Teachers Attend Elementary Science Workshop

Among the 34 teachers who were part of a process approach workshop in elementary science here were, from left, Mrs. Floyd Coffee, Loraine teacher, Mrs. Dalton Keeth, Mrs. Bob O'Day, Mrs. Dell Riley, Mrs. Cullen Davis, and Mrs. Tom Coker, front row. In background are Erit Fry, science teacher from Dumas who conducted the workshop at the high school cafeteria, and Harry Osterhoudt, new teacher of sixth grade science at Wallace School here.

Slate Of Nominees Completed By ASC

Slate of nominees for Agricultural Stabilization & Conservation Community Committees is to be mailed Friday (tomorrow) by the ASCS office staff.

Nominations for the ballot were completed Tuesday, according to Curtis Latimer, county chairman of the ASC program.

Deadline for voting is Sept. 18.

Nominees for A Community are J. B. Autry, Harry Dockrey, Rex T. McKenney, Pat McPhaul, Tom C. Moore, A. Preston Morris, Linden Solomon, and J. K. Williamson.

For Community B the slate has as nominees Warren Anderson, A.M. Beights, Jr., T. A. Cotton, J. R. Erwin, Everett Haggerton, A. K. McCarley, Jr., Hubert Meadows, Perry Mitchell, D. M. Pieper, Kelly Treadaway, and O. B. Trulock, Jr.

Community C nominees are A. J. Barron, Travis Branch, T. L. Finley, Tommy Fuller, Robert G. Holman, W. H. Redwine, Travis Turner, and Thomas Vest.

Three regular members and two alternates will be elected for each community.

The chairman, vice chairman, and third regular member of the elected ASC Community Committees will also serve as delegates to the county convention to be held Wednesday, Sept. 25 at the ASCS office, at 9 a.m.

Alternate committeemen are also alternate delegates to that convention which is open to the public.

At the county convention, delegates will elect farmers to fill vacancies on the ASC County Committee.

They will also choose the county chairman and vice chairman for the coming year.

Community Committee elections are being held during the third week of September in all agricultural communities throughout the nation.

"The Farmer-Committee system is a unique means of administering national agricultural programs and policies," said Latimer.

"Community Committees assist the ASC County Committee in administering price support, acreage diversion, agricultural conservation, and other farm-action programs in the county. They are particularly responsible for keeping their neighbors informed about the programs.

"The County Committee supervises the ASCS county office and is responsible for the local administration of the varied programs," Latimer added.

Voting will be by mail. Any farm owner or tenant or sharecropper is eligible to vote in the Community Committee elections if he is eligible to determined by the ASC County Committee, subject to appeal take part in one or more of the programs administered by the ASC Committees.

Questions on eligibility to vote and to hold office or on election procedure will be to the ASC State Committee.

Public counting of the votes will be at 8:30 a.m. Monday, Sept. 23.

Should any eligible voter fail to receive a ballot, his ballot may be picked up at the ASCS office.

Farmers Plan Busload

Tuesday Field Day Trip To Lubbock

Crops Committeemen and County Agent Bobby Lemons are trying for a chartered busload of Mitchell Countians to attend the 50th Annual Field Day at Lubbock, Tuesday.

Field Day and Open House will be at the Texas A & M University South Plains Research & Extension Center, 7 1/2 miles north of Lubbock.

Minimum riders required for the chartered bus is 33 persons and reservations must be made at the Extension Service Office in the Courthouse annex, telephone RA 8-3111 by 5 p.m. Friday (tomorrow.)

Bus fare will be $5 for the roundtrip, said Lemons. Bus will leave the courthouse at 8 a.m. and be back in town at 6 p.m.

Planned as a special event will be a visit to the Lockett Seed Farm at Ropesville, near Lubbock, Tuesday morning.

Lunch hour break will be in Lubbock at noon with the tour to arrive at the Research and Extension Center at 1 p.m.

Crops Committeemen who made plans in a Wednesday meeting for the Field Day visit are Rex T. McKenney of Westbrook, Travis Turner, Edward Roach, Raymond Watlington, Tommy Marricle, Alfred Carey and Royce Beights of Loraine.

On the Field Day program will be tours of cotton varieties demonstrations, cotton diseases viewed in field, greenhouse and laboratory.

Weed control by herbicides results will be seen by Field Day visitors. A soil fertility study will feature plots showing effects of fertilizers on late-planted cotton.

Irrigation studies designed to "stretch water" will be another highlight.

Information on the sorghum mide control will be presented.

Visitors will get a glimpse of the Extension Home Economics "Focus" program, a display and discussion on family stability, housing and health. There will also be visits to the new ginning lab, the new greenhouse, 4-H Club and other displays.

General theme for the day will be "Service to West Texas Agriculture, Past, Present, and Future." There will be a large display of farm machinery. Forty Research scientists and Extension specialists will be on hand to assist with the Field Day.

County Agents from throughout the South Plains will serve as tour guides.

"Women are invited to attend, too," said an announcement from Lemons Wednesday morning.

Lions Club Sets Sale

City Slickers Vs. Country Boys

Two teams from the Friday Noon Lions Club will stage the annual light bulb sale all over Colorado City Friday from 1 p.m. to 8 p.m.

Profits from the sale will go to benefit the Lions Club camp for crippled children at Kerrville and to buy glasses for local school children who need financial help.

Competition is expected to be keen as the City Slickers Team vies with the Country Boys Team in the sales contest.

Tandy Curlee is general chairman for the project. City Slicker captain is J. C. Wilkerson. Murrell Blassingame captains the Country Boys.

Team which loses the sales contest, sells fewer packages of bulbs, will be assigned extra duty by Lions Club President, J. C. Britton. Losing team will pay the penalty of having to sell an extra shipment of the bulbs.

Colorado City will be zoned for the sale with the dividing line to be east and west from Hickory St.

Lions Club bulbs are in packages of eight and sell for $2 the package.

"Sale bulbs play a dual role. They light the homes of their buyers and they light up the lives of children helped by the Lions," said Britton in announcing plans for the Friday afernoon and early evening sale.

Sweatt Rites Held Wednesday

Mrs. George W. Sweatt, 91, resident of this county for the past 62 years, died Monday at 10 p.m. in Root Memorial Hospital following a long illness.

Funeral services were conducted in Kiker & Son chapel at 2:30 Wednesday afternoon by the Rev. Henry Parmenter, pastor of the Bailey Chapel Methodist Church. Mrs. Sweatt was one of the two surviving charter members of Bailey Chapel Church.

Born Melindo Tilden Franklin in Mississippi Nov. 1, 1876, she moved with her parents to Abilene in 1888. She was married to Mr. Sweatt in Abilene Dec. 27, 1894.

The couple moved in 1906 to Mitchell County where he farmed in the Westbrook area until his retirement. Mr. Sweatt died in 1948. Mrs. Sweatt had made her home at 1029 Hemphill St., Colorado City, since her husband's death.

Surviving her are five sons, Roy E. Sweatt of Colorado City; George T. Sweatt and Emory Sweatt, both of Westbrook; Paul E. Sweatt of Big Spring, and Elbert S. Sweatt of Tulia; three daughters, Mrs. Arthur Wilson and Mrs. Willie Sneed, both of Colorado City; and Mrs. W. D. Hays of Coahoma.

Also surviving are 23 grandchildren, 37 great-grandchildren, and one great-great-grandchild.

Burial was in the Itan cemetery under direction of Kiker & Son Funeral Home.

New ICT Class

Enrollment 22 Students

First year for Industrial Cooperative Training course to be offered at Colorado High School finds 22 students enrolled and 12 employers cooperating in the industrial training.

Forrest Fox is teacher-coordinator for the ICT program which is designed as a two-year course carried out through cooperation of school and local industrial establishments.

Two credits toward graduation for each year, totaling four credits, can be earned by students passing the course.

"Each morning the school provides individual instruction in the technical aspects of the student's job in a specially scheduled class conducted by the teacher-coordinator," said Fox.

Students receive actual work experience in their chosen occupation under supervision of trade-competent employers.

"The program strives to produce an American worker-citizen who is economically, socially, and physically competent," said Fox.

"All students are expected to be active in the Vocational Industrial Club of America. The club provides leadership training, social activities and group participation. Regular business meetings, district and state contests and employer-employee banquets are among club activities," Fox added.

Local business establishments furnish a place of employment, the machines and the equipment for learning the trade. Employers also provide the training sponsor.

"School officials and the State Department of Education believe the program will be a valuable asset to both students and to the local business community," Fox said.

Salaries for the vocational students are paid by the cooperating employers.

To Head Area Cattlemen

In Round-Up Drive For Center

The local area chairmen for the eighth annual Cattlemen's Round-Up for Crippled Children have been appointed by Charlie Morris of Abilene, general chairman.

Named to correlate the work of stockmen of this area in meeting the goals of the Round-Up are Brunson Gregory, Otto Jones, James F. Kelly, Judge Austin O. McCloud, and Dr. Bruce Johnson.

Round-Up, to be held September 30 at Abilene's Ranchers and Farmers Livestock Commission, annually raises approximately 1/3 of the non-profit Center's annual budget of some $370,000.

Morris pointed out that WTRC officials are looking forward to a particularly good Round-Up this year to "take up some of the slack in our belts."

"We stockmen like to think that the WTRC is here for our convenience, because we care enough to support it. The stockmen of the Southwest haven't ever let us down yet, and we don't expect them to this year."

He noted that construction is now underway on a new $107,000 physical therapy wing for the Center to help meet its current patient load. "The Center just keeps right on growing, and we hope the Round-Up will grow right along with it," said the general chairman.

During the Round-Up, stockmen donated livestock of all kinds to be sold at special auctions, the largest one being the cattle sale in Abilene.

Persons interested in donating livestock to the Round-Up are asked to call one of the area chairmen.

WTRC officials and volunteer helpers will transport the animals to the WTRC's own pen in Abilene and feed them out until sale time if the donor wishes, Morris said.

PlayDay Event

For Saturday Night

Second PlayDay of a series of three sponsored by the Westbrook 4-H Club will be staged Saturday night in Western Riding Club arena here.

Riders of all ages are asked by the sponsors to be at the arena at 7:30. Performance and contests begin at 8 p.m.

Ribbons will be awarded in classes for all age groups, including Shetland pony riders.

Final PlayDay winners will receive belt buckles after the third and last event scheduled.

Entry is 50¢ per event.

Tommy Marricle is to be announcer, Jimmy Moody arena director, Leo Thompson flag man.

Assisting with time keeping will be Mrs. Charles Wood and Mrs. Jug Rees. Record keepers are Mrs. Rex T. McKenney and Miss Janice Miller.

Trophy for the best participation by a group went to Howard County Youth Horsemen at the first event, when 56 riders competed in arena events.

Industrial Cooperative Training Program Starts

James Sanderson, Jr., on ladder, is a student-learner who is enrolled in the Industrial Cooperative Training Program at Colorado High School. The 22 students enrolled for the first year ICT course will attend classes directed by Forrest Fox each morning and work for participating business or tradesmen afternoons. Salaries will be paid by employees taking part. Twelve employees are cooperating. Observing the student's painting work are, from left, Wallace D. Price, Jr., Colorado High School principal, Fox, ICT coordinator, J. O. Sanderson owner of Sanderson's Decorating Service, and Edward C. Shive, area ICT supervisor, Big Spring.

Rolling Plains Expects Big Production Goal

The U. S. Department of Agriculture will almost certainly call for a production goal of 15 million bales of cotton in 1969, according to Charles G. Bragg, Executive Vice President of Rolling Plains Cotton Growers, Inc.

Bragg made that prediction at a meeting of managers and officers of area rural electric cooperatives August 27 in Abilene's Old Town Restaurant.

He pointed out that the carryover of cotton in this country on August 1, 1968 was only 6.3 million bales, the lowest since 1953. If U. S. D. A. estimates of production and consumption are correct, the carryover next August 1 will be below 4 million, well below the reserve considered essential by the Congress and the Secretary of Agriculture.

"U. S. D. A. is estimating this year's crop at 10.9 million bales," Bragg said. "This, plus the 6.3 million on hand and 100,000 bales normally imported, would give a total U. S. supply of 17.3 million bales from which to satisfy domestic and export demands until August 1,1969."

"Many cotton men in the trade and at mills are guessing consumption at home, plus exports sumption at home, plus exports, at around 13.5 million, which if correct, will reduce the carryover to 3.8 million, less than 4 months supply."

"U. S. D. A. must declare marketing quotas and announce major details of the 1969 program by October 15 of this year," Bragg said, "And the Secretary of Agriculture has authority to make changes in the cotton program in at least 3 areas to bring about increased plantings."

The simplest change and the one that can be made without affecting other payments or provisions of the program, and therefore the most likely, is a lowering or elimination of voluntary diversion payments.

This payment was 6¢ per pound times projected yield times acreage voluntarily diverted in 1968. In 1967, the voluntary diversion payments was 10.78¢ per pound. This year, producers left out 22 acres of each hundred acres of allotment, compared to 33 acres diverted in 1967 at the higher price.

Also, the Secretary of Agriculture has the option to reduce or do away with mandatory diversion. This year producers were required to divert at least 5% of their allotments in order to qualify under the program. The maximum mandatory diversion is 12.5%, and in 1967, that was the diversion level for cooperators.

But if the Secretary requres no diversion at all he will be forced by the so-called Ellender amendment to raise either the price support payment or the CCC loan level. The Ellender amendment specifies that the loan plus the price support payment (made only on 65% of each producer's allotment) must equal 65% of parity on the "permissible" acreage.

If parity at the time provisions are announced in October remains at the current 44.66¢, and if the Secretary requires no diversion of acreage the price support payment for 1969 would have to be 14.3¢ per pound as compared to the 12.24¢ payment rate for this year, unless the loan rate is increased.

The law also requires a mandatory diversion payment of not less than 25% of parity, so if there is no mandatory diversion in 1969 the Government would save the 10.76¢ per pound paid on the 5% diversion that was required this year.

Even if growers are required to divert 5% of allotments, the higher parity in 1969 would push price support payments up to 13.6 cents per pound, assuming that the loan level is not raised.

Third change which may be made, Bragg said, is an increase in the loan price. This could allow the Secretary to reduce the direct price support payment, but would increase the guaranteed price to the farmer for his entire production, thus encouraging more plantings.

Guests for Spade Reunion

This group was among the almost 90 persons who recently attended the second annual Spade Community reunion in Civic House. President of the reunion organization, made up of Spade residents and former residents, is Ross Hargrove. J. C. Northcutt is vice president and Mrs. Tom Moore, secretary. Mrs. Georgia Thompson Kirkpatrick of Buena Park, Cal., and Mrs. J. L. Thompson of Modesto, Cal., were recognized as persons coming the farthest distance for the affair.

ROTC Scholarships For Senior Pupils

Male high school students who plan to enter college for the first time in the fall of 1969 may apply now for 800 four-year Army ROTC scholarships, the Army ROTC Directorate, Fort Monroe, Va., has announced.

Scholarships are awarded annually on a competitive basis to outstanding high school graduates who are highly motivated toward a career in the Active Army.

Each scholarship pays for the student's tuition, textbooks and lab fees and provides a $50 per month subsistence allowance for the duration of the award except for a six-week summer camp period when the student receives one-half the pay of a second lieutenant.

The scholarship winner may attend any one of the 259 colleges and universities offering the four-year Army ROTC program. Except for officer training subjects, which are taught by Army professors of military science, the ROTC student pursues the same academic courses in the field of his choice as any other student.

Application closing date is Jan. 15,1969. Announcement of scholarship winners will be made in the spring of 1969. The scholarships become effective with the opening of the 1969-70 school year.

Since part of the scholarship selection is based on the College Entrance Examination Board (CEEB) tests, high school students who intend to compete for one of the awards should take the CEEB tests given nationwide this fall.

Detailed information about the four-year scholarship program and application forms may be obtained from the Commanding General, Fourth U. S. Army, ATTN: AKAAG-R, Fort Sam Houston, Tex. 78234.

New Lines For Service Pipe Line

Service Pipe Line Company, which operates a station here in Mitchell County, will lay 40 miles of 16-inch pipeline in west Texas this fall, it was announced today by T. R. Aude, president of the crude oil pipeline company, a subsidiary of Standard Oil Company (Indiana).

The new line will parallel the company's existing 16-inch in Hockley and Lubbock counties and will increase capacity into Monroe station (at Lubbock) from a current annual average of 161,400 barrels daily to 246,000 barrels daily.

In 1967, Service Pipe Line completed laying approximately 75 miles of 16-inch pipeline between Monroe station and Drumright station, Oklahoma, which paralleled the company's existing 16-inch. The construction was part of a project that raised system capacity from Texas to midwest refineries about 30,000 barrels daily.

The 40 miles of new pipeline slated will give Service Pipe Line two separate 16-inch systems from its facilities at Slaughter, Texas, to its pipeline terminal at Cushing, Oklahoma, and its trunk station at Drumright.

CONVERSATION CORNER

HAD FORGOTTEN, until the Labor Day weekend, how beautiful the Hill Country of Texas is!

Had breakfast in Robert Lee, then drove to Kerrville and the new Inn of the Hills by way of Bronte, Ballinger, Eden, Menard, Junction. . .then Mountain Home and Kerrville!

The grandson and granddaughter, Jim and Betsy, were enchanted with the rivers. They even sounded a little jealous that Ballinger boasts two rivers – the Colorado and the Concho.

"So that's where all our Colorado River water goes – to Ballinger!" one of them exclaimed as we crossed the big bridge.

Then there was the Llano, the San Saba, and finally the gorgeous, winding Guadalupe.

* * *

THE TRIP was a kind of back-to-school bonus treat for the kids and their mother. And me.

Find a boy and girl who adore the water an Olympic-sized pool to swim in and their joy knoweth no bounds – and no clock-watching either.

After that, drive the boy to a golf course and the girl to a dude ranch (Lazy Hills) for a saddle ride up the tree-flocked hills and their happiness seems complete.

After another swim and dinner at the Inn, even they will settle for going to bed.

* * *

LEARNED something this trip. Something parents and all grandparents everywhere should take time to remember.

It isn't where you take a youngster or how much money you lavish on entertainment that brings pleasure. It isn't so much what and where as it is how.

That was made clear when we took a liesurely drive down the Guadalupe at Hunt, site of the picturesque summer camps for boys and girls.

Thing the grandchildren loved most of all was getting to stop by the river. . .getting to see and see and see the river and the graceful hills. "They look just like mountains," they decided.

Top event of the whole trip for the two of them turned out to be getting to stop twice and just go wading below two low water bridges.

* * *

THEN, and only then, did their cup of joy reach the "runneth over" stage.

That proves, maybe, that the sun and shade, the lush green river bank, the tall as the sky trees, were more important and more beautiful in their searching eyes than the weeping willow and waterfall at the Inn's Olympic pool.

Carpet of grass was finer than the deep red pile of the Spanish interior of the motor inn.

Give a boy and a girl time in the great outdoors. . .time to admire God's "great, big, beautiful, wonderful world". . . time to wiggle their toes in the clear shallow water. . .and you can skip the Angora Room and all the rest.

Think of the money people could save on vacations if we could all bear in mind that unassailable fact!

* * *

SEEN LATELYS included Bea (Mrs. Cappy) Smith on the shopping scene. . .Mrs. Bill Jackson, too.

Ruth Hightower was lunching downtown. Lovess (Mrs. Tandy) Curlee, ditto.

Larry Lakey (The Rev.) was an office visitor. Saw Ann Randle Davis out on Marshall St. . .Lily Bennett of Loraine on Walnut St. . .J.C. Britton. . .Mrs. W. C. Harlow. . .Blanche (Mrs. W. A.) Bell. . .Elmer Martin.

HEAR TELL, via conversation with old friend Frank Deregibus, that it was the Colorado City Flying Service – not the Flying Club – which installed the city-bought rotary beacon for the airport here.

Frank was saying, also, that he could see the new rotating light all the way from Silver when he landed his Flying Service plane after night, coming home from a flight to and from Corpus Christi.

Hear, too, that Miss America for 1968 will not soon forget our part of West Texas. She was riding with her official chaperone, enroute to Atlantic City, when the chaperone got arrested for speeding. The woman driver graciously paid the fine in J. P. Court of Leonard Henderson.

HOSPITALIZED at Ruidosa, New Mexico, where his wife has her summer art studio, is our Osie Roberts.

He drove to Ruidosa to join Mrs. Roberts for the Labor Day weekend and became ill suddenly.

Latest report is that he suffered either a heart attack or an embolism, and that x-rays showed no damage to his heart, according to Orin Feaster.

OFF THE CUFF – Joe Earnest is of the thoughtful old school in at least one nice way. He's a letter writer and a consistent writer of little notes of sympathy or "get well" messages.

Calvin Gustin, pastor of Oak Street Baptists, heads the Ministerial Alliance Committee for sermons to be published in the Record. Committee plans a new series of sermons, one in each Sunday paper from the pen of a Ministerial Alliance member.

Janice Roberts has moved to New Braunfels where she'll be teaching this term.

Loraine's First Baptists have a new pastor coming. Clarence Minton who has been pastor at Blackwell. He follows James McKee who moved to Highland Baptist Church in Denton, recently.

Baylor University campus is choice of five C-City students this term. They are Topper and Rusty Steakley, sons of Bobbie and Dr. H. Jene Steakley; Dale Morris, son of Katie and Arlene Morris; and Jean Keeth, daughter of the Dalton Keeths; Jerel Graves, son of the H. B. Graves.

Brenda Bell has accepted a position as special education teacher at the Texas State School for Deaf Children in Austin. She's a Texas University grad, daughter of the Joe Bells.

Thomassons Are Parents

Mr. and Mrs. Ralph E. Thomasson of Savoy this week announced the birth of a daughter, Hartly Michelle, born Aug. 8 in Sherman.

The baby weighed nine pounds, one and a half ounces at birth.

Mrs. Thomasson is the former Donna Prescott, daughter of Mr. and Mrs. W. H. Prescott of 433 Pine Street. Mr. Thomasson is the son of Mr. and Mrs. Floyd E. Thomasson, formerly of Lubbock, now of Dallas.

Great-grandparents are Mr. and Mrs. G. R. DeFreese of Ralls and Mrs. Maggie L. Hall of Loraine.

Great-great-grandmother is Mrs. Armanda Welch of Savoy.

Hamners Leave

Mr. and Mrs. Larry Hamner left Monday for California after a visit here with his parents, Mr. and Mrs. Stanley Hamner.

Receiving records of books they read during the summer reading program sponsored by Mitchell County Library and Texas State Library during a party Monday in the Library were, left to right, Randy Proctor, Van Braswell, Matt Waldrip, Mary Alice Houston, Judy Waldrip and Ginger Braswell.

H-SU Artist Series Starts In October

Colorado City area residents, including school age youngsters, are invited to attend Hardin – Simmons University's 1968-69 Artist Series which will feature six performances.

Programs will range from Mary Costa, who has scored triumphs at the Metropolitan and San Francisco Operas, to the talented Clebanoff Strings and Orchestra.

The series will also be highlighted by the return of Roger Williams, popular pianist, probably best known for his famous recordings of "Autumn Leaves," and The Little Angels of Korea, 28 Korean singers ranging from six to 14, who will present a dance and song pageant.

The schedule is: Oct. 15, Mary Costa; Dec. 9, The Little Angels; Feb. 13, Roger Williams; March 14, Clebanoff Strings; April 11, Houston Symphony; May 6, Glen Yarbrough.

Tickets for the H-SU Artist Series may be obtained by writing Dr. W. O. Beazley's office, Hardin-Simmons University, Abilene, Texas 79601.

Four Attend New Car Showing

Four representatives of Frank Motor Company will be in Dallas Thursday (today) and Friday for a preview showing of 1969 Plymouths, Chryslers and Imperials.

Attending the showing from the Colorado City automobile firm will be Mr. and Mrs. Frank Deregibus, owners; Mrs. Lillian Mundy, parts manager; and Bud Shepherd, sales manager.

The showing is one of 21 being held in various parts of the country for dealers and their sales staffs.

The new models will go on sale here Sept. 19.

WARMING UP

They are smacking each other already out on the football practice field with tackles and blocks.

Our Quarterback Club is warming up, too, for another year of splendid sports boosting for Colorado City public schools.

That's a full year's job the Quarterback Club works. . . not just a football season. . .and its accomplishments are good for our schools, our youth and our community.

How about giving a strong helping hand to Truman Bodine, Don Benson, Don Fite, John Morgan and Lacy Boles, who lead this club as officers.

TB Board Proposes Area Organization

Two staff members from the Austin headquarters for Texas Tuberculosis Association met with the Mitchell County TB Association board of directors here Tuesday night.

Mrs. Emily Boyd and Miss Peggy Boyd attended a dinner hosted by Mitchell board members in Villa Inn Restaurant.

Mrs. A. J. Hooks, president of the Mitchell County group, presided.

Proposed reorganization of Texas TB Association into 13 specified areas was explained.

Under the organization plan prepared by the state board of 65 members Mitchell County would be part of area 7.

Other counties in area 7 would be Andrews, Martin, Howard, Nolan, Taylor, Jones, Loving, Winkler, Ector, Midland, Glasscock, Sterling, Coke, Runnels, Coleman, Ward, Crane, Upton, Reagan, Irion, Tom Green, Concho, McCulloch, Crockett, Sutton, Schleicher, Menard, Mason, and Kimble.

Area offices and staffs would, under the plan, take the place of scattered local and county offices.

Goal set for area organization is expected to be three years, once the program is accepted.

Pooling of all funds will make adequate funds available to central area headquarters and the state association will be offering new services with the same overall percentages.

Percentage division will be 7 percent of all funds to National TB Association, 18 percent to Texas TB Association, and 75 percent of all funds kept in the area, according to the prospectus presented to this county's TB board.

Staff members from Austin pointed out that Mitchell County's case load last year was 35.12 as compared to the average for Texas of 29.6.

366 Students Enroll In Loraine Schools

A total of 366 students had enrolled in Loraine Schools as of Tuesday.

Superintendent Leroy Scott announced the enrollment figure after nine new students entered classes Tuesday morning.

High school classes, including grades 9-12, totaled 103 students. Two hundred, sixty-three pupils were enrolled in grades 1-8.

Three new teachers joined the teaching staff for the 1968-69 school year. They are Mrs. Eddie Puckett, who teaches a combined first and second grade class; Eddie Gill Jr., head coach and science teacher, and Cherry Eldrege, assistant coach, basketball coach, physical education and social studies instructor.

School personel this year in addition to Superintendent Scott includes two Title I employees, 16 classroom teachers, two vocational instructors, five lunchroom workers, one maintance employee, two teachers aid and seven bus drivers (all except one driver is employed in another capacity in the school system).

* * *

Pictures for the 1968-69 school year book will be taken Thursday at the school, according to Superintendent Scott.

* * *

High School students are making plans to attend West Texas State Fair in Abilene next week. Definite date is to be announced later.

* * *

First football game for the Loraine Bulldogs is scheduled Sept. 13 on the home field. The Bulldogs will play their initial game against Hermleigh.

Concurrent ACP Funds Approved

Mitchell County ASC Committee has been approved to begin concurrent approvals under the 1969 ACP Program, not to exceed 25 percent of the 1969 initial county allocation.

Only producers who have not earned the 1968 county limit of $750 are eligible for the concurrent Agricultural Conservation Program fund.

Practices approved must be eligible to transfer back to the 1968 program should the 1968 ACP funds become available.

Request for cost-shares must be made at the ASCS office before the practice is started. Concurrent practices are to be performed before Jan. 1, 1969.

County Fourth In District 4 Bond Sales

Mitchell County currently ranks fourth in the 10 county District No. 4 for the purchase of United States Saving Bonds, through the month of July this year.

July saving bond sales in this county totaled $6,317, according to Wayne Shawn, county chairman of the saving bonds committee.

That brings the total for 1968, through July, to $170,000 which is 45 percent of the county's quota.

Topping Mitchell County were Dawson County with $8,871 for July, $120,000 for the year, 79 percent of the quota reached; Howard County $56,385 for July, $396,678 for the year, 57 percent of quota reached; and Scurry County, $43,772 for Jyly, $93,195 for the year, 55 percent of the 1968 quota reached.

Sales of U. S. Savings Bonds and Freedom Shares in Texas for the first seven months were $106,830,122 – an increase of 8.9 per cent over sales during the same period of 1967. For the month of July, sales totaled $15,862,130 – an increase of 11 per cent over July 1967.

Sales of both Series E and H Bonds and Freedom Shares throughout the country totaled $416 million. Total sales of $2,996 million for the seven month period represents 54.4 per cent of the nation's goal.

CTA Will Host Party Tonight

Colorado High School cafeteria Thursday evening (tonight) will be setting for a get-acquainted party for teachers of Colorado School System and their families.

Brothers Serve in Armed Force

Mr. and Mrs. Henry Rivera of 321 Jefferson Street have two sons serving in military service.

They are Pvt. Arthur Rivera, who was recently graduated from basic training at Fort Bliss near El Paso, and Sp/4 Henry Rivera, Jr., now stationed in Germany.

Arthur Rivera, a 1968 graduate of Colorado High School, entered the army June 18.

Sp/4 Rivera entered the Army in November, 1966, and received his basic training at Fort Polk, La. He was transferred to Fort Sill, Okla., and then to Germany, where he has been stationed for the past 16 months.

He is scheduled to return to the states in October.

Jerry Hammond Home Features South of the Border Styling

Entering the new Buford Community home of Jerry and Eileen Hammond is like stepping into the pages of a picture book featuring Spanish styling.

Exterior of the multi-colored brick home gives visitors their first glimpse of Spanish styling.

Outside the setting is complete with a long covered porch with Spanish columns and a rock garden where a variety of cactus are growing.

The heavy-looking front door opens into a large entry hall furnished with a Spanish console, a bright Spanish picture and a stereo set in a cabinet refinished in Spanish styling by the Hammonds. Also part of the entry setting is a refinished red, gold and black high rounded trunk, which was also refinished by the couple, located in the hallway centered beyond the arch shaped door.

A second archway leads from the hall into the living area-kitchen combination. Draperies for the combined room are off-white with a raised design in gold and black. Living area drapes are hung on a square elbony rod. Light pecan Spanish furniture is accented by avocado, rust and gold upholstery.

An elbony and white chandelier hangs in the living area.

Danish walnut cabinets, stained to match wall paneling and woodwork in the home, provides an abundance of storage space. The eating bar has storage space and overhanging cabinets. Avocado appliances are complimentary to the gold formica counter covering.

More storage is located under the cooktop on a brick island. Kitchen light fixtures, as well as others in the home, were brought from Mexico.

A door from the kitchen opens into a large utility room, carpeted in gold and black commercial carpet. A utility door leads into a double garage.

Master bedroom is furnished with a dark pecan Spanish suite, highlighted by a gold bedspread and red and gold drapes.

Black chandeliers hang in the bedroom and adjoining bath which is done in ash paneling with Danish walnut stain and soft yellow ceramic tile. Black marbleized formica covers dressing table top. The same red and gold drapes are repeated on the bathroom window.

Guest bedroom is furnished with a bedroom suite which Jerry and Eileen refinished in avocado with gold trim, an orange hanging lamp which Jerry made, and antique satin avocado draperies.

Guest bathroom has the same paneling and tile as the master bath and is accented by pink floral accessories and pind and white marbleized formica.

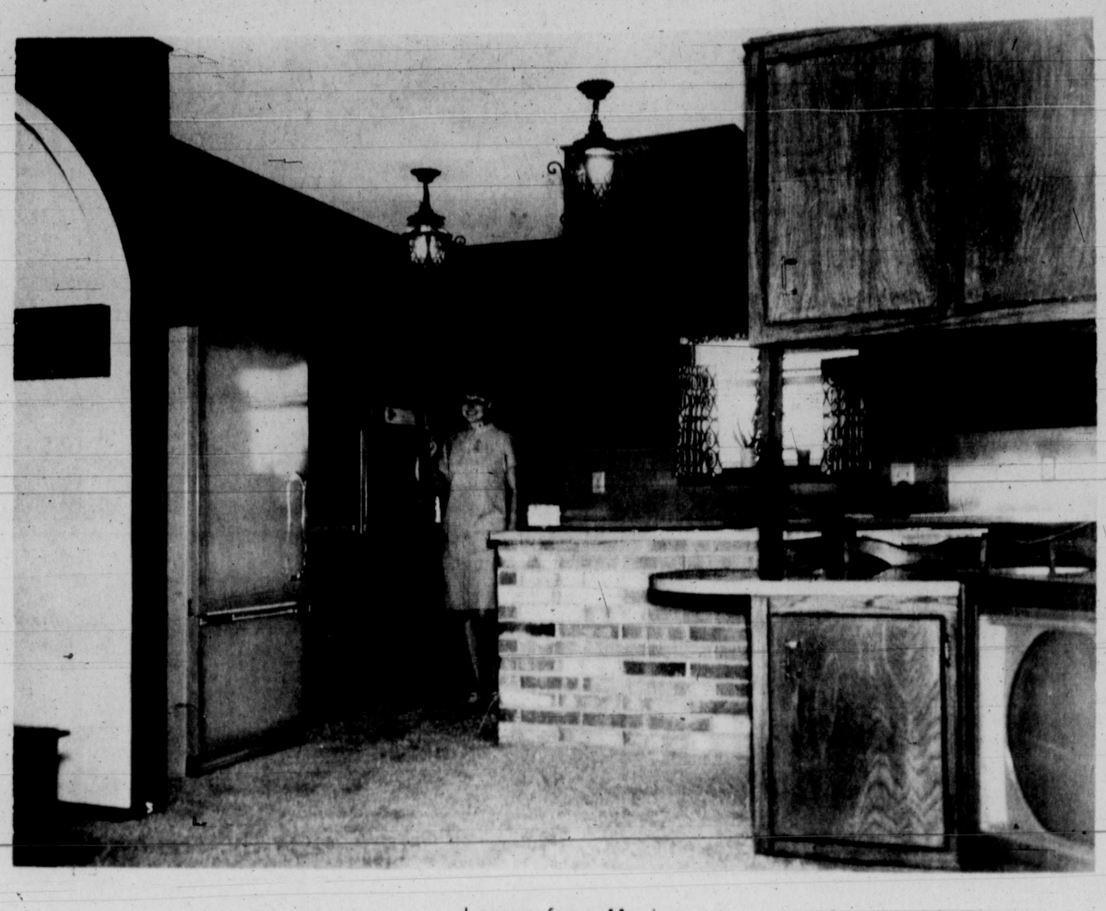

Off-white drapes with gold and black design and a walnut suite are grouped together in the dining room.

Walls for the entry hall and bedroom areas are finished in heavy ostrich white textone.

The entire house, except the utility room, is carpeted with Treasure Gold long-napped nylon shag carpeting.

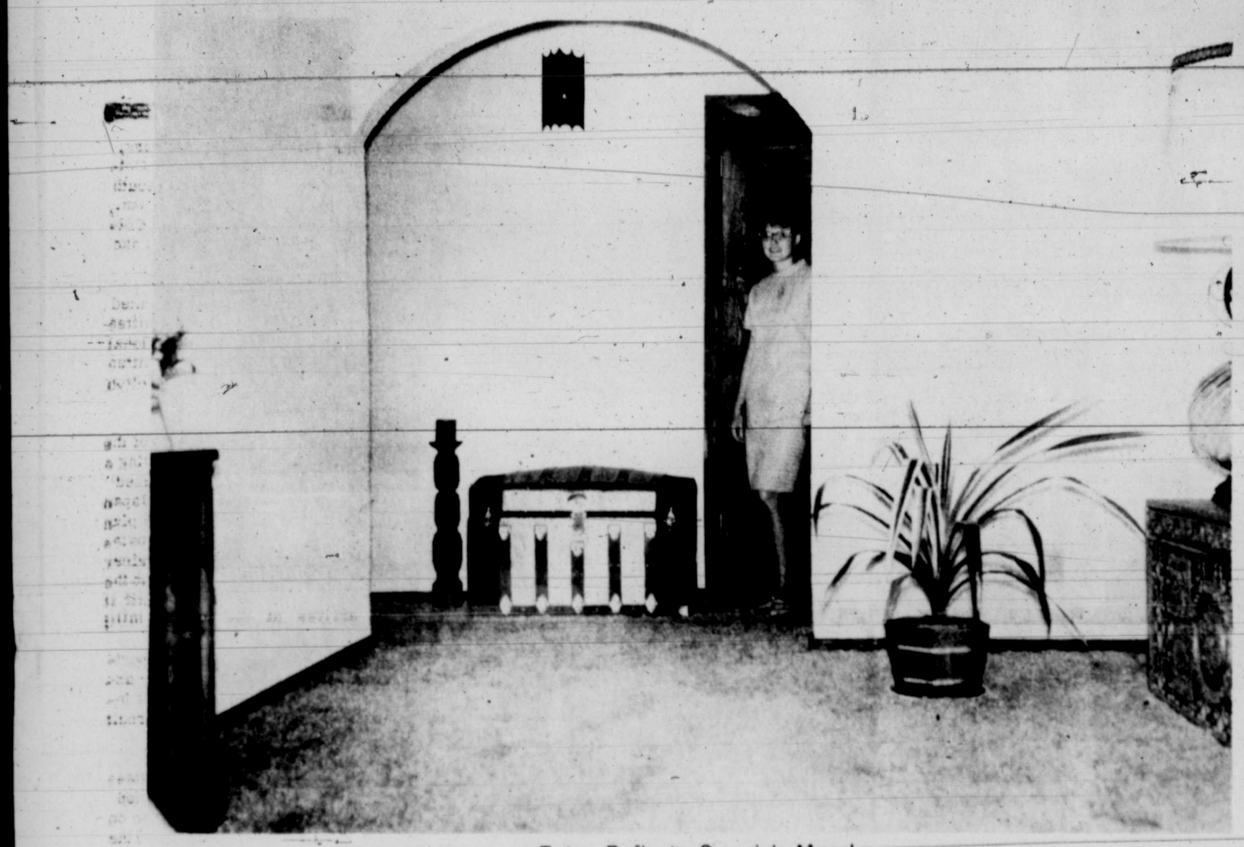

Mr. and Mrs. Hammond drew their own plans for the total-electric home. They moved into the house in August, 1967. Both were graduated from Colorado High School. They were married in April, 1966.

Mrs. Hammond is employed by Texas Highway Department. He is an employee of Hammond Carpet Company and also farms.

Lamps from Mexico

Black wrought iron light fixtures in the kitchen area of Jerry and Eileen Hammond's home in the Buford Community were brought from Mexico by the couple. A multi-colored brick island provides space for cook-top and extra storage in the new total-electric home. The couple has lived in the house a year this month.

Entry Reflects Spanish Mood

Construction and furnishings in the entry hall of the Buford Community home of Mr. and Mrs. Jerry Hammond provides a visitor with a preview of the Spanish motif found throughout the house. Stereo at right and trunk in center background by Mrs. Hammond were refinished in the Spanish style by the young couple. Candle stand to the left of the trunk was made by Mrs. Hammond's mother, Mrs. Robert Chambers, of Colorado City.

Ranchers Advised 'Make Most Of Rainfall'

"If you base your ranching operations on our average rainfall you probably need to make some definite changes", says Joe Birchum, Range Conservationist, Colorado City.

"In the Mitchell SWCD the average rainfall from 1917 through 1967 is 21.55 inches per year. In this same period we have had 18 years or 36% above the average and 32 years or 64% below," he noted.

Birchum added, "With the cost of ranching going higher each year it is essential that we make the most of our rainfall. The rancher who stocks for the average years is the one who has problems paying his costs. On the other hand, a rancher who stocks well below the average has less costs and a greater profit."

In years which bring additional rains there are several ways to utilize the extra grass. The most common way is to buy steers to graze for a short time. Another method is to wean calves and stock a pasture with them, the Range Conservationist advised.

"When you stop to analyze the overall ranching situation in the Mitchell SWCD it is evident there are fewer beef cattle in the District now than in 1958. One reason for this reduction in numbers is that there are more ranchers stocking for the below average years than the average years.

"A rancher who stocks his ranch depending on our average rainfall will be overstocked 64% of the time. Considering that

Westbrook Enrolls 133

New lead for Westbrook enrolls

WESTBROOK — Westbrook School opened the 1968-69 term, August 29, with a total enrollment of 133 pupils a figure of 18 students below last year's enrollment.

Late enrollments are expected to reach that of last year, said Herman Parsons, superintendent.

There are two teacher vacancies still to be filled, a science and a commercial teacher position.

Mrs. Royce Moore of Westbrook has been hired to teach the sixth grade. Mrs. Moore received a Bachelor of Science Degree from Hardin Simmons University in Abilene, August 22. She attended Howard County Junior College in Big Spring two years and H-SU the last two years. Mr. and Mrs. Moore have three children Roxann, Pandora and Rodney. Moore, a native of Westbrook, is employed by Standard Oil Co.

Other elementary teachers are Mrs. J. M. Watson, Mrs. Orlean Cook, Mrs. T. C. Moore, Mrs. D. M. Smith and Mrs. Larue Brussard.

High school teachers include Coach Sam Scroggins, Pete Hines, Maxey Ware, Mrs. Ather Ellis, Supt. Parsons and Ralph Bryant, Principal.

Teacher aides are Mrs. Sam Scroggins and Mary Ann Lopez.

Lunch room staff members are Mrs. A. A. Raschke, Mrs. Pent Hines and Mrs. Edgar Andrews. Quan Bryant is custodian.

Fairview HD Club To Meet Today

First meeting of the fall season for Fairview Home Demonstration Club will be hosted Thursday (today) by Mrs. Will Berry.

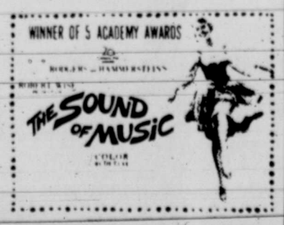

Time for the session has been set for 2:30 p.m., according to Mrs. Weldon McMillan, club president.

Mrs. McMillan Wednesday urged all club members to be present for the business meeting in which plans will be made for the forthcoming county fair and parade float.

If you're counting on a new VW, you can stop at $1797

In fact, when it comes to money, a VW will save you a lot of counting after you buy it, too.
On gas bills. (It gets about 27 mpg.)
On tires. (They average 40,000 miles.)
It hardly ever needs oil between changes.
And, since the engine is air-cooled you never have to dish out for anti-freeze.
So if you don't like to count, buy
It figures.

Cotton Faces
Big Question On Farm

Big question facing the cotton industry now is whether the present farm program can provide enough cotton, at a fair price, to meet domestic and foreign demand.

That's what Roy Davis, head of the world's largest cottonseed oil mill and President of the National Cotton Council, told area cotton leaders in Lubbock last week.

"We know the program can reduce supplies," Davis said. "Our cotton stocks have been cut from 16.7 million to 6.3 million bales in only two years. Forecasts are calling for another short crop this year, which will likely reduce stocks at least another 2 million bales. The situation is critical. We must maintain adequate supplies of the various qualities, at a competitive price, if we are going to keep our markets."

Cotton Producers were represented at the meeting by Rolling Plains Cotton Growers, Inc., of Stamford; Plains Cotton Growers, Lubbock; South Texas Cotton and Grain Assn., Victoria; and the Louisiana Cotton Producers Assn. Lake Providence, La.

Cotton trade was represented by the Executive Committee of Cotton Council International and a special export committee from the National Cotton Council.

Among tangible results of the meeting were : (1) initiating a pilot test for "containerized" shipments of cotton to Japan and Western Europe. The plan calls for placing 60-100 bales of cotton into a single container that will remain closed from the time it leaves Texas until it arrives at the foreign mill;

(2) a broader use of Export-Import Bank financing accompanied by proper credit insurance through Federal Credit Insurance Association;

(3) two liaison committees were set up; one to develop and disseminate information on the Export-Import Bank and the other on FCIA operations;

(4) preliminary plans were laid for sending a trade mission of cotton producers to visit cotton mills in the Orient early spring of 1969, and for reciprocating visits from the foreign cotton industry to the U. S. as soon as arrangements can be made.

Junior High School Issues Schedules

Seventh and eighth grade students who are attending Junior High School here interrupted their vacation fun recently long enough to stop by the principal's office and get their class schedules for the new term. Jana Owens, daughter of Mr. and Mrs. R. J. Haggerton, left, Rhonda and Sharon Bearden, daughters of Mr. and Mrs. M. F. Bearden are pictured with Mrs. Bill Taylor, office secretary, and Don Dulin, new principal at Junior High.

Larry Hamner, Nancy Turner Marry in California Rites

Miss Nancy Eileen Turner of La Habra, Cal., and Larry Wayne Hamner exchanged wedding vows recently in Chapel of Memories in Norwalk, Cal.

Miss Turner is the daughter of Mr. and Mrs. James G. Turner of La Habra. Hamner is the son of Mr. and Mrs. Stanley Hamner of 1449 Waco Street.

The bridal couple were married Aug. 10 in a double ring ceremony.

Charles E. Stancell, minister of South Whittier Church of Christ, officiated in the eight o'clock ceremony.

Given in marriage by her father, the bride wore a formal gown of brocade satin styled with princess A-lines. Her chapel train was fashioned of tulle with overlays of brocade flowers.

Her veil of illusion was attached to organza roses and seed pearls. She carried a nosegay of white and pink roses, white carnations and stephanotis.

Miss Janice Turner of La Habra, the bride's sister, was maid of honor. Miss Susan Turner, another sister, Miss Kathie Conner of Santa Rosa, Cal., and Miss Jane Clark of Anheim, Cal., were bridesmaids.

Bridal attendants wore princess A-line gowns of fuchsia pink organza over taffeta with matching organza and tulle headpieces. They carried nosegays of roses, carnations and babies breath arranged in variegated shades of pink.

James Kennedy of Whittier, Cal., was best man.

Steve Devenport of St. Louis, Mo., Ross Conners of Boise, Idaho, and Bob Carnahan of Cleveland, Ohio, were groomsmen.

Jean Smalling of La Mirado, Cal., and Fred Tibbet of Whittier, Cal., seated guests.

John Turner, brother of the bride, was ringbearer. Candles were lighted by Mike Turner, also a brother of the bride, and Mike Mecom of La Mirada, Cal.

Musical selections for the ceremony were "Because", "Oh Promise Me" and "The Lord's Prayer".

For her daughter's wedding Mrs. Turner wore an A-line dress of beige embroidered over taffeta fashioned with sheer wrist length sleeves. Her accessories were matching shoes and gloves and a rose floral hat.

The bridegroom's mother wore a light pink crepe A-line dress with cap sleeves. Her attire was complimented by matching shoes and a pink floral hat.

A reception honored the wedding couple following nuptial vows.

Shades of pink were carried out in decorations for the bride's table. Fuchsia tapers in crystal candlesticks accented pink roses on the white wedding cake.

For travel the bride wore a white three-piece suit with a burnt orange underblouse. Completing her attire were blue and white spectator shoes and a corsage of white roses and stephanotis.

The bride was graduated from Lowell High School and attended Fullerton Junior College. She is presently employed at Sunrise Hospitals, Inc.

Hamner, a graduate of Colorado High School, attended Lubbock Christian College and Howard County Junior College. He is presently stationed on the USS Kearsarge, with home port at Long Beach, Cal.

Mr. and Mrs. Hamner returned to California Monday after visiting here last week with the bridegroom's family and friends.

Library Workshop Planned At Abilene

A workshop will be held at the Abilene Public Library, Abilene, on Monday, September 16, 1968 at 9:00 a.m. for persons interested in libraries.

Topic for discussion will be a bill prepared for presentation to the 1969 session of the Texas Legislature. The legislation will be sponsored by the professional organization, the Texas Library Association. The Abilene Public Library and the Texas State Library's Field Services Division are sponsoring the September 16 workshop.

A complete study of the legislative proposal will be undertaken. The meeting is open to anyone interested in Texas public libraries. All library board members and Friends of the Library are especially invited.

Allocating grants of federal funds to qualifying local libraries, the Texas State Library has organized a network for lending between libraries and for answering reference questions for library patrons. The proposed legislation will broaden the opportunity libraries have had to organize into a stronger network of systems of libraries to increase library access for all citizens.

Inspection Begins For Automobiles

The 1969 vehicle inspection period began Sept. 1 in Texas according to Colonel Wilson E. (Pat) Speir, acting director of the Texas Department of Public Safety.

Texas law requires inspection of the brakes, lighting equipment, horns and warning devices, mirrors, windshield wipers, front seat belts in vehicles where seat belt anchorages were part of the manufacturer's original equipment on the vehicle, steering (including power steering) and wheels and rims (not to include removal of the wheel from the vehicle) on all motor vehicles registered in the state.

Minimum fee is $1.75. This does not include the cost of repairs or adjustments necessary to enable the vehicle to pass inspection.

Speir said the new vehicle inspection sticker will be a two and one-half inch square replica of a DPS patrolman's badge with red background. Motorists are urged to have the 1969 inspection performed as soon as possible to insure that their vehicles are mechanically safe for fall and winter driving.

Mr. and Mrs. House Live in Stephenville

MR. AND MRS. R. E. HOUSE
. . . repeat wedding vows

Mr. and Mrs. Robert Eugene House are residing at 855 West Washington in Stephenville following their marriage Aug. 23 in First Baptist Church of Ira.

Mrs. House is the former Linda Dianne Wiggins, daughter of Mr. and Mrs. Welden Wiggins of Ira.

She is the granddaughter of Mr. and Mrs. D. E. Light of Colorado City, Mr. and Mrs. W. P. Wiggins of Loraine.

Parents of the bridegroom are Mr. and Mrs. Floyd House of Ira.

Rev. Jim Hill, pastor of Ackerly Baptist Church, read the double ring wedding vows in an eight o'clock ceremony.

Altar was centered with a large arch covered with lemon leaves and five different shades of orange pom pom chrysanthemums. White wedding bells, tied with white ribbon, centered the top of the arch. Candelabra holding 14 long orange candles flanked each side of the arch which was centered by a three-branch candelabra holding orange tapers. A bouquet of orange feathered flowers marked the organ.

The bride was given in marriage by her father.

She wore a gown of white bridal satin, designed by the bride and made by her grandmother, Mrs. Light. The formal gown was fashioned with long tapered sleeves, a re-entre waistline and stand-up collar. A train of lace was attached to the dress back.

Two satin roses were attached to her three-tiered elbow-length veil of illusion. She carried a bouquet of small white roses and stephenotis on a new white Bible.

She also carried a white lace handkerchief borrowed from Mrs. Howard Sterling of Ira, wore a blue garter and had a sixpence dated the year of her parents' marriage.

Miss Gwen Calley of Ira, cousin of the bride, was pianist and organist. She accompanied Mrs. Hafold Holladay of Ira and Mrs. Jim Hill of Ackerly as they sang "Always" and "More". Mrs. Hill also sang "The Lord's Prayer".

Miss Renoka Hooker of Ira was maid of honor.

She wore a floor-length gown of orange peau de sole fashioned with empire lines. She wore a headpiece of orange pom poms and net on an orange ribbon bow. She carried a bouquet made up of five shades of orange pom poms.

Bridesmaids were Miss Brenda House of Ira, sister of the groom, and Miss Connie Sterling of Ira. Flower girls were Sandy House of Ira, sister of the groom, and Theresa Meyer of Gainesville, cousin of the bride.

Bridesmaids, musicians and flower girls were dressed identical to the maid of honor. Flower girls wore wristlets of various shades of orange pom poms.

Darryl Calley of Ira and Jeanette Meyer of Gainesville, cousins of the bride, were ringbearers.

Best man was Tommy Fisher of Van Horn.

Larry Wiggins of Ira, brother of the bride, and Edwin Murphy of Ira were groomsmen.

Ushering guests were Willie Watkins of Best and Harville Settle of Big Lake.

Ira Community Center was setting for a wedding reception. Bride's table was laid with a white lace cloth and accented by a white memory candle, surrounded by bridesmaids' bouquets. Three-tiered wedding cake was topped by wedding bells and lilies-of-the-valley and decorated with orange roses.

Groom's table was covered with an ivory lace cloth over orange, centered with an arrangement of orange feathered flowers.

Serving at the two tables were Pamela Sallee, Carole Sterling, Sue Sorrells of Ira, Mrs. James Herm and Mrs. Dicky White of Colorado City, cousins of the bride.

Doris Wiggins of Ira, sister of the bride, and Beverly House of Ira, sister of the groom, registered guests.

David Meyer of Gainesville, cousin of the bride, distributed rice bags.

For a honeymoon trip to Dallas and Abilene, the bride wore an orange two-piece suit, complimented by orange and black accessories and a corsage from her bridal bouquet.

The bride and groom will enter Tarleton State College in Stephenville this fall. The bride, a 1968 graduate of Ira High School and Charles and Sue's School of Beauty in Snyder, will enroll as a freshman majoring in interior decorating.

Her husband, a 1967 Ira High School graduate, will begin his second year of studies at Tarleton. He is majoring in certified public accounting.

Out-of-town guests for the wedding were from Morton, Ackerly, Loraine, Colorado City, Snyder, Gainesville, Van Horn, Graham, Lewisville, Gustine, Hermleigh, Tahoka, Big Lake, Best, Big Spring and Vernon.

Program Set At Hospital

An orientation program for Circuit Riders and others interested in volunteer work at Big Spring State Hospital will be conducted Sept. 10 at the hospital.

Dr. Preston Harrison, superintendent of the hospital, will be speaker for the day's program, according to Mrs. Nina Farmer, head of local Circuit Rider organization.

Coffee hour will begin at 8:30 a.m. Program is to start at 9 a.m.

Mrs. Farmer said Saturday that all Circuit Riders and friends are invited to attend. For further information contact Mrs. Farmer at RA 8-3974 or at Rhode-Cowan Clinic.

Five Circuit Riders visited the hospital Tuesday afternoon.

They were Mrs. Jim Jones, Mrs. Nan Stiles, Mrs. Emory Nunn, Mrs. Jewell Richter and Mrs. Farmer. Each visitor was assigned one or two buddy patients. The visited in hospital canteen, played games and helped patients with art work.

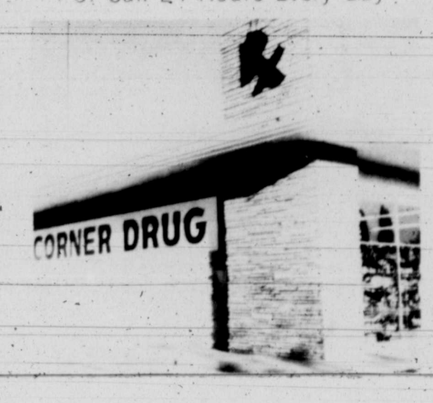

Mrs. Richter taught a tele-training class.
