HHS Grid Greats Put Brand On Vega's Longhorns, 28-12

By Kipp Burnett

Chant of "We're number one" was clearly heard in the grandstands of the Hart Longhorn fans Friday night when the buzzer sounded the end of the ballgame between the Hart Longhorns and Vega Longhorns. The Hart Longhorns traveled to Vega and opened their district conquest by soundly defeating the Vega Longhorns 28 to 12.

Dirk Rambo led the Horns this week as he tossed two touchdown passes, ran for two extra points and completed five of seven passes. Helping Rambo was All State candidate Stanley Dyer. Dyer, who was selected second team All State last year as a defensive line-backer, picked up 173 yards on 20 carries, scored one touchdown and two extra points.

Hart opened the scoring in the first quarter when Dyer rambled 64 yds up the middle after breaking three tackles and outrunning secondary defenders. Jimmy Brown attempted to run the extra points after a penalty on the conversion attempt but was stopped to make it Hart, 6; Vega, 0.

Vega came right back on a Hart fumble at the 27 yard line. After a series of downs, Brent May managed to cover the last 10 yards for Vega's first score. Keith Pingel attempted the kick but the ball slipped off the tee and the attempt was no good.

Taking the ball on their own 35 yd line, the HHS Horns drove to the 35 yd line before Rambo tossed a 38 yd pass to Erasmo Castillo for the TD.

Rambo carried the ball on a bootleg and picked up the extra points making the score Hart, 14 and Vega, 6 after the first quarter.

The second quarter was not as fast moving with both teams playing a little defense. Hart managed to score when Rambo tossed his second touchdown of the evening to Castillo. The play covered 22 yds. Dyer picked up the yardage for the extra points to put Hart out ahead 22 to 6.

The Vega Longhorns tried to come back late in the second quarter by running some plays that are seldom seen on the football field but the Hart defense was ready and stopped the offensive efforts to retire at halftime with a lead of 16 points. Half time score was Hart, 22; Vega, 6.

The second half showed mostly strong defensive efforts with both quarters showing only one score each. The third quarter score came with 7:16 left to play. Brown picked up seven yards on a sweep to gain his first TD of the evening and extend the Hart Longhorns lead to 22 points. Extra point attempt was no good as Brown was stopped just short of the goal line.

Vega came back late in the fourth quarter and scored on a drive that started on their own 24 yd. line. May plunged across from one yard out. Again the PAT was no good.

Hart took the ball with 1:23 seconds left in the game and threatened to score but a Rambo pass to Mike Booe was overthrown. The game ended

Hart Longhorns 28; Vega Longhorns 12.

Vega had been the pre-season favorite to win the district championship but the Hart Longhorns were too much for Vega to handle. Hart Longhorns record now stands five wins, no losses. Friday's victory also gives them a share of first place in the district.

Since defense dominated most of the game, a hearty salute to the defense unit which includes Dennis Hill, Dyer, Continued on page 4

HORNIN' IN ON A LONGHORN - a host of Vega Longhorns rush to stop Hart High's Jimmy Brown, 10. David Barham gets a bruising stop as he attempts to block Brown's route to paydirt.

Homecoming Gala Highlighted Friday

A swarm of Hornets will invade Hart Friday but the Longhorns of Hart High School are ready with their own brand of insecticide manufactured by "Brown and Company."

Gala activities include the coronation of the Homecoming Queen prior to the football game and a bon fire immediately following the grid battle.

Candidates for Homecoming Queen are Jean Foster, Delores Diaz, Nelda Henderson and Belinda Ritter. Misses Foster and Diaz are seniors; Miss Henderson, a junior and Miss Ritter is a sophomore.

Anticipation of the events has been building this week with Wednesday proclaimed as Western Day and today designated as Dress-Up Day.

Friday's festivities begin

with the traditional pinning ceremony at 10:51 to 11:31 climaxed with the crowning of the 1972 Pep Squad King. Candidates are David Barham, Erasmo Castillo, seniors; Guillermo Carrasco, junior; Jimmy Brown, sophomore and Barry George, freshman.

Friday has been proclaimed Maroon and White Day and Noise Day. Each student is asked to bring something to create noise. The "noise makers" will be utilized during the pep rally at 3:15. A snake dance around the school will conclude the pep rally.

The pep squad sponsored a decorated door contest for the Homecoming festivities. Prizes are miniature footballs, donated by Hart Oil Company, which are tossed to fans during half-

time activities at each home game.

Longhorns Booster Club is sponsoring a chili supper prior to the Homecoming game. Serving is 5:30 to 7 p. m. in the school cafeteria.

All exes and other Longhorn fans are urged to attend all the Homecoming activities and boost the Longhorns in a "stinging" victory over the Sudan Hornets.

Boosters Set Chili Supper

Longhorn Boosters are sponsoring a chili supper Friday night prior to the Homecoming football game with the Sudan Hornets.

Serving will be from 5:30 to 7 p. m. in the school cafeteria. Tickets are 50 cents for children under 12 and \$1.50 for adults.

Proceeds will be used for Booster-sponsored projects.

Schools Show Enrollment Gain

A slight gain in enrollment was reported Monday during the regular meeting of the board. A total of 698 students are reported to be attending Hart schools from kindergarten through high school.

Trustees approved remodeling plans for the girls' CVAE house in order that some commercial equipment may be placed there.

Discussion was held concerning the replacement of the concession stand and rest rooms at the football field. Under consideration is a field house and track in connection with the concession stand and rest rooms.

School Trustees Purchase Desks

Trustees met in called session recently and approved the purchase of 100 new desks to be used in the fifth and sixth grades.

The old desks will be sold at \$3 each and interested persons may check with Superintendent Ted Averitt.

Irene Keating Writes

This week I'm in Denver attending our National Agents meeting. I'll be ready to share some new information and ideas with you next week.

Last week we had our Home Demonstration Club luncheon where all of us gave reports on the state meeting we attended in Houston last month. We had members from the four present clubs and some women who are organizing a club this month in attendance.

Mrs. Iris Ballard brought Mrs. Hance and me each a jar of French Pickle relish last week. It is so good and made with the vegetables that are available now. I'd like to share her recipe with you.

FRENCH PICKLE RELISH

2 qts, chopped cabbage
1 qt, ground onions
4 large green peppers
1 bunch celery, diced
2 qts, chopped tomatoes
1 qt, ground pickles or cucumbers
4 large red peppers

Combine the ingredients and sprinkle with a handful of salt and let stand. After a short while, boil in brine 15 to 20 minutes. Drain. Mix to make paste: 1 cup flour, 4 cups sugar, 4 teaspoons ground mustard, and 1 teaspoon tumeric powder. Boil 2 quarts vinegar and 1 pint water. Pour over paste and cook. Add to pickles.

Flavor with 2 teaspoons celery seed, heat and seal.

Mrs. Ballard said her family likes a sweeter relish and she uses 5 or 6 cups sugar instead of the 4 cups.

For, we are proud of the Longhorn name!

We're proud of our team, and that is why
We never panic in time of defeat,
We've got to keep them on their feet.

Card Of Thanks

I would like to take this means to thank each and every one of you for your thoughtfulness while I was in and out of the hospital. For visits, flowers, cards, letters and food. May you be rewarded for your good deeds,

Hattie Reed

ANNA, ILL., GAZETTE-DEMOCRAT: "One of the lessons of history is that nations are in for trouble when their masses have too much leisure time, without having the cultural background to use it properly."

Moments Of Meditation

As Christians all of us have a general Christian vocation, and some of us have a specific one. In regard to the latter, our Christian calling may so occupy us that we forget the fourth commandment. It often seems difficult for the professional church leader to find time for a day of rest. The human spirit requires a regular period of recreation and refreshment. Thus the divine example and commandment must be taken seriously, even when they cannot be taken literally. Of necessity, many clergymen and others who have professional responsibilities in the church will have to take their "day off" on some day other

than Sunday.

The importance of a regular time away from the often heavy demands of a specific Christian vocation should not be minimized. Ancient Israel understood correctly the will of God in this matter for the entire human community, and even for the work animals.

There are two points of emphasis in the Sabbatarian commandment: It is "a sabbath to the Lord your God" Remembrance of God and of His good works-creation, the Exodus, etc. - is a central element of the observance. It is also a day on which "you shall not do any work." Rest from labor is an extension of the divine concern for the welfare of the total person.

Both our relationship to God and our own serviceability are involved in this work of God. Gen. 2:1-3 Ex. 20:8-11

DON'T TAKE RURAL TEXANS FOR A RIDE...

...AND DON'T TAKE US FOR GRANTED.

HERE'S WHAT NIXON IS DOING TO RURAL AMERICA

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HERE'S WHAT McGOVERN IS DOING FOR RURAL AMERICA

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state . . . because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern . . . and George McGovern needs us.

GSPA Asks Ag Secretary To Retain 1972 Set-Aside

The Grain Sorghum Producers Association has appealed to Secretary Butz to retain the 1972 level of set-aside. Fear that the increased grain sales to Russia and other buyers would cause the USDA to reduce too many 1973 set-aside acres, thus again resulting in grain surplus and low market prices, is the reason for the GSPA concern.

In a letter to Secretary Butz, GSPA Executive Director Elbert Harp says, "the tendency may be to reduce the set-aside program. However, we urge you to consider all the facts before making such a decision. We oppose such a cut-back because it would create another

surplus and, by so doing, would cause an extreme hardship on American farmers."

Harp justified his request by adding, "recent cost of production studies have shown that American farmers cannot afford a price decline, as few are barely breaking even with prices at the present level."

"We strongly appeal to you not to allow a repeat of the 1967 and 1971 grain surpluses," Harp concluded.

REINBECK, IOWA, COURIER: "Ever take a look at the growing list of folks on the Welfare Wagon? Who in heck is gonna pull the wagon when everyone wants to ride?"

"How about equal time for the Democrats?"

That's Telling It!

MIAMISBURG, OHIO, NEWS: "...there's a new organization called CROC organized to protest stupid commercials. It's the Committee for Rejection of Obnoxious Commercials--and it's about time!...The trouble with commercials is their unreality. Women -- and men, too -- are characterized with IQ's of 29 in situations which couldn't have happened. We need more true-to-lifeism, if we must bear this TV affliction...We can solve this commercial problem by simply rewriting those obnoxious skits as the situations could--and might happen in life. Most of the time, the people in commercials, whether they are suffering from wet under-arms, slipping dentures or irregularity, are cheerful. Let's have a few old grumps on the TV scene...The White Knight is roaring up the street on his faithful white horse. The horse is sick of it--he rears, throws the Knight right through the picture window...I am waiting for the day when the young woman, chastised about her coffee, hits her husband with the coffee pot and calls Mrs. Olson' a meddling old busybody'...When the lady in the 'Completely unrehearsed' soap commercial says to the folks in TV land out there: 'Listen, I couldn't get that shirt clean with this soap or any other and I'm going to throw it away'...Now, all by myself, I'm going to do the laundry with my own brand X soap which probably won't get the clothes clean, and then run around the block without my deodorant, I'll worry about irregularity and my nagging backache tomorrow."

MONTROSE, CALIF., LEDGER: "Ignorance of the law is no excuse. And there are now more than two million federal, state and local laws, with more than 100,000 more being enacted. We need only ten basic laws and Moses helped us with those. And ten federal laws, which stand as the Bill of Rights. If you must be told to keep off the grass, that's your problem."

SPIN OF THE WHEEL

Life is a gamble, you say? Each day is a spin of the wheel of chance, and your destiny goes along with the spot where the ball lands or the place where the cards fall.

Is this true? Are we all really helpless victims of circumstance? If you think so, reconsider!

We make our own decisions! Sometimes they are right, sometimes they are wrong, but they belong to us—not to chance. Perhaps that is why we all need help, inspiration and self-dignity. We need to know that as God's children, our faith comes only as a gift from Him.

Where do we find all this? Well, we start to find it in the Church. Shown the way, the rest is up to us. Why not go to church next Sunday?
