"Out In The West, Where The Air Is Pure, The Climate Agreeable, And The People Friendly -- The Best Place On Earth To Call Home."

Ozona, Crockett County, Texas 76943 USPS 4168-2000 Wednesday, January 10, 1996 Volume 82 Number 48

SMILING FACES GO WITH THE VOICES of DPS communications personnel you hear over your scanners. Pictured are: seated Paula Westmoreland and Carmen Villanueva. Villanueva is the new supervisor for the Ozona station. Standing are Royce Newton, Kim Anderson, Glenda Capps, and the newest dispatcher, Les Hale. Johnny Tambunga (right) is also new at the office as parttime custodian. *photo by Linda Moore*

DPS Communications Has New Look After Retirements

The 1995 retirement of the last two DPS communications department members R. B. Babbitt and Bob Falkner, who opened the Ozona station in 1971 brings a new look to the office.

Carmen Villanueva, supervisor of the Ozona DPS communications, began her employment with the Texas Department of Public Safety in Pecos on July 1, 1988.

"I have climbed the ranks within the communications service and was promoted to the rank of Police Communications Supervisor Facility on Oct. 1, 1993," said Villanueva.

"I chose DPS San Antonio as my first duty station as a supervisor and transferred from San Antonio to Ozona on Aug. 21, 1995. DPS Ozona is my second duty station as a supervisor, and I have enjoyed working with such friendly and caring people as I've met here," she said.

Villanueva follows R. B. Babbitt who retired June 30, 1995, after more than 33 years' service with the DPS. Babbitt opened the Ozona station as supervisor on Feb. 1, 1971.

Royce Newton, who is ranked as a PCO II, began work with the Ozona DPS station in June of 1987. He and his wife Brenda are the parents of two children, Victor and Shawna. Victor and his wife Amy have a son, Taylor. Shawna is married to Gregg Hopper.

PCO II Paula Westmoreland moved to Ozona in March of 1980 and went to work as a communications operator at the DPS office Aug. 15 of that year. She worked with the original crew, R. B. Babbitt, R. L. Brown and Bob Falkner, who are all retired, and with Randy Hall, now a driver's license technician, and the late Ed Barker.

Paula has two sons. Scott Westmoreland lives with his wife and two daughters on Cape Cod, Mass. Clayton Westmoreland graduated from Ozona High School last year and is now attending McMurry University in Abilene. Her parents, Pete and Dean Stroud, live in Ozona.

Kim Anderson began her work with the DPS in Austin on May 7, 1990, in the safety responsibility area. She promoted to PCO I with her move to Ozona on Sept. 15, 1992 and is now ranked PCO II.

Anderson has one daughter, Ashley, age 7.

Ozona native Glenda Capps worked for FESCO four and one-half years before starting with the DPS Oct. 15, 1993. She promoted to PCO II two years later to the day.

Glenda's daughter Morgan is a kindergarten student at Ozona Primary School.

Newest to the Ozona DPS communications department is Les Hale who has been employed there just over a month. Most of his life has been spent in Ozona. In addition to his work with the DPS, Hale ranches. He is also known for his work with sheep dogs and horses.

Hale and his wife Katrece have one son, Lane.

Another newcomer to the Ozona DPS station but not to Ozona is Custodian II John Tambunga. Tambunga began his parttime job with the DPS May 1, 1995. The Ozona native is a fulltime employee at Ozona National Bank.

He and his wife Yolanda are the parents of three children, Ruby, Prissy and Johnny Jr.

Reagor To Help Through Stock Show Season

Commissioners authorized advertisement for health and hospitilization insurance, advertisement for swimming pool managers and lifeguards, bidding of lease of Ingham Trap property and re-advertisement for roofing bids for the civic center when they met Monday.

Following discussion on criteria for county payment of pauper burials, the court voted that the county will provide a minimum casket and county dug plot. Pauper status is to be determined by the county judge.

In relation to Texas Department of Housing and Community Affairs grants, the court voted to approve a policy of non-discrimination on the basis of disability as required by Section 504 of the Rehabilitation Act of 1973 with Orlando DeHoyos to coordinate compliance. Voting for were Judge Jeffrey Sutton, Commissioners Freddie Nicks, Frank Tambunga and Rudy Martinez. Commissioner Fred Deaton voted against.

Approval of a Section 504 grievance procedure to be handled by DeHoyos' office was also given on a 3-2 vote with Commissioners Nicks and Deaton voting against.

An identical 3-2 vote also approved a 504 resolution as required by Section 504.

Retiring County Agent Billy Reagor met with the court and offered his services through stockshow season even though he retires at the end of January. Commissioners agreed to pay their portion of his salary and travel.

After expressing his appreciation to the court for the county's support through the years, Reagor explained that mid-March is the earliest the state will have a replacement here for his job.

During a report by hospital/care center administrator Virginia Box, Commissioner Deaton asked for a copy of the minimum standards for Texas hospitals. He commented that by law, the county must budget an amount equal to 10 percent of the its general fund for indigent care if Ozona closes its hospital. Even if the amount is not used, the figure must be budgeted.

Reports were heard from Jack Meek regarding the completion of the elevator in the courthouse. Meek also presented the court with an elevation drawing of the proposed county annex building. He was asked to do a cost analysis on wainscoting inside the annex.

Meek said he expected to put out bids Jan. 9 for the alarm and sprinkler systems and moving the doors in the hospital to enlarge for care center rooms.

Reports were given by Louise LeDoux, librarian; Garland Young, civic and youth center director and Eddie Moore, roads and parks superintendent. A written report was received from Janet McDaniel of Helping Hands.

A proposal drawn by Commissioner Tambunga for a new road department system was discussed during Moore's report. Tambunga explained that his proposal for a modified unit system with two supervisors was in an attempt to get more maintenance work done in town.

Moore said maintenance has been cut back in town because of road and building construction projects in the county being done by his department. There are 12 employees who take care of maintenance in town and 13 (including Moore) who work out of town. The 13 also work in town at times.

His records indicate that approximately one-third of the work done during the year, 20,000 hours, was done out of town. Some 40,000 hours were put in within town.

The suggestion was made by Moore to hire parttime help during the peak growing season to do town mowing under supervision of full-time personnel.

Nicks Announces For Re-election

Pct. 3 Commissioner Freddie Nicks has authorized The Ozona Stockman to announce his candidacy for re-election.

Nicks is completing his first term as commissioner of Pct. 3.

In addition to his experience during this term, Nicks spent 24 years with the state highway department. He owned a business in Crockett County for 11 years and has been employed by South Texas Lumber Company for five years.

He and his wife Pat have one son, Weldon, who makes his home here with his wife Cindy and children Michael and Casey.

"I would appreciate your vote in the March primary, " said Nicks.

Pol Adv. Pd. For By Freddie Nicks, Box 866, Ozona, TX 76943

Angelo Community Emergency Room Operation Proposal Heard

Representatives of Angelo Community Hospital, in association with West Texas Medical Associates, met with hospital board members and commissioners last week to present an operation proposal for an emergency/urgent care facility.

Michael Jenike, chief operating officer of Angelo Community Hospital, Tommy McMahon, administrator of West Texas Medical Associates and Keith Butler, administrator of outreach, outlined their plan to provide for the acute care and stabilization of the sick and injured in addition to 23-hour observation capabilities. Their proposal for a 24-hour, seven day a week facility at the present site of Crockett County Hospital includes the necessary nursing, technical and clerical staffing while maintaining 24-hour lab and x-ray facilities.

Under their operation, the staff would continue dispatching responsibilities for the EMS. They would provide billing and collection services related to the emergency/urgent care, lab and x-ray services and continue to provide emergency medical service education to include the instruction and coordination for all EMS personnel.

The proposal requests that Crockett County, under ACH supervision, renovate the wing that includes the present emergency room with approximate cost of $100,000 to be included in the first year's management fee of $350,000, and in years 2-5, the county would pay a management fee of $20,000 per month ($240,00 per year).

Building expenses, including utilities and maintenance would be the county's responsibility. Doctor's offices would remain where they are now.

The county would continue to provide all contracted services for the two doctors here with Angelo Community to bill for all physicians' professional services. These revenues would be turned over to Crockett County who would continue to compensate Doctors Owensby and Sims as contracted.

WTMA is interested in providing specialty support here through on-site consultation in orthopedics, cardiology, rehumatology and urology. They would also do cardiac stress testing, sports medicine clinics, health fairs/wellness program, the 55PLUS program and provide physicians back-up coverage and recruitment should Ozona lose a doctor.

They do not plan to have an R.N. on every shift. The night shift would possible be covered by an EMS person with an R.N. on call, Jenike said.

The Angelo Community proposal and the Shannon proposal will be compared by the hospital board at a meeting later this week.

Shannon was asked to develop a proposal for a physicians' clinic with after hours emergency coverage. This would involve closing the hospital and operating under rural health clinic regulations.

Shannon's plan would provide two doctors and a physician's assistant, pay their salaries and those of the staff in the clinic (with an RN on each shift). They would equip and furnish eight exam rooms, two offices and the waiting area. All clinic facilities would be inside the hospital, and remodeling for these purposes would be the responsibility of the county. The county would bear the cost of building insurance, maintenance, housekeeping and utilities.

The present lab and x-ray would remain where they are, and Shannon would cover the upkeep on lab equipment.

Shannon would be responsible for accounts receiveable and would have their own phone system.

4-H Livestock Show Begins Thursday

The 49th Annual Crockett County 4-H Livestock Show and Sale will be held Jan. 11-13 at the County Show Barn and Fair Park Convention Center. 4-H members will exhibit market lambs, meat goats, market swine and rabbits.

The 4-H Livestock Show begins Thursday evening at 5:30 with the rabbit show in the convention center. Judging the rabbit show will be Mike and Marilyn Ratliff of Rankin. All rabbit exhibitors are asked to have their rabbits in the barn by 5 p.m. on Thursday.

A showmanship clinic for exhibitors showing market animals will be held Thursday, Jan. 11, at 7 p.m. in the old 4-H Show Barn.

All market lambs and meat goats must be in the barn by 8 a.m. on Friday, Jan. 12. Market swine will be weighed in the afternoon. Activities for Friday evening begin at 7 p.m. with the first-year feeder show followed by the meat goat show which is scheduled for 7:45 p.m. Joe Ed Wise of Santa Anna will judge the market lambs, meat goats and market swine.

Saturday morning activities begin at 7:30 with the market swine show followed by the market lamb show at 8:30. Finewool classes will show first, followed by the crossbred classes.

A barbecue lunch will be served at noon in the Fair Park Convention Center. Brisket with all the trimmings will be served and takeout plates will be available. The concession stand will be open Thursday and Friday evenings and Saturday morning.

The awards presentation begins at 1:30 p.m. Saturday followed by the premium sale at 2 o'clock.

Filing Period Ends

An additional candidate for the March 12 Democratic Primary filed after The Stockman's presstime Jan. 2.

According to Democratic Party chairman A. O. Fields, Terry Dickerson filed for commissioner, Pct. 3.

Incumbent Freddie Nicks had filed earlier.

Filing a notice of intent to run as an independent candidate for county attorney is Bill Mason. This notice is filed with the county judge.

Incumbent Orlando DeHoyos has filed for a place on the Democratic Primary ballot.

Candidates wishing to run as independents must file a notice of intent by the filing deadline. They cannot actually file for a place on the ballot for the general election until after the May primary runoff.

Early voting by personal appearance in the March 12 primary begins Feb. 21.

Feb. 9 is the last day to register in person to vote in the primary. If you are registering by mail, correspondence postmarked through Feb. 12 will be acceptedby the tax assessor's office

NELL DAVEE ANDERSON retires this month after 12 years in the Crockett County justice of the peace office. The court clerk will move to Kelly, LA, to be with her husband, Ted Anderson. *photo by Neal Ulmer*

1996 Brings Retirement For Nell Anderson

The coming year holds many changes for Nell Davee Anderson. She will retire in January after 12 years with Crockett County justice of the peace's office and move to Kelly, LA, to make her home with husband Ted Anderson. The Andersons were married July 4, 1995, 50 years after their graduation from Mullin High School.

Mrs. Anderson began work for Crockett County under Justice of the Peace Raymond Davee, but her office was at the DPS. When Maxine Brown retired, Mrs. Anderson moved to the J.P.'s office in the courthouse annex. She has worked under three J.P.s, Raymond Davee, Christine Davee and Jim Hearne.

As court clerk, she could fulfill some of the duties of the J.P. Among the exceptions are arraignments and arrest warrants. At one time she could serve as acting J.P. Now, one must have served as J.P. for 4-1/2 years in order to be an acting J.P.

"I love my work; it is so varied," she said. "I love working with people and you never know what's going to walk in the door.

"I've had people tell me they're going to come back and haunt me for life," she said. "The thing that gets me the most is when they bring in juveniles."

The upcoming addition of a sixth DPS Trooper to the Ozona station will further increase the workload for the J.P.'s office.

Before going to work for the J.P., Mrs. Anderson was employed 13 years at White's Auto and one year at the bank.

Travel with her husband is part of Mrs. Anderson's plan for retirment. "I love to travel and have toured 40 states," she said. "I hope to make 10 more, but I don't expect to do Hawaii and Alaska."

Mrs. Anderson has three children, Greta Cochran of Midland, Tony Davee of Abilene and Gary Davee who is deceased. She also has four grandchildren. Mr. Anderson is the father of four children, Jack Anderson of Louisiana, Jill of Atlanta, GA, Jan of Virginia and Jay of California, and 10 grandchildren.

Fierro Service Held Monday

Juan Aranda Fierro Sr., 56, of Ozona died Saturday, Jan. 6, 1996, in a San Angelo hospital.

Funeral service was at 10 a.m. Monday in Our Lady of Perpetual Help Catholic Church with burial in Lima Cemetery. Arrangements were by Preddy Funeral Home.

Mr. Fierro was born May 23, 1939, in Ozona. He was a lifetime resident and a Catholic.

Survivors include four daughters: Sylvia Coy, Stella Fierro and Dee Montanez of Ozona and Deborah Luna of Sonora; two sons, Fred Fierro and John Fierro, both of Ozona; one sister, Manuela Perez of Ozona; one brother, Sipriano Fierro of Granite Shoals; 13 grandchildren and two great-grandchildren.

THIS DELIGHTFUL PICTURE of past presidents of Ozona Woman's Club (organization name as identified on the photo), is shared by Marilyn Cox. Pictured are: standing, Lena Word, Wilma Carson, Lottie Lee Baker, Brownie Harvick, Lizzie Perner, Phil Schneeman, Myrtle Childress, Grace Colwick, Lena Baggett, Mary Friend, Mrs. O. D. West, Alma Oberkampf, Mrs. A. C. Hoover and Gladys Pierce; seated: Ruth White, Vada Bean, Louise Cox, Marie Perner, Mrs. W. W. West and an unidentified past president.

Memorial Service Pending For Martha Flowers Harrell

Martha Flowers Harrell, 55, died Saturday, Jan. 6, 1996, in a Maryville, TN, nursing home after a long illness. Memorial services were pending Tuesday.

Martha was born May 17, 1940, in Ozona to Richard and Kathryn Baggett Flowers. She moved from Ozona to San Angelo in 1966, where she lived until 1981. She lived in Granbury for about one year and then moved to Madisonville, TN, where she loved the mountains and a simpler way of life.

Martha was preceded in death by her parents and a granddaughter, Katie, age 2.

Survivors include two sons, Richard Alston of Madisonville, TN, and Wynn Alston of San Angelo; one daughter and son-in-law, Marsha Renee and John Padier of San Angelo; four grandchildren, Richard and Nikki Alston of Madisonville and Sarah and Aaron Padier of San Angelo; and a sister, Mary K. Flowers Brewer of Ozona.

The family requests that memorials be made to St. Jude Children's Hospital or the American Cancer Society.

Robert Lee Burial For Catherine Hall

Carrie Catherine Hall, 65, of San Angelo died Friday, Jan. 5, 1996, in a San Angelo hospital.

Service was at 2 p.m. Sunday at the Robert Lee Baptist Church with burial in Robert Lee Cemetery.

Mrs. Hall was born Oct. 13, 1930, in Coke County and had lived in San Angelo for four years. She had been a secretary for the Texas Department of Transportation and was a Methodist and a member of the Ballinger Eastern Star.

Survivors include a son, Randy Hall of Ozona; two brothers, Larry Jack Rabb of Harlingen and Wilford Rabb of Houston; a sister, Frances Henderson of Odessa, and a grandson.

Martinez Service Jan. 4

Elpidio Martinez Sr., age 60, died Tuesday, Jan. 2, 1996, in Crockett County Hospital.

Funeral service was at 3 p.m. Thursday at Our Lady of Perpetual Help Catholic Church with burial in Lima Cemetery under the direction of Preddy Funeral Home.

Mr. Martinez was born March 4, 1935, in Ozona. He was a lifetime resident and a member of the Catholic Church.

Survivors include his wife, Sulema Martinez of Ozona; one daughter, Anna Delia Garza of Ozona; two sons, Elpidio Martinez Jr. and Elijio Martinez, both of Ozona; four sisters, Manuel Martinez of Odessa, Maria Ramirez of San Angelo, Teresa Garcia of Ozona and Elena Martinez of San Antonio; one brother, Lionel Martinez Sr. of Ozona and four grandchildren.

Social Security Rep. Here Jan. 17

A representative of the San Angelo Social Security office will be in Ozona Jan. 17 from 1 to 2:30 p.m.

Anyone wishing to conduct Social Security business at that time may see him in the conference room on the second floor of the courthouse annex.

Garza On Dean's List

Jesse L. Garza, a student at Angelo State University, was named to the Dean's List for the fall semester with a grade point average of 3.78.

He is the son of Lalo and Belia Garza of Ozona.

Carter-Beasley Vows Exchanged In Arlington

Miss Kristi Michelle Carter, daughter of Mr. and Mrs. H. L. Carter of Arlington, and Bruce Damon Beasley, son of Mr. and Mrs. Charles Beasley of Ozona, were united in marriage Saturday, Sept. 2, 1995, at four o'clock in the afternoon at Tate Springs Baptist Church in Arlington. Dr. Dan Curry, the bride's pastor, officiated the double ring ceremony.

The bride is the granddaughter of Mrs. Ava Carter and Mrs. Jewel Massey, both of Jackson, MS. The bridegroom is the grandson of Mrs. Bessie Booth of Odessa.

Given in marriage by her father, the bride wore a traditional wedding gown of English silk with a fitted bodice and basque waistline. The bodice was adorned with handsewn pearls, sequins and appliques of alencon lace. The back of the gown was detailed with tiny covered buttons, pearls and lace that also adorned the long sleeves which poofed at the shoulders. The hem was detailed with scalloped lace appliques and pearls flowing into a cathedral-length circular train embellished with lace appliques and pearls.

Her headpiece was fashioned on a tiara of pearls and sequins matching her gown with a double layer of finger-tip length illusion. The bridal bouquet, made by her mother, was a flowing cascade of white roses accented with green English ivy, lily of the valley, strands of pearls and the lace and ribbon from her mother's bridal bouquet, thus fulfilling the tradition of something old. For something borrowed, the bride's great-grandmother's wedding ring was attached inside her wedding gown at the waist. For something blue, she wore a satin garter embellished with lace, and a penny was placed inside her shoe by her father, completing the tradition.

Ms. Denise Ramirez of Arlington, the bride's long-time friend and college roommate, served as maid of honor. Bridesmaids were Ms. Stefanie Shaw of Arlington, Ms. Michelle Procell of Houston, Mrs. Candi Moak of Shreveport, LA, and Ms. Jennifer Hildman of Arlington. Their floor-length strapless gowns were hunter green satin with off the shoulder jackets accented with rhinestone buttons. They wore earrings to match the gown that were gifts from the bride. Their bouquets were of burgundy roses, rosebuds, mauve lily and green ivy with hunter green and burgundy ribbons.

Flower girls were Kasi Massey, Shelby Mork and Morgan Brand, all cousins of the bride. Their white silk floor-length gowns were appliqued with alencon lace with pearl accents and a wide tie sash in the back. On their heads were halos of tiny white silk flowers and white lace ribbon streamers. They carried white baskets filled with flower petals and decorated with small burgundy roses and hunter green and burgundy ribbon.

Ringer bearer was Jeremy Britt, cousin of the bride. He wore a black tuxedo and black tie to match the attire of the bridegroom. He carried a white satin pillow embroidered with the bride and bridegroom's names and wedding date and adorned with a small nosegay of burgundy roses with hunter green and burgundy ribbon streamers and tiny wedding rings.

The bridegroom was attired in a black tuxedo and black tie with a white rose boutonniere. Bestman was his brother, Rodney Beasley. Groomsmen were Byron Beasley, brother of the bridegroom, Frank Ferrara, Willie Deweese and Wesley Lawhorne, all of College Station. Groomsmen served as ushers and candlelighters. They wore black tuxedos with burgundy rose boutonnieres.

For her daughter's wedding, Marie Carter chose a hunter green two-piece tea-length suit. Martha Beasley, mother of the bridegroom, wore a burgundy tea-length dress. Both wore matching corsages of burgundy roses. Fathers of the couple wore black tuxedos and black ties with burgundy rose boutonnieres.

During the seating of the guests, music chosen by the bride was played by Alicia Curry. The candlelight ceremony began with the pianist playing "Majesty". The bridegroom's parents entered and together lit his candle; then the bride's father ushered her mother in and together they lit her candle. After soloist Chris Hoover sang "Keeper of the Stars", the wedding party entered the sanctuary. Special scripture was read by the pastor, and the soloist then sang "I Will Be Here".

Following the exchanging of vows and rings, the couple lit the unity candle, and "The Lord's Prayer" was sung by Bob Bryant.

The church was decorated with large baskets of burgundy roses with arch and spiral candelabras wrapped with green ivy and large white bows. The parents' pews were marked with votive candles and white bows and tulle. White bows lined the center aisle for the bride's entrance on her father's arm. The wedding processional was played by organist David Brand, cousin of the bride.

A buffet reception immediately followed in the church fellowship hall. The hall was decorated with baskets of burgundy roses, white lattice stands flocked with layers of white tulle, wedding bells and white bows and ribbons. The bride's table, covered in white, featured a multi-tiered white wedding cake accented with burgundy roses and topped with a porcelain bride and bridegroom. Punch was served from a lead crystal punch bowl, and mint and nut dishes were placed in front of a silver votive candelabra used as the centerpiece.

The bridegroom's table, covered in burgundy, featured a two-tiered chocolate cake decorated and topped with the Texas A&M University seal. An antique A&M votive candle and mint and nut dishes were also placed on his table. Guests were invited to partake of buffet food arranged on tables covered in white with baskets of burgundy roses as centerpieces.

Stacey Hemmings and Lori Kennedy, both of Arlington, attended the registry table and presented programs with a special message from Kristi and Bruce to each guest. Trisha Smith of San Antonio and Jenny Brooks of Arlington served at the bride's table. Courtney Beasley, Rodney's wife, served at the bridegroom's table. Susan Joiner of Arlington and Heather Hawkins of Denton served the punch and coffee. Friends of the bride's parents assisted with the food and in the kitchen. All flower arrangments were designed and made by the bride's mother. Freddie Williams and Gina Massey assisted in decorating the church and fellowship hall under the supervision of both Kristi and Bruce.

The newlywed couple left the church amid family and friends blowing bubbles to bid them farewell in a white stretched limousine that took them to Dallas to begin their new life together.

On the eve of the wedding the bridegroom's parents hosted a rehearsal dinner at the Steak and Ale in Arlington. On Saturday morning a bridesmaids' brunch was given by Sandy Mork, cousin of the bride, in her home in Fort Worth.

The bride is an August 1995 graduate of Texas A&M University with a bachelor of business administration in accounting. She is presently working as an accountant for United Medical Care in Houston. The bridegroom is a December 1994 A&M graduate with a bachelor of science in biomedical science. He is presently working on his master's degree at Baylor College of Medicine to become a physician's assistant. The couple resides in Houston.

Davee Stationed In San Antonio

Senior Airman Bobby Duwayne Davee Jr. has finished a year of duty assignment at Oson, Korea. He has been assigned the home base of San Antonio and reported to Kelly Air Force Base Jan. 4.

After reporting in, he came home to Ozona. He was so happy to be back on Texas soil and even happier to see friends and family in Ozona for the weekend.

Because of sickness and death in the family, Duwayne will not have any leave time for quite a while. He will continue to visit Ozona on weekends as he can.

Welcoming him home included his stepmom Nancy Davee, step-sister Tammy Perner and her husband Clint, new niece Katelyn Perner, cousin Tonya Bullard and her husband Roy along with many friends.

Czubinski-Childress Wedding Plans Told

Mr. and Mrs. Lawrence Czubinski of San Angelo would like to announce the engagement of their daughter, Vicki Ann Czubinski, to Martin L. Childress. He is the son of Mr. and Mrs. Pleas Childress III of Ozona.

The bride-elect is a 1987 graduate of San Angelo Central High School and a 1992 graduate of Angelo State University. She is currently employed with Compassionate Care Inc. Home Health Services as assistant director of nurses.

The prospective bridegroom is a 1990 graduate of Ozona High School and is currently involved in his family's ranching operations in Crockett County.

The couple will exchange vows March 23, 1996, at the First Baptist Church of Ozona.

Garden Club Studies Designing With Wood

Members of the Ozona Garden Club met at the Crockett County Civic Center Jan. 8, with Grace Williams and Virginia Hubbard serving as hostesses.

During the business portion of the meeting, the president, Lou Deaton, announced that she will speak to Judge Jeffery Sutton regarding dividing the plants at the South Pool and places that could use some of the plants.

The members voted to make a contribution to the library expansion fund as well as purchase a brick for the club.

A change in the club's by-laws was discussed, and the executive committee members are to meet and decide on changes to be voted on in the next meeting.

Dorothy Montgomery, flower show chairman, handed out copies of the design division of the schedule for exhibitors to study.

Marolyn Bean brought a report from Neil Sperry's Garden Book on lawn compression and types of grasses best suited to this area. Trees of Texas was also mentioned, and the reason a tree trunk has two barks. She handed out sheets on early detection of house plant diseases and pests.

Mrs. Tinkie Speck from Rankin presented the program on designing with wood. She brought out ways of cleaning and enhancing weathered wood for using in design.

A plant auction was held after the meeting, and refreshments were served.

Members present were: Dean Allen, Marolyn Bean, Sue Burns, Nancy Childress, Lou Deaton, Linda Hixon, Mary Jo Mason, Dorothy Montgomery, Marge Smith, Carmen Sutton, Jan Van Shoubrouek, Martha Weant, Jeanne Wellman, Grace Williams, Sibyl Howell, Ethel Miller and Jonesy Williams and a guest, Mary Lou Knox.

Submitted by Marge Smith

Gospel Meeting Jan. 11

Everyone is invited to hear the music and preaching of Crystal Lyons Jan. 11 at the Circle Bar R.V. Center. The service begins at 7 p.m.

Make a joyful noise unto the Lord, all ye lands.
[2]Serve the Lord with gladness: come before His presence with singing.
[3]Know ye that the Lord He is God: it is He that hath made us, and not we ourselves; we are His people, and the sheep of His pasture.

Psalm 100:1-3

Way Back When Theme Of Forum Program

Jewel Bailey and Lucille Littleton presented a humorous skit, "Way Back When", for Ozona Woman's Forum Jan. 2 at the Crockett Room.

Members were entertained by the ladies and their wit and wisdom, quoting old sayings and describing the way things were and the attitudes of people years ago.

Hostesses were Elizabeth Dudley and Norma Carson. Patsy White led the pledge to the American Flag. Marolyn Bean, president, presided over the business meeting.

Roll call was answered with each member telling their favorite old saying.

Those attending were: Jewel Bailey, Marolyn Bean, Sandy Bebee, Jane Black, Louise Bunger, Norma Carson, Crystelle Childress, Geniece Childress, Sue Cosper, Marilyn Cox, Elizabeth Dudley, Beverly Evans and Benny Gail Hunnicutt.

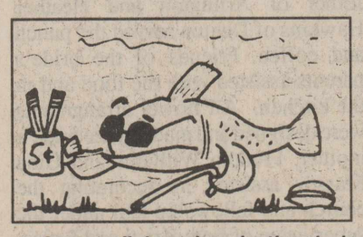

Also Pauline Johnson, Georgia Kirby, Shirley Kirby, Lucille Littleton, Marcille Long, Willa Perry, Ethel Miller, Bernice Phillips, Katharine Russell, Ann Shaw, Madeline Stokes, Margaret Tabb, Helen White and Patsy White.

Miss Kenley, Mr. Cassaro - To Marry March 2

Susan Evalyn Kenley and Donald Vincent Cassaro will be married March 2, 1996, in the Historic Fort Concho Commissary.

The bride-elect is the daughter of John Stephen Kenley of Ozona and Mrs. Jarvis Addison Wright of San Angelo. The prospective bridegroom is the son of Alphonso James Cassaro of Rockford, IL, and Mrs. Jerome E. Dohm of Rockford.

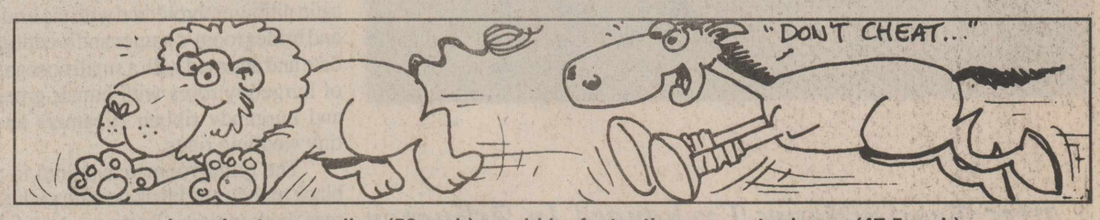

Miss Kenley is a graduate of Ozona High School, and her fiance is a graduate of Montello High School in Montello, WI.

"Ears"

Have you ever considered the fact that hearing is an art? Just because people have ears stuck to their head doesn't necessarily make them listeners. I remember one of my teachers describing what really happens in a conversation. First, you begin with the words that you "think" you said and couple that with the words that you "actually" said; Next you have the other person hearing what you "thought" you said, but in actuality that person heard what you "really" said, maybe. It's no wonder we struggle in our relationships as we do. The ability to hear another person is a skill, and skills are only developed through hard work. Do we realize that just because someone is hearing with ears doesn't mean that their hearing with the most important part of them, and that is their heart. The Bible repeatedly encourages us to, "have ears to hear what the Spirit is saying."

I have often heard of certain Christians being ridiculed because they stated that they had, "heard from God". Why should someone hearing from God seem so bizarre? Maybe it's because we never hear from God and therefore, have decided that God's not talking to people. God often spoke to people in the Bible. Could it be that God is speaking, but you're not hearing? Remember, just because folks have a pair of ears, that doesn't make them hearers. True hearing is with the heart. True hearing is an art.

If you would like a free cassette tape of one of our services, please write us at P.O. Box 103 or give us a call.

Attend Church This Sunday

Excitement Seeking Worship

By Dennis J. Prutow

We live in a bungee jumping, laser lit, high tech, sports crazed, adrenaline driven society. With all our push for more leisure time, there is an even greater drive for more and more excitement. Realization is out. Stimulating those nerve endings and emotions is in.

There are a couple of profound results. For one thing, old fashioned Christian worship is on the decline. It is boring. What do you mean sit around singing placid hymns and songs, reading the Bible and listening to sermons? Give me a break. Better yet, give me some entertainment. Give me some music that gets the adrenaline pumping. Tell me some stories that excite me. Old fashioned religion too often makes me feel bad. I want to feel good all over more than anywhere else. Isn't main-line Christian worship passé?

Then too, rest, realization, reading and contemplation is out. Being quiet is a lost art. The Christian day of rest is also lost. We do not have time to contemplate the eternal, read the Bible, pray with our children, or enjoy the simple things of life. Yet most folks complain of stress filled lives. Our jobs are pressure cookers during the week. We pressure ourselves on the weekends. We have to get the work done around the house so we can go to the ball game. We worship excitement.

Nutrition In The News

Unless you've been totally blown away by the flu bug the last couple of weeks, you've probably heard or read two news stories that concern nutrition and health. Actually, one of them was so exciting I even propped myself up on a pillow and watched it through a feverish haze on CNN.

The first story concerns another breakthrough in discovering an anti-obesity drug. New tests have found another substance that seems to help mice lose weight. Just what the world needs...more skinny mice. But someday - in a couple of years, according to the researchers - that knowledge may be translated to us humans.

"In the meantime," I muttered as I downed more pills and slid back down under the electric blanket to shiver some more, "We'll just stick to the USDA Dietary Guidelines for Americans."

Many of you are familiar with the dietary guidelines which were first issued back in the 1980's. The new ones - the second big news story of the week - are quite similar, but there are some important new changes. Here is a summary of each:

Eat a variety of foods. Because foods contain combinations of nutrients and other healthful substances, it's important to remember that no single food can supply all the nutrients in the amounts you need.

Choose the recommended number of servings from each of the major five food groups displayed in the Food Guide Pyramid, limiting fats and sugars and choosing more foods from the base of the pyramid - grain products, fruits and vegetables. Choose different foods within each group for optimum nutrition and interesting meals.

In this version of the dietary guidelines, vegetarian diets are mentioned. Lacto-ovarian diets, where the vegetarian eats dairy products and eggs, are consistent with dietary guidelines and can meet the daily Recommended Dietary Allowances for nutrients. Vegans, who eat only foods of plant origin, must supplement their diets with sources of B12, Vitamin D and calcium, which are found in animal foods and dairy products.

Supplements of vitamins, minerals or fiber are also mentioned in the new guidelines. The use of supplements can't substitute for a good diet in a healthy person, but may be needed for special dietary situations as long as they are not taken in excessive quantities.

Balance the food you eat with physical activity - maintain or improve your weight. This guideline discusses the risks of excess weight, the factor of the location of body fat in health risks for adults, eating disorders, weight loss and weight in children. It encourages increasing physical activity if sedentary.

Choose a diet with plenty of grain products, vegetables and fruits. This guideline emphasizes the need to eat foods which provide a rich source of nutrients, fiber and complex carbohydrates while being low in fat. This is especially important because most Americans of all ages eat fewer servings of these foods than is needed.

Choose a diet low in fat, saturated fat and cholesterol. While some dietary fat is needed for good health, most Americans get too much of this good thing. Links with heart disease, cancer and diabetes make reducing fat in the diet more important than ever. This does include a note to choose lowfat milk products, lean meats, fish, poultry, beans and peas to get needed nutrients without greatly increasing calorie and saturated fat intakes.

Included in this guideline is information about children. Below the age of two years, there is still no conclusive evidence that limiting fat in the diet is a good idea. In fact, children under two need quite a bit of fat in the diet to develop and grow properly. By age five, their diet should contain no more than 30 percent of calories from fat.

Choose a diet moderate in sugars. Americans eat approximately 150 pounds of sugar per person per year. This guideline does mention that hyperactivity and diabetes are not caused by diets high in sugars, and that foods containing sugar substitutes may be sugar free but are not always calorie free. The impact of sugar on tooth decay is also mentioned.

Choose a diet moderate in salt and sodium. This guideline mentions the suspected role of sodium in high blood pressure and notes that most American s simply consume too much sodium...but consuming less is not harmful and can be recommended for the normal healthy person.

If you drink alcoholic beverages, do so in moderation. This guideline discusses the pros and cons of drinking alcoholic beverages, and does include a list of persons who should not drink alcohol, including children and adolescents, individuals of any age who can't restrict their drinking to moderate levels, women who are trying to conceive or are already pregnant, people who plan to drive or take part in activities requiring attention or skill, and individuals using prescription and over-the-counter medications.

This is just a summary of the information in the new guidelines, which were put together by a committee from the U. S. Department of Health and Human Services and the U. S. Department of Agriculture. For additional information on any of these guidelines, contact me at 392-2721.

Educational information and activities provided by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

Tunic Time For FCE Club

January is "Tunic Time" for the Crockett County Family Community Education Clubs. This month's educational program will feature a fast, inexpensive way to make an attractive, warm tunic from a sweatshirt and a few fabric scraps.

County Extension Agent Tedra Ulmer, who will present the program, says most people may have all the materials on hand, and encourages anyone interested to attend.

"I'll demonstrate the techniques used in making the tunic," Ulmer said, "and those who wish to can work along and make their own tunic to take with them when they leave." A complete list of equipment and supplies needed to participate can be obtained by calling the County Extension Office at 392-2721.

Items needed include a sweatshirt, fabric strips, fusible interfacing, iron, sewing machine and scissors. "Of course, friends may share their equipment," said the agent, noting some items will be available for use, but bringing one's own equipment will speed up the process. Anyone who wishes to watch and not participate is also very welcome to attend.

Ulmer says the finished product is similar to the "Folk Art" jackets the group made last year for under $10, but require much less sewing ability. "The cost to make will also be similar, depending on which materials you already have available," she noted, adding the FCE group which toured Fredericksburg and Austin last year saw similar jackets selling for over $100.

For more information, call 392-2721. Educational programs and information provided by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

Individuals with disabilities who require an auxiliary aid, service, or accommodation in order to participate in this meeting are encouraged to contact Tedra Ulmer at 392-2721 to determine how reasonable accommodations can be made.

4-H Dance Slated For Saturday

Pull on your dancin' boots and get ready for a great time at the 4-H dance on Saturday, Jan. 13, from 7 p.m. to midnight at the Fair Park Convention Center following the annual 4-H Livestock Show.

D. J. Kurt O'Brien from Big Lake will provide the music. O'Brien was a big hit with 4-H members from across the district at the annual 4-H Christmas Ball, and he plays the music 4-H'ers love to dance to.

Cost is $2.50 per person for 4-H members and their guests. Each 4-H member may bring one non-4-H member. Parents of 4-H members are welcome at no charge and are urged to attend.

4-H members from surrounding counties have also been invited to attend, with at least one group chaperone per county.

For more information, call the Crockett County Extension Office at 392-2721. Activities sponsored by 4-H are available to persons of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

First Place Session Begins Jan. 17

January can be a tough month for many people. The excitement of the holidays is over and it's time to pay the bills. Also some are discouraged and unhappy because the food binges of the past few weeks have caused weight gain, depression and feelings of guilt.

Well, God has given you a new year full of opportunities and a chance to grow more like him. You can have a "way out" of cravings and binges and disappointment with your self by becoming a part of a First Place group. Meeting with this group on Wednesday evenings at 5:30 at First Baptist Church will help you to know you're not alone in your struggles. You'll find encouragment and support by learning healthful eating habits, the importance of exercise, help in establishing Bible study and prayer time, and in addition, you'll enjoy the fellowship.

Jan. 17 has been chosen as the first orientation meeting of this 13-week session. Jeannie Fuller, Audrey Glynn and Rosalind Williams are leaders at this time, and they invite you to start down the road to success by feeling better and feeling better about yourself. Dress is casual, and persons of any age are welcome. Fees and possible alternative meeting times will be discussed at this first meeting. Materials will be ordered for both new members and continuing members, and a video explaining the First Place program will be viewed.

"Come enjoy the journey," invites Mrs. Glynn.

Museum Notes From Mary

In the museum office there is a lovely old electric chime clock. On the quarter hour it strikes four notes of the Westminster Chime and on the half hour are eight notes. The three-quarter hours gets 12 and on the hour are the full 16 notes of that beautiful melody that has been a favorite for clocks for centuries.

This particular clock had belonged to Tom Nolen, our county clerk, from 1907 to 1926. Tom was born in 1880 in a log cabin and came to Crockett County in a covered wagon when he was eight years old. He had a very active life, married a lovely lady named Olive Corinne Gurley on Dec. 3, 1900, and worked in a general merchandise store for three years. He later worked in the county clerk's office for Roy Hudspeth until Roy's retirement. Tom was then elected as county and district clerk where he served for 20 years. During WWI he was secretary to the draft board and county food administrator. He was secretary to a lot of civic organizations and the Methodist Sunday School. He belonged to the Ozona Masonic Lodge over 50 years, was a member of the Order of Eastern Star, Elks Lodge, Odd Fellows and Woodmen of the World.

He lived at various places in Texas, including San Angelo, Midland, Rocksprings and McCamey. Tom and Olive had three children, and she died in 1929. He married Miss Bessie Woods in 1937, and she died in 1953. Alone again, he divided his time between his two daughters and their families. He left this life in 1969 at the age of 89.

Tom had a great part in building Ozona. He was a loyal church member and a fine citizen. The museum is proud to use the clock that had served him well and knowing about his life had endeared this clock to us.

Everything in the museum has its own story, just like Tom's clock. Come see us.

Card of Thanks

The family of Ellen Sewell wishes to thank the many, many wonderful people who helped us in our time of grief.

Thanks for caring and sharing your time, cards, flowers, food, visits and prayers.

Many thanks to Dr. Sims and Dr. Owensby and a super thanks to the wonderful staff at our outstanding Crockett County Care Center.

We wouldn't have survived the last 8 months without Hospice-special thanks to them, and hugs and kisses to Veronica Tijerina, a care giver who really cares.

Thanks,
Rip Sewell & Family

Pain may be eliminated for millions

(SPECIAL) -- A new drug has been approved that is exciting researchers in the treatment of pain. This material has been formulated into a new product known as **"Arthur Itis™"** and is being called a *"Medical Miracle"* by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that **Arthur Itis™** relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. **Arthur Itis™** is an odorless, greaseless, non-staining cream and is available immediately without a prescription and is guaranteed to work. Use only as directed.

Crockett County Sheriff's Report

WEEK ENDING 1-9-96
ARRESTS:

1-2-96...25-year-old Michael Joel Vargas of Ozona was arrested on an Irion County warrant charging him with driving while intoxicated. On 1-3-96, he was transferred to the county jail at Mertzon to await his trial.

1-5-96...40-year-old Feliciano Garcia Jr. of Rocksprings was arrested on charges of driving while intoxicated. He was released the next day after posting bond. The case will be tried in district court.

1-6-96...20-year-old Andre Downing of California was arrested on charges of possession of marijuana and traffic offenses. He was released the next day after posting bond. The case will be tried in county court.

1-7-96...34-year-old Justin Dyal of San Antonio was arrested on Bexar County warrants charging him with theft. He was released the next day after posting bond.

1-7-96...23-year-old Charles Gutierrez of Georgia was arrested on traffic charges. He was released after paying his fines.

1-7-96...47-year-old Humberto Ramos of Ozona was arrested on charges of attempted murder. The offense occurred when he was accused of firing a rifle into a woman's house. He is in county jail unable to post his bond. The case will be referred to the Crockett County Grand Jury and tried in district court.

INCIDENTS:

1-2-96...Perry Hubbard reported that someone broke the windshield on a 1987 Suzuki that was parked in the alley behind 12th Street. Sheriff's deputies are investigating the offense.

1-4-96...Desidoro Tijerina and Jomie Tebbetts reported a man who was violating a protective order issued by the court. Sheriff's deputies investigated the case and filed a report with the county attorney.

1-5-96...Rhonda Parker reported the theft of two signs from in front of Crockett Apartments. The theft is under investigation.

1-6-96...Victor Newton reported that someone pulled some signs out of the ground at the Country Club. This case is under investigation.

1-7-96...Ismael Lujan reported that someone entered his house on Piedra Street. Nothing was reported taken. Sheriff's deputies are investigating the offense.

GEM AND MINERAL SHOW IN FREDERICKSBURG

The 27th Annual Gem and Mineral Show sponsored by the Fredericksburg Rockhounds will be held in the Pioneer Pavilion at Lady Bird Johnson Municipal Park on Saturday, Jan. 20, from 10 a.m. to 6 p.m. and on Sunday, Jan. 21, from 10 a.m. to 5 p.m. The park is located about three miles south of Fredericksburg on Hwy. 16.

Exhibits will include the handcrafts of skilled lapidarists and jewelry makers as well as excellent mineral and fossil collections. Demonstrations on faceting, lost-wax casting and jewelry making by local craftsmen and dealers from around the state will continue throughout the weekend. There will be a game table and a gold panning booth to add more excitement. Also a geologist will be available for identification of any "mystery" rocks visitors may wish to bring.

Admission is free and everyone is eligible for hourly door prizes. There is ample free parking and RV hookups are available in the park.

Crockett County Public Library News

By Louise Ledoux

ELECTRONIC RESOURCE CENTER

Crockett County Public Library is proud to announce that our first computer for public use in the Library Electronic Resource Center is up and running. The multimedia Pentium PC with CD-ROM and laser printer was approved by the commissioners' court for the public library. David West donated components for the computer and assembled and configured the computer and programs for the library.

The computer is loaded with Windows and several word processing, spreadsheet and database programs, such as Lotus Ami-Pro, MicroSoft Works and Write. It also has Print Shop Deluxe and Deluxe Companion for making signs, cards, banners and certificates with a huge selection of graphics and fonts.

Mr. West has also generously donated a set of CD-ROMs to the library. These CDs form the heart of the Electronic Resource Center and include information for all ages, from first grade to adults. The first CD in this set is the *Children's Multimedia Encyclopedia* from Heinemann Interactive. The *Encyclopedia* is for ages 6 to 12, and includes topics ranging from Arts & Entertainment to the Earth and Countries to Technology, People and Communications. All with over 800 color photographs, plus video clips, animation and sound that make learning easy and fun.

The second CD in the set is *MicroSoft Encarta '95*. This is a complete multimedia encyclopedia for the intermediate and junior high level. This highly recommended and award-winning CD includes more than 26,000 articles; eight hours of sound and 60 foreign languages; 7,000 photos and illustrations and 800 maps; over 100 videos and animations; plus timelines, atlases and bibliographic citations to support your research.

The third is the 1995 *Grolier Multimedia Encyclopedia*. This CD is for high school, college and adult levels. The *Grolier* is one of the most outstanding, recommended and acclaimed encyclopedias on CD-ROM. It has over six hours of multimedia, more than 33,000 articles, over 8,000 pictures and hours and hours of sounds, animations, videos and multimedia maps. The *Grolier* comes with another CD called *The Animals!* from the San Diego Zoo that covers aardvarks to zebras in beautiful full color, sound and animation.

The fourth in the set is the *1995 Encyclopedia Americana Reference CD-ROM*. This one CD includes the entire 30 volume print edition of *Americana*, over 45,000 articles and 25,000 words. It is not multimedia, but does include over 1,200 charts, graphs, diagrams, tables and maps.

The fifth in the set is *A.D.A.M., the Inside Story. A.D.A.M. (Animated Dissection of Anatomy for Medicine)* is the complete story of the human body. This award-winning CD includes illustrations, sound, animation of bodily functions, such as the heart pumping blood, and live-action videos that cover the entire body from the skeleton out to the skin. You have to see this CD to believe the depth of cover and the ease and fun of using this incredible resource. There is no comparison to a book.

The Crockett County Public Library System will be providing our library with another computer and Internet access in the coming months. This will become possible with the GTE local-area calling to San Angelo that will provide access to Internet providers without long-distance charges.

Come check out the Electronic Resource Center, the latest addition to your public library.

Doctor's discovery may end obesity

HILTON HEAD, S.C. -- A doctor has discovered that an ingredient found in a small fruit grown in Asia, combined with an ingredient praised by the U.S. Department of Agriculture can help cause significant weight loss.

In a study published in a prestigious American medical journal, Dr. Anthony A. Conte, M.D. reported that the formula, now called Bio-Max 3000, caused patients to lose more than twice as much weight as a control group on the same fat reduced diet. Neither group was instructed to decrease the amount of food they ate or to increase their exercise levels. An article published in the *American Journal of Clinical Nutrition* confirms that you don't have to reduce the amount of food you eat to lose weight, provided that you limit the fat.

Scientists suggest that the mechanism behind the weight reduction includes decreasing sugar cravings and interruption of the "Krebs Cycle", an important step in the body's fat storage process. "The best part of this unique discovery is that it is not a drug, but a safe dietary food supplement" says Dr. Conte. The Asian fruit, called garcinia, is similar to citrus fruit found in the United States with one big exception-- it may help some people fight obesity! While Dr. Conte's study may be preliminary, the exclusive North American distributor, Phillips Gulf Corp., is calling the Bio-Max 3000 supplement "Nature's Ideal Diet Aid."

According to a spokesperson for the company, Bio-Max 3000 is now available on a limited basis through pharmacies and nutrition stores or call 1-800-729-8446.© 1995 Phillips Gulf Corp

Bio-Max 3000 is available locally at:
WESTERMAN DRUG
916 Avenue East Ozona 392-2608

Author's Note: This statement has not been evaluated by the FDA. Bio-Max 3000 is not intended to diagnose, treat, cure, or prevent any disease.

Card of Thanks

Lady Lions Get Two District Wins

By Neal Ulmer
Stockman Sportswriter

The Class 2A State Champion Lady Lions picked up their first district win on their road to a repeat district and state championship. Ozona hosted the Anthony Wildcats who traveled from the far reaches of West Texas to open district play last Friday evening in Ozona.

The Lady Lions won their district opener 53-34 over the Anthony Lady Wildcats to a large contingent of Ozona fans. It was the Ladies' 19th season win with two losses and first district win.

It was no surprise to anyone except the Lady Wildcats as Ozona started with a full-court press, forcing several turnovers and getting a quick 6-2 lead after two minutes lapsed in the first period. Despite making numerous substitutions, they did not back off with Amber Tarr scoring eight of the Ladies' 19 points to lead 19-8 after the first quarter.

Ladies' coach Dickie Faught used his substitutes well with some of his starters and continued to work on offensive plays and use a full court press. They continued to dominate in the second period, scoring 14 more points while allowing Anthony four points for a 33-12 halftime lead.

In the third period, Ozona slowed down a little, continuing to work the ball in adding 10 points. The Lady Wildcats shot well with Rosa Ramirez scoring eight of their 12 points, but they still trailed 43-24 after three quarters of play.

Anthony tried to come back again in the fourth period, scoring 10 points, but the Lady Lions stayed a step ahead, scoring 10 points also to take a 53-34 win.

Amber Tarr led the Ladies in scoring with 14 points. She was followed by Shelly Sullivan with 12 points, Tara Wilkins scored 11, Stormi Sessom made six, Bobbie Bryson scored five, Autumn McWilliams made one 3-pointer, and Julie Perez scored two points. Also playing in the game were Megan Tambunga, Dana Bishop and Amy Laughlin.

With use of the full-court press, the Ozona Lady Lions easily disposed of the Van Horn Lady Eagles 63-11 in the Ladies' second district win. Even though school was out for the holidays, the Saturday afternoon game in Davidson Gym was well attended by ex-students, students, parents and fans.

As in their first game with Anthony, the Lady Lions used a full-court press on the Lady Eagles, forcing turnovers and getting some quick points. By the 6:19 mark in the first period, the Lady Lions had an 8-0 lead and continued to do so, holding the Lady Eagles scoreless 26-0 in the first period.

The combination of players Coach Faught used in the second period and throughout the game made no difference. They continued their domination as the Ladies added another 20 points and again held the Lady Eagles scoreless for a 46-0 halftime lead.

At 4:52 in the third period with a 52-0 lead, Coach Faught pulled off his starting five players to give his second five additional playing time together in working the ball in for a score. The Lady Eagles' junior Torre Van Horn scored her team's first two points of the game. The third quarter ended with the Lady Lions leading 56-2.

The Lady Eagles added nine more points with Miss Van Horn scoring six more points. Even though they outscored Ozona by two points, it was not enough as the Lady Lions won their second district game 63-11.

Shelly Sullivan scored eight 2-point field goals for a total of 16 points to lead the Ladies in scoring. Amber Tarr scored 13 points, Tara Wilkins made 11, Bobbie Bryson scored 8, Autumn McWilliams made seven including one 3-pointer, Stormi Sessom scored six, and Julie Perez made two points. Other Ladies adding their efforts were Dana Bishop, Amy Laughlin and Megan Tambunga.

The Lady Lions will play their third district game against the Eldorado Lady Eagles at 6:30 p.m. on Friday, Jan. 12, in Davidson Gym. The JV Lady Lions will play at 5 p.m., opening their district play.

LION MEL MARTINEZ goes up for a shot and an Anthony Wildcat deflects the ball. The Lions played hard last Friday evening in Davidson Gym, but the Wildcats won 86-79 to give the Lions their first district loss.

Lions Split First Two District Games

By Neal Ulmer
Stockman Sportswriter

The opening of district games for the Ozona Lions last Friday and Saturday in Ozona resulted in a great turnout. The Lions hosted the Anthony Wildcats in their district opener on Friday and the Van Horn Eagles on Saturday in Davidson Gym. Both teams played a tough and hard game with the Wildcats coming out on top 86-79. The Lions' season record is 5-13.

"Our kids played hard - four quarters hard. We worked our offense and worked as a team - we deserved to win the game," said Lion coach Ronnie Casey. "We had a great plan for Anthony, and we executed it."

Both teams came out ready to play with Anthony getting the tipoff, but Ozona's Ray Fierro scored the first two points. Each team matched the other in baskets made with Anthony making three more on fast breaks to lead 22-16 in the first quarter.

Ozona picked up the tempo and traded baskets with the Wildcats in the second period. They took the lead at least twice with Fierro scoring 11 points of the team's 24 points. This brought them within one of Anthony at 40-41 as the second quarter ended.

The battle proceeded in the third period with neither team pressing on defense, but both continued to shoot well. As the teams took a timeout in the third period with 3:17 left, the Wildcats were leading Ozona 53-48. Both teams played well the rest of the quarter with Ozona trailing 57-61.

There was no let up in the final period as both teams continued to battle it out. The Wildcats outscored the Lions 25 points to 22 points with Mel Martinez scoring 11 points for the Lions to take the first district win away from the Lions 86-79. Anthony's Gilbert Martinez scored 32 points to lead his team.

"I thought we played great. As an overall team, we are a better team than them," said Coach Casey. "Our goal is to get over this and win district."

The Lions had great balance in scoring with four players in double figures and four scoring five 3-pointers. Mel Martinez led the Lions in scoring with 21 points. Ray Fierro hit one 3-pointer and made 11 points of a total of 19 points in the fourth quarter. Justin Browne scored 14 points including one 3-pointer, Jon Sanchez made two 3-pointers and a total of 14 points, David Browne scored seven, which included one 3-pointer, Lance Jamerson scored six, and Lupe Llanas made one free throw.

Others adding their efforts in the game were Jason Stuart, Brian Badillo and Lando Peña-Alfaro.

The Ozona Lions bounced back quickly on Saturday afternoon as they defeated the Van Horn Eagles 87-39 to win their first district game. They increased their season record to 6-13, and they will be going into their next district game with the Eldorado Eagles on Friday with a 1-1 district record.

Pleased with the win, Coach Casey said, "We played together real well today. It was a great win and we needed it."

Looking for their first district win, the Lions decided to take control of the game early as they led in the first period 20-13. The Eagles leading scorer with 20 points for the afternoon, was 6'6" Bill McBernie who scored eight points in the first period.

The Lions shot well in the second quarter, adding 14 more points while holding the Eagles to seven to take a halftime lead of 34-20.

Ozona could not miss in the third period, hitting a hot 30 points while holding the Eagles to eight for a 64-28 lead. They proceeded to dominate in the fourth quarter with balance scoring and took their first district win 87-39.

"We are real pleased with the effort of the team," said Coach Casey. "The bench came off and did a great job."

Super duper Ray Fierro led the Lions with 23 points. Also putting in an excellent performance in scoring was Mel Martinez with 17 points. Lance Jamerson and David Browne scored 11 points, each, Jason Stuart hit two 3-pointers for six, Brian Badillo scored six, Jon Sanchez made five, Lando Peña-Alfaro scored four, Lupe Llanas made one 3-pointer, and Justin Browne made one.

The Ozona Lions will play their next district game in Davidson Gym at 8 p.m. on Jan. 12 with the JV Lions playing at 5 p.m.

8th Grade Cubettes Win Iraan Tournament

By Neal Ulmer
Stockman Sportswriter

The Ozona Eighth Grade Cubettes defeated the Reagan County Eighth Grade Lady Owls 38-22 in overtime for a great climax to a great tournament. The Cubettes remain undefeated (9-0) after winning all three games in the 8th Grade Iraan Tournament Jan. 4-6.

"This game was the toughest game the girls have played all year," said Ozona's eighth grade coach Deborah Ramon about the championship game. "Congratulations to the girls for a great tournament," she added.

In the Cubettes' first game of the tournament on Jan. 4, they had little trouble in defeating the Midland Christian Lady Mustangs 44-13.

Being off for the Christmas holidays did not appear to affect the Cubettes as they scored 17 points in the first quarter to Midland's six points. They added nine in the second period for a 26-8 halftime lead.

"The girls played good defensively, and thus, caused their opponent to force turnovers," said Coach Ramon. "We scored off their turnovers and had a great game."

They again played well in the second half, scoring six additional points to Midland's four for a 32-12 third quarter lead. Increasing the tempo in the fourth, the Cubettes scored 12 more points and held Midland to one for a 44-13 win.

Kayla Turland led the team in scoring with 16 points. She was followed by Jessi Pagan and Ammie Avila with eight each, Diana Ellison and Kristin Bullard scored four each, and Penny Weddle and Tiffany Maldonado made two points each. Julia Ramirez also played in the game.

On Saturday morning the Cubettes overcame the Sonora Lady Colts 28-24 in their second game of the tournament.

"We had a hard time getting started that morning," said Coach Ramon. "We were down at half, but the girls came out and gave it their all to win a close game against a tough opponent."

The Cubettes led 7-5 in the first period of a tough first half, but they trailed by one point at the half 13-14.

Despite a weak first half, the Cubettes came back in the second half, scoring six points to four for a 19-18 third quarter lead. They maintained their composure in the fourth, adding nine more points for a 28-24 victory.

Diana Ellison led her team in scoring with nine points. Others scoring were Kayla Turland with eight, Ammie Avila scored seven, and Stacey Mendez and Jessi Pagan made two points each.

Also playing in the game were Penny Weddle, Kristin Bullard, Julia Ramirez and Tiffany Maldonado.

When the chips were down, the Cubettes came through in overtime to beat the Reagan County Lady Owls 38-32. With the win, the Cubettes garnered their ninth season win with no losses.

"I am very pleased with how the girls handled themselves during the overtime," said Coach Ramon. "The momentum was definitely not on our side going into the overtime, but the girls overcame that, and I am very proud of their performance. The girls made some key free throws to clinch the championship in overtime."

Ammie Avila led the Cubettes in scoring with 16 points. Also scoring were Diana Ellison with eight, Kayla Turland and Jessi Pagan scored six and Stacey Mendez made two points.

Others adding their efforts in the game included Penny Weddle, Kristin Bullard, Julia Ramirez and Tiffany Maldonado.

The Cubettes will meet the Eldorado Eagles in Ozona starting at 5 p.m. on Jan. 15.

Eighth Grade Cubs Sweep Iraan Tourney

By Neal Ulmer
Stockman Sportswriter

The Ozona Eighth Grade Cubs swept the eighth grade Iraan tournament last weekend by defeating the Eldorado Eagles 30-29 in the championship game held last Saturday. The Cubs are undefeated with a season record of 8-0.

"The kids earned the championship, and they deserved it," said Cub coach David Delgado.

The Cubs defeated the Midland Christian Mustangs 49-33 in their first game Jan. 4. It appeared to be no problem for the Cubs as they met the Mustangs in the first period. Good shooting and hustle gave the Cubs an early 18-6 first quarter lead.

The Cubs maintained their ease of scoring throughout the game except for the last period. The halftime score was Ozona 28, Midland 15, and the third quarter score was Ozona 37, Midland 21.

"I thought the kids played very well, considering they are still on Christmas vacation," said Coach Delgado after the game. "We were able to get a quick start and kept the opponents off balance."

Bobby Cervantez led the Cubs in scoring with 16 points. He was followed by Peter Rodriguez with 10, Ross Crawford and Miguel Rios scored six each, Ernie Hernandez made three and Matt Castaneda, Ryan Bean, Randall Borrego and Seth Webster made two points each.

Also playing were Clay Richardson, Ty Porter, Matt Graner, Ray Galindo, Cade Clark and Kenneth Sessom.

A second game placed the Cubs against their arch rivals, the Sonora Colts, on Saturday morning. Both teams played hard with the Cubs coming out on top 30-27 to take them into the finals that night.

"Sonora has played us as well as anyone has this year," said Coach Delgado. "We had to change some things and did them well enough to win."

Unlike the first game, this game stayed close in scoring. Ozona led 10-6 in the first quarter, and both teams scored only four points each in the second period for an Ozona 14-10 lead.

The Cubs outscored the Colts in the third period, adding 10 to make the score Ozona 24, Sonora 18. The Colts turned around in the final period, scoring 11 points to Ozona's six, but the Cubs endured, winning 30-27.

Bobby Cervantez scored 16 points to lead the Cubs followed by Peter Rodriguez with six, Matt Castaneda made four and Ernie Hernandez and Ray Galindo made two points each.

Also playing were Seth Webster, Randall Borrego, Clay Richardson, Ty Porter, Matt Graner, Cade Clark, Kenneth Sessom, Ryan Bean, Ross Crawford and Miguel Rios.

Usually championship games are close in scoring, and the one with the Eldorado Eagles was no exception. It did not come easy for the Cubs, but they won the game 30-29.

In winning, Coach Delgado said, "The kids showed a lot of composure and lots of heart."

Both teams scored little in the first quarter as the score was tied at 6-6. They picked up the tempo in the second period with Ozona tallying 10 points and Eldorado seven for a 16-13 Ozona lead. The Eagles outscored the Cubs 10 points to six in the third to take the lead at 23-22. Ozona fought back in the fourth period to win the game 30-29.

"We had another tough game," said Delgado. "We had to come from behind to win."

Bobby Cervantez and Ernie Hernandez scored eight points each to assist their team in winning. Also scoring were Ross Crawford with four, and Seth Webster, Peter Rodriguez, Randall Borrego, Ryan Bean and Matt Castaneda scored two points each.

Others adding their efforts in the game include Clay Richardson, Ty Porter, Matt Graner, Ray Galindo, Cade Clark, Miguel Rios and Kenneth Sessom.

The Cubs will get another chance to play the Eldorado Eagles starting at 5 p.m. on Monday, Jan. 15, in Eldorado.

JV Ladies Slip By Eldorado 34-33

By Neal Ulmer
Stockman Sporswriter

Getting off to a slow start, the Ozona JV Lady Lions barely slipped by the Eldorado JV Lady Eagles last Thursday evening in Davidson Gym. Despite the slow early start, the Ladies picked it up in the final period to win 34-33 over the Lady Eagles. The win increases their season record to 13-3.

"We looked like we had been on Christmas break for three weeks," said perturbed coach Rodney Johnson. "On the good side, our intensity and hustle was excellent and that was what allowed us to get back in the game after being down eight to nothing."

It appeared that Eldorado was ready to play and win in the first quarter. The Lady Lions had trouble shooting and passing as they trailed in the first period 5-10. The battle got heated in the second period as the Ladies scored 14 points of which Leslie Avila scored six to the Lady Eagles' 12 points. Eldorado's leading scorer Ashley Finley made six of her 11 points in the second period to give them a 3-point lead at 19-22.

"Mentally, we weren't ready because we did not know we were going to have that game until 3 p.m.," said Johnson.

The second half of the game was low scoring with both teams working the ball in for a good shot. Ozona scored seven points in the third and Eldorado six to bring Ozona within two points at 26-28 after three quarters of play.

The last quarter became more exciting as the score went back-and-forth. the Ladies added eight points to Eldorado's five points to squeeze by for a 34-33 victory.

"I was really pleased with our good balance in scoring in every game," said Coach Johnson.

Leslie Avila led the Ladies in scoring with 11 points. She was followed by Angela Branch who made 5 of 8 free throws and one 2-point field goal for seven points. Also scoring was Jessica Avila with five, Haley Holden and Araceli Tijerina scored three each and Lauren Wilkins made one free throw. Also playing in the game were Lindsy Flanagan and Tiffany Alaman.

The JV Lady Lions will play Eldorado in Ozona at 5 p.m. on Friday, Jan. 12.

JV Lions Maul Van Horn Eagles 56-22

By Neal Ulmer
Stockman Sportswriter

The Ozona JV Lions struggled some in the second period but came on strong in the second half to defeat the Van Horn JV Eagles 56-22 Jan. 6 in Davidson Gym. The win gave the Lions their first district win and a season record of 4-10.

Pleased with the win, JV coach Brandy Gothard said, "They played real good."

Both teams got off to a slow start in the first period with Ozona's Anthony Ortiz scoring the first two points in the game at the 3:40 mark. Bad passes by both teams appeared to be the norm early in the period, but the Lions overcame theirs to lead 10-4.

Ozona maintained their lead in the second quarter as they outscored the Eagles nine to seven for a 19-11 half.

"We kinda had a slow start," said Coach Gothard. "We finally got over the hump and didn't let up."

The game was two minutes in the third period before Ozona's Michael Nicks scored two points. Ozona hit the boards hard in the period for 18 points while Van Horn scored only five points for a 37-16 Ozona lead.

The Lions, playing at their tempo, shot well in the final period as they added 19 points to beat the Van Horn Eagles 56-22.

Anthony Ortiz and Rob Hamon were the leading scorers for the Lions with 10 points each. Also scoring were Michael Nicks, Mitchell Martinez and Steven Martinez with eight each, Robert Kelly scored five, Robert Daniels made three, and Robert Nelson and Rick Hamon made two points each.

The JV Lions will play their next district game starting at 5 p.m. on Jan. 12 in Ozona against the Eldorado Eagles.

Lions Play Close Game In Big Lake

By Neal Ulmer
Stockman Sportswriter

The Ozona Lions received some tough competition in the 65th Annual Reagan County Basketball Tournament held Dec. 27-29. With sheer determination, the Lions tried their best to beat the Robert Lee Steers in their first game of the tournament.

"We played real well together. We were a little more prepared for Robert Lee and knew what they were going to do," said Lion coach Ronnie Casey.

Despite what the first quarter score showed, the Lions played alert ball. The Steers got on the boards fast, taking a 16-6 first quarter lead. Perking up, the Lions added 11 points in the second, staying close to the Steers with 13 points. The Steers maintained a 29-17 halftime lead.

A great improvement by the Lions was seen in the third period as they scored 16 points while the Steers garnered 13, preserving a 42-33 lead. David Browne helped keep the Lions in the running as he hit three 3-pointers in the fourth quarter. The Ozona team outscored the Steers 20-15 points,

*LIONS

(Continued from pg. 8)

but feel short as the buzzer ended the game with Robert Lee winning 57-53.

Three Lion players were in double figures as Lance Jamerson led his team in scoring with 13 points. He was closely followed by Jon Sanchez and David Browne with 12 points each, Ray Fierro scored seven, Justin Browne scored five, and Lupe Llanas and Lando Peña-Alfaro made two points each.

"We played great defense, and it was the key," said Coach Casey. "We played them closer than anyone in the tournament. We worked the ball down and got good shots. We are better now than what we were before Christmas."

In the second game of the tournament, the Lions met the Crane Golden Cranes on Thursday afternoon. The Golden Cranes started strong and ended strong to beat the Lions 76-63. The Lions' season record went to 5-12.

"I was real pleased with our attitude and effort," said Casey. "We overcame a lot of obstacles - the officiating was bad and the clock and bookkeeping was bad."

According to Casey, "Our spirits were real high, but we started the game real flat." The Cranes hit the hoops with 22 points in the first quarter, and the Lions made 10 points. It was a little different in the second period as the Lions matched up with Crane, scoring 17 points to their 18 points as the Cranes maintained a 40-27 halftime lead.

Inspired at halftime by Coach Casey, the Lions decided they were ready to play and win in the second half. The Lions scored 18 points to Crane's 12 and pulled within seven at 45-52 after three quarters of play. In the fourth quarter the Lions had to foul to stop the clock and allow themselves time to get the ball and score. The Lions scored another 18 points in the final quarter, including eight points by Jon Sanchez, but the Cranes made their free throws to take a 76-63 win.

"If you take the first quarter out, we would have won it, but you have to play four quarters. Every game we had one bad quarter," said Casey. "The Coahoma game was our first full game, and we had put four quarters together."

David Browne hit three 3-pointers and five 2-pointers for a total of 19 points to lead the Lions in scoring. Two other Lion players were in double figures as well. Jon Sanchez also made three 3-pointers and ended the night with 15 points. Ray Fierro, chosen to the all-tournament team, scored 14 points which included one 3-pointer. Also scoring was Mel Martinez with six points, Brian Badillo scored one 3-pointer, and Justin Browne scored three points. Jason Stuart made two, and Lance Jamerson made one free throw. Also adding their efforts in the game were Lupe Llanas and Lando Peña-Alfaro.

Crane won the consolation trophy, defeating Sonora 61-48. The Robert Lee Steers won the tournament by defeating Pecos 67-56. Eric Hood of Robert Lee was chosen most valuable player of the tournament.

Why Vote for Alton Davis for Sheriff?

On March 12th you as a citizen of Crockett County will vote for a sheriff to serve you for the next four years and you have a variety of candidates to choose from. The terms Experienced, Qualified, Professional, and Honest are widely used in any election and I ask you to consider **my Experience and Qualifications.**

I have been a **Texas Peace Officer for Twenty Years**, with knowledge and use of the Texas Penal Code, Texas Criminal Code of Procedure and Texas Civil Procedure. I am **Experienced** in dealing with the Texas Commission on Law Enforcement Officer Standards and Education (the licensing authority for Texas Peace Officers), The Texas Commission on Jail Standards, (the regulatory agency for jails), and The Texas Department of Criminal Justice which deals with a wide variety of programs including the Institutional Division (the Penitentiary System). My tenure as a peace officer includes fifteen years of **ACTUAL OPERATIONS AND ADMINISTRATION ON THE COUNTY SHERIFF DEPARTMENT LEVEL.**

During the last twenty years I have achieved an Advanced Certificate from the Texas Commission on Law Enforcement Officer standards and Education (TCLEOSE). The Commission has four levels of certification for licensed peace officers: Basic, Intermediate, Advanced and Masters which are awarded on the basis of training and experience. In 1996 I will meet the requirements for a Masters Certificate. (Only two other candidates are licensed by the Commission as peace officers and they both hold Basic Certificates).

Law Enforcement Training: I have approximately 1000 hours of training ranging from Basic Police Procedures to Criminal Investigation, Crime Scene Search and Advanced Crime Scene Search. I am a member of the Homicide Investigators of Texas and attend conferences yearly to stay knowledgeable of current investigation techniques.

Management Training: My classroom training includes Comprehensive Police Fleet Management (conducted by the University of North Florida Institute of Technology and Management), First Line Supervision (Tarrant County Junior College Police Academy) and Progressive Patrol Administration (conducted by the International Association of Chiefs of Police). Besides classroom training, I have held positions of Patrol Officer, Warrant Officer, Criminal Investigator, Patrol Sergeant, Patrol Lieutenant and Lieutenant over the Criminal Division supervising Patrol and Traffic sections, Criminal Investigation, Juvenile, Narcotics, Fleet Management and Crime Prevention.

The past seven years I have served as Chief Deputy with the Crockett County Sheriff's Department. I have assisted Sheriff Jim Wilson in developing policies and procedures and hiring personnel of which I am proud and that have served this community in reducing crime.

The Sheriff you elect needs to have the **Experience, Qualifications, Professionalism, Honesty and Integrity to manage your Sheriff's Department.** Current **Knowledge of Texas Criminal Law, Texas Civil Law and Texas Jail Standards** is also necessary.

A vote for Alton Davis for Sheriff **IS** a vote for **Experience, Qualifications, Knowledge, Honesty and Integrity**. As your Sheriff I will strive to continue with the procedures implemented during the past seven years. I believe in an aggressive Proactive Patrol that tends to stop crime before it happens instead of a Reactive Patrol that only responds after the crime has been committed. I want to continue to provide a level of service to the community where citizens feel safe in their homes and not forced to become prisoners with multiple locks and alarm systems.

As your Sheriff, I will continue to provide training for the Sheriff's Department personnel to increase their knowledge and expertise and thereby provide Crockett County with better service and safety.

I have been involved in the hiring of personnel at the Sheriff's Department and believe that the Deputies and Jailers are of the finest quality. I plan to continue with the present staff and procedures to maintain the quality of law enforcement currently provided and to increase training for the Deputies so that they will be able to investigate offenses in a professional manner that leads to the arrest and conviction of persons responsible for crimes.

A VOTE for ALTON DAVIS is a vote for the candidate with Actual Experience in the Operation and Administration of your Sheriff's Department and Jail. It will also be a vote for **THE CANDIDATE DEDICATED TO KEEPING YOUR COMMUNITY A SAFE PLACE TO LIVE AND WORK.**
