TOSSED BY THE WINDS -- the roof of a shed on the Paul Brooks farm was blown off Saturday in a late afternoon wind

and hail storm. Almost every house in Hart received some damage by the hailstorm which lasted 45 minutes.

Wind & Hail Rake Area

Savage hailstones inflicted extensive damages in the Hart area Saturday afternoon. Striking shortly before 6 p. m., the hail storm lasted some 45 minutes and did some damage to almost every house in Hart.

Heavy damage was reported to cotton and corn crops. Some residents reported hail stones

the largest they had ever seen. Perhaps hardest hit, a roof of a shed was blown away at the Paul Brooks farm one mile south of town. Thomas Brooks and a hired hand had taken refuge in the shed just minutes before the roof was blown off. Windshields were broken out of two pickups.

A window and glass in a door were also broken at the home.

Cleve McLain, three miles south of Hart, reported quite a lot of damage but said he believed he could leave all his crop. Claude Cox also reported that he would be able to leave his cotton although he received considerable damage at his farm seven miles north and four west of town.

Glen Wilson who farms west of Hart on the Dimmitt highway reported heavy damage. Southwest of town, Ed Bennett and Hubert McLain reported total losses.

Two and a half inches of rain had fallen in the city up to Tuesday morning.

P,H&T Winners Are Announced

Phillips 66 Official Major league Baseball Pitch, Hit and Throw Competition was held Saturday June 10 at Sanders Field.

The 9-year-old winners were Matt Aven with 277 points, Maxie Craig with 230 points. The 10-year-old winners were Tracy Rich, 205 points and Scott Jones, 184. Winners in 11-year-old division were Robert Lee Lacy Jr., 355 points and Kelly Jones, 345 points. Johnny Newsom 388, and Bart Bruington, 336 won in 12-year-old competition.

Other contestants and their scores were Benny McLain, 103, Chad Bruington, 51, Russell Clevenger, 105, Brad Hill, 184, Chuck Riddles, 122, Daniel Higgins, 140, Keith Newsom, 126, Kyle Gleghorn, 62, Kyle Malone, 237, Ricky Rowland, 225, Brett Aven, 159, Glen Black, 209, Kent Hill, 230, Keith Reed, 311, and Larry Marble.

Local competition director is Newlon Rowland. The winners will advance to regional contest June 17 in Amarillo.

Plane Totaled, Pilot Uninjured

Stan Leonard received minor injuries Saturday when the Cessna Ag-wagon he was piloting crashed about 8 a. m. northwest of Hart.

The aircraft, owned by American Dusting Company, crashed when the engine stopped while Leonard was making a turn spraying cotton. The aircraft was totaled.

Annual Will Rogers Range Rider Rodeo To Get Underway July 1 In Amarillo

America's top cowboys are expected here to compete for one of the largest purses of prize money in the thirty year history of Will Rogers Range Rider Rodeos when the first go-round gets under way July 1 at the Range Rider Arena west of Amarillo.

Rodeo Chairman Cliff Lowrance reports inquiries about the forthcoming rodeo from not only Texas, New Mexico, Colorado, Oklahoma, Kansas, Wyoming and California, but even as far away as Australia. "L. D. Ward's top rodeo stock and the excellent performances of the most colorful cowboys in the country have made this annual rodeo and Independence Weekend Tradition."

The Will Rogers Range Riders have also joined with the Amarillo Chamber of Commerce to sponsor an Honor America Day Parade at 10 a. m. Saturday July 1, in the downtown area.

Riding clubs competing for First, Second and Third place trophies will join with floats, marching units, elected officials and political hopefuls to ride a parade route starting at 12th and Polk Streets. The parade will follow Polk north to 4th and then proceed east to the Amarillo Civic Center.

In as much as the President has declared June 14 through July 4 as National Flag Days, it is hoped a sea of American Flags will greet the participants as they pass. This parade will be highly publicized and pictures of the parade will be sent to our President and

Representatives in Congress in an extra effort to promote the Golden Spread as a choice example of patriotism alive in our country today.

Weekend festivities, in addition to the parade and rodeo,

Board Names Equalization Committee

School board members, meeting Tuesday, appointed Charlie Martin, J. D. Murry and Lorenzo Lee to the Board of Equalization and set July 10 as a meeting date.

Contract of Tom Ed Benton, school tax accessor-collector and business manager, was renewed for 1972-73. Teachers' applications were reviewed.

A band budget of \$3,557 was approved for the 72-73 school year and okay was given for the purchase of 13 manual and four electric typewriters for the typing department.

The board also approved the purchase of commercial equipment for the girls CVAE department with the school's part at \$7,948.82. Ten percent of the cost is borne by the school with the State and Federal government paying the remaining 90 percent.

A bid of \$1,078.87 by Mac Donald Trading Post was accepted for the 1963 Dodge spare bus.

In other action, the board approved the purchase of two ten-burner ranges for the cafeteria at a cost of \$1,440.

which will run Saturday, Sunday, Monday and Tuesday, July 1 through July 4 nightly at 8:30 p. m.; a Rodeo Queen Contest will be held Saturday afternoon at 2 p. m. in the Range Rider Arena for girls 15 through 19. There will also be a western dance on Saturday evening immediately following the rodeo performance.

Some box seat tickets are still available for the rodeo and general admission prices are \$2. for adults and seventy-five cents for children twelve and under.

The Sixes are members of First Baptist Church.

FRITO SALAD

1 med. head lettuce, broken
2 stalks celery (optional)
1 avocado, cut in small pieces
2 med. tomatoes
1 small pkg. Frito corn chips

Toss and pour sauce over salad.

SAUCE

Heat together over medium heat:

1 lb. Velveta Cheese
2 hot banana peppers (canned type)

1 med. onion
1/2 c. canned milk

CHERRY ICE BOX PIE

1 can Eagle Brand milk
1/4 c. pecans
1 can cherries, drained
1/3 c. lemon juice
1/2 pt. whipping cream
1 baked pastry shell

Combine and pour into cool crust. Chill until time to serve.

POPCORN BALLS

1 c. sugar
1/3 c. Karo
1/4 c. water
1 tsp. vanilla
2 or 3 drops coloring
1/4 c. butter

Boil all together until forms a soft ball in cold water. Then pour over popcorn and form into balls. Balls are easy to form if hands are wet with water. Makes about 12 medium size balls.

"My favorite recipe", Patsy says "is one in which I seem to always leave out some ingredient, therefore the finished

product isn't just as it should be but is worth constant working for."

are Lloyd Davis of Midland and Mrs. Gordon Davis of Houston.

Officiating was the Rev. C. T. Cunningham, pastor of First Baptist Church. Vows were solemnized before a setting of white roses and greenery flanking a candelabra with yellow tapers.

Given in marriage by her father, the bride wore a formal length gown of Spanish lace over bridal taffeta fashioned with a high duchess neckline highlighting a pearl beaded yoke and long tapered sleeves. A wide flounce of scalloped lace encircled the hemline of the softly shirred skirt.

She wore an ivory lace-edged pequera and carried a bouquet of yellow roses and white carnations.

Kathy Crawford was maid of honor. She wore a formal length dress of dotted swiss over lime green. White daisies accented the neckline and waistline. She carried a bouquet of yellow carnations and yellow roses.

Best man was Ricky Farris. A reception followed the ceremony. The brides table featured yellow candles and greenery. Mrs. Ricky Farris served wedding cake. Punch was ladeled from a milk glass punch

bowl presided over by Miss Debbie Hoffman of Lubbock.

For a wedding trip to El Paso and Juarez, the bride wore a brown and white dress with white accessories and corsage of yellow roses lifted from the bridal bouquet.

The bride is a 1972 graduate of Hart High School.

Davis graduated from Hart High School in 1971. He is employed by Hill Feed Lot.

Out of town guests included Mrs. W. C. Hoffman and Debbie and Mr. and Mrs. William Hoffman, Shawn and Tracy, all of Lubbock and Mr. and Mrs. W. B. Dyer of Cotton Center.

Moments Of Meditation

CLAUD T. CUNNINGHAM
Chaplain, U. S. Navy

There are two diametrically opposite directions pride can follow. One is obvious, the other more subtle and more insidious, therefore more deceptive. One is conceit, the other contempt. Both are evil.

Conceit is evil because it overrates the man, disregards the gifts and blessings of God, ignores the contribution others have made, and is hypocritical because it is pretension and bluff.

Contempt for self is pride in reverse or the back side of conceit. It is evil because it also disregards the gifts and blessings of God. It may not be hypocritical, but there is a type of false humility that is utter pretension since it seeks double credit; not only for modesty, but for recognition of the gifts it pretends not to have.

"Take a same view of yourself," admonishes the great Apostle. Self inventory is legitimate in order that a man may evaluate the measure of faith God has given him and then make the most of the gifts. Don't think more highly of yourself than you should, but by the same token, do not think less of yourself than you should.

God has built into every person certain talents, gifts, and capacities that distinguish him from all others. They are there at birth, intended by God to be exploited and used to His glory and for blessings to men.

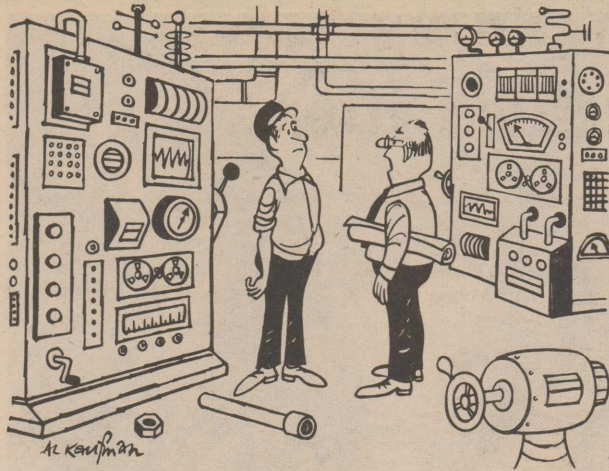

Man was made to have fellowship with God, to be ruled by God, and man is never himself until he submits to this Divine rule. The man who will not yield himself until he submits to this Divine rule, The not yield himself to Jesus Christ remains something less than he could be - under par for his life. This is one of the inescapable paradoxes of life; the harder a man tries to be himself without being right with God, the less like himself he becomes and the more like everybody else he is.

"What is the greatest thought that can occupy a man's mind?" Daniel Webster was once asked.

"His accountability to God," was the profound reply. This is the realization that everything one thinks, does, or says is known to God and some day

he must give an account of these. Every person is the center of a little world in which he lives, plays and works. As such, each is a contact between God and this little world which revolves around him.

If God is to reach out to others, He must do it through you. Examine your own life. Is it what it should be? The only way to be your true self is Christ living in you.

"You need never worry about being replaced by automation, Frisby. They haven't yet invented a machine that does absolutely nothing."

PERMAFROST

Permafrost, permanently frozen ground, lies under the surface of the Arctic tundra and prevents water from being absorbed.

ACHING BACK

A once-popular treatment for back pains was to have the seventh son of a seventh son stand or walk on the patient's back.

EASY SLIPCOVERS

Slipcovers usually are made of medium weight material for ease of handling.

FLOUR POWER

Stone ground flours are more nutritious. Commercial methods for grinding grain involves high heat which destroys certain heat-sensitive nutrients.

VERY RARE

Pandas are very rare and though now protected from hunters, they may be endangered.

HONEYMOON

The wedding bells rang, the bride was radiant, the groom's mother cried, just a little, and the maid of honor caught the bouquet. It was a perfect wedding, and the honeymoon has been ideal.

Tomorrow, this young couple will be going home to begin a new way of life. In it, reality will be combined with romance. There will be the blending of two temperaments under a single roof. There will be all the frustrations of daily living, and the pain as well as the pleasure that comes with just being alive.

How will they adjust? That depends on the basics that were taught to them years ago, in their own homes—and **in church.**

Many Accidental Poisonings Occur While Supervised

"Ninety-five per cent of accidental poisonings occur while children are supposedly under adult supervision," said Mrs. Doris Myers, home management specialist for the Texas Agricultural Extension Service.

More than half a million different kinds of medicines, cleaning aids and other household substances tempt children's curiosities and often cause poisoning.

"The key to halting these poisonings is a continuing plan of prevention in the home," the Texas A&M University employee said. "First, don't store bleach, detergent, drain cleaner or other hazardous substances under the kitchen sink or any other place accessible to small children.

"And don't keep bug killers, medicines or other dangerous items next to food."

Paint, insecticide, turpentine, alcohol or other such substances may be mistaken for something to drink when poured into bottles or similar-type containers.

"Just because something

looks, smells or tastes horrible to you doesn't mean that a child won't eat or drink enough of it to poison him," Mrs. Myers said.

The specialist said that a child's sense of smell and taste aren't as developed as an adult's. He can't read or recognize the signs of poison, and just one taste can kill him.

"Remember," Mrs. Myers stressed, "it's up to you to keep your child safe from poisons."

Richard Franks Receives Plaque

Richard Franks was presented a plaque for outstanding service to Lionism in District 2T2 at the Monday noon meeting of Hart Lions Club. He has been serving as Deputy District Governor.

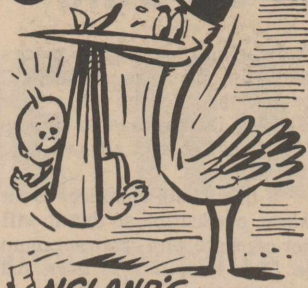

Bill Rich was named chairman of Lions activities for Hart Day. Plans were begun.

Special guests were Ed Mc Creary of Tulia and Lonnie Phillips.

FARMERS' SHARE SMALLER

At present U. S. farmers receive 38 cents from the dollar that consumers spend for farm-raised food. This is down from 49 cents 20 years ago.

Facts & Fancies For Father's Day

Did you know that Father's Day was started in honor of one particular father? His name was William Smart and the holiday began in Spokane, Washington.

How come there's a Mother Nature, but a Father Time? And why do patriots love their "mother" country, but their "father" land?

First man to become a father in the White House was President Grover Cleveland, whose daughter Esther was born there in 1893. But another President, George Washington, is known as "the father of his country" — although he had no children.

Farmers Are Reminded Of 'Reseal' Sign Up Date

Continuation of "orderly marketing" of grain is encouraged by the Grain Sorghum Producers Association. Elbert Harp, GSPA Executive Director, reminded farmers that they need to sign up to "reseal" their grain sorghum that is in government loan by June 30, or it will become property of Commodity Credit Corporation.

Harp stated, "The grain sorghum farmers are to be commended for their determination to distribute the sale of grain throughout the year. This practice kept the market prices in most areas from dropping back to the loan level, as they did throughout the corn belt."

The grain market has held from 20-30 cents per hundred pounds above the loan level ever since last fall. "There is little doubt that, had everyone dumped his grain during harvest season, the market would have gone below this level. It still will if everyone suddenly decides to sell," Harp said.

The reseal program offers farmers the opportunity to hold

their grain for higher prices later in the year, with CCC paying the storage after June 30. The farmer has to sign up for reseal to take advantage of this program.

If the drought continues to cut wheat production so that it will not compete with grain sorghum in feed lots; if 1972 corn and sorghum crop prospects deteriorate; and if overseas sales of grain to Russia and other countries materialize, there should be some strength in grain markets this summer.

SODA SPARKLE

Use washing soda as a cleaning agent. A basic solution of three tablespoons of washing soda per quart of warm water makes woodwork, glass, tile and mirrored surfaces sparkle.

Last week was 4-H Roundup at College Station. We had a very good time - the 4-H'ers will be glad to tell you about it anytime.

Mona Acker, Donna, Agnes and I went together; Michelle Mackie from Hansford County went with us. We left here Tuesday morning early and arrived at College Station in time to register. Then we had a program followed by dancing.

Wednesday the girls gave their Civil Defense demonstration - there were 26 teams in competition. We were not in the top three but our girls learned a lot that will help them for next year. Wednesday evening there was an awards program

and we also got to see eight of the Share-the-Fun groups.

We left early Thursday morning and stopped by the zoo in Abilene and enjoyed it. I was very proud of our county group; they were excellent representatives for us.

This week has been busy. Monday and Tuesday Charles and I attended a district meeting in Canyon. Wednesday was our Tri-county 4-H clothing training meeting.

This is still a busy time for yard work. Flowers are pretty. That reminds me, I wanted to let you know how pretty all the flowers were along the road on the way to College Station. We really enjoyed that "natural beauty". There were pretty tall red standing cypress, several kinds of lavender and yellow flowers as well as some dainty white flowers. We all enjoyed seeing the trees with lush grass. They've had some good rains down that way.

I hope all of you are enjoying your vacations.
