Christmas In April is Saturday

Mitchell County volunteers will be helping their less fortunate neighbors have a better place to live during this Saturday's Christmas In April event.

During the annual one day blitz of work, volunteers will be rehabilitating 25 homes throughout the county.

Other volunteers support the repair work by preparing meals, delivering supplies for the various projects and caring for the children of their fellow volunteers.

It's estimated that around 700 people contribute to the local Chrismas In April in one way or another—from field crews of Wallace Unit inmates who have worked for months doing preliminary work on the houses, to construction professionals who volunteer their skills to oversee the projects, to members of churches and businesses who concentrate their efforts on one house that has been adopted by their organization.

Months of preparation have gone in to getting ready for the one day community effort this Saturday. Texas Department of Criminal Justice field crews and field officers have been especially busy the last two weeks, doing work ahead of time so that the crews from the community can accomplish their work during one day.

The five crews from the Wallace Unit have put in around 1,500 hours of work on Christmas In April projects in the last two weeks, said Jan Lemons, CIA coordinator.

Mitchell County commissioners, county employees and the City of Colorado City have also done preparatory work during the last few weeks.

All in all, it's a community-wide effort, in the pioneer spirit of neighbor helping neighbor.

That spirit was epitomized recently by a couple of Wallace Unit field crew officers. During the preparatory work, a field crew was putting in a bathtub in a woman's house. However, they weren't able to complete the work by the time the shift had ended and the inmates had to be back at the prison.

The two crew officers came back out to the house that evening and finished the job on their own time.

GETTING READY FOR CHRISTMAS IN APRIL: Christmas In April Coordinator Jan Lemons and Lieutenant Rocky Moore supervise Wallace Unit inmates as they prepare a house for Saturday's Christmas In April community-wide effort. In the last two weeks, field crews from the prison have put in around 1,500 hours of work on the houses.

CHRISTMAS IN APRIL INFORMATION

- Volunteers who have not been assigned a house should go to the Chamber of Commerce Saturday morning. Jan Lemons will be at the Chamber beginning at 7:30 a.m. to coordinate the activity.
- Anyone who would like to work and has not worked in the past, call Bob or Laverne Chalker at 728-2310, the Chamber of Commerce at 728-3403 or Jan Lemons at 728-3678.
- Lunch is served to volunteers at the work site.
- All of the CIA workers who move around—"go getters", electricians, plumbers and their crews—should go to the Civic Center to eat their noon meal.
- A barbecue dinner will be held at the Mitchell County Ag Barn at the end of the workday for everyone who worked on a work crew.
- Anyone who has baked cakes in

MCHD board president resigns

Fred Thompson, president of the Mitchell County Hospital District board of directors, resigned from the board during Tuesday's regular board meeting.

"Due to changes in my current vocation and the additional time restraints placed on me, I don't feel I can devote the time required to fulfill my position as president and other board responsibilities," Thompson wrote in a letter of resignation.

The resignation becomes effective April 23.

Tuesday's meeting was the last regular meeting of the hospital board before the May 3 elections. Four seats on the hospital board are up for election this year. Kent Womack, the vice-president of the board, did not seek another term.

CHS Wolf Pack Band earns coveted Sweepstakes Award

The Colorado High School Wolf Pack Band received a Sweepstakes Award after receiving a first division rating from all U.I.L. competitions this year.

On April 16, the band competed in the concert and sightreading competition for Region II. This was the second consecutive year for the band to receive a first division in this contest.

In October the band received a first division for marching competition, which sent them on their way to the sweepstakes award.

"I am extremely proud of the outstanding students," band director Aaron Lewis said. "They have learned to work very hard to achieve this high level of perserverance and commitment."

Johnson execution date is set

After sitting on death row since 1986, time may be running out for a Mitchell County man convicted of killing a Snyder convenience store clerk.

Senior Judge Gene Dulaney signed an order of execution Friday, setting a June 4 execution date for Dorsie Lee Johnson Jr. of Colorado City.

If Johnson is executed as scheduled, it's believed that he would be the first Mitchell County man to ever be executed by lethal injection.

The judge's order follows action earlier this month by the Court of Criminal Appeals to vacate Johnson's stay, clearing the way for the district court to set an execution date.

Three other execution dates had been set for Johnson and a long string of appeals filed on his behalf over the years.

The last execution date of October 23, 1996 was stayed to consider constitutional challenges of a 1995 state law intended to speed up the appeals process for condemned killers. Johnson was one of several death row inmates who received

Early voting is off to slow start

Early voting got off to a slow start for the May 3 Mitchell County Hospital District Board, Loraine City Council and Westbrook Independent School District Board elections.

A total of 23 people had cast their ballots during the first week of early voting which began Monday, April 14.

At the hospital accounting office, which is handling early voting for the MCHD board election, 18 voters had cast ballots by Tuesday afternoon.

Officials at the Loraine City Hall said no one had voted early during the first seven days of the early voting period.

Military exhibit opens

Colorado City may not have their cannon back—yet—but that's not stopping many local people from honoring the area's proud military history, symbolized by the cannon.

A special military exhibit began Monday at the Heart of West Texas Museum.

Many of the items in the exhibit are on loan from local people and have never been available to be viewed by the public.

The controversial cannon may not be part of the display but three photographs in the museum

Fight leads to lockdown at prison

Eighty inmates remain in lockdown status this week following a fight at the Wallace Unit Thursday, April 17.

A unit-wide shakedown of the inmate population was conducted Tuesday at the Wallace Unit following several days of fighting.

Guards searched inmates' cells for weapons and any other type of contraband throughout the day and into the evening hours Tuesday.

The shakedown is a result of several fights that have broken out between Hispanic and white inmates in the last few days, said the assistant warden.

The enmity between the two groups of inmates was sparked Thursday when a melee broke out involving 81 prisoners.

The initial incident occurred when a line force group of 111 inmates was waiting at the back gate to go to work around 7:30 a.m. April 17. A fight between a Hispanic and a white inmate erupted into a brawl when most of the waiting inmates jumped into the fight.

Prison staff used tear gas and fired warning shots to break up the fight which was over in a few minutes, said Mohr.

Inmates were treated at the Wallace Unit clinic for minor injuries. None of the staff were injured in the incident.

The 81 inmates involved in the fight have been in lockdown since Thursday and will be released through a progressive

Candidate forum set in Loraine

A candidate forum, featuring the candidates for the Loraine City Council race, will be held at noon on Friday, April 25 at the Loraine Senior Center.

Three people will be running for the two seats on the council ballot—Pat White, incumbent; Mary Crisp and Carl Graham. Crisp and Graham have already committed to take part in the forum, according to Doris Henderson, Loraine Senior Center director.

White will be unable to attend but will provide a statement for the program.

The format of the forum will be informal, beginning with a presentation from each candidate present.

COOK'S CORNER

Texas Cattle Women unofficially dubbed the Dallas-Fort Worth Metroplex as the home of beef recipe champions March 7 when its judges selected the top two winners of the 1997 Texas Beef Cook-Off in Austin.

Both winners of the contest, which is conducted biannually by Texas Cattle Women in coordination with the Texas Beef Council, came from the Metroplex. They were selected out of 221 Texans who entered original beef recipes in this year's contest.

Herman Y. Liu of Carrollton won first prize with Cajun Ribeye Burgundy, a recipe idea that he describes as "Chioce cuts enhanced by jazz and wine."

The information technology management consultant says he enjoys developing easy and healthy recipes. He created Cajun Ribeye Burgundy as a time-saving recipe that takes just 30 minutes to prepare.

Besides ribeye steaks, the recipe includes a commercial Cajun spice mix and fresh oregano, thymne, rosemary and garlic. The ribeye steaks are cooked in moist heat using dry Burgundy.

Along with the first prize, Liu won $1,000 and the right to be selected for one of 15 spots in the National Beef Cook-Off next September in Tampa, Florida.

Second prize went to Loanne Chiu of Fort Worth for her Margarita Mango Beef Satay. The recipe uses top sirloin, one of beef's leanest cuts, that is cubed and then marinated in a mixture of commercial Margarita mix, teriyaki powder, pepper, tequila and baking soda. The marinated meat is grilled over high heat, and then skewered with bell pepper and mango. After 20 minutes of marinating, the dish takes 15 minutes to cook and is served over a bed of lettuce. For second place, Texas Cattle Women awarded Chiu with a 10-piece cookware set.

"Both winning recipes were excellent," said LeAnn Myers of Olney, Texas Beef Cook-Off chirman. "The winner created beef dishes that are so easy to fix anyone can make them. The overall champion is well suited to win the National Beef Cook-Off."

For more beef recipe ideas from the Texas Beef Council, call 1-800-284-BEEF.

1997 Texas Beef Cook-Off First Prize Winner
Cajun Rib Eye Burgundy

4 6-ounce beef rib eye steaks, 1" thick
3 tablespoons cajun spice mix
1 tablespoon olive oil
2 tablespoons oregano fresh, chopped fine
1 tablespoon thyme, fresh, chopped fine
1 tablespoon rosemary fresh, chopped fine
1 teaspoon garlic, minced
1 cup Burgundy
salt to taste
pepper to taste

Rub steaks on both sides with spice mix, adding salt and pepper to taste. In a heavy skillet, preheated over high heat, quickly brown the steaks two minutes on each side. Reduce heat to medium and add oil. Saute herbs and garlic in oil until fragrant and slightly brown. Reduce to low and add Burgundy. When wine starts to bubble, return steaks to skillet; reduce heat to simmer. Cover and cook for five minutes. Turn, cover and cook for five minutes. Remove steaks and boil liquid until reduced by half. Spoon sauce over steaks and serve.

1997 Texas Beef Cook-Off Second Prize Winner
Margarita Mango Beef Satay

1 pound beef sirloin steak
3 tablespoons margarita mix, thawed
1 3/4 ounces teriyaki spice mix
1/2 teaspoon black pepper
2 tablespoons Tequila
1/2 teaspoon baking soda
1 mango cubed
1 red bell pepper cubed
curly lettuce leaves

Trim fat from beef and cut into 3/4" cubes. Combine margarita mix with teriyaki powder, pepper, Tequila and baking soda. Mix well, add beef and marinate 20 minutes. Cut mango and red bell pepper into 3/4" cubes and alternately thread on skewers with beef, beginning with pepper and ending with beef. Grill over medium heat 8 to 10 minutes, turning often. Place satays on lettuce lined place and serve at once. Note: A nectarine can be used in place of the mango. To prevent burning, soak skewers in water for 30 minutes.

April is Child Abuse Prevention Month and here are some alarming facts:

In 1994, about 27% of all victims of child maltreatment were three years old or younger, and other 20% were between the ages of four and six. About 52% were female and 47% were male.

During the five year period from 1990 to 1994, more than 5,400 children died as a result of abuse and neglect.

In the United States during 1994, state child protective agencies received an estimated 2 million reports of abuse and neglect involving 2.9 million children.

Library receives grant

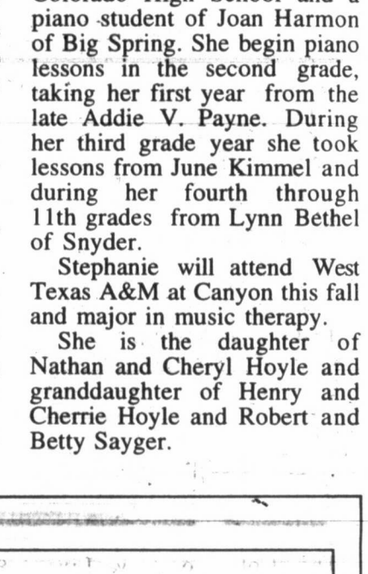

The Friends of the Mitchell County Public Library recently received a grant in the amount of $22,620 from the Abell-Hanger Foundation of Midland. The grant money will be used in the automation project at the library.

The Abell-Hanger Foundation was created by George Abell and his wife, Gladys Hanger Abell to carry on the philanthropic interests which they pursued during their lifetimes. Last year the foundation gave grants totaling over $4 million to different entities in Texas. The areas of giving include human services, public/society benefit, religion, education, health and arts/humanities.

The Mitchell County Public Library is in the process of automating its circulation and card catalog departments. After receiving a $15,000 grant last fall, the Library started the automation process and with the grant money received from the Abell-Hanger Foundation, the Library will be able to complete the project.

CHIEF LONE WOLF

By Jim Baum

Happy birthday Colorado City. It was this month 116 years ago that our town was officially born. Prior to the town incorporating, Mitchell County had been organized on January 10, 1881. The first construction train arrived at our townsite on April 16, 1881 and in July, the town was marked off.

R.H. Looney came to Colorado City in March of '81 and he wrote an excellent history of that period.

"The construction company that was preparing the right of way," Looney wrote, "had camps at different points and had one headquarter camp at Colorado. The Irish laborers who worked on the right of way in helping to erect the dumps and cut thru the hills were paid off at Colorado."

Looney went on to say our fair town had four or five saloons at that time. The townsite was virtually a tent village with some 500 tents. But, after the railroad reached this point, lumber began arriving and homes and buildings were constructed.

Another early day resident of Colorado was Branch Isbell. "Colorado City, Texas, was the liveliest village I have ever known," he would later write. "It was a mecca for gamblers and their associates. Four combination dance halls and variety shows flourished side by side for eighteen months and the largest cattle and sheep deals were consummated in the gilded back rooms of the most prominent saloons."

In short order Colorado City was known as the "Queen City and Mother of West Texas." By April of 1882 our town had become incorporated, although there was apparently something faulty about the process and the following year another incorporation was finalized. (This time the town was identified as "the City of Colorado.")

The first meeting of the city council was held on April 11, 1882, and bylaws were adopted for the town. The first ordinance passed was designed to promote the health of the citizens of Colorado City.

Specifically, it was ordained that "it would be unlawful for any person or persons to erect or maintain any privy without such privies shall be placed over a vault dug into the ground."

There were a number of other "firsts' during the year 1882. The first town marshall's salary was set at $75 per month. The first tax proposed was 2.5 mills on the dollar. The first public works project was the building of a public privy near the train depot.

The first home, other than a tent, was owned by Mr. and Mrs. W.J. Miller. The first building constructed in Colorado City was a general store owned by Dunn, Coleman and Company. Incidentally, water from the Colorado River was too salty for human consumption, so barrels of water had to be hauled in from Seven Wells.

The first saloon was owned by John Birdwell. The first school was opened by the Reverend O.F. Rogers and was located in a dugout along the banks of Lone Wolf Creek.

Getting back to those first meetings of our city council, in June of 1882 an ordinance was approved for "hiring out and working the town convicts."

Specifically, "any person who may be convicted of any violation of the ordinances of the town of Colorado shall be put to labor on the streets or any other work within the coporate limits" of Colorado City.

That was 115 years ago. Doesn't look like times have changed all that much afterall.

MC Hospital Dist. names employees of the month

Four employees of the Mitchell County Hospital District have been recognized for their outstanding service.

Adelinda Marquez, L.V.N., employee at Valley Fair Lodge, has been a health care worker for 25 years. She was born in Loraine and has lived in Mitchell County all her life. Adelinda and her husband, Manuel, have two sons, Adrian and Timothy.

"Adelinda is a very thoughtful and attentive nurse who has good communication skills. She is a valued asset to the residents and her co-workers at Valley Fair Lodge," said Marsha Rickard, lodge director.

Beverly Cogburn, RN is director of nurses at the Wallace Unit Clinic and resides in Roscoe. She has worked in health care for 10 years.

Employed at the Wallace Unit since its opening, she received her RN degree from Howard College in 1992. She and her husband, Jim, have two daughters, Haley and Shelby.

"Beverly has been an integral part of getting the Ware Unit Clinic organized and opened," said Gail Anderson, RN, correctional care unit director.

Frankie Riney, LVN, works with Jeffery Raymond, PA, at Family Medical Associates. Both Raymond and Shirley McPhaul believe Frankie has earned her honor. "She is always the first to work in the morning and doesn't leave until her work is complete. She has an outstanding attitude toward people and her job, said McPhaul.

Frankie and her husband, Alan, have four daughters and live in Maryneal.

MITCHELL COUNTY HOSPITAL DISTRICT EMPLOYEES OF THE MONTH have been named. The honored employees are (l-r) Beverly Cogburn, RN, Wallace Unit Clinic; Adelinda Marquez, LVN, Valley Fair Lodge; Frankie Riney, LVN, Family Medical Associates; and Lorrin Scott, PA, Family Medical Associates.

Lorrin Scott, physician assistant for Dr. Dee Roach, has also been chosen for this honor.

"Lorrin is an incredible asset to our health care delivery system. He is also one of the nicest men you'll ever know and a pleasure to work with," said Dr. Roach.

Lorrin, his wife Sarah and their children, Ashley and Trey reside in Colorado City.

The Mitchell County Hospital District is proud to recognize these outstanding people. They represent the commitment of the Mitchell County Hospital District to provide quality care to the people of Mitchell County and the surrounding area.

hallway show the cannon in Colorado City, local people securing the cannon with a chain and the cannon in Sweetwater.

Military music plays in the background as visitors tour the museum rooms. Numerous items are on display such as a Japanese flag, a bomb, medals and magazines of the World War II era. A special part of the exhibit honors local service people who died while serving their country.

Army, Navy, Air Force and Marine uniforms are all on display. The array of uniforms, many of which were once actually worn by local people, ranges from fatigues to dress uniforms to nurses uniforms to a USO uniform.

Firearms are in a locked glass exhibit and protected by the museum's new security system. However, the firearms will only be on exhibit for a few days this week before they will be returned to their owners, said Shirley Bradley, museum director.

By the end of opening day Monday, the exhibit had already attracted interest from both local and out-of-town visitors.

Bobby and Cathy Benson from Austin were among the first visitors.

A cub scout pack with seven boys and eight adults toured the exhibit Sunday. Following the tour the scouts performed community service work, raking and cleaning the yard of the Heritage House.

Seventh graders from Colorado Middle School will tour the museum Friday.

The museum is open from 10 a.m. until 5 p.m. Tuesday through Saturday for the special military exhibit. The exhibit will run through Memorial Day.

VOTING

FROM PAGE 1

District administration office had five early voters to cast their ballots by Tuesday.

CANDIDATES

Candidates for the Mitchell County Hospital board of directors include Weldon McMillan, Kenneth Rogers, Tom Carlock, R. L. "Sandy" McSpadden, George Oliver, Kent Boyd and Shirley Clifton.

Four positions are open on the hospital board.

Two at-large seats on the Westbrook Independent School District board are up for election this year. Incumbents Bruce Rich and Steve Rollins are being challenged by Philip Vigil, Jr., Tommy Whitesides and Rodney Moore.

Two at-large council seats are up for election this year for the Loraine City Council. Three people—Pat White, Carl Graham and Mary Crisp—will be on the ballot for the two seats. Mayor Cat Martinez is unopposed in his bid for re-election.

VOTING INFO

Early voting continues through April 29.

Early voting in the local hospital district board election will be held in the Mitchell County Hospital accounting office from 8:30 a.m. to 4:30 p.m. Monday through Friday.

Voters in the Westbrook Independent School District Board of Trustees election can cast early votes in the school's administration office from 8 a.m. to 4 p.m. weekdays. Loraine residents can vote at the Loraine City Hall from 8 a.m. to noon and from 1 p.m. to 5 p.m.

Applications for ballot by mail must be received no later than the close of business April 25.

Cannon celebration cancelled

The Cannon Celebration, scheduled Monday, April 21, was cancelled last week when the U.S. Army placed a moratorium on moving military equipment. The replacement cannon was expected to be shipped from Fort Hood to the Sweetwater Veterans of Foreign Wars post last week.

In the past, officers of the Sweetwater veterans' post have said that they would not return the cannon until they had authorization from the Army and until they had received their replacement cannon.

Colorado City officials had planned a celebration of the return of the cannon which would have included a barbecue and ceremony with special guests U.S. Representative Charles Stenholm and Ed Woolverton, chief of the U.S. Army RE-USE Dept.

Although the celebration was cancelled, the cannon will still be returned to Colorado City, said Woolverton.

"You are still approved for the transfer," said Woolverton.

Woolverton told Colorado City Mayor Jim Baum last week that the moratorium was due to the Army's re-evaluation of its policy on weapons' transfers. With the downsizing of the Army, there's an excess of equipment and many requests for it, Baum was told.

A cement pad for the cannon was laid at the Heart of West Texas Museum last week.

Burglary under investigation

A burglary at a retail beer store Saturday night is under investigation by the Colorado City Police Department.

Sometime late Saturday night or early Sunday morning, April 19-20, someone broke in the front glass door of Speak Easy and stole 10 cases of beer, according to Police Chief Patrick Taylor.

Speak Easy is located at 748 Concho in Colorado City.

stays until the court resolved the Davis vs. the State of Texas case in late December.

Johnson was convicted of capital murder by a 132nd District Court jury in October of 1986 for killing Jack Huddleston by shooting him in the back of the head with a .25 caliber pistol.

In the murder-robbery, Johnson and his accomplice, Amanda Miles, took $160 and two cartons of cigarettes. Miles was sentenced to the life equivalent of 60 years.

Judge Dulaney was the 132nd District Court judge at the time of Johnson's conviction and during most of his appeals.

A SUBURBAN with four passengers collided with a pickup truck in front of Collum's Restaurant Sunday afternoon. Two adults in the Suburban were taken to Mitchell County Hospital by the Mitchell County Ambulance Service. The driver of the Suburban was later transferred to a Lubbock hospital where she remained in stable but improving condition Tuesday afternoon. Two children in the Suburban were not injured. The driver of the pickup truck also escaped injury.

Two injured in Sunday accident

Two people were injured in an accident at I-20 and Hwy. 208, across the street from Collum's Restaurant, Sunday, April 20, around 4 p.m.

A collision occurred between a 1985 Ford pickup, driven by James Wooten, 19, of Celia, Texas and a 1992 Chevrolet Suburban, driven by Bobbie Osborne, of Amarillo.

Two women and two children were occupants of the Suburban. The two adult occupants of the Suburban were transferred to Mitchell County Hospital for treatment by the Mitchell County Ambulance Service. The driver was later transferred to University Medical Center in Lubbock.

Wooten received a citation for failure to yield right of way at a stop sign.

Attempted robbery goes awry

A possible robbery of a local convenience store went awry last Tuesday evening when the hatchet-carrying robbers were unable to use a chemical spray.

Three employees were working at Gas 'N Grub Tuesday, April 15, when two young men carrying hatchets entered the store around 9:30 p.m.

According to a store employee, the two attempted to spray the employees with a green dye substance, believed to be similar to Mace that's designed to incapacitate a person.

However, the possible robbers were unable to get the chemical spray to work and fled without taking anything from the store.

The incident is under investigation by the Colorado City Police Department.

The wells will be known as the Nos. 508, 608 and 609 Coleman Ranch Unit. Location is a 1,700 acre lease in the H&TCRR Survey A-1586. Authority has been granted for 3,500 feet total depth.

Inmates face arraignment

Seven Wallace Unit inmates charged with murder in the death of another inmate almost two years ago are scheduled to be arraigned Thursday in 32nd Judicial Court. The arraignment will be held for a formal pronouncement of charges against:

Aldolfo Garza, 24, of Del Rio; John Gauna, 21, of Belton; Salvador Munoz Hernandez, 20, of Lubbock; Luis Ortiz, 18, of El Paso; Humberto Paura, 22, of El Paso; Romero Perez, 20, of Odessa; Frank Ramirez, 22, of El Paso.

Latham Boone III is the special prosecutor.

The seven defendants are accused of the stabbing death of Renee Guerra, 22, during a June 25 gang-related disturbance at the unit.

During Tuesday's meeting the board also approved beginning the process for establishing a foundation. The hospital district auditor, Brandon Durbin, presented the board with information on hospital foundations, explaining that the primary purpose of a foundation is to raise money.

During the medical staff report, Dr. Dee Roach, Chief of Staff, asked the board to consider remodeling or redecorating the clinic "to make a more positive presentation to people who come to the clinic."

Fred Thompson, board president, agreed that the request should be a priority but the board did not take action during the meeting.

Hospital board candidates speak out

Seven candidates are running for four seats on the Mitchell County Hospital Board. The election is May 3.

To help voters understand their positions on various issues affecting the hospital district, candidates were interviewed individually by *Record* staff.

Each candidate was asked the same questions and given an opportunity to voice their opinions on the issues.

Here are the results:

Question 1. Do you think we need to:

a. Remodel our hospital?
b. Build a new hospital?
c. Maintain existing facility?
Why?

Weldon McMillan

I would like to see a new hospital built. It's going to be rough to do it, and people are going to holler and say, "Oh, our taxes are too high," but that's what we need. We don't have the stuff we need to take care of what people are going out of town for every day.

We have people going out of town to Abilene, San Angelo, Midland, Lubbock every day and we should be taking care of them.

I've heard before that we don't have the facilities, that it will cost too much. You will get doctors if you have a place for them to work. No doubt in my mind.

That's just what I see. It's going to be a lot of work to get it and it's going to take the whole county for it to begin. You can't just jump out here and do it in a week's time, but it can be done.

Tom Carlock

Build a new hospital. The old facility leaks when it rains and fills up the basement with water. It is just an outdated structure that has served Mitchell County well for many, many years. It's not functional for the doctors, nurses and patients who use it.

I know that we have a first-rate health care provider system in Mitchell County with our doctors, nurses and staff. but the outward appearance of the building doesn't give a very good image of first-rate health care

The hospital actually *is* the employees and the care they provide but the outside of the building just doesn't give the appearance that it's conducive to healing, and I think that's important for our hospital, our citizens and our economy, to give that appearance.

Sandy McSpadden

That's not a decision for me to make. That would be a decision for the voters to make. I would entertain the idea to hear what our physicians, new hospital administrator and others want to do.

Really, more important than that is what the people want to do as far as their taxes are involved. We want to cost the taxpayers as little as possible, whatever's done.

I don't want to cause a problem for the taxpayers or put the hospital so far into debt that somebody could come in and take it over. I don't want to create a situation where we can't maintain our own balance at the same time.

Kenneth Rogers

I think we need to build a new hospital. We've looked into the extensive cost of remodeling and because of the structure being as it is, I don't feel that it's really advisable to try to go in there and do the work that would be needed to meet all the requirements. If we were able to build a new facility, we could surround this facility with clinics of different kinds, doctors' offices, which would be more accessible to the hospital.

In this day and time, the cost of remodeling is awfully close to the cost of building from scratch. In the future, we can add to the new one if we need to.

Shirley Clifton

That is a hard question to answer because I don't really think specifically that any one of those is individually what I would like to do.

Right now, as things are, maintain what we have, but in the long, faraway future, when we put some cost-cutting measures into place and our taxpayers see that we can do a little more without raising taxes, I can see that it would be more economical and more feasible to build a new hospital rather than remodel the old one.

George Oliver

If we maintained, we'd have to remodel anyway. Eventually, we'll need to build a new hospital. The existing facility was good in its time, but over the years everything goes out of date. We need to avoid extra taxes for the citizens, though.

We need to look for ways to save money and build a new hospital in a way that won't make taxpayers suffer. To remodel the present facility would cost more and the upkeep would require more.

Someday we're going to have to put in a new building and we have to consider the safety factor, too. We have helicopters coming in quite a bit and I'm not saying anything would ever happen, but in a residential area like that there is always the potential. It's so populated around there that somebody could get hurt by one of the helicopters.

Kent Boyd

The best thing to do right now is to remodel the existing facility. We've already looked at building a new one and it's just not economically feasible at this point. I think we can do a remodeling job right now that will work until we can justify building a new one without costing the taxpayers money.

2. What would you like to see the hospital do to better serve the public?

Weldon McMillan

Get better facilities. We had to carry a relative to Lubbock for an operation, bring her home and take her back for six weeks for radiation treatment.

Tom Carlock

I think the public is being provided for very well right now. As I stated, I think we have a first-rate health care system. I would just like to see people that may be going out of town utilize our services to their fullest extent, as small town hospitals have to be utilized in order to survive.

I would like to see perhaps more surgery being performed here. We do several surgeries now, and often in emergency situations the patient doesn't have enough time to be transferred to a larger hospital to have surgery. I'd like for us to be able to use our hospital in 90 percent of the cases.

Obviously, Mitchell County Hospital will never be able to compete with Hendricks or Methodist or Shannon in a lot of areas. We'll never do heart surgery here, or some other things for which people will always have to go to other hospitals, but basically I would just like to see our hospital be able to provide whatever services we would utilize 90 percent of the time.

With our aging population, it's difficult for family members to have to travel out of town to see their loved ones and I'd like to have our hospital provide every service it possibly can and, more importantly, be able to maintain the quality that we presently have.

Sandy McSpadden

I think, first of all, as an athletic director and football coach, I've been in 15 or 16 different hospitals around the states of Texas and New Mexico and have seen the service in those places.

When I moved back here, my mother was in the hospital off and on, my aunt was in the hospital the entire time, or in a nursing home, for a year and a half, so I think we've got the finest staff, the best nursing care that any hospital anywhere can provide. That's one of the reasons I'm running. I'm very happy with the people we have and the existing physicians.

When people are sick, they don't care what something looks like. They want service. They want people there to hold their hands and take care of them. We've got fine people to do that and I've never been impressed with a hospital like I've been impressed with this one, and for the last 25 years I've been all over Texas.

This hospital is a Medicare provider and anyone can get in. I think that's fantastic. There are different places where people have had to have so much money to get in. Most of all, though, we've got wonderful people and it's people who make the facility, not the facility itself.

Kenneth Rogers

I feel at the present time we are meeting the public's needs as it is, but I'd like to see the hospital be in a position to expand as needed. I think building a new facility is one thing that would reach out and serve the people better. We'd also be able to reach out to people outside the county when needed.

Shirley Clifton

I think the thing that most people would like to have them do right away is to improve our billing services so they get faster turnarounds on their claims. I know they're working on it and when we get that settled it will improve everything.

George Oliver

Right now the hospital is doing an excellent job of serving the public. The staff there is excellent, they do their jobs, they treat the people with kindness, they're compassionate, and you couldn't ask for a better staff.

We might want to bring more services to the hospital so people wouldn't have to go elsewhere for testing, but that would be at a later date.

The facility needs to be improved, but as far as the staff goes, you couldn't ask for a better group of people.

I've been here nearly eight years now and I think it's time I got involved. Today I'm young and I don't have to worry about health care much, but I have family members who are in the older population. I've got a grandmother who's 95 and she goes to that facility when she gets sick. They've always treated here fantastically. I want to see that maintained.

Kent Boyd

I think being able to stay with the times to provide quality care the way we've come to expect. We have the personnel that can do it. Sometimes the facilities make it harder for them to do their job. Technology is changing so fast, a small hospital trying to stay with that, and also the way the government pays—Medicare and Medicaid is changing so much. That's a challenge.

3. What do you think is the biggest problem our hospital faces today? What can you do about it?

Weldon McMillan

I really don't know. I'm not a yes or no man to start with, I'm going to listen to both sides and then decide.

If there are changes we know have to be made, it's like everything else. If we're going to stay here we need a hospital. That's what I was thinking this morning. We could cure this hospital business real quick—just not anybody get sick.

I've got to see, really, what needs to be done. I'll devote full time to it if I need to. I want to help. I think we've got to have a hospital. If we don't get in there and work for one we're not going to have one.

Tom Carlock

Finances are always the major problem, I think, with the cutbacks in Medicare and insurance companies' stricter guidelines. That's the challenge of all small town hospitals—to be able to survive with the cutbacks that have already come and that are going to come in the future and we know there are going to be more of those.

I think our hospital just has to tighten its belt and run as efficiently as humanly possible. All of the different areas that encompass Mitchell County Hospital District have to be evaluated and all steps taken to ensure that it's running as efficiently as it possibly can. I think we've done a good job of that in the past.

I do want a hospital, and a medical facility with possibly a clinic adjoining it. I'm always mindful of the taxpayers and the tax burden they have in our county. Without that additional tax support small hospitals couldn't operate. I would be ever mindful to do everything possible not to raise the tax rate. I'm not going to promise that the tax rate will never go up if I'm re-elected, but I will do everything I can to continue to improve services without a tax raise.

Small towns have to do everything they can to attract and keep qualified doctors. We're very fortunate to have three highly-qualified doctors, and PAs and nursing staff. With the addition of a new, modern facility it would help ensure that the doctors we have stay and if for some reason we needed to in the future, it would make recruiting a good, qualified doctor a lot easier.

Sandy McSpadden

The biggest problem that all small hospitals today are facing and will face in the future is the possibility of having to close down or be taken over by bigger facilities. I've seen four takeovers in El Paso and three takeovers in Ft. Worth/Dallas. We cannot let this happen here. We've got what we need, so the main thing is to not let ourselves get in a position where somebody can come in here and take this hospital over.

If I'm chosen, I'm not going to let that happen.

This is really really not a game of playing politics. It's a hard work thing. It's something that we really have to work at. To me that's the most important thing.

anything overnight. It's just going to take a little while to get everything in place.

I do think that if we got a computer system where all of it was tied into one big mainframe so that everybody in every department knew what was going on, then everything would be more coordinated.

I'm not saying that I, as one person, could do anything, but it takes the whole community, the administrator and all the employees working together.

George Oliver

I think the biggest problem right now is the uncertainty of Medicaid and Medicare, and where the money is going to come from if these programs start to cut their payments.

We have to look for ways to cut spending without losing the quality of care or the personnel we have right now.

Kent Boyd

I think make sure that our finances are in order—just pay as you go—keep our hospital on a sound financial basis but to still try to provide as much care as possible. As I said before, our biggest asset is our people, the people working in it. If we can keep those people, I think we can do well.

Successful parenting class implemented at Kelley

A successful parenting program was implemented this year at Kelley Elementary. Practical parenting is a program designed to increase parental involvement in student success.

Parents often ask how they can help their child be more successful at school. The answer is parental involvement. Research studies prove when parents get involved the schools improve, the children are more motivated and better behaved and test scores go up.

Practical parenting Education began at Kelley Elementary in November with an awareness session about the program. Since then, there have been five sessions covering information about discipline, responsibility, parenting styles, communication and feelings and emotions.

The last class for 1997 school year was held Tuesday, April 22. The topic was "Dealing with Sibling Rivalry". Refreshments and babysitting were provided.

Riggs is participant in moot court team at Hardin-Simmons

Registering its best year ever, the Hardin-Simmons University moot court team recently completed its spring competition and its competitions for the 1996-97 school year.

The team chalked up 21 awards for the year against competitors such as Texas A&M and several campuses in the University of Texas system.

In the first spring tournament hosted by Baylor Law School, Dwayne Riggs, a sophomore political science major from Colorado City, helped his team advance to the quarter-finals.

PUBLIC NOTICE

The Colorado City exchange has petitioned for Expanded Toll-Free Local Calling to the Big Spring, Hermleigh, Roscoe, Snyder and Sweetwater exchanges. Expanded Toll-Free Local Calling will allow customers in the Colorado City exchange to call and be called (no toll charges) by customers in requested exchange(s).

On or before May 15, 1997, Southwestern Bell Telephone Company will mail ballots to all customers in the Colorado City exchange. After marking the ballot, customers should sign their name and return the ballot to the Public Utility Commission of Texas. A stamped, self-addressed envelope will be provided with the ballot.

If approved, all subscribers in the Colorado City exchange will be charged an additional monthly per-line charge of up to $3.50 for residence and $7.00 for business for five or fewer exchanges (not $3.50 or $7.00 for each of the first five exchanges). In addition, a monthly fee of $1.50 for each exchange beyond five exchanges applies. This charge is in addition to your local exchange service rates, and will apply until Southwestern Bell Telephone Company's next general rate case, at which time all service rates are subject to change. Note: Exchanges that already have five or more added exchanges from previous ELC petition(s) will pay $1.50 per month for each new exchange approved.

Expanded Toll-Free Local Calling will be granted to each exchange with a "Yes" vote from 70% of the people who actually return their ballots. Exchanges that fail to receive a 70% "Yes" vote will not be added to the local calling scope. If all exchanges fail to meet the requirements of the ballot, service will not change and customers will not be billed an additional monthly fee.

The ballot will indicate which, if any, exchanges are in a different Local Access and Transport Area (LATA). These exchanges will require a federal waiver, which may or may not be granted.

The Public Utility Commission has assigned this matter Project Number 17164. Interested persons should direct any comments that they may have about the petition to the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326, or they may call the Public Utility Commission's Office of Consumer Affairs at (512) 936-7120. Hearing- and Speech- impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136.

AVISO PUBLICO

La central telefónica de Colorado City ha solicitado el servicio de Expansión de Llamadas Locales a las centrales de Big Spring, Hermleigh, Roscoe, Snyder y Sweetwater. El servicio de Expansión de Llamadas Locales permitirá a los clientes de la central de Colorado City hacer y recibir llamadas de los clientes en las centrales pedidas como si fueran llamadas locales (sin cargos de larga distancia).

La compañía Southwestern Bell Telephone enviará boletas de votación a todos los clientes de la central de Colorado City, antes del 15 de mayo de 1997. Después de llenar la boleta, los clientes deben firmarla y regresarla a la Comisión de Servicios Públicos de Texas (Public Utility Commission of Texas). Con la boleta se incluirá un sobre con estampilla y dirección de retorno.

Si la petición es aprobada, a todos los subscriptores de la central de Colorado City se les hará un cargo mensual adicional de $3.50 por línea residencial y $7.00 por línea comercial, por cinco centrales o menos (no $3.50 ó $7.00 por cada una de las primeras cinco centrales). Se aplicará una cuota mensual de $1.50 por cada central después de las primeras cinco. Este cargo es adicional a los cargos por su servicio telefónico básico y será aplicado hasta el siguiente cambio general de tarifa de la compañía Southwestern Bell Telephone. En tal fecha, todas las tarifas de servicio están sujetas a cambio. Nota: Centrales que ya cuenten con cinco centrales agregadas o más, debido a peticiones anteriores, pagarán $1.50 mensual por cada nueva central aprobada.

El Servicio de Expansión de Llamadas Locales será otorgado si el voto "Si" de cada área es más del 70% de las personas que envíen su voto. Las centrales telefónicas que no reciban el 70% del voto a favor no serán agregadas a su área de llamadas locales. Si ninguna de las centrales cumple con los requisitos de la votación, el servicio no cambiará y los clientes no recibrán cobros mesuales adicionales.

La boleta indicará cuales centrales, si existen, están en una Acceso Local y Area de Transporte (LATA) diferente. Estos cambios requieren suspensión federal, la cual puede o no ser otogada.

La Comisión de Servicios Públicos le ha asignado a este asunto el Número de Proyecto 17164. Las personas interesadas deberán dirigir sus comentarios sobre dicha petición a: Public Utility Commission, P. O. Box 13326, Austin, Texas 78711-3326, o usted puede comunicarse a la Oficina de Asuntos del Consumidor de la Comisión de Servicios Públicos de Texas al (512) 936-7120. Las personas con impedimentos auditivos, con teléfono de texto (TTY), pueden contactar a la Comisión al (512) 936-7136.

Health science students place at State VICA championships

Health science students from Colorado High School attended the State Vocational Industrial Clubs of America (VICA) championships held in Fort Worth April 16-19.

The team placed second in the Health Occupations Knowledge Bowl. The Jeopardy style contest consisted of questions from six categories: health occupation skills; applied health sciences; applied communication; applied mathematics; leadership and professional knowledge; and current events.

The team competed against five teams from various high schools.

Individual winners were Ashley Scott, placing first, and Misty Perales, placing second, in physical therapy assisting. This event consisted of demonstrating knowledge of physical therapy, treatments, anatomy, physiology and procedures.

The group is advised by Cheryl Haggerton, RN.

Local students honored at WTC

Three Colorado City students have recently been honored at Western Texas College. Marco Mendoza is one of four sophomore students from Western Texas College recently named to the 1997 Talent Roster of Outstanding Minority Students.

Students nominated for this honor must show strong academic achievement and the desire to pursue baccalaureate degrees. The roster lists students from 37 states and Puerto Rico and assists those students in gaining admission to higher institutions. Marco is majoring in business administration.

Becky Sweet has been named a finalist for her honors essay recently presented at the Phi Theta Kappa Honor Society regional convention in Houston. Becky is a sophomore physical therapy major.

Barry Wardwell received his pin at special ceremonies honoring the completion of the first half of the Licensed Vocational Nursing program. Barry will complete his training in August and be eligible to take the state board examination to become a Licensed Vocational Nurse.

Steadman named All-American Scholar

The United States Achievement Academy announced today that Benjamin Adam Steadman from Colorado City has been named an All-American Scholar.

The USAA has established the All-American Scholar Award Program to offer deserved recognition to superior students who excel in the academic disciplines. The All-American Scholars must earn a 3.3, or higher, grade point average. Only scholars selected by a school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the USAA.

Benjamin, attends Colorado High School. He will appear in the All-American Scholar Yearbook, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's hstory. Certainly, winners of the All-American Scholar Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects All-American Scholars upon the exclusive recommendation by teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the USAA for other honors.

Ben Steadman is the son of Ronnie and Jimmie Bell from Colorado City. Grandparents are Doris McCallay of Alvin, Texas and Sherwood and Dorothy Steadman of Burnet, Texas.

Applications available for summer jobs

Youths interested in the Summer Jobs For Youth Program can apply through their local schools or at the Chamber of Commerce beginning mid-May.

Texas Representative Rob Junell's summer job program is designed for youths ages 14-21.

Last year 25 jobs were available through the participation of local businesses.

Representative Junell is encouraging businesses to create at least 30 jobs for young people participating in the program this year.

Students work a minimum of 20 hours per week and the jobs last at least six weeks.

"Thank You" concert planned

CMS band receives superior ratings in concert, sightreading

For the first time in many years, the Colorado Middle School band received a rating of superior in Concert and Sightreading at the District Music Contest held in Abilene on April 9.

The band received two superior ratings and an excellent rating from the concert judges. In sight-reading, the group received ratings of superior from all the judges.

Directors for the band are Joe Wayne Harper, Aaron Lewis and Linda Clay.

The band performed "March of the Irish Guard" by Ployhar, "Chester" by Billings and "Crest of Nobility" by Sheldon.

Along with these honors, the band also received first place in the West Texas Fair and Rodeo Parade. Twenty-six students were selected to the All-District Band and 76 students received superior ratings at the Solo and Ensemble Contest.

The band attended the Sandy Lake Band Festival on April 19 where they received a superior rating.

A thank you concert is planned in the middle school auditorium on May 4 at 2:00 p.m.

The 75-member sixth grade band will be performing "Cade Spear March", "Andante and Dance", Declaration and Dance", and "Prince Igor Rock."

The 89-member seventh and eighth grade band will be performing "March of the Irish Guard", "Jurassic Park", Georgia on My Mind", "Crest of Nobility" and "The Return of James Bond."

Wolves ready for regional track meet

This weekend's regional track meet in Odessa will definately provide the Wolves 400m relay team its strongest competition of the year.

The Wolves set a new school record last week winning the 400m relay at the regional qualifier meet in Graham. The Wolves time of 42.63 erases the old school record of 42.75 set in the mid 1980's.

Vernon and Littlefield will probably be the favorites at the regional meet this Friday and Saturday. Both have posted times of near 42 flat, but Colorado City can definately challenge the favorites.

The Wolves relay team of Tony Walthall, Terry Green, Chris Fambro and Arian Emerson are undefeated this track season.

Senior Tony Walthall running the first leg is ready for the challenge. "It's been our goal this year to go to state," he said. "This year I have to be patient and wait for the gun before coming out of the blocks," Walthall concluded.

The youngest member of the relay team is sophomore Terry Green. Green runs the second leg and has been improving weekly.

"It means a lot to me being only a sophomore and running against such good competition. I just hope we do good and I can get a lot of patches on my letter jacket."

Junior Chris Fambro is making his second trip to regionals. Fambro was on last year's relay team that was disqualified. Fambro thinks the team can make it to state. "We've had this as a goal for about two years. Hopefully we can do good at regional and make the goal come true."

Anchoring the relay team is junior sprinter Arian Emerson. Emerson also possesses one of the best times in Region I in the 100m dash and 200m dash this year. "I'm very pleased with our results so far this year. We haven't been beat yet when all our group is together. It's been our dream for two years to go to state."

Arian Emerson was a double winner last Thursday at the Bobby Bernard Relays, a regional qualifies meet held at Graham High School. Emerson won the 100 meter dash in a time of 10.56 and the 200 meter dash with a time of 21.92. Emerson has a good chance of winning both this weekend.

Also competing in this Friday and Saturday's regional meet at Ratliff Stadium in Odessa will be Roland Nelson in the pole vault and Tony Walthall in the 200 meter dash and in the triple jump.

"I think we have an excellent chance to get to state in a couple of events," said Coach Phillip Ritchey. "Emerson has the second fastest time in this area among 3-A schools in both the 100 and 200 meter dash. We are a close third in the sprint relay. Our best time in that event is 42.6. Littlefield will probably be the team to beat in that event."

Preliminaries are Friday and finals begin Saturday at 10 am.

WOLVES 400M RELAY TEAM competing at regionals this weekend includes (l-r) Senior Tony Walthall, sophomore Terry Green, junior Chris Fambro and junior Arian Emerson. A first or second place finish sends the group to Austin to the state track meet May 9 and 10.

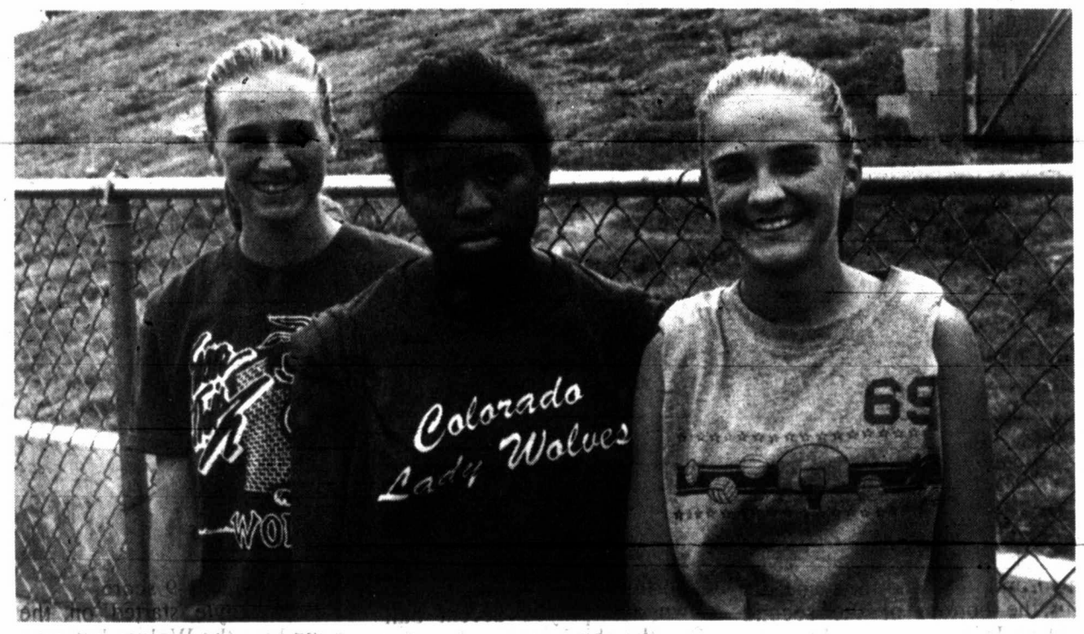

Sullivan places in regional qualifiers meet

Wendy Sullivan of Colorado City continued her successful track season last Saturday in Wall at the regional qualifiers' meet by winning two second place medals.

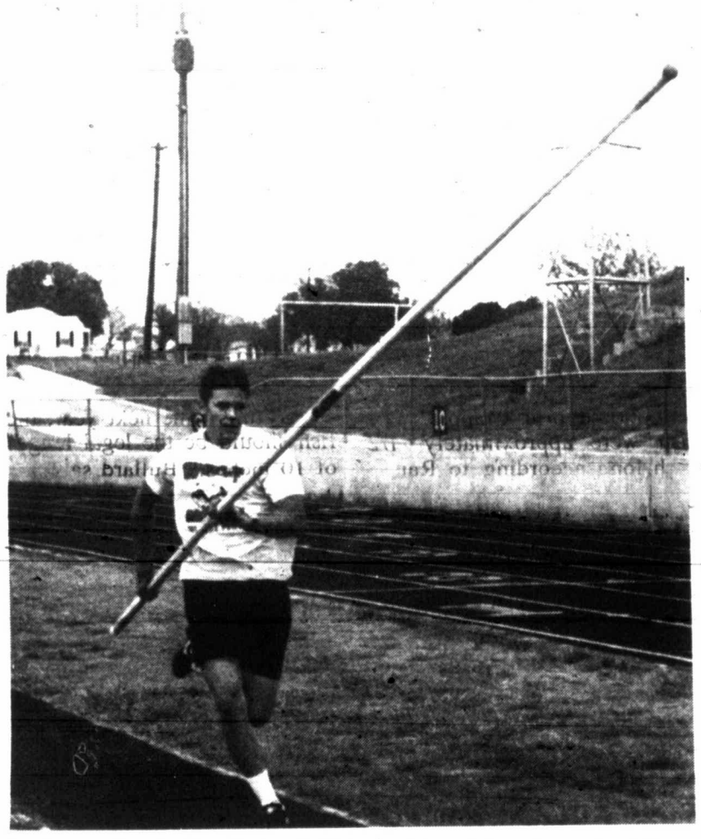

In the 800 meter run Sullivan finished second to state-ranked distance runner Katherine Duncan of Roscoe. Sullivan's time was 2:27.58.

Sullivan placed second in the 1600 meter run Sullivan placed second behind Sanchez of Ozona with a time of 5:36-88.

Sullivan will compete at the regional meet in Odessa this Friday and Saturday along with three other Lady Wolves. Shanti Ross will compete in the 200 meter dash. Amie Hammond will compete in the 3200 meter run. And high jumper Mica Merrell also will compete at regionals this weekend.

Junior pole vaulter Roland Nelson takes his talents to Odessa this weekend to compete in the regional track meet. Nelson has been improving weekly this year and was the district 4-3A champion.

"I'm never alone."

"I was at a ranch out of Dickens, Texas, and about the time I left, I got a slight pain in my chest. I thought...well, it will wear off by the time I get to Snyder. But, it got worse and worse. I called 911, and told them I could only make it as far as the Santa Fe Depot on the edge of Snyder. They had an ambulance waiting there for me. They also had called my family and my doctor.

"In other words, if I hadn't had my Texas Cellular telephone, I wouldn't be talking to you today. I'd heard about Texas Cellular from my friends, who spoke well of them, and I've been with them since the beginning."

Carpenter captures second at Region I golf tourney

Cody Carpenter

Colorado City's Cody Carpenter fired a two round total 145 to capture second place medalist in the Region I golf tournament held at tough Ratliff Ranch Golf Links in Odessa.

Carpenter carded a 74 on Monday followed by a 71 Tuesday which earned the senior golfer a trip to Austin to compete in the Class 3A state golf tournament.

The Wolves team score of 319 was good enough for a fifth place finish at the regional golf tournament.

Wylie shot a team total 308 for first place followed by Tulia 309, Breckenridge 312 and Monahans a 315.

Cody Thiebaud fired a 161 (78-83) followed by Clay Eades 164 (83-81), Jeremiah Munoz 166 (86-80) and Chris Bolin 167 (84-83).

Lady Wolves finish 7th

The Lady Wolves golf team shot a team score of 818 to finish in seventh place at the Region I golf tournament at Ratliff Ranch in Odesaa.

Wylie shot a 709 to capture the first place honors.

Nicol Swann lead the way for the Wolves with a 175 which was good enough for ninth place medalist honors.

Swann fired an 84 Monday and a 91 Tuesday. Casi Joiner shot a 192, followed by Ashley Turner 206, Bettina Bridgford 245 and Michelle Guelker 261.

Rotan hammers Loraine, 2-1

The Rotan Yellowhammers kept their unbeaten record intact Tuesday evening by capitalizing on six Loraine errors and outlasting the Bulldogs 2-1 in district 7-A play.

Rotan scored in the first inning on an unearned run and scored again in the third inning for their offensive attack.

Loraine scored their one run in the bottom of the second when Jesse Limones drove in Bear Cooper from second base after Cooper's single and stolen base.

Kyle Moore struck out five and issued two base on balls in going the distance. He absorbed his second loss of the year to go along with six wins.

Loraine could only manage three hits off Rotan's ace lefty Harrison. Jesse Limones had a double to go with Efron Martinez and Cooper's singles.

"The six errors really hurt," said Coach Rick Cooper. "You can't let a team like Rotan have that many opportunities. We did settle down and played decent ball after the third inning, but the damage had been done."

Loraine will face Westbrook next Tuesday in Westbrook in a key district match. Game time is 5 p.m.

Playoff hopes still alive

Wolves beat Crane

The Colorado City Wolves kept their playoff hopes alive Tuesday with an exciting 6-5 win over league-leading Crane.

The Wolves scored the winning run in the bottom of the 7th inning when Chris Fambro reached first base on a single and a successful bunt by Abel Bonilla and a throwing error by Crane enabled Fambro to push ahead the winning run.

Bonilla started on the mound for the Wolves and got the win running his season record to 6-4. He collected seven strikeouts and did not allow a base on balls.

"I am elated with our win," said Coach Gerald James. "Bonilla pitched a great game for us and Fambro came through for us in the clutch."

Fambro went 3 for 4 for the night while Jaime Guiterez had two RBI's.

Colorado City has now won four games in a row after opening district play with losses to Crane and Kermit.

The Wolves now will get a second chance at Kermit when they host the Yellowjackets next Tuesday, April 29. Game time at A.W. Phillips Field is set for 5 p.m.

Loraine whips Westbrook

Loraine scored three big runs in the top of the fifth inning that broke open a close 3-2 game enabling the Bulldogs to pull out a 6-2 win over Westbrook Tuesday. The victory allows the Bulldogs to stay one game behind league leading Rotan.

Loraine scored an unearned run in the first inning and two more runs crossed the plate in the top of the fourth inning.

But Westbrook wasn't going down easy as they chased Bear Cooper off the mound after he had given up two runs in the bottom of the fourth . Despite running a fever and having flu-like symptoms the past couple of days, Kyle Moore came in to relieve Cooper striking out the last two batters to end the inning.

Cooper and Moore combined to strike out 11 batters while allowing three base on balls. Cooper stays undefeated at 7-0 while Moore receives the save. Justin Hill went the distance for Westbrook and absorbed the loss. Westbrook is now 3-2 in district play while Loraine raises it's record in district to 4-1.

"This was a big win for us," said Coach Rick Cooper. "It keeps us in the running for district at one game behind Rotan."

C-City Wolves trip Reagan County 11-9

The Colorado City Wolves baseball team held off a determined Reagan County bunch last Friday evening at A.W. Phillips Field, taking the contest by a 11-9 score.

Brett Hoyle started on the mound for the Wolves but gave way to Jebby Forbes in the sixth inning and Abel Bonilla closed out the seventh inning for the save. Hoyle received the win, bringing his record to 5-2.

Hoyle led the offensive attack, going four for four including two doubles and two home runs. Danny Scott went three for four that included two doubles while Jeffrey Anzuldua also went three for four with a double and three singles.

The win brings Colorado City back into the district race. After starting 0-2 in district the Wolves have won three straight games, finishing the first half of district play at 3-2.

"I am well pleased with the way the kids have been playing," said Coach Gerald James. "Our hitting is coming around at the right time. A couple of our kids have really stepped up and we really needed that."

The Wolves have two key games this week at home. On Tuesday, April 22, they will host league-leading Crane. After an open date this Friday they will host Kermit next Tuesday. Both games are scheduled for 5 p.m.

Rotan blanks Westbrook, 4-0

District 7-A leading Rotan "blanked" Westbrook last Monday night to keep their season and district records unblemished.

Rotan collected all four runs in the bottom of the fifth inning. Each team garnered three hits each. Vicente Soliz started for Westbrook and was credited with the loss.

Westbrook's district record now goes to 2-1. They face Ira in a makeup game this Friday at Ira. Game time is set for 5 p.m.

Lake Colorado City stocked with crappie

The Texas Parks and Wildlife Department has stocked Lake Colorado City 142,000 Hybrid Crappie. The fish were approximately 1/2 inch long according to Randy Bullard, Parks and Wildlife game warden.

"By this time next year, the fish should be the legal length of 10 inches," Bullard said.

GRANT ENGINEERING SERVICES PUBLIC NOTICE

Colorado City has recently received a Contract ward from the Texas Department of Housing and Community Affairs (TDHCA) for residential subdivison infrastructure improvements. Accordingly, the City is seeking help to contract with a qualified engineer/engineering firm (registered to practice in the State of Texas) to prepare all preliminary and final design plans and specifications, and to conduct all necessary interim and final inspections.

Please submit your proposal of services and a statement of qualifications for these proposed services to the address below:

City of Colorado City
City Hall
3rd and Oak
Colorado City, Texas 79512

Proposal must be received by the City not later than 12:00 p.m. on the 7th of May, 1997, to be considered. The City reserves the right to negotiate with any and all engineers or firms that submit proposals, as per the Texas Professional Services Procurement Act and the Uniform Grant and Contract Management Standards.

Colorado City is an Affirmative Action/Equal Opportunity Employer.

Scramble held at Wolf Creek Golf Links

The Wolves Golf Booster Club held a successful one man scramble last Saturday at Wolf Creek Golf Course.

Almost, thirty golfers competed with the proceeds going to benefit the Wolves boys and girls Golf Booster Club.

A list of the winners include First Flight: Donny Lindsey, 63; Hobie Bolin, 64; Blake Hammond, 65.

Second Flight: Roland Powell, 71; Tony Turner, 71; Don Jones, 71.

Third Flight: Joe Stinson, 76; Cecil Crow, 76; and Earl Plagens, 77.

Chamber plans golf tournament

The Annual Chamber of Commerce Spring Golf Tournament will be held May 3-4 at Wolf Creek Golf Links. The tournament's format will be four-person scramble with each team having a combined handicap of at least 35.

Various contests will be held throughout the tournament, such as closest to the hole, longest drive and a putting contest. Guaranteed prizes will be given out for the contests, including golf balls, shirts, caps and a drawing for a new set of golf clubs. The first hole-in-one on number 18 on Sunday will win a '97 pickup truck.

For more information or to reserve a tee time, contact Wolf Creek Golf Links at (915) 728-5514 or the Chamber of Commerce at (915) 728-3403.

Finchers participate in rodeo

Cole and Garret Fincher, grandsons of Mary Ann Fincher of Colorado City, participated in the Texas High School Rodeo Association's year-end finals held in Ft. Worth recently.

Cole placed second and won a trophy buckle in the nine and under age group. His brother, Garrett, finished fourth in the same division.

The Finchers will travel to Stephenville for another rodeo this weekend.

Middle School competes in tournament

On Saturday, April 5th, Colorado Middle School students competed in a district tennis competition held at Reagan County.

For the second year in a row Lacy Rankin placed first in the girls singles competition. Toni Joiner placed second to Rankin, repeating her second place finish of last year. Overall, the members of the team played extremely well, placing in several events.

Trap Shoot to be held May 10th

A trap shoot and 22 shoot sponsored by employees of the Wallace Unit will be held Saturday, May 10th starting at 11 a.m.

Cost is $3 per flight and cash prizes will be awarded.

The shoot will take place at the rifle range located north of Mitchell County rodeo grounds (watch for signs).

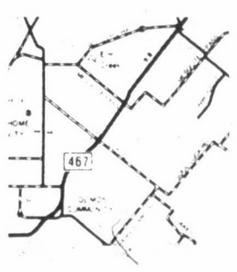

All proceeds benefit the Special Olympics.

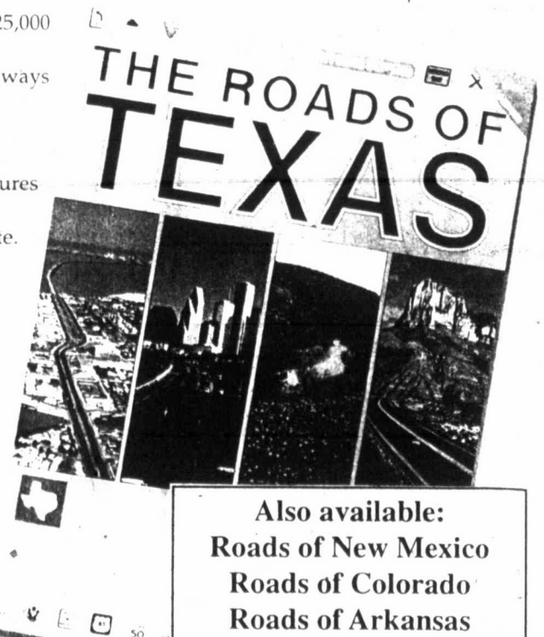

Correction

In the eighth grade track results, Vickie Williams, not Capella Williams, won first place in the 1600 and 2400 meter run. We apologize for the error.

THE ROADS OF TEXAS
Now newly revised and better than ever

Shearer Publishing is pleased to announce its new edition of THE ROADS OF TEXAS. We have added dozens of country roads, lanes, cowtrails, and put new names or numbers on hundreds of others, names like **Good Luck Road** (Guadalupe County), **Seven Sisters Drive** (Kendall County), and Lone Star Alley (Menard County). Altogether, the new edition identifies more than 25,000 state and county highways and byways, and the bright new cover features current scenic photographs from around the state.

THE ROADS OF TEXAS is different from any other road atlas, with more detail, more historical and travel information, more heart. It has proven especially popular with the curious traveler inclined toward a little adventure, who doesn't mind getting to Aunt Martha's house just a bit late.

Loraine News

By BESSIE ANN VAUGHN

Greetings from Loraine where we took off our coats and took off the sweaters and now some are putting on their shorts to wear. Talk about weather changes! Spring time didn't last long here—from 20° up to 85° in a very few days. It appears that the in between time was our spring, but who can tell?

The flowers I planted have turned black with dead roots. Now it seems to me if Rogaine will grow back hair, surely it well help grow back plant roots. I do believe it might be cheaper to just buy new plants, don't you?

Harold and Susan Preston arrived at Iris Preston's home early Sunday morning and prepared a nice birthday dinner for her. After lunch and visiting, they left her with some birthday love gifts.

Later the same day, Matt Preston, enroute to Odessa, stopped by to wish his grandmother a happy birthday also.

* * *

Julia Bennett informed me that after the Boer Goat Cookoff committee deliberated recently, it was decided this year's event will take place in Ruddick Park in Colorado City on July 17 and 18.

There were several factors involved in the decision and one was the benefit of shade trees in the park. The Nanny contest will still be held again this year and everything else will be about the same. There will be arts and crafts booths and cookoff judging, etc. For more information, call Julia Bennett at 737-2403.

Loraine city council candidates seeking support in the upcoming election will be speaking at the Loraine Senior Center April 25 at 11:30 a.m.

This will be a good time to meet them and hear what their goals might be for the comunity. Carl Graham and Mary Crisp are seeking a seat for the first time.

* * *

George and Fay Lee came to eat and visit at the center with George Sr. Monday morning. We were pleased to have them.

* * *

It is belated, but happy birthday to Iris Preston and also a get well greeting. She had surgery recently, but she is up and going already.

* * *

Concerns have been expressed for Lela Bowlin, as she had surgery on her leg recently. Out get well wishes to her, also.

* * *

Our condolences go to the family of Harold Britton, former Lorainian. Harold is survived by his wife Isabella of Lodi, Cal.; his mother, Verna Britton of Loraine Manor and one sister.

Margaret Brame returned last week from a mystery tour with Magic Travel out of Ballinger. The tour covered several interesting places in and near Dallas.

The group started at the Fort Worth Stock Yards, then they took a train ride to Grapevine. Other stops on the tour included the Sixth Floor Museum, The Biblecar Arts Center, Dallas Botanical and Arbortorium, the Imax Theater, and South Fork Ranch.

On their way back home, the group came by the Mary Hart Tea Room in Grandbury and had a very nice lunch.

* * *

Denise Marshall came to the center Monday, April 21 to give examples of cardiovascular and strengthening exercises. Call her for more information on classes at her home in Loraine.

* * *

Blondie Hamilton invited both of her sisters, Biddie Jones and Amy McKee, out to eat at Cahoot's in Abilene last week to help them celebrate their birthdays. Don't you know they had fun?

* * *

Oscar and Rachel Singleton, Roy and Mary Helen Price and Bessie Ann Vaughn, all from Loraine, plus Johnny and Helen Price of San Angelo met in the home of Dee and Doris Hall for a sibling get together on April 17.

The group exchanged gag gifts, played games, visited and ate too much. Everyone had a jolly good time.

* * *

Mary Love Allbright visited with her mother, Syble Walker, again this past week at the Loraine Manor.

* * *

Danny and Pam Butler went to Fort Worth where they attended a U.S. Post Office banquet last Saturday night.

* * *

Ham and Blondie Hamilton, Loraine, and Wayne and Lynetta Dubose, Colorado City, recently made a trip to Lake Ivey to view the Lake and surroundings. Where there, they visited a short while with Dorothy Finley. All four travelers agreed it was pretty there.

Before returning home, they drove on to Lowake and enjoyed a steak dinner.

Lastly, they toured San Angelo before ending their trip.

* * *

Morgan Henderson from Midland visited her grandparents, Doris and Tharon Henderson last week. They took her home last Saturday night and spent the night there.

* * *

We received word that Helen Hamilton King passed away April 11. Mrs. King was an aunt to Harris Hamilton and friend to many. Her son, Horrace Rogers, sent the news.

* * *

At the center last Friday, Ken Northcutt entertained us with his music and his gifted singing. We think he is special and are always pleased when he can come to Loraine and to the center.

* * *

Doris Henderson had one of her pretty granddaughters come to visit a while on Friday morning. I noticed she took her tray and went to eat with her great grandmother, Pauline Smiley.

* * *

We have enjoyed the company of Alfred and Elaine McMichael several times lately. They both look so well and are always interesting to visit with.

Elaine is involved with the project "Remember to Read to Your Young Children".

* * *

Jeff Woodall, social director from Loraine Manor told me that ten residents from Valley Fair Lodge came over for the barbeque party recently. They all really had a big time eating and visiting.

* * *

J.D. Iglehart was recently hospitalized, but is now back at the Manor. Glad to hear he is better.

* * *

The birthday party will be on April 28 of this month with Ruth Eaton, Bernice Bruton and Virginia having birthdays.

* * *

Jeff said they would have to replant peas and squash in their garden since they had succombed to the recent cold spell. He also mentioned that flowers around the patio were still fine and doing well.

* * *

Next month, residents that are able will take a trip to the zoo.

* * *

Since April is poetry appreciation month, maybe this will qualify as a simple "rhyme time" story.

THE DREAM

I dreamed I saw a calico cat
walking near the water,
But when I wiped my eyes, I
saw only a playful otter.
And when I turned the bend
I thought I saw a toad,
To my surprise it turned out
to be a cottontail in the
road.
I know I saw a butterly and
a centipede with little legs,
But when I took a few more
steps I saw a robin red
breast sitting on her eggs.
No, no please don't wake me
I've lots more dreaming to
do.
I love the little critters, they
are good friends and I
hope you can dream them
too.

Take good care and see you about town.

LETTER TO THE EDITOR

Dear Editor,

I would prefer that my name not be used if this letter is published because I am sure that other mothers could and would send this same message if given the opportunity. As I watch my youngest child participate in his final sporting events of his senior year in high school, it occurs to me that I owe a tremendous debt of gratitude to a lot of athletes and their parents.

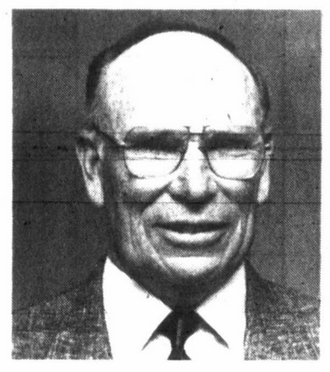

It has been a joy to watch my children grow and participate in school athletics, as well as summer baseball and Optimist basketball. As I think back through the years, I realize that my children were usually fortunate enough to be allowed a great deal of "playing time" and not much "bench time" in the sports they chose to play. It is with great humility and many thanks that I would like to salute every parent who made sure that his child made it to all the practices and all the games with clean uniforms, even though you knew your child probably wouldn't get to play much. You were always a vital part of those dreaded fundraisers. I know you would have liked to see your son/daughter play more.

With even greater reverence, I salute all the players who came to each practice and worked just as hard as the "starters." You kept on coming and kept on trying, even though you knew you would see most of the game from the bench where you were destined to provide the much needed (and often ignored) support for the starting lineup. You were there when your team needed you, on the practice field, helping those "starters" sharpen their skills to make your team competitive when it came to the real game. Thank you for helping to give my child the opportunity to play by being there to help him practice. I know you would have liked to play in the game.

Perhaps I am just a sentimental mother who realizes that her days as "bleacher mom" are almost over, but I cannot let my last child graduate without acknowledging the part that you parents and players have had in the success of the teams that you supported. Let me take this means of saying "HATS OFF TO THE BENCH!!"

Sincerely,
Retiring Bleacher Mom

Jesse Emerson to address family alcoholism and drugs

Jesse Emerson, National Field Representative of the "Spirit of Freedom Ministries" in New Orleans, Louisiana, will present a special program on family alcoholism and drugs at the Jesus Name United Pentecostal Church of Colorado City.

Emerson states that of the two-thirds of Americans that drink, one in ten becomes an alcoholic, and that 40 percent of all teenagers are heavy drinkers. The "Spirit of Freedom" will be introducing a new approach to family alcoholism and drugs. The tape, "Raised From The Ruins" on alcholism, along with other materials, will be made available during the meeting. Emerson will also be giving true accounts of men and women who have been delivered from alcoholism and drugs.

This special program should be of great interest to those who would like to help anyone with alcohol or drug problems. The program is Sunday morning, April 27, 1997 at the Jesus Name United Pentecostal Church of Colorado City. The church is located at Highway 163 South at the city limits and time will be 10:00 a.m. The public is invited and there is no obligation or admission charge.

For additional information, call Pastor James Sanders at 915-728-8829.

ATTENDING THE SIGNING OF A PROCLAMATION for Soil and Water Stewardship Week, April 27-May 4, on April 10 were (sitting, l-r) Tommy Morris, Judge Ray Mayo, Ray Ritchey, (standing) Johnny Oswald of the Texas State Soil and Water Board; Steve Shrode, district conservationist; Chairman George Martin and Jimmy Harrison.

April 27-May 4 is Soil and Water Stewardship Week

The Mitchell Soil and Water Conservation District (SWCD) has announced they will join in the national observance of Soil and Water Stewardship Week to take place April 27-May 4, 1997, according to an announcement by Jimmy Harrison, chairman of the district.

The theme of this year's observance is "Backyard Stewardship." This focus is especially appropriate, as the need for stewardship is vital if natural resources such as soil and water are to be maintained. Work must be done together for the good of all to utilize, conserve and properly manage those resources.

Participation in Soil and Water Stewardship Week activities offers an opportunity to reflect on the nation's renewable resource problems and consider actions to resolve them or reduce their impact.

The Mitchell SWCD was organized in 1940 for the purpose of offering farmers, ranchers and the local community a voluntary conservation technical assistance program through which individuals could seek and request conservation assistance to meet the capabilities and needs of their land.

"Basically, it is the district's repsonsibility to provide technical assistance when requested relative to proper soil use and treatment, erosion control practices, solve drainage problems and assist farmers and ranchers with crop, range and pastureland management," Harrison said.

The National Association of Conservation Districts has sponsored Soil and Water Stewardship Week in the United States since 1955, in cooperation with the nation's nearly 3,000 soil and water conservation districts.

Informative material on the Soil and Water Stewardship Week theme each year is distributed through local conservation districts to clergymen, lay leaders, civic and educational organizations and to individuals interested in participating in the celebration.

Information and materials for the 1997 observance of Soil and Water Stewardship Week can be obtained from the Mitchell SWCD.
