Farm Bureau Picks a Queen Saturday Night

The location of the Farm Bureau Queen's contest has been changed to the community building, Ruel Alexander, service manager, announced this week as plans for the event were near completion.

The contest will be held Saturday night, August 18, at 8 p. m.

Approximately 12 girls from all parts of the county will participate, Alexander said. Four Wellington entires have been announced, and include Sharon Bettis, Jonaquin Cecil, Wanda Shinn and Ada Carole Thomas. Girls from other communities will be announced within a few days.

The program for the event will be under the direction of Mrs. Lowell Wells, and will include numbers by her music students of Quail school.

The girls will rehearse for the contest Friday evening, August 17, at 7:30 p. m.

Bill Lane of radio station KGNC will be master of ceremonies, and the contest will be filmed for televising Sunday morning, Alexander said.

Plans Under Way For First Baptist Summer Revival

The summer revival of the First Baptist Church will begin Friday, August 24 and continue through Sunday, September 12, the Rev. Russell Pogue, pastor, has announced.

Dr. Franklin Swanner, district missions secretary for District 9, including the Plainview-Lubbock area, will be in charge of preaching. Directing congregational singing and special music will be Harrell Slack of Canyon, a graduate student in Baylor University School of Music.

In preparation for the revival, two nights of prayer meetings are scheduled this week, Rev. Pogue said.

On Thursday night, August 16, the deacons of the church will meet at 8 p. m. for a prayer service. This will be followed by a fellowship hour. All of the 29 deacons who are in town on that night are expected to attend. Charles Cason Sr., chairman of the board of Deacons, will be in charge.

At the same time, the wives of the deacons will meet at the Parsonage with Mrs. Pogue for a social hour.

Cottage prayer meetings are scheduled in six homes Friday evening, August 17. These are homes of Mrs. J. L. Burt, Mrs. R. W. Brantley, Mr. and Mrs. Charles Cason Jr, Mr. and Mrs. Troy Gardner, Mr. and Mrs. Claude Groves, and Mr. and Mrs. John Brim. The prayer meetings will begin at 8 p. m. and all members are invited to attend one of these, Rev. Pogue said.

Farm Bureau Remodels Office

Remodeling the Collingsworth County Farm Bureau office at 905 West Avenue has been completed, Ruel Alexander, service officer, said this week.

At the same time he announced that Mrs. J. W. Thomas has been hired as secretary of the organization.

During the remodeling a full-length partition was put in about mid-way of the building, and a partial partition to the front of this, giving Mr. Alexander a private office. A new tile floor was laid and new fleurescent lights installed. Air conditioning was put in.

The interior was redecorated in a soft shade of green.

Mrs. Thomas until recently was secretary of the Wellington Chamber of Commerce for a period of more than four years.

Sam Norwood, Community and School Builder, Dies at 96

Sam Norwood, who came to Collingsworth County 58 years ago to regain his health, and remained to help mould the educational, banking, religious and agricultural life of the Southeast Panhandle region, died Monday, August 13, about 9 p. m. at the home of a daughter, Mrs. Earl Jackson in Dallas.

He was 96 years of age.

Mr. Norwood had been ill for only a day or two.

Funeral services will be held Thursday morning at 10 a. m. at the gymnasium of the Samnorwood School, an institution which is a living monument to his years of work in behalf of better education in this county.

Officiating will be Rev. Jim H. Sharp, pastor of First Methodist Church in Shamrock, assisted by the Rev. O. C. Evans, pastor of the Shamrock Methodist Circuit.

Pall bearers will be grandsons and grandsons-in-law, Henry Norwood Lyle, Hugh T. Lyle, Earl Norwood Jackson, Dr. E. K. Jones, Vernon Miller Baxter Purcell Roy Bandy and Wallace Tapley. Burial will be in the family plot in Dozier cemetery under the direction of Kelso Funeral Home.

Samuel Willis Norwood was born in Jackson County, Alabama, October 2, 1859, the son of Samuel C. and Sallie Ann Mills Norwood. He grew up and was educated in that state.

He was married in Stevenson, Alabama, January 19, 1892, to Miss Tempie Vie Hall, who was to be so closely associated with him in his activities until the end of her life in 1952.

In 1898, doctors advised Mr. Norwood to move due to his health and he decided to come west. He chose the Plymouth community in Collingsworth County for his family's new home and estabilshed the Norwood Ranch.

Within a few years, his health was regained, and Mr. Norwood was engrossed in work for his community.

When their children became of high school age, Mr. and Mrs. Norwood moved to Shamrock. There he helped to organize and was a charter member of the First Methodist Church, was a charter member of the Masonic Lodge in Shamrock, which later honored him with a life membership. He received a 50 year pen as a member of Woodmen of the World.

He was the first man to serve as vice-president of the Farmers and Merchants State Bank when it was organized, and later he served as its president.

After five years, Mr. and Mrs. Norwood moved to Clarendon, that their children might attend Clarendon College.

Later they returned to the ranch, building the comfortable house that was to remain their home.

The civic leadership and support of public education were two dominant factors in Mr. Norwood's life, and in the early 1930's when the Fort Worth and Denver Railway built from Childress to Pampa and a station was put in north of Salt Fork River it honered him by naming the little town for him. Since there was already a Norwood, Texas, his full name, Samnorwood, was given it.

He was instrumental in the consolidation of the small rural schools of the area into the Samnorwood school, which makes possible a free education for every boy and girl in much of the north half of the county who desires it.

In later years, Mr. Norwood became blind, but this failed to stop his activities, and with Mrs. Norwood staying more closely beside him, he continued operating his livestock and farming interests.

To the end of his life, Mr. Norwood stayed alert to current events and political trends.

Four daughters and a son survive Mr. Norwood: Mrs. Jackson of Dallas; Mrs. T. J. Lyle of

Collingsworth-"New Life Among New People

Early County Resident Writes Frontier History

One of Collingsworth County's early residents, Eeigniora Russell Laune, has written an account of her life on the Southwest frontier. Entitled "Sand in My Eyes", it will be published by J. B. Lippincott Company on August 15.

At eighty years of age Mrs. Laune has related her colorful life with the simplicity, laughter, tears, and exuberance of an eighteen-year-old. Her son, Paul, the celebrated artist, has enhanced the simplicity of the book with line drawings and a jacket design.

When Mrs. Laune was sixteen she moved with her family from Little Rock Arkansas ,to Collingsworth County, Texas, where, " in a new life, among new people, and new customs, she became a person."

Five years later she married a Nebraskan, and with her husband joined a colony of homeseekers who had settled in Woodward, Oklahoma, on the day of the opening of the Cherokee Outlet Strip September 16, 1893.

With her husband, Sidney Laune, Seigniora helped to build the town of Woodward, raise her family of two sons and one daughter, and struggled through various of Mr. Laune's enterprises. Although a practicing attorney, he always had his fingers in six or a dozen businesses, at one time or another.

"Sand in My Eyes" was written by Hrs. Laune after much urging by her children to put her colorful story down on paper, and the reader can now share every poignant memory of this remarkable woman's life.

Don Ward, who has started as Samnorwood's new high school coach, recently took the Mangum American Legion baseball team he coached this summer to the Oklahoma state championship in that division — the highest honor in schoolboy baseball on a non-scholastic basis.

Said the Greer County News of his victory:

Relentlessly outplaying, outfighting, outpitching and out hitting all opposition, Mangum American Legion team rocketed through the State Tournament held at Hobart last week, sweeping aside four straight opponents with all the poise of champions that they really are.

Work Begins On New Gymnasium and Cafetorium

Equipment is being moved on the ground for construction of Wellington's new gymnasium and cafetorium, Bill Winsett, superintendent of construction, for Neil Singleton Construction Co., the contractors reported Monday, August 13.

At the same time, it was announced that two sub-contracts have been awarded to Wellington firms. Stingle Heating and Plumbing was awarded the contract for the heating and plumbing contract, on a bid of $34,175. The electrical wiring contract went to B&B Electric on a bid of $10,900.

The building locations are staked out, and a ditching machine is due in this week to begin digging for the foundations, Winsett said. Local labor will be used except for skilled work, and will provide jobs for from 10 to 15 men.

The construction company has set up an office on the high school grounds, and a smaller office at the elementary location.

Mr. Singleton and William C. Townes of the William C. Townes & Associates, architects for the building, were here earlier this week getting work started.

Rev. Pogue Has Broken Foot

The Rev. Russell Pogue ,pastor of First Baptist Church, learned Thursday, August 10, that an injury received three weeks previously was a broken bone in his right foot.

Rev. Pogue received the injury while shoveling dirt at the Pan-Fork Encampment. He had believed it was only a deep bruise, but when it failed to improve, consulted a doctor, and x-rays showed a sliver broken off a bone in his foot.

His leg will be in a cast to the knee for eight weeks, but Rev. Pogue is continuing his work, just as he had before learning the nature of his injury.

Robinson Resigns County Clerk to Enter New Work

David Robinson, county clerk of Collingsworth County, submitted his resignation from that office to the Commissioners Court in its regular meeting Monday, August 13.

The resignation is effective September 15.

Mr. Robinson has accepted a position as business manager of the Lefors school district and will begin work in mid-September.

"My family and I certainly hate to leave here and it was a hard decision to make, but I have been wanting to enter the school business management field for some time, and I feel this is an opportunity I cannot turn down," Robinson said.

The Commissioners Court accepted the resignation in one of eleven orders passed during the session.

His successor in the office of County Clerk was not appointed by the Court, but the date of August 27 was set for this. Applications already have been filed for the job and a number of others are expected before the place is filled.

Robinson has served as county clerk five years, including one unexpired term, one complete elective second elective term of four years.

The Court passed an order setting the tax rate for 1956 at $1.02 per hundred dollar valuation, the same as for last year.

Monday, August 27, was also set for the board of equalization to meet again. In the meeting Monday, August 13, tax valuations pertaining to oil and gas properties in the county were considered. The August 27 session is due to be given over to local properties.

The Court also decided to keep the surplus commodities program. This will cost the county $150 for approximately 750 persons for a period of a year.

Approximately 70 bills were approved for payment.

A resolution as passed to issue warrants to build the new county jail, the warrants not to exceed $55,000 .

Another order accepted and approved the bond of F. H. Melton as public weigher for Traders Compress. Mr. Melton is compress manager.

7:45 Thurman Ellerd will be the song director, work he has done in several previous meetings at Quail.

County Gins First Bale!

Collingsworth County ginned its first bale of cotton for the 1956 season just before noon Wednesday, August 15, Marvin Wynn, manager and co-owner of the Davis Gin at Dodson reported.

The cotton was grown by Leroy Hudson, who farms just across the line in Oklahoma. It was irrigated and of the Paymaster variety.

Wynn said that Hudson brought in 2220 pounds of cotton and got a 555 pound bale with 1060 pounds of seed.

Wynn said he would pay a premium amounting to around a cent a pound, bringing the total to approximately 33c. The cotton was middling one inch.

The gin manager reported this was the earliest he can remember a first bale being ginned.

Dodson Church of the Nazarene Holds 50 th Anniversary Sunday

The Dodson Church of the Nazarene, one of the oldest of the denomination and the oldest in the Abilene District, will observe its golden anniversary with an all-day program Sunday, August 19, and continuing with evangelistic services Monday and Tuesday, August 20 and 21. This will be followed by a revival beginning Wednesday, August 22, and continuing through Sunday, September 2.

The guest speaker Sunday will be a former pastor of the church, the Rev. Amos Meador of Borger, while the evangelist for the revival entered the ministry from the Dodson Church, the Rev. Robbie Gunstream, district superintendent for the Church of the Nazarene for the New Mexico District. He lives in Roswell.

The Rev. Lonnie Voorhies, pastor of the church, on behalf of his congregation extended an invitation to the public to attend the anniversary services and those that follow, pointing out that friends of all churches are welcome. "We hope you will join with us in observing this important event in our church history," he said

Many former members and their families from throughout the area will return for the observance, Mrs. Charlie Owens, who is helping with plans, said. Because of this, and because they will want to visit, the anniversary Sunday program is being kept simple, she continued. There will be Sunday School at the regular hour and Rev. Meador will preach at the morning service.

Lunch will be spread in the school cafeteria at noon, and families attending are to bring a picnic basket or covered dish. There will be visiting until 2 p. m., when afternoon services begin with sing-

ing, to be followed by reading the church history, the list of pastor, memorial services and another sermon by Rev. Meador.

Both the church and the cafeteria are air-conditioned, and visitors will be comfortable, Mrs. Owens said.

The evangelistic services will be Monday and Tuesday. Rev. Gunstream will arrive Wednesday. He grew up in the Dodson church, although he was too young to be a charter member. He was born near Arlie and reared in that section.

Out-of-town visitors attending the anniversary and staying overnight, will be accomodated in the homes of members of the church.

Lorese Jarrell Denny, of Littlefield, the daughter of the Rev. P. R. Jarrell who was pastor of the church on three occasions, will be in charge of singing, and most of the Jarrell family are expected, coming from Electra, Houston and Wichita Falls.

Work on the new Sunday School annex to the church is being rushed, in order that it may be finished for the anniversary, Rev. Voorhies announced.

The Rev. and Mrs. Voorhies are in their second year at Dodson, coming from Eastland. They previously had held pastorates at Olton and New Mexico, and engaged in Evangelistic work.

The church that was to become the Dodson Church of the Nazarene was organized in August 1906. Mrs. Annie Fisher held a revival in the Baptist Church at Arlie, and at the close, the Church of the Nazarene was formed. The Tom Cornelious family was camp-

Texas Takes A Look At Ontario

This is another of a series of articles concering Deskins Wells recent trip to the Province of Ontario.

Ninth Day

OTTAWA OUTLINE

On this trip you kept thinking I know the meals can't get any better, and I'm almost certain they won't get any bigger. Furthermore, I don't think they can offer any more variety; particularly after our experience of yesterday when the town of Arnprior, its chamber of commerce, and the local Arnprior Chronicle, staged a dinner and reception in the mayor's garden.

Our breakfast on the ninth day proved that I still had something to learn about Ontario food. Our host, the Chateau Laurier (pronounced Shat-o-Lauriay) under the guidance of Manager W. H. Aylett of the Canadian National Hotels Limited offered a menu that was more like a banquet than a breakfast. I feel certain many of us blinked a few times to make sure we were awake and reading it right.

Among the items served in the Quebec Suite, the name Quebec on an Ontario tour hinted of good interprovincial relations, were fresh strawberries, Smoked Winnipeg Goldeye (which, as far as we could ascertain, was a fresh water herring), pickerel saute, steamed Black Alaska Cod, "Windsor" bacon and eggs, broiled lamb chops and home fried potatoes. The fish lovers in the crowd had a field day, and diet restrictions flew right out the window.

On hand to greet us was Deputy Minister Col. C. D. Crowe of Travel and Publicity. Other head table people were "Gerry Geldhart of the Ottawa Tourist and Convention Bureau; Mr. Jules Morin, who doubles in brass as alderman on the Ottawa city council and represents Ottawa East in the Provincial House; and Canadian National Railways public relations representative William Howard.

During his brief speech of welcome, Mr. Aylett expressed the wish that what we saw in Ottawa would whet our appetites for a return visit. At the end of a day, jam packed with interesting sights I felt we could assure him that he need have no fear on that account.

First stop after breakfast was the Canadian Parliament Buildings, where we met the Honourable Rene L. Beaudoin, Member of the Canadian Parliament, and Speaker of the House of Commons. He turned out to be a polished gentleman, with all the Gallic charm usually associated with the French. He met all our many questions with the ease and skill of a veteran verbal duellist, and returned answers with a smooth, gracious touch. Almost without being told, one could sense that he was a successful member of the legal profession, as well as a highly respected Speaker of the House, used to handling difficult questions and situations.

PARLIAMENTARY PROFILE

It would be easy to write a book about the Canadian Parliament, its buildings, and Ottawa the capital, because of the rich, historical background of all . . . providing one had time enough. Condensing a description into a few short paragraphs was a tough task.

The Parliament Buildings contain the Senate Chamber, the House of Commons, the Parliamentary Library, the Speakers' Chambers, accommodations for officials of both Houses, and private offices of Members of the Senate and Members of the House of Commons. In addition, there are reading rooms, several committee rooms, parliamentary restaurant and the cafeteria.

Fire destroyed the original Parliament Buildings, with the exception of the Library during 1916. The present buildings were completed in 1921 at a cost of $12,000,000 including furnishings. They contain six floors, 490 rooms and are 470 feet long and 245 feet wide. They also contain many impressive galleries, and memorials dedicated to the dead of two world wars.

The Parliament at Ottawa is composed of three essential parts; the Crown, represented by Governor General, The Right Honourable Vincent Massey; the Senate, and the House of Commons. Legislations is enacted after passing both Senate, the House of Commons, and receiving Royal Assent.

Canada is a Kingdom, and the Queen, the titular head of the country, is an essential part of Parliament and of provincial legislatures. The Governor-General, the Queen's personal representative is appointed, upon recommendation of the Canadian Prime Minister, for a term of five years.

Members of the Senate are appointed for life by summons of the Governor-General, in the Queen's name, under the great seal of Canada. Total number of senators is 102, representiig all parts of the nation. All legislation originating in the House of Commons must pass the Senate before it can become law.

All members of the House of Commons have to be elected by the people. Each House of Commons elected may continue in office for five years from the day of the return of writes of election and no longer. However, if the Government so decides, it may be dissolved sooner by the Governor-General.

Here, as in the Provincial House, the two principal parties are the Progressive Conservatives and the Liberals. Ontario has 85 representatives in the Parliament, and the overall count is 265 members.

We found our trek through the beautiful and huge buildings rather hard on the legs. The great central Tower of the Parliament Buildings is called the Peace Tower because it commemorates for all time the great contribution to world peace made by sacrifices of over 66,650 Canadians who lost their lives in the great struggle of 1914-1918. It stands 291 feet high with the clock in the Tower being 15 feet 9 inches in diameter. Our group was scheduled to go up in this, but time did not permit. Spokesman for our party on this side-tour was Bob Amos of the Daily Jeffersonian of Cambridge, Ohio. He drew this assignment because the Speaker Mr. Beaudoin, married an Ohio girl. I love the way the boys of Travel and Publicity tie matters together.

Host for our 12:30 p. m. repast was the Ottawa Tourist and Convention Bureau, with Alderman M. P. P. Morin acting as chairmen. Among the head table members was His Excellency Livingstone Merchant, U. S. Ambassador to Canada; Her Worship, Mayor Charlotte Whitton; Publicity Chief L. B. Connery of the Canadian Government Travel Bureau; Col. C. D. Crowe; Superintendent R. S. MacNeil of the Royal Canadian Mounted Police, and other dignitaries.

Her worship welcomed us, "Not only because you are goodwill emissaries, but also because you are members of the press and therefore bastions of freedom." She also briefly outlined the history of Ottawa.

Mr. Merchant made a short address, and suggested similar tours should be made through the various States in order to promote even more goodwill between United States and Canada. Col. Crowe thanked the hosts on behalf of the Department and The Honourable Bryan L. Cathcart, while Editor O. M. "Cy" Mattson of Warren, Minnesota nobly responded for the newsmen.

Sunshine was on hand today, and the many stately buildings basked in the June warmth as we made our way around the Canadian Capital. Set on a promontory overlooking the Ottawa River the parliament Buildings rest in a 35-acre park known as "Parliament Hill." Government departments and institutions are scattered over 150 buildings throughout the city. This beautiful national capital which sits at the junction of three rivers, the Ottawa, the Rideau, the Gatineau, was selected by Queen Victoria in 1857 after a lengthy competition for this honour had taken place between Kingston, Montreal, Toronto and Quebec City.

One of the first things to catch the eye is the series of locks that connects the Rideau Canal with the Ottawa River, built on the advice of the famour Duke of Wellington under the direction of a Col. John By at a cost of $4,000,000. For a reason that seems amusing now, the Canal was intended to be used as a means of getting British gunboats from the St. Lawrence into Lake Ontario, so they wouldn't have to pass the international section above Cornwall where they could be targets for gunfire from the American shore. The Canal was never needed for war purposes. Ottawa was once known as Bytown in honour of the Colonel of the same name, its name being changed to the present one in 1854 after the famous Indian name.

The "Mounties" got their man on June 25th. In fact they got 26 of them, and all this with no Nelson Eddy to ride in, movie fashion, to make a singing rescue of the boys. There's no Hollywood frills attached to the Ottawa variety of the R. C. M. P. We found that out when we visited their Rockcliffe barracks on the outskirts of Ottawa. Everything is spit-and-polish in this scrupulously scrubbed barracks of this semi-military body, which corresponds with the F. B. I. as a national police organization, the only difference being, of course, that the last - mentioned is non-military. During our two hour visit we were treated to displays of horsemanship and physical training. This was a treat for lovers of horseflesh especially, for the horses were superb. A preview of the famous R. C. M. P. 'musical ride' by the equestrian team that will appear in Madison Square Garden was staged for our benefit, and thoroughly enjoyed by all. After viewing some of the magnificient physical specimens in the R. C. M. P. many of the boys vowed they would start training immediately. Somehow we think this resolution will never get beyond the word stage.) All recruits must be single, and age range is roughly from 19 to 30 years.

New Jersey's Palmer Bateman expressed the editor's appreciation to Superintendent R. S. MacNeil for the hospitality extended by the "Mounties", whose finishing touch was coffee and sandwiches in the Rockcliffe recreation quarters.

The famous Libby's plant at Chatham was 'coveed' by visiting newsmen during June when twenty six members of the fourth estate paid a visit to the plant on the 13th Annual U. S. Editors' Goodwill Tour of Ontario.

A boat trip through the Ottawa waterway's to Dow's Lake as guests of the city and Paul's Boat Lines ended our outdoor activities for this day. Like good newsmen, we had 'covered' Ottawa.

We returned to indoor activities as guests at a dinner and reception tendered by The Honourable Jean Lesage, Minister of Northern Affairs and National Resources for the Canadian Government. Head table guests included Homer Robinson, Canadian Government Travel Bureau; Colonel C. D. Crowe; Missouri's Joe Roberts, who thanked on behalf of the editors; Connecticut's Charlie Mitchell, and Tour Director Clint Melville, who acted as spokesman for the Department of Travel and Publicity. Dr. D. Leo Dolan, Director of the Canadian Government Travel Bureau was at the head table, and had arisen from a sick bed to be on hand to greet our party.

The Honourable Lesage addressed the gathering, and said in part that weeklies were the grassroots publications whose editorial contacts were closer to the people than any other form of publications. Many of the old fallacies about Canada being perpetually landlocked by ice and snow had been dispelled, he stated, and this was due to a well-informed press in many respects.

Delicious salmon and baked Alaska were the highlights of the evening meal, and it was demolished with relish by everyone.

A FEW FOOTNOTES

We continue to be amazed by the industrial expansion here . . . our eighth day's hop was the longest —235 miles . . . on the tenth day we will do 303 miles between Ottawa and Toronto, via Cornwall, by bus and train . . . in case we hadn't mentioned it before, Ottawa's population is 211,419 . . . and there is not too much industry in this beautiful city of libraries, museums and other public buildings . . . . modest manufacturing businesses do exist, however . . . our turreted hotel gives the impression of a medival castle . . . particularly at night.

QUALIFICATIONS

I feel that these facts qualify me to seek the office of District Attorney, and to serve you in that office:

EDUCATION --- 3½ years pre-law college work, and 3 years of Law School. Ranked 4th in class of 27 - only graduates of beginning class of 91.

PRACTICE --- 6½ years of full time, active civil and criminal law work. I invite inquiries among my clients as to my legal ability. (My opponent had practiced only 2½ years when he accepted Governor Allan Shivers' appointment to the office of district attorney.)

My ability, character and intergrity have been attested by the clear majority vote I received in our home county in the first primary.

Please continue to give me some thought . . . I want to be your District Attorney.

The two weeks camp, featuring band, choral and twirling instruction under some of the nation's top musicians, will close August 17. Student's schedules are filled daily from 7:30 a. m. until 5 p. m., with band rehearsals, sectional practice, twirling classes, music for fun and private lessons. Evening concerts, picnics, dances and parties are slated.

Three camp bands and a choir have been formed for instructional and concert purposes. Directing the top band, or Symphonic group, is Frank Piersol, Iowa State College. A concert band is directed by Hiram Henry, Oklahoma A&M; and a Cadet Band is conducted by Joe Barry Mullins, Northeastern Louisiana State College. Dr. Houston Bright, WT choral director, has charge of the camp choir.

Other instructors are Miss Sonie Rogers Western Michigan College, and winner of every national twirling award and championship, directing twirling activities; Miss Matilda Gaume, WT piano instructor; Royal Brantley, David Kaplan, and William O. Latson, all of WT; and Fred Weber, Belwin, Inc.

Parents of Music Camp students are especially invited to the camp's "Grand Finale" concert on Friday, August 17, at 7:30 p. m., when all bands, the choir, and twirlers will be presented in a camp-closing concert.

a MILLION layers produce eggs ... saving about 5¢ per dozen

Are you using our cost-cutting service? Many local folks are with very satisfactory results! Here's why we believe we can help you cut the cost of producing eggs and increase profits.

Last fall a check on production of Purina-fed flocks brought out this fact. Records on more than one million layers showed they averaged only 4½ lbs. of feed per dozen eggs.

U. S. Government figures show that most flocks take 6 lbs. to do the job. So . . . Purina customers saved 1½ lbs. of feed or about 5 cents per dozen.

See or call us now. We'll bring our Poultry Profit Meter to your farm and help you shoot for lower egg production costs. Remember . . . service is *free* with the Checkerboard Bag.

THE DUTY OF THE DISTRICT ATTORNEY

is to prosecute all felony criminal cases (those cases for which a person may be sent to the penitentiary) and to assist the peace officers and grand juries in making investigations to determine whether or not a criminal offense has been committed. It is his further duty to inform the grand jury of the law in any particular instance. Where there is a controversal matter in issue, I have not relied on my memory but have taken the law books to the jury room so that the grand jurors may read the law for themselves.

THE DUTY OF THE GRAND JURY

is to make investigations to determine whether or not there has been a violation of our criminal statutes and to further determine whether or not the facts justify an indictment. No man may be tried in Texas for a felony offense unless he is first indicted by a grand jury.

DURING THE GRAND JURY INVESTIGATIONS OF COLLINGSWORTH COUNTY AFFAIRS

all facts that were available to me were presented. No person other than members of the grand jury are permitted to be present in the grand jury room while the grand jury deliberates and determines whether or not an indictment shall be returned. No indictments were returned but the grand jury did issue a statement which was published in the Wellington Leader. The District Attorney does not have the authority to suggest in any manner whether or not a grand jury shall return an indictment. I have adhered to this rule as any grand juror will attest who has served with me. I like the grand jury system. So long as we have it, one person cannot exert dictatorship over the reputation, life and property of any citizen. I have faith and confidence in the citizenship of Collingsworth County from whom our grand juries are selected. I believe that the citizens of Collingsworth County who have been selected as grand jurors in the past have acted in good faith for what they thought was the best interest of law enforcement in Collingsworth County. I believe that those who may be selected in the future will act in the same manner.

A jury commission selects the grand jurors and I have nothing to do with the selection of the jury commissions. During this campaign Bob Glenn, one of the proponents of the investigation, is trying to defeat me because no further action has been taken. R. L. Templeton, a county official, is trying to defeat me for permittng an investigation. Nevertheless, as long as I am District Attorney I shall present all facts that are available to me to the grand juries and shall not act in such circumstances against any person or group of persons without the authority of the Grand Jury.

AS YOUR DISTRICT ATTORNEY

I do not make the facts, I only present them. This I have done to friend and foe alike. A prosecuting attorney who would use the office to punish an enemy or to aid a friend is not only an undesirable official but an undesirable citizen. I have bowed before my Maker many times asking for the wisdom, strength and guidance necessary to so conduct myself in prosecuting cases. Since not all people are honest it necessarily follows that some public officials may be dishonest. However, under the law a person is presumed to be innocent until proven guilty beyond a reasonable doubt in a court of competent jurisdiction. Even a public official should be accorded the same consideration.

THE FORBIS PAMPHLET

Mr. Forbis and the Childress Political Clique are distributing pamphlets throughout the District in an effort to defeat Allen Harp.

* In the pamphlet Mr. Forbis sets out the boxes that he carried in the primary in an effort to show that his character is better and his ability superior to that of Allen Harp. He does not give the results in those boxes where he received practically no votes at all.

* In the pamphlet Mr. Forbis says that Allen Harp has served four terms.

— The truth is that Allen Harp became District Attorney January 1, 1950. You can figure that for yourself.

* The pamphlet further states that Forbis has had six and one-half years active criminal and civil practice.

— The truth is that the Williams, Broughton and Forbis law firm does not practice criminal law at all - Mr. Forbis has not had any criminal practice (The District Attorney's Office is concerned only with criminal law). In fact Mr. Forbis has had practically no court room experience even in civil law.

A Character Assassination Campaign

Never in the annuals of local politics has there been a character assassination campaign comparable to the one that is being waged against me. The Childress Political Clique which has sought to control Childress through the years has always tried to defeat me because I have prosecuted the high and the mighty on the same basis as those of low estate and have not submitted to any control from any person or group of persons. The enmity created in nearly every county through prosecutions has added its weight on the side of the Childress Political Clique. The members of the clique are fanning out into the other counties carrying Forbis literature and false stories about me.

I have been married but one time. My wife and I have been married and living together as man and wife for more than twenty-one years. We have never lived apart from each other except for a part of the time that I was in the Service during World War II. We have a boy 15 years of age and a girl 12 years of age. We have attended Church regularly, although I did not start preaching when I started running for District Attorney. My wife and I are attempting to rear our children in a good home. You will note that I use the word "good" instead of "Christian". The term "Christian" has been so prostituted by political demigoguery as to become, in the words of the Apostle Paul, "as sounding brass or, a tinkling cymbal" when used in connection with a campaign such as this. I have been guilty of no offense of any nature of which my opponent has not been guilty. I have not attacked the character of my opponent either directly or indirectly. I have sought re-election purely on my qualifications with the sincere belief that a majority of the people want to elect the best qualified person for public office, especially an office with the responsibility of the District Attorney's Office. It is on this basis that I submit to you my plea for re-election. I will certainly appreciate your vote on August 25th.

Respectfully submitted,

Allen Harp

It Is Time To Stand Up And Be Counted

Texas is facing one of the roughest, toughest political campaigns in its history.

It is the battle for keeps between Price Daniel and Ralph Yarborough in the governor's race.

In the opinion of The Times, Yarborough was merely warming up in the campaign which preceded the Democratic primary last Saturday. He is really going to open up now.

The people of Texas would do well to realize fully what is at stake.

In this case, there can be no such thing as the middle of the road. We are going to have to be either for Daniel, who represents the more level-headed element in Texas, or for Yarborough, who is surronded by some supporter who are not what we would call "Texas-minded."

It might be said that Yarborough cannot help it if some objectionable elements support him. Perhaps not, but he could speak up and differ sharply with what those elements stand for.

We insist that Price Daniel has done only those things which he considered to be in the best interest of Texas and which he felt certain the people of Texas wanted him to do.

We insist that Price Daniel is a man of the highest principles. He is a public servant who brings credit to the people who elect him.

The Times is for Price Daniel. We firmly believe that he will make one of the best governors the Lone Star State ever had.

Let's choose up sides and fight this battle to the finish.

Let those who are opposed to Price Daniel's election speak up and give their reasons.

Let's have none of that pussyfooting around.

Either be for Daniel or Yarborough!

Crossroads Report

Dear Editor:

I see where the Texas Supreme Court brought in a verdict here the other day on the state's right-to-work-without-joining-a - union law.

* * *

Seems the judicial wheels take the general attitude that you can't force a man to join a union to hold a job, but you can make him pay dues to it, on the theory that the union stands ready to bargain with his boss for him.

* * *

My preaching neighbor says if this is the law, he wants a court order to make the town's non-church-members start paying into his church, on account of he stands ready to bargain with the Lord in their behalf.

* * *

Dear Editor:

I see where a Michigan business school teacher is predicting that by the year 2033, the average American will be drawing $25,000 and getting a month's vacation per year.

* * *

My cheerful neighbor says this sounds mighty good to him, although he will be upwards of 140 years old when it comes to pass.

* * *

But he figures on still being around at that time, all right, on account of it looks like it is going to take him at least that long to catch up on his installments.

* * *

Dear Editor:

I see where the Oregon Supreme Court has ruled that women wrestlers can't perform in that state.

* * *

Looks like another case where a mere state is interfering with U.S. citizens' civil rights by reason of one of the three outlawed discriminators — race, religion, and sex; and Congress will ikely want to pass a law to put the FBI after anybody thwarting a woman who wants to wrestle.

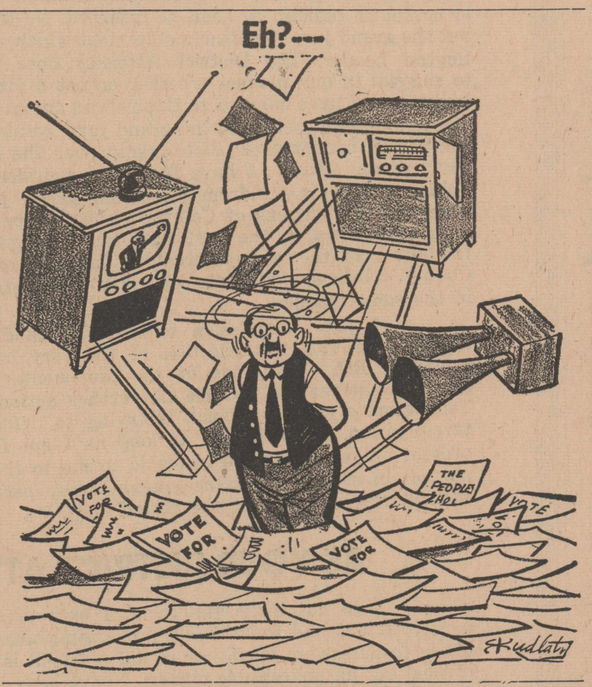
* * *

And while they are at it, they might as well go whole-hog on the matter of equal rights for the sexes, and pass a law that men can be mothers.

* * *

Dear Editor:

I see where the last big circus has folded its tents and gone home, partly because of the grounds



crew going on a strike for more money.

* * *

My ex-farmer neighbor says there are drawbacks to not getting enough money for your work, all right, but these citizens who struck themselves out of a job may find it is even more bothersome not to have any pay at all coming in.

* * *

And says he has noticed considerable non-enthusiasm for unemployed cotton farmers in the labor market, and figures there is likely also very slight demand for unemployed circus-tent pitchers.

* * *

Dear Editor:

I see where an Alabama judge fined the National Association for the Agitation of Colored People $100,000 because they wouldn't give him a copy of their membership list.

* * *

Seems that some of the people who belong to this organization don't want it advertised, especially among their fellow citizens who hire them, loan them money, etc.

* * *

My fact-finding neighbor says he don't blame them for wanting to keep this matter quiet. It can be economically embarrassing sometimes to get caught in the wrong corral. Like, for instance, he might be a postmaster now if somebody hadn't squealed he is a Democrat.

Proposed Constitutional Amendments To Be Voted On At An Election To Be Held On November 6, 1956

SENATE JOINT RESOLUTION NO. 2 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to change the membership of the Veterans' Land Board; so that the total amount of bonds or obligations that may be issued by the Veterans' Land Board shall be increased to Two Hundred Million Dollars ($200,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Commissioner of the General Land Office, and two citizens of the State who shall be appointed by the Governor with the advice and consent of the Senate. The Governor shall biennially appoint one such member to serve for a term of four years, with the initial appointments to the Board under this section to be for terms of two and four years, respectively, and all subsequent appointments to be according to provisions of this section. One such appointive member shall be well versed in veterans' affairs and the other such appointive member shall be well versed in finances. The Commissioner of the General Land Office shall act as Chairman of the Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as may be now or hereafter provided by law. The compensation for said appointive members shall be as fixed by the Legislature, and each shall make bond in such amount as may be prescribed by the Legislature. The Veterans' Land Board may issue not to exceed Two Hundred Million Dollars ($200,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas, in such form, denominations, and upon the terms as are now provided by law or as may hereafter be provided by law; provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum, and that the same shall be sold for not less than par value and accrued interest.

"In the sale of any such bonds, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds; such bonds to be issued as needed, in the opinion of the Veterans' Land Board.

"The Veterans' Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State, (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation. Provided, however, the portion of the Veterans' Land Fund not immediately committed for the purchase of lands may be invested in short term United States bonds or obligations until such funds are needed for the purchase of lands. The interest accruing thereon shall become a part of the Veterans' Land Fund.

"All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of the Veterans' Land Fund.

"The lands of the Veterans' Land Fund shall be sold by the State to Texas veterans of the present war or wars, commonly known as World War II, and to Texas veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative Act, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

"All monies received and which have been received under the Constitutional Amendment as adopted by the people of Texas at the election held on November 13, 1951, and which have not been used for repurchase of land as provided herein by the Veterans' Land Board from the sale of lands and for interest on deferred payments, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas veterans of World War II, and to Texas veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative Act, in like manner as provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period ending December 1, 1959; provided, however, that, so much of such monies as may be necessary during the period ending December 1, 1959, to pay the principal of and interest on the bonds heretofore issued and on bonds hereafter issued by the Veterans' Land Board, shall be set aside for that purpose. After December 1, 1959, all monies received by the Veterans' Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of bonds heretofore issued and to pay interest thereon, and any of such monies not so needed shall not later than the maturity date of the last maturing bond or bonds be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All bonds issued hereunder shall, after approval by the Attorney General of Texas, registration by the Comptroller of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute obligations of the State under the Constitution of Texas. Of the total Two Hundred Million Dollars ($200,000,000) of bonds herein authorized, the sum of One Hundred Million Dollars ($100,000,000) has heretofore been issued; said bonds heretofore issued are hereby in all respects validated and declared to be obligations of the State of Texas.

"The additional bonds herein authorized may be sold in such installments as deemed necessary and advisable by the Veterans' Land Board. All monies received from the sale of land and for interest on deferred payments on land purchased with the proceeds of such additional bonds, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas veterans, as herein provided, in like manner as provided for the sale of lands purchased with the proceeds from the sales of the bonds provided for herein, for a period ending December 1, 1965; provided, however, that so much of such monies as may be necessary to pay interest on the additional bonds herein provided for shall be set aside for that purpose. After December 1, 1965, all monies received by the Veterans' Land Board from the sale of the lands and interest on payments, or so much thereof as may be necessary, shall be set aside for the retirement of said additional bonds and to pay interest thereon, and any of such monies not so needed shall not later than the maturity date of the last maturing bond be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law.

"This amendment shall be effective on and after January 1, 1957."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the general election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1956, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to change the membership of the Veterans' Land Board; increasing the Veterans' Land Fund by $100,000,000; said fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans of World War II and to Texas veterans of service in the Armed Forces of the United States of America subsequent to 1945. Such funds shall be expended in accordance with instructions and requirements that may be provided by law."; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to change the membership of the Veterans' Land Board; increasing the Veterans' Land Fund by $100,000,000; said fund to be used for the purpose of purchasing land in Texas, to be sold to Texas veterans of World War II and to Texas veterans of service in the Armed Forces of the United States of America subsequent to 1945. Such funds shall be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of said amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said amendment, and the Governor shall issue a proclamation in keeping therewith.

Sec. 3. Should the Legislature pass legislation with regard to this amendment prior to its adoption, it shall not be invalid because of its anticipatory nature.

Sec. 4. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and Laws of this State.

Delicious Dish in a Jiffy: Frozen Chicken

BY DOROTHY MADDOX

IN many markets you now find frozen fried chicken. Each package contains a whole chicken cut up in 8 pieces plus the giblets, fully cooked, requiring only heating to serve. You may heat it in the oven for 30 minutes in its foil carton. Or it can be heated in the broiler for 10 minutes. For quickest serving, heat in deep fat for 5 minutes.

The frozen packaged fried chicken comes out of the oven golden crisp, tender and juicy. Serve with this sauce.

Sesame Honey Butter

One-quarter cup butter, 3 tablespoons honey, 3 tablespoons toasted sesame seed.

Combine ingredients.

To Serve Hot: Place butter, honey and toasted sesame seed in dish or pan in oven 15 minutes before chicken is removed. Serve hot with chicken.

To Serve Cold: Whip butter, add honey gradually, whip until light. Add sesame seed. Serve with browned fried chicken and hot bread.

Sesame honey butter is a crowning touch for fried chicken. And it provides a quick way to prepare the frozen type.

John W. Grogan Well Known Area Rancher, Dies

Funeral services for John Wesley Grogan, 83, will be held in his ranch home at 10:30 a. m. Wednesday and burial will be in the Shamrock cemetery under direction of Clay Funeral Home.

Mr. Grogan, a Wheeler County rancher since 1908 and widely known in Collingsworth County, died Monday at 6:30 p. m. following a long illness. He was born December 15, 1872, in West Virginia and moved to Clay County Texas, with his parents when he was 3.

He went to the Oklahoma Indian Territory when he was 14 years old and took a job punching cattle. When he was 22 he bought a ranch at Ryan, Okla., where he held a contract to furnish beef for Fort Sill.

The young ranch owner married Miss Mary Smyer at Fort Sill in 1899 and in 1908 they moved to Wheeler County.

He was a member of the Methodist Church.

Survivors are his wife, two sons, Russell and Redd Grogan, both of Shamrock; four grandchildren, and four great-grandchildren.

Every Purchase You Make
In a Home-Town Store . . . Is Just Like

Putting Money in the Bank

. . . a bank you can draw on for customers, a job, friends in time of trouble, schools for your children, churches for spiritual help . . . and the good life in this community . . . where everybody is Somebody

Every time you spend a dollar in this community for goods and services, a substantial part of that dollar automatically becomes an investment in an enriched social and business life for YOU and your family and friends.

It's an investment you can draw on every day of your life . . . an investment that pays big dividends in happiness and prosperity, as it strengthens and builds up the vitality of this area in which you live . . . and in which YOU are important.

Contrast this with what the community-building and supporting part of your dollar does for you when you spend it away from home, send it to some mail order house, or surrender it to some migratory peddler.

It's gone. To support some other area . . . to build up wealth that YOU can never draw on . . . and to strengthen those who aggressively drain off the trade of your community . . . to weaken your business, your schools and churches, to eliminate your job, and devaluate your property.

It Pays to Buy where You Live

Annual Homecoming at Trinity Church Sunday

The annual homecoming of Trinity Methodist Church will be held Sunday August 19, the Rev. Cecil Guthrie, pastor, has announced.

This is the out-growth of the annual Salt Fork Methodist Church homecoming held in that community many years. It also is in celebration of the 86th birthday of Mrs. J. L. Cummings who with her daughter, Mrs. Dee Harris, are the only remaining charter members of the Salt Fork Methodist Church.

"Now that the circuit churches have united and moved their membership to Trinity Methodist Church, it has been voted to continue the hoemcoming," R. H. Isbell, who is helping with plans, said.

"Several old timers already are here for the celebration, and we'd appreciate the names of charter members of the other circuit churches so they can be given honorable mention," he continued.

There will be Sunday School at 10 a. m., but no preaching at the morning service. Dinner will be spread at noon, and those attending are invited to bring well-filled baskets and spend the day.

In the afternoon, the Collingsworth County Singing convention will be held at Trinity Church, with singers coming from other towns and communities, Mr. Isbell, who is vice-president, said.

Don Ward–

(continued from page one)

Mangum downed Lawton 14-4 after getting off to a slow start when the Colonels jumped ahead 4-0 in the first three innings.

Lawton who had come from behind with a five run splurge in the ninth inning to down Stillwater 8-7 in a semi-final game Friday afternoon came into the game fired to the hilt and started off as they would run Mangum out of the tournament by scoring two runs in the first, one in the second and third and take a 4-0 lead. Things looked black for the Mangum team and their many loyal followers but the fighting Mangum team came roaring back to score three runs in the fourth, four in the fifth, two in the sixth and five in the seventh to ice the game away.

Following the game Mangum's "come from behind fighting champions" were presented trophies representing the League. Play-Off District and State trophies with Coach Dan Ward accepting the cups presented by Garland Nelms, Seventh District Legion Commander.

Ward had two men placed on the all-star team, Von McDaniel and Merlin Nippert. McDaniel is the kid brother of the St. Louis Cardinals Lindy McDaniel, and son of Mr. and Mrs. Newell McDaniel who live east of Dodson.

The Greer County News, in an editorial, said in part:

Certainly the fine coaching of Mr. Ward is to be commended and fans everywhere are overwhelming him with congratulations. Last year, the mentor took our Legion team to the state tourney but elimination followed after the third game.

This time, the team deservedly won the top honors by winning four straight contests. Congratulations to every player and best wishes to Mr. Ward and his young men in the approaching national regional playoffs.

Sam Norwood–

(continued from page one)

Dumas; Mrs. Tom Clay and Mrs. Frank Dubose of Shamrock: and Charles C. Norwood of Corpus hristi. Mrs. Norwood and three children preceeded him in death, Olan Norwood in 1945; and the oldest and youngest children, Sally Mason Norwood and Seth Ward Norwood.

A tribute to your good care! Worth more than ever before! *Yet, it's a danger zone.*
