In the city election held Tuesday April 6 in the Wheeler county courthouse three men were elected to the posts of city councilmen. They were N. D. Ware Jr. with 44 votes; Harold Nash with 35 votes and Jack Helton with 33 votes.

Others receiving votes were C. O. Martin 23; Richard Hefley 7; Jake Holcomb 3; Virgil Jamison Jr. 2; Jack Hefley 2; James Verden 1. The newly elected councilmen will take office on May 6 at the first meeting in May.

PARKVIEW HOSPITAL NEARS COMPLETION, STAFF GIVEN

Contractors are to have completed their part of Parkview hospital by the end of the week with no official date set for the opening of the new hospital.

Mrs. Cecil Snelgroves has been appointed administrator and superintendent of nurses. Mrs. Snelgroves reports that the date of opening will be more definite next week. She is in the process of completing the staff and will have it completed by next week.

The equipment has not all arrived; however most of it is in storage and it is believed that the remaining items will be delivered before opening date.

Mrs. Snelgroves listed those persons on the staff which have been hired. Mrs. Gene Pike will serve as receptionist and bookkeeper.

Nurses on staff will be Mrs. Florence White, registered nurse; Cathy Williams, licensed vocational nurse; Jean Robinson, practical nurse; Lorna Mayfield, practical nurse; Bonnie Lamb, practical nurse; and Mrs. Glenn Markham, practical nurse. Glenn Markham has been employed as custodian. The kitchen help is incomplete at the present time.

IN ACTION: The track meet at Lefors saw Wheeler come up with sixth place in the meet. In the first picture Bobby Robinson hands-off to Jamie Moore in the two mile relay for a second place. Little Bobby Vanpool is fairly flying as he leaves the rest of the group behind to take first place in the 100 yd. dash. In perfect form as usual, we see Dunk Porter go over the last hurdle in the 180 yd. low hurdle; he won first in his heat in the preliminaries and later placed sixth in the meet. In the picture (bottom left) Dunk Porter hands-off to Bill Overcast in the mile relay; a sixth place was won in this event. Placing seventh with a mighty heave of the discus, Jimmy Adams is shown here with the discus in the far distant right hand corner. The first jump of the preliminaries gave Thomas Smith the first place broadjump honors of the meet; The jump of 19'9 1/2" was not matched in the preliminaries or the finals. SIXTH PLACE AT One Act Play To LEFORS RELAYS Be Presented

The Wheeler Mustangs journeyed to Lefors Friday and Saturday to compete in the Lefors Relays. The Mustangs made a fine showing despite the absence of Villard Hunter who has been sidelined with a hip injury. We hope to see Villard in action in the very near future.

Friday saw Tom Smith win the broadjump with a leap of 19'9 1/2"; Gary Hardcastle win 3rd in the pole vault with a 10' leap; also Bobby Vanpool qualified for the semifinals in the 100 yard dash as did Dunk Porter in the 180 yard low hurdles. Qualifying for Saturday's finals were the two miles relay team made up of Tom Smith, Mike Goad, Bob Robinson and Jamie Moore, each running an 880 and the mile relay team made up of Dunk Porter, Billy Overcast, Tom Smith and Bobby Vanpool.

Saturday afternoon opened with the 440 relay in which Wheeler placed fourth with a time of 45.5 sec. In the 180 yard low hurdles Dunk Porter ran sixth with a time of 22.3. Bobby Vanpool won the 100 yard dash with a 10.3 clocking. The two mile relay team captured second place with a time of

HYLAND'S PHARMACY OBSERVES FOURTH ANNIVERSARY WITH SALE

Hylands Pharmacy is observing its fourth anniversary this weekend with a gigantic sale on a big portion of their merchandise.

Hyland Weaver purchased the Wheeler Drug from Frank Wofford and opened for business in what is now Wheeler Boot Shop. He opened a complete pharmacy in Wheeler for the first time in several years and remained in that location until September 1963 when he opened in the present location.

With the new store, Hyland expanded his line of merchandise and enlarged the pharmacy. This business in its short life in Wheeler has definitely grown and Wheeler and its citizens is proud of this business.

In referring to his fourth anniversary, Mr. Weaver stated that he would like to thank everyone for the business he has had in the past.

He stated that he is continuing to increase the stock of the drug line and will do everything he can to keep his prices low and competitive.

Hyland stated that monthly charge accounts are welcome and reminds everyone that he will fill prescriptions and deliver them anytime of the day or night if needed. Congratulations to Hylands Pharmacy on your anniversary and may you continue to grow and prosper in the future as you have the past four years.

A real "friend of the family"...

AN ELECTRIC CLOTHES DRYER!

Mother's washable dresses, dad's shirts, brother's sport shirts, sis's dresses all find new life when dried electrically. Colors stay bright and materials last longer, too. And, Reddy does the job so quickly that fewer clothes are needed and this means money saved—so important when the children are in the growing stage (they do grow out of things so fast). And remember, you dry electrically for only 5¢ a load—and that's total energy cost.

"walks" right over bumps and trouble

Independent front suspension takes the "truck" out of truck ride. It smooths rough roads, protects truck, driver and cargo from excessive jolting. And on Chevrolet pickups it's a proved system with millions of miles of user experience behind it. Try it out on one of Chevrolet's great Fleetside or Stepside pickups. It's one of the big reasons that Chevrolet is first choice with pickup users from coast to coast.

Wheeler County Teachers Meet

The Wheeler County teachers met at Kelton last Monday night to enjoy a wonderful supper and program.

The Kelton P.T.A. prepared a wonderful meal and the entire arrangements were enjoyed by all.

The main topic of the meeting was centered around "Salary Legislation." Mr. Cordell of Wheeler gave a very informative talk concerning the two bills now before both houses of legislation. Mr. Cordell did a good job of presenting the view of both bills. He impressed the group that the local districts cannot afford to have the expense rate revised from state to local level. Our community can't afford the added burden that the Governor's bill would place upon our citizens.

In conclusion, Mr. Cordell stated that we must do our best to inform our public as to the contents of each bill now before legislation and encourage them to write as a family or personal friend to a Congressman and express their convictions to them concerning the bills.

Mr. Haney, the Outgoing President from Allison, presented the gavel to Mrs. Mary Bledsoe of Shamrock as incoming President. Mr. Haney was then presented the Past President's pin by Vice President, Thomas Helton.

The Nominating Committee reported their nominations for the coming year with Mrs. Boyd Williams as Chairman. For President, Mrs. Mary Bledsoe, Shamrock; Vice President, Thomas Helton; Secretary, Helen Laycock; Treasurer, Albert Walker, Briscoe.

Entertainment was furnished by a musical group with Mrs. Jaunita Haynes of Miami in charge. Their group contained members from Pampa, Miami and Canadian. They were enjoyed very much.

Gem & Mineral Club Meeting

The Canadian River and Gem and Mineral club held their regular monthly meeting Tuesday evening April 6. It was held in the Citizens Bank and Trust in Pampa.

A short business meeting was followed by a talk on rock shows Mr. O.A. Greene, Borger, was the speaker and he spoke on the recent rock shows he attended in McAllen and Plainview. He showed colored slides of many of the exhibits and slides of the magnificent crown jewels of England.

Interested rockhounds were invited to attend the meeting which was concluded with a short social hour.

Announcement

Mr. and Mrs. Harper Muse are the proud parents of a 8 lb 7 oz boy, William Todd, born March 30 in Highland General hospital. Grandparent are the Frank Caswells and Mrs. Mae Muse. Ella Caswell is the great grandmother.

Systemic Insecticides for Early-Season Cotton Insect Control

Cotton planting time is just around the corner and producers are faced with the decision of whether to employ the use of systemic insecticides to control early season insects and spider mites. There are certain advantages in the use of systemic insecticides, particularly in a rears where early season pests are perennial problems and there are also some limitations. Outlined below are some general considerations concerning the use and effectiveness of systemic insecticides.

Materials and Formulations

Di-Syston and Phorate (Thimet) are available through insecticide dealers as 10% granular materials to be placed in the seed furrow at planting time. These granular materials are recommended at the rate of 5-10 pounds of the 10% formulation per acre, giving a rate of from .5 to 1.0 pound of actual insecticide per acre. In addition, Phorate can be used as a seed treatment in an acid-diluted seed. Pre-treated planting seed can be purchased or the grower can have his own seed custom-treated in Waco, Farmersville, Robstown and Colorado City. Cost of the systemic materials will range from \$1.25 to \$2.50 per acre depending upon the material formulation used and planting rate.

Pest Control

In general, Phorate and Di-Syston will give effective control of thrips, aphids, leaf miners and spider mites for 4-6 weeks following planting. In some instances, under optimum, even longer control has been experienced. The grower, however, should not anticipate more than the normal 4-6 weeks control from planting time.

The systemic activity is not sufficient to control overwintered boll weevils and fleahoppers. If damaging levels of these pests are present when the plants begin to square (5-7 weeks after emergence) supplemental spray applications will be required to protect the early fruit.

Advantages and Limitations of Systemic Insecticides

Advantages: 1. Prevents excessive damage of young plants by sucking pests for 4-6 weeks following planting without additional trips over the field during the period. 2. Releases manpower and equipment for other jobs during the 4-6 week period. 3. Compares favorably in cost with conventional spray applications in areas where early season control is a necessity. 4. The effectiveness after emergence of the plant is not altered by rain or other weather conditions which normally prevent the use of ground machinery. 5. Beneficial insects are not harmed by the chemical. (Note: populations of beneficial insects may actually be lower where systemics have been used because of the reduced food supply, however.)

Limitations

1. Since it is impossible to predict at the time of planting whether early season pests are going to be an economic problem the cost incurred in the use of systemics may not be justified on the basis of early season insect infestations. 2. If replanting is necessary, the effectiveness of the initial treatment would be lost or reduced, thereby requiring a new application of granules or the use of treated seed. 3. Cool, wet weather following planting may result in injury to seedlings where systemics are used and a delay in emergence or reduction of stand may occur. Granular materials, especially when used with fuzzy planting seed are generally safer in this respect than the seed treatment applied to acid-diluted seed. When using systemic materials, delaying planting for 5-7 days after the normal planting time will help insure rapid germination and emergence. 4. Some plant injury has been experienced when systemic insecticides and preemergence herbicides were used in conjunction. Careful attention

District 4-H Eliminations

The Wheeler County 4-H Livestock Judging Team and a senior 4-H Money Management method demonstration walked off with top honors at the District 1 4-H Elimination Contest in Canyon on Saturday, April 3.

Members of the Livestock Judging Team that received blue ribbons and first place in the contest were Terry McCasland, Jimmie Jamison and Mike Goad of Wheeler and Mike Shannon of Shamrock. Terry was the high individual in the entire contest and Jimmie Jamison was sixth.

Helen Puryear of the Briscoe 4-H club received first place with her money management method demonstration.

The first place teams and individuals will have an opportunity to compete at 4-H Roundup on June 2 at Texas A & M College. The district 4-H elimination includes the Northern 22 Panhandle Counties.

Phyllis Pagan of Shamrock placed first, but will not be eligible for state competition since teams are the only ones eligible for state competition in 1965.

Receiving red ribbons from Wheeler County was John Meadows with a safety demonstration from Briscoe and a Share-The-Fun group from Wheeler composed of Fred Goad, Richard Sechrist, Beverly Clark and Mike Burgess.

HYLAND'S PHARMACY

Anniversary

Sale

TO THE PEOPLE OF THIS AREA:

This month is my fourth year in Wheeler and I want to take this opportunity to deeply thank everyone for the business you have given me in the past. I sincerely hope that I can continue to serve you as I have in the past.

I am constantly trying to carry everything in stock that you may need in the drug line. I assure you that I am trying to keep my prices as competitive as the pharmacies in the surrounding cities. If you are presently having a prescription filled at some other pharmacy and wish to have it refilled here, with your doctor's permission, I will charge you exactly what they are charging you even if it is at discount stores. Also I will not charge you for the telephone call for calling the out of town pharmacy or doctor.

I welcome monthly charge accounts and will deliver anything in the prescription line any time of day or night if needed.

Again, I want to thank everyone for the past business you have given me and I want to let the fine people in Wheeler, Mobeetie, Kelton, Allison and Ariscoe communities and the surrounding areas that I truly appreciate your business.

Sincerely,

Hyland C. Weaver
