Low Turnout Marks City, School Elections

In Blossom and Deport there was very little opposition in city elections and in the Prairiland CISD Board election, no opposition as a light voter turnout characterized Saturday's elections.

In Blossom, incumbent Tommy M. Ownes, appointed to the vacancy in 1985, ws defeated by Jackie Shelby and Bill Pitts.

Pitts will serve a two year term, as will Shelby.

Shelby garnered the most votes with 59; Pitts with 54. Ownes received 19 votes.

Lynda Ann Thompson, the current mayor, was unopposed in her bid for the seat, and received 43 votes. Seventy-seven votes were cast in total.

In Deport, Mayor Charles Foster was returned to his seat, and Duane Glover and Kala Barnard were re-elected to two year terms. Glover received 91 votes and Barnard 87.

Nancy Gresham and Jim Short were elected to two one-year unexpired terms. Jim Birdsong failed to make a place on the council.

Gresham received 85 votes and Short, 84. Birdsong received eleven.

Again, a low voter turnout was the rule of the day.

The Prairiland CISD races, which were unopposed, put Steven Dunagan in a three year term in Place 1 with 132 votes.

Kenneth Gifford was elected to the Place 3 one-year unexpired term with 120 votes.

Dana Norman took Place 4's three year term with 121 votes.

Dunagan is a resident of Blossom and Gifford and Norman are Deprot residents.

A total of 137 votes were cast in the election.

NICHOLS' WORTH

By: Nanalee Nichols

The night is quiet...a typical country night, dark, puntuated by an occasional bullfrog. Sleep is coming along the path, almost there.

Suddenly, into the silence, pours the liquid [illegible]artling song of a mockingbird. He is imitating cardinals mostly, tonight, his slightly modified "pretty, pretty" call echoing through the darkness.

The battle is joined once again. It happens each spring when "my" mockingbird returns home, to sit on the wire outside and sing his joys.

I love him. His song is delightful to me. My husband hates him. It's a problem.

I cannot sleep with televisions, stereos or radios playing anywhere in the entire house.

He sleeps well that way.

He cannot sleep with that "blankety blank bird" singing outside the windows. Likewise for frog choruses, crickets or owls.

The mockingbird, predictably, enjoys irritating Thomas. The other night Thomas yelled "Well churrup, churrup, to you, too, buddy". The bird happily mocked his "chirrups" right back at him. Thomas threatened to take the twelve gauge out to him then!

When he threatens dire things toward the bird, I remind him that it's illegal to kill the state bird. I talk about the ecology, threatened habitat, all the other stuff. He still threatens the bird's life. I know, of course, that he won't actually DO anything about it.....just fuss.

But almost every night, the mild argument begins.

I like the bird, he doesn't.

Last night the mockingbird didn't sing. I guess he's been staying up all night too much lately.

Instead, two bullfrogs got into a croacking duel. Guess what? Thomas doesn't like to hear them either!

Subject: Public Drinking Water Sply.
Pattonville WSC-1390011
Lamar County, Texas

Dear Mr. King:

On February 17, 1986, our representative, W.C. Hearron, P.E., in company with you, made a sanitary survey of the subject water system. As a result of this survey, your attention is directed to the following items of noncompliance with State Statutes and this Department's regulations:

1. Your water system fails to meet this Department's "Minimum Water Quantity Requirements for Public Water Systems". These requirements include the following: (a) a pressure tank capacity of 2,500 gallons per 125 connections or fraction of 125 connections and (b) two or more service pumps with a total rated capacity of 2.0 gallons per minute per connection. Your water system must be modified to meet these requirements so as to assure an adequate supply of water at all times.

2. As you are well aware, the fluoride concentration in the water from your well exceeds the standards set forth in this Department's "Drinking Water Standards" and the Federal "Safe Drinking Water Act'. The water is also high in sodium and total dissolved solids.

This department has been recommending for several years that you strongly consider securing an alternative source of water for mixing with your water or else instaling equipment capable of reducing the fluoride content to an acceptable level.

We expect to receive a reply from you within 60 days from the date of this letter as to the action you proposed to take on this matter.

In conclusion, we wish to express the thanks and appreciation fo our representative for the courtesies extended him during this survey. Should clarification of any of the items listed above be desired, please let us know.

Very truly yours,
James E. Pope, P.E., Chief
Surveillance and Technical Assistance Branch
Division of Water Hygiene

Note: We, the Board of the Pattonville Water Supply Corporation want Pattonville Water Subscribers to be aware of all facts concerning the water system.

Prairiland Ups District Record

By James VanDeaver

The Prairiland Patriots inproved their district record to a perfect 3-0 as they defeated the Mt. Vernon Tigers 2-1 Tuesday night.

In the top of the first inning, leadoff hitter Mike Connot drew a base on balls and then promptly stole second base. Two outs later, cleanup hitter John Dusenberry cleaned off the bases with a towering double that scored Kennedy and the Patriots led 1-0. The next hitter, Heath Kennedy, got an infield single but the rally was ended when Dusenberry was thrown out at the plate.

In the bottom of the first inning, Mt. Vernon was quick to retaliate as they picked up back to back hits which tied up the game at 1-1. However, pitcher Scott Scudder proved to be a rally ender as he struck out the third batter in the inning and then John Dusenberry, the catcher, pegged out a runner trying to steal third base. Scudder got the final out of the inning on another strikeout and the score was tied up at 1-1 after an inning of play.

Both Scott Scudder and the Mt. Vernon ace then got in a pitcher's duel as they matched each other, strike out for strike out. However, in the top of the fifth inning, second baseman Joel Ballard hit a shot over the right field fence to give Prairiland a 2-1 lead. Neither team scored in the remainder of the game and Prairiland went on to win 2-1.

Pitcher Scott Scudder upped his district record to 2-0 with the win striking out 14, while allowing only three hits.

On Monday night, the Patriots traveled to Clarksville to make up a game scheduled the prior week and came away with an 8-5 victory.

In the top of the first inning, it appeared as if the Patriots would have an easy game. Lead off hitter, Mike Connot, reached on an error and then Joel Ballard followed with a single which moved Connot to third.

After Ballard swiped second base, Scott Scudder singled hard up the middle driving in both Connot and Ballard. Two outs later, Chris Sparks drove in Scudder with another sharp Scudder. Prairiland failed to score again in the inning, but led 3-0 after the first half inning of play.

In the bottom of the first inning, pitcher Mike Blackburn gave up two hits and a run as the Tigers cut the lead to 3-1 on singles.

Prairiland again had their bats booming in the second inning as Blackburn lifted a single to center and then Mike Connot followed with a walk. Joel Ballard then hit a single up the middle to score Blackburn to make the score 4-1. Prairiland got their final run of the inning when Connot came in to score when the Clarksville catcher threw the ball, trying to throw out Ballard. After one and one-half innings, Prairiland led 5-1.

After both Blackburn and the Clarksville pitcher pitched perfect innings, the Tigers got a brief rally going in the last of the third. Blackburn gave up an infield single and a rocket of a double but allowed only one run and the Patriots led 5-2 after three innings.

In the fifth inning, after a single, Blackburn gave up a long two-out double and the Patriot lead ws cut to 5-3.

In the top of the sixth inning, after an out, pinch hitter Craig Burns hit a long triple. Blackburn followed with a single which drove in Burns. Then, Patriot Coach Bill Scudder inserted pinch runner Jeff Morrison to run for Blackburn. Morrison stole second, third and then scored in a rundown between third and home. Morrison's run was the last Prairiland got, but they led 7-3.

In the last of the sixth inning, Clarksville got a run although Blackburn pitched flawlessly. After Clarksville got a run with the aid of two Patriot errors, the Patriots led 7-4.

Both teams pushed across single runs in the last inning as Prairiland went on to win 8-5. Blackburn was the winning pitcher and also went 2 for 3 at the plate. Going 2-4 for the Patriots were Chris Sparks, Joel Ballard and John Dusenberry. The next Patriot game will be Friday afternoon as they will play Daingerfield at home at 4:00 p.m.

Prairiland Band Presents Sesquicentennial

The Prairiland Bands, Beginners, 7th and 8th grades and high school, presented a sesquicentennial program last Thursday night, to a large audience.

The selectins presented were tunes of an historic nature, reflecting the varied musical heritage of the state.

A backdrop of red, white and blue, plus Texas flags and the Texas sesquicentennial logo were arranged behind the bands.

Selections included:

Mountain Hoedown and Aura Lee by the 6th grade band are typical folk tunes of the Texas beginning years.

Streets of Laredo by the 7th and 8th grade band is an adaptation of the tune depicting the border city. The tune has been used in many western movies that center around this Texas city.

New Frontier March is an appealing incorporation of contemporary and traidtional march forms that Mr. O'Reilly has used in capturing today's concert band sound.

Variation Overture is a serious effort by the composer to utilize mature techniques of composition within a simply framework. Although Mr. Williams was born in Arkansas, he was very well known in Texas and for a few years was composer in residence at the University of Texas. This number will be performed by the

SAFETY
It's Your Responsibility

We at Texas-New Mexico Power Company are here to help with electrical safety information, but protecting yourself is something that you must do for yourself. Some safety measures you should remember include these recommendations:
•Avoid contact with overhead or underground power lines. Never touch a power line because serious shock could occur.
•Be careful when working around power lines. Never allow a pole, antenna or ladder to come in contact with a power line.
You can get more information about electrical safety from our office. We can talk to you individually, or, if you want to have safety discussed at your organization's meeting, we have speakers available through our Speaker's Bureau to discuss electrical safety.

Burns Candidate For County Judge

Robert A. (Bob) Burns has filed for election to the office of Lamar County Judge. Burns resigned from the Texas Parks and Wildlife Department in order to enter the race. For the past five years, he has been the Superintendent of the Sam Bell Maxey House State Historic Structure in Paris.

Burns cites his longtime interest in the history and well-being of the people of Lamar County as the inspiration for his candidacy. He feels that federal and state funding to local governments will decrease in the coming years because of shrinking revenues at the higher levels of government. Burns's approach to county government will be to provide the maximum level of service that Lamar County citizens desire by using the funds available in the most efficient and fair manner. The office of county judge is primarily an administrative position requiring managerial skills, common sense, compassion and courtesy. He will strive to provide low-key, responsible leadership, using skills acquired in business and governmental management and through his education.

Burns's goal is to foster progress and industrial and commercial growth by providing stable government and creating a climate of cooperation and teamwork throughout all levels of government and the private sector. "I feel Lamar County has the resources and people who are willing to work and contribute toward progress, and I look forward to promoting the type of attitude and spirit that will improve life for everyone in Lamar County," stated Burns.

A native of Paris, Burns graduated from Paris public schools and attended Paris Junior College. He earned his bachelor of arts degree in history and government from the University of Texas at Austin. He has done postgraduate work in history and government. He has completed the Texas State Government Management Seminar.

While employed with Texas Parks and Wildlife, he was the recipient of the certificae of valor in 1982. Burns is a decorated Vietnam veteran, honorably discharged after serving four years in the United States Marine Corps, having served 21 months in Vietnam during the war. He is presently commanding officer of Company D, 702 Military Police Battallion for the Texas State Guard. Burns is vice-president of the Lamar County Vietnam Veterans Association.

Burns has been employed by the National Park Service in Colorado and has been a fireman with the Paris Fire Department. Presently, he holds the highest class license from the Texas Board of Private Investigators and Private Security Agencies and owns and operatives a private investigations company. Burns is also a licensed plumber.

For the past three and one-half years he has served as amember of the Board of Regents of Paris Junior College. Burns is an Eagle scout and Advisor of Boy Scout Explorer Post 3990, sponsored by the Veterans of Foreign Wars. He is a member of the American Legion. He is chairman of the Lamar County Historical Commission and a life member of the Lamar County Historical Society.

Burns writes a weekly column in the Sunday Paris News entitled "Moments in Time," which deals with history and impressions of Lamar County. He is a member of the Western History Association, Lamar County Chamber of Commerce, and the Red River Valley Fair Association. He serves on the Sesquicentennial Committee of Lamar County and is a member of the Paris and Lamar County Visitors and Convention Council.

Burns serves on the board of directors of the Paris Junior College Alumni Association and is a member of the Friends of the Paris Public Library, having served on its board in the past. He has served as a delegate to the past four Texas State Democratic Conventions.

He and his wife Katie live at 547 S. Main in Paris. She teaches French and Spanish at North Lamar High School and is active in the Paris Municipal Band and Paris Community Orchestra. They have been married eight years.

MRS. ISABELLE McKinney of the George Washington Stell Chapter of the Daughters of the Republic of Texas in Paris was at the Blossom Junior High School Tuesday afternoon to present an early map of Texas, framed, to Charles Price, History teacher. Mrs. McKinney was introduced by Mrs. James Lowry, member of the DRT and teacher at Blossom. Mrs. McKinney addressed the Texas History classes and told them some of the interesting facts about the organization and urged them to become more interested in the history of their state and carry on the wonderful heritage left by their forefathers. Price made a short talk as he accepted the map in the name of the school and in appreciation for the gift.

By Mrs. Marvin Bruce

Our sympathy is extended to the family of Ralph Dabbs who died last week.

Mr. and Mrs. David White and son John of Houston spent the weekend with his grandmother, Mrs. J.M. Carter, and they went looking at the antiques and hunting for collectibles. Mr. Whtie is very interested in them.

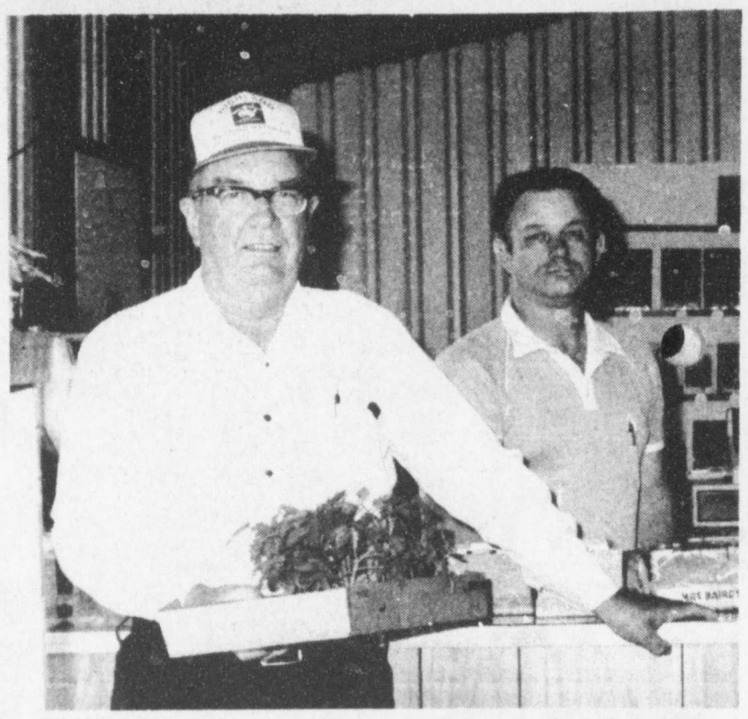

Mr. and Mrs. Marvin Bruce visited in Gatesville over the weekend, driving down Saturday and enjoying the bluebonnets and Indian paint brushes and some very pretty yellow flowers.

Mrs. J.R. Weddle and Mrs. Annette Chennault attended the funeral of an uncle, Morris Weddle, the funeral ws held in Mt. Vernon last Tuesday with burial in Bogata.

Jerry Skidmore of Hobbs, NM was here over the weekend to see about his mother, Mrs. Ruby Skidmore she was taken to the hospital Thursday they kept her until Saturday morning but she is back hoem now.

Mrs. Ruby Ray has been keeping two of her grandsons, J.J. and Taylor Clark while their mother, Mrs. William Clark, was in the hospital last week. she has gone home now.

Mr. and Mrs. Marvin Bruce visited their niece, Mr. and Mrs. Carl Gauntt of Edgewood Sunday night.

FRANK MOWERY recently opened Mowery's Midway Quick Stop on U.S. Highway 82 East between Sun Valley and Blossom. The store, which sells groceries, bait and gasoline, is in the former location of Nichol's Produce. Mowery added that the store also has viceo cassete movie rentals and does income tax preparations. Mowery is the former owner of the Montgomery Ward Catalog Sales Agency in Clarksville. He opened the store after Montgomery Ward closed all catalog sales agencies at the end of last year. Mowery has lived in Blossom for 18 years. His wife, Linda, is employed at Paris Junior College. They have three children.

BAND— Continued From Pg. 1

Prairiland Band at the U.I.L. contest in White Oak on April 19 and 20.

Brookshire Suite is a concert number with three contrasting movements. The first movement includes a subtle fanfare followed by a concert march. The second movement is a pleasant tune going along with the title of the movement "Little Jazz Song". The third movement is a musical form, the fugue, taken from the 17th century and set to a modern harmonic setting.

1836-A New Land-A New Nation. This piece is a musical description of the varied cultures which were united in 1836 to form the Republic of Texas. The first tune, "Will You Come To The Bower" was played by a small band of musicians during the Battle of San Jacinto on April 21, 1836. Because this battle gave Texas her independence, this song is known as the national song of the Republic of Texas. The Anglo-Americna settlers are represented by the then-popular folk song "Green Grow the Lilacs" which is heard as the second song. The Mexican-Spanish settlers are depicted in the exciting rhythms of "Fiesta" which is heard here as the third song. This is followed by the tune called "Azteca" which depicts the Mexican-Indian population.

To complete the medley we again hear the strains of "Will You Come To The Bower" as a reminder of the common struggle experienced by all Texans in the formation of their own Republic, which was subsequently admitted as the 28th state of the Union in 1845.

March Juno is a concert march in the British style. It was written by John Stewart who is a graduate of East Texas State University and is presently serving as chairman of the music department at the University of Dallas.

Texas, Our Texas by W.J. Marsh is arranged by Tom C. Rhodes, formerly band director of the Longhorn Band at the University of Texas. This number was adopted as the official state song in 1929.

PICTURED HERE are the Deport seventh and eighth graders whose projects were taken to ETSU for History Day. Seven of the youngsters are eligible to go to Austin in May for state competition. From left to right, back row are: Matt Birch, second place Ind. Project; Susan Richey, superior rating; Tina McMikel, superior rating; Cynthia Fagan, excellent, first place Colonial; Dena Davis, superior, second place project group; Tracie Cutbirth, superior, first place ind. project; Gerald Cox, excellent rating; Lori Malone, superior rating; Stephanie Mitchell, excellent, second place media; Patti Bryant, excellent, second place media; Kathryn Guyon, superior rating; Lorrie Sheppard, superior, second place group.
