

EAGLE SCOUT PRESENTATION — Woodrow Smith, left, Boy Scout field executive from Midland, reads to James E. (Chip) Payne Jr., the certificate naming Payne an Eagle Scout as the scout's mother, Mrs. James E. Payne, observes. The Eagle rank was awarded to Payne Tuesday by Supt. A U.S. flag in the ceremony was flown over Washington, D.C., Jan. 14, Chip's birthday, and given to the Eagle scout by Congressman George Mahon.

Parents' Aid Asked in Boy Scout Work

The Buffalo Trail Council of the Boy Scouts of America, which includes Mitchell County Cub Scout, Explorer Scout and Boy Scout units this week reported that the number of boys engaged in Scout work in the council had more than doubled during the past 10 years.

The occasion for the progress report was national Boy Scout Week, celebrating the 48th anniversary of the Boy Scouts of America.

Boy Scout Week opened Friday and will continue through next Thursday.

At present, there are 13 active Cub, Explorer and Boy Scout units in Colorado City alone, Scout leaders reported. Colorado City is included in the Lone Buffalo District of the Buffalo Trail Council, in which 1,115 Scouts were active at the close of 1957.

Scout Executive Joe Bohanan of Snyder pointed out Saturday that membership in the Lone Buffalo District could be increased greatly with enough adult leaders.

He asked the help of parents in the district, in offering all boys in this area the opportunity to participate in Boy Scout activities.

He added that more clubs, churches and other organizations are needed to sponsor Scout troops.

Institutions which contribute most to the Boy Scout movement include PTA organizations, Methodist, Catholic, Baptist and Presbyterian Churches, Lions Clubs, citizens groups, Lutheran Churches, American Legion, Latter Day Saints, Rotary Clubs and Protestant Episcopal Churches.

Patrol Officer To New Post In Greenville

Highway Patrolman H. B. Slaughter has been transferred from Colorado City to Greenville by the State Highway Department.

He left Colorado City Monday to take his new position. He had been here about three years.

Promoted to sergeant, Slaughter's work at Greenville will be mainly in a supervisory capacity.

According to Patrolman Al Chambers, Slaughter's former partner here, no replacement for Slaughter will be sent here in the immediate future.

Chambers will work alone on highway patrol duty in Mitchell County until a replacement is sent here, he said Saturday.

While in Colorado City, Slaughter was an active participant in activities of the local Junior Chamber of Commerce, serving as second vice-president of the organization. He is a member of First Baptist Church.

Indictment Returned In Shooting Death

A Mitchell County grand jury this week returned seven indictments against four persons charged with felony offenses.

Leading the list of cases considered by the grand jury were charges of murder with malice against Refugio Martinez, 29.

Martinez was indicted by the grand jury in the Dec. 15 shooting death of Liberio Garcia outside a West Highway 80 cafe.

Martinez, held in Mitchell County Jail in lieu of bond, is the father of six children. He has reportedly admitted shooting Garcia, according to police. Also indicted this week was W. Lee Moore, 18.

Moore was billed on four separate charges — three for forgery and one for auto theft. He is presently in the custody of federal authorities in Tulsa, Okla., after violating the Dyer Act by transporting a car stolen here across a state line.

Moore last spring received a suspended sentence after being convicted of the theft of farm implements from a

farm near Colorado City. James William Walker was indicted also on charges of driving while intoxicated, second offense, according to District Attorney Eldon Mahon.

The violation reportedly occurred Dec. 31. Walker was arrested by the highway patrol, Mahon said.

A seventh indictment was returned by the grand jury against a person not yet apprehended.

A variety of entrees, vegetables, salads and specialties are being prepared by Mrs. Dee Bynum and her staff at the community's Civic House, 100 block of Elm St.

A new menu will be offered each Sunday.

Proceeds from the meals, costing \$1.50 and 75c — will go for improvements to the Civic House building.

Trio Charged, Jailed Here In Four-State Crime Wave

Captured In Angelo By Police

A string of thefts stretching from Florida to California came to an abrupt end in Colorado City this week.

And a trio of fast-moving suspects — two men and a woman — were in Mitchell County jail Saturday following their arrest in San Angelo Thursday night.

Found in their gray 1957 Buick at the time of their arrest were two portable television sets taken from the States Motel here early Thursday evening.

Also found in the automobile was a third television set believed to have been stolen from a Midland motel earlier Thursday.

District Attorney Eldon Mahon said Saturday that charges of felony theft had been filed in district court against Theodore Fox, 35, his wife, Jessie Lois Fox, 31, and Bartholomew Joseph Wells, 33.

The trio was returned from San Angelo to Colorado City Thursday night after their arrest.

The theft of the two TV sets from the States Motel was reported to police at about 6:45 p. m. Thursday by J.W. Austin, owner of the motel.

A pick-up order on the three suspects was broadcast to local authorities to all officers in this area and roadblocks were thrown up at Big Spring, Snyder, Sweetwater, Robert Lee and San Angelo.

San Angelo officers closed in on the suspects' car, but managed to capture the trio only after a 120-mph chase.

Chief of Police Leon Yeager, County Sheriff Dick Gregory, Deputy Sheriff Bass Hines and Austin left immediately for San Angelo after learning of the capture.

Austin identified the three suspects and the stolen television sets and the trio was returned to Colorado City and jailed in the Mitchell County Jail.

No bond had been set in the case Saturday, according to Mahon.

Under interrogation, the suspects reportedly admitted to city and county officers a wave of similar thefts across Texas, Florida and Arizona.

Authorities said they also admitted an armed robbery in California about 10 days ago.

During the robbery, police said, Fox was wounded in the right shoulder. They said he had been treating the wound himself without seeking medical aid.

The three were apparently selling the stolen television sets at widely scattered points around the country, officers said.

Austin told police that Fox, his wife and Wells checked into the motel Thursday afternoon, rented two cabins but left a short time later.

The motel owner checked the cabins, discovered that two portable Westinghouse television sets were missing, and notified police.

By about 8 p. m. the suspects were in custody in San Angelo.

The set taken from the Midland motel was reportedly stolen about 3 p. m. Thursday.

Local Kiwanians helping with the supper include: Cooks — Ed Rothwell, chairman, Jack Jordan, Garland Green, Homer Hart, Paul Boston, Dick Wistrand, Vernon Hale, Joe Gunning, Glenn Thomas, Harold Bone, Keith Miles, chairman; Don McCoy, Carl Harkins, Martin Weaver, Bobby Read, John Merritt, Lawrence, Ruddick, Trevis Kelly, H. C. Pendergrass.

Bus boys — James E. Payne, chairman; Frank Wilson, Frank Ginzle, Perry Bowles, J. C. Costin, C. O. Shurtlett, O. L. Simpson, Henry Bilberry, Doyle Kiker, Eddie Kissinger.

AS ONE OUTSTANDING MAN TO ANOTHER — Mrs. Bob Reilly contributes an approving smile as her husband receives the award as Colorado City's "Outstanding Young Man" for 1957. Presenting the award to the Colorado City High School head coach is Joe Salter, 1956 winner of the DSA Award. The presentation was made at a Thursday night banquet in Civic House.

ORGANIZATIONAL MEET

School Study Committee Schedules First Meeting

An organizational meeting and dinner will be held at the Primary School cafeteria Feb. 20 at 7:30 p. m. for members of the newly formed county school study committee.

According to Frank W. Wilson, superintendent of Colorado City schools, all members of the study group are urged to be present at the meeting. Wilson is serving as temporary chairman of the county committee.

A permanent chairman will be picked at the meeting, Wilson said, and resource materials from Austin will be distributed to each member of the group. The material will include study guides for each member which will aid them in planning the study at the county level.

The school study in Mitchell County will be a segment of a statewide school study under the direction of the Hale-Aiken Committee in Austin.

Findings of grassroots committees in all 254 of Texas' counties will be used later to formulate state legislation on school problems and needs, Wilson said.

Floyd Parsons, superintendent of schools in Big Spring, will be at the Feb. 20 meeting to discuss the purpose and work of the committee and of the county and state study, Wilson pointed out.

The dinner meeting was planned Friday afternoon at a meeting of the county's three school superintendents — Wilson, D. V. Marcum of Lorraine and S. A. Walker of Westbrook. The three met at Wilson's office at Colorado City High School.

The committee — which includes 40 members from Westbrook, Lorraine and Colorado City school districts — will be divided into four subcommittees for work on four different phases of the study.

All members of the Colorado City, Lorraine and Westbrook boards of education have also been invited to the meeting, Wilson said.

Upon completion of the county school study, the committee's findings will be submitted to the state committee in Austin.

He and his wife were visiting here at the time of the accident. Their home is at La Porte.

Dohoney had been in the Big Spring hospital since the accident. He was a veteran of World War II.

He was born Oct. 13, 1907 at Direct, near Paris, and married Miss McKinney June 18, 1948 in Orange. He lived in Mitchell County from 1948 until 1950 and was a pipe fitter and construction worker.

Following services here with Rev. Joe McCarthy, pastor of First Baptist Church, will be at the Roscoe Cemetery.

Woodard had lived for the past 58 years near the Champlin community southeast of Lorraine.

He was the father of Mrs. J. W. King of Lorraine.

Woodard died at Johnson Hospital at Lorraine Monday afternoon after an illness of about a week.

Burial was in the Roscoe Cemetery.

AT BANQUET

Speaker Praises Winner

"Our lives are not measured by duration, but by donation," Bill Allcorn, land commissioner of the state of Texas, said Thursday night at the annual Distinguished Service Award Banquet in Civic House.

Allcorn, who was voted one of the five outstanding young men in Texas two years ago, spoke to a crowd of around 125 persons immediately before Bob Reilly, head coach at Colorado High School, was named as Colorado City's "Outstanding Young Man" for 1957.

In commenting on the DSA Award and the man to receive it, Allcorn said that the recipient of the award had to use work — the "weapon of honor" — to be chosen for the award.

"A man is not going to receive this award unless he is a man who has put to use this 'weapon of honor' for the service of his community," Allcorn said.

"Through his service for the benefit of the community, he has gained new friends," the speaker added.

Allcorn called the winner of the award "a laboring man, willing to pay the price with diligent toil to accomplish community goals."

"He has used the 'weapon of honor' and has served faithfully," Allcorn said.

"And he added that the friend, ship and the 'great respect' earned by the 'Outstanding Young Man' of 1957 were the highest distinction offered in society.

Reilly was presented the award plaque by Joe Salter, chairman of the DSA Committee and the 1956 award winner.

Allcorn was introduced by Eldon Mahon, president of the local Lions Club. A reception was given for Allcorn following the banquet at the home of Mr. and Mrs. Ray Noble, with Mr. and Mrs. Noble and Mr. and Mrs. Mahon as hosts.

HERE ARE THE FACTS TO PROVE IT!

Colorado City Business Firms Are THE HIGHEST BIDDERS for Your Shopping Dollar

Actually . . . nobody . . . and that means NOBODY . . . can give you more for your dollar than your own Colorado City business firms.

Let's look at the reason for this advantageous (to you) situation:

ANY MERCHANT . . . is ordinarily going to sell goods for some more than he pays for them.

ON AN AVERAGE . . . when you spend a dollar in any retail store . . . here or anywhere else . . . about 70 cents of it pays for GOODS, and about 30 cents goes for rent, taxes, donations, hired help, etc., and a few cents (the national average is about 5 cents) pays the proprietor for his work, and for his investment in goods and equipment, credit losses, etc.

NOW . . . when you spend your dollar in Colorado City, you get the same 70 cents worth of merchandise that you would get for it anywhere else.

AND THE OTHER 30 CENTS stays here too, to help you pay for schools, churches, roads and streets; to vitalize the community so your property . . . or your job . . . is worth more; to keep more people here to share civic work and expense, and to serve YOU when you sometimes direly need their knowledge and their skills.

ONLY when you buy in COLORADO CITY do you get back most of this 30-cent retail handling charge . . . and often a great deal more, as your job or your business prospers and your social life broadens with the growth of the entire community.

Make your dollars build your community . . . not somebody else's

CANDLE LIGHT RITES

Dorothy McClusky, Robert Odom Wed in Silver Baptist Church

Miss Dorothy Jean McClusky became the bride of Robert Hewitt Odom Saturday evening in a double ring ceremony in Silver Baptist Church.

Parents of the couple are Mr. and Mrs. E. E. McClusky and Mr. and Mrs. Bob Odom, all of Silver.

Rev. Ray Sparks, church pastor, read the wedding vows before an arch covered with lemon leaves. Two seven-branched candelabra and baskets of white gladioli flanked each side of the altar.

The bride was given in marriage by her father.

She wore a floor-length gown fashioned of Chantilly lace and tulle. The lace bodice featured a square neckline, outlined with sequins and pearls, and long fitted sleeves which tapered to points over her hands. Skirt was styled with lace over tulle ruffles.

Her veil of illusion was attached to a crown of pearls and sequins.

The bride carried a white orchid with an ivory Bible, which served as the traditional something old.

Her wedding attire was new. Her veil was borrowed and she had a penny in her shoe for good luck. She wore a blue garter made by Mrs. Fred Theis of Silver.

Traditional music was presented by Mrs. Fred Williams

of Snyder, pianist, and Mrs. W. R. Whitaker of Silver, vocalist. Mrs. Whitaker sang "Till 'Cause" and "The Lord's Prayer".

Mrs. Elton McClusky of Beaumont, sister-in-law of the bride, was matron of honor.

Bridesmaids were Miss Kay Stewart, Mrs. Billy Wayne Roe of Silver and Miss Frances Kesner of Abilene.

Bridal attendants wore street-length dresses of Persian turquoise peau de sole. Fitted bodices were styled with rolled collars which dipped to points in the back. Velvet bows fell from back necklines.

They carried nosegays of white carnations.

Rebecca Archer of San Angelo was flower girl. Kay Jameson of Silver and Ernest Herford were ringbearers.

Candles were lighted by Lancy Archer of San Angelo and Glyn Allen of Sweetwater.

Walter T. Jones of San Angelo, uncle of the bridegroom, served as best man. Elton McClusky of Beaumont, Kenneth Preston of Snyder and James Herford were groomsmen.

For her daughter's wedding, Mrs. McClusky wore a beige lace sheath dress, complimented by a front drape fastened by a peau de sole bow at the

played by Sun Pipeline Corporation in Snyder before her marriage.

BOB BEDFORD

the 'seniors at Col-Tex

This is the 44th in a new series of special Col-Tex presentations recognizing long and valued service of those employees who have been associated with Col-Tex 20 years or longer. Col-Tex is proud of its workers who have contributed their efforts so many years for the company's success.

There's a lot more to Col-Tex Refinery than the manufacture of gasoline and motor oil. For instance, the manufacture of roofing asphalt is a major part of the plant's operation.

And the packaging and shipment of roofing asphalt requires the work of two crews — 16 hours every day. Directing one of those skilled crews is a Col-Tex "senior," Bob Bedford, whose job classification is No. 1 houseman.

Bedford's crew packages the roofing material into cartons and metal barrels while the asphalt is hot. After the material cools for a few days, they ship it by trucks and railroad cars to points mostly in Texas and New Mexico.

Roofing asphalt has been an expanding operation at Col-Tex during late years. In fact, Bedford said roofing had become a major packaging job during the 11 years he has been No. 1 houseman.

Bedford, a native of Mitchell County, has been a Col-Tex employee since July 2, 1941. He and the former Dorcas Little of Greenville, whom he met while she was a teacher in Stanton, were married in 1948.

They are parents of two children — Bobbie Nell, 8, and John Wayne, 4. Their home is at Buford, just half a mile from where Bedford was reared. Residing there with them is the Col-Tex senior's mother, Mrs. Reese Bedford.

Gardening, a dog, cat and chickens provide the Bedford family plenty of home interests. And outside the home, their interests are centered at Buford Methodist Church, where Mrs. Bedford is a Sunday School teacher.

SECOND 3-AAA WIN OF SEASON

Compton Paces Wolf Quint To 69-66 Win Over Chiefs

Aided by Richard Compton's 23 point scoring spree in the first half, Colorado High Wolves basketball team slipped past Lake View High Chiefs 69-66, here Friday night.

The Wolf victory marked the second District 3-AAA win for Coach Homer Jefferson's quintet.

Wolves led all the way, even though the Chiefs tied the score four times during the game.

The last tie count was 58-58 with 6:10 left in the game. Wolves were leading 60-58 when the Chiefs ace guard Jim Tomlinson drove in for a crisp shot.

He connected on the shot and was fouled in the process. The slender guard dropped in the free toss to tie the score at 58-58.

But Wolves' Jimmy Richardson hit a long shot from the corner and Don Black heaved in a long one-handed shot to have the Wolves ahead 62-58.

Lake View threatened again with two minutes left when the Chiefs' top scorer, Rex Wilson, slipped in a hook shot and a free toss to cut the Wolves' lead to 64-62.

But as they had been doing all night long, the Wolves pulled ahead again on Black's free tosses.

With 25 seconds to go, Black Wilson was held to only four points the first half with Barren Smith and Flippin performing yeoman work on defense.

But the Chiefs' Chief kept pecking at the lead with Bill Whains dropping in two free tosses with 20 seconds left.

Wolves stalled out, the rebounding time.

Wolves' reluctance to free the ball in the last few minutes almost proved disastrous. Richardson missed three long shots and Black one with the minutes ticking off.

But Jefferson's boys threw up a stout defense and kept the Chiefs from slipping ahead. Compton was nothing short of sensational in the first half as he poured 23 points through the hoops.

His scoring lean shots and free tosses off the rebounding plays of the Wolf team kept Lake View baffled the entire first half.

With Compton's nine points in the first quarter, the Wolves leaped to a 17-12 lead.

Compton scored 14 of the Wolves' 22 points in the second quarter as he continued his unrelenting attack on the nets.

Tomlinson and Wilson kept the Chiefs in the game with their close-in shots.

Silver and Coahoma girls were scheduled to play for the journey title Saturday afternoon.

The 7th grade boys advanced to the tournament finals with victories over Loraine, 37-19, and Coahoma, 18-14.

The win over Loraine came Thursday afternoon in the first round with Benny Bollinger leading the way with 14 points. C-Clay was ahead from the start in the game with their Mitchell County rival. Felix Salmeron was outstanding on defense.

The Pee-Wees led Coahoma all the way in taking the 18-14 win Friday evening.

Bollinger again led the local team on offense with eight points. Salmeron grabbed 11 rebounds to lead the C-Clay team on defense.

Wallace Five Eyes Fifth Cage Title

D. W. Wallace High School Wildcat basketball team was trying for its fifth consecutive district title Saturday at the district tourney in Big Spring.

The Colorado City school whipped Stamford, 61-34, Friday night to advance into the second round of play.

They were scheduled to play either Brady or McCamey Saturday morning. If they won that game, they were slated to play Crane.

Coach W. D. Harris' team led Stamford all the way in the Friday game to win by the lopsided margin.

Abilene High Rams edged by the Wildcats, 64-62, Wednesday night in a non-conference affair.

The lead changed hands four times in the contest and Wallace led at the half, 31-24. It took Wallace a little time to find the range in the first quarter as they dropped in only eight points during the initial period.

Wallace team picked up 22 points the second quarter to go ahead at halftime.

Abilene came back strong the third quarter and dropped in 95 per cent of their shots to lead at the end of the frame, 51-46.

Wallace trailed by 11 points at one time the last half but began hitting the basket to pull within two points at the end of the game.

Wallace girls won their game from Abilene, 36-23.

Frank Motor Installs New Tire Buffer

A True-Butt machine, the latest thing in precision high speed tire balancing equipment, was installed Saturday at Frank Motor Co.

Bob Elam of Lubbock, manufacturer of the tire buffing machine, installed the highly specialized machine, the 71st to be installed in West Texas.

Elam explained the machine as a "turning lathe for tires."

Tires that are "out of round" are buffed into a perfect circle so that when the tire bears the weight of the car against the pavement at high speed, no vibration can result, Elam said.

"An untrue circle will not roll smoothly against the pavement even though it may be in perfect balance when suspended in mid-air on a wheel balancing machine," Elam added.

The buffer wheel is mounted on ball bearings and powered with a three horsepower motor.

The buffer is the first of its kind in Colorado City, according to Frank Derogibus, owner of Frank Motor Co.

First free school in U. S. was established at Dedham, Mass., in 1649.
