Streets Emptied For Ford

The SDN Column

Leland Wallace made his annual fall trip to our office Friday. Wallace, who ranches down below Vincent in Howard County, comes by every year about this time to remind that he is going to sell some registered Herefords. His production sale is set for Monday, Sept. 29, this time.

"I brought you some rain," he claimed as drops of water dripped from his 7½-gallon hat.

Ranchers were enjoying the rain considerably, but farmers mostly could have waited a while longer for more moisture, especially those with some cotton trying to make, or some feed on the ground. Wallace said it was the same down his way.

★ ★ ★

Speaking of ranching, the National Wildlife Federation is disturbed over the outlook for the lions in Africa.

"The King of Beasts" now must compete with livestock and ranchers for dominion over Africa's grasslands, the NWF complains. Now that huge areas have been opened up to agriculture, they say the lion is rapidly changing his habits, and in two decades his numbers in Africa have shrunk from about 400,000 to less than 200,000.

If this trend continues, there will be more lions in amusements parks in the U.S.A. than on the "dark" continent.

★ ★ ★

Someone inquired about a statement relating to brevity wherein Lincoln's Gettysburg address and some Biblical references were compared to government red tape. It made the rounds several years ago, probably in a political campaign. Anyway, we found it, and here it is:

"The Lord's Prayer has 56 words. Lincoln's Gettysburg address has 266 words. The Ten commandments have 297 words. The Declaration of Independence has 300 words. A recent U.S. government order setting the price of cabbages has 26,911 words."

★ ★ ★

And we wonder why prices always seem to be higher when the government tries to control them.

★ ★ ★

What is your favorite television program? If you are a hay fever sufferer, it's probably the weather forecast, says the Medical and Pharmaceutical Information bureau.

This is that season when pollen floats around in the air and those who get the sniffles from it are happy to see a spell of cloudy, rainy weather, or better yet, a killing frost. But we've still a couple of months away from that, according to the calendar.

So, the best you can do now is to watch the forecasts and grin and bear it.—WACIL McNAIR.

Today In History

By The Associated Press

Today is Sunday, Sept. 14, the 256th day of 1975. There are 109 days left in the year.

Today's highlight in history:

On this date in 1901, President William McKinley died in Buffalo, N.Y. from gunshot wounds inflicted by an assassin. Vice President Theodore Roosevelt was sworn in as President.

On this date-

In 1628, the second settlement in Massachusetts—Salem—was chartered by John Endecott.

In 1778, Benjamin Franklin was sent to France as an American minister.

In 1812, Russians set fire to Moscow after an invasion by Napoleon Bonaparte.

In 1940, Congress passed the Selective Service Act. It was the first peacetime draft in U.S. history.

In 1945, after World War II, Premier Higashi-Kuni of Japan said: "People of America, won't you forget Pearl Harbor?"

In 1960, The United States notified Cuba that Premier Fidel Castro would be restricted to Manhattan Island during a visit to the United Nations.

Ten years ago: The fourth and final session of the Roman Catholic Church's Ecumenical council was opened by Pope Paul in St. Peter's basilica.

Five years ago: Israel cleared and freed 75 our of 450 Arabs who'd been arrested the day before in occupied Jordan.

One year ago: The General Accounting Office accused the Federal Power Commission of acting improperly in allowing a number of natural gas producers to raise their prices to millions of customers.

★ ★ ★

The Weather

SNYDER TEMPERATURES: High. Friday, 52 degrees; low, 48 degrees; reading at 7a.m. Saturday, 48 degrees; precipitation, 2.10.

Northwest and Southwest Texas: Cloudy to partly cloudy Monday through Wednesday with below seasonal temperatures all portions except southeast. Scattered showers and thunderstorms central and southern portions Monday and over extreme northern portions Wednesday. High 60s and 70s. Lows 40s north to 60s southeast.

North Central and Northeast Texas: Mostly cloudy and cool Monday through Wednesday. Chance of rain Monday and Tueday. Highs in the 80s. Lows in the 60s.

South Central and Southeast Texas: Cloudy and cool Monday with scattered showers and a few thundershowers and over the east portion Tuesday, becoming partly cloudy Wednesday. Warmer Tuesday interior and over the area Wednesday. Highs in mid 70s to the mid 80s Monday, warming to the mid 80s to the mid 90s Tueday and Wednesday.

MEETS THE WOMEN—Vice President Nelson Rockefeller waves to the delegate at the National Federation of Republic Women in Dallas. At his right is Mrs. Norman C. Armitage of South Carolina the president of NFRW. President Ford will address the group on Saturday. (AP Wirephoto)

His Route Kept Secret

By FRANK CORMIER
Associated Press Writer

DALLAS (AP) — President Ford entered Dallas along empty streets and freeways today — his route was kept secret — to appear before Republican women and urge that their sex take a larger role in political life.

"Never underestimate the power of a woman," Ford said to cheers at the biennial convention of the National Federation of Republican Women, meeting in the cavernous convention hall on the fringe of downtown Dallas.

Landing at Love Field, Ford was asked if he was mindful that Dallas was the site of the 1963 assassination of President John F. Kennedy.

"Quite frankly," he said, "I hadn't even thought about it until you mentioned it."

The Dallas stop, long planned, followed by barely a week an apparent attempt on Ford's own life in Sacramento, Calif.

And last Friday, in St. Louis, there was a potential assassination scare as Ford went there on his two-day trip.

Ford was a member of the Warren Commission that investigated Kennedy's assassination. He was asked by a Dallas reporter if he thought that inquiry should be reopened to deal with allegations that the murder of Kennedy stemmed from a conspiracy.

"I haven't seen anything that would warrant a reopening," he said.

Ford's route to the convention hall took him past Parkland Hospital, where Kennedy was pronounced dead, and within eyeball distance of the Texas book depository from which Oswald fired the fatal rifle bullet.

Ford was making his first visit as President to Dallas.

The Dallas stop intermingled political and nonpartisan appearances. The President also arranged to attend a GOP fund-raising luncheon and address a special convocation commemorating the 60th anniversary of Southern Methodist University before flying to Midland, Tex., to help dedicate a petroleum museum and hall of fame.

Ford came to Dallas following appearances by Ronald Reagan and Vice President Nelson Rockefeller, both of whom addressed the convention of GOP women Friday.

At a Republican fund-raising dinner in Kansas City Friday night, Ford said the administration and Congress "are about to get 60 days" in which to develop a compromise energy program. He added:

"Isn't it hard to believe that since January of this year, there has not been one meaningful energy bill passed by Congress? Not one ... it is unforgivable, and if the Congress does not do something, they are going to be responsible for the increasing vulnerability of this country to foreign oil cartels."

Warmly received in St. Louis and Kansas City, Ford mingled freely with crowds, seemingly bent on shaking every hand in sight.

White House aides distributed the prepared text of one presidential address in which Ford was to say that a president must meet the people face-to-face and listen to what they have to say, concluding:

"I have no intention of abdicating that responsibility. I have no intention of allowing the government of the people to be held hostage at the point of a gun."

Shortly after reporters learned that St. Louis police had chased a man, reportedly armed with a pistol, from an auditorium where Ford was to speak, aides announced that the prepared text would not be delivered.

They said Ford instead would devote most of his appearance at a White House-sponsored conference on domestic affairs to answering questions from the floor.

The President later was asked why he had discarded his text. He said he delivers many prepared speeches, but simply decided to throw this one away.

During the question session, Ford spent much of his time lambasting the Democratic-controlled Congress, particularly for appropriating more money than he seeks.

"I hope the Congress will finally awaken and find that they are the principal contributors to inflation in this country," he said.

The President declared that "we are going to keep vetoing spending bills that go beyond the budget I submitted."

Traffic Deaths Still Increasing

AUSTIN, Tex. (AP) — Traffic deaths continue to run 15 per cent more this year than in 1974, the Department of Public Safety reported.

There have been 2,247 deaths on highways and streets this year compared to 1,958 in 1974, the DPS said for the week ending Friday.

There have been 1,913 fatal accidents this year, compared to 1,699 last year, an increase of 13 per cent.

Cool Rains Continue

Cool, rainy weather continued over the Snyder area Saturday as the first fall spell kept much of Texas under a heavy cloud cover.

The thermometer didn't move above the 52-degree mark Friday, and it dipped to a low of 48 degrees Friday night, remaining there Saturday morning.

Meanwhile, rains continued to fall and no letup was expected before Sunday.

The official gauge at the city water plant measured 2.10 inches during the 24-hour period ending at 7 a.m. Saturday, making a two-day total of 3.30 inches.

The rains were general over a big area, with amounts varying from 2.50 inches to over 5 inches. The two-day total at Lake J.B. Thomas had reached 3.70 inches Saturday morning, and light showers continued there. Lake Thomas had gained about 4 inches in elevation and the Colorado River was still flowing some water into the lake Saturday morning. In fact, the river was reported flowing at a depth of nine feet just above the lake.

Forecasters said a partial clearing might be expected Sunday in Northwest Texas, but for the most part, cloudy skies would continue to prevail over the state. Temperatures were expected to remain on the mild-to-cool side over the weekend.

Larger Scurry Fair To Open Thursday

The annual Scurry County Fair will be held Thursday, Sept. 18, through Saturday, Sept. 20 at the Scurry county Coliseum, and Hubert Cargile, president of the Fair association, predicts this year's event could be as attractive and interesting as any held in the past. Large turnouts are expected each day of the Fair.

"We're actually expecting a larger turnout than we've ever had before due to the revival of the animal exhibts," said Cargile. This will be the first time that animal exhibits will be held since the fair moved to the coliseum.

Entries in the Fair are to be brought in according to the following scheule:

Art—Tuesday, 1 to 8 p.m.

Flower Show—Tuesday, 8 to 10:50 p.m. Container grown plants, Wednesday, 1 to 6 p.m.

Textiles—Wednesday, 1 to 8 p.m.; Thursday, 8 to 9 a.m.

Handicrafts—Wednesday, 1 to 8 p.m.; Thursday, 8 to 9 a.m.

Agricultural Exhibits—Wednesday, 1 to 8 p.m. Thursday, 8 to 9 a.m.

Canned Foods—Wednesday, 1 to 9 p.m.

Baked Foods—Friday, 5 to 9 a.m., Saturday, 7 to 9 a.m.

Educational and Community Exhibits—Must be in place by 9 a.m. Thursday.

All products will be checked out from 2 p.m. to 5 p.m. Sunday.

Other officers of the Fair are Max von Roeder, vice president; Mrs. Roy Hanson, secretary; and, Wilson Bright, treasurer.

Superintendents of the various divisions:

Agriculture—individual exhibits superintendent, O.P. Tate, Jr.; associate superintendents—Mrs. O.P. Tate, Jr., E.L. Vandiver.

Educational Exhibitions—superintendent, Roy Hanson; associate superintendent, Joe Barnes.

Community Exhibitions—superintendent, Billy Roach.

Home Economics Division—general superintendent, Miss Ruby Butts; textiles superintendents, Mrs. R.L. Drum, Mrs. Dee Pylant, Mrs. Robert Warren, Mrs. L.C. Drum. Junior division superintendent, Mrs. E.L. Vandiver, Mrs. Sam Houston.

Baked Goods—superintendent, Mrs. E.M. Ashley, junior division superintendent, Mrs. Harold Wade.

Canned Foods—superintendent, Mrs. Walter Stirl; junior division superintendent, Mrs. Forest Hess, Mrs. Dee Lockahrt.

Art—superintendent, Snyder Palette club.

Flower Show—superintendent, Snyder Twilight Garden club.

Anyone wishing any information concerning any of the divisions may conta the division superintendent.

Blue ribbons will be awarded for first places and for second, white for third, and pink for fourth. Rosettes will be given to the best item in each adult and each junior department as selected by the judges. This also shall apply to educational exhibits.

Premiums for educational exhibits and community exhibits will be $15 for first place, $10 for second, $7.50 for third, and $5 for others.

Classes of educational exhibits:

I. Agriculture Exhibits: 1. FFA and Y.F.; 2. 4-H boys and girls; 3. FHA and HD Clubs.

II. Non-agricultural exhibits: 1. Civic organizations for youth; 2. civic organizations for adults.

Each community exhibit must contain at least 10 different agriculture products. Community exhibits will be scored on neatness, attractiveness, arrangements of exhibit, number of different products and story told or implied.

In the Home Economics Division, only one entry will be permitted by any exhibitor in each class.

This year's livestock division will be confined to exhibits only by breeders or feeders in an attempt to revitalize the Livestock Division. Pens or tie rails will be available. Classes of the Livestock Division include beef cattle and dairy cattle, swine, sheep, horses, steers, and poultry, pigeons and rabbits.

All animals are to be in place by 9 a.m. Sept. 18 and remain through Saturday night, Sept. 20, and picked up by any time after 9 a.m. or 10 p.m. Saturday night, Sept. 20, and no later than 4 p.m. Sunday, Sept. 21.

Each exhibitor will be responsible for the cleanliness of his stall. Poultry, pigeon and rabbit exhibitors will need to provide their own wire coops or pens.

This year's Fair will have a talent show with amateurs to provide entertainment on the night of Saturday, Sept. 20. Only a limited number of entertainers may appear on the whow, and only those who auditioned will be considered for places on the program. Auditions were held Saturday night at the Ira Community Center.

The Board of Directors of the Scurry County Fair includes Mrs. Eldon Perry, J.N. Eicke and Carl Williams (Precinct 1), Mrs. O.P. Tate, Jr., Howard Hogue and James Beaver (Precinct 2), Max Preston, Leon Sterling and Mrs. Raymond Robinson (Precinct 3), W.J. Fuller, E.M. Ashley and Mrs. Doyle Wemken (Precinct 4), and R.C. Eoff, Albert Lewis, Mrs. S.L. Terry, Max von Roeder, H. W. Cargile, Mrs. Bob Dupree, Wilson Bright, Mrs. Roy Hanson and Roy Kidd (Snyder).

As always, a carnival will be in operation on the fair grounds.

Voter Act Ruling Appeal Due

WASHINGTON (AP) — Texas Secretary of State Mark White says he will appeal a federal court ruling that blocked the state's first attempts to delay regulation under the federal Voting Rights Act.

White said, "The effect of this ruling is that if we do not appeal, then we will have federal attorneys general telling the people of our state where they can have polling places, and how they can change precinct lines, and effectively take over every political decision made in the State of Texas."

U.S. District Court Judge Gerhard Gesell ruled Friday that the state was not entitled to a hearing before the director of the Census Bureau on two population determinations that would be the first step in bringing Texas under the extended Voting Rights Act. Texas officials had argued that the Census figures were not correct.

The first challenged Census determination was made Tuesday, but the Justice Department said the second would not be made until next Thursday. That would give the state a chance to block the determinationan appeal.

The Texas suit challenged a census finding on the number of Spanish-speaking Americans in Texas counties, and a determination that fewer than 50 per cent of the state's voting age population registered and voted in the November 1972 general election. Census Bureau figures showed only 46.2 per cent participated in that election.

Briscoe and White had contended that the census had included in its voting age population aliens, temporary residents, convicted felons, who were not entitled to vote and mental incompetents. It said that aliens were included in the Spanish-speaking population.

White said in an affidavit the numbers were based on 1970 census figures and projections that included a million aliens and others who are unqualified to vote. He said, "the law very clearly states that 'citizens of voting age' does not include illegal aliens."

Gesell said that the Voting Rights Act does not require public hearings or detailed evaluation of the voting age population.

FIRST WOMAN TO HEAD MAJOR UNIVERSITY

Split Vote Names Rogers UT President

AUSTIN, Tex. (AP) — Dr. Lorene Rogers, a biochemist who took up science after a lab explosion made her a widow, is the new president of the University of Texas at Austin.

She is the first woman to head a major state university.

The red-haired 61-year-old administrator had been acting president since Chancellor Charles LeMaistre fired Dr. Stephen Spurr without explanation on Sept. 24, 1975.

She was not the choice of the faculty-student advisory committee on selection of a new president, but was recommended by the formal selection committee headed by LeMaistre.

UT Regents appointed her in a 5-3 vote, with Tom Law of Fort Worth, Lady Bird Johnson and Dr. James Bauerle of San Antonio opposing.

"I voted against her because of concern about the apparent lack of support from students, faculty and the university community generally," Law said. "It has nothing to do with her personally. I have tremendous confidence in her, personally."

Mrs. Johnson said, "I just think it said it all in the vote."

Among others who reportedly were considered for the job were Dr. Cecil Mackey, president of the University of South Florida, and Dr. J. Russell Nelson, executive vice-president of the University of Colorado system.

Dr. Rogers is four years from retirement. She said it was too early to think about asking the regents to exercise their prerogative to extend her appointment a year at a time after age 65.

Asked to comment on the alleged lack of faculty-student support, she said, "The readings I get are that I have a great amount of support on campus, both from students and faculty."

She became a target of faculty criticism shortly after her appointment as acting president because she refused to join in the clamor against Spurr's dismissal. This year, several senior faculty members who had been vocal about the Spurr dismissal and other matters complained that she had cut their salary raises below what their departments recommended. She denied the reductions were punishment and said she was just trying to "even up" salary levels for others who had not received merit raises in the past.

Abby Debunks Discourse with Dead

By Abigail Van Buren

© 1975 by Chicago Tribune-N.Y. News Synd., Inc.

DEAR ABBY: My sister's boyfriend died last year and she and I have been talking to his spirit on a Ouija board ever since. We have also talked to two other spirits on the Ouija board.

My aunt says that we shouldn't use the Ouija board because it is the work of the devil.

Can you give me any information about Ouija boards? Are they bad or not?

J.B. IN OLEAN, N.Y.

DEAR J.B.: The only way one can "talk" to a spirit is through prayer. And you don't need a Ouija board for that. A Ouija board is all right to use as a "game," but don't take it seriously.

DEAR ABBY: I have an unusual problem. I look pregnant, although I'm not.

I've always had a large protruding stomach. Then I became pregnant and foolishly gained 57 pounds.

My son is now 18-months-old, but I'm about 20 pounds overweight and look like I'm seven months pregnant no matter how I dress.

Needless to say, people are always saying to me, "Oh, you're having another one!"

When I say, "No, I'm not pregnant," an awkward silence follows.

Abby, if anyone can come up with a better response to the endless comments, it's you.

LOOKS P.G. IN FLORIDA

DEAR LOOKS: A more satisfactory solution is what to DO, not what to SAY. I know it's easier said than done, but if you would trim off that excess weight and buy yourself a good foundation garment, you'll lose that pregnant look.

DEAR ABBY: About six months ago I met a pleasant, middle-aged married woman while visiting a mutual friend in another city.

After returning home, I was surprised to receive a little gift from her. Nothing costly, just a trinket with a friendly note. "I loved meeting you. Keep in touch."

I wrote and thanked her for her thoughtfulness. A few weeks later, along comes another little gift from this woman. Again I wrote to thank her.

Then she sent a store-brought card for no special occasion with the message, "It's nice to have a special friend like you."

I acknowledged the card only because I would have felt guilty if I didn't. Abby, I am a busy, professional woman, and I wish this woman would leave me alone. It irritates me to have to write these thank-you notes to someone I hardly know.

Why would a person persist in keeping up a contact without any encouragement whatsoever? And how do I get off the hook?

BAFFLED

DEAR BAFFLED: Obviously she wants to maintain the contact. Chill the relationship by making your "thank yous" brief and formal. Unkind? Not really. She's subtly trying to obligate you.

CONFIDENTIAL TO E. IN BUFFALO: You can never do a kindness too soon because you never know how soon it will be too late.

Everyone has a problem. What's yours? For a personal reply, write to ABBY, Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please.

Hate to write letters? Send $1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Calif. 90212, for Abby's booklet "How to Write Letters for All Occasions." Please enclose a long, self-addressed, stamped (20¢) envelope.

Wilson Rites At C-City

COLORADO CITY—Funeral service has been set for 2 p.m. today at Kiker-Seale Funeral Home here for Frank Wilson, 84, who died at 11:20 a.m. Friday at Root Valley Lodge here.

The Rev. J.W. Reedy and the Rev. Glenn Roenfeldt will officiate and burial will be in the Dunn Cemetery.

A retired farmer and a Mason, Mr. Wilson was born in Snyder on March 8, 1891. He was married to Hattie Appleton on July 26, 1925. She survives. Also surviving is a sister, Mrs. Sam Bullock of Colorado City.

Pallbearers will be H.F. Billingsley, N.A. Billingsley, O.N. Laster, Floyd Merket, Joe Hairston and Martin Murphy.

Service For C. A. Kemp

Charles Andrew Kemp, 69, of Fort Davis died at 2:30 p.m. Thursday in Big Bend Memorial Hospital. Formerly of Nolan County, funeral services for Mr. Kemp were held at 3 p.m. Saturday in the Fort Davis Methodist Church.

Graveside services will be at 3 p.m. Sunday at the Roscoe cemetery, under the direction of McCoy Funeral Home.

Born July 2, 1906, in Weatherford, he was a long-time resident of Nolan County, before moving to Fort Davis where he resided for the past 28 years.

A veteran of World War II, he was a stock farmer and a Methodist minister. He has also served as Justice of the Peace in Fort Davis.

Survivors include his wife, Joyce; two daughters, Mrs. E.R. Huffman of Odessa and Mrs. Ervin Newman of Ford Davis; four sisters, Mrs. W.T. Davidson of Snyder, Mrs. C.C. Brannon of Inadale, Mrs. Lynn McGlothlin and Mrs. R.E. Swinford of Clovis, N.M.; and one brother, Luther Kemp of Crowell. Six grandchildren and one great-grandchild also survive.

Although he did not have much education, Horace Greeley became one of the most famous U.S. newspaper editors.

FIRST BUS—Chenoweth's motor coach of 1907, the first to be used for inter-city transporsportation in Texas, and according to some historians, the first in the United States. Financial backing was given by W.A. Jones of Snyder, father of the late Mrs. W.B. Lee, and grandfather of Mrs. B.L. McKinley of Snyder.

A Little About One Or Two Hundred Things

By JEAN EVERETT

BY
JEAN EVERETT

Being co-ordinator of the Centennial celebration is as good an excuse as any for going places, meeting people, and seeing how our neighbors celebrate.

On Saturday of the Labor Day Holiday, Elsie Stevenson and I took in the activities at Old Abilene Town. The invitation to a writer's roundtable at a Cowboy Campfire Cookoff intrigued me since I couldn't imagine how a group of writers were going to stir into the stew—but they did and very well, too. I mention it only to say that the cook-off has merit for our own county's birthday party come next July 18-24 during our Western Pioneer Week. Anyone interested?? Ranch cooks of the chuckwagon, campfire, barbeque or what have you variety and other persons atttracted by the idea of such an event, please contact me. Charley Miller has already offered his services to cook up some Son-of-a-Gun. Are there others?

But on to another scene; in fact, let's take a step back in time to Oct. 29, 1907. It was a Monday moring, the start of the business week; a day like most other "blue Mondays" for the majority of Colorado city and Snyder residents. However for at least two people, W.B. Chenoweth and W.A. Jones, it was a crisis day—make or break.

Cheonweth, an inventor, and Jones, a business man, were an unlikely combination for partnership. Yet each man had something the other needed.

Bill Jones, well known to both Snyder and Colorado City folks, ran a livery stable in Snyder and a passenger and mail hack between the two western towns. When the early morning T&P train pulled into Colorado City, the Jones buggy was waiting. For $1.50 fare, passengers could be in Snyder by lunchtime, after a stop at Dunn to water and rest the horses. When Cheonweth approached Jones with the idea of a contemplated motor driven vehicle, Jones was far sighted enough to see the possibilities for his business. If such a vehicle could be built, traveling time could be cut in half or better. Jones' speculative blood flared and he staked Chenoweth with $3500.

Chenoweth had faced disappointment time and time again. He had even been called feeble minded because of his blueprint for a six cylinder gasoline engine. But he was determined to build his motor coach and his desire to establish a intercity transportation system was too strong to be put down by the difficulties he encountered. With Jones' money, Chenoweth was able to find another inventor, C.H. Miles of Clarksdale, Miss., to help him build the proposed vehicle. The three men formed a company and set about to see a dream take form.

That Oct. 29 was the culmination of all their work and planning. The bus had been built and tested on the streets of St. Louis where it operated satisfactorily. It was then shipped by train to Colorado City. Chenoweth and Jones made the maiden trip to Snyder that October day. People between the towns had already been warned to keep off the roadway. The roadway was hardly more than cow tracks across the pastures and it was perhaps this lack of adequate roads that finally defeated the venture.

From our vantage point, we know that the idea was a good one. But in 1907, amid the rocks and sandy trail between two West Texas towns, the venture was ahead of its time. Not only were the roads not ready for such a vehicle, the people were not ready for it either. When Chenoweth's creation appeared on the streets of Colorado City, citizens fled in fear that the thing would blow up and kill half the people in town. Preachers even warned their flocks to keep a safe distance from the dangerous thing just brought into town.

However, Chenoweth and Jones made the initial trip safely, although they spent several hours stuck in a ditch. Townspeople gathered to greet them as they arrived in Snyder at 9:00 o'clock at night, for they were curious about the strange contraption. Later, when the two men got ready to start their return trip to Colorado City, they had to offer free passage to get riders. Finally, five brave souls accepted the challenge, and bid their friends and relatives goodby as though they would never see them again.

Business developed rather well, but the noise disturbed citizens and school children, until some Snyder people held a meeting to ask the bus line to go elsewhere. After a try at a line between Big Spring and Lamesa, then between Snyder and Roscoe, the company folded. It was not until 1924 that a successful bus line was begun in Texas.

As far as several historians have been able to determine, this venture of Mr. Chenoweth's and Mr. Jones' was the first try at a bus line between cities in Texas, and perhaps in the United States.

Because of the significance of the event and the fact that two West Texas towns made history in this manner, the centennial committee felt that it would be appropriate to celebrate the vent as a joint endeavor with Colorado City.

In a meeting on sept. 2 with the Colorado City Bicenntennial Committee, we made plans to re-enact this event of history togheher. We agreed to reconstruct the bus as nearly as we could, and to make a run with it from Colorado City to Dunn to Snyder on Oct. 29, 1976. The Colorado City Committee will plan a proper celebration at their end of the line; the Dunn community has committed itself as a "bus stop" for lunch, with plans at the Snyder terminal still flexible.

Dear reader, we need and war your help. The committee to build the bus is Arlie Taylor, John Richardson, Martin Murphy, all of Dunn and J. Lee Jones Jr. and George Womack of Colorado City. The first item they need is a better picture for the motor coach. So, get out those old boxes and albums to see if you have a photo other than the one in our files. We count 12 persons on the bus at the taking of the photo. Surely, some descendent of those 12 can come up with a clearer picture. also, we are in hopes that someone has just the old bus, van, antique firewagon, or old car that might be used as the base on which to reconstruct Chenoweth's vehicle.

Secondly, wooden spokes will be needed for the wheels. Woodworking hobbists, attention!

For the celebration to be a success, many people are needed—certainly no one committee can do all the work or have all the ideas. Please feel free to offer your suggestions to anyone on the committee, or write to me, Jean Everett, in care of the Snyder Daily News. The committee from Colorado City consists of Mrs. Charles C. Thompson, Shirley DeLaney, Bobbie Steakley, J. Lee Jones, Jr. and George Womack. The planning committee from Dunn are Mr. and Mrs. Arlie Taylor, Mr. and Mrs. Martin Murphy and Mr. and Mrs. John Richardson.

Three Mishaps Are Reported

The Snyder Police Department investigated three minor vehicle mishaps Friday.

The first occurred at 12:38 a.m. at Thirty-fifth and Avenue M. Involved was a parked 1973 Chevrolet owned by Mary Lee Green of Colorado City and an unidentified motorist who left the scene.

At 8:30 a.m. a minor collision occurred on Towle park Road. Involved was a 1973 Plymouth driven by Florinda Rameriz, 909 Twenty-seventh Street, and a 1967 Bucik operated by Isaac Robert Smith, 1308 Thirtieth.

The final accident occurred at 6:25 p.m. at 2204 Twenty-sixth. Involved was a 1971 Ford driven by Morris Eugene Underwood, 1901 Nineteenth, and a 1971 Ford pickup operated by Roy Anthony Townsend, 1705 Twenty-eighth. No injuries were reported in any of the mishaps.

Tapes Taken

The Snyder Police Department is investigating the theft of a tape player and four tapes. Burglars took the property from a car owned by Jean Hopper of 1901 Coleman Thursday night.

Nathaniel Greene, Revolutionary officer born in Warwick, R.I., led troops of the left column which gave Washington victory at Trenton in 1776.

Are you looking for a better hybrid sorghum?
Big yields year-in and year-out are the result of planting Northrup King sorghum hybrids. In fact, many NK sorghum hybrids have yielded 1,000 pounds of grain for every pound of seed planted — produced carloads of grain. You can do it too — stop in or call while seed supplies are available.

Adult Classes Are Scheduled

Classes for Adult Basic Education will be resumed on Sept. 18 at 6:30 p.m. in the Learning Resource Center at Western Texas College.

The first meeting will be held in room 203 and will be devoted to introductions of staff members and completing forms needed for enrollment.

Adult Basic Education offers any adult the chance to improve his educational background, Gerald Corkran, director, said and the program is designed to help adults in such basic skills as reading and arithmetic. Students can prepare to take the GED.

Adults wishing further information about the classes may call Mrs. Kay Sheffield at extension 274 at Western Texas College, 573-8511. There is no enrollment cost and books are furnished.

Classes meet each Tueday and Thursday evening in the LRC.

Aerobic Dance Class Begins

Aerobic dance will be offered as a Community Services course at Western Texas College for the first time in a class starting Sept. 16.

Aerobic dance is actually a conditioning program, with "aerobic" referring to the ability of a given activity to train the body to process and deliver oxygen quickly and efficiently by strengthening the heart, lungs and vascular system. "Dance" refers to the method used to improve the cardiovascular system. For example, 40 minutes of vigorous aerboic dance could equal two miles of jogging, Pasty Rainwater, instructor, says.

Women who wish to enroll may call the Community Services office at WTC, extension 237, or may register between 6-6:30 p.m. on Sept. 16 in the WTC gym where the class will be held starting at 6:30 p.m. Cost will be $8 per person for a total of 16 hours of instruction.

Wet Highway Blamed For Two Mishaps

A wet highway was blamed for two separate motor vehicle mishaps that occurred Friday about the same spot on U.S. 84 about 2.5 miles northwest of town.

Highway Patrolmen said a 1971 Model Peterbilt tractor-truck and trailer skidded on the road and "jackknifed." The vehicle was owned by the Coca-Cola Food Co. Driver was Donald Ray Brown of Baytown. The first mishap occurred about 10:40 a.m. There was moderate damage.

The second one occurred at 5:55 p.m. Patrolmen said John Barfield of Fluvanna was driving north in a 1973 Model Ford pickup and pulling a horse trailer. The pickup skidded on the rain-slick highway and overturned, causing considerable damage to the trailer and causing the camper to come off the pickup.

There were no injuries in either mishap.

Reception To Honor Graduates

A reception honoring students who have completed requirements for masters' degrees from Sul Ross State University through the Western Texas College extension center will be held from 7:30-9 p.m. Monday in the Christian Student Center at WTC. Friends of the graduates and students presently enrolled at the extension center are invited to attend.

MR. AND MRS. DANNY MURREL MENGES

(Photo by Craft)

Miss Tonja Banks Becomes Bride Of Danny Menges

Miss Tonja La Deane Banks became the bride of Danny Murrel Menges at the First Assembly of God Church at 7:30 p.m. September 6. The Reverend John Grappe, minister of the church, officiated in the double ring ceremony. He was assisted by Reverend Buck Hatfield.

Parents of the couple are Mr. and Mrs. Jimmy Banks and Mr. and Mrs. Murrel Menges, both of Snyder.

The bride was given in marriage by her father. She was attired in a formal gown of bridal satin with long fitted lace sleeves with lace inset around the neck. Her elbow length veil was illusion and lace matching her gown. For something new the bride wore a diamond necklace presented to her by her grandparents, Mr. and Mrs. E.F. Banks. For something old she wore a ruby ring presented by the bride's late grandfather P.W. Ware to her grandmother Dovie Ware before they were married. For something borrowed, the bride carried a lace Bible belonging to the grooms sister, Mrs. Larry Boulware. For something blue, the bride wore the traditional garter. She carried a bouquet of white feathered carnations and blue baby's breath. A white detachable orchid corsage centered the bouquet.

Matron of honor was Mrs. Gatlon Hudson, sister of the bride. She wore a long floral blue print dress fashioned simular to the brides and carried a nosegay of blue feathered carnations and white baby's breath. She wore a blue picturesque hat. Flower girl was Letecia LaRoux, cousin of the bride, of Wataga. She was dressed in a blue dotted swiss dress styled like the matron of honors.

Larry Bouleware, brother-in-law of the groom, was best man. Carl Menges, brother of the groom was ring bearer.

Elmer Walton of Electra, Gatlon Hudson, brother-in-law of the bride, and Billy Blevins, uncle of the bride served as ushers.

The church was decorated with two baskets of white gladiolia and roses and a candleabra holding fifteen burning tapers. In each window was a single lighted candle surrounded with ivy and tiny blue birds. Candle lighters were Tracy Banks, sister of the bride, and Lennie LaRoux, cousin of the bride, of Watageo. The bride and groom lit a blue memory candle from white tapers.

The bride presented her mother and the mogher of the groom with long stemmed red roses.

For her daughter's wedding, the bride's mother chose a floorelength blue dress with white accessories. She wore a white feathered carnation corsage. The groom's mother also chose blue. She wore a long skirt and vest with a victorian style white blouse. She wore a white feathered carnation.

A musical program was provided by Sandra Sullivan, pianist and soloist, who sang, "I Take Thee My Dear," and "The Twelveth of Never."

A reception followed in the fellowship hall of the church. The brides table was covered with lace cloth over blue. It held the three tiered wedding cake, decorated with blue roses and sugar wedding bells. It was put together with swan columns and was topped with the traditional miniature bride and groom. Centering the table was an arrangement of blue, green and white flowers.

The grooms table was covered with a white linen cloth with brown embroidered cutwork. The cake was two tiered chocolate with toasted almonds on top. Also on the table were candleholders and coffee service. Eric Menges, brother of the groom passed out rice bags.

Houseparty members included Mmes. Elmer Walton of Electra, Larry Boulware, Billy Blevins and Karen Walton.

Sherene West, cousin of the bride from Amarillo, registered wedding guests.

For a short wedding trip, the bride chose a two piece blue dress. She wore white accessories and blue hat. She wore a white orchid corsage taken from the bridal bouquet.

Following the wedding trip, the couple will reside at 3001 Crockett.

The bride and groom are students at Snyder High School. The groom is employed at D&D Auto.

Out-of-town guests were from Amarillo, Wataga, Sweetwater and Colorado City.

Ballet Theater Mostly Sold Out

NEW YORK (AP) — American Ballet Theater completed its most financially successful season this summer and broke the New York State Theater box-office record.

The gross for the six-week engagement with seven performances each week, except the first week which had six performances, was $975,807.40. The New York City Ballet held the previous record for a six-week period, last winter — $928,726.58 for eight performances weekly.

The theater seats 2,737 and has 42 standing-room places. There was a capacity audience at 32 of the 41 performances.

Rudolf Nureyev appeared as a guest artist with the company for the first time and there was a great deal of interest in seeing Russian defector Mikhail Baryshnikov.

The Kryailteyo Pagoda in Burma is said to be miraculously balanced by a hair of Buddha.

By Oswald & James Jacoby

South looked over dummy and applied to the C of ARCH. He counted his winners and saw that, while there were 12 in theory, he ought to be satisfied with 11.

Eight trumps and three diamonds would come to 11 and he decided the way to go about this would be to attempt a sort of dummy reversal.

He rose with dummy's ace of diamonds, ruffed a heart, entered dummy with the queen of trumps, ruffed another heart, entered dummy by ruffing a spade, used his last trump to ruff a third heart, got back to dummy by ruffing another spade, cashed dummy's last two trumps and the last two diamonds while conceding his last two hearts as losers.

The hand is worthy of considerable study. Note that if declarer goes after 12 tricks, he will have to lead a second diamond early. It will be ruffed by East, whereupon a trump lead will reduce South's winners from 12 to 10.

Ask the Jacobys

A letter from Alaska asks what dealer should do with 11 clubs headed by the jack and the ace-queen of spades.

This is one of the oldest joke problems in bridge. As far as we know it was first devised by the late Joseph B. Lee of Brooklyn as an auction bridge question. The catch is that they ask, "What should dealer do?" The answer is, "Get a new pack of cards." In order to have 11 clubs headed by the jack you have to have two that are the same.

(Do you have a question for the Jacobys? Write "Ask the Jacobys" care of this newspaper. The most interesting questions will be used in the column and writers will receive copies of JACOBY MODERN.)

Colonizing Space Theories Expounded

PALO ALTO, Calif. (AP) — A study on how it might be possible to colonize space either on an artificial planet or on Mars is being made by 25 scientists.

The exercise in utilizing engineering, social and economic theories, is an annual engineering systems design project sponsored by Ames Research Center at nearby Moffett Field and Stanford University.

Previous programs have centered on building a communications device to contact other intelligent life forms in the universe and creating new food supplies for earth.

This year project members will devise means to populate either Mars or an enormous man-made space habitat that would measure 19 miles long and four miles across.

Lee Reunion Held

The family of the late C.A. Lee met at the Union Community Center for a reunion, the first in nine years. Ten children were present. Plans were made to make it a yearly event on Labor Day week-end. Attending were Mr. and Mrs. C.A. Lee, Jr., and Janie of Amarillo; Mr. and Mrs. W.E. Lee of Forsan; Mr. and Mrs. C.L. Lee of Willcox, Arizona; Mr. and Mrs. Neil Lee and Tammy and Glen Lee of Snyder; Mr. and Mrs. Jerry Beatty, Charlene, Barbara, Jerry Jr., and Amy of Odessa; Mr. and Mrs. C.R. Lee, Gary, Peggy, and Mark, Mr. and Mrs. Lee Wiseman, Kenneth, Leatha, and Darla Goldsmith, Mr. and Mrs. Lloyd Isbell and Randy, Doris David, Kathy, Kenneth Rollins of Snyder; Rhonda, Teresa Ann and Shelby Kent Norwood of Big Spring; Mr. and Mrs. Larry Lee and Steve of Snyder; Mr. and Mrs. Danny Lee and Tony of Garland; Mr. and Mrs. Roy Lee of Bedford; Glenda Paul and Steve of Odessa; Charles Lee, Jr. and Debbie Fields, Mr. and Mrs. Johnny Lee of Snyder; Mr. and Mrs. Lester Hardin of Rotan; Mr. and Mrs. Barley Sharp, James Doyle, Becky Goss, Renda Palo and Sandy Sulsar of Snyder.

Egg Coddler Sales Growing

NEW YORK (AP) — Egg coddlers, used in a traditionally English style of preparing eggs, are enjoying growing sales in the United States.

According to Hugh Robinson, president of Royal Worcester Porcelain Co., the market is increasing at a 10 per cent annual rate. Last year, he said, more than a million egg coddlers were purchased in America.

Newcomers Style Show Draws Crowd

Red, white, and blue decorations helped carry out the bicentennial theme at the Snyder Newcomers annual style show Thursday morning at the Scurry County Coliseum. Janet Mosely, fashion commentator, welcomed 125 guests to enjoy a variety of fashions from western wear to formal attire. Models for the show were JoAnn Grimes, Nancy Alexander, Nancy Martin, Marie Boone, Carolyn Jackson, Lois Paige, Nancy Brice, Sharon Applin, Lois Bishop, Susan Pherigo, Donna Allen, and Susan Mack. The stores furnishing the newest in fall fashions were Bea Owens, Gray's, Glovers, and Fenton's.

Hostesses serving refreshments to the newcomers and guests following the show were Ena Flack, Cindy Payne, and Suelynn Bledsoe. Adell Marlar and Libby Wilson registered guests for the club. The table centerpiece of red, white, and blue flowers was given as the door prize and was won by Sally Walton.

Newcomers would like to extend its thanks to all the guests who attended, the stores who graciously furnished the fashions, and to everyone who worked to make the show possible.

The next salad luncheon scheduled for newcomers will be October 4 at 11:00 a.m. at the home of Kay Eaton at 4505 Garwood. First time newcomers wishing to attend should notify the hostess or Evelyn Hensieck at 573-3159. The club would also like to urge everyone to attend the next regular meeting October 9 at the Snyder Savings and Loan Building at 10:00 a.m. and become better acquainted with Snyder. Mr. Mike Thornton will present the program on jewelry making and arts and crafts.

Flower Show To Ha Bicentennial Theme

"AMERICA, THE BEAUTIFUL" will be the 1975 theme for the Flower Show, opening at the Scurry County Fair September 18 at 3:30 p.m. The Twilight Garden Club will present the show honoring our Bicentennial in the colorful Colonial feeling.

For those participating in the Flower Show, Schedules may be found at the West Texas State Bank, Snyder National Bank, Snyder Savings & Loan, and area merchants.

The show schedule should be carefully read to insure the exhibitor the best opportunity for ribbon awards. Another advantage in understanding the schedule is that many plants are named that the exhibitor may find in the garden for the show that might otherwise be overlooked.

All container grown plants should be brought to the Coliseum on Wednesday September 17, between the hours of 1:00 and 6:00 p.m. for entry. All other entries 8:00 a.m. to 11:00 a.m. Thursday.

All amateur gardeners and exhibitors in the Scurry County area are invited to participate, if entries conform to the rules in the schedule. The rules are set by the National Council of State Garden Clubs, Inc. and must be honored by the Twilight Garden Club. Nationally accredited judges will begin at 1:00 p.m. September 18. The show will be open at 3:30 Thursday.

All horticulture specimen must be yard grown by the exhibitor. Please read Schedule rules for "Horticulture" to make sure your specimen is correct size, disbudded, clean and well groomed, etc.

MR. AND MRS. JOSE ANTONIO LOPEZ

(Photo by Craft)

Sauceda, Lopez Wed In Catholic Church

Miss Gloria Angeles Sauceda became the bride of Jose Antonio Lopez September 6 at 4:00 p.m. in a double ring ceremony at Our Lady of Guadalupe Catholic Church. The Rev. Thomas Jordan, pastor of the church, officiated in the ceremony.

Parents of the couple are Mr. and Mrs. Fernando Sauceda and Mr. and Mrs. Faustino Lopez, both of Snyder.

Given in marriage by her father, the bride was adorned in a formal length gown of white bridal satin. The gown featured empire waist with lace covered yoke and long sheer sleeves cuffed with deep lace cuffs. Her fingertip veil of illusion was attached to a Juliet cap.

The bride carried a bouquet made of pearls, and clear beads entwined with white lace ribbon, a gift from Mr. and Mrs. Juan Sifuentez.

Martha Sauceda, sister of the bride, was maid of honor. She wore a white formal length gown accented with blue and white flowers.

Bridesmaids were Josie and Norma Sauceda, sisters of the bride and Birdie Harrison, Lupe Molina and Iram Lopez. They wore pink formal gowns and white hats and white gloves. Each attendant carried a nosegay of white and pink roses.

Flower girl was Teresa Sauceda, sister of the bride and Andrea Lopez, sister of the groom. They wore gowns fashioned after that of the maid of honor and carried bouquets matching their gowns.

Simon and Naomie Gutierrez served as ring bearers. Naomie was adorned in a long white satine gown and Simon wore a blue suit.

Jose Luis Sauceda, brother of the bride, was best man.

Serving as sponsors for the couple were Mr. and Mrs. Leon Gutierrez, Mr. and Mrs. Juan F. Sauceda, Mr. and Mrs. Alfredo Camarillo, Mr. and Mrs. Venancleo Galindo, Mr. and Mrs. Juan Hernandez, Sr., Mr. and Mrs. Johnny Hernandez, Mr. and Mrs. Ignacio Castillo, Mr. and Mrs. Juan Sifuentez, and Mr. and Mrs. Leon Vargas.

The church altar was decorated with an arch of white flowers entwined with greenery.

Miss Kathy Hammitt, organist, rendered traditional wedding music and special selection was "Color My World."

The reception was held at the Latin American Center. Colors of white, blue, pink and lime were carried out in decorations of streamers and flowers. The three tiered wedding cake was provided by Mr. and Mrs. Leon Gutierrez.

For the three day wedding trip to Dallas the bride chose a blue dress with white accessories.

The bride, a 1975 graduate of Snyder High School, is presently attending Western Texas College.

The bridegroom is employed by Price Construction.

Out of town wedding guests were from San Antonio.

PROJECT COMMITTEE- The Women's Hospital Auxiliary of Cogdell Memorial Hospital announce a new committee in its many phases of work in the organization, known as an "AD HOC" or project committee. Working in other phases of the Auxiliary these volunteers, or "Pink Ladies" are organized for special projects and fund raising projects. All proceeds received from fund raising projects go to the Medical Students Scholarship Fund. The Auxiliary will sponsor a booth at the county fair September 18-19-20. Pictured above, back row, Ruby Anderson, Wilma Dillard, chairman; front row, Lounette Null, co-chairman and Carolyn Jackson. Not pictured, Joyce Dow.

Proper Fit Important For Women's Pants

COLLEGE STATION—Women in pants can look really good—or really bad—depending on how the pants fit, Margret Ann Vanderpoorten, a clothing specialist, says.

Selecting styles that suit her body type has much to do with a woman's overall appearance in pants, the specialist added.

"As an example, for the woman with a small waist and large hips, pants featuring a separate band at the normal waistline usually are better than bandless styles.

"This style is more flattering because the eye travels vertically along the pants legs and horizontally at the waist—minimizing the difference between waist and hip sizes."

She said other devices creating vertical lines for the eye to follow are a fly front zipper, pleats or sharp creases.

Miss Vanderpoorten is with the Texas Agricultural Extension Service, The Texas A&M University System.

Deciding whether to have a front or back zipper is also important for figure flattery. Pants with a fly front add inches to the tummy, while back-zippered styles help fill in a hollow or sway back, she explained.

"Jeans and other pants with bands designed to ride on the hips rather than at the waist are generally flattering to the short-waisted figure.

"In contrast, natural waistline or even high rise waists and bib front styles flatter the long-waisted build."

After determining the most flattering styles, be sure the pants legs are long enough. Too-short pants look awkward and are never flattering, the speicalist reminded.

"Remember, too, that pants should never fit so poorly or be so tight that they 'smile' in front or form creases under the seat in back," she said.

Bananas—an excellent source of potassium—add variety and nutrition to family meals. Try sliced bananas with peanut butter or fried bananas for a different dessert idea, suggests Sally Springer, foods and nutrition specialist with the Texas Agricultural Extension Service, The A&M University System.

Mozart Programs Set In Kansas City

KANSAS CITY, Mo. (AP) — Multimedia Mozart is coming to this Midwestern metropolis.

The Kansas City Philharmonic will launch its 43rd season this fall with three Mozart programs in the Multimedia Forum, an audio-visual communications facility in Crown Center, a city-within Kansas City.

The concerts will be preceded by a three-screen slide presentation on Mozart. There will also be intermission film shorts on Mozart, the prodigy, the composer and the man. Closed-circuit television will provide close-ups of soloists on TV monitors throughout the concert hall. However, there will be no movement of cameras, slides or film while the music is played.

"This is neither a gimmick, nor an effort to tamper with the musical purity of Mozart," conductor Maurice Peress said.

Minimize Decorator Color Fading

COLLEGE STATION—Some bright decorator colors so popular now are faster faders than others—and consumers can minimize sun fading by careful selection, Denis Beigbeder, a housing and home furnishings specialist, says.

"Whether in drapes, carpets or furniture, primary colors—pure red, yellow and blue—don't fade as fast. They only get lighter in tint.

"But mixed colors—variations of orange, purple and green—may change color completely, because one of the component colors fades faster than another.

"And fuschia and turquoise are two of the fastest faders, according to research studies," she noted.

Miss Beigbeder is with the Texas Agricultural Extension Service, The Texas A&M University System.

Considering fabric types in relation to fading, the specialist said that solution-dyed synthetic fabrics don't fade too much because the color is "locked-in" while the fiber is still in a liquid state.

Also, woven fabrics are especially colorfast, she said.

S. L. Brown Descendants In Reunion

The descendants of Mr. and Mrs. S. L. Brown of Cuthbert met over the Labor Day weekend at the Ira Community Center for a reunion.

Attending were Mr. and Mrs. C. C. Brown of Lamesa; Milton Brown of Campbell, Calif.; Pat Moore, Mr. and Mrs. Algie Brooks of Ira; Jim Heathington, Mr. and Mrs. Loyd Brown of Lubbock; Mrs. Burr Brown, Mr. and Mrs. Louis Sprague and Daniel, Mrs. Veta M. Reed, Mrs. Minnie McCarty, Mr. and Mrs. Leland McCarty, Jane Ann and Steven, Mr. and Mrs. Howard Marlar and Bryan, all of Snyder; Mr. and Mrs. Ricky McCarty of Sonora; Mr. and Mrs. Truman Evans, Ricky Carlton, Mr. and Mrs. Paul Miller and Pam, all of Sweetwater; Mr. and Mrs. W. W. Hester of Cuthbert; Mr. and Mrs. Vita Ferlanto, Terry and Laura, of Mission Viejo, Calif.; Mr. and Mrs. Lee Brown and Violet Brown, all of Dallas; Mr. and Mrs. Bill Thompson of Skellytown, Mrs. Mary Thompson and Dorthy of Gordon; Aaron McMeekins, Fletcher Brown, Mr. and Mrs. Jim Brown, Mr. and Mrs. James R. Brown and Tom, all of Colorado City; Mrs. Leola Pearson of Tolar; Mr. and Mrs. Lawrence Brown of Belen, N.M.; Vicky Gartmen, Mr. and Mrs. Joe Bob Flowers, Walter, Lanell, Betty Ann, Karon Kay, Bob and Debby, all of Robert Lee; Raymond Brown of Golden, Colo.; Mr. and Mrs. Ray E. Community Calendar

MONDAY

Reception honoring Sul Ross State University graduate students, 7:30 p.m., Christian Student Center.

TUESDAY

Art Guild study Club will meet at 7:30 p.m. with Mrs. Henrietta Lee, hostess.

School Food Service Association will meet at 2:45 p.m. in the snack bar of Snyder Junior High School.

Beta Sigma Phi will meet at 7:30 p.m. at Martha Ann Woman's Club.

WEDNESDAY

Sparkle city Squares will have a workshop beginning at 8:30 p.m. at the National Guard Armory with Sleepy Browning, caller.

Altrurian Daughters Club will meet at 3:30 p.m. at Martha Ann Woman's Club with Mrs. E.C. Mlcak, hostess. The program "Occupational Technical Education" will be presented by Dr. Ben Brock.

THURSDAY

Snyder Coin club will meet at 8:00 p.m. at West Texas State Bank Community Room.

Eastern Star will meet at 7:30 p.m. at the Masonic Hall. Hostesses are Loraine Tipping, Joanne Sterling, Rosa Bigham.

Ira PTA will meet at 3:35 p.m. in the study hall of the school.

FRIDAY

Open duplicate bridge at 1:30 p.m. at Snyder Country Club.

SUNDAY

Open duplicate bridge at 1:30 p.m. at Snyder County Club.

Scurry County Fair Calendar

MONDAY

The carnival arrives.

TUESDAY

Enter art items from 1-8:00 p.m.

WEDNESDAY

Enter textiles from 1-8 p.m.
Enter handicrafts from 1-8 p.m.
Enter agricultural exhibits from 1-8 p.m.
Enter flower show (container grown plants) from 1-6 p.m.
Enter canned foods from 1-9 p.m.
Set up educational and community exhibits from 12:00 noon til 10 :00 p.m.

THURSDAY

Enter textiles, handicraft, agricultural exhibits from 8-9 a.m.
Enter flower show, cut flowers, from 8-10:50 a.m.
Judging will be in process in coliseum from 9:00 a.m. to 12 noon. Coliseum will be closed to public.
Fair officially opens to public at noon.
Special programs in South meeting room: 2:00 p.m. "Self Concepts" by Mrs. Paula Cawthon, County Extension Agent, Garza County. At 3:00 p.m. "Cake decorating" by Mrs. Carol Kozelsky.
Special night entertainment in coliseum at 8:00 p.m.

FRIDAY

Enter baked products from 5-9 p.m.
Special programs in south meeting room: 2-3:30 p.m. "Making Men's Jackets" by Mrs. Janis Choate, County Extension Agent, Mitchell county.
Special night entertainment at 8:00 p.m.

SATURDAY

Enter baked products from 7-9 a.m.
Judging baked products 9:00 a.m.
Special programs in south meeting room at 10:30 "Meats, New Ideas to Please Your Family" by Mrs. Katherine Berry, Home Economist with Furr's, Inc.
2:00 p.m. "Make Your Own Lingerie," by Mrs. Debbie Noak.
8:00 p.m. Special night entertainment.
Talent Show.

SUNDAY

Check out time 2-5 p.m.

Art Show Entries Due

The Snyder Palette Club again is sponsoring an Art Show in conjunction with the annual Scurry County Fair, which will be held Sept. 18-20 in the Scurry County Coliseum.

Any artist is eligible to enter the Art Show. Entries should be taken to the coliseum between the hours of 1 p.m. and 8 p.m. Tuesday, Sept. 16. Entries will be picked up between 2 p.m. and 5 p.m. Sunday, Sept. 21.

All art work must be matted or framed and wired for hanging. Paintings should not be over two years old, but should be the work or the person exhibiting them. The article must not have been previously shown at the Scurry County Fair. No wet paintings allowed. Each artist may enter four works of art in each division.

There will be four ribbons given in each class--1st, 2nd, 3rd and honorable mention. Three overall best ribbons also will be given. There is no size limit. The judge's decision will be final.

All work must be original. No copy work will be allowed in any division.

There will be professional and non-professional categories only in the adult division.

Divisions will include:

Pre-school to 6 years; elementary school 1st grade to 3rd grade; junior high school; senior high school; adult; 4th grade to 6th grade.

There will not be any professional or non-professional categories for the junior and high school divisions. Entries in the children's art division must be creative work done by the individual. No mimeographed, stencils, patterns or templates will be allowed. The divisions will include 2-dimensional and 3-dimensional.

Two-dimensional classes in the adult division include oil paintings and acrylic; watercolor, opaque and transluscent; drawings-- all media; graphics--lithographs, woodblocks, serigraphs and intagli, etc.; collage; and, photography.

Two-dimensional class in the adult division includes sculpture.

COUPLE WED- Miss Betty Ann McCullough and Dewayne Shelton Curtis were united in marriage August 23 at the First Assembly of God Church, Grand Prairie. Reverend Don Paul Gray, pastor of the church, officiated. Parents of the couple are Mr. and Mrs. Harley M. McCullough of Oklahoma City and Mr. and Mrs. J.D. Curtis, Jr., of Snyder. Mrs. Don Paul Gray of Grand Prairie and Rev. Doyle Glover of Clyde were honor attendants. Mrs. Curtis is a graduate of Southwestern Assemblies of God College in Waxahachie. Her husband is presently a student at the University of Texas School of Nursing in Fort Worth. The couple will reside in Arlington.

Heritage, Hopes Of Women

Lambda Kappa Chapter of Beta Sigma Phi met Tuesday at Martha Ann Woman's Club with president Laura Greene presiding.

The chapter was once again designated a three star chapter by International for its outstanding cultural and community work during 1974-75 year. Donna Cullar presented a report on postive group thinking which concluded the business meeting.

Mona Bryan presented the program "Woman, Her Heritage and Hopes." This program was to introduce the programs for the coming club year.

Mrs. Bryan began her program with good news and bad news for women and used cartoons to look at the light side of women and to show that our hertiage comes from many sources.

The beginning of our hertiage came from the Bible, the story of creation, man's interpretation of the Bible and the part woman played in Bibical days. Other sources of womans hertiage have come from fashions and beauty, pursuit of the male, woman's role in sports, in a mans world, manners and morals and their position in a home with husband and child.

Where are women going and what will they do after they arrive? Are women going to be content? What about "Womens Lib?" Mrs. Bryan concluded her program saying, "To study them, the woman, her hertiage and her hopes will be our concern for this years programs and discussions."

Arlen Found He Could Go Home

PASSAGE TO ARARAT. By Michael J. Arlen. Farrar, Straus & Giroux. 293 Pages. $8.95.

Phil Thomas
AP Books Editor

His Armenian parents named him Dikran Kouyoumjian. But at the age of 21 he changed his name to Michael Arlen, living in France, England and then America, achieving success as the author of such books as "The Green Hat."

His son, Michael J. Arlen, grew up thinking of himself as English, and then American. He knew little of his Armenian cultural heritage. But when he turned 40, the son was asked to speak to an Armenian group in New York City and agreed. After the talk an old man told Arlen, "You are Armenian. It is not such a strange thing to be an Armenian." It was then Michael J. Arlen knew it was time to reclaim his heritage.

"Passage to Ararat" is the highly personal, immensely readable story of that search. Arlen began with an intensive reading of books telling about Armenia and Armenians, and ended with a revealing trip to Armenia itself, an ancient nation that now was "a tiny island in the ocean of the Soviet Union." Arlen's rediscovery of his Armenian origins is most interesting, often touching, because through this search he also was able to come to terms with his late father, a man he had never really understood.

While Arlen's book is largely a personal memoir, it also is crammed with facts about Armenia and its culture. One of the earliest of recorded races, the Armenians were to have only a minor minute in the sun before embarking on a trip through the ages that was to be largely marked by violence and genocide.

Wild Turkey Replaced Goose

CHICAGO (AP) — At the time of the first Thanksgiving, English goose was the traditional main dish at celebrations and religious feasts such as Christmas. Thanksgiving, according to researchers for World Book Encyclopedia, was the Puritan substitute for Christmas. And wild turkey, being abundant through New England, became the substitute for the goose.

Is now the time to buy land?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

HEALTH TIP from DEAN

Noise in cities not only can cause real damage to hearing, but can also adversely affect blood pressure, the heart, and eventually "disturb every bodily function" warns Dr. Rosen of the College of Physicians at Columbia U. The ear attempts to bar excess noise by contracting the blood vessels during sleep as well as during wakefulness. Add this noise factor to the air and water pollution of the cities and one wonders whether good health can be maintained in many large cities.

Infections of female organs

By Lawrence E. Lamb, M. D.

Although the majority of vaginal discharges are caused by the parasite (trichomoniasis) or by a fungus (yeast, monialiasis), some can be caused by bacteria. The discharge in these instances may resemble something in between the thin green-yellow discharge of trichomoniasis and the thick, cheesy, creamy, yellow-white discharge of the yeast infection.

The only way to identify this type of infection is with bacteriological methods, including studies of the discharge and cultures. The bacteria that may be involved are numerous, including the staphylococcus, the streptococcus, and even a strain of E coli which ormally lives in everone's colon. Many organisms can be involved.

The most distressing symptom is the itching and burning of the vagina, although this may not be as annoying as that caused by a yeast infection.

These bacterial infections are common when the vaginal lining dries out and loses its normal acid character. They often complicate the drying changes the vagina that result from hormonal disturbance during or after the menopause. In these cases the basic problem of the vagina and the infection must both be treated. This requires treatment with both hormones and antibotics as well as measures to restore the normal acidity of the vagina.

The treatment of a bacterial vaginal discharge depends upon the type of bacteria involved, and its sensitivity to various antibiotics and sulfa drugs. Often special tests are needed to be sure what antibotic the organism will be sentive to. In some instances a local antibiotic ointment is adequate, but often treatment of the area this way and antibiotics by the mouth may be necessary.

As I have mentioned, in relation to other vaginal infections, the male is often involved, too. In the majority of women with a bacterial vaginitis, the men will have the organism in their urethra. In cases the man should also be treated at the time the woman is treated to prevent reinfection.

Gonorrhea can cause vaginitis. Although it commonly affects the urethra and urinary tract, it can invade the vaginal lining. When it does it causes a profuse yellow or yellow-white discharge. The amount of discharge is the key. Gonorrheal vaginitis is usually accompanied with evidence of infection of the urethra, and there may be some pus in the glands around the urethra.

Gonorrhea is not always spread by sexual contact. It can affect children and be spread by towels and even the toilet seat. In children it seldom causes the profuse discharge seen in adults.

The vaginitis is the least of problems with a gonorrheal infection. The bacteria will invade the uterus and finally the tubes and may cause permanent sterility. They can invade the body and cause a variety of symptoms from peritonitis to acute, red hot, painful arthritis, commonly of the knee.

Gonorrhea like other bacterial infections is treated with appropriate amounts of antibotics.

It should be noted that birth control pills tend to lower the acidity of the vagina and make it easier for the bacteria to establish an infection. This is true of the gonorrhea organism as well as other types of bacteria.

Send your questions to Dr. Lamb in care of this newspaper, P. O. Box 1551, Radio City Station, New York, NY 10019. While Dr. Lamb cannot answer all your questions personally, he will answer representative letters in this column.

DEAR DR. LAMB- Can you send me details on starting the walking exercise program you mentioned in your column?

DEAR READER- It is really very simple. Start out by walking for 15 minutes at a comfortable speed. Gradually increase the length of your walk to one hour. When you can walk an hour at a time repeatedly without getting excessively tired then you can introduce a jogging program. About that point you should have a medical examination to be sure you can do more vigorous exercise.

For those with no medical contraindications the next phase is to jog a short distance during your walk, don't overdo it. Then resume walking. Do this once or twice during the walk and then gradually increase the number of times you jog in the middle of your walk. Be sure not to push it and stop jogging at once if you feel tired. Eventually you could build up to jogging at a slow pace for a whole hour if you wish.

An alternative method after you are cleared for walking would be to walk for 20 minutes, jog a short distance, maybe only 100 steps counting when your left foot hits the ground, and then gradually increase the length of your jog by about 10 steps each day. Eventually you will be jogging as long as you want to after a warm-up walk of 20 minutes.

Walking, jogging and running exercises are great for your heart and circulaton. If you want the details on jogging and running for your heart, write to me in care of this newspaper, Radio City Station, P. O. Box 1551, New York, NY 10019. Send $1.00 for the two issues of The Health Letter, numbers 1-11 and 1-12 on Exercise, Heart and Circulation. Enclose a long, stamped, self-addressed envelope for mailing.

The important thing about jogging is not to push yourself. Always gradually train to the proper level. If you have been off exercise build back, gradually, to your previous level. A good rule to follow is never jog so fast that you can't carry on a conversation without getting breathless.

Do not try to set records or push your own speed. Most of the men who get into trouble (and it is usually men, not women) do so because they just can't control their competitive urge and have to beat their old time or prove something to themselves or someone else. Jog at a comfortable rate, smell the flowers along the way, and live to enjoy them.

Also, get proper gear. Good shoes that provide adequate cushioning help protect ankles and knees, particularly if jogging on hard surface. Many an over enthusiastic jogger has had to give up the practice because he didn't pay attention to this.

DEAR DR. LAMB- There has been a lot of three-day measles going around in my neighborhood. Would you please tell me if it's necessary for the child who has the measles to stay in a dark room? Some say yes, because the light would hurt his eyes and others say no, it's just an old wives's tale, so please give me your opinion.

DEAR READER- Bright light is painful or irritating to some people with measles. We call this photophobia, literally translated to "fear or light." For these patients it is helpful to have the room sufficiently dark to make them comfortable. Other than this, there is no reason to darken the room. The normal lighting conditions will not damage the eye in any way.

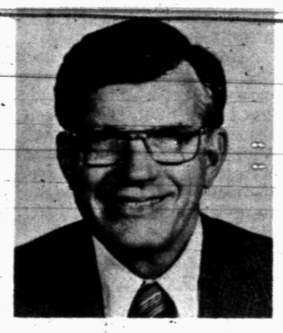
WORLD CHAMPION—Hunter Crawford of Snyder holds the plaque and ribbon he was awarded as World Champion Goat Pill Thumper in Brady recently.



LYMAN L. HANDY

SPE Section Sets Meeting Here Tuesday

"Short Term Needs and Long Term Risks in Oil Resource Development" will be the topic discussed by Lyman L. Handy, Chairman of the Petroleum and Chemical Engineering Depatements at the U. of Southern California in Los Angeles and a 1975-76 Distinguished Lecturer for the Society of Petroleum Engineers of AIME, at the September meeting of the Snyder Section of SPE. The meeting is scheduled for Tuesday, at 6:30 p.m. at the Snyder Country Club in Snyder.

In his speech, Handy will discuss the wise use of the remaining oil reserves along with an estimation when other energy sources can be expected to replace dwindling supplies of oil. Handy will also examine capital and technical manpower expenditures for oil exploration and recovery in light of the world's near term energy needs.

A graduate of the U. of Washington with a PhD in physical chemistry, Handy has had several papers published on fluid flow porous materials and assisted oil recovery processes. Prior to joining the U. of Southern California in 1966, he was a senior research associate at Chevron Oil Field Research Co. Handy has served as director and chairman for the Los Angeles Basin Section of SPE.

Competition Is Tough At Goat Barbecue

If you like barbecued goat, Brady is a place you ought to know more about, Jerry Baird, counselor at Western Texas College, says.

Baird prides himself on his barecue skills and he was one of the dozens of cooks who entered the World Championship Barbecue Goat Cookoff held in Brady over the Labor Day Weekend.

Baird's barbecue didn't rate any prizes, but he says there was plenty of friendly competition and, after all, the judges had to select the winners on the basis of personal preference in barbecue. Baird said the showmanship involved in the contest was something to see, and he got in some plugs for Western Texas College with the contestants and onlookers.

Hunter Crawford, 12, a Snyder Junior High student, fared better in one of the contests held as sidelights to the barbecue. He was named World Goat Pill Thumper, thumbing his entry a distance of 51 feet, two inches. He brought home a plaque and ribbon appropriately lettered. Crawford is the son of Mr. and Mrs. Gerald Crawford.

Plastic Pens Better Than Quills

NEW YORK (AP) — One of the world's top authorities of autograph collecting says if plastic-tipped pens had been available years ago, many autographs would be perhaps worth a great deal today.

Autograph collector expert Charles Hamilton said "pens of today have a lot over quill pens of the past. Quills had to be constantly sharpened and sometimes would catch in paper, squirt out ink and make a mess. Also, you couldn't write anything secretly because the quill squeaked so loudly."

Hamilton said the plastic-tipped pen "is a perfect example of a pen which gives an even distribution of ink and gives a letter a bold and cleaner appearance."

DIVERSIFIED

BY BILLY E. ROACH
COUNTY EXTENSION AGENT

SCURRY COUNTY FAIR

Our fair will be held next week and from all indications it will be another good one. We are looking forward to the return of livestock. Many of our local producers are going to bring in some of their animals for exhibit. There will be no judging, but these animals will be on exhibit all during the fair for people to see and do their own evaluation. I think our producers deserve our thanks for their support since there are no awards it does require daily attention for feed and care. As far as that goes all who participate deserve special recognition for without this participation there would be no Fair.

While we are talking about participation, its kind of sad to see, in many areas, people loose interest in a community project such as a county fair. Many times it becomes a usual or regular thing and some begin to feel that their support is not needed this year and drop out. But we all realize that something of this nature requires a lot of work and if a few drop out each year then finally we don't have much left. So if you were thinking about passi ng this year, give it another thought and bring in an exhibit or two. You'll enjoy it more.

LAWN AND GARDEN

There have been several problems associated with lawn and garden growing during the past week.

White grubs or grubworms have been causing a lot of damage in many yards. These worms cut off the roots of the grass about two or three inches under the ground. The grass will die and large patches of brown will begin to show up over the lawn. By close examination the grass will peel back in these areas and most of the time you will be able to find the worms on the edge of this dell or brown area. Diazinon (Spectracide) will give control. You may use either the granules or the liquid spray.

The webworms have continued to floourish in many trees in the Snyder area. Considerable damage can be done to trees if these worms are not controlled. Cutting them out of the trees, or burning them are the easiest ways of getting rid of webworms. If this is not possible, then applications of insecticides will be necessary. In pecans or other edibles use diazinon for control. On ornamental trees other insecticides such as chlordane may be used.

Spider mites continue to cause damage to garden products. Mites are found on the underside of the leaf under cobwebs. These are tiny insects and hard to see. Leaves infested with mites turn yellow, the plant is stunted and will finally die. Diazinon and ethion are recommended for their control.

Lawn diseases are also showing in many yards. Brown patch, fading out, and other related diseases have been observed. These diseases affect the stems and leaves of grass. Wet, cold weather is ideal for the development of lawn diseases. PCNB for brown patch and Captan, Zineb for the control of fading out will help.

SEE YOU AT THE FAIR.

A WEEK AT WTC

MONDAY

7:30 p.m., Receptions for Sul Ross graduates in Christian Student Center.

8 p.m., Rodeo Club meets in applied science building B-103.

WEDNESDAY

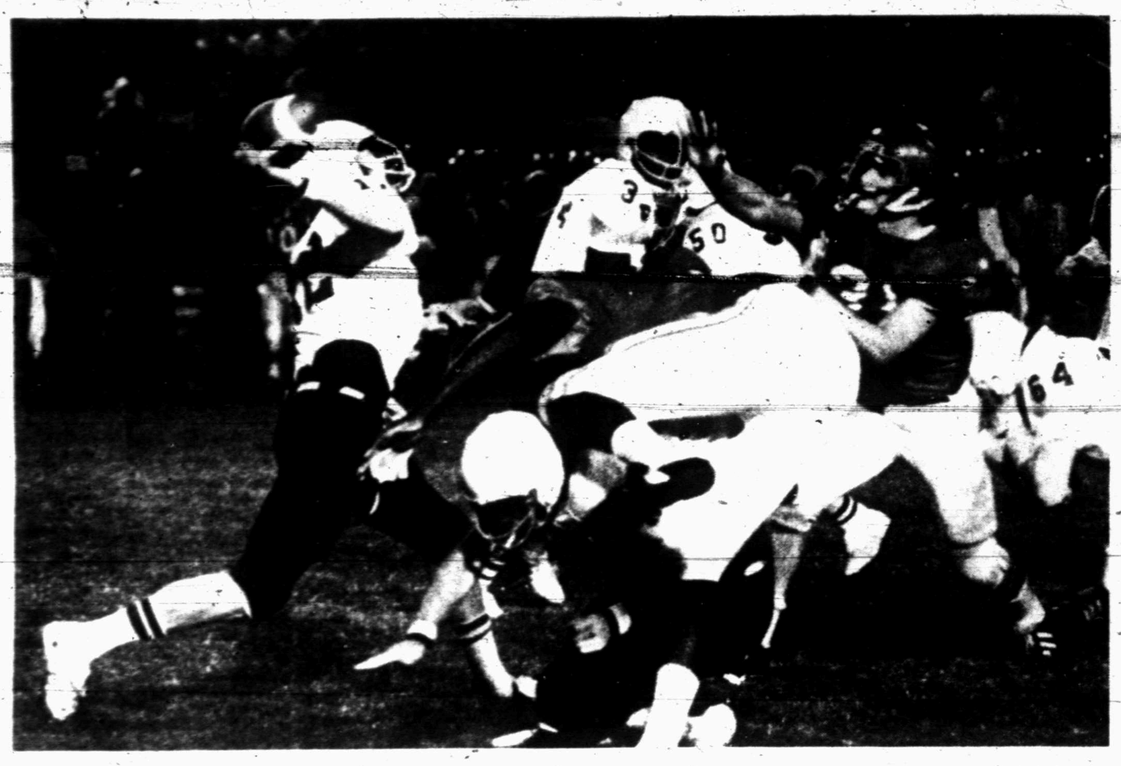
Lee Escapes Valiant Upset Attempt, 7-3



GREEN FIRES—Snyder High School quarterback Steve Green (12) completed 3 of 7 passes against Midland Lee's Rebels in Memorial Stadium Friday night for 33 yards while the Tiger defense was either intercepting or knocking down all of the Lee passes. Here, Green displays his passing style. Other Tigers in on the action are Mitchell Smith (34), Dennis Buchanan (50) and Dusty Land (64). Lee narrowly averted an upset, 7-3.

MIDLAND—Football is a game of yards, feet, and in some cases, inches.

Inches—that was the difference in Midland's Memorial Stadium Friday night as Snyder's Tigers came within inches of pulling off one of the biggest upsets of the year. As it was, the Midland Lee Rebels, a highly-regarded team in District 5-4A, had to fight for their lives to preserve a 7-3 decision over the fired up Tigers.

Snyder went into the game a four-touchdown underdog. But, like Snyder Coach Maurice (Mo) Hodges had promised, the Rebels knew they had been in a football game Friday night. The Tigers carried the fight to the Lee team, and the hosts were lucky to escape with a four-point margin of victory.

Two magnificent goal line stands were the key to the ultimate outcome of the spirited gridiron tussle. The first one occurred in the second quarter when the scrapping Tigers, vastly improved on defense, fought the Rebs with such dertermination that it required them four downs to score from the two yard line.

After a scoreless first quarter, Lee had launched a drive from midfield to the two with tailback Robert White and fullback Bobby Humble getting most of the yardage. Facing first and goal from the two, the Rebs called on their 195-pound fullback, and he responded with a gain of one yard to the one. On second down, White, a quick 155-pound tailback, was held for no gain. The, quarterback Russell Kellner, a 180-pound senior, tried to sneak it across, but was stopped inches away from the goal. On fourth down, White sliced between left guard and tackle for the game's only touch down with 9:14 remaining in the half. Humble's extra point kick made it 7-0.

The second crucial goal line stand occurred late in the third quarter when the Tigers, trailing only 7-3 then, and threatening to take the lead, were held for four downs at the one yard line.

Snyder had received excellent field position when Lee's Tom Cloyd was tackled at the Reb 14 yard line on 4th down after he bobbled a snap on an attempted punt. On first down, Tiger senior Tim Flynn slashed for seven yards to the seven. Mitchell Smith, 205-pound junior fullback, then blasted for two yards on two successvie plunges to set up fourth and one at the five. Smith was called on again and ground out the first down with a four-yard burst to the one.

Quarterback Steve Green tried to slice across on a keeper but was stopped inches short of the goal. Smith then carried on the next two efforts, but the Tigers were still inches short of a touchdown. On the 4th down, Green bobbled the wet ball and was thrown for a loss as the Rebs took over on their three.

Billy Skinner, 212-pound senior defensive tackle, was the leader of the Lee defensive effort. He was an unmoveable object during the goal-line stand.

Snyder still had a last-gasp chance to win the ball game late in the fourth quarter. Tiger Punter Dane Witherspoon had put the Rebs in a hole with a booming 40 yard punt that an alert Kenny Thompson had touched at the one.

Lee tried its best to run out the clock with Kellner, White and Humble taking turns running the ball. Facing fourth and five at their 36, Lee quarterback Kellner went wide left, reversed his field, and tried to run out the clock. He was tackled on the 13 yard line, but there was one second remaining on the clock when the play was over.

Snyder tried a slant in pass over the middle, but Green's pass was a little off target and a Lee defender hit Thompson at the same time the ball arrived. The pigskin fluttered harmlessly to the turf as the hosts preserved the victory by the narrowest of margins.

Snyder also got its three points in the second quarter as Witherspoon booted a 33-yard field goal on the last play of the first half. The field goal was set up by an interception by Bobby Thompson and a 55-yard drive from the Tiger 29 to the Lee 16. Biggest play in the march was a 29-yard interference call. After a 15-yard penalty, Green hit Smith with a 15-yard gainer on a screen pass and Thompson later took a 7-yard reception from Green at the 16.

Witherspoon missed an earlier field goal attempt from the 28 with 3:50 remaining in the half. This attempt was set up when George Miller recovered a fumbled punt at the Lee 34 yard line.

Mistakes stopped drives for both teams in the first quarter. Larry Gee intercepted a pass at the Tiger 20 and returned it to the 34 to halt a Midland march, and Lee recovered a fumble to stop a Snyder drive at midfield.

It was a tight defensive battle with both teams playing their best. All of the Tigers played well, but nose guard Darrell Lester, linebacker Greg Pavlik, tackle Charles Hammond, and end Mike Freeman turned in exceptional performances. David Rice had to play defense when Richard Baldarrama went out of the game with an ankle injury in the first quarter, and he did an excellent job.

Those who saw the Tigers against Monahans the previous week were amazed at the improvement of the defense.

Shyder now is 0-2 for the season while Lee is 2-0, but the Tigers will have to be reckoned with in the district race. If they keep playing like they did at Midland, they could repeat as district champions.

The defensive secondary also turned in a sparkling performance as Lee was unable to complete any of seven passes. In fact, two of them were intercepted. Meanwhile, Green connected on three of seven for 33 yards. witherspoon did another excellent job of punting on a wet field.

Smith was the game's ball carrier with 81 yards on 19 efforts. White paced the Lee attack with 67 yards on 21 carries.

Gail Rips Southland

SOUTHLAND—The Borden County Coyotes of Gail walloped Southland Friday night by a devastating 42-0 score.

Richard Long scored for the Coyotes in the first and fourth quarters with a run from scrummage in the initial period and a pass interception in the final quarter.

The Borden County quarterback Joe Zant passed to Gene Cooley for 40 yards and a Coyote touchdown in the second period. He scored another TD in the first half on a quarterback sneak.

Tye Zant, the Borden County safety was outstanding on defense. The sophomore safety picked off four Southland passes.

In the second half, two other Coyote defenders who Coach Bob Dyess stated were outstanding team up for a blocked punt. Patrick Toombs muffled the kick and Jim Buchanan fell on the ball.

Hobbs Falls To Divide

DIVIDE—The Hobbs Panthers took it on the chin Friday night as Divide swept pass the Panthers 30-6.

Hobbs only score came in the third period when Raymond Soto pounced on a Trojan fumble in the end zone.

Rusell Guthrie had a big night for Divide as he ran for touchdowns of 6 and 3 yards and passed for two others.

Despite the loss Hobbs Coach Sam Harvey stated that the Panthers are improving. Our passing game looked good," he said. We connected on six passes.

The defense looked real good in the losing cause. We held the Trojans several times close to the goaline.

Harvey singled out Randy Etheredge and Oscar Garcia for their fine defensive play.

Nero Gets Revenge

MEADOW LANDS, Pa. (AP) — The pacer Nero avenged his only setback of the year when he won the $17,552 Adios Pace for 3-year-old colts at The Meadows.

Nero's time of 1:57 3-5 set a stakes record in the final heat.

Killeen Upsets Bobcats, 27-18

By The Associated Press

Bryan passed a tough challenge to its No. 1 ranking in Texas schoolboy football Friday night, whipping 10th-ranked Conroe 28-15, while top-ranked teams in lower divisions also won.

Top-ranked Cuero of Class 3A blanked Victoria Stroman 17-0, Class 2A kingpin Cameron edged Rockdale 22-19, Class A's Grapeland smashed Winona 55-0 and Big Sandy of Class B clubbed Sabione 55-0.

The Class 4A elite in The Associated Press high school poll did well, with only one ranked team falling. No. 7 San Angelo became the second victim in a row to unranked Killeen, dropping a 27-18 decision. Third-rated Longview ripped Waco Richfield 34-0, No. 4 Mesquite tripped Dallas Spruce 28-15, No. 5 Plano edged Richardson 14-10, No. 8 Brazoswood walloped Houston St.Thomas 34-7 and ninth-ranked Dallas Carter blanked Sherman 21-0. Second-ranked Port Neches-Groves was scheduled Saturday night and No. 6 Irving MacArthur did not play.

Several teams in the 3A Top Ten failed to win. Marshall, a 4A school which knocked Longview Pine Tree out of the 3A Top Ten the previous week, clubbed No. 6 Mount Pleasant 33-7, No. 3 Brazosport lost 23-20 to West Columbia, second-ranked Gregory-Portland was tied 7-7 by Corpus Christi Carroll Thursday night and No. 4 Uvalde and Hondo fought to a scoreless tie. No. 5 Silsbee blanked Channelview 19-0, No. 8 Brownwood shackled Kerrville Tivy 31-0 and 10th-ranked Monahans beat Lubbock Estacado 20-7. No. 7 Mansfield and No. 9 DeSoto were idle.

In Class 2A, second-rated White Oak lost 21-7 to Hallsville, No. 3 Freer bounced George West 39-0, No. 4 Cisco routed Albany 42-0, fifth-ranked Ballinger shut out Reagan County 14-0, No. 6 Alpine tripped Fort Stockton 34-13, No. 7 Jacksboro rambled over Crowley 32-6, Bellville (tied with Jacksboro for seventh) was blasted by Caldwell 38-0, No. 9 LaGrange nipped Lockhart 7-6, and 10th-ranked Comanche was blanked 14-0 by DeLeon, the fifth-rated Class A team.

Three of the top six Class A teams lost. Weimar smashed No. 2 Schulenburg 18-6, No. 3 Seagraves handled New Deal 12-7, Childress outscored No. 4 Memphis 28-20 and Hawkins took a 6-3 decision from New Diana, which was tied for fifth with DeLeon. Seventh-ranked Knox City won a 14-0 duel with Rule, the No. 3 team in Class B, No. 8 Riviera nipped Zapata 19-15, No. 9 Brazos Consolidated topped Houston Hall 27-6, and Brookshire-Royal and Groveton, tied for 10th, beat Sealey 20-7 and Corrigan-Camden 39-8, respectively.

In Class B, No. 2 Celina beat Allen 12-6, No. 4 Chico nipped Goree 13-7, fifth-ranked Stinnett-Jown blasted Farwell 26-6, No. 6 Runge lost to the Karnes City JV 14-0 Thursday, No. 7 Lone Oak outscored Collinsville 22-18, No. 8 Moody whitewashed Axtell 6-0 and No. 9 Sudan defeated Anton 42-20.

Cocaptains of the Air Force Academy football team are senior fullback Chris Milodragovich of Butte, Mont., and senior defensive end Randy Spetman of Council Bluffs, Iowa.

Ira Downs Guthrie By 18-6

Guthrie—Ira's Bulldogs continued their winning ways Friday night as they rolled over Guthrie 18-6.

Once again it was the Ira quarterback who turned in a fine performance as Royce Corbell scored all the Bulldog points.

He first crossed paydirt in the initial period on a 65-yard scamper. In the second period Corbell got on a 40-yard run. He closed out Ira's scoring with a 60-yard run in the third quarter.

Guthrie's only points came in the third quarter when Dennis, Guthrie's quarterback, hit Green coming out of the backfield with a pass for six points.

Both teams had trouble hanging on to the ball as each team had 16 to 18 fumbles.

Ira's coach Patrick Sadler stated the whole defenisve unit did a good job, but singled out Joe Sanchez for his outstanding defensive work.

Sadler added that the offense unit looked spotty, but Myron Calley turned in a fine performance blocking out of the backfield.

With a 2-0 record, the Bulldogs will travel to Paint Creek next Friday night.

Wins 3000th

SARATOGA SPRINGS, N.Y. (AP) — Veteran jockey Braulio Baeza of Panama received congratulations when he rode Dottie's Doll into the winner's circle at Saratoga. It was his 3,000th victory in the United States.

License Fee

LITTLE ROCK (AP) — Arkansas has a fortune teller's license fee. It netted $250 for Arkansas in fiscal 1974.

NCAA Asks Court To Suspend Injunction

NEW ORLEANS (AP) — The 5th U.S. Circuit Court of Appeals has been asked to block a decision that would permit college football teams to take 60 players on a road trip instead of being limited to 48.

The 48-man travel squad was imposed by the National Collegiate Athletic Association as an economy measure last August, but Alabama Coach Bear Bryant then won an injunction against it.

In a petition to the Circuit Friday, the NCAA asked that the injunction be suspended, pending final outcome of an appeal. It also asked for an expedited hearing, but court sources said no deision on that would be made before next week.

Bryant got his temporary injunction, applying to all 821 colleges in the NCAA, from U.S. Dist. Judge Sam C. Pointer Jr. of Tuscaloosa, Ala., after a hearing Sept. 8.

Pointer said a 48-man traveling squad rule would create unfair competiion, since the home team was allowed 60 players. He expanded the traveling squad to a maximum of 60 players.

Nolan Ryan To Have Surgery

ANAHEIM (AP) — California Angels physician Jules Rasinski says fireballer Nolan Ryan should be ready for next season after he undergoes surgery to remove bone chips in his pitching arm.

The Angels announced Friday that Ryan, holder of the major league strike out record of 383 and co-holder of the no-hit record with four, will be operated on Sept. 23 in Houston by Dr. Joseph King.

The surgery was ordered after two Los Angeles doctors examined Ryan and diagnosed his condition as bone chips but asked Dr. King for another opinion on the necessity of the surgery.

FLYNN CARRIES—Snyder High School Tiger tailback Tim Flynn (24) bursts ahead on a quick-opener in the Snyder-Midland Lee football game in Midland Friday night. Blocking for him is Charles Hammond (74), 210-pound senior tackle. Lee took a narrow 7-3 decision. The Tigers take on another District 5-4A team at Big Srpring next Friday night.

Rams In Playoff Picture

LOS ANGELES (AP) — If Coach Chuck Knox of the Los Angeles Rams ever went out on a limb, it would be one of the stout, two-foot variety.

His veteran team has been considered a prime Super Bowl contender, but Knox is cautious, saying: "It is much too early to tell anything. I won't even know if we're improved until the fourth or fifth game of the regular season."

Knox rejuvenated the Rams two years ago and put Los Angeles into the playoffs both seasons, losing in the first round of 1973 and the second in 1974. He could go further in this third attempt.

"We hope the kicking game is improved with Tom Dempsey place kicking and Jim McCann punting," Knox said.

In Knox' first two seasons, kicking has proved one of the biggest problems.

Over-all, he observed, "Optimism and predictions have never won football games. Good tackling and blocking win football games. And that's what we're going to have to do to win this fall."

The ever-cautious Knox has an offensive line including Charlie Cowan, 37, Joe Scibelli, 36, and Tom Mack, 31.

"We don't judge age, we judge performance," the coach declares to the suggestion some of his players might be elderly. "And they are still performing."

On defense, Merlin Olsen is 35, but as his former teammate Roman Gabriel commented, "If you start thinking of his age, you're going to be sacked."

Los Angeles' main forte has been defense with a front four of Olsen, Larry Brooks, Jack Youngblood and Fred Dryer—all quick veterans. The secondary was hit hard when Charlie Stukes suffered a knee injury that required surgery.

Eddie McMillan moves over to that position with rookie Monte Jackson of San Diego State as the backup.

In the past two years the Rams traded quarterbacks Gabriel and John Hadl to Philadelphia and Green Bay, respectively, and gained a host of high draft choices in exchange.

Hadl's trade was predicated on the hope that James Harris, a Buffalo castoff, could do the job. Harris engineered the offense that won the Western Division title for the Rams in 1974. He was named the outstanding player in the Pro Bowl game. Ron Jaworski again will be his back-up.

In the pass catching department, Los Angeles signed Ron Jessie who played out his option at Detroit to team with Harold Jackson and Jack Snow.

Knox gives his running backs the option of running inside or outside. Lawrence McCutcheon established a Ram rushing record doing it that way. He gained 1,109 yards for the mark in 1974 after 1,097 the previous season.

If defenses cover the wide receivers. Harris has tight end Bob Klein, in addition to his backs to act as targets.

Klein, a 245-pounder from Southern California, should be one of the best at his position in the NFL. In the Rams' winning pre-season campaign, he has been used more than before as a receiver.

"There have been no great surprises or no great disappointments," said Knox of the pre-season, "except that we have lost five players to injuries."

Top draft choice Mike Fanning, from Notre Dame, suffered a broken leg, but two other first round choices, Doug France of Ohio State, and Dennis Harrah of Miami furnish back-up strength on the offensive line.

Of his over-all rookie crop when the Rams went primarily for big linemen, Knox again said, "It is too early to tell. All of them have a lot of learning to do. But we need to develop depth and they should help."

Stram Era Over

By ROBERT MOORE
AP Sports Writer

KANSAS CITY (AP) — The Kansas City Chiefs are definitely a question mark starting the new National Football League season.

Only one thing is really certain: Hank Stram, the dapper coach who guided the Chiefs through all of their previous years, won't be pacing the sidelines with a program rolled up in his hand.

The Stram era is over. Steram was fired last winter after a dismal 5-9 season, the worst in the Chiefs' history. Paul Wiggin, plucked from the coaching staff of the San Francisco 49ers, is the new boss.

The Chiefs hired the energetic, personable, 40-year-old Wiggin to try to return the team to respectability on the field and to restore the club's public image which sagged to rock-bottom in the waning years of Stram's regime.

Wiggin says the new coaching staff and the players are "trying to adapt to one another. There's still a lot of apprehension. We need some success now. Our big area of concern is our offensive line.

"I won't say we'll finish 8-6," Wiggin said. "I won't say we'll have it in three years. We're going to struggle and fight to be a winner."

Wiggin doesn't relish the thought of building his team around 40-year-old Len Dawson, who quarterbacked the Chiefs to a Super Bowl victory as the climax to the 1969 season and since has watched the team gradually decline.

If anybody beats Dawson out, and that isn't likely, it will have to be Mike Livingston, his understudy; Greg Cook, a rookie star with Cincinnati in 1969 but since plagued by shoulder problems, or Tony Adams, who led the World Football League in passing last season with the Southern California Sun.

No matter who plays quarterback, he's certain to have problems. The offensive line of the Chiefs simply isn't adequate despite the presence of veterans Jack Rudnay at center and guard Ed Budde and the likes of tackles Charlie Getty and Jim Nicholson and guard Tom Condon.

The Chiefs' kullback outlook has been bolstered by the acquisition of MacArthur Lane from the Green Bay Packers. Wiggin has a trio of fine running backs in Woody Green, Ed Podolak and Cleophus Miller. Green's status isn't certain. He is facing a rape charge in Portland, Ore.

About the running backs, Wiggin says, "I think we are the haves ... not the have-nots." And our fullback situation has turned around completely with the addition of Lane ... and there's Jeff Kinney and Morris LaGrand."

The Chiefs figure they are pretty well set defensively. Wiggin lured premier linebacker Willie Lanier out of retirement. Lanier is joined by two old standbys, Jim Lynch and Bobby Bell.

The rest of the defense is loaded with veterans, Wilbur Young and John Matuszak at end, Buck Buchanan and Marvin Upshaw at the tackles, Emmitt Thomas and Jim Marsalis at the cornerbacks and Mike Sensibaugh and Jim Kearney at safety.

American Loop Likes Youngsters

NEW YORK (AP) — The American League appears to have gone in for young ballplayers. All four of the first 1975 Player of the Month awards have gone to athletes 25 or under.

They are Milwaukee shortstop Robin Yount, 19; Minnesota pitcher Jim Hughes, now 24; Boston rookie outfielder Fred Lynn, 23, and Kansas City first baseman John Mayberry, 25.

MEET JOE SENTELL

Chances are, you didn't knowthis, but as a singer JOE SENTELL has been compared to Carouso..correction, make that Robinson Crusoe! Well, he does have a patriotic voice; it's cracked like the Liberty Bell.

Seriously, Joe Sentell probably thinks a basso profundo is an Italian car. Despite all this, however, when he sits down to tailor insurance to your exact need and announces a saving to boot, that's sweet music to anybody's ear.

So, if you're singing the blues over an insurance problem, take that problem to the man who knows the answers...JOE SENTELL. If he's not home singing in the shower, you'll find him at 2615 College, 573-3791.

40 BULLS AND 5 FEMALES— Anxiety 4th Influence

We strive to breed better cattle each year for our sale. We think our 1975 sale cattle are more growthy, more uniform and have more thickness

Today the future for Herefords is as bright as we have seen it in many years. Many of our leading beef cattle analysts have fully realized that Herefords are the most versatile domesticated animal with which we work. It has been proved that, by careful selection, you can go any direction easier with this breed than with any other.

Unquestionably, Anxiety 4th. was responsible for making Herefords what they are today and, to go a step farther, The Anxiety 4th. Certified Herefords are praying to be the most versatile line within the breed. It is the help from this line in our present day beef cattle improvement that has proved by test that Herefords far surpass the competition of the exotic influence so recently tried in the U.S.A. and Canada.

Visitors always welcome. We invite you to inspect our cattle at anytime.

Mr. & Mrs. Leland Wallace

Says Many Refused Insurance

HOUSTON (AP) — State Rep. Joe Allen of Baytown says citizens in his district are finding it increasingly difficult to get automobile insurance.

Allen testified Thursday at a public hearing before the competitive rate subcommittee of the Houst Committee on Insurance. Allen said he gets complaints from citizens who are turned down for car insurance or have their existing policies cancelled.

"When there is already a bad problem with drivers not purchasing insurance, it is pathetic that honest hard-working citizens are unable to buy auto insurance when they want it," Allen said.

"More and more often, we have instances of the uninsured motorist causing an accident, and then the insured motorist who was involved—but not at fault—gets his insurance cancelled," Allen said.

Subcommittee chairman Rep. Ben Bynum of Amarillo said 23 per cent of Texas drivers have no liability insurance.

The subcommittee is gathering information from the public, insurance agents and companies for possible legislation next session aimed at providing better insurance service in the state.

Irvine A. Dugas, 50, Houston, said his auto insurance was cancelled after six years with one company. Dugas said he was involved in three accidents over a two and one half year period, but none of the accidents were his fault.

Treasure Found In Coffee Can

LOVELOCK, Nev. (AP) — The Lee Olsons found treasure in a coffee can. They discovered a rusty coffee can half filled with $1,400 worth of $25 gaming chips from Harolds Club in Reno.

The Olsons were searching for old bottles near a dry lake when they came upon the frame of an ancient auto. Inside the car relic they found the rusty can and chips.

The game tokens were counted and verified by the club's assistant controller, Mike Mills. Some of the chips were partially burned and are about 15 years old.

Manitoulin in Lake Huron with an area of 1,068 square miles is the largest fresh water island in the world.

YOU'RE ON—Carroll Brush (right) will be making his stage debut at WTC as a cabman in "The Matchmaker" set to open Oct. 8. Shown with Brush at rehearsal is Bill Carter, also a member of the cast.

WTC Cast Picked For Wilder's 'Matchmaker'

The casting of the Western Texas College drama department's fourth big season opener, "The Matchmaker," is completed and Oct. 8-11 set for performance dates.

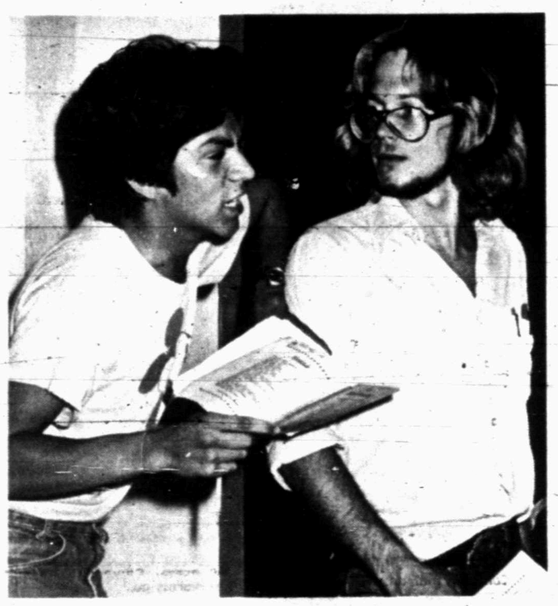
Playing the two major roles in Thornton Wilder's farce are Bill Carter of Lubbock as Horace Vandergelder and Julie Jones of Abilene as Dolly Levi. Carter is a new face for WTC audiences but has been seen by the Lubbock and Odessa poplus. He was technical director and active on stage at Odessa College for six months. He appeared in such Texas Tech productions as "Faustus," Tech's entry in the American College Theater Festival, and he has been involved in the Hayloft Dinner Theatre. At WTC, Carter is a sophomore student under scholarship and is directing the voice laboratories of Charles Holland, drama director.

Miss Jones is back at WTC as a second year scholarship student. She will be remembered for the past roles in "The Last of the Red Hot Lovers," "The Children's Hour," "The Odd Couple" and the '75 Roadshow "20th Century America." Miss Jones also participated in Texas Tech's repertory season as Fiona Foster in "How the other Half Loves" last summer.

Supporting leads in "The Matchmaker" are taken by Brian Nobles (Cornelius Hackel), Phylis Davis (Mrs Molloy), Bill Martin (Barnaby Tucker), Stacy Payne (Minnie Fay) and Trina Taylor (Mrs. Van Huysen).

Nobles, a scholarship student who transferred from Texas Tech, was involved in several shows there and appeared in the summer repertory production of "Come Blow Your Horn." Mrs. Davis, a Snyder resident, will be appearing on stage for the first time in nine years.

Martin, also from Snyder, previously appeared at WTC in such productions as "Butterflies are Free," "The Fanasticks," and the original 20th Century America production. Miss Payne, a freshman from Stanton, was named Best Actress in Stanton High School's One Act Play last year is a schlorship student at WTC.



WARNING—Pete Tercero (left), cast as Malachi Stack in "The Matchmaker", warns his employer, Mr. Vandergelder (played by Bill Carter) that Napoleon himself would "hide and listen" in a similar situation. Both Tercero and Carter will be making their first appearances on the WTC stage this fall.

Mrs. Taylor is music teacher at Northeast Elementary School this year and has worked with the Colorado City Lettle Theatre in recent months. She appeared in the Little Theatre production of "Sound of Music" as Mother Superior.

The other roles in "The Matchermaker" are filled by Pete Tercero as Malachi Stack and Cindy Hanson as Ermengarde. Tercero, a freshman from Snyder, has appeared in dramatic productions at Snyder High School. Miss Hanson, a sophomore from Fort Worth, won the title of Best Supporting Actress for her role in "The Children's Hour" at WTC last season and was a part of the 1975 road show.

Appearing in the roles of Rudolph, Joe Stanton, Gertrude and the cabman are Dennis McMenamy from St. Louis, Layton Lynch from Snyder, Jean Ann Gray, a scholarship student from Colorado City, and Carroll Brush of Snyder.

The 14-member cast is preparing "The Matchmaker" as WTC's entry in the American College Theater Festival with timing and precision. Being the farcical show it is, much of the action is near slapsick comedy and must be deftly handled. As Wilder has written this show, there are no "small" parts. Every character has a uniquely funny facet to it.

Tickets for the show will be on sale at Snyder National Bank, Snyder Drug, and West Texas State Bank. Admission prices are $2.50 for adults and $1.50 for students. Persons wishing further information may call Holland's office at WTC, extension 233, any afternoon Monday through Friday.

ASTRO-GRAPH

Bernice Bede Osol

For Sunday, Sept. 14, 1975

ARIES (March 21-April 19) You'll try to use cute little ploys to pass off things you should be doing. Your subterfuges won't work.

TAURUS (April 20-May 20) You have a tendency today to take strong positions on issues on which you are not fully informed. Anchor opponent will tear your arguments to shreds.

GEMINI (May 21-June 20) You are overly defensive today regarding one of the family. A friend's innocent remarks will be misinterpreted, causing hard feelings.

CANCER (June 21-July 22) Follow your instincts in making an important decision. Try to placate everyone and you'll wind up pleasing no one.

LEO (July 23-Aug. 22) Your judgment in materialistic pursuits is razor-sharp today. It's in contrast to your insensitivity to more aesthetic values.

VIRGO (Aug. 23-Sept. 22) Don't come on too strong today with people of lesser means, unless you want to be embarrassed into sharing when you don't want to.

LIBRA (Sept. 23-Oct. 23) You can attain what you seek today, but you must know when to stop talking. Otherwise you'll make far-out concessions.

SCORPIO (Oct. 24-Nov. 22) Something you've accomplished is worth bragging about, but in low-key terms or a friend will feel you're talking down to him.

SAGITTARIUS (Nov. 23-Dec. 21) You're more interested in a good time today than in responsibilities. Accordingly, you'll use a mild feint where a knockout punch is needed.

CAPRICORN (Dec. 22-Jan. 19) Concern with making a favorable impression will lead you to follow a vacillating course detrimental to your own cause.

AQUARIUS (Jan. 20-Feb. 19) Don't let anyone unfamiliar with your business give you advice off the top of their head. There's danger if you're tempted to follow it.

PISCES (Feb. 20-March 20) You're a prime target for a hard-luck story today. It won't make you any less a humanitarian to make sure you're not being put on.

Your Birthday

Sept. 14, 1975

You'll be more involved in the social whirl this coming year. Don't, however, become deeply enmeshed with people personally or in business till you have a chance to know them well.

NEWSPAPER ENTERPRISE ASSN

For Monday, Sept. 15, 1975

ARIES (March 21-April 19) Don't take things for granted today, careerwise or in dealings with friends. You're on very slippery ground.

TAURUS (April 20-May 20) You're not likely to have your priorities in proper perspective today. A matter of importance will be neglected.

GEMINI (May 21-June 20) Be extra careful how you handle financial affairs today, or you may make some irrational moves, hoping to save money. They'll cost you instead.

CANCER (June 21-July 22) It will cause severe repercussions today if you poke your nose into another's confidential affairs. Keep your comments to yourself.

LEO (July 23-Aug. 22) You'll be saddled with obligations today not of your making. Though you're aware of this, they'll still not be easy to dodge.

VIRGO (Aug. 23-Sept. 22) Take no risk while working that would violate safety procedures today. Be patient. Don't let your attention wander.

LIBRA (Sept. 23-Oct. 23) This is definitely not the day to try to keep up with the Joneses. Don't overspend to try to impress someone.

SCORPIO (Oct. 24-Nov. 22) You're not apt to be as patient and tolerant as you should be in order to maintain tranquility at home today.

SAGITTARIUS (Nov. 23-Dec. 21) You could further complicate a friend's serious problem by offering advice today without having full knowledge of the facts.

CAPRICORN (Dec. 22-Jan. 19) Treat warily any business tips you're let in on today by insiders. Be sure you have the complete picture before acting.

AQUARIUS (Jan. 20-Feb. 19) You'll do a lot of ineffective jumping around unless you organize your time and set specific goals.

PISCES (Feb. 20-March 20) You have a tendency today to turn things that should be pleasurable into chores. Look for the brighter side.

Your Birthday

Sept. 15, 1975

You're likely to make a change this year where your work or career is concerned. Responsibilities you'll assume will be a little stiffer, but your pay check will be fatter for it.

NEWSPAPER ENTERPRISE ASSN

Meeting Set By AARP

The American association of Retired Persons will have its regular monthly meeting Monday at 2 p.m. in the community room of the West Texas State Bank.

Mrs. W.A. (Ora) Wells, program chairman, will present the Scurry county attorney, George Killiam who will speak to the group on "The Importance of Making a Will." All members and interested friends are invited.

Vernon D. Parnell, president of the chapter, will lead in a brief business meeting in which plans and arrangements for future meetings will be discussed. Also final plans will be made for the defensive driving course which is to be sponsored soon by Chapter and the National Retired Teachers Association of Snyder.

Refreshments will be served at the close of the meeting.

All members and friends who desire transportation to the meeting are asked to call 573-2738 or 573-5705.

Road signs read with care provide clues to dangerous traffic situations.

College Rodeo Season To Open

The Western Texas College Rodeo Team will open its fall season Sept. 18-20 at the Eastern New Mexico University National Intercollegiate Rodeo Association (NIRA) rodeo in Portales, N.M.

The team will go to Roswell, N.M., Sept. 23-27 for the New Mexico Military Institute NIRA rodeo and to Lubbock Oct. 15-18 for the Texas Tech NIRA rodeo.

WTC will be taking at least 28 contestants to the first rodeo, Van Rigby, rodeo team sponsor, said. This is the largest number WTC has had.

Among the rodeo contestants returning to WTC this fall are Rick Bradley of Burkburnett who is in the top 15 in the Rodeo Cowboy Association (RCA) steer wrestling; Daryl Drain of Farmersville who specializes in bull riding and who has qualified for membership in the RCA; Brady Crumpler of Wichita Falls, a saddle bronc and bull rider and a member of RCA, and John Crane of Wichita Falls, a saddle bronc and rider and steer wrestler.

New at WTC this fall are Randy Jackson of Witchita Falls, who lacks only $11 filling his RCA permit in bull riding; Jimbo Murff of Conroe, a bareback rider; Ricky Roberts of Mansfield, a calf roper and steer roper; Kenny Lemond of Andrews; a calf roper; Keith Rowan of O'Brien, a calf roper; Craig Danner of Boham, a bareback and bull rider; Jo Ann Whitehaed of Morton, West Texas Barrel Racing Association champion this year will be working in barrel racing, goat tying and breakaway roping; Kerry Harston of South Lake, Tex., a barrel racer who has been invited to ride at the Southwestern Exposition and Fat Stock Show rodeo in Fort Worth next year.

"We've had great support from the Rodeo Booster Club so far," Rigby said, "and we would like to remind rodeo fans that membership in the Booster Club is still open to everyone. Anyone who would like to donate to our rodeo scholarship fund can get in touch with me or send a check to the WTC business office. Checks should be marked Rodeo Scholarship Fund, and donations of any amount are appreciated."

Riding Club Playday Set

The Region 6 Riding club is sponsoring an open playday at 4 p.m. Sept. 20 in the Snyder Sundowners Arena.

Eight events will be held with an entry fee of fifty cents per event. first through fifth place ribbons and high-point trophy will be given in each age group.

Proceeds from the playday will go to the Region 6 Princess, Vicki Blankenship of Snyder, to help defray her expenses as she travels representing the region.

Camping space and motels are available. A place will also be provided for districts wishing to hold their district meetings at this time.

The minimum vertical distance from the waterline to the gunwale of a vessel is known as the ship's freeboard.
