Limited Absentee Voting Led By Mitchell County Hospital District

Absentee voting for the April 4 local election has been light to date. Absentee voting began March 16 and will continue through March 31.

Mitchell County Hospital District reports 11 absentee votes cast as of Tuesday morning.

Colorado City has the second largest number of persons voting absentee with a total of eight votes cast.

The City of Loraine and Loraine Independent School District both report no absentee votes have been cast.

Westbrook Independent School District absentee voters have cast one vote as of Tuesday morning and Colorado Independent School District has received a total of five absentee votes.

Absentee voting takes place in individual en-

tity tax offices during regular business hours.

In the Colorado City Council race, there are seven candidates for the four positions available. They include incumbents Mayor Elmer Martin and Macca Findley. Other candidates are Ray Mason, Donald Webb, Dr. Don Bennett, Albert Gerald Anderson and J. O. Dockrey.

In the Loraine City Council election, three incumbents announced for reelection and three other candidates have asked for ballot positions. Four seats are available on the council. Announcing for council seats are incumbents Mayor Vance Dickenson, the only candidate for that position, Evert Henderson and Mike Stutts. Other persons seeking election to the council are Jack Brew-

er, Calvin Forbus and Tommy Green.

Colorado Independent School District election ballot will hold the names of three candidates for three positions.

Incumbents Mac Morris and Dickie White have announced for reelection. Rev. Monte Jones' name will appear on the ballot for the third position.

Loraine Independent School District election ballot will list only the names of three incumbent board members as candidates for the three positions available, Royce Beights, Ronald Bruce and Dean Oliver.

Westbrook Independent School District Board of Trustees has three members holding expiring terms of office.

Seven candidates have asked for ballot

positions, Elidoro Reyes, Kenneth Beasley,

Added Coverage Slows Vandalisms

Colorado City Police Chief Jimmy Roundtree reported Tuesday that vandalism in the city have slowed down over the past few days. He attributed the slowdown to increased coverage by officers working overtime.

Sunday an attempted burglary was reported at Kiker-Seale Funeral Home.

Police received a call from the funeral home at 8:47 a.m. Sunday indicating sometime between 10 p.m. Saturday and 8:30 a.m. Sunday, burglars had apparently broken into the building.

Officer Johnny Slugh investigated the incident and reported no apparent damage was done to the door lock, however, the door was torn off of its hinges, apparently by high winds.

Funeral home personnel had inspected the door before leaving the building Saturday and reported it had been locked at 10 p.m.

An abandoned 1980 Chevrolet pickup was investigated by officers at 11:30 a.m. Sunday after it was reported parked in the same location for three or four days in the 500 block of East Front St.

The front vent window was broken out on the

Success Appears Evident As Centennial Projects Expand

Fun, entertainment and exciting events are being planned by the Mitchell County Centennial Committee in commemoration of the establishment of Colorado City and Mitchell County in 1881.

Promenades by ladies in long, late 19th Century dress and gents in long flowing beards with arm garters, caravans of ladies and children in bare feet and bonnets will soon fill the city streets.

The concept of the centennial celebration is the brainchild of Rogers Company and will culminate with a pageant depicting the history of Mitchell County.

As plans grow and progress, an executive committee, consisting of division heads, meets once a week to discuss progress made during that week. Bobby Lemons, general chairman of the centennial committee, said.

Plans have been tentatively set for a special meeting on April 30 at 7:30 p.m., in the Civic Center when a special style show is planned by the Participation Division.

Local ladies will model authentic 19th Century dresses of the style worn in 1881. Also worn during the show will be handmade dresses typical of that era.

Lemons noted that persons attending the style show will be given packets with certificates for permits to be purchased by beardless males and women without proper 19th Century attire.

The packets will con-

tain a charter for a chapter of "Brothers of the Brush" or "Centennial Bells."

In order to form a chapter, at least 10 persons are needed, Lemons said.

A very special event is planned to get underway May 18 by the Tickets Division.

A "First Lady" contest is being formulated. The winner of this contest will receive a grand prize, such as a trip or jewelry.

The first five or six runners-up in the contest will also receive prizes, such as large appliances or something of equal value, Lemons said.

Nominations for "First

Lady" are scheduled to open May 18 and nominations will close June 18. A reception for candidates is scheduled at that time.

Several things will determine who is selected "First Lady." Any female over the age of 17 is eligible to be nominated.

Each nominee will be issued coupons which may be redeemed for tickets to the pageant.

Coupons will be distributed rather than actual tickets because all seating for the pageant is reserved.

Booklets of coupons will sell for \$27.50 and \$25 of that sum must be returned to the centennial committee. If a club

or organization sponsors a nominee, the other \$2.50 can be retained by the club, Lemons said.

Centennial Headquarters will be opened on a part-time basis before April 30.

District To Elect Officers

Mitchell County Tax Appraisal District will hold a special called session today (Thursday) at 7:30 p.m. in the Administration Curriculum Building for the purpose of electing officers for the coming year.

Positions to be filled include chairperson, currently held by Curtis Latimer; vice-president, currently held by Willie Landau, and secretary, currently held by Fleta Lewis. Officers are elected for one year terms.

A board of review of mineral tax rolls will also be discussed during the meeting. The review is scheduled for June 19 at 10 a.m. in the middle school cafeteria or library.

Board members will then consider the rate of compensation for members of the board of review.

Reports from board members who appeared before the County Commissioners Court in regard to location of tax district offices are also scheduled during the meeting.

A committee to study possible locations for the tax district offices, as well as furnishings for the offices, will be considered by board members.

Hospital To Seek Computerization

Root Memorial Hospital may soon have a new computerized billing and accounting system as a result of the regular monthly meeting of the Mitchell County Hospital District Board of Directors Tuesday.

Comptroller Richard Murphy presented a cost analysis report on the possibility of the hospital accounting being done by in-house computer.

He explained costs would be recovered in the areas of central supply, by closer control of issued items and in central service, through closer control of services charged. He also pointed out cost would be saved by eliminating multi-person clerical duties.

Hospital Administrator, Ray Dillard, explained that in the near future, it will probably be necessary for the hospital to use a computer due to regulations regarding record keeping and reports required by the government.

Total cost of the equipment is estimated between \$64,157 and \$100,258 in the first year, then \$1,509 to \$2,048 monthly for five years.

Board members voted to seek bids on the equipment and maintenance.

They will decide at that point if they wish to purchase the system.

Murphy polled three companies for estimates and Burroughs estimated \$64,157; National Cash Register estimated \$91,094 and IBM estimated \$100,258.

"It's not how much they cost, but who can service them," Board Member Bobby Lemons commented. He also suggested a back up system be located.

In other business, board members heard a report from Dillard that the Ladies' Auxiliary has donated an \$18,000 blood gas machine to the facility.

He also reported six delinquent accounts had

Bobby Calloway Selected To Fill Deputy Vacancy

Recently appointed Mitchell County Sheriff Wendell Bryant announced the employment of a new deputy Monday.

Bobby Calloway, 25, formerly employed by Agri-Supply, began his duties as deputy Monday.

Calloway was hired to fill the vacancy left by the resignation of Chief Deputy Jim Reynaud.

Employed by the Colorado City Police Department for three and one-half years, Calloway holds a current basic certification in law enforcement.

He resigned from the department in August, 1980. Prior to becoming a police officer, Calloway served as Livestock Inspector for the federal government.

A native of Pecos, Calloway graduated from Pecos High School. He is currently attending classes at Western Texas College.

Calloway and his wife,

Candy, reside at 845 Locust with their three daughters, Kakai, Cindy and Christa.

They are members of

the First Christian Church.

As a hobby, Calloway is involved in local roping events.

COLORADO CITY Area Chamber of Commerce Ambassadors hosted a ribbon cutting for Ledbetter Office Buildings, located on First Street, between Walnut and Elm Streets. Ledbetter recently renovated the building and converted the space into offices for lease. Participating in the ceremonies were Ambassadors (left to right, front row) J. O. Dockrey, Pam Beasley, Carolyn Smith, Vicki Weaver, Co-owners Mrs. Loyd Ledbetter, Loyd Ledbetter and Dennis Ledbetter, Ambassadors Shirley Delaney and Bob Ratliff, (back row) Ambassadors Carl Beery Moore and Ray Anne Carlock, Chamber Manager Jack Hollis, Ambassadors Porter Richardson and Glenn Roenfeldt.

the 1881 era will be offered for sale in the headquarters' building located at 299 Elm.

Such items as arm-bands, hats, ties, dresses and garters will be sold through the store.

The Show Division is preparing for the pageant July 20-25.

A cast of about 25 persons is anticipated and in order to select the cast, a huge casting party is being planned. Local clubs and organizations are to be invited and a huge auction will be held in which each club is anticipated to attempt to out bid the other clubs on the number of persons from their club who will participate in the pageant.

Bob Reilly will also need two or three narrators besides himself to perform during the pageant.

Costumes for the af-

fair will be furnished by Rogers Company and Tandy Curlee has volunteered to construct the 200 foot stage required for the performances, Lemons said.

Publicity gimmicks planned include the burial of a time capsule and a rocking contest in which contestants will rock from Friday until Sunday in a rocking chair.

Plans are also being formulated for a Centennial Parade which is to include an authentic stagecoach rented from WBAP Radio Station.

In order to offset the expense of renting the coach, rides will be sold to children through the downtown area, Lemons said.

Two very special events are being scheduled during the celebration. Porter Richardson will show silent

movies in the playhouse with an admission price of one nickel and on May 28 a Centennial Train will stop in Colorado City.

If possible, Lemons said, a train robbery will be staged and townspeople, dressed in 19th Century attire, will gather to "watch the train come into town."

In Revenue Division, plans are underway to publish a booklet on the history of Mitchell County and families who settled in Mitchell County. This booklet will be sold to the public.

Commemorative coins will be struck for this special occasion. A total of 500 medium relief coins will be printed and of this number, 50 will be antiqued in gold and 50 in silver. No more than 100 sets of the two coins will be made and sold at a price of from

\$15 to \$20 each. Single bronze coins will be sold for \$3 or \$4 each, Lemons noted. He indicated these prices are just a guess and the actual selling price will be set after the cost of the project is determined.

Also planned is a project to raise revenues. The sale of permits for special events.

A logo has been created by Toni Everett for the centennial. Permission for merchants or the public to use the logo on advertisements will be granted for a fee in order to bring in still more revenues.

All concessions sold during the five days of the pageant will go to the revenue division, Lemons said.

"Kitten Arthur has done a great job in organizing the students and we hope to have students involved in

every aspect of the celebration," Lemons stated.

A special event is planned for May 1.

Jay Boy Adams will perform in concert at the football stadium. Plans are still in the making for this part of the celebration, Lemons noted.

"I am very proud of the progress we have made in the formation of this celebration. I'm thankful for the great number of persons who have become and are becoming involved in this event," Lemons said.

"At this point, we anticipate between 1,000 and 1,200 Brothers of the Brush and at least 1,500 Centennial Bells will participate," he noted.

"I use these estimates because I believe the women are going to work harder at this time

than the men are," he commented.

"This is a lot bigger job than I had anticipated and it's going to take a large number of people to make it a celebration this county will be proud of for generations to come," Lemons said.

Members of the executive committee are: Lemons; Treasurer Carolyn Smith; Secretary Carolyn Godsey; Student Action Coordinator Kitten Arthur, assisted by high school student Marjori Maddox; Headquarters Chairpersons Carl and Marsha Moore; Decorations Chairpersons Mac and Joy Morris; Generating Capital Chairwoman Mrs. C. C. Thompson; Insurance Chairman Charles Root; Revenue Division Chairwoman Patricia McKinney; Participating Division Chairpersons Mildred

Free (women's division) and George Walker (men's division); Ticket Division Chairman J. C. Britton; Show Division Chairman Bob Reilly; Publicity Chairwoman Joy Culwell and Special Events and Special Days Chairpersons Leslie Perkins and Mac Perkin.

"Oh yes, everyone should be sure and watch for 'Bury The Razor,' Lemons commented.

The bride is the daughter of Mr. and Mrs. Jim D. Bowen of Colorado City and the groom is the son of Mr. and Mrs. Doyle Lowrance, also of Colorado City.

The small informal ceremony which took place at 9:30 a.m., was held in Calvary Baptist Church with Rev. Bob Grayson, pastor, officiating.

The bride, given in marriage by her father, was attired in an informal mint green dress featuring shoestring straps. Accenting the dress was a matching sleeveless jacket with ruffles.

In keeping with the tradition of something old, something new, the bride carried a white

Bible belonging to her deceased maternal grandmother for something old and she borrowed a blue silk handkerchief belonging to the grandmother of the groom. For something blue, she wore a blue garter given to her by The Occasion. She also carried a six-pence in her shoe for luck.

She wore a corsage of white carnations accented with baby's breath and long satin mint green streamers.

Cindy Bowen, sister of the bride, attended the bride as her maid of honor. She wore a three layered beige skirt accented with a matching vest.

In everything we sell...
Quality is one of the Safeway characteristics that keeps you coming back. That's why we trim extra fat off of our meat so you pay for what you eat, not what you throw away. And our bread! Squeeze it gently. It is so fresh you'd think we bake it ourselves. We do. For you. Produce — our buyers go where the crops are picked in their quest for the best. Try us, you'll come back for our quality in food and everything else we sell.

SUPER plantland
Living, breathing plants to add to the beauty of your home. Even build your own "jungle" if you like. Our selection is that impressive. Our plants are pampered with care in-store so they'll be at their best when you make your selections. Safeway's beautiful plant array is waiting for you along with many plant care and plant growing needs for all green-thumbs. You'll like our attractive variety and our attractive prices.

We care a little bit more!
We want to serve you the very best we can. The helpful clerk, the smiling cashier. They'll give you a sense that you, the customer, are the most important person in the store. So we have meat cutters, bakers and flower arrangers. Stockers, baggers and plant-ant checkers. All ready to help, all trying harder, all doing a little extra. For you. And proud of it.

"The Year Of History" Is Topic Of Meeting

The North Loraine Extension Homemakers met in the home of Mrs. Lora Taylor at 2:30 p.m. Wednesday, March 18, for a regular meeting. Mrs. Raymond Wheeler, club president, opened the meeting and Mrs.

C. A. Matejowsky led the group with the club creed.

Roll call was answered with "An easy way I have found to do a household chore."

Following the council report other business was discussed before the program.

The program entitled "The Year of History" proved to be one of the most interesting programs the club has had.

Each member brought a written report on part of their own personal history. They gave the place of birth, some family background before giving an incident or two "never to be forgotten" that had happened to them in the past. The group felt they could have spent a whole day with this program, but decided to go home at 5 p.m.

Mrs. Taylor served refreshments to the following: Mmes. Hubert Meadows, Clifton Henderson, Jack Linam, C. A. Matejowsky, J. M. Templeton, T. L. Holman and Raymond Wheeler.

Mrs. Matejowsky will bring the next program on "Famous Texas Women."

LIP Meeting Is Slated To Be Held In Loraine

The regular LIP meeting will be held at 8 p.m. tonight (Thursday) at the Loraine Lions Club. The club will be observing the third anniversary since its organization, on this evening.

Spokesperson for the club stated this was a very important meeting and it is hoped to have a good attendance. The drawing for the afghan will be held during the evening.

The building for the concession stands and restrooms at the baseball field in South Loraine has been moved to that site since the last club meeting. The building was purchased by the LIP for the sole purpose of helping our young people in their summer program and it is hoped that a large number of young people and their parents will be present at the meeting. There is work to be done in refinishing the interior of the building and also a lot of cleaning to do on the grounds. Baseball season is not far off and this needs to be done soon.

Any young lady who would like to be a candidate for the Cotton Festival Queen may add her name to the list at the meeting. There will be three groups ages 3-6

Berta Norton

Mrs. Berta A. Norton, a native of Loraine, has recently joined Natoms North America, Inc., in Midland as a Technical Assistant for the West Texas Division.

Mrs. Norton's previous experience includes nine years with Electric Log Service, Inc., (now Petroleum Information), two years with Sun and most recently, ten years with Exxon.

Butler And Hays Co-Host Meeting

Mrs. Clara Butler and Mrs. Teance Hays were co-hostesses for the March meeting of the Ruth Class of First Baptist Church in Loraine.

The party was held at 2:30 p.m. Thursday March 12, in the Butler home.

Mrs. Butler, president, presided over the meeting which opened with group singing the class song, "I Love Thee," followed with a prayer.

Everyone signed cards to send to a class member and two friends in the hospital.

Mrs. Hal Bennett brought a very interesting devotional on the subject "Planting and Reaping" and read Psalms 126:5-6. She emphasized the truth that what we sow, that will we reap. If we sow a package of seed, we will reap an abundant crop if the plants are nourished and cared for. This can be applied to friendship, love, health habits, good or bad. If we are a good neighbor, then we have good neighbors, etc.

Mrs. Homer Mearse read minutes and Mrs. Charlie Harris gave the treasurer's report.

Mrs. Leach directed a Bible spelling contest and the two hostesses served refreshments to Mmes. Leach, Vada Preston, Pauline Smiley, Mearse, Baird, Harris, Frances Porter, A. G. Furlow and Bennett.

PUBLIC NOTICE OF TAX EXEMPTIONS AVAILABLE TO HOMEOWNERS

The Loraine, Colorado and Westbrook Independent School Districts tax offices are currently accepting applications for residence homestead exemptions. The deadline for filing is April 1, 1981. Applications should be filed as early as possible to avoid inconvenience to the homeowners.

Two types of homestead exemptions from school taxes are available to taxpayers who owned their residence homesteads in this school district on January 1 of this year. First, the general homestead exemption is available to all homeowners and exempts \$5,000 from the market value of the homestead.

Second, any person who is 65 years of age or older or who is disabled can be exempted an additional \$10,000 from the market value of the homestead. Proof of age or disability may be necessary.

"Disabled," in this case, refers to the definition found in the Federal Old-Age, Survivors, and Disability Insurance Act under the Social Security Administration. Disability is defined as inability to engage in any substantial gainful employment which exists in the national economy, or, in the case of someone who is 55 and blind, inability by reason of such blindness to engage in the employment in which he was previously engaged. *The person claiming disability does not necessarily have to be drawing benefits from Social Security.*

Homeowners age 65 or older who apply for their exemption will be granted a tax freeze. If application is not made, the tax freeze will be lost for this year.

Application forms were mailed earlier to all homeowners who qualified for a homestead exemption in 1980. If you did not receive an application, or if you have questions about qualifying for exemptions of filing application forms, contact your school tax office or appraisal office, 728-3311.

Application forms may also be picked up at any school tax office or at Mitchell County Tax Assessor or Collector Office.
