Investigator Appointed for 100th District

Guy Bell, farmer-rancher living in the north part of the county, has been commissioned a special investigator for Charles Darter, attorney for the 100th Judicial District.

He will serve the five counties of the 100th District, Collingsworth, Childress, Hall, Donley and Carson.

This place was secured for the 100th Judicial District through the Federal Manpower Program, and the contract is set up through June 30, 1975, Mr. Darter said. County Judge Zook Thomas spearheaded the work to secure the special investigator.

Mr. Bell grew up here and has lived in Collingsworth County and in Amarillo all of his life.

This is his first commission in law enforcement work, but he was closely associated for a number of years with the late Claude McKinney and with his brother, Paul Bell during their tenures as sheriff.

In his new work, Mr. Bell will be concerned principally with criminal investigation, working under the district attorney and the sheriffs of each of the five counties, Mr. Darter explained. He will also take care of a considerable amount of work such as taking statements from witnesses.

All of this will free the district attorney to concentrate his time on legal aspects of the office rather than the investigational work.

Plans Complete for Soil Tour Thursday

Plans are complete for the annual Collingsworth County farm tour and field day, sponsored by the Extension Service and Soil Conservation Service.

The tour will begin at 9:00 a.m. Thursday, October 10, from the south side of the court house, and all farmers, business and professional men, and others interested in soil conservation are invited to attend.

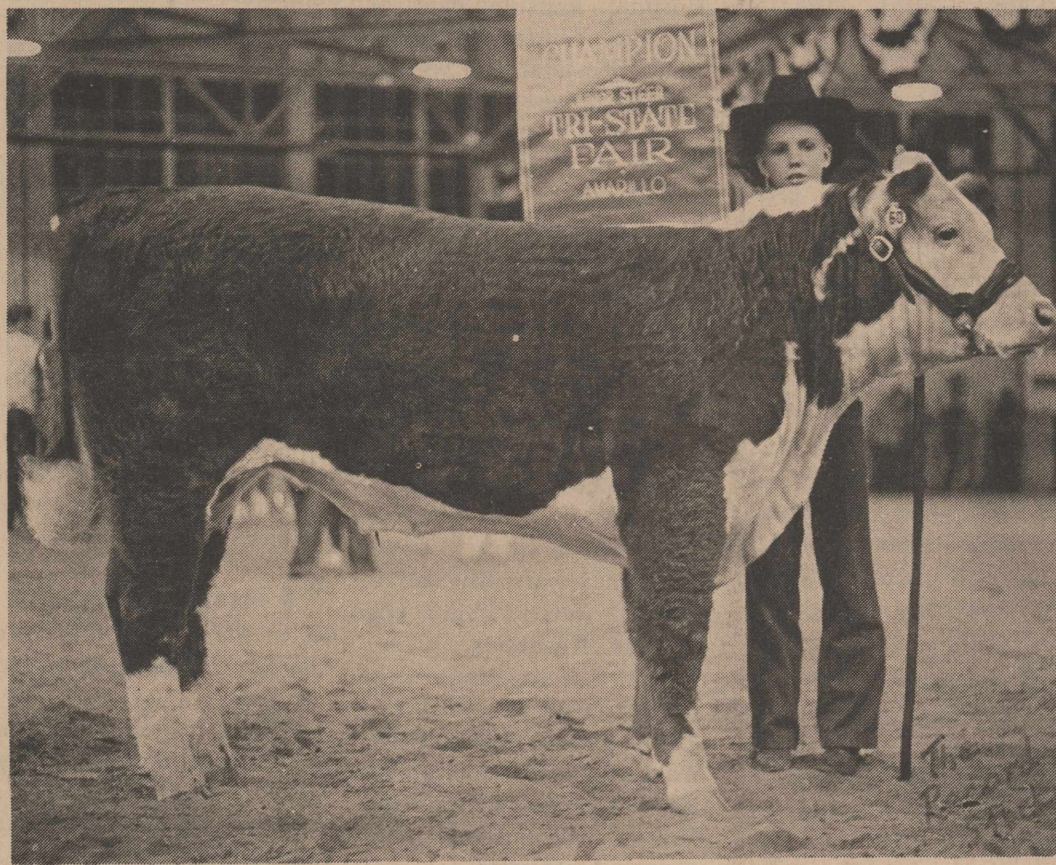

The tour itself will end with a barbecue for all those participating at Ellison Park at noon, hosted by Salt Fork Soil Conservation District.

Tommy Powell, SCS unit supervisor, has announced that at the end of the barbecue, a meeting will be called of all those living in Salt Fork SCD Zone 1 for the election of a supervisor.

"These elections are held each October, and we will have a good many people from Zone One on the tour. We feel it will be a good time to hold the election, Mr. Powell said.

John Brim is the supervisor whose five-year term expires.

Zone One is roughly that part of the county east of Wellington and south of Salt Fork River, Mr. Powell said. Stops on the tour will include:

CHAMPION FEEDER STEER

Eleven-year-old Mark Fourmentin guided his Hereford steer to the feeder championship at the Tri-State Fair steer show in Amarillo recently. He got his steer from the Mill Iron Ranch. The newly revived steer show

has been broken down into two divisions, one for feeder entries and one for finished steers. Mark is the son of Mr. and Mrs. Richard Fourmentin and grandson of Mr. and Mrs. Frank Fourmentin.

Skyrockets to Meet Wheeler At Powell Field on Friday

The Wheeler Mustangs come to Powell Field Friday, October 11, as the Skyrockets seek their first conference victory.

Game time is 7:30 p.m. Wheeler has a 2-2 record coming into the game. The Mustangs defeated Lefors 25-20, then in their game last week won over Claude 20-6.

They lost to Groom, the No. 1 Class B team in Texas, 42 to 13, then dropped another game to Canadian 22-18.

"As far as personnel, they have one good running back," said Coach James Williams. "They traditional-

ly have a real tough team, and they also have some younger kids who will be quick. They are not as some of the other teams we will play. As compared with us, they are about the same type team, young and eager."

Head coach of the Mustangs is Jim Robinson, in his first year at Wheeler. Assistant coaches are Bill Wiggins, John Copeland and Richard Gaines.

Like Wellington, Wheeler lost quite a few key players to graduation.

The Skyrockets came out of their tougher games of the season, that with the Memphis Cyclone, with no injuries.

"We played two real good football teams in a row, and we played Memphis real well until the half," said Coach Williams.

"For the rest of the season, we will play teams more our calibre, and the fans will see better games," he continued.

Coach Williams reminded that Memphis is rated No. 2 in Class A football in the state and Childress is a strong AA team.

There may be a few changes in the defensive lineup, but nothing drastic,

YH, DAR in Charge Of County Museum

Wellington Young Homemakers will be in charge of the Collingsworth County Historical Museum each Sunday afternoon for the next three months, Mrs. Clyde Drake, director, has announced.

The hours will continue to be from 2:00 to 5:00 p.m. Mrs. Eddie Maxwell is YH president.

In addition, the museum will be open each Tuesday afternoon from 2:00 to 5:00, with a member of the volunteer staff in charge.

La Paisana Chapter, Daughters of the American Revolution will keep the museum open each Tuesday

evening from 6:00 to 10:00 p.m. especially for those people who are working on family trees.

An experienced geneologist will be there to help people who are interested in working on their geneologies.

La Paisana Chapter, DAR, has placed all of its genealogical material in the Museum Reading Room.

The Lillie Home Demonstration Club has kept the museum open on Sunday afternoons through September, and Mrs. Drake praised the members for their work. Prior to that, board members

the coach indicated.

"We will probably go with the same bunch of kids we are starting with. We could have some offensive changes. We haven't moved the ball real well as we would like to," he said.

Lucien Bearden Dies Friday of Long Illness

Lucien G. Bearden, 52, owner of B&B Electric, died in the Veterans Administration Hospital at Albuquerque, N.M. at 8:30 p.m. Friday, October 4. His death followed a critical illness of several months.

He was a valued member of Wellington's business community for more than 20 years, doing both electrical and air conditioning contracting and operating an electrical appliance business.

This business was established with his brother, Herbert Bearden, and the late Quinton Brewer. During the long period he operated B&B Electric, he gave a number of boys an opportunity to learn the electrical trade with him, helping them until they graduated from high school, and longer if they wished.

Before entering business, he had farmed and operated a commercial orchard with his father.

Mr. Bearden was born June 14, 1922, at Alma, Ark., the son of Mrs. Ivan Bearden and the late C.S. Bearden. As a boy, he came with his family to Wheeler County and later to Wellington, where he graduated from High School.

He was a veteran of World War II. He was married to Miss Margaret Shields on February 14, 1958.

Mr. Bearden was a member of Our Mother of Mercy Catholic Church. He was active in veterans affairs and a member of the

Potential Rural Water Users Urged to Sign Up Immediately

Prospective users of the proposed Rural Water System of Collingsworth and Childress Counties met Tuesday, October 1, at the Dodson Cafe for an informative meeting.

Present were approximately 40 members and Fred Parkey, general manager of the Red River Authority of Texas. He brought with him Dewey Nicholson, an engineer working on the cost and feasibility part of the program.

Mr. Parkey explained that the Red River project is set up as a non-profit type of organization much like REA.

A federal grant will be

sought for approximately one-half the proposed cost, with the rest financed with a loan from Farmers Home Administration, to be repaid by meter usage.

For this reason, only active meters have been sought. A dry meter would only be a cost to the association, it was pointed out.

So far, 182 meters have

been subscribed at \$100 each and this money is in escrow at the Wellington State Bank.

Farm Bureau Barbecue To Be Saturday Night

The Collingsworth County Farm Bureau will hold its annual barbecue and business meeting Saturday, October 12, at the club room of Bura Handley Community Center. Plans were announced by Ronnie O'Rear, president. About 500 are expected.

Serving the barbecue will begin at 6:00 p.m. and the business session will follow about 7:00. At that time, officers and directors for the coming year will be elected and the membership will vote on resolutions which will be presented at the state Farm Bureau meeting in December.

Willie Knoll is again in charge of preparing the barbecued beef, which will be cooked by the old-time pit method.

Assisting Mr. Knoll will be Warren Murrell, Elmer Keller, Doug Coleman, S.A. Motesbocker, J.D. Coleman, Troy Gene Thomason, Frankie Green, Max Paschall, J.M. Morgan, Alvin Horton and Travis McGuire.

Mr. McGuire and Frank Coleman, Jr., are in charge of securing the beef and Albert Fulcher, Monty Mitchell and J.D. Coleman will prepare the pit.

A number of resolutions have been drawn up and members can introduce others from the floor.

Chairman of the Resolutions Committee is Monty Mitchell, and members are Jerry Scott, J.D. Coleman, Mr. Morgan, Mr. Merrell and Mr. McGuire.

Outgoing officers, in addition to Mr. O'Rear are Jerol Morris, first vice-president; Mr. McGuire, second vice-president; Elmer Keller, secretary. Mrs. Viva Davis is Office Manager and

Jack Campbell is in charge of the insurance program. Both of these offices are appointive.

Directors are Eugene Bawcom, Frank Campbell, Doug Coleman, Frank Cole-

man, Jr., J.D. Coleman, Danny Davis, Albert Fulcher, Frankie Green, Bill Hall, Benson Long, Warren Merrell, Monty Mitchell, S.A. Motesbocker, Cary

Kiwanis Pancake Supper Friday at 5

Wellington Kiwanis will hold their famous Pancake Supper Friday, October 11, in the elementary school cafeteria.

Serving will begin at 5:00 p.m. and continue to 7:00 p.m. C.T. Hubbard is Pancake Supper chairman. He said that Kiwanis members are conducting a lively ticket sale, that so far has been highly successful. They are still selling, and there is time for last-minute purchasers to get tickets from any member who has not sold out.

The traditional pancakes will be served with bacon, sausage, ham and syrup. There will be plenty of coffee.

Money raised by this annual event is used for the Kiwanis Club Youth Projects, which benefit boys and girls of the community.

C.J. Lyons of the Texas Aeronautics Commission inspected Marian Airpark Monday, also, and praised the good condition of the runways, Mr. Daniel reported.

He also told the city manager that any time the city wishes to avail itself of funds for improvement, they were available under the same plan approved and then cut by the city council earlier in the year.

The TAC inspector said that Wellington must get a beacon and a lighted windsock for the airport to conform to state and federal regulations.

The council agreed that member Wayne Cudd represent the city at a hearing before the Railroad Commission Wednesday, October

This immediately precedes the Wheeler Mustang-Wellington Skyrocket football game, reminded Bill Spillman, Kiwanis president.

"Believers" to Sing at First Baptist Sunday

"The Believers" will be the guests of the First Baptist Church on Sunday, October 13. This is a music group from Amarillo and they will provide the special music during the Sunday morning services, announced Benny Kilgo, music director.

They also will present a short program at the evening worship service.

The morning service will begin at 10:45 a.m. and the evening service at 7:00 p.m.

Nutrition Meetings To Be Held Oct. 16

Two meetings relating to good nutrition will be held in Wellington Wednesday, October 16, under the sponsorship of the Collingsworth County Extension Service.

The first is a special interest program for members and guests of RSVP, to begin at 11:00 a.m. in the RSVP, center. The program will be directed toward diets and nutrition for good health of the senior citizen.

The second is a special diets short course, said Mrs. Arla Felts, home extension agent. It is planned for all who are interested in attending and will begin at 2:00 p.m. in Bura Handley

FHA Chapter Plans Fun Night Monday

Wellington Chapter of Future Homemakers of America is sponsoring a Fun Night Monday, October 14, from 6:30 to 9:00 p.m.

The event will be held in Ellison Park, chapter members state, and there will be fun events for all ages.

There will be contests, the races, and a pony ride. If the weather permits, there will

be a dunking board, always good for lots of fun.

If these things whet the appetite, there will be drinks, caramelized apples, brownies and cookies for sale.

Most of the proceeds from this event will go to help sponsor girls to attend the State Future Homemakers of America Meeting in May.

Quail FHA Attends State Fair Youth Day

Quail Future Homemakers Chapter attended the annual Youth Day activities at the State Fair of Texas in Dallas on Saturday, October 5.

The girls raised the money for the trip from bake sales and the sale of products.

Those going were Lenora Oatman, Debra Culpepper, Sharon Childers, Kathy Guthrie, Crissy Torrez, Melissa Guthrie, Karen Caldwell, the sponsor, Mrs. Audean Downey, the instructor, and sponsors, Mr. and Mrs. Harold Caldwell, and Mr. and Mrs. Dan Guthrie.

Approximately 300,000 people attending from FHA and FFA chapters and 4-H Clubs throughout Texas, Oklahoma and Louisiana.

Events for the day included visiting all the exhibits, the Wax Museum of the President's, the Giant Midway, and to top it off, the State Fair Rodeo.

No. 6 - Broadcast cotton at A.C. Patterson and Earl Patterson farm.

There are tentative stops at the Fred Cox farm to see a drainage system, and at the Clifford Christian farm to see a waterway system.

Mr. Powell said the drainage system north of town was engineered by SCS at the request of the city and county. It is one of the projects under the North Rolling Plains RC&D.

"It is a good example of how several organizations can work together to get what it wants."

The waterway still must have vegetation along the sides and bottom.

Beginning a little more than a quarter of a mile west of US 83, it carries water straight east to the highway, where the Highway Department takes over, channels it under US 83, and also State 203, then southeastward to a natural water way.

The other part of the project is a diversion below the waterway that catches any floodwaters missed by the waterway.

"A lot of people have asked about it. We want to explain what it is and what it was designed to do. SCS also engineered structures at the Bouchelle, Cox and Christian farms.

The Championship Rodeo of the State Fair of Texas "Exposition of the West" will add an exciting dimension with its thrills and spills, Oct. 5-13, 7:30 p.m. daily, in the State Fair Coliseum. The spirit of the Old West will ride again as the skill and courage of the cowboys is tested with saddle and bareback bronc riding, bull riding, calf roping and steer wrestling. The star-studded event is the main attraction in the round-up of fun and entertainment during the 17-day celebration, Oct. 4-20.

Lillie HDC Hears Tires Taken at R. L. Templeton Jim's OK Store

The Lillie Home Demonstration Club met Thursday, October 3, at the Heritage Room with Mrs. Mack Horton as hostess.

Judge R.L. Templeton, Collingsworth County attorney, was the guest speaker, discussing "How Local Government Can Be Improved."

Mrs. Dudley Phipps, vice president, conducted the business meeting. Roll call was answered by each member telling "What My Family Enjoys Doing Together."

Present were Mrs. Elmer Haralson, Mrs. Fred Yarbrough, Mrs. Ozro Bartlett, Mrs. Jim Lowe, Mrs. David Phipps, Mrs. Dudley Phipps, Mrs. Zook Thomas, Mrs. Lowell Wells, Judge Templeton and Mrs. Horton.

Doll Association Show Announced

The Amarillo Doll Association will hold a benefit show and sale Friday and Saturday, Oct. 18 and 19, at the Amarillo Civic Center. Proceeds will go to help mentally retarded children.

Show hours Friday are 10:00 a.m. to 7:00 p.m. and on Saturday, 1:00 to 6:00 p.m. There will be a small admission. Mrs. E.J. Thompson is association president.

A guest at the show will be Jo Morrow of Dallas, who will give free wig making and styling lessons. She has given this lesson before many groups including the International Doll Convention in Reno, Nevada.

The Amarillo Association, a non-profit group, is a unit of the United Federation of Doll Clubs, Inc. One purpose is to stipulate interest in dolls and doll collecting.

Besides the regarded children's program, other projects have included more than 1,000 dolls to the Toys for Tots program in Amarillo and \$500 to the Nurse's revolving fund of Northwest Texas Hospital.

is for each meter user to sign a data sheet, stating expected usage, of water, property location, etc.

Also at this time board members have been asked to get an easement of right of way signed and notarized. Arrangements have been made to have this done at the Wellington State Bank.

Information which the members should be able to furnish at that time includes:
- Date of deed to property.
- Name of former owner of property.

- Volume and page number of Deed Record in the county Clerk's office.
- Block and section number of property where the meter is located.

Members of the steering committee, who are A.V. Lowrie of Dodson, Pat Bouchelle of Childress County, Louis Patterson of Dodson, Tom Lewis of Wellington and John Brim of Wellington, will be available for any questions concerning this phase of the operation. They will have data sheets and easement sheets. Also present will be Mrs. Esta Glenn and Mrs. Nadine Birchfield of the Wellington State Bank.

Mr. Parkey emphasized the need for speed in signing up, due to rising costs of materials, etc.

It was also voted for the city to join the Texas Utility Advisory Council, Austin, which would represent it at various utility hearings.

John Green, paid fireman, is presently attending an 8-weeks school in Amarillo which will lead to certification. This is a necessary step

in keeping the fire insurance key rate down.

Mayor Bill Hatch read a letter from David L. Houston, P.E. Chief of the Solid Waste Branch, Division of Environmental Engineering, detailing violations of the municipal solid waste rules, standards and regulations. All of these pertain to the old dump ground, which the city will soon abandon for its new landfill site southwest of town.

Mayor Hatch has requested an extension of the 30 days given the city to commence operations at the new location.

Excelsior Club Hears of Ace Reid In Its Continuing Study of Art

The Excelsior Club for several seasons has studied great artists and their works, from the masters of the Renaissance through the romantics and those who espoused abstract impressionism.

On Thursday, October 3, in a change of pace, members heard about Ace Reid. Miss Bonnie Willis was the hostess and program leader.

Who is Ace Reid? Her discussion tells this. He is a Texan, Miss Willis said, who uses pen and ink and water color to make people laugh. He is a cowboy cartoonist. His home is in Kerrville, and his cartoon, "Cowpokes" is nationally known. He is a cracker-barrel philosopher and rated America's No. 1 Good Ol' Boy.

Here is a sample of his humor: Reid is in an eating place in Kerrville telling stories of the depression days.

"You know," Reid says, cutting off a slice of meat, "We would never have made it back when I was a boy if Dad hadn't hunted rabbits on the halves with a hound dog." Or this:

It was so dry out where I grew up, a feller had to prime hisself to spit." Or here again:

"You could always tell who were the rich folks. They were the ones who had two cars up on blocks in their front yard."

"Cowpokes" appears in some of the country's largest newspapers. But it is not the white collar workers nor the \$30,000 a year urban family toward whom Reid directs his humor. His readers are also from farm and ranch journals and small weekly newspapers which print the escapades of Zeb and Jake, the "Cowpokes" characters.

Reid says: "You don't hear much about these folks in the evening news or read about them in the papers, but they are out there, millions of 'em, working hard, minding their own business, and getting by as best they know how. They are the folks who keep this country going, tending their crops, feeding their cattle, paying their taxes, raising their kids and treating the land with the kind of affection people in the big cities never understand.

"In a sense," he adds, "they might be a little backward, not up on all the latest fashions or who won the Academy Awards, or what politician most recently got his neck in the noose, but they're smart folks smart enough to have settled on a life style that makes them happy. I hold a tremendous amount of respect for them and lord know, I owe them a lot for what they've done for me."

Ace Reid, child of the depression Panhandle ranch country, is now a wealthy man, head of a six-figure-a-year organization known as Ace Reid Enterprises.

His cartoons appear in 350 newspapers, in cities such as

Denver and Houston, and weeklies published in small places like Gobblers Knob, Utah, and Fishtail Montana.

He has 8 paperback book collections of "Cowpokes." The sale of his cartoon calendars, given away as promotional items by banks, feed yards, hardware stores and cattle yards, runs a million copies annually. The profit from calendar sales alone is \$25,000.

Ace Reid's business has not always been so thriving. He and his wife, Madge and son, Stan, have not always lived in a crystal clear creek, stocked with large goldfish.

He has not always owned the 250 acre Draggin' S Ranch out from Kerrville, where his three prize Longhorn steers roam among more contemporary herds.

He moved to Kerrville 26 years ago and "Didn't have a dime," Reid says. I dreamed, that's all. I was looking for a place where I could make a concentrated effort to get into the cartooning business.

"It wasn't easy," he adds. "I had gone broke at everything I tried. But I sold some water colors to a fellow down in San Antonio and on the way back home to Electra, we decided to drive through the hill country."

He had never seen so many green trees and hills, so much green grass. He borrowed \$300 and moved to Kerrville. He saved enough money to acquire the Draggin' S. Today the walls of his home and studio reflect the recognition and friendship of celebrities and others that he has gathered over the years.

He has been selected by the Texas Legislature as an Outstanding Texan and commended for his wit and skill in depicting the Old West. West Texas Chamber of Commerce bestowed on him the C-C Cultural Award and he has been voted one of the 10 best dressed men in America.

Some of his friends have been Peter Hurd, Will Rogers, Jr., Lyndon and Lady Bird Johnson, John Connally, Roy Rogers, Gene Augry, J. Frank Dobie, Dolph Brisco and Fred Gipson.

He finished High School at Electra, where his father had a 4,000 acre ranch. He had no special training in art, for as a boy, he was too busy drawing to find time for studying reading, writing and arithmetic.

Now, he has his airplane and flies to his speaking engagements.

"I wish," Miss Willis concluded "we could have him here as a speaker."

Miss Hattie D. Wells presided at the business meeting.

A salad plate was served to Mrs. Robert Barjenbruch, Miss Dorothy Roberts, Mrs. J.F. Michael, Mrs. George Porter, Miss Hattie D. Wells, Mrs. E.F. Bartlett, Miss Sue Parker, Mrs. Lowell Wells and the hostess, Miss Willis.

MRS. TONY HURST

Tony Hurst Weds Miss Debbie Ubben In Amarillo Church Ceremony Friday

Wedding vows were exchanged by Miss Debbie Ellen Ubben of Amarillo and Tony Hurst of Lake Jackson Friday evening, October 4, in Paramount Terrace Christian Church, Amarillo. The Reverend Roy Wheeler officiated.

The bride is the daughter of Mr. and Mrs. Dwight Ubben, 5506 Brinkman, Amarillo, while the bridegroom's parents are Mr. and Mrs. Calvin Aaron Hurst.

Altar decorations were two brass urns filled with spide, chrysanthemums, carnations and white gladioli. The kneeling bench was backed by a fan-shaped arrangement of the same flowers, with brass candelabras on either side.

Wedding selections were presented by Mrs. Marie Howard, organist.

Given in marriage by her father, the bride wore an empire gown of peau de soie with bell train, trimmed in Chantilly lace. Her illusion veil was held by a caplet, bordered in lace insertion. She carried a white Bible topped by a flower cascade of

white roses, stephanotis and baby's breath.

Honor attendants were Miss Lori Starkey of Amarillo and Mrs. Jim Johnson of Oklahoma City, sister of the bride. Miss Tracy Ubben, another sister, was bridesmaid and the flower girl was Summer Culp. The attendants wore matching gowns in alternating colors of pink and aqua chiffon, trimmed in re-embroidered lace. Their headpieces were veiled flower caplets and they carried nosegays of pink and aqua carnations with baby's breath.

The best man was Gary Brewer, with Danny West of Amarillo, formerly of Wellington as groomsman. Ushers were Phil Slack of Canyon, Steve Summers, Jerry Wooldridge of Vernon, also formerly of Wellington, and Teddy Martin.

After the ceremony, Mr. and Mrs. Ubben were hosts at a reception in the church parlor to honor the couple.

The bride's table was covered with a white satin cloth, draped with silk rope which was anchored at the corners by carnation nosegays. The

Wellington B&PW Has Major Role in District 10 Conference at Childress

A group of Wellington members attended the two-day District 10 fall conference of Business and Professional Women's Clubs held in Childress.

The conference began Saturday afternoon at 4:00 p.m. with registration in the Woman's Department Club, where Mrs. Phyllis Killian and Miss Ann Smith served punch and cookies. The president's meeting was at 5:00 p.m. in the same building and Mrs. Zook Thomas, Wellington Club president, attended and Miss Myra Hays was conference parliamentarian.

Following registration, the banquet was held Saturday evening at First United Methodist Church. The Wellington Club did the decorations in "Musical Notes" to coordinate with the theme, "Keynote to Togetherness." The local club also made fall flowers in colors of green, gold and orange for the tables.

Highlight of the evening was the keynote address by Mrs. Kandy Reeder, second vice president of the Texas Federation of Business and Professional Women's Clubs. "The Major Scale of Harmony" was her theme.

The Wellington Club chorus, directed by Mrs. Willie Bee Harwell and Miss Hays,

centerpiece was a silver candelabra with an arrangement of pink and aqua carnations and baby's breath in the center. Silver appointments were used.

Guests were served by Miss Dana Drake of Amarillo and Mrs. Gary Brewer of Wellington. Miss Frances Cope was at the register.

The bride attended West Texas State University, where she majored in pre-nursing. She plans to attend the University of Texas Medical Branch in Galveston.

The bridegroom holds a bachelor of science degree in biology from WTSU, where he was a member of Phi Delta Theta fraternity. He is now employed by Dow Chemical Company in Freeport.

The couple will make their future home at Lake Jackson.

Killingsworth Graves Rites Set

Mr. and Mrs. Kenneth Killingsworth of Kelton announce the engagement and approaching marriage of their daughter, Sharon Louise, to Ralph Lee Graves, son of Mr. and Mrs. Bill Graves of Samnorwood.

The wedding is planned for November second at 6:30 p.m. in the home of the bride's parents.

Dinner Honors Mrs. Charley Hill

Mrs. Charley Hill was honored with a birthday dinner Sunday, October 6, in the home of a nephew, Mr. and Mrs. Jimmie Brock in Amarillo. The event was a surprise.

As Mrs. Hill arrived, Janet Brock was at the piano and Jill and Jeanna Brock were singing "Happy Birthday". The birthday dinner was served.

Later, punch and birthday cake were served, with Jill Brock at the crystal punch service. Mrs. Jimmie Brock served the cake.

Attending were Mrs. Hill and Mrs. Bura Handley of Wellington, Mr. and Mrs. Ted Brock and Janet of Portales, N.M., and Mr. and Mrs. Jimmie Brock, Jill and Jeanna of Amarillo.

CHERRY PEAR CONSERVE

6 ripe pears
2 1/2 cups sugar
2 navel oranges
2 jars (8 ounces each) red maraschino cherries, drained and halved
1/2 cup dark seedless raisins
1/4 cup lemon juice

Pare the pears and cut into small pieces. Add the sugar and allow to stand overnight. Wash oranges; remove orange peel in thin strips with vegetable parer or sharp knife. Chop orange peel until fine. Juice the oranges. Add orange peel and juice and remaining ingredients to pear mixture. Cook in large saucepan about 25 to 30 minutes or until thickened. Pour into hot sterilized jars and seal. Makes about four 8-ounce jars.

Collingsworth Enrolls 155 Boys and Girls in 4-H Club Programs

One hundred and fifty-five Collingsworth boys and girls are enrolled in the 4-H Club program as National 4-H Club week is observed.

This enrollment triples that of 18 months ago, as the youngsters prepare for their current year's projects under the direction of the two Extension Service agents, Mrs. Aria Felts and Don Reeves.

The major work of the boys at this time is the beef calf program, which will get into full swing with the Collingsworth County Junior Livestock Show in January. From there, part of the boys will exhibit their calves in major southwestern livestock shows, including Amarillo, Fort Worth and Houston, and possibly others.

Next summer, as they did this year, both boys and girls will participate in the 4-H Horse Club, learning to ride and possibly to compete with other 4-H youths on the district and state level.

Another summer project is the Bicycle Club, teaching safety to members, and especially younger boys and girls.

There has been an upsurge of membership among the younger girls. This year their program will emphasize food preparation, nutrition, food preservation, home furnishing, clothing selection and construction and grooming.

They will also learn leisure time activities and vegetable and flower gardening.

None of the clubs will have all of these projects, but those best adapted to the girls will be covered.

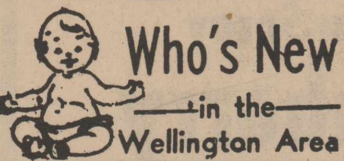

The key to a good 4-H program lies in the adult leaders, and these include both men and women with many years experience and others who are serving as leaders for the first time.

Boys and girls currently enrolled in 4-H include:

Chad Holland, Billy Dixon, Sandy Morris, Brent Long, Deborah Bergvall, Wade Williams, Stanley Whitten, Greg Neeley, Jim Warrick, Kathleen Reeves, Karen Goforth, Lynna Nunnelle, Belinda Crelia, Valerie Van Pelt, Kathy Crelia, Jannon Thomason, Bart Patterson, Kirk Patterson,

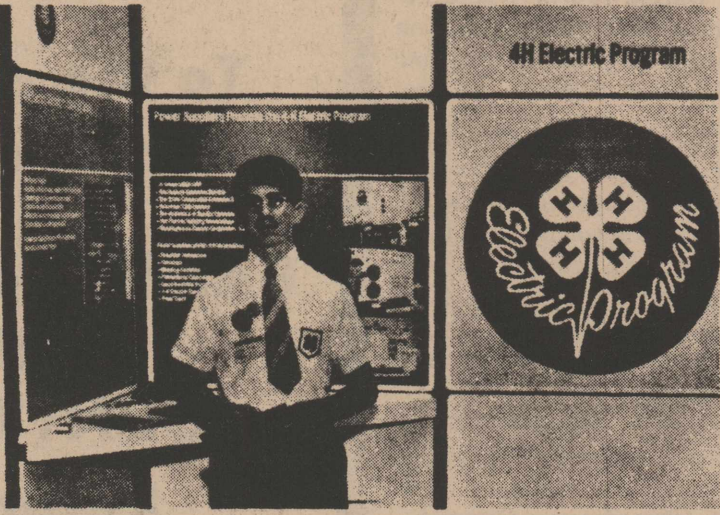

Lucy Sullivan, Toni Taylor, Tony Cox, Carl Taylor, Paul Hanna, Jeff Hanna, Melissa

In spite of the high standard of living in the United States, some people find life drab, discouraging, materialistic and devoid of job satisfaction. To overcome these feelings, we must create our own inner world where we can truly live during our leisure hours.

Mr. and Mrs. Mike Poteet are the parents of a daughter, Candence Lynn, who was born in High Plains Baptist Hospital. She weighed 5 pounds 10 ounces. Grandparents are Mr. and Mrs. W.A. (Buddy) Poteet of Stamford, Texas, and Mrs. Turner of Harlingen. The great-grandmother is Mrs. Nell Poteet of Wellington.

Mr. and Mrs. Harold Wright of Lubbock are the parents of twin girls, born in St. Mary's Hospital, Lubbock, on September 27. Rachel Shea weighed six pounds, six and one-half ounces. Jennifer Diane weighed three pounds, fifteen and one-half ounces. Mrs. Wright is the daughter of Mr. and Mrs. Jody McBrayer of Amarillo. Other grandparents are Mr. and Mrs. Fred Wright of Lubbock. Great grandparents are Mr. and Mrs. Tom Cunningham, Mr. and Mrs. J.E. McBrayer of Amarillo, and Mr. and Mrs. Frank Wright of Portales, N.M.

Educating people in their communities on the current energy shortage is the primary role of the 130,000 4-H'ers enrolled in the national 4-H electric program. This 4-H'er is doing just that by passing out literature and talking to people at a 4-H electric exhibit in his community.

Cancer Talk Given NRTA

The Collingsworth County Chapter of the National Retired Teachers Association met in the home of Mrs. R.R. Crawley Tuesday, October 1.

The vice-president, Mrs. Velma Hiett, presided.

Miss Maudie Coffee gave the treasurers report and a prayer was offered by Mrs. Rufus Sweat.

Miss Hattie D. Wells was elected chairman of the Bicentennial Pride in America Committee.

In the discussion period, Mrs. Bill Hill, Mrs. Hiett, Miss Coffee and Mrs. Edna Bradley gave important happenings at the Amarillo NRTA Conference.

A cover for church bulletins was inspected and voted to be given to those churches desiring to use them.

Mrs. Ernest Harwell was the guest speaker, giving an informative talk on "Guarding Against Cervical Cancer."

She cited that this type cancer kills 9,000 women each common type of malignancy. The eight warning signals of cancer were explained. The speaker explained also the Pap Smear Test and the Colposcopy method.

"It is clear that if women will avail themselves of these two techniques in an annual check-up that the battle against Cervical Cancer will progress."

Mrs. Harwell told the group that Collingsworth County is in a high-rating cancerous location and its people should be aware of this.

Those present were Mrs. Bradley, Mrs. J.F. Michael, Mrs. Sweat, Mrs. L.W. Wells, Mrs. Les White, Miss Bonnie Willis, Miss Coffee, Mrs. G.L. Jones, Mrs. J.D. Coleman, Mrs. Bill Hill, Mrs. Charley Hill, and Mrs. Hite.

Mrs. Ileta Thomas of Dalhart was a visitor and Miss Hattie D. Wells and Mrs. Crawley were the hostesses.

Young Homemakers Sponsor Short Course in Charm for Area Women

The regular monthly meeting of Wellington Young Homemakers was held Tuesday, October 1, in the director's room of Greenbelt Electric. Mrs. Joe Wood, Mrs. Farris Wood, and Mrs. Eddie Orr served as hostesses.

Mrs. Kenny Brown gave the devotional. Paper towels were brought by the members to be given to the Community Action Center.

The Young Homemakers voted to again help with the American Heart Fund drive this year.

The informative and entertaining program, "Making the Most of You," was then presented by Mrs. Mickey McDonald of Amarillo, national director of the American Beauty Charm School.

Plans were then formulated to begin a short charm course, consisting of four two-hour sessions, on Monday night, October 7. The subject matter of the course taught by Mrs. McDonald will be figure control, make-up, visual poise, and fashion co-ordination. Young Homemakers and others will participate.

Contest to Rename Carlsbad Zoological Park

CARLSBAD* N.M. -- A region-wide contest to rename the New Mexico Zoological-Botanical State Park of the Southwest here has opened and valuable prizes will be awarded the winner and his family.

Sponsored by the tourist promotion committee of the Carlsbad Chamber of Commerce, the prizes will be awarded to the person who submits the winning name for the popular state park.

A move to rename the park was begun after tourism experts said the present name was too long and complicated. A shorter, more graphic, name is being sought.

Among the prizes being furnished by Carlsbad merchants and individuals are a food disposal; free meals for a family in Carlsbad Caverns National Park; a year's pass to Million Dollar Museum in White's City; a flight over Carlsbad and a one-year pass to the state park.

A weekend in a local motel with meals furnished and one night in an elegant bridal suite, with dinner and breakfast included; a coral ring; a free wedding; a six-month family pass to a movie theater; a swimming pool club membership; a set of "Calender Girl" serving trays and one month's free use of recreation facilities at a local motel.

Entries should be mailed to "name The Park Contest," Carlsbad Chamber of Commerce, P.O. Box 910, Carlsbad, N.M. 88220. Deadline for entries is November 1.

TV HOME ENTERTAINMENT

The second "Golden Age" of television is close to reality. The first Golden Age was color which gave the industry the tremendous boost of the 1960s. Now, here come the home video players, which play back a television picture and sound through any conventional television set.

The two leading developers of home video players are N.V. Philips, the huge Dutch electronics manufacturer, and MCA, Inc., Los Angeles based entertainment conglomerate. Now these two companies have agreed to combine their video disk efforts. Philips will manufacture and market the video player while MCA will make and sell the disk programs.

Many companies have been spending huge amounts developing video disk recorders, but the big problem has been incompatibility. The disks of one manufacturer would not play on another's player. With Philips and MCA joining forces, their video player could force the rest of the industry to follow it as the standard. Philips and MCA say they will be "generous" in licensing patents and the player to other manufacturers, but things look grim for companies such as RCA and Zenith who have been working feverishly to develop their own video players.

Commercial production is scheduled to begin on the MCA-Philips player by 1976 with 1-million units projected

It's Fair Time From Panhandle To the Gulf

AUSTIN -- It's fair time in Texas!

From the Panhandle to the Gulf Coast, and from the East Texas Piney Woods to the prairies of West Texas, fairgoers have a choice of more than 20 state, county and regional fairs listed in the Texas Highway Department's new Calendar of Texas Events. The Calendar includes activities throughout the state from October 1974 through March 1975.

Headlining the fairs is the gigantic State Fair of Texas in Dallas, October 4-20, with this year's theme, "Exposition of the West."

In addition to fairs, there's the Tyler Rose Festival October 9-13, Rebel Days in Harlingen, October 20-27, and CavOILcade in Port Arthur, October 24-27.

Other major events you might want to plan for include the Southwestern

for 1978. The recent bid by Philips for all of the stock of Magnavox will give Philips a powerful edge in competing with U.S. television manufacturers.

MCA has thousands of films in its vaults and says it will have 2000 films on disks ready to go when the video player comes off the production line. Philips thinks the video player can be priced under \$500 and the MCA disks are expected to cost from \$2 to \$10 for a full-length motion picture, not too much higher than an LP record. Each MCA disk would have 60 minutes of playing time per side.

The best sign of just how effective the MCA-Philips video player will be is the mad rush Japanese electronics manufacturers are putting on to sign licensing agreements with the Dutch-American combine.

Exposition and Fat Stock Show in Fort Worth, January 24-February 2; the Houston Livestock Show and Rodeo, February 19-March 2; George Washington's Birthday Celebration in Laredo, February 13-16, and the many spring flower trails in March.

More than 600 events are named in the Calendar, which is free for the asking from the Travel and Information Division, Texas Highway Department, Box 5064, Austin 78703.

With the emphasis on close to home travel resulting from energy conservation, the Calendar is a good tool for attracting visitors to Texas cities and hamlets for a colorful variety of local fairs, art shows, rodeos, ethnic festivals, and even rattlesnake races!

Guy Beasley, 80, McLean Rancher, Dies Sept. 26

Guy Beasley, 80, who won the Master Farmer Award for the State of Texas in 1938, while ranching in the northwest part of Collingsworth County, died in a McLean Hospital Thursday, September 26.

He had been a farmer and stockman at McLean since moving from this county in 1946, and was that town's first male librarian.

Mr. Beasley was born at Cleburne and came to Collingsworth County as a young man.

He taught in the Dozier

and Plymouth Schools.

During World War I, he served with the 36th Division which fought in the Argonne Forest in Northern France.

Besides his Master Farmer Award, Mr. Beasley received other citations for his work in soil conservation.

He was married to the former Georgia Van Huss in 1945.

Funeral services for Mr. Beasley were conducted Saturday, September 28, at First United Methodist Church in McLean, with burial in Hillcrest Cemetery.

Survivors are his widow; three daughters, Mrs. Joyce Carpenter of Austin, Mrs. Dorothy Weiser of Lake Charles, La., and Mrs. Martha Skelton of Denton; and a grandson.

...A GRATEFUL AMERICA EXPRESSES ITS THANKS TO AN ORGANIZATION THAT HELPS KEEP THE YOUTH OF OUR NATION STRONG!

This 4-H'er checks the automatic feeder in a large bird laying house as part of his work in the 4-H poultry program. Young people in the Cooperative Extension Service supported program learn various aspects of poultry raising-growing, keeping their birds healthy and improving marketing techniques.

THROUGH THE YEARS, 4-H CLUBS ALL OVER THE COUNTRY HAVE BEEN HELPING TO TEACH YOUNG AMERICANS THE VALUES OF GOOD CITIZENSHIP IN ADDITION TO ADVANCED FARMING TECHNIQUES. THEIR HIGH STANDARDS IN BOTH THESE AREAS HAVE MADE 4-H CLUBS PLAY A LEADING ROLE IN AGRICULTURAL EDUCATION. THE PLEDGE OF THIS FINE ORGANIZATION - MY HEAD TO CLEAR THINKING, MY HEART TO GREATER LOYALTY, MY HANDS TO LARGER SERVICE, MY HEALTH TO BETTER LIVING - IS A WORTHWHILE IDEAL THAT ALL AMERICANS, YOUNG AND OLD, COULD WELL STRIVE TOWARD.

Arnett Teacher Honored at OEA State Banquet

Allan Gilbert, science teacher at Arnett, and Harmon County Teacher of the year, was an honored guest recently at the 21st Annual Teacher Recognition Day of the Oklahoma State Fair and Awards Dinner.

A morning reception honored the teachers in Oklahoma with the official welcome and orientation following.

Then Teachers of the Year from the various counties had the opportunity to visit the exhibits and other features of the fair. The Awards Dinner was held in the evening with Garland R. Hadley, chairman of education council, presiding.

The Teacher Recognition Day honors the "Teacher of the Year" from each of the OEA units of the state for outstanding service to Oklahoma Youth.

D.L. Hinckley, Jr., of Oklahoma City was the principal speaker for the awards dinner.

Mr. Gilbert's wife is the former Barbara Hill, daughter of Mr. and Mrs. Harold Hill of the China Grove Community.

Both are graduates of Southwestern State College at Weatherford. She is a registered pharmacist and assistant manager of Searcy's at Hollis.

Junior Class Names Officers

The Wellington High School Junior Class elected officers and student council representatives recently, with Paul Hanna chosen president.

Sammy Gonzales is vice president; Bart Patterson secretary; Denise Archer treasurer; and Karen Jeffrey, reporter.

For their student council representatives, seniors chose Edward Thomas and Karen Jeffrey.

Class favorites are Linda Coffee and Sammy Gonzales. Projects for the school year are the talent show, with the date to be set, and a homecoming supper November 8.

Class sponsors are Mrs. Billy R. Long, Mrs. Gary Brewer and Garry Wofford.

Retired Dean Of WT Visits

Dr. Mitchell Jones, retired Dean of West Texas State University, Canyon, stopped briefly in Wellington recently as he and Mrs. Jones were en route home from the funeral of a relative at Hollis.

Dr. Jones, who had not been in Wellington for a number of years, recalled riding the Katy from Hollis to Wellington 59 years ago.

He plans to return to spend a full day in Wellington, visiting former students and friends of the University. Dr. Jones told The Wellington Leader.

FARMERS SEEK CONTROL OF RICE PRICES--Around 40 per cent of the Texas rice crop is being handled by a Houston marketing cooperative attempting to give farmers more control of their crop. Previously growers had to deal directly with mills. The cooperative, however, has adequate storage which will allow it to provide a more orderly flow to mills and export. According to Agriculture Commissioner John C. White, rice harvest around the state is nearly complete and prospects for a second cutting are excellent. Wharton, Jefferson, Matagorda, Brazoria and Chambers were the leading rice-producing counties in Texas last year.

Medical Society Meets Saturday In Amarillo

Emphasizing problems and treatment in nutrition, cancer, immunology and fetal well-being, six noted physicians from Canada and the Southwest will address members of the Panhandle District Medical Society on October 12. The annual Meeting, to be held at The Hilton Inn in Amarillo, is expected to attract 150 medical doctors from the Panhandle and South Plains as well as from New Mexico, Oklahoma and Kansas.

Dr. Carter Holcomb plans to attend.

Speakers will be C. Kirk Osterland, M.D., Professor of Medicine and Director of the Division of Clinical Immunology at McGill University School of Medicine in Montreal; J. Donald Smiley, M.D., Professor of Internal Medicine at Southwestern Medical School, Dallas; Stanley J. Dudrick, M.D., Professor and Chairman, Department of Surgery, University of Texas Medical School at Houston; C. Dale Coln, M.D., Assistant Professor of Surgery and Chairman, Division of Pediatric Surgery, the University

of Texas Health Center at Dallas; Felix N. Rutledge, M.D., Professor and Gynecologist-in-Chief, the University of Texas System Cancer Center at Houston; and Jack M. Schneider, M.D., Professor and Chairman, Department of Obstetrics-Gynecology at Texas Tech University School of Medicine, Lubbock.

Amarillo members serving as chairmen of the section meetings are Doctors Charles W. Seward, Medicine; Early B. Lokey, Ob-Gyn; and Walter E. Dickinson, Surgery, who is also general program chairman.

Luncheon speaker will be Nym L. Barker, M.D., President-Elect of the Texas Medical Association, the Paris physician will speak on "Medical Issues of the Day." Dr. William E. Rankin of Lubbock will be installed as President of the Society for the coming year, succeeding Dr. John V. Denko of Amarillo. Other outgoing officers are Dr. John C. Long of Plainview, First Vice-President; Dr. Joe R. Donaldson of Pampa, Second Vice-President; Dr. Charles K. Hendrick of Amarillo, Secretary-Treasurer.

One Injured By Collision

One man was hospitalized for observation following a two-vehicle collision .9 mile west of Wellington on FM 338 Wednesday, September 25.

According to Patrolman Harold Price, a 1969 Chevrolet pickup driven by L.O. Tyson was making a u-turn when it was in collision with a 1970 Ford Tudor driven by Wren Hartman.

Mr. Hartman was taken to Collingsworth General Hospital for observation and treatment of a possible broken nose, cuts and abrasions.

Mr. Price estimated both vehicles as totaled.

The accident occurred about 12:25 p.m. the patrolman said.

Quail News

By Mrs. G. T. Stephens

Quail community received approximately .3 inch of rain during the week end.

T.C. Crabtree was 88 years old Sunday, October 6. Mr. Crabtree and his wife moved to Quail in 1919, and have lived here since. He established the Quail Mercantile soon after arriving here. It's doors were opened for business 55 years ago in October, 1919. He recalls cotton was averaging 48 cents a pound that year. Mr. and Mrs. Crabtree have both worked in the store since it opened, and are still operating the business. They have run it alone the past two years. Mr. Crabtree is still active for his age and is a faithful member of the Church of Christ. The story of his life is a colorful history of a successful man who developed a pioneer contry into a rich farming area, with the largest rural consolidated high school in the United States at one time.

Congratulations, Mr. Crabtree, for your many achievements. We wish you many, many more happy birthdays.

Mr. and Mrs. Ben Farmer and Mrs. John W. Carson visited in Merkel with Mr.

and Mrs. E.P. Farmer Wednesday and Thursday. E.P. Farmer is a patient in Star Rest home there.

Mr. and Mrs. Russell Mathews of Van Buren, Ark., spent the week end in the home of Mr. and Mrs. Roy Canada and Candy. They brought Mrs. Mathews, mother, Mrs. J.W. Canada, home. She has been visiting the Mathews since August 4.

Visitors in the home of Mr. and Mrs. Paul Fielding, Rita and Ralph over the week end were Mr. and Mrs. Jarrell Fielding and Rebecca Lynn, and Mrs. Dee Francis of

Pampa; Mrs. Sula Mitchell and Dale of Aurora, Colorado; Mr. and Mrs. Charley Hill of Lindsey, Calif.; Mr. and Mrs. Paul Henry of Memphis, Tenn.; Rev. T.H. Chapman of Amarillo; Mr. and Mrs. J.F. Neel, Mr. and Mrs. Ernest Neel and Faith Hill all of Memphis.

Mr. and Mrs. Raymond Barton, Kristy and Joe, visited in Johnstown, Colorado, from Friday until Sunday, in the home of their son and family, Mr. and Mrs. Gary Barton and daughters, Kellye and Stacy.

Mr. and Mrs. A.B. Boyett visited in Amrillo over the weekend in the home of their

son and family, Mr. and Mrs. R.L. Boyett and family.

On Sunday Mr. and Mrs. R.L. Boyett observed their Silver Wedding anniversary. His parents, and the couple's children were hosts for the reception. They include Mr. and Mrs. Cliff Fivk, a daughter, Mr. and Mrs. David Ezzell, another daughter, and two sons, Rick and Mark, who are at home, and his parents, Mr. and Mrs. A.B. Boyett of Quail. 11 of the children live in Amarillo. The former Mary Ann Duncan and Mr. Boyett were married October 7, 1949, in Amarillo. she was born in Amarillo and has lived there all her life.

23rd Hedley Cotton Festival Oct. 10-12

The 23rd annual Hedley Cotton Festival will be held Thursday through Saturday, October 10, 11 and 12, with three full days of entertainment.

The midway opens Thursday, and there will be concessions and exhibits.

Friday is Old Settlers Day, with a kickoff breakfast at the Lions Den at 7:30 a.m. Registration will begin at 10:00 a.m. and there will be food booths at noon and Hedley cafes will be open.

The Old Settlers program begins at 2:00 p.m. at the Lions Den. Woodrow Farris, president of the Donley Pioneers Association is in charge. Entertainment will be by Hedley's Singing Sweethearts, Singing Brayetts, Mike McCully of Clarendon, and group singing.

The Festival proper opens at the speakers stand at 4:00 p.m. with the Rev. Kathryn Pigg, pastor of Hedley's United Methodist Church giving the invocation.

Entertainment will include Singing Sam of Pampa, the Pounds Family of Memphis, Mike McDully, Joyce Howell, the John Thomas Band of Wellington, Lone Star Playboys of Amarillo, and Tobe's Cotton Pickers of Hedley. There will be a dance in the evening.

Saturday is Everybody's Day, but the highlight will be the big 23rd Annual Festival Grand Parade at 2:00 p.m.

The Mavrick Club Boys will present their program at 3:30 p.m.

Coronation of the Hedley Cotton Queen will be at 8:00 p.m. The reigning queen is Geneva Naylor. The ceremonies will be dedicated to Letha Moss Springer, found-

er of Hedley's Singing Sweethearts, who died September 16. She has presented the group in Collingsworth County a number of times.

Special guests are due to be Congressman Bob Price of Pampa, State Senator Jack Hightower of Vernon, State Representative Phil Cates of Lefors, and State Senator Max Sherman of Amarillo.

Paul R. Easter Dies at Lubbock

Services for a former Collingsworth County man, Paul R. Easter, 71, of Lubbock, were conducted Saturday at 2:30 p.m. in Pioneer Park Church of Christ. Grandol Forehand, Church of Christ minister from Slaton and formerly of Wellington, officiated, assisted by Ted Carruth, minister.

Burial was in Peaceful Gardens Memorial Park.

Mr. Easter was pronounced dead on arrival at Methodist Hospital, Lubbock at 6:30 p.m. Tuesday, October 1, after an apparent

heart attack.

He visited his daughter and son-in-law, Mr. and Mrs. J.L. Souder, here about two weeks ago.

Mr. Easter had been a resident of Lubbock since 1955, going there from Wellington. He was a retired carpenter, member of the Pioneer Park Church of Christ and member of MacKenzie Masonic Lodge.

Mr. Easter was born at Fannin County, son of the late Mr. and Mrs. John Easter. The family came here when he was six years old. He was married to Miss Edda Stinson May 18, 1924.

Survivors are his wife; one daughter, Mrs. J.L. Souder of Wellington; two sons, J.B.

Questions People Ask About the Catholic Church

Q. What do you think of Gay Liberation?

A. I really haven't given it much thought. All citizens of America are guaranteed certain things under the Bill of Rights and the Constitution. As long as they do not violate the law, or infringe on the rights of others, they should be given all the freedom these documents promise. That includes homosexuals, women, blacks, whites, Indians, children, and any other segment of the people who may have grievances.

Q. Do Catholic Priests have office hours like other professional men?

A. Not really. They are basically on duty 24 hours a day. However, most of us would not like to be disturbed at mealtimes or during the night, unless for extreme emergencies. Priests eat, sleep, and take showers like everyone else, and it is a nuisance having to answer calls during these times. However, if it is a dire emergency, a priest will come at any hour.

Deck's DIDACTICS

—by Deskins Wells

PRESIDENT Ford started off well in the beginning of his administration; but he created consternation among wheat farmers, corn growers, grain dealers and thousands of other people when he placed an embargo on the shipment of wheat and corn to Russia.

THE EFFECT President Ford's decision will have on the price of milo in the next few months is problematical. There were no quotations to local grain dealers immediately after the announcement. The same silence prevailed most of Monday but by Tuesday of this week the prices quotations were coming in clearly. There was about a 50 cent drop a hundred on milo and a similar reduction on a bushel of wheat: but the price of milo was quoted at \$5.25 a hundred pounds. That is not too bad.

THE President's sudden action shows once again how badly and how unfairly the agriculturists are outnumbered and outvoted by the consumers, union laborers, people on relief and a number of other classifications.

THE FARM Bureau, the Farmers Union and other representatives of the farmer have tried, but they have not done a very effective job in presenting the usefulness of the farmer and rancher to the American public. They have poured out tons of paper about what is being done to the cattlemen, the stock feeder, and the farmer; but far too little has been said about how this will eventually affect the consumer and the laboring man. They are the people who outnumber us ten to one.

LUIS KUTNER, an internationally famous attorney who has devoted his life to fighting for individual rights, will be on the campus of Baylor University on Nov. 8 to participate in a "Death with Dignity Program." The symposium will provide a forum for doctors, lawyers, and religious leaders, and the general public to reevaluate the social and legal policies regarding the question of whether or not an individual has the right to choose to sustain or terminate his life if he becomes terminally ill.

FOR the second year the Texas Parks and Wildlife Department is sampling ducks to determine the amount of lead in their bodies. For years tons of lead have fallen into the waterways of the coastal region. Last year it was determined that 22 per cent of the ducks in Jefferson County had lead in their gizzards. By contrast with this dangerous percentage, the number of ducks examined from the Panhandle that had lead in their bodies was insignificant.

THE Texas Parks and Wildlife Department has another worthwhile movement on foot. It is the Volunteer Hunter Safety Course. You might win a prize of \$1,000 for the best essay. The program is open to anyone who is 12 years of age or older. You can secure more information by contacting any game warden or writing the Texas Parks and Wildlife Department. The contest is divided into junior and senior groups.

MOST of our doves seem to have moved on south; but this area certainly has plenty

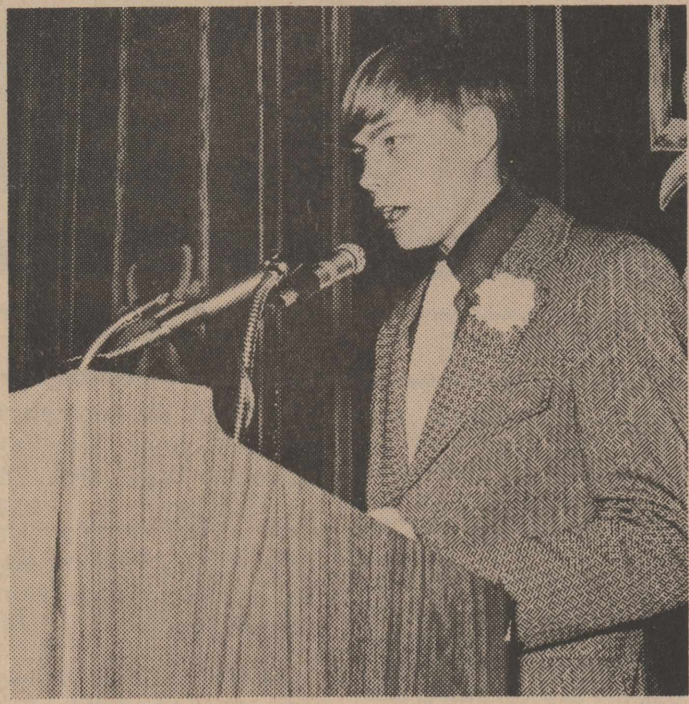

4-H Orators Earn Awards, Experience

Six educational scholarships of \$700 each and eighteen trips to the 53rd National 4-H Congress in Chicago, top the awards available to this year's 4-H public speakers nationally.

Nearly 214,000 boys and girls are expected to participate in the 4-H public speaking program sponsored by Union Oil Company of California, and supervised by the Cooperative Extension Service. And in their quest for the scholarships and trips, upwards of 75 young people will earn U.S. Savings Bonds and over 4700 medals of honor for their efforts.

Utilizing the 4-H method of "learning by doing," the 4-H orators deliver concise, well organized speeches on a variety of topics. And their audiences range from family members to club, school and community groups. They are members, like Megan Beachler of Los Angeles County, Calif., who credits her training in the 4-H public speaking program for the confidence and poise she possesses.

Miss Beachler, a 1973 scholarship winner, believes that her more than 100 speaking experiences have prepared her for leadership roles. She has served as a junior leader of three clubs, helped organize a new 4-H club and served as an officer of her local and district 4-H groups.

Donnita Weinkauf of Tulsa, Okla., another 1973 national winner, uses multi media to reach a variety of audiences. After researching her speech topics, she presents her talks to as many groups as possible—school, community, civic. Miss Weinkauf then reworks the speech for radio and rewrites it for newspaper use. Two such campaigns supported Safe Boating Week and Fire Prevention Week.

In 1974, for the 25th time, Union Oil Company provides a full schedule of awards to outstanding 4-H'ers in the program, including medals of honor to four

county winners and a \$50 U.S. Savings Bond to the top boy and girl in the 4-H public speaking program in each state.

The Cooperative Extension Service selects the 18 state winners for sectional honors in the program. And these young people receive expense-paid trips to 4-H Congress in Chicago, Dec. 1-5. At the annual 4-H event, six of the sectional winners will be named recipients of scholarships courtesy of the company.

For more information on 4-H public speaking activities in your area, contact the county extension office.

F. O. Masten Featured in New Book

Author Jeanne Lively, Lubbock, who has penned a non-fiction book on West Texans called "Howdy," will be honored with an autograph party on Sunday, October 13, from 2-4 p.m., at Lubbock's Y.W.C.A., 3101-35th Street.

Among West Texans featured in "Howdy" are pioneer physician, Dr. M.C. Overton; Amos G. Carter, and Will Rogers; Lubbock bootmaker, Willie Lusk, and two of his famous customers, Benny Binnion of Las Vegas' Golden Horseshoe and screen star Chill Willis; and well-known area farmers, F.O. Master and D.E. (Gene) Benham. Through the pages of "Howdy," you can almost feel that you've attended one of Pep, Texas' Thanksgiving spreads, ridden with the cowboys of the North Spade on the last round-up, or visited Old Emma, the town that used to be!

Linda Roy of Slaton, edited the book and will greet guests along with western artist and illustrator, Kenneth Wyatt of Tulia.

Special guests will be those who have stories in "Howdy" and the public is invited to attend.

First Christian Women Convene

Women of First Christian Church met in the home of Mrs. Charles Darter Monday, October 7, for the election of 1975 officers.

Mrs. Zook Thomas was chosen president; Mrs. Tommy Powell, vice president; Mrs. Jack Sanford, secretary; Mrs. Raymond Neeley, treasurer, and Mrs. Darter, reporter.

Committees will be appointed by the president.

Mrs. Charles Waugh gave the lesson which included a prayer and two parables from the "Sermon on the Mount."

Mrs. Thomas presided at the meeting and Mrs. Darter gave the opening prayer.

Refreshments were served to Mrs. Larry Kane, Mrs. Thomas, Mrs. Waugh, Mrs. Sanford, Mrs. Bennie McDanel, Mrs. Powell, Mrs. Sandown Smith, Mrs. Neeley, Mrs. Ozro Bartlett and the hostess, Mrs. Darter.

The hours are 8:00 a.m. to 6:00 p.m. There will be pick-up and delivery by calling 447-2809, or 447-2257 according to Mrs. Carl McKinney, who is working with the group.

New Bible Class to Be Formed Sunday

Organization of Everyman's Bible Class, a new bible study class for men, will be held at the Community Action Center Sunday, October 13.

Plans were announced by Garner Altom, director, teacher and outreach leader. Assisting in this work is Jack Kennedy.

The class will be from 9:45 to 10:45 a.m.

"Come as you are, for coffee, fellowship and Bible study," said Mr. Altom. "If you have to move irrigation pipe, feed stock, or whatever, do it, then come on by for coffee and Sunday School, or come on by, then go do what you must do."

First Baptist Church is sponsoring the class.

"We feel there is a need in our community for this hour on Sunday morning and we feel there are many of you who are willing to make yourselves available to God with us," said Mr. Altom.

Church Holds Garage Sale

The Women's Missionary Council of the Assembly of God will continue its garage sale through Saturday, October 18, Mrs. Carl McKinney announced.

She said the church women have a large stock of clothes for all members of the family, plus kitchen items.

The garage sale is being held in the old Red Top Cafe, 700 block of West Avenue.

Museum Plans Come Before Board Mon.

Future plans for the Collingsworth County Historical Museum were discussed at the meeting of the museum board Monday night, October 7.

The board viewed slides through the newly acquired automatic slide projector. "We are most pleased with possibilities," said Clyde Drake, president. "Slide programs can be automatically shown, and the projector can be used for training and informational programs at the museum or for special meetings.

The projector is not to be loaned out, it was explained. Among the latest accessories are three pieces of furniture from members of the Joe Keller family.

Mrs. Louise Robinson of Irving has brought the museum a hand made quilt which belonged to the late Joe Hardy, and which was made for him by his mother before he was born. Mrs. Robinson related that the expected baby turned out to be twins, but the quilt was large enough to cover both in their trundle bed.

Another gift were intricately embroidered pieces done by the late Mrs. Hardy. Still another piece was the key with Mr. Hardy's name plate which he used to open the door of Hardy Drug through the years he owned

of hawks of various sizes. Are they after rats and mice or are they hunting quail. On the whole hawks are beneficial birds and do more good than harm.

APPLYING harvest aid chemicals can be costly according to the Lubbock Experiment Station. Five varieties of cotton were tested in 1972. Cotton was killed on October 1 and another group was killed on October 13 and a third group was allowed to mature until the first frost. The cotton that was allowed to mature naturally made 513 pounds to the acre. The cotton that was defoliated on October 13 averaged 485 pounds to the acre and the cotton that was killed on Oct. 1 produced only 398 pounds to the acre. There was a corresponding lowering of the micronaire value on the cotton that was killed early.

Basic Education Course Still Open to Adults

During the business meeting, plans were discussed for the membership drive and a news letter, both to be under the direction of Larry Henard. Specific plans will be announced.

The annual Museum membership meeting was announced for Thursday, November 9, at the Heritage Room. There will be a special program.

The officers and three of the six directors will be elected. A nominated committee was appointed to include Bobo Castleberry, chairman, Mrs. Barney Glenn and Mrs. Cecil Masten.

The guest book was reviewed, and it was revealed that since it was opened November 16, 1973, 859 signatures have been entered, 178 from out of town. It is considered excellent, since the museum is open only three hours on Sunday afternoons.

The most recent visitors have included Mr. and Mrs. Wayne Lacy and children of Overton, Dr. and Mrs. H.A. Holcomb of Conroe, Mrs. Joy Somerville and children, Tom and Chuck, of Canyon.

Present for the Monday night meeting were Marshall Peters, Mrs. Russell Yates, Mrs. Wilbur DePauw, Mrs. Cecil Masten, Mrs. Woodrow Wilson, Earl Hunter, Larry Henard, Dan Henard, Jr., Mr. and Mrs. Drake, and a guest, Mrs. John Holton.

CONGRESSMAN PRICE HONORED

Congressman Bob Price receives the "Watchdog of the Treasury" Award from National Associated Businessmen President, H. Vernon Scott. Price was among 183 Representatives and Senators who received the award, which is awarded for records of fiscal responsibility and efforts to reduce unnecessary Government spending. Price commented that the fact that only about one-third of the Members of Congress received the award was an indication of why the Congress has been ineffective in combating inflation. Price has received the bi-annual award in each Congress in which he has served since election in 1966.

Winners Named From Sunday's Cycle Races

A cold drizzle did not dampen enthusiasm at Red River Motorcycle Track Sunday, October 6, owner C.A. Wilbur reported.

A number of new names appeared on the winner's list, along with those who take honors consistently. The list included:

Open Class: first, Charlie Keese of Hereford; second, Bill Culver of Amarillo; third, Roy Hays of Altus; fourth, Tom Fields of Amarillo.

The next races will be Sunday, October 20, when the year-end trophies will be awarded.

Mrs. Ben Morris is visiting for several weeks with her daughter and son-in-law, Mr. and Mrs. Dane Sisk of Amarillo.

IFYE Visitor Finds Variety of Foods

Karen McClendon, 1974 IFYE Delegate to Turkey and a granddaughter of Mr. and Mrs. Loren Thompson, devotes this newsletter to foods, both new and familiar, which she has found during her stay in that country. She includes two Turkish recipes which she has adapted for use with foods found in the southwestern U.S.

Saying "yes" to helping a Turkish cook can turn into a time consuming activity! After four hours, five people emerged from the kitchen, hot, tired, and hungry after preparing icli kofte. As the lady of the house put it, "To make is difficult, to eat so easy." Every dish in Turkish cookery begins from scratch and may include eggplant, tomatoes, peppers, okra, and beans. Lamb is the favorite meat and for an honored American guest, a lamb may even be freshly slaughtered for the Turkish delicacy, shish kebobs.

Fresh fruits found in America, with the addition of quints and fresh figs, are favorite desserts and snack foods. Fruits are magnificent; peaches the size of grapefruits frequently appear on the table.

Plain yogurt is a favorite and bread is a must for every

meal. One family of 14 bakes 25 loaves of bread every four to six days in the village stone furn, or oven. Bread becomes a specialty when crushed poppy seed are added, or the dough shaped into knots, swirls, or twists.

Styles of eating reveal variability. Whether eaten on the floor around a platter from common dishes, or in the "traditional" American style, the cuisine is always delicious. Turkish food is highly spiced with red and black pepper, mint, parsley, cumin, garlic, tomato sauce, and almost every dish contains olive oil. Pine cone seeds, grape leaves, and rosewater pudding all have a place in Turkish cookery.

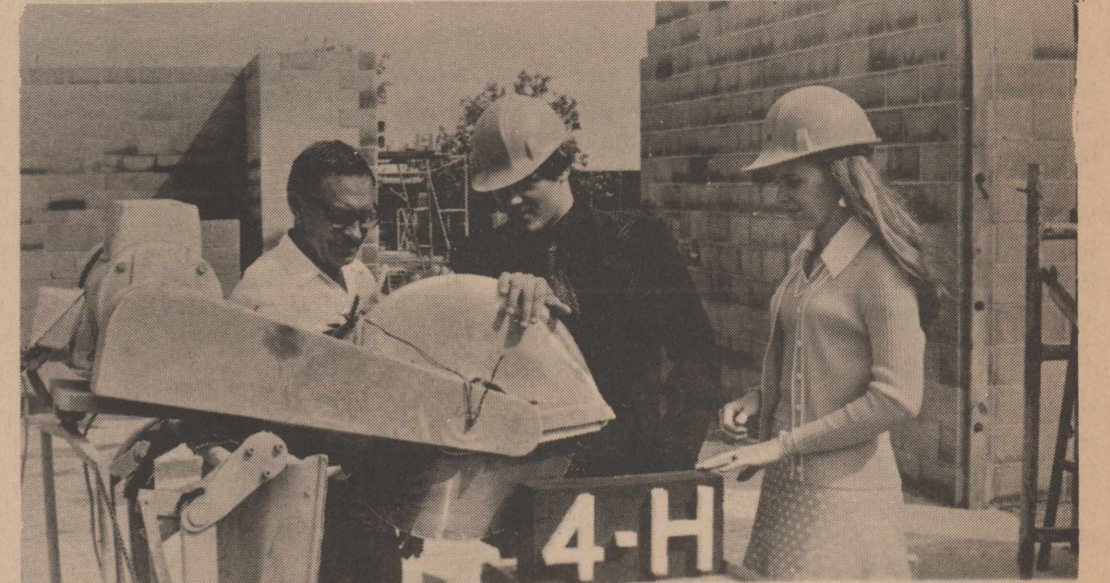

A real treat for breakfast is bread dipped in rosewater jelly and rolled in crushed walnuts. A typical breakfast consists of bread, cheese, butter, olives, and tea, with eggs, jelly, and fresh fruit appearing from time to time.

Most dairy products are made in the village. Uniqueness is indeed apropos for Turk cooks. Many varieties of fruit preserves are made by leaving the fruit and sugar on the roof top to be cooked by the sun. One village has silo-like structures which lead to underground nesting areas where women catch the pigeons to feed their families.

Although Turkish cooks have an eye for measures, perhaps the following recipes with approximates will provide a glimpse of the tastes possible in Turkish cuisine. I tried these recipes, and found that the cooking time was a little short for our taste.

Eddie Perkins of Cleburne (center) and Jamie Hemphill of Coleman, chairman and vice-chairman, respectively, of the Texas 4-H Council, inspect a masonry saw with Job Superintendent Ed Miller of the Herman Bennett Company while on a special inspection tour of the \$1.375 million Texas 4-H Center at Lake Brownwood. The 200-capacity facility is being constructed under the leadership of the Texas 4-H Foundation and is expected to be completed by early spring 1975. The Center will contain modern conference arrangements and serve as a training facility for 4-H members and volunteer leaders, and other groups with an educational purpose. The construction of the new Center fits well with this year's "We Can Make It Happen" theme for National 4-H Week, Oct. 6-12.

Former Resident Ill at Clayton

Friends here have learned that Mrs. Dave Walker of Texline is in a Clayton, N.M. hospital after suffering a stroke Wednesday, October 2.

She and Mr. Walker moved to Texline a few years ago after living in the county most of their lives. Mr. Walker told friends Saturday night her condition may be a little improved.

Eighth Grade Downs Memphis Team 58-24

Wellington eighth grade football team, the Firecrackers, took their third victory by defeating Memphis eighth grade 58-24 at Powell Field.

Previous wins were over Shamrock, 18 to 8, and Clarendon 20 to 12, according to Coach Bruce Dollar.

Fullback Ricky Jones led Wellington's scoring with four touchdowns, while Ermino Nevarez scored three and David Baumgardner two.

Jones was the first to score, with an outside run on the third play of the game. Nor did the scoring stop, and the Firecrackers led 20-0 at the end of the first quarter.

Wellington added 16 more points during the second period and had Memphis down 36-0 just before the half, when Memphis scored on two long passes and added points after touchdown. They did not score again until the final period. Wellington made the final touchdown, however.

The Firecrackers were just as effective with their extra points as with scoring. David Baumgardner ran the ball over once; Nevarez added three extra points, Carl Taylor, Jon Sessions and Ricky Jones scored after tds once each.

"Their attitude is the main thing," said Coach Dollar. "This is their third game this year and they finally got it all together. They have a lot of

speed and their blocking is real good.

"They work well as a unit. They're all good friends and run around together all the time. It helps their game."

Besides the boys who scored, Coach Dollar noted the fine playing of Carl Taylor, quarterback, and Robert Chambers, who has been playing end but was moved to guard before the Memphis game.

Randy Seale, defensive halfback, intercepted a pass to stop Memphis from scoring again.

In earlier play, the Shamrock game was sparked by a 80-yard kickoff return for a touchdown by Ricky Jones.

In the Clarendon game, Jones scored once and Nevarez twice.

Both Clarendon and Memphis were district games.

Eighth Grade Plays Wheeler Thursday Night

Eighth Grade Firecrackers will travel to Wheeler Thursday, October 10, to meet one of the strongest teams they have faced this year, Coach Bruce Dollar reports.

Game time is 6:00 p.m. Wheeler did not have a seventh grade team last

GARY MAC THOMAS

year, and some of the boys currently on the 8th grade team also played 8th grade ball last year. This should give the team strength and experience not to be expected in this level of play. The Firecrackers will be seeking their fourth victory, they are in good condition and eager to play, their coach said.

Rockets Drop 2-A Opener to Memphis

By Gary Archer

With a 1-2 record the Wellington Skyrockets traveled to Memphis last Friday night expecting to win, but instead took a 34-0 loss. The Wellington players and fans were up for the game. It was a rather windy evening which was expected to have some effect on the passing and punting game.

The Wellington Skyrocket co-captains were Jackie Black and David Null. Memphis won the toss and elected to receive and defend the north goal. James Beck took the opening kickoff on the 25 yard line and returned it to the 40 yard line. On the first two plays of the game Wellington was penalized for being off sides with Memphis making their first first down of the game on penalties.

From the mid field stripe Memphis drove the football the balance of the field with the first touchdown of the game coming on a six yard carry by Charles Bryley. The Memphis drive consumed 2 minutes 47 seconds. The extra point attempt was good making the score 7-0 with 9:13 left in the first quarter.

The Wellington Skyrocket defense held the Memphis Cyclones to very little yardage the balance of the first half with hard hitting tackles and a good pass defence. The Wellington offense looked as though they would be able to score on several occasions however each time the offense would get a drive going they were offset by penalties and forced to punt.

For the most part Wellington's George Brewer had a good evening in the punting department with a punt in the first quarter traveling some 76 yards in the air and on the ground. Wellington's Jess Davis

recovered a Memphis fumble on the first offensive drive of the second quarter and Wellington's offense was unable to sustain a drive and was forced to punt.

After half time activities Wellington was unable to generate any offense on their first possession and was forced to punt to the Memphis 45 yard line where Memphis on six plays drove the football to the one foot line where James Beck scored the second touchdown of the evening. The extra point attempt was good making the score 14-0 with 8:09 left in the third quarter.

Again in the third quarter the Wellington Skyrockets were plagued with penalties each time a significant drive was mounted and a short Brewer punt midway in the third quarter gave the Cyclones offensive possession on the Wellington 25 yard line. Don Davis scored on a 23 yard carry. The extra point attempt failed and Memphis led in the game 20-0 with 5:22 left in the third quarter. On the next kickoff Memphis recovered an on sides kick in Wellington territory.

It appeared at this point the Cyclones would score again as they drove the football in 5 plays to the Wellington 5 yard line where Wellington's Richard Sims intercepted a short pass giving the Wellington Skyrockets offensive possession. The Wellington offense quarterbacked by George Brewer and on runs by Jim Bob Nall, Richard Sims, Arnie Ingram, George Brewer and Jesse Davis marched the football up field to the 40 yard line and at this point with 1:56 left in the third quarter, a crucial penalty was called against the Wellington Skyrockets placing the football back on

Wellington's 25 yard line. The Wellington offense was unable to muster enough yardage for the first down and were forced to punt away the football and the Cyclones took over on the Memphis 45 yard line. On the first play from the Memphis 45 a Ricky Miller to James Beck 55 yard pass-run play scored another Memphis touchdown with one second left in the third quarter. The extra point attempt failed and Wellington trailed in the football game by 26 points.

On the next serious drive the Memphis Cyclones took over the football on the Wellington 46 yard line driving the football to the 25 yard line where quarterback Don Cofer fumbled on the Skyrocket 35 and Steve Emmert recovered for Wellington.

Unable to untrack the offense on the next series Wellington was forced to punt. On the next Memphis possession Wellington again recovered a Cyclone fumble but was unable to move on offense and the Cyclones took over on downs on their own 35 yard line. On the first down of the series Ricky Miller tossed a 23 yard pass to James Beck and a personal foul was called against Wellington at this point and the 15 yard penalty was tacked on to the pass

yardage. Memphis then moved the football to the Wellington 9 yard line where Fred Alexander carried the football into the end zone for the final touchdown of the evening with some 1:11 left in the game. The extra point attempt was good and Wellington trailed in the game 34 points.

With 1:11 left in the game and 48 yards to the goal line the Wellington Skyrockets carried the ball to the 6 yard line with a well balanced passing and running offensive attack by Edward Thomas, Richard Sims, Jesse Davis, and Shane Tarver. The game ended with Wellington threatening to score. Final score in the game Memphis Cyclones 34 Wellington Skyrockets 0.

The Wellington Skyrockets have aged a great deal in both offense and defense since their first game of the season and are expected to be a very difficult football team to defeat the balance of this year.

Figures from the Bureau of Labor Statistics show that registered nurses constitute the largest group of professionally trained workers in the health field and the second largest group of professionally employed women.

JOIN THE ANNUAL AGRICULTURAL TOUR

The annual Farm Tour and Field Day sponsored each year by the Extension Service and the Soil Conservation Service will be held in Collingsworth County this Thursday, October 10. You are invited to attend!

Farmers and business men who go on the tour will be shown a series of experiments seeking grain sorghum varieties and cotton varieties that are best suited to this area. There will be an opportunity to see how a well established pasture can be an important part of your farming program. You will see how a water problem can be controlled.

We believe the farmers and stockmen, business and professional men, will find this tour profitable and we know you will enjoy the noon barbecue that is being sponsored by Salt Fork Soil and Water Conservation District.

Welcome to the AGRICULTURAL TOUR

WE TAKE THIS OCCASION TO REMIND OUR FRIENDS AND CUSTOMERS OF THE ANNUAL CROP TOUR AND FIELD DAY WHICH WILL BE HELD IN THE COUNTY THURSDAY, OCTOBER 10.

THOSE WHO GO ON THE TOUR WILL SEE GRAIN SORGHUM VARIETY DEMONSTRATIONS, BROADCAST COTTON, AND A PASTURE DEMONSTRATION. YOU WILL HEAR WHAT IS BEING DONE TO FIND THE BEST VARIETIES FOR COLLINGSWORTH COUNTY AND ITS NEIGHBORS. ALL OF THIS IS IMPORTANT TO OUR ECONOMY.

WE CONGRATULATE THE TWO GROUPS WHO MAKE THIS POSSIBLE, THE EXTENSION SERVICE AND SOIL CONSERVATION SERVICE.

Let's Recognize Collingsworth 4-H During National 4-H Week

This week we observe National 4-H Club Week, and certainly it should not pass without recognition of the Collingsworth County 4-H boys and girls, the work they are doing, and the men and women who work with them.

Their achievements are impressive, and even more impressive is the preparation for adult living it gives these youngsters -- discipline, right attitudes, and the tools with which to acquire knowledge they may need.

The Collingsworth County 4-H Program covers a number of facets. There is the calf program. The Grand Champion in the Youth Division of the Amarillo Tri State Fair was a Collingsworth 4-H Calf. In other years 4-H Calves have won impressive honors in major livestock shows of the southwest. The 4-H Horse Club has for many years given boys and girls a summer of fun and gaining extra skills in one of the fastest growing youth sports in the nation -- horseback riding.

Girls in the 4-H Program learn to cook and sew in competent manner, much earlier than girls not in the 4-H program learn these home arts.

The boys and girls who have achieved in 4-H Work will be recognized publically later this month. The program is open to the public and we urge you to attend.

The Collingsworth 4-H Program is just one small part of the National 4-H Program available to any group wishing it. We are limited in the number of these that can be carried out by the small Extension Service personnel the county has -- an extension agent, a home extension agent, and one part-time secretary, plus volunteer adult leaders. They are pushing themselves to be able to offer the boys and girls of the county as much as they do. We cannot expand our 4-H Program until we have a larger staff to do it.

Meanwhile, all of us can give this worthwhile program all the support possible, and most of all we can inform ourselves of what is being done here in 4-H.

Time to Move Up

Texas ranks third among states in agricultural production. It can take the lead in the next three years, Gov. Dolph Briscoe believes. He has set that as a goal.

"We have the resources, we have the talent, and we have the will," Briscoe said. "I believe we can do it."

Under current conditions and outlook, attainment of the goal may appear unlikely. Producers are faced with rising costs, uncertain fuel and fertilizer supplies and, in the case of livestock and milk producers, a lack of sufficient profit necessary to stimulate increased production.

On the whole, however, national and world needs for food and fiber products point to a strong demand in the years ahead.

As John Hutchison, director of the Texas Agricultural Extension Service, said recently, success of attaining such a goal will require a strong price structure and the utilization of all the best production and marketing practices.

The goal of taking the lead in agricultural production is one worth pursuing. Its benefits would accrue not only to the farm and ranch producers, but to all of Texas.

Short Takes

War Game

Chess was invented in India in the seventh century A.D. as a war game to illustrate and rehearse proposed army movements for real engagements. Its name comes from the Indian "chaturanga" meaning "consisting of four divisions", the four kinds of troops in the traditional Indian army: infantry, cavalry, chariots and elephants, along with the Supreme Commander (King) and his Minister (changed by Italians to the Queen).

Pot Shots

Teapots tend to be low and wide because tea leaves rise and expand in hot water. Coffee grounds, on the other hand, tend to sink to the bottom of the pot, leaving the pure clean brew at the top; thus coffee pots are generally tall and narrow.

Picture This

Alexander G. Bell envisioned a "phonoautograph", a device which would translate sound waves into a meaningful pattern of curves on a smoked glass. This device of a "picture phone" is now being realized, some 70 years later, in larger cities.

STATE CAPITAL

Highlights AND Sidelights

by Lyndell Williams

TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Candidates are moving into the last laps of the 1974 campaigns but voters seem little concerned. The general election ballot offers nine contested statewide races and 16 congressional district challenges, in addition to hundreds of local races.

At the top of the ballot, Democratic Gov. Dolph Briscoe, 51, is opposed by Republican Jim Granberry, 42, of Lubbock; Raza Unida Party's Ramsey Muniz, 31; Sam McDonnell, 51, of the American Party, and the Socialist Workers' Sherry Smith, 28. Another hot race features Democrat Bob Bullock, 44, and Republican Nick Rowe, 32, fighting it out for the state comptroller's office which is being vacated by Robert S. Calvert, who held office a quarter century. Sas Scoggins, 37, Austin, is also seeking the comptroller's job as a Socialist Workers Party candidate.

Democratic Lt. Gov. Bill Hobby, 42, has opposition for a second term from Republican Gaylord Marshall, 39, of Dallas, and Dan Fein of Houston, the Socialist Workers Party nominee.

Atty. Gen. John Hill, 51, Democrat, also seeking a second term, is opposed by Tom Cole, 42, of Houston and SWP's Pedro Vasquez, 25, Houston.

State Treasurer Jesse James, senior state official, 69, has a Republican opponent in Robert G. Holt, 41, Amarillo.

Land Commissioner Bob Armstrong, 41, a Democrat, faces Republican Mary Lou Grier, 48, Boerne, and SWP William Rayson of Houston, 22.

Republican Zack Fisher of Memphis, 32, opposes Agriculture Commissioner John White, 49.

Railroad Commissioner Jim Langdon is opposed by Republican Joe P. Cain, 58, and Fred R. Garza, Houston, Raza Unida. Railroad Commissioner Mack Wallace, faces GOP Dale W. Steffess, 40, Houston and SWP Rick Congress, 30, Houston.

HEALTH CARE NEEDED — Nearly 37 per cent of children surveyed by the Department of Public Welfare were shown to need immediate health care.

Welfare Commissioner Raymond Vowell told a Governor's Task Force on Youth Care and Rehabilitation 3,885 children out of 10,010 screened in a free medical survey were referred to a physician for immediate treatment.

From September, 1973, through last July, Vowell said, 91,000 children were screened and 33,176 referred for treatment.

The checkups are part of a federal-state program called "Early and Periodic Screening, Diagnosis and Treatment—EPSDT."

Ailments include visual, hearing, skin, teeth, throat, heart, anemia, lead poisoning and blood abnormality problems. About 389,000 children under 21 are eligible for EPSDT medical screening.

LEASE BONUSES PAID — Oil companies paid another \$5,567,177 in cash bonuses for leases to explore and develop oil and gas resources on state lands at a School Land Board lease sale.

The sale reflected a drop in cash bonuses from a record \$24 million sale last July, Land Commissioner Bob Armstrong noted.

Armstrong said lack of availability of offshore drilling rigs as well as available bonus dollars was a factor in the sale.

More than 144,554 acres of state land were leased. Hunt Hassie Trust submitted the largest cash bid

of \$256,356 for an upland tract in Loving County. More than 89,472 in Gulf of Mexico acres were leased for more than \$3.7 million. Other leased acreage include 49,226 in Texas bays for \$2.1 million, 485 riverbed acres for \$11,612 and 5,370 upland acres for \$657,283.

The School Land Board asked for a staff recommendation on advisability of holding three rather than four lease sales each year and of leasing by geographic zones. **DELEGATION CHALLENGED** — Liberal groups filed a formal challenge of 11 Texas delegates-at-large and 15 alternates to the December 6-8 national Democratic party conference or mini-convention in Kansas City.

Challengers claimed 23 violations of state and national party rules at the September 17 convention here where the delegates were picked. Texas has a total of 98 delegates to the mini-convention, including Democratic congressmen, governor and U.S. senator.

Most delegates-at-large named at the Austin convention were favored by Governor Briscoe, the challengers allege, and got preferential treatment. The challenge brief claims that a minority report on delegate selection was never considered.

COMMISSION URGED — A tough state enforcement commission is needed to make campaign finance disclosure laws workable and worthwhile, a House elections subcommittee was told Monday.

Common Cause lobbyist Randall B. Wood said creation of an enforcement agency for disclosure laws and adoption of reasonable campaign spending limits should be assigned top priority.

Rep. Ben Bynum of Amarillo also recommended creation of an election law commission.

Meanwhile, a former State legislator, Dick Reed of Dallas, complained that local agencies will do nothing to curb political "dirty tricks" such as circulation of bogus campaign literature. He suggested the state take over policing of such violations.

COURTS SPEAK — Associated Milk Producers Inc., in an out-of-court settlement of a suit over a \$900,000 loan to a former president of Sharpstown State Bank.

A full trial was ordered by the Supreme Court in a suit over buyers' refusal to pay for stock when its value dropped.

A Dallas district judge enjoined seven Fred Astaire dance studios in Texas from violating deceptive trade practices — consumer protection laws.

APPOINTMENTS — Governor Briscoe named Leslie L. Thomas of Crowell district judge of the 46th district succeeding the late Judge Rex E. Sullivan Jr. of Vernon.

Briscoe appointed Nathan L. Winters of Edinburg and William F. Powell of Westlaco to the Rio Grande Valley Municipal Water Authority.

He appointed John Louis Shook of Dallas 191st district judge, succeeding Judge Spencer Carver who resigned.

Can We Spare A Little?

SHORT SNORTS

Economic conditions appear to be improving according to late summer indicators, The University of Texas Bureau of Business Research reported.

Attorney General Hill held a county or county health district has no authority to require a municipal utility district to obtain county approval of plans for construction of water and sewage facilities.

Texas Water Rights Commission created Forest Hills Municipal Utility District in Harris County and dissolved 20 other dormant districts, approved another district in Montgomery County and bond issues for six others.

UT faculty members, protesting firing of UT-Austin President Stephen Spurr, asked Chancellor Charles A. LeMaistre to resign. LeMaistre said he wouldn't.

Governor Briscoe requested Delta and Haskell counties be designated disaster areas due to prolonged drought.

Texas Youth Council postponed endorsement of a proposed master plan for treatment of juvenile delinquents during the next decade.

Texas Parks and Wildlife Department marine biologists boasted of an "unprecedented" spawn of 15,000 baby redbfish in a laboratory holding tank near Palacios.

The State Textbook Committee took votes on recommendations for textbooks public school pupils will use next year.

A study for the State Insurance Board recommended compulsory auto insurance coverage instead of so-called "no fault" insurance.

CROSSROADS REPORT

Dear Editor:

My rip-offee neighbor notes that the entire federal tax exorted from him and about 100 other people like him last year was spent by the federals to study the body odor of Australian aborigines.

He says this information which he has helped to pay for under threat of jail, may be important to somebody. But, if so, they should finance the research out of their own pockets instead of his.

And if anybody wants to know about the moral odor of spend-crazy politicians, he will report on same for free.

Baptists to Attend North Fork Association

Baptist Churches of the North Fork Baptist Association will meet at First Baptist Church in Wheeler for their annual meeting Thursday, October 10.

The association includes all southern Baptist Churches in Wheeler County, Wellington, Quail, Samnorwood, McLean and alandreed.

There will be two sessions, the afternoon session being from 3:30 to 6:00 and the evening session 7:00 to 9:00 p.m.

Principal speakers will include the Reverend Chester O'Brien, Jr., former pastor of First Baptist Church, Wellington, now director of missions for the Amarillo Baptist Association, and Emmett Johnson, administrator of High Plains Baptist Hospital, Amarillo. William M. Lewis is moderator of the association.

The Rev. David Campbell, pastor of the Wheeler Church, will deliver the annual sermon.

Rev. O'Brien, born at Ft. Worth, graduated from Big Spring High School in 1941, received a B.A. degree from Southwestern Baptist Seminary, Ft. Worth in 1951. He was called to his first pastorate in Big Spring in 1942.

He served as pastor of churches in Kentucky, Ft. Worth, Denton, Gruver, and Wellington, Texas, Tucumcari, N.M. and Paramount Baptist Church, Amarillo. Since 1967, he has been area missionary of the Amarillo Baptist Association.

He and his wife, Bonnie, have three children, David, born in 1949, Marianne, in 1952, and John in 1958.

Thomas Nursing Center News

Welcome to our new resident: Mrs. Ethel Hilbun Wing A Room 12.

We have two residents in the local hospital. They are Bailey Cauble and Mrs. Maggie Childress. Mrs. Maggie Cass has been released and is now home again.

T.P. Belew was in charge of the games and the other RSVP volunteer was Mrs. Mattie Childress. We had our largest crowd out on Tuesday to enjoy the afternoon playing forty-two and dominoes.

The activity room is trying something new and interesting. This is making plaster of paris molds and putting decals on them. We have also been making the egg carton cross as one of our projects this week.

Thursday the residents were taken to visit the county museum. This was interesting to them and a happy recollection. Another day will be planned for those that were unable to go on this trip.

Thursday evening's entertainment was Rev. Carl McKinney and family.

Rev. and Mrs. Ervin Emmert were present Saturday night to play and sing for the residents. This was their first time to entertain and the residents enjoyed them very much.

The Church of Christ was with us Sunday for the services.

Our out of town company: Mrs. Joe Duke and Mrs. Clyde Duke, Allison, visited Nola Beeks.

Mr. and Mrs. Ersey Cubine, McLean, visited Ella Cubine.

Mrs. Birdella Roberts, Shamrock, and Mrs. Weldon Weatherly, Wheeler, visited Iva Davidson.

Gwen Clement of Pampa visited Lynn Sparlin and Mrs. Beulah Thomas.

Mr. and Mrs. O.W. Pendleton, Wheeler, visited Ira Passons.

Gilbert Young of Memphis visited Alice Young.

Mr. and Mrs. Douglas Raburn, Houston, visited Miss Verdine Raburn.

Mr. and Mrs. Buddy Wynn, Amarillo, and Mr. and Mrs. John Farris, Hedley, visited William Snelson.

Mrs. George Greenhall, Memphis, visited Mrs. Marie Watkins.

Rev. and Mrs. J.S. Emmert, Paul's Valley, Okla., visited Mr. and Mrs. Leborn Goswick.

Mrs. Obretta Cagle, Amarillo, visited Mr. and Mrs. Fred Brown.

Mr. and Mrs. Jim Funderburg, Sweetwater, visited Martha Reeves.

Mr. and Mrs. Opal Evan, Hedley, visited Minnie Nessmith.

Mr. and Mrs. Clarence Nunnelley, Childress, visited C.B. Nunnelley.

Mrs. Carey Boykin, Childress, visited Mrs. Catherine Bennett.

Gladys Hedger, and Mrs. S.D. Winegart, Pampa, visited Fannie Moore.

Mrs. Earl Alexander of White Deer visited Grady Graham.

Mrs. Jennie Simpson spent the weekend in Shamrock with her daughter.

Mrs. Martha Reeves spent Saturday night in the home of Mr. and Mrs. Anson Pendergrass and Mrs. Bessie Lowrie attended a family reunion.

Welcome to our new resident: Mrs. Ruth Cochran wing C room 12.

We have three residents in the hospital, Rufus Carson, William Snelson, and Mrs. Gusta Harris.

Oliver Young and Mrs. Marie Gollighugh from the RSVP were with us Monday to help with games.

Tuesday afternoon the residents enjoyed the time playing forty-two and dominoes.

Rev. Roy Collins came to share Christian entertainment, on Wednesday afternoon.

Rev. and Mrs. Carl McKinney and Elvis Sain were present on Thursday night for entertainment.

Friday night was country and western entertainment with Mr. and Mrs. John Thomas

and LaVonda Lynn.

Sunday church services were conducted by the Nazarene Church.

The activity room has been having a great time making their wooden and plaster mold plaques.

The residents have been enjoying the ladies coming to do special reading for them. Mrs. Jewell Donnell and Mrs. Jack Nelson have been coming to read for those that are unable to participate in the activity room.

Our out of town company: Mr. and Mrs. Vernon Tramel, Ft. Worth, visited Mrs. Bessie Winters.

Mrs. Lloyd Davidson, Mrs. Bonnie Davidson, Melinda and Susan, and Mrs. Carl Levett, all of Wheeler, visited Miss Iva Davidson.
