Operators And Unions Sign A New Contract

WASHINGTON, Dec. 21. (AP)—The White House today announced a three-year peace pact between the major railroads and four operating rail unions.

The agreement provides:

For 120,000 railroad yardmen—an immediate increase of 23 cents an hour, with another two cents on Jan. 1 and cost of living adjustments every three months beginning next April 1. The adjustments are to be made at the rate of one cent an hour for every rise or fall of one point in the government's consumers price index.

RETROACTIVE

The 23-cent pay boost is retroactive to Oct. 1.

For about 180,000 road service workers — an immediate increas of five cents an hour, also retroactive to Oct. 1, and another five cents an hour effective Jan. 1, plus the same cost of living arrangement.

The settlement was announced by Presidential Asst. John R. Steelman, who took over negotiations in the months-long dispute after the government seized the railroads last August to avert a threatened nation-wide strike

LONG SESSION

Steelman said union leaders had agreed in principle after a 26-hour overnight conference to a moratorium on any further demands by the four unions.

The agreement probably will lead to quick restoration of the rail line operations to their owners. The Army has been running the roads.

As drafted the settlement represents a compromise between some of the union demands and what the railroads offered.

High Casualty Rate Reported During Retreat

TOKYO, Dec. 21. (AP) — Gen. MacArthur's headquarters said today American casualties in the worst fortnight of retreat in Korea totaled 11,314 killed, wounded and missing. It said other United Nations forces from abroad suffered 1,011 casualties in that period.

The total of 12,325 did not include Republic of Korea losses.

Headquarters said field commanders reported Chinese Red losses at a ratio of 10 to 1—a total of more than 120,000.

The period was dated Nov. 27-Dec. 12, but the total also included relatively small losses suffered during "UN probing attacks beginning Nov. 24."

NEAR 42,000

The Defense Department announced Nov. 30 in Washington that American casualties in Korea since the war began had reached a total of 31,028, saying this represented all whose next of kin had been notified through Nov. 24. This indicated that American casualties through Dec. 12 were in excess of 42,000.

The Washington list showed 5,307 dead, 21,114 wounded and 4,611 missing. The new MacArthur headquarters summary today did not break down its casualty figures to show how many were killed, wounded or missing.

WORST HIT

Hardest hit was the U. S. Army Second Infantry Division which suffered 4,131 casualties during what MacArthur calld the "reportorial disaster' period." The Second Division played a major role in blunting the Chinese Red counteroffensive on the northwest front.

The headquarters summary gave other allied losses as:

U. S. First Marine Division. 2,891.

U. S. Army Seventh Infantry Division, 2,097.

U. S. Army 25th Infantry Division, 1,606.

U. S. Army First Cavalry Division, 443.

U. S. Army 24th Infantry Division, 146.

Other UN forces, 1,011.

Production In Clear Fork In South Scurry

Robert W. McKissick of Abilene has completed his No. 1 Hugh Birdwell as a wildcat producer one mile south of Clear Fork production in the Diamond M-Canyon field in Southwest Scurry County.

The well pumped 24 hours to make an initial production of 30 barrels of 39 gravity oil. Ten per cent of the total fluid recovered was water. Gas-oil ratio was 250-1.

Top of the pay is at 2,438 feet and total depth is 3,250 feet. Seven inch casing is set at 2,310 feet. Pay section was shot with 120 quarts of nitroglycerin.

This new well is located 2,310 feet from south and 2,640 feet from east lines of section 177, block 97, H&TC survey, and five and one half miles northwest of Ira.

BORDEN LOCATION

The Texas Co. No. 1 J. M. Higginbotham is to be an 8,500-foot wildcat in South-Central Borden County. It is to be drilled primarily to test the Pennsylvanian limes. However, there is a possiblity that it may be carried below that formation.

Location is at the center of the southeast quarter of the southeast quarter of section 5, block 31, T&P survey, T-2-N. That makes it about five miles northeast of the Vealmoor field and approximately seven miles east of the Good field. Operations are to start immediately.

DAWSON WILDCAT

Amerada Petroleum Corp. No. 1 Adcock is scheduled to drill to 10,500 feet starting at once to explore the Pennsylvanian formation in Central-North Dawson County.

The location is 1,530 feet from west and 467 feet from south lines of section 106, block 34, D&SE survey, T-7-N.

That makes it four miles northeast of Hindman and about four miles south of O'Donnell.

NO. 1 R. C. MILLER

Five and one-half miles north and slightly east of Gail in North-Central Borden County, Stanolind Oil & Gas Co. has staked location for its No. 1 R. C. Miller.

It is to be drilled as a wildcat to explore the Ellenburger, 660 feet from south and west lines of section 3, block 30, T-5-N, T&P survey.

Drillsite is three and one half miles south of Neville G. Penrose and George P. Livermore, Inc., No. 1 Baird estate, and 8,560 foot Ellenburger failure.

Projected destination of the No. 1 Miller is 9,000 feet.

HOWARD WELL

Fred M. Manning, Inc., No. 1 Chester L. Jones, Northeast Howard County wildcat, one mile northeast of the town of Vincent and one-half mile south of the small Vincent-Clear Fork field, has been officially completed as a commercial oil well and a new discovery.

Located at the center of the

Soviet Press Says China Nationalists To Help Indochina

MOSCOW, Dec. 21. (AP) — The Soviet press charged today that President Truman has approved plans for the use of Generalissimo Chiang Kai-shek's Nationalist Chinese troops in Indochina.

A dispatch from Washington said President Truman, Secretary of State Dean Acheson, and Foreign Policy Adviser John Foster Dulles at a special meeting considered a report from Brig. Gen. Francis G. Brink, recommending this step.

Markets Will Close

NEW YORK, Dec. 21. (AP)—Financial and commodity exchanges throughout the United States will be closed Saturday, Dec. 23 and Christmas Day, Dec. 25. Various livestock reports will be issued as usual on Saturday Dec. 23.

Navy Wage Increase

WASHINGTON, Dec. 21. (AP)—The Navy has approved a 20-cents an hour wage increase for 2,850 civilian employes of the navy in the Corpus Christi, Tex., area, it notified Sen. Connally D-Tex today.

Comforts Wounded Brother

Marine Pfc. Joe Macchiarole (left), 20, of Akron, O., clasps the head of his brother, Tony, 21, also a Marine Pfc., upon locating him in the northeast Korea beachhead area after the retreat from the Changjin reservoir area where both were fighting with the first Marine Division. Tony was wounded in the shoulder.

Acheson Returns After Short, Decisive Mission To Europe

BY JOHN M. HIGHTOWER
(Associated Press Staff)

WASHINGTON, Dec. 21. — Secretary of State Acheson returned from his shortest and most decisive mission to Europe today to face a stiff new Republican challenge to his policy of European rearmament as well as his continuance in office.

Flying about 15 hours behind schedule because of bad weather Acheson landed at Washington's national airport at 3:13 a.m. EST. He had left here only last Sunday and in the intervening three days had:

1. Agreed, as American representative on the North Atlantic Treaty Council, meeting at Brussels, to creation of a 1 million-man international European defense army, which will include both American and German units, under Gen. Dwight Eisenhower as supreme commander.

2. Worked out with British Foreign Minister Bevin and French Foreign Minister Schuman a final draft of a note to Russia expressing readiness for a big-four meeting to discuss East-West differences on a wide range of issues.

Asked by newsmen at the airport if h thought the accomplishments at the meeting had contributed to world peace, Acheson replied:

"This is the only way we can possibly do it." He added that he thought the conference was "very successful."

H. Freeman Matthews, deputy undersecretary of state for political affairs met the secretary at the airport. The White House had announced earlier that Prsident Truman would call off plans to meet the plane because of the late hour. The temperatur at the firld was below freezing.

Schedule of Business Closing for Christmas

Most Snyder businesses will be closed Sunday and Monday for Christmas, Harold Bennett, chamber of commerce manager, said.

Public offices in the courthouse and the city hall will close Saturday noon, Edgar Taylor, county judge, and W. J. Ramsey, city superintendent, said.

Bennett said that some businesses might remain open Sunday if it has been their practice in the past but that he did not expect many to remain open Monday.

City offices and offices in the court house will also be closed Jan. 1, 1951. The commissioners court might be in session part of the day, but Taylor said he did not expect them to be there all day.

The commissioners court session tentatively set for Jan. 1, is to swear in new county officers elected this year.

Gordon's Drive-In restaurant on the Big Spring highway wil be closed Dec. 24 through 26 for remodeling.

House Lacking Quorum Today

WASHINGTON, Dec. 21. (AP) — Failure of a majority of members to show up today threatened to force adjournment of the House until after Christmas.

Home-bent congressmen were leaving the Capitol in droves last night and today.

Lack of a quorum— 218 of the 435 members—was indicated as only 179 members responded when their names were called by the clerk. This was 39 short of the majority required to do business.

Speaker Rayburn and House Democratic Leader McCormack of Massachusetts went into a long huddle at the speaker's rostrum to decide what to do and stall for time.

Unless 39 absentees are located and returned to the House, adjornment would be automatic.

The sergeant-at-arms and his assistants were trying to round up all the members who were in town.

At 2:30 p. m., an hour and a half after the House met, 197 members were present — still 19 short of a quorum.

Crash Wreckage Is Spotted In Luzon

BAGUIO, Philippines, Dec. 21 (AP) — The charred wreckage of a U. S. C-54 transport that crashed with 37 persons aboard was sighted today high up a rugged 9,324-foot mountain in Central Luzon.

Search pilots reported no sign of life.

At least three of the 30 passengers and seven crew members were U. S. Clark Air Base personnel. Another was a civilian U. S. government employe.

Far East Air Forces headquarters in Tokyo has notified relatives of a number of those aboard but has not announced their names.

Lucius Clay, Sidney Weinberg Named Aides to Charles Wilson

WASHINGTON, Dec. 21. (AP) — Charles E. Wilson took office today as director of defense mobilization and immediately appointed Gen. Lucius Clay and Banker Sidney Weinberg as his assistants.

Wilson, former president of General Electric, told reporters of the two appointments at the White House after taking the oath of office in President Truman's presence.

NO COMPENSATION

Wilson said Clay and Weinberg will serve without compensation.

Clay, former U. S. commander at Berlin, is relinquishing his duties as chairman of the board of the Continental Can Co.

Weinberg is senior partner of Goldman, Sachs and Co., New York investment banking firm. He was a vice-chairman of the War Production Board in World War II.

The oath was administered to Wilson by Chief Justice Vinson in Mr. Truman's circular office. The three men stood beneath a large portrait of George Washington.

SYMINGTON PRESENT

W. Stuart Symington, chairman of the National Security Resources Board, some of whose duties Wilson is taking over in the mobilization job, stepped up after the ceremony smiling and said, "let me be the first to congratulate you."

Wilson told reporters his immediate plans are to continue just what he is doing now—that is, surveying the job that must be done, and getting "just as many facts as I can."

Wilson took the oath of office well under 24 hours after the Senate rushed through confirmation of his appointment.

Lull Around Beachhead Follows Allied Barrage

Germans Asking Concessions In Return For Arming Troops

BONN, Germany, Dec. 21. (AP)—The western allies today embark on the laborious task of coaxing troops from a West Germany united in demanding "full equality" with the West or no rearmament.

Cognizant of a golden opportunity for diplomatic horsetrading, the Germans begin talks with the three allied high commissioners determined to wring sizeable concessions for any participation in the international defense force headed by Gen. Dwight Eisenhower.

NEED 150,000

The North Atlantic Pact nations—which do not include West Germany—decided at their Brussels meeting Monday that 150,000 German soldiers were wanted for the European army they plan to raise to 1 million men in two years.

But West German political leaders and newspapers have served notice they will have none of it unless:

1. Their nation is accepted as an equal partner by its one-time conquerors.

2. German troop units are not significantly restricted in size or composition of command staffs unless such restrictions apply to all member nations.

SWEEPING CHANGES

An authoritative German source said today West German Chancellor Konrad Adenauer would demand the sweeping away of occupation controls on West Germany. He would seek, instead, what he calls a "security treaty" between the federal republic and the western occupying powers, the nearest thing possible under present circumstances to a peace treaty.

The conference this afternoon also will work out the procedure for the negotiations for Bonn's acceptance of the Atlantic Pact proposals. German intentions to drive a hard bargain indicated the talks would be lengthy.

Good Ole' Joe Is 71

(By The Associated Press)

Today is Joseph Stalin's birthday—he's 71—and while his controlled press at home once again hailed him in extravagant prose, Communists in the ring of states around Russia pulled out all the stops attempting to outdo each other in praising him.

In Moscow, East Berlin, Prague, Sofia, Bucharest, Budapest and Warsaw, the Communist Press chorused praise of the man in the Kremlin in phrases like these:

"Greatest scientist of our time."

"Leader of the world peace.

"Defender of the worker."

"Great genius Stalin."

Strike Threat Hanging Over Pan-American

NEW YORK, Dec. 21. (AP)—Threat of a strike by 4,500 mechanics and ground service employes hung over the network of Pan-American World Airways today.

A union official said demonstrations would occur today at "various stations" of the air system which operates flights into 71 counties in six continents.

The official, James F. Horst, director of the air lines division of the CIO Transport Workers Union, declined to say when a strike would take effect.

He announced the "possibility of a strike to enforce our demands" when wage negotiations broke off yesterday.

The union seeks a pay boost of eight cents an hour above the present scales of $1.16 to $2.08 an hour. The company feels, he said, that "our wage scale is on a par with the best of the industry and we see no reason for reopening the contract, since it was agreed we would not."

Horst asserted that the company "is making the highest profits in its history" and said the raise is needed because the Korean war has boosted the cost of living.

Big Spring Cantata Proves Key To Prison Door For Composer

NASHVILLE, Tenn., Dec. 21. (AP)—Frank M. Grandstaff, who composed the 70-page "Big Spring Cantata" in his prison cell, soon will be a free man.

It is believed he will be the first ever pardoned as an habitual criminal in Tennessee.

Before an announcement by Gov. Gordon Browning last night, the 49-year-old convict-composer faced the prospect of spending the rest of his life behind prison walls.

INDIANA OR TEXAS

Browning said: "I am giving him a pardon to let him get out of the state. All the matters for which he was convicted were very small offenses and I am not satisfied to leave him there."

The governor said he would sign the pardon papers today or tomorrow. He added he understood Grandstaff will go to Indiana or Texas.

The cantata was the key that unlocked prison doors for Grandstaff's week of freedom in Big Spring, Tex., in October, 1949. It was inspired by a book written by Druggist Earl Philips. Grandstaff was guest of honor at the Big Spring Centennial.

Grandstaff's record shows 20 offenses, mostly larceny. It was a Memphis larceny that brought him the life sentence 10 years ago.

'THE GIRL' IS READY

"I can't believe this wonderful thing has happened to me," Grandstaff said when told the pardon was coming. "I have tried to analyze myself, to search my soul. I know I have made errors. For those who have stood by me, I can say there will never be a time they will feel ashamed of me. For those who doubted me, I must prove them wrong."

Grandstaff said the first thing he'll do is go to the Catholic Cathedral here "and drop down on my knees in prayer. Then I'll get in touch with the girl I should have married 30 years ago. Then I'll go to see my mother again."

The "girl," he said, is Mrs. Mildred McConkey of Fort Wayne, Ind. He said they plan to marry.

At Fort Wayne, Mrs. McConkey 47, a "swing shift" worker for General Electric, said she could hardly believe the news. She added that when Grandstaff is freed, "I am going to marry him." Each has been married twice before.

In Hollywood, Douglas Morrow author of "The Stratton Story," said Aspen Productions is preparing a movie on Grandstaff's life. Its title, he said, will be "Crossroads."

Grandstaff's cantata was heard by thousands and was one of the features of Big Spring's Centennial.

He had once visited the lusty West Texas town as a piano salesman, but it was Shine Phillips book, "Big Spring," that inspired him to to write the cantata. He did —in solitary.

Phillips, a druggist, had written the book while recuperating from an operation and primarily for his two daughters, Nancy and Champe.

While in Big Spring, Grandstaff walked the streets without escort. He was free to do as he pleased, go where he willed.

Congressman Indicted

Rep. Walter E. Brehm (R-O), 58, a federal grand jury on seven was indicted in Washington by charges of illegally getting money from two of his office employees election campaign. Brehm, from Logan, Ohio, has been a member of the House since 1942.

Speedy Senate Action Today On More Funds

WASHINGTON, Dec. 21. (AP) — Speedy approval of another $20 billion in emergency defense funds was expected in the Senate today.

Most of the funds will go for more airplanes, tanks, ships, atomic bombs and manpower in the fighting forces—all asked by President Truman since the Chinese Communists surged into Korea.

The House, meanwhile, was expected to override Republican opposition today and vote Mr. Truman the additional powers he wants to speed the preparedness program. GOP objections put a brake on this legislation in the Senate.

HOME-FOR-YULE

In a home-for-Christmas drive, the House passed yesterday and sent to the Senate two other measures on the President's "must" list:

1—A bill setting up a nationwide civil defense system to deal with a possible atomic attack. This program is expected to cost $3,100,000,000 in federal and state funds over the next three years.

2—A $1,600,000,000 military public works authorization, much of it for top-secret purposes.

Sen. McKellar (D-Tenn), veteran chairman of the appropriations committee, pushed the $20 billion emergency defense bill through the committee with wartime speed yesterday. He expected to repeat the performance on the Senate floor today.

The bill is $2 billion larger than similar legislation already approved by the House.

Reds Stopped By Pounding Of Artillery

Communists Reported Building Strength Behind West Front

By OLEN CLEMENTS
(By The Associated Press)

TOKYO, Dec. 21. —The Hungnam beachhead lay quiet today after allied land-sea-air barrages mowed down and rolled back the Reds' most menacing attack on the perimeter.

Frozen bodies of Chinese and white-robed Korean Reds littered the snow-crusted east flank of the United Nations defense ring where the attack was made.

Communist survivors apparently were numbed to a standstill by the fury of 'round-the-clock' bombardment Wednesday by allied warships, planes and land artillery.

TOSSED BACK

Field dispatches reported the shattered survivors were thrown back from the point of gravest peril to the allied forces holding their last sliver of Northeast Korea around Hungnam on the Sea of Japan shore.

Quiet also was reported on the western Korean front.

The U. S. Eighth Army reported an ominous buildup of Red strength behind the western front. Heavy traffic, including freight trains, was spotted moving Wednesday night near Yonchon, six miles north of parallel 38.

Eighth Army headquarters did not say whether the enemy buildup was Chinese or North Korean.

The Chinese have been around the Hungnam beachhead in great force for days, but it was apparent that the battling retreat of U.S Marines and 10th Corps doughboys farther north had badly crippled an estimated 10 Red divisions.

Red efforts to reorganize their forces were progressing slowly—too slowly to hamper the planned withdrawal of American forces on the Hungnam beach, U.S. losses there are reported extremely small considering the action involved.

Warships continued to hammer Communist troop concentrations north of the beachhead.

The Far East Air Forces reported continuing attacks on Communist forces.

Opposition To Hoover Speech

NEW YORK, Dec. 21. (AP)—Robert L. Patterson, former secretary of war, said last night there is at least a 50-50 chance that Russia will strike an all-out blow against the West in 1951.

Patterson criticized the advice of Americans, who would withdraw U. S. forces to our own shores as "the counsel of discouragement, despair and defeat."

In contrast to ex-President Herbert Hoover, who last night urged a policy of hemispheric defense with outposts in Britain and Japan, Patterson said:

"This is no time to withdraw our forces to our own shores.... We will, I trust, do everything in our power to stregthen by men and weapons the armed forces in Europe under Gen. Eisenhower, and the armed forces in the Far East under Gen MacArthur."

Complete Agreement

U. S. Secretary of State Dean Acheson; British Foreign Secretary Ernest Bevin and French Foreign Minister Robert Schuman (left to right) claps hands during a four-hour meeting held in Brussels, Belgium, after the windup of a two-day session of the North Atlantic Council. A highly placed source said the Big Three western foreign ministers gave final approval to replies conditionally accepting a Soviet bid for a new Big Four meeting.

Weather

WEST TEXAS: Clear to partly cloudy this afternoon, tonight and Friday. No important temperature changes.

EAST TEXAS: Partly cloudy except occasional rain in northeast portion and near upper and middle coasts this afternoon, occasional rain in extreme east portion tonight and upper coast Friday. Moderate easterly winds on the coast and gentle to moderate variable on lower coast.

Over 100 At Oil Firm's Yule Dance

Clyde Saffel and his Rhythm Makers from Stamford tuned up at 9 o'clock last night at the Country Club for one of the largest parties given by an oil company this season. Employes of Pasotex Pipe Line Co. and the Standard Oil Co. of Texas, with which they are affiliated, danced until midnight.

More than 100 persons ate the turkey dinner, served buffet style before the music began.

Mr. and Mrs. H. O. Beard were hosts at the clubhouse, with Mr. and Mrs. Ed Allen and Mr. and Mrs. Bob Guthrie. Mr. Allen is superintendent of Pasotex and Mr. Guthrie is with Standard Oil. Jack Reedy, Jack Sparks, and Vernon Hall were in charge of arrangements.

Mrs. Beard chose for the party a black crepe gown of semi-formal cut. With it she wore a gardenia corsage. Mrs. Allen wore a frock of yellow gaberdine, light weight, simply cut.

Many Guests Attend Open House Tuesday In I. S. Dolen Home

Mr. and Mrs. I. S. Dolen and Ike Dolen, Jr., Tuesday night received 75 persons into their home on Lubbock highway at a Christmas open house.

Mrs Dolen, wearing a navy crepe informal frock with a holiday corsage, served her guests from a huge buffet table. Assisting Mrs. Dolen was Mrs. Paul Danner.

Smoked turkey, potato chips, olives, pickles, fruit cake and fruit punch were set out on the buffet with a festive decoration scheme including pine cones, candles, snow men and snowballs. The dining room and living room contained holiday poinsettias.

Pan American And Montgomery Combine For Christmas Fete

Office staff members of the Pan American Production Co. and the Waldo Montgomery Contracting Co. held a combined Christmas party at the Pan American offices.

About 40 employes were present for the buffet supper served. T. H. Sandoz, Pan American superintendent, acted as host for the gathering.

Mrs. Roe Rosson Is Hostess to H-D Club

The Plainview Home Demonstration Club held its Christmas party in the home of Mrs. Roe Rosson last Thursday.

Mrs. Roy Staton directed games, and gifts were distributed from a tree. Each member drew a name for her club pal for the next three months. Refreshments were served to the following others: Mrs. Ross Williams, Mrs. Doyle Pogue, Mrs. J. E. Bryant, Mrs. Bert O'Neal, Mrs. Walton McMillan, Mrs. C. R. Rucker, Mrs. A. K. Murphy, Mrs. Alford Rosson, Mrs. Lowell Thornburg, Mrs. Rex Woodard, Mrs. Vestal Boothe, Mrs. John Woodard, Mrs. J. W. Greene, Mrs. Clarence Moore, Mrs. J. H. Rollins, and a guest, Mrs. Buford Light.

Use the carcass of chicken and turkey to make an economical and delicious soup. Add tomatoes, onion, carrots, parsley, and celery leaves to the water you cover the chicken or turkey bones with and season with salt, peppercorns, whole cloves, and a bit of bay leaf.

NERVES?

Due to a lack of Vitamins B1, B2, Iron and Niacin!

Perhaps you are nervous, uncertain, tense, due to a lack of Vitamins B1, B2, Iron and Niacin in your system, like Mr. Charles A. Brown, 2804 Harrison, Kansas City, Mo.

Let him tell you how today's great Hadacol helped him by relieving the cause of his distress due to such deficiencies: "I am 50 years old and employed on a job that at times is very much a strain on the nerves. A year or so ago, I begun to have backaches. I also seemed to wake up in the morning with a feeling as though I had a hangover. I have been taking Hadacol now for about 2 months, having finished one large bottle and starting on my second. I can truthfully say I haven't felt as good in ten years. Hadacol has been a Godsend to me and I highly recommend it for anyone who isn't feeling up to par."

Only Hadacol gives you that "Wonderful Hadacol Feeling"—trial size bottle only $1.25; large family or hospital size, $3.50. Recommended by many doctors. money-back guarantee.

Permian Basin Oil News

Ellenburger Producer Finds Pay Zone In Devonian in Martin

A flowing oil discovery from the Devonian lime and cnert has been indicated in Northwest Martin County, about 11 miles north of the Mabee-San Andres field.

The showing has been developed at the Texas Co. No. 1-X State, located 660 feet from north and 1,980 feet from east lines of section 17, block 7, University survey.

This project was completed in September of this year as a discovery from the Ellenburgr. The project made 14 barrels of oil and 308 barrels of salt water in a 24-hour potential test from the Ellenburger at 13,275-300 feet.

That zone had been treated with 7,000 gallons of acid.

The production from the Ellenburger declined to practically no oil and operator plugged back to 12,320 feet into the bottom of the Devonion.

The casing was perforated at 12,280-295 feet and that interval was washed with 500 gallons of mud acid. The well kicked off without swabbing after the acid wash and flowed out 324 barrels of oil in nine hours. There was 60 barrels of new oil and 264 barrels of load oil in that recovered fluid.

After that nine hour flow the well was shut-in for 24 hours and was then opened up and it flowed 50 barrels of pipe line oil in four and three-quarter hours through a 12-64th inch choke.

There was no water. Gravity of the oil was 45.2 degrees. Flowing tubing pressure was 1,075 pounds. Casing pressure was 1,150 pounds.

The well is now shut-in while operator prepares to run a full 24-hour test and see if the prospect can be completed as commercial producer and a new discovery from the Devonian.

That test probably will be run before the end of this week.

* * *

Upton County Outposts To Ellenburger Opener

Sunray Oil Corp. has filed applications for permit to drill two outposts to a Southeast Upton County Ellenburger discovery.

Sunray No. 1-B University will be 660 feet from south and east lines of the northwest quarter of section 29, block 3, Unversity survey. It will be about 2,500 feet northwest of Cities Service Oil Co. and Continental Oil Co. No. 1-AH University, the Ellenburger discovery.

Location for No. 2-B University will be 2,700 feet northeast of No. east lines of north half of section 29, block 3, University survey. It will be 2,700 feet northeast of No. 1-AH University.

Both the new tests will be drilled to 11,500 feet with rotary tools beginning in the near future. Drillsites are eight miles east of Rankin.

Cities Service and Continental No. 1-AH University was making a second attempt at a drillstem test of the Ellenburger at 10,806-10,855 feet. Tool plugged on the first attempt.

Oil production was assured from the Spraberry on a drillstem test from 7,125 feet to 7,185 feet and gas-distillate production on the two tests of the Ellenburger between 10,710 feet and 10,805 feet

No. 1-AH University is located 1,980 feet from east and 860 feet from south lines of section 29, block 3, University survey and seven and one-half miles south of the Benedum field.

Downing Street in London, known as a symbol of British government, was named after Sir George Downing, 17th Century diplomat.

Dual Completion Of Wildcat Would Extend Midland County Field

C. W. Murchison and associates are to attempt to complete dually their No. 1 Joe Canon, Southwest Midland County wildcat as a discovery from the Pennsylvanian lime and as a major north extension to the Pegasus-Ellenburger field.

This project is bottomed at 13,185 feet in the Ellenburger. The section at 13,175-185 feet was drillstem tested for two hours and five minutes. The packer for that test set up inside the casing which is cemented at 13,175 feet.

In the test at 13,175-185 feet gas showed at the surface in five minutes and oil started flowing in one hour It was run to pits for five minutes and was then flowed to tanks for one hour and produced 35 barrels of oil. There was no water.

The Ellenburger was topped at 13,122 feet. Elevation is 2,889 feet The zone in the top of the Ellenburger at 13,100-152 ft was drillstem tested for on unreported length of time.

Gas surfaced in 74 minutes and the recovery was 3,690 feet of oil and gas cut drilling mud, 5,500 feet of clean oil and the 2,000-foot water blanket. A considerable amount of that fluid unloaded from the drill pipe while the tester was being pulled.

The Pennsylvanian section at 10,370-578 feet flowed oil during a drillstem test at the rate of 25-30 barrels per hour.

That zone did not show any water.

Operator has perforated the casing at 10,465-530 feet, in the Pennsylvanian, and at 13,110-163 feet in the Ellenburger.

The effort will be made to complete the well from the Pennsylvanian perforations, and also from the perforations at 13,110,163 ft and the open hole at 13,175-185 feet, in the Ellenburger.

Location is 24 miles southwest of the city of Midland. It is 60 feet from south and east lines of section 13, block 41, T&P survey, T-4-S.

That makes it one and three-quarter miles north and one-quarter of a mile east of the nearest completed Ellenburger producer on the north side of the Pegasus field.

* * *

Two Locations Staked East of Tex-Harvey

Tex-Harvey Oil Co. has staked locations for two prospectors in the east side of the Tex-Harvey field of Central-East Midland County.

They are the No. 3-15 Jay H. Floyd and the No. 3-10 Mrs. B. W Floyd.

No. 3-15 Floyd will be dug 660 feet from west and south lines of the southwest quarter of the north east quarter of section 15, block 37, T&P survey, T-3-S and 18 miles southeast of the city of Midland.

Drillsite for the No. 3-10 Floyd is 660 feet from north and west lines of the lease in section 10, block 37, T&P survey, T-3-S.

Both prospectors are contracted for 8,000 feet to test the Spraberry pay of the Tex-Harvey field.

Court Of Awards For Girl Scout Troop

Approximately 40 menbers of the Cotton Blossom Troop of Girl Scouts and their mothers attended a party and court of awards ceremony in the home of Mrs. Floyd Boston, leader, Tuesday.

The girls stood before the dining room table upon which a candle and angel arrangement was placed for the ceremony. The mothers in the living room sat in semi-darkness, the tree lights lending a yuletide atmosphere.

After the court of awards, each scout presented her mother with a cotton blossom book mark she had made. Refreshments of punch, cookies, and candy were served.

Assisting Mrs. Boston with hostess duties were Mrs. Ben Pennington and Mrs. Bob Sides, scout leaders.

Mr. and Mrs. Delbert Randolph, 409 Twenty-ninth Street, except to leave Saturday for Idabel, Okla., to visit with Mr. Randolph's parents, Mr. and Mrs. D. S. Randolph. Mrs. Randolph will go on to Galveston to spend some time with her parents, Mr. and Mrs. W. W. Clarkson.

Fluvanna 84 Club Has Christmas Social At Home of W. F. Mathis

The 84 Club of Fluvanna met for a Yuletide social Tuesday night in the home of Mr. and Mrs. W. F. Mathis.

A covered dish dinner of turkey was served, after which canasta and 42 were played.

Present were Mr. and Mrs. C. F. Landrum, Mr. and Mrs. Albert Smith, Mr. and Mrs. Lee Lavender, Mr. and Mrs. Ed Lemons, Mr. and Mrs. Walton Wills, Mr. and Mrs. Wallace Jones, Mr. and Mrs. R. B. Wills, Mr. and Mrs. Herman Sneed, Mr. and Mrs. Jesse Sims, Mrs. Nellie Smith, Mr. and Mrs. Raymond Daughterty, and Mr. and Mrs. Horace Carmichael.

Stonewall Wildcat

George W. Boyce of Indianapolis, Ind., has staked location in Southwest Stonewall County for his No. 1 J. D. Smith, which is to be drilled as an Ellenburger wildcat.

Drillsite is 660 feet from south and east lines of section 373, block 2, H&TC survey and nine miles southwest of Peacock.

Plugged As Dry Hole

Ashland Oil & Refining Co. No. 1 Tant Lindsey, wildcat in South-Central Martin County 12 miles northwest of Stanton, has been plugged and abandoned as a dry hole.

The prospector drilled to the Spraberry where it failed to develop commercial production and was then plugged back and tested in the Grayburg. When that formation was found to be barren, operator issued orders to plug. Total depth is 7,885 feet.

Location is 330 feet from south and west lines of section 17, block 38, T-1-N, T&P survey.

The Babylonians developed a system of banks as early as 2,000 B. C.

TEXAS ELECTRIC SERVICE COMPANY
J. E. BLAKEY, Manager

Six Locations Spotted In Area of Tex-Harvey Field Extension Well

E. E. Fogelson of Dallas has completed a one-location east extension to the Tex-Harvey field of Central-East Midland County and filed application to start drilling on six prospectors in the same area.

His No. 1-12 Boone, 1,989 feet from north and 668 feet from west lines of section 12, block 37, T-3-S, T&P survey, flowed for 24 hours through a 28-64-inch choke on the completion test.

It made 399.13 barrels of 38 gravity oil and no water. Production is coming from open hole at 7,014-7,086 feet. That interval received a hydrofrac treatment.

A packer was used in the casing, and tubing pressure was 160 pounds Gas-oil ratio was 310 to 1.

Fogelson spotted locations for his No.'s 2-12, 3-12, 4-12, 5-12, 6-12, 7-12, and 8-12 all on the Boone lease.

No. 2 will be 667.9 feet from west and 1,980 feet from south lines of section 12, block 37, T-3-S, T&P survey.

All the other locations are in the same section, block, survey and township.

No. 3 is 1,988.7 feet from south and 2,004 feet from west lines of the section. No. 4 is 1,988.7 feet from south and 2,004.1 feet from west lines of the section.

Fogleson will drill the No. 5-12 Boone 1,988.7 feet from north and 2,004.3 feet from east lines of the section.

No. 6 will be spudded 1,989.3 feet from south and 2,003 feet from east lines of the section. No. 7 is slated to be dug 1,988.7 feet from north and 688.1 feet from east lines of the section and No. 8-12 Boone is to be drilled 662.7 feet from east and 1,989.3 feet from south lines of section 12, block 37, T&P survey, T-3-S.

Plug Andrews Failure

Magnolia Petroleum Co. has plugged and abandoned its No. 1 G. T. Hall, one-quarter-mile south outpost to Garrett M. Smith No. 1 McWhorter-Hall, discovery of the Smith-Clear Fork field of Northwest Andrews County.

The prospector was plugged on a total depth of 7,653 feet. It was drilled 144 feet deeper than the No. 1 McWhorter-Hall without finding possible commercial production.

Location is 660 feet from north and west lines of the southwest quarter of section 8, block AA-29, psl survey.

Ward County Failure Plugged and Abandoned

Shell Oil o. No. 1 Ed wardsnad others, Northwest Ward County exploration about 18 miles southeast of Kermit has been plugged and abaondoned after extensive testing in a Clear Fork section of the Permian.

The project was quit at a plugged back total depth of 5,480 feet.

On tests of the Clear Fork through eprforations at 5,360-5,475 feet, the prospector made some oil, but wsa cut too heavily wit nwater t obe a commercial producer

Location is at the center of the northwest quarter of the southeast quarter of section 4, block B-20, psl survey.

Location is at the center of the northwest quarter fo the southeast quarter of section , block B-20,4 psl survey.

Failure to Produce From Spraberry Zone

J. K. Dobbs and others No. 1 Wilson Bryant, wildcat in Central Midland County, has been marked off as a failure in the Spraberry

Operatro drilled the prospector to a total depth of 8,565 feet in lower Spraberry. That section prov ed to be barren and the hole was plugged back to 7,663 feet wher esome shows of oil developed when that section was drilled.

After extensive testing without developing commercial production operator issued orders to plug the No. 1 Bryant on plugged back total depth.

Location is 662.5 feet from south and 696.1 feet from east lines of the south half of the northwest quarter fo section 24, block 39 T&P survey, T-3-S.

Progress on Avenue S Curb and Gutter Work

Curb and gutter has been completed on Avenue S from the starting point about two blocks north of the courthouse to the intersection with the Post Highway, with the exception of a small strip, W. J. Ramsey city superintendent said.

About one more day's work remains to be done on the curb and gutter where some drive way grading must be done before the curb and gutter can be laid. Completion of the section is expected by Jan 3.

Work on curb and gutter for paving Thirteenth Street between Avenue S and Avenue R for a by pass route has been completed, Ramsey said.

Today In Korea

United Nations troops maintained their deliberately reduced Hungnam port area (A) while planes and a naval armada blasted Red concentrations (bomb blasts) along the coast. In the west ground engagements were fought in the Chunchon and Kaesong areas (B).

Boy Who Lost Family Didn't Know He Had So Many Friends

ALTOONA, Pa., Dec. 21. (AP) — Tommy Ebbert, 11, who lost six of his nearest kinfolk in a fire five weeks ago, says all he wants for Christmas is "a train."

Now he tells folks who visit him in his room at Mercy Hospital, where he is recovering from serious burns: "I never knew I had so many friends."

Since word of Tommy's plight became public mail pours into his hospital room by the sackful.

Packages with "do not open until Christmas" seals come from points as far west as Missouri and Minnesota, as far south as Florida.

Two shelves in his hospital cupboard are jammed with packages from everywhere. He won't know what's in them until Christmas day.

He has his train already. It's a fine electric model with lots of track, the gift of a train-maker.

Also he has scores of letters from over all the eastern United States containing about $100 "to help you buy that train." And he has more than $500 from people in the immediate Altoona area.

Tommy and his father, William, 36, were the only survivors of a fire that destroyed their home at Duncansville and killed his mother, grandmother, brother and three sisters.

Tommy doesn't know the others are dead. His father has decided not to tell him until after Christmas.

Both Tommy and his father are recovering slowly from serious burns.

Hoover States We Must Arm Here At Home

NEW YORK, Dec. 21. (AP) — Former President Herbert Hoover urged the nation last night to concentrate on fortifying the western hemisphere as a "gibraltar."

He called on his fellow-countrymen to "arm to the teeth" to hold the Atlantic and Pacific oceans, with the island outposts of Britain, Japan, Formosa and the Philippines.

Mr. Hoover, speaking on radio and television, said it would be "sheer folly" to engage in land war with Communist hordes in Asia or the continent of Europe.

AIR & NAVY

He urged the United States to "arm our air and naval forces to the teeth" to defend the frontiers he laid out.

Mr. Hoover said the Communists could never break through American sea and air power to invade the western hemisphere. "They can no more reach Washington in force than we can reach Moscow," he declared.

At another point, he expressed the opinion that the atomic bomb is "a far less dominant weapon than it was once thought to be."

The only living ex-President, making one of the most important addresses of his long public career, said "it is clear that the United Nations are defeated in Korea."

MORE KOREA

It would be "inviting another Korea," he declared, to send more troops or money to western European nations before they had armed themselves as a "sure dam against the Red flood."

Defense of western continental Europe rests primarily on the European nations themselves, the 76-year-old former chief executive told his audience across the nation.

Mr. Hoover said western European nations should arm themselves with combat divisions of "huge numbers" before the United States lands "another man or another dollar on their shores."

Japanese Paroles

TOKYO, Dec. 21. (AP)—Nine more Japanese war criminals have been ordered paroled by Dec. 29, occupation authorities announced today. This will bring to 172 the number paroled, sponsored by allied occupation authorities.

Wheat Crop Up For Next Year

WASHINGTON, Dec. 21. (AP)—The Department of Agriculture estimates that Texas will harvest 57,744,000 bushels of wheat next summer—more than twice the amount salvaged in 1950's bad production year.

An official forecast came from the department yesterday. Texas has 6,416,000 acres of wheat in the ground. Whether those acres produce according to expectations depends heavily on the weather.

There hasn't been such a good start this fall, when wheat should be sending down roots and getting ready for spring growth, it has suffered from drouth and severe freezes.

If Texas does harvest 57,744,000 bushels next year it will be only about half the extraordinary bumper crops of 1947 and 1949. It will just about equal 1948's crop.

The forecast nationally is a 1951 winter wheat crop of 899,096,000 bushels. Added to that would be a spring wheat crop—not yet planted—to make a goal of 1,150,000,000 bushels.

PERSONALS

Bernard Longbotham, Jr., 2112 Thirtieth Street, accepted employment last week with Pan American Production Co., Lamesa highway, as a pumper.

Mr. and Mrs. Wade Pipkin, Highland Park, expect Mrs. Pipkin's mother from Oklahoma with them over the Christmas and New Years holidays.

Donald Parker, a floor man for Bethlehem Supply Co., will leave this week for Harrison, Ark., where he will visit his wife and family.

Mr. and Mrs. Ralph Flahie and son, Bethlehem Supply Co., have left for Seminole, Okla., where they will visit relatives.

Dickens County Failure

National Associated Oil Co. No. 1 Edith Blackwell, wildcat in North-Central Dickens County two miles northwest of Dickens, has been plugged and abandoned as a failure.

The prospector was quit on a total depth of 8,388 feet in an unidentified formation.

Location of the abandoned hole is 660 feet from north and east lines of section 5, block , C. W. Connellee survey.

Runnels Wildcat Set

J. K. Dorrance is to drill a 5,000-foot rotary wildcat in extreme Southwest Runnels County 330 feet east of the city limits of Miles.

It will be drilled as the No. 1 R. E. Coleman, 330 feet from south and 1,717 feet from west lines of section 85, T&NO survey.

Drillsite will be 5,800 feet east and 1,350 feet south of Miles Production Co. of Houston No. 1 City of Miles, which was plugged and abandoned in August of 5,113 feet in the Ellenburger.

South Fisher Location

In extreme Southwest Fisher County, Stanolind Oil & Gas Co. spotted location for its No. 1 M. A. Glass.

The prospector will be drilled 660 ft. from south and west lines of the northeast quarter of section 246, block 3, H&TC survey.

Contracted destination for the exploration is 7,500 feet.

The 13 original states of the U. S., constituted in 1790, had an area of 892,135 square miles.

Corpus Wreck Is Fatal

Walter L. Greer, 45, and Everett Bridges, 53, both of Corpus Christi, were killed late last night when the car in which htey were riding wrapped around a utility pole near here. The car went out of control while passing another automobile.

The ancient seven hills of Rome are all on the east side of the Tibet River.

Promoted By Texaco

Herbert E. Schnur has been promoted to assistant comptroller of the Texas Co., it was announced today by J. S. Leach, Executive vice-president.

Schnur has spent his entire business career with Texaco, starting in 1930, as an accountant at the Houston office. As a traveling auditor, he travelled extensively in the United State and abroad.

In 1942, he entered the army as a private and was discharged in 1946 with the rank of captian.

He won the Legion of Merit for work in connection with enemy oil intelligence. He returned to company service in 1946 as a special auditor in the New York office. His new headquarters will be in Houston.

Queen Mother Dies

AMMAN, Hqashemite Jordan, Dec. 21. (AP) — Queen Mother Aliyah of Iraq died in Baghdad today, it was announced here. She had been ill for some time.

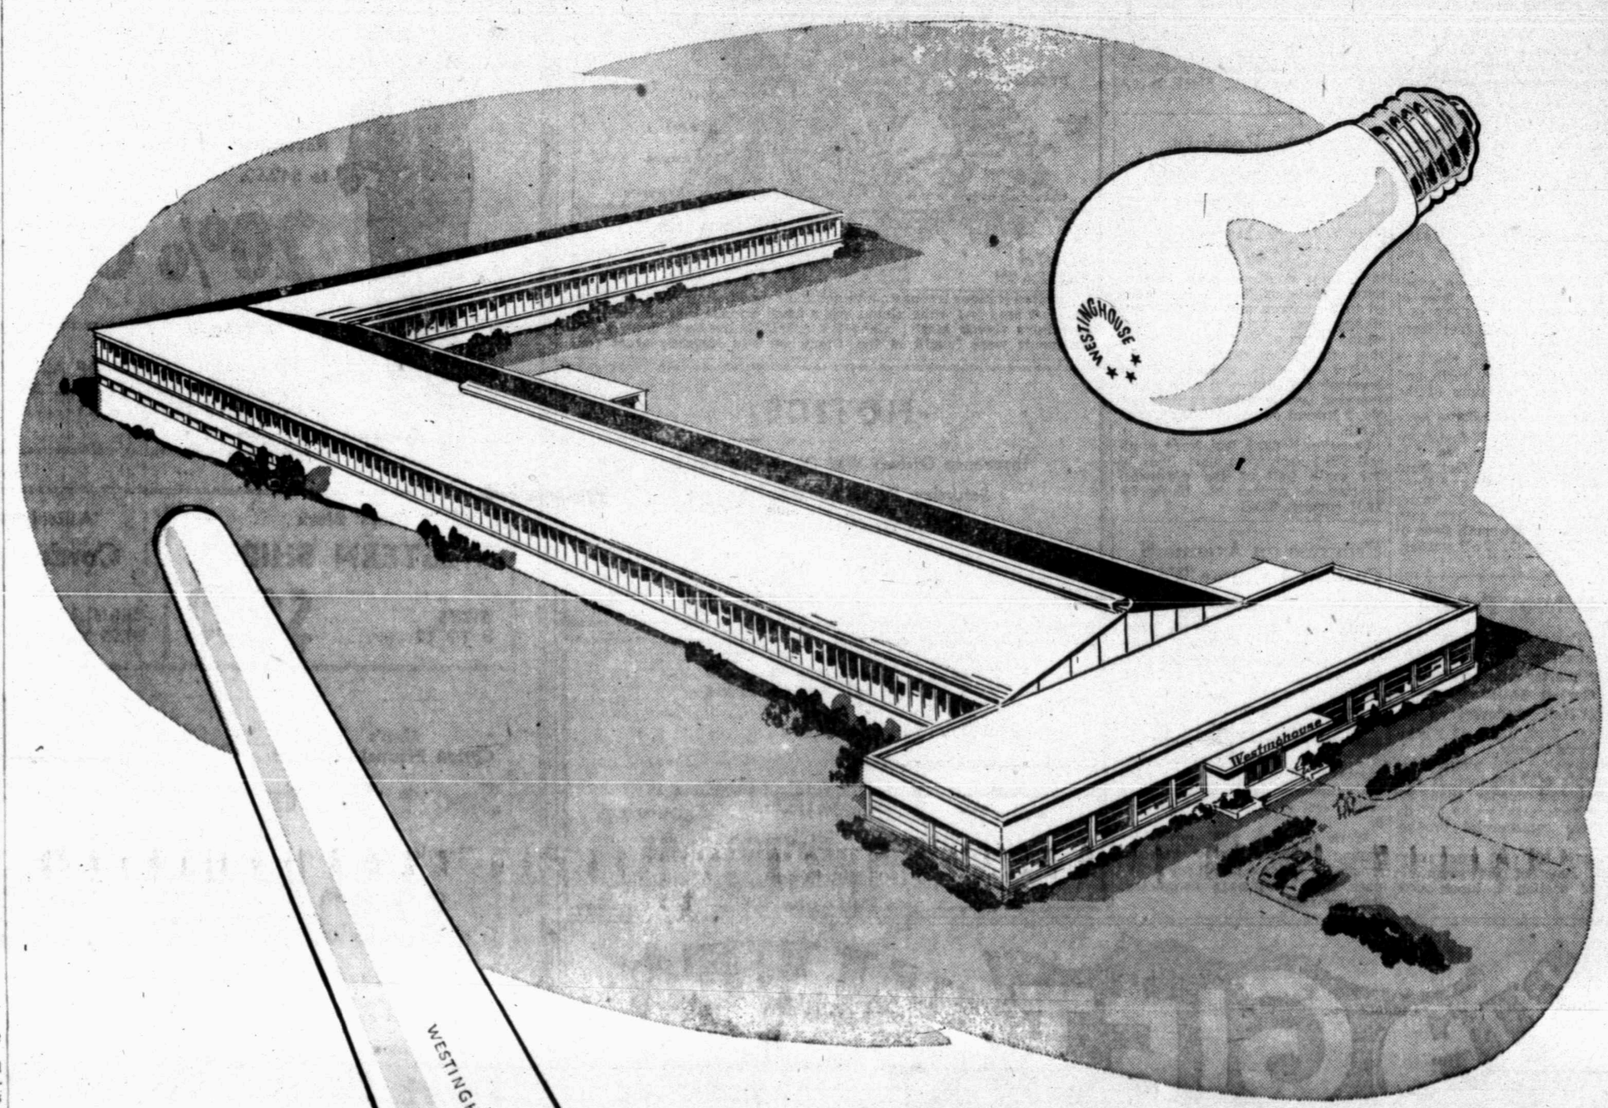

Injured At Plant Here

Fred Garland Easley, an employee of the Chicago Bridge and Iron Works, was injured about 10:30 this morning when he fell from a scaffold at the Snyder Gasoline Plant.

He was working on a tank being built there by his firm at the time of the accident.

Easley's injuries were not serious, consisting of only bruises, Snyder Hospital attendants said.

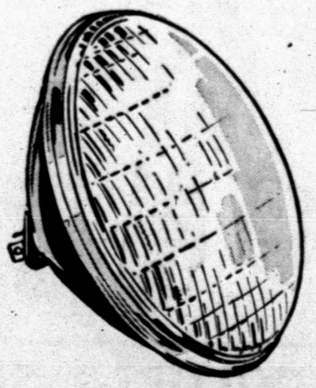

A Bolger-Barnes ambulance took him to the hospital.

Westinghouse
LAMP DIVISION

COMES TO TEXAS

The Westinghouse Lamp Division is pleased and proud to come to Texas.

Westinghouse Electric Corporation will build a Lamp Division Plant in Paris, Texas, 100 miles N. E. of Dallas. It will be the first Westinghouse plant in Texas to make *consumer* goods.

Early in 1951, the Westinghouse Lamp Division (which makes light bulbs in 10,000 different types and sizes) will begin construction of the new 75,000 square foot, L-shaped factory. The plant will employ between 400 and 500 people, nearly all of them from Paris and nearby areas, where live the kind of people we like to have working for Westinghouse.

The lamp factory, on a 19½ acre site, will be the ninth Westinghouse lamp plant. The location was chosen because of the availability of electric power and natural gas (which are necessary for plant operation) and, of course, because of a recognition of the unparalleled growth and tremendous importance of the Southwestern market. Moreover, transportation is ideal; the building will lie between the main line of the Texas & Pacific Railroad and U. S. Highway 271.

Already in Texas are Westinghouse Manufacturing and Repair Shops in Houston and Fort Worth; and Sales, Engineering, and Service Departments in Dallas, El Paso, Houston, Beaumont, Amarillo, Corpus Christi, Fort Worth, Lubbock, and San Antonio. All of these serve Texas.

We're happy to be here—Westinghouse Lamp Division, Bloomfield, N. J.

YOU CAN BE SURE...IF IT'S Westinghouse

Snyder A Loses 35-21 To Big Spring; B Team Wins 31 to 24

By LEE WATSON
A member of the News Staff

Snyder won one and lost one basketball game last night to Big Spring here.

The B team kept their record good by defeating the Big Spring B boys 31-24, the A team sustained their losing streak by a score of 35-21.

In the fast paced B game the local boys took an early lead and continued to spread the lead wider as the game progressed. Spurred on by the dead eye of Sophomore Joe Cargile, who hit the basket from every angle, the B Tigers managed to outshine their opponents in every department.

SLOW START

The A game got off to a slow start. Big Spring led at the end of the first quarter 4-1. Most outstanding good playing of the game was probably done by 240-pound W. G. Birt for the Tigers.

Birt, a towering youth that is built more like a pile-driver than a basketball player, has shown great improvement under the tutlage of Coach Ernest Kinney this season. He probably saved the day for the A Tigers in the early moments of the game by coming off the backboard with the ball every time Big Spring missed a shot.

At least he kept the margin narrow in the early moments. Later in the game the Big Springs boys proved that when a ball missed the basket the first time, it had many more tip-in tries before changing hands.

A running commentary is hard to write about the A game, because the mind keeps returning to the better ball playing in the B game.

TEAMS COMPARED

The B team boys go into the game relaxed. Their first pass is good, their second pass is good, and by that time they are almost under their goal. No matter who has the ball it is almost a cinch for two points when he turns it loose for the basket.

Not so the A team. They go into the game rattled and play rattled ball until about the middle of the second quarter. By that time they have fluffed most all their passes, and lost the ball every time they got it. Also by that time the other team has a substantial lead.

When the A boys finally relax and start watching where they throw the ball, they are playing against the handicap of being many points behind.

In last night's game the A boys managed to settle down and catch up with Big Spring early in the second half. Coffee made the tying points just after the opening whistle, but Big Spring came back with two quick points followed swiftly by seesaw scoring that gave them a 22-15 lead at the end of the third quarter.

In the last half they spread their lead by dominating ownership of the ball and not shooting until in the open. When they missed a shot in the last half at least two Big Spring boys were under the goal and gently tipped the rebounding ball through the hoop. At the end of the game they led 14 points by a score of 35-21.

Both Birt and Coffee fouled off late in the closing quarter, but the final result would likely have been the same if they had stayed on the court.

COACH-REFEREE

An interesting twist in the A game was a technical foul called against the Big Spring team because their Coach, Larry McCullough, loudly questioned a decision of referee Dick Stovall of Abilene.

Coffee was high pointer for the tigers with 11. Big Spring had two boys who out-pointed him. Bobby Maines had 15, and Charles Warren had 12 points for Big Spring.

Buddy Parker Coaching The Detroit Lions

By WILBUR MARTIN
(Associated Press Staff)

KEMP, Tex., Dec. 21. — Raymond (Buddy) Parker is the new head coach of the Detroit Lions professional football team and "tickled to death" he's got the job.

The 37-year-old veteran of 15 years of pro football didn't have one last winter when he went to the National League convention and caught on with the Lions as backfield coach.

Yesterday he was named head coach after Alvin 'Bo' McMillin, another Texan, resigned with two years to go on a five year contract.

This will be Parker's second job of bossing a National Pro League team. He was head man of the Chicago Cardinals in 1949, but quit after that season when the club won only five games, lost six and tied one.

"Everybody wants to be a head coach," said Parker in justification of his elation of getting the Lions job on a one year appointment.

Parker, who played football with North Texas Agricultural College and Centenary, broke into the pro ranks with Detroit in 1935. That was the year the Lions won the title—the only time. He was traded to Chicago in 1937 and stayed with that club for 13 years as a top back and coach.

California Coach Out Under Alumni Pressure

LOS ANGELES, Dec. 21. (AP)—The headache season sets in today for the man required to nominate a successor to Jeff Cravath, University of Southern California football coach who resigned yesterday under alumni pressure.

A day after Cravath bowed out, the list of possibilities for consideration of Trojan Athletic Director Willis O. Hunter is getting longer with each edition of the sports pages.

His nine-year regime, a record of 54 wins, 28 losses and eight ties. The team won two, tied two and lost five this season. The 9-7 victory over Notre Dame, traditional foe, wasn't enough to save Cravath's scalp.

Only One Coach Left

PHILADELPHIA, (AP) — Only one Basketball Association coach, Eddie Gottlieb of the Philadelphia Warriors, has remained with the same team during the five years the league has been in operation. Arnold Auerbach of Boston Celtics has been with the league since its inception, but is with his third team, having coached the Washington Capitols and the Tri-Cities Blackhawks before his current assignment.

Canada's first steam railway began operation in 1836 from LaPrairie to St. Johns, Que.

Guardsmen In Training For Friday Tilt

Members of the Snyder National Gaurd Unit will pit their football prowess against a team composed of members of the Guard unit of Colorado City in a game to be played at 7:30 Friday night in the high school stadium there.

A squad of twenty-one men have practiced the last two Sundays in preparation for the tilt. All of the men probably will see some action during the game.

No handicap is offered on either team, but Snyder fans will see their boys playing on an "enemy" field which is a handicap in itself.

The gate will be equally divided between the teams Snyder's share of the gate receipts will go to help pay the debt of the Youth Center. Colorado City's half of the proceeds will go to the Boy's Ranch at Abilene. The dormitory at the Boy's Ranch recently burned and funds are being assembled to rebuild it.

Doors of the new Youth Center here will not be opened until the building is paid for according to a decision of the Center's board of directors.

The Friday night game offers considerable excitement, because the men on both teams are not gridiron hardened. They are mostly men who have been working for a living at jobs that are characterized by fewer knocks and bruises than football.

Admission to the game is 75 cents for adults, and 50 cents for students.

Tickets are on sale by members of the National Guard here and at the Ben Franklin store operated by Weldon Kincaid, National Guard commander.

Hardin-Simmons Star To Captain South's Squad On Christmas

By GENE PLOWDEN
(Associated Press Staff)

MIAMI, Fla., Dec. 21. — Quarterback John (Model T - Ford of Hardin-Simmons) will captain the South's team on offense in the Shrine's annual North-South football game Christmas night in the Orange Bowl.

Bob Bossons, Georgia Tech center, was named captain of the defense team for the Rebel squad.

Workouts for the South squad were cut to one daily. Coaches Andy Gustafson of Miami and Bobby Dodd of Georgia Tech had sent the boys through two practice sessions daily since Sunday in preparation for their Monday night date with the North team.

Bob Momsen, Ohio State guard, and John Miller, Northwestern halfback, were elected co-captains of the North squad.

Yale Coach Herman Hickman sent his 27-man squad through a 90-minute drill yesterday and came out with special praise for Tackles Walter Clemmons of Yale and Ken Huxhold of Wisconsin.

1933 Was Worse

SOUTH BEND, Ind. (AP) — Only one Notre Dame footbal team ever fared worse than the 1950 edition The 1933 grid Irish dropped five games, compared with the four losses and a tie in nine contests for the recent eleven. In 1905 and 1928, Notre Dame lost four times but there were no ties recorded

That's My Big Brother

Little Bobby Olszewski, who's 18 months old and likes to tell the neighborhood kids about his big brother, visits his brother, fullback Johnny Olszewski of the California Bears as the club worked out at San Bernardino, Calif., for the Rose Bowl game with Michigan. Olszewski a sophomore, was one of the leading ground gainers in the Coast Conference.

Close Games In Schoolboy Tilts

(Associated Press Staff)

You couldn't ask for closer games than expected in Texas schoolboy football this week-end.

If they go according to the oddsmakers' estimates, Kermit will beat Wharton for the Class A state championship at Sweetwater Monday by seven points while in the Class AA semi-finals Saturday Baytown will defeat Austin by six and Highland Park (Dallas) and Wichita Falls will battle evenly.

Wichita Falls and Highland Park play at Dallas while Baytown and Austin get together at Houston.

Odds favoring Baytown over Austin came with news that Austin would play without its top ball-carrier and safety man, Delano Womack. Womack is out with broken bones in his foot. He suffered the injury in the game with Harlingen last week.

Highland Park also has a good man out of action—Deaner Woodruff, regular halfback and punter—but will have several regulars who missed last week's game with Breckenridge back ready to play against Wichita Falls.

Wichita Falls and Baytown have injury lists but none of the regulars are likely to miss play this week-end. Mostly they were the bumps and bruises kind.

Kermit is the only undefeated, untied team left in schoolboy football but Wharton is unbeaten although once tied.

Late Starter Makes Basketball Star

EAST LANSING, Mich (AP)—John Benington, Michigan State's assistant basketball coach, was captain and star of the 1948-49 National Invitational champion University of San Francisco team, despite the fact he never played high school basketball. He was assigned to the university while in military service and started playing the game there.

Snyder Woman's Kin Killed in Train-Truck Collision Yesterday

A train-truck crash in Post yesterday claimed two lives.

Killed almost instantly was Donald Howell, 20, who lived 10 miles east of Post. Lindall Davis, 16, also a resident of the Post area, died later at Lubbock Memorial Hospital.

Investigating highway patroimen were told that the truck came off the Ralls-Post road about 100 yards east of the Santa Fe crossing. They turned the truck toward Post and started over the tracks traveling about 15 miles an hour, failing to stop for the approaching freight train.

It has not been determined which of the men was driving. Both were removed from the left side of the vehicle.

Davis was the son of Mr. and Mrs. Raymond Davis, and a relative of Mrs. Oscar Davis and Miss Ruth Davis, 1406 Twenty-first Street.

Howell was taken to the Mason Funeral Home in Post. Funeral arrangements had not been completed for either at last reports.

These two deaths raised the South Plains highway death toll to 110, three above the all-time record.

Named For Admiral

MIAMI. (AP) — A War Admiral colt, not at Hialeah, has been named "Bull Halsey," after the hard-bitten naval officer. The horse, which will make its first start early in 1951, is out of the mare Gallawood and was purchased for $22,000 by Lawrence Lewis at the Keeneland Sales last summer. The name was selected following correspondence with the fighting admiral.

To fry unbianched aimonds heat the cooking oil in deep fat to 325 to 350 D., then add almonds and cook four to five minutes. Spread the nuts on a paper towel to cool and drain, but sprinkle them with salt while they're still hot.

Propose Law On Rural Road Speed Limits

The regulation of motor traffic and parking on county roads may go into the hands of county sheriffs in Texas next year if the legislature passes an act proposed to be presented them by Bill Decker Dallas County sheriff.

Little thought of by a number of officers in Scurry County, the proposal has the primary purposes of imposing speed limits in zones near the limits of cities and regulating the parking of vehicles on roads and streets near large cities but outside their limits.

"To pass such an act for the entire state would probably cause too much confusion for motorists and officers alike," Lloyd Merritt, Scurry County sheriff, said, "since each sheriff may have a different idea about the proper speed in his county."

It is believed also that Decker's proposal might be designed as a solution to his traffic problems in West Dallas, which is outside but adjacent to the city limits of Dallas.

If this is the case, Merritt believes, an emergency provision for that area would be more desirable than passing an act for the entire state.

One of Decker's proposals is an authorization for sheriffs to post speed limits on highways and county roads leading into the larger cities. This is already being done by both city governments and the state highway department. The highway department in many places has lowered the limit near cities, and many cities have allowed higher speed limits inside their cities but near the city limits.

Hale County Wildcat On Robertson Estate

Ray A. Albaugh of Midland has filed an application to start drilling by Dec. 26 on his No. 1 C. A. Robertson estate, which i sslated to be a 6,750-foot wildcat in Central-Southeast Hale County, about 12

Location show on the application for this prospector is to be 330 feet from north and 2,310 feet frm EL&RR survey.

Tht makes it 660 feet due suth of Albaugh's No. 1 Mrs. Clara Hormell, 'tight" wildcat which is reported by unoficial and unverified sources to have had good shows of possible production in the mian and in the Cisco series of the upper Pennsylvanian.

No information is currently available regarding the status of Albaugh's No. 1 Hormel. Albaugh has been contacted for information on that project and he would make n ostatement regarding the correctness of the rumors.

It has been learned that Guy Mabee Drilling Co. of Midland contractor on the No. 1 Hormall has taken a contract to dril Albaugh's No. 1 Robertson estate.

Held For Misdemeanor

A 22-year-old Negro man was being held in the Snyder jail today on a misdemeanor charge of tampering with a motor vehicle, Ed Bassinger, assistant police chief, said.

Franklin Willis was arrested on complaint of the owner of a truck, Roberson Plumbing Co., of Snyder. No charge of auto theft was made by the complainant, Bassinger said, but the truck was taken without the owner's concent.

To make a thin white sauce for a cream soup use a tablespoon of butter or margarine and two teaspoons of corn starch to a cup of milk. Season with a half teaspoon of salt and one-eighth teaspoon of white pepper.

City Council To Meet

A special meeting of the City Council is set for tomorrow night in the city hall to open bids on construction of the new addition to the city hall and for an auxiliary fire station, W. J. Ramsey, city superintendent, said.

The jail and police station will be built on the lot just west of the city hall and adjoining it. An expansion of the main fire station to accommodate another truck it provided in the plans.

Site for the new fire sub station has not been definitely selected, but it will be located somewhere in Southast Snyder.

Various methods of handling chop sticks have been developed into a code of signaling.

Norway produces 46,000,000 matches daily, about 75 per cent used for domestic consumption.

RFC Loan Manager Resigns Position

DALLAS, Dec. 20. (AP) — L. B. Glidden, Reconstruction Finance Corp. loan manager for Dallas, announced his resignation last night and promised to explain his action today.

RFC spokesmen in Washington said yesterday that Glidden would be transferred to Houston Jan. 1. The Dallas News Washington bureau said the RFC board had ordered Glidden and Charles L. South, Houston loan manager, to change positions.

New Daniel Baker President Is Named

BROWNWOOD, Dec. 20. (AP)—Effective at the end of the 1950 fall semester in January the Rev. Wilford O. Cross wil succeed the Rev. Richard A. Hayes as president of Daniel Baker College.

Hayes announced his resignation yesterday and the appointment of Cross as president protempore.

The site of Cincinnati, Ohio, was once a center of the mound builder civilization.

International Forces In Korea Are Finding Much In Common

By WILLIAM BARNARD
(Associated Press Staff)

A KOREAN TOWN ON THE ROAD TO THE FRONT, Dec 21. — This is an international town where fighting men of many nations live in harmony.

It is a center of United Nations forces. Walk down a winding, ice-coated street and you're likely to find two or three nationalities to the block. The French are here, the Dutch, the British. Here are Siamese; Greeks skilled in guerrilla warfare, Americans, and quite a few Turks.

Capt. Cornelius Marion of the Netherlands forces, a 205-pounder, 6 feet 2 inches tall, a blue eyed man of 37, said:

"These men of the Netherlands unit are all volunteers and they are tough. Some are here for adventure, others are men who say 'What is Holland? I want to see the world.' But most are here because they are bitterly against communism.

REASONS

"I have three children and another is on the way. I remember 1935 and Hitler and how we waited until he came. I do not intend to wait for Joseph Stalin. It is better to die on the field than in the doorway of your home."

Capt. Alfred van Meurs, a physician with the Netherlands forces and formerly of Jakarta (Batavia), Java, said: "It is splendid how well men of so many varied nationalities get along on this crowded place.

"Our men play soccer with the British, the American dentist pulls teeth and the British dentist fills them, and our men are delighted with American rations.

"Our own soldiers don't eat half as well at home. The amount of meat and canned fruit is amazing. These C rations would be a luxury in Holland."

FRENCH HOSPITALITY

Visit the French contingent and you find plenty of hospitality from Lt. Col. Ralph Monclar, commanding.

He apologizes that he has no special food to offer his guests but C rations served with ceremony. He personally ladles chicken soup into tin plates for officers and guests. He often peers around the sputtering lamp, urging further helping of luncheon meat and coffee and corned beef. His officers call him general, for the 58-year-old Monclar is a lieutenant general of the French army who took a temporary demotion to serve in Korea. "Why did I volunteer?" he asks:

"The United Nations is the hope of all humanity. When I die my son will be able to say his father was a member of the first United Nations army."

General Motors' Stand Assures Mandatory Price Controls Soon

By SAM DAWSON
(Associated Press Staff)

NEW YORK, Dec. 20.—General Motors' fight against a price rollback for cars is probably just a curtain-raiser. Other squabbles seem sure to succeed each other endlessly as the government tries out voluntary controls first, and then piecemeal mandatory controls of prices and wages, industry by industry.

All oil refiners may be next the government warns as it bears down on West Coast producers.

But General Motors' stand—if it couldn't sell its cars at prices it calls reasonable, it wouldn't sell them at all—makes a thriller out of the curtain-raiser. This is especially so since GM is standing alone in this, although the rest of the auto industry has no love for the price rollback either.

INDUSTRY CONFIDENT

The giant motor company apparently is so confident of its sales position in the highly competitive auto market, that it doesn't mind getting out for a time while the Economic Stabilization Agency reviews the company's argument that rising material and labor costs justify the price hike it made on 1951 models.

Also GM apparently is so confident of the continuing demand for cars that it believes it can sell, later on, as many units as it can find the raw materials to make. Scattered reports from around the country that used car prices have risen this week would seem to bear this out. And GM doubtless expects that should it hold its prices down, the gray market would return, with the new cars it sells at list price quickly moving into a premium "new-used" market.

President Truman says auto prices will go back to where ESA says they shall go. Congress has given the President power to decree this. But there is another question which GM's stand brings up: The government has the right to direct production for defense, but apparently General Motors at least thinks the government hasn't the power to force any company to operate in the civilian market against its will—hence GM's counter-freeze on car sales.

ANALOGY CITED

Some even see an analogy here to the government's getting a court order against a labor union as such, without being able to force an individual union member to work against his will.

The auto company also is apparently confident of the support of its workers in its stand that higher prices are justified—although in the past auto labor leaders have insisted that pay boosts could be met out of company earnings without raising prices.

Union support for General Motors' stand, however, is tied to the five-year contract by which wages go up automatically by four cents an hour each year and also rise with the cost of living. Labor fears that a wage-price freeze would nullify these escalator deals.

2nd Appeal To China From UN

LAKE SUCCESS, Dec. 21. (AP)—The United Nations has told the Chinese Communists chances for talks on a general far eastern settlement—desired by the Reds—would be improved if Peiping heeded UN calls for a cease fire in Korea.

In a second direct appeal to the Communist government, the three-man UN cease fire committee said a pending Asian-Arab proposal for such negotiations would receive greater UN consideration if the Korean fighting was halted.

The second message, sent to Peiping Tuesday night, gave no promise that the far eastern talks would follow a cease fire. The United States strongly opposes linking the Korean fighting with such other Asian problems as Red China's demands for Formosa and for a seat in the United Nations.

Unless the Peiping position changes, the cease fire committee is expected to report after New Year's Day that it cannot halt the Korean fighting.

Truman's Message To Troops Holds Hope

WASHINGTON, Dec. 21. (AP)—President Truman's holiday message to members of the armed forces says their mission "is to strengthen and to give hope to all who seek peace on earth."

The brief message, released last night, concludes:

"May the real spirit of Christmas abide with you, and may all of us, in concert with all free peoples come nearer in the New Year to realizing man's ultimate dream of liberty, justice and freedom."

Add a litle chopped pimiento to turkey or chicken croquettes for a flavor change. Or make the croquettes by a standard recipe and add the pimiento to a cream sauce to be served with them.

Tito Warns Yugoslav Sports Writers To Be Impartial In Reporting

BELGRADE, Yugoslavia (AP)—Marshal Tito's newspaper has sharply instructed Yugoslav sports writers to be fair and objective and not to emulate "Russian writers who juggle statistics to make it appear that Soviet athletes are the world's best in every field."

In a two-column lecture to sports writers, the newspaper accused them of displaying partiality for the home team.

"Too often," said the paper, "when our teams meet foreigners, our sports reporters exaggerate our successes and hush up our defeats. This is a dangerous tendency which leads to nationalism.

"We know that statistics can always be rigged to prove almost everything. That's what the Soviets do. By using special point systems they try to make it appear that their athletes are the best in the world. We should avoid this by all means."

Since Tito's break with the Cominform, Yugoslav sports teams have been boycotted by the Russians and surrounding Soviet satellite nations.

Rat Bites Policeman

DETROIT, Dec. 21. (AP)—Policeman Frank Sargent 34, laid his mitten on the ground last night while writing a ticket for illegal parking.

When he put it back on, something bit him. A rat had crawled inside.

Oil News

(Continued from Page 1)

southwest quarter of the northwest quarter of section 5, block 25, H&TC survey, this new field opener reported a calculated 24-hour potential of 2,46.60 barrels of 46 gravity oil plus one per cent water.

The flow was through a 9-64th inch tubing choke. Flowing tubing pressure was 1,500 pounds, gas-oil ratio was 1,500-1.

The 24-hour potential was based on an actual 22-hour flow of 226.05 barrels of oil plus the one per cent water.

The project drilled to a total depth of 8,453 feet in barren Mississippian lime. After that zone proved dry, the project was plugged back to 7,880 feet in the Pennsylvanian.

Casing was set at that point and it was perforated at 7,698-7,703 feet for the completion test.

That interval had been washed with 250 gallons of acid.

Some geologists called the pay at 7,698-7,703 feet lower Canyon. Others make it in Strawn.

MIDLAND COUNTY

Magnolia Petroleum Co. is to start operations at once on its No. 1 Sam R. Preston, which is contracted to drill to 13,000 feet to explore into the Ellenburger in Southeast Midland County.

Location is 660 feet from west and 1,980 feet from north lines of section 41, block 37, T&P survey, T-4-S. That makes it 22 miles south east of the city of Midland.

ABANDONED

Shell Oil Co. No. 1-B O'Daniel, Northeast Howard County test, has been plugged and abandoned on total depth of 8,068 feet in Pennsylvanian lime and shale.

It was 45 feet low to the Shell No. 1-A O'Daniel, recently completed Pennsylvanian discovery in Northeast Howard. The No. 1-A O'Daniel had only 40 feet of lime pay. The No. 1-B O'Daniel did not find any pay in the Pennsylvanian.

The location was 1,997 feet from west and 550 feet from north lines of section 11, block 30, T-1-N, T&P survey, and 10 miles northeast of Coahoma.

BURDELL WELL

Burdell Oil Co. No. 4 Sowell, now drilling ahead below 3,048 feet in shale and anhydrite. Contracted depth of the well is 5,500 feet.

PERSONALS

T. H. Sandos, superintendent of Pan American Production Co., left this week on his vacation to visit his parents in Opelousas, La. In his absence from the firm, R. M. Wimple is performing the duties of acting superintendent.

Bill Alexander, Betheham Supply Co., will spend Christmas with his parents in Ohio. Henry Wilson, a clerk with the same firm, is in Houston for the week end.

Mr. and Mrs. Jake Springer are going to Breckenridge to spend the Christmas holidays with relatives.

Mr. and Mrs. Bob Bickerstaff, 3200 Avenue T, expect Mr. Bickerstaff's parents, Mr. and Mrs. W. C. Bickerstaff of Sweetwater, for the holidays. Also joining the family group will be Mr. Bickerstaff's sister and family, Mr. and Mrs. Gifford Sims, also of Sweetwater.

Mr. and Mrs. L. A. Tibbets, Peach Street, are entertaining in their home over the holidays Mr. Tibbets' mother, Mrs. L. A. Tibbets, Sr., of Cleveland, his sister and family, Mr. and Mrs. W. F. Boggs, Weed, Calif., and his sister-in-law, Mrs. Aubry Green, and three children of Los Angeles.

Mr. and Mrs. Guy Wells, 3119 Avenue T, will leave Saturday for Pauls Valley, Okla., where they will spend Christmas with their son and family, Mr. and Mrs. Joe Wells, and will be joined by another son, Don Wells.

Mr. and Mrs. Cecil Hall and children will leave their home in Highland Park for a Christmas trip to Oklahoma City.

Bulgaria Reported To Be In Crop Distress

BELGRADE, Dec. 21. (AP) — The Yugoslav press reported today that Bulgaria is in distress because of crop failures and is getting no help from Russia or its other Cominform allies.

Private reports to Yugoslavs with relatives living in Bulgaria also have reported food shortages there. Diplomatic reports here have expressed doubt that Rumania or Hungary could help because they also suffered drouth damage.

Crash Victim Removed To Baylor Hospital

Robert Dean Tixier of Levelland, Tex., severely injured in a car-train crash her Friday night has been transferred to the Baylor Hospital in Dallas where he will be put under the care of a brain specialist.

He was moved from Snyder Hospital yesterday afternoon by a Bolger-Barnes ambulance, after his condition seemed to grow worse.

Six Cases Settled In District Court Today

Six non-jury cases were disposed of in district court this morning including three divorce suits, a trespass to try title suit, a petition to remove the legal disabilities of a minor, and an adoption.

Divorces were granted in the following cases: George Kelley vs. Mary Ellen Kelley; Richard Cline vs. Ellen Cline; and Christine Barnett vs. N. R. Barnett.

A decree was entered removing the legal disabilities of Frank B. Weast, 19, son of A. L. Weast.

Judgment was rendered in favor of the plaintiff in the case of Mrs. Roxy Hartman vs. W. P. Merrell, et al, a suit for the title of a lot in the Cody Heights addition.

A. S. Mauzey, of Sweetwater, district judge presiding, said today was the last day of court here this session. The next session will begin March 19, the judge said, and will be a three-weeks term due to the date for beginning the session in Borden County April 9.

Dates for beginning district court sessions are set by law, Judge Mauzey said.

Cause Of Fire Is Determined

A spark caused by the hitting together of a metal trowel and some cement started the fire that destroyed two partly completed apartment houses and gutted a third in the Parkway Second addition in northeast Snyder Tuesday night, Norman Autrey, fire chief, said.

Workmen were working on the floor of one of the buildings when the fire started. It spread so quickly that one workman was almost trapped on the second floor of the building before he could get out, Autrey said.

The workmen were putting down an asphalt tile floor and were using hot asphalt to stick it down with. One of the men was leveling the hot asphalt with a metal trowel on a concrete portion of the floor. His trowel struck the concrete causing a spark which ignited the hot asphalt, Autrey said.

The entire floor of the room burst into flames immediately and could not be contained by the workmen.

The fire destroyed two partly finished four - unit apartment houses, and gutted a third. The apartment buildings were part of the apartment addition being built by the Waymar-Snyder Corporation of Houston. Each of the buildings were being built under permits for $20,000 issued by the city.

Some confusion was caused by over enthusiastic onlookers at the fire, Autrey said. A conjestion of onlookers are just one of the things to be expected at all fires, but they should stay out of the area in which firemen have to move hose, trucks, and equipment and permit the firemen to fight the blaze with greater efficency, Autrey said.

At the Tuesday night fire a number of cars and bystanders moved into the area around the fire zone causing some difficulty in getting hose strung from fire plugs to the burning buildings, he said.

The fire should not affect fire insurance rates in Snyder next year, he said.

Reactivation of Big Spring Air Base Is Discussed in Senate

Funds for the reactivation of the Big Spring Air Force Base are contained in the new military appropriations bill now before the Senate.

A message signed jointly by Sen. Lyndon Johnson and Rep. George Mahon yesterday notified the Big Spring Chamber of Commerce and city authorities of the appropriation. Final arrangements will depend upon negotiations between the city and the Air Forces. It is presumed that the site would be used as a bombardier school again.

Low of 25 Degrees

Partly cloudy skies and a sudden sharpness in the air discouraged the temperature making any sudden moves yesterday and kept the maximum reading to 47 degrees. Following the previous warmer days, the change was noticeable.

A minimum reading which slipped down to 25 degrees was recorded by Mrs. D. P. Strayhorn, weather observer.

Contracts For School Expansion In Lamesa

Contracts for a new elementary building and a new cafeteria for the present elementary and junior high school in Lamesa are expected to be given sometime in February, school officials there have announced.

Plans for the 24-room elementary building have been drafted by architects, who are to start work immediately on the cafeteria plans. Construction of the units are authorized by the passage of a $750,000 bond issue recently.

THE SNYDER DAILY NEWS

VOL. I —No. 191 SNYDER, TEXAS, DECEMBER 21, 1950 SECTION TWO

Howard County Leads in Well Locations, Scurry Gains Nine

Locations for 81 tests for oil, including eight wildcats, were listed during the week Dec. 3 to Dec. 9 in 23 West Texas Counties. The preceding week listed 104 tests for oil, including 11 wildcats, in 28 counties.

Totals of the first 49 weeks in 1950 became 4,144 in proven areas and 751 for wildcats, a grand total of 4,895. This is a weekly average of 99.9, down from 100.3 through the 48th week.

Runnels County led in wildcat locations with two, Glasscock, Ector, Pecos, Scurry, Sterling, and Terry added one each.

Howard County was first in field starters with 12, Runnels and Scurry added nine each, Hockley seven Pecos six, Cochran and Ector four Borden and Dawson three each Crane, Gaines, Garza, Midland, and Winkler two each Crockett and Ward Counties one each.

BORDEN COUNTY

Amerada No. 11 Cora E. Weathers, 667 feet from the south and 653 feet from the west lines of the least in section 94-25-H&TC; 7,500 feet, rotary. Von Roeder field.

Rutherford-Heep NNo. 6-A T. L. Griffin, 660 feet from the north and 467 feet from the west lines of lease in section 59-25-H&TC; 7,500 feet, rotary. Reinecke field.

Roman courts of justice had water clocks and speeches were limited to the time it took for the water to run out ofthe dish.

Extradition Of Ochoa Recommended By Court Aleman Must Approve

TIJUANA, Mex., Dec. 21. (AP) — President Miguel Aleman will now decide whether George Ochoa will be extradited to Texas to face charges in the Laredo hotel slaying of two men.

Federal court yesterday recommended the extradition of the former Laredo, Tex., customs broker. The recommndation is to be sent to Aleman who has the final say. Usually the president accepts the court opinion.

Ochoa fought extradition on the grounds he is a Mexican citizen. He presented a birth certificate from Reynosa, Tamulipas State, to back up his claim.

But the court said an investigation failed to confirm Ochoa's Mexican citizenship. The U. S. extradition request included documents to show that Ochoa was born in Laredo, July 3, 1913.

Senator's Father Dies

BONHAM, Dec. 21. (AP) — R. W. Jones, 80, father of State Sen. C. R. Jones, died here yesterday after a week's illness.

In ancient Greece a chorus was a dance, usually accompanied by song, but was later developed as a factor in drama.

"Chivalry", in the Middle Ages referred to fully armed and mounted fighting men but has come to mean 'courtesy."

GAS?
Due to a Lack of Vitamins B1, B2, Iron and Niacin!
Today thousands have relieved the cause of their stomach distress, gas, bloating, indigestion, heartburn, due to a deficiency of Vitamins B1, B2, Iron and Niacin, by taking Hadacol regularly.
Mrs. May Laney, RFD 5, West Point, Georgia, who was troubled by such deficiencies, writes: "I have been sick for a good while suffering with my stomach. I couldn't eat, rest or sleep. I was so nervous and rundown. I heard about Hadacol and began taking it. I have taken 10 bottles and can eat most anything I want without suffering with gas in my stomach. I can't praise Hadacol enough. It has brought such relief to me. I wish everyone would try Hadacol that suffers with their stomach as I did."
Recommended by many doctors. Trial size bottle only $1.25, large family or hospital size, only $3.50. Only Hadacol gives you that "Wonderful Hadacol Feeling"—money-back guarantee.

NEWS FROM IRA

BY MRS. MABEL WEBB

Pfc. William R. Loper of Tennessee is home on furlough and is ill with pneumonia.

Mrs. May Parrott of Knapp visited her sister, Mrs. Ava Moran, and family.

Mrs. Bama Clark of Dunn, accompanied by Mrs. Nettie Webb, visited in the Wright Huddleston home of Knapp, and returning home they had a car wreck. Mrs. Webb suffered minor cuts and bruises.

Mr. and Mrs. B. F. Eades and children of Fairview visited Sunday in the W. O. Webb home.

Mr. and Mrs. J. A. Merritt of Pleasant Hill attended church here Sunday and were guests at noon of Mr. and Mrs. E. E. Carlile.

Mr. and Mrs. S. R. Clements and children visited their son, Pvt. Billy Tom Clements, at Camp Chaffee, Ark., the first of last week.

Mr. and Mrs. Weldon Key of Knapp visited in the Garnett Kelley home Sunday night.

Mr. and Mrs. J. Z. Carruthers were at the bedside of his sister, Mrs. Speller of Sweetwater, who is ill following a heart attack.

Ray Crowder of San Angelo visited here the first of the week.

Mr. and Mrs. Ernest Self moved last week to Nacogdoches, Tex.

Mr. and Mrs. Robert Erwin and daughter of Midland visited the last week with Mrs. Erwin's father, Amil Kruse.

B. L. Carlile of De Leon, Tex., was a Sunday visitor of Mr. and Mrs. W. O. Webb.

Graveside rites were held in the Ira cemetery for Mr. Duckett, a long time resident here who died at the Big Spring Hospital.

Mrs. G. L. Autry, Mrs. Ethyl Duke and Mrs. R. A. Hardie of Snyder spent the week end with their daughter and sister, Mrs. E. D. Clark and family.

Mr. and Mrs. J. L. Byars and daughter were shopping in Big Spring Friday.

Mrs. Ross Riley and daughter and Mrs. H. W. Taylor of Snyder visited in the Essie Taylor home Sunday.

Mr. and Mrs. Bill Carver of Odessa visited Sunday with her aunt, Mrs. I. H. Suiter, and Mr. Suiter.

Mr. and Mrs. M. J. Bryant visited in the P. M. Ragsdale home of Colorado City Saturday.

Mr. and Mrs. Doyle Mebane and children of Englewood, Calif., arrived Monday to spend the Christmas holidays with Mrs. Mebane's parents, Mr. and Mrs. L. L. Eubank.

Mr. and Mrs. Jesse Loper and daughter spent the week end with relatives at Merkel.

Mr. and Mrs. Clyde Childress and sons of Tahoka, Tex., visited Sunday with her mother, Mrs. Nora Jordan.

Mr. and Mrs. Al Lindsey and children and Mrs. Chambers of McCamey visited in the C. H. Bihl home Sunday afternoon.

Hubert Carnes attended the ball game in Abilene Friday.

Ira B team won the Monday night game with Big Spring, but the A team lost to Big Spring.

Mr. and Mrs. Melvin Howard of Pyote arrived last week.

Workers for Coffield & Guthrie had a Christmas party in the warehouse Monday night. Gifts were exchanged and refreshments served.

Mr. and Mrs. J. U. VanNorman returned home Thursday after being at the bedside of his mother in Wyoming.

Mrs. Nora Jordan accompanied by Mr. and Mrs. Truman Jordan and daughter left Tuesday to visit relatives in Portland, Ore.

The A and B teams played the Snyder teams at Ira Friday, and the Ira B won, but the Ira A lost.

Mr. and Mrs. Rockey Dosier and daughter, Wanda Dosier, have moved to Brownfield, Tex.

Mr. and Mrs. Franklin Eades and Mrs. W. O. Webb visited in the W. C. Eades home of Snyder Saturday.

Mr. and Mrs. Sam Webb of Brownfield, Tex., spent Saturday with Mrs. Des Bryant and sons. Sunday Mrs. Bryant and Mr. and Mrs. Webb left for a trip to Alabama.

Mrs. J. H. Allen visited Mrs. T. P. Allen who is ill in Big Spring Hospital. Mrs. Allen is reported to be much improved.

Talk of the Town

By FRANCES BIOW

GLEN HOLMES who at one time valiently ran the mile and carried the ball for Snyder Hi, writes his parents, MR. and MRS. WALTER HOLMES, 2206 Avenue M, of his misfortune in Japan. With the occupied forces there, Pfc. Holmes naturally joined with the ball players, killing time off duty. Last week he broke his knee in a rough and ready game, was told by an army doctor that he will remain at least three months in the hospital. Young Holmes feels the accident doubly, as no Distinguished Service cross goes with it. "To think I got mine passing a ball!" he wrote dejectedly.

* * *

In 1900, MRS. M. C. HEROD was a lovely 18-year-old bride. She wore a light grey gown, sweeping the floor, with white satin trim and sequins dotting it all when she was married to Mr. Herod, just 20. Next Tuesday, the day after Christmas, the couple will celebrate their fiftieth wedding anniversary at their home 808 Twenty-fifth Street. For 15 years the Herods have been in the grocery business here. . .When Mrs. Herod greets friends and family at their open house, she will wear a royal blue street length dress, in the 1950 mode, but perhaps not so dramatic as the one back in 1900. "This doesn't have sequins," she said.

Recommends That Housewife Wrap Turkey in Foil

Cooking the Christmas turkey in aluminum foil is an almost sure way to insure the juiciest and tenderest bird ever to grace your festive table, Mrs. Mildred Sparks, home demonstration agent, said.

For homemakers who do not have a large roast pan, the foil does double duty. It allows the turkey to be cooked in an open pan, and will actually keep the meat more moist and cook it more tender than a roast pan.

The dressed turkey is wrapped in a sheet of foil about twice as long as the bird. The foil is fastened securely around the turkey and the ends closed to provide a shell. The turkey should be placed in the uncovered pan breast side up, and baked in an oven heated to about 400 degrees. Even oven temperature is also an important factor, Mrs. Sparks adds.

An eight to 10 pound stuffed turkey will probably require two and one-half to three hours, with more time for larger turkeys. To test whether the turkey is done, move the leg and thigh joint.

A second test may be made by sticking a fork into the meat where the wing joins the body. If the meat there feels tender and juices does not run pink, the baking job is done.

The foil should be removed about 45 minutes before roasting time is up. Let the juices run down into the pan to brown, and brush the turkey with melted fat or drippings.

PERSONALS

Miss Eleanor Erwin and Miss Marianne Randals, both of Texas Christian University, will arrive in Snyder in time to attend the tea tomorrow honoring Miss Mary Lyn Gatlin at the Randals Ranch. Miss Erwin and Miss Randals will be at their parents' homes throughout the holidays.

Mr. and Mrs. Shelton Holmes, 1303 Avenue R, yesterday entertained Mrs. Holmes' parents, Mr. and Mrs. D. H. Goodnough of Abilene. The Holmes expect to spend Christmas Day in the Goodnough home in Abilene.

Mr. and Mrs. R. L. Gray, 3300 Avenue U, will entertain their son and family, Mr. and Mrs. Murray Gray of Amarillo, and their son Bobby Gray of Texas Tech, at the family home over the holidays.

Bob Guthrie of the University of Arizona will arrive today to spend the holidays with his parents, Mr. and Mrs. Robert Guthrie, 2411 Thirtieth Street.

Mr. and Mrs. Herman Doak, 3101 Avenue W, expect Mrs. Doak's sisters, Mrs. W. J. Skiles and Mrs. Mason G. Gamble, both of Abilene, for the Christmas holidays.

V. V. McGrew is ill at his home, Thirty-seventh Street and Avenue V.

Woman's Calendar

NEWS FROM FLUVANNA

By MRS. TENNIE J. CREEK

Mrs. Oscar Maples and daughter were week-end visitors in the Horace Carmichael home.

Mrs. Jessie Sims is leaving tomorrow for a visit with friends in Pittsburgh and then will go to Washington for the holidays with her son, Billy Sims, and his family.

D. L. Mull and Kenneth Mull and their families of Big Lake visited their parents, Mr. and Mrs. Bice Mull, last week end.

Mr. and Mrs. Morgan and children of South Carolina visited Mr. and Mrs. Mert Jones on their way to the West Coast.

Mr. and Mrs. Mert Jones accompanied Mr. and Mrs. Bill Willard to San Antonio where Mr. Willard took his physical for induction into the Marines.

Don Jones accompanied Mr. and Mrs. Bill Willard to Oceanside, Calif., where Mr. Williard will be stationed.

Joe Hughes, Melva Ainsworth, Louise Glass, Gloria Toombs and Bobby Kerley, now college students in Abilene, and Gaylon Collier, an instructor at Abilene Christian College, are home for the holidays.

Mr. and Mrs. Lee Lavender and Mrs. E. C. Browning were in Sweetwater shopping Wednesday.

J. M. Glass, a student at Texas Technological College, is home for the holidays.

The lumber yard is being moved to Post.

Mr. and Mrs. Frank Farquhar were in Post Monday.

Mr. and Mrs. C. E. Kellner are moving back to their home in Leakey, Tex.

Mr. and Mrs. Bill Maell plan to spend the holidays visiting their sons and families in Big Spring.

Mr. and Mrs. R. Griffin of Hamlin spent the week end with Mrs. Raymond Griffin and Shirley Ray.

Robert Farquhar, son of Mr. and Mrs. Frank Farquhar, will spend the holidays with his parents. He is in the navy.

Mr. and Mrs. Jessie Browning of Missouri, Mr. and Mrs. Tommy Farquhar of Big Spring and Mr. and Mrs. D. F. Haynes of Roby will be other guests.

Mr. and Mrs. A. D. Dodson of Encino, N.M., visited Mr. and Mrs. Burl Belew Tuesday. Mr. and Mrs. Jack Thomas, Lucian Thomas, and Mr. and Mrs. Pete Browning of Lubbock visited Mr. and Mrs. Belew Sunday.

Bob Jennings is spending the holidays with his daughter, Mrs. Caryle Russell of Caswell, Mo. He will also visit his brother, A. H. Jennings, in Little Rock, Ark.

Fred Jennings will visit his children in Abilene, Anson, Graham and Bowie over the holidays.

Billy Jones of Trinity University in San Antonio is home to spend the holidays with his parents, Mr. and Mrs. Wallace Jones.

Mr. and Mrs. Lon Deere, Hazel Deere and Dick Deere will spend the holidays with their son, R. L. Deere, and his family in Jayton.

Travis Beavers is visiting his sons in Long Beach, Calif.

Mrs. J. R. Jones was hostess to the Ladies Auxiliary of the First Baptist Church Friday afternoon.

Houston Makes The Largest Population Jump In The South

WASHINGTON, Dec. 21. (AP)—The Census Bureau says Houston made the greatest numerical gain in population in the South. The Houston figure is 549,688.

The bureau listed the five largest southern cities as Baltimore 940,205; Washington 802,178; Houston; New Orleans 567,257; and Dallas 432,927.

Miami was the fastest growing city in the South, the bureau said. Its population multiplied 146 times in 50 years. Tulsa increased 123-fold over 1900.

Dog Helps Save Master's Life

PRESTONSBURG, Ky., Dec. 21. (AP) — A trip to the woods in search of mistletoe for the holidays might have ended in death for 14-year-old Ollie Lafferty, Jr., had it not been for the lad's resourcefulness and his dog's intelligence.

Ollie told about it last night from his bed in a hospital where he is recovering from a broken leg.

Ollie and his mixed Collie and shepherd, "Rock," set out from their home at nearby Sloan. Three miles deep in the hills, Ollie spotted the mistletoe in the top of a tree. He chopped down the tree. But as it fell it bounced, pinning his left leg to the earth.

The youth removed dirt with the ax to get to the injury. He tore strips from his shirt and fashioned a aurniquest to stop the flow of blood and to bind the wound. Then he chopped limbs from the tree for a splint. Next he proceeded to cut his way to freedom with the ax.

Faced with the task of crawling home over three miles of rugged tarrain in bitter cold weather, he decided to use Rock as a messenger. He scribbled a note on part of a small cardboard box, tied it to the dog's collar and, after much persuasion, Rock got the idea and streaked for home. Ollie began the tortuous crawl.

Five hours later he was found. Rock had delivered the message.

Grain Shipments To Gulf Ports Prohibited

WASHINGTON, Dec. 21. (AP)—Carload shipments of grain to Texas Gulf ports and New Orleans were prohibited today by an ICC order.

The Interstate Commerce Commission so ordered to speed movement of scarce boxcars. Gluts at the ports now prevent prompt unloading.

Smith Is All-Opponent

ATHENS, Ga., Dec. 21. (AP) — Backs Bob Smith and Bill Tidwell of Texas A&M were placed by Georgia football players yesterday on their 1950 all-opponent team. Smith was a unanimous choice.

The employment of persons paid to applaud dramatic performances was common in ancient times.

Two Scurry Locations: Standard No. 18 Parks,

Standard Oil Co. of Texas has staked location for No. 18 G. E. Parks in the Kelley-Snyder field of Scurry County.

Location is 1,362 feet from east and 1,180 feet from north lines of section 448, block 97, H&TC survey and 11 miles north of Snyder.

Rotary tools will be used to drill to 7,000 feet. Operations will begin immediately.

About five miles southwest of Snyder and in the Sharon Ridge-Canyon field of Southwest Scurry County, The Superior Oil Co. spotted its No. 11-179 C. T. McLaughlin 660 feet from south and 1,860 feet from east lines of section 179, block 97, H&TC survey.

Projected depth is 7,500 feet. Rotary tools will be moved in and drilling will begin immediately.

Crane Wildcat Called San Andres Discovery

Placid Oil Co. No. 1 A. R. Eppenauer, wildcat in extreme Southeast Crane County, has indicated as a discovery from the San Andres lime from 2,711 feet, which is its total depth.

On a drillstem test of the section immediately above total depth, with tool open one hour and 38 minutes, gas was at the surface in 11 minutes and oil in 38 minutes.

The oil flowed at an estimated rate of 10 to 20 barrels per hour, gravity 36.4 degrees.

There was no water and recovery was circulated out.

Operator is now drilling below 2,711 feet at the No. 1 Eppenauer. Contract depth is 6,200 feet.

Location of the possible new pool opener is 660 feet from north and east lines of section 14, block 6, H&TC survey and 10 miles south of Crane. That puts the prospector three and one-half miles west of the south side of the McCamey pool.

Terry County Well Is Staked Near Brownfield

Phillips Petroleum Co. has filed application to start immediate operations at its No. 2 Cot in Central South Terry County.

The prospector is located 1,980 feet from east and 660 feet from north lines of section 91, block T, D&W survey and five miles southeast of Brownfield.

That makes it one location north of the same operator's No. 1 Cot, which is now testing in the Canyon reef.

The No. 2 Cot is projected to go to 10,200 feet to test the pay found west of Union Oil Co. of California No. 1 Laura Cotten, the discovery.

2-Year-Old Killed

HOUSTON, Dec. 21. (AP) —Joyce Ann Lee, two, was fatally injured yesterday when struck by an automobile as she played with a Christmas gift tricycle in front of her parents' apartment.

Try to Complete Crane Wildcat As a Producer From the Devonian

Humble Oil & Refining Co. is preparing to set casing and make production tests and try to complete an oil well and a discovery from the Devonian at its No. 1 Hallie C. Day, Central-East Crane County wildcat.

This prospect is five miles southwest of the town of Crane, and 1,980 feet from north and west lines of section 15, block X, CCSD&RGNG survey. It is four miles west of the shallow McElroy field.

The project is now bottomed at 8,498 feet in the Devonian lime and chert. It developed sulphur water in a drillstem test on the zone at 8,339-8,498 feet.

The tool was open one hour Recovery was 180 feet of free gas in the drill pipe and 420 feet of salt water. There were no shows of oil.

A previous test at 8,260-8,348 feet recovered 7,000 feet of free gas in the drill pipe and 400 feet of heavily gas cut mud which had a slight oil cut. That test was open two hours. It did not show any water.

The first shows of possbile production in this wildcat in the Devonian came in the zone at 7-650-7,710 feet.

Another possible pay was entered at 8,038 fet. The signs of oil in edthrough 8,348 feet. Some small amounts of free oil were developed on some of the tests run between 8,038 feet and 8,348 feet.

Texaco Well Explores Ellenburger in Midland

The Texas Co. is preparing to start drilling at its No. 1-C Scharbauer, which is to be a 13,300-foot wildcat to explore the Ellenburger in West-Central Midland County, eight miles southwest of the city of Midland.

The prospector will be three miles east and one mile north of the discovery well of the Parks-Elenburger field and it is three miles south and one mile west of the Ralph Lowe No. 1 Hill, which has found production in at least two zones of the lower Permian, and is now going on down to test the Ellenburger.

The Texaco prospector will be 1,983 feet from north and 2,061 feet from west lines of section 42, block 40, T&P survey, T-2-S.

Man Dies In Wreck

DALLAS, Dec. 21. (AP) — William M. Roten, 39, of Winnsboro was killed last night when his car rammed into an underpass support.

Mariposa trees in Yosemite National Park, California, are believed the world's oldest and largest living things.
