School Board Announce Election Department Heads For Burk

Westerfield, Hill, Clifton, Dean and Duncan Named

Burkburnett school board announced this week the re-election of five members of the faculty. Westerfield, superintendent; Hill, football coach; M. S. department of agriculture; Clifton, principal of grade school; and Chester Duncan, principal of the high school, have been re-elected, all except Westerfield re-elected for two years.

Westerfield came to Burkburnett as teacher in the elementary school in 1922-1925 he was physical education director and principal of the elementary school from 1926-27. He was elected to the position in February, 1928 and has been serving in the same position ever since.

The school over which he presides has 40 teachers and 1250 pupils. The high school has 33 classes, and all the teachers are members of the Texas Teachers Association, and the N. T. S. T. A.

Superintendent served in E. F. during the World War as a member of the American Legion. He is a member of the board of stewards and teacher of the class at the Methodist church. Westerfield graduated at the University after undergraduate work at SMU. Graduate work at Texas and Chicago Universities.

His affiliations include: Life member of T. S. T. A., member of National Association, and department of general of interscholastic league; director of the curriculum activities for this district; vice-president of county anti-tuberculosis association; president of SMU students association; and twice president of the local Rotary club, and of the county Red Cross drive board.

Mr. Hill has been with the school two years as coach. He is a graduate of Texas Tech. Formerly coached at Chillicothe. Mr. Clifton came to the Burk school 12 years ago. He is a graduate of Oklahoma University with a B. A. degree and has considerable work at Southwestern. Lee Clifton is a teacher with M. A. at East Texas Teachers College at Commerce. He has been with the school for 11 years. M. S. Dean came from Texas A. & M. and is teaching here his first year.

Clark and Clark Announce For Burk School Board

to be Held April 4th in the
Burk District

O. Smith and O. L. Clark, prominent Burkburnett citizens, have given permission to the Star to announce that they will be candidates for re-election to the Burkburnett school board. The election was officially announced by Westerfield, superintendent of the school for April 4th.

Mr. Smith is associated with the Gamblin company, and Boman company, and Smith Fishing Tool company. In the last four years he has been administrator of Federal relief in Burk, and for two years president of the chamber of commerce.

Clark is a prominent farmer living south of the city. He is honored by many civic and national organizations. For approximately nine years Clark served as a member of the board. Five years have been during the administration.

He has been a member of the board for seven years. The two will serve with the four holdovers that will continue on the

Dr. Lloyd Douglas' Brilliant Novel to Be Basis of Movie

"Magnificent Obsession" to be Presented by Palace Theatre Next Friday and Saturday

It is no idle boast that the blurbs have made when the advertisers state "You'll never be the same again" after reading "Magnificent Obsession" or seeing the moving picture show by the same title. Dr. Lloyd C. Douglas, formerly brilliant minister in both American and Canadian churches, has turned to the field of the novel with a success that hasn't been paralleled in the history of American literature.

Developing an age old thesis of the strange correlation of the Divine and human genius, the noted Doctor has presented in an attractive book both from a sustained interest and powerful effect. Anybody would be thick skinned and insensitive to be able to read or see the play and remain without the challenging inspiration which it presents.

In the play, forget that you have read the book. It is as true to the novel as possible on the screen. But the play is an artistic achievement by its own right.

Irene Dunn and Robert Taylor in the lead roles seemed to have caught a complete sympathy of interpretation of the spirit of the play. It is impossible to have a complete play without technical flaw of some type, but this play which was produced by the same director as produced "Imitations of Life," was carefully directed, and it is as free from flaw as any human production can be.

Those who read the book probably are wondering how it can be produced with sufficient comedy to retain interest and yet refrain from offense. Charles Butterworth and Betty Furness answer that question. The delicacy of treatment in the instance where the restaurant owner is attempts to explain how he gained prosperity by feeding free those who were unable to pay for their meals.

Without hesitation the Burk Star recommends this play as one of the high spots in the year's entertainment. It is a play that all people good and bad ought to see.

Grahams Buy Liberty Cafe

W. D. Graham of Wichita Falls and E. J. Graham of Marlow have purchased the Liberty Cafe from Mrs. Joe Morse, and will have a completely remodeled and repainted building in the near future. The work of refinishing the business house has started. Both the owners are married and have been in the cafe business for four years. They have moved their families to Burkburnett and plan to live here. Mrs. Joe Morse and Estell Howard will continue to work for the cafe. The new owners promise to continue the policy of courteous service and efficient administration of the management. The business offers good food and reasonable prices.

Notice of Election

In compliance with section 112, Texas School Laws, the Board of Trustees of the Burkburnett Independent School District hereby orders that there shall be held on the 4th day of April, 1936, said date being the first Saturday of that month, for the purpose of electing two trustees who shall serve for a term of three years, said election shall be held in the City Hall of Burkburnett, Texas, and A. Lohoefer is hereby appointed as judge of said election. The above order was duly passed by the board of Trustees at a regular session on the 5th day of March, 1936. 31-1tc

Notice to Business Houses

The federal government is making a business survey of the entire state, and in order to secure an accurate picture of the business conditions of the area, it is necessary that all the business houses co-operate with the federal agent representing the U. S. Bureau of census. All business houses have not filled out the schedule and are asked to co-operate in completing the blanks as soon as possible. This statistical information will be used for statistics and not for anything else. The refusal or delay will only place the Burkburnett business men in a bad light with the department of commerce. The statistics are kept strictly confidential as in all other governmental matters.

Gilchrist Elected Head of Softball

B. F. Gilchrist was re-elected as president of the Burkburnett softball association at the meeting of the league members at the city hall Tuesday night. The members also elected Ray Hill vice-president and Glenn Howard secretary treasurer. The league voted for a single season of straight games with a play-off involving the four leading teams at the end of the season.

Fred Fewing and J. B. Fairchild were appointed to audit the records of the retiring secretary, Curtis Cook. The constitution was read and adopted with minor changes. The teams tentatively expressing desire to enter were: Thaxton, Cooper-McCreary, Burk Motors, Magnolia, City Grocery, Gulf Filling Station, Bell, Tucker, and Skelly had not made a definite decision. The possibility of a team from Randlett was discussed.

One Act Play Contest Starts Meet Next Tues.

Valley View, Clara and Fairview
List Casts for First Literary
Test

STARTS AT 5 p. m. HERE

Three schools have listed the cast of characters for the one act play contest of the county interscholastic meet that will start at the high school auditorium next Tuesday afternoon at 5 o'clock. Fairview, Clara and Valley View have qualified a list of players to take part in the first county literary meet.

The meet will be under the direction of Orren Freeman, Valley View school community, and will bring the best actors and actresses of the county to the city for the trials. The winner of the meet will go to the district competition.

The casts of the schools are as follows: Clara, C. K. McClendon, coach, Earlene Hamner, Georgia Mae Lamb, Carrol Good, Kenneth Kaiser; Fairview, Mrs. Randle Watkins, coach, Ruby Jewel Williamson, H. B. Northcutt, J. C. Cauthorn, and alternates, Evelyn Thompson, Arvis Carey and Dean Smith; Valley View, Frank Brouskie, Edgar Jinks, Avinell Reddin, Willie Hudson and Leonard Parker.

The players will be given adequate time for costume and presentation, and the judges will present decision soon after the last play. There will be no charge of admission. The plays in the past have produced a high standard of performance in the county meet and the people of Burkburnett will have an opportunity to see an excellent series of dramatic performances.

Dr. Cook insists he discovered the north pole, but its difficult now to check up on the footprints, the region being pretty well trampled down.

Each Side Confident Of Winning Election As Date Approaches

Petition Submitted by Local Voters
Approved by County Court

CLOSE VOTE EXPECTED

For the second time petitioners demanded a legalization vote in precinct No. 2, and the vote has been called for Saturday, March 21. The first petition was discarded due to illegal phrasing.

The balloting is expected to bring out a larger number of voters than participated in the first election, and with 1300 qualified voters in this precinct, a vote of six or seven hundred is expected in Saturday's test.

In the county vote recently submitted, the precinct went wet by a small majority, but no organized campaign was carried on by the opposition. Since that election the churches have taken up the battle and staged a semblance of active opposition.

Close Vote

In the county vote three of the boxes went wet, Fairview, Texas Welding Shop, and the City Hall. Two boxes went dry, High school and Cashion school. The total was 262 to 232. There is a possibility that the ballot Saturday may double the former vote.

In event Burk's repeal it will be the third precinct of the county to adopt the open sale of liquors. Electra and Wichita Falls having formerly adopted the sale by earlier votes. In event the precinct remains dry the county will be balanced with two wet and two dry precincts.

The ballot boxes with judges are as follows: Cashion school, 25, J. D. Cooper, A. Dodson, P. W. Wats and C. F. Johnson; Burk high school, 27, W. R. Hill, R. J. Kelly, J. M. Hayworth and C. C. Wells; City hall, 28, R. H. Henry, I. E. Harwell, Oscar Kemp, and W. A. Roberts; Texas Welding Shop, 29, A. Lohoefer, J. R. Sullivan, J. C. Wells, and John Webb; Fairview school, I. E. Bogy, J. E. Haney, C. E. Lungberg and Walt Bohner.

Want Ad Results

Every week the Star finds instances in which the want ads bring concrete results. This week the fact was illustrated in a very decisive way. The glasses of Mrs. Morris Strong were lost last week. After an ad had been inserted at small cost in the Star, Mrs. Strong reported that the glasses had been returned. The boy who found the glasses heard his sister reading the want ad and returned the glasses to the proper owner. Want ads bring results every day.

Doyle Installs Filterpure In Boyd Market

A. D. Doyle, announced the installation of a Filterpure unit to the meat refrigerating apparatus in the market department of the Boyd Bros. store in Burkburnett. The unit is highly recommended as the most advanced and scientific refrigerating unit of its type that has been developed for use in meat markets and food stores.

The purpose of the unit is to filter the air in the refrigerating units. All foods give off gases and odors, and the unit gathers the air of the cooler and filters and purifies it before it is blown back through the box. The machine makes it possible to maintain a lower temperature.

Mr. Doyle has found the service of the unit entirely satisfactory since its installation, and has made it possible for the market to give an even more satisfactory service.

Delegation of 100 Planned for Burk At Fort Worth Fri.

Band and Caravan of Burk People
To Attend Southwest Exposition

LEAVE BURK AT 6:30

More than 100 people will join the caravan of celebrating Burkburnettans who will follow the Cowboy band to Fort Worth Friday morning for the Fat Stock Show. Jack Kelly and Mayor Oscar Kemp have worked for a large number of cars to join the train of visitors, and up to Tuesday about 30 cars had been secured to carry the group.

The band will play at the celebration and 100 tickets to the rodeo and show grounds have been reserved for the local delegation. Those who are planning to go with the group have been advised to let the secretary of the chamber of commerce know before Friday, and to be at the city hall ready to leave at 6:30 Friday morning.

The band will play at the celebration, and advanced publicity has indicated that they will receive every courtesy that the hospitable cowtown is able to extend to official visitors.

Last year the musical organization was well received by the members of the Exposition, and shown a royal good time. The people of the city have been urged to co-operate with the organization in the celebration.

Parents Urged To Follow Advice of School Nurses

The parents of the 300 children that were examined by the county nurse at the Central ward school this week, have been urged by the school officials to follow the advice of the examining nurse. The children of the first four grades of the school were given a complete test for defective vision, teeth, ears, nose and throat, and general health conditions.

Each of the parents have been sent a card advising the treatment or correction that is necessary for the children. The card has been filed in duplicate at the school, and the check will be made often to follow the progress that is being made in the children's health.

Work Starts On Boys Clubrooms

Coach Volney Hill and a group of boys have been scrubbing and painting this week while installing the fixtures and preparing the rooms for the boys club. The coach has sponsored with the aid of friends of the boys the department for the purpose of taking care of boys during the recreational period.

The system has been tried by the athletic director at other places and it has been found to be an excellent and successful plan for the control and education of the boys. Many cities have made the work a portion of the city government, with full time directors and paid instructors.

The plans for the present are to present reading, games, athletics such as boxing, wrestling and other sports for the boys during the leisure hours. A Sunday school class for the boys who do not attend regular classes elsewhere is projected by the director.

Chairs, rugs, and other such furniture fixtures along with punching bags, boxing gloves and etc, had been installed Wednesday. The club is willing and ready to use the assistance of any person that wishes to help the plan along.

Best Bargains Ever Offered to Public To Be Sold On Bids

Farmers and Householders Urged
To List Articles With Organization

SALE TO DRAW CROWDS

Drawing the largest crowds that ever attended a mid-week event in Burkburnett, the public auction held in Burkburnett next Wednesday starting at 10 o'clock and lasting all day will provide the citizens of the area with one of the greatest bargain opportunities that has ever been offered in this area. The people of the entire district have indicated that they will attend the meeting, and buyers of stock and goods will be present to give farmers and stock raisers excellent value for cattle and merchandise that is offered for sale.

The public has been urged to bring anything of value, and are promised that expert auctioneers will sell it at a fair price to the buyer and seller.

Bargain Offered

The merchants have offered \$500 worth of new articles that will be sold at a fraction of the original sale price to the persons attending the sale. This special inducement includes every type of merchandise that is sold in Burkburnett at the large number of business houses.

Auctioneers Maxey and Mullins will work the sale together. Maxey works at the Vernon and Grandfield sales and lives at Grandfield, and he is well known here among the cattle buyers. Mullins has worked the Walters and Temple sales with success, and promises to add interest to the sale.

The committee for the arrangements includes: H. S. Grace, R. L. Gragg and Leonard Mattingly, general committee; R. L. Mattingly, J. H. Brumley, Fred Brookman, Wylie Browning, and Leo Dudley, publicity; arrangements, W. Phillips, H. S. Grace, W. T. Holman, T. Guy Willis and Ross Reagan; R. L. Gragg, J. C. Adams, F. T. Felty, Harold Van Loh, finance and book keeping, Roy Jackson, A. B. Sandler, Chas. Boyd, W. C. Kiesling and S. A. M. Cooper, merchants.

Dallasite Speaks To Rotarians Tues.

Members of the Rotary club heard Fred P. Johnston, prominent Dallasite and promoter of the Centennial celebration speak on the Texas celebration for this year at Dallas and over the whole state at noon Tuesday. The speaker was introduced by Butler Westerfield. Miss Mildred Corley played for the group singing in the absence of the regular club sweetheart, Miss Peggy Gideon. Miss Gideon, according to report, was ill.

The group singing was led by Josh Kimbrough of Wichita Falls. Jewel Riley was introduced as a new member of the organization. The visitors introduced by Rev. L. G. Hagard were Joe Trevett of Walters, Okla., Josh Kimbrough, Roy Hammons, Howard Bunch, Fred Story, Charlie Newman, and Barney Flynn of Wichita Falls.

Baptist Revival Starts April 5th

Rev. Joe Hankins of Childress preaching and Joe Trussell of Brownwood leading the singing will be the features of the Baptist revival according to the announcements of the pastor, Rev. Miles B. Hays. The meeting will start April 5 and last through April 19. Both the speaker and the singer have been highly recommended in Burkburnett. The singer has led the music at other meetings in Burk and won the hearts of many of the church people in this city.

Former Postman To Face Trial Charged With Killing Wife

First Trial Ended In Deadlock Jury; Second Trial Declared Mistrial

HASKELL JUDGE PRESIDES

Ralph Foster, postal employee in Burkburnett, will face trial for the second time on the charge of having killed his wife, Monday morning at nine o'clock, and a large number of witnesses have been called by the state and defense in preparation for the test.

The trial will be conducted before Judge Parker of Haskell, Texas, and will be the third attempt to secure a verdict. The first trial ended in a 6 to 6 deadlock of the jury. The second trial had started and eleven jurors had been chosen. Sudden illness of the county attorney, Mike Anglin, caused the postponement of the case.

After the recovery of the state attorney, request was made by the state to have the trial transferred. Judge Montgomery granted the change of venue, and the case was set in Jacksboro. C. C. McDonald, defense attorney entered an exception to the transfer.

The case started in Burkburnett when the wife of the defendant was found in the cellar of the home south of the city. The justice of peace, W. T. Vance, N. H. Harris and others were called. The investigation that followed released Foster temporarily.

Two days later Foster was arrested in Seymour where he had taken the children. The grand jury indicted him after a thorough investigation.

The first trial developed a series of sensational testimony with the state asking for the death penalty. The conclusion of that trial came with dramatic suddenness when the defense refused to call a single witness.

Maurine Goodwin Belton Play Thurs.

Miss Maurine Goodwin, daughter of Mr. and Mrs. H. A. Goodwin of Burkburnett, was one of the chorus members of a Hawaiian Operetta "The Ghosts of Hilo" which was presented at Mary Hardin-Baylor last Thursday evening under the direction of Miss Jeanette Cass. The public school of music presented the operetta as a term project, and the members of the cast designed costumes and sets for the entire play.

The occasion was the Feast of Laka. Festoons of bright flowers and myrads of paper lanterns, against a background of palms and ferns, made a colorful setting for the dusky, grass-skirted maidens. The chorus not only sang with fine ensemble and good diction, but kept the joyous festive spirit of the operetta.

Palace To Show Riotous Comedy "Freshman Love"

"Freshman Love", Warner Bros. rousing comedy of college life and love, based on a story idea by Geo. Ade, and fitted to a musical background, is scheduled as the feature attraction at the Palace theatre on Tuesday and Wednesday.

Not only is the picture said to be packed with riotous laughs, but to contain several campus romances and plenty of excitement in a crew race.

There is an all star cast of fine comedians in the picture, headed by Frank McHugh, he of the goofy laugh, who plays the part of a college crew coach who falls down on his job because the old fashioned college president insists on too high scholastic standards.

McHugh joins forces with the president's daughter, a part played by Patricia Ellis, in concocting a plot to get some real oarsmen in the crew for the next year.

It flirts her way into the hearts of several famous oarsmen from other colleges and persuades them to go to her school the next year. Serious complications arise through each thinking that she is in love with him only, and through the fact that her father enforces his rule of throwing them out if they can not pass their examinations.

Officers Surprise Local Businesses In Raids Friday

The state officers swooped down in a sudden raid on three Burkburnett places Friday afternoon and gathered a prize of about 20 cases of liquor. The raid was staged with the assistance of Bill Stapp, chief of police, and the warrants were sworn out before the justice of the peace, W. T. Vance.

In the first place raided the officers received about 10 cases of liquor. This amount was sequestered and the second place raided. At this place only one pint of liquor was found. In the third place a case of pints was found by the officers. The officers also swore out a warrant for the raid on a private residence, but no trace of liquor was found in the search.

The officers had been investigating the case for some time, but rumor of the raid did not spread until the police had searched each of the three places.

Excitement

The excitement of Burkburnett citizens ran high during the raids, and crowds gathered at each of the places. The state men were assisted by Bill Stapp of the Burkburnett police force. The fine wines and whiskeys were carried to Wichita county court houses and charge were filed in three cases against the local people.

The additional interest was created when the fact that the election for the repeal of the local option law will be next Saturday was recalled.

A Scenarist Rallies To Defend Much Maligned Screen Newspaper House

"The movie reporter is infinitely more interesting than his real-life prototype."

With these words, Michael Fessler, scenarist, rallied to the defense of the much-maligned screen newspaperman.

And "Mike" should know what he's talking about. Known to virtually every important newspaper on the Pacific Coast, he was a star reporter for years, "raised to the fragrance of printer's ink."

"It's true that newspapermen are not as they appear on the screen, and audiences should be glad of it," he began. "The real-life reporter is a very serious, efficient worker."

"He never makes dramatic gestures or words. On the contrary, it is the custom of the craft to affect boredom, and the more important their assignment, the more bored-appearing they become."

"And that," he continued, "would never screen. Audiences would laugh in derision if, in a scene such as we have here, a city editor told his crack reporter to hop into a plane and 'cover' what promised to be one of the major news events of the year, a ship burning at sea, and the reporter answered, 'Aw, nuts, I had a heavy date tonight.' Yet that would be his most likely answer, whether he had a date or not."

Junior Play Practice Begins

The Junior class started rehearsals on their annual class play Monday night and it really has the promise of being a barrel of fun. The play chosen is "Fingerprints," a comedy drama by Myrtle Gierde and is being directed by the junior sponsor, Mrs. Randall Watkins.

The play will be produced on Friday night, April 3, at 8 o'clock. The mission is 10 and 20 cents and the tickets are on sale now from any member of the Junior class.

Between acts numbers are to be furnished by the Morgan Studios, Wichita Falls. There will be singing, dancing, playing of instrumental music, readings, impersonations and, yes, Dustin Fillmore, the rural born entertainer will be there too!

Plan now to attend the Junior class play, April 3, 1936.

Junior Class Hat St. Patrick Party

The Junior class was entertained March 12, by Lenore Podbreger, Ed Key, and Arville Morris at the Home economics cottage. An interesting game of "Steeplechase" was played through the party. Carole Ruth Stonecipher and Scotty Call were high scorers and Mrs. D. Watkins was low scorer.

Ice cream and cake were served the following: Mildred Seiditz, James Brown, Mildred Morrison, Dorothy Siber, Scotty McCall, Albert Zink, Carrie Ruth Stonecipher, Roy O'Guinn, Margaret Nell White, Mr. and Mrs. R. D. Watkins, Lenore Podbreger, Mrs. Joe Podbreger, Margaret Lee Boggy, Fred Key, Lenore Podbreger and Arville Morris.

Sophomore News

The Sophomore class was entertained with a picnic given at the Key tank, Thursday, March 12. Those entertained were Naomi Manning, Virginia Bayne, Dreda Miller, Mary Frances Goins, Leon Brown, Clayton Owen, Wilson Robinson, Claude Strickland, Douglas Sherts, Harold Bundy, Wendell Gains. The following were guests: Jimmy West, Nelda Reynolds, Marion Morris and Mildred Milford. After a series of games picnic lunch was enjoyed by everyone. Because of the absence of the class sponsor, Erwin Brand, R. D. Watkins accompanied the group. The class is looking forward to a picnic when they may go on another picnic.

Seventh Grade News

The seventh grade was entertained at a party given by Connie Watson, at her home Friday the thirteenth. Several interesting games were played. The following enjoyed cookies and ice cream: Fred Brown, Ralph Crommet, Hilliard Matthews, Faye Morrison, Troy Northcott, Carline Miller, Kathryn Add, Joe Todd, Delmer Thompson, Maggie Thompson, Opal West, Virginia Spencer, Mildred Mills, Clarence Spencer, Alee Mills, Samuel McCall, Wayne Teal, Betty Lee Parker, J. D. Stonecipher, A. B. Ex. Si Parker, Billie Joe Wright, Mildred Wright, Lester Roberts, Peggy Parker, Mr. Jones, Miss Keller and Connie Watson.

Elle Morgan to Reign as Queen Over Athletic Banquet For Friday Night

When the athletes and guests gather around the festive board for their annual athletic banquet Friday night they will find it graced by the charming little person, Her Majesty the Queen Jo Ella Morgan. Ella obtained this honor by receiving more votes than the other queens chosen from their respective classes.

Banquet Postponed

From March 16 to 30th

The Athletic banquet was postponed from Monday night to Friday because the boys' sweaters failed to arrive at the scheduled time.

Vacancy Filled

Miss Vera Louise Taylor has accepted the second grade teaching position and began her duties Monday morning. Miss Taylor is a graduate of North Texas State Teachers College and her home is in Hillsboro, Texas. Welcome, Miss Taylor and we hope you will enjoy your new teaching position.

Faculty Party

The Fairview Faculty Frivolity club functioned again Wednesday evening, March 11, at the Fairview Scherage with a gala St. Patrick's party. Mrs. B. O. Willis and Miss Davis acting as hostesses. The evening's amusement was the game of Patrick which proved to be very entertaining.

The Electra Track Meet

The Fairview Bears journeyed to Electra to the invitation track meet Friday night, March 13. The equipment.

Interscholastic League Activities

Listed below are the entries in Bears had strong competition with the opposing track teams.

Leroy O'Guinn won first in high jump, first in the javelin throw and fourth in high hurdles. He won first in his heat in the high hurdles but due to the fact that his opponents in three other heats ran it faster than he, he only got fourth place. O'Guinn made the 11 points that were made.

Ralph Winkles won his heat in the 220 yard dash and Elbert Zink won his heat in the 220 yard low hurdles but due to the fact they were running against time they didn't qualify. All of the boys showed us they had what it takes to make a good track team, so we weren't discouraged at getting 6th place. Watch Fairview in the next track meet!

Albert Zink ran a good race in the 440 and so did Arville Morris and Tommy West in the mile. Wendell Goins and Wilson Robinson looked good in the half mile.

The two managers, Dean Smith and Jocky Brown served their purpose well in looking after all the county Interscholastic League contests to take place in Burkburnett, March 24, 26, 27 and 28: One Act Play—Ruby Jewell Williams, H. B. Northcott, and J. C. Cuthorn. Alternates, Evelyn Thompson, Arvis Carey and Dean Smith. Director, Mrs. R. D. Watkins.

High School Spelling—Lavern Beaver and Evelyn Thompson. Director, Miss Lois Thompson.

High School Ready Writers—Ruby Jewell Williams. Director, Miss Lois Thompson.

Sixth and Seventh Grade Spellers—Verlie Bishop and Betty Lee Parker. Alternates, Ralph Crommet and Winnette Buzbee. Director, Miss Lillie Mae Armstrong.

Picture Memory (Fifth grade)—Mildred Wright and Ileen Hayes, Evelyn Seiditz and Delmer Guillet. Director, Miss Toby Baird.

Story Telling, Third Grade—Clyde Peed. Director, Miss Toby Baird.

Typing—Helen Parker and H. B. Northcott. Director, Miss Lois Thompson.

Choral Singing—Twenty-eight students from 5, 6, and 7th grades. Director, Miss Ruth Keller.

Junior Declamation, Grade school—Mildred Wright, Charles Reed White. Director Miss Ray Davis.

Ladies Auxiliary Surprises Firemen With Feed Friday

Members of the ladies auxiliary walked into the fire station last Friday night with several platters of sandwiches and steaming pots of coffee to surprise the members of the Burkburnett volunteer fire department with a feed. The members had just concluded their regular business and drill session for the evening and a motion to adjourn was in order when in the door marched the heaped up platters of eatables.

After the surprise luncheon, the members converted the session into a social and spent the evening in games. The ladies assisting in the social were: Mesdames Fred Brookman, W. A. Roberts, Neal Allen, Artie Whitesides, Robert Dunn, J. Kelley, S. E. Daniels, John Allison, J. J. Blackstone, and Bill Stapp.

In the fire department meeting the plans for the convention were reviewed, and the arrangements for housing of the delegates was adopted. The insurance of the department was renewed.

J. J. Blackstone gave a review of the technical operation of fire apparatus with a questionnaire for the department.

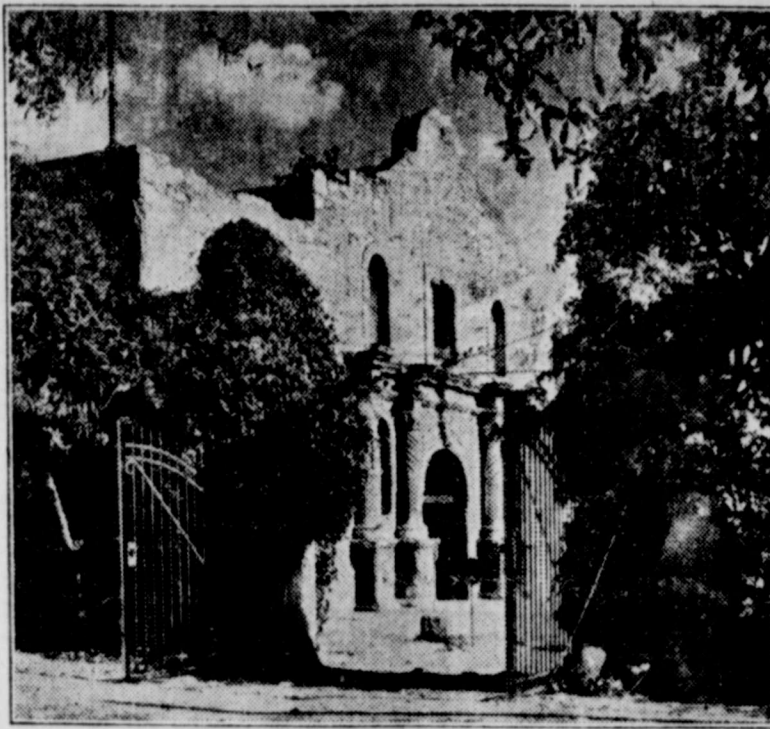

Lutheran Pastor And Wife Attend Funeral Services

Sister of Mrs. Kaiser Dies in Wellsville, N. Y.

Rev. and Mrs. Kaiser left for Wellsville, N. Y., Thursday to attend the funeral of the sister of Mrs. Kaiser, Mrs. N. Hadba of that city. Mrs. Hadba died at her home. Thursday no arrangement had been made, but the local pastor and his wife were riding through for the final rites. They will visit Rev. Kaiser's parents on return to Texas as when they pass through Indianapolis.

The service at the church will be held in the morning only, and will be conducted by student Grauman of Olney, Texas. No evening service will be held for the 10 days that the pastor and Mrs. Kaiser are away.

Sunset Over Historic Alamo

A Texas twilight adds softness to this photograph study of the Alamo Mission, historic Texas shrine of Liberty, in the center of San Antonio. Here 182 Texans died to a man, defending the mission in the revolution against Mexico. One hundred years later the Texas Centennial Exposition, opening at Dallas June 6, pays tribute to the Alamo's gallant defenders.

Accident Turns Ace Flier Into Successful Author Who Wrote "Ceiling Zero"

Misfortune is frequently productive of great literature.

Milton, in his blindness, produced the imperishable "Paradise Lost," and a prison cell was the birthplace of John Bunyan's "Pilgrim's Progress."

Scott, bankrupt and facing imprisonment for debt, wrote his most famous masterpiece in order to pay off his creditors. While out of his abject poverty and misery, Poe brought forth his immortal poetry. Robert Louis Stevenson, suffering from tuberculosis, wrote himself into never dying fame, and the thief, Francois Villon found the inspiration for his "Great Testament" in prison. Club footed Byron, supersensitive and morose through his crippling, turned to poetry for relief, and De Quincy turned his opium inspired dreams into gems of literature.

Frank Wead, author of "Ceiling Zero," the Cosmopolitan production which First National will release at the Palace theatre on Sunday and Monday, was a noted athlete at the U. S. Naval Academy,

from which he graduated with high scholastic honors in 1916—he was a noted aviator—a Lieutenant Commander in the U. S. Navy—when Fate struck him down. He arose from a hospital bed two years later, hopelessly crippled in body, but spiritually undaunted and began building a new life within the boundaries caused by his illness. Today he is one of the most prolific as well as successful screen and stage dramatists, and has written many magazine articles and stories that have been published in the leading magazines.

Lying in his sick bed, realizing his career in active service was ended, Commander Wead began figuring out another way of earning his living, and turned to writing aviation and sea stories. He sold them all.

James Cagney and Pat O'Brien head the cast which includes June Travis, Stuart Erwin, Barton MacLane, Henry Wadsworth, Martha Tibbets, Isabel Jewell and many others. Howard Hawks, himself a famous war are, is the director.

Invitation Meet Held Here Friday

Five schools have been invited to participate in the invitation track meet that will be held on the recently completed track field on the old Shamburger baseball diamond. The field has been prepared for the county meet that will be held the following week end, and has been used for practice of the local track and field teams this week.

Electra, Iowa Park, Clara, Fairview, and Archer City teams have been invited to attend the meeting. All of these teams with the exception of Archer City are members of the county conference and will be in Burk for the interscholastic meet the following week-end.

Burkburnett teams have been preparing for several weeks under the direction of coaches Cullpepper and Johnson. The coach has entered two meets recently with the team. At the Electra meet the team failed to make a huge impression. At the tri school meet with Fairview and Clara the local lads took top honors.

Class Guests of Mrs. Lewallen Thursday

Members of the Winsome Sunday school class of the First Baptist church were guests at a social in the home of their teacher, Mrs. Myrtle Lewallen, Thursday, March 12. The program was under the direction of Pauline Allen and Claudia Mae Bowman, and games and contests were played by the members of the class. The refreshments were served by Myrl Cheney and Hazel Pinkston. The young men's class were guests of the organization for the special party.

Those present were: Pauline Allen, Dalton Hash, Claudia Mae Bowman, Cecil Smith, Hazel Pinkston, Durwood Arrington, Russell Warn, Pauline Gentry, Dorris Lee and the hostess, Mrs. Myrtle Lewallen.

NEST OF SCORPIONS FOUND NEAR BURK

The Star was exhibiting a nest of scorpions, about 50, that were found near Burk when Chas. Miller lifted a board near his home. The scorpions have been on exhibit during the week and growing rapidly. The large number found in one place caused comment and interest.

Local Ford Dealer Announces R & G Cars and Trucks

"With Ford dealers the day of the 'used car' is gone", according to Sam Cooper, of the Cooper-McCreary Motor Co. "You are now offered an exclusive new standard of automotive quality in R & G cars, which you may buy with as much confidence, and assurance of satisfaction as a completely new automobile."

"This new term—R & G—stands for Renewed and Guaranteed. It means that each car offered under it must meet a rigid set of specifications as to mechanical condition and appearance. And the result is a product so fine that it can be sold with a written guarantee of 'Satisfaction or Your Money Back!'"

"Under this guarantee, you are the judge of the car's quality. After purchase, you may drive it two days, and put it to any driving test you please. If it fails to measure up to your expectations in any way, you may return it to your Ford dealer's and have your money refunded in full—cheerfully, and with no questions asked."

"In addition, you will receive a written service warranty as a further protection. This double guarantee removes the elements of doubt and uncertainty that have troubled buyers of used cars for years."

"Now you can know the facts before you buy. There's no need to rely on the opinion of some one else or trust to verbal claims. You know what you're getting for your money when you select an R & G car or truck at your Ford dealer's."

Rites Held For Mrs. Minerva Church

Funeral services for Mrs. Minerva Church, 74, who died at a Wichita Falls hospital Sunday night were held Monday afternoon at 3 o'clock at the Highland Heights Baptist church, with the pastor, Rev. J. L. Gregory, officiating.

Burial was in Rosemont under the direction of Owens-Brumley Funeral home of Burkburnett.

Mrs. Church, who lived at 3208 Buchanan, Wichita Falls, had been a resident of that city for 25 years. Survivors include one daughter, Mrs. Roy Cowardin of Wichita Falls; five sons, Dale, Robert, and Theo Church of Wichita Falls and Gilbert and Jim Church of Port, Okla., and two sisters.

Card of Thanks

We take this method of expressing our sincerest thanks to our friends for their many expressions of interest and sympathy during the recent illness and death of our daughter, Thelma McCaig. It is truly our prayer that the Lord may bless you for many kindnesses to us in our sorrow. 31-ltp R. L. McCaig and family.

Ford Dealers Announce R&G Cars & Trucks

*new automotive quality for
the Used Car buyer*

NEVER before has there been assured to used car buyers as definite protection as is now offered by Ford Dealers in R&G cars and trucks.

R&G means RENEWED and GUARANTEED—RENEWED to meet the definite specifications shown on the R&G tag, and GUARANTEED, in writing, by your Ford Dealer.

The R&G specifications cover every important detail. Any car or truck meeting these specifications is an outstanding value. Yet the R&G car or truck of your choice will cost you no more than an ordinary "used car."

Backing these specifications is the written, money-back guarantee of your Ford Dealer.

For extra-thrifty buyers your Ford Dealer has **SQUARE DEAL VALUES**—good used cars and trucks at low prices, protected by a written money-back guarantee.

MECHANICAL GUARANTEE

"We agree to correct at our expense any condition in this car or truck which is not in accordance with the above specifications, provided that we are notified by the purchaser of this condition within ten days from this date, and further provided that such condition is not the result of accident, neglect, or abuse of the car or truck after delivery to the customer, and that the car or truck has not been repaired or altered outside of our shop during the guarantee period."

MONEY-BACK GUARANTEE

"We further agree that we will refund such part of the purchase price of the car or truck as has been paid by the purchaser, including any used car or truck applied as part payment or, at our option, the allowance price thereof in cash, thereby canceling the sale if the purchaser so requests; provided that this request is made by the purchaser at or before o'clock on 19.., and the car or truck is then returned to us in the same condition as when delivered."

Both men can block on offense plays, but have not the finesse required for catching passes and general defense play. Experience of three months' training may make it possible for them to come up to the standard set by the ends of last year. They have plenty of natural talent.

Coaches Hill and Robison have several other players that are out for the first time including Ocie Reed, Ray Blanscet, Tom Spary, Dorace Hageman, Homer Brown, John Duke, Kenneth England, Clifford Wells, Murray Evans, Drew McBride and Wilkins.

Western Born Have Roles in Film

Many natives of the West play important roles in Clarence E. Mulford's "Hopalong Cassidy", a Paramount western featuring William Boyd and Jimmy Ellison, coming to the Tex Friday and Saturday.

Boyd was born in Oklahoma, Ellison in Montana. Paula Stone, daughter of Fred Stone, stage and screen star, was born in Colorado. Robert Warwick, who plays "Jim Meeker", was born in Sacramento. Charles Middleton, who plays "Buc Peters", foreman of the Bar-20 ranch and lifelong friend of "Hopalong Cassidy" is one-eighth Cherokee Indian. Frank McGlynn, Jr., who plays "Red Connors" also one of "Hopalong Cassidy's" pals, was born in San Francisco, Calif.

Other members of the company who are natives of the West included Archie Stout, cameraman, who was born at Bishop, California within 40 miles of Mt. Whitney, America's highest mountain peak and the spot where much of "Hopalong Cassidy" was made. Willie

Preparations

BEFORE you take any preparation you don't know all about for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains... and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.

Ball Players Adjourn After 3 Week's Practice

for Next Near Best In
Season for Bulldogs

SCHEDULE OUTLINED

Burk Burnett Bulldogs have prospects for a winning season that they have had in several years with eight men back in the letter group of the '35 team. The squad adjourned last week for a vacation until after the week meet, after brief work-out afternoons. The workouts consisted mainly to fundamen-block and tackling. Team's eight lettermen are Blair, Finch, Carl Cook, Maney and Whitton. Of this team, Collier undoubtedly is the spectacular player for the year. The deceptive runner, captain for the Bulldogs, received favorable mention during the season, but with an added year

of experience, he is expected to tear up a lot of turf this year.

The squad is fortunate in having the quarterback with them this year. Finch called several good games last year, and has a cool head in a crisis. Marshall Teal proved his worth as a blocking back, but his presence added deception to the game. On short plunges he added trickery to the game. Teal is more than a fair ball carrier himself.

Heavy Line

The prospects that make the hearts of the ardent fan glow are the heavy materials in the line. T. J. Sanders, playing his first year with the Bulldogs, promises to rank as one of the prize players of the district before his football career ends. The 185 pounds of hard muscle and bone has been tackling and blocking with an enthusiasm that is rare in spring practice. He is a junior and will be used both at fullback and tackle. Along with him 175 pound Richard Johnson has been improving with unbelieve-

able rapidity. He also has been used both in the backfield and line.

Floyd Jackson and Buck Willet are new prospects that will be able to clear the paths for some of the high powered runners. These freshmen players are expected to grab a place in the spotlight before the season is over.

End Problem

Last year Burk Burnett had the best pair of ends in the district when Majors and Rose were both in the game. Rose made all district end and Majors played a good game all the year.

News Of Week

Plans for a sharp increase in the officer and enlisted strength of the navy were disclosed in Washington Saturday when the department asked for an appropriation of 549 million dollars. At the present the members of congress are allowed four appointees to the naval academy, and the new bill allows for five such appointments. The enlisted men would be increased from the present 87,000 to an even 100,000. The bill proposes that the new laws go into effect July 1, 1936. Just what the navy has in mind is not definitely known, but it seems as if the department thinks we are going to need a lot of navy men before many years pass. At the same time a bill was introduced to increase the army 20,000 enlisted men. Evidently we are getting ready for something.

National Publicity

Texas is receiving more free publicity for its celebration than any other of the big fairs that have dotted the nation during the last few years. Large broadcasting companies, private advertisers, and nationally circulated magazines are on the hunt for material for stories and broadcasts. The state is fortunate to be so rich in history and romance that it is able to supply the demand of all these requests. With the picturesque background of the revolution and an independent nation, the state is able to provide stories that rival any fiction or adventure ever written.

Relief Program

The President has reiterated his stand that direct and indirect relief will have to revert to local units of government. Probably congress will make its last large appropriation for relief during the next few weeks. Eventually the local community will have to manage its own relief program, and the president warns that preparation had better start immediately for that eventually.

Air In War

One of the gloomiest aspects of the trouble in Europe was brought out in the preparations that are being made in Paris this week to take care of an air raid. The horror of the last war will be a mild tea party compared to the possibilities of the future conflict. The awe inspiring terror that the big bertha created by bombing Paris will be nothing when we see cities that have been devastated by huge bombers carrying 2000 pound bombs filled with all kinds of horrible gas.

The wailing sirens that whistled in Paris last Friday night in the mock raid held a grim realism for the gay people of the French capital. Only a few miles away thousands of soldiers of a potential enemy were lined up ready to carry on at the command of one man. Gases, disease, and poison will take a toll that civilization has never imagined in the major cities of Europe.

It is bad enough for the civilians on the battle front to suffer along with the soldiers, but now not a single citizen of any nation will be free from the fear of raining death. Possibly such horror will shock us to our senses to put an end to mass murder.

Tax Problems

Where is the money coming from to pay the debt? The national congress is faced with the necessity of taxing somebody. The surplus tax has been suggested with a 15 to 55 per cent levy. What will this do? Will it force capitol out of the reserves of industry until each company becomes a shaky concern unable to meet crises. The administration says, no. The industrialists say, yes. More than 792 million dollars will be raised, but will industry be weakened, or will it be strengthened.

It may shake some of the weak-

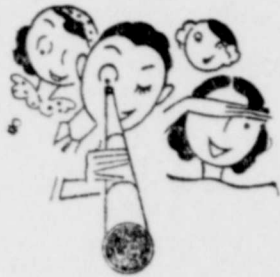

er companies out of existence, but on the whole it will cause an expansion program that will employ a greater number of men than have been at work at any time during the last six years. If the industrialists see that they will have to give up their profits, and surrender surpluses, they will do a lot of needed repairing. Industry has been slow to take advantage of the opportunity for replacement in machinery and buildings. By that process employment may gain and the government gain needed funds to pay the bonus and farmers assessments.

Lawrence Baumhardt Weds Miss James

Mr. and Mrs. H. C. James of 2137 1-2 Avenue E, Wichita Falls, announce the marriage of their daughter, Lois, to Mr. Lawrence Baumhardt of Burkburnett. The ceremony was read in Grandfield, Okla., Sunday, March 8.

The bride is a graduate of the Wichita high school in the mid-term class of '36. The bridegroom is a graduate of the Burkburnett high school. The couple will make their home in Burkburnett.

PEEPS AT

POLITICS

By J. C. C.

MINOR RACES—The minor races are suddenly growing popular in Burkburnett precinct. With three candidates for both offices of justice of peace and constable, we expect to see some fireworks and arguments between the candidates before the year is over. There is a possibility of another strong candidate in the constable race. Both of these offices could be made powerful locally. Instead of being merely an honor, they could, with cooperation between the county, city, and precinct officials, become important places. In the meantime, the citizens of the area watch for development of indication of some evidence of dignity and importance.

POSSIBILITY—More than any thing else the possibility of the offices being placed on a regular salary creates added interest in the hearts of those who are restrained "to serve the public."

SHERIFF—Rumors have it that strong opposition is out for the sheriff's place. Pat Allen may have as an opponent a former Burk resident. He is an oil driller, and served in this area in that capacity. At the present he is a resident of Wichita Falls, and is feeling out opinion in Wichita county. But he hasn't made an announcement.

LIQUOR VOTE—Saturday will see the formal acceptance or rejection of the liquor legalization. Since the raid in Burk last Friday, the people have been wondering if there was any significant relation between the election and the raid. In the minds of most people the election is not a matter of being wet or dry. It is merely a matter of choosing whether or not we will acknowledge the sale that is taking place every hour of every day.

ENFORCEMENT—There is some justifiable question about whether or not the law could be enforced.

Time after time the raids have been made by both Burk officers and county officers. But the raids have been futile. The juries in Wichita refused to convict. Naturally, I have been hasty as every one else has—to criticize the enforcement officers. That is a shame. The fault is in you and me. Together we have been indolent and lazy so far as our civic duty is concerned that proper enforcement has become almost impossible. The election will probably leave this precinct dry.

If it does, everybody that believes in it ought to make it a point to co-operate in the enforcement of the status. You and I have given an evidence of a damnable indifference during the last few years that has literally become a curse so far as efficient civic progress is concerned.

Time after time arrests have been made and the criminal released. Just last week a person was released that was actually caught emerging from a place he had raided. A sympathetic jury and a show staged by a clever defense attorney secured his release.

CRITICIZE—Yes, you and I have the right to criticize. That liberty is as fundamental as democracy itself. And no one should be penalized for speaking his mind. But before we start looking for motives be had better try pulling a few beams out of our own eyes. I am sure that we will be surprised how many of us shirk the chance to assist in enforcement of law.

Methodist Circle No. 1 Met Mrs. Chrestman

The members of the Methodist circle of the W M U No. 1 met at the home of Mrs. Marshall Chrestman Monday, March 16. The meeting was opened with prayer led by Mrs. W. G. Stripling, and Mrs. M. A. Oyler brought an interesting and helpful talk on "Inspiration to Reverence". Discussion was held by the members.

Delightful refreshments were served by the hostess to Mesdames Sam Cope, Homer Gilbert, W. G. Stripling, John H. Rigby, M. A. Oyler, John Parker, H. W. Prinzling, and one visitor, Mrs. E. Jeffers.

In traffic campaign film, a mid-western mayor acts the role of auto victim. In some cities, the audience might find this less instructive than entertaining.

The New Jersey governor may be courting political suicide, since there is danger of losing the votes of all those Hauptman witnesses.

SUPERFEX

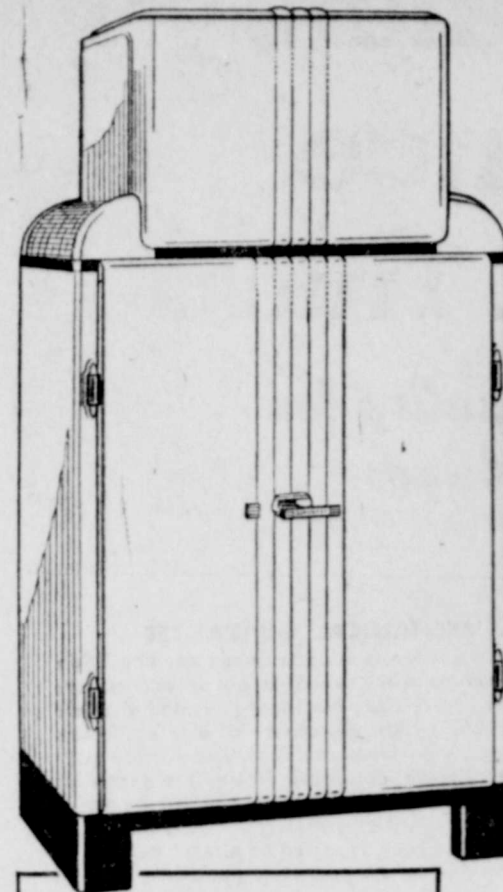

THE "MIRACLE" REFRIGERATOR FOR RURAL HOMES

USES NO ELECTRICITY

...no running water

...has no moving parts

...makes cold from kerosene

Brings the delights and convenience of city refrigeration to your home

1. Enables you to keep meats fresh for days.
2. Makes delicious frozen desserts.
3. Keeps butter delightfully firm.
4. Gives you plenty of sparkling ice cubes for cooling drinking water.
5. Eliminates thousands of steps each day.
6. Permits you to serve all kinds of chilled salads.
7. Eliminates necessity of buying or harvesting ice.
8. Permits you to make use of all leftovers.
9. Saves time.
10. Saves money by preventing waste.
11. Protects the health of your family.
12. Adds variety to your menus.

Burners in use about 2 hours to produce 24 hours or more of refrigeration

Superfex makes cold by burning kerosene and uses very little of it. The burners stay lighted for about two hours, then go out automatically. This makes all the cold you need for a whole day and night! Superfex, with its short burning time, brings you modern refrigeration in its most economical form.

8 years on the market

Though you may now be reading about Superfex for the first time, it has been on the market for more than eight years. And those that were bought at the very beginning are still operating as efficiently as they did when

new. But that's not at all surprising. Superfex has no moving parts. Not a single one! It's built to last a lifetime. And this year's models are greatly improved—they are still more efficient—still more convenient—still more beautiful. Their modern design and cream-white porcelain finish go perfectly with any kitchen decorative scheme. And the shelves are adjustable; you can move them about to accommodate even the largest turkey!

Wichita Falls,

Facing the Facts

On Saturday, March 21, the voters of Precinct No. 2, Wichita County, Texas, will decide whether the sale of liquor shall be legalized. In the light of past experience, it can be truthfully said that this Precinct will be actually wet next week even though it is voted officially dry.

Do You Believe In Old Age Pensions?

If so, you will be interested in knowing that 75% of all revenue collected by the state for liquor permits goes to the Old Age Pension Fund.

Would You Enlarge The School Fund?

Of all revenues collected by the state for liquor permits 25% goes to the Available School Fund.

Would You Secure Additional Revenue For Wichita County?

If so, the county can levy one-half of all sums collected by the state.

BURKBURNETT is dry. Wichita Falls and Electra are wet. We, therefore, appeal to its citizens to be fair and generous and vote for legalization.

The new law is strict. Liquor cannot be sold except in unbroken packages and cannot be consumed on or near the premises where sold. It cannot be sold to students, minors, or habitual drunkards. It cannot be sold on Sunday or on any election day nor within 300 feet of any church or school.

Dallas, home of Southern Methodist University, Fort Worth, home of Texas Christian University, Waco, home of Baylor University, Austin, home of the State University, have all voted for legalization within the last 90 days in order to protect the student body of these great schools from bootleggers who have no respect for law nor for boys and girls.

Burk And Clara
Win Tennis Sets

Burkburnett and Clara sent teams to the semi-finals of the county tennis tournament Tuesday afternoon as they split the games in the first round of the county tournament. Burkburnett won the senior boys singles and junior boys singles, junior girls singles and doubles. Clara won the senior boys doubles, junior boys doubles, and senior girls singles.

The only exciting contest of the series was the senior boys singles in which Wayne Rose of Burkburnett defeated Kenneth Kaiser of Clara 5-7, 6-2, and 6-3. Rose started slowly after Kaiser had achieved the advantage of winning the opening set and dominated the last two sets completely. In the doubles set Ferguson and Beavers won the first set from Avis Finch and Jennings Willet with ease, 6-3, but they were forced to play an extra game to take the second set and match for Clara, 7-5.

In the junior doubles Charles James and Raymond Patrick of Clara easily defeated J. W. Amyx and Russell Cope of Burk 6-2, 6-3. The singles were defaulted to Burkburnett.

The Clara senior girls singles defeated the Burk girls at the Clara court. The doubles match for girls was set for the Burk court Wednesday afternoon. The junior girls events were defaulted to
