Cool, Wet Weather Keeps County Cotton On Hold

Cotton producers in Mitchell County are keeping a leery eye on cloudy skies as area crops remain in a holding pattern.

About 50 to 60 percent of the planted acres have come up, including numerous questionable spots where water washed sand over the tiny plants or where water stood for prolonged periods during recent rains, County Extension Agent Bob Benson said.

Benson estimated 98 percent of all local cotton producers who have planted this year's crop, planted after the May 18 target date, either be-

cause of cooperation with the agency's program to prevent boll weevils or due to inclement weather conditions.

This cotton is less than one-third grown, due to cool, wet weather, he noted, and the boll weevils are in peak emergence now.

Most of these insects will not survive because the cotton is still too young and they will find no food, County Entomologist Bill Jany said.

Of this percentage, only about 10 to 15 percent of the crops will require replanting and, Benson estimated, only

20 to 25 percent of cotton producers have not yet been able to plant any portion of their crop due

to wet ground conditions. He noted for those producers who must

plant over in seepy spots, the cool wet weather conditions have

A deputy from Snyder was the first officer on the scene of the accident and contacted a Snyder tow-truck and ambulance.

Why gas is plentiful:

Two New Sources

There's enough natural gas in proven and existing reserves to heat America's homes and run its factories for many years. And now gas is flowing in enormous volumes from two new sources: the tight basins and the deep basins right here in Texas and Oklahoma. Experts

believe each of these sources could double the nation's proven supply. And our pipeline system will let us deliver your share of this gas efficiently and economically. It's another reason to be glad you're served by the Lone Star system.

Gas. It's plentiful, efficient and right for the times.

Softball is anything but a "soft" sport, as City League softball team members make diving catches, sliding plays and end up with bruises, cuts and aches following each game.

Sox Lose To Steers

The Steers unraveled the Blue Sox as they beat them 16-11 Thursday night during Minor League baseball competition.

Thursday night, after a back and forth battle, Calvary came through with a victory over Clutch, 10-7. Lowriders broke their losing streak with a win against Loraine with a score of 16-8.

In the final game of the night, C. City A's got their first win of the season as they passed Bojo's in flying colors with a score of 17-11.

Friday night, although Loraine gave it their all, they were unable to beat the unde-

feated Rejects as the Rejects whipped them 16-0.

Red Rebels, in the ladies division, put up a good battle with drive and determination. They came out on top of the Lady Rejects 12-9.

In the final game Friday night, Warheads with a one win-loss record, added another loss as they were beaten by Little Chicago 2-3. Little Chicago came into the game with a two win and no loss record.

In the second and concluding game of the night, the Lions proved to be "king of the beasts" as they thrashed the Braves 10-0.

Curlee & Driskell United In Double Ring Candlelight Ceremony

Camille Curlee became the bride of Charles Mark Driskell June 6 during a double ring candlelight ceremony in the First United Methodist Church in Colorado City.

The bride is the daughter of Mr. and Mrs. Tandy Curlee of Colorado City and the groom is the son of Mr. and Mrs. C. P. Driskell of El Paso.

Rev. Ron Hamby, pastor, officiated the 8 p.m., ceremony set in a candlelit service.

The church was decorated with numerous candles and fern. Two candleabra at the front with greenery served as the setting where the couple exchanged wedding vows.

The bride, given in marriage by her father, wore a white satin and lace gown made by her grandmother for her aunt in 1959, featuring a sweetheart neckline.

The fitted bodice of satin overlaid with lace featured long contour sleeves. The hooped skirt made a gathered effect at the top with tucks in the back. Her veil, made by her mother, featured a Juliet cap covered with lace, making a cathedral train of silk illusion adorned by original lace from the same material.

For the something old, something new something borrowed and something blue, she wore the dress for something

old and her veil was something new. For something borrowed, she wore a pearl necklace belonging to her mother and her garter was something blue.

She carried a cascade of pink roses, white gardenias, steffoni, springer fern and English ivy, complimented with satin streamers and baby's breath.

Cathy Mathis, sister of the bride, sang "The Wedding Song" and "The Lord's Prayer" with Tracey Womack pianist and Addie V. Payne, organist, accompanying.

Candace Curlee, sister of the bride of Long Beach, Calif., was the maid of honor. She wore a sleeveless formal length dusty pink dress with a gathered empire waist with an A-line skirt, featuring a sheer Georgette overdress of frosty raspberry color with slits on the side to reveal the underdress.

She carried a silk nosegay of flowers in shades of dusty rose and gray accented with gray streamers.

Bridesmaids were Christy Driskell, sister of the groom of El Paso, Kathy Crockett of Houston and Leigh Crenshaw of Lorenzo. They were each attired in the same fashion as the matron of honor and carried the same designed nosegays.

Amy Moore of

Colorado City was the flower girl.

Bill Schulenburg of Lubbock served as the best man.

Groomsmen were George Peacock of Mineral Wells, Bill Hershey of Houston and Richard Andrews of El Paso.

Ronald Mathis, brother-in-law of the bride of Lubbock, Ronnie Voigt of Crosbyton, Rusty Hawley of Albany and Jeffery Lowery of Crosbyton served as ushers.

A reception followed in the Civic Center with Doyle Mitchell and his band serving as entertainment.

Dondi Merket registered guests.

The bride's table featured a traditional white wedding cake with fresh pink sweetheart roses, Llardo porcelain figurines of the bride and groom were used on the cake and crystal and silver appointments finished the table setting.

Serving at the bride's table were Ann Gassioti, Sheri Muncie Merket, Ann Burt and Joni Salminen.

The groom's table holding a chocolate cake featured brass and copper appointments. Susie Prati, Jeane Bolin and Jeri Ware served at the groom's table.

As the couple left for a honeymoon trip to Colorado, the bride wore a white linen skirt with a purple silk blouse accen-

ted with a corsage.

Following the trip, they will return to Crosbyton where they will make their home.

Martin & Clark Marry June 13th

Linda Beth Martin became the bride of William Keith Clark during a double ring evening ceremony in the Pioneer Drive Baptist Church in Abilene.

Frank Martin, uncle of the bride of Lufkin and Jack Riddlehoover, pastor, officiated at the 8 p.m., ceremony on June 13th.

The bride is the daughter of Mr. and Mrs. Joe F. Martin of Colorado City and the groom is the son of Mr. and Mrs. William Donald Clark of Baird.

The bride, given in marriage by her father, wore a wedding gown of organza enhanced with pea d'ange lace touched with tiny seed pearls on a Queen Anne neckline and repeat of lace on shadow sleeves, having the train attached.

To accent her attire she wore a lace dandau hat holding a court length veil of tulle and lace marking the edge of the veil.

She carried a cascade of yellow and white daisies and yellow roses accented with baby's breath.

For the traditional something old and something new, she wore a bracelet belonging to her maternal grandmother for something old. She borrowed toasting goblets and something blue was her garter.

Wedding music consisted of "Hawaiian Wedding Song," "Sunrise, Sunset," "Traditional Bridal March," "Twelfth Of Never" and "Love Story."

Whose Bundles Do You Carry?
C. Virgil Fox
Pastor
First Christian Church
Jesus Christ bore our sins on the cross because we could not bear them without eternal death. But we, too, are asked to carry a cross. "If anyone would come after me, let him deny himself, and take up his cross and follow me." Matt. 16:24. However, many of us are weighed down with crosses of our own devices or worries. Even worse, we may be traitorously carrying bundles for the enemy of our soul and of God.
A Christian woman who had been living a very unhappy life, and was always overwhelmed with burdens and cares of the future, came downstairs one morning telling her family that she had had a beautiful dream and that through it, God had delivered her from all her fears and worries. She said that she had seen a great crowd of people passing along a broad way, and weighed down by innumerable burdens they were carrying. To and fro in the crowd a lot of imps were passing, throwing these burdens all around, and getting the people to pick up and carry them.
Among others, she was carrying several of these loads of lead, and was almost worn to death. Suddenly in the crowd she saw the face of the Lord coming towards her, and she waggerly beckoned for Him to come and help her carry her burden. But He looked sternly at her and refused to touch it. He said, "I have no strength for that. I have no grace for loads like this. That is not My burden you are bearing. It is one of the devil's bundles, and all you have to do is to drop it and you will have plenty of strength for the loads that I bid you carry."
Whose bundles are we trying to carry? Jesus invites everyone, saying, "Come to me, all you who are weary and burdened, and I will give you rest. Take My yoke upon you and learn from Me, for I am gentle and humble in heart, and you will find rest for your souls. For My yoke is easy and My burden is light." Matt. 11:28-30.

great deal for it.

These Miller machines
can burn low hydrogen
electrodes that are es-
sential for welding very
heavy metal such as trac-
tor tool bars, etc. They
will fit into the back of
a pickup easily or even
into the trunk of a car.

All Miller portable
machines are equipped
with built-in power plants
that enable the user to
run any type of A.C.
tool or appliance. Owner
Gayle McDonald pointed
out that this feature
would be very valuable
if a tool such as a drill,
grinder or saw is needed
where no electricity is
available. He also noted
that the power plant on
the welder will run an
electric air compressor.

Many homeowners
these days are install-
ing backup power plants and
McDonald made the

point that for no more
money than one would
spend for a light plant,
he can have a Miller weld-
ing machine with a gen-
erator built in.

In addition to Miller
and Lincoln equipment,
the firm makes available
the Milwaukee line of
heavy duty electric tools
and grinders. Also Wil-
liams hammer wrenches

and heavy tools, Victor
welding and cutting equip-
ment, and Wilton vises
are available.

Safety equipment of all
types is stocked includ-
ing goggles, first aid kit
refills, arm guards, hard
hats, liners and fire ex-
tinguishers.

In addition, they stock
chain, cable, tubing, and
a complete line of steel.

Chain hoists and blocks
as well as all types of
pulleys may be added to
the list along with medi-
cal oxygen and all types
of gases.

The list of supplies
goes on and on, so stop
by and see Gayle or
Jack and let them help
you with your welding
and equipment needs.

Firemen Complete Hirst Training

Three Colorado City Volunteer Firemen successfully completed a 16 hour course in handling the Hirst Rescue Tool this past weekend.

Fred Butts, Robert Ramage and Ray Dillard attended a certification school in New Braunfels to become qualified on the Hirst Rescue Tools.

The Hirst Tool and cutting attachments were purchased for the department through donations.

A school to certify firemen from surrounding communities, as well as local firemen, on the tool is scheduled for August or September in Colorado City.

Luau Is Planned Tuesday

A "Hawaiian Luau" covered dish dinner has been set by the Lorraine Senior Citizens for Tuesday at 6 p.m. at the Senior Center in Lorraine.

Everyone attending is asked to bring a dish prepared from a Hawaiian or South Sea Island recipe. Leis will be presented and the center will be decorated in a South Sea atmosphere. "Following the dinner, those who have gathered at the center will be entertained by the 'Richbergs.' This versatile trio uses the 'fun machine organ,' guitar and banjo to play all those songs you like in a lively and entertaining way," Adeline Witta said.

"If you have appropriate Hawaiian wearing apparel, you are asked to wear it," she said.

"This is their fourth annual luau and if the success of the past ones is any indication, this one should see a large group whose appetites will be satisfied and delighted, whose evening will be enjoyable and fun filled. If you are over 55 why not come and join us," stated Mrs. Witta.

Birth
Mr. and Mrs. Lee Majors of Midland have announced the birth of their son, Marcus Sinclair. He was born June 9 at 1 p.m., in the Midland Memorial Hospital.

Mr. and Mrs. Sam L. Majors of Odessa are the paternal grandparents.

Assistant Fire Chief Jack Green noted about 150 persons are anticipated to attend the instructional school.

With the certification of the three firemen this past weekend, a total of six Colorado City Volunteer Firemen are now certified to operate the rescue tool.

"THOSE CRAZY EPISCOPALIANS"

such an unfriendly bunch!

It's true that Episcopalians don't make chit-chat during services. Or before. Or immediately after. Visitors occasionally go away saying, "What an unfriendly bunch."

Next time, don't rush away so fast. Episcopalians don't mean to seem rude. They do mean to pay respect to God...until they're well outside the church proper.

Next time, give them a few minutes to "Warm up... Stick around and get acquainted. Join them for coffee in the nearby parish hall...and perhaps some of their funny ideas will even make sense."

If you'd like to learn more about the Episcopal Church and its views, your nearest Episcopalian neighbor or minister would be flattered to discuss them... without "twisting your arm." Who knows? He might even make sense.
