Happy Day to you Sherman County Older Texans, Friends, neighbors and Scotters this 40 degrees F, dry morning, Monday Nov. 20, 1989. Three days until the great day of National Thanksgiving Thursday, Nov. 23, 1989, which we trust will be one of the "best days of your life". We know the day will be one of our "best" personally, because all the children from our son, grand-children great grandchildren except one plan to be in Stratford, the Lord willing. The exception is Michael Powers, who is in military service in Germany. We are excited, expectant and thankful.

A glance at Scot Calendar shows one remaining special event in Nov. which is the dance on Sat. evening, Nov. 25th. Music will be furnished by "The Elms" duo and will be good listening, if one doesn't dance.

Prospectus Study Thanksgiving Dinner for Scotters, Sherman County Older Texans and Sr. Citizens on Thurs. Nov. 16, 1989 is now a pleasant memory for Sherman County Senior Citizens. As their reporter we express Senior Citizens grateful thanks for the graciousness of the club toward us. The tables were fitting and attractively decorated with arrangements furnished by Ellie's and girl scouts. These numerous decorations were later used as prizes for drawn numbers. Of course, Roscoe Dyess was lucky, as usual! Program leader, Janet Riffe introduced Mrs. Rose from Mary Allen School who in turn which all enjoyed presented the third grade in a musical program. One hundred twenty nine (129) happy people were present to enjoy the good food which included turkey furnished by Gophers, Brown Meat Locker & Thriftway. A special thanks to all who helped in making Thanksgiving a happy time from all Sherman Co. Senior Citizens. A highly enjoyable fact for host and guest. When invited to eat, there were no plates for food, it was a real ice beaker, soon corrected.

On Friday evening Nov. 17 the following named people met at Scot Hall and enjoyed playing games. Rowena Williams, Dicy and Max Stephenson, Eskie Ritchie, Opal Bryant, Gladys Arnold, Jewel Dovel, Irene Butler, Alda Mitts, Geneva Bell, Corda Pleyer, Timmie Brown Betty Lou O'Brien, Mary Peach Smith and Tom Brown enjoyed a visit with Hazel Brown Martin, Patty and Edward Watkins, Longview, Tex. during their trip thru the south.

Mr. Enns, Dalhart, who is a candidate for District Judge, was a guest at Scot Hall Thurs. at noon. He is the son in law of Marguerite

King Fike, Dalhart. He reported that Marguerite is in an Amarillo Hospital. We have no further information.

While visiting with Nettie Harding in Dalhart we learned that she had just visited Hazel Harris and Polly Summerour in Coon Memorial Home. Also, had a pleasant "Howdy" with Roger Crabtree. Roger and his wife, Boise City, were shopping in Dalhart. All five persons were on the "up and up".

Lorene Brown is now living in Fritch, Tex. Her address is 502 S. Vaughn; R.R. 1 Box 1614 Fritch. She lately moved from Panhandle.

GIVING THANKS

It is often a mark of our times for people to complain about the issues of life rather than thank God for his many blessings. It is good to call to our remembrance, the provisions and blessings of God and to thank him.

Someone has said that thanks is acknowledgement of God's provision and praise to him for them. It is the expression of Christian praise and joy.

We freely ask of God's blessing but rarely return to give thanks when he has answered. Luke 17:12-17 tells of Jesus encountering ten Lepers and telling them how to be healed. They did as he said and were healed, but Verse 15 indicates that only one came back and in verse 16, "And fell down on his face at his [Jesus] feet, giving him thanks." Jesus was due and expected thanks for in verse 17 he said, "Were there not ten cleansed? but where all the nine?"

The Psalmist in 107:1-2, wrote "I give thanks unto the Lord, for he is good: for his mercy endureth forever. Let the redeemed of the Lord say so."

What is the first thing you think of when you think of Thanksgiving? Is it turkey and trimmings and holiday and visits, or is it thankfulness for what God has done. "Count your many blessings, name them one by one. Count your many blessings, see what God hath done."

50th Anniversary

Penny Ann Dickey and Franklin Lee Ford were united in marriage on Sat. Aug. 5 at the Assembly of God Church in Alamosa, Colo. Reverend Ron Elledge performed the candlelight ceremony.

Penny is the daughter of Darlene Dickey of Stratford, Texas and Robert Dickey of Weatherford, Texas. Franklin is the son of Mr. and Mrs. Dean Ford of Alamosa.

The bride was presented to the groom by her father. Her formal bridal gown of ivory satin featured a Queen Ann neckline and fitted bodice with intricate detailing of Alencon lace and pearls. The skirt, trimmed with lace points, was elaborately embroidered with lace cut outs and swept into a picturesque cathedral train. The bride's veil fell from a band of seed pearls and baby's breath.

For something old the bride's cascading bouquet of apricot and white fresh roses was designed using the lace form that fashioned her mothers bridal bouquet. Something new was her gown and diamond and pearl earrings. Something borrowed was her maternal grandmother's diamond ring and something blue was her garter.

Dianna Brown of Weatherford, Tex., sister of the bride, was matron of honor. Bridal attendants were Caroline Brooks of Amarillo, sister of the bride, Stacy Plowman of Stephenville, Tex. and Lou Ann Rockwell of Lubbock, Texas.

Attendants wore tea length gowns of soft apricot satin moire and carried long stem silk roses fashioned with baby's breath and ribbon streamers.

Flower girl Amanda Brown, niece of the bride wore a gown identical to the attendants and carried a white basket lined in apricot satin.

Ring bearer Rob Dutton of Salt Lake City, Utah, nephew of the groom, wore a black tuxedo with an apricot string tie and cummerbund.

Candlelighters were Raymond Wood of Alamosa and Rob Dutton, both nephews of the groom.

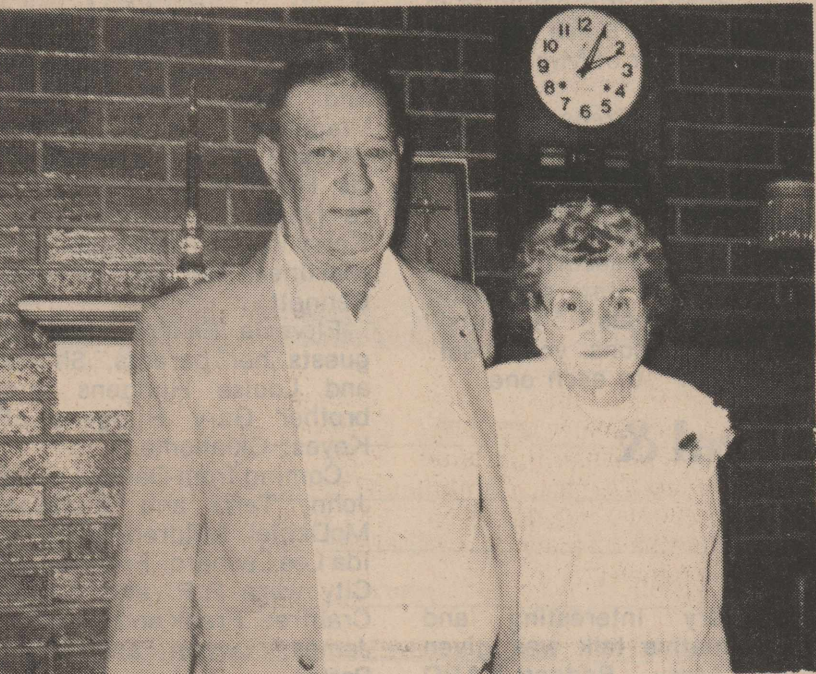

The groom's attendants were Steve Jones of Denver, Paul Dickey of Weatherford, brother of the bride, Ron Rogers and James Holmes. Pre ceremony music was provided by pianist Ineta Checher of Stratford and organist was Arlene Broadhead of Dallas, both aunts of the bride. Solist was Joe Brown of Weatherford.

Cousins of the bride, Bobby and Carol Chesher of Lubbock, Texas sang Together. Wedding co-ordinator was Dean Houston of Greeley, Colo, aunt of the bride. Guests were registered by Kristi Motz.

Brandon Brown, nephew of the bride, Leroy Dutton, nephew of the groom and Kelsey Brown, niece of the bride, carried white baskets lined in apricot satin to offer rice bags to the guests.

A formal reception at the church followed the ceremony. The bride's table was hosted by Carol Chesher, Mary Beavers of Dallas, Lori Martin of LaVeta, Colo. and Susan Giarratano of Pueblo. A three tier all white wedding cake with apricot silk flowers graced a formal floor length table of white with an apricot underlay accented with apricot silk flowers. Punch, mints, finger sandwiches and melon balls were served to the guests. The groom's table featured an apricot bubble cloth over forest green. A German Chocolate cake, lemon wafer and coffee were served by nieces of the groom. Dena Dutton and Dee Ann Motz. Mary Stowers, maternal grandmother of the bride designed and created both table coverings and linens.

A bridal brunch and lingerie shower was held for the bride at the Alamosa Inn Banquet Hall on Saturday morning. The bride was joined by her attendants, ladies of the families and friends in enjoying a

Chamber Chatter

By J.A. Lasley

T'is the season to be Thankful. I find that a little out of kilter. Isn't everyday a day we should be thankful. We are blessed in so many ways. The turkey will be gobbled up tomorrow and we will feel miserable and promise ourselves to go on that diet we were going on last week and the last week-etc.

It is a month until Christmas. How quickly time does fly. It seems only yesterday that I was getting out Christmas decorations, or was I putting them up?? AT any rate we have had a couple of our merchants to have open house and most of our businesses are getting most festive. The women's Division of the Chamber will again this year have the Christmas Lighting contest. Residential, Commercial and non commercial. In the Residential we will have over-all theme, specific (like a window or door), the same will be for the commercial. So get your decorations out, check the light bulbs, extension cords and go to work.

Along with Christmas, this year instead of the children doing the "Color Me" the Retail Merchants are going to have a contest for the older kids, our Senior Citizens. There will be prizes for the best, prettiest, neatest Christmas Decoration that our Senior Citizen has made. They will be hung on a tree down town, and must be hanging there before the 15th of December. Also if some of our Senior Citizens have a toy, book, or gift given to them when they were a young child, call Martha Ellison at 2092, or 5971, Cindy Crabtree. We would like to display these. If you had a memorable or unusual Christmas, we would like to hear about that. So you industrious Senior Citizens get busy and get an ornament made. This will wind up our centennial year with a bang.

We still are needing volunteers for the traffic survey on the intersection of 54/287. This will probably have to be done two times, once during the week and then again on the week-end in order to have an accurate count. It will take 2 people in two cars tabulating around the clock. Anyway you want to figure it, it will take a bunch of people to accom-

plish this. Please if you can help call the Chamber office 396-2260.

The Chamber has agreed to take the Fair and Jamboree Flags, store them until time to hang them and then we will take them down.

Come the 1st day of December between the hour of 1:30 and 2:30 p.m. Senator Bill Sarpailus will be in the County Court house Courtroom. This is brainstorming session for any and all interested citizens to come hear and voice opinions. One of the biggest items facing counties, and of course we are interested in anything that pertains to Sherman County is the DOE, or Waste. Beginning the first of January, our trash will have to be hauled to Moore County. You bet that is going to cost a pretty penny. This will be one of the issues Senator Sarpailus will be atuned to. So mark your calendar for Dec. 1, County CourtRoom 1:30-2:30 p.m. BE THERE.

Mr. Kenneth Wyatts display at the Bank's Open House the 17th, was most interesting. A lot of people were taking advantage of purchasing Christmas. It was a good display and the goodies the bank were serving was right tasty. They do do nice things at our local bank and we appreciate it.

Posters are being put up of the KEEP AMERICA BEAUTIFUL done by our school students. That is a good thought-& we can all help do that very thing; as well as keep our community clean and free of trash.

We want to wish Trisha Tillery the very best of luck as she will be journeying to El Paso, Texas to compete in the Miss Teen U.S.A. She will be competing against 90 other young hopefuls, next Friday, the 24th, this will be the preliminaries. Finals will be Sat. afternoon, at the Marriott Convention Ctr. If you'd like to send a message of good luck to Trisha, I'm sure she would be delighted. I plan on being in El Paso to watch and to root Trisha On.

The CDC and Chamber are going to sponsor a Photograph Contest. You could be the winner. The Tourism Task Force and the Community Image Task Force want to get postcards out in businesses, about Stratford and Sherman County, for tourist that stop

by. You photo bugs, we are not limiting you, you may actually have a very good picture you took sometime ago; however we will extend this to the spring of the year. Four photos will be chosen by a select group, and the winners will each get \$25.00 for their efforts. Some of the request that the Ranger, and other locals have had are the elevators, feedyard, The Elk at the School and I am sure there are others. So get out the camera and start shooting. There will be more about this from time to time.

In closing-a reminder again the money we spend here in our community, a penny of every dollar benefits Sherman County and Stratford. Before you go to WALMART or elsewhere, see if you can find it in Stratford. You might be surprised as to what you can find. Our merchants will do you a nice wrap job, and they have even delivered gifts for me. Dumas, Dalhart, Amarillo, Guymon, they don't do that-and that tax money goes to their benefit.

Your Right To Know

By Terry Kennedy

There are a lot of professional emergency responders in this community. They are the volunteer firemen, police, sheriff and deputies, dispatchers and EMT's. Most of them are aware of the many accidents that can happen in our community. Some of the rest of us have the NIMBY (Not In My Back Yard) syndrome. Accidents can happen anywhere at any time. The reason for planning what to do and how to respond in the event of a major accident is simple. We want to do the best we can to keep the loss of lives and property to a minimum. In order to do an effective job, we must all practice what to do in the event of a major emergency just as we practice a fire drill at school or in our homes. The emergency personnel have responded very favorably to our efforts to organize. If they ask for your cooperation please be all the help you can. If you would like to become better informed, please let them know, and they will work with you all they can.

Daisy Troop 305 has been having an exciting year so far. We meet Wednesday afternoon at 5:00 p.m. at the Methodist Church. Our members are Marca Ewers, Mandy Helmuth, April Avent, Lara Shafer and Trisha Teig.

In our first few meetings we enjoyed each others company and got to know each other a little better. Our girls really enjoyed the birthday bash for Juliette

Lowe, the Girl Scout founder. They met at Gale Shafer's house and made homemade cupcakes. They even decorated them themselves. They looked a little overdone but everyone said they were delicious.

Our girls are working on their promise because their big day is November 29th. On this day they will be invested, or welcomed into the Girl Scouts.

Out The Library

By Dorothy Haile

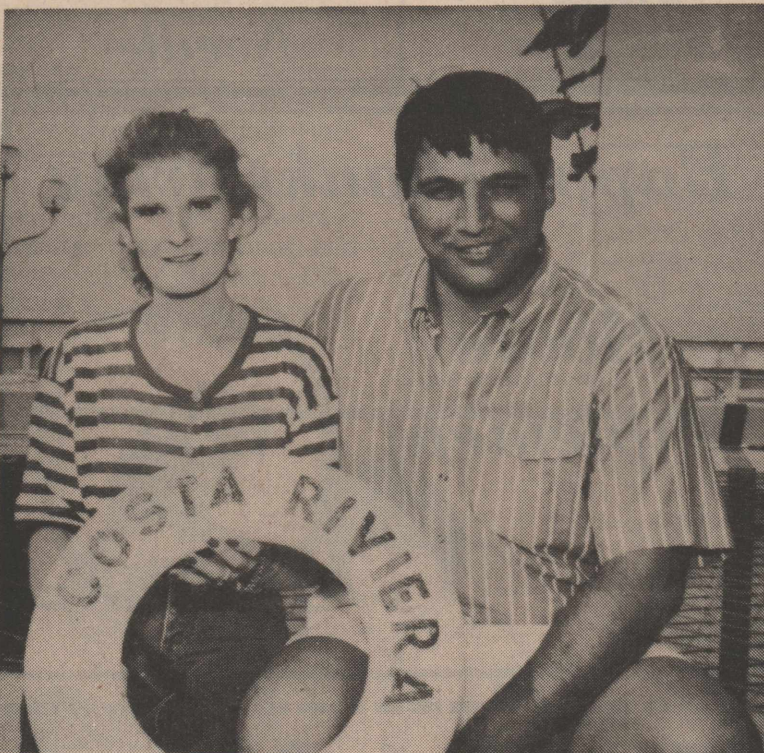

Lynz Browning is the Reader of the Week for the Sherman County Public Library. She is seven and attends the Mary Allen Elementary School and is in the second grade. Lynz started kindergarten in Boerne, Texas.

Her favorite subjects in school are math and reading. She is in Mrs. Gillenwaters Class. She attended the Summer Reading Program at the Library.

For recreation, she likes to ride horses and play tennis. Her dog's names are Clifford and Groucho. She also has two rabbits and cats named Precious and Wiskers.

Her parents are Kathy and Mike McDaniel. Her grandparents are Katy and Bill Allen of Stratford and Marylou and Fred McDaniel of Kerrick. Sasha is her older sister and Merilee is a younger sister. A good vacation is to go to Eagle Next and fish. Lynz says she likes living in Stratford better than a big city.

She likes to read any type of children's books. She is holding the creature she made for the Summer Reading Program. She named this creature the Four Eyed Eating Monster! We are proud to have Lynz as a library patron.

Mr. and Mrs. Toby Kautz from Stratford pose for the cameraman on the deck of Costa Cruises new, Costa Riviera, just before sailing out of Ft. Lauderdale, Florida on a seven day vacation cruise to the West Indies and the Western Caribbean, visiting: Ocho Rios, the gem of Jamaica; Georgetown, Grand Cayman Island; Playa Del Carmen and Cozumel, just off the coast of Mexico and the Yucatan Peninsula. Some Tips For A Safe Holiday Season

Holidays are a rich time of warmth and sharing—a time for celebration. But a skilled burglar, a swift pickpocket or a crafty con artist can quickly cool that warmth into some cold, hard realities.

Although the holidays are a time of excitement and activity, they are also the peak season for criminals who prey on unsuspecting victims.

What can you do to help insure that your holidays are safe and joyous? Here are some tips from ADT Security Systems, the world's leading supplier of security systems, to help you preserve good cheer and happiness throughout the New Year:

Shopping Sense

- Stay alert. During this fast-paced, "hustle-bustle" time of year, be extra cautious and alert to your surroundings. Take extra care to protect your wallet, pocketbook and belongings, especially in stores, crowds and while dining out.

- Park your car in a well-lit parking lot or near street lights. Always roll up your windows tightly and lock your doors, even if you plan to be away only for a short while. Have your keys in hand when you return to the car and check the interior before getting in.

Happy Home Hints

- 'Tis the season for giving, but be wary of strangers at the door seeking charitable donations. Ask for identification and learn how the funds will be used. If you don't like what you hear, decline to give any donations. Save your generosity for an organization of your choice.

- Be extra cautious about locking doors and windows when you leave the house. If you go away for a few days, ADT suggests that you get an automatic timer for your lights and radio. Ask a trusted neighbor to keep an eye on your house and pick up your mail.

- If you have a Christmas tree, use only fire-resistant ornaments and make sure that last year's lights are still in proper working order. Never leave Christmas lights unattended.

Family Reunion Bread Perfect for Holiday Centerpiece

Holidays are the perfect time to round up the whole clan for a family reunion. Although it's fairly rare to get everyone "home for the holidays," it's fun to extend the invitation to friends and new neighbors who live a distance from close relatives.

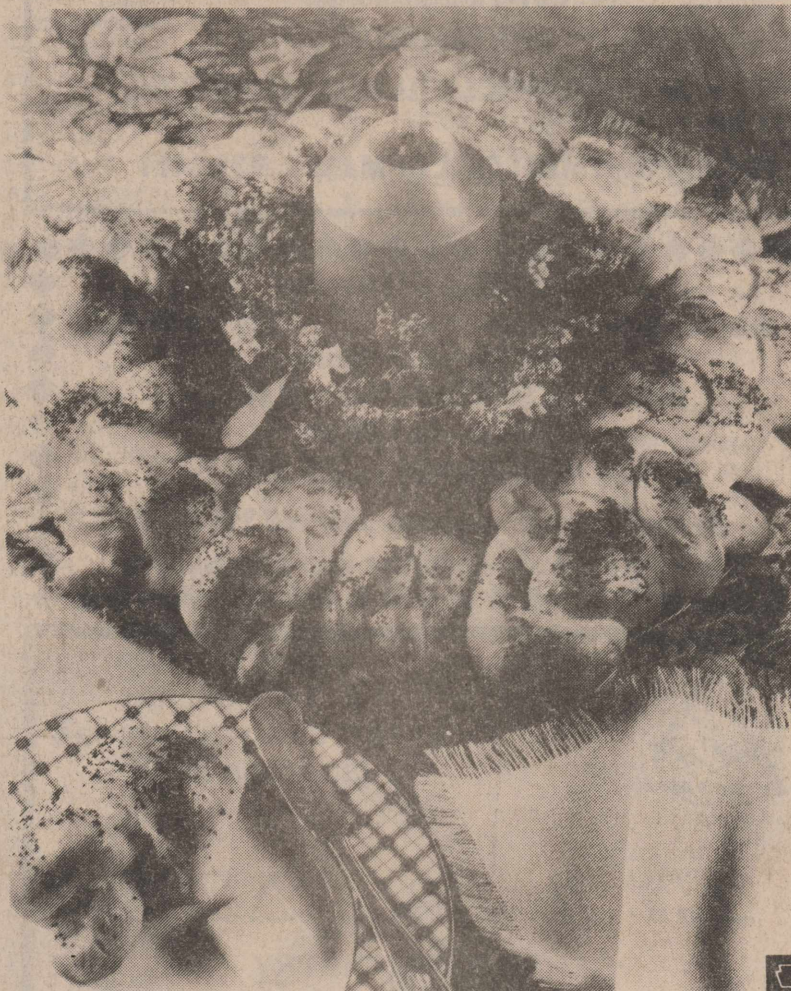

For your own memorable contribution to the feast, make Pull-Apart Reunion Wreath—a delicious pull-apart yeast-bread wreath from Fleischmann's Yeast that doubles as a decorative centerpiece for the table. A quick one-rise method allows you to make the bread wreath or whole wheat yeast rolls in just one hour—start to finish. This handsome wreath is made by tying short "ropes" of dough into loose knots and then attaching them together to form a bread wreath. Before baking, the wreath can be glazed with egg wash and then sprinkled with poppy or sesame seeds.

Fleischmann's Yeast has established a toll-free number (1-800-227-6202) to answer consumer questions about yeast baking. Baking specialists are available to answer questions from 10 a.m. to 8 p.m., Eastern Standard Time, Monday through Friday.

PULL-APART REUNION WREATH Makes 2 wreaths

5% to 6% cups all-purpose flour
 1/2 cup sugar
 1 teaspoon salt
 2 packages Fleischmann's® RapidRise™ or Active Dry Yeast
 1 1/2 cups very warm water (125° to 130°F)
 1/2 cup butter or margarine, softened
 3 eggs, at room temperature
 Sesame or poppy seeds, optional
 Vegetable cooking spray

In large bowl, mix 1 1/2 cups flour, sugar, salt and undissolved yeast. Gradually add water and butter to dry ingredients; beat 2 minutes at medium speed of electric mixer, scraping bowl occasionally. Add 2

eggs and 1 cup flour; beat at high speed 2 minutes, scraping bowl occasionally. With spoon, stir in enough remaining flour to make stiff dough. On lightly floured surface, knead until smooth and elastic, about 5 minutes.

Divide dough into 36 equal pieces. Roll each piece to 8-inch rope. Loosely tie knot at center of each rope. Arrange 18 knots, side by side, barely touching, in ring shape on baking sheet coated with vegetable cooking spray. Repeat with remaining rolls; cover. Place 2 large shallow pans on counter; half fill each pan with boiling water. Place baking sheets on pans; let dough rise 20 minutes.

Lightly beat remaining egg; brush on rolls. Sprinkle with sesame or poppy seeds, if desired. Bake at 400°F for 12 minutes or until done. Remove from baking sheets; cool on wire racks.

Whole Wheat Rolls: Replace 1 1/2 cups all-purpose flour with whole wheat flour in above recipe. Mix, shape and bake as directed.
