organization, and love gifts were presented her along with other past chiefs.

Proficiency certificates were awarded to Past Chief Thelma Oliver, Excellent Senior Lucy Brice, Excellent Junior Helen Biggerstaff, and Ola Belle Lamb for the treasurer station.

The Silver Drill contest resulted with the side winning led by Mrs. Coreen Cathcart. The losing side, captained by Mrs. Darlene Gurley, will entertain the winners at some future date. Plans for the entertainment are not complete.

The Halloween theme was carried out in the refreshments that were served to 32 members. Hostesses at the meeting were Mms. Gerry Renfro, Emma Halambek, Jessie Jewell Stevens, and Pauline Clem.

The next meeting will be on Nov. 3 at 7:30 p. m., at which time the Temple will have its annual roll call.

also be hampered by a severe cut that required four stitches to close received in practice Monday when he was cleated in the right leg.

Guard Garland Huddleston will be moved to center to replace Bobby Williams, and Back Bill Moore will be moved to guard.

Tommy Murray of Post is also said to be out with an injury.

Post's probable starting line-up will average 163 pounds as compared to Tahoka's 155 pounds.

Following is the line-up which Coaches Bing Bingham and Vernon Ray started last week:

72 Tommy Majouf	RH	150
76 Moody Graham	QB	130
77 Chas. Chandler	FB	150
78 J. C. Shedd	E	135
80 Darrel Bruton	LH	160
88 Fred Long	G	205
89 Bowen Stephens	G	150
91 Bobby Cowdry	T	176
92 Nolan Williams	E	155
94 Billy Meeks	T	185
96 Larry Waldrup	C	195

Others who usually see action:

Royce Josey, 145 pound guard;	
Dickie Beggs, 150 pound guard;	
Darrell Norman, 145 pound back;	
and Ernie Popham, 150 pound end.	

Tahoka's starters will probably be as follows:

54 I. V. J. Melton	LH	144
55 Gordon Smith	QB	144
56 Jimmy Bragg	RH	152
57 Bill Moore	RG	155
58 J. B. Ables	FB	176

Others most likely to play include: Jerry Williams, 150 pound back; Bobby Lehman, 150, end; Ware High, 137, guard; and Jimmy Whorton, 173, tackle.

LUTHERAN CONFERENCE IS HELD AT LOCKNEY

Trinity Lutheran Church, Lockney, was the scene of the Lubbock Pastoral Conference of Lutheran pastors October 19-20.

The conference stressed stewardship on Monday with presentation by Rev. E. J. Cornils and Rev. T. A. Krueger of Columbus, Ohio. On Tuesday, a presentation on parish education was made by Rev. W. A. Flachmeier of Austin. The afternoon saw regular reports and business with the following new officers elected: Rev. Henry Flachmann of Sweetwater, president; Rev. Daniel Schorlemer of Amarillo, vice president; and Rev. Wm. Slaughter of Lubbock, secretary-treasurer.

The conference ended with a Holy Communion service Tuesday night.

Among those attending from this area were Rev. and Mrs. C. C. Ehler of Wilson.

Junior Teams Will Play Two Games

Coach Bill Sharpley's junior football teams were playing O'Donnell juniors here Thursday night, and on next Thursday night will go to Slaton for return games. Last Thursday night, the Tahoka Eighth grade lost to a bigger and more mature team from Slaton 25 to 0 in a game played here. The Tahoka and Slaton Seventh graders played to an 0 to 0 tie, with Tahoka holding a slight advantage most of the way through the game.

Child Guidance Club Hears Mrs. Tunnell

Mrs. Lenore M. Tunnell, county superintendent, was the guest speaker at the Child Guidance Club Monday night when it met in the home of Mrs. Tommy Lev erett.

"Mental Health in Children" was the topic of Mrs. Tunnell's talk. She said the first grade child's attitude at school reflects the way he is raised at home, and that their true personality "comes out" during this year.

Love and understanding is essential at home in preparing the children for school. She said that the parents must also understand that the first grader is not an adult and should not be treated as one.

Mrs. Tunnell included the subject of nervousness in a child when she said nervousness is a symptom and not an illness, basically caused by something in the child's background.

She stressed the fact that children should not be made to fear school. Often parents and other children frighten them with tales of what will happen to them or making unfavorable remarks about individual teachers. She said this fear sometimes easily turns into hate.

Mrs. C. W. Conway was in charge of the program. The next meeting will be in the home of Mrs. Roland Clem, with Mrs. Alton Gardner in charge of the program.

Truman Hines is now manager of a dry good store at Big Lake, his mother, Mrs. Pat Hines, reports. W. T. Hines is still with Conoco at Hearne.

FHA Girls Attend District Meeting

Thirty-six members of Tahoka Future Homemakers of America attended the District 3 meeting held in Lamesa recently.

Two Tahoka girls were elected to district offices for the coming year. Mariana McGinty was elected song leader, and JoAnn Fenton was chosen as District 3 corresponding secretary. JoAnn was the voting delegate from Tahoka.

The Tahoka chapter gave the Emblem ceremony. Those participating in the presentation were: Jerry Aldridge, Loretta Henry, Patsy Roberts, Sandra Warren, Othelda Freeman, JoAnn Fenton, Carolyn Duckett, and Janet Dube.

Accompanying the girls to the meeting were Mmes. Pete Hegli, F.H.A. advisor, Fred McGinty, Clovis Honeycutt, Guy Whealey and Freeman.

Guest speaker was Rev. Horn, pastor of the First Presbyterian Church in Lamesa. His topic was, "America in This Hour."

Peggy Nowlin, freshman student in West Texas State College, Canyon, was home last week end visiting her parents, Mr. and Mrs. P. A. Nowlin of Lamesa, and her grandparents, Mr. and Mrs. E. J. Cooper of Tahoka.

Bulldogs Take 33-0 Victory Over Tulia

Tahoka played its poorest game of the year last Friday night here, but still won 33 to 0 over an impotent Tulia Hornet team of District 2-AA.

The Bulldogs will meet Post here tonight in Tahoka's first conference game, and the occasion has been designated as Homecoming day for Tahoka ex-students. Next week, Tahoka goes to Abertathy for its second conference game.

Although most of the players on both the Tahoka and Tulia teams played hard football, and turned in some sensational performances, team play on both sides was ragged, and the game was marred by fumbles, penalties, short kicks and mistakes.

Tahoka clearly held the upper hand, but this was one of those games in which a summary of the statistics was deceiving. The Bulldogs made only five first downs to the visitor's nine. Tahoka had three touchdowns in the first half, but only one first down. The Bulldogs, however, ran for 247 yards from scrimmage, passed for 95, and made 128 yards on four pass interceptions, one of which was by Guard Garland Huddleston 95 yards for a TD.

Back "Shot" Hutson of Tulia was the only consistent ground-gainer for the visitors, running the ball 93 of the 94 net yards for his team, while four other Hornet backs gained 35 yards and lost 34 for a net of one. Center Leroy Measles was one of the best defensive men Tahoka has encountered.

Tulia received the kickoff opening the game on its 44, lost one yard in three plays, kicked 21 yards to Tahoka's 37. Jimmy Bragg went for 19 to the Tulia

44 for Tahoka's only first down of the first half. On third down, J. B. Ables went over right tackle 40 yards for the first score, and I. V. J. Melton's place kick was good. Score 7-0.

Tulia could not go on the next series, kicked a short 16 yards to its own 46, and on Tahoka's third play Ables went 41 yards to score again, and Melton's placement again was good. Score 14-0.

Late in the first quarter and early in the second, Tulia moved for four first downs from its own 27 to the Tahoka 15, where Bobby Lehman covered a Tulia fumble, but two plays later Tahoka returned the compliment on the 21. Tulia moved to the 7, but then lost 8 on two plays, and then Jerry Williams intercepted a fourth down pass on the 5 and ran the ball out to the 23. Tulia again covered a Tahoka fumble on the third play, this time on the 31.

After two exchanges of the ball, with seconds left in the second quarter and Tulia in possession on the Tahoka 15, Huddleston intercepted a pass standing on the 5, cut to the right, picked up some perfect blocking, and ran 95 yards to pay dirt. Conversion failed, and Tahoka led 20 to 0.

Bobby Williams, Tahoka's stalwart center, had gone out of the game a few plays before with a dislocated elbow, which will keep him out of play at least three weeks and possibly the rest of the season.

Opening the second half, Bragg brought the kick-off from the 15 to the 39, made three yards on the next play, and a penalty set the ball back to the 37. Then Gordon Smith faded to pass, was rushed, but got a short one away complete to Jerry Williams, who ran 63 yards, helped by a good block by Billy Tong, to score. Tahoka drew a 15 yard holding penalty on the first conversion attempt, and on the second Smith's pass to Tong was complete but not for enough yardage for the conversion. Score Tahoka 26-0.

Fumbles, penalties, and short kicks ate up the time until deep in the fourth period, when Tahoka got another march underway, with Ables going the last 33 yards for the final score. Melton's kick was good, and that was the ball game. Tahoka 33-0.

Others seeing action in the backfield included Bill Moore on defense, and Ted Pridmore, on offense, who gained small yardage on two running plays and 8 yards on one pass. Jimmy Williams, who played a good game in the line; Duane McMillan, Don Reed, Willie Lee, Jimmy Whorton, Stanley Stone, Ware High, Guy Witt, L. W. Castleberry, Ronnie Brooks, and Carlton Bell. Tahoka used 22 men in the game.

Except for Bobby Williams, the squad will be in fair shape for Post here tonight.

The Tulia boy injured in the game and carried to the hospital in an ambulance was found only to have been jarred up a bit and was not seriously hurt.

O. G. "Smitty" Smith, editor of the O'Donnell Index-Press had the following kind words for The News in his always interesting "Country Editor" column last week:

"Last week our county seat neighbor, The Lynn County News celebrated its 50th anniversary of publishing their home town newspaper. The owners . . . have piloted this fine weekly for 30 years. Aside from publishing the best newspaper in this area, the Hills are doggone fine folks and the best neighbors we have ever had in our years in ink dabbing. Congrats, boys!"

Thanks, Smitty; the feeling is mutual.

Wilson Soldier Arrives In Korea

With The 40th Infantry Div. in Korea—Army Pvt. Harold L. Preston, 20, son of H. L. Preston, Route 2, Wilson, Texas, recently arrived in Korea for duty with the 40th Infantry Division.

Originally a California National Guard unit, the 40th Infantry Division was federalized in 1950 and filled with men from every state in the Union. The division received combat training while serving as a security force in Japan before being sent to Korea early in 1952.

Private Preston, a member of the division's 578th Engineer Battalion, entered the Army last March and completed basic training at Fort Leonard Wood, Mo., before being assigned overseas.

A Federal sales tax is "politically impossible," says Ruml.

"Bigger pies, not smaller slices"

We ran across a new word the other day . . . "demographer." That's a research man who studies statistics on births, deaths, populations.

Well, it seems the United States will have 20 million more people aboard by 1960, or thereabouts. Logical enough. We gained 20 million people in the forties.

Bigger pies are the order of the day. In the electrical industry, for instance, men with sharp pencils have figured that demand for electric power will have doubled during the decade ending in 1960. More power equipment is therefore needed. More electrical machinery for industry.

And better pies. Americans insist on better products, year by year. Somebody has to pioneer things. Looking ahead for five, ten, fifteen years—creating new and better products and improving old ones—that is the business of General Electric. For seventy-five years progress has been our most important product.

The babies who come into the world today won't want smaller slices of the world's goods and opportunities. Or even the same slice. They'll want more. Wait and see. Nothing less is worth planning for by the people who must organize for the future. It's no job for pessimists.

You can put your confidence in—

GENERAL ELECTRIC

DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC!

It's the RIGHT CAR!

What's the "right car" for you? It must be handsome, of course. A good performer, too. And dependable? Economical? For beauty, Pontiac offers the Silver Streak distinction that is admired everywhere. The power and stamina of Pontiac's rugged, high-compression engines are unmatched at anywhere near the price. Pontiac's dependability and long-life economy are a matter of record. For every important value extra Pontiac's your car!

It's the RIGHT PRICE!

The price of a Pontiac will never sway you from buying the right car. Pontiac engineers discovered long ago that—for very few extra dollars in price—they could build into Pontiac cars a great deal of extra quality. Come in and let us prove how easy it is to own a big, luxurious, fine-performing Pontiac!

It's the RIGHT TIME!

Your present car will never be more valuable as a trade-in! So don't put off the pleasures of Pontiac ownership. "Dollar for Dollar you can't beat a Pontiac" never meant more than it does today! We're sure you'll agree it's the right car—the right price—and the right time.

PROVEN V-8 PERFORMANCE + NO-SHIFT MERC-O-MATIC DRIVE

HOW MERCURY'S PROVEN "POWER PARTNERS" PROTECT THAT HIGH FUTURE TRADE-IN VALUE!

You get a power team that's engineered to work together. Its proven performance will help keep it in big demand. You'll get back more of your original investment when you finally trade in your Mercury.

Independent market reports prove it. Mercury consistently leads its class for trade-in value. And, Mercurys with Merc-O-Matic Drive bring the top price of all. That's why it's even more important for you to get the

finest in no-shift driving when you buy a new car—to protect future trade-in value. Cars with conventional gear shifts, and even partially automatic transmissions, are becoming old-fashioned . . . will be less in demand in the years ahead.

Fully automatic Merc-O-Matic Drive has been specially engineered to go with Mercury's far-advanced V-8 engine. The size, weight, and horsepower of the car have been carefully considered to give you the smoothest, thriftiest, proven no-shift driving on the market.

And, if you want to anticipate future automatic trends in cars even more, Mercury offers you the greatest array of optional power features in the popular-price field. So drop around for our special extra allowance on your present car.

Miss Bernice Fillingim and Clifton Clem Are Married at New Home

Miss Bernice Fillingim, daughter of Mr. and Mrs. A. C. Fillingim, and Clifton Clem of Colorado Springs, Colo., son of Mr. and Mrs. U. A. Clem of New Home, were united in marriage in a ceremony at New Home Baptist Church last Saturday night.

Double ring vows were exchanged at an altar banked with jade palms and baskets of pink gladioli highlighted by candelabra. The Rev. C. E. Strickland of Plains performed the service.

Mrs. John Oldham of Lubbock offered an organ medley of traditional wedding music and accompanied Boswell Edwards as he sang "Because" "I Love You Truly" and "The Lord's Prayer."

The bride was given in marriage by her father. She wore a gown of bluish pink imported French lace and tulle over satin. Outlining the portrait neckline were applied lace flowers embroidered with iridescent sequins. The short sleeves of the fitted bodice were completed by circular wings of tulle with a princess panel of sequined lace extending the full length of the gown. The shirred, full skirt of layers of tulle over satin swept into a train.

To a cornet of pearls and rhinestone was joined a veil of silk illusion. She carried an arrangement of white flowers.

Miss Betty Fillingim of Coahoma attended the bride as maid of honor. Bridesmaids were Misses Vynoma and Melba Clem. Attendants wore identical dresses of pink nylon tulle taffeta over taffeta fashioned with strapless bodices completed by net stoles. They carried bouquets of carnations.

Candles were lighted by Miss Merrial Swinson and Russell Swinson. Jerry Ruth Clem was flower girl and Dennis Clem was ring bearer.

Bobby Clem served his brother as best man. Ushers were Don De Balch, A. C. Fillingim Jr., and Joe Robert Fillingim.

A reception in the church parlor followed the ceremony. The brides table was decorated with

Something really Special - in power, room, ride, price

We picture here a car that keeps our order book pages turning quicker than quick.

It is the 1953 Buick SPECIAL 4-Door Sedan—the bargain value that doesn't stay long on our showroom floor.

For this is the best-selling Buick in the land—snapped up by eager buyers who know something really special when they see it.

For your information, we present some SPECIAL facts.

It has a Fireball 8 Engine with the highest power and compression ratio ever placed in a Buick SPECIAL—plus, if you wish, the instant getaway response and utter smoothness of Twin-Turbine Dynaflo.*

It has easy-sitting-room for six adults—as much room as you'll find in cars costing hundreds of dollars more.

It has a ride unique among automobiles. The

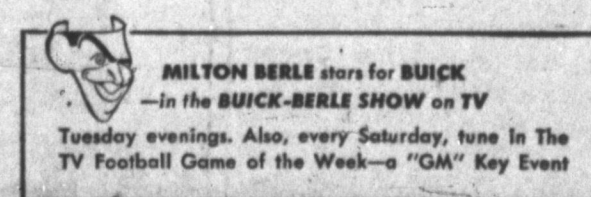

Buick Million Dollar Ride. The soft and steady and ever-level ride that comes of coil springs on all four wheels—a full-length torque-tube drive—a massive X-braced frame—a solid and substantial roadweight poised with meticulous balance on broadly spaced wheels.

But what makes the Buick SPECIAL so extra special is the low delivered price it carries.

It is a price just an easy step above the so-called "low-price three"—and a price that gives you more room and power and ride-comfort for your money than you get in any other car, except another Buick.

Wouldn't you like to see, sit in and drive one of these great-powered Buicks—look into its beauty, its luxury, its handling ease—and judge for yourself how small a price tag it wears?

Phone us this week, or drop in. We'll be happy to arrange a demonstration.
