## Root Resigns Hospital Post

Charles Root, administrator of Root Memorial Hospital District, resigned after 42 years of service during Monday evening's Board of Directors' meeting.

Root's resignation tentatively becomes effective in six months along with that of his wife, Maxie Lee, who administers the Root Valley Fair Lodge Nursing Home.

"Maxie Lee and I, having served a term of 42 years with the Hospital and Nursing Home facilities of this community, believe it is nearing the time for a change," Root said.

This resignation follows on the heels of the administrator's open heart surgery.

"I am 65 years old and the surgery has taken its toll. I am not enjoying my work as I once did, it has become a burden. Maxie Lee and I want to take some time to do the things we enjoy now," Root said.

Architecture, remodeling and interior decorating have been one of Root's main past-times.

During his administration, an additional wing was designed and added to the existing hospital structure, Root Valley Fair Lodge was built, administration offices and medical records sections were built in the basement of the hospital.

The entire hospital and Lodge have been remodeled and decorated.

"We appreciate the confidence, cooperation, assistance and loyalty of the medical staff, personnel staff and citizens of the community.

"The Governing Board's guidance and decisions have been very practical and productive. We consider every individual that has ever served on this governing board to be our personal friend," Root wrote in his letter of resignation.

"We will not discontinue our services until our replacements have received adequate orientation," he indicated.

Five months ago, Ray Dillard was hired as assistant administrator for the hospital. Dillard has declined to make any decision at this point on advancing to the administrator's position. He indicated some decision would be made in the near future.

The Board of Directors reluctantly accepted the tentative resignation.

The annual audit report for the hospital district was presented by accountant Joe Morren during the meeting.

The total current assets as of September 30, 1979 were \$870,863.77. Total overall assets were listed as \$2,762,982.27.

Total current liabilities are \$368,731.30 and total overall liabilities were listed as \$623,002.70.

The hospital district showed a net profit of \$63,894.10 for 1979.

In other business, Henry Bilberry was appointed by a vote of four to one to fill the unexpired term of Murrell Blassingame, who resigned from the board to run for Commissioner of Precinct One.

Two other names were considered for that appointment, Frances

Deregibus and Ray Anne Carlock, who attended Monday evening's meeting.

Terms of office expire this year for T.C. Moore, Bob Reilly and Bilberry.

Persons interested in being on the ballot for Hospital District Board of Directors may contact Secretary of the Board Bob Reilly or the hospital administration office anytime prior to 30 days before election. See ROOT Page 2

## Chamber Launches A New Membership Drive

A membership drive was officially launched Monday night during the monthly meeting of the Colorado City Area Chamber of Commerce board of directors.

Launching the membership drive was one of a number of items discussed during the more than two-hour meeting which was the first for new Chamber Manager Starr Greenblatt. Monday was her first day on the job after moving here over the weekend.

Each of the 15 directors of the Chamber board is being asked to sign up at least 10 new members during the next few months. Chamber President Brad Rose appointed Past President Mac McKinnon to head up the drive.

In other business, the board set Nov. 1 and 2 as the dates for the annual Railroad Arts & Crafts Round-up and Rose announced that the local chapter of the American Association of Retired Persons has volunteered to head up the annual Rodeo Parade during the AJRA rodeo in July. Prize money for parade winners will be announced at a later date.

Regarding the rodeo, Rose noted that work is to get underway this week to complete renovation of the rodeo arena under the direction of Hiram Mann. Any volunteers wishing to assist in the project should contact Mann.

Gary Hartkins, representing the Optimists Club, attended the meeting and requested use of the rodeo arena for the Optimists' annual Summer Fun Show March 8 for a motorcycle rodeo. That request was granted by the board.

The Chamber board also voted to have a booth at the Summer Fun Show to publicize the Chamber and the local community to those attending from out of town.

Also discussed was a proposal to make gift certificates available at the Chamber that could be purchased by anyone and would be redeemable at any local business that is a member of the Chamber. The See DRIVE Page 9

## Highway Sign Is Misleading

If you've been worried by the sign along Interstate 20 near Blassingame Exxon indicates a detour to Big Spring by way of Snyder, you don't have anything to worry about, not yet anyway.

The purpose of its being put there is the work which is being done on I-20 on the overpass which runs over the Texas & Pacific railroad tracks this side of Big Spring.

Mitchell County Maintenance Construction Supervisor Gaylord Price said that the Texas Highway Department feared that before that work was completed an 18 wheeler would come over it, jackknife and block the overpass for several hours before it could be cleared.

He added that if this

did happen it probably would be several hours before such a vehicle could be moved.

Thus the detour sign is merely a precautionary measure.

Coming out of Big Spring there are also detour signs pointing people to Farm Road 820 which runs into Texas 350 and on into Snyder put there for the same reason.

The highway department expects to be working on the overpass for about a year.

It's not the only work done on I-20 between here and Big Spring. Seven miles of road between Farm Road 1229 and Farm Road 670 are also being worked over and this is expected to take about 260 working days.

THIS HIGHWAY SIGN in front of Blassingame Exxon could send you out of your way.

## Phariss Announces Resignation Plans

Loraine Superintendent Glenn Sanders read a letter of resignation from High School Principal Joe Phariss to board members during Monday evening's meeting.

The letter, dated Dec. 18, indicated Phariss would complete this school year before resigning to pursue private endeavors.

"We are very appreciative of the excellent services Joe Phariss has given to the school in the past four years," Sanders said.

"The board offered Mike Hartman, principal of the elementary school, a contract as High School Principal on a 12 month basis with the understanding that the position of elementary principal would be eliminated and the two positions consolidated," Sanders said.

"Mr. Hartman is considering the proposition and has not given the board his decision yet," Sanders said.

Other decisions made during the executive session included the rehiring of Roddy Clack as head coach and Victor Munoz as assistant coach.

Kenneth Brown was reappointed to the position of band director during the session.

The Board made final plans for the upcoming school board election and also made a final decision on the type of heating and air conditioning system to be installed during their regular board meeting Monday night.

The school board election is set for April 5 at

the Lions Club Building. The polls will open at 7 a.m. and close at 7 p.m.

The election judge will be C.L. Lefevre and he will be assisted by two clerks, Opal Blair and Connie Rodriguez. The absentee clerk will be Loraine Tax Assessor-Collector Jane Andrews.

Thus far no one has filed for the election in which the school board positions of Hubert Meadows and James Clifton will be coming vacant.

The last day to file for a place on the ballot will be March 5. Absentee voting for the election will begin on March 17 and will run through April 1.

The school board had the choice Monday night of going with one of four different types of heating and air conditioning systems for the Loraine School when the soon to begin renovation takes place. They had the choice between rooftop multizone units, single zone units with mixing boxes in each See PLAN Page 9

## School Board Hears Elementary Faculty

The final six elementary school faculty members made a presentation of their programs and objectives for their students at a marathon five hour meeting of the Colorado School Board Tuesday night.

The presentations by Dorothy Fowler, Sherri Long, Deborah Blair, Ruben Parras, Clarice Fowler and Trina Taylor were the latest in a series of presentations in a program set up by the board several months ago. They completed the presentations by the faculties of Kelley and Hutchinson Elementary Schools.

Dorothy Fowler and Sherri Long, Plan A teachers working with students who have learning disabilities, were the first on the agenda.

Mrs. Fowler said that her main objective for her students, all of whom are at least a grade level behind, was to improve their skills in listening, reading, spelling and in other areas. She works with third through fifth graders.

Sherri Long works with some 40 students in grades three through five and she said that one of her main objectives was to help her students have some success, since in their regular classroom work they have always been well behind the other students.

She put it, "I'm trying to help the student to be able to succeed in the world we live in."

She added that about 10 of the 40 students need special help in math while about 30 of the 40 need special help in their reading skills.

She went on to say some of her students are very capable and have the mental ability to make it in a regular

classroom situation but, because of psychological problems, haven't been able to do well in that situation thus far.

She concluded that with most of her students, "If they learn anything, they're improving."

Deborah Blair, physical education teacher at Hutchinson Elementary, was the next faculty member on the agenda.

She has seven different sections of P.E. students, the largest of which has 68 and the smallest having 27.

She said that the main

objective in her program, was, "To develop a sound mind in a healthy body and teach the child to be the best person that he or she can be."

She also added that she tries to develop skills in the child that are worthy of his leisure time activities.

The final three faculty members on the agenda were Clarice Fowler, Title I reading teacher; Ruben Parras, Title I remedial math teacher and Trina Taylor, music teacher at Hutchinson Elementary. See TEACH Page 2

## Harrison Seeks Place On Ballot

Jimmy Harrison beat Monday's 6 p.m. deadline by a narrow margin to announce his candidacy for the position of Precinct Three Commissioner.

Harrison, 58, and his wife, Billie Margaret, reside at 1732 Locust. He is a farmer, rancher and businessman. They have two children and five grandchildren.

A native of Mitchell County, Harrison attended Texas A&M University. He served three years in the United States Air Force before returning to Mitchell County to begin to farm.

Harrison has served as director of the Mitchell County Soil and Water Conservation District for 11 years and has been chairman of the board for the past seven years.

He is director of the Big Country Resources Conservation and Development Project.

Harrison's list of services are many. He is Deacon in the First Baptist Church, a 32nd Degree Mason and Chair-

man of Precinct Three. He is a former scout master and has served as president of the little league and pony league.

He is a past director of the Chamber of Commerce, a 20 year member and past president of the Noon Lions Club and a charter member of the Colorado City Jaycees.

"I am interested in a fair and honest government for everyone. I feel there should be harmony and cooperation between county officials as well as between governing bodies," Harrison stated.

## Dockrey To Run For City Council

J.O. Dockrey, 51, was the first candidate to enter the race for City Councilman as he registered in City Hall Monday.

Dockrey and his wife, Betty, reside at 504 Chestnut. They have one daughter, Donna Lindsey.

A native of Colorado City, he graduated from Colorado High School and assumed a position with Dockrey Motor Company which he now owns and operates.

Dockrey has served two previous terms on the Council.

"I am well aware of the budget problems fa-

ced by the city. I was on the council and was one of the two persons who voted against the deficit budget which put the city in such a bad financial position," Dockrey stated.

"I am interested in the welfare of the entire community. I am concerned that the city should have a budget we can live with and within," Dockrey said.

"I care what happens to Colorado City and I want to help make it a better place to live."

"The city must not spend money unnecessarily. We have many important projects coming up this year, of which the airport is only a minor part. I feel the city must live up to its obligations in every aspect and its primary obligation is the welfare of each citizen," Dockrey said.

Dockrey is a member of the Lions Club, Chamber of Commerce and Ambassadors' Club. He has served as president of the chamber and is commander of the local Civil Air Patrol. He is a member of the First Baptist Church.

**ROOT, From Page 1**  
which is scheduled for April 5.

Persons must be a qualified voter and obtain at least 25 signatures of registered voters to qualify for a position on the ballot.

Root announced what he called an "economy spree." He indicated although the hospital district is in apparent good condition financially at the moment, the overall projections for the future are not good unless expenses are curtailed.

There were 19 percent fewer patients admitted for the past three month period than there were at the same time last year.

A survey of other hospitals indicated of the 83 Mitchell County residents hospitalized, only 42 of those persons were in the hospital here. The other 41 were scattered

in hospitals in Lubbock, Abilene, Sweetwater, Big Spring and Snyder.

Root stated this was possibly due to the fewer number of doctors practicing here.

He also indicated inflation and new Medicare Medi-Cal regulations are contributing factors in the need to curtail services in an effort to control expenses.

The first cut came in the form of the Inhalation Therapy Service. Root indicated the cost of the program was not justified. He noted he had hired a new therapist from Lubbock.

The computer was the next place Root suggested expenses might be cut. He indicated the cost of the computer is about twice what it had been anticipated to be and suggested the system should revert back to the way it had been

previously done. This would cut costs by about one third.

Another possible cut in expenses will result from the sale of the medical building. Root noted it had served its purpose and the district could now benefit from its sale. Board members agreed to put the building out for bids with the understanding that Dr. Pat Thomas is interested in purchasing the building.

**TEACH, From Page 1**  
chinson Elementary School.

Following the presentations, the board held an extended discussion concerning what they had learned from the presentations over the past several months and what they might do to help the teachers, to ease their work load and also what they might do to improve the curriculum.

One idea that came up a number of times during the discussion was the fact that the teachers have too many subjects which they must try to work into their allotted time.

This doesn't allow them enough time to work with the students on the basic subjects such as reading, writing, spelling and math. As a result many students fall behind in these areas.

There was a need felt to streamline the curriculum and cut out other subjects when necessary with the idea that the students would be able to pick them up later.

One suggestion along this line was the employment of a curriculum administrator whose sole job would be to work out the curriculum for the school, easing this burden off the principals and teachers.

Another idea that was brought up several times was whether it did any good or not to retain a student in a grade when his work wasn't satisfactory.

The general feeling was that it depends on the student, some it helps and some it doesn't, but that if a student is to be retained, it should be in the first grade.

The feeling of the board was also that the presentations thus far have been a real learning experience for them and that it greatly improved the lines of communication between themselves and the faculty members.

Superintendent Charlie Useton said of the presentations, "This has brought out the problems that the teachers are facing."

He added, "We must streamline our program as much as possible so that the teachers can teach. We must ease their burden as much as possible. Their number one priority is working with students."

Useton went on to say, "We must improve the lines of communication between teachers, boardmembers and the administration."

# Bearcats Slip By Wolves On Last Second Call

A controversial foul call at the final buzzer gave Ballinger two shots and the last one went into break a tie, prevent overtime action and virtually eliminated Colorado City's boys' varsity from any hopes of post season play-off action Tuesday in Wolf Gym.

The game was tied 64-64 when the Wolves missed a shot with seven seconds to go in the game. Ballinger brought the ball down-court and a desperation shot was well short as the buzzer sounded.

However, an official ruled that the Ballinger player was fouled as he shot. That gave him two shots to win the game for the Bearcats. The first shot was short but the second shot popped the net and left Ballinger undefeated and alone at the top of the heap in District 6-AA loop action in the second half. Coahoma won the first half.

With a victory, the Wolves would have been undefeated in second half play with only one major team—Coahoma—to play to win the second half of play.

However, the call by the official made the difference. A large crowd from both schools booed the officials throughout the hard fought contest.

The Wolves led the game throughout the first half with an eight point margin at the end of the first quarter, a seven point lead at half and at the end of three quarters, the locals were on top by one.

During that third quarter, Ballinger closed the gap and the lead started changing hands and it continued to do so, back and forth, throughout the final stanza.

It appeared that who ever had the final shot would win and that's the way it did end. Chuck Claxton, who had the job

of defending Ballinger's top player, Marty Akins, was top scorer with 23 points while Charles Jackson had 15 and Victor Jackson had 12 points. Russell Noel dropped in nine points.

The girls' varsity game ended up on a happier note for Colorado City fans as the Wolves won 66-50 after the Ballinger team had tied the game early in the fourth quarter. Anne Marcom was top scorer with 16 while Sherri Useton had 13.

The Colorado girls shot for a 49 percent mark from the field with

31 field goals in 63 attempts.

Marcom led the team in rebounds with 11 while Useton had nine.

The boys' junior varsity for Colorado City also got in the win column with a 39-27 victory. Top scorers were Randy Useton with 10 points and Jeff Hammond and Michael Scott with eight points each.

In the girls' junior varsity contest, the Wolves lost 33-15 with Melissa Wright, Tomika Randle and Diana Castillo leading the scoring with four points each.

The Colorado Wolves had a real laugh against Anson Saturday afternoon as they demolished the Tigers by the score of 68-26.

The game had been originally scheduled for Jan. 29 and had been postponed because of the weather conditions.

Charles and Victor Jackson led the way past Anson as they pushed through a total of 34 points with Charles getting 20 and Victor accounting for 14.

Chuck Claxton chipped in with 11, Steve Feathers had seven and Doug Johnson had four.

The Wolves hit 40 percent from the floor with 29 field goals in 72 attempts and also had 6 of 11 free throws for a 55 percent mark in that category.

Charles Jackson also led the Wolves in rebounds with 12, Claxton had 10, Russell Noel had seven and Victor Jackson had six.

Colorado led 14-5 after the first quarter, 29-13 at halftime and 47-21 at the end of the third quarter.

The win gave the Wolves a 3-0 mark in the second half of District 6-AA action.

xxx

The Colorado varsity girls' basketball squad picked up their sixth win of the season Saturday afternoon in Anson in a contest originally scheduled for Jan. 29.

Sherri Useton and Anne Marcom led the Wolves with 13 and 12 points in the game which Colorado won 48-32.

Karla Herm had nine points in the game and Sareesa Mitchell and Tracy Gassiot had five each. Darlene Mitchell and Angie Neff had two points each.

The Wolves took an 8-6 lead after the first quarter and also led at 22-11 at halftime.

The team shot for a 72 percent mark from the free throw line with 20 of 28 and an even 50 percent from the field with 14 of 28.

Useton led the squad in rebounds with 15. Marcom had eight, Sareesa Mitchell had five, Herm had four, Darlene Mitchell had three and Kim Feaster had one.

xxx

Loraine defeated Westbrook twice in junior high contests in Loraine Monday night.

The Loraine Junior High girls defeated Westbrook 34-24 and the boys slipped past Westbrook 59-31.

## Raid Nets Results For Loraine Police Chief

Four persons were arrested and numerous items of alcoholic beverages were confiscated Friday night as a result of a two month surveillance and investigation by Loraine Police Chief Bobby Sparks.

In a joint effort by area law enforcement agencies, Sparks and two Alcoholic Beverage Commission Agents, using search and arrest warrants, raided three separate residences.

Sheriff Bill McGuire and Deputy Mike Stutts, Highway Patrolman Tom Johnson, Frank Costabile, James Burson and Tracy Tipton, Reserve Po-

liceman Robert Bullock, Reserve Deputies Donnie Phillips, Ted Petty and James Stewart and the back up of the off duty Colorado City Policemen.

Four persons were apprehended and charged with sale of alcoholic beverages in a dry county and possession of alcoholic beverages in a dry county.

Joe Limones, 203 Pacific Street, was charged with possession of alcoholic beverages in a dry county.

Jose Limones, 203 Pacific, Brigido DeLaCruz, 311 Pacific Street and Bernardo Barrera,

Reeves Street, were charged with sale of alcoholic beverages in a dry county.

Barrera was also charged with possession of an alcoholic beverage in a dry county.

Bond was set and posted in each case at \$1,000.

Sparks also reported burglary of a residence which occurred on Jan. 25. Entry was gained into the home through an unlocked window while occupants slept.

A billfold containing \$280 in cash was stolen. The incident occurred about 11:30 p.m.

An arrest was made the following day.

# Gary Honored On 90th Birthday At Club Meeting

Mrs. C.P. Gary was honored by the Self Culture Club for her 90th birthday during the meeting in the home of Mrs. Earl Brown Feb. 1. She was honored with gifts and the singing of "Happy Birthday, Dear Gary."

The meeting opened with the pledge of allegiance and prayer was led by Mrs. Billy Culwell. The club voted to take cookies and punch to the members of the Root Valley Lodge on Valentine's Day as their valentine to each.

The program was given by Mrs. Jess Small on the principals underlying the constitution. She began by saying the United States is not just another nation to add to the list of nationalities but it stands for special ideas

and special principles which have never been definitely expressed in concrete form in the world before. She stated that the constitution aims at a special way of life—a way of life that up to the present has only been

found in completeness in the U.S. equality. She also stated the wonderful destiny of the U.S. is indicated to those who understand by an extraordinary system of spiritual symbols which is found running right through the natural life.

Nowhere else is there to such a complete system of symbolism devoted to one particular end and remember, symbolism is a language of hidden truth. Present for the meeting were Mmes. C.P. Gary, R.M. Reed, Jess

Small, Paul Beeman, Earl Brown, E.J. Stockton, Wilfred Fox, Billy Culwell, E.L. Tiller, W.L. Watson and John Brown.

# County Boxers Plaster Opponents

The Mitchell County Boys' Club Boxing Team took to the ring in their final tournament

of the season last weekend in Sweetwater and for the fourth time this season came home with the tourney team trophy.

The Mitchell County boxers had previously won the team trophies in two tournaments in Abilene and in the Colorado City tournament at the Wallace Center.

Three county boxers won all their matches in the meet and thus completed a perfect season having never lost a match. These fighters were Gabriel Gaona, who went 3-0 in Sweetwater and Bobby Arispe and Light Rivera who both went 2-0 last weekend.

Three other Mitchell County boxers went 2-0 in the Sweetwater Tournament. They were Ricky Arispe, Vince Gaona and Rudy Arispe. Oscar Martinez also went 1-0 in the tourney.

Several area boxers advanced past the first round in the meet including Jody Martinez, 1-1; Eddie Benitez, 2-1; Lee Pharris, 1-1; Sammy Rivera, 1-1 and Esiquio Gutierrez, 2-1.

Other area fighters also participated. They were Greg Rodriguez, Victor Luera, Elias Gutierrez, David Birmingham, Joe Flores, Ruben Arispe, Sonny Johnson and Jason Wells.

## Sports Action

Rose Lopez pushed through 32 points for the Westbrook Wildcat girls' basketball squad Saturday night and they roared to a 53-42 victory over Highland to remain undefeated in zone play in District 10-B with a 5-0 record.

The Westbrook varsity boys saw their zone mark fall to 3-2 Saturday as they dropped a 41-39 decision to Highland.

Terry Webb led the Wildcats with 16 points.

xxx  
The Loraine varsity girls' basketball squad rambled past Ira 60-37 Saturday in a game which had originally been scheduled for Jan. 29.

The Loraine varsity boys' basketball squad dropped a 74-63 decision to Ira Saturday. The loss dropped the Bulldogs' zone mark to 2-3.

Tommy Darnell had 23 points for the Bulldogs.

# Mitchell County Hospital District Balance Sheet

For Year Ending September 30, 1979

Board of Directors  
Mitchell County Hospital District  
Colorado City, Texas 79612

Gentlemen:

We have examined the Balance Sheet of the several funds of the Mitchell County Hospital District as of September 30, 1979, and the related income statement for the period then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly include such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Explanations and comments on accounting procedures are explained in the "Notes to Financial Statements."

In our opinion, the accompanying balance sheet and income statement present fairly the financial position of the Mitchell County Hospital District at September 30, 1979, and the results of its operations for the period then ended, in conformity with generally accepted accounting principles applied on the basis consistent with that of the preceding year.

Respectfully submitted,

Joe H. Morren

## We'll Be Happy To Explain Value and Economy For Your Tire Dollar

Every Michelin "X" tire is backed by a 40,000 mile warranty for tread wear on domestic cars. That's just about twice the mileage you'd expect from a conventional tire under the same driving conditions. Also, because of its radial design the Michelin "X" rolls with less road resistance than conventional tires, and that means you can save up to 10% on your present gas consumption (pretty good considering today's fuel crisis.) Plus, every Michelin "X" tire gives you all the distinctive radial tire advantages over conventional bias-ply tires: smoother ride, easier handling, better traction and firmer road holding. And, they add up to a lot of comfort and safety. Invest in better driving. Stop in and have a set of Michelin "X" radials installed today.

idea was tabled for further study.

A proposed flea market once a month on Elm between First and Second Streets also was tabled to further research and consideration.

The board considered a proposal to host a tractor pull but turned down the proposal. During the meeting it was announced that the annual Chamber Banquet in January was successful and letters of appreciation are to be sent from the Chamber to the organizations that helped in making preparations for the banquet and serving including the Business & Professional Women, the Garden Club and workers at the Civic Center.

Rose announced that new members of the Chamber signed up during the past month include George Walker and Dan Morgan of Farm Bureau Insurance; Nancy and Johnny Bauman, G.D. Foster and Gary Harkins of State Farm Insurance.

Rose also announced committee appointments for the coming

year and they include:

--Agriculture, Van Mills, director representative.

--New Business Industrial, Loyd Ledbetter, director representative and J.C. Britton, chairman.

--Merchants, Betty Williams, director representative.

--Fly-In, Carl Beery Moore, director representative.

room, single zone rooftop unit one per classroom and a system with a furnace coil and condensing unit per classroom.

Upon the recommendation of Huckabee & Donham Architects and Planners from Andrews, the board decided to go with the unit using a single rooftop unit per classroom.

This system has several advantages. 1. It offered individual room control. 2. If one unit had to be shut down due to mechanical problems, no other classrooms would be affected. 3. It created a minimum of structural problems. 4. Individual rooms could be completely shut off when not in use.

There were only two disadvantages to the system. 1. Due to the number of units and their locations, maintenance time would be increased and 2. It did not take advantage of the diversity in the building heating and cooling load.

Members decided to have a special meeting on Thursday at 4 p.m. to further discuss renovations with architects. At that time, they will also set a date to advertise for bids on the necessary work.

The renovation project is set to begin when school closes in May. The project is expected to take several months.

Sanders also reported that the \$525,000 worth of renovation bonds authorized in the Dec. 11 school bond election had been sold on Jan. 29 to Payne, Weber, Jackson & Curtis Inc. of Austin at a net interest rate of 6.67 percent.

In other matters, the board agreed to mail back a check for

\$2,370.79 from Lavaca Gathering Company.

The check would have covered 46 percent of the tax bill assessed to Lavaca by the Loraine School.

The board also agreed to increase the salaries of the Loraine bus drivers from \$125 per month to \$135 per month.

Finally, Superintendent

Glenn Sanders read a letter from Rev. Fred Witta asking the school's endorsement for a proposed housing project for the elderly in Loraine.

The board agreed to answer the letter saying they would support the project provided it didn't affect any industry in Loraine because of its location.

## Loraine Personals

Mr. and Mrs. Leland Hamilton and 1 daughter, Julie, and grandchildren, Missy and Valerie of Andrews visited with Mr. and Mrs. C.C. Hamilton of Loraine.

Mr. and Mrs. Woodrow Pratt and Mrs. Hubert Thomas visited in San Angelo Sunday with Mr. and Mrs. Bill Shields and Nancy Shields. They also visited with Mr. and Mrs. John Shields and baby, Nancy Arrand.

Mrs. Tence Hays returned home Tuesday after a month's visit in California. She left Loraine Dec. 27 and visited two daughters and families, Mrs. Erma Tiger and Chris in India and Mr. and Mrs. George O'Neill of Carbondale, ILL. The O'Neill's were there also visiting his parents, Mr. and Mrs. George O'Neill Sr. of LaJunta. They spent two days touring Disney Land. She then visited a sister, Mrs. Pebble Freeman and her family in Holtville and from there to El Centro where she visited a brother and wife, Mr. and Mrs. Don Eldred.

Mrs. Lola Finch spent last week in Hobbs, NM with her granddaughter and family, Mr. and Mrs. Gary Finley. She stayed with the children while Mrs. Finch was in Sweetwater with her mother, Mrs. Twaine Price, a patient in the Sweetwater Hospital suffering from pneumonia. Mrs. Price, of Los Angeles, CA was visiting in the Finch home when she became ill.

Mr. and Mrs. Tommy Mathis spent Saturday night and Sunday in Odessa visiting her sisters, Mr. and Mrs. B.M. Wilford and Pauline Burk. While they were there they met their uncle and aunts Mrs. Harvey Cen-

ter and Mr. and Mrs. R.C. Burk, from Portales, NM for a visit.

Mrs. George Lee left Sunday for Stroud, OK after receiving the message that her father, Mr. Pruitt, had suffered a heart attack.

## Birth

Mr. and Mrs. Charles Church of San Antonio would like to announce the birth of a son on Feb. 4 weighing 4 lbs. 8 ozs.

Maternal grandparents are Mr. and Mrs. W.M. Knox of Houston and maternal great-grandparents are Mr. and Mrs. Olen Lee of Loraine.

## Police Roundup

Two persons were arrested and bond set at \$1,500 a piece as a result of an investigation made by the Colorado City Police Department Friday following recent complaints from concerned parents and children.

Maria De Jusus Montemayor, 27 and Benito

E. Gonzales, 56, of 1903 Peach Street were arraigned before Justice of the Peace Henry Doss on charges of possessing alcoholic beverages for sale in a dry county.

Assistant Chief of Police Jerry Cowin, using a search warrant and accompanied by an Alcoholic Beverage Commission Officer from Big Spring confiscated two fifths of whiskey and 91 cans of assorted beer from the residence. Officers Jimmy Roundtree, Bobby Calloway and Keith Ward also assisted in the investigation.

Colorado City High School was burglarized Sunday, resulting in an estimated loss of \$615. Two buildings were burglarized, the main building and the build-

ing housing vocational ag and auto mechanics.

Seven windows throughout the buildings were broken with damages estimated at \$210.

A coke machine in the auto mechanics building was torn open by the apparent use of a blow torch and its contents and cash stolen.

High School Principal Jerry Reynolds, who reported the break in, indicated to police that several desks in the main building had been gone through with only small change reported missing. One fire extinguisher was reported missing, estimated at about a \$30 loss and ten one dollar bills were taken along with about \$15 in small change. Cowin and Calloway are the investigating officers.

No arrests have been made in the incident, however police are continuing the investigation.

Also on Sunday, a theft was reported on the parking lot of the Safeway store.

Angel Villanueva of 338 Locust reported thieves had broken the side vent of a 1969 Plymouth and stole a purse and 24 eight track

## Youth Attend Rodeo

Three youths, prominent in area 4-H activities, will be guests Friday and Saturday of the San Antonio Livestock Exposition and Rodeo.

They are Dawn Lemons of Colorado City, Lisa Frerich of San Angelo and Kyle Rowland of Sweetwater.

The trio, along with 17 other Texas 4-H'ers, will also be feted Friday night at the San Antonio Kiwanis Club's 25th annual Rural Youth Honor Banquet.

The trio's parents will accompany them.

Dawn and Lisa will be in San Antonio representing District 7 of the Texas Agricultural Extension Service. Kyle will attend as a vice chairman of the Texas 4-H Council.

## Baptist Women Meet

Loraine Baptist Women met in a general meeting at the church at 2 p.m. Feb. 4 for a program from Royal Service Magazine on the subject "What Did You Say-You Mean?"

Mrs. T.L. Holman was program leader and gave the introduction. She was assisted in discussing this subject by Mmes. Pauline and Clifton Henderson. It was found that sometimes we do not express our thoughts so that other cultures understand just what we mean and, since communicating is not easy, we must understand their language enough to put our thoughts and meaning into words they can understand.

After the program, Mrs. L.E. Crutcher brought scripture and read names of missionaries whose birthdays were on this day. Mrs. Frances Porter gave the prayer for these.

During the short business meeting it was voted to send Valentines to residents of the Loraine Nursing Home. It was announced the Mission-Bible meeting would be at Mrs. Harvey Leach's at 9:30 a.m. Feb. 20.

Present were Mmes. Crutcher, Holman, Henderson, Porter, Smiley, Bernice Hallmark, Harvey Leach, Clara Butler, Charlie Harris and Lynne Compton.

## Couple Married In Lubbock Friday

Rita Sue Barron became the bride of Richard A. Faulks in a 4 p.m. ceremony, February 3 in the Elgin Street Baptist Church in Lubbock with Rev. Melvin R. Hooten officiating.

Parents of the couple are Mr. and Mrs. A.J. Barron of Loraine and Mrs. Pauline Faulks and the late Alton Faulks of Anson.

Honor attendants were Mr. and Mrs. Buddy Faulks of Lubbock.

The bride is a graduate of Loraine High School and has attended

Angelo State University and graduated from Texas Tech University with a B.S. Degree in Home Economics. She is presently employed as the Home Economist for Terraco, Inc. of West Texas.

The bridegroom is a graduate of Anson High School and served in the U.S. Navy. He is presently attending Texas Tech University majoring in Geology and is employed as an auctioneer with Jack Faulks Auctioneers.

The couple will make their home in Lubbock.

Keep your home up  
and help keep  
electric bills down.

A large part of saving energy—and money—is simply a matter of cutting waste. In these days of "scarce" energy and inflation it's important to all of us to conserve. You can start by maintaining your own home.

Seal cracks around doors and windows with caulking and weatherstripping to stop heating and cooling leaks. Check to ensure that ductwork is well insulated and sealed. If this is not done right, much of the heating and cooling escapes into your attic.

Consider installing storm windows in your home. They save energy by creating an insulating layer of air between

the temperature outside and temperature inside your home.

For the full story on saving energy—and energy dollars—get our Unhandy Person's Guides. Just call Texas Electric or ask for them on the comments section of your next electric bill. They'll help even the most unhandy person tighten up his home.

At Texas Electric, we want to help you keep your electric bill down.
