Two Powers Join In Proposal 'Quintuplet' Shot Fizzles

CAPE CANAVERAL, Fla. (AP)—Rockets today ruined an attempt to boost five satellites into orbit simultaneously to probe a number of space mysteries.

The space quintuplet hurtled into the sky at 4:30 a.m. cradled snugly in the nose of an 80-foot Thor-Able-Star rocket. The first stage of the 55-ton rocket performed normally and observers at the Cape saw the second stage ignite.

But 20 minutes after launch the Defense Department announced that the upper stage failed to build up sufficient thrust after ignition and the entire rocket assembly plunged in the Atlantic Ocean far downrange.

Officials said the \$3.5-million vehicle fell into the sea "well south of Cuba."

The failure wrecked the United States' most ambitious multiple payload experiment to date. Attempts have been made previously to send three satellites aloft with one booster, but never as many as five.

The five satellites were to have been sprayed into orbit by spring devices much like the pellets from a shotgun charge. Because of this, project officials nicknamed the project "Buckshot."

This was to have been the first of three major U.S. space efforts scheduled this week. On Friday, an Atlas-Agena rocket is slated to hurl a Ranger 3 payload to the moon to take close-up television pictures and land an instrument package on the lunar surface.

The attempt to orbit astronaut John H. Glenn Jr. is set for Saturday. Doomed by today's failure were SIR-4 (for Solar Radiation 4) to study X-ray radiation from the sun and possibly learn how storms raging across the sun's face affect space near earth.

Injun II to examine the relationship between the outer Van Allen radiation belt and auroral phenomena such as "northern lights."

Loft II (for Low Frequency Trans-Ionospheric) to study radio wave propagation in the ionosphere in an experiment aimed at devising better earth and space radio communications systems.

Secor (for Sequential Collation of Range) to test techniques for future satellites which will map the earth.

Sural (for Space Surveillance System Calibration) to study means of improving the Navy's satellite detection system stretching across the Southern United States.

A TWO-CAR ACCIDENT at 11:20 a.m. this morning at Thirty-seventh St. and Austin Avenue resulted in injuries described as "potentially serious" to Tracy Holladay, infant son of Mr. and Mrs. Hoyle Holladay of Rt. 3, Mrs. Holladay was the driver of the car shown at right. The driver of the other car, Billie Jean Ramsey, 3708 Austria, was taken by Bolger Ambulance Service to Cogdell Hospital where she was said to be suffering from a broken collar bone.

Argentina, Brazil Agree

By WILLIAM L. RYAN
PLANTA DEL ESTE, Uruguay (AP)—Latin America's two most powerful nations joined today in a common front proposing hemispheric coexistence with Cuba while condemning Prime Minister Fidel Castro for embracing communism.

The agreement between Argentina and Brazil, who have lived rival blocs at the inter-American foreign ministers conference, came in the early morning hours in advance of the conference's first full-dress public debate.

Argentina and Brazil pushed ahead with a compromise proposal to bar Fidel Castro's government from a voice in deliberations of the Organization of American States on the ground that the revolutionary regime does not represent the Cuban people.

The door would be left open for Cuba to return to the hemispheric fold should Castro change his ways or should an anti-communist government emerge in Cuba.

Isolation from the OAS is a penalty far milder than the diplomatic and economic sanctions President Kennedy's team had hoped for when it came to the Inter-American foreign ministers' meeting. Despite fears of congressional anger that would produce opposition to Alliance for Progress appropriations, the U.S. delegation could do little in the face of the opposition from Brazil, Mexico, Argentina and Chile to stiff penalties.

A joint proposal to isolate the Castro government from OAS activities was reported worked out early today after a three-hour conference of the foreign undersecretaries of Argentina, Brazil, Mexico, Chile, Ecuador, Bolivia and Haiti, a group which has come to be known here as the "outer seven."

The proposal was to be submitted today to the seven nations' foreign ministers and then to the Central American delegations for their concurrence before its introduction before the conference.

A Chilean spokesman reported all differences within the outer seven had been resolved but declined to give details. It was understood the proposal would draw a difference between the Cuban government and Cuba as a nation because Brazil and some other nations contend Cuba is still geographically in the American family and cannot be read out of the organization.

Few, if any delegates looked for a change in Cuban policies as a result of the conference's action, and Cuban delegates scoffed at the idea of the Havana regime being shelved in the OAS.

"We just do not care about that," said a member of Castro's delegation.

Any action taken by the conference unanimously is certain to be hailed publicly as a signal victory for the anti-Communist cause. The arguments were heard that even holding such a meeting on Cuban subversion would have been politically too risky six months ago, before the Alliance for Progress program was adopted and before Castro-Leninism.

Privately many observers wonder whether the United States will emerge with a result which could prove worse than nothing.

Debate Over Loan Measure Is Postponed

By JERRY PILLARD
AUSTIN (AP)—Senators postponed today their expected hot debate over the House-passed loan shark regulation bill.

Sen. Charles Herring, president pro tempore, said backers of the measure informed him they would not ask floor action today as scheduled because other senators had not had sufficient time to study the bill.

The bill was approved in an amended form by a Senate committee Monday. There was an agreement that it would be printed and given to members for study well ahead of floor debate.

Sen. Bruce Rogers, Corpus Christi, said Tuesday he expects "quite a bit of opposition" when the bill is debated.

The Senate version of the bill would regulate loans up to \$500 and set a sliding scale of interest rates starting at 3 per cent a month on loans less than \$100.

Action on the loan issue would clear the Senate of all major proposals put before the Legislature by Gov. Price Daniel.

Senators authorized a tourist advertising program Tuesday by passing a bill to spend \$200,000 out of the general revenue fund. It now goes to the House.

The measure (SB3) passed by the Senate also provides \$75,000 to repair the San Jacinto Monument; raises six department heads' maximum salary to \$22,500 and their assistants to \$15,000, and permits

Hospital Has Record Load

Cogdell Memorial Hospital is a busy place these days. Bill Newsum, hospital administrator, reported patient load yesterday of 71.

According to the administrator, all the hospital services are busy including OB and surgery, but the heaviest load is in the medicine area. There, upper respiratory infections account for the largest number of patients.

Even though the busiest level since the hospital opened, Newsum reported "no difficulties" in maintaining patient services.

Gentle Earthquake Shakes Frisco Area

SAN FRANCISCO (AP)—A gentle rolling earthquake was felt in San Francisco at 7:13 a.m. today.

Residents of Oakland, across San Francisco Bay, said the shock was felt quite sharply there.

Similar reports came from Berkeley and Orinda, in the same general area.

Within about 24 hours, experts had located and repaired a leak in the oxygen flow system in Glenn's capsule, putting in a new valve and ducting. This fault had forced a postponement in his flight, once set for today.

Glenn personally checked out the life-supporting systems in the capsule Tuesday. His back-up pilot, M. Scott Carpenter, flew a pretend three-orbit, 4½-hour mission in space.

Everything now looks satisfactory, officials of the National Aeronautics and Space Administration indicated, with preparations going forward for a launching attempt "no earlier than Saturday."

Weather or other unexpected problems could force more delay. While Carpenter was "flying" the spacecraft, Glenn scooted out of seclusion at the space base to Cocoa Beach for a \$150 haircut—reading a magazine rather than engage in small talk with his barber.

He also reviewed results of a thorough physical examination with Dr. William K. Douglas, the astronauts' personal physician. Physically, Glenn is set to go, said the doctor. Glenn, a bug on exercise for fitness, went jogging later in the afternoon.

Glenn Goes Back To Routine; Saturday Flight Indicated

By ALTON BLAKESLEE
Associated Press Science Writer
CAPE CANAVERAL, Fla. (AP)—Relaxed and with a fresh haircut, astronaut John H. Glenn today followed his "Dimitri" routine with all signs pointing to an attempt to orbit him around the earth on Saturday.

The schedule three days before flight usually calls for rest, relaxation, sun and exercise, sleep and reading and a few technical meetings. There is also a change in diet, to begin eating foods creating little body waste.

Within about 24 hours, experts had located and repaired a leak in the oxygen flow system in Glenn's capsule, putting in a new valve and ducting. This fault had forced a postponement in his flight, once set for today.

Glenn personally checked out the life-supporting systems in the capsule Tuesday. His back-up pilot, M. Scott Carpenter, flew a pretend three-orbit, 4½-hour mission in space.

Everything now looks satisfactory, officials of the National Aeronautics and Space Administration indicated, with preparations going forward for a launching attempt "no earlier than Saturday."

Weather or other unexpected problems could force more delay. While Carpenter was "flying" the spacecraft, Glenn scooted out of seclusion at the space base to Cocoa Beach for a \$150 haircut—reading a magazine rather than engage in small talk with his barber.

He also reviewed results of a thorough physical examination with Dr. William K. Douglas, the astronauts' personal physician. Physically, Glenn is set to go, said the doctor. Glenn, a bug on exercise for fitness, went jogging later in the afternoon.

The precision preparations went along, building on the sub-orbit space experiences of astronauts Alan B. Shepard Jr. and Virgil I. Grissom to assure success in Glenn's far more demanding voyage.

Anderson last Thursday night. The club's position in any event in which they participate is clearly defined by their national charter as non-political.

"We are pledged to uphold and defend the constitution of the United States of America, and to foster and perpetuate a one hundred per cent Americanism, and therefore the views and opinions expressed by any speaker do not necessarily reflect the official view of the American Legion or VFW," Hilton Lambert, commander of the American Legion Post 181 said.

The next speaker planned for the Americanism education program is Dr. Stephens of ACC. Time and date of his speech will be announced later.

At a regular meeting of the American Legion Monday night at the clubhouse, The Legionnaires voted to accept the offer of the Veterans of Foreign Wars to partition the properties owned in partnership.

The offer as approved includes a cash settlement for their interest in the present clubhouse and the south 16 acres of the property which includes the old Youth Center building. That building will be used as a temporary meeting place for the Legion.

In other business the Legion members and several members of the VFW who were in attendance voted to clarify the position of the Legion and VFW in the Americanism program presented by Tom

Ritchie Rites Set Thursday

Funeral services for Mrs. Ella Ophelia Ritchie, 600 Thirtieth St. will be held Thursday at 2 p.m. at the Northside Baptist Church. Mrs. Ritchie died at 11:30 p.m. Tuesday at the Snyder Hospital.

The Rev. Jack Dean will officiate at the services. Burial will be in Snyder Cemetery under the direction of Bolger Funeral Home.

Mrs. Ritchie was born Jan. 17, 1872, in Tennessee. She and her husband, R. R. Ritchie, moved to Scurry County in 1920. Mr. Ritchie died March 8, 1921. Three sons also preceded her in death.

Survivors include three daughters, Mrs. Bertha Costline of Oklahoma City, Mrs. Faye Leslie of San Bernardino, Cal., Mrs. Verna Lingle of Snyder; three sons, J. E. Ritchie of Okmulgee, Okla., J. E. Ritchie and Ray Ritchie, both of Snyder; two sisters, Mrs. J. F. Carpenter of Elk City, and Mrs. W. C. Carpenter, also of Elk City; one brother, J. F. Crabb of Foss, Okla.

BOMB BLASTS U. S. EMBASSY IN CARACAS

An exploding bomb tore this opening hole in the front wall of the U. S. Embassy in Caracas, Venezuela, as foreign ministers of American republics opened their conference in Uruguay on proposed sanctions against Fidel Castro's Cuba. No one was hurt in the blast but damage was considerable. (AP Wirephoto)

Gen. Trudeau Says Speeches Changed, But Message Intact

WASHINGTON (AP)—Army Lt. Gen. Arthur G. Trudeau testified today that changes made by censors in some of his anti-Communist speeches have "caused me to wonder" but "have not prevented me from getting across my basic message."

Trudeau, head of Army research and development and former chief of Army intelligence, made the statements in testimony at a Senate investigation of charges that Pentagon censorship has muzzled military men.

Trudeau quoted changes called for by censors in one of his speeches, adding that there also were changes in others "with the source (of the suggested changes) unidentified, which gave my staff and me cause for wonder about the motivation involved."

In the text of a Trudeau speech prepared for delivery Nov. 19, before the American Ordnance Association in Washington, he said, the State Department suggested that he should "not say" the tenets of Marx and Engels and Lenin are as firm a part of the

PBPA Announces Stand On Imports

MIDLAND—The Permian Basin Petroleum Association Tuesday announced adoption of a policy on the excessive imports of foreign oil into the United States.

The organization which serves all phases of the petroleum industry in West Texas and Southeastern New Mexico, through its headquarters office in Midland released a statement which had been unanimously approved by its 11-member executive committee.

The statement... The Permian Basin Petroleum Association... a reasonable reduction of excessive importation of crude oil and petroleum products into the United States to prevent the permanent crippling of the domestic petroleum producing industry.

This association recognizes the need to allow a reasonable amount of imports of crude oil, natural gas and other petroleum products from nations friendly to and allied with this nation, but it will oppose importations of any such crude oil and natural gas products which are so excessive as to damage the domestic producing industry.

The PBPA statement also revealed that W. T. (Bill) Edwards of Odessa, one of its four vice presidents, would be its representative at a series of meetings in Washington starting Wednesday.

In those sessions domestic production...

Session Set By Young Republicans

The newly activated Young Republicans here will hold an organizational meeting at 7:30 p.m. Thursday in the community room of Snyder National Bank, said Bill L. Watson, District 4 Young Republican Committeeman and also appointed chairman of the Scurry County unit.

Watson said all young people between the ages of 15 and 35, especially those in junior high and high school, who are interested in the conservative point of view are invited to attend the meeting.

A current events film will be shown, and several projects in which the young people will participate will be discussed. Projects include a last-minute poll, tax drive, selection of delegates to the State Young Republicans convention in March, and other matters pointing toward the spring and fall Republican campaigns.

Refreshments will be served at the meeting.

Rare Birds Get Together

CLEVELAND, Ohio (AP)—Things may start humming when Celia, an attractive young widow, gets together with an eligible bachelor from Milwaukee.

At least the Cleveland Zoo hopes so. The principals are streamer-tailed hummingbirds and they are rare. Celia, the Cleveland girl, is said to be the only one of her species to have been hatched and successfully raised in captivity. She arrived in May 1959.

Celia's mom died four months later. Things have been rough since — until the Milwaukee male entered the picture.

Celia was introduced to a mate in March 1960 and set about building makeshift nests, laying eggs on the floor and generally behaving like a scatter-brained bride.

But, alas, the groom died last July and with him went the Cleveland Zoo's hopes of breeding a second generation of internationally famous streamer-tails. The eggs were not hatched.

Milwaukee's Washington Zoo sent its male hummer Tuesday. He arrived by passenger plane, feeling a bit droopy. But he perked up once he was placed in a new cage. He spent his first day here eating.

The pair will be introduced today.

If they can hum a sweet tune, wedding bells may be ringing.

TOP TV TONIGHT

By BUD EVANS

9:00 NBC "David Brinkley" presents a special six-minute colorcast which takes a close look at Vienna, its landmarks, its life and its people. In "Our Man in Vienna," Viennese families will be seen enjoying a summer day in the Stadt Park, much as they did in the city's golden age before World War One; listening to an open-air concert, drinking beer, eating sandwiches and playing with their children.

OTHER HIGHLIGHTS: 6:30 CBS "The Alvin Show" When he acquires a wealthy playmate named Bentley, Veez Rolles who wants to have everything his own way, Alvin decides to take him down a peg.

6:30 NBC "Wagon Train" Scout Duke Shannon allows himself to be used as an example of dereliction in a plan to expose a drifting swindler who uses the Bible to lure victims. Scott Miller continues in his role as the scout and Franchot Tone is guest star in "The Maine Hobnob Story."

7:00 CBS "Father Knows Best" Bud proudly tells his friends how he foiled an attempted bank robbery, concealing that his diving at the armed man was the result of fainting from fright.

7:30 NBC "Joey Bishop" is about to set out on a much anticipated two-week vacation when he receives a call for jury duty.

7:30 CBS "Checkmate" A wealthy girl falls in love with a colorful rodeo star but her brother is violently opposed to the romance and Checkmate is hired to protect the life of the rodeo performer. David Janssen and Suzanne Lloyd are guest stars in "Ride a Wild Horse Home."

8:00 ABC "Hawaiian Eye" E. n route home to a marriage of diplomatic convenience, a princess leaves the airplane in Honolulu to keep a tryst with a fortune hunter she had met at the U.N. Tom Liska's search for the missing princess uncovers a revolutionary plot in an Asian kingdom. Lisa Gay is featured.

Merger Of Airlines To Face Storm

NEW YORK (AP)—A plan to combine American Airlines and Eastern Airlines into the nation's biggest air carrier was barely off the ground today when storm clouds began to gather.

The Transport Workers Union, which has threatened a strike Feb. 4 in protest against the proposed Pennsylvania-New York Central railroads merger, indicated it also would fight the airlines plan.

Matthew Guinan, a deputy to union President Michael J. Quill, said the union called a news conference a spokesman said is "not to applaud" the proposal.

The TWU represents several hundred mechanics and maintenance workers of American across the country, including those at Tulsa, Okla., where American maintains a huge overhaul and repair base.

The union word followed quick criticism from a rival carrier, Trans World Airlines, and also came before expected objections from other carriers.

American Airlines opened on the New York Stock Exchange today at \$23.52, off 25 cents, and later widened the loss to nearly \$1. Eastern was up 12 cents at \$27.50 at the start, but soon fell into the minus column.

The surviving system, with an annual revenue of well over \$700 million, would be the country's fourth largest transportation enterprise, topped only by the Pennsylvania, New York Central and Southern Pacific railroads.

Saturn has nine satellites and the largest known moon in our galaxy. Titan, the moon, is also the only moon that has an atmosphere.

One Killed, Two Hurt In Mishap

AMARILLO (AP)—A collision here Tuesday killed Mrs. Burl E. Glass, in her 70s, of McLean and injured two men.

Hospital attendants said her husband, 76, and the other driver, Fred M. Urry, 35, of Lubbock, were in grave condition.

The accident happened at intersection of U.S. 66 and Farjo-Market road 2575.

COMBINING CAREERS are these Snyder mothers who maintain a home for their families in Snyder but find time to go to college too. Pictured above are Mrs. Doug Flynn, Mrs. Matt Allen and Mrs. Bob Womack as they returned from a day of classes at Texas Tech. Mrs. Allen, who started her college career four years ago at Howard County Junior College and has for the past two years attended Tech is classified as a senior. Mrs. Flynn and Mrs. Womack are juniors. Commuting with them is Mrs. Bert Dennis whom they pick up in Post. All of the ladies are majoring in education courses.

Ira P-TA Has Meeting

IRA—The Ira P-TA met recently in the school study hall, with Mrs. O. W. Holladay presiding. Mrs. Roy Lee Ford, English teacher, presented the inspiration, "Not by Bread Alone." Mrs. Leon Sterling, parliamentarian, reported on nominating committee elections, which are to be held at the next meeting. Mrs. J. L. Clark, program chairman, presented Mrs. Houston Kimbrell, who spoke on the topic of the month, "Effective Learning for Wisdom and Stature." She said, in part: "What's learning? This is something that is instilled in our minds by God. We, as parents and teachers, can cultivate learning in our children. A child must be instructed in such things as good eating habits, good health habits and good obedience habits before he reaches school age. "What is wisdom? This is the love and understanding of another person."

Billy Graham Eludes Mob

MARACAIBO, Venezuela (AP)—Evangelist Billy Graham spoke to a crowd of 4,000 at a baseball park here Tuesday night after ducking out the back door of a hall to avoid a pro-Cuban mob. Graham was spirited out of the state legislative hall by local officials when his speech to them was interrupted by a crowd banging on the front door and chanting. Several legislators said they thought the crowd was out to overthrow the local government, not to get Graham. Elements favorable to Cuban Prime Minister Fidel Castro in Caracas, the Venezuelan capital, have been rioting daily since the start of the Punta del Este, Uruguay, conference. Graham is making a tour of five Latin-American countries.

CAFETERIA ASSOCIATION ENTERTAINS—School board members and the school administration staff were entertained at a banquet held in the Stanfield Elementary School Cafeteria Tuesday night. Pictured, left to right, are Mrs. Sam Spikes, cafeteria supervisor; Mae Brush, president of the cafeteria association; Mrs. L. D. Stone; L. D. Stone, president of the school board; Mrs. T. E. McCollum and T. E. McCollum, superintendent of schools.

Porcelain Art Club Meets

The West Texas Chapter of Porcelain Art Clubs of Texas met Saturday at the Sweetwater Country Club. Mrs. Tom Cannon of Lubbock, an outstanding China painting teacher of many years experience, was guest speaker. Her subject was "Different Treatments in the Art of Painting Nuts." Mrs. Cannon displayed hand-painted China with designs of pec-

nuts, almonds, walnuts, filberts and acorns. A business meeting was held during the noon hour, at which time the following nominating committee was named: Mrs. Jack Wright of Snyder, Mrs. E. F. Neinst and Mrs. R. H. Taylor of Sweetwater, Mrs. E. W. Halfast and Mrs. L. H. Lock of Midland, Mrs. W. H. Hodde of Hobbs, N.M., and Mrs. Hazel Long of Knox City. Mrs. E. A. Egenbacher of Knox City received the door prize, a hot pot painted by Mrs. Cannon. A workshop was held after the luncheon, with members painting

designs of nuts on various pieces of China. Members attending from Snyder were Mrs. E. E. Weatherbee and Mrs. Wright.

Seat cushions for automobiles and trucks consumed an estimated 10 million pounds of latex foam rubber in 1961.

Dr. Guthrie Will Speak At Banquet

Speaker for the annual Church School Teachers Appreciation Banquet at First Methodist Church here Thursday night will be Dr. Timothy W. Guthrie. The banquet is set for 7 p.m. in the fellowship hall of the church. For the past seven years, Dr. Guthrie has been pastor of First Methodist Church in Midland. Prior to that he was pastor of First Methodist Church in Vernon, First Methodist Church in Sweetwater and St. John's Methodist Church in Dallas. Dr. Guthrie is much in demand as a public speaker. The church school banquet is held each year at First Methodist Church to honor all present and former teachers in the Church School. Pat Falls, chairman of the church's commission on education, will serve as master of ceremonies. The invocation will be given by W. A. Vestal, Church School Superintendent, and Dr. Guthrie will be introduced by the Rev. Harry Vanderpool, pastor of the church. The benediction will be given by Lytle Deffenbach, chairman of the official board of the church. Special music will be under direction of Mrs. Bob Womack.

CHEVY II NOVA

What's this? A top-down picture in January? Sure! We simply couldn't wait till spring to show you the easiest-to-own Chevrolet convertible you ever flipped a top over. Just get a load of that broad-loop carpeting, the elegant instrument panel, that tasteful chrome trim, the leatherlike vinyl on those comfortable bucket seats* up front. It's what we call Fisher Body finesse. Something else you'll find in all eleven Chevy II models: Plenty of zip, thanks to a frisky 4 or spunky 6 (your choice in most models). Plenty of room, too, thanks to some canny engineering that kept the dimensions cozy outside and comfy inside. And the ride's firm, but ever so gentle, thanks to new Mono-Plate rear springs. With all this, your Chevrolet dealer's ready right now to put some June in your January. Go see him.

Chevy II was put to the test by the men who know cars best — WINNER OF THE CAR LIFE AWARD FOR ENGINEERING EXCELLENCE

*Optional at extra cost. Also available in Nova Sport Coupe.

Rice Soph Takes Rebounding Lead

By The Associated Press
There's only one newcomer in the latest statistics on individual leaders in Southwest Conference basketball.

Kendall Rhine, a 6-foot-8 Rice sophomore, now is the top rebounder in conference games as the league marks time for final exams at the mid-point of the campaign.

Rhine, a prime reason for the Rice Owls' tie for the loop lead with Texas Tech and Southern Methodist, is setting the pace with an average of 11.2 rebounds per game against conference foes.

Coast Fishing Outlook Good Despite Cold

AUSTIN—Although thousands of pounds of edible fish were killed in the heavy freeze on the Texas coast within the past ten days, it is believed that prospects for spring and summer fishing will remain good. This is the optimistic report of Terrance R. Leary, coastal fisheries coordinator of the Game and Fish Commission.

Biologists are studying the fish loss along the Texas coast, and report that it was only a fraction of the 1961 kill, when thousands of tons of fish were destroyed as a result of prolonged freeze.

Apparently, the heaviest kill this year was in the Laguna Madre, from Three Islands south to Port Isabel, where the temperature dropped to 10 degrees, and much of the water was glazed over with ice. Fortunately, very low tides drove many fish to deeper and warmer waters before the cold spell hit the coastal region.

Many striped bass were reported in other areas along the coastline, and many of them were taken by fishermen and converted to use rather than waste.

Leary says the kill did take a toll of trash fish, drum, and small trout; however, early reports indicate that losses were not as severe as might have been expected with prolonged, low temperatures.

To the extent of the freeze damage will not be known for several days yet, until frozen fish which may have gone to the bottom bloat and rise to the top, and are floated in to shore by wave action. In the meantime, biologists are continuing to study the coastline for additional information as to the freeze results.

Westbrook—The Westbrook Wildcats preserved their ranking as top hands in the District 92-B race here Tuesday by dropping the Hobbs Panthers 75-33.

The victory was the sixth without loss for the Wildcats and dropped the Black Cats to 2-3.

Bill Bird paved the way to the win with 24 points, followed by Jesse Watson and his 16. Richard Raffill was top man for Hobbs with 11.

Hobbs—Hull 0-1, Solo 3-17, Milares 4-19, Raffill 7-13, Cahill 11-10, Martinez 0-11. Totals 11-33.

HEATED ACTION—Sweetwater's Troy Bradbury sends a field goal attempt aloft during first half play of last night against Snyder's Tigers while William Robinson springs up in an effort to thwart it. Other Bengals pictured are Eddie Phy (left), Pooch Hatter (22), and Freddy Miller (40). Mustangs Don Groghan (31) and Mike Perry are also visible. The Ponies won the game 75-71 to move into a tie for the district's top spot. (Photo by Roberts)

Mustangs Tiptoe Past Tigers

By JERRY JACKSON
Snyder's Tigers, unable to hold on a big first half bulge, had a severe crimp put in their District 3-AAA title aspirations here last night, as they were submerged by an old nemesis—the Sweetwater Mustangs—by a narrow 75-71.

The victory kept the Ponies in a tie with Lamesa for the district's front-running position, both standing 3-0 following Lamesa's 47-33 polishing off of Colorado City in other 3-AAA play of the same evening. Those two leaders meet in Lamesa Friday in a showdown battle which will culminate first half play within the family circle.

The defeat dimmed the Tiger's chances for a share of the crown, as they now stand 2-2. For the season their record is 11-10 compared to Sweetwater's 14-6. Coach J. P. Ward's Snyder charges will be taking a breather this Friday while the remainder of the district members square off to complete the first half of the double round robin slate.

A well-balanced offensive attack which saw four players hitting in the teens paid off for the Ponies in the final analysis. Mike Perry had 9 field goals for 18 points to lead the onslaught. Scoring ace Don Groghan and lanky Darrel Turnbow were next in line with 16 a piece, and Jimmy Tindall chipped in with 14 to round out the bulk of the visitors' production for the evening.

Hatter, Free Shine
A pair of Tigers set the scoring pace for the game—a rough-and-tumble one in which 41 personal fouls were called. Travis (Pooch) Hatter, with 19 points under his belt at halftime, added four more during the final two periods to be high for the contest with 23. Steve Free kept Snyder alive in the fourth quarter by sinking 11 of his 19 points for the night during that period.

Both had good nights at the charity line, with Hatter canning 7 of 8 and Free 3 of 4.

Snyder leaped out to an early advantage, holding the lead for most of the first half after breaking an early 2-2 deadlock. Four times during the half the Bengals enjoyed 8-point bulges over the Ponies, but with 1:45 left in the second stanza the Horses surged ahead by 36-35, and from there it seasawed back and forth until Sweetwater nabbed what was to be a permanent-type lead of 52-51 midway through the third period.

From there a hot streak boosted them to 60-51 in one quick hurry before the Tigers could retaliate and the Ponies went on to up the count to their largest lead of the game—64-53—before Snyder rallied behind the shotmaking of Free to whittle the edge down to 64-66. Turnbow took over then, however, hitting a basketful of free throws to put his mates out of reach for good.

Two Mustangs were ejected by the foul rule during the second half, with Garland Broke getting the thumb with 5:27 remaining in the third and Groghan getting his walking papers at 4:28 of the final period.

Forward Freddy Miller was the only Tiger whose activity was cut short by fouls. He was removed with just 1:06 left in the game.

Over the span of the game the score was knotted three times—at 2-2, 42-42, and 47-47. Also, the lead changed hands on five occasions.

Both quints were adept at the gratis line, Snyder meeting 21 of 31 free tosses and the Ponies 19 of 28.

Strictly "No Contest"
Snyder won the B game in a breeze, rushing past the visitors 44-20.

From me to you A DAILY VIEW

By Rev. R. Charles Spivey
John 2:1-13 (read verses 1-11)
"On the third day there was a marriage at Cana in Galilee, and the mother of Jesus was there; Jesus also was invited to the marriage, with his disciples. When the wine failed, the mother of Jesus said to him, 'They have no wine!'"

This portion of scripture, in a way, hits hard at some of our middle class, so called religious, prejudices—especially drinking and dancing. There are some church goers who see red when these two subjects are mentioned, and there are others who scoff and joke about the above mentioned ones. (By the way, Paul says "We ought to bear with one another's weaknesses.")

But the fact still remains: Jesus went to a wedding feast at which wine was served, and He even made more of the stuff for the guests. It is also a known fact that those wedding feasts had lots of dancing. (Of course Jesus never got drunk, and probably would turn away with disgust from the "twist".)

What do we say to these things? I think one of the main things is that Jesus was not a pious, long faced, dressed in black, kill-joy. Jesus enjoyed life and meant for us to enjoy it too.

Etheredge Meshes 20 For Hermleigh Girls

FLUVANNA—Judith Etheredge tallied 20 points here Tuesday to lead her Hermleigh teammates to a 39-13 district victory over Fluvanna.

Gwen Landrum sparked the home attack with 9.

The boys game matching the two schools was postponed until next week due to a number of Fluvanna performers falling to return from an Abilene stock show in time for the scheduled clash.

Missile Program Outlined For Club

Greg Thomason, a representative of the Astronautics Division of General Dynamics, spoke to the Downtown Lions Club yesterday at noon. Thomason is stationed in Abilene where the launch sites for Atlas missiles are being constructed.

Time is the constant enemy of missile researchers. Greg Thomason, the Atlas became operational in four and a half years. It had been estimated that it would take seven years to accomplish the task.

It is an Atlas booster which is scheduled to put astronaut Glenn

in orbit Saturday. The first space men were sent aloft on rockets with 90,000 pounds of thrust. Glenn's Atlas will have 380,000 pounds of thrust, or three and one-half million horsepower, Thomason said.

The "silo," or Atlas launch pads, being built in the Abilene area are 174 feet deep and 52 feet across with walls of concrete 24 feet thick.

From two to nine feet thick, the silos are part of a chain of 129 Atlas emplacements across the United States.

Each site contains 600 miles of wiring with 27,000 terminals. Thomason also stated that each location was completely self-sufficient for a 7 day period.

Females are the fighters in the silos. The males wait on the sidelines.

Concert Assn. Board Will Meet Friday

The board of directors of the Scurry Concert Association will meet at 9 p.m. Friday in the Community Room of the Snyder National Bank.

Primary purpose of the meeting is for the group to meet with Roy Williams of United Audience Service, New York City, who will be here to help the group initiate plans for their forthcoming membership campaign the week of March 26.

The Scurry Concert Association had previously signed an agreement with United Audience Service for the booking of talent and assistance during its annual membership campaign. The Jan. 26 meeting is a most important one for the local group, and all board members are urged to attend, said Badger Robertson, president.

Baptists Urged To Use Laymen

DALLAS (AP)—A lay leader told Texas Baptist pastors Tuesday they were exhausted, discouraged and defeated because they were trying to win the world by themselves without help from laymen.

Howard Butt Jr. of Corpus Christi said laymen were at fault too, because they are not accepting their responsibilities as Christians.

"Every member of a Baptist church should be a minister," said Butt, vice president of a grocery chain in South Texas. "There might be only one pastor per church, but every person should accept the responsibility of the ministry."

Addressing 5,300 church members at the annual Texas Baptist Evangelism Conference, Butt said the main problem is "it costs a lot to be a Christian—it costs ourselves."

"The Christian life is not difficult," he said. "It is impossible. Adding that only Christ was able to live the Christian life, Butt said:

"None of us can find the search for peace within ourselves. But Christ can give us that peace when He lives in us and becomes a part of us. In ourselves there is defeat and frustration, but in Christ there is conquest and victory."

Secretary of the Baptist General Convention of Texas, declared that laymen must be alert to danger signals and challenge more young people to dedicate their lives, talents and time to Christian service.

A Houston minister said one of the most critical problems in evangelism is enlisting new converts as active church members.

"Dr. E. H. Westmoreland, pastor of the South Main Baptist Church in Houston, said 27 per cent of

Voting Guides Distributed

A non-partisan voting guide is being distributed in Snyder by the Snyder Jaycees. Copies are available at the banks, the Chamber of Commerce office, and other public places. They are free.

The guides list all of the elections which have been set, the dates of the elections and absentee voting dates. Also in the little folders will be found the qualifications for voting, and for voting in bond elections.

Instructions on voting when moving, on voting absentee, information on precinct conventions, and much other valuable and interesting information on voting is given in the guide.

Reliefs of Portuguese government have been held since 1928 by Antonio de Oliveira Salazar.

Body Of Seventh Victim Recovered

TWIN LAKES, Colo. (AP)—The body of a 7-year-old boy, seventh victim of Sunday's avalanche on Colorado's highest mountain, was recovered Tuesday.

The body of Mike Adamic was found about 10 feet from where rescuers found the body of his brother, Billy, 9, after the massive snowslide swept down 14,341-foot Mount Elbert and destroyed their home.

The boys' parents, Mr. and Mrs. William Adamic, were rescued from the rubble.

Keyhole Beauty Is Suitably Attired

MOUNT CLEMENS, Mich. (AP)—The keyhole beauty painted on the side of Mr. and Mrs. John J. Olaszewski's tavern is more suitably dressed for the weather now.

It wasn't the weather that brought her change from a bikini, however.

City officials and the ministerial association protested. An artist painted on cream-colored leotards to replace the bikini.

An adult grizzly bear breaks his winter fast with grass, but soon goes on to harder fare.

\$310 Cash Given FREE REPAIR SERVICE MUST BE NEAR

Read the Following Carefully for Good Rhyming Words

Most mechanical and electrical things at some time require immediate and expert repairs. Can you risk depending on some remote service man?

Occasionally, we overhear a conversation sad and drear, bemoaning troubles quite severe because the dealer isn't near!

Well, far from us to interfere with jeer, or leer, or smirky sneer — so — this advice we volunteer: "Get wise, my dear, and BUY IT HERE."
