Five Inch Snow Blankets Entire North Plains Area Seven Local Firms Are Victims In Saturday Night's Robbery Injuries Prove Fatal to Farm Woman in Train-Truck Crash

SNOW COVERS WHEAT FIELDS WITH BLANKET

Prospects for Grain Yield Grow
Better Each Week; Raise
Spirits of Farmer

Estimate .45 Moisture

Snowfall Offsets to Some Degree
Disappointment Caused By
Triple A Decision

The wonderful five inch snow
that fell over the North Plains
Friday served to some degree to
compensate for the loss of the AAA
program declared unconstitutional
by the United States supreme court
Friday.

Farmers and business men are
very enthusiastic about pros-
pects for a 1936 wheat and small
grain crop. The snow is covering
the fields like a blanket. It came
down slowly without any wind, and
as a consequence did not drift as
many snows do in this Panhan-
dle country.

Attorney Jack R. Allen, who
is the official United States
negotiation gauge, estimates that
there is at least .45 of an inch of
moisture in this snow.

On Thursday morning, practically
all of the snow had melted. From
reports, the fall was general
over the entire Texas and Okla-
homa Panhandle areas, reaching as
far south as Lubbock. Southwestern
Kansas and Southeastern
Colorado were included in the ter-
ritory receiving a good snowfall.

OCHILTREE H. D. CLUB TO MEET JANUARY 13

The Ochiltree Home Demonstra-
tion Club will meet Monday, January
13, in the home of Mrs. Chas. Mc-
Intyre. This meeting is a demon-
stration on meat dishes. Let each
member be present and begin the
year by a perfect attendance.
Ten minutes will be given to pos-
e and grooming. Visitors always
welcome.

Mrs. Jim Dodson, President.

RECEIPTS HOLD TO 1934 LEVEL

LOCAL POSTAL REVENUES ARE
SATISFACTORY CONSID-
ERING CROP LOSS
IN 1935

Receipts of the local post office
for the calendar year 1935 show ap-
proximately the same figures as in
1934, according to M. R. Coffee, post-
master. Owing to a complete crop
failure in this section last year, Mr.
Coffee considered this as a very sat-
isfactory report. Postal receipts
are no exception to the rule as
merchants' incomes were also lim-
ited.

During the past year rural routes
No. 3 and No. 4, running northeast
and northwest from Perryton, were
consolidated and as a result mail
service changed from from tri-
weekly to daily service. This was a
great benefit, not only to the post
office, but also to the patrons along
these routes.

Miss Carmen Cofer was a week
end guest of Miss Ruth King at the
King ranch, on the Canadian river.

Theatre Attractions

Attractions at the Ellis Theatre
are coming week:
January 9-10. Bette Davis and
Anchot Tene in "Dangerous."
January 11. "Last of the Pagans."
with Mala and Lotus.
January 12-13. Jean Harlow and
Dwight Dillard in "Riffraff."
January 14-15. Edward Everett
and Lois Wilson in "Your
Sister Dudley."

POLL TAX PAYMENTS ARE COMING IN VERY SLOWLY

Sheriff Talley reports that poll
tax payments in Ochiltree county
are coming in very slowly. The
last day for the payment of poll
taxes or securing of exemption
certificates is January 31, 1936.
If you do not have your receipt
or an exemption on or before the
above date, then you will be "out
of luck" insofar as voting in any
of the 1936 elections is concerned.
Remember that this is the big
political year. New city, school,
county, district, state and nation-
al officers will be elected. Don't
disfranchise yourself by not pay-
ing your poll tax. Make it a
point today to go to the court-
house at once and attend to this
very important matter.

"AG" ASSOCIA- TION TO MEET

REGULAR MONTHLY MEETING
OF OCHILTREE COUNTY AG.
ASSOCIATION TO BE
JANUARY 13

W. M. Deck, president of the
Ochiltree County Agricultural As-
sociation, has issued a call for the
regular monthly meeting to be con-
vened at the courthouse in Perry-
ton at 2:00 p. m., Monday, January
13.

In view of the decision of the re-
cent decision of the United States
supreme court, doing away with the
AAA program, this promises to be
an interesting meeting and every
member of the association should be
present.

A plan of action for the year will
be discussed at this meeting and
numerous other important matters
will come up for discussion. Mr.
Deck invited every person in the
county that is interested, either
directly or indirectly in agriculture,
to be present, regardless as to their
membership in the association.

BOY SCOUTS ORGANIZE BASKET BALL LEAGUE

Last Wednesday night at the regu-
lar meeting, a basketball league
for the Boy Scouts was organized.
The league is composed of eight
teams. The captains are: Bobbie
Whippo, Donnie Stark, Glenn Mc-
Williams, Harvey Wilson, Wayne
Symons, Clarence Lewis and Bobbie
Lawrence.

The boys have an hour of study
they will play ball.
Remember, all young boys from
12 to 18 are welcome to join the
Scouts. All it takes is a good boy.
50c a year for your dues.

Miss Nellie Perry left Tuesday
for Los Angeles, Calif., where she
will spend a few weeks visiting with
relatives and friends. Her niece,
Mr. and Mrs. A. P. Spicer, took her
as far as Amarillo, returning to
their home Tuesday evening.

Fire Loss For 1935 Held To \$142.69 For The Entire Year

Fire Marshal R. H. Gamel has
just cause to be proud of the fire
record for 1935 for the City of Per-
ryton that he has just submitted to
the state insurance department. A
study of this report shows that paid
losses on all fires in the city during
1935 only amounted to \$142.69. This
extremely low loss figure is slightly
lower than in 1934, when paid losses
totaled \$149.30.

There is no question but what
that this report will enable Perry-
ton property owners to receive the
maximum rate reduction from the
key rate fire insurance during 1936.
This low fire loss record has been
made possible through the efficient
work of the fire marshal's office,
the fire department under the lead-
ership of W. B. Lilly, and the fullest

Pioneer Is a Suicide

Luther Drum of Beaver County
Takes Own Life Tuesday,
December 31st

Luther E. Drum, 60, Beaver coun-
ty pioneer farmer-stockman, living
18 miles southeast of Beaver, ended
his life Tuesday, December 31, by
shooting himself twice, once through
the back of his head and the second
shot through his heart.

A coroner's jury held an inquest
following the shooting and gave a
verdict that death was due to gun-
shot wounds, self inflicted.

Financial and domestic troubles
were given as the cause of the fatal
act. Several years ago Mr.
Drum lost heavily in stock raising.—
Beaver Democrat.

Mr. and Mrs. T. W. Johnson left
Saturday to take their daughter,
Miss Mary Beth, back to school at
Baylor University, Waco. Then after
a weeks visit with relatives in
Rotan they will go to Mineral Wells
for a few months stay. Mrs. J. N.
Conley accompanied them as far as
Mineral Wells, where she will stay
a month with Mr. Conley, who is
there taking the baths.

TAX SURVEY IS NOW UNDER WAY

SUPERVISOR R. C. ALLEN AT-
TENDS DISTRICT MEETING
IN AMARILLO TO OB-
TAIN INFORMATION

R. C. Allen, newly appointed super-
visor of the Ochiltree county tax
survey, was in Amarillo Friday, at-
tending a school of instruction of
all supervisors in the 20 county
district. Approximately 100 super-
visors and county officials were
present for the conference.

Among the speakers were R. B.
DeWitt from the offices of the
state tax commission, Austin; A. A.
Meydith, district WPA director;
Clifford Davis, district employment
official; R. L. Moore, district ac-
countant; and Frank S. Peterson,
district tax survey supervisor.

Mr. Allen states that through the
work of the tax survey that has
just started, it is going to be pos-
sible to collect taxes on millions
of dollars worth of real estate and
personal property that is now on
the assessment rolls. The percent-
age of property that is evading tax
payments in the Panhandle is much
lower in other parts of the state.

"Ag" Meeting Blodgett

Blodgett and Lakeview Agricultural
Associations Meet On
January 10th

W. M. Deck, president of the
Blodgett and Lakeview Community
Agricultural Associations, announce-
es that there will be a meeting at
the Blodgett schoolhouse at 7:30
p. m. on Friday, January 10. Every-
one is urged to attend.

ROBBERS WORK DURING NIGHT UNMOLESTED

Equity Exchange Reports Largest
Loss—\$55.50 in Cash Is
Taken From Safe

No Arrests Are Reported

Safes Are Badly Battered With
Sledge Hammer; Tools Are
Reported Found

Six local business firms and the
Santa Fe depot were entered some
time Saturday night, with losses re-
ported varying from none to \$55.50
in cash, taken from the Equity Ex-
change. Nothing was known of the
robberies until Sunday morning,
when a check-up revealed these
seven places had been entered. J. S.
Talley, Ochiltree county sheriff, was
notified and made investigation. At
present no arrests have been made.

Entrance was made to the Pan-
handle Lumber yard office through
a show room window, and here an
8-lb hammer, wrecking bar, punch,
cold chisel and twenty-nine cents in
cash were reported missing.

At the Burrow Lumber Co., the
safe which was located in the dis-
play room, was moved into a back
office. Although the safe had been
badly beaten with the sledge, it was
not opened. Entrance was gained
here through a side window in the
manager's office. A pair of old
gloves were reported missing.

The intruders also failed to open
the safe in the Santa Fe depot, but
did manage to badly damage it by
knocking off the hinges and the
combination. According to W. P.
Maxwell, agent, it appeared a flash
light being used was knocked out,
and due to not being able to see,

BORGER GAME TO BE FRIDAY

GAME SCHEDULED FOR TUES-
DAY POSTPONED DUE TO
SNOW AND BAD
ROADS

The basketball game scheduled
between the boys' and girls' teams
of Borger and the Rangers and
Rangerettes, for Tuesday night, will
be played at the local gym tomorrow
night, the first game starting at
7:30 o'clock. The heavy snow caused
postponement of the games.
These games promise to be inter-
esting because of intense rivalry
between the two schools. The local
boys' team has never lost to the
"Oil City" boys, and just a week
ago won from them at Borger. Both
local teams have been playing good
basketball and these games will be
no exception.

LEFT TUESDAY FOR WEEKS TRIP TO NORGE FACTORY

Stanley D. Key of Key Electric,
local Norge dealers, left Tuesday
morning for Oklahoma City, where
he will accompany Norge dealers to
Detroit and Muskegon, Mich., to
attend a national meeting of deal-
ers at the Norge factories. Mr. Key
will return to Perryton Sunday
night.

GROVER C. BRILLHART GETS BIGGEST CHECK

The Spearman Reporter of last
week notes the fact that Grov-
er C. Brillhart, who lives north-
east of Perryton and served this
county for many years as a
most efficient commissioner, re-
ceived the largest single check
under the AAA allotment pro-
gram. Mr. Brillhart's check
according to the Reporter, was
\$4,260.45. Practically all Hans-
ford county checks have been
issued, only a few non-residents
checks remaining in the office.

Thomas J. Overton Dies

Aged Resident of Gray District
Passes Friday, January 4;
Age 95 Years.

Thomas J. Overton, aged resident
of the Gray district, died Friday,
January 4, 1936 at the Bertrand
place, after being ill with pneumo-
nia. Mr. Overton was born Decem-
ber 30, 1842, being 93 years and
four days old at the time of his
passing.

Funeral services were held Sun-
day afternoon at the church in
Gray. Burial was made in the Gray
cemetery.

Mr. Overton was well known in
Perryton, being the father of Leon-
ard Overton who lives here.

Mr. and Mrs. S. S. Dodson re-
turned home Friday from a two
weeks visit with her parents, Mr.
and Mrs. Jim Tucker, Albuquerque,
New Mexico.

Winston Brown, who has been
employed at the W. W. Virtue Dry
Goods Company for the past three
months, left Thursday for his home
in Larned, Kans.

OCHILTREE DRY BIG MAJORITY

DRYS ROLL UP MAJORITY OF
TWO HUNDRED VOTES OVER
THOSE FAVORING LI-
QUOR

With a very small vote, denoting
that interest was at a low ebb, Och-
iltree voters went to the polls on
Friday, January 3, and turned in a
decisive majority against the legal-
ization of liquor sales in the coun-
ty. With a total of 392 votes cast,
only 146 voted for liquor, 346 vot-
ing against the legal sale, thus giv-
ing the drys a majority of 200 votes,
or better than two to one.

Only one box in the county went
wet, Black voting for liquor by a
count of 6-3, a very light vote for
that precinct. Farnsworth with a
6-6 vote, and Huntoon, with a count
of 7-7, were tied. All other boxes
went dry. Vote by precincts as
follows:

	For	Against

SNOW PREVENTS SOIL CON- SERVATION PARLEY HERE

David E. Autry, superintendent
of the Perryton ECW camp of the
Federal Soil Conservation Ser-
vice, reports that the visit of the
technical and administrative
staff of the Amarillo regional of-
fice to the Perryton camp, sched-
uled for Tuesday, January 7, was
postponed on account of the snow
storm. A party of twenty offi-
cials, headed by Regional Con-
servator H. H. Fennell, were mak-
ing a tour of all camps and dem-
onstration projects in the area
served by the Amarillo office.
They were to inspect the work
being done by Mr. Autry's camp
Tuesday and hold a conference
in the evening. The trip has been
postponed indefinitely, so Mr.
Autry states.

AG-HOME DEM. COUNCIL MEET

JOINT MEETING OF HOME DEM
AND AG. COUNTY COUNCILS
CALLED FOR FRIDAY,
JANUARY 17TH

Parker D. Hanna, district farm
agent, and Miss Ruby Mashburn,
district home demonstration agent,
have scheduled joint meetings of
Agricultural and Home Demonstra-
tion county councils, in every coun-
ty in their district. The Ochiltree
county joint council meeting will
be held at the courthouse in Perry-
ton on Friday, January 17, 3:00
p. m., with Miss Mashburn presid-
ing. These joint meetings are be-
ing called for the purpose of ex-
plaining and discussing program
planning.

The county agricultural council
met Monday afternoon at the court-
house. Terracing, 4-H club work,
contouring, trench silos, poultry and
livestock, and many other related
subjects were discussed. It was de-
cided that each community elect
one man to serve on the county
council, making 15 members in all.
Next council meeting is on February
3, 2:00 p. m.

Mr. and Mrs. Claud Allen and
Jo Layne and Claud Jr., spent Sun-
day in Guymon, Okla., visiting with
relatives.

Mr. and Mrs. Ira Ferguson and
son, Jerry Lynn, and Miss Margaret
Prewitt were Saturday visitors in
Stinnett and Amarillo.

Mrs. Mamie Powers and son, Robert,
left Tuesday to return to Ce-
bolia, New Mexico, where Mrs. Pow-
ers teaches. They spent the Christ-
mas holidays with her mother, Mrs.
S. J. Allen.

OCCURS SATUR- DAY P. M., TWO ARE INJURED

Mrs. Mollie Reiswig Dies From
Injuries Soon After Ar-
riving at Hospital

Did Not Notice Train

Family Has Lived in Beaver County
Since 1907; Well Known in
Perryton

Mrs. Mollie Reiswig, 49-year-old
farm woman of Beaver county,
Okla., received fatal injuries Satur-
day, January 4, shortly after noon,
when a cattle truck in which she
was riding with her husband and
son was struck by a train, 12 miles
east of here.

John Reiswig, 52 years old, her
husband, and Ira Reiswig, their 16-
year-old son, were brought to a hos-
pital here, suffering from injuries
received in the crash. Mr. Reiswig
suffered cuts and bruises about the
head. The youth received a broken
leg and arm, and also received cuts
on the head. Both suffered from
shock. Mr. Reiswig was released
the following morning from the hos-
pital, and it was announced Wed-
nesday afternoon that the boy was
getting along nicely.

Mrs. Reiswig died soon after she
was brought to the Brewer and
Kengle hospital here.

Cardboard replacements for brok-
en window glass in the Reiswig farm
truck, which limited vision to square
holes cut through them, were blamed
for the accident. The train was
about four hours late and Mr. Reis-
wig was not looking for the train
at that time.

Mrs. Reiswig was born in Marion
county, Kansas. The family settled
in southern Beaver county, Okla.,
in 1907. The farm is about 20 miles
northwest of here. Besides her hus-
band she is survived by fourteen
children.

Funeral services were conducted
yesterday afternoon at 2:30 o'clock
at Balco, the Rev. J. M. Sibley, of
the local First Baptist church, of-
ficiating. Burial was made in the
Balco cemetery.

TO ORGANIZE BORGER BANK

ED DEARL, PANHANDLE BANK-
ER, IS BACKER OF MOVE-
MENT TO PROVIDE OIL
CITY A BANK

Ed Dearl, prominent banker and
civic leader of Panhandle, Texas,
has subscribed \$30,000 toward the
capital stock of a new bank for
Borger. The remaining \$20,000 has
been pledged by 49 different busi-
ness institutions in Borger.

Application will be made to the
state banking commissioner for a
charter. Borger business men hope
to have the bank open for busi-
ness by February 1. The "Oil City"
has been without a bank for a num-
ber of years.

Mrs. R. W. Thrower was in Cole-
man last week visiting with Mr.
Thrower.

Jas. E. Barbour and son, James
Edwards, returned to Albuquerque,
New Mexico, Sunday after a few
days stay in Perryton.

International Sunday School Lesson

By A. C. Williams, Minister, Perryton Church of Christ

Lesson II January 12, 1936
SIMEON AND THE CHRIST-CHILD
Luke 2:25-35, 40
I. Simeon's Life

We are always happy to meet a godly man. In the midst of a sinful world, it is refreshing to form the acquaintance of holy people. Such was our Simeon. He was righteous.

Righteousness is defined in the Bible as obedience to God's commandments. Thus we know that Simeon kept Jehovah's word. Holiness (or righteousness) is not some mere abstract virtue that heaven pours out on people by the bushel. Rather it is the faithful observance of God's teachings. No man is holy who disdains or refuses to obey the precepts of the gospel.

Simeon looked for the consolation of Israel. With many other good servants he looked and longed for Christ to come. It is the open eye that sees. If you would behold great things don't stagger along with eyes closed. With the prophets before him, Simeon could see that the time of the Messiah was at hand. Then, also the Holy Spirit was upon Simeon in inspiration—al measure to show him that he would not see death till Christ should come.

II. Simeon Meets Jesus in the Temple

The time had come for Joseph and Mary to present the child, Jesus to the Lord in the temple, according to the law. We should remember that Jesus was born under the Mosaic law, lived under that law, and died to fulfill that law, calling it to his cross.

The venerable Simeon greeted the parents and the child with joy. Then we see the aged man take up the child in his arms. How youth

and age embraced. How fully was the expectation of the old man realized. Jehovah had not failed his servant. Though Simeon's eyes were dim, they saw a sight that outshone anything he had witnessed in youth. Though his arms were weak and trembling, no doubt, they embraced the most precious bundle ever enfolded to a human heart. What a sight it must have been to have seen this climax of Simeon's joy, the consummation of his life-long search, the fond dream of his soul come true. Within his arms rested the Hope of the world.

III. Simeon's Prayer

Some people pray only when in trouble. This man prayed in joy. Resigned to his departure he asked God to let him "depart in peace." What he had waited for had come. The Star had risen, the boatman's silent craft drew near. Simeon was now ready to exchange worlds. To see such calm at the end of the journey ought to inspire us all to live toward that same victory over death and the grim tomb.

Not only was Christ to bless the people of Israel. He would also bring benediction to the Gentiles. "All peoples" would enjoy the glory of this "light." And it is even so. From all quarters of the globe come men and women bowing in allegiance to the Christ. From the East and West they come, rich, poor, learned, ignorant, famous and obscure, to find a place at the feet of the King of Kings.

IV. Simeon's Message to the Parents

The prophet blessed the couple and foretold Jesus' conflict with sinful plotters. He then told Mary that a sword would pierce her heart, referring to the crucifixion. These words she pondered in her heart as the little child grew, and waxed strong, and developed to manhood. No doubt she remembered them when Jesus was suspended from a cross on Golgotha's hill.

A. C. Williams, Minister.

CHRISTIAN SCIENCE

"Sacrament" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, January 12.

The Golden Text is: "In the world ye shall have tribulation: but be of good cheer; I have overcome the world" (John 16:33).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Fear none of those things which thou shalt suffer: . . . be thou faithful unto death, and I will give thee a crown of life" (Revelation 2:10).

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Sorrow has its reward. It never leaves us where it found us. The furnace separates the gold from the dross that the precious metal may be graven with the image of God." (page 66.)

COUNTY COUNCIL

First Club Meeting of 1936 Held At Courthouse On Saturday

January 11, 1:00 P. M.

The regular monthly meeting of the Ochiltree County Council of Home Demonstration clubs will be held in the courthouse on Saturday afternoon, January 11, at one o'clock. Roll call will be answered by giving the attendance of your club during the past year. If you have a member with perfect or with excellent attendance, please mention them.

At this meeting, as it is the first council session of the new year, the new officers will be in charge. The members of the council are composed of the president and one delegate from each club in the county. They are Mrs. Wayne Lovett and Mrs. Loyd Furnish, New Hope; Mrs. S. J. Handley and Mrs. J. H. Callahan, Wolf Creek; Mrs. Jack Dodson and Mrs. Jim Dodson, Ochiltree; Mrs. P. W. Wernsme and Mrs. Roger Pearson, Farnsworth; Mrs. Fred Huston and Mrs. J. H. Kershaw, Missouri Avenue; Mrs. Hall Nelson and Mrs. J. R. Stump, Waka; Mrs. Clifford Finney, Mrs. B. L. Barnes and Mrs. James Hardy, "4 in 1"; Mrs. W. M. Deck, Mrs.

Ruth Nitschke, Blodgett, and Miss Marie Ludwick, county home demonstration agent.

The council officers are Mrs. Curtis O. Roach, chairman; Mrs. Clifford Finney, vice chairman, and Mrs. Jack Dodson, secretary-treasurer. The reporter will be appointed at the Saturday meeting.

BUSY BEE 4-H CLUB

Miss Waldeen Dodson, Reporter

"In selecting material for slips, choose material that is washable, durable and fast color," stated Miss Marie Ludwick, Ochiltree County Home Demonstration Agent at the meeting of the Busy Bee Club, the McAfee home Christmas night

which convened in the court house January 4, at three o'clock in the afternoon.

Miss Ludwick suggested long cloth, and non-cling materials for making our slips. The years work and goals were discussed.

Those present at the meeting were: Lillian Williams, Wilma Leicht, Waldeen and Beryl Dodson, Mrs. Jim Dodson and Miss Ludwick. We are always glad to welcome new members and visitors.

Mr. and Mrs. H. I. Hudson visited Wednesday night and Thursday, Dec. 25-26, with Mr. and Mrs. Frank McAfee, Pampa. They were the guests of honor at a bridge party at the McAfee home Christmas night.

Resettlement Projects Will Enable Many Farm Families to Develop Their Own Farms—Map Is Shown

Surveys have been authorized in fifteen areas of Texas and Oklahoma, leading to development in some of these areas of land projects where tenant farmers and share-croppers will be given an opportunity to purchase homes.

Community projects, in which a single tract of land will be subdivided into 100 or more farms, are being considered for Oklahoma in Bryan County, in North Central Oklahoma and in Laverne, Texas. Community projects considered are in Delta County, the Wichita River Valley, Harris County, Hale County, Fannin County and Central East Texas.

Dallas.—Authorization to develop plans for projects in Texas and Oklahoma upon which farmers will be given an opportunity to purchase homes was announced today by D. P. Trent, Director of Resettlement in these two states, following his return last week from conferences with Resettlement authorities in Washington.

"Surveys have been authorized in fifteen areas," Director Trent said, "but funds available will be sufficient to complete projects in only a few of these."

The largest project which has final approval, will call for the purchase of farms for 265 tenants and share-croppers in a part of the Blackland belt of northern Texas and southern Oklahoma. "Only good land will be bought, and only the highest class of tenants will be selected for this initial venture into a long time program for helping farm tenants to become owners," Trent said. County advisory committee he said, will play an important part in the location of farms and selection of resettlers; and the Extension Service, through its field workers, will also cooperate.

The largest project being considered is in Delta County, Texas, 100 miles northeast of Dallas. If finally approved, this will provide farms for 257 families. Many of these will be selected from the best of the rehabilitation clients who were transferred from rural relief rolls last year and were loaned money for teams, equipment and subsistence by the Texas Rural Communities, Inc.

"Projects will be finally approved on the basis of very careful studies and surveys as to the quality of land available, the price at which land can be purchased, and the number of farm families in the area who need help," Trent said. "We must also consider availability of labor, accessibility of markets, health conditions and social conditions."

"The number of farm families to be placed on these projects is only a small percent of the total number included in the rehabilitation phase of our program," Director Trent said. "The remainder will continue to receive rehabilitation loans as tenants until further opportunity of ownership is provided, and until they prove themselves able to profit by it." Such opportunity he said, is contemplated under the Bankhead-Jones Tenancy Bill, up for action in the house of representatives at the approaching session of Congress. It passed the House last session and is expected to come up for consideration at the coming session, with the announced support of President Roosevelt.

Director Trent said that the surveys announced today are part of a

national plan to stop the advance of tenancy and to promote owner-operated farms of suitable size. Texans and Oklahomans whose fathers struggled to farm ownership in the sixties, seventies and eighties lost that ownership in the last generation, Trent said, and now, although they farm some of the richest land in the nation, more than sixty percent of them are landless tenants.

Five of the proposed projects are "area" projects, in which farms will be scattered individually or in small group over several counties wherever good land is available at reasonable prices and where conditions are suitable for resettlement. The remainder are "community" projects, in which one unit tract of land will be cut into one hundred or more farms and a complete community established. Where houses are to be built, they will cost not more than \$1,500, but the Administration hopes to make these houses models for the farm home for the future from the standpoint of economy and convenience. Each house will be individual and each family will have their own farm. "Farm ownership must break the way for rural electrification," said Director Trent. He added that a survey of 35,000 farm houses in Texas made by the CWA is being used to "tell us what farmers have striven for in their homes." When a house is completed, its plans will be left with the housewife, in order that neighbors may use them.

Proposed projects which are under consideration, the number of families proposed to be resettled, and suggested acres per farm are as follows:

Delta County, Tex.	257	40
Bryan County, Okla.	100	45

the map are "inherited" by the Resettlement Administration from the Department of Interior, and are occupied by 328 families employed in cities near which the subsistence tracts are located. Only a few acres are included with each home.

Texas Rural Community projects were also inherited by Resettlement. At Woodlake in East Texas 100 families had been placed on 15-acre tracts. At Ropesville, Texas, near Lubbock, 120-acre farms are being opened to 33 families.

submarginal land which has been purchased by the government and will be turned to parks, game refuges, recreational centers or such other public use as may seem best. These include the Indian projects, the Muskogee and North Central Oklahoma projects, and that of Fannin County, Texas.

There are 38,000 rehabilitation families enrolled in the two states during the past year, Trent said, and some 32,000 additional families are to be enrolled during the immediate future. "Thousands of these families, on relief a year ago, have demonstrated their energy, intelligence, and willingness to accept supervision," said the Director. "They have repaid this fall a million dollars on loans made last spring to purchase teams, tools and supplies."

Besides the seventeen new projects, the Resettlement Administration in this region inherited from other federal agencies a number of partly finished projects. Five of them are "subsistence homestead" groups, near larger cities of Texas, which have been completed and occupied by 328 families employed in the cities at incomes of \$100 a month or less. These homesteads are on only a few acres and intended only for home gardens and home-use livestock. One project similar to the new ones is being completed at Ropesville, near Lubbock, Texas, with 120-acre farms for 33 families. A "rural industrial community," with 15-acre tracts for 100 families, were turned over, completed and occupied, to the Resettlement Administration by the FERA. No more of the "rural industrial community" type are planned.

Program Is Varied
Auxiliary Activities Cover Wide Field and Make An Appeal to Every Eligible Member

With a year of intense activity ahead, the Pierce Johnson unit of the American Legion Auxiliary has begun re-enrollment of its members for 1936. Mrs. H. Shindler, unit president, has announced. The unit plans to take active part in all

phases of the national program, which covers a wide field of civic and patriotic activities.

The major activities in the Auxiliary's 1936 program, as drafted at the recent national convention in St. Louis, include work for the welfare of disabled veterans and needy families of veterans, aid to the Legion in securing payment of adjusted compensation and legislation to bring widows and orphans of World War veterans under government protection, work for the maintenance of adequate national defenses and the passage of a universal service act, Americanism work to strengthen loyalty to and confidence in American ideals and institutions, and projects for the betterment of conditions in the 8,600 communities where Auxiliary units are located.

"These activities offer opportunity for interesting and useful work to all Auxiliary members," Mrs. Shindler said, urging a large enrollment to enable the unit to carry out its full part in the program. "Somewhere in the Auxiliary's program is an activity which will make special appeal to every eligible woman. Members are given an opportunity to take part in the phases of the program most interesting to them, and those enrolling now will have wide choice of the type of activity in which they wish to engage."

"While the Auxiliary is primarily a service organization, formed to support the work of the American Legion, it is not all work in the Auxiliary. The organization has an important social side and gives its members many interesting social activities through which happy friendships develop."

"Women whose husbands, sons, fathers or brothers are members of the Legion, those who lost members of their immediate families in the war or whose ex-service relatives have died since the war, and those who themselves were enlisted in war service are eligible for Auxiliary membership. In the Auxiliary they serve side by side with the men of their families in the Legion, doing

the part of the Legion work best adapted to women.

"We are inviting all eligible women in Perryton to become members of our Unit at this time and join us in the interesting activities of the coming year."

Texas Mineral Survey

Ochiltree County Is Allotted \$1,269 To Carry On Mineral Survey

What is the extent of the mineral resources in the Panhandle.

That the Panhandle produces natural gas and petroleum is a well known fact, but the other minerals are not so well known.

So a survey, which will cover 26 counties of the Texas Panhandle, to determine what other mineral resources there are, the amount and available of each probably will be started soon.

Funds for the survey, estimated at \$30,788, will be available as soon as the United States Comptroller countersigns the warrant.

This survey will be part of a state-wide program, approved by the Texas planning board.

Wilbur C. Hawk, a member of the planning board and chairman of the board's mineral resources committee has been largely instrumental in securing the survey for Texas.

Tentatively \$1,269 has been allotted to each of the nine counties, Carson, Dallam, Deaf Smith, Hutchinson, Ochiltree, Swisher and Wheeler.

Armstrong, Briscoe, Castro, Childress, Collingsworth, Donley, Hansford, Hall, Hartley, Hemphill, Oldham, Moore, Parmer, Roberts and Sherman counties each will receive \$1,120.00.

The fund for the Potter county survey is set at \$1,465.

Dr. E. H. Seilards, director of the Bureau of Economic Geology of the University of Texas will supervise the survey.—Spearman Reporter.

LIFE IN FULLEST MEASURE

"If I can live in simple comfort and owe no man, sharing intimately with loved ones life's varied experiences; if I can bring a touch of healing and clearer outlook into the trials and problems of these with whom I come in contact; if I can humbly undertake public service when the public calls me, caring neither too much nor too little for popular approval; if I can give spiritual values always the first place, and gladly sink out of sight, like a bit of heaven, that others might be elevated—then will this experience of living yield in full measure the true wealth of contentment and happiness."

After having spent more than a half century in the great Southwest, standing today on the threshold of 1936, I triumphantly beckon the new year to bring on her magic. Looking back over 1935, I resolutely thumb my nose at it for what it failed to do to me. There might have been times when the results and consequences bordered on tragedy, but all her sorrows and disappointments along with the joys, are a mere matter of history now. It is the future that counts most.—Editor J. C. Estlack, Clarendon Leader.

FUNERAL SERVICES HELD SAT. P. M. FOR THOMAS J. CRUNK

Thomas Jefferson Crunk, youngest son of John Wesley Crunk and his wife, Sarah Andrews, was born at Jacksonville, Texas, on February 2, 1862. His mother died when he was two and his father when he was four years old. After the death of his parents he was taken care of by his paternal grandmother and later by an aunt. Before coming to Gray, Beaver County, Okla., in 1904, he resided at various times in Whitesburg and Decatur, Texas, and in Pauls Valley, Okla.

As a small child he lost the sight of one eye, and in 1920, after an unsuccessful operation, he also lost the sight of the other eye, so that he was totally blind for almost 16 years. In spite of the affliction he remained cheerful and uncomplaining. He refused to become a burden to others and insisted on making his own living. He learned to read Braille and overcame many an hour of loneliness by reading books and magazines for the blind. He trained his memory and developed his sense of touch and hearing to such a degree that his friends were often astounded at his accomplishments. In his dealings with his fellowmen he was kind and friendly, fair and honorable.

Two years ago he began taking instructions in God's word from Rev. H. W. Hartenberger, preparatory to being baptized and joining the Lutheran Church. On October 21, 1934 he was publicly examined in regard to his knowledge of the principal doctrines of the Christian religion, giving a very fine account of himself and making a convincing confession of faith in the Triune God. Thereupon he was baptized and became a communicant member of the Lutheran Church.

Some time on the night of New Year's Day he passed away, seemingly without a struggle. He had been in failing health for a number of weeks. He reached the age of 73 years and 11 months. He had very few surviving relatives, the nearest being a nephew and several cousins. These, together with a large number of friends mourn his departure.

Funeral services were held Saturday afternoon in the Wilson Funeral Home with the Rev. H. W. Hartenberger in charge. Early Sunday morning Mr. W. Logsdon of the Wilson Funeral Home took the body overland to Carter, Okla., accompanied by Rev. and Mrs. Hartenberger. Another funeral service was held at Carter on Sunday afternoon, and interment followed in the Poarch cemetery near Carter.

HEATH AND GUTHRIE PIONEERS NOW DEAD

Harry B. Heath, one of the real old pioneers of Texas county and Old Beaver county, passed away last week with a heart attack at his home about three miles south of Optima on the Beaver river.

Mrs. Sarah Jane Guthrie, age 81, a resident of Canadian, Texas, for the past 31 years, died at the home of her daughter, Mrs. John Eller, December 19. She is survived by four children: Mr. Annie Mathews, Mrs. Drucilla Eller, Harrison and Hiram Guthrie, all of Canadian.

CCC Camp News

Lt. Oscar Schofield, Med-Res. Camp Surgeon

Mostly Sports This Week

The local basketball team from this camp lost their game with the Spearman American Legion Independent Team last Thursday night by the narrowest of margins. The final count was 18-17, with the Spearman team on the larger end.

The 3C men led until the closing moments of the game, when a fusillade of long looping shots by the ex-lynx whittled down the margin the Tree Soldiers had held all through the game. These boys couldn't seem to miss in their last minute rally of crack basketball shooting.

It was the most impressive game played by the team so far and they showed at times that they would be a real threat in north plains basketball before the season is over.

Regarding the planned return game with the sharpshooters from Lynx town, the members of the team were willing to admit that the next game would be different.

Several of the best independent teams of this part of the country are entered in the tournament at Darrouzett the 10th and 11th, and the knights of the pine court from this camp are promising plenty of action against some of the teams that have given them the taste of defeat so far this year.

Something you might be interested in:

Orval Jacobs, until Abe Green was taken ill, was the chief mechanic in the SCS shop. But, since the time when Abe couldn't lead his gang of gallant cacti cutters into action, Mr. Jacobs has been the reigning cactus king and takes plenty of razz from the men around the SCS office as well as some of his pals up town.

This job was wished on me by Lt. Schofield because he thought that the camp news should be written by one of the enrollees. If this is to be a real news column there will have to be some help from the guys in camp that always know something on somebody.

I have decided to give an award of a nice used Christmas card (1935 edition) to the lad who gives me the best lowdown each week and at the end of several weeks I will present a grand prize to the outstanding service to this correspondent in this line.

Barracks 5 thought someone had a cat by the tail and upon investigation found Bus Freeman with his Saxophone, quietly resting on his bunk.

Your correspondent visited Abe Green in Amarillo last week and found that he is very anxious to leave the hospital and return to Perryton. He is looking fine and I don't believe anyone would think he recently went under so serious an operation. We all are looking forward to your return, Abe. In all probability he will be back with us in two weeks.

The basketball team beat the faculty of Perryton Hi in a fast game the other night. The Faculty had our boys on their toes until the last minutes of the game when they suddenly snapped out of it and beat the teachers by two points. And we lost a tough one to the Spearman team last week, losing only by one point. We expect to beat them in a return game very soon. The boys are looking forward to their new basketball suits, and will probably wear them for the Darrouzett tournament next week.

The camp is covered with a white blanket of snow and the boys are having a swell time tramping in the white mass. They enjoy the snow so much you can not keep them in their Barracks.

(Too Late for Last Week)

Lt. M. F. Schlather, Reserve Officer of the 15th Field Artillery, will leave Perryton during the early part of this week to return to his home in Cibola; his tour of duty ends at this time. Lt. Schlather came here with the cadre from Sherman during the second week of August. To those who do not know him personally, a brief summary of his activities will straighten this out. He is a graduate of the school of Engineering of Texas A. & M. Served as a private in the regular army and was a cadet at the flying school at Randolph Field. The

Annual Meeting of Canadian Valley Productive Credit Association January 10

The Canadian Valley Productive Credit Association is endeavoring to approach the 100 per cent attendance at its annual meeting which will be held in Canadian, January 10, according to Mr. C. W. Allen, secretary-treasurer. Quite a little rivalry has developed among the 33 associations over the state, each trying to beat the others in the percentage of members in attendance at the meetings. Every member has been asked to bring at least one guest.

In addition to the election of directors for the coming year, an interesting program will be given, including an address by an officer of the Production Credit Corporation of Houston. The manager and directors of the association, telling them how many farmers and stockmen have been served, how much income the association has received, the amount of expenses for the year, and the net earnings available for reserve.

TRENCH SILO PROVES PROFITABLE TO ROACH

When cold weather hit Ochiltree county, the dairy cows of C. O. Roach did like the rest of them, they promptly went off production. Since the principal part of their feed was dry, Mr. Roach opened up one of his trench silos and began feeding with what he termed profitable results.

It was only a few days until production was normal or above in every case and the cows are eating the poorest quality feed raised on the farm last year.

When questioned by County Agent Stovall, Mr. Roach said the cost of digging and filling a silo is less than shocking and stacking the same amount of feed and the quality is much better and the loss much less than in stacked feed.

Mr. Roach hopes to increase the number and capacity of his silos next season.

BUSY BEE CLUB MEETING SATURDAY, JANUARY 18

The Busy Bee 4-H Club will meet in the home of Wilma Leicht, Saturday, January 18, at 2 o'clock. Each member is to have her sewing box and something to sew on. New members and visitors are always welcome.

Mr. and Mrs. J. C. Stanley returned to their home in Rollinsville, Colo., last Thursday after spending the holidays in the home of their daughter, Mrs. H. H. Balzer and family.

army and technical personnel and the boys are sorry to see him leave. He was well liked, quiet, reserved, and always willing to do someone a good turn. Lt. Schlather was present at the laying of the cornerstone of our camp and he personally supervised in helping to build it up. He did a darn good job in the short time he was here. His parting words are "that this camp can and will be the best in the district." We will try to live up to this, won't we boys? Goodspeed, Lieutenant, and we wish you all the success in your next engineering enterprise.

Capt. Wilhite, district surgeon, and Lt. Christiansen, district veterinarian, spent last Friday and Saturday inspecting the camp. They appeared well pleased with the general health of the boys.

WIND EROSION SURVEY MAPPED

OCHILTREE COUNTY IS INCLUDED IN SOIL CONSERVATION SURVEY OF "DUST BOWL" COUNTIES

Washington, January 5.—A new wind erosion survey covering 25,000 square miles in twenty-two counties of the Southwest's "dust bowl" has been started by the soil conservation service.

To collect the best information on existing conditions in this five-state area, the investigation will disregard establishing boundary lines and be more intensive than the original reconnaissance in the summer of 1934, the service reported Sunday.

"Results of the survey should provide invaluable data on which to base future soil conservation and erosion control operations," said H. H. Bennett, soil conservation director. "The serious wind erosion problem of the area now being surveyed can not be minimized and accurate information is absolutely essential to ultimate stabilization and protection of the land."

The field work is under the direction of Glenn L. Fuller at Lamar, Colo., and officials expect it to be completed by Feb. 15.

Counties to be covered include: Texas.—Dallas, Sherman, Hansford, Ochiltree, Lipscomb, Hartley, Moore, Hutchinson and Roberts. Oklahoma.—Cimarron, Texas, and Beaver. Colorado.—Baca and Powers. Kansas.—Hamilton, Kearny, Stanton, Grant, Haskell, Morton, Stevens and Seward.

JEAN HARLOW CHANGES HAIR IN NEW ROLL

Jean Harlow, Hollywood's "blonde bombshell," has tossed a bomb into the ranks of the platinum blondes! For her new picture, Irving C. Thalberg's "Riffraff," she appears as a brunette, with soft, silky brown hair which brings her to the screen as a vivid, sparkling new personality. The hair fits the dramatic role she plays in the M-G-M film. Spencer Tracy co-stars with Miss Harlow in a story of stormy romance on the waterfront. Heading the supporting cast are Joseph Calleia and Una Merkel, with Mickey Rooney, Juanita Quigley, J. Farrell MacDonald, Helene Costello, Dorothy Appleby, Paul Hurst, Vince Barrett, Helen Flint and others of note. J. Walter Ruben directed.

RELIEF YOUTHS ON WPA WORKS

YOUTHS ELIGIBLE FOR WPA JOBS EVEN THOUGH HEAD OF FAMILY IS ON WPA PROJECT

Amarillo, Texas, December 27, 1935.—Many of the youths of relief families who are offered employment on WPA projects are failing to answer the call to work, which is no doubt due to some misunderstanding on the part of the parents or the primary wage earner of the family, according to A. A. Meredith, Director of the District Works Progress Administration.

The National Youth Administration was set up as a part of the work program and to afford additional members of relief families an opportunity to work on WPA projects. The youth member of the family between the ages of sixteen and twenty-five may be assigned to WPA projects and work one-third of the time that is allowed the primary wage earner or the adult worker of the family. This is in addition to the time and wages paid the head of the family and the plan is intended for the purpose of supplementing the earnings of those families where it is necessary that the earnings be increased to provide the necessary subsistence for the family.

The fact that a youth member of a family works on a project along with the head of the family does not mean that any time or pay will be deducted from the security wage scale of the head of the family, but it does mean that the youth can work up to one-third of the time allowed the head of the family and will be paid on the basis of the security wage scale.

session was held under the direction of Mrs. J. R. Thomas, president. The Royal Service program followed with the topic, "The Lottie Moon Christmas Offering," discussed under the leadership of Mrs. Paul Bowen. Mrs. H. T. Cropper, Mrs. H. E. Shotwell, Mrs. Beulah Stark and Mrs. Ernest Landrum gave various view points of the study.

A genial social hour was then held and delicious refreshments served by Mrs. J. C. Cooper, Mrs. J. N. Conley, Mrs. Audie Conley and Mrs. Tom Denman, the hostesses for the afternoon, to about thirty members and friends.

Entertain at Shower

One of the most beautiful social events of the past week was Friday afternoon when Mrs. W. B. LaMaster, Mrs. P. T. Sherman and Miss Pauline LaMaster entertained with their usual charm at a shower for Mrs. Harry Caylor in the LaMaster home. Mrs. Caylor was the former Miss Kathleen Kelly before her recent marriage.

A white and yellow color scheme was very artistically carried out in the refreshment course and in the decorations. The long dining table covered with lace cloth over yellow, was centered with a mirror and unique candelabrum, holding yellow candles. Mrs. A. J. Kelly and Mrs. J. W. Caylor presided at the tea and coffee servers.

A large number of friends called between the hours of three to five o'clock and paid their respects to the honoree and viewed the tokens of esteem in which she is held. Roy Sanford accompanied by Miss Mary Madolyn Sherman at the piano, played two beautiful violin selections and Miss Margaret Previtt charmed the guests with two vocal numbers. She was accompanied by Miss Ruby Neufeld.

General Sorosis

Fourteen members were present on last Wednesday afternoon at the Hotel Perryton for the January session of the general sorosis club. At the close of the business session a very interesting program was held. The numbers were: talk, "Texas Artists," Mrs. W. B. Irvin; "Parliamentary Drill," Mr. J. T. Stovall; and two violin numbers, "The Japanese Sandman" and "My Buddy," Roy Sanford accompanied by Miss Mary Madolyn Sherman.

Child's Study Club

The Child's Study Club, sponsored

by the Perryton Parent-Teacher association, will meet Monday afternoon, January 13, three o'clock, in the home of Mrs. W. B. Irvin, 120 Southwest Fifth Avenue.

The program, "Home Play and Recreation," will be under the direction of the hostess. All mothers are especially invited to these programs.

Bridal Shower

Friday afternoon, January 3, Mrs. R. H. Holland and Mrs. Carl Blackmore entertained with a lovely miscellaneous shower in compliment of Mrs. Lloyd Holland, a Christmas bride.

Between the hours of 2:30 and 5:00 o'clock, fifty guests called and paid their respects to the honoree. A host of beautiful and useful gifts were received.

Stockholders Meet

Annual Gathering of O. N. F. L. Ass'n. To Be Held At Court House, Jan. 14, 3:00 P. M.

The Ochiltree National Farm Loan Association is planning to hold the largest and best annual stockholders meeting in its history Tuesday, January 14, at 3 p. m. at the court house. The by-laws of all National Farm Loan Associations in Texas provide that the annual meetings shall be held on this date. National Farm Loan Associations are farmers' cooperative credit institutions and these annual meetings give an opportunity for the borrower-members to keep informed of the operations of their associations and to help select directors who manage the affairs of the associations for the ensuing year.

According to Ecton Lawrence, secretary-treasurer of the Ochiltree association, this meeting is very important and every member of the association who can arrange to do so should attend. Members will hear reports of the operations of the association in 1935, will elect directors for the coming year, will transact other necessary business and will hear a special radio program.

A feature of the meeting will be the radio address at 3:30 p. m., to the 70,000 borrower-members of the 365 associations in Texas, by A. C. Williams, president of the federal land bank and general agent of the farm credit administration of Houston. Radios will be installed at the places of meeting to receive the message. Mr. Williams will speak to the various groups present at the shareholders' meetings through the cooperation of the Texas Quality Network which includes Radio Stations KPRC Houston, WBAP Fort Worth, WFAA Dallas, and WOAI San Antonio.

Mr. and Mrs. Festus Perkins and Miss Mary Hibbs visited Saturday night and Sunday with Mrs. Perkins' sister, Mr. and Mrs. Floyd Fike, Woodward, Okla.

Introduces New Flour

R. L. Porter Grain & Seed Co. of Spearman Are Distributors Dorby's Best Flour

The R. L. Porter Grain & Seed Co., Spearman, has recently taken over the Northeast Panhandle distributorship for Dorby's Best flour, and this fine product is now being offered to the homemakers of the Perryton community by a number of Perryton grocery stores. Mr. Porter has the following to say concerning this new flour line:

"To introduce Dorby's Best flour gives us a feeling of pleasure, for we are confident in advance of the reception which it will be accorded. We do not like to regard business merely as a means of making money, but rather as an opportunity to be useful. We believe that the small independent business has been indispensable in the building of our country, and in the maintaining of our economic freedom. The Dorby flour mills is such a business. In equipping this splendid new plant with many thousands of dollars worth of the very latest machinery, they have shown a fine brand of courage, and I have a feeling that Mr. Dorby was not primarily interested in making money when he conceived this new mill, but rather was actuated by a desire to give to his community a better, more healthful, more modern product. I feel that it is the responsibility of a small business such as ours, to recognize the march of progress as it affects our line of business, and to take the risk of bringing these better products within the reach of the territory we serve. Your retailers are anxious also to bring you the better products of today, and you owe it to yourself and to the independent business man as well, to be on the alert for products that are new and better. This is the reward which you alone are in a position to bestow on the forward looking manufacturer."

Mrs. Carroll Dodd, Mrs. Harold Thrush and Mrs. Jake LeMaster enjoyed bridge with Mrs. Ray Christopher, Tuesday afternoon.

WOMEN OPPOSED TO RADICALISM

ADVOCATE LAW ENACTMENT OPPOSING RADICAL ACTIVITIES: PROGRAM IS EDUCATIONAL

Attempts of radical organizations to advance their theories among American women and youth will be fought sharply by the American Legion Auxiliary during the coming year, according to Mrs. Jack Allen, Americanism chairman of the local Auxiliary Unit. The Auxiliary will carry forward its program of patriotic education to counteract un-American influences at work among women and youth organizations, she explained.

Educational activities designed to promote a better understanding of the American form of government, and to strengthen loyalty to American ideals and institutions will be the Auxiliary's chief weapon against radical movements. Study of the Constitution, citizenship classes, patriotic observances and meetings will be sponsored by the Auxiliary. Enactment of laws to make possible closer control of dangerous radical activities will be advocated.

Special efforts will be made to reach the younger generations with influences that will develop them into good citizens for the nation's future. Teaching of theories subversive to democracy in public schools will be opposed and laws requiring loyalty oaths of teachers urged. Support will be given to Boy and Girl Scout Troops, Camp Fire Girls, Four-H Clubs, and similar organizations which build character and promote good citizenship among the youth.

"Ability of the Auxiliary to continue and expand this work depends upon its membership strength," Mrs. Allen declared. "Every eligible woman who believes that the ideals and principles of American democracy should be defended and perpetuated should be in the Auxiliary this year lending her strength to the work. Every woman who enrolls in the Auxiliary for 1936 will be strengthening the cause of American democracy against the forces seeking its overthrow."

"The Pierce Johnson Unit of the Auxiliary is now enrolling its members for the year ahead. Wives, mothers, sisters and daughters of the men who defended democracy in the World War are eligible and we hope that all of them in Perryton will come into the Auxiliary where they can stand with the men of the American Legion in defense of democracy against its peace-time enemies."

White Spots on Business Map Are Bigger

This map represents business conditions in every state of the Union as shown in January, 1936, issue of "Nation's Business" official publication of the United States Chamber of Commerce.

November saw relatively old industries make new highs in filling of needs of younger ones. Moving the automobile season forward sent steel, plate glass and electric power outputs to new records for recent years or for all time. Subordinate industries were likewise pushed.

Retail trade found the first half of November too warm for best results but gained in the latter half. Wholesale trade, after holiday preparations, eased up.

Western corn in shock and un-

picked southwestern cotton suffered from excessive moisture but newly seeded winter wheat thrived. The stock market advanced for the eighth successive month. Dividend resumption or increases were numerous.

Forecasts of volume of 1935 business were cheerful. Building expenditures, cotton exports and consumption increased. Woolen mills ran full time, shoe production promised a new record and bank clearings and debits heavily ex-

ceeded 1934. Failures were the fewest in 14 years.

THE MAP

The Map shows a fairly steady enlargement of the white area.

THE BAROMETER

The Business Activity Barometer for November rose above the October levels and were far above November a year ago. In fact the index is now at the highest since December, 1930.

GOOD LIGHTING does this to his HISTORY LESSON

DOES your child drowse over history lesson... say it's dull and uninteresting? Try giving him plenty of good lighting and see what difference it makes. For good lighting makes it easier for your child to read. It minimizes the danger of eyestrain, headaches, and fatigue.

Innumerable tests have shown that school children make faster progress in their studies and that there are fewer failures when they study in rooms that are excellently lighted.

Try putting a 100-watt MAZDA lamp in his study lamp tonight. An ideal lamp for your child's homework or your own reading or sewing is I.E.S. Better Sight Lamp... the first low-priced lamp ever scientifically designed for better seeing. We have a complete stock in many different styles and models. Come in and see them today.

Call us for a free survey of the lighting in your home. We'll gladly show you how good lighting can lighten even the darkest task... and how to get the most from your present lighting equipment.

Bran Mineralizing Makes Red Blood

Dobry's Best brings you all the healthful properties and nutlike flavor of whole wheat, in a flour that is velvet-soft, snow-white, twenty times finer than old-fashioned flour. Dobry's Best is milled in a spick-and-span, new mill, with the latest word in milling equipment. It will banish baking failures; it will delight the taste of everybody. Bran Mineralizing makes Dobry's bread the best tasting bread you ever ate. It stimulates the appetite for more, and why not? Good bread is not only the most healthful, but the most economical food that you can serve. Dobry's cold biscuits taste better than hot ones made from low grade, old-fashioned flour.

MEET THE SENIORS

Paul Vernon Calhoun was born on July 29, 1918, at Buffalo, Texas. He moved from Teague, Texas, to Perryton and entered Perryton High School in 1934.

He is one of the few redheads in our school. He weighs 140 pounds, wears a size 7 shoe, and is 5 ft. 10 1/2 inches tall.

He likes football, basketball and boxing; and he especially likes "spooning." He says he likes stick candy and prunes. His favorite expression is, "I don't know."

His weakness is blonde girls of medium height that are of the "Venus de Milo" type (with two arms); that look like Jean Harlow or Mae West. From all appearances, his present weakness seems to be a rather tall, thin brunette.

He says he doesn't have any ambition to ever get married and settle down and raise a bunch of "kids." He just wishes to travel and live a modest bachelor's life. He is planning to attend Tyler Commercial College next year and become "a big business man."

On April 14, 1918, at Ponca City, Oklahoma, Elsie Lee Thornton was born. Seven years ago she moved to Perryton.

Her favorite color is red; her favorite foods are fried potatoes and catsup, and the sports she likes best are football and car races.

Her by word is, "Honest, no kidding?" and her favorite expression is, "Oh, my goodness!" Elsie is 5 feet 6 inches tall, and she weighs 119 pounds. She is a decided brunette, having dark hair, eyes, and complexion.

She has a weakness for a certain blonde, an undertaker's son at Booker, and she "doesn't care who knows it." She spends her spare time in either thinking about him or in going to Booker.

She is planning to attend Wichita Business College next year. After that she says she hasn't decided.

Borger to Debate Here

Perryton Boys Winner in Earlier Debate; First Debate For Girls Team

The Borger Boy's debate team will try again to defeat the P. H. S. Boy's team and the girls will make their first attempt.

R. T. Correll and James Brillhart defeated the strong Borger team badly before the holidays. However, neither team was ready to debate intelligently as they had not had time enough to study the question thoroughly.

This will be the first debate of this season for the Perryton Girls' Debate team, Coralee Tandy and Virginia Correll. The interscholastic subject for debating this year is resolved: That the federal government should control cotton production.

Perryton will defend the negative while Borger will uphold the affirmative. The affirmative is supposed to be Borger's weak side.

Judges have not been selected yet, but a time keeper, three judges, and a chairman will be appointed by debating coach, Mr. Wilber Park, with the approval of the Borger Coach, Mrs. Eula Pitts, and if she desires a decision will be rendered.

Both clubs are looking forward to a good practice debate to help them at the district meet at Pampa in the spring. Anyone who wishes, is cordially invited to attend.

PUPILS TO HEAR PARENT-TEACHER RADIO PROGRAM

Instead of having the regular morning Chapel service and program on Thursday, January 30, the entire student body will assemble in the auditorium shortly before 2:30 p. m. and hear the radio broadcast of the Parent-Teacher program of the various schools in Ochiltree county. The program will be 30 minutes in length. Mrs. W. B. LaMaster is arranging the details of the program with a cooperation of several schools in the county.

Mrs. O. A. Bush has been placed in charge of the arrangements of the radio reception. Several radios may be installed to insure good reception. The public is invited to attend this meeting and to enjoy the program with the school children.

Perryton schools will have a place on the program.

NOTICE TO SCHOOL PATRONS

We have several deserving young people who want and need a place to work, either for their board and room or to do odd jobs for spending money. Please notify me if you can help us with this problem.

W. B. Irvin.

PUBLIC SPEAKING

The public speaking class has been given charge of the chapel program for "Better Speech Week" on Thursday, January 23. The purpose of the program is to show how better speech may be acquired.

We are working towards numbers which will emphasize better speech and better methods of public speaking. This has been the aim towards which the class has been working for the entire semester, and we hope to produce a beneficial program.

SPANISH I NEWS

We have just learned to count to a hundred by tens, and a thousand by hundreds, so if your child is taking Spanish and you hear some queer rumblings, pay no attention to it.

Another of our accomplishments is the holidays are "festa" days of the year.

GLEE CLUB

We have been working on some contest numbers during the past week. Our instructors have told us that if we will work hard enough that we will attend the contest at Canyon in the spring. They also told us that if we would work harder than that, we may be able to attend the contest at Amarillo.

Everyone is quite anxious to begin working on our operetta, and I am sure that we will very soon.

BOYS' GLEE CLUB

The Boys' Glee Club has been very busy this week practicing on two new numbers. They are "By the Bend of the River," and "Spring Time."

The Glee Club is trying to learn them perfectly as those are the two numbers they will sing at Canyon. They are looking forward to making it a success.

SOCIETY

Is hostess at Shower

The Lucky Eleven Club was the hostess at a delightful shower given in honor of Mr. and Mrs. Wilber Park, Thursday, January 2, at the Home Economics Department of Perryton High School from 4:30 to 5:30 o'clock.

Miss Annie Bruce Henderson, at the head of the receiving line, presented the bride, formerly her room mate. Miss Eugenia Mitchell presented the groom. The guests were then invited by Miss Mary Louise Yoe to see the gifts and enjoy the informal program. Miss Lida Beasley asked the guests to the tea table which was presided over by Misses Pauline Shifflett and Roberta Hutchison.

The program consisted of two tap dance numbers by Dickie Littleton and Marjorie Davidson, accompanied by Virginia Correll; a song by Miss Margaret Prewitt; two songs by the girls' quartet, composed of Jean Pinkerton, Elaine Shockley, Sybil Apple, and Jackie Enfield, were accompanied by Miss Ruby Neufeld; and a trumpet duet by Herbert Shindler and DeWitt Wilson, accompanied by Miss Margaret Prewitt. The program was enjoyed by the following: the entire faculty and Mr. and Mrs. Harry Caylor, Mr. and Mrs. Dave Shanks, Mr. and Mrs. A. J. Kelly and Mrs. Jessie LaMaster.

Entertains With Party

Miss Virginia Holland gave a lovely party Friday night at her home. Games were enjoyed by her guests throughout the evening and dainty refreshments were served.

The guests were June Phelps, Nelda Rose Wright, Imogene Howlett, Mary Lee Wilson, Sibyl Apple, Virginia Correll, Effie Jones, Earnestine Yockley, R. C. Johnson, Bobbie Whipp, Dick Nies, Joy Hergert, Bill Davidson, Burl Teague, Gene Tucker, James Edward Barbour, Jack Woodward, Ed Schroeder and the hostess.

Mr. and Mrs. Carl Wooten and their three children from Goodwell, Okla., spent Saturday and Sunday in the home of Mr. and Mrs. A. K. Wooten.

Gene Reynolds, former student in Perryton High School, is ill with appendicitis at his home, the Commercial Hotel. He is to be operated on soon.

Carmen Cofer spent the weekend with Ruth King and reports a very good time.

Imogene Pitts spent Saturday night with Doris Cofer.

Doris Cofer took Sunday dinner with Imogene Pitts.

Misses Luella McMillen and Ruby Neufeld returned home January 1, from Memphis, Tenn., where they had been attending the big five day national convention of the Methodist League association of young people. These two young ladies represented the Southwestern conference at the convention, approximately 5,000 young men and women were there to enjoy this affair. Misses Neufeld and McMillen report a very educational and enjoyable trip.

Last Friday evening at 7:30 a lovely dinner was given by Miss Bette Bryan at the Perryton Hotel Coffee Shop in honor of Miss Mary Beth Johnson, who left last Saturday morning to return to Waco, Texas, where she has been attending college.

The guests were Misses Winifred Butler, Luella McMillen, Minnie Gamel, Wanda Campbell, Imogene Howlett, Virginia Correll, LaVerne Wooten, the honoree, Mary Beth, and the hostess Bette.

7-1 NEWS

Those making hundreds in spelling this week are: Anita Jackson, Bette Jean Coleman, Eloise Johnson, Glen McWilliams, and Clifton Sharp.

Carolyn Chase is a new member of our room, we are very glad to have her.

May Fields has been absent for the past two weeks. We hope she is not seriously ill.

Maxine May prepared the program for our music period last week. It was enjoyed by all.

ROOM 4-B

4-B is busy cleaning up their room after Christmas. On Friday we shall have a play.

EDITORIAL

Well, "Studies" there is going to be another election held in about two weeks, this is to serve notice to both the G. O. P. and the Democrats to pick a candidate for coming election. The picking of these candidates will be just as big a battle as the Republican convention.

This coming election will be held for you all know no official can hold office for more than one term, I mean an official of the student body.

LIBRARY NEWS

Twenty-eight new books were added to our library last week. Annotations of these books will be published in the following issues of this paper.

A new twenty-four volume set, "Encyclopaedia Britannica," which is a new survey of universal knowledge was received Tuesday. This is one of the best encyclopaedias published. We are very proud to have this new addition to our library. The new desk-cabinet for the set lends attractiveness to our library.

A new filing cabinet has been purchased. We are receiving material for this cabinet file from the federal government, state governments, and institutions, such as colleges and universities, and business uses. More information will be given you concerning the use of this material as soon as we have it completely catalogued and ready for use.

The library staff wishes to thank those people who have brought us books, magazines, and newspapers. Mrs. Haggard donated some new books on speech and dramatic art. Mrs. LaMaster has been very generous to give us all the copies of the "Christian Science Monitor."

Miss Cora Lee Tandy has supplied us with many back copies of the "Time" magazine. Mrs. W. B. Irvin supplied us with the "Holland's," "Country Life," and "Better Homes and Gardens." Mr. O. S. Burke gives us the "Amarillo Daily News" and Mr. W. B. Irvin gives us the "Dallas News" each day.

These people and many others are helping us to build our library. We appreciate your aid.

INSTALLS BULLETIN BOARD IN "MATH" ROOM

T. E. Hampton, teacher of mathematics in high school, announces that he has installed a bulletin board in his room. Any student in the school system is invited to post any particularly hard, tricky, or interesting problem either in Geometry, Algebra or Arithmetic on it and the different classes will tackle them.

The bulletin board is located above the left side of the black board, in room 216, senior high building. If you have a problem just ask for a thumb tack and post it.

LATIN I

This week we have been studying about Roman citizenship. We have been studying the incident where Mucius thrust his right hand into the fire of a brazier to show that he was facing death. We have also been studying about another brave Roman, Mettius Cunctivus, who sacrificed himself for Rome by riding his horse into a large crack in the rocks. These deeds in Ancient Rome were called bravery, but today we would call them craziness.

READERS CLUB

We are glad to have Mabel Moon and Carylon Chase as new members in our club.

Gladys and Juanita Morgan served refreshments to the club members last Friday. After refreshments were served, Bingo was enjoyed. The Bingo cards were made by Ruby Lee Jackson and Roberta Furnish.

CHAPEL

The orchestra, directed by Mr. Park, played for chapel the fourth period Thursday, January 2. The song was led by Mr. Byron, accompanied by Miss Ruby Neufeld. After prayer a short message was given by Rev. Robert Girouard, pastor of the Full Gospel Church of this city. He talked on the twenty-third Psalm. After the message a short one act play was given, entitled "Bartow's Borrowing." The cast was as follows: Tilly—Claudine George, Tilly's mother—Maxine Prewitt, Barlow Bates—LeRoy LaMaster. The play was well given and enjoyed by everyone.

Evelyn Pauline Clark was born on Decoration Day, May 30, 1919. Gray Oklahoma was her birthplace and not far from there is her present home. She is what one might call a "Texas-Oklahoma" person, going to school in Texas, and living in Oklahoma.

She started to school here at the beginning of her Junior year, making quite a "hit" on the Rangerette squad and also with her classmates.

She is five feet three and weight 125 pounds. Her hobby is basketball; her favorite color is red; she wears size five shoes; her eyes are hazel; her favorite song is "On Treasure Island," and her ambition is to become a girl's basketball coach some day.

She has a weakness for Kuhn's, not the kind that climbs trees, but the one who plays center on the Ranger football team.

Here is one of the many Seniors of '35-'36 that will be missed in dear old Perryton High School next year, especially when the Rangerettes get in a tight place and need some one to make just another basket or two.

ARTS CLUB

The Arts Club met Friday, January 3. The meeting was called to order by the president. We had one member absent. Avanel Hill visited our club. Those on the serving committee for next week are: George Ruth Hightower and Lois Todd. The remainder of the period was spent in working.

HUMOR

Mrs. Wood—"What do we mean by plural?"
Gene—"By plural we mean that it's the same thing only more of it."

Mary Lee—"I'm sure there are many girls who could make you happier than I could."

Dick—"That's the trouble. They could but they won't."

Mr. Johnson—"Hush, Johnnie, your mother is trying to sing the baby to sleep."

R. C.—"If I were a baby, I'd make believe I was asleep."

Officer—"Judge, this man leads a double life. He's a burglar at night and a lawyer in the day time."

Judge—"Which was he arrested for?"

Dinner guests Christmas Day in the home of Mr. and Mrs. A. A. Dowers were Mr. and Mrs. A. S. Brillhart, Tonkawa, Okla., Adalia and Earnestine Yockley, Mr. and Mrs. Bruce Johnson, Mr. and Mrs. Fred Dowers, Myrtis, Alfred and Paul and Mrs. Kate Dowers.

Mrs. Frank Davis and daughter, Ruby, returned to their home in Inola, Okla., Dec. 30, after a short visit with Mrs. Davis' brother, H. H. Balzer and family.

Mr. and Mrs. A. L. Carter Jr. and children, Amarillo, spent Wednesday and Thursday, Dec. 25-26, with his parents south of Perryton. Christmas Day the other children were all home and after a sumptuous dinner the Christmas packages were opened. Others present were Mr. and Mrs. Walter Stollings, Mr. and Mrs. S. L. Brillhart and children, Mr. and Mrs. Blansit Carter, Mr. and Mrs. Dewey Allen and family, Mr. and Mrs. Howard Holt and son and Mr. and Mrs. A. L. Carter Sr.

TWO STARS IN MOVIE

NEVER MEET IN FILM

Two stars who appear in the same picture, but never together in the same scene, is the unusual situation that arises in the Warner Bros. production, "Dangerous," which comes to the Ellis Theatre, Thursday and Friday, January 9-10.

The circumstances is the more strange inasmuch as both are rivals for the love of the same man. The actresses are Bette Davis and Margaret Lindsay, and the man who appears in the picture with both, but each in separate scenes, is Franchot Tone.

He is first betrothed to Miss Lindsay, a society girl, becomes fascinated with Miss Davis, an actress, and breaks the engagement. Later he goes back to his first love.

MANY CHANGES

HERALD STAFF

CLAYBAUGH AND BRAY GO TO LIBERAL; MILLHAM AND CAIN JOIN HERALD OFFICE STAFF

During the past few weeks many changes have taken place on the Herald staff. Our first change was on December 15, when C. W. Claybaugh, for 10 years advertising manager of the Herald, went to Liberal, Kansas to assume charge of the Southwest Daily Times as editor and business manager. Then on December 30, James F. Bray, who for more than ten years, has served us faithfully and well as mechanical superintendent of our plant, left to accept a similar position on the Times staff at Liberal.

In transferring these two men to our new Liberal property, we lost two loyal newspaper men who have worked together for years and know the game thoroughly. And now we want to introduce to you two new members of our staff.

The first is C. B. Millham, who on December 30 took over the superintendency of our plant. Mr. Millham, is a printer and newspaper man with years of practical experience behind him. A native of South Dakota, for the past twenty years he has lived in Kansas, at Newton, Wichita, Plains and at Liberal, where for the past three years, he has been superintendent of the Liberal News plant. He is a Lion, a member of the Masonic lodge and of the Methodist church. Mr. Millham is the father of three sons, all of whom are in the newspaper work. Mr. Millham will move to Perryton soon.

On Monday Paul Cain joined the Herald staff as advertising manager. Mr. Cain comes to us from Beaver, Oklahoma where he has been for the past three months. He is a native of Kansas, his father having operated a Democratic newspaper at Belle Plain, Kansas for 43 years. Born and raised in the smell of "printer's ink," Paul lost no time in choosing it for a profession. He attended college at Kansas State for two years, going from there to Missouri State University where he graduated with a degree in Journalism in 1931. Since that time he has worked on various newspapers, taking a whirl at running a newspaper of his own for a year in Oklahoma. Most of his newspaper experience has been in Oklahoma. Mr. and Mrs. Cain and their little son are at home at 907 Southwest 7th street.

NEW DISTRICT

CCC COMMANDER

CAPT. FRANCIS O. WOOD RELIEVES MAJOR ROEHM AS HEAD OF LUBBOCK AREA

Capt. Francis O. Wood, 82nd Field Artillery (Pl. Bliss, Texas) today assumed command of the Lubbock district CCC, with headquarters at Lubbock, Texas. He relieves Major J. F. Roehm, 15th Field Artillery, who has returned to troop duty at Fort Sam Houston, Texas.

Capt. Wood came to Lubbock from Albuquerque, N. M., where he was executive officer for the Albuquerque district CCC.

He takes over one of the most far flung districts in the Eighth Corps Area, with ten camps scattered from Perryton and Sweetwater, Texas, to Tucumcari, New Mexico.

Five camps are engaged in state park projects. They are located at Lubbock, Sweetwater, Canyon (2) and Tucumcari. Five soil conservation projects are located at Perryton, Amarillo, Memphis, Littlefield and Lamesa, Texas. There are approximately 2000 CCC enrollees and 40 officers in the district organization.

"I am pleased with my new assignment," Capt. Wood said. "I feel as if I know much of the area already, since my boyhood home was in Albuquerque."

With a background which includes service throughout the United States and in the Philippines, Capt. Wood has had considerable experience as an instructor and leader of younger men. He is 38, married, has one son, now in school in Albuquerque. Mrs. Wood and their son will move to Lubbock shortly after Christmas. They will be at home at 2205 22nd street.

The Lubbock district is divided into two sub-districts. Camps at Sweetwater, Lamesa, Lubbock, Littlefield, Memphis and Big Springs are in sub-district No. 1, with Capt. W. W. Spurlock as commander. Capt. Walter T. Bolton is commander of sub-district No. 2 which includes the camps at Amarillo, two at Palo Duro, Perryton and Tucumcari. First Lieut. Robert E. Richardson is commander of the Perryton camp.

Jim Rice, Douglas, Arizona, left today for his home after a few days visit with his sister, Mrs. S. J. Allen, and other relatives.

Misses Earnestine Yoakley and Effie Jones were Sunday dinner guests with Miss Virginia Holland in celebration of the latter's birthday anniversary.

IMPROVE STATE

HIGHWAY PARKS

OCHILTREE INCLUDED IN LIST OF COUNTIES TO HAVE STATE HIGHWAYS PARKS BUILT

Austin, January 2—"4,475 youths will be placed within the next ten days on State Highway projects in parks, located in the Texas Highway System," Lyndon B. Johnson, Director, National Youth Administration, announced at Austin today.

Just prior to the announcement Johnson approved projects calling for an expenditure of \$176,549, which is an average of \$1,536 for each park in the system. The State Highway Department of Texas is sponsoring these projects, which, when completed, will give Texas one of the finest highway park systems in the country.

Seventy-nine Texas counties are included in the list designated for highway parks. Panhandle counties on the list are: Childress, Dalhart, Gray, Lipscomb, Ochiltree, Potter, Wilbarger and Wheeler.

Youths to be employed on these projects are to receive from \$1.06 to \$4.32 for each day worked. Youths are paid at approximately the same rate per hour as adult security wage earners, but cannot work more than 46 hours in any one month. Only youths from relief families who are registered with the National Reemployment Service will be eligible.

Additional projects calling for approximately \$350,000 are now being examined, and approval releases are expected to be issued within the next few weeks.

Johnson stated that approximately 20,000 youths are now employed on high school, college and WPA projects. Provisions are now being made for the employment of some additional 20,000 youths.

Johnson urged all eligible youths to register immediately with the proper employment agency in their county.

Mr. and Mrs. Ira Fellers, Spearman, Mrs. Kenneth Raynor and children and Miss Lois Mae Jones returned Dec. 29, from a weeks visit in the T. P. McLain home, Norman, Okla.

Mr. and Mrs. Forrest Campbell, Wanda and Bobby Jo, were visitors in Dodge City, Kans., during Christmas.

Rev. and Mrs. W. B. Vaughn and Wayne returned home Dec. 29, from Joplin, Mo., where they spent Christmas in the home of a son.

Mr. and Mrs. Claude Allen and children returned December 27 from Pratt, Kans., where they spent Christmas in the home of her brother, Herman Reeves.

Mr. and Mrs. Dewey Allen and children and Mr. Allen's uncle, Jim Rice, Douglas, Ariz., were Sunday dinner guests in the A. L. Carter home.

Miss Emily Blasingame visited from Wednesday until Sunday in the home of her parents, Mr. and Mrs. J. M. Blasingame, Sunday.

Mr. and Mrs. Seldon Caradine, James Blasingame and Willard McLarty took her to Amarillo where she caught the train for her home in Dallas.

Mr. and Mrs. A. K. Wilson and sons and Rev. and Mrs. W. B. Vaughn enjoyed a delicious turkey dinner with Mr. and Mrs. W. E. McMillen, Sunday.

Mrs. Mamie Powers, and son, Robert, left today for their home at Cebolla, New Mexico, after a visit during the holidays in the home of Mrs. Power's mother, Mrs. J. J. Allen and other relatives.

MOTHER OF JOHN MCCARTY DIES AT DALHART

Mere words cannot express our sincere sympathy for our fellow publisher, John McCarty, Dalhart, who on Sunday afternoon buried his mother, Mrs. W. R. McCarty. John's mother, who was 63 years of age, passed away Saturday morning, the cause of her death being blood poisoning that developed from a small cut on her right thumb on Christmas Eve. Surviving are the husband, two sons, John of Dalhart, and Bill of Lubbock, and two daughters, Mrs. Richard Corcoran, Lubbock, and Mrs. Clarence A. Echols, Quemado.

ROBBERS WORK

(Continued from page 1) the prowlers left without further damaging the safe.

The Equity Exchange reported the greatest loss, missing \$53.50 in cash from the safe, which yielded to the battering. The till which contained the cash in the safe, was later found on the tracks, back of the office. Entrance here was made through the office door by knocking out a glass and releasing the door lock.

The Ellis Grain company and the Magnolia Petroleum company warehouse, both located on the Santa Fe tracks, were entered but nothing was reported missing from either place. At the former place the safe was battered but not opened. Nothing was missing from the warehouse.

Fifteen dollars were taken out of the cash register at the Wheat Belt grocery. Here the safe was not damaged, but was tampered with, although not opened. The robbers entered the store through the rear door, tearing away a tin panel, reaching a key and unlocking the padlock on the door.

The tools, and some checks taken along with the cash at the Equity Exchange, were reported found later on the football field.

Walter LaMaster returned Monday from Oklahoma City, where he went on Sunday to take his sisters, Misses Kathryn and Pauline, and Miss Ruth Gex, Follett, who were returning to their school work at Chickasha, Okla., after spending the holidays with home folks.

Mrs. W. B. LaMaster accompanied them as far as Oklahoma City, where she caught the bus for Austin, and will spend this week meeting with the board of managers of the Texas Parent-Teachers association of which she is state chairman of the character education division.

Jim Rice, Douglas, Ariz., spent the past week visiting in the home of his sister, Mrs. S. J. Allen, and with other relatives.

Mr. and Mrs. Hugh Shotwell and daughter, Ruth, were in Canyon from Friday until Sunday visiting with relatives.

Born to Mr. and Mrs. Glen Smith on January 1, 1936, a six and one-half pound daughter. The name Shirley Ann, has been chosen for the little miss.

Mrs. Ida O. Rifenberg came in Saturday from Hot Springs, Ark., and will spend a few weeks in Perryton visiting and looking after business affairs.

Mrs. Anna Kershaw and Betty Ann returned Dec. 28, from a months visit in the home of Mrs. Kershaw's sister in Oldsburg, Kansas.

Mrs. Ben Bailey and Miss Donna Lee Stroop, Miami, visited in Perryton Saturday and Sunday. Mrs. Bailey was a guest of her sister-in-law, Mrs. J. W. Richardson, and Miss Stroop visited in the Virgil Castle and Cecil Dodd homes.

HUTCHINSON IS

DRIPPING WET

BORGER AND OIL FIELD COUNTY GOES WET BY VOTE OF SEVEN TO ONE; ONE BOX WENT DRY

Hutchinson county in the local option election held on Tuesday, December 31, voted wet by a total of \$60 to 77, better than a seven to one majority for the legal sale of liquor.

Only one box in the county went dry. Leib voting against liquor, 16 to 8. Two adjoining counties to Hutchinson, Potter and Gray, have already voted wet. It is rumored that Carson county will call a local option election soon.

The Hutchinson county vote is the most lopsided since the return of legal liquor under local option in the state of Texas.

Kenneth Silsbee, Liberal, Kans., visited with homefolks last week.
