Terry Townsend, Donald Ray Lewis, Johnny Wells and Joe Barker put on a show that made the Ranger fans go wild with delight and stole the show from Dublin. Ray Newnam, Kyge Edmonds and Charlie De Los Santos did fine blocking in the backfield.

The Bulldogs were at their best Friday night, with the Townzen to Lewis passing machine working to perfection. The Bulldog line gave good protection to Townsend, giving him time to spot his receivers.

Showing up well for the Bulldogs on defense were Barker, Richard Guest, Arthur Mendoza, Jerry Jones, Douglas Browning, Charlie De Los Santos, Wells, Jimmy Drennan, Johnny Camacho, Jesse Renteria, David Lockwood and L. H. Pounds.

Dublin scored early in the first quarter on a 10-yard pass from Jack Johnson to Jim Evans. Extra points try was no good. Dublin took a 14-point lead in the second quarter when Johnson returned a Ranger punt to the Bulldog 45, setting the stage for the score to

Pups Win 14-6 Over Eastland Jr. High

A scrappy Eastland Junior High football team gave the Ranger Junior High Pups a run for their money Thursday, with Ranger winning the game in the last half by a score of 14-6.

Eastland held the ball almost all of the first half. John Moylan of Eastland scored on a 17 yard run around left end in the second quarter. His try for extra points was no good.

Ranger's score came in the third and fourth quarters with Johnny McGee accounting for both TD's. The first score was an eight yard plunge over guard. Mackey Barbosa collected the extra points.

In the fourth quarter McGee took off around right end for 36 yards and the score. Barbosa's try for extra points was no good. Ranger made 136 yards rushing to 101 for Eastland. Eastland had six first downs and Ranger only tallied three. Ranger tossed six passes for a total of three yards gained on one completion. Eastland intercepted two of Ranger's passes. Eastland gained 39 yards on three completed passes, out of six tries.

Terry Sutton, David Dunson, Barbosa, McGee and Larry Blackwell played a good game for the Pups.

Christian Retaliation- "Render Good for Evil"

By Rev. Frank Brooks
Pastor Second Baptist Church
CHRISTIAN RETALIATION

It seems that every society in mankind's history has had a theory or "Law" of retaliation. In Moslem circles the people thought in terms of "an eye for an eye." Among other generations members of the family of the wronged one were obligated to render like punishment to the one who had done the first wrong. This principle of family vengeance has been carried on by succeeding generations even up to our own day and time. Contrary to what some might suppose even the Christian society has a "Law of Retaliation." When someone does wrong to us, we, as God's people, are under divine obligation to retaliate. But the Christian law is different from that of other religions. The Christian law of retaliation is this: render good for evil. Jesus taught it in the Sermon on the Mount (Matthew 5: 44): "Love your enemies, bless them that curse you, do good to them that hate you, and pray for them, which despitefully use you, and persecute you."

This same law was repeated by Paul in his letter to the Thessalonians. He wrote: "See that none render evil for evil unto any man; but ever follow that which is good, both among yourselves, and to all men." (1 Thess. 5:15) Peter also expressed the law: "Not rendering evil for evil, or railing for railing; but contrariwise blessing;" (1 Peter 3:9) Yes! Christians are to retaliate when wronged, but with good! That is the Christian Law of Retaliation.

Think what a difference such a practice would make in our society, yes, even in our own town here! The person who receives good for evil will realize that Jesus Christ does indeed make a difference. The person who returns good will in a fresher sense realize the same truth. God's Son will be glorified by saved and lost alike. The churches shall gain new dimensions of spiritual power and influence. Our whole society will be refreshingly blessed. Such is the wonderful ability of our Gospel and its Christian Law of Retaliation. Try it! You'll be glad you did.

SCHOOL NURSE SAYS

School Students in County Are Healthier Than Most

The health of the children in the Eastland County schools is "exceptional good," the County Nurse said this week.

Mrs. Tip Arther, who is the associate guardian of the health of almost 3,000 county school students, says that the average is far above normal.

And she attributes this fact to the exceptional cooperation between the students themselves, the various school administrations including the "very concerned" teachers, and the parents of the children.

As any book-keeping system does, which deals with long rolls of school students, Mrs. Arther's record are very unstable.

She had 2,665 students in her files recently, but this figure goes up and down, she says.

And the work that the nurse does, is the kind that contributes to that good health.

Take for instance, the children in the Rising Star and Gorman schools. They've all had two polio shots each and will get their third this school year, through the nurse's management.

All the schools in the county participate in the county program except the Cisco system which has its own school nurse program. T h e Cisco system qualifies for a nurse because it has the required number of teachers.

Mrs. Arther is in her fifth year as Eastland County's nurse. She first served during the 1950-51 school year, after which the program was dropped.

When H. R. Garrett was elected County School Superintendent in 1953, he re-instituted a nurse program and Mrs. Arther was called upon again to see after the health of the school students.

She gives eye examinations, dental checks and keeps records on each child's statistics—and this involves everything from weight to a shot record.

A graduate of St. Charles Hospital in Aurora, Ill., Mrs. Arther spent three years in the Army Nurses Corps before marrying and moving to Eastland County. She and her husband live on a farm near Morton Valley. He's County Commissioner, Precinct One.

Legion Post Meets Monday

Members of Carl Barnes Post No. 69 of The American Legion will meet in regular session Monday, Oct. 2 at 7:00 p.m. in the Legion Hall on Pine Street.

Members will note the change in time from 7:30 to 7:00 p.m. for the winter months.

It is likely that some rather important matters will come up and it is hoped that there will be a large attendance so that a representative vote on these questions may be had.

The School Nurse is always a welcome visitor to each of the schools and estimates that she gets to each one about "one and a half times a month."

She says that the children in this county get wonderful medical care. It's a big task and Mrs. Arther says that sometimes she feels that she can only hit the high spots.

In keeping records on every child she is in the position of being able to spot possible future troubles and immediately contacts the child's parents to discuss health needs. The parents, by being warned early, are able to see that the child gets the proper medical attention.

Back in the days before school nurse programs, little symptoms often went undetected, and usually resulted in serious health hazards to school children.

Mrs. Arther loves children and public health work. She's done a lot of hospital and private duty work, but working with youngsters in the schools is her heart's delight.

One of her pet projects is the state's crippled children program which offers help in the form of specialists for those who n e e d help, and the agency will care for a child up until they are 21 years old.

District P-TA Meet To Discuss Safety

District I of the Parent Teachers Assoc. will hold a safety assemblage in Eastland Oct. 9th at 10 a.m. through 2 p.m.

All members of t h e Ranger Parent-Teachers Association are invited to attend. There will be no registration fee.

The Safety Assemblage is for the purpose of informing and instructing all interested people in safety measures applicable to all areas of living including family, school, and business activities.

Emphasis will be placed upon family and home, transportation, and children's safety.

Registration will be open from 9:30 until 10:15 a.m. at the Eastland High School auditorium.

Call to order for the assembly will be at 10:15 a.m. by Mrs. Stanley Stated, District I President, from Ft. Worth.

The program will be the following:

The county has about a dozen children who are receiving help from the agency, Mrs. Arther says.

Supt. Garrett said that the state authorities \$3,100 a year for Mrs. Arther. She supposedly works nine months a year, but often gets called during t h e three summer months for special projects.

Her main problems, she says, are getting help for youngsters with unusual needs, and traveling to and from the various schools herself. It's a big county and she, of necessity, spends a lot of time on the road.

Healthy school children are an asset in anybody's book, and Mrs. Arther is a busy woman, helping keep Eastland County's that way.

Sheriff's First Deputy Raised; Others Postponed

Eastland County Commissioners hiked the pay of the first deputy in the sheriff's department and tabled requests from three other county office holders concerning other pay boosts during a special meeting Friday morning.

The commission unanimously increased the salary for the first deputy by \$50 a month. Deputy John Willingham has been drawing \$248 a month plus some expenses.

Appearing before the commissioners court to talk salary increases for county employees were J. C. Allison, tax assessor-collector; Roy Lane, district clerk; and Johnson Smith, county clerk.

The session Friday was interrupted when County Judge John

By American Red Cross Many Services Offered

The American Red Cross, one of the asking agencies of the Ranger United Fund, is an international organization that provides relief for all people in time of need.

An example of services rendered by the Red Cross is the continued aid being given to victims of Hurricane Carla on the Texas Coast. Red Cross was one of the first agencies on the scene, according to E. Roland Harriman, Red Cross representative to Eastland County. He reports that the organization fed more than 150,000 persons during and after the hurricane.

Another service offered by Red Cross is to servicemen and their families. They assist with communications, consultation a n d guidance in time of emergency, personal, family and health problems. Financial assistance is provided servicemen by loan or grant when it is necessary for military personnel to return to their home because of an emergency.

The Eastland County Chapter of Red Cross has serviced 74 cases in the county during the past few months, some of which were in Ranger and vicinity.

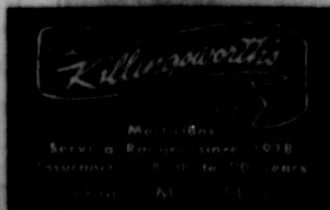

Twenty-five firemen in the county have taken advantage of first aid courses offered by Red Cross. They were awarded stand-

ard and advanced first aid cards. A first aid course is planned for Ranger in the near future.

Eastland County Chapter sent Craig Meglison to Aquatic school this year and he taught free swimming classes in Eastland and Cisco during the summer. A total of 76 attended the swim classes. Mrs. H. C. Croom of Ranger, plans to submit the name of a Ranger student to attend the Aquatic school next year.

Films furnished by Red Cross to schools in Eastland County were viewed by 250 persons this year. Also home nursing courses were taught last school term by home-making teachers in Eastland, Gorman and Cisco, from books furnished by the Red Cross.

Ranger's United Fund Campaign will start in October with eight agencies participating in the local drive.

Sheriff-

(Continued from page one)
y, secretary to District Attorney
d Conner, and Mrs. Betty Wol-
d, secretary to Judge Hart, to
effective Oct. 1st.
Smith appeared at the Monday
sting and requested that his
a deputy, Mary Nicholas, be
ed from \$248 to \$300 a month.
based his request on the fact
t two deputies, Edgar Alton
l Ott Herring, are receiving this
out in the county tax office,
said.
Commissioner Carl Lamb was
ent Monday and the other com-
missioners decided to set the spec-
meeting for Friday.
Smith spoke first Friday by
ing "You have my request,"
Judge Hart then asked Allison
take the floor. He said that
l that he was interested in
across-the-board raise for all
plays.
He went on to ask that one of
employees, Mrs. Roberta Grin-
a, head deputy in the auto di-
on, be raised from \$216 a
nth to \$248.
ane spoke next and said:
"I don't think this meeting
rt have been held unless the
rt felt that the county was fi-
ncially able to take some kind
action on raises.
"I feel the court wants to do
at is fair and honest, and to
ar in mind the work of every
play — the work done for the
only as a whole."
f finances are such that an
oss - the - board raise can't be
de, Lane said, then I think
t the sheriff's deputy and pos-
le the one suggested by Mr.

Allison should be raised."
I'd rather see raises from the
janitor up, he added.
Judge Hart told the men that
there were no personalities involv-
ed and that the court was trying
to do what they can with what
they have.
"We're all working for the
same boss," he said.
"In short, does that mean 'no'?"
Smith asked.
Commissioner L. J. Collins ask-
ed for a five per cent for
everybody about two years ago.
Commissioner Tip Arther said,
"Right now we're going to act and
maybe everybody won't be pleas-
ed." He then made the resolution
concerning the Sheriff's deputy's
salary. He called the salary the
worst inequity in the county salar-
ies.
Lamb seconded the motion
passed, after the inclusion of the
two other motions made Monday,
to become effect Oct. 1.
Judge Hart asked for other mo-
tions and Arther said "I'd like to
wait and talk about an across-the-
board increase."
Lane asked, "By what yardstick
does the court measure the respon-
sibilities of the various officials
and their employees?"
"How do you justify the reclas-
sification of two secretaries to
first deputies for pay purposes?"
he asked.
B. M. Bennett answered, "To
keep harmony in the family of
employees. The same class of citi-
zens deserve the same type of sal-
aries."
"Take for example two main-
tainer operators," he said, "one
may actually be better than the
other, but I pay them both the
same."

Lane asked Bennett if the main-
tainer operators have the authority
to come to the court and cast a
vote in his (Bennett's) absence.
After Bennett said "No," Lane
said that a chief deputy has to
answer for the official of the of-
fice.
"A secretary cannot act as a
chief deputy," he continued. "We
are bonded by their acts," he said,
"and the statutes don't provide for
bonding secretaries."
Arther asked how many times,
in a county such as Eastland, is
a deputy called upon to act in the
absence of the official.
Lane said a number of times,
and Arther asked him to name
them.
Smith answered that the statu-
tes state that any court official
who has deputies, must live in the
town where the courthouse is, for
possible afterhour work.
At this point Judge Hart was
called to the telephone and later
excused himself from the meet-
ing.
Arther suggested that the group
continue to talk to "get ideas,"
but that any action be delayed
until the judge could be present.
Bennett said later that he be-
lieved a blanket raise for all em-
ployees could come later. "I think
all employees should be raised," he
said.
During the discussion, Smith
told Lamb that the court appar-
ently feels that the responsibil-
ities are greater in three other of-
fices than they are in the county
clerk's office.
Lamb told Smith that the sher-
iff's duty definitely needed rais-
ing.
Smith agreed but asked again,
if it was felt that his first deputy
has less responsibility than others
who were raised.

The meeting adjourned as the
officials began to drift from the
courtroom.

Eastside Baptist Entertains with Hayride Sat.

Eleven teenagers from the East-
side Baptist Church enjoyed a hay-
ride to Lake Leon last Saturday
night so much that they aroused
the Junior group in wanting such
an outing also. So with the leader-
ship of Mr. and Mrs. Bob Galley
and Mr. and Mrs. Bill Beck the
Juniors also had their turn on the
hay in Dalton Hatten's truck Fri-
day night. This was intermissioned
with a picnic at the park.
Also along the social line of the
activities of the church the Adult
Training Union sponsored a wein-
er roast on the church lawn Tues-
day night with more than 75 per-
sons present. This was followed
by a sing-along in the church
dining room.

six more points. Again the extra
point try was foiled by Ranger
hustlers.
Howell repeated in the second
quarter when he found a big wide
hole and went over from about the
nine with about eight minutes
gone.
Cisco got six more following an
hour-long spectacular half-time
performance. Gary Josey, 200-
pound fullback from Clifton scored
with a stand-up 15-yard dash.
The third extra point attempt fail-
ed.
Showing big for the Rangers
were Quarterback Dub Higgin-
botham, Fort Worth, who was re-
sponsible for most of the 33 EJC
pass attempts, and Humberto Ro-
mero, San Juan halfback, who
got in on just about every play
to drop a Wrangler.
The chilly night air moved onto
the Eastland County classic during
the fourth quarter and the goal
posts went undisturbed.
The thousands of spectators left
the stadium and many left East-
land to return to their homes near
and far after a really big day.
Things got under way early Sat-
urday morning with a twirling con-
test and kept moving 'til the last
whistle in the ballgame.
Trophy winners for bands in the
gigantic parade were Fort Worth
Polytechnical 'Marching 100',
AAAA; Ranger High School, 1st
in the combined class 2A-3A, with
Cisco High School, second; Bangs
took first in Class B and Gorman
came in second; Eastland High
Band took the Class A division.

Follow. Successive line plunges by
Dublin placed the ball on the Ran-
ger 25, and from there John Turn-
er went over right guard for the
score. Johnson went around left
end for the extra points, making
the score read 14-0.
With only 1:04 remaining in
the half, Ranger was pushed back
to their own 29 yard line after a
long punt by Dublin. Townzen
completed a 13-yard pass to Lewis
for a first down, but the next se-
ries of plays bogged down and Ran-
ger was forced to punt. De Los
Santos got off a short 20 yarder
and Townzen raced down field to
recover the ball for Ranger. On the
next play, Lewis caught a 26
yard pass from Townzen, down to
the Dublin 20. Barker gained 17
yards to the 3 and from there he
went over right tackle for the
score. Wells was caught behind the
line of scrimmage on the extra
points try. Score 14-6, Dublin.
Ranger's next score was made
by Johnny Wells, with only 30
seconds remaining in the half.
Wells scooped a Dublin pass out
of the hands of the intended re-
ceiver and raced 80 yards down
the east sideline for a TD. A
Townzen to Mendoza pass, tied
the game at 14-14, ending the
half.
A revolving diamond was the
highlight of the performance given
by the Ranger High School
Band at halftime. An excellent all-
precision drill show was presented
with block band drill and close
order drill being emphasized.
Early in the third quarter the
Bulldogs scored again. On their
own 35, Barker picked up nine,
a Townzen to Wells pass, account-
ed for eight yards, placing the ball
on Dublin's 48. Townzen faded
back again, and hit Lewis on the
Dublin 15 with a perfect pass.
Lewis, stepping high and fast,
made the remaining yardage for
the TD. Extra points try was no
good.
Dublin took the honors with six
minutes remaining in the game.
The Lions Ronald Hudson covered
four yards for the score. The win-
ning two-points were made on a
keeper by Dublin's Jack Johnson,
making the score 22-20.
The Bulldogs lost their chance
of scoring again when a Dublin
line-backer intercepted a Bulldog
pass. Dublin held onto the ball the
remainder of the game.

By Mrs. D. B. Raney

The Training Union of New Hope Baptist Church sponsored a Hamburger Supper and Lawn Party at the parsonage Friday night. The first order of entertainment was the feed with Gailard McGowan and Aaron Howton as the chefs, grilling the hamburgers. Coffee and iced punch and tea was served also.

The Lacasa 4H Club sponsored a Hobo Party at the Joe Jackson home Saturday night, about sixty people attending. From the appearance of the hobos, one would have thought that Lacasa people sent all of their good clothes off to relief of the flood victims.

Games of all kinds were played and the best hobos selected from the different aged groups. Refreshments consisted of barbecued beef with all the trimmings, beans, potato salad, doughnuts and cup cakes, coffee and cakes.

Visitors were Fred Cross, County Agriculture Agent, Miss Wilcox, new Home Demonstration Agent, Mr. and Mrs. Harvey Coffman, and Mr. and Mrs. C. W. Harrison and two children of Breckenridge; Miss Thelma Smith of Abilene, Mr. and Mrs. Charlie Echols of Oak Grove; Mr. and Mrs. J. H. Gorrell and Mr. J. T. Gorrell of Fort Worth.

Texas Federation of Women's Clubs to Meet in Austin

The State Board of Directors Meeting and Workshop of the Texas Federation of Women's Clubs will be held at the Headquarters Building in Austin on Tuesday and Wednesday, October 3-4. Mrs. Harry Griffiths, State President, will preside at the business session. Austin clubwomen who are members of the State Board will be hostesses for the meeting.

This meeting is not only for the appointed members of the Board, but is for all federated club presidents and any member who would like to come and hear firsthand the objectives of this second year of the administration, as well as the outstanding guest speakers. Mrs. Griffiths has just returned from Washington, where she attended the General Federation Board Meeting and will bring to the Texas women the reports of that meeting. She will also give a report on her trip to Finland in June.

The pre-convention meetings will begin on Monday evening for the District President, Board Presidents, Board of Trustees and Executive Committee. The Gen-

eral Assembly will be at 10:00 A. M. on Tuesday morning. At that time the women will be welcomed to Austin by the Mayor, and will hear a response by Mrs. Florence Johnson Scott of Rio Grande City, a past president of Texas Federation.

Three outstanding speakers will be heard during the two day meeting, and their varied subjects will be of interest to the clubwomen.

At the luncheon on Tuesday Lieutenant Colonel Vincent I. Hack, MSC, of Brooke Army Medical Center in San Antonio will speak on the "Psychological Effect of Color".

For the Diner Meeting on Tuesday evening, former Secretary of State, Honorable Tom Reavley of Austin will speak on "The Challenges for the Future".

The third speaker on the program for the Board Meeting will be Mr. Layman W. Cameron of San Antonio, who will speak at the luncheon on Wednesday at the Austin Country Club, and his topic is one of particular concern to the world at this time. Mr. Cameron will speak on "Cuba, Castro and Communism." Having lived in Cuba for three years, he knows personally many of the people who now hold high rank in the Cuban government.

The Board Meeting will end after the Luncheon on Wednesday.

In June Mrs. Griffiths, state president, went to Finland to represent Texas Federation at the American Days Festival, when Texas was the honored state. Accompanying her on this trip was Mrs. Jack R. Allen, president of the Top of Texas District, and they spent eight delightful days as the guests of the Finnish people.

A Flaw in the Title—

... has been costly to many honest and sincere buyers of real estate. Unlike the precious stone the title with a flaw, in most cases, can be cured by means of the abstract and the attorney's opinion. A flaw not only impairs the value of the investment but sooner or later is almost certain to cause loss of time and money. In buying any kind of real estate, improved or unimproved, let us suggest that you get an abstract first and be sure of the title behind your investment.

I Give You Texas

Pat Neff was, perhaps, the last of the Texas orators in the grand tradition.

He was tall and handsome, with features like those of a Roman senator—a toga would have been perfectly appropriate for him.

He had an impressive manner, a deliberate form of utterance, his sentences were long, his diction elevated.

The first time I heard him speak he was governor and the occasion was the laying of the cornerstone of Texas Tech. His rhetoric was worthy of Cicero.

The next time, he spoke in the open air at the summer commencement at T.C.U., sometime after his second term as governor.

Still another speech I recall was at the State Democratic convention in Austin in the 1940's.

He was then close to 70. His form was as straight, his voice as clear and his command of language as great as ever.

He spoke for half an hour, making what was easily the best address of the convention.

Afterward, reporters asked for a copy of his speech. He replied that there was none and pointed to a small card on which there were a few notes.

Death some time ago claimed a long-time friend of mine—Clyde Garrett, who served as Eastland city manager, as county judge and as Congressman.

When he was making his first race for Congress, he called at my office in Fort Worth where I was publicity director of the original Casa Manana.

Vice President Garner was to attend the show that night and Judge Garrett hoped that I could arrange for him to meet the vice president but Garrett's opponent was then a Congressman and the official in charge of the tour bawled me out for making such a suggestion.

(It so happened too that the incumbent had named a relative of his as a postmaster.)

His violent reaction so antagonized me—plus the desire to try to help my friend—that I arranged

Women, make room! Men and children like trading stamps too.

According to the Trading Stamp Institute of America, this year has been an even greater growth in interest in trading stamp merchandise on the part of men and children the country over.

Recognizing this trend, an international trading stamp company has introduced in its new catalog special sections of appeal to men and children, and in addition, has expanded its lines of gift items in these categories by a substantial percent.

Gold Bond Stamp Company has announced that it is releasing its new gift book in parts of Texas beginning Sept. 18. The catalog will be available at all Safeway Stores here, said Gordon Pearson, Dallas Division Manager of the trading stamp firm.

The new Gold Bond book is the first trading stamp catalog to have a special insert section of toys and sections of special appeal to men and to the women who shop for them.

Home furnishing items in the book have been increased by 40 per cent. This increase was due to the fact that more than one and a fourth million new homes are being built each year and 24 per cent of the country's population moves each year.

ed for a photo of Judge Garrett being pushed in one of the picturesque little sight-seeing carts by another county judge; also the suggestion was made that, when the vice president entered the gate, Judge Garrett be in the crowd and join in the applause.

Then next day the papers carried the picture and said that Judge Garrett was on hand to "join in welcoming" Garner.

Clyde Garrett was in Eastland County when oil was discovered and he made a fortune which was swept away when the boom collapsed. But he did not let the experience banish his smile or vanquish his spirit but went on to a career of distinguished public service. He was capable and conscientious—a genial gentleman.

Catalog merchandisers have increased sporting and outdoor living items by 30 per cent.

"Supplying sports enthusiasts with equipment has become one of the country's biggest industries, more than two and a half billion dollars a year," Pearson said.

"And of course shorter hours, plus a shorter work week, gives the average person more free time than a generation ago — about 1,500 hours more in fact."

For the first time Gold Bond is offering Pan American airline tours to Europe and South America.
