

In 1936 the Juniors and Seniors of Peacock, Texas, went through Carlsbad Caverns and for a country boy it was quite a trip. Yesterday the three mile long, three and one half hour trip was almost as exciting as it was 33 yrs. ago. If the "Oh's" and the "Ah's" of my granddaughters were not enough --hearing the "Oh's" and "Ah's" of other adults were. The King's Palace is still fit for a king, the Queen's Chamber fit for a queen and the Papoose Room still beautiful enough to house offsprings of any royalty.

There's one big improvement. I loved that high speed elevator. When the uniformed guide years ago asked who would like to make the fast march out with him--what fun. I thought about that 3 minute ride of 750 feet and how nice for a grandfather.

The Big Room with its 14 acre displacement is still a big room by today's calculations. I remember when I had a big day when I could cover 10-12 acres on a one row wiggle-tail cultivator. Con't on page 2

PEACH TOUR BIG SUCCESS

Whisenhunt Advertises Home

Texas' hopeful and flag barrier this year will be carried by Ray Whisenhunt of Seminole, so a TV sports announcer announced several weeks ago when Ray and his crew raced in the Albuquerque, New Mexico meet. In that race his hot rod wound up to 223 MPH.

Ray Whisenhunt opened Motor Parts Company in Seminole 8½ years ago and as a sideline built and raced a hot rod. From this beginning he started building parts and frames for other hot rod hopefuls. Jerry Norman, who is the mechanic for the crew, said, "I have built 63 units in the last six or seven years and 16 the past two years." Whisenhunt and Norman went on to point out that most hot rods weigh 1500 to 1600 pounds with motors weighing up to 800 pounds.

Equipment companies, tire companies and oil companies are all interested in this type racing and furnish a lot of the cost in putting a racer together. The hot rod they are racing now carries a sign which says "Motor Parts Chassis - Seminole, Texas." It weighs 1250 pounds with a 750 pound motor. The company employs six people in the parts division and assembling racer frames.

Last Saturday and Sunday the Seminole crew, in three ¼ mile runs, from a standstill, had three elapsed times of 7.02, 7.08 and 7.09 for a 215.82 MPH, 216.02 MPH and 194.80 MPH. They gained the semi-finals at the Dallas International Raceway Park.

The crew will race in 15 to 20 meets per year over a six month period, traveling to Phoenix for the farthest competition. Their next big meet will be August 27 through 31 at the Green Valley Raceway Track located between Dallas and Fort Worth.

The crew is a member of the NHRA (National Hot Rod Association) Pro Fuel Circuit, which admits their car and a four member crew free to each race.

In the near future the plans are to double the size of the present facilities of 5,000 square feet at their present location, with special emphasis upon the manufacturing end. Also to be approved by SEMA (Specialty Equipment Manufacturers Association) so that they might qualify for the complete building of racers.

Peaches, irrigation, campsite trailers and hot rod racers have all combined to help Seminole and Gaines County.

POLICE REPORT

Last Thursday and Friday Raymond Houtchens, an inspector for the Texas Department of Agriculture, signed a complaint against three men for violating the Herbicidal Statute, Article No. 135 B-4, Section 17 of the revised civil statute of 1925. This statute says that herbicides such as 2 4-D and its derivatives cannot be used as it could drift and be harmful to other crops. Calvin Holcomb, County

"I've grown peaches all my life and have never found a place where peaches respond as well as they do in Gaines County," so said Pete Pryor last Friday on the peach tour. He watches over the orchards for CBK Industries. This was quite a statement after looking after and owning orchards in Weatherford and out of state. Arlie Powell, a horticulturist from Texas A&M, reported that peaches are a good price this year, also a good crop throughout the state. He further reported that Gaines County now has more peaches than any county in the state, followed by the county of Gillispie.

From Texas Tech, Dr. George Ellis, professor of horticulture, made the tour, also George Tereshkovick, Robert R. Reed and Kirk B. Turner. Other towns represented were Andrews, Loop, Brownfield, Seagraves, Hobbs,

Lamesa, Littlefield, Midland, Levelland and Lovington.

Lester Ericson, general manager of CBK Industries, directed the tour on their farms, Mrs. Richard Jones at the Oliver Orchard and Ted Schuler at the Bel-Air Orchard.

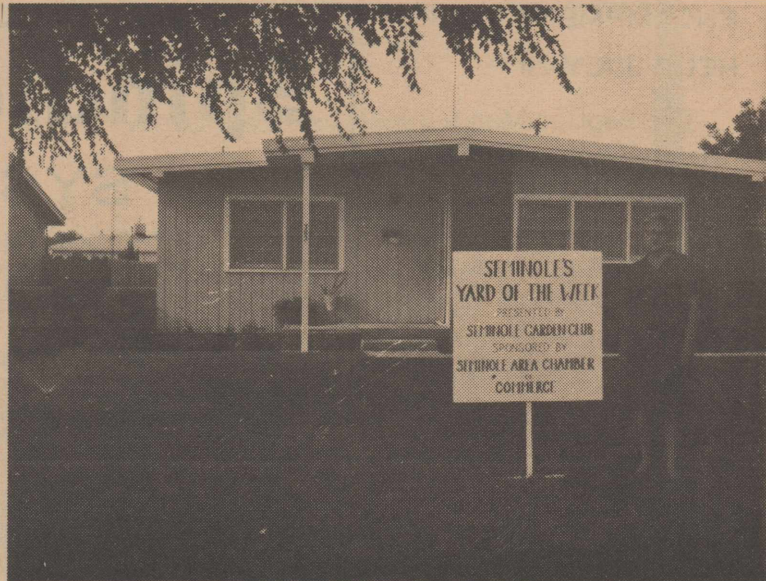

Lunch was served at the packing shed on the last stop by Elinor Harvey, Home Demonstration Agent, and Pat Lopez, assistant Home Demonstration Agent.

Most of the orchards used insecticides to control insect damage. The tour was told at the Oliver Orchard that the approximately 200 acres of peaches were protected by the praying mantis, who had been released in the orchard in great numbers.

A little boy was asked how he enjoyed the tour and he spoke the sentiments of all when he said, as he patted his tummy, "About the best deal I've ever been on."

An interested group of visitors and area people gather round to hear Mrs. Richard Jones tell of their 200 acres of peaches and how the Oliver Orchards grow organic peaches (no chemicals used whatsoever).

YARD OF THE WEEK was awarded to Mr. and Mrs. H. W. Cargal, 703 N. W. Ave. J, Monday morning. Mrs. Cargal said "This came as a very big surprise, inasmuch as we haven't worked in our yard as much this year due to Mr. Cargal's health". Mr. Cargal is owner of Automotive Supply Co. 109 W. Ave. A. They moved here approximately three years ago from Amarillo and found yard work very different.

NATIONAL FARM SAFETY WEEK

JULY 21-27

WOODENFOOTE

Con't from page 1

I couldn't even plow that much in one day. Well, it takes a little longer than an hour and a half to make it around the Big Room Tour with two granddaughters.

I still love that talk they make about not touching anything. I've been through that cavern six or seven times and I've made at least one touch on every trip. Some of those items within reach are as slick as glass. And then there was that ole mean guide that said, "Little girl you can't pick that up." And she said, "I want my candy."

And then there's those darn box lunches. I can eat better sandwiches anywhere in the world. But after walking 3 miles, any kind of sandwich tastes good. The bread was jammed against the ham. I don't like mustard on mine and I don't like dill pickles, but yesterday they were great.

The stalagmites are still standing and the stalactites are still holding. I'm still of the opinion that God had more to do with its formation than the ranger tells. (But he gives himself a lot of room-- one to five million years).

It's still a good trip!

THE BAPTIST MEN'S ENCAMPMENT TO BE HELD JULY 26

The Baptist Men's Encampment will be held Saturday, July 26, 1969, at the Permian Basin Baptist Encampment in Stanton. Evangelist, James Robison of Hurst, Texas, will be the guest speaker.

JULY 20-26 PROCLAIMED AS FARM SAFETY WEEK IN GAINES COUNTY

County Judge Chester Browne proclaimed July 20-26, 1969 as FARM SAFETY WEEK in Gaines County, at the request of Dayton Elam, Farm Bureau president. The local farm organization is coordinating activities within the county for the special farm safety campaign.

The county farm leader said the accidental death rate for farm residents is steadily increasing.

"If this trend is to be reversed and the needless suffering and losses substantially reduced, each of us must have a renewed effort," Elam continued. He emphasized that farming remains one of the most hazardous occupations in this country today; but added, many of the present losses could be prevented with the use of safety tools such as seat belts, fire extinguishers, SMV emblems, and tractor roll-guards and crush resistant cabs.

In his proclamation, Judge Browne said "the citizens of Gaines County are proud of our farm families from whom comes our abundance of food and fiber; therefore, our citizens are deeply concerned about the safety and well-being of this segment of our population as they go about the sometimes hazardous task of producing the commodities needed by the entire population."

The proclamation said the week-long special safety campaign is a coordinated effort by Farm Bureau and various local and state agricultural and safety groups.

The Judge urged farm families "to become more safety conscious, not only during FARM SAFETY WEEK, but every day of the year."

President Nixon and Governor Smith have previously designated the same period and FARM SAFETY WEEK nationally and in Texas.

POLICE REPORT

In other police action, charged for the week were 21 different people by all law enforcement officials. Two were arrested on existing warrants; 2 for being drunk; a husband and wife were fined \$7.00 each for fighting; 1 - simple assault on child; 3 - DWI's; 1 - abandonment of children; 1 - defraud with worthless check; 3 - minors in possession; 3 - theft over \$50.00.

C. D. Wickson reported on 7-21-69 that six electric control systems (Brain) had been stolen at the bowling alley at \$366.90 each. Total \$2251.40.

There was a total of 9 registered guests in the local jail on Tuesday. Con't from page 1

THREE MEN VIOLATE THE HERBICIDAL STATUTE Agent, reports that a great deal of damage is in the south part of the county, where evidently a harmful herbicide has drifted in.

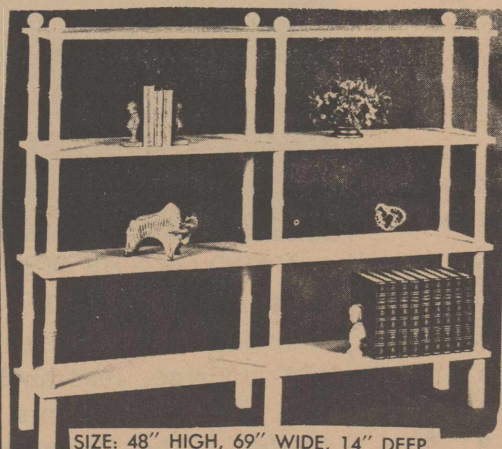

State men have already checked in the north part of the county and were back in Seminole on Tuesday to check in the south part. Holcomb went on and said, "All we're trying to do is to warn people to be careful. We hope not too much damage has been done."

Last year the county court, on recommendation from agriculture leaders, enacted the Herbicidal Statute to protect neighboring farmers and crops.

This type herbicide causes cotton leaves to grow in an elongated manner or in a grotesque sort of way. This can set cotton back as much as three to six weeks.

AMENDMENTS TO BE VOTED ON, AUGUST 5

Future irrigation needs for agriculture and drinking water for rural areas are involved in two of the nine proposed constitutional amendments to be voted on in the special election August 5, according to Dayton Elam of Seminole, president of the Gaines County Farm Bureau.

Proposed Amendment No. 2 (H. J. R. 9) on the ballot would grant the powers and flexibility of operation to the Texas Water Development Board necessary to develop sufficient water resources for present and future economic development of the state. The proposed amendment contains those constitutional changes necessary to implement the Texas Water Plan.

Proposed Amendment No. 4 (S. J. R. 6) on the ballot would exempt non-profit water supply corporations from ad valorem taxation. This would give the many rural water systems that have been set up in recent years the same tax status as municipal government water systems.

The Texas Farm Bureau supported both of these proposals in the recent regular 61st session of the Legislature, Elam said. In regard to Amendment No. 2, the Farm Bureau policy on the matter states that any water plan for Texas must be "equitable" to all sections of the state, Elam explained.

Both of these water-related propositions are important to agriculture and rural areas, the county farm leader asserted.

"Therefore, I am urging all voters of Gaines County to go to the polls on August 5 and cast their ballots for both Amendment No. 2 and Amendment No. 4," Elam said.

BY MRS. OPAL (R.M.E.) HUGHES

Mrs. Clay went to Big Spring Monday to see an old friend of the family with Mr. and Mrs. Jackson.

Mr. and Mrs. Gene Allen and the singer from Andrews ate dinner at Gene Allen's Sunday.

Mrs. Dan King from Midland brought Mrs. Bess Moon to see Mrs. Homer Whitaker. Mrs. Moon is Mrs. Homer Whitaker's mother.

Susie Faulkenberry, Sharon McGrewer and Dannie Gruben have all been visiting Mr. and Mrs. Richard Archer. They carried them swimming in Lamesa this week.

Mr. and Mrs. Tommie Brewer visited her mother and father over the weekend, Mr. and Mrs. Farris Brooks. Mr. and Mrs. Brewer are from Groom, Texas.

Bessie Brooks and her mother visited Mrs. Roy Archer this week.

Mr. and Mrs. Roy Archer went to Lamesa, Texas to get their son, Bryan. He has been visiting Mrs. Archer's mother.

Mr. and Mrs. W.E. Wright was very happy when all their family come home; Mr. and Mrs. David Williamson, Miss Vickie Wright, Miss Bobbie Wright and Jimmie Wright. This was a happy reunion together.

Mr. and Mrs. G.C. Merritt, Sr. and daughter from Hereford, Texas come to see Mr. and Mrs. S.A. Pence. These folks enjoyed a nice Sunday together.

Mr. and Mrs. Garland Emfinger visited Mr. and Mrs. S.

A. Pence Sunday afternoon.

Mr. and Mrs. Hershell Ray Hughes and boys visited Kennie Lyle and Jessie spent the week-end with Mr. and Mrs. L. H. Hughes. They all was at Fairview at church together.

Mrs. Charles Goss come to church and brought Charles' sister with her.

Mr. and Mrs. L. V. Castleberry was at home and helped Amon Castleberry celebrate his birthday with a dinner and birthday cake. Mr. and Mrs. Dick Clay and Mrs. Opal Hughes also enjoyed the happy birthday with him.

Mr. and Mrs. Jim Cassell brought Lisa McNew to church Sunday. Lisa is a pretty girl.

Mr. and Mrs. Dick Clay come to church Sunday morning but Sunday night they had company.

Mrs. James Stanley has come home from New York where she has been visiting her son and his family, Edwin Stanley. We are so glad she is home again; know she had a good time.

Mr. and Mrs. Raymond Golden are fine. Raymond is farming. Connie is working as a Candy Striper and Fern has a garden; so they are real businesslike.

Robert Whitaker come to see his dad Sunday before last from Midland, Texas. He phoned his dad last Sunday and had a nice visit with him.

Mrs. Bell Whitaker is feeling some better; we are happy she is better.

Mr. and Mrs. Chester Sinclair are fine and their baby is holding his own and everyone has been watching the astronauts land on the moon.

Mr. and Mrs. L.H. Hughes said they was sorry when Sallie

and husband went back to Houston to go to work. While Sallie was here she saw the Grand Canyons in Arizona; also went to see her brother, Mr. and Mrs. Louie Hughes and daughter.

Wonder why the Kenneth Apple family was not at church and Sunday School. They are missed very much.

Mrs. E. C. Nix is doing lots better now.

Mrs. Vera Petit has been working very hard.

The R. C. Patties was in Seminole this week on business.

Mrs. D.F. Rice went to Abilene Monday with Mr. and Mrs. Fred Rice, Jr. to see her granddaughter, Ginger and family. Mrs. Rice planned on a good time this week.

Mrs. Pessie Maltzberger and Mrs. Opal Hughes plan a trip to see their uncle and aunt, Mr. and Mrs. Fisher Pollard, this month.

Mrs. Ethel Garland is doing pretty good and is at home now.

Mrs. Raymond Parker is doing fine but Raymond does not go very much.

Karl Hughes has been doing fine this week.

Lots of the farmers have started their irrigation water on account of so much hot weather.

Mr. and Mrs. Hugh Castleberry are doing pretty good. They are sure taking care of their cows.

Mr. and Mrs. Leslie McHaney was at church at Fairview Sunday.

Most of the farm women

Personal

Mr. and Mrs. James Russell of Canton left Tuesday for home after spending a few days with the John McCleads, Dan Florences and other friends. Janet and Kathi, who have visited the last two weeks with friends, Deanie Crossland and Diana Russell, returned home with their parents. Beverly Hill went home with the Russells for a two weeks visit.

* * * have begun to have squash and peas out of the field.

PONY LEAGUE ACTION

The INDIANS won last Friday night over the ORIOLES 5-3, scoring 2 big runs in the 2nd and 3rd innings. It was a good ball game all the way and was not decided until the final out.

The YANKEES batted 15 men in the 3rd inning and scored 10 runs and went on to beat the TIGERS 16-5.

The INDIANS and the ORIOLES hooked up last Friday night in a good ball game with the INDIANS winning 5-3.

Monday night the ORIOLES won 9-5 over the TIGERS; the big blow being a 3 run homer by Donohoe in the 4th inning. The ORIOLES led all the way but only by 1 run till Donohoe connected.

In PONY LEAGUE last night the YANKEES rally fell short by one run and were defeated by the INDIANS 7-6. The Indians jumped out with four big runs in the 1st inning and were never headed.

BABE RUTH ACTION

Last Friday night the DODGERS' rally fell short in the final inning and the PIRATES beat them 2-1. It was a scoreless tie for the first 3 innings. M. Edwards hit a 2 run homer, driving in Nelson for the big play of the ball game.

The ASTROS scored an even dozen in Thursday night's action and beat the DODGERS 12-10. The Dodgers came on strong in the 6th inning, scoring 5 runs but not enough to win the ball game.

Last night, the PIRATES came up with a big hit in the 5th inning and scored one run beating the ASTROS 3-2 in a well played game. Nelson's lead off double led to the winning run.

In the Pee Wee League the Senators led Monday night.

	WINS	LOSSES
Senators	9	3
Red Sox	7	3
White Sox	6	4
Athletics	0	12

In the Pony League the Indians were in the lead.

	WINS	LOSSES

AROUND TOWN *By Jackie Squires*

The subject of buying cemetery lots came up in the office, the other day and as we were discussing the pro and cons of having your own lots, someone said, "Why once I knew an old fella that had even bought his own casket". When I replied I didn't see anything so odd about that because Charles and I are buying ours now. I've never heard so much whoopin and hollering and smart-alec remarks like

"do you sleep in it at night?" or "Do you have it stored in your garage?" So I decided to answer the questions of my astute colleagues in this manner, no, I don't sleep in it (yet) and there's not enough room to store it in our garage. (we can hardly get the car in), but they have promised to have one available whenever we need it. Besides what good are lots without caskets? Now come on gang! and admit, someone who is a member of the Church of Christ, has

their own cemetery lots and caskets just can't be all bad---Talking with two delightful ladies from DeLeon, at the Raymond Wednesday night, MRS. GEORGE ROLLINS and MRS. A. G. LEE. They are the sisters of MRS. EARL McCLELLAN and MRS. ALPHA SINGLETON and the aunts of PETE McCLELLAN. It's always a pleasure meeting such nice friendly people---DELBERT WARREN chatting over the booth with THE JAMES PHILLIPS at the Raymond Wednesday night---RUBY GREENE telling me at the Merle Norman Studio Monday about winning a trip to Montreal, Canada for selling "Tress Chic Wigs". Wish I could go too, Ruby, sounds like it would be cool there---RON BARTLEY at Jordan Furniture asking me Monday why I never mention WILLIE TUBBS and him in AROUND TOWN. Look! Ron, you guys finally made the "Big Time". ---GERTRUDE PATTIE telling me about her cute house guests from Dallas, CRYASTAL and HASH HUDGENS---ELVOY THOMASON and DENVER FORD dropping by the

office Friday---RAYFORD BATES and BILL FROST relaxing Monday evening in Bill's Real Estate office---RICHARD WATIS and CAROLYN BARTLEY looking busy at Lamesa Federal Monday---MARY JO KENNEDY by the office Tuesday---DAISY EVANS calling MADELINE SHELTON and wanting her to make pictures of her grandchildren here for a visit from California---Look out for me because I'll be seeing you AROUND TOWN

Diantha Fixsen of Dalhart, Texas, who has been visiting in the home of the J. Lewis McCrummens, accompanied them on a trip to visit friends in Albuquerque, New Mexico, then on to Farmington where they attended the wedding of a friend. They returned by way of Dalhart.

Mr. and Mrs. Olan Locker, Kenneth and Mary spent the week-end in El Paso with Mrs. Locker's brother and sister, Dr. and Mrs. J. C. Cox and Mr. and Mrs. Elton Gossett and families.

Mr. and Mrs. Jimmy Fisher and Ronnie returned Saturday from a weeks vacation in Houston and Atlanta, Texas. They attended Astroworld and saw a Astro Dodgers game on Monday night. In Atlanta, they visited Betty's brother, Glen Lambert. They returned by Dallas and went to "Six Flags Over Texas".

James and Oretha Morris of Abilene are visiting in the home of their grandparents, Mr. and Mrs. C. D. Tynes Sr.

Cards Of Thanks

We wish to express our very deep gratitude and sincere appreciation to our many friends who came to us in our sorrow at the passing of our loved one. Our very humble thank you for all the lovely flowers, for the food, cards and words of consolation, seem inadequate to express to you what is in our hearts. Our cup runneth over. May God's richest blessings always be with those who assisted in any manner and to those whose day to day association made the last years so pleasant to our mom.

The Family of
Mrs. Lawrence Rhea.

"So God has sent you two more little brothers, Sally," said the minister to the small girl.

"Yes," she replied, "and He knows where the money is coming from, too. I heard Daddy say so."

NEWS Editorial

Houston mayor, Louie Welch, has asked residents to use only water which they have to, no watering of grass, no washing of cars, and no watering of shrubbery. Other major cities are affected the same way. The Texas Water Plan may not be the only water plan that would work for Texas but it is A PLAN. West Gaines County and Seminole are indeed fortunate to have water; the experts say up to 70 years. The rest of the county, the south plains and the state are not so fortunate.

This paper maintains that the cost of schools cannot be measured, the cost of operating the church cannot be measured, that the cost of plentiful water cannot be measured. With the population explosion of our nation reaching such proportions, and Texas more than most, we owe to the people of 20 years and 30 years from now, water in abundance like we found this country. A vote FOR Amendment No. 2 would help satisfy the thirst of the plains, for its cities and towns, for agriculture, for industry and recreation.

Mr. J.A. Woodard and other old timers like to tell about the present school building in 1931 (presently the Jr. High building) when they were told it would never be filled and that it cost too much money. Too much money was spent - all \$40,000 of it. Then we built the courthouse and then Gaines County Park. Thank goodness some of the people of yesteryear built many, many things that we all enjoy. A vote FOR the Texas Water Plan August 5 could mean the same thing to the people who follow us.

Letter To The Editor

Dear Editor;

Always enjoy reading The News, but was particularly interested in this week's issue with the pictures and writeups about the Legislative candidates.

Your newspaper certainly did a good and fair job of representing each candidate. In fact, it was such a good job that I do not know for whom to cast my ballot.

I've always considered Randy Pendleton to be the most handsome member of the House, but it appears that he will be replaced by a rather nice looking person regardless of who wins.

Best wishes,

Jack Hawkins

(Memo from the House of Representatives, Jack R. Hawkins, also publisher of the Groesbeck Journal.)

Shafter Lake

Hotel 1905

"With malice to none — With charity to all"

SEMINOLE NEWS

Section II Seminole, Gaines County, Texas

Elsewhere in the paper can be seen a kitchen scene in this hotel. Upstairs were twelve overnight guest rooms, downstairs were other guest rooms, the kitchen, and the lobby. The hotel was built in Shafter Lake, Texas in 1905 or 1906. The material was hauled from Midland, Texas, before there was an Andrews. Shafter Lake was located approximately 25 miles southwest of Seminole in Andrews County.

Before identifying the people, take note of the restroom in the right hand lower portion of the picture. Two such structures sat behind the hotel. Between the outhouse and the hotel can be seen the clothes line. Those are bushes with clothes over them.

No doubt many antelope were killed from the porch upstairs and the porch downstairs.

Five to six hundred people lived in Shafter Lake at one time. Babe Howell said, 'At least a thousand.' The hotel was built by L. B. Elam and carried his name. When dismantled, a portion was used on the Barney Elam ranch and still more of it in his original home place on 11th Street. Barney was one of eight boys and five girls.

The man on the extreme left was a peddler coming through the country. He also had the greyhounds, the tent and the rig shown on the left side of the hotel. Dr. Williamson is shown with his dog by his side and sitting on the extreme right of the porch. Next to the doctor was the editor of the local newspaper. Upstairs was John Elam, brother to Barney, and Annie Williamson, one of the doctor's daughters. The woman in the middle of the three women was Myrtle Elam and the woman on her right, Erie Williamson, is another of the doctor's daughters. Charlie Elam is the man with the dark shirt on and the suspenders. The only other person identified was the painter, Jim Denoval. Notice the used paint cans sitting on the front porch.

It is reported the only reason Shafter Lake was not the county seat was that interested people from Midland worked to have it in Andrews.

Notice

Who said pickle juice snow cones were new? The News has a signed statement by the Seminole Evening Lion's Club that they have been selling pickle juice snow cones for two years. Signed by R. L. Donohoe, Olan B. Locker and others.

On May 28 the News ran a story on the Valley Automatic Sprinkler System on the farm of James R. Davis. At that time he reported that he planned on running about 10,000 head of sheep on Hybrid sudan grass and Boswell rye. The above scenes will show a part of the 9600 head of sheep that Mr. Davis now has. It was nearly impossible to take a picture because of the growth of the sudan.

It's about time to add an ounce of prevention to every gallon of gasoline.

Cus says being a winner is not much to brag about because you have only beaten somebody who was not so good and anybody ought to be able to do that.

ANNUAL FAMILY REUNION HELD

The Longbotham Annual Family Reunion met for their 9th reunion for a two day session July 19th and 20th, 1969 at the Community Building in Seminole, Texas.

Not too many were present on Saturday but oh! the food. One lady flew in from Albuquerque, New Mexico, piloting her own plane. She was Mrs. Virginia Heald, daughter of the late Mr. and Mrs. Cliff Longbotham.

On Sunday morning more came and more food. We had such a nice gossip session going.

We had members from Georgetown, Dallas, Tyler Teague, Midland, Odessa, Lubbock, Ft. Summer, New Mexico, Albuquerque, New Mexico and Seminole.

Business was transacted as usual. The same officers were re-elected for the coming year. Mrs. Maurine Harwell of Ft. Summer was appointed to secretary in general to replace Mrs. Burress of Tyler as corresponding secretary. Mrs. Burress is planning a trip abroad. Mrs. Elizabeth (Jack) Longbotham of Georgetown was appointed as program

director for the younger ones. Mr. and Mrs. Jack Longbotham of Georgetown had the largest families present. Mr. and Mrs. Abel Gary travelled the longest distance. The meeting for next year will be July 18-19th, 1970 at the Community building, Seminole

Water For Texas' Future

In only 31 years, Texas will be running short of water from present sources and must do something now to correct this prospective shortage while there is time and opportunity, says The Dallas Times Herald in an editorial. The editorial is reprinted as follows:

"Unless new sources of water are created by the end of this century, the people of Texas, whether they live in cities, towns or in the rural areas, simply will not have enough water to supply their industry, their agriculture and their many other needs for this life-and-death resource.

It is imperative, therefore, that steps be taken now to provide for an adequate water supply throughout the state not only for the year 2000, but for the years beyond that date.

Thus it is that the Governor's Committee of 500 created to secure adoption of the Texas Water Plan has launched a campaign which is of the utmost importance to the future of Texas.

The committee, with Gov. Preston Smith as chairman and three former governors, Allan Shivers, Price Daniel and John Connally as co-chairman, has undertaken a program to acquaint the people of the state with the comprehensive water plan. The plan, which would utilize water from the lower Mis-

issippi River, along with further development of the state's resources, would provide adequate water to insure the continuing growth and prosperity of Texas for years to come.

To implement the water program, voters will be asked to approve Amendment No. 2 on the ballot in the election called for Aug. 5. This amendment would authorize the Texas Water Development Board to issue \$3.5 billion in bonds to finance the state's share in the cost of the plan.

Though the governor has formally appointed 500 members of the committee to work for the success of the amendment, he has also called on other "devoted Texans" to assist the committee in this project.

"The task ahead is great and the time is short," Gov. Smith told members of the committee at its initial meeting. "What we must accomplish will take the dedicated and untiring efforts of all of us here today and many, many more devoted Texans. We have reached a point in time where imaginative, vigorous and positive steps must be taken to insure adequate water to meet the needs of our people into the next century."

We join the governor in an appeal to all Texans to work for the adoption of Amendment No. 2, which is so vital to the future of this state."

... Texas water plan a "must"

TEXANS ON AUGUST 5 will determine the course our state will take into the next century. One course, begun nearly two decades ago and ready for action now, will provide adequate water resources to keep Texas moving ahead with vision and determination. The other leads to stagnation and decline because of an inadequate water supply.

WHAT IS AMENDMENT NUMBER TWO?

Amendment No. 2 authorizes the Texas Water Development Board to issue \$3.5 billion in bonds to finance Texas' share of the cost of the Texas Water Plan. This money is not to be used to provide gifts or grants, but will provide temporary financing which will be repaid by water users. The Amendment also removes the 4 per cent ceiling on Water Development Bonds.

WHAT IS THE TEXAS WATER PLAN?

The objective of the Texas Water Plan is to provide adequate water to maintain the growth and prosperity of Texas into the next century when it is estimated that we will have a population of 30.5 million people. The Plan provides for the full development of our water resources and the importation of surplus water from the lower Mississippi River for distribution to areas with declining water resources.

WHO IS TO PAY FOR THE PLAN?

Cost of the \$9 billion Texas Water Plan — Texas' share is estimated at \$3.5 billion — will be shared by local, state and federal governments, with those who ultimately use the water paying much of the costs of the Plan.

WHY DOES TEXAS NEED A WATER RESOURCE PLAN?

By the end of this century — in just 31 years — Texas will not have enough water to supply its growing cities, its expanding industry, and its irrigated agriculture. To assure an adequate water supply, the state has prepared a plan for the full development, management and use of its water resources — and an imported water supply — to serve Texas to the year 2020 and to assure all Texans water to meet their needs.

WILL THE PLAN PROVIDE ADEQUATE WATER FOR TEXAS?

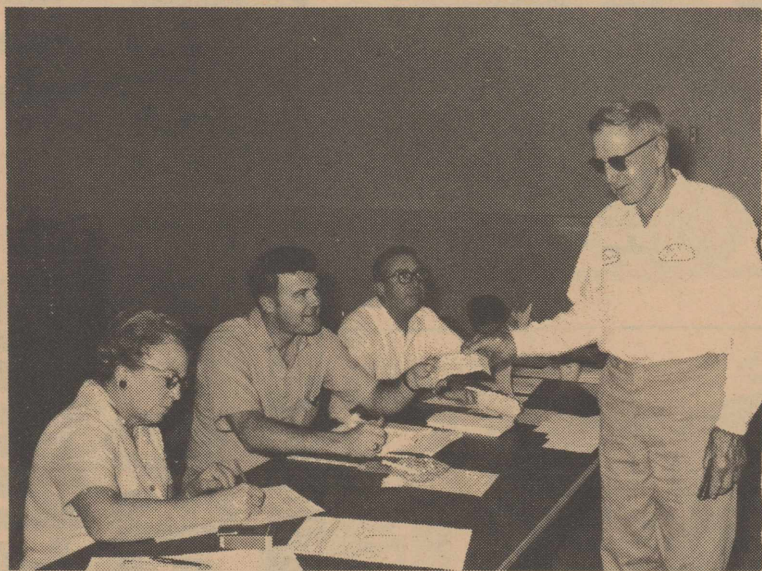

Yes. With our current major reservoirs (157), the proposed full development of our water resources (67 dams and reservoirs) and an imported supply of water, Texas can meet its water demands to the year 2020.

WHO WILL BENEFIT FROM THE PLAN?

The people of Texas will benefit from the Texas Water Plan. The plan provides for meeting all essential and beneficial water requirements throughout the state. The Plan will provide water for domestic and municipal uses, for industry, for agriculture, for recreation, for our bays and estuaries, and for other beneficial purposes. The Texas Water Plan will provide Water for Texas!

MOBIL FAMILIES HOLD BACKYARD BARBEQUE SATURDAY

Several Mobil families held a backyard barbeque Saturday night at the home of Mr. and Mrs. Cleon Jones, 300 SW 17th.

Refreshments of hamburgers, homemade ice cream and cake were served.

Special guests were Mr. and Mrs. L. P. Brown from Durant, Okla. (sister of Charles Goodall); and Mr. and Mrs. Bob Hutsell and children from Corpus Christi (former Seminole residents).

Others attending were Mr. and Mrs. Royce Rusk, Mr. and Mrs. Charles Goodall, Mr. and Mrs. Cleon Jones, Mr. and Mrs. K.B. Snider and Mr. and Mrs. Dave Pedigo and their families.

Shown left to right, Mrs. Mary Cochran, Mrs. Mary Thomas, Mrs. Betty Duncan, Mrs. Ed Aryain and Mrs. Jane Johnson.

The Seminole Garden Club met Tuesday in the home of Mrs. Ed Aryain, 508 S. W. 14th St. at 3:00 p.m. Assisting Mrs. Aryain as hostesses were Mmes. Charles Cope, Charles Gay and O. B. Smith.

A program on air pollution was presented by Mrs. Jane Johnson. She stressed the need to encourage communities and industries to be aware of our needs to clear our atmosphere.

A trio of guests, Mrs. Mary Cochran (Volunteer coordinator, Big Spring State Hospital), Mrs. Betty Duncan (Project coordinator of the circuit rider program) and Mrs. Mary Thomas (Acting personnel director of Big Spring State Hospital) from Big Spring State Hospital presented information on the proposed mental health clinic for Seminole and the need for support of this project. They explained how volunteers served as forerunners in clinics in outlying communities. In panel form a slide presentation concerning the treatment program at the state hospital was outlined.

Members attending were Mmes. Eddie Jameson, Bill Cravy, Robert Sneed, Charles Cope, Herbert Hicks, W. H. Vanlandingham, O. B. Smith, Charles Gay, John Freyburger, Luke Skaggs, Janie Johnson, Alton Freeman and J. D. Mitchell. Guests were Mrs. Robert Warwick, Escondido, California, sister-in-law of Mrs. Skagg, and Mrs. F. J. Koberg.

LOOP NEWS

LARRY CAUGHRON

DAVE CUNNINGHAM

Two young men from Loop, Larry Caughron and Dave Cunningham, received Lone Star Farmer Degrees at the State FFA Convention in Ft. Worth last week. This is the highest award on the state level for Future Farmers. To be eligible for this award, a young man must have been in Vocational Agriculture and done farmer work for at

least 3 years. He must keep a record book and show a net worth of at least \$500.00 for the third year. Mr. J.E. White, chapter advisor, says he is proud of these young men and the work they have done. Also in the way they have represented their school and community.

Larry is the son of Mr. and Mrs. Paul Caughron and will be a senior in Loop High School next year. Larry is a consistent winner in the county Junior Livestock Show in both swine and sheep. He has served his local chapter as sentinel and secretary.

Dave is the son of Mr. and Mrs. Buck Cunningham and is a 1969 graduate of Loop High School. He plans to enroll at South Plains College for the Fall semester. He has a commercial swine project. He has served as chapter president for two years and as Mesa District president. For the coming year he will serve as Area II vice president for Mesa District.

Both young men were on the Student Council at Loop High School during the past year.

Also attending the convention from Loop were Mr. J.E. White, Vocational Agriculture teacher; Dennis Aldridge and Roger McKinzie. The Loop FFA chapter also received the Gold Emblem award for chapter activities.

Two from the Loop Tigers team, Ronny Armstrong and Darrel Frasier, were selected on the Seagraves Little League All Star team. This team played in the Little League tournament in Brownfield last week where they were defeated by Levelland in the opening game.

Several members of the Loop Baptist Church attended the monthly G.A.Y. Workers' Conference in Andrews Monday evening.

Young people from Loop and

Seminole were entertained with a party and singing at the home of Jim Curt Schooler on Friday night.

Several residents of Loop are in the hospital. F.M. (Preacher) Roberson is in the hospital at Seagraves and is some improved at last report. Mrs. J.B. Smith is in the hospital at Brownfield. Also Mrs. Merritt, grandmother of Mrs. J.C. Chaffin, is in the hospital in Lubbock. The prayers and best wishes of all the community are with these people.

Visiting at the Church of Christ and with their relatives Sunday were Mr. and Mrs. Fred Smith from Whitharral and father, Mr. R.L. Smith from Seagraves.

Mrs. A.J. Jones is attending a Jehovah's Witness meeting in Kansas City this week.

Miss Gail McConal spent last week in Jal, New Mexico with her aunt, Mr. and Mrs. Larry Roberts.

Mr. and Mrs. Gene Ballard and children of Lubbock visited Sunday with her parents, Mr. and Mrs. A.D. Bishop.

Kella Burnett of Hobbs, New Mexico spent the week with her aunt, Mr. and Mrs. Keith McConal.

Mr. and Mrs. J.E. Whitfield of Elk City, Oklahoma are visiting in the home of their daughter, Mr. and Mrs. Paul Caughron and also visiting their son and family, Mr. and Mrs. Olen Whitfield of the Wellman community.

Brother and Mrs. George Newman had their son and family of Clovis, New Mexico as guests for the weekend and attended services Sunday.

Sgt. Tommy Hunt is at home on sick leave following hospitalization after an accident. Visiting with Tommy and their parents, Mr. and Mrs. Tom Hunt, were Mr. and Mrs. Kenneth Burnett of Hobbs, New Mexico, who were here Sunday and Mr.

and Mrs. Larry Roberts of Jal who visited on Monday.

Mr. and Mrs. Johnny McNew visited in Loop over the weekend with their parents, Mr. and Mrs. L.L. McNew and Mrs. Stella Chitwood.

Mr. and Mrs. Pete Oldham of Goldthwaite, Texas were overnight visitors in the home of Mr. and Mrs. D.N. Hunt Thursday night.

The Erickson family of Christoval, Texas is visiting her parents, the Jim Clarks, and other relatives.

The crops in the Loop area are beginning to look very nice with watering and hoeing in full swing. At this writing on Tuesday morning we have had $\frac{1}{2}$ to $\frac{3}{4}$ inches of rain, according to early reports.

Joe Walters, son of Mr. and Mrs. O.L. Walters, completed basic training in El Paso and has been sent to Arizona for further training.

Loop 4-H club members and their families had a swimming party and picnic supper in Brownfield last Thursday night.

Barney Elam said, "Yes that's a picture of my sister, Myrtle." The picture was made at Shafter Lake, Texas and was made in the kitchen of the hotel. This picture was furnished by Mrs. Lucille Richards of Ft. Sumner, New Mexico and was sent to Mrs. R.M.E. Hughes. The young man with her was named Parker Randolph and was a photographer. He had a room reserved in the hotel for a year or two.

Shafter Lake sat approximately twenty-five miles southwest of Seminole.

There are so many interesting things in the photograph. (1) Notice each of their aprons; (2) the big cuff studs on his shirt; (3) Arm bands holding up the sleeve; (4) the lamps--top right; (5) the platters, Mrs. Barney Elam still has one of the lamps and the platter with the flowers in it; (6) the neck peice she is wearing; (7) her stacked hair-do; (8) the wood cook stove on the left was the kind that had a big warmer on the back side; (9) The food box over his left sholder says, 'Dr. Price's Food'. (10) Why the saw in her hand? Probably to help cut the meat with. (Hams and beef did not come cut up from the stores in those days.) and (11) Note also the big mixing bowls, the cups and saucers, the lard cans on the floor, the one foot width boards behing the cabinet, the wide boards for flooring, and the cain bottom chair.

Myrtle, a sister to Barney Elam, died in 1908 at the age of 20 and is buried among the 15-20 graves in the graveyard at Shafter Lake.

Books in early libraries were chained to the shelves.

Fewer women than men have their face lifted.

BENNETT APPOINTED AREA DIRECTOR OF TEXAS AUTOMOBILE DEALERS

C. P. Bennett, owner of Bennett Motor Co. in Seminole, has been appointed to the key post of Area Director of the Texas Automobile Dealers Association.

H. C. Pittman, TADA executive vice president in Austin, said Bennett will report to the TADA Board of Directors on all phases of activity relating to the motor vehicle buying public in the Seminole area.

"Mr. Bennett will work closely with legislative and other governmental officials on all matters pertaining to the industry and the auto buying public," commented Pittman.

"The job of Area Director is one of the most important in our giant statewide association," said TADA President Ben Bock, New Braunfels, "and we are confident Mr. Bennett will serve with distinction."

TADA represents the franchised new car and truck dealers in Texas.

Mr. and Mrs. Ruben Garza are the proud parents of a baby girl born July 15, 1969.

The weighed 6 lbs. 13 ozs.

Mr. and Mrs. Crecerio A. Hernandez are the proud parents of a baby girl born July 18, 1969. She weighed 7 lbs. 10 ozs.

Gus says the biggest trouble with a diet is that most folks get fed up with not getting fed up.
