

HOMECOMING ROYALTY -- Eloise Sarabia was crowned "Homecoming Queen" just prior to the football game between Kress and Hart Friday night. Pictured left

to right are Vivian Davis, third runner-up; Dana McLain, second runnerup, the Queen; and Teri King, first runner-up.

Vote 'No' Says Lawyer

Approximately twenty five people heard Attorney Jim Blair of Amarillo speak concerning the new state constitution which Texas voters will accept or reject on Nov. 4.

One of the astounding statements made by Blair was "If you voters vote 'for' Proposition number 1 on the ballot you will vote for forty four pages in the new constitution which will include among other things, the Bill of Rights, redistricting, allow annual sessions of the legislature, the establishment of a salary commission to set the legislators salaries, and salary increases would be no longer left to a vote of the people."

He further stated that the qualifying phrase "or as set by general law" appeared approximately 150 times in the proposed draft and would remove from the people powers which they have always taken for granted would be theirs.

Under the new constitution if Proposition #2 passes, the criminal and civil courts of appeal would be merged.

Blair also stated that H.B. 1545 which grants the comptroller of public accounts in Austin the power to promulgate the guidelines for land evaluation for ad valorem tax purposes has already been passed, and will become law if

Art. VIII of the proposed constitution passes.

Asked if he would advocate voting against each of the eight propositions on Nov. 4, Blair emphatically replied "yes".

He added there are some good points in the document but they were heavily outweighed by the bad therefore this would not be what the voters of Texas need. He further stated that included in the eight propositions were six amendments which had heretofore been soundly defeated by the voters of this state, and yet they were incorporated in this document.

BONFIRE KING -- Terry Hill is crowned "Bonfire King" at the pep rally and bonfire held Wednesday night before the homecoming game. He is receiving the crown from Dana McLain. Barry George was the other candidate.

Stacy Averitt Widens Gap

Stacy Averitt widened the margin over the nearest contender for the top spot in the season standings in the Hart Beat grid guessing game.

Winning first place this week with 13 correct guesses, Stacy's total for the season is now at 81. Closest behind the high school freshman is Lonnie Joe Howell and Lanny Tucker, each with 77 points for the season.

Picking up second place money this week was Mary Lou Rountree and third place will go to Mary Ann Schulte. Mrs. Rountree had a total of 13 correct guesses but missed the tie-breaker by 22 points, while Miss Averitt missed by only 7 points. Mary Ann missed only three games as did Tom Sanders.

However, Mary Ann's guess on the tie-breaker score was only six points off, while Sanders missed the score by 9 points and Rice, by 11 points. Other contestants with 70 or more points for the season are Teresa Adams, 71; Shirley Adams, Patricia Elliott and

Everette Heller, 72; Edna Sanders, 73; Bullett Adams and Bob Reed, 74; and Marsha George, 75.

Contestants are reminded that upsets might cause the season leaders to drop down and everyone still has a chance at the \$50 grand prize offered this year.

Select the team you think will

win. Teams are listed in the ads. Then circle the number of the team you chose to win on the official entry blank.

Entry blanks must be deposited with any one of the sponsoring merchants, before 4 p.m. each Friday. While you're in his place of business, express your appreciation to him for sponsoring the contest.

Team Effort Praised

"This was the game we have been looking for all season," was the comments of Coach Wes Poarch, following the game with the Kress Kangaroos Friday night.

"We put our offense and defense together for the first time. Offensively, we were consistent, accumulating 400 plus yards."

"We were disappointed that penalties, which we earned, cost us four more touchdowns." Then bringing up the upcoming battle against Vega,

Poarch stated, "We can't have those kinds of penalties against a team like Vega."

Continuing with comments of the Kress game, Poarch said, "We still moved the football, despite the penalties, and moved it well. We had great balance running and throwing the ball."

Defensively, Poarch said it was the best effort of the year. The defense was moving, penetrating and, in general, making things happen.

Hart Eighth Graders Shut Out By Kress

Hart Shorthorns traveled to Kress Thursday night where they were shutout by the host Kangaroos 49-0.

The Kangaroos, who have one of the best eighth grade teams in the area, scored on the first play of the game on a 55 yd. run by Eddie Johnson. This touchdown started a first period avalanche in which Kress scored 28 points.

Things continued to go bad for Hart in the second quarter as Kress built up a 42-0 halftime lead.

As the third quarter began, Hart received the ball and began to move the ball against the tough Kress defense.

Led by the tremendous running of John Barretero and real good blocking from the line, Hart showed a lot of spirit as things began to turn around for them. The drive ended at the 11 yd. line where the

Shorthorns failed on a fourth down attempt.

Throughout the second half Hart came back and battled the Kress team to a standstill. About the middle of the fourth quarter, Kress was able to push across one more score for the final 49-0 victory.

Overall the Shorthorns played a real good second half and showed a tremendous amount of spirit and character according to their coach, and they never gave up and continued to battle back.

Next action is Thursday at Vega beginning at 5 p.m.

Parents of the couple are Mr. and Mrs. Garlon Crosby of Hart and Mr. and Mrs. Elmer Griffith, of Lockney.

Traditional nuptial selections were presented by Mrs. Weldon Davis, organist, who also accompanied Mr. and Mrs. Preston Upshaw as they sang "The Twelfth of Never."

The altar area of the church was set with baskets of white and pink gladioli. Multi-branched candelabra forming the background were entwined with tropical greenery. The bridal aisle was marked with satin bows in rainbow hues.

When presented in marriage by her father, the bride wore a formal gown of white bridal satin overlaid with silk organza. Fashioned with an Empire

waistline, the bodice was embroidered with clusters of tatted appliques. Narrow tating encircled the scooped neckline and the hemline of the long sleeves, which were caught in a bouffant puff at the wrists.

Cluster appliques also enhanced the sleeves and modified A-line skirt. Her detachable train, caught at the back waistline, swept to cathedral length. Lace petal edging encircled the hemline of the skirt and train.

Her bouffant veil of silk illusion fell shoulder length in three tiers and was held by a lace and satin headpiece enhanced with seed pearl droplets.

For 'something old' the bride wore a ring over fifty years old, that belonged to her paternal grandmother, Mrs. Ruby Crosby of Olton. 'Borrowed' was a necklace belonging to her matron of honor. Her attire was 'new', and she wore the traditional 'blue.'

Mrs. Keith Calhoun of Allenreed was matron of honor. Bridesmaids were Misses Kathy Box and Paula Hankins, both of Lubbock. Feminine attendants wore formal length gowns and wide picture hats in rainbow colors. Mrs. Calhoun was gowned in yellow, Miss Box in blue and Miss Hankins in pink. Each carried a coordinating nosegay.

Glen Graves of Lockney served as best man. Groomsmen were Jimmy Crosby, Lubbock, brother of the bride, and Lanny Barnett of Lockney. Guests were seated by Greg Crosby, brother of the bride, Ronnie Griffith, brother of the groom, and Bruce Griffith, Amarillo, also brother of the groom.

For her daughter's wedding Mrs. Crosby chose a pastel pink floral gown of silk organza in formal length. She added white accessories. The mother of the groom wore a floor length gown of pink polyester with matching accessories.

Immediately following the ceremony the young couple was honored with a reception held in Fellowship Hall of the Hart church. The reception table was laid with a pink pique cloth and centered with an arrangement of pink carnations interspersed with gypsophila. The table featured a three-tiered wedding cake. Appointments of silver and crystal were used. Presiding at the table were Mrs. Greg Crosby and Mrs. Danny Godfrey.

For travel the bride selected a light grey pantsuit with charcoal trim. Following a short wedding trip the couple will be at home at 4501 Brownfield Drive, Lubbock.

The bride is graduate of Hart High School. Griffiths is a graduate of Lockney High School attended South Plains College and is presently employed with a Lubbock trucking firm.

\$938 IS WAITING FOR YOU

AND THERE'S \$938 FOR YOUR SPOUSE AND \$938 FOR EACH OF YOUR CHILDREN

That's right. If you Qualify, you and members of you family each can receive up to \$938 a year to help pay the cost of education or vocational training at the Regional Occupational Center - Plainview. The money is yours. You don't pay it back because it's a grant under the Basic Educational Opportunity Grant program.

This unique new program is designed to help offset the cost of education while you are enrolled in any of the programs or courses being offered by the Regional Occupational Center. Because we have an open door admissions policy, nearly everyone can be a college student — not just the high school graduate. More adults are getting post-high school education today than ever before.

What's important, too, is that you no longer have to be a full time student to qualify for a Basic Educational Opportunity Grant. The Program now applies to half time students too.

WHAT YOU CAN RECEIVE

FULL TIME STUDENT (12 OR MORE SEMESTER HOURS A SEMESTER)	\$938 A YEAR
THREE-QUARTER TIME STUDENT (9-11 SEMESTER HOURS A SEMESTER)	\$704 A YEAR
HALF TIME STUDENT (6-8 SEMESTER HOURS A SEMESTER)	\$469 A YEAR

ARE YOU ELIGIBLE?

You are if you can show financial need, have never attended college PRIOR to April 1, 1973, and are a U.S. citizen. And with current changes in family income limits, more and more middle-income families now qualify for these grants.

This may sound like a big give away. But it's not if you really look closely. You see, if you get more education or increase your vocational skills, you'll probably get a better paying job. And the more money you earn, the more taxes you'll pay. That's one way you indirectly repay your grant.

The only cost involved in applying for the BEOG is a postage stamp. For help in filling out the form or for more information, please call or come by the Regional Occupational Center.

Roos Blast Horns 24-0

In a game much closer than the score indicates, the Longhorn Junior Varsity fell to the Kress Kangaroos last Thursday 24-0.

The game was characterized by tough defense on both sides and the outcome of the game rested on three plays.

The Horns drove to the Kress 14 yd. line in the second period but had their efforts thwarted when a fourth down pass fell incomplete. The half ended with the game still scoreless.

As the second half opened, the Hart defense continued to play very aggressive football. Bobby Allensworth, Kent Hill, Rudy Valadez, Mike Finch, J.D. Garrity and Kelly Jones all turned in sterling performances and Rodolfo Gonzales had an outstanding game from his nose guard position.

As the game moved into the fourth quarter, the score was still 0-0. Finally with 5:51 left in the game the Roos scored on a 48 yd. pass play which caught the Horn defense napping. The extra points were good and the Horns trailed 0-8. With just over 2 minutes to play another long pass completion by the Roos made the score 0-16.

The final score came with about one minute left in the game. The Kress Quarterback attempted to pass but was chased by a whole host of Horn defenders led by Garrity and seemingly thrown for a huge loss when he threw a desperation pass to one of his backs who hauled it in and raced 48 yds. for the score.

The extra points were good and Kress had a 24-0 lead as the game ended. With the exception of those three big pass plays, it was an even ball game.

COUNSELOR'S CORNER

There are four broad categories that I am striving to implement in the Hart Schools. These categories are Senior Career, Follow-up, Testing, and Personal Counseling.

Another way of stating these categories could be Educational, Vocational, and Social Domains.

As you might expect, these categories often overlap. It is my belief that the Personal Counseling/Social Domain is the most important and the most needed. In the near future I plan to expound on each of these areas.

South Plains College representatives came this week to leave information for the seniors and the Armed Services Representative made an appointment to administer their test to all seniors November 19. This test is free and is only used by the seniors themselves.

I administered the PSAT test to approximately eighteen juniors Tuesday. The results will be here in about six weeks. Monday afternoon I substituted for Mrs. Scribner while she was out of town on school business. I am in the process of gathering up and sending back surplus textbooks that Texas Education Agency has sent us. This is a task in itself.

Tuesday afternoon Mandy Harrell representing TALENT, a federal program out of Lubbock, met with me explaining the program.

HART HORNS OVER KRESS KANGAROOS

By Gary Jackson

The Hart Longhorns met the Kress Kangaroos in a Homecoming slaughter which ended

Hart 29 and Kress 0. Despite the Longhorns penalty plague, they started the District 3-A games off in flying colors.

Bryan Irons started the scoring off with a 45 yard pass from Castillo early in the first quarter. Castillo ran it in for six more terminating a 60 yard drive.

In the second quarter the Horns looked to Kerry George for a field goal for the three more points which made the score 15-0 going into halftime.

After halftime the Longhorns were hurt by penalties out put six more points on the board on a touchdown by Terry Hill. Kerry George kicked the extra points.

The Horns didn't score again until late in the fourth quarter with a touchdown run by Barry George and Kerry George kicked the extra points.

NATIONAL COOPERATIVE MONTH

A Good Word For A Good Idea

And you can't keep a good idea down. All over the world people are working together to make life better for themselves and others.

In our own country, millions share ownership in cooperatives of all sorts—from city apartment co-ops to rural electric co-ops.

So what makes a co-op different? This: it serves the people who own it at cost.

Each consumer-owner has a voice in running the co-op; one member, one vote.

October is Co-op Month. All over the country, the people of America's cooperatives are committed to working together for a better tomorrow. We are proud to help carry out this pledge.
